

EFFECTIVENESS WITH ECONOMY

'EFFICO' tonic is a well-balanced combination of vitamins, traditional stimulants and bitter stomachics in a pleasantly flavoured syrup base. Its reliability as a restorative for the convalescent, the overworked and the aged, and in post-influenzal and similar conditions, has been proved in extensive clinical use.

'EFFICO' Tonic with a basic N.H.S. cost of 2/2½d per 8 fluid ozs. (total N.H.S. cost 4/1d) provides effectiveness with economy.

THE EFFICO FORMULA

<i>Aneurine Hydrochloride B.P.</i>	<i>1 mgm.</i>
<i>Nicotinamide B.P.</i>	<i>12 mgm.</i>
<i>Tincture of Nux Vomica B.P.</i>	<i>12 min.</i>
<i>Caffeine Citrate B.P.C.</i>	<i>4 grs.</i>
<i>Tincture of Orange B.P.</i>	<i>8 min.</i>
<i>Tincture of Lemon B.P.</i>	<i>4 min.</i>
<i>Compound Infusion of Gentian B.P.</i>	<i>200 min.</i>
<i>Dilute Hydrochloric Acid B.P.</i>	<i>4 min.</i>
<i>Syrup B.P.</i>	<i>to 1 fl. oz.</i>

FLETCHERS'

A BRITISH TONIC

TELL A LIE LOSE A TOOTH

LONG, long ago it was widely believed that if you told a lie a tooth fell out. There were even cases of people being burned as witches because they were toothless. (This does much to explain the early development of false teeth.)

Nowadays, of course, the penalties for neglecting our teeth are much less severe, and we are much better at looking after them. We know, for one thing, that the earlier we start our children in good dental habits—by teaching them the C D E F rule for good teeth—the more promise we give them of healthy teeth both now and in adult life.

C **CLEANING** Often and thorough, to remove food particles that can cause decay. After each meal if possible.

D **DENTIST** Regular visits to catch any trouble early.

E **EXERCISE** Lots of chewing—apples, celery, chewing gum,* raw vegetables. Helps to clean teeth, promotes flow of saliva (nature's mouth-wash); stimulates gums, aids proper jaw development.

F **FOOD** Plenty of milk, butter, cheese and eggs: rich in minerals and vitamins for strong teeth and healthy gums.

* The Mayas of Central America chewed chicile (the basis of today's chewing-gum) more than 1,000 years ago. And they were renowned for their splendid teeth.

CYANAMID OF GREAT BRITAIN LTD. London WC2

THIS MONTH, as the catkins come to maturity, the first hay fever patients appear. There aren't many of them, but they provide an opportunity to test Daneral before the season proper starts.

Daneral is a potent and long-acting antihistamine. It gives prompt and long-lasting relief from hay-fever symptoms. Daneral is an original compound discovered and developed by Farbwerke Hoechst. Its usefulness has been proved by its efficacy in thousands of patients. Daneral is a powerful antihistamine and in normal dosage produces no serious side-effects.

Obesity can be more than embarrassing

Obesity is not only embarrassing and a physical handicap—it can also be dangerous.

The association between obesity and increased incidence of conditions such as hypertension, diabetes, heart disease, cirrhosis, gout, and accidents has been statistically established. Increase in weight often occurs several years before the physical disorder becomes manifest. Prompt treatment of obesity, therefore, can play an important part in preventive medicine.

In the great majority of cases, obesity is directly attributable to excess of food intake over energy output. Dietary measures are consequently of first importance in treatment, and their success is best ensured by the use of a safe and effective anorectic. One 'Dexedrine Spansule' sustained-release capsule taken first thing in the morning will control the patient's appetite gently but firmly throughout the day—and will simultaneously dispel lethargy or apathy which may be contributing to the patient's condition, or which may arise from the rigours of dietary restriction.

FORMULA**21**

methyl
cellulose
diet
supplement

'There is no substitute for calorie restriction in the management of obesity.'

Brit. Med. Jnl., 1957, II, 310.

'The chief aims of treatment [of obesity] will thus be to increase physical activity, and to give a diet designed to be lower in calories while still of optimal satiety. This in practice means a diet which need be restricted only in carbohydrate. As a help in the early stages, when the new dietary habits are being acquired, it may be found useful to take methyl cellulose or possibly some other preparation which decreases appetite.'

Lancet, 1959, II, 1138.

'If appetite can be controlled by a high fat diet or some other modification with a high satiety value, this might be more effective than attempting to persuade the obese to practice dietary continence.'

Lancet, 1960, I, 1282.

'It is then reasonable to conclude that at least some obese patients will find it useful to take methyl cellulose, provided they take sufficient and it is in the powder form.'

Lancet, 1960, I, 1413.

Formula 21 is a palatable preparation of methyl cellulose, presented as a granular powder in tins (21 days' supply) and one-dose sachets (7 days' supply per box). Taken with water before meals, it helps to reduce appetite by providing inert bulk in the stomach and intestine. In association with a low-calorie diet, Formula 21 can thus help immediate weight loss and long-term dietary re-education to take place simultaneously, in comfort, and with the minimum disruption of the subject's day-by-day routine. Samples available on request.

Carnation milk

MEANS

happy babies

...AND THAT MEANS HAPPY MOTHERS (FATHERS TOO!)

Experienced mothers write to us expressing appreciation of the EXTRA qualities of Carnation Milk.

The following points are repeatedly mentioned in the very many letters we receive:

DIGESTIBILITY—Contented sleep between feeds, particularly at night.

DEVELOPMENT—Pride in Baby's healthy, happy appearance—readily recognised by medical advisers and by other mothers.

SIMPLICITY—The daily feeding routine could not be easier—no mixing.

"THE FEEDING OF INFANTS"—a book specially prepared for the medical profession—together with reprints of clinical investigations and Carnation feeding charts are available from Medical Dept., General Milk Products Ltd., Bush House, Aldwych, London, W.C.2.

DOCTORS can have every confidence in the standard performance of Carnation Milk. Published medical opinion relating to evaporated milk emphasizes:—

Smooth skin and relative freedom from rashes; Convincing evidence of good muscle tone and motor activity; Successful use in varying housing conditions.¹

It can be used, with very rare exceptions, to the exclusion of all other milk preparations if desired.²

ROTER

has particular
advantages

ROTER achieves a high cure rate and often gives effective control of even refractory chronic cases which have resisted other treatments.

ROTER in many cases obviates the need for hospitalization or surgical intervention.

ROTER helps patients to keep ambulant and symptom-free with a minimum of medication and with few, if any, dietary restrictions.

ROTER in general practice enables the physician to take adequate care of his gastric cases without frequent or prolonged supervision.

ROTER has no known side effects.

ROTER requires no supplementary medication such as sedatives or anti-spasmodics.

ROTER shows a saving in cost when compared with conventional methods of treatment.

Restoration after Confusion

Mental confusion, apathy, disorientation, loss of memory, coma and delirium occur non-specifically in diverse pathological states. Where confusional or psychotic symptoms are present, vitamins administered intravenously may be needed at the initiation of treatment, to restore to normal the disturbed intracellular glucose catabolism which may underlie the development of symptoms.

Parentrovite is the most highly concentrated injectable preparation of the vitamins, necessary for restoring the patient's health. It contains massive doses of aneurine hydrochloride, nicotinamide, and ascorbic acid, and smaller doses of pyridoxine and riboflavine. It is prepared in two forms for intravenous and intramuscular injection. High potency and maintenance concentrations are available in each type.

Parentrovite

is a high potency injectable preparation
of the Vitamin B complex with Vitamin C.

a fresh start for corticoid therapy

Betnelan

an entirely new
anti-inflammatory steroid

Here is a steroid having increased anti-inflammatory activity with a decreased possibility of side effects. Betnelan, a most potent steroid available for clinical use,

is devoid of salt retention activity
has negligible effect on potassium balance
causes no mental depression

and shows promise of clinical superiority in other respects. For short-term therapy a "2:1:½" dosage scheme is suggested. For example, in acute asthma, severe eczema, urticaria, shock and other conditions for which corticoids are indicated systemically, the dosage may be

2 tablets t.i.d. for 2 days followed by

1 tablet t.i.d. for 2 days and

½ tablet t.i.d. for 2 days

For maintenance, dosage need be no more than ½ tablet twice daily.

BETNELAN is presented as scored tablets containing 0.5 milligrams betamethasone in bottles of 30, 100 and 500.

Dose for dose, Betnelan is the lowest priced of all corticosteroids available.

Betnelan (betamethasone) is an entirely new parent compound developed in Britain by Glaxo Laboratories Ltd. Its merits are derived from its unique chemical structure—the beta position of 16 methyl group in the formula 16β-methyl-9α-fluoroprednisolone (betamethasone) representing more than 20 new stages of manufacturing complexity.

BETNELAN—better—for safety: activity: economy

NULACIN

"has revolutionized the treatment of duodenal ulcer" *

simply

safely

Nulacin tablets, dissolved slowly in the mouth, provide intragastric milk-alkali drip therapy, obviating the necessity for a tube. Treatment is easy and convenient for the ambulant as well as the bedridden patient.

Nulacin may be relied on to provide an effective treatment for peptic ulcer as well as other conditions associated with gastric hyperacidity. No undesirable side effects occur and no cases of alkalosis or acid rebound due to Nulacin have ever been reported. The safety and effectiveness of Nulacin therapy has been proven by 'in vivo' clinical work carried out in many countries.

effectively

*Proc. R. Soc. Med., 1958, 51, 1063

economically

Nulacin tablets have no B.P. equivalent. The basic N.H.S. price of the 25 tablet tube is 2/-.

GASTRIC ANALYSIS 1 Superimposed gruel fractional test-meal curves of five cases of duodenal ulcer.

GASTRIC ANALYSIS 2 Same patients as in first graph, two days later, showing the striking neutralizing effect of sucking Nulacin tablets (3 an hour). Note the return of acidity when Nulacin is discontinued.

NULACIN is a **HORLICKS** pharmaceutical product

Just Published by the WORLD MEDICAL ASSOCIATION

"MEDICINE—A LIFELONG STUDY"

The Proceedings of the Second World Conference on Medical Education

Royal 8vo., 840 pages. Price £5. 5s. net (postage 3/6d. extra) or \$17 net (postage 50 cents extra).

The Second World Conference on Medical Education was held in Chicago in 1959, the theme being "Medicine — a Lifelong Study". Some 800 delegates attended from 66 countries and 179 medical schools.

The World Medical Association received the invaluable support of the World Health Organization, the Council for International Organizations of the Medical Sciences, and the International Association of Universities.

Under the title "Medicine — a Lifelong Study", the *Proceedings* of this conference are now published. This volume, and the *Proceedings* of the First World Conference on Medical Education constitute textbooks which for long will be indispensable guides to those responsible for medical teaching in different parts of the world.

There are still a few copies of the *Proceedings* of the First World Conference available, for those wishing to obtain a copy, at £3 net (postage 3/- extra) or \$10 net (postage 40 cents extra).

The modern surgical dressing OCTAFLEX

Antiseptic—Waterproof—Vapour-Permeable—Flexible

a plasticised acrylic resin dissolved in ethyl acetate and alcohol, antiseptic— β -p-tert-octylphenoxyethyl diethylbenzyl ammonium chloride (Octaphen)—1% in dried film.

As a postoperative dressing Octaflex prevents bacteria reaching the wound incision. Once applied it is left until the skin has healed. Instead of frequent changes of bulky dressings, occasional applications of more Octaflex, as wear and tear occurs, is all that is needed.

Washing is easy. Patients can bath and the dressing will remain intact, so that any bacteria in the water do not reach the wound.

Although waterproof, Octaflex is vapour-permeable. Thus the underlying skin does not become macerated.

Other uses of Octaflex—as a skin cover before operations on joints; as a protection to the skin around external fistulae and enterostomies; as a dressing for abrasions, burns, bedsores, and chilblains; as a protection against secondary infection of herpes zoster; as dressing for the umbilical stump in the newborn; as a waterproof dressing for chronic perionychia.

IMPORTANT—the skin must be dry and bleeding must have stopped before Octaflex is applied.

—the film must not be touched from the time of application until it is dry.

PACKS—
2 drachm tubes

and

**NEW ECONOMICAL
AEROSOL**

containing 100 gm.
Octaflex as compared
with only 60 gm. in
the previous aerosol
but no increase in
price.

'Zynotracin'

TRADE MARK

OINTMENT

contains

Xanthocillin

*the powerful new antibiotic
for topical infections*

Though active against both gram-positive and gram-negative organisms, xanthocillin is poorly absorbed and cannot be employed systemically. It is, therefore, the rational choice of antibiotic for topical application and can safely be used even for extended periods. In 'Zynotracin' Ointment the antibacterial action of xanthocillin is supported by that of zinc bacitracin . . . and by the anti-inflammatory and anti-pruritic action of hydrocortisone.

'Zynotracin' *brings a new measure of control over obdurate skin infections*

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent* testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

House Officers should submit a separate application for each post for which they apply.

Canvassing of members of the Board or Advisory Appointments Committee will lead to disqualification (Statutory Instrument 1950, No. 1259, N.H.S.).

★ *SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.*

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR**: Posts obtained normally not less than one year after full registration as a medical practitioner and held normally for two years: £1,250 in the first year; £1,400 in the second and any subsequent years. Deduction of £215 per annum for compulsory residence; £255 per annum for voluntary residence.

(b) **SENIOR REGISTRAR**: Posts obtained normally not less than three years after full registration and held normally for four years: £1,500 by £100 to £1,800 in the fourth year; thereafter, £1,900 in the fifth and sixth years; £2,000 in the seventh and eighth years; £2,100 in the ninth and any subsequent years. Deduction of £250 per annum for compulsory residence; £275 per annum for voluntary residence.

Other Grade, Whole-time

(a) **HOUSE OFFICERS**: Each post in this grade shall be tenable for six months.

£675 per annum for the first post held; deduction of £155 per annum for compulsory residence or £195 per annum for voluntary residence;

£750 per annum for the second post held; deduction of £160 per annum for compulsory residence or £195 per annum for voluntary residence;

£825 per annum for the third and any subsequent posts held; deduction of £165 per annum for compulsory residence or £195 per annum for voluntary residence;

provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £750 per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff; provided further that where a House Officer has previously held two such outside posts the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that his remuneration shall be £825 per annum. Any House Officer who on first appointment is paid at the appropriate rate to the second or third post held in accordance with the above provision shall be paid at the third post rate for any subsequent appointments in this grade.

(b) **SENIOR HOUSE OFFICERS**: Posts obtained by fully registered medical practitioners and held normally for one year only: £1,050 on appointment at age 27 or under; £1,100 on appointment at age 28 or over. Deduction of £180 per annum for compulsory residence or £215 per annum for voluntary residence.

(c) **JUNIOR HOSPITAL MEDICAL OFFICERS**: Officers who have held house appointments but who are not registrars and who have less responsibility than other hospital officers of non-consultant status, and who have been appointed for a limited or indefinite period, not less than one year after full registration as a medical practitioner: £1,100 by £60 (8) to £1,580. Deduction of £215 per annum for compulsory residence or £255 per annum for voluntary residence.

Allowances at rates of up to £100 per annum shall be payable to house officers, senior house officers, junior hospital medical officers and registrars occupying posts approved for such allowances in peripheral hospitals.

ESSEX COUNTY COUNCIL**ASSISTANT COUNTY MEDICAL OFFICER OF HEALTH**

Applications invited from registered medical practitioners for above appointment in North-East Essex Health Area (Clacton, Frinton and Walton Districts). Preference given to candidates with experience in school medical and maternity and child welfare duties, and possessing Diploma in Child Health and/or Certificate or Diploma in Public Health, and recognized by Ministry of Education for ascertainment of educationally subnormal children. Salary scale £1,295 by £65 (5) to £1,620 by £75 (3) to £1,845. Application form, from County Medical Officer of Health, County Hall, Chelmsford, returnable by April 26, 1961. (6669)

**CITY OF OXFORD
Health Department****APPOINTMENT OF ASSISTANT MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER**

Applications are invited from registered medical practitioners for the above post. Duties will be mainly in connection with the Child Welfare and School Health Services, but there will be opportunity for experience in all branches of Public Health work. There is close contact with the United Oxford Hospitals, and Assistant Medical Officers of Health may be requested to undertake occasional duties in the Infectious Diseases Department. Salary scale £1,295 to £1,845. In fixing the commencing salary, previous experience and qualifications will be taken into consideration; a holder of the D.P.H. would start at least half-way up the scale. A car allowance will also be made. The post is permanent and pensionable, and is subject to a satisfactory medical examination. Application forms and conditions of service may be obtained from Dr. J. F. Varin, Medical Officer of Health, Health Department, Greyfriars, Paradise Street, Oxford, to whom they must be returned not later than April 19, 1961.—Harry Plowman, Town Clerk, Town Hall, Oxford. (6991)

FLINTSHIRE COUNTY COUNCIL

(Population 148,060)

**Deputy
Medical Officer
of Health**

Applications are invited for the appointment of Deputy Medical Officer of Health (male) from duly qualified and registered medical practitioners holding the Diploma in Public Health or similar qualification.

Salary £2,000, rising to £2,253 6s. 8d. per annum, plus a car allowance.

Form of application and further particulars obtainable from the Clerk of the County Council, County Buildings (P.O. Box No. 1), Mold. Closing date April 17, 1961.

**MIDDLESEX COUNTY COUNCIL
County Health Department****ASSISTANT MEDICAL OFFICER**

required in Area 1 (Edmonton and Enfield), to commence duty in May (if possible). Duties concerned with supervision of health of mothers and young children and School Health Service. Diploma in Public Health or in Child Health desirable. Previous local authority experience advantage. Previous applicants will be considered and need not reapply. Salary within scale, according to experience, £1,295 to £1,845. Established. Prescribed conditions. Particulars and two referees to Area Medical Officer, 49/55 London Road, Enfield, by April 21 (quote F.925 BM). (7275)

URBAN DISTRICT COUNCIL OF BASILDON**ASSISTANT MEDICAL OFFICER**

Applications are invited from registered medical practitioners for the above appointment, in a district within easy reach of central London and the Essex coast, and which includes the new town of Basildon. Preference will be given to candidates with school health and maternal and child welfare experience and possessing the D.C.H. and/or D.P.H. The post is especially suitable for a doctor desirous of making a career in public health work, as it offers opportunities for becoming familiar with most aspects of the work of a health department. Salary scale £1,295 by £65 (5) to £1,620 by £75 (3) to £1,845. Application forms, obtainable from Dr. P. I. O'Dwyer, 98 High Street, Billericay, Essex, returnable by April 17, 1961. (6992)

**WEST SUFFOLK COUNTY COUNCIL
Health and Welfare Department****SENIOR MEDICAL OFFICER**

Applications are invited from practitioners for the above new post, and those holding the D.P.M. or the D.P.H. will be given preference. The candidate appointed will work under the direction of the County Medical Officer and will be responsible for the day to day clinical and administrative aspects of a rapidly expanding Mental Health Service, but experience in other branches of health work will be afforded. The salary will be within the scale £1,870 to £2,475. The post is superannuable, and travelling and subsistence will be paid. Applications, stating date of birth, qualifications, experience, present appointment, and the names of two referees, to reach the County Medical Officer, Westgate House, Bury St. Edmunds, by April 29, 1961. (7170)

GOVERNMENTAL**TREASURY MEDICAL SERVICE**

Applications are invited from medical practitioners, practising in the districts detailed below, for appointment, in a part-time and mainly advisory capacity, as

LOCAL TREASURY MEDICAL OFFICER

for each of the places or groups of places shown. The town shown in brackets after the place-names indicates the Head Post Office Area in which the place, or group of places, is situated. Applicants must have a surgery in the area stated. Successful applicants will be required to examine and report on the condition of certain Government Officers, teachers, candidates for appointment, etc., who may be referred to them from time to time; and to attend when summoned to an emergency case of accident or sudden illness occurring in a Government office in the neighbourhood of his surgery. Fees for this work, and mileage allowance where journeys in excess of a certain distance are necessary, will be paid on a scale agreed with the British Medical Association. Intending applicants should write, within 14 days, to Treasury Medical Adviser, Treasury Chambers, Whitehall, London S.W.1, for a form on which application may be made. Applicants should be not more than 60 years of age.

The places for which applications are invited are as follows:

England, Scotland and Wales

Kirkcubright (Castle Douglas)
Portobello, Edinburgh 15 (Edinburgh)
Terrington St. Clement, Clenchwarton (King's Lynn)
Scarborough (Scarborough)
Romsey (Southampton)
Crowthorne (Wokingham)
Dinas Powis (Cardiff)

SERVICES**16 PARACHUTE BRIGADE GROUP****TWO MEDICAL OFFICERS**

will be required to fill vacancies in the Parachute Brigade in mid-1961. The Parachute Brigade offers a challenge to the right man and gives opportunities for short trips abroad. Outdoor training is combined with active hospital work. Applicants must be fit, self-reliant, and games players. They will be required to pass a parachute course after undergoing a selection test. Suitable applicants may join on short service commissions for three years or more on the Active List in the Royal Army Medical Corps for service in airborne units only, or on permanent commissions for a tour of three years. For further information apply to Officer Commanding, 23 Parachute Field Ambulance, Parson's Barracks, Aldershot, Hants. (6862)

COMMERCIAL AND INDUSTRIAL**APPOINTMENTS**

Attention is drawn to the British Medical Association's statement of policy on the Remuneration of Industrial Medical Officers (as approved by the Annual Representative Meeting, 1958, and amended by the Council in June, 1960), which is available on request from the Secretary.

**ASSISTANT TO
MEDICAL ADVISER**

Genatosan Ltd. invite applications from registered medical practitioners for the new position of Assistant to the Medical Adviser. Preferably, applicants should be about 30 years of age, have had hospital experience and a keen interest in pharmacology and therapeutics. A higher medical degree would be an advantage. Duties will include the organization and supervision of clinical trials, correspondence with members of the profession and familiarity with current medical literature.

Commencing salary appropriate to age and experience.

Applications will be treated in confidence, and should be addressed to:

The Medical Adviser,
GENATOSAN LIMITED,
Loughborough, Leicestershire.

Commercial and Industrial Appointments—contd.

ASTRA-HEWLETT LIMITED

wish to appoint

A WELL QUALIFIED AND EXPERIENCED DOCTOR

to a

PART-TIME POSITION IN THEIR MEDICAL DEPARTMENT

The duties can be carried out in the doctor's own home if he wishes, and as the amount of work involved will vary from time to time a mutually convenient arrangement could be arrived at.

Duties will include the handling of medical enquiries relating to the pharmaceutical products already available, arranging for clinical trials of new substances from the research laboratories of AB ASTRA in Sweden, and abstracting and writing medical copy.

This position carries an attractive salary and conditions of service.

Applications and enquiries regarding this post will be dealt with by the Managing Director, and should be addressed to him at Astra-Hewlett Limited, P.O. Box 117, King George's Avenue, Watford, Herts. Telephone: Watford 34401.

NAVY, ARMY AND AIR FORCE
INSTITUTESREGIONAL MEDICAL
OFFICERS

Applications are invited from medical practitioners for the part-time appointment of Regional Medical Officers with the Corporation in BELFAST and LONDONDERRY. Successful applicants would be required to examine and report on the condition of candidates for appointment with the Corporation who may be referred to them from time to time. Fees for this work will be paid on a scale agreed by the British Medical Association. Applications, giving detailed information on qualifications and experience, and naming two referees, should be sent to the Chief Medical Officer (M), N.A.A.F.I., Imperial Court, London S.E.11, not later than April 15, 1961.

PARKE, DAVIS &
COMPANY
CLINICAL
INVESTIGATION

Parke Davis and Company seek to extend their Clinical Investigation Department, and applications are invited from medically qualified men. The work involved includes the initiation and direction of clinical trials of new drugs in Britain and Europe, and candidates must be willing to travel. Applicants must be well qualified, aged 28 to 32, of Medical Registrar or equivalent status, and with a wide range of medical interests. Previous research experience would be advantageous, and preference would be given to applicants with a knowledge of psychiatry and ability to speak European languages. Salary paid would depend upon qualifications and experience, but would not be less than £1,750 per annum.

MEDICAL ADVISER

Applications are also invited from medical practitioners, aged 25 to 35 years, for the post of Medical Adviser to the Medical Service Department. Duties would include: medical correspondence, advising on the medical aspects of the Company's products and literature, and assisting in the training of medical representative staff. Commencing salary according to qualifications and experience.

A comprehensive pension plan is in operation.

Applications, with full details of education and experience, should be made to the Personnel Manager, Parke, Davis and Company, Staines Road, Hounslow, Middlesex.

APPOINTED FACTORY DOCTORS
FACTORIES ACTS, 1937 to 1959

The following appointment as Appointed Factory Doctor is vacant: Lanark, in the County of Lanarkshire. Applications, which should be received not later than April 22, 1961, should be sent to H.M. Chief Inspector of Factories, 19 St. James's Square, London S.W.1. (7218)

MONASH UNIVERSITY
Clayton, Victoria, Australia

CHAIR OF PHYSIOLOGY

The Interim Council of Monash University invites applications to the Foundation Chair of Physiology. The University opened on March 13, 1961, with Faculties of Medicine, Arts, Economics and Politics, Science and Engineering, at Clayton, 14 miles from the centre of Melbourne. Students who began the first year of their medical course in March, 1961, will start Physiology in March, 1962. Planning for the first portion of the Medical School to be built by the end of 1962 is proceeding, and multi-discipline laboratories for Medical Biochemistry, Physiology, Pharmacology and Histology will be incorporated. Biochemistry, other than medical, will be taught in the Chemistry School. The successful applicant will have the opportunity to take part in the planning of his department and, if from overseas, air fares will be paid for this purpose so that, immediately on appointment, a short visit for consultation with the Dean of the Faculty and the Architects can take place. For the building of the first phase (1961-63) of the Medical School (Anatomy, Medical Biochemistry and Physiology) the Australian Universities Commission has allotted £500,000. The first three years of the course will be at the University, and the three clinical years at Alfred Hospital (with its associated Baker Medical Research Institute) and Prince Henry's Hospital. The Chairs of Pathology and Microbiology will be at Alfred Hospital and the Clinical Chairs at the two hospitals. A site next to the Medical School has been reserved at the University for a General Teaching Hospital which, it is expected, will be built in the next ten years. The successful applicant will be a full-time officer of the University, and will be expected (i) to teach, conduct examinations, and exercise supervision over the work of his department, in accordance with the University Statutes and Regulations, and the direction of the Interim Council to whom he will be responsible through the Vice-Chancellor, (ii) to carry out and organize research amongst staff and postgraduate students, and (iii) to advise the Interim Council on the establishment and development of his own department. The salary of the Professor will be subject to negotiation but will be not less than £A.4,000 per annum. Superannuation provision is similar to F.S.S.U. There will be travelling and removal expenses to Melbourne for the appointee and his family. Further information and details of the terms and conditions of appointment for the Chair may be obtained from the undersigned, with whom applications close on June 10, 1961, or from the Secretary, Association of Universities of the British Commonwealth, 36 Gordon Square, London W.C.1.—F. H. Johnson, Registrar, Monash University, Clayton, Victoria, Australia. (7147)

MONTREAL, Quebec, Canada

WHOLE-TIME MEDICAL BACTERIOLOGIST

for modern, active, well-equipped and progressive hospital of about 400 beds in urban Montreal. Applicants should be graduates in medicine, should have Diploma or Ph.D. in Medical Bacteriology, with hospital experience, and should be eligible to qualify for Specialists' Certificate in Quebec. Opportunities are available for investigative work in addition to routine management and supervision of the Bacteriological Laboratory. Minimal salary for fully qualified applicant \$8,500, but subject to negotiation, depending upon experience, etc. Applications, stating age, qualifications, and details of present and previous appointments (with dates), together with names and addresses of three references and photographs of applicants, may be sent to Dr. M. A. Simon, Director of Laboratories, Jewish General Hospital, 3755 Côte St. Catherine Road, Montreal, Canada. (6449)

MOUNT SINAI HOSPITAL OF CHICAGO

offers A.M.A. approved internship appointments to four graduates of medical schools outside of U.S. who are certified by the Educational Council for Foreign Medical Graduates. The intern receives a stipend of \$175 a month and various benefits, including quarters in a new air-conditioned building, and free medical care. This institution is the teaching hospital of the Chicago Medical School, whose full-time faculty plays a leading part in the educational programme for the house staff. Our interns are given first consideration for appointment to any of the hospital's fully approved residency programmes (anaesthesiology, cardiology, internal medicine, neuro-psychiatry, obstetrics-gynaecology, pathology, paediatrics, radiology, surgery and urology). Inquiries and applications should be addressed to the Associate Director of Medical Education, 2750 West 15th Place, Chicago 8, Illinois. (7204)

Oversea (Vacant)—contd.**MOUNT MORGAN HOSPITALS BOARD**
Mount Morgan, Queensland, Australia

Applications are invited for a **JUNIOR RESIDENT MEDICAL OFFICER** who is required to have at least 12 months' hospital experience. Salary range, second year hospital experience, £1,835; third year £2,050; fourth year £2,300, plus basic wage adjustments at present £23 10s. per annum. A bonus of £350 will be paid after twelve (12) months' continuous service at the hospital. Residence, with three bedrooms, and essential furniture, provided, together with free fuel, light and power. The Resident Medical Officer is required to work under the supervision of the Medical Superintendent. Mount Morgan is a mining town with a population of 5,000, and is situated in Central Queensland only 50 miles from seaside resorts and 25 miles from Rockhampton, which is the fourth largest city in Queensland. Applications, giving full particulars of age, experience, marital status, and stating earliest date available for duty, together with certified copies of references, may be forwarded to the Secretary, P.O. Box 12, Mount Morgan, Queensland. (7272)

UNIVERSITY AND RESEARCH**APPOINTMENTS, etc.****CHARING CROSS HOSPITAL MEDICAL SCHOOL****LECTURER IN MEDICINE**

required for Professorial Unit located at Fulham Hospital. Salary range £1,050 to £2,200. Apply, not later than April 30, 1961, with names of three referees, to the Secretary, Charing Cross Hospital Medical School, 62-65, Chandos Place, W.C.2. (6898)

GUY'S HOSPITAL MEDICAL SCHOOL, S.E.1

Applications are invited for the post of **JUNIOR LECTURER** in the Department of Anatomy, from a date to be arranged until September 30, 1961, in the first instance. Salary will be in the scale £950 by £50 to £1,150, plus £60 London allowance, with superannuation and family allowances. Applications should be submitted on a form obtainable from the Dean, Guy's Hospital Medical School, S.E.1, not later than April 15, 1961. (7163)

THE MIDDLESEX HOSPITAL MEDICAL SCHOOL**THE BERKELEY FELLOWSHIP**

(Founded in memory of the late Sir G. H. A. Comyns Berkeley and his wife, Ethel Rose Berkeley) The Berkeley Fellowship was founded under the will of the late Sir G. H. A. Comyns Berkeley to provide an opportunity for research in medicine, or for visits to medical institutions or hospitals to a person elected jointly by the Master and Fellows of Gonville and Caius College, Cambridge, and the Council of the Middlesex Hospital Medical School. Under the terms of the bequest medical centres in any part of the world may be visited, with the exception of Oxford or Cambridge.

Applications from graduates in medicine are invited for the Fellowship. The period of tenure of the Fellowship and the emoluments will depend upon the circumstances of each case. A Fellowship will not normally be awarded for a period shorter than three months or longer than one year, but applications for renewal will be considered. The emolument may be paid as a stipend or as grant to cover travel and other expenses necessarily incurred by the Fellow in the performance of his programme of work, or partly as stipend and partly as grant. The total emolument allowed will not normally exceed £2,000 during one year's tenure.

Applications (six copies) should reach the Dean of the Middlesex Hospital Medical School by May 15, 1961, and should include the following information:

- Name, address and age.
- Qualifications and experience.
- Present appointment.
- Programme of work proposed, with estimate of necessary expenses.
- Other sources of financial assistance, including any stipend from present appointment, if continued during the tenure of the Fellowship.

UNIVERSITY OF OXFORD
Radcliffe Infirmary, Department of Pathology

Applications are invited for the post of **LECTURER (Junior Lecturer)** in the department. The successful applicant will have opportunities for training and research in the various aspects of clinical pathology, and will take part in the teaching and diagnostic work of the department. Previous experience in pathology, although desirable, is not essential. The commencing salary will be within a range £1,100 by £50 to £1,250 (medically qualified), or £800 by £50 to £1,150 (not medically qualified). Applications, together with names of three referees, should be sent, not later than May 1, 1961, to Dr. A. H. T. Robb-Smith, Director of Pathology, Radcliffe Infirmary, from whom further particulars may be obtained. (6809)

NOTICES

APPLICANTS ARE ADVISED NOT TO SEND original testimonials when replying to advertisements. Copies will answer the purpose quite as well, and in the event of their being lost or mislaid no inconvenience will ensue.

'Phone HOLborn 6313.

ROYAL COLLEGE OF SURGEONS OF EDINBURGH
(In conjunction with Edinburgh Postgraduate Board)**COURSE IN OPERATIVE SURGERY AND SURGICAL PATHOLOGY**

A course of 150 lectures and demonstrations will be given commencing on July 10, 1961. The course will extend for nine weeks and is designed for graduates preparing for the final F.R.C.S. examination. For further particulars and for enrolment, application should be made to the Clerk of the College, Royal College of Surgeons, 18 Nicolson Street, Edinburgh 8. The fee for the course is £31 10s.

SOCIETY OF APOTHECARIES OF LONDON (M.M.S.A.)

The Mastery of Midwifery is designed to give evidence of intensive study and practical experience in Ante-natal Care, Midwifery, and Child Welfare and their relation to Hygiene and Preventive Medicine. The possession of this Diploma will prove of value in private practice and also to candidates for appointments involving the special work described in the preceding paragraph. The tests imposed are stringent; the examination, written, oral and clinical, demands thorough and detailed knowledge gained by practical experience, and constitutes a definite endeavour to combat Maternal and Infant Mortality. Examinations are held twice yearly, in the months of May and November. Regulations and forms of application for admission to the Examination may be obtained from the Registrar, the Society of Apothecaries, Black Friars' Lane, E.C.4.

THE UNIVERSITY OF LEEDS**PART-TIME COURSE FOR THE DIPLOMA IN PUBLIC HEALTH**

A Course for the Diploma in Public Health will commence in October, 1961. Instruction will be part-time and will occupy five academic terms. Candidates holding part-time Public Health appointments or with previous whole-time Public Health service may be granted exemption from some of the practical Public Health work, so reducing the whole-time study to approximately two days a week. Candidates are asked to apply as soon as possible to the Secretary, School of Medicine, Thoresby Place, Leeds 2. (7207)

UNIVERSITY OF GLASGOW**DIPLOMA IN CLINICAL PSYCHOLOGY**

A course of instruction over two years, leading to the Diploma in Clinical Psychology, will commence in July, 1961. An initial hospital attachment will be followed by a course of formal instruction covering three academic terms. The final 12 months of the course will be devoted to practical training in a mental hospital. A limited number of paid appointments under the Regional Hospital Board is available, permitting attendance on the course. The fee for the full course, including examination fee, is £100. This is payable in two instalments, £70 for the first year and £30 for the second. Applicants must be First or Second Class Honours graduates in Psychology of a British or other recognized university. Further details, application forms and regulations may be obtained from the Professor of Psychological Medicine, Southern General Hospital, Glasgow S.W.1. The closing date for the submission of applications is June 1, 1961. (7234)

UNIVERSITY OF ST. ANDREWS**REFRESHER COURSE FOR GENERAL
PRACTITIONERS**

A two weeks' course will be held in Queen's College, Dundee, and associated hospitals, from June 19 to 30, 1961. Teaching will be by lecture-demonstrations and clinical rounds, with emphasis on recent advances in diagnosis and treatment. Accommodation available in students' residences at moderate cost. Course fee £10 10s. Financial assistance, subject to certain conditions, from Department of Health for Scotland. Last date for enrolment May 13, 1961. Further particulars and application forms from Dean of the Faculty of Medicine, Queen's College, Dundee. (6880)

Medical Director, Douglas Macaulay, M.D., D.P.M.

ST. ANDREW'S HOSPITAL FOR NERVOUS AND MENTAL DISORDERS, NORTHAMPTON

President: The Earl Spencer
Medical Superintendent: Thomas Tennent, M.D., F.R.C.P., D.P.H., D.P.M.

This registered hospital is situated in 130 acres of park and pleasure grounds. Patients, both male and female, who are suffering from incipient mental disorders, or who wish to prevent recurrent attacks of mental trouble, are received for treatment. Careful clinical, biochemical, bacteriological and pathological examinations. Private rooms with special nurses, male or female, in the hospital or in one of the numerous villas in the grounds of the various branches can be provided.

WANTAGE HOUSE

This is a Reception Hospital in detached grounds with a separate entrance to which patients can be admitted. It is equipped with all the apparatus for the complete investigation and treatment of mental and nervous disorders by the most modern methods; insulin treatment is available for suitable cases. It also contains laboratories for biochemical, bacteriological and pathological research. Psychotherapeutic treatment is employed when indicated.

MOULTON PARK

Two miles from the Main Hospital there are several villas situated in a park and farm of 600 acres. Milk, meat, fruit and vegetables are supplied to the hospital from the farm, gardens, and orchards of Moulton Park. Occupational therapy is a feature of this branch, and patients are given every facility for occupying themselves in farming, gardening and fruit growing.

BRYN-Y-NEUADD HALL

The seaside home of St. Andrew's Hospital is beautifully situated in a park of 330 acres at Llanfairfechan, amidst the finest scenery in North Wales. On the north-west side of the estate a mile of sea-coast forms the boundary. Patients may visit this branch for a short seaside change or for longer periods. The hospital has its own private bathing house on the seashore. There is trout fishing in the park.

For terms and further particulars apply to the Medical Superintendent (Telephone No. 34354 Northampton), who can be seen in London by appointment.

SPRINGFIELD HOUSE, near Bedford

'Phone: Bedford 3417

For Mental Cases (including the aged). Fees from eleven guineas per week. For terms of admission, etc., apply to the Resident Physician, Cedric W. Bower. Interviews in London by appointment.

WYKE HOUSE, ISLEWORTH, MIDDLESEX

Tel.: ISLeworth 7000

A Private Nursing Home for the individual treatment and care of all forms of Nervous and Mental Illness, including addiction. The number of patients is limited to twenty-five, and all modern treatments are available. This well-known home for men and women and the aged stands in a park of 15 acres, seven miles from Marble Arch. Resident Physicians: H. Pullar-Strecker, M.D., G. W. Smith, O.B.E., M.B.

Announcement

The Nutrition Department of Wilts United Dairies Ltd. proudly announce that they have been appointed sole distributors in the U.K. for UNIFLOR and ENPAC — *Lactobacillus acidophilus* preparations developed by the Biologicals Division of Applin & Barrett Ltd.

UNIFLOR is highly beneficial in certain gastro-intestinal disorders which give rise to or are a result of a disturbance of the intestinal flora. It acts by re-implanting *L. acidophilus* in the intestine and thus restores or maintains the normal balance of the flora.

UNIFLOR provides the bottle-fed infant with an intestinal flora approximating that of the breast-fed infant, and is thus particularly effective in the prophylaxis and treatment of such disorders as ammoniacal dermatitis, diarrhoea and vomiting, and thrush, both in its oral and anal forms.

ENPAC has all the properties of UNIFLOR but with the important difference that its strains of *L. acidophilus* have been rendered resistant to the ten main antibiotics in current therapeutic use. Thus, when antibiotics are being co-administered, ENPAC should be prescribed in place of UNIFLOR. This will prevent the proliferation of pathogenic organisms, notably *Staphylococcus* and *Monilia*, and preclude such gastro-intestinal side-effects.

ENPAC

Samples and literature will be sent to the
medical profession on request to:—

UNIFLOR

FEARON'S

INTRODUCTION TO BIOCHEMISTRY

4th Edition

Edited by **W. J. E. JESSOP**,
 M.D., M.Sc., F.R.C.P.I., D.P.H., F.R.I.C.
 484 pages. Publication April 28. 30s. net.

This new edition, revised by the author and Professor Jessop, takes into consideration the advances made in so many aspects of the subject. The book is divided almost equally into two parts: Constitutive Biochemistry and Dynamic Biochemistry. The approach is by way of the elements of recognized biological importance. These "biological elements" are considered in the order of their classification in the periodic table.

Of the last edition the *British Medical Journal* said: "the best general textbook of Biochemistry in the English language."

The Sherry of
all Sherries...

RICH, LUSCIOUS AND OF VERY GREAT AGE

Domecq's

CELEBRATION CREAM

Domecq's 'CELEBRATION CREAM' sets a standard of high quality and excellence in Sherry which is probably unique. Aged in the wood in the Bodegas of the great Spanish Sherry House of Pedro Domecq—shippers to this country continuously since 1730—'CELEBRATION CREAM' is a Sherry of rare and distinctive appeal.

Obtainable everywhere from Wine Merchants and in the best bars and hotels. If you have not yet tasted this superb and outstanding Sherry, do so to-day.
