

The specialities in general practice—New (3rd) edition

Edited by Russell L. Cecil, M.D., and Howard F. Conn, M.D., with contributions from 15 leading American authorities.

A practical working guide for the general practitioner. It provides important diagnostic clues and proper methods of treatment for the many diseases and conditions which fall within the specialities, and that are, or can be, treated in general practice.

553 pages, illustrated

£6 2s. 6d.

Fundamentals of otolaryngology—New (4th) edition

By Lawrence R. Boies, M.A., M.D., Jerome A. Hilger, M.D., M.S., and Robert E. Priest, M.D., M.S.

A book for the non-specialist. In this thoroughly revised edition, Dr. Boies and his co-authors show how to manage the many E.N.T. problems that occur in a daily practice.

553 pages

£2 19s. 6d.

The lung and its disorders in the newborn infant

By Mary Ellen Avery, A.B., M.D., with Alexander J. Schaffer, M.D. as Consulting Editor.

This is the first book in a new series "Major Problems in Clinical Pediatrics". It is an outstanding monograph offering the physician practical clinical help in the management of neonatal respiratory disorders

224 pages, illustrated

£2 12s. 6d.

Cancer of the stomach

By William H. ReMine, M.D., M.S., in Surgery, F.A.C.S., James T. Priestley, M.D., M.S., in Experimental Surgery, F.A.C.S. and Joseph Berkson, M.D., D.Sc.

An exceptionally valuable new book on newer methods of diagnosis and treatment of malignant lesions of the stomach, containing the accumulated experience of the Mayo Clinic over the last several decades.

255 pages, illustrated

£4 os. 6d.

Clinical proctology—New (3rd) edition

By J. Peerman Nesselrod, B.S., M.S., M.Sc.(Med.), M.D., F.A.C.S., F.A.P.S.

In this new third edition, explicit help is given in the treatment of all of the anorectal disorders that can be encountered in a normal practice. Chapters are devoted to Diagnostic Procedures, Preoperative Management and Postoperative Care.

323 pages, illustrated

£2 19s. 6d.

Abbott present a major new antihypertensive

BRIGHTENS EMOTIONAL OUTLOOK

EUTONYL
(PARGYLINE HYDROCHLORIDE, ABBOTT)

REGD. TRADE MARK

LOWERS BLOOD PRESSURE

Eutonyl (pargyline hydrochloride, Abbott) is a potent new antihypertensive agent. A large majority of patients with moderate to severe essential hypertension (even those resistant to other drugs) achieve significantly reduced systolic and diastolic pressure in the standing position, and often in the sitting and lying positions as well. The addition of Enduron (methyclothiazide, Abbott) permits a lower dosage, with fewer side effects. Eutonyl has a beneficial side effect in countering the depression which is often associated with hypertension, and in this respect alone offers a useful advance over other antihypertensive drugs, some of which themselves produce depression. Comprehensive literature is available on all aspects of this important new agent: dosage, side effects, precautions and the wide measure of agreement on its clinical efficacy even in the most difficult cases.

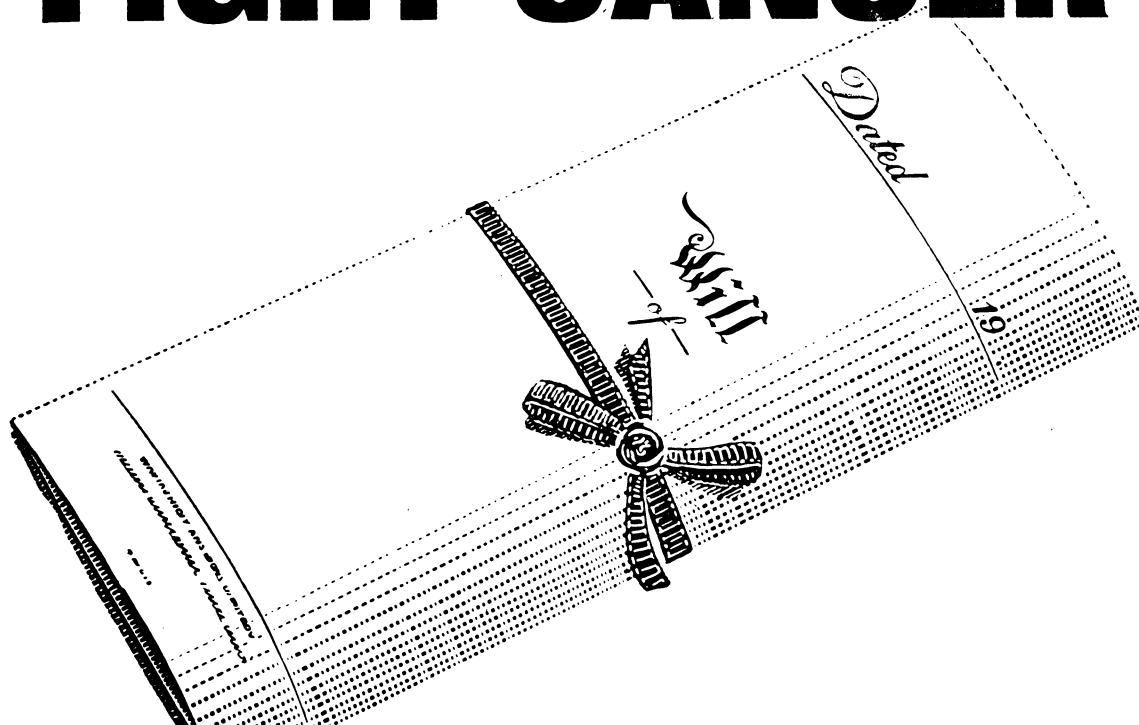

Eutonyl and Enduron are Registered Trade Marks.

Eutonyl tablets (25 mg pargyline hydrochloride) and Eutonyl-Ten tablets (10 mg pargyline hydrochloride) are supplied in bottles of 100.

FIGHT CANCER

WITH A WILL!

When you are consulted about bequests for medical work that deserves support, please remember the work of the Imperial Cancer Research Fund. This pioneer body in Cancer Research was founded by the Royal Colleges of Physicians and Surgeons specially to undertake this vital work in its own laboratories. It has no official grants and is entirely supported by voluntary contributions. Please help us when you can.

Suggested wording for Bequests

'I hereby bequeath the sum of pounds free of duty to the Imperial Cancer Research Fund, Lincoln's Inn Field's, WC2 for the purpose of scientific research, and I direct that the receipt of the Honorary Treasurer shall be a good discharge for such legacy'.

Manufacturer's Information

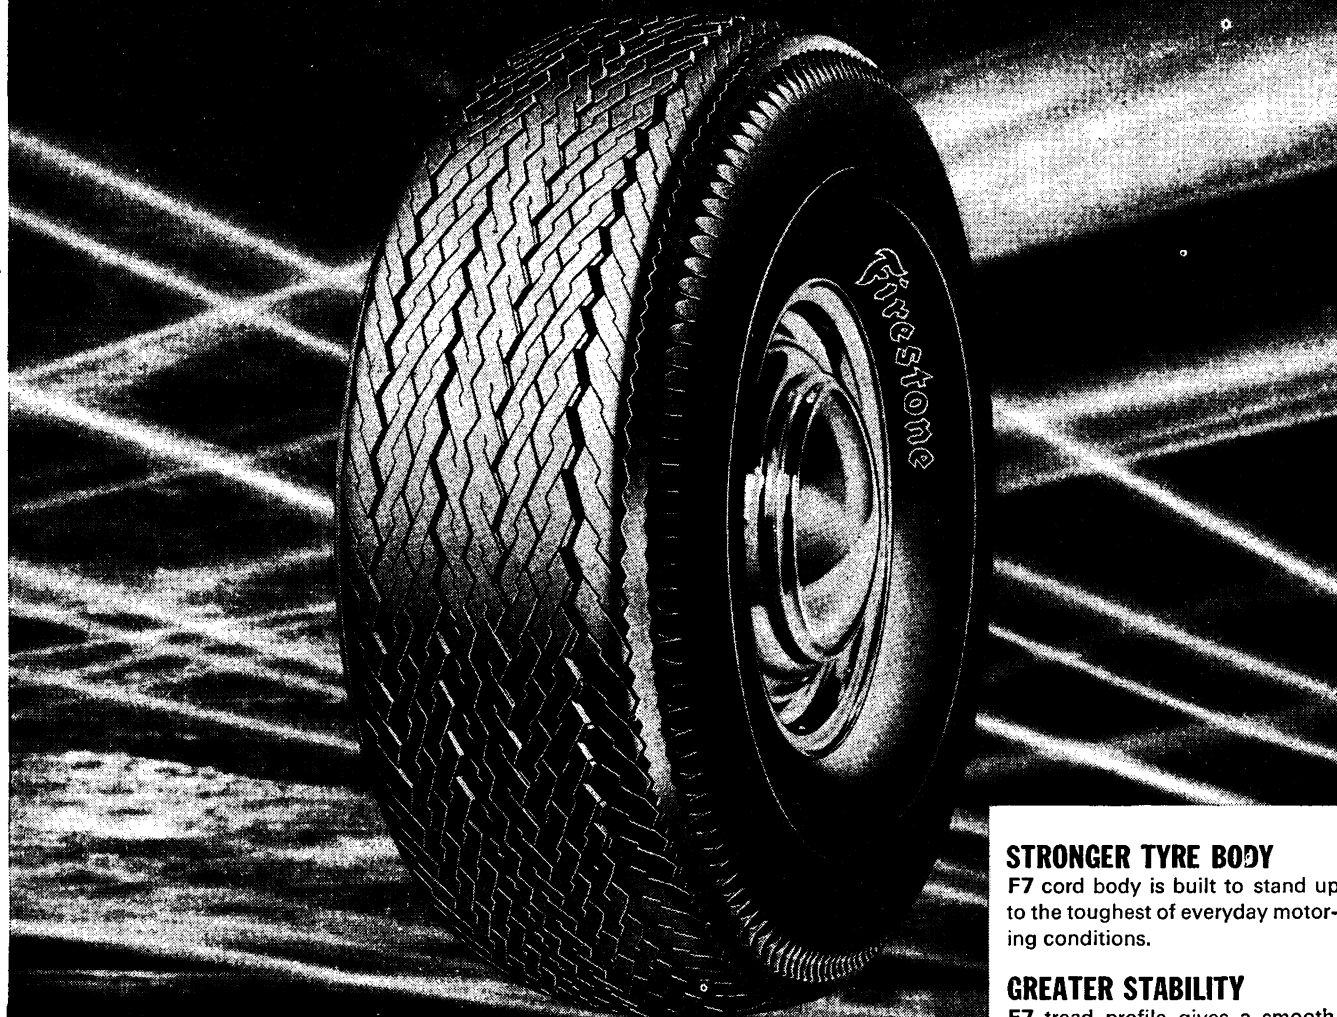

Infective eczema, varicose ulcers, industrial dermatoses

<i>Brand Name</i>	AUREOCORT *
<i>Active Ingredients</i>	Chlortetracycline/triamcinolone acetonide.
<i>Indications</i>	For rapid anti-infective and anti-inflammatory action in the treatment of infective eczema, varicose ulcers and industrial dermatoses.
<i>Administration and Dosage</i>	AUREOCORT Ointment should be applied sparingly to the affected area either directly or on sterile gauze, two or three times daily. In varicose ulcers, the surrounding skin area should also be smeared lightly prior to pressure bandaging.
<i>Side-effects</i>	If reactions or idiosyncrasies to this ointment are encountered, its use should be discontinued and appropriate measures taken.
<i>Contraindications</i>	The use of AUREOCORT is contraindicated in tubercular, fungal or viral lesions of the skin (herpes simplex, vaccinia and varicella).
<i>Presentation and Basic N.H.S. Cost</i>	5 gm. tube, 5/10d. 15 gm. tube, 14/4d.
<i>Manufacturer</i>	Lederle Laboratories, a division of Cyanamid of Great Britain Ltd., Bush House, London W.C.2.

GRIP ALONE IS NOT ENOUGH!

NEW Firestone F7

gives you the strength behind the grip!

Grip is important but grip alone is not enough: it's the strength behind the grip that counts. The world's finest grip is of little use if the carcass won't stand up to the strain or if the tread wears out too quickly. There's more to a tyre than grip alone: you need grip plus strength.

Firestone development engineers have spent years of research and testing to produce the F7, the perfect tyre, round shouldered, strong, cooler running, flexible: a new standard in safety; a tyre by which to judge all others. Perhaps some day all tyres will be as good—today the F7 is paramount.

STRONGER TYRE BODY

F7 cord body is built to stand up to the toughest of everyday motoring conditions.

GREATER STABILITY

F7 tread profile gives a smooth, true ride, even over cats' eyes and raised white lines.

BETTER CORNERING

F7 grip acts superbly when needed most—on corners. Safer cornering than ever before.

HIGHER MILEAGE

F7 tread has special stabilisers built-in to give more miles.

ADVANCED TREAD PATTERN

F7 tread has seven ribs—five main ribs, plus two round the shoulders to give non-skid safety.

REMARKABLE WET WEATHER GRIP

F7 tread pattern is scientifically designed to squeeze water away from the point of road contact.

NEW RUBBER COMPOUND

F7 is made with the latest Firestone miracle rubber compound SUP-R-TUF for safety and long life.

MAKE YOUR CAR FIRESTONE SAFE

there's nothing quite like a holiday

for relaxing functional smooth muscle spasm . . .

nothing that is, except the sedative-antispasmodic action of

Donnatal[®] antispasmodic / anticholinergic / sedative

Stay-at-home patients and travellers alike take naturally to the symptomatic relief provided by Donnatal's classic combination of natural belladonna alkaloids and phenobarbitone. Over five billion doses of Donnatal have been prescribed by physicians the world over for dependable relief of nearly all types of recurring, persistent, or chronic visceral spasm.

in each tablet or teaspoonful (5 ml.) of
Elixir:

Phenobarbitone (½ gr.)	16.20 mg.
Hyoscyamine Sulphate	0.1037 mg.
Atropine Sulphate	0.0194 mg.
Hyoscine Hydrobromide	0.0065 mg.

dosage: ADULTS—1 or 2 tablets or teaspoonfuls of Elixir three times a day. CHILDREN: 15 to 60 minims every three or four hours according to age. Also available: DONNATAL L. A., long-acting tablets; dosage once every 10-12 hours.

TRYPTIZOL

AMITRIPTYLINE HYDROCHLORIDE

Regd

not a monoamine oxidase inhibitor

In a recent controlled trial,* amitriptyline proved to be effective in 56 (81%) of 69 severely depressed female patients in hospital; it is considered by the investigators to be the drug of choice in depressive states, and the most satisfactory treatment for all depressed patients save those whose unequivocal depressive delusions call for ECT.

'Tryptizol' is an antidepressant which has intrinsic tranquillising properties, giving it a prompt effect on the anxiety, tension and insomnia (early morning awakening) associated with depression.

MEDICAL EQUIPMENT FROM BRITISH OXYGEN

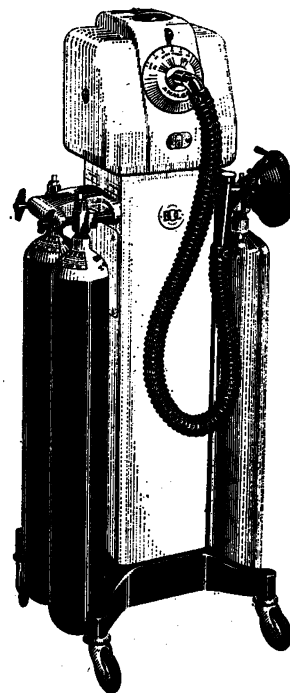

Acknowledgments to Farley's Infant Food Ltd.

The Lucy Baldwin apparatus represents a significant advance in obstetric analgesia.

It is designed for the administration of nitrous oxide and oxygen mixtures, the composition of which may be varied between 70% N₂O/30% O₂ and 100% O₂. The mixture exhaled by the patient corresponds closely to the control setting, regardless of changes in draw-off conditions and will flow only in response to the patient's inspirations. Safety features include an emergency oxygen control and an automatic cut-off valve to prevent inhalation of nitrous oxide in the event of undetected failure of the oxygen supply. Write for illustrated leaflet.

Betamethasone in General Practice

Betnelan (betamethasone) is particularly well suited for low or 'physiological' dose therapy of rheumatoid arthritis. It has high anti-rheumatic activity, but shows improved gastro-intestinal tolerance, has virtually no effect on electrolyte balance, and has no depressive action on mental function. A further development with betamethasone has been the introduction of Betnesol Tablets. They dissolve spontaneously in water to form a palatable, tinted, clear solution, offering rapid and consistent absorption. Betnesol is well tolerated because no solid steroid reaches the stomach. It is the most acceptable and advanced form of oral corticosteroid therapy that you can give your patients.

8 STAFFORD MEWS, LONDON, N.W.6

This cast-iron bridge was erected in 1852 at Abermule in Montgomeryshire over the Severn.

SIDROS—FOR THE PATIENT DEFICIENT IN IRON

well tolerated iron compound plus reducing agent to aid absorption

In the treatment of iron-deficiency anaemia many iron salts can produce the desired increase in haemoglobin level. Some also have a tendency to produce side-effects, and there can be a great deal of wastage through non-absorption.

SIDROS is designed to overcome these disadvantages, and provides a reliable treatment for iron-deficiency anaemia.

Ferrous gluconate Each Sidros tablet contains 300 mg of ferrous gluconate which produces a highly satisfactory clinical response and is very well tolerated.

Ascorbic acid Sidros also contains ascorbic acid (30 mg per tablet) which is known to aid absorption by maintaining iron in the reduced state.

The basic NHS price of 100 Sidros tablets is 2/8 as dispensed from 1000 tablet bottle. Samples of Sidros are available on request.

SIDROS is effective, well absorbed, well tolerated and economical

CRYSTAPEN G

Trade Mark

**first choice
antibiotic**

Penicillin G "is the least toxic, and against most species of pathogenic gram-positive and gram-negative cocci, including strains of *Staphylococcus aureus* which do not produce penicillinase, it is still the most effective antibiotic available, new penicillins notwithstanding. This is not only because it is active in high dilutions (0.03 µg/ml or less), but because it is one of the most actively bactericidal antibiotics."

Brit. med. J., 1963, 1, 1137

**make a swift,
sure start with
Crystapen
Injection**

Because early treatment will avoid possible pain, ear damage and deafness, there is a good case for at least starting therapy of otitis media with an injection of Crystapen, say one mega unit.

**press home
the attack
with Crystapen G
tablets or syrup**

Either of these preparations is an ideal follow-up treatment to Crystapen Injection. No oral penicillin has been shown superior to oral penicillin G in adequate dosage—and penicillin G is a third cheaper than 'V'.

GLAXO LABORATORIES LIMITED

Psoriasis

Clinical tests confirm Alphosyl's effectiveness

Accumulating evidence increasingly underlines Alphosyl's effectiveness in cases of psoriasis, even in those that have proved intractable to other forms of treatment. Its success is attested by the fact that after only 2 years Alphosyl Lotion became the leading branded preparation for psoriasis in this country.

New Alphosyl Cream Following the success of Alphosyl Lotion, this coal-tar and allantoin combination is now available in Britain as a lubricating cream. The cream base has proved a particularly effective vehicle for Alphosyl as it incorporates a combination of free fatty acids (saturated and unsaturated) naturally occurring in triglycerides, sterols and esters to give the lipid phase of the base a significant resemblance to the lipid array of normal human skin¹.

Clinical Trials The table below gives the results of four different clinical trials which show the effectiveness of Alphosyl in lotion and in cream form.

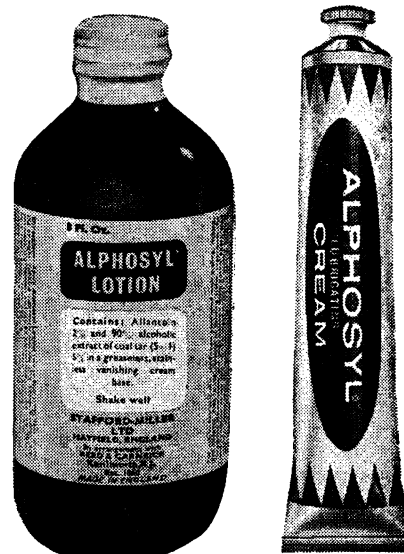

No. of patients	100% cleared	75%–99% improved	50%–74% improved	25%–49% improved	No improvement
62 ³	29	26	7	0	0
50 ⁴	11	16	17	6	0
41 ¹	27	9	5	0	0
96 ²	44	29	15	0	8

Why Alphosyl is so effective In Alphosyl, allantoin and a specially refined coal-tar extract were combined for the first time. Allantoin has been found to be particularly effective in loosening psoriatic scales⁵, while the keratoplastic effect of coal-tar is well known⁵. Alphosyl is non-greasy and non-staining and vanishes on application. It is notably safe,^{5,4} being free from the risks which are found in other forms of treatment such as arsenicals, mercury, corticosteroids, x-ray, etc. It certainly deserves a trial in all cases of psoriasis.

Stafford-Miller Limited, Hatfield, Herts. by arrangement with Reed & Carnrick, Kenilworth, New Jersey, USA.

Alphosyl Lotion formula – special coal-tar extract 5% + allantoin 2% in a smooth, non-greasy lotion base.

Alphosyl Cream formula – allantoin 2% + 90% alcoholic extract of coal-tar (5=1) 5% in a vanishing cream type base.

EVANS MEDICAL LTD

'PRO-ACTIDIL'

a very versatile antihistamine

'Pro-Actidil' contains triprolidine hydrochloride, the most potent of the antihistamines. It is specially formulated to give continuous action for 19 to 24 hours in the allergic patient.

If given in the evening four to five hours before retiring, 'Pro-Actidil' will ensure a good night's sleep for the patient, free from sneezing, nasal congestion, irritation and restlessness. If drowsiness is induced, it will occur at bedtime.

A most interesting clinical observation has recently been reported indicating that 'Pro-Actidil' also provides excellent protection in various forms of solar dermatosis (*Brit. J. Derm.* (1963) 75, 254; *Med. Proc.* (1963), 9, 461). Wider clinical application is needed to confirm this specific action.

'Pro-Actidil' is recommended for adults and children over ten years.

In hypertension
think
first
of Thiaver

2 tablets daily initiate treatment and maintain response

Thiaver is ideally suited for long-term treatment of the many patients who do not respond adequately to milder antihypertensive agents or combinations. Blood pressure is lowered gradually by the complementary actions of *epithiazide*—a diuretic/antihypertensive—and *Veriloid*—a potent, centrally acting hypotensive.

Dosage is low—just two or three tablets daily—and can be kept low because tolerance to *Thiaver* does not develop. Patient management is, therefore, simple and side-effects rare. *Thiaver* does not cause postural hypotension, undue diuresis or depression. Mental acuity is not impaired.

Each tablet contains *Veriloid* (selected standardised alkaloids of *Veratrum viride*) 4 mg. and *epithiazide* 4 mg.
Basic NHS prices: 100 tablets 48/-; 500 tablets 234/-

REMIDERM

new for the
most effective
management
of inflammatory
dermatoses

In the treatment of inflammatory dermatoses, *Remiderm*, which combines a highly effective antiseptic, halquinol, with the well-established topical corticosteroid, triamcinolone acetonide, rapidly relieves the inflammatory, pruritic or allergic symptoms, and at the same time, protects the lesion from secondary infection. Where infection is already present *Remiderm* hastens recovery by controlling the causative organisms, but, unlike the antibiotic-corticosteroid combinations, *Remiderm* has not been found to cause skin sensitization and cannot induce the development of antibiotic-resistant bacteria.

Remiderm is available in two forms: cream and ointment. Each contains triamcinolone acetonide 0.025% and halquinol (Squibb chlorhydroxyquinoline) 0.75%. Packs: 15 gm. tubes, 7/9 basic NHS price.

WHEN THERE'S INJURY TO MUSCLES AND JOINTS

TRANSVASIN RELIEVES MUSCLE SPASM

Muscle spasm caused by physical injury or rheumatic lesions, including osteo or rheumatoid arthritis, is rapidly relieved by the application of Transvasin. The esters of nicotinic, salicylic and p-aminobenzoic acids penetrate the skin and are concentrated at the point of injury. Transvasin is an effective and economical therapy.

Transvasin contains ethyl and n-hexyl nicotinate, ethyl p-aminobenzoate, 2% each, and tetrahydrofurfuryl salicylate 14%. The N.H.S. price of the 30 g. tube is 2/6d and the cost of an average application of cream is under 1d.

For Doctors.....

a new extended credit service from **BMF**

British Medical Finance (*established in 1936 with the co-operation of the B.M.A.*) has for many years provided credit facilities for Doctors at specially favourable rates.

In addition to providing finance for special equipment for consulting rooms, furniture and cars, BMF have now extended these facilities to cover the installation of central heating, house redecoration and improvements, school fees and boats. Personal Loan finance can also be arranged for special projects outside the standard schemes. In fact, through BMF almost any major item of expenditure can be spread over a period. If you would like to know more about our services, please write to us.

raises patient-care to a new level of efficiency

The most modern conception in variable height beds. The PD 801 vari-position bed designed and constructed by engineers with precision made screws and nylon parts reduces the effort of bed adjustment by nursing staff. Its highly functional yet streamlined appearance measures up to the requirements of nursing staff in the most modern hospitals and makes an enormous contribution to hospital efficiency, patient comfort and welfare.

Check these important advantages:

■ Short wheelbase for high mobility. ■ Variable height.
■ Tilt at either end. ■ Rising backrest. ■ Detachable headend. ■ Extending footend. ■ Provision for Drip and Lifting Poles and Balkan Beams. ■ Dropdown side rails available.

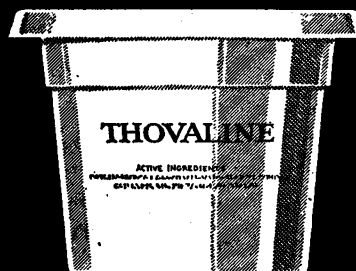

EVERED

The P.D. range of beds is exhibited at the Building Centre and the Hospital Centre. Send for latest folder No. 453.

ANTIBIOTICS AND THE INTESTINAL FLORA

Treatment with broad spectrum antibiotics suppresses the normal flora, which may be replaced by abnormal resistant organisms causing diarrhoea.

This change can be prevented or reversed by the implantation of *Lactobacillus acidophilus* which has been rendered antibiotic-resistant, and is thus able to multiply freely under these abnormal conditions. This organism itself forms an antibiotic which may contribute to its rapid preponderance over other species.^{1, 2}

Oral treatment with antibiotic-resistant *L. acidophilus* in the form of ENPAC has been shown to eliminate *Candida* from the faeces of infants with antibiotic-induced diarrhoea, with relief of symptoms succeeded by rapid gain in weight^{3, 4} and greatly to reduce the numbers of staphylococci in the faeces of patients treated with tetracyclines.⁵

**NORTHERN IRELAND HOSPITALS
AUTHORITY**

**APPOINTMENT OF SENIOR HOUSE
OFFICER (Medicine)**

Applications are invited for one post of
Senior House Officer in Medicine at Mas-
sen Hospital, Antrim, N. Ireland, for duty
from July 1, 1964.

Misses Hospital contains 176 beds and is
situated 17 miles from Belfast. It pro-
vides beds in General Medicine, General
Surgery, Obstetrics, Gynaecology, E.N.T.,
and for children. It has the related Out-
patient Departments and is served by an
Ambulance station.

The salary for the post held will be at
the rate of £1,195 per annum at age under
28 years, and at the rate of £1,255 per
annum at age 28 years or over, on appoint-
ment. The living-in charge will be at the
rate of £210 per annum. The post is super-
annuable under the Health Services Super-
annuation Scheme.

Married quarters are available at the
hospital.

Applications should be addressed to reach
the Secretary, Mid-Antrim Hospitals Man-
agement Committee, Braid Valley Hospital,
Ballymena Co. Antrim, N. Ireland, as soon
as possible. (9243)

**LEEDS (A) GROUP HOSPITAL
MANAGEMENT COMMITTEE**

**POSTGRADUATE TRAINING IN
MEDICINE**

Applications are invited from registered
medical practitioners for three posts (resident
or non-resident) in the above postgraduate
training scheme commencing on August 1,
1964. Candidates will be appointed for a
period of three years (two in the Senior
House Officer grade and one in the Registrar
grade) in a series of appointments at St.
James' Hospital and Chapel Allerton
Hospital.

The scheme is designed for individuals
who have made up their minds that they
wish to specialize in one of the broad divi-
sions of medicine.

Applications, stating age, experience, etc.,
together with the names of two referees, to
be forwarded to the Group Secretary, St.
James' Hospital, Leeds 9, not later than
June 20, 1964. (9155)

LEICESTER ROYAL INFIRMARY

**NORTHERN IRELAND HOSPITALS
AUTHORITY**

**APPOINTMENT OF SENIOR HOUSE
OFFICER (Medicine)**

Applications are invited for one post of
Senior House Officer in Medicine at Mas-
sen Hospital, Antrim, N. Ireland, for duty
from July 1, 1964.

Waveney Hospital contains 223 beds and is
situated 27 miles from Belfast. It provides
beds in general medicine, general surgery,
obstetrics, gynaecology, E.N.T., infectious
cases and for children. It has the related
Out-patient Departments and is served by an
Ambulance station.

The salary for the post held will be at the
rate of £1,195 per annum at age under 28
years, and at the rate of £1,255 per annum
at age 28 years or over on appointment. The
living-in charge will be at the rate of £210
per annum. The post is superannuable under
the Health Services Superannuation Scheme.

Applications should be addressed to reach
the Secretary, Mid-Antrim Hospitals Man-
agement Committee, Braid Valley Hospital,
Ballymena Co. Antrim, N. Ireland, as soon
as possible. (9470)

**NORTHERN REGIONAL HOSPITAL
BOARD (Scotland)**

The Northern Regional Hospital Board in-
vite applications for two posts under the
Combined Training Scheme in Hospital and
General Practice. The trainee's time is
divided equally between hospital work and
general practice.

The posts are non-resident. They are
graded at Senior House Officer or Registrar
level according to the hospital duties, and
the corresponding salaries are £1,255, £1,195
(at age 27 or under) rising in the second year
to £1,310, and £1,310 rising in the second
year to £1,425.

Candidates should apply by July 6, 1964,
on forms obtainable from the Administrative
Medical Officer, Northern Regional Hospi-
tal Board, Reay House, 17 Old Edinburgh
Road, Inverness, by whom further particulars
will be supplied on request. (9383)

**PORTSMOUTH GROUP HOSPITAL
MANAGEMENT COMMITTEE**

SENIOR HOUSE PHYSICIAN

Post vacant August 1, 1964. The duties
include work in the acute medical wards, and
there will be direct responsibility for patients
in the Geriatric Unit, which is under the
direction of a Consultant Physician in Geri-
iatrics. The appointment affords an oppor-
tunity of seeing a number of acute cases,
and is an excellent one for those studying for
a higher medical qualification.

Applications, together with the names of
two referees, should be sent to L. C. Rogers,
Group Secretary, Saint Mary's Hospital, Mil-
ton Road, Portsmouth. (9529)

Applications, on forms obtainable from the County Medical Officer of Health, Health Department, Phoenix Chambers, High Street, Bedford, to whom they should be returned as soon as possible. (8434)

Public Health—contd.**CITY OF LIVERPOOL**
School Health Service**SENIOR SCHOOL MEDICAL OFFICER**

Applications are invited for the above post. Applicants should have considerable experience in the School Health Service. Experience in the ascertainment of handicapped children will be an advantage. Salary scale £1,935 by £75 (5) by £80 (1) by £85 (2) to £2,560 per annum. A national salary increase is pending.

Application forms (returnable by June 26, 1964) and further particulars from the Principal School Medical Officer, Municipal Annex, Dale Street, Liverpool 2. The appointment is superannuable and subject to the Standing Orders of the City Council. Canvassing disqualifies.—Thomas Alker, Town Clerk. (9226)

CORPORATION OF GREENOCK

Applications are invited from registered medical practitioners for the post of

ASSISTANT MEDICAL OFFICER OF HEALTH

The post is superannuable and the salary scale is £1,340 to £1,910 per annum, with placing according to previous experience. Preference will be given to candidates possessing the D.P.H. and having some experience in mental health.

Duties will include Mental Health, Maternity and Child Welfare, School Health, Port Health, and such other duties as the Medical Officer of Health may direct from time to time.

A car allowance is payable in accordance with the scheme operated by the Corporation. Housing accommodation, if required, will be available to the successful applicant.

Applications, stating age, experience and qualifications, together with the names and addresses of two referees, should be lodged with the undersigned not later than Friday, June 19, 1964.

JOHN LIDDELL,
Town Clerk.

Municipal Buildings,
Greenock. (9607)

COUNTY BOROUGH OF DONCASTER
Health Department**ASSISTANT MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER**

Applications are invited from registered medical practitioners for a post in the Doncaster County Borough Health Department. A Diploma in Public Health or Child Health is desirable but not essential.

The duties cover the whole range of local health and education authority services and will include opportunities to gain experience in administrative work.

Car allowance. 50% of removal expenses will be paid and housing accommodation will be provided, where appropriate.

The salary will be on the scale £1,340 to £1,910 per annum, commencing salary according to qualifications and experience. Whitley Medical Council conditions. Medical examination. Superannuable. This appointment is terminable by three months' notice in writing on either side.

Particulars and forms of application obtainable from the Medical Officer of Health, Health Office, Wood Street, Doncaster, to whom they should be returned as soon as possible.—H. R. Wormald, Town Clerk. (9337)

COUNTY BOROUGH OF ROTHERHAM

Applications are invited from registered medical practitioners (male) for the post of

DEPUTY MEDICAL OFFICER OF HEALTH AND DEPUTY PRINCIPAL SCHOOL MEDICAL OFFICER

at a salary within the range of £2,190 by £60 (4) to £2,430. The commencing salary will be determined at a point within the scale, having regard to the experience of the successful candidate.

Applicants must possess a D.P.H. and have had previous experience in school health, maternity and child welfare, and general public health work. The person appointed will be responsible, under the direction of the Medical Officer of Health, for carrying out administrative and other duties in all sections of the work of the Health Department, and must be capable of assuming full responsibility for the department when necessary. Special interests are encouraged and there are opportunities to attend paediatric clinics.

The appointment will be terminable at any time by three months' notice in writing on either side and will be subject to the Medical Whitley Council's General Conditions of Service for Public Health Medical Officers. Housing accommodation is available if required.

Forms of application and further information may be obtained from the Medical Officer of Health, Municipal Offices, Rotherham, and must be returned to him, giving the names of three referees, and endorsed "Deputy Medical Officer of Health," by June 29, 1964.—John S. Wall, Town Clerk, Municipal Offices, Rotherham. (9556)

COUNTY BOROUGH OF HUDDERSFIELD**APPOINTMENT OF ASSISTANT MEDICAL OFFICER OF HEALTH AND ASSISTANT SCHOOL MEDICAL OFFICER**

Applications are invited from Registered Medical Practitioners for the above superannuable appointment. Diploma in Public Health or Child Health desirable.

The Authority has accepted the principle that Assistant Medical Officers of Health be granted leave of absence without pay in order to attend the part-time course for the D.P.H. at Leeds University.

Terms and conditions of service are in accordance with those laid down by the Medical Council, Committee "C" of the Whitley Councils for the Health Services.

The post is subject to a medical examination.

Salary scale £1,340 by £65 (2) by £70 (3) by £75 (2) by £80 to £1,910 and the point of entry will be in accordance with qualifications and experience.

A car allowance of £76 per annum is payable.

Particulars of the duties and other conditions of the appointment, together with application forms, may be obtained from the Medical Officer of Health, Health Department, Huddersfield, to whom completed applications should be returned as soon as possible.

Canvassing is prohibited.—Harry Bann, Town Clerk. (8859)

COUNTY BOROUGH OF WARRINGTON**APPOINTMENT OF ASSISTANT MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER**

D.P.H. Assisted Training Scheme. Applications are invited from registered medical practitioners for appointment as Assistant Medical Officer of Health and School Medical Officer (male).

Salary scale £1,340 rising to £1,910 per annum.

Applications will be considered from men who are at present studying for the D.P.H. In the case of applicants not possessing the D.P.H. it will be a condition of appointment that the successful applicant should obtain the qualification at the earliest opportunity, and the Council is prepared to second him for a period of approximately nine months to attend a whole-time course for the D.P.H. Salary during secondment will be at the rate of the quarters of the minimum salary of the scale shown above. The person so seconded will be expected to sign an undertaking to serve the Council for a period of not less than three years after obtaining his D.P.H.

Further particulars may be obtained from me at the address shown below, and applications, together with the names of two referees, should reach me not later than June 30, 1964.—Eric H. Moore, Medical Officer of Health and Principal School Medical Officer, Health and Welfare Department, Sankey Street, Warrington. (9041)

COUNTY BOROUGH OF WOLVERHAMPTON**APPOINTMENT OF ASSISTANT MEDICAL OFFICER AND SCHOOL MEDICAL OFFICER**

Applications are invited for the above appointment with opportunities for wide experience in the work of a health department. Current commencing salary scale within the range of £1,340 to £1,910, as amended, according to qualifications and experience. Application form and further particulars available from the Medical Officer of Health, 59 Waterloo Road, Wolverhampton. (9557)

COUNTY COUNCIL OF ESSEX

(to be incorporated in the London Borough of Redbridge)

MEDICAL OFFICER

In department (Assistant Medical Officer). Applications invited from registered medical practitioners for above appointment; preference given to those possessing D.P.H. Duties mainly in school health and maternity and child welfare services. Opportunities available for successful candidate to gain experience in the work of a local sanitary authority.

Ilford, on the Central London Line, will form the major unit of the new London Borough of Redbridge, which Council will be responsible for education, welfare and children's services as well as health. The post will therefore present a variety of opportunity and is suitable for a candidate seeking to make a career in the Public Health Service.

Salary, according to experience, on scale £1,340 to £1,910. Consideration given to payment of a car allowance. Superannuation. Medical examination. Application forms, from County Medical Officer, County Hall, Chelmsford, returnable by June 22, 1964. (8433)

in the Fleet/Hartley Wintney area. Diploma in Child Health or Public Health an advantage. Salary 6/11ths of the Whitley Council Scale—£1,515 to £2,130 (by 1966).

Forms of application, returnable by June 24, and details from the County Medical Officer, The Castle, Winchester. (9225)

KINGSTON UPON HULL CORPORATION**ASSISTANT MEDICAL OFFICER**

Applications are invited from registered medical practitioners, preferably holding a Diploma in Public Health, for the appointment of Assistant Medical Officer for duties in the School Health, Maternity and Child Welfare, Port Health and other Local Authority Services.

If a successful candidate does not hold a D.P.H., the Authority will grant leave (a) without pay or (b) with pay (subject to certain undertakings) to enable the officer to attend a part-time course of study at Leeds University.

A limited car allowance will be granted and consideration given to assistance with removal expenses.

Salary Scale £1,340 by eight annual increments to £1,910. (New award pending.)

Particulars of the appointment and forms of application may be obtained from the Medical Officer of Health, Guildhall, Kingston upon Hull, to whom completed forms must be returned not later than June 26, 1964. (8533)

LANCASHIRE COUNTY COUNCIL**APPOINTMENT OF ASSISTANT DIVISIONAL MEDICAL OFFICER**

Applications are invited from registered medical practitioners for appointment to a vacancy which exists in Health Division 17 comprising the Municipal Boroughs of Ashton-under-Lyne and Mossley and the Urban Districts of Audenshaw, Denton and Drayd-

Preference will be given to candidates having the Diploma in Public Health. For applicants not possessing this qualification, the County Council has a scheme granting financial assistance for full-time or part-time study. Details of the scheme should be requested at the same time as the request for application forms. Salary scale £1,340 to £1,910. Commencing point will be according to experience. Assisted car purchase scheme, and car allowance in accordance with the County Council's scale.

Application forms and further particulars from the County Medical Officer of Health, Serial 4459, East Cliff, County Office, Preston, to be returned not later than June 26, 1964. (8586)

ADMINISTRATIVE**LIVERPOOL REGIONAL HOSPITAL BOARD**
FURTHER ADVERTISEMENT

The Board invite applications from qualified medical practitioners for the whole-time appointment of

SENIOR ADMINISTRATIVE MEDICAL OFFICER

Salary Scale: £4,275 by £170 (6) to £5,295 per annum (Group 1 Region).

The duties are to act as adviser to the Board on the planning, organization, and staffing of the Hospital and Specialist Services of the Region. A wide experience of hospital administration is essential.

The post is subject to the National Health Service (Superannuation) Regulations.

The date for receipt of applications has been extended to July 11, 1964.

Application forms obtainable from the Secretary to the Board, Liverpool Regional Hospital Board, 55 Castle Street, Liverpool 2. (9432)

GOVERNMENTAL**MINISTRY OF LABOUR**

Applications are invited from registered medical practitioners for a part-time appointment as Medical Officer, which will shortly arise at Gloucester Government Training Centre.

Duties include general medical supervision of disabled and other persons undergoing training at the Centre and advising on their capacity for future employment.

Attendance required for up to four hours per week, for which remuneration would be £420 per annum.

Applications, stating age and full details of qualifications and experience, should be addressed to the Regional Controller, Ministry of Labour, South-Western Regional Office, Bridge House, Clifton Down, Bristol 8. (9593)

ROYAL COUNTY OF BERKSHIRE**Appointment of Senior Medical Officer**

The Berkshire County Council invite applications from duly qualified and registered medical practitioners for the above appointment. The post is third in seniority in the department, which is responsible for the central administration of the Health and School Health Services of the County Council.

Applicants should have had clinical experience in general public health work and the School Health Service. Administrative experience in the School Health Service of a county would be an advantage. A Diploma in Public Health is desirable but not essential.

Commencing salary, according to experience and qualifications, within the scale £1,935 to £2,560 per annum.

Forms of application and further particulars are obtainable from me, and applications must be returned by June 29, 1964.

E. R. DAVIES,
Clerk of the Council.

Shire Hall,
Reading. (9293)

COMMERCIAL APPOINTMENTS**GLAXO RESEARCH LTD.**

(a Glaxo Group Company)

have a vacancy for a

PRACTITIONER IN THE HISTO-PATHOLOGY UNIT

This appointment should appeal to a young registered medical practitioner, preferably with some experience in pathology, and an interest in the application of experimental histopathological techniques to the study of drug action and toxicity. Although experience in animal pathology is desirable it is not essential because comprehensive training can be arranged.

The appointment will be permanent, pensionable, and carries good employment conditions including participation in the Company's profitability. An attractive salary will be paid.

All applications will be treated in strict confidence. Please write, giving brief details of age, experience, education and present salary, to:

The Personnel Manager,
Glaxo Laboratories Ltd.,
Greenford, Middlesex.

for paediatric use

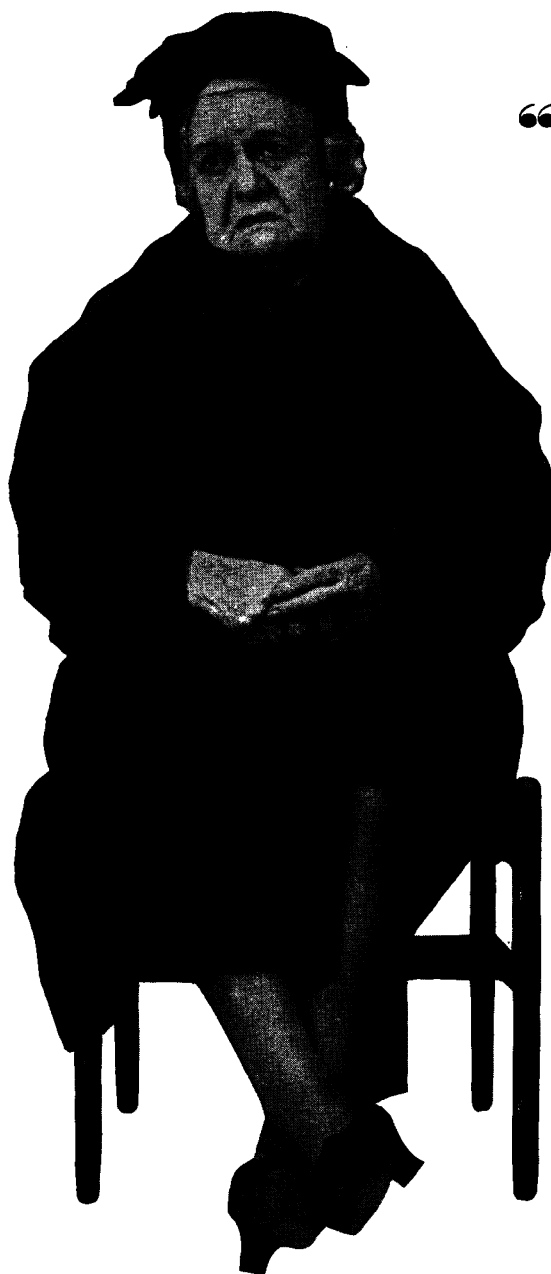

PIRITON SYRUP

containing 2 mg chlorpheniramine maleate BP per teaspoonful (4 ml)

PIRITON

ALLEN & HANBURY'S LIMITED LONDON E2

“Doctor,
I feel awful”

Once she might have been diagnosed as “anxiety state”. Today, you know she might be a depressive, but it doesn’t seem as simple as all that. The truth of the matter is that patients don’t always fit neatly into diagnostic categories. They may suffer from such diverse symptoms as depression, agitation, loss of appetite and tension-fatigue at the same time.

The great strength of ‘Aventyl’ is that its beneficial actions

range widely over the symptoms which plague these problem patients. ‘Aventyl’ is not merely an anti-depressant, nor is it a combination of drugs. It is a *single substance* which relieves a constellation of mental and emotional symptoms embracing depression, anxiety and their effects on awareness and mood. ‘Aventyl’ is not a monoamine oxidase inhibitor, and no serious side-effects have been reported at the recommended dosage.

‘AVENTYL’TM lightens the troubled mind

Nortriptyline

‘Pulvules’ of 10 mg. and 25 mg. Liquid: 10 mg. in each 5 ml., in bottles of 120 and 480 ml.

Full information will be sent on request.

AUSTRALIA

THE UNIVERSITY OF NEW SOUTH WALES, SYDNEY

invites applications for appointment to the position of
**ASSOCIATE PROFESSOR OF
OPHTHALMOLOGY
SCHOOL OF SURGERY**

Salary will be not less than £A.3,460 per annum. The appointee will be a member of the School of Surgery at the University and will be Chairman of the Division of Ophthalmology, within the Department of Surgery of the Prince Henry and Prince of Wales Hospitals. His charge will be to develop patient care, teaching, and research in ophthalmology in the University and its teaching hospitals.

Subject to the consent of the University Council, Associate Professors may undertake a limited amount of higher consultative work. The University reserves the right to fill the position by invitation.

Prospective applicants should write to the Agent-General for New South Wales 56-57 Strand, London W.C.2, for details of conditions of appointment, including superannuation, study leave, housing scheme. Four copies of applications should be forwarded including the names of three referees and a recent photograph, to reach the Agent-General before July 6, 1964. One typed copy of the application should be forwarded by airmail to the Appointments Section, The University of New South Wales, Box 1, Post Office, Kensington, N.S.W., Australia, to reach there before the above-mentioned date. (9603)

A PROFESSOR OF PATHOLOGY is needed by newly founded Medical Faculty of the Haile Selassie University, Addis Ababa, Ethiopia. This post is to be supported by the Department of Technical Cooperation and carries a salary of Eth.528,800 (£4,113) per annum, free of income tax. There is in addition a housing allowance. Tourist jet air fares for employee and family paid on appointment, and home leave at the end of the first three years and every two years thereafter. An Institute of Pathological Studies is envisaged, with Departments of Histology, Biochemistry, Bacteriology, Virology, and Parasitology. These will most probably be staffed by people of different nationalities. The Professor of Pathology should be a Pathological Histologist with a wide basis of clinical pathology. It is intended that this Institute should co-ordinate the teaching and research in the field of clinical pathology, and will work in close collaboration with the Public Health Laboratories.—Further information and application forms from: Academic Secretary, Faculty of Medicine, Haile Selassie University, P.O. Box 1176, Addis Ababa, Ethiopia. (9595)

A 320-BED GENERAL HOSPITAL WITH an active surgical department requires an associate member in the Department of Anaesthesia. The salary offered for this position is \$14,000 per annum. Applications should be forwarded to the Administrator, The Doctors Hospital, 45 Brunswick Avenue, Toronto 4, Ontario, Canada. (9912)

ROYAL PERTH HOSPITAL

Western Australia

HAEMATOLOGIST

Applications are invited from qualified medical practitioners with suitable experience in Haematology.

Royal Perth Hospital is the main teaching hospital of the Medical School of the University of Western Australia. The Department of Haematology is well equipped and adequately staffed for the performance of all modern haematology techniques. The successful candidate will be required to liaise with the Head of the Department (Dr. H. J. Woodliff) in maintaining both the laboratory

and clinical services of the Department. A Memorandum of Information, including further details of the Department of Haematology is available upon request.

Salary: Within the range of £A3,626 to £A4,084 per annum, commencing rate according to qualifications and experience. Salary commences from date of assumption of duty.

Conditions of Service: Include annual leave, long service leave (three months on full pay after seven years' service) and sick leave. Study leave may be granted as a privilege for some special purposes approved by the Board. Contribution to the State Superannuation Scheme is required, or alternatively, the Hospital will consider subsidizing the appointed officer's existing commitments under an approved scheme, e.g. National Health Scheme, or endowment policies.

Transport Expenses: A travel grant equivalent to a minimum First Class sea passage will be provided for successful applicant and family (under 16 years of age), together with the allowance of up to £8,200 for the cost of removal of personal effects, (excluding furniture and motor vehicle), and up to £5.25 for a single person, subject to a bond to remain in the Hospital's service for a minimum of three years.

Further information concerning Royal Perth Hospital and the State of Western Australia may be obtained from the Agent General for Western Australia, Savoy House, 115 Strand, London, W.C.2.

Applications should include date of birth, qualifications, experience, present post held, previous appointments, a list of publications, a recent photograph and the names and addresses of three referees. Closing date: August 31, 1964.

Joseph Griffith,
Administrator.
(9252)

REQUIRE ASSISTANT PATHOLOGIST, preferably certified or eligible for Canadian Certificate. Interest in all fields of Pathology desirable. Applications should be forwarded, along with names of two referees, to the Administrator, Moose Jaw Union Hospital, Moose Jaw, Saskatchewan, Canada.

THE DEPARTMENT OF TECHNICAL CO-OPERATION

are in need of:

DOCTORS

for service in developing countries overseas, at all levels of experience for general duties and in the specialties. The work to be done is varied and rewarding and offers opportunities to travel.

Posts are offered on contract terms of two to three years with attractive salaries and gratuities, plus overseas allowances, education allowances, free passages for doctor, wife and young children.

Accommodation is supplied at low or no rental.

Here are some examples of posts available :

MEDICAL OFFICERS

Swaziland Protectorate

For general duties with ability to undertake general surgery at Government hospitals. Candidates must have had experience in general surgery. Appointment of three years. Salary £1,617 to £2,541 per annum.

St. Lucia (Caribbean)

For general duties for service in hospital or district. Appointment of three years. Salary £1,365 to £1,960 per annum.

Kenya

Required for general medical duties including public health, clinical medicine and hospital administration. Doctors contemplating a career in public health service will find such an appointment an opportunity for gaining valuable experience in a developing field of public health where problems are thrown into sharper relief than in more developed communities. Appointment of two years. Salary £1,617 to £2,664 per annum.

Sabah (North Borneo)

For general medical and health duties, including simple emergency surgery and midwifery, and some administration. Appointment of three years. Salary £1,836 to £2,905 per annum.

Federation of South Arabia

Required to undertake general duties within the Federation of South Arabia, including Aden State and non-Federal parts of the Protectorate. Appointment for two years. Salary £1,761 to £2,979 per annum.

Basutoland

Male medical officers required for general duties. Private practice is permitted, provided it does not interfere with officers' Government duties. Appointment for three years. Salary £1,617 to £2,541 per annum.

SPECIALIST APPOINTMENTS

Fiji

Paediatrician required to take clinical charge of paediatric unit at the Colonial War Memorial Hospital, Suva. Duties include teaching of undergraduates and development of child health service. Appointment for three years. Salary £2,815 to £2,984 per annum.

Tanganyika

Consultant in Public Health required to be the Head of the Department of Public Health and Tropical Medicine, Dar-es-Salaam Medical Training School, and to act as Public Health Consultant to the Ministry of Health. Candidates must have the Diploma in Public Health, and wide experience in tropical hygiene and public health. Appointment for one or two tours of 21/27 months each. Salary £2,875 to £3,000 per annum.

Kenya

Require a *Pathologist* and a *Bacteriologist* for general routine work in well-equipped Medical Research Laboratory, Nairobi. The Pathologist will have opportunities for research. Division of work arranged by Assistant Director of Laboratory Services. Sound knowledge of histopathology essential. The Bacteriologist is required in connection with a 1,000-bed hospital and as a reference laboratory for Kenya. Appointment for two years. Salary £1,617 to £2,664 per annum.

Uganda

Medical Officer (Special Grade) Ophthalmology required to work under the general direction of the specialist ophthalmologist in clinics at Mulago and Nakasero Hospitals in the field of ophthalmology (including surgery) and to make up-country visits as required. Appointment for 21/27 months. Salary £2,100 to £2,664.

Specialist Anaesthetist to administer anaesthetics at New Mulago Hospital, Kampala, to all types of patients of all races and to take part in the teaching of the principles and practice of anaesthesia to the students at Makerere College Medical School and junior Theatre staff in the employment of the Ministry of Health. Candidates must hold either the Diploma or the Fellowship of the Faculty of Anaesthetics, and must give evidence of adequate practical experience. Appointment of 21-27 months. Salary £2,875-£3,000 per annum.

Pathologist to work in the Medical Laboratory, Kampala, under the Specialist in Clinical Pathology. Must be prepared to teach clinical pathology, forensic medicine and haematology to students or trainees. Experience in pathological work essential. Appointment of 21-27 months. Salary £1,821-£2,664 per annum.

Specialist Radiologist to take charge of the X-ray Division at the Mulago Hospital and to advise on the running of X-ray plants at seven up-country hospitals. He would also be required to take part in the teaching programme of Assistant Radiographers. Candidates must possess the D.M.R.D. Appointment of 21-27 months. Salary £2,875-£3,000 per annum.

Sabah (North Borneo)

Pathologist required for the State Central Laboratory. Candidates must have either Diploma in Clinical Pathology or Diploma in Pathology or membership of the Royal College of Physicians and have at least two years experience in clinical pathology. Appointment for two/three years. Salary £3,080 per annum.

British Guiana

Bacteriologist and Pathologist required for Georgetown and New Amsterdam Hospitals. Duties include charge and control of laboratory staff, buildings and equipment under the supervision of the senior Government bacteriologist and pathologist. Candidates will also be required to exercise supervision over the laboratories in the Government hospitals and to be responsible for the training of technicians in the various Government laboratories. Candidates must possess a Diploma in Pathology or Bacteriology or provide satisfactory evidence of experience of this work. Appointment for three years. Salary £2,250 to £2,500 per annum plus an allowance of £500 per annum in lieu of private practice.

Northern Rhodesia

Medical Officers required with experience in *Pneumoconiosis* or other chest diseases, for the *Pneumoconiosis Medical and Research Bureau*, Kitwe. Duties include clinical and radiological examination of miners (European and African). Officers will work under the supervision of the Director of the Bureau and the post offers excellent opportunities for experience in diseases of the chest. Appointment for three years. Salary £2,655 to £2,890 per annum plus £200 per annum Special Duty allowance.

British Guiana

Anaesthetist required to undertake anaesthetic duties, to teach anaesthesia to medical officers and to perform such suitable duties as the Chief Medical Officer may direct. Candidates must possess the F.F.A. and R.C.S. Appointment for three years. Salary £2,250 per annum or £2,500 with four years experience in the specialty plus allowance of £500 per annum in lieu of private practice.

Candidates should be nationals of the United Kingdom or Republic of Ireland; and must possess medical qualifications registrable in the United Kingdom.

Cranage Hall Hospital Management Committee

Applications are invited for the post of **Principal Clinical Psychologist** to Cranage Hall Hospital, Holmes Chapel, Cheshire (600 beds), the Mary Dendy Hospital, Alderley Edge, Cheshire (450 beds), and associated hostels. These hospitals serve the needs of a catchment area for the mentally subnormal of all ages, and there are two active weekly out-patient clinics, at which close liaison with local authority services is maintained. These are developing units for the treatment and rehabilitation of psychopaths and the psychotic subnormal at the Mary Dendy Hospital. A special unit for the investigation of deaf and autistic children is being set up at Cranage Hall under provisions made by the Nuffield Provincial Hospitals Trust, and Cranage Hall is undergoing a further extensive clinical building programme. Research in many fields of subnormality is being undertaken and encouraged, and there is liaison with the Audiology Department of Manchester University and the Psychology department of the University of Keele. The appointee will be expected to develop a Department of Psychology to serve the hospital-based needs of the mentally subnormal over the area, according to the most modern concepts of hospital treatment under the general clinical direction of the Medical Director and other consultant staff.

Applicants must hold an honours degree in psychology or an approved equivalent qualification and have had considerable clinical experience. The post is subject to the appropriate Health Service conditions and superannuation regulations. Inclusive salary scale £1,825 to £2,375 per annum. Application, stating age, qualification, training and experience, together with the names of three referees, should be sent to the Group Secretary, Cranage Hall Hospital, Holmes Chapel, near Crewe, Cheshire. The hospitals may be visited by arrangement with the Medical Director (Holmes Chapel 2021). (9574)

CLINICAL AND BIOCHEMICAL INSTRUMENTATION RESEARCH

Shandon Scientific Company has a special interest in all fields of chromatography and electrophoresis and in all ancillary equipment. It intends to extend its activities further into the clinical and biochemical fields. Its new laboratories are in N.W. London.

The company requires a senior man with considerable experience in these fields; one who has a practical bent and an interest in, and flair for, the development of new apparatus. Duties will include: Taking charge of the laboratory; working closely with engineers and designers in the development department; testing new apparatus as new techniques are described in the literature; demonstration of the Company's apparatus at exhibitions in various parts of the country and, occasionally, abroad; dealing with customers' queries, etc.

The post would suit a man of post-FIMLT standard who wishes to retain contact with the clinical biochemical field. Salary will commence in the upper range of the Senior or the Chief Technician scales. Pension scheme, five-day week, two weeks holiday per annum. Staff canteen. Write details, etc. Technical Director, Shandon Scientific Co. Ltd., 65 Pound Lane, Willesden, N.W.10. (9401)

Osteoporosis?

Calcium-SANDOZ Effervescent Tablets

in osteoporosis

of postmenopausal

or senile origin

“Studies are reported here which suggest that calcium deficiency is an important factor in many cases of postmenopausal and senile osteoporosis. Many patients with these forms of osteoporosis absorb and retain calcium abnormally avidly when on a high calcium intake in the form of supplements (calcium gluconate Sandoz), and moreover may continue to retain it avidly for at least three and a half years.

Symptoms of the disease are relieved and no further fractures take place.”

Lancet (1961) 1, 1015

Calcium-Sandoz
Effervescent Tablets
(orange flavoured)

calcium gluconogalactogluconate
(0.38 g. Ca equivalent to 4g. calcium gluconate)
and 20 mg. ascorbic acid
2 to 5 effervescent tablets daily
