DUPHASTON

TRADE MARK

DYDROGESTERONE (B.P. APPROVED NAME)

the safe oral progestogen
with positively no hormonal side effects

DOSAGE 2 Duphaston tablets immediately symptoms appear. If symptoms remit within 8 hours continue with 1 tablet b.d. If symptoms persist for 8 hours give 2 tablets b.d. and increase the dose by 10 mg. every 8 hours until symptoms abate (120 mg. per day have been safely administered).

PACKINGS Tubes of 20 and bottles of 100 tablets, each containing 5 mg. dydrogesterone.

THE CROOKES LABORATORIES LTD PARK ROYAL LONDON NW10

In practice,
patients do seem
to get better quicker
with **BROXIL**

and there are facts which could explain this. For one thing, Broxil compared with oral penicillin V has a very high absorption rate² and gives very high tissue levels. It is therefore quickly and effectively bactericidal at the site of infection.

Broxil is also bactericidal to some penicillin G and V resistant staphylococci³, which of course means greater certainty in therapy.

It is not surprising that these advantages produce measurable advances in clinical efficiency. For example, it has been possible to count in days the saving of recovery time achieved by using Broxil in upper respiratory tract infections¹, while many physicians have recorded its effectiveness in other indications.^{4,5,6,7,8}

SOME RECENT PUBLICATIONS

Three Hundred Years of Psychiatry—1535-1860

A HISTORY PRESENTED IN SELECTED ENGLISH TEXTS

RICHARD HUNTER *and* IDA MACALPINE

This book traces the growth of clinical and pathological observations, and the classification, changing theories of causation, and treatment of mental disorders by selecting important original sources. It gives a valuable picture of the changing attitude, both social and legal, towards mental illness and the care of the insane throughout the period covered.

Psychiatric Studies of Borstal Lads

T. C. N. GIBBENS

Two hundred boys were examined between 1953 and 1955 immediately after being sentenced, and were re-examined some months later in the Borstal Institutions to which they were sent. The mental abnormalities disclosed by these interviews and tests are described and related to social and psychological data derived from official records, home visits by a psychiatric social worker, additional psychological tests, and photographic assessment of physique.

Methods of Psychiatric Research

AN INTRODUCTION FOR CLINICAL PSYCHIATRISTS

Edited by P. SAINSBURY *and* N. KREITMAN

The purpose of this book is to provide an introduction to clinical research in psychiatry with special reference to methods and techniques. It is addressed primarily to the clinical psychiatrist in the mental hospital and other workers in the mental health field who want to do clinical research but who hesitate because of their uncertainty about how to proceed.

A Textbook of Malaria Eradication

EMILIO PAMPANA

Now that the results of a number of malaria eradication programmes are known it has become possible to prepare this textbook. It is written in a style which will readily be understood not only by medical personnel but by administrators, technicians and workers in the field. Professor Pampana was recently Director of the Division of Malaria Eradication, World Health Organization.

THE SIMPLEST TREATMENT FOR AMOEBIASIS **FURAMIDE**

Simple, practical and economical, Furamide changes the conventional approach to amoebiasis. **These are FURAMIDE'S outstanding advantages.**

EFFECTIVE Cure rates of 75% to 80% in the acute stage and 90% to 100% in the chronic condition may be expected.

CONVENIENT No injections, no enemas, no special diet. Furamide is very suitable for ambulant patients.

SIMPLE Dosage is simple—1 tablet three times daily for ten days in patients of average weight.

SAFE Side-effects are unlikely. The toxicity of Furamide is very low.

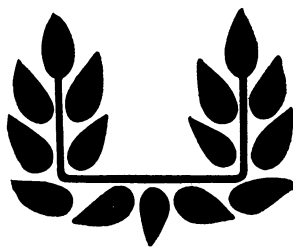

ECONOMICAL Hospitalization is not normally necessary so that treatment with Furamide is cheaper than the older forms of therapy.

Extensive clinical trials in many tropical and sub-tropical countries have borne out these claims. A list of references and detailed literature will gladly be sent on request.

FURAMIDE Each tablet contains 0.5 G of Entamide (diloxanide) furoate, a product of Boots research. Packed in bottles of 15 and 250 tablets.

Protection against short and long U V

UVISTAT Cream In Photodermatoses

The longer wavelengths (above 320 mμ) of the ultraviolet spectrum are important in the initiation of light reactions in photosensitive patients.

Paraaminobenzoate sunscreen creams absorb only in the narrow normal sunburn region of the spectrum (290-310 mμ).

UVISTAT CREAM absorbs over a wide range (250-350 mμ) when applied to the skin in a cosmetically acceptable vanishing cream.

UVISTAT CREAM affords protection in acute solar eczema, chronic polymorphic light eruptions and prurigo aestivale. It is also indicated in lupus erythematosus, herpes labialis, rosacea and other dermatoses aggravated by light. It causes neither irritation nor sensitisation.

UVISTAT CREAM containing 10% 2-hydroxy-4-methoxy-4'-methylbenzophenone in a vanishing cream base, is available in 50 gm. tubes.

N.B.—UVISTAT CREAM is now included in category N and is exempt from Purchase Tax.

a new antacid palatable effective economical

Alcin is a new antacid offering several important advantages. It provides safe and effective treatment of symptoms associated with gastric hyperacidity and peptic ulceration.

Palatability Having an absence of chalkiness and an agreeable flavour, Alcin is non-nauseating.

Buffering Activity Alcin not only rapidly neutralises excess acid, but at the same time its sustained buffering activity maintains the level of acidity of the gastric contents within the desired range.

Safety Alcin is safe for prolonged administra-

tion. There is no risk from overdosage as Alcin cannot cause either alkalosis or acid rebound.

No Digestive tract ill-effects Alcin has no known laxative or constipating effects.

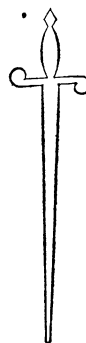

Economy Alcin is economical in use. The basic N.H.S. cost of 50 tablets is 1/9½d.

Composition: Each tablet contains 360 mg. anhydrous co-prepared sodium magnesium aluminium silicate and basic magnesium aluminate.

Samples available on request to *Reckitt & Sons Limited, Pharmaceutical Department, Hull.*

A sugar-free
drink you can
rely on—and
your patients
enjoy!

One of the problems you often face with diabetic or over-weight patients is that they find their diets dull and hard to follow. Sugar-free, low-calorie Trim is a refreshing answer for them—a safe and effective one for you! Trim is especially helpful on reducing diets. It brings new zest to meals, gives all the lift and sparkle of an ordinary soft drink—without extra calories. TRIM contains only 2.8 calories per fluid oz.—less than a third of those in sugar-sweetened soft drinks.

From Boots and all good chemists 1/9d, 3d returnable on bottle.

Approved by the British Diabetic Association

MEDIHALER-ERGOTAMINE

a major development in the treatment of migraine

Medihaler-Ergotamine offers unique advantages in the treatment of migraine. It enables ergotamine tartrate to be administered by an entirely new route – oral inhalation – and thus provides the speed and predictability of relief normally expected only from injections. Yet *Medihaler-Ergotamine* is as simple to carry and to use as a tablet.

Medihaler-Ergotamine contains Ergotamine Tartrate B.P. 9 mg./ml. and each vial delivers 60 measured doses (0.36 mg.) as a dry powder of micronised particles. Over 80% (by weight) of the particles in each inhalation are between 2 and 5 microns diameter – the optimum for inhalation therapy.

One to three inhalations provide profound and rapid relief from a low total dose which reduces to a minimum the risk of side-effects.

Medihaler-Ergotamine is available in COMPLETE and REFILL packs.

is a unique product of I.C.I. research.

IMPERIAL CHEMICAL
INDUSTRIES LIMITED
Pharmaceuticals Division
Wilmslow Cheshire

ATROMID is indicated for patients who exhibit raised serum lipid levels and thus carry an enhanced risk of developing coronary heart disease.

An average regime is 8 capsules daily taken in divided doses after meals. Only minor side effects of gastro-intestinal discomfort have been reported in a small proportion of patients.

Caution. Potentiation of anticoagulants has been observed and concurrent medication usually requires a lower dosage of anticoagulant.

A comprehensive booklet is available on request.

Durophet-M

controls the appetite
relieves the stresses that find their
outlet in overeating

than a curb on appetite

One capsule a day makes weight-loss certain

Depriving the obese patient of the satisfactions of eating by prescribing appetite depressants alone often leads to failure of the weight-reducing programme.

Something more is needed to help the patient combat the emotional stresses which previously found their outlet in overeating.

Durophet-M contains the most effective appetite depressant available today, *Durophet* (laevo- and dextro-amphetamine in a ratio of 1:3), and methaqualone, a calmative which helps alleviate the patient's underlying tensions and frustrations. Capsules are available in two strengths, stated in terms of the *Durophet* content, 12½ mg. and 20 mg. and each strength contains 40 mg. methaqualone.

LEDERLE LABORATORIES a division of CYANAMID OF GREAT BRITAIN LTD

announcing

Lomotil

BRAND OF DIPHENOXYLATE HYDROCHLORIDE with atropine sulphate

prompt and safe symptomatic relief from diarrhoea

LOMOTIL is a non-specific remedy for the treatment of diarrhoea which acts rapidly, effectively and safely.

It is recommended as a first line of treatment in diarrhoea, enabling the physician to reserve antibacterial agents for the treatment of diarrhoea due to pathogenic organisms. Thus immediate recourse to sulphonamides and antibiotics in diarrhoea can often be avoided.

LOMOTIL acts by reducing excessive gastro-intestinal motility.

LOMOTIL has been subjected to widespread clinical trials and is already firmly established in the United States and Europe as a major therapeutic measure in the treatment of diarrhoea.

Although LOMOTIL is distantly related to pethidine it has no analgesic action at therapeutic dose levels. Its addiction potential is comparable with that of codeine.

A sub-therapeutic amount of atropine sulphate is, however, included to discourage over-dosage.

halts diarrhoea

How Supplied

Tablets: LOMOTIL tablets of 2.5 mg. diphenoxylate hydrochloride with 0.025 mg. atropine sulphate, in bottles of 20 and 100.

Liquid: LOMOTIL Liquid, containing 2.5 mg. diphenoxylate hydrochloride with 0.025 mg. atropine sulphate per 5 ml. in bottles of 60 ml., with 5 ml. teaspoon measure.

Basic NHS Cost

Bottle of 20 tablets: 5/6d. Bottle of 100 tablets: 24/10d.

Bottle of 60 ml.: 7/2d.

Subject to Purchase Tax.

A Physicians' Reference Manual is available on request from G. D. Searle & Co. Ltd., High Wycombe, Bucks

SEARLE*Research in the Service of Medicine*

- Reduces the frequency and fluid nature of the stool
- Diminishes abdominal cramping
- Controls diarrhoea safely and rapidly in many patients in whom other drugs have proved inadequate
- Enables the physician to reserve sulphonamide and antibiotic therapy for those conditions where such treatment is necessary and may be life-saving

SR 317

The anti-inflammatory steroid which has proved so successful in the treatment of asthma is also highly effective in cases of severe hay fever. Betamethasone, with its high potency, is well suited where systemic treatment is indicated in severe attacks. A few days' treatment will usually control the condition rapidly but the continued local application of a spray may also be indicated.

Betamethasone is available in two forms—the alcohol (Betnelan tablets) and the phosphate (Betnesol tablets). Betnesol tablets are effervescent and dissolve completely in water providing a palatable solution. Administration of the steroid in solution has been shown to reduce the risk of steroid-induced dyspepsia and at the same time provide maximum efficiency and consistency of absorption.

Mild attacks of hay fever can often be controlled by Betnesol-N Nasal Spray. This product also contains the soluble form of betamethasone and can therefore reach inflamed tissues more readily. Neomycin, with its wide range of activity and low risk of sensitisation, is included to control any infection

which may be associated with the primary condition. Naphazoline is included for its decongestive action; a lower than usual concentration minimising any risk of the 'rebound phenomenon' which may sometimes follow too intensive a use of vasoconstrictors.

Betnelan tablets

0.5mg betamethasone. Bottles of 30, 100 and 500

Betnelan Half Strength tablets

0.25mg betamethasone. Bottles of 30, 100 and 500

Betnesol tablets

0.5mg betamethasone disodium phosphate.

Bottles of 30, 100 and 500

Betnesol-N Nasal spray

0.02% betamethasone disodium phosphate

0.5% neomycin sulphate 0.02% naphazoline nitrate.

15ml plastic squeeze bottles

The names Betnelan and Betnesol are Glaxo trade marks

BOOKS OF VITAL INTEREST

The Functioning of Paired Organs

K. S. ABULADZE, *Leningrad*

Gives a clear and concise account of the methods and technology developed by the author, after intensive research, for studying the paired functioning of salivary and lachrymal glands. The book also describes experiments carried out, using the methods described. These techniques will make possible more detailed and reliable investigations into the functioning of symmetrical organs than could previously be achieved. They will particularly facilitate research into the factors determining differences in intensity or character of these organs.

110 pages Fully illustrated 30s. net (\$4.50)

Cerebral Palsy in Children and its Treatment

M. B. EIDINOVA and YE. N. PRAVDINA-VINARSKAYA, *Institute of Defectology, Moscow*

Describes the most advanced research carried out in Russia on the treatment of cerebral palsy in children. The book discusses treatment by manipulation, by surgery, and by drugs—especially galanthamine—and covers research into the problem. Particularly valuable as the Russian approach differs from that commonly used in the West.

208 pages Numerous illustrations 70s. net (\$10.00)

The Payment of the General Practitioner Some European Comparisons

J. HOGARTH

This book is the first comparative study of the approach of different countries to the payment of general medical practitioners. A detailed description of the mechanics of each system is given, set against the background of the health services and history of health insurance in the country concerned. An assessment is made of how each system works in practice.

694 pages 84s. net (\$12.50)

Hypothyroidism

Edited by K. R. CRISPELL, *Professor of Internal Medicine, University of Virginia*

A definitive review of hypothyroidism, containing authoritative contributions on particular aspects by leading specialists and research workers. Covers iodine metabolism, the metabolism of thyroid hormones as related to serum proteins, the diagnosis and treatment of adult and juvenile hypothyroidism, metabolic abnormalities of protein, electrolyte and fat metabolism in hypothyroidism, chronic thyroiditis as related to hypothyroidism, and gives a comparison between hypothyroidism and hypometabolism.

174 pages Fully illustrated 55s. net (\$8.50)

MARMITE

yeast extract

contains

Riboflavin (vitamin B₂) 1.5 mg. per oz.
Niacin (nicotinic acid) 16.5 mg. per oz.

in the diabetic diet

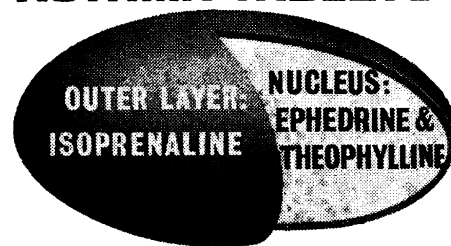

Clinical references to the diabetic syndrome can be traced to ancient Egyptian writings, and various forms of dietary treatment have been practised for centuries. The discovery of insulin in 1921 completely changed the outlook in diabetes, but adherence to a low-carbohydrate diet often remains an essential part of the treatment.

Marmite yeast extract is widely recommended as an addition to the diabetic diet, as it provides all known factors of the vitamin B complex which may be in short supply in a carbohydrate-restricted regime. Moreover, its pleasant taste and the ease with which it can be incorporated in the diet, ensure ready acceptance.

Counteracting protein loss in the elderly

In the elderly, the lack of interest in food is both cause and result of failing energy and vitality. ORABOLIN ensures full use of such nitrogen as is available in the food, thus counteracting body protein loss; the renewed vigour and appetite lead to improved independence and gain in weight. ORABOLIN is effective in doses as low as 0.05 mg. per kilo body weight, well tolerated and free from liver toxicity or other harmful effects.

DOSAGE

1 to 2 tablets daily.

**buscopan for the
rational treatment
of dysmenorrhoea**

Whatever its aetiology the principal cause of the pain of primary dysmenorrhoea is probably spasm, and the most rational approach to treatment must surely be based upon relaxation, or preferably prevention, of this spasm. Buscopan, which is a parasympathetic ganglion blocking agent, is ideally suited for this purpose. It has the potent antispasmodic effect of hyoscine, its parent substance, but without the toxicity and high incidence of side effects associated with the solanaceous alkaloids. The dose of Buscopan for spasmodic dysmenorrhoea is two 10 mg. tablets four times a day, preferably starting two or three days before menstruation is expected. Experience in this country with Buscopan over the past eight years has shown that the majority of patients respond well to this rational approach to what may be an irrational condition.

ARE YOUR HYPERTENSIVES PLAGUED BY **DEPRESSION ?**

Presented are notes from three clinical studies. Harmony1 was used as sole agent of therapy by 343 mixed hypertensives, and patients with mild functional/psychiatric disorders. Only eight reported mild depression concurrent with therapy—an incidence of 2.33%.

Study No. 1. Two hundred and eighty-three patients treated in private practice, at hospital outpatient clinics, and in office psychiatric practice. Average initial dosage of Harmony1 was 0.1 mg. to 0.25 mg. three or four times daily. No patient received more than 6 mg. daily. Eight reports of mild depression.

Study No. 2. Eighty patients with benign essential hypertension were studied via 'double-blind' method. Mean daily dosage of Harmony1 was 0.25 mg., with a minimum dosage of 0.1 mg. and a maximum of 0.5 mg. daily. No reports of depression in the group of 20 on Harmony1 therapy.

Study No. 3. Forty patients with hypertension and anxiety neurosis . . . from mild to moderately severe. Half of the group had received other anti-hypertensive agents at one time or another; these were discontinued before and throughout the study. Usual dosage of Harmony1 was 0.1 mg. three times daily after meals. Sometimes an additional dose was taken at bedtime. No reports of depression associated with this therapy. Other investigators have found so little indication of depression with Harmony1 therapy that they do not record it as a significant side-effect.

*Of 343 Hypertensive and
Mixed Anxiety Patients Treated

Osteoporosis?

Calcium-SANDOZ
Effervescent Tablets
in osteoporosis
of postmenopausal
or senile origin

Calcium-Sandoz
Effervescent Tablets
(orange flavoured):

calcium gluconogalactogluconate
(equivalent to 4 g. calcium gluconate)
and 20 mg. ascorbic acid
2 to 5 effervescent tablets daily

“Studies are reported here which suggest that calcium deficiency is an important factor in many cases of postmenopausal and senile osteoporosis. Many patients with these forms of osteoporosis absorb and retain calcium abnormally avidly when on a high calcium intake in the form of supplements (calcium gluconate Sandoz), and moreover may continue to retain it avidly for at least three and a half years. Symptoms of the disease are relieved and no further fractures take place.”

Lancet (1961) 1, 1015

WHY DARICON DOES MOST

Daricon is the anticholinergic with the twelve-hour activity. This is the length of time Daricon decreases acid secretion, renders gastric juice more mucoid, eliminates pain. And Daricon is *naturally* long acting—no need for coatings to prolong its action.

About gastric acid inhibition: 'We, as others, were impressed with its antisecretory effect, leading to prolonged periods of achlorhydria, a fact that makes it useful in the treatment of peptic ulcer, especially duodenal ulcer.'¹

And about mucus: '... secretions [after Daricon] were also more mucoid ...'² 'The mucus formed by the gastric secretory cells is both demulcent and antacid, and mucus has a mechanical protective action.'³ 'Anticholinergic drugs [like Daricon] would have a beneficial effect because of their action on the mucus secretion as well as because of their action on acid secretion.'⁴

To quote a recent paper on Daricon: '... 34 of the 36 patients benefited from treatment. Of the 25 patients with duodenal ulcer, 24 were benefited by therapy, with 19 showing excellent or marked improvement and 5 showing mild improvement ... Side-effects rarely occurred and were generally mild and transitory ...'⁵

THE CAR THAT ALWAYS COMES SECOND

There's one thing we consider more important than a Volkswagen. ☐ Did you know, for example, that you can't buy a Volkswagen in this country until there are enough spares to replace every single part on your particular car? ☐ Did you know that Volkswagen dealers all over the country employ factory-trained mechanics, experienced people who know every inch of your car, who can correct faults quickly and efficiently from a full quota of spares they are required to carry? ☐ Yes, you've probably guessed it. It's the Volkswagen Service that comes first. The service that makes a Volkswagen driver a confident man—everywhere.

ELASTIC HOSIERY

* SIMPLIFIED

CONDITION: Medium varices

* **PRESCRIPTION:** *Scholl standard elastic yarn stockings.*

Available in thigh length stockings or below-knee stockings.

They have four prime features:-

- 1** *Correct compression* throughout the entire length and girth, including the important area of the malleoli.
 - 2** *Avoidance of constriction* by means of the Soft-Grip ribbed nylon extremities of the stockings.
 - 3** *Comfort for the patient:* cool, light and well ventilated.
 - 4** *Cosmetic acceptance:* seamless, they pass unnoticed under dress hose.
-

CONDITION: Early or mild varices

* **PRESCRIPTION:** *Nylastik lightweight elastic yarn stockings.*

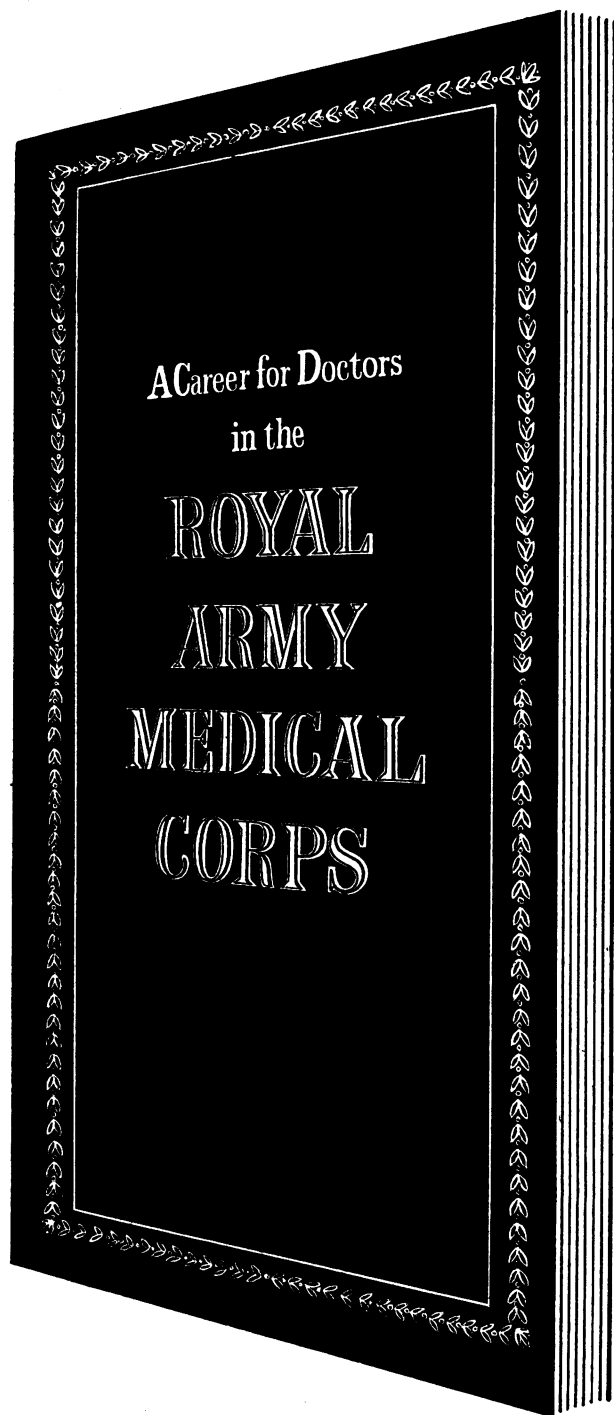

Full-footed, thigh length: Nylastik are indiscernible in wear and they provide a degree of support quite remarkable for such light stockings. They are widely applicable for prophylaxis during pregnancy.

* **PRESCRIBABLE ON N.H.S.**

A portfolio for quick reference in the surgery, containing specimens of both types of stockings will be sent on request to:

THE SCHOLL MFG. CO. LTD., 182-204 ST. JOHN STREET, LONDON, EC1.

GOOD GENERAL PRACTICE

In the Royal Army Medical Corps you can practise medicine in very good conditions. Well-equipped surgeries with medical assistants are provided, allowing you to do your best work and devote more time to the care of your patients. There is great scope for the family doctor, particularly overseas, as the Royal Army Medical Corps looks after a very large number of women and children.

Great importance is attached to post-graduate study, and, during their service, permanent officers are given the opportunity of sitting for diplomas, such as D.C.H., D.Obst.R.C.O.G.

There is a large and comprehensive hospital service, consisting of thirty military hospitals at home and overseas, with consultant opinion readily available to you. As a general practitioner, you are welcomed in the hospital to consult with your brother officers and follow up your cases.

Married quarters are provided, and you can count on regular off-duty periods with opportunities for games and social activities; there is generous annual leave on full pay without the trouble or expense of finding a locum.

FULLY REGISTERED PRACTITIONERS may apply for permanent or short service commissions. Minimum entry salary £2,000 p.a. Credit is given for previous experience and there are good opportunities for specialist training and rising to consultant rank. Consultants may earn from £4,000 to £5,000 p.a. depending on seniority. Suitable officers may be given employment to the age of 65. For all officers holding permanent commissions there is a non-contributory pension scheme. **DOCTORS IN PRE-REGISTRATION YEAR** are also eligible for commissions. Board and lodging is free; salary £875 p.a. or £1,050 p.a. if over age 25.

**THE ABOVE SALARY SCALES
INCLUDE MARRIAGE ALLOWANCE**

MEDICAL STUDENTS are eligible for cadetships. Salary £950 p.a. for single men, and for married men under 25.

The Booklet, 'A Career for Doctors in the R.A.M.C.,' may be obtained from The Director General, Army Medical Services, The War Office (HNR/6/H), London S.W.1. Tel: GRO 8040. Ext. 740.

(Executive Councils)

For vacancies (except those in Scotland) apply on Form E.C.16A, obtainable from the Executive Council. Mark envelopes "Vacancy."

BRIGHTON

Applications invited for an urban vacancy due to resignation, with effect from August 31, 1963, because of ill-health. Saldern and Rottingdean district. List approximately 1,450 (includes about 500 East Sussex). Open area. Premises (surgery and maisonette) may be purchased, while the branch surgery may be rented on lease. Application forms (E.C.16A) and further particulars may be obtained from the undersigned, to whom completed forms should be submitted not later than July 11, 1963.—W. Holden, Clerk of the Council, 3 Palace Place, Brighton. (9281)

COUNTY OF SUTHERLAND
EXECUTIVE COUNCIL
(National Health Service)

Applications are invited from registered medical practitioners for appointment to a vacancy which has arisen owing to the resignation of the practitioner in the Parish of Eddrachillis. The list at April 1, 1963, was 793. The practice, which is a single-handed, rural, dispensing practice, attracts a substantial mileage payment. House and surgery owned by Executive Council available to rent. Further information and forms of application obtainable from the undersigned, with whom completed forms should be lodged not later than July 6, 1963.—John N. Schofield, Clerk, County of Sutherland Executive Council, Main Street, Golspie, Sutherland. (9312)

GLASGOW

Applications are invited from registered medical practitioners to fill a vacancy which has arisen in the North-Western area and which is suitable for a practitioner or practitioners already on the Council's medical list. The practice is situated mainly in the North Kelvin district, and the number of persons presently on the list is approximately 1,287. The practice may be divided between two or more practitioners.

Further information and forms of application may be obtained from the undersigned, with whom applications should be lodged not later than 14 days from the date of publication of this advertisement.—T. H. Souter, Clerk and Finance Officer, Executive Council for the City of Glasgow, 5 Woodside Crescent, Glasgow C.3. (9425)

HARROGATE (NO. 1 VACANCY)
Yorkshire

Applications are invited for vacancy in "restricted" area due to resignation on September 30, 1963. List at present 1,567. Residential and surgery accommodation will be available. Successful applicant will be required to take over on October 1, 1963. Applications, on Form E.C.16A (obtainable from the undersigned), should be submitted by not later than June 29, 1963, to B. England, Clerk, West Riding Executive Council, 5 St. John's North, Wakefield. (8748)

HARROGATE (NO. 2 VACANCY)
Yorkshire

Applications are invited for vacancy in "restricted" area due to resignation on December 31, 1963. List at present 2,035. Residential and surgery accommodation will be available. Successful applicant will be required to take over on January 1, 1964. Applications, on Form E.C.16A (obtainable from the undersigned), should be submitted by not later than June 29, 1963, to B. England, Clerk, West Riding Executive Council, 5 St. John's North, Wakefield. (8749)

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given. House Officers should submit a separate application for each post for which they apply.

Canvassing of members of the Board or Advisory Appointments Committee will lead to disqualification (Statutory Instrument 1950, No. 1259, N.H.S.).

★ SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) REGISTRAR. Posts obtained normally not less than one year after full registration as a medical practitioner and held normally for two years; £1,250 in the first year; £1,400 in the second and any subsequent years. Deduction of £125 per annum for compulsory residence; £255 per annum for voluntary residence.

(b) SENIOR REGISTRAR. Posts obtained normally not less than three years after full registration and held normally for four years; £1,500 by £100 to £1,800 in the fourth year; thereafter, £1,900 in the fifth and sixth years; £2,000 in the seventh and eighth years; £2,100 in the ninth and any subsequent years. Deduction of £250 per annum for compulsory residence; £275 per annum for voluntary residence.

Other Grades, Whole-time

(a) HOUSE OFFICERS. Each post in this grade shall be tenable for six months.

£675 per annum for the first post held; deduction of £155 per annum for compulsory residence or £195 per annum for voluntary residence; £750 per annum for the second post held; deduction of £160 per annum for compulsory residence or £195 per annum for voluntary residence; £825 per annum for the third and any subsequent posts held; deduction of £165 per annum for compulsory residence or £195 per annum for voluntary residence.

provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £750 per annum if they are satisfied that the officer has held at least one hospital post outside, or not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff; provided further that where a House Officer has previously held two such outside posts the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that his remuneration shall be £825 per annum. Any House Officer who on first appointment is paid at the appropriate rate to the second or third post held in accordance with the above provisions shall be paid at the third post rate for any subsequent appointments in this grade.

(b) SENIOR HOUSE OFFICERS. Posts obtained by fully registered medical practitioners and held normally for one year only; £1,050 on appointment at age 27 or under; £1,100 on appointment at age 28 or over. Deduction of £180 per annum for compulsory residence or £215 per annum for voluntary residence.

(c) JUNIOR HOSPITAL MEDICAL OFFICERS. Officers who have held house appointments but who are not registrars and who have less responsibility than other hospital officers of non-consultant status, and who have been appointed for a limited or indefinite period, not less than one year after full registration as a medical practitioner; £1,100 by £60 (8) to £1,580. Deduction of £215 per annum for compulsory residence or £255 per annum for voluntary residence.

Allowances at rates of up to £100 per annum shall be payable to house officers, senior house officers, junior hospital medical officers and registrars occupying posts approved for such allowances in peripheral hospitals.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff. (19/2/62)

THE ROYAL NATIONAL THROAT, NOSE AND EAR HOSPITAL

Gray's Inn Road, London W.C.1; and Golden Square, W.1
Associated with the Institute of Laryngology and Otology

Applications are invited for two resident posts of **SENIOR HOUSE OFFICER**

The Board has decided to alter the structure of the Registrar training programme. On February 1 and August 1 in each year two posts will become available in the grade of Senior House Officer. They will be tenable for six months in this grade, followed by two years in the grade of Registrar, and six months in the grade of Senior Registrar. Successful applicants will be expected to complete the full three years' training programme, which will provide attachment for a period of six months to each of five of the Surgical "firms" of the hospital, including the Professional Unit, giving a broad training in all aspects of Otorhinolaryngology. A period will also be spent in the supporting Departments and Clinics of the Hospital, such as Pathology, Radiology, Audiology, General Medicine, Neurology, Allergy, and Plastic Surgery. Candidates will normally be expected to have passed the Primary examination for Fellowship of a Royal College of Surgeons, but consideration will also be given to previous experience in the specialty.

The first two posts will become available on August 1, 1963, and application forms should be obtained from the undersigned, to be returned by July 3, 1963—G. de B. Pleydell, House Governor and Secretary. (9358)

as possible.—J. C. Field, Secretary, Man-
agement Committee Offices, General Hos-
pital, Rochford, Essex. (9245)

**ADDITIONAL
APPOINTMENTS****PUBLIC HEALTH****BIRMINGHAM EDUCATION
COMMITTEE**
Chief Education Officer:
Sir Lionel Russell, C.B.E., M.A.

Applications are invited from registered
medical practitioners (men or women) for
appointment as

SCHOOL MEDICAL OFFICER

in the School Health Service.
The possession of a D.P.H. or D.C.H.
will be an advantage. Salary, in accord-
ance with Whitley Council scale, at present
£1,340 to £1,910, commencing point accord-
ing to experience.

The appointment is subject to the appro-
priate Superannuation Act and to the
passing of a medical examination. Forms
of application and further particulars are
obtainable from the undersigned, and
should be returned within two weeks of
the appearance of this advertisement.—
E. L. M. Millar, M.D., M.Sc., D.P.H.,
Principal School Medical Officer, School
Health Service, 154 Great Charles Street,
Birmingham 3. (9246)

BOROUGH OF GILLINGHAM
(Kent)**APPOINTMENT OF DEPUTY
BOROUGH MEDICAL OFFICER OF
HEALTH**

Applications are invited from registered
medical practitioners for the above post.
The apportionment of service will be 25%
Borough Council duties, 75% Health and
Welfare and School Health Services within
the Borough, which has delegated Health
and Welfare functions, including work in
the fields of mental health and the welfare
of the handicapped and the aged.

Experience in the public health service is
essential, and preference will be given to
candidates possessing a Diploma in Public
Health and qualified in the ascertainment
of educationally subnormal pupils.

The salary scale for the appointment will
be at £1,760 by £53 6s. 8d. (3) by £50 (2)
to £2,020, the officer appointed being placed
at the appropriate step on the scale having
regard to experience.

An essential user car allowance not ex-
ceeding 10 h.p. will be paid.

The appointment will be subject to the
conditions of service laid down by the
Whitley Council Committee "C," to the
Local Government Superannuation Acts,
1937/53, and to the passing of a medical
examination and will be determinable by
three months' notice on either side.

Canvassing of members of the Council
or any committee of the Council, directly
or indirectly, will disqualify any candidate
for this appointment.

Candidates shall, when making applica-
tion, disclose whether to their knowledge
they are related to any member of the
Council or the holder of any senior office
under the Council. Failure to do so will
disqualify the candidate and in the event
of his being appointed he will be liable
to dismissal without notice.

Applications, stating age, qualifications
and experience, together with names and
addresses of three persons to whom refer-
ence may be made, must reach the under-
signed by July 15, 1963.—Rowland
in Newnes, Town Clerk, Municipal Buildings,
Gillingham, Kent. (9130)

**COUNTY BOROUGH OF
HUDDERSFIELD****APPOINTMENT OF ASSISTANT
MEDICAL OFFICER OF HEALTH
AND ASSISTANT SCHOOL MEDICAL
OFFICER**

Applications are invited from registered
medical practitioners for the above super-
annuable appointment. Diploma in Public
Health or Child Health desirable.

The Authority have accepted the prin-
ciple that Assistant Medical Officers of
Health be granted leave of absence without
pay in order to attend the part-time course
for the D.P.H. at Leeds University.

Terms and conditions of service are in
accordance with those laid down by the
Medical Council, Committee "C," of the
Whitley Councils for the Health Services.
The post is subject to a medical examina-
tion.

Salary scale: £1,340 by £65 (2) by £70
(3) by £75 (2) by £80 to £1,910, and point
of entry will be in accordance with qualifi-
cations and experience.

A car allowance of £76 per annum is
payable.

Particulars of the duties and other con-
ditions of the appointment, together with

application forms, may be obtained from
the Medical Officer of Health, Health De-
partment, Huddersfield, to whom completed
applications should be returned not later
than July 8, 1963.

Canvassing is prohibited.—Harry Bann,
Town Clerk. (9302)

**BRENTWOOD URBAN DISTRICT
COUNCIL****ESSEX COUNTY COUNCIL**
**APPOINTMENT OF MEDICAL
OFFICER OF HEALTH AND
ASSISTANT COUNTY MEDICAL
OFFICER OF HEALTH**

Applications invited for the above-
mentioned posts, which together constitute
full-time duties, being devoted to
duties as Medical Officer of Health and
6/11ths to County Council duties. Applica-
nts must possess a Diploma in Public
Health, and preference will be given to
those with experience in public health
duties.

Remuneration (in accordance with the
Whitley Councils for the Health Services
(Great Britain): Medical Council Com-
mittee "C".

(a) District Council salary:
£1,213 12s. 9d. by £36 7s. 3d. (3)
by £34 1s. 10d. (1) to £1,356
16s. 4d.

(b) County Council salary:
£883 3s. 8d. by £42 16s. 10d. (3)
by £46 2s. 8d. (3) by £49 8s. 8d.
(2) by £52 14s. 7d. (1) to £1,258
17s. 3d.

Commencing salary according to qualifi-
cations and experience of successful ap-
plicants. Whitley Medical Council condi-
tions of service will apply, and also the
relevant Standing Orders of the employing
Authorities.

Brentwood Urban District is not affected
by the London Government reorganization
proposals.

Appointment subject to medical exami-
nation and superannuable.

Application form, from Clerk of the
County Council, County Hall, Chelmsford,
returnable by July 8, 1963. Canvassing
disqualifies. (9018)

CARDIGANSHIRE COUNTY COUNCIL
Health Department**ASSISTANT MEDICAL OFFICER**

Applications are invited from registered
medical practitioners for the above post.
Duties are mainly in connection with
handicapped persons, and successful
candidate may be seconded to a psychiatric
hospital for a period not exceeding three
months.

A knowledge of Welsh will be considered
an advantage.

Salary scale is £1,340 by £65 (2) by £70
(3) by £75 (2) by £80 (1) to £1,910
per annum. The post is superannuable, sub-
ject to medical examination. Motor car
and subsistence allowances will be paid
on the County Council scale. Application
forms obtainable from the County Medical
Officer, Swyddfa'r Sir, Aberystwyth.

Closing date July 1, 1963.—J. E. R.
Carson, Clerk of the County Council,
County Offices (Swyddfa'r Sir), Marine Ter-
race, Aberystwyth. (9301)

July 1, 1963, from County Medical Officer,
County Health Department, Love's Gate,
Castle Street, Worcester. (8813)

Public Health—contd.**KINGSTON UPON HULL CORPORATION****ASSISTANT MEDICAL OFFICER**

Applications are invited from registered medical practitioners, preferably holding a Diploma in Public Health, for the appointment of Assistant Medical Officer, for duties in the School Health, Maternity and Child Welfare, Port Health, and other Local Authority services.

If the successful candidate does not hold a D.P.H., the Authority will grant leave (a) without pay or (b) with pay (subject to certain undertakings) to enable the officer to attend a part-time course of study at Leeds University.

A limited car allowance will be granted and consideration given to assistance with removal expenses.

Salary scale £1,340 by eight annual increments to £1,910.

Particulars of the appointment and forms of application may be obtained from the Medical Officer of Health, Guildhall, Kingston upon Hull, to whom completed forms must be returned not later than July 10, 1963. (9079)

COMMERCIAL APPOINTMENTS**IMPERIAL CHEMICAL INDUSTRIES LIMITED****INDUSTRIAL HYGIENE RESEARCH LABORATORIES****PHARMACOLOGIST OR PHYSIOLOGIST**

A medically qualified Pharmacologist or Physiologist is required for the Industrial Hygiene Research Laboratories of I.C.I. Limited. The work of the laboratories is primarily concerned with the toxicology of industrial and agricultural chemicals and the person appointed will be required to take charge of the section engaged in the investigation of acute toxicity and pharmacological actions. With the rapid developments in agricultural chemicals, in particular the aspects of the work concerned with the safety of the general public and the protection of domestic animals and wild life are of ever increasing importance. There are in addition considerable opportunities in this field for research, for example, into the biological actions of newly developed chemical types and for the study of pharmacological effects on animal behaviour. The publication of the results of research is actively encouraged.

There are in addition to the physiological section, biochemical and pathological sections also concerned with different aspects of mechanisms of toxic action and the metabolic fate of chemicals in the body.

The laboratories which will be housed in new premises at Alderley Park, Cheshire, in the Autumn of 1963 are situated in pleasant but not isolated rural surroundings and will be amongst the most up-to-date in the country.

There is a progressive salary plan, a profit-sharing scheme and a contributory pension fund. Help can be given to a married man with housing and removal expenses.

Further information may be obtained from the Staff Manager, Head Office Staff Department, Imperial Chemical Industries Limited, I.C. House, Millbank, London S.W.1. Applications should include brief details of qualifications and previous experience. (9435)

ADMINISTRATIVE**LEEDS REGIONAL HOSPITAL BOARD****ASSISTANT SENIOR MEDICAL OFFICER**

on the staff of the Senior Administrative Medical Officer. Salary £2,170 by (6) to £2,710 per annum, subject to 14% increase. The successful candidate, who will work with the Board's Consultant Advisers in Psychiatry in the planning and expansion of the Mental Health Services, will correlate these services with allied medical services (e.g. geriatrics). Previous experience in Mental Health/Public Health work and medical administration will be considered an advantage.

Applications, stating age, qualifications, present and previous appointments (with dates), and the names of three referees, to the Secretary, Park Parade, Harrogate, by July 16, 1963. (9129)

SOUTH-EASTERN REGIONAL HOSPITAL BOARD, Scotland

Applications are invited for the post of **DEPUTY MEDICAL SUPERINTENDENT** (i) the East and West Fife Boards of Management. The person appointed will work under the supervision of the Administrative Medical Superintendent and assist

him in the general supervision of the Hospital and Specialist Services in Fife. The salary scale is £1,830 (at age 33), rising by annual increments to £2,170. Applications, giving particulars of age, qualifications, previous experience, and the names of three referees, to the Secretary, 11 Drumsheugh Gardens, Edinburgh 3, by July 6, 1963. (9292)

GOVERNMENTAL**COMMITTEE ON SAFETY OF DRUGS****MEDICAL ASSESSOR**

Applications are invited from medical practitioners with suitable academic and/or industrial experience in pharmacology for appointment as full-time Medical Assessor to the Committee on Safety of Drugs, working in London, at a salary of £3,815 per annum (subject to review). The period of the appointment is a matter for settlement.

The Committee will advise on the toxicity tests and clinical trials of new drugs before introduction into general use, and arrange for the collection and evaluation of data about adverse effects of drugs in general use.

The person appointed will be responsible to the Committee for the organization of their work and the general direction of their staff, and will be required to advise them on all aspects of their work.

Applications, with particulars of qualifications and experience, should reach the Chairman of the Committee on Safety of Drugs, Sir Derrick Dunlop, M.D., F.R.C.P., F.R.C.P.Ed., c/o A303, Alexander Fleming House, Elephant and Castle London S.E.1, not later than June 24, 1963. (8518)

HOME OFFICE PRISON DEPARTMENT**MEDICAL OFFICERS**

Applications are invited from male or female registered medical practitioners, with general and psychiatric experience, for appointment as full-time Medical Officers in H.M. Prison Service. Posts in London and the provinces: £1,904 at age 28, rising to £3,075. Successful candidates will enter at appropriate point on the scale according to age, e.g. £2,412 at age 35, subject to maximum at time of entry £2,774 at age 40 or over. (Plus £60 or £65 throughout the scale for London.)

The posts are unestablished (i.e., non-pensionable). Appointments to permanent established posts, carrying non-contributory pensions, are made by the Civil Service Commission through open competitions from time to time.

Duties are mainly clinical, with responsibility for the mental and physical health of persons in custody, including opportunities for social psychiatry and the exercise of rehabilitative influences and the provision of general medical and psychiatric reports to the Prison Department and to the courts. Appointed Medical Officers will be one of several working under a Senior Medical Officer.

Application forms and particulars from Manager (PE2792) (Professional and Executive Register), Atlantic House, Farringdon Street, London E.C.4, returnable by July 17, 1963. (9279)

THE CLOTHING AND EQUIPMENT Physiological Division of the Army Operational Research Establishment (War Department), Farnborough, Hants, invites applications for the post of Medical Officer (Research) (unestablished) to lead the Applied Physiology Section covering the field of military ergonomics, including practical climatology.

Applicants should be registered medical practitioners with training in physiology, preferably with experience in service problems and an interest in physiological instrumentation and statistics. The successful applicant would be required to initiate a programme of applied research.

Salary scale: £1,904 to £3,075, starting point according to age and experience. Superannuation under F.S.S.U. Application forms from War Office (C.S.E.), London S.W.1, or the Manager (PE2482), Ministry of Labour, Professional and Executive Register, Atlantic House, Farringdon Street, London E.C.4. (8421)

REPUBLIC OF IRELAND**CORK HEALTH AUTHORITY****TEMPORARY WHOLE-TIME SURGICAL REGISTRAR (Thoracic)**

required for St. Stephen's Hospital, Sarsfieldscourt. Remuneration will be at the rate of £1,175 by £100 to £1,675 per annum, plus £125 for a higher degree. A Registrar who has not a high degree is not to proceed beyond the point of £1,375 on the scale.

Application forms and particulars may be obtained from the Secretary, Cork Health Authority, Establishment Section, City Hall, Cork. Closing date 5 p.m. Friday, July 12, 1963. (9406)

JERVIS STREET HOSPITAL Dublin

Applications, together with particulars of age, qualifications, experience, and the names of two referees, should be forwarded to the County Secretary, County Clinic, Mullingar, immediately. (9354)

SERVICES**ROYAL NAVY****MEDICAL CADETSHIPS**

As a medical student, if you have passed your second M.B., or equivalent, you are eligible for a Cadetship. Again, if you are about to take the examination, you can still apply and be commissioned when you have passed it. The next Selection Board interviews will be held on August 8 and September 9. For the first-dated, get your application in by July 22, or by August 12 for the second. For your application forms and details about Cadetship entry—or those for qualified doctors—your pay and allowances, write to Medical Director General, Dept. HN.6, Admiralty, Empress State Buildings, London, S.W.6. (9224)

TERRITORIAL ARMY 42 (LANCS) INFANTRY DIVISION

Vacancies exist for part-time medical officers in 125 (Lancs) Field Ambulance R.A.M.C. (T.A.)

R.A.M.C. T.A. Centre, Upper Chorlton Road, Manchester 16.

Telephone No.: Moss Side 1355. Doctors with a spirit of adventure who are tired of the humdrum routine of civilian life are assured of a really worthwhile spare time occupation for which they receive generous pay and allowances and an annual tax-free bounty.

Previous service in the R.A.M.C. is not necessary, and fully registered practitioners are now commissioned as Captains with promotion to Major normally after five years' service. Previous commissioned service in the R.A.M.C. counts towards seniority. Provisionally registered practitioners may be commissioned as Lieutenants and are automatically promoted to Captain on full registration.

Interested practitioners should apply to the Commanding Officer at the above address. (8245)

Applications are invited from registered medical practitioners with suitable qualifications and experience for the position of:

(a) Part-time Visiting Ear, Nose and Throat Surgeon.

(b) Part-time Visiting Ophthalmologist.

These vacancies arise as a result of the impending retirement of the present Eye, Ear, Nose and Throat Surgeon, and appointees will attain senior status when that retirement takes effect.

Salary will be in accordance with New Zealand Hospital Regulations and will be based on a nominal whole-time salary of £2,340 to £2,800 per annum, depending on qualifications, experience, and hours of duty.

Further particulars are available from the Advertisement Manager of the British Medical Journal and the Medical Superintendent, Wanganui Hospital, Wanganui, New Zealand.
Applications, giving full particulars as to age, qualifications and experience, and advice as to when the appointment can be taken up, should be addressed to the Secretary, Wanganui Hospital Board, Private Bag, Wanganui, New Zealand.—K. Harris, Secretary. (8802)

KUWAIT OIL COMPANY

requires a

THE OTAGO HOSPITAL BOARD

Department of Orthopaedic Services
Dunedin, New Zealand

APPLICATIONS are invited for the following positions:

- (a) Visiting Senior Orthopaedic Surgeon, and
- (b) Visiting Orthopaedic Surgeon.

Applicants must hold a higher qualification in Surgery with corresponding postgraduate experience.

The salaries payable, in accordance with the Hospital Employment (Medical Officers) Regulations, will be dependent on the qualifications and experience of the appointees:

Visiting Senior Orthopaedic Surgeon,
£1,240 per annum.

Visiting Orthopaedic Surgeon,

- (a) £1,120 per annum;
- (b) £935 per annum.

Subject to appointment by the University of Otago there will be further remuneration as a Lecturer in Orthopaedic Surgery.

The hours of duty for each appointment will be 10½ to 14 hours per week and private practice will be permitted.

Conditions of appointment for the position may be obtained from the Office of the High Commissioner for New Zealand, Haymarket, London S.W.1, or from the undersigned.

APPLICATIONS, on the prescribed Form of Application which is attached to the Conditions of Appointment, stating age, qualifications, and experience, together with the names of three persons to whom confidential reference may be made, and health and chest certificates, will be received by the undersigned until **10 O'CLOCK A.M. ON MONDAY, AUGUST 26, 1963.**

W. A. Williamson, Secretary,
Otago Hospital Board, P.O. Box
946, Dunedin, NEW ZEALAND.
(9367)

**UNIVERSITY AND
RESEARCH
APPOINTMENTS****MEDICAL RESEARCH COUNCIL
Clinical Effects of Radiation Research Unit**

Applications are invited for the post of Registrar (salary scale under review), to participate in research on the leukaemias and allied diseases. The post also offers good opportunities for the successful candidate to undertake research in any line of

his or her choice provided it is relevant to the general programme of the unit. This includes research into the cytogenetic features of the general population, sex chromosome abnormalities, viral transformation and cytogenetic damage, radiation damage, and also ageing.

Applications to be made to the Director, M.R.C. Clinical Effects of Radiation Research Unit, Western General Hospital, Edinburgh. (9412)

APPLICATIONS ARE INVITED FOR the Smith and Nephew Research Fellowship in the Empire Rheumatism Council Research Unit at King's College Hospital Medical School. Preference will be given to candidates with research experience in the field of protein biosynthesis. The salary will be in the range of £1,500 to £2,000. Apply, naming two referees, to Dr. M. J. H. Smith, Chemical Pathology Department, King's College Hospital Medical School, Denmark Hill, London S.E.5.

Applications are invited for the post of **RESEARCH FELLOW IN THE EPIDEMIOLOGY OF CONGENITAL DEFECTS**

The appointment is in connection with a large-scale study of congenital defects in South Wales, which is being organized by the Department of Social and Occupational Medicine and the Welsh Branch of the Society of Medical Officers of Health, with the financial assistance of the Association for the Aid of Crippled Children (New York). Salary will be within the range £1,500-£1,800, and the appointment will be for one year in the first place, with a possible extension to five years.

Applications, which should include the names and addresses of three referees, should be submitted, within 28 days, to the Secretary, the Welsh National School of Medicine, 34 Newport Road, Cardiff, from whom further details may be obtained. (9423)

**UNIVERSITY OF BIRMINGHAM
Faculty of Medicine**

Applications are invited for the post of **LECTURER IN NEUROPHYSIOLOGY** in the Department of Physiology, from graduates in medicine or science. The successful candidate will be required to

take part in the teaching of medical students and to prosecute research, for which good facilities are available.

Salary in the scale: pre-clinical, £1,250 by £110 to £1,800; £1,800 by £110 to £2,350; non-medical, £1,250 by £60 to £1,670 by £80 to £1,830; £1,830 by £80 to £2,150.

Applications (two copies), naming three referees, should be sent, not later than August 15, 1963, to the Assistant Registrar, Medical School, Birmingham 15, from whom further particulars may be obtained. (9304)

**UNIVERSITY OF BIRMINGHAM
Faculty of Medicine**

Applications are invited for the post of **LECTURER** in the Department of Paediatrics and Child Health

with clinical duties in the Children's Hospital, Birmingham. The successful candidate will be expected to prosecute research, for which excellent facilities are available, and will be recommended for the award of an honorary contract of service with the Teaching Hospital. The salaries for Clinical Lecturers are now under revision, and the salary will be according to age and experience.

Applications (nine copies), naming three referees, should be sent, by July 20, 1963, to the Assistant Registrar, Medical School, Birmingham 15, from whom further particulars may be obtained. (8884)

**UNIVERSITY OF EDINBURGH
REGIUS CHAIR OF FORENSIC MEDICINE**

The Secretary of State for Scotland invites application for the Regius Chair of Forensic Medicine in the University of Edinburgh. The person appointed will be expected to take up his duties on January 1, 1964. A note of the Conditions of Appointment may be obtained on request from the Secretary, Scottish Home and Health Department, Room 130D, St. Andrew's House, Edinburgh 1. Three copies of applications, accompanied by the names of three referees, should be sent, not later than July 19, 1963, to the Private Secretary, Room 505, St. Andrew's House, Edinburgh 1. (9421)

**UNIVERSITY OF EDINBURGH
Department of Diagnostic Radiology—
Lectureship**

Applications are invited for the post of

LECTURER in the above department. The duties will include some clinical work, undergraduate teaching and research. The South-Eastern Regional Hospital Board, Scotland, will be prepared to consider granting an honorary contract in the appropriate grade to the successful applicant.

Salary scale (under review) £1,150 by £100 to £1,550; bar: £1,650 by £100 to £2,350. Applications, with placement according to qualifications and experience, and with superannuation benefit and family allowance where applicable.

The successful candidate will be expected to take up duty on October 1, 1963.

Further particulars may be obtained from the undersigned, with whom applications (six copies), giving the names of three referees, should be lodged not later than July 20, 1963.—Charles H. Stewart, Secretary to the University. (9337)

UNIVERSITY OF GLASGOW**MAURICE BLOCH MEDICAL RESEARCH FELLOWSHIP**

Applications are invited for the Maurice Bloch Medical Research Fellowship. The Fellowship is tenable in the field of virology, with particular reference to either (a) poliomyelitis, or (b) chronic respiratory disease. A medical qualification is not essential. The Fellowship will normally be tenable for three years, though tenure may be continued for up to two further years if the progress of the research programme should appear to justify that course.

The value of the Fellowship is £1,200 per annum, rising by £100 per annum to £1,500 per annum, and the starting point in the scale will be fixed in accordance with qualifications and experience. The Research Fellow will have superannuation under F.S.S.U.

Applications (12 copies) should be lodged, not later than July 13, 1963, with the undersigned. Testimonials are not required, but the names should be given of not more than three persons to whom reference may be made.—Robt. T. Hutcheson, Secretary of University Court. (9319)

**UNIVERSITY OF GLASGOW
SENIOR LECTURESHIP IN
PHYSIOLOGY**

Applications are invited for a Senior Lectureship in Physiology, with emphasis on Histology. Salary scale: (for those with a medical qualification) £2,030-£2,800 per annum; (for those without a medical qualification) £2,070-£2,700 per annum. Initial salary according to experience and qualifications. F.S.S.U. and family allowance benefits.

Applications (eight copies) should be lodged, not later than August 15, 1963, with the undersigned, from whom further particulars may be obtained.—Robt. T. Hutcheson, Secretary of University Court. (9320)

**UNIVERSITY OF LONDON
KING'S COLLEGE**

The College will require, on October 1, 1963, a

JUNIOR LECTURER IN ANATOMY Applicants should be graduates with medical qualifications. Salary on the Junior

scales, £1,200 by £50 per annum to £1,400, plus a London allowance of £60, family allowance, and F.S.S.U. benefits. Full conditions of appointment and application forms may be obtained from the Registrar, King's College London, Strand, W.C.2. Completed forms must reach him by July 1, 1963. (9342)

**UNIVERSITY OF ST. ANDREWS
Queen's College, Dundee****LEVERHULME FELLOWSHIPS IN
OCCUPATIONAL HEALTH**

Diploma in Industrial Health, D.I.H., nine months.

Certificate in Industrial Health, C.I.H., three months.

Fellowships to enable candidates to take either the Diploma in Industrial Health or the Certificate in Industrial Health will be available to selected candidates. Applications for these awards are invited from persons medically qualified for more than two years who are associated with or already working in industry, or who intend to do so; and in the case of the C.I.H. from general practitioners who have or intend to undertake part-time factory appointments.

The D.I.H. extends from October, 1963, to June, 1964, but those possessing a D.P.H., if approved by Senate, require attendance only in the third term, April to June, 1964. There are three such Fellowships, each of £600.

The C.I.H. course extends from April to June, 1964. There are six such Fellowships, each of £300.

Forms of application may be had from the Dean of the Faculty of Medicine, Queen's College, Dundee. (8933)

NOTICES**BRITISH HEART FOUNDATION
RESEARCH GRANTS**

The British Heart Foundation is now prepared to consider applications for research grants to support programmes of original investigation in any part of the cardiovascular field, especially with a bearing on human disease. Grants may also be made for postgraduate study, and visits overseas in connexion with such research.

Intending applicants should write for an application form to Dr. Harley Williams, Secretary, The British Heart Foundation, Tavistock House North, Tavistock Square, London W.C.1. Closing date for applications to be considered in October, 1963, is August 31, 1963.

FAMILY PLANNING**Confidential Postal Service**

PHARMACEUTICAL
PRODUCTS

Readers are reminded that prescribers' literature and clinical information are always available from advertisers on request.

anxiety-
depressive
insomnia

TRYPTIZOL

Amitriptyline hydrochloride

TRYPTIZOL is supplied as tablets of 25 mg. and 10 mg. and as an injection. Detailed information on indications, dosage, administration, precautions and bibliography is available on request.

TRYPTIZOL is an outstanding antidepressant, particularly valuable for its tranquillising effect on the anxiety and insomnia—characteristically early morning awakening—which so often accompany depression. TRYPTIZOL is indicated in all forms and presentations of depression. Other symptoms which respond well include functional somatic complaints, loss of interest, loss of appetite, feelings of guilt. TRYPTIZOL is singularly free of serious toxic side reactions. It is not a monoamine oxidase inhibitor.

the antidepressant for control of
early morning awakening and
other symptoms of depression

MERCK SHARP & DOHME LIMITED
HODDESDON, HERTS

THIAVER

a new Riker antihypertensive

with great potential
in general practice

Thiaver is particularly valuable in general practice for that large group of hypertensive patients who are not adequately controlled by milder agents and their combinations. *Thiaver* provides an alternative to adrenergic or ganglion-blocking agents whose use is often limited by the side-effects they produce.

Potent yet suitable for prolonged use *Thiaver* combines the hypotensive properties of *Veriloid*, one of the few effective centrally-acting antihypertensives, with those of epithiazide, a new potent diuretic/hypotensive, to provide smooth but positive control of blood pressure with gradual onset of effect. Outstanding advantages of *Thiaver* are that it does not cause postural hypotension nor does tolerance develop.

Very simple dosage Treatment with *Thiaver* is free from the need for frequent and critical dosage adjustment. Satisfactory control of blood pressure is obtained in most patients with two or three tablets daily.

Each tablet contains *Veriloid* (standardised alkaloids of *Veratrum viride*) 4 mg. and epithiazide 4 mg.

Packs: Bottles of 100 tablets 48/- basic NHS price
500 tablets 234/- basic NHS price
