Geigy Pharmaceutical Company Limited, Wythenshawe, Manchester, 23.

in the treatment of peptic ulcer

has particular advantages

ROTER achieves a high cure rate and often gives effective control of even refractory chronic cases which have resisted other treatments.

ROTER in many cases obviates the need for hospitalization or surgical intervention.

ROTER helps patients to keep ambulant and symptom-free with a minimum of medication and with few, if any, dietary restrictions.

ROTER in general practice enables the physician to take adequate care of his gastric cases without frequent or prolonged supervision.

ROTER has no known side effects.

ROTER requires no supplementary medication such as sedatives or anti-spasmodics.

ROTER shows a saving in cost when compared with conventional methods of treatment.

Literature and Samples on Request.

Even today, many women accept morning sickness as an inevitable complication of pregnancy. But they will still turn to their doctor for advice and help in these early months.

Ancoloxin is now well established as being highly effective in relieving and controlling pregnancy sickness. Each tablet contains meclozine hydrochloride 25 mg., plus pyridoxine hydrochloride (vitamin B₆) 50 mg. Meclozine hydrochloride is given for central control of the vomiting, and pyridoxine hydrochloride for basic metabolic restoration.

DOSAGE: 2 tablets at night until the condition is under control.

BASIC N.H.S. PRICES: Tubes of 10 tablets 5/6. Bottles of 50 tablets 21/4.

NEW from ●
Glaxo ●
Antibiotic Research ●
GRISOVIN-FP
fine particle ●
griseofulvin for ●
greater absorption ●

Glaxo research, which first developed large-scale manufacture of griseofulvin, has produced a new fine particle form of the antibiotic. This is now marketed as GRISOVIN-FP. Griseofulvin is relatively insoluble. By reducing the particle size its absorption is substantially increased. Grisovin-FP taken orally produces blood levels equal to those obtained with the original material but in *half the dosage*. For this reason Grisovin-FP is issued in a tablet of 125 mg which is equivalent to the original 250 mg tablet in the production of griseofulvin blood levels. The reduced particle size is purely a physical change and in all other respects but one Grisovin-FP is identical with the griseofulvin so extensively, and so successfully, used for the treatment of fungal skin infections. The exception is the price—Grisovin-FP costs much less.

WORLD MEDICAL PERIODICALS

Limited Third Edition

Published 1st March 1962

AN IMPORTANT REFERENCE BOOK for authors, editors, librarians, medical schools, research establishments, publishers, and booksellers. Gives carefully revised details of over 5,800 journals of medicine, pharmacy, dentistry, and veterinary medicine, indexed by subject and by country. Contains appendixes showing the principal international abstracting journals and the principal international periodical indexes. The International Code for the Abbreviation of Titles of Periodicals is set out in the Introduction.

Each entry gives the title in the original form. In addition, translations have been added to Japanese titles, and transliterations to Greek and Cyrillic titles (the latter in accordance with *The Transliteration of Russian, Serbian and Bulgarian for Bibliographical Purposes*, issued by the Royal Society, London).

For ease of reference journals are listed alphabetically and indexed in two ways: *by subject*, with the entries grouped by countries, and *by countries*.

476 pages, Royal 8vo, cloth bound.

Feospan puts iron in its place

new product

S&F
TK

'Feospan' and 'Spansule' are trade marks
Brit. Pat. No. 742007 SF:PA82

One-quarter of all patients given standard iron therapy abandon treatment rather than endure its gastric side effects.*

'Feospan Spansule' sustained-release capsules have been designed to reduce these side effects to the minimum—**by putting iron in its place.**

Each capsule contains ferrous sulphate distributed among hundreds of specially coated pellets. These pellets release only a small amount of iron in the stomach, where irritation is most likely to occur. The rest is put where it does most good and least harm—in the small intestine, where iron absorption is greatest. In this way, ferrous sulphate is assimilated far more efficiently than in standard presentations. Better use is

made of less iron, and as a result gastro-intestinal irritation is minimal.

Each 'Feospan Spansule' sustained-release capsule contains 150 mg. exsiccated ferrous sulphate and 3 mg. aneurine hydrochloride (Vitamin B₁₂).

for control of
severe asthma

21

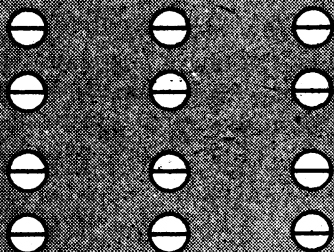

TABLETS

Betnelan (betamethasone) is the recent anti-inflammatory steroid developed by Glaxo. It has proved remarkably effective in the treatment of severe asthma when other measures have proved inadequate.

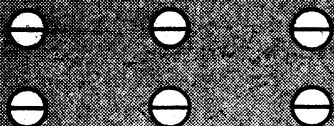

Although dosage should be varied to suit the individual, in general practice a short-term course of 21 Betnelan tablets given over 6 days, is usually sufficient to achieve control. Side effects are no problem in short-term use and treatment is inexpensive.

Betnelan

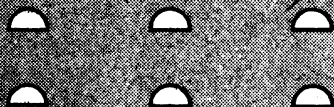

TWO TABLETS THREE TIMES DAILY FOR TWO DAYS

ONE TABLET THREE TIMES DAILY FOR TWO DAYS

HALF A TABLET THREE TIMES DAILY FOR TWO DAYS

When control of asthma by conventional treatment is interrupted by an acute attack, short-term Betnelan therapy can restore control. When the attack is extremely severe (status asthmaticus) all recognised measures should be taken which may include corticosteroids by injection (Efcortelan or Predsol) at least initially. At the same time oral treatment with Betnelan can be started to maintain control.

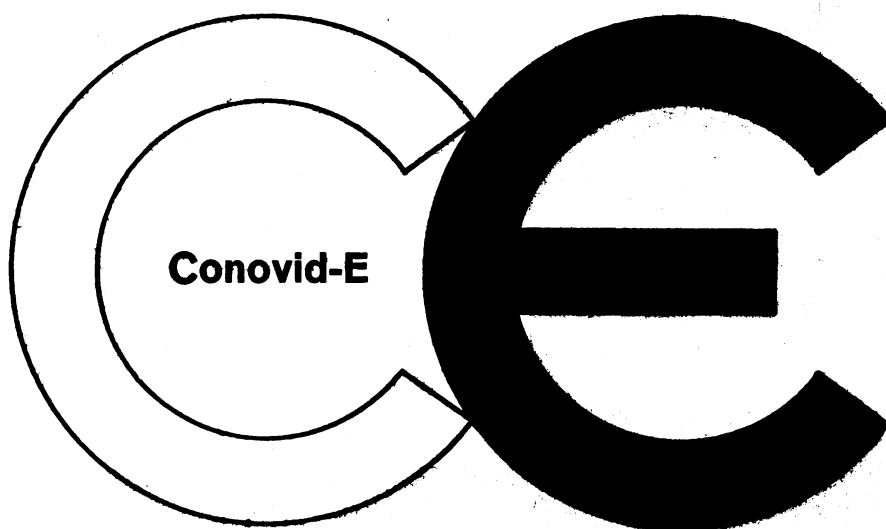

Betnelan is presented as scored tablets of 0.5 milligrams betamethasone in bottles of 30, 100 and 500.

The name Betnelan is a Glaxo trade mark

GLAXO LABORATORIES LIMITED

Searle announce a further development in oral contraception

provides the same unsurpassed effectiveness as Conovid

at lower cost

unsurpassed contraceptive effectiveness
marked aesthetic acceptability
simplicity of dosage
no impairment of subsequent fertility
no effect on later pregnancies

CONOVID-E contains the same active ingredients as Conovid but in different proportions: Conovid-E tablets contain 2.5 mg. norethynodrel with 0.1 mg. ethinyloestradiol 3-methyl ether (EE3ME). Conovid tablets contain 5 mg. norethynodrel with 0.075 mg. EE3ME. The EE3ME content was shown to be critical by a trial in Birmingham using an experimental low dosage tablet. Trials in more than 1,500 women for over 9,000 cycles, using 2.5 mg. of norethynodrel with additional oestrogen (CONOVID-E), have, however, been very satisfactory. CONOVID-E is much cheaper than Conovid and costs only 10/- for a month's course of 20 tablets.

Full medical literature on Conovid and CONOVID-E is available on request.

For the patient who just can't get going again after illness

When vitality is low and the appetite poor, patients can be helped on considerably by a course of the new anabolic agent—'Anapolon'.

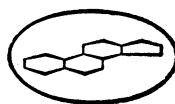

Given in tablet form, 'Anapolon' stimulates protein utilisation and the build-up of body tissues. It restores the metabolic balance and the patient steadily regains appetite, puts on weight and shows general improvement.

'Anapolon' brings benefit to children as well as adults by accelerating recovery during the convalescent period after febrile and wasting disease, injury or surgical operation—whenever the protein reserves are depleted.

A case for Bufferin...

BUFFERIN contains the exclusive combination of anti-acids called Di-Aluminate. This prevents gastric distress even when taken in massive doses as for rheumatism and arthritis.

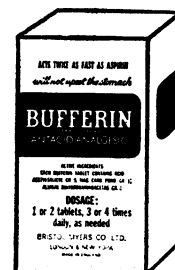

A clinical investigation carried out at the Robert Breck Brigham Hospital in Boston showed that 70% of arthritics who had a proved intolerance to straight aspirin were able to take Bufferin without gastric distress. *Bufferin in the Management of Rheumatic Arthritis, J.A.M.A. 158; 386, June 4, 1955.* ©

BUFFERIN works twice as fast as plain, non-soluble aspirin. *The Lancet, Feb. 6, 1960.*

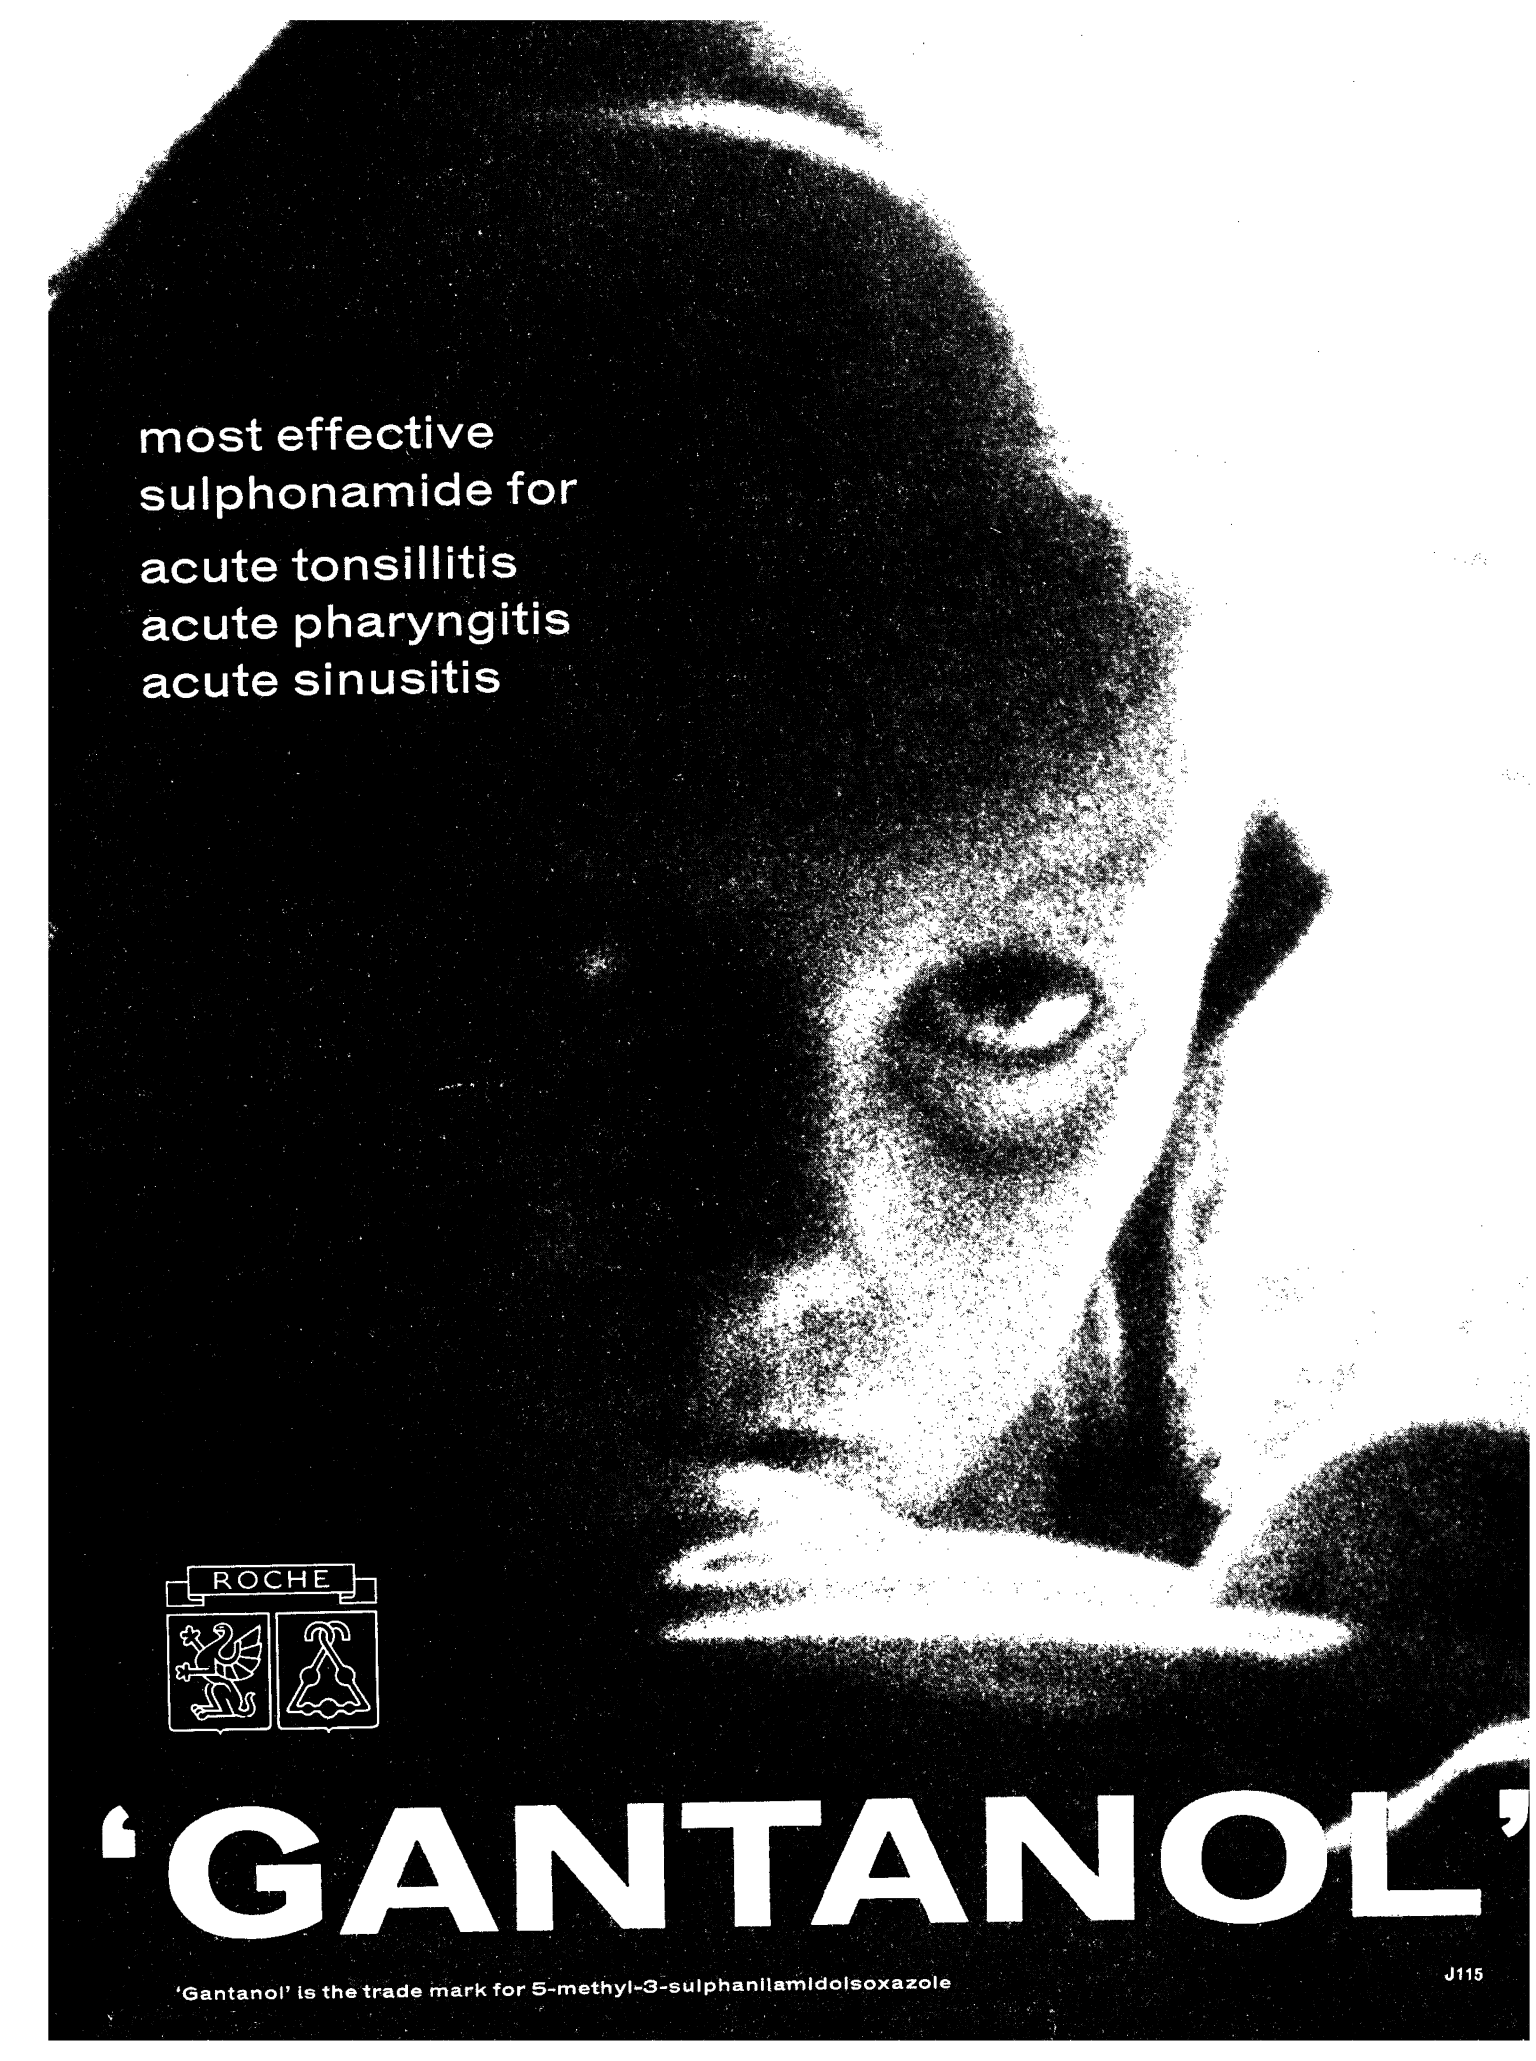

BUFFERIN has unique advantages in cases of Common Colds, Flu, Rheumatic Fever. In fact, whenever there is any suggestion of aspirin intolerance, Bufferin is indicated.

BUFFERIN has no equivalent in the B.P. or National Formulary.

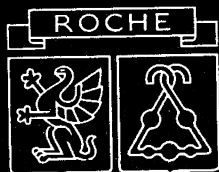

Please write for free samples to: Dept. T2, Bristol-Myers Co. Ltd., Stonefield Way, Victoria Road, South Ruislip, Middlesex.

Formula: Acetylsalicylic Acid, 5 gr.; Aluminium Glycinate, $\frac{1}{2}$ gr.; Magnesium Carbonate, $1\frac{1}{2}$ gr.

APISATE

helps your patients to diet

By reducing your patients' desire to eat, particularly in-between meals, Apisate encourages them to persevere in establishing new food habits. One Apisate tablet, before breakfast, gently and safely ensures daylong appetite control and guards against the risk of reduced vitamin intake during dieting. You will find Apisate valuable for all types of patients you put on a reducing diet, even the cardiac, hypertensive, diabetic and pregnant cases and Apisate* will effectively help you to simplify your overweight patients' dieting problems at a basic cost as low as 4d. per patient per day.

Bottles of 10 and 100 long-acting tablets, (each tablet contains 75 mg. diethylpropion hydrochloride plus vitamin B-complex).

Drapolene specific for napkin rash

The success of Drapolene as a preventive and treatment of napkin rash is due to its activity against the urea splitting organisms which are known to be the causative factor of this common skin condition.

Drapolene is formulated in a pleasant water miscible base which promotes residual activity, thus preventing the liberation of free urinary ammonia.

Drapolene is quick acting, even where an ulcerated condition has developed. It also assists cleansing of the affected area.

FORMULA

Benzalkonium chloride: 0.01 per cent in a water miscible base.

**For the
asthmatic
who needs
steroid therapy**

Decadron^{Regd.}

DEXAMETHASONE

When asthma cannot be controlled by conventional methods, the addition of 'DECADRON' to the treatment regime may produce dramatic results.

In *acute* asthma, a *short* course of therapy may be sufficient. In the long-term treatment of *chronic* asthma, the aim should be to maintain the patient on the *smallest* dosage of 'DECADRON' that will give relief.

Where an effective blood level of 'DECADRON' has to be attained rapidly, the intravenous or intramuscular administration of Injection 'DECADRON' Phosphate is recommended initially.

Full information on the use of 'DECADRON' in bronchial asthma and other conditions, giving dosage, precautions and side-effects, is available on request.

'DECADRON' is supplied as yellow half-scored tablets containing 0.5 mg. dexamethasone, and pale-blue half-scored tablets containing 0.75 mg. ('DECADRON'-75) in bottles of 30, 100 and 500; Injection 'DECADRON' Phosphate is supplied in 2 ml. vials, containing 4 mg. dexamethasone 21-phosphate per ml.

Ismelin®-Navidrex® K

a logical development for the
treatment of hypertension
in General Practice

**In line with modern
concepts of treatment**

It is now widely accepted that the addition of a thiazide diuretic such as Navidrex to the more potent hypotensive agents increases their effectiveness and decreases side-effects.

**Effective in a wide
range of patients**

Almost all patients respond to Ismelin-Navidrex K which is suitable for all grades and types of hypertension (except phaeochromocytoma)

Simplifies treatment

Ismelin, Navidrex and a potassium supplement in one tablet provide complete therapy in the most convenient way. The special formulation prevents gastric upsets or failure of tablet disintegration.

Ismelin-Navidrex K tablets contain 10 mg. Ismelin, 0.15 mg. Navidrex and 400 mg. potassium chloride. Basic N.H.S. price of 100 tablets: 31s. 4d.

LABORATORIES FOR APPLIED BIOLOGY LTD

91 AMHURST PARK, LONDON, N.16 TELEPHONE: STAmford Hill 2252/3

MARMITE
yeast extract

contains
Riboflavin (vitamin B₂) 1.5 mg. per oz.
Niacin (nicotinic acid) 16.5 mg. per oz.

In Pregnancy

During pregnancy the demands on all maternal resources are increased. Diet, therefore, assumes a particular importance during this period. Marmite, taken as a drink or in sandwiches, or used in cooking, is popular among expectant mothers and raises the level of the B vitamins in their diet.

In Geriatrics

The opinion has been expressed that the need for vitamins, especially those of the B complex, is increased in frail elderly persons. These essential nutrients seem to exert a beneficial effect even when the diet appears to be adequate. Marmite is a yeast extract containing all the known factors of the vitamin B group; it can easily be incorporated in the diet and is economical to use.

Ready shortly**THE THEORY AND PRACTICE OF
ANTICOAGULANT TREATMENT**

L. POLLER, M.D.

Although few medical subjects have been as extensively studied as anticoagulant therapy, there is considerable confusion and little general agreement on the precise indications and methods of control of administration. As a result, in few hospitals is full advantage taken of the therapeutic possibilities of these agents in the treatment and prophylaxis of thrombo-embolism. This volume presents a balanced view of the clinical value of the anticoagulant agents at our disposal and of the best means of achieving an effective and safe therapeutic action.

160 pages, with 35 illustrations.

Price : 27s. 6d.

SCHIZOPHRENIA

F. J. FISH, M.B., L.R.C.P., D.P.M.

The aim of this book is to offer to junior postgraduates a reasonably priced text-book on Schizophrenia. In order to avoid too much psychological interpretation and to separate theory from fact the author presents a fairly dogmatic summary of the problem with particular stress on the clinical aspects of the disorder. There is an adequate description of the symptoms of Schizophrenia and emphasis has been placed on a review of the literature, with stress on those continental views which are relatively inaccessible to the average reader.

190 pages.

Price : 32s. 6d.

WATSON
OF BARNET

**BARNET
VENTILATOR**

● The Barnet Ventilator is a portable automatic ventilator used in the operating theatre for controlled ventilation during anaesthesia. The equipment can also be used in the recovery room or in medical wards for long term controlled ventilation where treatment of respiratory insufficiency is necessary. It may be time cycled where the patient is completely relaxed, or patient triggered to assist spontaneous respiration. The Barnet Ventilator is transistorised, self-powered, and weighs only 56 lb., thus allowing safe transport of the patient without interrupting the functioning of the apparatus.

● The Barnet Ventilator was developed at Barnet General Hospital and is made and distributed by W. Watson & Sons Ltd. Barnet.

do you have

'impatients'?

You know the type—people who just must do everything the quickest way (especially travelling), who ignore the strain they impose on themselves and can't understand why they crack up afterwards.

You might point out to them, gently but firmly, the advantages of going by sea whenever possible. Time to relax and think clearly. Fresh sea air. Sunshine, too, usually. Spacious surroundings. Good food at regular hours. Pleasant social activities in agreeable company.

All these are part and parcel of travelling by Royal Mail Lines. Why not try the prescription yourself, when you can get away?

ANXIETY SYMPTOMS AND MARRIAGE

All too frequently the underlying cause of numerous anxiety symptoms in young married patients is the fear of an unwanted pregnancy *brought about by the use of unreliable contraceptive methods*. Three million people, for example, still practice *coitus interruptus*.

Fortunately, today, married people are less inhibited in their attitudes towards the subject of family planning and more and more they turn to you, their family doctor, for advice.

Specially published to assist you with enquiries of this sort is a number of factual leaflets and booklets, among them a new edition of Modern Family Planning suitable for you to give to patients when the need arises.

Others in the series (for purely professional reading) are Fertility Control in General Practice and The Condom as a Contraceptive (both written by Christopher Tietze, M.D.); A Married Woman's Views on Contraception; Modern Contraceptive Technique; Diaphragm or Protective? and The Case Against Coitus Interruptus.

If you would like copies of any of these publications, please write stating titles and quantities required to Medical Division, (Dept. 12c), London Rubber Industries Ltd., Hall Lane, London, E.4.

BRONCHITIS

The well established formula for chronic bronchitis is TERCOLIX. This dislodges the habitual mucoid sputum; relieves wheeziness, breathlessness and distressing fits of coughing; makes expectoration easy by liquifying tenacious mucus. Each teaspoonful contains Codein Phosph. $\frac{1}{4}$ grain combined with Terpin Hydrate, Menthol, Pine and Eucalyptus oils to provide a warm, soothing, sedative effect. Dosage: Two teaspoonfuls in warm water, before retiring—sipped slowly—free the air passages of accumulated mucus and ensure a good night's sleep. Where the critical point has been reached and the bronchial tubes are swollen, soggy and unduly sensitive, daily maintenance doses are strongly recommended. Samples for clinical trial are available on request.

TERCOLIX FOR BRONCHITIS

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

House Officers should submit a separate application for each post for which they apply.

Canvassing of members of the Board or Advisory Appointments Committee will lead to disqualification (Statutory Instrument 1950, No. 1259, N.H.S.).

★ *SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.*

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR.** Posts obtainable normally not less than one year after full registration as a medical practitioner and held normally for two years: £1,250 in the first year; £1,400 in the second and any subsequent years. Deduction of £215 per annum for compulsory residence; £255 per annum for voluntary residence.

(b) **SENIOR REGISTRAR.** Posts obtained normally not less than three years after full registration and held normally for four years: £1,500 by £100 to £1,800 in the fourth year; thereafter, £1,900 in the fifth and sixth years; £2,000 in the seventh and eighth years; £2,100 in the ninth and any subsequent years. Deduction of £250 per annum for compulsory residence; £275 per annum for voluntary residence.

Other Grades, Whole-time

(a) **HOUSE OFFICERS.** Each post in this grade shall be tenable for six months.

£675 per annum for the first post held; deduction of £155 per annum for compulsory residence or £195 per annum for voluntary residence;

£750 per annum for the second post held; deduction of £160 per annum for compulsory residence or £195 per annum for voluntary residence;

£825 per annum for the third and any subsequent posts held; deduction of £165 per annum for compulsory residence or £195 per annum for voluntary residence;

provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £750 per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff; provided further that where a House Officer has previously held two such outside posts the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that his remuneration shall be £825 per annum. Any House Officer who on first appointment is paid at the appropriate rate to the second or third post held in accordance with the above provision shall be paid at the third post rate for any subsequent appointments in this grade.

(b) **SENIOR HOUSE OFFICERS.** Posts obtained by fully registered medical practitioners and held normally for one year only: £1,050 on appointment at age 27 or under; £1,100 on appointment at age 28 or over. Deduction of £180 per annum for compulsory residence or £215 per annum for voluntary residence.

(c) **JUNIOR HOSPITAL MEDICAL OFFICERS.** Officers who have held house appointments but who are not registrars and who have less responsibility than other hospital officers of non-consultant status, and who have been appointed for a limited or indefinite period, not less than one year after full registration as a medical practitioner; £1,100 by £60 (8) to £1,580. Deduction of £215 per annum for compulsory residence or £255 per annum for voluntary residence.

Allowances at rates of up to £100 per annum shall be payable to house officers, senior house officers, junior hospital medical officers and registrars occupying posts approved for such allowances in peripheral hospitals.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff (19/2/62)

(7926)

IMPORTANT: All intending applicants should read the revised NOTICE at the top of page 35

PUBLIC HEALTH**CITY OF MANCHESTER Health Department**

Applications are invited from registered medical practitioners (men or women) who hold a Diploma in Public Health or equivalent qualification for the post of

DEPUTY SENIOR MEDICAL OFFICER

in the Nursing Services Division of the Health Department. The duties of the officer appointed will include those of Deputy Senior Maternity and Child Welfare Officer. Administrative experience is desirable. The salary scale is £1,575 to £2,025 per annum, and Whitley Medical Council conditions apply. Commencing point will be fixed according to experience and qualifications. Further details and forms of application from the Town Clerk, Town Hall, Manchester 2, to whom applications should be returned not later than March 17, 1962. (7757)

COUNTY BOROUGH OF SOUTHEAST-ON-SEA**ASSISTANT MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER (Woman)**

Applications are invited for appointment in a department where the authority's functions in regard to public health, the school health service and welfare are completely integrated. Salary within the scale £1,295 by £65 (5) to £1,620 by £75 (3) to £1,845. Proper regard will be had to qualifications and experience in fixing the commencing salary. Full particulars and forms of application from the Medical Officer of Health, Municipal Health Centre, Warrior Square, Southend-on-Sea. (7504)

COUNTY BOROUGH OF WARRINGTON Health Department**ASSISTANT MEDICAL OFFICER AND SCHOOL MEDICAL OFFICER**

Applications are invited from registered medical practitioners (male or female). Salary will be in accordance with national scales (£1,295 to £1,845 per annum).

The duties will be mainly clinical, but will cover most aspects of the work of the department. The post is superannuable, and subject to satisfactory medical examination.

Applications, giving details of age, qualifications and experience, together with the names of two referees, should be forwarded to the Medical Officer of Health, Health Department, Sankey Street, Warrington, as soon as possible.—Eric H. Moore, Medical Officer of Health and Principal School Medical Officer. (7850)

STAFFORDSHIRE COUNTY COUNCIL**APPOINTMENT OF ASSISTANT COUNTY MEDICAL OFFICER AND SCHOOL MEDICAL OFFICER Assisted D.P.H. Scheme in operation**

Applications are invited from practitioners wishing to make a career in Public Health. The duties include work in the School Health and Child Welfare Services (under the direction of the County Medical Officer of Health), and such others as may from time to time be prescribed. The salary scale is £1,295 by £65 (5) by £75 (3) to £1,845, and account is taken of previous professional experience and qualifications, particularly the D.P.H., D.C.H., and D.Ost.R.C.O.G., when determining the commencing rate. Car allowances will be paid in rural areas. Appointment is terminable by three months' notice in writing on either side and subject to appropriate Superannuation Acts and Regulations. The selected candidate must pass a medical examination and submit his or her birth certificate.

Assistance is given towards removal expenses, and there is a lodging allowance when an officer cannot transfer his home immediately. It is also probable that suitable candidates would be considered for a D.P.H. course on full salary.

Forms of application may be obtained from the County Medical Officer, County Buildings, Stafford, and returned, when completed, not later than March 20, 1962.—T. H. Evans, Clerk of the County Council, County Buildings, Stafford. (7779)

CITY OF PORTSMOUTH**SENIOR ASSISTANT MEDICAL OFFICER (Male)**

Applications are invited for this newly created appointment. Duties will be administrative and clinical in the School Health, Civil Defence, and general Public Health Services.

Salary £1,545 to £2,095 per annum, with essential user car allowance.

Further information and application forms may be obtained from, and should be returned to, the Medical Officer of Health, 1 Western Parade, Portsmouth

Portsmouth includes the seaside resort of Southsea. (7713)

COUNTY BOROUGH OF DUDLEY**APPOINTMENT OF ASSISTANT MEDICAL OFFICER OF HEALTH**

Applications are invited for this appointment. Salary scale £1,295 to £1,845 per annum, according to experience and qualifications. Car allowance. A two-bedroomed flat in a central position is available. Possession of a D.P.H. or D.C.H. will be an advantage.

Form of application and conditions of appointment obtainable from the Medical Officer of Health, Council House, Dudley, Worcs, to whom completed application forms should be returned not later than Wednesday, March 14, 1962. (7430)

EAST SUFFOLK COUNTY COUNCIL

Applications are invited for appointment in North Suffolk (Broads area) of one

ASSISTANT MEDICAL OFFICER (Male or Female)

for duties including school medical inspections, maternity and child welfare, and other allied services under the National Health Service Acts. Possession of D.P.H. not essential but an added advantage. Superannuable appointment. Salary within scale £1,295-£1,845 per annum, according to previous experience. Forms of application and further information, if required, from County Medical Officer, P.O. Box 36 County Hall, Ipswich. Closing date March 24, 1962. (7432)

MANCHESTER EDUCATION COMMITTEE**SCHOOL MEDICAL OFFICERS**

required for work in the School Health Service, full-time or half-time. Salary £1,295 to £1,845 for full-time officer, half-time duty at £3 12s. 6d. per session. Preference given to candidates with experience in children's diseases and retinoscopy, and holding D.P.H. or D.C.H.

Application forms (quote Sch/AJ) and particulars (stamped, addressed envelope) from the Chief Education Officer, P.O. Box 480, Manchester 3, returnable by March 26, 1962. (7961)

MIDDLESEX COUNTY COUNCIL County Health Department**ASSISTANT MEDICAL OFFICER**

(whole-time) required in Area 4 (Hendon and Finchley). Duties concerned with supervision of health of mothers and young children and School Health Service. Diploma in Public Health or Child Health desirable. Previous Local Authority experience advantage. Salary according to experience within scale £1,295-£1,845. Established. Prescribed conditions. Particulars and two referees to Area Medical Officer, Town Hall, Hendon, N.W.4, by March 16. (Quote J.638 B.M.) Cancellation disqualifies. (7501)

ADMINISTRATIVE**SOUTH-WEST METROPOLITAN REGIONAL HOSPITAL BOARD**

Applications are invited by the Board for the whole-time appointment of

ASSISTANT SENIOR MEDICAL OFFICER

This is a responsible post in the medical team of the Board, which, under the direction of the Senior Administrative Medical Officer, advises the Board and its committees on the planning of hospital and specialist services in one of the largest Regions in the country.

Candidates should have, if possible, a knowledge of hospital development and building.

The salary offered is £2,170 by £90 (6) to £2,710, plus £50 London weighting.

Applicants are asked to give full particulars of their qualifications and experience, and these, together with the names of three referees, should be sent to the undersigned at 40 Eastbourne Terrace, W.2, marked "Assistant Senior Medical Officer" by March 17, 1962.—E. G. Braithwaite, Secretary. (7780)

GOVERNMENTAL**TREASURY MEDICAL SERVICE**

Applications are invited from medical practitioners, practising in the districts detailed below, for appointment, in a part-time and mainly advisory capacity, as

LOCAL TREASURY MEDICAL OFFICER

for each of the places or groups of places shown. The town shown in brackets after the place-names indicates the Head Post Office Area in which the place, or group of places, is situated. Applicants must have a surgery in the area stated.

Successful applicants will be required to examine and report on the condition of certain Government Officers, teachers, candidates for appointment, etc., who may be referred to them from time to time; and to attend when summoned to an emergency case of accident or sudden illness occurring in a Government office in the neighbourhood of his surgery.

Fees for this work, and mileage allowance where journeys in excess of a certain distance are necessary, will be paid on a scale agreed with the British Medical Association.

Intending applicants should write, within fourteen days, to Treasury Medical Adviser, Treasury Chambers, Whitehall, London S.W.1, for a form on which application may be made. Applicants should be not more than 60 years of age.

The places for which applications are invited are as follows:

England and Wales

Stockbridge (Winchester (Hants))
Sidmouth (Exmouth (Devon))
Romford (Romford (Essex))
Welshpool (Welshpool (Montgomeryshire))
Topsham (Exeter (Devon))
Ilfracombe (Ilfracombe)
Lambourne (Newbury (Berks))

Scotland and Ireland

Ellon (Aberdeen)
Ballygawley (Dungannon (County Tyrone)) (7880)

SERVICES**THE MEDICAL SERVICE OF THE ROYAL NAVY VACANCIES FOR MEDICAL OFFICERS**

The Royal Navy offers Short Service Commissions of 3 or 5 years' duration to registered medical practitioners of British nationality. Opportunity exists for transfer to Permanent Commission, by selection, after one year's service. There are facilities for postgraduate study and training for higher degrees with a view to specialization, in the case of officers entered on 5-year short service and on Permanent Commissions. Specialities include Underwater Physiology, Nuclear and Aviation Medicine, as well as the usual clinical subjects.

Pay:

On entry a Surgeon Lieutenant married and over the age of 25 years will receive £1,195, with annual pay increments thereafter and a tax-free ration allowance of £112 p.a. if unaccommodated. Additional allowances are paid for children's education, disturbances involving essential moves of family, and for service overseas.

Gratuities and Pensions:

Gratuities are payable on completion of short service commissions:

3 years' service, £1,500 tax free
5 years' service, £3,000 tax free
Those officers accepted for Permanent Commissions receive £1,500 (Taxable).

Service becomes pensionable after 16 years.

For further details apply to:

THE MEDICAL DIRECTOR-GENERAL OF THE NAVY,
Medical Department (Admiralty), Queen Anne's Park, London S.W.1.

Services—contd.

AUSTRALIA

DEPARTMENT OF PUBLIC HEALTH

New South Wales

LIDCOMBE STATE HOSPITAL AND HOME

Sydney

Department of Physical Medicine and Rehabilitation

Applications are invited from qualified persons for the following position in the Department of Physical Medicine and Rehabilitation at Lidcombe State Hospital and Home.

Lidcombe is a suburb of Sydney, 10 miles from the heart of the city on the main Western electric train line. The hospital has a population of 1,700 patients, half of whom are hospital patients, the remainder being accommodated in the Home Section.

The hospital's main function is care, treatment and rehabilitation of the aged and chronically ill. Modern facilities are available for investigation, diagnosis and treatment of all types of illness.

The hospital already possesses facilities and staff for physiotherapy and occupational therapy, and there is a well-established Almoner Department.

DIRECTOR OF PHYSICAL MEDICINE

Applicants must be legally qualified medical practitioners with sound clinical experience and a higher degree in internal medicine with post-graduate experience or qualified in rehabilitation. Consideration will be given to applicants with extensive experience in rehabilitation and physical medicine who do not possess higher qualifications in internal medicine.

Duties are to plan, develop, and administer a rehabilitation programme at the hospital. Unfurnished residence available at the hospital at low rental.

Salary: Appointment will be within the classification of Junior Specialist, £A.3,418 per annum; Specialist, £A.3,558 per annum; or Senior Specialist, £A.3,708 per annum; according to qualifications and experience. (Rates at present under review.)

First-class sea fares to Sydney for appointee and family under 18 years, and £250 Sterling towards removal expenses, if married, will be paid.

Application forms available from New South Wales Agent General's Office, 56 Strand, London W.C.2, with whom two copies of application, accompanied by a recent photograph, should be lodged by March 23, 1962. (7945)

Other information promptly supplied upon request.—Lewis MacMillan, Chairman, Mental Health Board, Provincial Building, Sydney, Nova Scotia, Canada. (6392)

UNIVERSITY OF OXFORD**TRUST FOR MEDICAL RESEARCH IN WEST AFRICA**

The Trustees invite applications from suitably qualified medical graduates for a Medical Research Fellowship which may be awarded:
Either to enable a West African graduate to obtain experience and training in research methods in one of the university or teaching hospital departments at Oxford;
or to enable a research worker to carry out his research attached to a university department or research organization in West Africa.

The Fellowship will be awarded for a period of one year in the first place, which may be extended. A grant of up to £500 for equipment and research expenses will be available. Stipend, according to experience, qualifications, and age, related to salary scales at the institution where the Fellow is to work. Provision for continuance of superannuation. Travelling expenses for the Fellow and his family. Initial outfit allowance for the Fellow if appointed for work overseas.

The appointment will date from August 1, 1962, or as soon afterwards as the Fellow is able to begin his work. Applications, giving details of the candidate's qualifications and experience, should be sponsored by the Head of a department under whom the candidate has been working, and should be accompanied by a statement of the work the candidate plans to undertake and the facilities he would require, or the field in which he wishes to be trained. Applications, not later than April 30, 1962, with the names of two additional referees, to The Secretary.

Trust for Medical Research in West Africa, Osler House, 43 Woodstock Road, Oxford.

from whom further information may be obtained. (7940)

950-BEDDED HOSPITAL ASSOCIATED WITH Medical School has vacancies for Junior and Senior Rotating Interns on or about June 15 and July 1, 1962, respectively. Approved for 15 specialties. Appointment one year, with honorarium of \$150 per month for juniors and \$225 per month for seniors. Special allowance for married interns. Applications, with letters of reference, to the Superintendent, Victoria Hospital, London, Ontario, Canada. (7877)

OVERSEA (Wanted)

BACHELOR, 36, M.B., B.S. (MELB), EIGHT years' general experience, including surgical, desires locum anywhere in world.—Box 2913, B.M.J.

UNIVERSITY AND RESEARCH APPOINTMENTS**ROYAL COLLEGE OF SURGEONS OF ENGLAND****ELECTION OF PROFESSORS AND LECTURERS**

The Council invites applications for election to the office of Hunterian Professor, Arris and Gale Lecturer, Arnott Demonstrator, and Erasmus Wilson Demonstrator for the ensuing year. Of the Hunterian Lectures, at least 12 illustrated by Hunterian specimens are delivered by Fellows or Members of the College. Additional Hunterian Lectures, not exceeding three in number, on medical or dental subjects, may be given by Fellows, Members, Fellows in Dental Surgery, or Fellows in the Faculty of Anaesthetists of the College. The three Arris and Gale Lectures are on subjects relating to Human Anatomy and Physiology, the six Arnott Demonstrations on the contents of the Museum, and the six Erasmus Wilson Demonstrations on the Pathological contents of the Museum. Applications, in writing, must be made to the Secretary on or before Saturday, April 21. Candidates for the Hunterian Professorships and Arris and Gale Lectureships are requested to submit with their applications 25 copies of a synopsis of approximately 500 words describing the subject-matter of their proposed lecture. Each copy of the synopsis must have the name of applicant in the top right-hand corner. Applicants are required to state their present appointments and the extent to which the work submitted is original. Work carried out under a superior must be shown to have the latter's approval before being submitted. In the case of Hunterian Lectures the Council is prepared to consider applications for either a series of lectures or a single lecture. Appointments to Professorships and Lectureships are made on the condition that those elected will give the College first refusal of publishing their Lecture in the *Annals*.—Kennedy Cassels, Secretary, Lincoln's Inn Fields, W.C.2. (7952)

ST. GEORGE'S HOSPITAL MEDICAL SCHOOL (University of London) Hyde Park Corner, London S.W.1

Applications are invited for the post of **LECTURER IN PATHOLOGY** Salary on the scale £1,350 to £2,200, according to qualifications and experience, with F.S.S.U. benefits and children's allowances. Applications, giving names of three referees, should be addressed to the Secretary, Department of Pathology (from whom further particulars can be obtained), by April 1, 1962. (7597)

ST. MARY'S HOSPITAL MEDICAL SCHOOL (University of London) Paddington, W.2

Applications are invited for the appointment of **LECTURER IN PHYSIOLOGY** Science qualification essential and medical qualification desirable. Commencing salary within the scale £1,250 by £100 to £1,850, plus £60 London allowance, together with superannuation and children's allowance. Applications (two copies), together with the names of two referees, should be sent, not later than March 16, to the Secretary, St. Mary's Hospital Medical School, from whom further particulars should be obtained. (7831)

THE MEDICAL COLLEGE OF ST. BARTHOLOMEW'S HOSPITAL West Smithfield, E.C.1

Applications are invited for the combined post of **LECTURER IN PHYSIOLOGY AND TUTOR IN ANAESTHETICS**

to be filled as soon as possible. Applicants should have held a post at Registrar level in anaesthesia or have had at least two years' experience in the specialty. The successful applicant will have teaching and research duties in the Department of physiology and practical experience in the Department of Anaesthetics in the hospital. Salary on the scale £1,250 by £100 to £1,850, plus £60 London allowance, together with children's allowance and superannuation benefit. Forms of application, which may be obtained from the Secretary of the Medical College, should be returned not later than March 24, 1962. (7960)

UNIVERSITY OF GLASGOW**LECTURESHPIS IN PHYSIOLOGY**

Applications are invited for two Lectureships in Physiology. One appointment is for a Lecturer with general interests in physiology, and the other for a Lecturer with a special interest in Histology or Histochemistry. Salary scale £1,050 to £1,900 per annum for those medically qualified, £1,050 to £1,850 per annum for those not medically qualified. Initial salary according to experience and qualifications. F.S.S.U. and family allowance benefits. Applications (eight copies) should be lodged, not later than March 31, 1962, with the undersigned, from whom further particulars may be obtained.—Robt. T. Hutcheson, Secretary of University Court. (7941)

UNIVERSITY OF ST. ANDREWS

Applications are invited for a

LECTURESHPIS IN ANATOMY

in the Department of Anatomy, Queen's College, Dundee, with effect from a date to be arranged. Salary scale £1,050 by £100 to £2,000 (efficiency bar £1,450). Applicants should have special interests in the fields of histochemistry and/or electron microscopy. Placing on lower range of scale according to qualifications and experience. F.S.S.U. Family allowance. Grant towards furniture removal expenses. Applications (six copies), containing the names of three referees, should be lodged with the Secretary of the University, c/o Queen's College, Dundee, from whom further particulars may be obtained, not later than March 24, 1962. (7826)

UNIVERSITY OF ST. ANDREWS

The University Court of the University of St. Andrews invites applications for appointment as **LECTURER IN PUBLIC HEALTH AND SOCIAL MEDICINE**

Salary scale £1,050 per annum by £100 to £2,350 (efficiency bar £1,550), placing depending on whether successful applicant possesses D.I.H., D.P.H., or other higher degree or qualification. The Lecturer will require to specialize in industrial medicine. Good clinical background essential. Experience or interest in epidemiological research methods desirable. Attached to the post is an honorary appointment from the Eastern Regional Hospital Board as Clinical Assistant. It is also hoped to arrange an honorary appointment with local industry. Family allowance. F.S.S.U. Grant towards expenses of furniture removal. Applications (six copies), containing the names of three referees, should be lodged with the Secretary of the University, c/o Queen's College, Dundee, from whom further particulars may be obtained, not later than March 24, 1962. (7827)

WESTMINSTER MEDICAL SCHOOL (University of London)

Applications are invited for the post of **SENIOR LECTURER IN SURGERY** to work in the newly established Surgical Professional Unit. Salary on the university scale for Senior Lecturers (clinical). Superannuation under F.S.S.U. with family allowances. The appointment will commence on August 1, 1962. Applications, including the names of three referees, should be sent by March 17 to the Secretary, Westminster Medical School, 17 Horseferry Road, London S.W.1. (7923)

NURSING HOMES

ST. GEORGE'S NURSING HOME

61 St. George's Square, Westminster, S.W.1 For the treatment of Medical Emergencies and the Neuroses. Apply Matron, Miss Teresa Clark, S.R.N. Tel. TATc Gallery 3041/2.

HOMES

HITCHAM PLACE, BURNHAM, BUCKS (Late Fenstanton, Christchurch Road, S.W.)

A Private Home for the treatment of LADIES with Mental and Nervous Disorders. Psychotherapy, Physiotherapy, etc. A large Country Mansion with 20 acres in Green Belt. Apply to Dr. Madeline R. Lockwood, Resident Physician Superintendent. Tel.: Burnham 624. Station: Taplow.

BOWDEN HOUSE

HARROW-ON-THE-HILL, MIDDLESEX Established in 1911. Tel.: BYRON 1011 and 4772 (Incorporated Association not carried on for profit) A private clinic for the treatment of patients suffering from early nervous disorders, alcoholism, and drug addiction. The clinic is situated in six acres of grounds within half an hour of Central London, and can accommodate 25 inpatients and an additional number of day patients. It is staffed by a resident medical officer and fully trained State Registered Nurses. Specialist services are fully available when required. Apply Medical Director.

ST. ANDREW'S HOSPITAL FOR NERVOUS AND MENTAL DISORDERS NORTHAMPTON

President: The Earl Spencer.

Medical Superintendent:

D. J. O'Connell, M.D., D.P.M.

This private hospital receives patients, both male and female, suffering from nervous and mental disorders, including alcoholism and senile illnesses. The fees range from fourteen guineas per week. Private rooms with special nurses can be provided, either in the hospital or in one of the villas in the grounds. The hospital is situated in 130 acres of pleasant grounds, which provide all recreational facilities. These include a nine-hole golf course, sports ground, tennis courts, etc.

WANTAGE HOUSE

This is a separate reception unit to which patients may be admitted. It is equipped for the complete investigation of nervous and mental disorders by the most modern methods. All forms of treatment are available. It contains laboratories for biochemical, bacteriological and pathological research.

MOULTON PARK

Some two miles from the main hospital is the farm of approximately 600 acres. Occupational therapy is a feature of this branch, and patients are given every facility for occupying themselves in farming, gardening, fruit growing, etc.

BRYN-Y-NEUADD HALL

The seaside home of the hospital is beautifully situated in a park of 330 acres at Llanfairfechan, amidst the finest scenery in North Wales. On the north-west side of the estate a mile of sea coast forms the boundary. Patients may visit this home for a short seaside change or for longer periods. The hospital has its own private bathing house on the seashore.

For terms and further particulars apply to the Medical Superintendent (Telephone No. 34354, Northampton), who can be seen in London by appointment.

Every modern comfort... -and that includes her Anglepoise

Progressive hospital managements reckon they're on a good thing in Anglepoise . . . have done so for years. It solves the bed lighting problem . . . the weakest patient can operate it at a finger touch . . . it can be put *exactly* where required . . . moved out of the way when not needed—at a finger touch. It doesn't disturb nearby patients and it is silent in operation.

Anglepoise comes in a variety of sizes and base fittings . . . table, wall and trolley. It has many practical uses in Surgery, Dispensary and Consulting Rooms. If you would like to know more about this 1001-angle lamp, write today for illustrated booklets—free on request from Sole Makers:

HERBERT TERRY & SONS LTD · REDDITCH · WORCS.

TA135A

The advantage of choice . . .

In family planning for responsible parenthood, the choice of a contraceptive must depend on individual circumstances. Many doctors find that the combination of spermicidal efficiency and aesthetic acceptability both in GYNOMIN TABLETS and ANTEMIN CREAM enables them to recommend *either* of these modern preparations, with confidence, to their patients.

GYNOMIN

Formula:

Sodium Bicarbonate B.P.	12.7%
Tartaric Acid B.P.	11.1%
Chloramine B.P.	1.1%

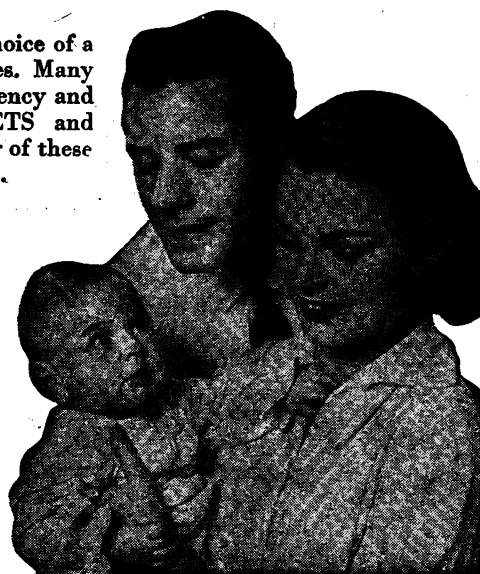

ANTEMIN

Formula:

Sodium Dioctyl	
sulphosuccinate	0.25%
Ricinoleic Acid B.P.	1.00%
Paraformaldehyde B.P.C.	0.15%

The Family Planning Association advise that for maximum safety, any chemical contraceptive should be used with a mechanical barrier.
