

NEW NACTISOL^{Regd.}

Relieves Peptic Ulcer Pain and Tension

Nactisol is a combination of an anticholinergic and an anxiety-relieving drug.

Nactisol * **halves gastric acid secretion**

* **lessens gastric spasm**

* **relieves mental stress and dispels anxiety**

Nactisol is an ideal formulation. It is long acting and gives an even clinical response without side effects.

Each Nactisol tablet contains Nacton 2 mg. and butabarbital 7½ mg.

Nactisol is a product of British research at

Saluric

CHLOROTHIAZIDE

Regd.

The original and only official thiazide diuretic, chlorothiazide B.P., has been selected for contract by the Ministry of Health for use in all hospitals throughout the country.

The basic National Health Service cost of 'Saluric' (the original chlorothiazide) is approved by the Ministry of Health—'Saluric' costs less than 2/- for an average week's maintenance therapy.

'Saluric' is supplied as 0.5G. tablets, white, half-scored. (Chlorothiazide Tabs. B.P.; Tab. Chlorothiaz. B.N.F.)

Full information on 'Saluric', including details of administration, dosage and precautions, available on request.

Made in England by

MERCK SHARP & DOHME LIMITED, HODDESDON, HERTS

Undisturbed with one-dose-a-day

Clinical experience has shown that 'Bimez' can be used effectively in respiratory tract and other infections in infants and older children*.

'Bimez' is a once-daily-dose sulphonamide but, because it contains 3 parts by weight of 'Sulphamezathine', it is less extensively bound to protein than other long-acting sulphonamides.

* Practitioner (1961) 186, 764.

BIMEZ

TRADE MARK

SAFE • SURE • SIMPLE

TABLETS Each containing 'Sulphamezathine' (Sulphadimidine B.P.) 0.375 gramme and sulphadimethoxypyrimidine 0.125 gramme.

Basic N.H.S. cost 12 tablets, when dispensed from the 50's pack, is 3s.4½d.

SUSPENSION (flavoured). Each teaspoonful (3.5 ml.) is equivalent to one tablet. Basic N.H.S. cost 30 ml. 4s.0d., dispensed from 500 ml. 3s.7d.

Hay Fever

THIS MONTH, as the catkins come to maturity, the first hay fever patients appear. There aren't many of them, but they provide an opportunity to test Daneral before the season proper starts.

Daneral is a potent and long-acting antihistamine. It gives prompt and long-lasting relief from hay-fever symptoms. Daneral is an original compound discovered and developed by Farbwerke Hoechst. Its usefulness has been proved by its efficacy in thousands of patients. Daneral is a powerful antihistamine and in normal dosage produces no serious side-effects.

methyl
cellulose
diet
supplement

'There is no substitute for calorie restriction in the management of obesity.'

Brit. Med. Jnl., 1957, II, 310.

'The chief aims of treatment [of obesity] will thus be to increase physical activity, and to give a diet designed to be lower in calories while still of optimal satiety. This in practice means a diet which need be restricted only in carbohydrate. As a help in the early stages, when the new dietary habits are being acquired, it may be found useful to take methyl cellulose or possibly some other preparation which decreases appetite.'

Lancet, 1959, II, 1138.

'If appetite can be controlled by a high fat diet or some other modification with a high satiety value, this might be more effective than attempting to persuade the obese to practice dietary continence.'

Lancet, 1960, I, 1282.

'It is then reasonable to conclude that at least some obese patients will find it useful to take methyl cellulose, provided they take sufficient and it is in the powder form.'

Lancet, 1960, I, 1413.

Formula 21 is a palatable preparation of methyl cellulose, presented as a granular powder in tins (21 days' supply) and one-dose sachets (7 days' supply per box). Taken with water before meals, it helps to reduce appetite by providing inert bulk in the stomach and intestine. In association with a low-calorie diet, Formula 21 can thus help immediate weight loss and long-term dietary re-education to take place simultaneously, in comfort, and with the minimum disruption of the subject's day-by-day routine. Samples available on request.

Psoriasis—Right Elbow
19-2-59

A mass of mounting clinical evidence seems strongly to support the hope that at last refractory psoriasis is under the control of medication.

In cases of scalp-to-toe psoriasis, psoriasis of many years duration, psoriasis involving the ten-

der ano-genital and sub-mammary regions, the new allantoin/coal tar combination ALPHOSYL is achieving rapid and complete clearance.

Doctors who have not received full details of ALPHOSYL in booklet form should certainly send to-day for "The Story of Alphosyl".

alphosyl

FORMULA: Special coal tar extract 5% and allantoin 2% in a smooth, non-greasy lotion base.

world-wide acceptance

Nearly a century ago Eli Lilly, a pharmacist with depth of vision considerably ahead of his time, felt the need to produce medicines of a known and constant standard.

From the realization of his ideal grew the organization of Lilly, and naturally enough, its reputation. Lilly Products have achieved acceptance the world over. The new Company identification—depicted above—symbolizes this worldwide confidence accorded to Lilly prescription products by physicians throughout the globe.

DARICON[®]

BRAND OF OXYPHENCYCLIMINE HYDROCHLORIDE *TRADE MARK

SPANS THE SLEEPING HOURS IN ULCER THERAPY

8 TO 12 HOURS' ANTISECRETORY ACTIVITY WITH A SINGLE BEDTIME DOSE

1 dose at bedtime

provides undisturbed rest for ulcer and patient

This means that your dyspeptic patient can enjoy a full night's rest and relaxation, free from pain.

A single dose of Daricon provides 8 to 12 hours' continuous control of acid secretion and muscle spasm. This is of paramount importance because it ends that needless, nightly ritual of milk, biscuits and antacids. The patient wakes rested, relaxed and refreshed — one night nearer complete healing.

LONGEST DURATION OF ACTION

Daricon is efficiently absorbed and predictably active over a prolonged period. Moreover, Daricon has been shown to exhibit a duration of action twice that of propantheline bromide.

HIGHEST ANTISECRETORY POTENCY

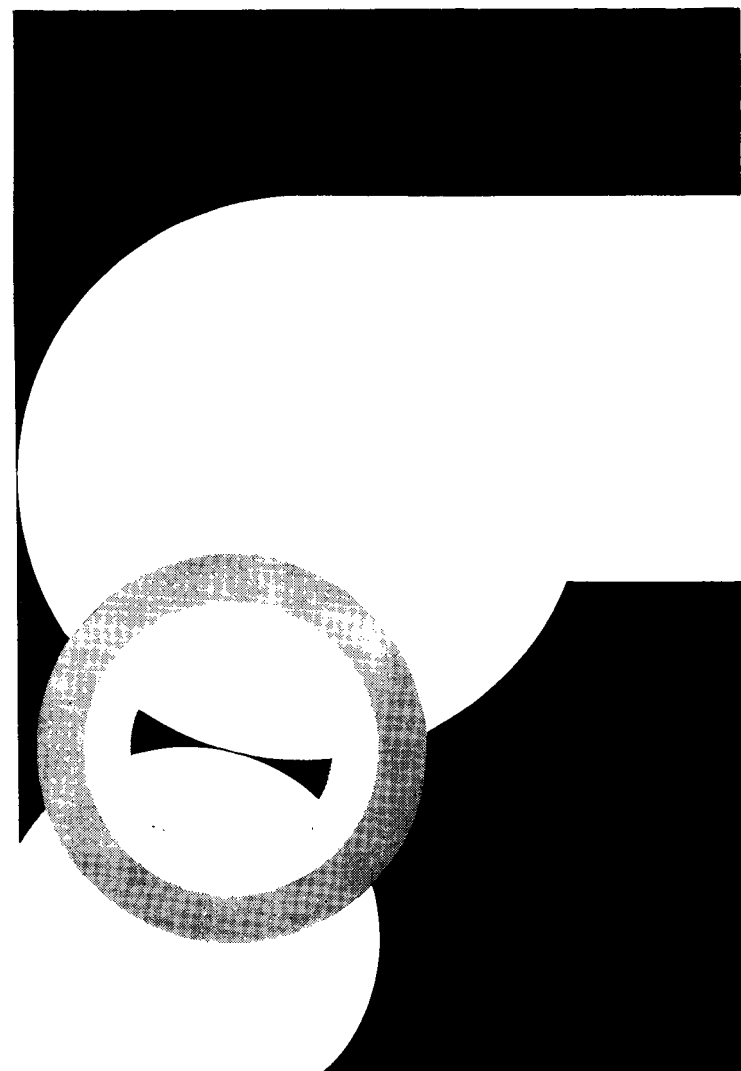

Experimental studies have demonstrated that in antisecretory potency, Daricon is approximately six times as active as propantheline bromide and almost three times as active as isopropamide iodide.

CONVENIENT TWICE-A-DAY DOSAGE

Daricon offers a convenient twice-a-day dosage throughout the period of therapy: other anticholinergics may require up to four doses daily to maintain adequate symptomatic control.

ONE FOR THE ROAD BACK 'LIBRIUM' an important aid in the treatment and rehabilitation of the chronic alcoholic

□ In the treatment of acute episodes such as delirium tremens, 'Librium' relieves the restlessness, agitation, fear, tremor and insomnia and promotes sleep.

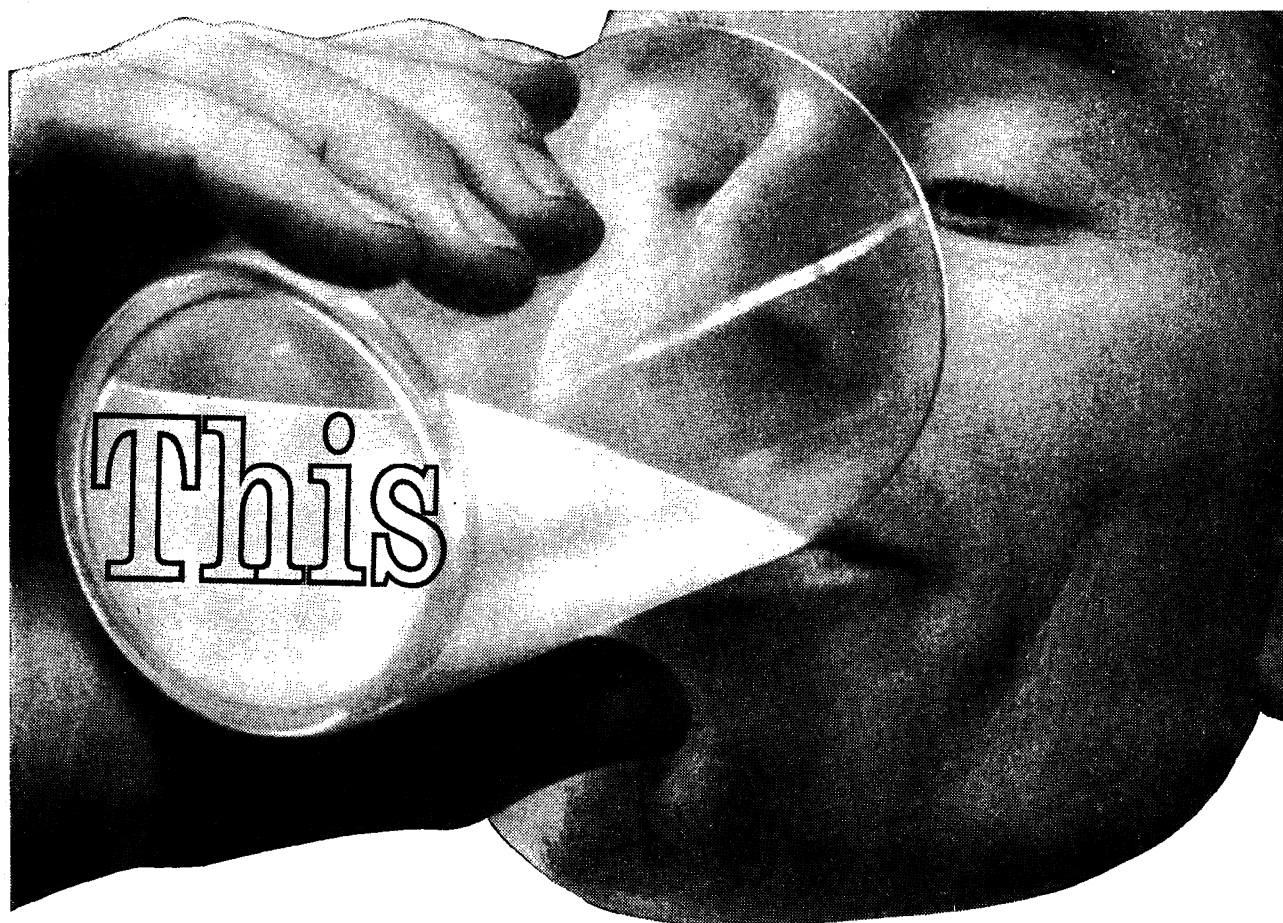

□ When the acute episode has been controlled 'Librium' assists in the rehabilitation, relieving anxiety, tension and depression and making the patient more amenable to psychotherapy.

□ 'Librium' also provides excellent supportive treatment for the very heavy drinker who is trying to become a total abstainer by assisting him to overcome the early days of anxiety and depression and the craving for alcohol.

□ 'Librium' now available in ampoules for intramuscular injection

is Gelusil Lac

ADVANCED COMBINED-ACTION THERAPY FOR PEPTIC ULCERATION

Gelusil Lac combines antacids with milk in the form of dried low-fat, high-protein milk solids. The antacids* are those recommended in the current British National Formulary. Gelusil Lac is a natural up-to-date development from Gelusil. It makes the treatment of peptic ulceration simpler for the patient. Its composition, method of action and presentation are in keeping with current medical thinking.

Gelusil Lac is easily and quickly prepared by pouring the contents of a sachet or one dessertspoonful into half a glass of water and stirring.

Indications: Peptic ulceration; hyperacidity; hiatus hernia; oesophagitis.

Presentation: Gelusil Lac is conveniently packed in slim, one-dose sachets, easily carried and immediately available to the patient at home or at work. Supplied in cartons of 10 sachets of 8 G. each. Also available in dispensing tins of 200 G.

Dosage: 1 sachet or one dessertspoonful (8 G.) to be mixed with half a tumbler of water and taken as required. A ready-mixed dose may be left by the bedside in case of early morning waking.

**Formula:* Each 8 G. sachet contains: magnesium trisilicate 1.0 G.; aluminium hydroxide 0.5 G.; low-fat milk solids 6.5 G.

THE OUTCAST

“The fairest things in life
are Death and Birth

And of these two
the fairer thing is death.”

Ode to the Setting Sun Francis Thompson

Was Francis Thompson a depressive?

One strongly suspects so. Certainly
he was a mystic and predisposed
to bouts of severe melancholy. He saw
himself as an outcast, alone—he felt
that life was not worth living; he was
preoccupied with death. Many of your
patients may show just such a morbid
thought-pattern. For these modern-day
sufferers effective therapy is possible:
the treatment is NARDIL.

IN MILD TO MODERATE DEPRESSION

NARDIL is safe and is effective at low
dosage levels. Toxic effects on blood or
liver are extremely rare. NARDIL acts
quickly. Response is usually seen within
the first weeks or even days of
treatment. NARDIL provides reliable
treatment for depressives—often the
problem patients of a busy practice.

NARDIL

A question of economics...

Since late 1955, in England and Wales, there has been a steady reduction in the resident mental hospital population in spite of a steadily increasing admission and readmission rate.*

Chlorpromazine, the pioneer phenothiazine derivative to be used in psychiatry was introduced in 1954, and has played an important part in reducing the number of chronic patients and the length of stay of new admissions. Thus the overall cost of treatment of mental illness has been considerably reduced.

TRANSVASIN RELIEVES MUSCLE SPASM

Muscle spasm caused by physical injury or rheumatic lesions is rapidly relieved by the application of Transvasin. The esters of nicotinic, salicylic and p- α -amino benzoic acids penetrate the skin and are concentrated at the point of injury. Transvasin is an effective and economical therapy.

Transvasin contains ethyl and n-hexyl nicotinate, ethyl p-aminobenzoate, 2% each and tetrahydrofurfuryl salicylate 14%. In tubes of 30 G. at a basic NHS cost of 2/6.

AN ATLAS OF HEAD AND NECK SURGERY

By John M. Lore, M.D., F.A.C.S., *Good Samaritan Hospital, Suffern, New York.*

470 pages with 238 plates.

£8 15s.

A pictorial guide to the surgical management of head and neck disorders that are often handled by the general surgeon. The author first considers a number of general operative procedures, including: peroral endoscopy, open chest cardiac massage, and bone and cartilage grafts. Disorders of the following are then dealt with in detail: the sinuses; the nose; the face; the eyelids; the parotid salivary gland; tumours and cysts of the mandible; the thyroid and parathyroids; the larynx, etc.

A TEXTBOOK OF OBSTETRICS

By Duncan E. Reid, M.D., *Professor of Obstetrics, Harvard Medical School.*
1,087 pages, illustrated. £6 9s. 6d.

The emphasis of this new book is on the physiology of reproduction, and the diseases and disorders that may complicate the birth process.

TEXTBOOK OF ENDOCRINOLOGY — New (Third) Edition

Edited by Robert H. Williams, M.D., *Chief, Endocrinology and Metabolism Division, Washington University Hospital, Seattle.*

1,204 pages, illustrated. £7 7s.

This new edition now includes consideration of the effects of endocrine changes on body metabolism.

A MANUAL OF CUTANEOUS MEDICINE

By Donald M. Pillsbury, M.D., F.A.C.P., Walter B. Shelley, M.D., Ph.D., and Albert M. Kligman, M.D., Ph.D., *all of the University of Pennsylvania School of Medicine.*

430 pages, illustrated. £3 6s. 6d.

"An important work for every student and practitioner."—*British Medical Journal.*

CURRENT THERAPY 1962

Edited by Howard F. Conn, M.D.

790 pages.

£4 7s. 6d.

The 1962 issue of this well-known annual deals with recent advances in treatment for over 400 common diseases and disorders.

BIOCHEMISTRY— New (Third) Edition

By Abraham Cantarow, M.D., and Bernard Schepartz, Ph.D., *Professor and Associate Professor of Biochemistry, Jefferson Medical College, Philadelphia.*

938 pages, illustrated.

£4 11s.

This new edition integrates biological processes with the various aspects of metabolism.

PHARMACOLOGY: The Nature, Action and Use of Drugs

By Harry Beckman, M.D., *Chairman, Department of Pharmacology, Marquette University.*

805 pages, illustrated.

£3 8s. 6d.

2nd Edition (1961). Incorporates the latest advances in pharmacology of antibiotics, the anaesthetics and analgesics, tranquilisers, etc.

The 4 features of Elastoplast

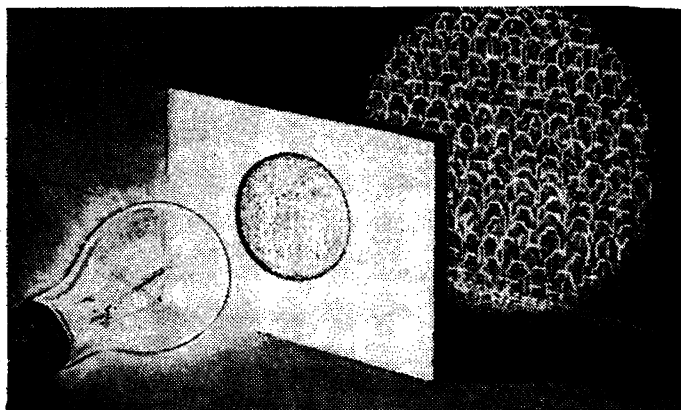

TRY THESE TESTS FOR YOURSELF

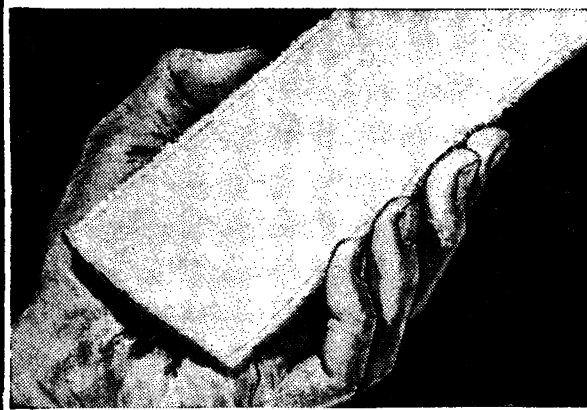

2 STRETCH AND REGAIN Stretch a marked length of Elastoplast bandage. It will extend by 75% with little effort and return almost to its original length. This critical stretch and regain is at its maximum in Elastoplast.

1 POSITIVE ADHESION You will be surprised how long you can suspend a pair of heavy scissors from a length of Elastoplast. The powerful adhesive sticks with very little pressure and keeps Elastoplast firmly in position during the longest treatment.

3 EVEN, ALL-OVER POROSITY Project images of the filament of a clear electric lamp through the pores of stretched Elastoplast on to a white surface. See how even the filament pattern is. Elastoplast leaves no occluded patches of skin even when there is more than one layer.

4 SOFT, NON-ADHESIVE EDGES Feel the softness of the selvedge of an Elastoplast bandage. It does not cut nor mark the skin. The edges are free from adhesive so that Elastoplast cannot stick to clothing nor ruck during wear.

Only Elastoplast has all four advantages

IT COSTS NO MORE TO SPECIFY ELASTOPLAST

Smith & Nephew Limited WELWYN GARDEN CITY • HERTFORDSHIRE

BRONCHITIS

The well established formula for chronic bronchitis is TERCOLIX. This dislodges the habitual mucoid sputum; relieves wheeziness, breathlessness and distressing fits of coughing; makes expectoration easy by liquifying tenacious mucus. Each teaspoonful contains Codein Phosph. $\frac{1}{4}$ grain combined with Terpin Hydrate, Menthol, Pine and Eucalyptus oils to provide a warm, soothing, sedative effect. Dosage: Two teaspoonfuls in warm water, before retiring—sipped slowly—free the air passages of accumulated mucus and ensure a good night's sleep. Where the critical point has been reached and the bronchial tubes are swollen, soggy and unduly sensitive, daily maintenance doses are strongly recommended. Samples for clinical trial are available on request.

TERCOLIX FOR BRONCHITIS

FULLY DESCRIBED- OVER 500 AIDS FOR THE DISABLED

IN THIS PROFESSIONALLY COMPILED INDEX

THE NUFFIELD ORTHOPAEDIC CENTRE, Oxford, has collected together over 500 items of equipment for disabled people—a project made possible by a grant from the National Fund for Research into Poliomyelitis and other Crippling Diseases.

This grant also makes it possible to publish, at cost price, a complete Index of these items. Each article is fully described and illustrated on a separate page. The Index is published in four specially titled loose-leaf binders. Items which become obsolete can be extracted, and new additions when issued by the publishers can be easily inserted. The Index is available at a price of £6

Accessories for your car...

Prescription for DRIVING COMFORT

K-L SIT-RITE BACK REST

Comfortable and correct posture is of vital importance to motorists. And that is where the K-L SIT-RITE BACK REST scores! Because it provides correct support, it reduces travel fatigue, prevents backache and aids concentration whilst driving by easing tension. Air circulates between the seat and your back, keeping you fresh and cool in summer, relaxed and comfortable all the year round. Available in neutral and coloured patterns—models for bench and bucket seats. Price 49/6. Only the genuine SIT-RITE carries the K-L badge.

The perfect answer to car litter problems — and equally handy for the storage of documents! Made in strong black plastic—attractively decorated with a gold rim—the compact K-L CAR BIN is mounted on a foam plastic weighted base for complete stability in a moving vehicle. It can be conveniently positioned in any part of your car—even on the raised tunnel. Height 5½ in., base 6 in. x 4 in., top 6½ in. x 4½ in. Price 14/6

K-L accessories are available from Garages and Accessory Shops or order from Halfords Branches. Send for free colour leaflets of the full K-L range to:

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

House Officers should submit a separate application for each post for which they apply.

Canvassing of members of the Board or Advisory Appointments Committee will lead to disqualification (Statutory Instrument 1950, No. 1259, N.H.S.).

★ SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR.** Posts obtainable normally not less than one year after full registration as a medical practitioner and held normally for two years: £1,250 in the first year; £1,400 in the second and any subsequent years. Deduction of £215 per annum for compulsory residence; £255 per annum for voluntary residence.

(b) **SENIOR REGISTRAR.** Posts obtained normally not less than three years after full registration and held normally for four years: £1,500 by £100 to £1,800 in the fourth year; thereafter, £1,900 in the fifth and sixth years; £2,000 in the seventh and eighth years; £2,100 in the ninth and any subsequent years. Deduction of £250 per annum for compulsory residence; £275 per annum for voluntary residence.

Other Grades, Whole-time

(a) **HOUSE OFFICERS.** Each post in this grade shall be tenable for six months.

£675 per annum for the first post held; deduction of £155 per annum for compulsory residence or £195 per annum for voluntary residence.

£750 per annum for the second post held; deduction of £160 per annum for compulsory residence or £195 per annum for voluntary residence.

£825 per annum for the third and any subsequent posts held; deduction of £165 per annum for compulsory residence or £195 per annum for voluntary residence.

provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £750 per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff; provided further that where a House Officer has previously held two such outside posts the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that his remuneration shall be £825 per annum. Any House Officer who on first appointment is paid at the appropriate rate to the second or third post held in accordance with the above provision shall be paid at the third post rate for any subsequent appointments in this grade.

(b) **SENIOR HOUSE OFFICERS.** Posts obtained by fully registered medical practitioners and held normally for one year only: £1,050 on appointment at age 27 or under; £1,100 on appointment at age 28 or over. Deduction of £180 per annum for compulsory residence or £215 per annum for voluntary residence.

(c) **JUNIOR HOSPITAL MEDICAL OFFICERS.** Officers who have held house appointments but who are not registrars and who have less responsibility than other hospital officers of non-consultant status, and who have been appointed for a limited or indefinite period, not less than one year after full registration as a medical practitioner: £1,100 by £60 (8) to £1,580. Deduction of £215 per annum for compulsory residence or £255 per annum for voluntary residence.

Allowances at rates of up to £100 per annum shall be payable to house officers, senior house officers, junior hospital medical officers and registrars occupying posts approved for such allowances in peripheral hospitals.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff (19/2/62)

FERROMYN

for anaemia in pregnancy

The value of Ferromyn in pre- and post-natal iron deficiency anaemias has been established.

Of the organic iron salts available Ferromyn produces a superior haemoglobin rise—clinical trials show that a daily haemoglobin response of 1-2% may be expected from 1 tablet three times daily. Intolerance to Ferromyn is less than 1%

Plastic Surgery—contd.**LIVERPOOL REGIONAL HOSPITAL BOARD**

Applications are invited for the post of **REGISTRAR IN PLASTIC SURGERY** with duties mainly at Whiston Hospital, where there is a unit of 46 beds for plastic surgery and 32 for the treatment of patients with early burns. Other duties include attendance as directed at Alder Hey Children's Hospital Plastic Surgery Unit. Forms of application, from Dr. T. Lloyd Hughes, Senior Administrative Medical Officer, Liverpool Regional Hospital Board, 55 Castle Street, Liverpool 2, to be returned not later than May 5, 1962.—Vincent Collinge, Secretary to the Board. (9780)

STOKE MANDEVILLE HOSPITAL.

Aylesbury

Plastic Surgery and Burns Unit (84 beds)

SENIOR HOUSE OFFICER (Resident)

required from mid-June, 1962, for above unit. Appointment for one year in the first instance (renewable for further period). Further details may be obtained from the Administrative Officer, to whom applications, enclosing copies of two testimonials, should be sent as soon as possible. (9380)

PSYCHIATRY**LEEDS REGIONAL HOSPITAL BOARD****CONSULTANT IN PSYCHIATRY**

(whole-time or maximum part-time) for duties at Stanley Royd Hospital, Wakefield, and associated out-patient clinics. The hospital, which is being modernized, has 1,854 general psychiatric beds and is directly linked to an acute general hospital of 590 beds (Pinderfields General).

Applications (12 copies), stating age, qualifications and details of appointments held (showing dates), with names and addresses of three referees, to the Secretary, Park Parade, Harrogate, not later than May 22, 1962. (9683)

MANCHESTER REGIONAL HOSPITAL BOARD**CONSULTANT PSYCHIATRIST AND MEDICAL DIRECTOR**

Parkside Hospital, Macclesfield (1,600 beds). The new appointment is resident and nominally a whole-time one, but the appointee may elect to be paid on a maximum part-time basis if preferred. He will be the chief officer for the whole of the therapeutic sphere and have out-patient clinics at the hospital. The post carries the special allowance, and a house is available. Applicants must have wide experience and possess the higher qualifications appropriate to the specialty.

Application forms, from the Senior Administrative Medical Officer to the Board, Cheetwood Road, Manchester 8, to be returned by May 7, 1962. (9854)

NORTH-EAST METROPOLITAN REGIONAL HOSPITAL BOARD

Leyton Child Guidance Clinic and Whipps Cross Hospital Paediatric/Psychiatric Unit

MAXIMUM PART-TIME CONSULTANT PSYCHIATRIST

This is a new appointment in two parts:

- (1) Consultant-in-charge of the new Leyton Child Guidance Clinic (five sessions). In addition it is hoped that the successful candidate will play an important role in developing the preventive mental health aspect of the School Health and Maternal and Child Health Services.
- (2) Consultant Psychiatrist, Paediatric/Psychiatric Unit, Whipps Cross Hospital (four sessions). There has been an experimental in-patient paediatric/psychiatric unit at this hospital which is being put on a permanent basis. The successful candidate will work in close professional partnership with the paediatrician to provide integrated paediatric/psychiatric service for children.

The purpose of the joint appointment is to encourage the development of an integrated community/hospital child health service.

Interested candidates are invited to visit the area, for which purpose they should get in touch with either the Divisional School Medical Officer (Leytonstone 3650) or the Secretary, Whipps Cross Hospital (Leytonstone 5522).

Application forms from Secretary (N.E.), 40 Eastbourne Terrace, W.2, to be returned by May 20. (9792)

NORTH-WEST METROPOLITAN REGIONAL HOSPITAL BOARD**CONSULTANT PSYCHIATRIST**

four half-days a week for work with G.P. seminars and therapeutic groups at Tavistock Clinic, 2-4 Beaumont Street, W.1.

Clinic may be visited by direct appointment. (Tel.: Welbeck 5415.)

Application forms obtainable from Secretary, North-West Metropolitan Regional Hospital Board, 40 Eastbourne Terrace, W.2. Returnable before May 22, 1962. (9793)

PUBLIC HEALTH

COUNTY BOROUGH OF ROCHDALE Public Health Department

Applications are invited for the post of **ASSISTANT MEDICAL OFFICER** to be responsible for combined Maternity and Child Welfare and School Medical Services and operating in newly constructed clinic premises. Duties cover nursery schools, antenatal services, and liaison with local hospital staffs.

Salary £1,295 by £65 to £1,620 by £75 to £1,845 per annum, commencing according to experience and qualifications.

Canvassing will disqualify. Relationship to any member or senior official of the Council must be disclosed. Appointment subject to medical examination.

Further particulars and application forms from Medical Officer of Health, Public Health Department, Bailie Street, Rochdale.—K. B. Moore, Town Clerk, Town Hall, Rochdale. (9840)

COUNTY BOROUGH OF ROTHERHAM Health Department

APPOINTMENT OF ASSISTANT MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER

Applications are invited from registered medical practitioners for the above post. Possession of D.P.H. or other postgraduate diploma is an advantage, but not essential. The duties will consist mainly of clinical work in the child welfare and school health service, but there will be opportunities to gain experience in all branches of public health work. Special interests are encouraged, and there are opportunities to attend paediatric clinics. Facilities are granted for D.P.H. study. Salary scale is £1,295 to £1,845 per annum. The point of entry will be fixed according to experience and qualifications. Housing accommodation is available if required, and car allowance is payable. Forms of application and conditions of appointment can be obtained from the Medical Officer of Health, Municipal Offices, Rotherham, and must be returned not later than April 30, 1962.—John S. Wall, Town Clerk, Municipal Offices, Rotherham. (9313)

COUNTY BOROUGH OF WEST HARTLEPOOL

APPOINTMENT OF DEPUTY MEDICAL OFFICER OF HEALTH AND DEPUTY PRINCIPAL SCHOOL MEDICAL OFFICER

Applications are invited for the above appointment from registered medical practitioners possessing the Diploma in Public Health or similar qualifications.

The salary scale applicable to the post is £1,815 per annum, rising by annual increments of £64 to a maximum of £2,135 per annum. Previous service with a local authority will be taken into account in fixing the commencing salary within this scale. A fixed car allowance of £75 per annum will also be payable.

Forms of application and full particulars relating to the appointment may be obtained from the Medical Officer of Health, Health and Welfare Department, Victoria Road, West Hartlepool, to whom the completed form of application must be returned not later than Tuesday, May 1, 1962.—Eric J. Waggon, Town Clerk, Municipal Buildings, West Hartlepool. (9841)

COUNTY COUNCIL OF THE WEST RIDING OF YORKSHIRE

SENIOR MEDICAL OFFICER FOR THE SCHOOL HEALTH SERVICE

Applications for the above post are invited from registered medical practitioners. Previous experience in the administration of this service is desirable and the possession of a D.P.H. or D.C.H. qualification will be an advantage.

The scale of salary is £1,870 by £70 (3) by £75 (1) by £80 (4) to £2,475. Travelling and subsistence expenses in accordance with the County Council's scale are payable in addition.

Further particulars of the appointment may be obtained from the undersigned, to whom completed applications should be forwarded not later than May 5, 1962.—R. W. Elliott, County Medical Officer, County Hall, Wakefield. (9720)

DERBYSHIRE COUNTY COUNCIL County Health Department

ASSISTANT COUNTY MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER

Applications are invited from registered medical practitioners for whole-time superannuable posts. Vacancies exist in areas near to Shirebrook and Chesterfield. The main duties relate to the School Health Service, but include child welfare work, vaccinations, etc. Salary £1,295 by £65 (5) to £1,620 by £75 (3) to £1,845 per annum. Car allowance. A scheme of allowances towards removal and lodging expenses in appropriate cases has been adopted. Canvassing disqualifies. Particulars and forms of application are obtainable from Dr. J. B. S. Morgan, County Medical Officer of Health, County Offices, Matlock. (9845)

SALOP COUNTY COUNCIL

ASSISTANT MEDICAL OFFICER

Applications invited from registered medical practitioners for above whole-time superannuable position. Duties mainly in child welfare and school health services.

Salary scale £1,295 by annual increments of £65 to £1,620 and thence by increments of £75 to £1,845 per annum (commencing salary depending on experience), plus a car allowance in accordance with Council's scale. Separation allowance also payable for a limited period in appropriate cases. Successful candidate will be required to pass medical examination.

Form of application and copy of conditions of service obtainable from undersigned, to whom applications, together with copies of three recent testimonials or names of three referees, should be submitted not later than May 12, 1962.—T. S. Hall, County Medical Officer of Health, County Health Office, College Hill, Shrewsbury. (9700)

COMMONWEALTH

OF AUSTRALIA

COMMONWEALTH SERUM LABORATORIES COMMISSION

CHIEF RESEARCH OFFICER

Applications are invited for the position of Chief Research Officer at the Commonwealth Serum Laboratories, Melbourne, Victoria, Australia.

The applicant should preferably have a medical degree with a higher qualification and research experience in the biological field. Administrative and organizing ability will be necessary as he will be in charge of the Research Department co-ordinating the research programme within the laboratories. He will be responsible to the Director.

The Commonwealth Serum Laboratories, which are controlled by a Commission, produce a large range of biological products for medical and veterinary use. Research carried out in the medical and veterinary fields includes basic and applied aspects. The Research Department includes work on virology, bacteriology, tissue culture, biochemistry, protein chemistry, etc.

This Research Department has modern and well-equipped laboratories with a highly qualified staff of scientists.

The salary will be determined by negotiation, but not less than £A.4,000 per annum.

Under specific conditions first-class air/sea transport for the appointee and dependants (wife and dependent children) will be provided.

Applications, stating name in full, date of birth, qualifications, experience, marital status, and any request for further information to the:

Chief Medical Officer, Australia House, Strand, London W.C.2.

(9632)

APPLICATIONS ARE INVITED FOR ONE- OR two-year appointment to the Department of Anaesthesia. Appointments made throughout the year. Applicants must be registered with the General Medical Council, or eligible to practise in Manitoba, and have not less than two years in full-time anaesthesia or hold the D.A.

This is a 700-bed acute general teaching hospital of the University of Manitoba, where every surgical procedure is carried out, including "open heart." For further particulars write to Dr. M. Minuck, Assistant Professor and Director, Department of Anaesthesia, St. Boniface General Hospital, St. Boniface, Manitoba, Canada. Salary \$600 per annum, including transportation from the United Kingdom. (8928)

CATHOLIC MISSION HOSPITALS. DOCTORS urgently needed in Africa and India. Apply the Secretary, Damien Medico-Missionary Society, 47 Fitzwilliam Square, Dublin.

CINCINNATI, OHIO, U.S.A., THE JEWISH HOSPITAL

Inquiries are invited concerning **ROTATING AND MIXED INTERNSHIPS**. Salary \$2,700 annually, with full emoluments. Senior house staff appointed primarily from intern group. Rent-free quarters provided. This is a 430-bed private hospital with an active teaching schedule. Fully approved by the American Medical Association. Hospital accepted as a member of the Exchange-Visitors Programme. Complete knowledge of English essential. E.C.F.M.G. certification is required. For further information apply to Registrar, Medical Education, Jewish Hospital, Cincinnati 29, Ohio, U.S.A. (9577)

**CITY OF BULAWAYO
(Southern Rhodesia)
City Health Department**

VACANCY FOR MEDICAL OFFICER (Tuberculosis) (Male)

Applications are invited from qualified, experienced male medical practitioners for the above full-time pensionable post. The salary attached to the position is £2,016 by £96 (3) to £2,304 a year, plus a cost of living allowance at present fixed at £84 a year. A transport allowance is payable for the use of the successful applicant's own motor car on official duties.

The duties attached to the post will be principally concerned with the anti-tuberculosis programme carried out by the City Council. A wide knowledge of tuberculosis, and its control and treatment, is essential, and previous experience in mass miniature radiography will be a recommendation.

Additional information regarding this post, together with application forms, may be obtained from Stephen Fraser (London) Ltd., 151 Minorities, London E.C.3, and applications must be in duplicate, one to be sent to that Company and one to the Medical Officer of Health, P.O. Box 1946, Bulawayo.—E. S. White, Town Clerk. (8612)

GENERAL HOSPITAL St. John's, Newfoundland, Canada

INTERNS

Applications are invited to fill vacancies on the Intern staff of the General Hospital, St. John's, Newfoundland. This 456-bed general hospital is approved for the pre-registration year under the General Medical Council. Salary is at the rate of \$300 per month (£104), less a deduction of \$47 (£16) per month for room and board. An additional allowance of \$50 (£17) per month is payable to married applicants with one or more dependants who reside in St. John's. Transportation is provided to accepted applicants on the basis of one year's service. Return fare is provided for the applicant for repatriation purposes at the satisfactory completion of one year's service. Three weeks' vacation is provided, and interns have every second night off duty. Assistance will be provided in finding employment for wives of married interns if requested.

Further information can be obtained from the Superintendent, the General Hospital, St. John's, Newfoundland, Canada. (9223)

PATHOLOGY RESIDENTS. 450-BED GENERAL hospital. Fully approved residency. Three pathologists. 300 autopsies, 7,000 surgicals, 200,000 clinical laboratory procedures. THE NORTH BRISBANE HOSPITALS BOARD

Brisbane, Queensland, Australia
Department of Pathology

Applications are invited from registered medical practitioners for appointment to the following Senior Staff positions:

MORBID ANATOMIST
BACTERIOLOGIST

The appointees will be responsible to the Director of Pathology for the control of the appropriate sections of the laboratories, and will be encouraged to develop some aspect of investigational work. They will be expected to assist in the training of Registrar Pathologists and Technicians and to undertake certain lectures and demonstrations. The department serves the Brisbane Hospital, the Women's Hospital, the Children's Hospital, and the Queensland Radium Institute, all of which are situated on the one site. The hospitals are the major teaching hospitals in the University of Queensland.

The salary offered is £A.4,125 per annum, plus basic wage adjustments, at present £A.34 per annum, and the posts are superannuated.

Vacancies also exist for the position of

PATHOLOGIST

The salary offered is £A.3,240 to £A.3,290 or £A.3,680 to £A.3,730 for Pathologist with specialist registration, plus basic wage adjustments at present £A.34 per annum, and the posts are superannuated.

Applications, stating details of personal particulars, qualifications and experience, with the names of three referees, should be forwarded not later than June 12, 1962, to the

Agent-General for Queensland,
409/410 Strand, London, W.C.2.

(9838)

UNIVERSITY OF KHARTOUM

Applications are invited for a

plications (10 copies), naming three referees, by May 21, 1962, to Secretary, Senate Committee on Colleges Overseas in Special Relation, Senate House, University of London, London W.C.1, from whom further particulars may be obtained. (9770)

UNIVERSITY OF MELBOURNE
Medical Professorial Unit,
St. Vincent's Hospital

Applications are invited for the posts of
**FIRST ASSISTANT and
SECOND ASSISTANT**
in the above unit. The appointments will be full-time and will involve the care of patients, teaching and research.

Salaries, depending on experience:

First Assistant—
£A.3,400-£A.4,250 per annum;

Second Assistant—
£A.2,750-£A.3,400 per annum.

Superannuation is similar to F.S.S.U.

The First Assistant will have status equivalent to Honorary Physician to Out-patients at St. Vincent's Hospital.

The appointments will be for three years in the first instance and will be renewable. The positions are now vacant, but suitable starting dates will be arranged with the successful applicants.

Applicants must hold a postgraduate degree or Diploma in Medicine. Applicants for the position of First Assistant should state whether they wish to be considered for the post of Second Assistant if not successful in their original application.

The department is under the direction of Professor G. C. de Gruchy. It is situated in the new block of the hospital. Its wards contain forty beds and clinical rooms. Laboratories, offices and a seminar room adjoin the wards. Laboratory accommodation consists of two large general purpose laboratories, a physiology laboratory, a constant-temperature laboratory, two small office-laboratories, balance room, dark room, cold room and service room. The hospital maintains a separate diagnostic isotope department. The St. Vincent's Hospital School of Medical Research maintains a Department of Research Biochemistry in the hospital grounds.

Further particulars may be obtained from the Secretary, Association of Universities of the British Commonwealth (Branch Office), Marlborough House, Pall Mall, London S.W.1.

Applications close in Australia and London on June 30, 1962. (9850)

SEMI-DISPLAYED ADVERTISEMENTS are charged at the rate of £8 per single column inch and pro rata.

INSTRUCTIONS TO ADVERTISERS

Please write advertisements and name and address clearly in **BLOCK CAPITALS** and send to the Classified Advertisement Manager, *British Medical Journal*, B.M.A. House, Tavistock Square, London W.C.1. Telephone: Euston 4499. Telegrams: Britmedads, Westcent, London. To cut down book-keeping entries and to avoid delay, please **ENCLOSE PAYMENT** with advertisement.

All advertisements, subject to approval, will appear in the forthcoming issue provided they reach this office not later than first post on the **THURSDAY** of the week preceding date of issue.

Cancellation of advertisements cannot be accepted if received after 2 p.m. on the Friday of the week preceding date of issue (issues affected by public holidays excepted).

Every effort is made to ensure the accuracy of advertisements appearing in the Journal. No recommendation is implied by acceptance, and the Editor of the British Medical Journal reserves the right to refuse or interrupt the insertion of any advertisement.

REPLIES TO BOX NUMBERS. The names and addresses of advertisers under box numbers are held by us *in strict confidence* and cannot be disclosed. Each Box No. should be addressed separately. Two or more replies can be enclosed in one envelope, addressed to the Classified Advertisement Department. The replies will be forwarded to the advertisers in plain envelopes.

DOCTORS ABROAD. Copies of vacancies advertised in the "Journal" can be sent by **AIR MAIL**. The minimum cost is 3s. per week, which covers up to three separate headings; additional headings 1s. each.
