

* Ruptured Intervertebral Disc and Sciatic Pain, "Journal of Bone and Joint Surgery," 29, 429-437 (April, 1947).

A SPENCER SUPPORT for Intervertebral Disc

In both conservative and surgical treatment of intervertebral disc, application of a back support is usually indicated.* We invite the surgeons' investigation of Spencer as an adjunct to treatment. Each Spencer is *individually designed, cut and made* for each patient—after a description of the patient's body and posture has been recorded and detailed measurements taken. Thus, individual support requirements are accurately met. The Spencer Spinal Supports shown incorporating rigid Spinal Brace were individually designed for both man and woman patients. Note exterior pelvic binder for added pelvic stability.

For further information and Brochure on Spencer Supports write to:

and MEDICAL PUBLICATIONS

held in conjunction with

133rd ANNUAL MEETING of the BRITISH MEDICAL ASSOCIATION

WILL BE OPEN FOR INSPECTION A

THE NEW UNIVERSITY COLLEGE OF SWANSEA

MONDAY 12th JULY - FRIDAY 16th JULY, 1965

9.0 a.m.—6.0 p.m.

The Exhibition is open to members attending the Annual Meeting

Ease her depression...calm her anxiety

Symptoms of mental distress rarely come singly.

'Aventyl' provides the comprehensive relief she needs.

Promptly, smoothly, 25 mg. t.i.d. will help to ease her depression and calm her anxiety—without serious side-effects.

'Aventyl' lends wings to troubled minds

nortriptyline (as the hydrochloride)

'Pulvules' of 25 mg. and 10 mg. Liquid 10 mg. per 5 ml., in bottles of 120 and 480 ml.

Eli Lilly and Company Limited Basingstoke England

'Doctor, I feel awful'

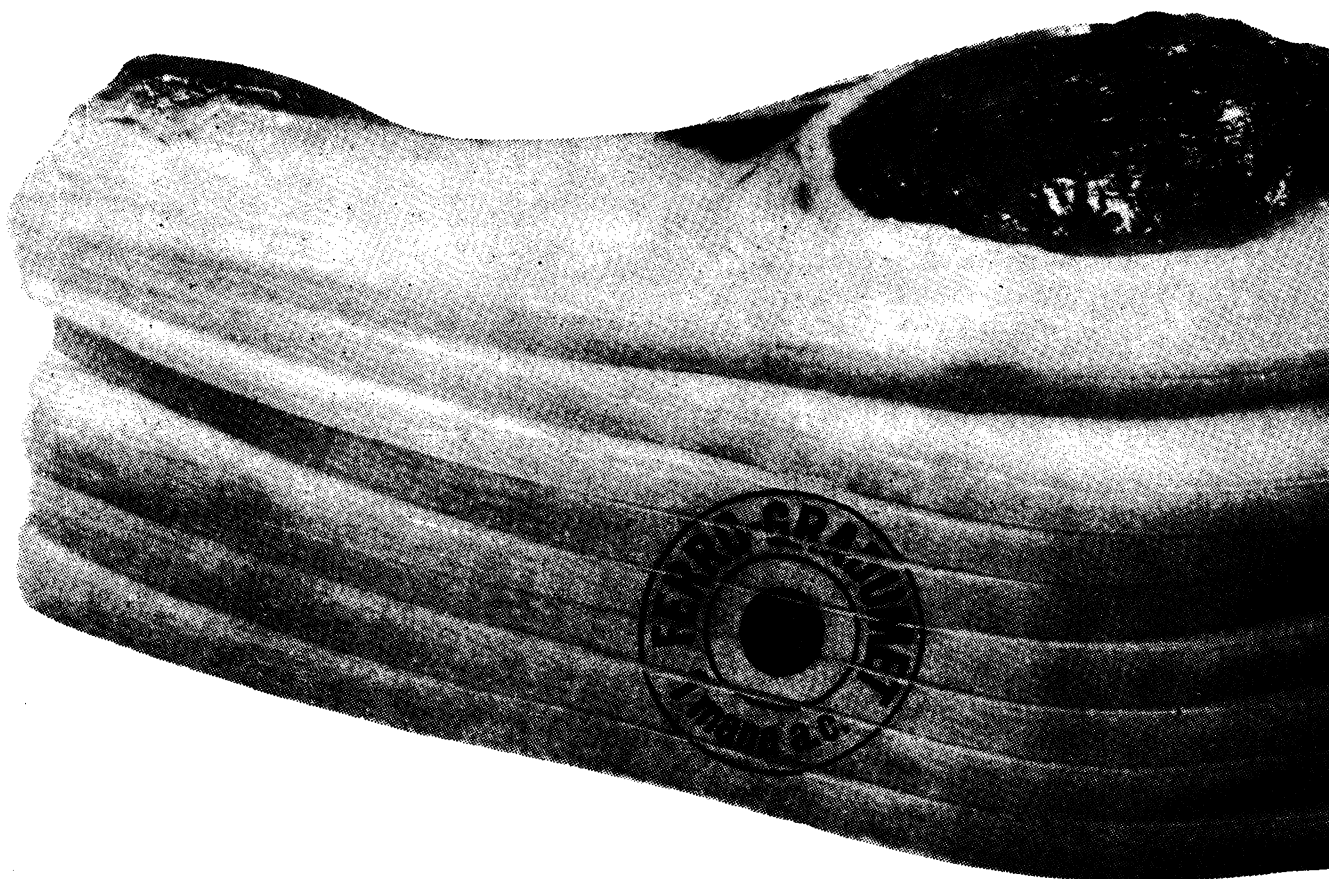

iron before breakfast

FERRO-GRADUMET®

To prescribe iron before breakfast would be asking for trouble with ordinary ferrous sulphate tablets. Even taken after meals and in divided doses, such tablets cause irritation and unpleasant side effects in many patients, often leading to the abandonment of therapy. But "One Ferro-Gradumet tablet before breakfast" is right. This once-daily haematinic is designed to be taken on an empty stomach. Because iron absorption is in inverse proportion to the amount of food present, just one tablet daily, taken before breakfast, gives steady, trouble-free assimilation of ample amounts of iron. Instead of a corrosively large dose of ferrous sulphate being released in the stomach, the contents of the Gradumet—a unique controlled-release vehicle which is independent of gastro-intestinal chemistry and motility—are slowly leached out over a period of hours throughout the gastro-intestinal tract.

Presentation Each red Ferro-Gradumet Filmtab® (film-coated tablet, Abbott) contains the exsiccated equivalent of 525 mg ferrous sulphate B P, providing 105 mg elemental iron—a sufficient daily dose for all cases of iron deficiency.

® Filmtab and Gradumet are registered trade marks of
ABBOTT LABORATORIES LIMITED • QUEENBOROUGH • KENT

ASERBINE FOR THE TREATMENT OF BURNS, VARICOSE ULCERS AND INDOLENT ULCERS

ASERBINE IS A NEW SUCCESSFUL, TOPICAL TREATMENT FOR BURNS, VARICOSE ULCERS AND OTHER INDOLENT ULCERS

Experience suggests that the chief uses of Aserbine are:

- 1 As a de-sloughing agent in the treatment of burns and especially in preparing an area for skin grafting.
- 2 As a treatment for varicose ulcers.
- 3 As a treatment for pressure-sores.

It is indicated for topical use for regrowth of epithelium and formation of granulation tissue in chronic lesions of the skin.

Aserbine is available as a cream and as a solution.

ASERBINE FOR BURNS

Thirty-four superficial and full thickness burns treated with Aserbine were described in a report which concluded that the new solution is an effective method of cleansing and promoting the healing of open wounds.¹

Aserbine has been successfully used in

conjunction with plastic surgery where it accelerates de-sloughing and prepares the burn for grafting.

"In cases where grafting has been necessary it was considered that the new lotion reduced the period before grafting."¹

One paper¹³ reported the treatment of 21 patients with Aserbine and concluded that it was easy to use. The authors particularly noted the absence of immediate or secondary reactions, the aseptic condition of the burns and the rapid epithelialization.

No destruction of living tissue was observed in a large series of cases.² In this series Aserbine cream was applied on the second day after injury and application was repeated twice daily. Early application of the cream quickly differentiated superficial from full thickness burns. Crusts and dead skin were removed with forceps before new cream was applied. The wounds were rapidly cleaned, good granulation

Photomicrograph of chronic ulcer of ankle.

tissue produced and grafting was successful.

A significant comment is made in the report of a trial carried out in this country on thirty-four children admitted to hospital with severe burns.

"It was proposed to carry out an initial investigation before proceeding to a clinical trial. Results have, however, demonstrated convincingly that the lotion is superior to treatment used in this hospital previously and we have therefore instituted the new lotion as routine treatment in all burn cases."¹

Aserbine keeps the burn aseptic, removes any dead tissue, encourages the formation of granulation tissue and the regrowth of epithelium.

ASERBINE FOR VARICOSE ULCERS

Varicose ulcers treated with Aserbine remain clean, slough is removed and there is an improvement in the formation of granulation tissue. In cases where plastic surgery is necessary Aserbine accelerates the de-sloughing process and prepares the area for grafting.

In one trial³, Aserbine was found highly successful in approximately half the 40 cases of leg ulcers treated, and promoted healing of all ulcers within a few weeks. Another published report⁴ included 19 patients with ulcer or trophic wounds, one with ecthyma and one with a pressure-sore. Eighteen of the ulcers showed a rapid, complete and successful healing without relapse. Only one case showed slower rate of healing than normal. This report describes Aserbine as a new and acceptable treatment for difficult ulcers and pressure-sores.

The following case history⁴ illustrates the treatment with Aserbine of a varicose ulcer on the right leg of a female patient. There was little granulation tissue and the size of the ulcer was 86 x 45 mm. Dressings were well tolerated, although a slight burning sensation was experienced 5-10 minutes after application. There were no other side effects.

Improvement was noticed in 15 days and by the 45th day the healing of the ulcer was almost complete.

1. Appearance of burnt leg showing slough after 5 days.

2. Prominent granulation tissue after treatment begun with Aserbine.

3. Wound almost healed after 28 days' treatment with Aserbine.

Stages in the treatment of a varicose ulcer with Aserbine showing the rapid process of healing.¹²

ASERBINE FOR INDOLENT ULCERS

Reports on the use of Aserbine in the treatment of varicose ulcers have stressed its value when dealing with indolent or "difficult" ulcers.^{3,4}

"It seems to have an antiseptic and healing action. It does not promote uneven healing but rather a progressive epithelialization from the edges of the wound. In some cases Aserbine promotes the formation of a scab under which healing progresses satisfactorily."³

One report⁴ refers to Aserbine as an acceptable treatment for pressure-sores.

There is a reference to pressure-sores in another report⁶ which states that the use of Aserbine, in conjunction with modern nursing methods, produces a marked improvement in the healing of sloughing pressure-sores in paraplegic and bed-ridden patients.

BACTERICIDAL AND BACTERIOSTATIC PROPERTIES

Aserbine has bactericidal properties and has been found effective against most common infective organisms. Aserbine is bactericidal against *E. Coli*, within 10 minutes, pyocyanea within 5 minutes, proteus vulgaris within 2½ minutes, staphylococcus aureus within 10 minutes and streptococcus pyocyanea within 10 minutes.⁵

Aserbine has been tested *in vivo* on burn cases and appears to have bacteriostatic and bactericidal potency.^{5,2}

SAFETY IN USE

No serious side effects have been experienced in patients treated with Aserbine.

An initial smarting sensation has been reported in some patients treated with the solution. The probable explanation is the presence of propylene glycol in the solution. It is not, however, regarded as a sensitizer, and there are no records of contact dermatitis due to propylene glycol. Aserbine solution may be described as a bland dressing which causes no skin sensitivity, no pain or inflammation of raw surfaces.¹³

Pyrexia is common in extensive burns treated with Aserbine cream. It has never been proved to be serious and is not associated with a positive blood culture. Localized urticaria at the periphery of the wound particularly where the exudate collects has been reported.

PRICE AND PRESENTATION

ASERBINE CREAM

Method of Application

Aserbine cream should be applied to the affected area once or twice daily.

Active Ingredients

Malic Acid Ester of propylene glycol	160 mg.
Malic acid	250 mg.
Benzoic acid	25 mg.
Salicylic acid in 100 G of cream	5 mg.

Presentation

Aserbine Cream is available in jars containing 100 G cream at a basic N.H.S. price of 12/- each subject to purchase tax.

ASERBINE SOLUTION

Method of Application

Aserbine solution is applied as a wet dressing and it is important to keep the dressing moist.

Active Ingredients

Malic Acid Ester of propylene glycol	5.25 G
Malic acid	7.65 G
Benzoic acid	0.75 G
Salicylic acid in 500 ml. of solution	0.15 G

Presentation

Aserbine Solution is available in bottles containing 500 ml. solution at a basic N.H.S. price of 15/- each subject to purchase tax.

**Are
all your diabetics
on diet alone
really controlled**

RASTINON

**IS THE FIRST CHOICE IN INITIATING
ORAL ANTIDIABETIC THERAPY**

For the maturity-onset diabetic whose blood sugar levels are inadequately controlled by diet, Rastinon provides control at normoglycaemic levels.

Given in divided doses after meals, Rastinon is rapidly absorbed and this ensures the maximum effect when the need is greatest. As hypoglycaemia is an exception with Rastinon, nocturnal hypoglycaemia will not present a hazard even with high doses.

Since side effects are few and minor the unsurpassed ratio of safety to effectiveness makes Rastinon the first choice for initiating oral antidiabetic therapy. Rastinon tablets each contain 0.5 g. tolbutamide B.P.

Alphosyl—today's most widely prescribed product used specifically for the treatment of Psoriasis

In case after case, Alphosyl's effectiveness in controlling psoriasis is repeatedly confirmed. Even in chronic and refractory cases outstanding results have been achieved despite the failure of all previous forms of therapy. Evidence of four recent clinical trials^{1,4,5,6} shows that from a total of 249 patients treated with Alphosyl, 111 were completely cleared, 80 were 75%–99% improved, 44 were 50%–74% improved and only 14 showed less than 50% improvement.

Why Alphosyl is so effective In Alphosyl, allantoin and a specially refined coal-tar extract were combined for the first time. Allantoin has been found to be particularly effective in loosening psoriatic scales,³ while the keratoplastic effect of coal-tar is well known.³ Alphosyl

is non-greasy and non-staining and vanishes on application. It is notably safe,^{1,3} being free from the risks which are found in other forms of treatment such as arsenicals, mercury, corticosteroids, x-ray, etc. It certainly deserves a trial in all cases of psoriasis.

New Alphosyl Cream Following the success of Alphosyl Lotion, this coal-tar allantoin combination is now available in Britain as a lubricating cream. The cream base has proved a particularly effective vehicle for Alphosyl as it incorporates a combination of free fatty acids (saturated and unsaturated) naturally occurring triglycerides, sterols and esters to give the lipid phase of the base a significant resemblance to the lipid array of normal human skin.⁶

Alphosyl Lotion formula—allantoin 2% + 90% alcoholic extract of coal-tar (5=1) 5% in a smooth, non-greasy lotion base.

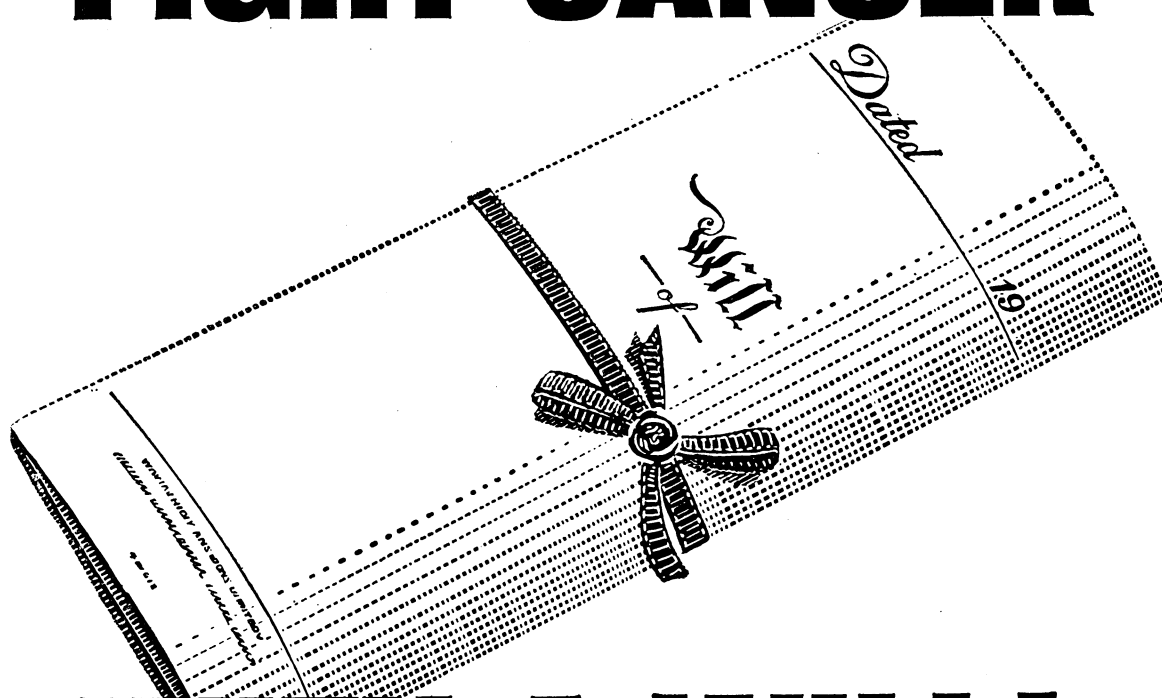

Alphosyl Cream formula—allantoin 2% + 90% alcoholic extract of coal-tar (5=1) 5% in a vanishing cream base.

FIGHT CANCER

WITH A WILL!

When you are consulted about bequests for medical work that deserves support, please remember the work of the Imperial Cancer Research Fund. Founded on the initiative of the Royal Colleges of Physicians and Surgeons, the I.C.R.F. is fighting all forms of cancer, including leukaemia, with every weapon of modern science in up-to-date laboratories. It has no official grants and is entirely supported by voluntary contributions. Will you please help—now?

How to word your Will

'I hereby bequeath the sum of.....pounds free of duty to the Imperial Cancer Research Fund, Lincoln's Inn Fields, WC2 for the purpose of scientific research, and I direct that the receipt of the Honorary Treasurer shall be a good discharge for such legacy'.

Patron:
H.M. The Queen

IMPERIAL CANCER RESEARCH FUND

LINCOLN'S INN FIELDS, LONDON WC2

The I.C.R.F. laboratories in Lincoln's Inn Fields rely entirely on public support. Research is costly. £750,000 is needed every year to continue the fight against human suffering. Will you help us to fight cancer with modern equipment and trained minds?

For Doctors.....

a new extended credit service from **BMF**

British Medical Finance (*established in 1936 with the co-operation of the B.M.A.*) has for many years provided credit facilities for Doctors at specially favourable rates.

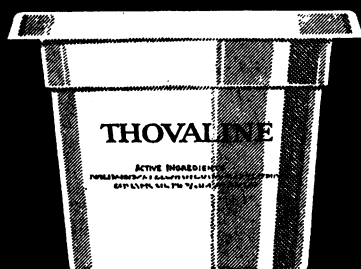

In addition to providing finance for special equipment for consulting rooms, furniture and cars, BMF have now extended these facilities to cover the installation of central heating, house redecoration and improvements, school fees and boats. Personal Loan finance can also be arranged for special projects outside the standard schemes. In fact, through BMF almost any major item of expenditure can be spread over a period. If you would like to know more about our services, please write to us.

PENICILLAMINE

as the D(-)isomer

the clinically preferred form of this orally-active chelating agent manufactured by **DISTA** for the treatment of hepatolenticular degeneration (Wilson's Disease) and management or investigation of other types of metallic intoxications.

Penicillamine is an amino acid containing a sulphhydryl group ($-SH$) and is so named because it was first identified following hydrolysis of penicillin.

The observation that patients suffering from liver disease excreted penicillamine in the urine after the administration of penicillin and the presence of the sulphhydryl group in the substance, some seven years ago led to our making penicillamine available as an oral chelating agent for experimental use.

Initially, it was employed in the clinical investigation of Wilson's Disease to remove excess of copper resulting from disturbed metabolism, and to-day penicillamine is recognised as the drug of choice in the management of this rare disease.

The D(-)isomeric form is preferred, both with regard to clinical efficacy and lack of side-effects.

Experience is now being gained in other fields, the most significant progress being made in the treatment of lead poisoning. Investigations have also been reported in mercury poisoning, macroglobulinaemia, cystinosis and cystinuria. A final evaluation cannot yet be made, but this unusually interesting drug, as a research tool, is worthy of trial in all divalent heavy metal intoxications.

Further details on these and other clinical conditions in which experience has been gained will be gladly supplied upon request.

D (-) Penicillamine hydrochloride is available as capsules containing 150 mg. in packs of 100.

Principles of Bone X-ray Diagnosis

second edition

by George Simon, M.D., F.R.C.P., F.F.R.

223 pages. 291 illus. 67s. 6d.

The second edition of an established volume for trainee radiologists, orthopaedic surgeons and doctors requiring to interpret the appearances of bone radiographs. Dr. Simon classifies the abnormalities shown on the x-ray, and then links the provisional or final diagnosis with the clinical findings—the obvious and logical procedure for the radiologist to follow. Fifty-three new illustrations have been added to this edition, many of conditions not included in the first edition, and others chosen to make it easier for the reader to memorize and understand the principles described in the text.

Clinical Surgery

Need Wendy have been born a spastic?

Every 8 hours a spastic is born in Britain. Another 1,000 or more will be born this year.

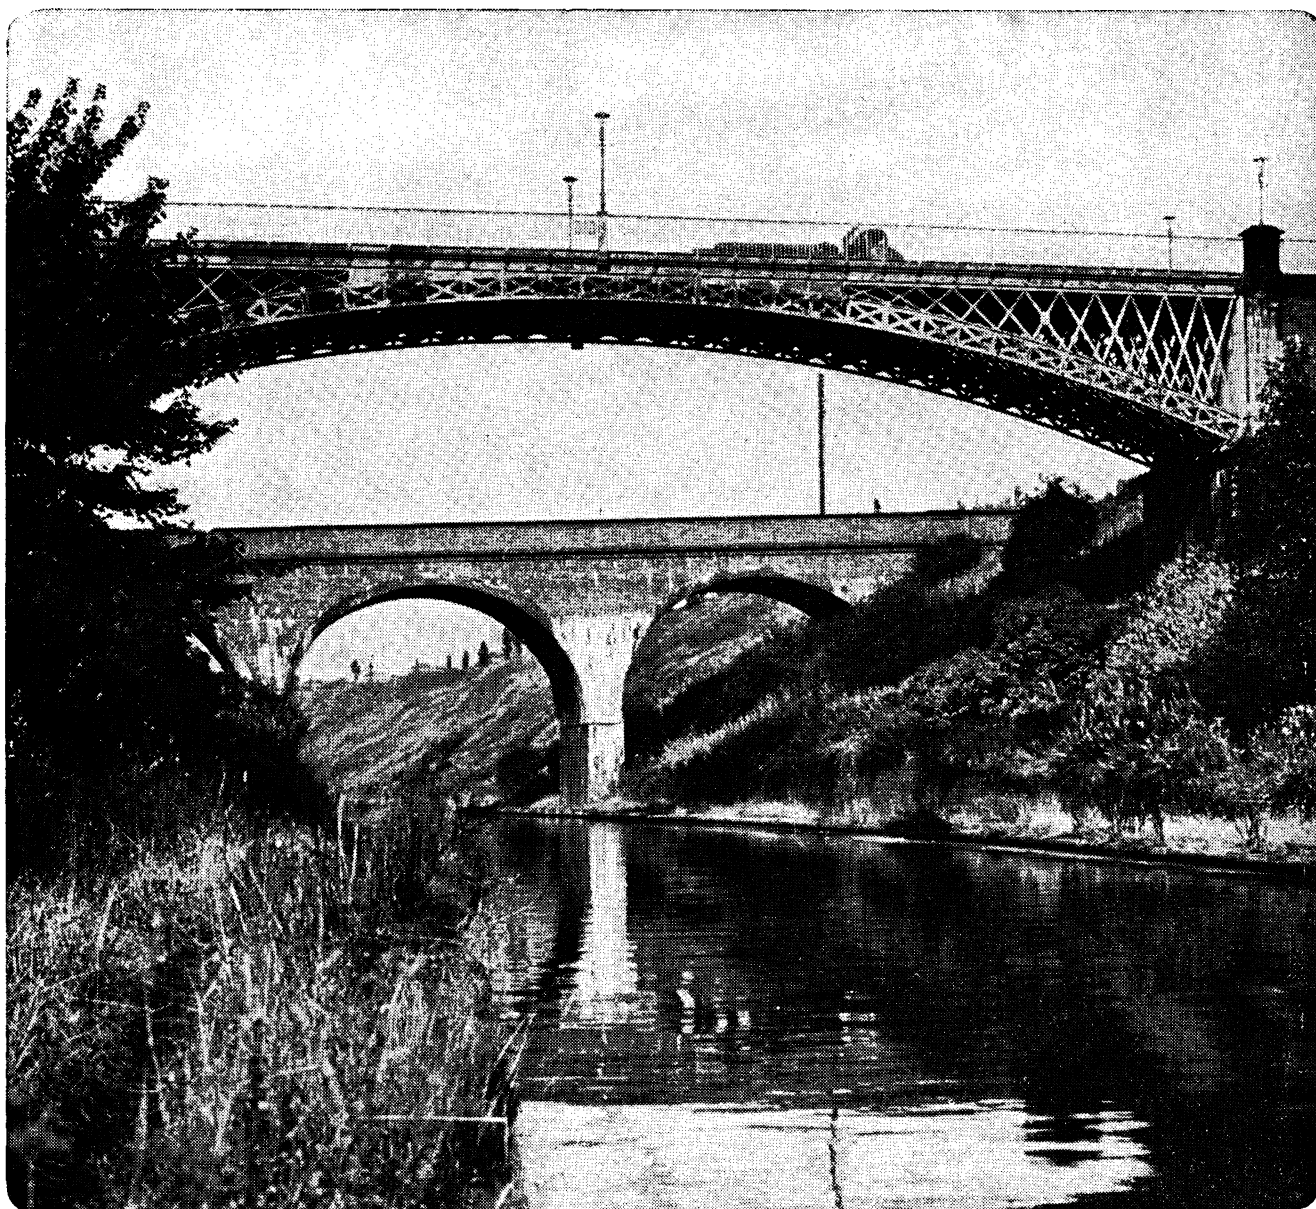

The Spastics Society is spending £200,000 a year on intensive research into the causes of cerebral palsy. Its child health research unit at Guy's Hospital is the most advanced in the world. Recent work there gives cause for hope that it may soon be possible to greatly reduce the high incidence of spastic births.

Until cerebral palsy can be prevented, the Society will continue to care for many of the 75,000 spastics in Britain to-day. With careful teaching many of them can be taught to compensate for their disability. Because such teaching is very costly the Society is desperately in need of funds. Your donation, legacy or covenant could help children like Wendy towards a normal life.

Give their courage practical support.

Box No. 30, The Spastics Society, 12 Park Crescent, London, W.1.

The cast-iron Galton Bridge at Smethwick was designed by Thomas Telford, and built in 1829. It carries the road over the Birmingham Canal.

SIDROS—FOR THE PATIENT DEFICIENT IN IRON

well tolerated iron compound plus reducing agent to aid absorption

In the treatment of iron-deficiency anaemia many iron salts can produce the desired increase in haemoglobin level. Some also have a tendency to produce side-effects, and there can be a great deal of wastage through non-absorption.

SIDROS is designed to overcome these disadvantages, and provides a reliable treatment for iron-deficiency anaemia.

Ferrous gluconate Each Sidros tablet contains 300 mg of ferrous gluconate which produces a highly satisfactory clinical response and is very well tolerated.

Ascorbic acid Sidros also contains stabilized ascorbic acid (30 mg per tablet) which is known to aid absorption by maintaining iron in the reduced state.

The basic NHS price of 100 Sidros tablets is 2/8 as dispensed from 1000 tablet bottle. Samples of Sidros are available on request.

SIDROS is effective, well absorbed, well tolerated and economical

'MIGRIL' MASTERS MIGRAINE

It is paradoxical that ergotamine, accepted as the most effective drug against the headache of migraine, may cause nausea and vomiting—two of the very symptoms of a migraine attack.

'Migril' successfully overcomes these symptoms by the inclusion of cyclizine hydrochloride, the rapid-acting and effective anti-emetic.

Each 'Migril' tablet contains:

Ergotamine tartrate, B.P.	2 mg.
Cyclizine hydrochloride, B.P.	50 mg.
Caffeine hydrate, B.P.	100 mg.

Burroughs Wellcome & Co. London
(The Wellcome Foundation Ltd.)

'MIGRIL' brand

Ergotamine Compound Tablets

Euvitol produces smooth and predictable central nervous system stimulation, prolonged in effect, which subsides gently without causing delayed fatigue or any form of hang-over. Unlike the amphetamines, Euvitol improves the mood and enhances vitality without the risk of over-stimulation. Consequently it can safely be given to patients who must carry on with the normal day-to-day activities.

- increases your patient's alertness and concentration.
- increases capacity for mental and physical effort.
- has no effect on blood-pressure or pulse rate.
- does not produce undesirable euphoria or rebound depression.

INDICATIONS Debility and fatigue, whether of a mental or a physical origin.

CONTRAINDICATIONS Hyperthyroidism; angina pectoris (as unnecessary exertion may be encouraged).

Increased life expectancy has created many new opportunities for a fuller life but has also brought about new problems.

Many of your elderly patients may be suffering from loss of weight, poor appetite, "spongy" bones, poor resistance to infection, and a feeling of apathy. These difficulties may be overcome by the administration of ORABOLIN—the oral anabolic agent.

Pharmacological and clinical studies have shown that

ORABOLIN

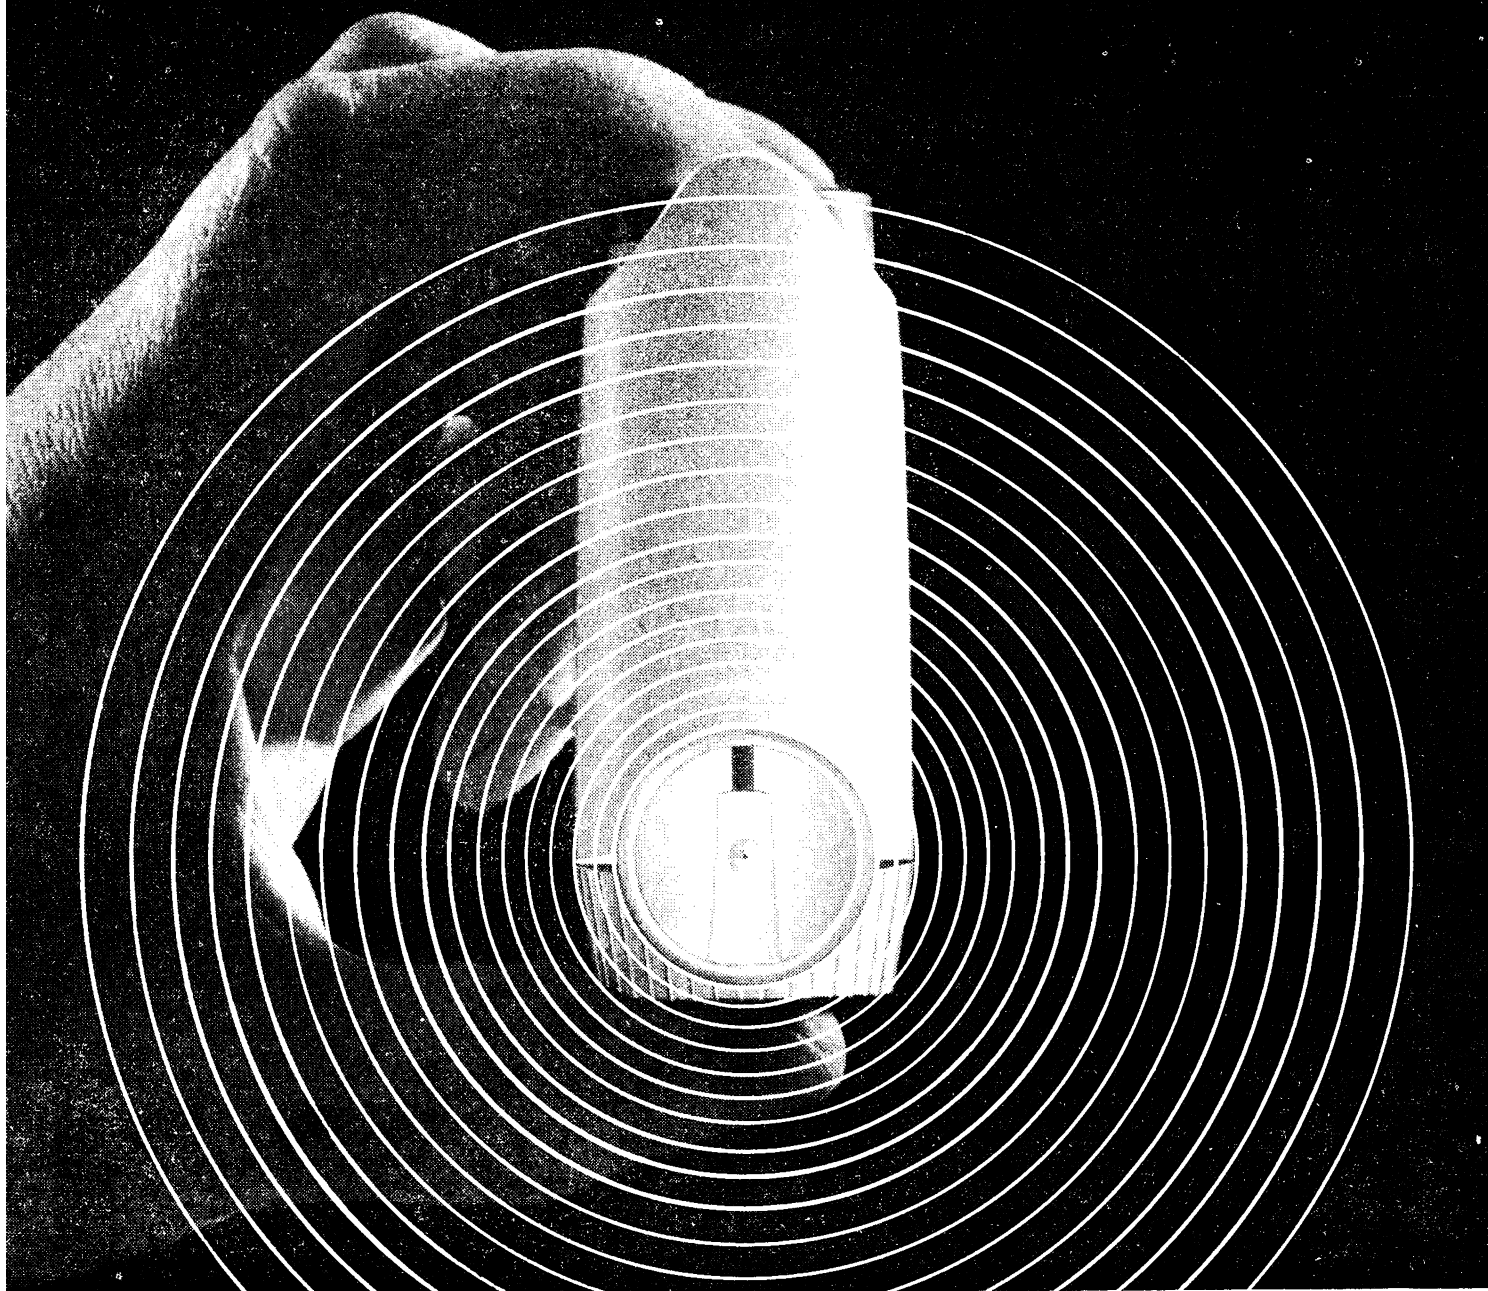

- Stimulates appetite
- Promotes weight gain
- Increases calcium and nitrogen retention
- Produces significant psychological improvement

"INSTANT BREATH"

In the asthmatic attack—profound relief in seconds

One or two inhalations from *Medihaler-iso* Forte can provide relief of bronchospasm comparable in speed and degree to that achieved by injection. Yet for the patient there is nothing simpler or more convenient to use whenever required. Each dose (0.4 mg. isoprenaline sulphate) contains over 85% by weight of particles between 2 and 7 microns in diameter—optimum for retention in the lungs. Treatment economy is assured because

each vial delivers over 300 doses at a cost of less than $\frac{1}{2}$ d. per dose.

Medihaler-iso Forte, *Medihaler-iso* and *Medihaler-epi* are now supplied with a new-style plastic oral adapter.

CREMOSTREP

'Sulfasuxidine', streptomycin, kaolin suspension

REGD

'Cremostrep' is a pleasantly-flavoured suspension of 'Sulfasuxidine' (succinylsulphathiazole), streptomycin and kaolin for the rapid control of many diarrhoeas.

Each 5 ml contains 0.5 G 'Sulfasuxidine', 0.05 G streptomycin, and 0.5 G kaolin. Detailed information is available to physicians on request. 'Sulfasuxidine' is a registered trademark.

MERCK SHARP & DOHME LIMITED, HODDESDON, HERTFORDSHIRE

These facts are true of only one oral contraceptive...

Ovulen (brand of ethynodiol diacetate with mestranol) is the only oral contraceptive with a progestin content of only 1 mg. per tablet. This very low dosage is accompanied by fewer side effects.

Ovulen* has a background of 12 years' research and clinical experience. It is made by Searle, who developed the first oral contraceptive.

upside down if you wish

Very few aerosol sprays work efficiently upside down: Remiderm spray does. Whatever the angle of the canister, an even coverage of triamcinolone acetonide and halquinol is ensured, so that the patient can apply effective treatment even to hard-to-reach areas.

Remiderm spray

Squibb

Remiderm trademark
E. R. Squibb and Sons Limited
Regal House, Twickenham,
Middlesex

Because of the small particle size of the aerosol, Remiderm spray penetrates to the skin over excessively hairy sites and the patient is spared the discomfort of applying ointments or creams to a painful lesion. Moreover, the even coverage provided by Remiderm spray makes it extremely economical in use, especially over extensive areas or widely scattered lesions.

Remiderm spray:
triamcinolone acetonide 4.95 mg. and
halquinol 31.2 mg. in a 75 gm. canister,

GRIP ALONE IS NOT ENOUGH!

NEW Firestone F7

gives you the strength behind the grip!

Grip is important but grip alone is not enough: it's the strength behind the grip that counts. The world's finest grip is of little use if the carcass won't stand up to the strain or if the tread wears out too quickly. There's more to a tyre than grip alone: you need grip plus strength.

Firestone development engineers have spent years of research and testing to produce the F7, the perfect tyre, round shouldered, strong, cooler running, flexible: a new standard in safety; a tyre by which to judge all others. Perhaps some day all tyres will be as good—today the F7 is paramount.

STRONGER TYRE BODY

F7 cord body is built to stand up to the toughest of everyday motor-ing conditions.

GREATER STABILITY

F7 tread profile gives a smooth, true ride, even over cats' eyes and raised white lines.

BETTER CORNERING

F7 grip acts superbly when needed most—on corners. Safer cornering than ever before.

HIGHER MILEAGE

F7 tread has special stabilisers built-in to give more miles.

ADVANCED TREAD PATTERN

F7 tread has seven ribs—five main ribs, plus two round the shoulders to give non-skid safety.

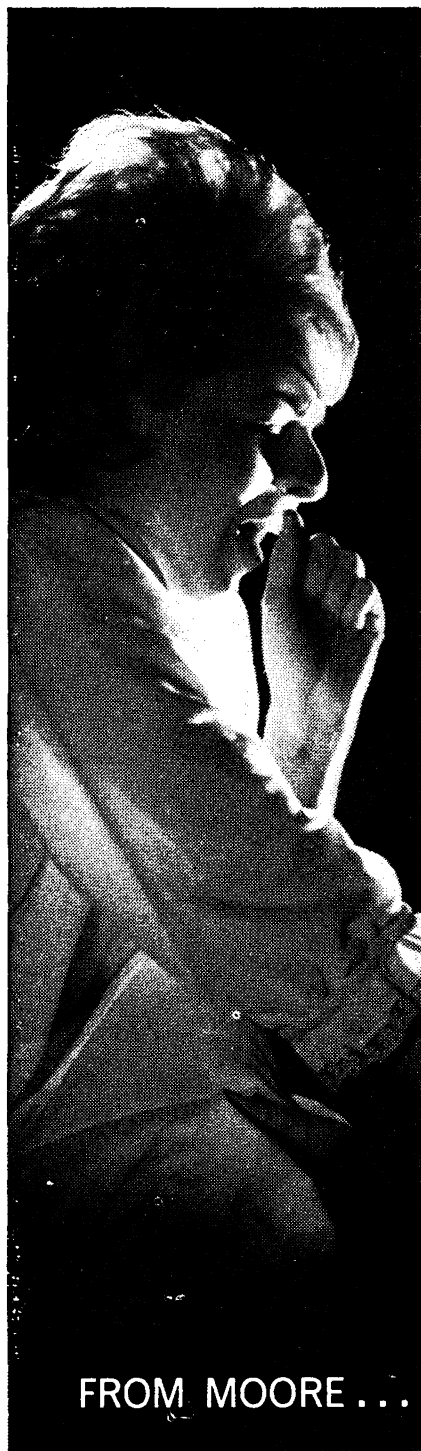

REMARKABLE WET WEATHER GRIP

F7 tread pattern is scientifically designed to squeeze water away from the point of road contact.

NEW RUBBER

F7 is made with the latest Firestone miracle rubber SUP-R-TUF for safety and long life.

Applications (six copies), with names of three referees, to Secretary of the University, Queen's College, Dundee, not later than May 10, 1965. (8680)

EDUCATIONAL

CORRESPONDENCE COURSE FOR THE
London and Edinburgh M.R.C.P. Completely up-to-date and includes help with the clinical. Write J. Arnold, 189 Regent Street, W.1.

ELECTRONICS

FOR THE PRACTITIONER

The increasing number of applications of electronics to present day medicine makes knowledge of this subject of great practical importance.

In response to many enquiries from practitioners and others in the medical field, we have produced a special "home-study" PRACTICAL course in Basic Electronics. No previous knowledge is assumed and no mathematical analysis is used. The course starts with the building of a simple miniature cathode ray oscilloscope and it is then used to carry out some 25 experiments on all the basic electronic circuits. Apart from the useful knowledge obtained, in a simple practical way, this course will bring much interest and enjoyment from the study of a fascinating subject.

FULL DETAILS, without any obligation, can be obtained from:

BRITISH NATIONAL RADIO SCHOOL,
Dept. M1. Radio House, READING, Berks.

INSTITUTE OF OPHTHALMOLOGY
AND MOORFIELDS EYE HOSPITAL

There will be a two-day refresher course for Consultants and Senior Specialists on May 13 and 14, 1965. required April 19 to 25. Apply Group Secretary (LEE Green 4311). (7944)

ROYAL INFIRMARY
New Durham Road, Sunderland (300 beds)

RESIDENT (Male) HOUSE OFFICER or SENIOR HOUSE OFFICER
according to experience, required for duties in Urological and Gynaecological Units. Post vacant May 1, 1965. Provisionally registered practitioners may apply.
Applications to Hospital Secretary, giving names and addresses of two referees. (8408)

ROYAL VICTORIA HOSPITAL
Shelley Road, Bournemouth

RESIDENT SENIOR HOUSE OFFICER
required for the Urological Department. The appointment includes some General Surgery. The appointment, which becomes vacant on May 23, is recognized for the F.R.C.S. examination.
Applications to the Hospital Secretary. (8019)

PUBLIC HEALTH

BOROUGH OF WORTHING
(Health and Welfare and Education Delegation)

ASSISTANT MEDICAL OFFICER AND SCHOOL MEDICAL OFFICER (Female)
Applications are invited from registered medical practitioners for the above full-time appointment. The duties are mainly clinical in connexion with delegated Health and School Health Services.
Salary scale £1,515 to £2,130, commencing post according to experience. Car allowance £140 per annum.

Applications, giving full details of experience, together with the names and addresses of two referees, should be sent to the Medical Officer of Health, Worthing Lodge, Stoke Abbott Road, Worthing, not later than April 24—Thomas Foord, Town Clerk.

CHESHIRE COUNTY COUNCIL
Municipal Borough of Sale
Urban District of Lymm

MEDICAL OFFICER OF HEALTH AND DIVISIONAL MEDICAL OFFICER

Applications are invited from registered medical practitioners holding a Diploma in Public Health, or similar registered qualification, for the above permanent full-time joint appointment. The successful applicant will be required to act as Medical Officer of Health for the above districts and as Divisional Medical Officer and Divisional School Medical Officer under the County Council's scheme of divisional administration. The population is estimated at 61,360 and is increasing.

The salary for the joint appointment will be in accordance with the scale recommended by the Whitley Council for the Health Services (Medical) "C" which is at present £2,713 15s. 4d. to £3,324 17s. 8d. per annum. The maximum will be £3,380 18s. 1d. with effect from January 1, 1966. "Essential User" car allowance and subsistence allowance will be paid on county scale.

Candidates must possess administrative ability and have a sound knowledge and experience of the organization of public health services. The appointing Committee may, at their discretion, and if the candidate has had the necessary experience, add one or two increments to the starting salary but the maximum will remain unaltered. The persons appointed will not be permitted to engage in private practice.

The appointment will be subject to the Local Government Superannuation Acts, and the successful applicant will be required to pass a medical examination.

Applications, marked "M.O.H." stating age, qualifications and experience, together with the names and addresses of three persons to whom reference may be made, should be sent to the Town Clerk, Town Hall, Sale, Cheshire, not later than May 1, 1965. Canvassing directly or indirectly will disqualify. Arnold Brown, County Medical Officer; Bertram Finch, Town Clerk of Sale and Clerk to the Sale and Lymm Divisional Health Committee; G. Burnip, Clerk to the Lymm Urban District Council. (8436)

CITY OF BELFAST
Health Committee

ASSISTANT MEDICAL OFFICER

Salary £1,515 to £2,130 per annum. Commencing salary determined according to previous experience in public health service.

Candidates, who must be British subjects, must be duly qualified registered medical practitioners. They must also hold a degree or diploma in Public Health, State Medicine or Sanitary Science.

Superannuation contributions payable at the rate of approximately 6% of remuneration. Reciprocal pension arrangements exist with

certain other Public Authorities.

Canvassing will disqualify.
Applications forms, obtainable at the Health Department (Room 79), 16 College Street, Belfast 1. Completed applications must reach the undersigned by Monday, April 26, 1965—John Dunlop, Town Clerk, P.O. Box 234, City Hall, Belfast 1. (8634)

CITY OF BIRMINGHAM EDUCATION COMMITTEE

Chief Education Officer, Sir Lionel Russell, C.B.E., M.A.

APPOINTMENT OF SCHOOL MEDICAL OFFICER

Applications are invited from registered medical practitioners (men and women) for appointment as a School Medical Officer in the School Health Service. Salary in accordance with Whitley Council scale at present £1,515 rising by annual increments to £2,130 per annum. The possession of a D.P.H. or D.C.H. will be an advantage.
Applicants wishing to make a career in Public Health may also apply to join a bursary scheme which provides for leave with pay and financial assistance towards a full-time course leading to the Diploma of Public Health. Details on request.

Appointment is subject to the appropriate Superannuation Acts and the passing of a medical examination. Forms of application and further particulars are obtainable from the undersigned and should be returned within three weeks of the appearance of this advertisement to Mr. M. Muller, M.Sc., D.P.H., Principal School Medical Officer, School Health Service, 154 Gt. Charles Street, Birmingham 3. (8636)

CITY OF BIRMINGHAM

ADMINISTRATIVE MEDICAL OFFICER (Male or Female)

Applications for the above post are invited from registered medical practitioners. Diploma in Public Health desirable. The Medical Officer appointed will be responsible to the Medical Officer of Health for the day to day administration of the geriatric services provided by the Health Committee, and the medical services provided for children in the care of the Children's Committee. Experience in general public health work available to a suitably qualified officer.

Salary scale £2,130 to £3,324 (1) by £65 (1) by £60 (1) to £2,440 per annum, rising to £2,520 on January 1, 1966. Commencing salary will depend upon experience. Pension scheme (including Widows and Orphans) medical examination.

The appointment is whole-time and subject to three months' notice on either side. Applications, giving names of two persons to whom reference may be made, to be sent to the Medical Officer of Health, Public Health Department, Trafalgar House, Paradise Street, Birmingham 1, not later than May 1, 1965. (8633)

CITY OF LEEDS EDUCATION COMMITTEE

SCHOOL MEDICAL OFFICER

Applications are invited for appointment as School Medical Officer, for physically handicapped children. The person appointed will have general responsibility for physically handicapped children in Leeds, including assessment of physical, mental, emotional and social needs, co-ordination of findings of consultants, family doctors, social workers and school health service staff and recommendation of suitable education. Duties include the duties of the School Medical Officer for physically handicapped. There is close liaison with the University Department of Child Health.

Salary scale: £1,515 to £2,130.

Application forms may be obtained from the undersigned and should be returned within a fortnight of the appearance of this advertisement—Gordon Taylor, Chief Education Officer, Education Department, Calverley Street, Leeds 1. (8677)

CITY OF NOTTINGHAM
Health Services

SENIOR ASSISTANT MEDICAL OFFICER

Applications invited for this appointment from registered medical practitioners holding the Diploma in Public Health. Salary scale £2,050 to £2,440. Starting salary according to experience and qualifications.
The successful applicant will be given opportunities for administrative and practical experience in all departments of the Health Services. Post superannuation subject to medical examination. House loans available.

Application form and further particulars to be obtained from Medical Officer of Health, Belding House, Nottingham, and to be returned by April 21, 1965. (8359)

COUNTY BOROUGH OF BOLTON

Applications are invited from registered medical practitioners holding the Diploma in Public Health for the appointment of the

SENIOR ASSISTANT MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER

for duties, partly administrative but mainly clinical, within the Health Department and School Health Service. The person appointed will be expected, subject to the approval of the Health Committee, to undertake the duties of the Senior Medical Officer for purposes of the Cremation Acts. He will be required to devote the whole of his time to the duties of these offices.

Salary £1,815 by £75 (5) by £60 (1) to £2,250 with an additional £100 for Cremation duties. Essential user car allowance payable. Post superannuation subject to satisfactory medical examination, and terminable by three months' notice either side.

Application forms, obtainable from me, must be returned by April 30, 1965—Philip S. Kennison, Town Clerk, Town Hall, Bolton. (8331)

EAST SUFFOLK COUNTY COUNCIL

ASSISTANT COUNTY MEDICAL OFFICER

Applications are invited for a newly created administrative post of Assistant County Medical Officer. There will be scope for the person appointed to concentrate on a particular bent, but the work will be primarily with the domiciliary Health Visiting and Nursing Services and the overall supervision of clinics and in conjunction with the General Practitioner Service. Commencing salary will be fixed according to experience

and qualification, but will be with the scale £1,515 to £2,130 a year.

Further details available on application to the County Medical Officer, County Hall, Ipswich—G. C. Lightfoot, Clerk of the Council. (8086)

LANCASHIRE COUNTY COUNCIL

SENIOR ASSISTANT DIVISIONAL MEDICAL OFFICER

Applications are invited from registered medical practitioners for the post of Senior Assistant Divisional Medical Officer, Health Division No. 2, which comprises the Borough of Lancaster and Morecambe, the Urban District of Carrforth and the Lancaster and Lunesdale Rural Districts. Applicants must possess the D.P.H. and should have experience in the Public Health Administration.

The person appointed will be required to deputize for the Divisional Medical Officer and to act as Deputy Medical Officer of Health of the constituent districts. Salary scale £1,803 by £50 (7) by £44 (1) to £2,197, and ultimately to £2,261. Commencing point will be according to experience. Assistant car purchase scheme and car allowance. Accommodation in Council's houses.

Application forms are obtainable from the County Medical Officer of Health, Serials: 4772, East Cliff County Offices, Preston, to be returned as soon as possible. The closing date for applications is April 30, 1965. (8112)

LONDON BOROUGH OF EALING
Health Department

ASSISTANT MEDICAL OFFICER

Salary according to experience on scale £1,515 to £2,130. D.P.H. and experience of Maternity and Child Welfare Clinics an advantage. Car allowance.

ASSISTANT MEDICAL OFFICER—Assisted D.P.H. Training Scheme

Salary scale £1,515 to £2,130. This post is open to candidates not in possession of the Diploma in Public Health and special facilities will be provided for such a qualification to be obtained, subject to certain conditions, details of which will be sent on application. Car allowance.

Application forms for both posts from Medical Officer of Health, Town Hall, Ealing, W.5, returnable by April 23—E. J. Copp, Brown, Town Clerk. (8637)

MANCHESTER EDUCATION COMMITTEE

Applications are invited from registered medical practitioners for the post of **PART-TIME CONSULTANT**

with the Child Guidance Service. Candidates should hold D.P.M. and have recognized training in child psychiatry and be able to offer up to five sessions per week. Salary £1,515 per session.

Application form and further particulars, from Chief Education Officer, Education Offices, Deansgate, Manchester 3, returnable by April 30, 1965. (8087)

NORTHUMBERLAND COUNTY COUNCIL

ASSISTANT COUNTY MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER (Female)

Applications are invited for the above post. The person appointed will be required to undertake duties in connexion with the School Health Service and the Child Welfare Service and, in addition, to devote part of her time to the duties of the Medical Officer of Health for the Borough of Walsend.

The salary scale will be £1,515 rising by five annual increments of £75 and two of £80 to a maximum of £2,050 per annum, with revision after January 1, 1966, to maximum £2,130 per annum. Previous experience will be taken into consideration in determining the commencing salary. The post is superannuable and the successful candidate will be required to pass a medical examination.

Forms of application obtainable from Dr. J. B. Tilley, County Medical Officer, County Hall, Newcastle upon Tyne 1, Closing April 23, 1965. (8663)

RHONDDA BOROUGH COUNCIL AND GLAMORGAN COUNTY COUNCIL

APPOINTMENT OF DEPUTY MEDICAL OFFICER OF HEALTH AND DEPUTY BOROUGH SCHOOL MEDICAL OFFICER

Applications are invited from registered medical practitioners for the above-mentioned whole-time appointment.

Experience in the public health service is essential. Candidates should possess the Diploma in Public Health and be qualified in the assessment and education of subnormal pupils. The Borough Council has delegated Health and Welfare Functions, including work in the fields of mental health and the welfare of the handicapped and the aged.

The aggregate salary scale for the appointment will be £2,100 to £2,433 6s. 8d. The commencing salary may be above the minimum.

Noel Thomas, Town Clerk; Richard John, Clerk of the Council; Municipal Offices, Pentre, Rhondda. (8660)

WEST SUFFOLK COUNTY COUNCIL
Health and Welfare Department

SENIOR MEDICAL OFFICER

Applications are invited for the above post. The person appointed will work under the direction of the County Medical Officer of Health. The duties will be specially concerned with the Mental Health Services throughout the County and holders of the D.P.H. and D.P.H. will be given preference. Work in other branches of the Health and Welfare Services will be included. Salary within the scale £2,090 to £2,770 (rising eventually to £3,851 according to qualifications and experience. Post superannuable. Medical examination. Car allowance. Assistance with removal expenses.

Application forms obtainable from the County Medical Officer of Health, Westgate House, Bury St. Edmunds, Suffolk, to whom they must be returned by May 3, 1965. (8088)

Public Health—contd. on p. xl.

COMMERCIAL APPOINTMENTS

The expansion of our European Clinical Evaluation activities and our desire for even higher standards of trials, demands that we add

TWO YOUNG DOCTORS

to our Clinical Evaluation team.

1

CLINICAL EVALUATION MANAGER SCANDINAVIA

Based either at Surbiton, or in a major Scandinavian centre. Responsible for arranging, progressing, and finalising clinical trials of new therapeutic substances in all the Scandinavian countries.

2

ASSISTANT MEDICAL RESEARCH MANAGER U.K.

Based at Surbiton. Responsible for arranging clinical trials of new drugs in the U.K.

Both these appointments arise as a result of the promotion of the previous managers.

In both cases we seek young men under 35 who have a real interest in clinical trial work and who have a questing, yet positive, approach to problems. A postgraduate degree would be an advantage.

The personality of both men must be such that it is acceptable to a broad range of medical men in the countries where they will operate.

The posts will carry a good salary—for the right man—and the United Kingdom post also carries a car.

Both posts will involve a reasonable degree of travel—(1) in Scandinavia (2) in the United Kingdom.

Salaries in The Winthrop Products Company are reviewed regularly and salary increases are related to a man's contribution to the common goal. Working conditions and companions are first class. We normally work a five-day week.

These are challenging, responsible posts that offer a stimulating and rewarding future.

If you would like to discuss these appointments in greater detail, would you send details of your experience to date to David Rowlands, Staff Director, The Winthrop Products Company, Winthrop House, Surbiton, Surrey, who has been asked to handle these appointments personally.

Public Health—from p. xxxviii

STAFFORDSHIRE COUNTY COUNCIL Tamworth Municipal Borough Council

Applications are invited for the separate part-time appointments of Medical Officer of Health of the Tamworth Municipal Borough and Assistant County Medical Officer and School Medical Officer.

The appointments together will constitute whole-time, the allocations being four half-days and seven half-days, respectively. The proportionate salary for each appointment is calculated in accordance with latest agreed scale, and at the discretion of the Local Authorities they may take account of previous professional experience when determining the commencing rates of salary. The present salary ranges are as follows:

Municipal Borough Council	£918 3s. 8d. to £1,049 1s. 10d.
County Council	£1,150 7s. 3d. to £1,490 18s. 2d.
	£2,074 10s. 11d. to £2,540 0s. 0d.

A car will be provided and the appropriate allowances will be paid. The posts are superannuable after successful completion of the birth certificate.

Applicants must be fully qualified Medical Practitioners, with experience in public health duties, and must hold the Diploma of Public Health or its equivalent. The candidate appointed will, as regards the County Council duties, act under the direction of the County Medical Officer of Health and will be required to perform such duties as may from time to time be prescribed. As regards the duties of Medical Officer of Health, he will be subject to the Public Health Officers Regulations 1959, and to the sole direction and direction of the Municipal Borough Council of Tamworth.

Both appointments will be subject to three calendar months' notice in writing on either side.

Forms of application may be obtained from the County Medical Officer of Health, County Buildings, Stafford, and should be returned to him by post on or before April 20, 1965. T. H. Evans, Clerk of the County Council; H. B. Leake, Clerk of the Tamworth Municipal Borough Council. County Buildings, Stafford. (7952)

WARWICKSHIRE COUNTY COUNCIL APPOINTMENT OF AN ASSISTANT COUNTY MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER COMBINED WITH A BURSARY SCHEME FOR TAKING THE DIPLOMA IN PUBLIC HEALTH

Applications are invited from young medical practitioners wishing to make a career in Public Health. A minimum of two years' medical experience is required. The selected candidate may be appointed to the Bursary Scheme which provides for attendance on paid leave, in the third or fourth year of service, at London University, to take the Diploma in Public Health, with assistance towards living, travelling and course expenses. The post is kept open, and a satisfactory candidate may return to the Council's service on the appropriate point in salary scale. A brochure explaining the scheme in full is supplied with the application form. Conditions of service and salary are in accordance with the Whiteley Council scale—£1,515 to £2,050 and ultimately to £2,130—commencing salary according to experience. Bursary candidates having certain deductions. Post superannuable from date of appointment. The successful candidate will be required to produce a satisfactory medical certificate. The salary scale, in which Whiteley Council scale allows can be payable. Car purchase loan scheme available. Consideration will be given to financial assistance towards medical expenses.

Forms of application can be obtained from the County Medical Officer of Health, County Health Department, Lakin Road, Warwick, (closing date for applications is April 29, 1965.—L. Edgar Stephens, Clerk of the Council, Shire Hall, Warwick. (8384)

JANE FURSE MEMORIAL HOSPITAL

Doctor required for this Anglican Mission Hospital in Sekhukhuni, South Africa. State training school for African nurses and midwives. Excellent facilities and scope for specialist experience. Salary £1,560 to £2,100 less deduction for rent (house with basic furniture), water and electricity.

Apply: Medical Superintendent, Jane Furse Memorial Hospital, via Middeburg, Transvaal, South Africa, or Box V.2304, B.M.J., before April 20.

NEW GRADUATES OF BRITISH MEDICAL SCHOOLS are invited to apply for junior rotating internships at the Ottawa Civic Hospital, Ontario, Canada. This 1,100 bed teaching hospital is approved by the Canadian Medical Association for junior intern training and by the Royal College of Physicians and Surgeons of Canada for advanced training in several specialties. The junior rotating internship is similar to the pre-registration year and includes assignments of three months each on medicine and surgery and 10 months on obstetrics and gynaecology. The usual commencement date is June 15 although later starting dates are acceptable. The salary is \$175 per month, full board and room. A living-out allowance of \$50 per month is also available to those interns who are married and live outside the hospital. Ottawa is the capital city of Canada, has a population of about 300,000 and is near to North American centres. Enquiries should be addressed to Finlay McKerracher, M.B., Ch.B., Secretary, Intern Committee, Ottawa Civic Hospital, Ottawa 3, Ontario, Canada. (5934)

NORTHLAND HOSPITAL BOARD
New Zealand

Applications are invited from qualified medical practitioners for the combined appointment of

PART-TIME MEDICAL
SUPERINTENDENT
Rawene Hospital and
DIRECTOR

Hokianga Special Area Medical Service. The successful applicant will be responsible for carrying out all the medical and surgical work at the Rawene Hospital. This is a country hospital of 40 beds and six maternity beds in Northland centred on a Base Hospital at Whangarei. He shall also be responsible for the control of the Hokianga Special Area Medical Service, including the Medical Officers providing the ordinary medical attendance in the area, and District Nurses. Some surgical experience is desirable.

Salary is £2,900 rising to £3,005 after one year's service, plus a free furnished house. A mileage allowance at the rate of £325 per annum is payable, and retention of maternity benefits from the Social Security Fund is permitted.

Further details and Conditions of Appointment may be obtained from the undersigned, with whom applications close on April 30, 1965.—The Secretary, Northland Hospital Board, P.O. Box 742, Whangarei, New Zealand. (7599)

OPHTHALMOLOGIST

required by the Government of Bahrain on contract for two years in the first instance, renewable by mutual consent. Commencing salary equivalent to £3,240 a year rising by annual increments of £90. No income tax. Gratuity of one month's salary after each twelve months service. Generous kit and baggage allowance. Rent free flat with hard furnishings, refrigerator, telephone and air-conditioning. Free transport or allowance equivalent to £293 a year. Leave on full pay at the rate of 21 months for every 12 months of residential service. Air passages once a contract for successful applicant, wife and two children under 18.

Candidates should be European Doctors and possess the D.O.M.S. Apply to Crown Agents, M. Department, 4 Millbank, London S.W.1, for application form and further particulars, stating age, name, brief details of qualifications and experience, enclosing photograph, and quoting reference M3H/59825/BG. (8700)

POSTGRADUATE TRAINING IN
DIAGNOSTIC RADIOLOGY

The Department of Radiology of the Ottawa Civic Hospital offers fully approved training in the specialty of diagnostic radiology leading to certification or Fellowship in the Royal College of Physicians and Surgeons of Canada. Initial remuneration is \$310 per month increasing to \$400 per month by the third year. Candidates who have fulfilled the prerequisites required by the Royal College of Physicians and Surgeons of Canada in regard to preliminary training for certification or Fellowship are invited to submit application for residency training, to the Director, Department of Radiology, Ottawa Civic Hospital, Ottawa, Ontario, Canada. (8628)

PRINCE HENRY AND PRINCE OF
WALES HOSPITALS
University of New South Wales
Sydney, Australia

ANAESTHETIST

Applications are invited for the appointment as full-time Specialist Anaesthetist in the Division of Anaesthesia. Three vacancies exist. Successful applicants will be based on Prince Henry Hospital, but may have opportunities of working at the other teaching hospitals of the University. Candidates should indicate special interest or experience in one or more of the following fields. Anaesthesia for cardio-pulmonary surgery. An established active cardio-pulmonary surgical unit is located at Prince Henry Hospital. The clinical work includes pulmonary, oesophageal and cardiac surgery, with special emphasis on open heart procedures using cardio-pulmonary by-pass. Several experimental laboratory projects are also being undertaken.

Respiratory Unit. A busy 18-bed Respiratory Unit is established at the Prince Henry Hospital. This is concerned with both short and long-term intensive care of patients with respiratory disorders. A well equipped laboratory for patient care and clinical research is attached to the Unit.

Neuro-surgical anaesthesia. There is an established neuro-surgical unit at Prince Henry Hospital, which works in close association

with its counterpart in neurological medicine.

General surgical anaesthesia. All usual forms of general surgery, including peripheral vascular surgery, are undertaken within the hospital.

A Clinical Sciences Block will be shortly completed at Prince Henry Hospital in which there will be full facilities for laboratory and animal experimental investigation. A hyperbaric chamber which will be available both for clinical and investigative purposes is also under construction.

Salary range £3,388 to £4,588 per annum, according to the qualifications and experience of the successful applicants. One of these posts carries with it eligibility for appointment as Lecturer/Senior Lecturer within the University of New South Wales. This latter appointment provides for an additional stipend and at the discretion of the Vice-Chancellor the appointee may participate in the scheme for higher consultative practice within the Faculty of Medicine. Further information about these posts may be obtained through Professor J. Ludbrook, School of Surgery, P.O. Box 1, Kensington, N.S.W., Australia. Formal application should be made to the Personnel Officer, Prince Henry Hospital, Little Bay, N.S.W., and should include a full account of the candidate's clinical experience and academic record, together with the names of three referees. Applications should reach the Personnel Officer before April 26, 1965.—J. R. Clancy, Chief Executive Officer. (8626)

ROTATING INTERNSHIP APPOINTMENTS available in fully accredited 341 bed general hospital affiliated with University Medical School. Internship meets all requirements of Canadian Medical Association. Salary, single or married without children, \$275 per month, with children \$325 per month. Rotation covers a 12-month period. Write General Superintendent, Saskatoon City Hospital, Saskatoon, Saskatchewan, Canada. (8562)

ROTATING INTERNSHIPS JULY 1: Director Medical Education; formal teaching programme in association with medical school faculty; \$400 monthly, maintenance, uniforms, apartments; accredited.—George A. Spreague, M.D., Lawrence Memorial Hospitals, New London, Connecticut.

THE UNIVERSITY OF OTAGO
AND
THE OTAGO HOSPITAL BOARD
DUNEDIN, NEW ZEALAND
DEPARTMENT OF
PSYCHOLOGICAL MEDICINE

Applications are invited for the Joint Appointment of

SENIOR LECTURER IN
PSYCHOLOGICAL MEDICINE
to the University, and
SENIOR PSYCHIATRIC
SPECIALIST
to the Hospital Board

CRUISES AND TOURS

PLEASE-YOURSELF HOLIDAYS IN GREECE

Our knowledge of Greece has been gained through twelve years of travel and intensive research, and we have sent countless people there since the spring of 1954, both independently and on Hellenic Tours and Cruises: we are in a position to quote for, and carry out, your own itinerary within the country, at economical INDEPENDENT INCLUSIVE TOUR prices, using scheduled flights by regular airlines; alternatively, our own suggestions may be of use to you—for example, you can

FLY-AND-DRIVE-YOURSELF

with your own self-drive car; 1,400 free kilometres and six nights' hotel accommodation with half-pension and 14 nights away for 88 gns. each if you are one of four; or 101 gns. each if you are one of two; with extra days' car hire from 5s. 6d. a day, up to a month away from England. You can even break your homeward journey at, say, Rome or Dubrovnik on the way home by arrangement. This is one suggestion only of many moving-around and stay-put holidays, all of which can be bent to your personal requirements. Our brochure of UNUSUAL HOLIDAYS will be sent on request by

HOMES

NORTHUMBERLAND HOUSE

Finchley, N.3. Tel.: Finchley 5283
A psychiatric Nursing Home providing all modern treatments. Elderly patients accepted. Moderate inclusive terms. Apply Resident Physician.

ST. ANDREW'S HOSPITAL,
NORTHAMPTON

FOR NERVOUS AND MENTAL DISORDERS
President: The Earl Spencer
Medical Superintendent:
D. J. O'Connell, M.D., D.P.M.

This private hospital receives patients, both male and female, suffering from nervous and mental disorders, including alcoholism and senile illnesses. The fees range from sixteen guineas per week. Private rooms with special nurses can be provided either in the hospital or in one of the villas in the grounds. The hospital is situated in 130 acres of pleasant grounds which provide all recreational facilities. These include a nine-hole golf course, sports ground, tennis courts, etc. A Recreation and Occupation Centre, known as Gloucester House, has been opened recently which includes an occupational therapy department, a swimming pool, a squash court, and a library with an adjoining reading room.

WANTAGE HOUSE

This is a separate reception unit to which patients may be admitted. It is equipped for the complete investigation of nervous and mental disorders by the most modern methods. All forms of treatment are available. It contains laboratories for biochemical, bacteriological and pathological research.

MOULTON PARK

Some two miles from the main hospital is the farm of approximately 600 acres. Occupational therapy is a feature of this branch and patients are given every facility for occupying themselves in farming, gardening, fruit growing, etc.

For terms and further particulars apply to the Medical Superintendent (Telephone No.: 34354 Northampton), who can be seen in London by appointment.

WYKE HOUSE, ISLEWORTH

A private hospital, established in 1826, for the individual treatment and care of a limited number of psychiatric patients. Apply Resident Physician. Tel.: ISL 7000.
