### The Skin and Gut in Disease

*K. G. Wormsley*

A short monograph especially designed for the practising clinician. The author's thesis is that, despite the differing origins of the skin and gut, these two systems nevertheless show in practice a common pathogenesis, and that this link is often overlooked.

**25s. net**

### Early Signs of Illness: Observations in General Practice

*I. R. McWhinney*

Writing from the family doctor's point of view, Dr. McWhinney describes how each disorder appears in the consulting room and at the bedside. Great emphasis is laid on the differential diagnosis of serious disease from many minor disorders seen in general practice.

**30s. net**

### The Voice and Its Disorders

*Margaret C. L. Greene*

Every aspect of treatment for the pathological voice is covered; the anatomy and physiology of the vocal mechanism are described, and respiration, vocalisation and resonance analysed scientifically in relation to the production of the normal voice. Many types of voice disorder which may occur as a result of vocal strain, emotional disturbance and injury or disease of the larynx are discussed.

**45s. net**

### Signs and Symptoms

*Edited by C. M. MacBryde*

The fourth edition approaches diagnosis through the analysis and interpretation of presenting signs and symptoms. In each chapter a major sign or symptom is discussed, the mechanism of its production clarified by the light thrown on it by anatomy, physiology, pathology, chemistry or psychology.

# In theory

1) Chronic pyelonephritis (often unrecognised or 'silent') is the cumulative result of the assault on kidney function of repeated acute urinary infection.

2) Bacteriuria plays an important role in predisposing to pyelonephritis.

3) Females are particularly prone to acute kidney infections at certain well-defined periods e.g. infancy, early in marriage ('honeymoon cystitis'), pregnancy. This is due to urinary infection reaching the kidney due to uretero-vesical reflux or other congenital abnormality.

# In practice

**Cut down pyelonephritis by prolonged administration of Mandelamine**

**Broadly and continuously bactericidal**

**Bacterial resistance cannot develop**

**Specific to the urinary tract**

**Extremely free of toxicity and side-effects**

**Economy—one week's treatment costs 4/11d**

## For adults

1 G. (Two Mandelamine Hafgrams)  
four times a day

## For children

1 Mandelamine tablet (0.25 G.)  
three times a day

# EKAMMON

## SOLUBLE

### FOR SAFER SALICYLATE THERAPY

Makes possible the administration of aspirin in full analgesic, anti-pyretic and antirheumatic doses. The three effective constituents of Ekammon Soluble offer these three important advantages:-

1. **SOLUBLE ASPIRIN**—minimises the gastric irritation encountered with the use of insoluble aspirin, avoiding erosive gastritis and its potentially dangerous complications.
2. **VITAMIN K**—counteracts the prothrombin-reducing action of aspirin, averting haemorrhagic tendencies.
3. **VITAMIN C**—prevents the C-hypovitaminosis usually associated with the administration of salicylates.

**COMPOSITION**:- Soluble Aspirin equivalent to acetylsalicylic acid 330 mg. (5 grains) Acetomenaphthone (Vitamin K) 0.49 mg. Ascorbic Acid (Vitamin C) 20 mg.

**PACKS**:- Containers—50, 100, 300 and 750 tablets.

## *myiasis in man and animals in the old world*

by F. ZUMPT, Ph.D., F.R.E.S.

Based on both personal experience and bibliographical research, Dr. Zumpt's comprehensive monograph will enable physicians, veterinarians and zoologists to identify all larvae found in myiasis. The medical and veterinary importance of myiasis flies is stressed and details are also given of their morphology, taxonomy and biology.

267 pages      346 illustrations      130s.

## *optics and the eye*

by SOLVÉ STENSTRÖM

A lucid guide to optics for students and ophthalmologists covering such aspects of the subject as physical optics, geometrical optics and its application to instrumental optics, and visual physiology.

190 pages      185 illustrations      55s.

## *plastic surgery*

by RICHARD BATTLE, M.B.E.(Mil.), M.A., M.Chir., F.R.C.S.

An important new textbook, based on the author's wide experience as a plastic surgeon, giving a complete guide to the practice of plastic surgery. The clear illustrations, concise text and realistic approach will make this book a standard reference work.

416 pages      176 illustrations      97s. 6d.

## *Two major works clinical surgery*

edited by CHARLES ROB, M.C., M.Chir., F.R.C.S., and RODNEY SMITH, M.S., F.R.C.S.

Five volumes have now been published in this sixteen-volume major work, which covers all aspects of surgery, with particular emphasis on the latest advances and techniques.

*Titles published so far :*

**General Principles and Breast . The Eye  
Accident Surgery . Plastic Surgery  
Thorax**

## *the encyclopaedia of general practice*

edited by G. F. ABERCROMBIE, V.R.D., M.A., M.D., and R. M. S. McCONAGHEY, M.D.

A comprehensive reference work dealing with all conditions general practitioners are likely to meet. Six of the seven volumes have now been published. The whole work is the result of long and detailed planning and will serve as a complete reference library for many years.

*In Seven Volumes (including Appendix  
Index Volume)*

## THE 1965 GATEWAY TO THE ALGARVE, PORTUGAL WILL BE FARO AIRPORT

New Villa Rentals Ltd., will be using Faro airport for their special DIRECT flights from U.K. to the ALGARVE in connection with their 1965 villa renting programme.

Their "Villair" inclusive holiday arrangements enable you to rent one of their delightfully attractive villas near Albufeira for TWO WEEKS and to fly direct from U.K. to FARO (on the south coast of Portugal and only 15 miles from the villas) at an INCLUSIVE PRICE from as low as £52 per person.

Write for detailed brochure to :

**NEW VILLA RENTALS LTD. (PORTUGAL),  
(BM) 23 Cheriton Place, Folkestone, Kent,  
or telephone Folkestone 53508**

The weather seems to take a secondary place these days as an opening gambit to conversations and such expressions as "Fixed your holidays yet?" are taking its place. In fact judging by many of the tourist agencies the answer to this is very frequently "yes." It seems that a lot of tours, particularly in the more popular months of July and August, have been fully booked for weeks.

Now that so many people have three weeks holiday there does seem to be a growing tendency even among inveterate "G.B." plate travellers to spend that third week at least in this country. What can be nicer than a pleasant relaxing time in Bournemouth or Newquay, a return visit to the Lake District or Snowdonia, or a tour in that part of the Highlands that you had to miss last time?

Many people like to combine their holiday with a little health-giving relaxation and purposely stop on their route in order to do so. Spas in Belgium and Germany are particularly popular, as also Le Mont Dore in Central France midway between Paris and the Mediterranean or Spanish Border. High up in a beautiful valley and surrounded by mountains, there is a very strong temptation to linger on.

The Scandinavian countries have many attractions and both Denmark and Sweden have a wide variety of interests to offer. Some of the hotels in the more popular places, particularly Stockholm and Gothenburg, are quite luxurious but the accent is more on the friendly family type. Stockholm is, of course, a magnificent centre.

## How to control the cost of holidays abroad.

You can enjoy the privacy, comfort, food and service of first class hotels abroad at pounds less if you wish.

All you need do is to book through SUNWAY, who have reserved many of the best rooms in over 70 hotels (from Spain to Yugoslavia) and have chartered modern pressurised aircraft to carry you in comfort. We organise the holiday—not you.

These SUNWAY arrangements can save up to 20% of the basic costs of your holiday. Here are just two examples.

<b>YUGOSLAVIA</b> Hotel Ratheneum, Orebic (first class B) All rooms with shower and W.C. and sea view. Delightful setting in pine wood near water's edge. Private beach and swimming pool. 15 days from 58 gns.	<b>SPAIN</b> Gran Hotel Delfin, Benidorm. (De Luxe) On W. beach. Air-conditioned, all rooms have bathroom & balcony. Swimming pool, tennis courts. International cuisine. 15 days from 78 gns.

EAST CLIFF COURT B'm'th 24545 CARLTON B'm'th 22011  
The TELEX SYSTEM has now been installed

You can take a steamer up the Gota Canal (400 miles long) to Gothenburg and pass through some really glorious countryside. The journey takes three days but is well worth it. You can peacefully enjoy the beauty of the wooded slopes and lakes and the attractive, sparkling villages. Gothenburg is in an excellent holiday area—to the north Bohuslän is fine for fishing and sailing and to the south, Halland has many miles of clean sandy beaches. Inland resorts, particularly in the lakeland region, are worth visiting and Dalecarlia is famous for its ancient customs and folk lore.

Another form of holiday that is attracting more and more attention, particularly amongst people with young families, is that of renting a flat or villa. When two or even three families join forces the advantages are numerous; the children can play together, parents can share whatever chores they feel like doing and naturally take turns at baby-sitting. Most of the firms who organize this type of holiday arrange domestic help and even cooks at a very small extra charge.

Cruising for many people has become a matter of habit and an extremely enjoyable one at that. This year there are over fifty cruise ships and from May to September nearly one hundred and fifty different cruises. It does not really matter where you want to go, there must be some ship at some time to take you there. Most cruises are quite gay with a constant round of entertainment, but there are on all ships quite secluded places for those who wish for peaceful relaxation.

## ASTHMATIQUES

S  
T

# An analysis of the nutritional properties of Mackeson

Of course, dark beers have long been regarded as a valuable aid in building up strength after illness. But Mackeson has the important advantage of being more acceptable to invalids and convalescents because of its taste.

Instead of having a bitter taste

it is smooth and mild in flavour and consequently

'goes down' much better with the patients.

Calorific Value: 276 calories per pint, essentially equal to three quarters of a pint of milk.

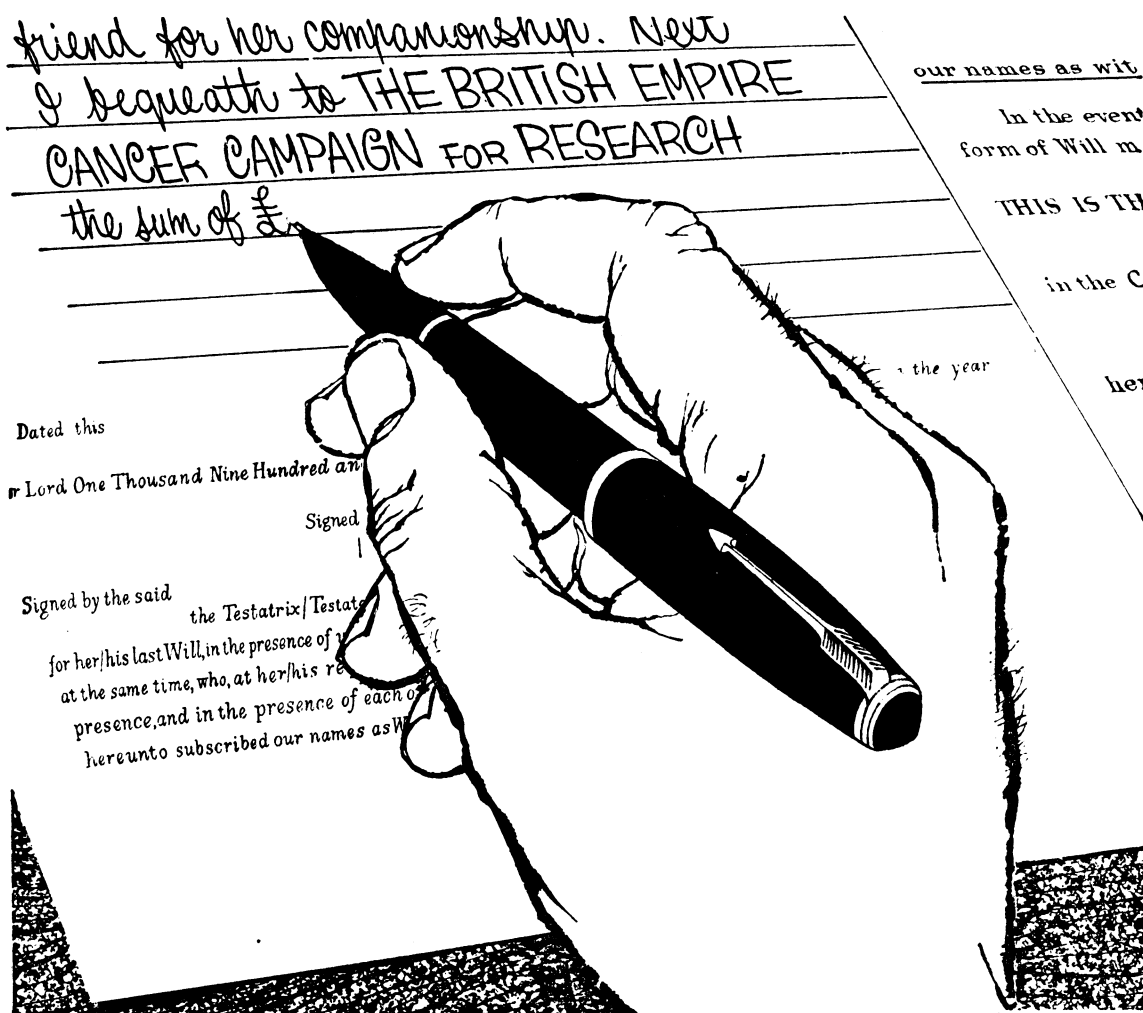

Lactose Sugar: One of the main ingredients, easily digested and quickly assimilated even by weakened digestive systems.

Nitrogenous Matter: as protein break-down products, e.g. peptides and amino acids.

B-Group Vitamins: contains valuable water-soluble members of this group of vitamins.

# PLEASE REMEMBER CANCER !

You may be asked from time to time to suggest a deserving cause as the subject of a bequest. Please remember that every year the British Empire Cancer Campaign for Research has to find more and more money for cancer research work not only in this country but in many parts of the Commonwealth. All this money must come from voluntary donations and bequests. The appropriate words to use in a will are: "I bequeath to the British Empire Cancer Campaign for Research the sum of £....." or "I devise and bequeath the residue of my estate to the British Empire Cancer Campaign for Research".

For further information please write to Sir Joseph Lockwood, Hon. Treasurer, British Empire Cancer Campaign for Research, Dept. (B.M. L2), 11 Grosvenor Crescent, London SW1.

# Imferon<sup>Trade Mark</sup>

## INJECTABLE IRON

# total therapy in all iron-deficiency anaemias

### Why total

Because Imferon not only raises the haemoglobin level—at the same time it supplies the iron essential for the myoglobin, tissue enzymes, and the mobilizable iron reserves in liver, spleen and bone marrow.

### Why Imferon

Because it gives a rapid, predictable haematological response; there is negligible loss by excretion; side-effects are minimal; gastric intolerance is avoided; it assures administration of total iron requirements.

**the most complete, efficient iron therapy**

# Alphosyl-today's most widely prescribed product used specifically for the treatment of Psoriasis

In case after case, Alphosyl's effectiveness in controlling psoriasis is repeatedly confirmed. Even in chronic and refractory cases outstanding results have been achieved despite the failure of all previous forms of therapy. Evidence of four recent clinical trials<sup>1,4,5,6</sup> shows that from a total of 249 patients treated with Alphosyl, 111 were completely cleared, 80 were 75%–99% improved, 44 were 50%–74% improved and only 14 showed less than 50% improvement.

**Why Alphosyl is so effective** In Alphosyl, allantoin and a specially refined coal-tar extract were combined for the first time. Allantoin has been found to be particularly effective in loosening psoriatic scales,<sup>3</sup> while the keratoplastic effect of coal-tar is well known.<sup>3</sup> Alphosyl

is non-greasy and non-staining and vanishes on application. It is notably safe,<sup>1,3</sup> being free from the risks which are found in other forms of treatment such as arsenicals, mercury, corticosteroids, x-ray, etc. It certainly deserves a trial in all cases of psoriasis.

**New Alphosyl Cream** Following the success of Alphosyl Lotion, this coal-tar allantoin combination is now available in Britain as a lubricating cream. The cream base has proved a particularly effective vehicle for Alphosyl as it incorporates a combination of free fatty acids (saturated and unsaturated) naturally occurring triglycerides, sterols and esters to give the lipid phase of the base a significant resemblance to the lipid array of normal human skin.<sup>6</sup>

**Alphosyl Lotion formula**—allantoin 2% + 90% alcoholic extract of coal-tar (5=1) 5% in a smooth, non-greasy lotion base.

**Alphosyl Cream formula**—allantoin 2% + 90% alcoholic extract of coal-tar (5=1) 5% in a vanishing cream base.

# Triominic

Oral Nasal Decongestant **WANDER**

'Triominic' timed-release tablets and orange-flavoured syrup contain antihistamines and a decongestant in balanced proportions to ensure relief from nasal congestion for between 6 and 8 hours. The active constituents of 'Triominic'—the original oral decongestant—reach the nasal mucosa systemically. This obviates the rebound congestion which may follow the topical use of decongestants.

## Formula per timed-release tablet.

Phenylpropanolamine hydrochloride.....	50 mg.
Mepyramine maleate B.P.....	25 mg.
Pheniramine maleate.....	25 mg.

Part I S.7

'Triominic' is also available  
as an orange-flavoured Syrup.

Basic N.H.S. prices: 50 tablets 5/9½; 2 fl. oz. 2/6.

Active constituents:  
Codeine Phos., Ephed. Hydrochlor.,  
Ammon. Chlor., Pot. Guaiacolsulph.

**MOORE Medicinal Products Ltd., Waverley House, Aberdeen, Makers of Brovon.**

Agents for Eire: Serovaccine Ltd., 25-28 Gt. Strand St., Dublin 1.

*The cast-iron Galton Bridge at Smethwick was designed by Thomas Telford, and built in 1829. It carries the road over the Birmingham Canal.*

## **SIDROS**—FOR THE PATIENT DEFICIENT IN IRON

well tolerated iron compound plus reducing agent to aid absorption

In the treatment of iron-deficiency anaemia many iron salts can produce the desired increase in haemoglobin level. Some also have a tendency to produce side-effects, and there can be a great deal of wastage through non-absorption.

**SIDROS** is designed to overcome these disadvantages, and provides a reliable treatment for iron-deficiency anaemia.

**Ferrous gluconate** Each Sidros tablet contains 300 mg of ferrous gluconate which produces a highly satisfactory clinical response and is very well tolerated.

**Ascorbic acid** Sidros also contains stabilized ascorbic acid (30 mg per tablet) which is known to aid absorption by maintaining iron in the reduced state.

*The basic NHS price of 100 Sidros tablets is 2/8 as dispensed from 1000 tablet bottle. Samples of Sidros are available on request.*

**SIDROS** is effective, well absorbed, well tolerated and economical

# 'Ilosone' makes the most of erythromycin

erythromycin estolate B.P.

This cannot be better illustrated than by these extracts taken from the latest edition of the Textbook of Medical Treatment.\*

## best form of oral erythromycin

The best oral preparation for adults is the estolate and a dose of 250 mg. six-hourly should be given for most infections. For penetrating infections, 500 mg. six hourly can be given. For infants and children the usual oral dose is 4 to

## higher, more predictable blood levels

absorption and variable

The estolate has the advantage over the base or stearate that it gives higher and more predictable blood levels with increased bacteriostatic or even bactericidal activity; in addition, these desirable results can be produced by a lower dose, thus reducing the incidence of side-effects.

administration of

## unusually low incidence of side-effects

Nevertheless, the development of more recent and more powerful antistaphylococcal antibiotics has led to some relaxation of the restrictions imposed upon the use of erythromycin. It has the great merit of remarkably low toxicity and is very well tolerated by children.

It should be preferred for the treatment of infections in patients who are known to be allergic

Cross-resistance with other members of the macrolide group is minimal.

**Toxicity, Side-effects and Contra-indications** - Toxicity is not a serious problem with any erythromycin preparation, but jaundice has been reported when the estolate has been given for periods of more than 14 days. Since most infections will respond to shorter courses this potential risk is minimal and should not preclude its use.

Side-effects produced with the base or stearate than with the estolate and are

BURROUGHS WELLCOME & CO. LONDON  
(The Wellcome Foundation Ltd.)

**from day  
sedation  
to night  
hypnosis**

**The value of NEMBUTAL.** The harassed housewife who needs light sedation during the day; the stress-loaded businessman who cannot get to sleep; the true insomniac . . . all these are candidates for Nembutal therapy. A small dose of Nembutal t.d.s. helps to smooth out life's rough edges, calming the patient and helping them to face life's problems rationally. Where insomnia is due to mild tension, a slightly larger sedative dose is often enough to let the patient drift into a natural sleep. Larger hypnotic doses bring sleep to even the most stubborn case.

**The qualities of NEMBUTAL.** It is rapid in onset, and has a duration of action of about 4 to 6 hours, which lessens the possibility of hangover. It may be used for any degree of CNS depression, from mild sedation to deep hypnosis, by adjusting the dose.

Nembutal is available in three strengths 30 mg ( $\frac{1}{2}$  gr), 50 mg ( $\frac{3}{4}$  gr), 100 mg (1½ gr) also as Elixir containing approx. 20 mg/5 ml. For daytime sedation: One 30 mg capsule t.d.s. (One 50 mg

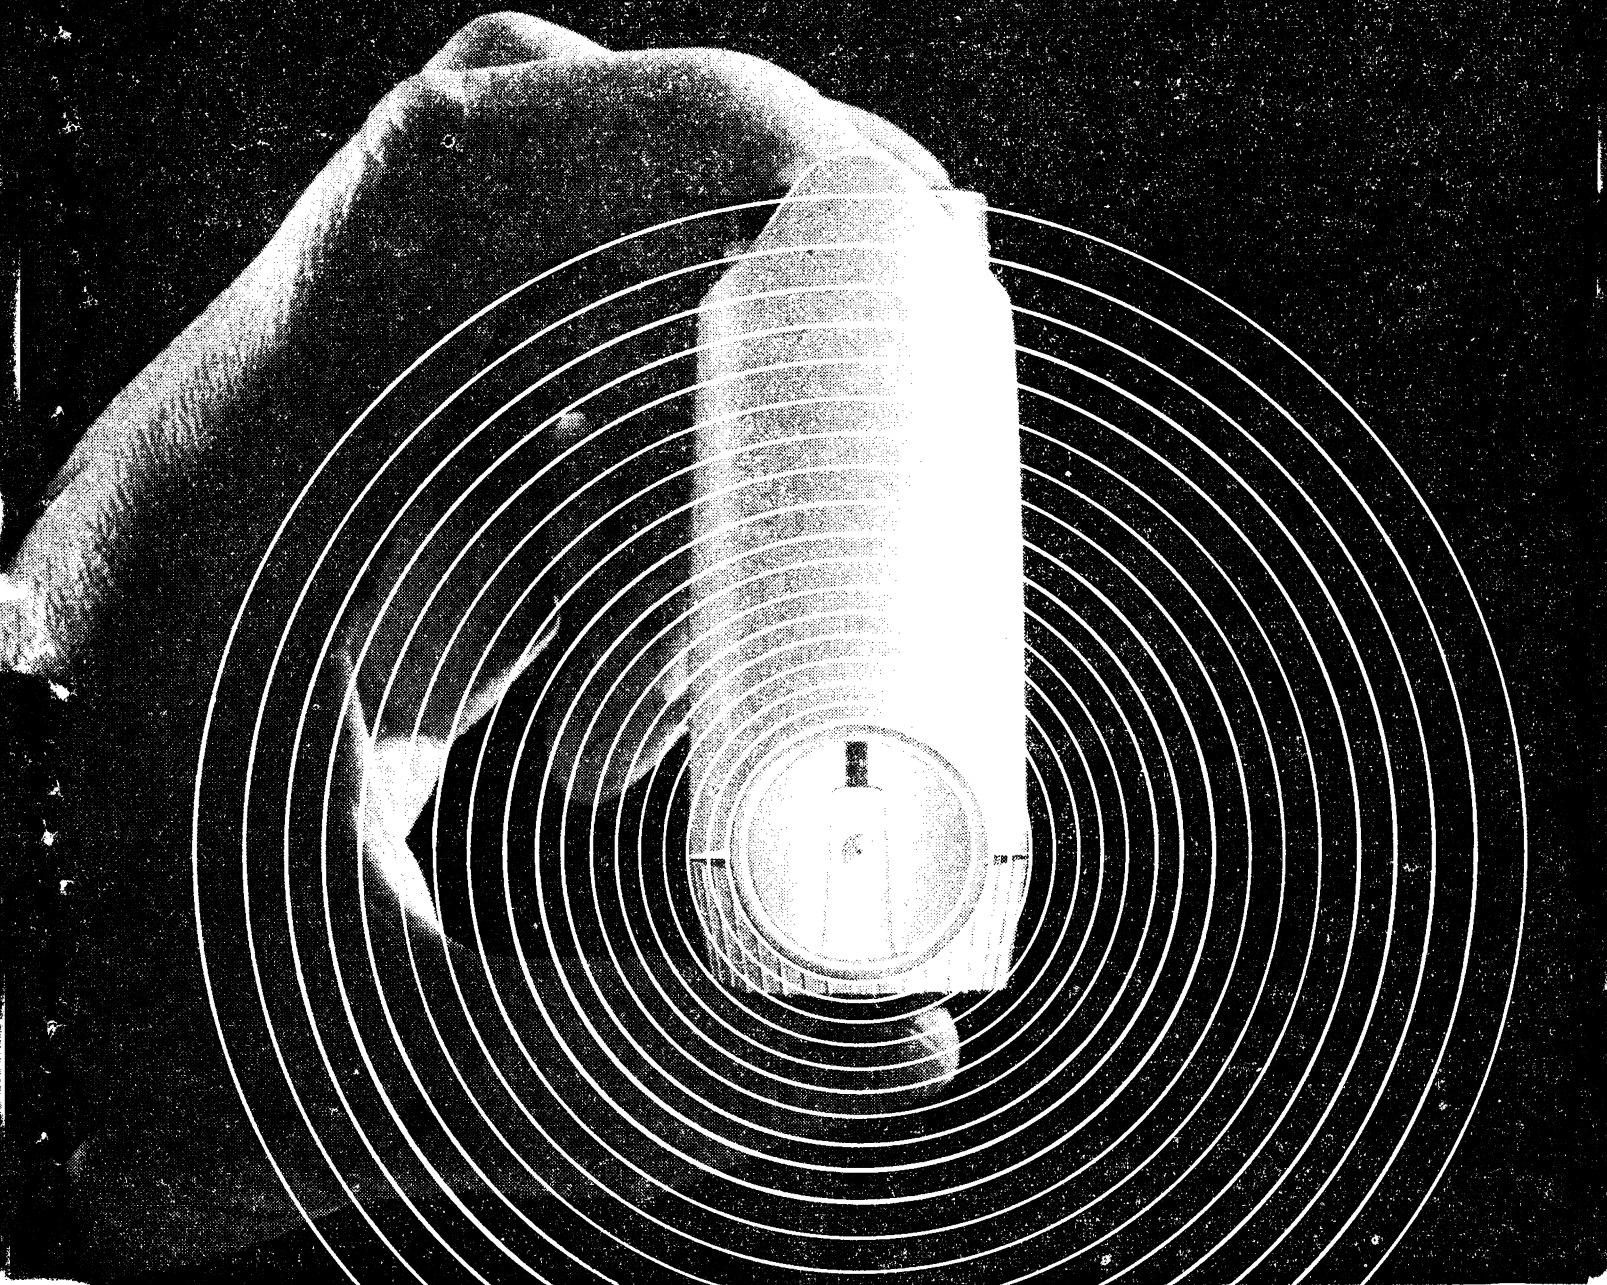

capsule t.d.s. if required). As an aid to natural sleep: One 50 mg capsule nocte. For hypnosis: One (or two) 100 mg capsules nocte (up to four capsules for basal hypnosis).

# Nulacin and only Nulacin provides intragastric milk-alkali drip therapy for the ambulant patient

*"In view of the ineffectiveness of most of the tableted antacids, the milk-alkali tablet (Nulacin) would appear to be the antacid of choice for ambulatory therapy."*

Med. Times, N.Y., 1958, 1, 74

## Safe, Simple, Effective

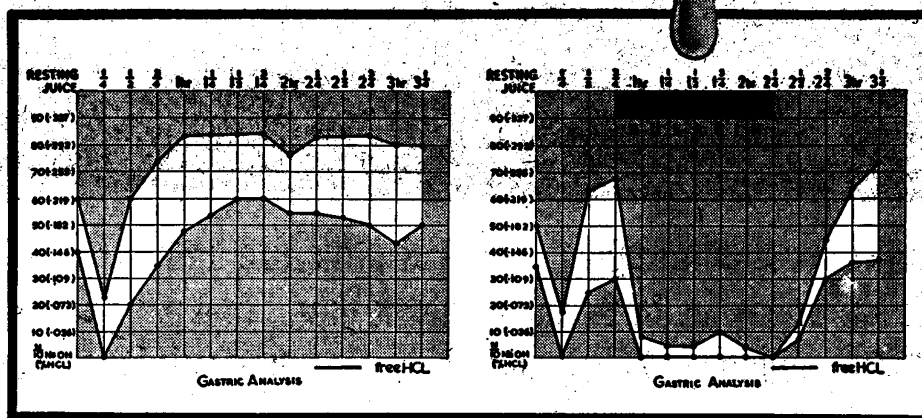

NULACIN TABLETS provide a safe, simple and effective treatment of peptic ulcer.

In treating peptic ulcer a Ryles tube may be passed through the nose and into the oesophagus and a mixture of milk and antacid allowed to flow continuously over the affected area. This form of therapy can only be employed in those patients who are in bed and for the ambulant patient Nulacin tablets are preferable.<sup>1</sup> Nulacin tablets are prepared from whole milk combined with dextrins and maltose, together with the trisilicate, oxide and carbonate of magnesium and calcium carbonate. Nulacin tablets when allowed to dissolve slowly in the mouth provide milk-alkali drip therapy. In fact, Nulacin tablets have revolutionized the treatment of peptic ulcer.<sup>2</sup>

MADE IN  ENGLAND

WESTMINSTER LABORATORIES LTD, LONDON N.W.1

## Durabolin

(Nandrolone Phenylpropionate, B.P.),  
25 mg. per ml. for intramuscular injection.  
1 ml. Orgaject disposable syringes,  
1 ml. ampoules and 4 ml. vials.

## Deca-Durabolin

(nandrolone decanoate), 25 or 50 mg. per ml.  
for intramuscular injection.  
1 ml. Orgaject disposable syringes and  
1 ml. ampoules.

Durabolin and Deca-Durabolin stimulate tissue-building and counteract nitrogen loss in many clinical conditions. The effect in osteoporosis and in advanced breast cancer is often marked, leading to an improvement in the patient's general condition, relief of pain and a regression of specific symptoms. Other conditions in which these preparations are useful include severe debility, post-operative catabolism, severe trauma, slow-healing fractures, burns and renal failure—in all these, the correction of an adverse nitrogen balance helps in the patient's recovery.

Durabolin is ideal for initial therapy: it is normally given at weekly intervals. Deca-Durabolin is a longer acting form which is ideal for maintenance therapy: it only needs to be given every three weeks.

### THE WORLD HEALTH ORGANIZATION GENEVA

invites applications  
for post of

#### SCIENTIFIC EDITOR

responsible for all stages of the processing of scientific manuscripts for publication, including assessment of material, checking for accuracy and consistency, ensuring clarity, concision and conformity with scientific and medical terminology, preparing tabular material, annexes, figures and bibliographies, and proof-reading. Also occasional writing of unsigned scientific articles, introductions, publicity texts, etc. Qualifications: University degree, preferably in medicine or in science, and the ability to write clearly. English mother-tongue. Experience of editorial work.

Initial two-year contract with one-year probationary period; initial salary \$7,460 a year, net of income tax, rising by annual increments to \$9,870, if work satisfactory; post adjustment; dependents' allowance and children's education grant; health scheme; pension fund; paid home leave every 2 years.

Short-listed candidates will be required to take an 8-hour written examination to be held in London (and possibly elsewhere) in March 1965. Detailed curriculum vitae should be sent to Chief, Personnel, WHO, Palais des Nations, Geneva, before 15 February 1965. Applicants who do not hear from WHO by 15 March 1965 should assume that they are not considered suitable for a post. (9810)

## UNIVERSITY AND RESEARCH APPOINTMENTS

(See also under "Oversea")

### INSTITUTE OF NEUROLOGY

(Queen Square)  
University of London  
(British Postgraduate Medical Federation)

Applications are invited from registered medical practitioners for the appointment of

#### SENIOR LECTURER

(Whole-time) or Consultant Status to the Department of Chemical Pathology, at the National Hospital, Queen Square, W.C.1. The appointment will be made from October 1, 1965, and will be for one year in the first instance. Salary scales within the range £2,480 to £3,585 according to qualifications and experience. Applications, with names of two referees, should be sent to the Secretary, Institute of Neurology, the National Hospital, Queen Square, London W.C.1, not later than February 27, 1965. (9212)

### MEDICAL RESEARCH COUNCIL

The Medical Research Council invite applications for the following special Scholarships for the academic year 1965-66:

#### ANGLO-FRENCH CLINICAL RESEARCH SCHOLARSHIPS

Under the terms of a reciprocal arrangement with l'Institut National de la Santé et de la Recherche Médicale, the Medical Research Council invite applications from British workers in medical science for two Anglo-French Clinical Research Scholarships tenable in France during the academic year 1965-66. The awards will ordinarily be restricted to British subjects resident in the United Kingdom who intend to make their future careers in medical research in the United Kingdom. Candidates must be medically qualified, be of registrar status, and should have a working knowledge of French.

The Scholarships will normally be of a minimum value of 1,400 francs (tax free) a month (approximately £1,200 a year), the exact rate depending on the candidate's age, qualifications and experience. Married men will receive a supplementary allowance of £250 a year (payable in sterling by the Council). Second-class travelling expenses to and from the place of work will be provided.

The Scholarships will ordinarily be tenable for one year but may be renewable for a second year subject to satisfactory progress. In special circumstances an award may be made for a shorter period than one year but for not less than six months.

Further particulars of these awards and forms of application may be obtained from the Secretary, Medical Research Council, 20 Park Crescent, W. London, with whom applications must be lodged not later than April 1, 1965. (9524)

### UNIVERSITY OF ABERDEEN Department of Anatomy

Applications are invited for post of

#### LECTURER

Salary on scale £1,400 to £2,600, with placing according to qualifications and experience. Superannuation (F.S.S.U.), and removal allowance.

Further particulars should be obtained from the Secretary, The University of Aberdeen, with whom applications (eight copies), should be lodged by March 6, 1965. (9764)

## APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy each of 3 recent testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

House Officers should submit a separate application for each post. Canvassing of members of the Board or Advisory Appointments Committee will lead to disqualification (Statutory Instrument 1950, No. 1259, N.H.S.)

### SALARY SCALES OF HOSPITAL MEDICAL STAFF

**HOUSE OFFICERS.** Each post in this grade shall be tenable for six months. £770 per annum for the first post held; deduction of £175 per annum for compulsory residence or of £220 per annum for voluntary residence;

£855 per annum for the second post held; deduction of £180 per annum for compulsory residence or of £220 per annum for voluntary residence; deduction of £190 per annum for compulsory residence or of £220 per annum for voluntary residence.

**SENIOR HOUSE OFFICERS.** £1,195 per annum on appointment at age 27 or under; £1,255 per annum on appointment at age 28 or over. Deduction of £210 per annum for compulsory residence and of £255 per annum for voluntary residence.

**REGISTRARS.** £1,425 in the first year; £1,595 in the second and any subsequent years. Deduction of £255 per annum for compulsory residence and of £300 per annum for voluntary residence.

Allowances at rates up to £115 per annum shall be payable to house officers, senior house officers, and registrars occupying posts approved for such allowances in peripheral hospitals.

**SENIOR REGISTRARS.** £1,710 by £115 to £1,940 in the third year; by £110 to £2,050 in the fourth year; thereafter, £2,165 in the fifth and sixth years; £2,280 in the seventh and eighth years; £2,395 in the ninth and any subsequent years. Deduction of £295 per annum for compulsory residence and of £325 per annum for voluntary residence.

**MEDICAL ASSISTANTS.** £1,650 by £90 (14) to £2,910. For those with remuneration at or below the third incremental point (£1,920) of the scale, deduction of £295 per annum for compulsory residence and of £325 per annum for voluntary residence. For those with higher remuneration, deduction of £330 per annum for compulsory residence and of £375 per annum for voluntary residence.

**CONSULTANTS.** £2,910 by £170 (8) to £4,270; then after second year at £4,270 one further increment of £175 to £4,445. Deduction of £410 per annum for compulsory residence and of £460 per annum for voluntary residence.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff. Memoranda on the following subjects of particular interest have been issued by the Ministry of Health:

Standard of Residential Accommodation, Telephone Charges, Removal Allowances, Locum Service, Study Leave.

Further details may be obtained on application either to the Hospital Secretary or to the Secretary, British Medical Association. (29/12/64)

### THE UNIVERSITY OF MANCHESTER

Applications are invited from candidates with medical qualifications registrable in this country for the post of

#### ASSISTANT LECTURER or DEMONSTRATOR IN PATHOLOGY

Previous experience of pathology is not essential and the successful applicant will take part in the general activities of the Department of Pathology, including participation in the morbid anatomy service of the Manchester Royal Infirmary. Opportunities will be available for research. Salary scales per annum: Assistant Lecturer, £1,305 to £1,805; Demonstrator, £1,200 to £1,360. Initial salary and status according to qualifications and experience. Membership of the F.S.S.U. Applications should be sent as soon as possible, but not later than February 27, 1965, to the Registrar, the University, Manchester, 13, from whom further particulars and forms of application may be obtained. (9261)

### UNIVERSITY OF NEWCASTLE UPON TYNE

#### THE MEDICAL SCHOOL AND THE UNITED NEWCASTLE UPON TYNE HOSPITALS

Applications are invited for the post of **TEMPORARY DEMONSTRATOR** in the Department of Microbiology which is a joint Hospital/University Department housed in the Teaching Hospital (Royal Victoria Infirmary) and partly in the University.

In the first instance the appointment will be for one year and renewable annually up to three years. Subsequently a suitable Demonstrator may be offered a further extension to complete the period of training required for the M.C.Path. The successful applicant will also assist in teaching and be encouraged to undertake research.

Salary will be at the appropriate point on one of the following scales according to age, qualifications and experience:

Demonstrators: £1,200 by £1,750

Senior Demonstrators: £1,530 by £1,530

Applications, giving full name, age, qualifications and experience, together with the names of two referees, should be addressed to the Assistant Registrar, The Medical School, University of Newcastle upon Tyne, as soon as possible. (9587)

### THE UNIVERSITY OF LIVERPOOL

Applications are invited from graduates in medicine for the post of

#### RESEARCH ASSISTANT in the Department of Histology

at a salary of £900 to £1,200 per annum. Experience of tissue culture, though not essential, would be advantageous; there will be opportunity to work for a higher degree.

Applications, stating age, qualifications and experience, together with the names of three referees, should be received not later than February 27, 1965, by the Registrar, from whom further particulars may be obtained. Please quote Ref. CV/442/B.M.J. (9650)

### THE WELSH NATIONAL SCHOOL OF MEDICINE

(University of Wales)

#### LECTURER IN SOCIAL MEDICINE

Applications are invited for the appointment of Lecturer in Social Medicine in the Department of Social and Occupational Medicine.

Applicants should have some experience of epidemiological research.

The successful candidate will be expected to participate in current departmental researches (congenital malformations, and bronchitis in the steel industry) and to develop a research interest of his own. He will also be expected to play an active part in undergraduate and postgraduate (particularly D.P.H.) teaching.

Salary will be within the scale of £1,410 by £110 to £1,740 by £115 to £2,200 by £110 to £2,750 with participation in the Superannuation scheme.

Applications (12 copies), with the names and addresses of three referees, should be submitted within three weeks of the appearance of this advertisement, to the Secretary, 34 Newport Road, Cardiff, from whom further particulars may be obtained. (9651)

**THE UNIVERSITY OF LIVERPOOL**  
Faculty of Medicine  
Department of Anaesthesia

A course of postgraduate instruction in Anaesthesia, limited to 12 students, will be conducted at the University of Liverpool, lasting for one academic year commencing on October 1, 1965. Those accepted for this course not in receipt of financial support will be directed to apply for available remunerated posts in hospitals for their practical training. The course gives theoretical and practical instruction to students intending to sit for the Fellowship of the Faculty of Anaesthetists. Those who wish to remain on the course for two years. The decision as to this may be taken after the results of their first attempt at the Primary F.F.A. are known. The students are divided into two groups, namely those studying for the Primary examination in the basic sciences, and those for the Final. The fee for the course is £90 per annum. Application forms may be obtained from the Professor of Anaesthesia, Department of Anaesthesia, 46 Bedford Street North, Liverpool 7, and should be returned not later than February 22, 1965. (9630)

**THE UNIVERSITY OF SHEFFIELD**

Courses of instruction for the Diplomates (of the English Conjoint Board) in Medical Diagnostic Radiology (D.M.R.D.) and Therapeutic Radiology (D.M.R.T.) will commence in October, 1965. The courses will cover a period of two years of continuous study, and the fee for each course is £75. Applications to attend should be sent to the Director of Postgraduate Clinical Studies, Faculty of Medicine, The University, Sheffield 10. (9627)

**UNIVERSITY OF BRISTOL**

**Residential Course in Child and Family Guidance**

Burwalls, April 7 to 13, 1965  
The purpose of this course is to provide for doctors working in Public Health and School Medical Departments, and for general practitioners, an introduction to present ideas in child development. The commoner psychiatric problems found in children and methods of helping them and their families will be discussed, also the way that the team can provide support for schools and community services. Membership of the Course will be strictly limited and early application is desirable. The inclusive charge is £24. N.H.S. practitioners with at least 500 patients (or 250 in rural areas) and their Assistants, may attend the course without paying a course fee but they will be asked to pay £13 for residency (this may be reclaimed from the Ministry of Health together with travelling expenses and locum fees on form G.P.R.C. 3 which will be sent to practitioners when they have been accepted for the course). Further particulars and forms of application from the Department of Extra-Mural Studies, 20a Berkeley Square, Bristol 8. (9629)

**UNIVERSITY OF OXFORD**

**COMMITTEE FOR POSTGRADUATE MEDICAL STUDIES**

Psychiatry Courses in the subjects of Parts I and II of the D.P.M. are being held from March 29 to April 9, as announced in the B.M.J., December 19, 1964. Early application for remaining places to Director of Postgraduate Medical Studies, Osler House, 43 Woodstock Road, Oxford (9678)

**MEETINGS**

**LONDON JEWISH HOSPITAL**  
Stepney Green, E.1

**CLINICAL MEETING**  
Sunday, February 14, 1965

Cases in Out-patient Department at 10 a.m. Discussion in Nurses' Lecture Room at 11 a.m. to 12 noon. Members of the London Jewish Hospital Medical Society, local general practitioners, senior medical students and any other doctors who are interested are most cordially invited. Meetings arranged every second Sunday in the month until further notified. (9581)

**DOCTORS ABROAD.** Copies of vacancies advertised in the "Journal" can be sent by AIR MAIL. The minimum cost is 3s. per week which covers up to five separate headings; additional headings 1s. each. Orders for specific grades cannot be accepted.

**SCHOLARSHIPS**

# INITIAL SERVICES SCHOLARSHIPS

Applications are invited for the following scholarships: Diploma in Public Health and Diploma in Industrial Health. Full time courses of instruction, at the Royal Institute of Public Health and Hygiene, commences on March 12, 1965. Applicants should be in receipt of grants from other sources and should be addressed to:

The Secretary,

The Royal Institute of Public Health and Hygiene,

28 Portland Place, London W.1.

Each scholarship covers Tuition Fees, Examination Fees, plus ten guineas for the purchase of necessary text books. Applications must be received by February 22, 1965.

(9744)

**LONDON SCHOOL OF HYGIENE AND TROPICAL MEDICINE**  
(University of London)

**COURSE IN OCCUPATIONAL HEALTH**  
A whole-time course in Occupational Health will be held at the London School of Hygiene and Tropical Medicine from September 20 to December 17, 1965.

For those who hold either a D.P.H. or have the necessary experience in industrial medicine, the course provides the additional requirements for entry to a D.I.H. examination. A limited number of fellowships may be offered to candidates on the course who are without previous experience in industrial medicine, who require practical training in industry. On completion of the fellowship the candidate would be eligible to sit for a D.I.H.

The fee, including registration fee of £4 4s. is £37 10s. The number of students is strictly limited. Applications should be made as soon as possible, and in any case not later than April 1, to the Registrar, London School of Hygiene and Tropical Medicine, Keppel Street, London W.C.1., from whom further particulars may be obtained. (9677)

**UNIVERSITY OF ST. ANDREWS**  
Faculty of Medicine

The University offers courses leading to (a) **DIPLOMA IN INDUSTRIAL HEALTH** Instruction will be given in Queen's College, Dundee, and extends over one academic year. The first two terms will be similar in content to the course leading to the Diploma in Public Health. Applicants who already possess the Diploma in Public Health may be excused the first two terms.

Fee for the D.I.H. Course will be £75.

(b) **CERTIFICATE IN INDUSTRIAL HEALTH**

The University will grant a Certificate in Industrial Health (C.I.H.) the period of study for which will be one term, commencing April, 1966. The course offered will consist of systematic clinical and practical instruction in occupational health.

Fee for the C.I.H. Course will be £25.

**LEVERHULME FELLOWSHIPS**  
Applications can now be considered for the award of a number of Leverhulme Fellowships to enable candidates to take the above courses. Fellowships of £300 are available for the C.I.H. course and of £600 for the whole year D.I.H. (not the shortened D.I.H. available to candidates with a D.P.H.).

Full information and forms of application may be had from the Dean of the Faculty of Medicine, Queen's College, Dundee. (9763)

**UNIVERSITY AND RESEARCH APPOINTMENTS****INSTITUTE OF DIRECTORS' MEDICAL CENTRE****BRITISH HEART FOUNDATION RESEARCH FELLOW**

This is a new Research Fellowship granted to the Institute of Directors by the British Heart Foundation, to investigate the epidemiology and prevention of cardiovascular disease in business executives.

The Fellow will work mainly in the Institute of Directors' Medical Centre and be formally associated with the Department of Occupational Health at the London School of Hygiene and Tropical Medicine.

Opportunities for clinical work and teaching; the work could lead to a higher degree by thesis and to a career appointment in occupational health or social medicine.

Applicants should have a background of clinical cardiology and an interest in epidemiology. The appointment is for 2-3 years in the Lecturer/Registrar grade, with a salary of up to £2,500. Application form and further details from:

**THE DIRECTOR • INSTITUTE OF DIRECTORS' MEDICAL CENTRE**

**10 BELGRAVE SQUARE • LONDON SW1**

Forms of application, from Dr. R. Glyn Thomas, Senior Administrative Medical Officer, Liverpool Regional Hospital Board, 55 Castle Street, Liverpool 2, to be returned not later than February 20, 1965.—Vincent Collinge, Secretary to the Board. (9747)

LIVERPOOL REGIONAL HOSPITAL  
BOARD

Applications are invited for the post of **REGISTRAR IN PSYCHIATRY** for work at the Acute Psychiatric Unit in St. Catherine's (General) Hospital and Priory Day Hospital, Birkenhead. This post is recognized for the D.P.M., and opportunity will be afforded for attendance at lectures at the Liverpool University. Whilst basic experience can be gained in this situation, it is proposed to associate this post on a rotational basis with the major psychiatric centre at Dux and Moston Hospitals, Chester. Specialized units are available here in adolescent psychiatry, addiction, electroencephalography and industrial therapy, and further experience can be gained in any of these particular fields.  
Forms of application, from Dr. R. Glyn Thomas, Senior Administrative Medical Officer, Liverpool Regional Hospital Board, 55 Castle Street, Liverpool 2, to be returned not later than February 20, 1965.—Vincent Collinge, Secretary to the Board. (9748)

Applications, stating age, qualifications, experience, nationality, and the names and addresses of three referees, to be sent to the Group Secretary, Lancaster Moor Hospital, Lancaster. (9375)

NEWCASTLE REGIONAL HOSPITAL  
BOARD

**REGISTRAR PSYCHIATRIST**  
whole-time, for Department of Psychological Medicine, Newcastle General Hospital. The department is under the clinical direction of the Professor of Psychological Medicine, University of Durham, and is the principal postgraduate training centre for the Region. Good experience and training in psychiatry is offered. Facilities are available for the appointee to take the Durham University D.P.M. course. Post available immediately.  
Applications, with names and addresses of three referees, to S.A.M.O., Newcastle Regional Hospital Board, Benfield Road, Newcastle upon Tyne 6, within 14 days. (9508)

NEWCASTLE REGIONAL HOSPITAL  
BOARD

**LOCUM REGISTRAR PSYCHIATRIST**  
whole-time, resident, for St. Luke's Hospital, Middlesbrough (530 beds). Appointment offers good experience and training in psychiatry. Post available from March 22 and will continue for 13 weeks. Single accommodation available.  
Applications, with names and addresses of three referees, to S.A.M.O., Newcastle Regional Hospital Board, Benfield Road, Newcastle upon Tyne 6, within seven days. (9465)

NEWCASTLE REGIONAL HOSPITAL  
BOARD

Applications are invited for **REGISTRARS IN PSYCHIATRY** for duties at Winterton Hospital, Sedgefield, Co. Durham. This large County Psychiatric Hospital is reducing its overcrowding and increasing its medical staffing. All types of treatment are carried out and there is a purpose built modern treatment unit. The amount and range of clinical material provides excellent experience. There are opportunities for research. The hospital is divided into three sections: run by three teams headed by consultants each providing continuity of care for patients of both sexes from a geographical area of the county. There are departments of Pathology, Pathology, E.E.G. and Social Work. Industrial Therapy has been started. Duties include out-patient clinics at general hospitals. Teaching includes close consultant supervision, attendance at the Newcastle D.P.M. Course, regular local teaching sessions and an active clinical society. Various types of residential accommodation are available.  
Further particulars from the Medical Superintendent at Winterton Hospital.  
Applications, with names and addresses of three referees, to S.A.M.O., Newcastle Regional Hospital Board, Benfield Road, Newcastle upon Tyne 6, within 14 days. (9466)

**ADMINISTRATIVE****MEDICAL RESEARCH COUNCIL**

The Medical Research Council invite applications from medical or scientific graduates with good honours degrees aged between 28 and 35 years and interested in administrative aspects of research, for a vacancy in one of the Medical Divisions of their headquarters office.

The Council, whose funds are provided through a Parliamentary grant-in-aid now approximately £84 m. annually, sponsor an extensive programme of research, both at home and abroad, in their own establishments and at many hospitals, universities and other institutions.

The duties of the staff of the headquarters' Medical Divisions include maintaining liaison with members of the scientific staff and others active in medical research, committee and conference activities and work in the fields of Parliamentary affairs, public relations and publications.

The post at present vacant is within the Division concerned mainly with radiobiology, industrial medicine, toxicology, tropical medicine, nutrition, infectious diseases, immunology, and microbiology, molecular biology, and biophysics, services research, experimental genetics and temporary research grants and training awards, but there will be scope for acquiring experience in the administration of other fields.

Applicants should be interested in administration, and in the opportunity of keeping in touch with the latest developments in medicine and the biological sciences. The present salary scale in the age range 28 to 35 is £2,046 to £2,569, rising subsequently to £3,470 per annum for medically qualified staff, and from £1,916 to £2,528 with the possibility of eventual promotion to a scale rising to £3,410 per annum for scientifically qualified staff, with provision for superannuation. The appointment will be to the Council's established staff subject to satisfactory completion of a probationary period of two years.

Applicants should write (giving full details of education, qualifications and experience with the names and addresses of two professional referees) to the Personnel Officer, Medical Research Council, 20 Park Crescent, London W.1, before February 22, 1965, quoting ref. E2/207. (9446)

**COMMERCIAL  
APPOINTMENTS****CALMIC****APPOINTMENT OF MEDICAL ADVISER**

Calmic Limited, an associate of The Wellcome Foundation Limited, are seeking a Medical Adviser. This is a new, permanent post, based at the Company's headquarters in Crewe. It offers a unique opportunity for a young doctor who wishes to make a career in an expanding pharmaceutical company.

The duties will consist in the main of dealing with medical information, advising on the preparation of medical copy, the arranging of clinical trials and participating in the development of the Company's medical representatives. An opportunity will exist at a later date for travel overseas. A higher qualification is desirable but not essential. However, a candidate with the potential to obtain a higher qualification during the first years of his employment would find the acquisition of such a qualification of obvious benefit. Salary will be in accordance with qualifications and experience. Contributory superannuation fund.

Applications, which will be treated in confidence, should be addressed to

THE SECRETARY,  
**CALMIC LIMITED,  
CREWE HALL,  
CREWE** (9697)

**O'OKIEP COPPER COMPANY LIMITED**

NABABEEP, CAPE PROVINCE, SOUTH AFRICA

**MEDICAL OFFICER REQUIRED**

The O'okiep Copper Company Limited invites applications from suitably qualified medical practitioners with not less than three years postgraduate experience for the position of Assistant Medical Officer at the Company's mining property at NababEEP, in Namaqualand, Cape Province, South Africa. The appointee will be one of five doctors responsible for the medical care of the Company's employees and their families.

Salary, £3,000 per annum, plus a free house with basic furniture.

The Company will provide first class air or sea passages for the appointee and his family, plus freight for a reasonable amount of personal effects from port of embarkation to NababEEP. The Company will refund reasonable expenses actually incurred while in transit to NababEEP, and will pay the appointee a salary at the above-mentioned rate while he is travelling, up to a maximum of seven days.

All such travelling expenses and allowances will be refundable by the appointee if he leaves the Company's service within twelve months of assuming duty.

Membership of the Company's Pension and Medical Aid plans is compulsory. Life insurance of approximately £6,000 is provided free of cost to the employee. Paid leave of 28 days per annum is granted with leave bonus of £55.

Limited private practice is permitted.

The appointee will be responsible for complying with all immigration formalities, including the obtaining of permission to work in South Africa, and he must also obtain registration with the Medical Association of South Africa immediately on arrival, to enable him to practise medicine in the Republic of South Africa.

The Company's property consists of three villages about 360 miles north of Cape Town. Mains electricity and water are provided to all homes—also water-borne sanitation.

A wide variety of sporting and recreational facilities are available; also schooling, hospital and all normal services.

The climate is pleasant and exceptionally healthy; and working conditions are congenial.

Particulars of age, qualifications and experience should be sent to:

**The Appointments Officer, C5/65,**

**Mine Employment Department,**

**Selection Trust Limited,**

**Mason's Avenue, London E.C.2.**

(9712)
