# THE ROYAL ARMY MEDICAL CORPS OFFERS OUTSTANDING OPPORTUNITIES FOR GENERAL PRACTICE

with every facility for a varied professional career: good equipment,  
good pay, good allowances, trained staff and generous leave

You may not know that the Army nowadays provides more women and children than soldiers as patients for its General Practitioners. But not only are the opportunities wide and varied: the conditions of service are such that they permit a professional man to work in a professional way.

The R.A.M.C. provides modern surgeries with first-class equipment; trained staff to help; a car and driver. All general practitioners are given postgraduate training and have access to military hospitals.

Pay for a married Captain (the rank on entry) is over £2,000 with increases every two years and on promotion. Children's Educational Allowances are paid. A five year Short Service Commission earns a tax-free gratuity of £3,000, and there is excellent retired pay with Terminal Grant for those who go on to a career in the Corps.

Six weeks' annual leave is normally granted, and reliefs are provided. Married general practitioners get a furnished house at low rental.

# *Manufacturer's Information*

---

## *Brand Name*

**IMPERACIN\* oxytetracycline tablets and capsules.**

## *Active Ingredients*

Each IMPERACIN tablet contains 250 mg. Oxytetracycline Dihydrate B.P. and each capsule contains 250 mg. Oxytetracycline Hydrochloride B.P.

## *Indications*

Prophylaxis and treatment of acute exacerbations of chronic bronchitis, pneumonias (especially broncho-pneumonia), urinary tract infections, venereal diseases including penicillin-resistant gonorrhoea, non-gonococcal urethritis and lymphogranuloma venereum. Brucellosis, typhus, amoebic dysentery and psittacosis.

## *Side-effects*

Abdominal discomfort and diarrhoea occur occasionally due to interference with the normal alimentary flora. Skin reactions are extremely rare.

## *Contraindications*

History of hepatic or renal dysfunction. Staining of the infant's deciduous teeth can occur when tetracyclines are administered to the mother in the last trimester of pregnancy. This can also occur in tetracycline-treated children up to 7 years of age.

## *Dosage*

1-2 IMPERACIN tablets or capsules every six hours. For prophylaxis, 1 tablet or capsule, two or three times daily. In acute conditions, treatment should be continued for 48-72 hours after the patient's temperature has returned to normal.

## *Presentation*

Containers of 16, 100 and 1,000 tablets or capsules.

## *Manufacturer*

Imperial Chemical Industries Limited, Pharmaceuticals Division, Alderley Park, Macclesfield, Cheshire.

\* regd. trade mark

---

*These details have been supplied by the manufacturer  
from whom full information is obtainable*

This image is a dense, abstract composition of overlapping, handwritten-style text. The text is rendered in various shades of gray and black, creating a complex, layered visual effect. The script is cursive and fluid, with many letters and words overlapping each other, making it largely illegible. The overall impression is one of a chaotic, yet rhythmic, pattern of characters and symbols. The background is a dark, textured gray, which further emphasizes the layered text. The composition is filled with a sense of movement and depth, as if the text is floating or being written in a three-dimensional space.

# 5000 times a day

## 'HydroSaluric'-K is endorsed 5,000 times a day

Every day, over 5,000 patients leave their doctors' surgeries with prescriptions for 'HydroSaluric'-K. Since its introduction in 1960, 'HydroSaluric'-K has been prescribed more than five million times.

**the most widely prescribed  
diuretic agent**

Why 'HydroSaluric'-K is prescribed more than any other diuretic:

- Because during the past five years, 'HydroSaluric'-K has proved its value in the long-term management of oedema.
- Because 'HydroSaluric'-K produces a smooth and predictable diuresis in most cases of oedema.
- Because 'HydroSaluric'-K provides a measure of protection against potassium depletion in patients where dietary intake may be inadequate.

*Detailed information is available to physicians on request*

## Is there a bronchial barrier

which prevents some of your patients  
with bronchitis from getting the benefit of the Tetracycline you prescribe?

### THE PROBLEM...

"Absorption of tetracycline is rather variable from patient to patient."<sup>1</sup>

"Tetracyclines are widely used in bronchitis but often give relief rather than elimination of bacterial pathogens."<sup>2</sup>

### ...AND ITS EFFECTS

Permanent and irreversible lung damage can be prevented by tetracycline PROVIDED IT IS PRESENT IN SUFFICIENT QUANTITIES IN THE SPUTUM TO INHIBIT *H. INFLUENZAE*.

"The effective sputum level of tetracycline is 0.5 mcg./ml."<sup>2</sup>

BUT THE BRONCHIAL BARRIER RESTRICTS THE SPUTUM LEVEL.

"The sputum level of tetracycline is 10-30% of the serum level in most patients."<sup>2</sup>

Since it has also been shown that up to 25% of patients can be poor tetracycline absorbers,<sup>3</sup> what happens to those bronchitics who have not achieved adequate serum levels?—they are prevented by the bronchial barrier from producing sputum levels capable of inhibiting *H. influenzae*.

raise the  
bronchial barrier  
by prescribing

## TETREX\*

(tetracycline phosphate complex)

the tetracycline that most reliably ensures adequate serum levels even in the poor absorber.

TETREX PROVIDES YOU WITH ALL THESE ADVANTAGES

Many studies have shown:

Higher average peak blood levels<sup>4</sup> which in some cases may be double those obtained with tetracycline hydrochloride.

Faster blood levels<sup>5</sup> ensuring a more rapid onset of therapeutic effect.

Reliability of absorption<sup>3</sup>, high tolerance, more efficiency and economy, low dosage produces high blood levels.

DOSAGE: 1 G. per day in 4 divided doses of 250 mg.

PRESENTATION bottles of 16, 100 and 1,000.

## RIFOCIN: THE ANTIBIOTIC DISCOVERED IN THE LEPETIT RESEARCH LABORATORIES

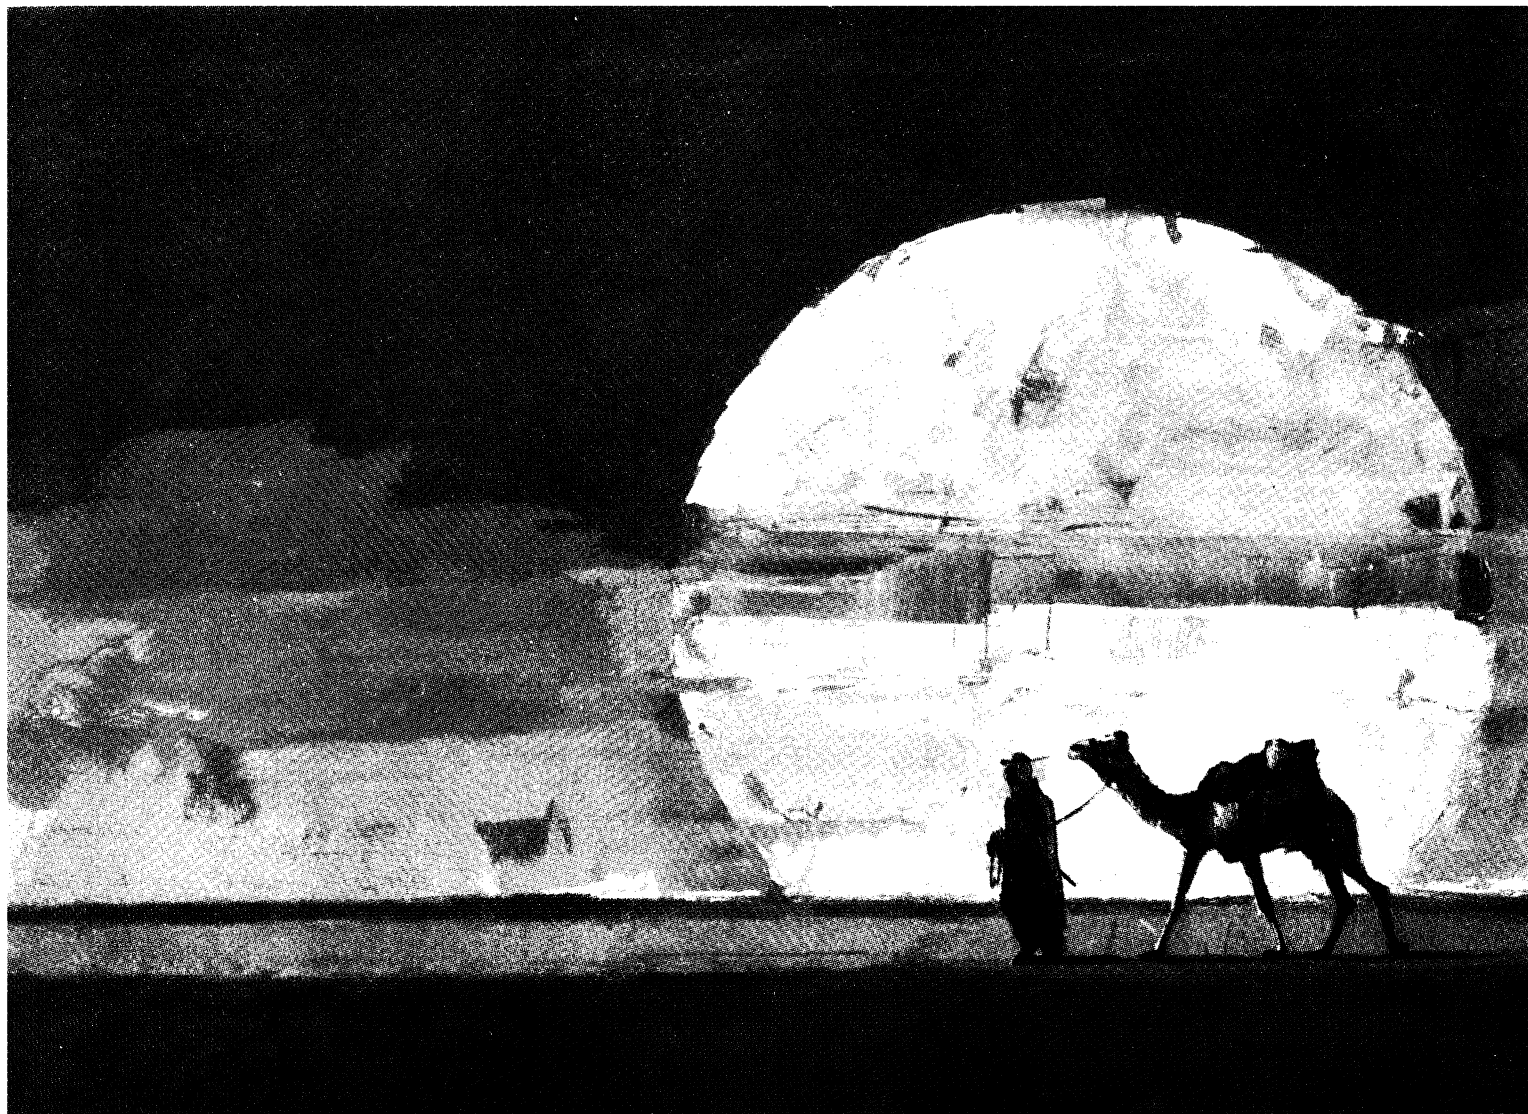

In the field of antibiotics, since 1953 the Lepetit Research Laboratories have isolated and tested more than 42,000 colonies of streptomycetes from approximately 3,500 samples of earth from all parts of the world. Outstanding among these, the *Streptomyces mediterranei* nova species, producer of a group of

new antibiotic substances: rifamycins. More than 200 rifamycin derivatives were obtained by fermentation and synthesis including rifamycin SV (RIFOCIN®) and rifamide (RIFOCIN® M), which on pharmacological screening and clinical trials showed by far the most promising therapeutic activity. In the course of 6 years

of clinical trials with rifamycins, Lepetit's Medical Division has collected more than 14,000 case-histories; furthermore, over 500 papers on these antibiotics have appeared in international medical literature. Rifamycins are patented in the most important countries of the world.

**RIFOCIN (rifamycin SV): 500, 250 and 125 mg ampoules**

# ALAVAC

*7-dose courses for the safe and effective  
treatment of allergy*

Alavac is the name for the Bencard Allergy Unit's range of adsorbed (pyridine-extracted, alum-precipitated) desensitising vaccines.

- ☐ **Only 7 injections** are required for a full course of treatment.
- ☐ **Effective protection** may be expected in 80 – 90 % of patients.
- ☐ **Optimum safety** because allergens are released slowly.
- ☐ **Even very sensitive patients** can tolerate effective doses.
- ☐ **Co-seasonal therapy** can be practised with confidence.
- ☐ **Simple to administer** from a new style treatment set complete with disposable syringes (+ special finger-grip).
- ☐ **Above all, desensitisation is preventive—not merely palliative.**

The Alavac range of vaccines provides desensitisation against a wide variety of common allergies:

**ALAVAC-P** standard grass pollen vaccine indicated for classical hay fever and pollen asthma; prepared from 12 varieties of common grass pollens (Bencard group B2).

**ALAVAC-D** standard house dust vaccine indicated for non-seasonal asthma and perennial rhinitis.

**ALAVAC-S** individually formulated specific vaccines, prepared from any one or more of a wide selection of adsorbed allergen extracts, in any desired proportion.

Literature, giving full details of the Alavac range (and including recommendations for their use) is available on request.

For general examination purposes these gloves are made of gossamer fine, ultra-sensitive polythene. They have welded seams for complete protection against contamination and are powdered for ease of use.

Portex Extra Sensitive Gloves are available in standard and small sizes, at 23/6 per carton of 100. Order 10 cartons at a time and you save 15/-, as well as getting a free neat white plastic

holder for the dispenser carton. Ask your usual supplier for the *new* Portex gloves.

Portex products for General Practitioners include:

Extra Sensitive Disposable Gloves    Finger Stalls

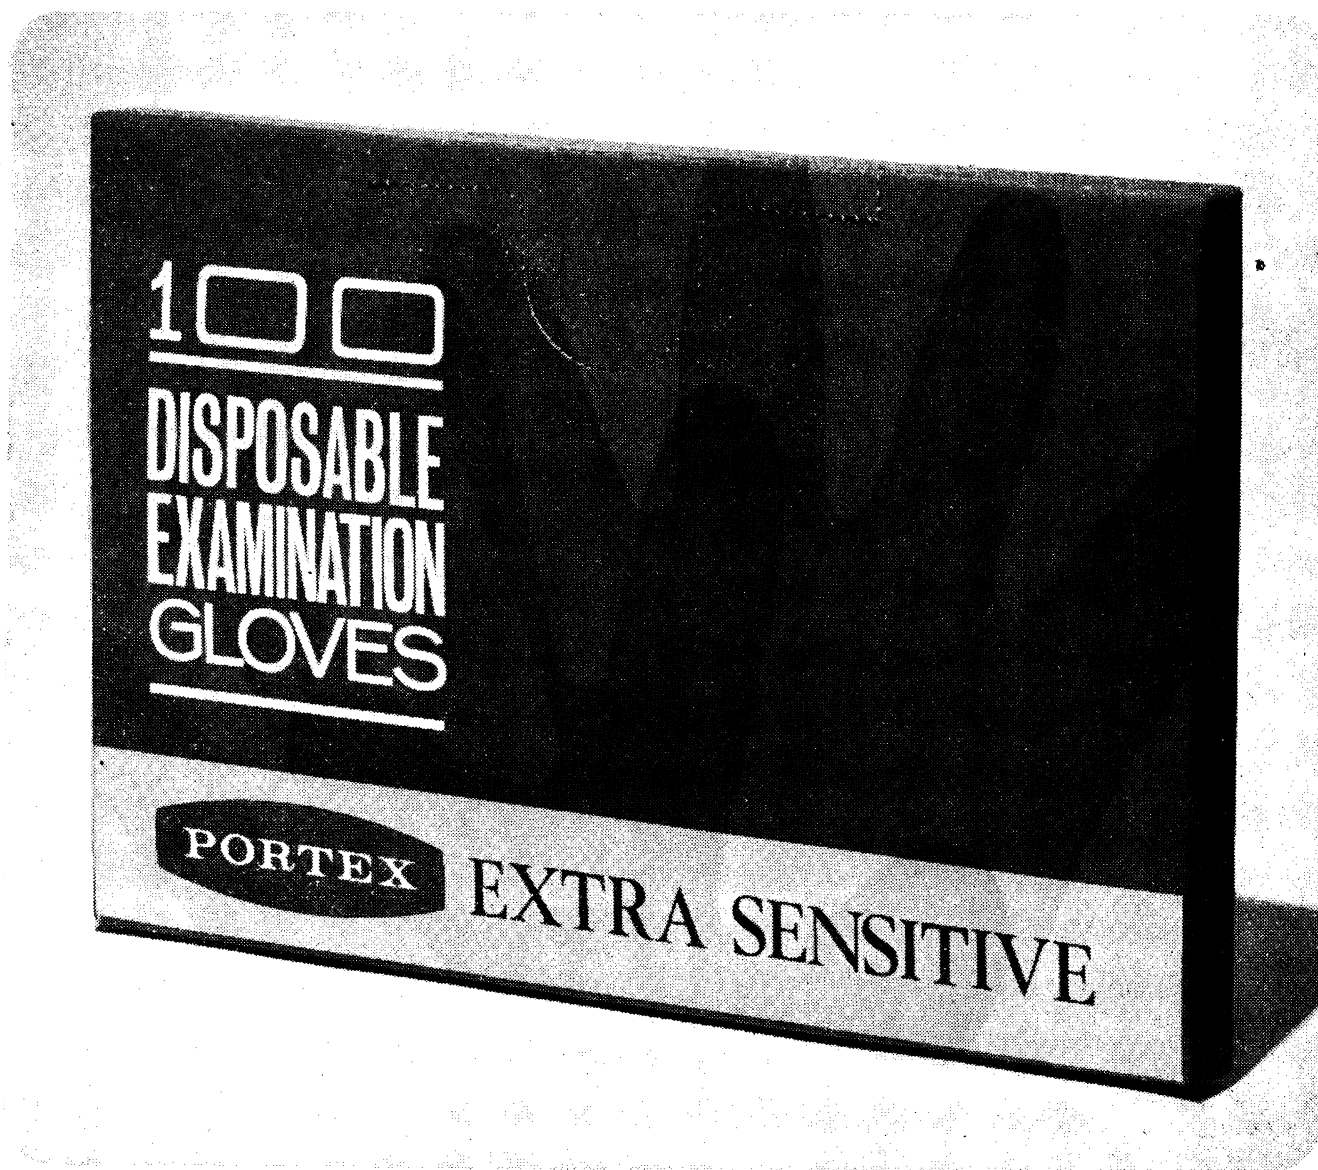

Male Incontinence Pouch

Urine Bag    Ring Pessaries

Mouth-to-mouth Resuscitation Tube

**PORTEX**

## New Throw-Away Polythene Gloves extra sensitive, closer fitting

# The PORTOGEN could make life more tolerable for some of your patients

Many patients suffering from chronic respiratory insufficiency are debarred from normal activities by their dependence on a supply of supplementary oxygen.

**THE PORTOGEN** has been designed to provide such a supply in extremely portable and handy form. It contains sufficient oxygen to last for 25 minutes at a continuous flow of 4 litres per minute, and yet the complete outfit, including 100 litre cylinder, regulator, control valve, gauge, and neat, ever-ready carrying case weighs little more than 3lbs.

**THE PORTOGEN** also constitutes a readily available source of oxygen for use in all kinds of respiratory emergencies, and is therefore eminently suitable for your surgery and your car.

**THE PORTOGEN** is simple and safe. Very little instruction is needed in its use, and cylinders may either be exchanged through a chemist, or recharged by the patient from a standard 48 cu. ft. cylinder in his home.

For further information, get in touch with your nearest Branch of British Oxygen. Our representative will be glad to call on you by arrangement.

**THE BRITISH OXYGEN COMPANY LIMITED**  
MEDICAL DEPT., HAMMERSMITH HOUSE, LONDON, W.6.

## Keeping patients on a low-fat diet

**THE PROBLEM** For patients given a low-fat diet undoubtedly one of the greatest difficulties is keeping to their diet over a longish period. Tea or coffee without milk are not the easiest of tastes to acquire; even when the patient and his household are fully co-operative, low-fat dishes, week after week, call for no mean feat of ingenuity.

**NEW HELP** A simple and obvious answer is the use of non-fat milk for drinks and cooking. Patients and their families accept it readily. In Cadbury's Marvel doctors now have a tested product which they can recommend with complete confidence for use in coffee, for hot or cold drinks, puddings and custards, and any other normal household use.

**WHAT IS MARVEL?** Marvel non-fat milk granules are made from pure fresh dairy milk, in a way that extracts only the water and all but a trace (less than 0.15% when reconstituted) of the fat. Apart from the fat, and associated vitamins A and D, all milk nutrients (including the lactose, protein and valuable mineral salts) remain. Marvel contains no additives whatsoever. When it is reconstituted in water Marvel is exceptionally palatable, being similar in flavour and freshness to the taste of bottled milk.

**OTHER USES** In addition to its use where a low-fat diet is prescribed, Marvel can prove useful in high-protein diets. It is considerably less expensive than bottled milk, and can be taken as an addition to the normal milk supply. The 2s 3d tin makes 3½ pints, costing less than 8d a pint.

Every Winter  
**PENBRITIN**  
brings renewed hope to  
the Chronic Bronchitic...

**...whatever the severity of the condition**

One Penbritin capsule four times a day for a week or more brings an excellent response in the majority of patients, reducing the volume of sputum and the severity of exacerbations.

When other antibiotics fail, four Penbritin capsules four times a day for a week or more usually provide effective treatment for advanced bronchitic patients, including those with extensive bronchiectasis. Used in this way, Penbritin is also successful in clearing the sputum of those winter-long purulent cases which would otherwise require continuous antibiotic cover. Early relapse is uncommon and many patients remain free from further infection for as long as two to three months after treatment.

Supporting references are available on request

## Severe infection Urgent action needed

### Ceporin cephaloridine

When severe undiagnosed infection requires urgent treatment it is vital to use a safe, bactericidal, broad-spectrum antibiotic which is effective against penicillin-resistant staphylococci. Ceporin is such an antibiotic—with the further advantage of safety in the penicillin-hypersensitive patient.

# ERYTHROCIN POWER|SAFETY|COVERAGE

for 8 out of 10 bacterial infections

**ERYTHROCIN (erythromycin, Abbott)** is a suitable first-line treatment for the majority of bacterial infections encountered in general practice. It provides powerful yet safe coverage against many causative organisms, leaving the broad spectrum antibiotics free for the specific cases in which they alone are effective.

**ERYTHROPEd** is the paediatric presentation of Erythrocin and offers the same advantages of power, safety and coverage.

**POWER** The potency of Erythrope against the cocci is considerably more than that of tetracyclines or chloramphenicol.

**SAFETY** Erythrope combines this potency with a remarkable degree of safety. It is, in fact, the least toxic and least allergenic antibiotic currently in use.

**COVERAGE** Erythrope is effective in a high percentage of the common bacterial infections. Its wide clinical spectrum of activity covers most Gram-positive organisms—especially Staphylococci, Streptococci, Pneumococci and Clostridia—and Gram-negative organisms such as Neisseriae and some strains of Haemophilus influenzae.

By prescribing Erythrope or the associated Erythrocin preparations by name, you ensure that your patients receive erythromycin in safe, well-absorbed forms that produce effective blood levels rapidly.

HYI-663

**When  
pain  
prevents  
sleep**

**HYDRATENE**

"In domiciliary practice generally, almost half of those people who regularly require hypnotics, but who are not mentally or physically ill, can be satisfactorily sedated by means of a small dose of chloral given in some palatable form."

*Practitioner*, 1963, 191, 353.

Each Hydratene tablet contains the equivalent of  
Chloral Hydrate 4 grains  
Paracetamol 6 grains

To ease pain and induce sleep Hydratene combines the well-known hypnotic Chloral Hydrate, with the modern analgesic Paracetamol, and has the fundamental merit of being both effective and mild. In this compound form Chloral Hydrate has little odour or taste and shares with the analgesic, Paracetamol, the advantage of being singularly free from side effects and habituation. Hydratene, in the appropriate dosage, is therefore safe for adults and children as well as senile patients who are intolerant to alcohol and barbiturates but not of Chloral Hydrate.

**Dosage:** 1-3 tablets as may be directed by the physician.

Available in packings of 25 and 250.

Basic N.H.S. prices: 2/6 and 13/4.

**COATES & COOPER LTD.**

**SMITHS autaset**

You can walk into a beautifully warm surgery (and waiting room) without wasting a penny with a 'Smiths' Autaset. Just set it to switch-on and off at the times you want, then forget it. The Smiths Autaset *automatically* controls electrical appliances—room heaters, immersion heaters, burglar deterrents. It costs **85s. od.** Ask your electrical dealer to show it to you, or write to us for an illustrated leaflet.

- \* Controls appliances up to 3kW
- \* Simple to install and operate
- \* Plug into existing socket
- \* Fingertip programme setting
- \* Fully guaranteed
- \* Attractive two-tone styling
- \* Wall plate for neat, secure mounting
- \* Two models once on and off or twice on and off every 24 hours.

A PRODUCT OF  **SMITHS INDUSTRIES**  
Clock & Watch Division, Sectric House, Waterloo Road, N W 2.

# Chloromycetin is outstandingly effective against most topical infections

Chloromycetin\* (chloramphenicol, Parke-Davis) penetrates the eye better than any other antibiotic, regardless of route<sup>1</sup> . . . it was the drug of choice in the majority of ear infections<sup>2</sup> . . . when compared with penicillin, the tetracyclines and neomycin, Chloromycetin emerged as the antibiotic most likely to cure most skin infections<sup>3</sup> . . . many wounds, infected by penicillin-resistant or insensitive organisms, responded dramatically after local Chloromycetin<sup>4</sup> . . . epidermal sensitisation reactions after topical application of Chloromycetin are rare<sup>5</sup>.

There is a product form for most topical infections: Chloromycetin Ophthalmic and Ophthalmic Ointment 1% (also with Hydrocortisone), Chloromycetin Ear Drops 10%, Chloromycetin Cream 1% and Chloromycetin Topical 5%.

'Indocid' is supplied as 100 mg suppositories and 25 mg capsules.

Detailed information is available to physicians on request.

For the majority of patients, oral administration of 'Indocid' (as capsules) is preferred, but in certain circumstances it may be desirable to give 'Indocid' as suppositories.

### 'Indocid' Suppositories may be useful:

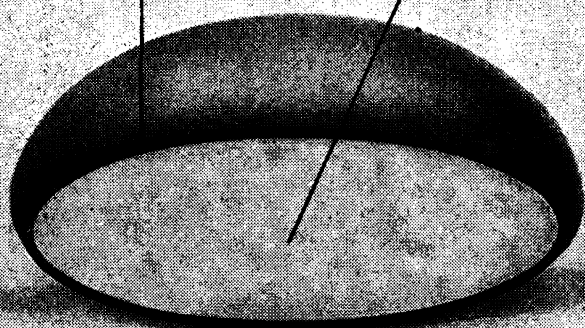

- in patients unable to tolerate an effective dosage of 'Indocid' by mouth.
- where it is desirable to administer a higher dosage of 'Indocid' than is possible orally.
- where relief of night pain and morning stiffness is particularly important. One suppository at bedtime will frequently give relief for 12 to 16 hours.

# Heinz Baby Foods provide an unequalled variety for baby's daily diet

An obvious advantage of Heinz Baby Foods—quite apart from their high nutritive value—is the extremely varied diet they offer.

Broths and soups, meat, fish, chicken, and cheese dishes; breakfast dishes; vegetables; fruits and puddings—69 varieties in all. It would be impossible for most mothers to provide such a varied diet.

Moreover, many fruits and vegetables are out of season for months at a time. Heinz have the added advantage that their fruit and vegetable dishes are available all the year round.

Thus that essential ingredient, variety, (often sketchy with home-prepared meals) is well provided for with Heinz.

In addition, Heinz high standards of cooking, quality, and hygiene are constant.

So in prescribing these infant foods, you are advising the mother a course of action which not only makes life easier for her, but is more nutritionally satisfactory for her child.

The Baby Foods come in two categories: Strained and Junior.

Strained, the first solids, are forced through a fine mesh sieve to remove any harsh fibres and to ensure easy digestibility.

The more advanced Junior Foods, finely chopped or minced, prepare the child for the coarser texture of adult foods.

If you would like further information about Heinz Strained and Junior Foods please write to: Foods Science, Advisory Service, H. J. Heinz Co. Ltd., Hayes Park, Hayes, Middlesex.

## Spencer "Free Action" Support Brief for men

Spencer's revolutionary new concept of support in non-rubber, spandex elastic for back and abdomen.

Subtle in design to the degree of being mistaken for tailored, body-fitting underwear in the locker room, it actually provides powerful, functional support in elevating the viscera, thus relieving low back strain.

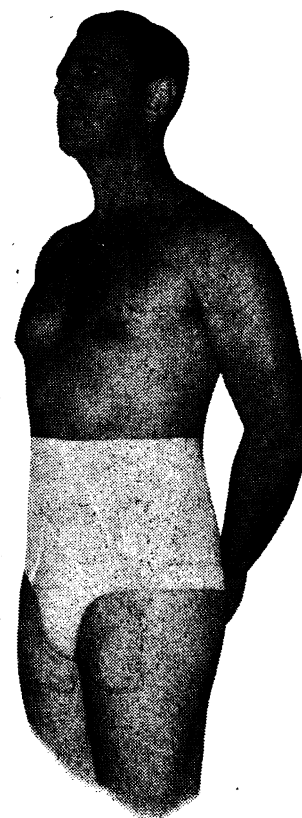

- ★ Front inner panels follow natural musculature.
- ★ Soft expansion areas at top edge and around legs allow motion and minimize bulging.
- ★ Comfortable, accommodating crotch section has easy access opening.

Patients have experienced relief from chronic low back pain while wearing the Support Brief.

We recommend this Brief for minor low back conditions and where it is considered beneficial to raise abdominal contents in aiding respiration, relieving ptosis, minimizing pooling of blood in lower abdomen, etc.

For further information on the, Spencer "Free Action" Support Brief write to:

## PRACTICES

## (Executive Councils)

For vacancies (except those in Scotland) apply on Form E.C.16A, obtainable from the Executive Council. Mark envelopes "Vacancy."

## APPLICATIONS ARE INVITED FOR A

medical practice vacancy at Thundersley, a rapidly developing area in Benfleet Urban District. No list of patients. Average list in the region is over 3,000 and local practitioners have indicated that they would welcome an opportunity to reduce their lists. There is every possibility an incoming practitioner could build up a substantial list in a reasonably short time. The area is "designated" and an initial practice allowance is payable on usual conditions. Premises in area of private development available by lease.

Applications to the undersigned on Form E.C.16A by first post Monday, March 21, 1966.—E. Bergdahl, Esq., Clerk of the Council, Essex Executive Council, Queen's Hall, Kings Avenue, Holland-on-Sea, (Clacton-on-Sea, Essex. (H.5401)

## BARBICAN REDEVELOPMENT

## (City of London)

Applications are invited from practitioners for appointment to a new medical practice in the Barbican Redevelopment.

By 1970 the area will be redeveloped to include residential accommodation for approximately 7,000 people at the rate of 2,000 in each of three phases. The area was designated in 1969 and 1,000 in the year 1969-70.

Residence and surgery premises to be provided by the Corporation of London are likely to be ready for occupation about September 1966, when the first of the flats should be available for letting.

A second practice vacancy will be created at a later stage in the scheme. The appointment will carry an initial practice allowance if the practitioner selected is eligible therefor.

Application forms, E.C.16A, obtainable from the Clerk, Inner London Executive Council, Insurance House, Insurance Street, W.C.1.

Completed application to be received by the Council not later than 12 noon, Monday, March 28, 1966. (H.5616)

## HUNTINGDON AND PETERBOROUGH

## EXECUTIVE COUNCIL

Applications are invited for practice vacancy (due to emigration at March 31, 1966) in the City of Peterborough—which is a designated area. List at present approximately 3,700. Surgery not available.

Applications on Form E.C.16A, to reach the Clerk of the Council, 65a, Westgate, Peterborough, not later than March 17, 1966. (H.5609)

## LANCASHIRE EXECUTIVE COUNCIL

## (NATIONAL HEALTH SERVICE)

## MEDICAL PRACTICE VACANCY—

## SHAW, NEAR OLDHAM, LANC.

Applications invited for vacancy (urban) due to the resignation of two doctors (husband and wife) who have been practising in partnership. Open area. Combined lists at present approximately 3,700. Residence available for sale and surgery available on rent. Successful candidate will be required to take over on May 19, 1966.

Apply on Form E.C.16A, obtainable from the undersigned, not later than March 26, 1966, to the Clerk, Lancashire Executive Council, 42 West Cliff, Preston, Lancs. (H.5574)

## LIVERPOOL EXECUTIVE COUNCIL

## MEDICAL PRACTICE VACANCY

## WEST DERBY PARLIAMENTARY

## DIVISION

Urban Area. Classified "Open" by Medical Practices Committee.

Applications are invited for the above-mentioned practice, vacancy due to resignation. List approximately 2,200.

House with surgery attached in residential area will be available for purchase.

Applications, on Form E.C.16A, to be received by the undersigned not later than noon on Wednesday, March 23, 1966.—J. H. Hunter, Liverpool Executive Council, 26 Princes Road, Liverpool 8. (H.5573)

## CARDIFF EXECUTIVE COUNCIL

Applications invited for vacancy caused by death. In Splott, suburb of Cardiff ("cpan" area). List at present 1,680 approximately. Surgery/residence probably available for purchase.

Forms E.C.16A, and further particulars obtainable from the Clerk, Cardiff Executive Council, Churchill House (8th Floor), Churchill Way, Cardiff.

Completed forms to be received by the Council not later than Wednesday, March 23, 1966. (H.5610)

## LIVERPOOL EXECUTIVE COUNCIL

## MEDICAL PRACTICE VACANCY

## TOXTETH DIVISION

Applications are invited for the above-mentioned practice vacancy due to resignation.

The area is classified as "Open" by the Medical Practices Committee.

List approximately 3,550.

The practice is conducted from two surgeries which are four miles apart.

In one case, premises comprising surgery and resident caretaker accommodation will be available for rent from the City Corporation, whilst the other premises also used in the practice comprising both residential and surgery accommodation will be for sale.

Applications, on Form E.C.16A, to be received by the undersigned not later than 12 noon on Wednesday, March 23, 1966.—J. H. Hunter, Liverpool Executive Council, 26 Princes Road, Liverpool 8. (H.5594)

## NATIONAL HEALTH SERVICE

## GLAMORGAN EXECUTIVE COUNCIL

## VACANT PRACTICE AT NEATH, GLAM.

Applications invited from medical practitioners for vacancy (Industrial). Number on list at January 1, 1966, was 2,174 (Glamorgan 2,159, Swansea (15) all prescribing).

Further particulars and form of application, which must be submitted not later than March 28, 1966, may be obtained from the undersigned.—P. D. White, Clerk of the Glamorgan Executive Council, Churchill House, Churchill Way, Cardiff. (H.5572)

## STOKE-ON-TRENT EXECUTIVE

## COUNCIL

Medical practice vacancy—Burslem—Urban Area—Designated list 3,165. House and surgery premises available.

Applications, on forms E.C.16A, obtainable from the undersigned, to be received by March 21, 1966.—W. E. Walker, Clerk of the Council, 76/82 Hope Street, Hanley, Stoke-on-Trent. (H.5459)

### UNIVERSITY OF EXETER Postgraduate Medical Institute

A full-time postgraduate course lasting 10 weeks will begin on April 20, 1966. These courses are held three times a year, starting in October, January, and April. Each course includes instruction in general medicine, paediatrics, preventive medicine, pathology, psychiatry, orthopaedics and general surgery. The programme is planned so that students wishing to specialize in a particular clinical subject are given facilities to do so, while other students receive teaching in each of the main clinical departments in turn. Unpaid clinical attachments can be arranged at the end of the course for students requiring a longer period of training. Further particulars and application forms for these courses are obtainable from the Director, The Postgraduate Medical Institute, The University, Exeter, Devon.

### UNIVERSITY OF LONDON

A course of two lectures entitled "The Receptors of the Skeletal Muscle" will be delivered by Professor Y. Laporte (Toulouse) at 5.30 p.m. on March 23 and 24 at University College (Physiology Theatre), Gower Street, W.C.1. Admission free, without ticket.—James Henderson, Academic Registrar. (10015)

### UNIVERSITY OF EDINBURGH Diploma in Social Medicine

A full-time postgraduate course of approximately nine months' duration leading to a Diploma in Social Medicine is being inaugurated in the Department of Social Medicine during the session 1966/7. The course is intended for medical practitioners who wish to specialize in medicine as applied to the control of disease in a community and to the care and promotion of the health of social groups and populations. It replaces the courses for the D.P.H. and the D.M.S.A. previously offered by this department and will include the study of epidemiological methods, preventive measures, planning of medical care systems and evaluation of health services. The new course is designed for doctors preparing for a career in the field of administration of public health and/or hospital and medical care services; for those interested in the application of epidemiological techniques to clinical problems; and for those intending to pursue an academic career in the field of social medicine.

The first course will begin on October 11, 1966. The number of places on the course is strictly limited and applications for admission should be lodged by May 30, 1966, or as soon thereafter as possible.

Further particulars and forms of application for admission are obtainable from the Dean of the Faculty of Medicine, University of Edinburgh Medical School, Teviot Place, Edinburgh 8. (9680)

### UNIVERSITY OF GLASGOW ACADEMIC YEAR 1966-7

A full-time course for the Diploma in Public Health extending over three academic terms will commence on Thursday, October 6, 1966. The course has been extensively revised. Microbiology and communicable diseases, epidemiology, medical statistics, the behavioural sciences and the organization of medical care constitute main subjects in the curriculum which are dealt with in depth.

Forms of application for admission to the course may be obtained from the Dean, Medical Faculty Office, The University, Glasgow W.2. (9994)

### UNIVERSITY OF LIVERPOOL Department of Anaesthesia in Association with the Liverpool Children's Hospital

A course in Paediatric Anaesthesia for Consultants and Senior Registrars will be held from September 26 to 30, 1966, inclusive. There will be lectures and discussions each day and demonstrations will be given of all aspects of paediatric anaesthesia, including that for cardiocirculatory investigations and surgery. The course will be conducted by members of the Department of Anaesthesia with the assistance of visiting lecturers. Residential accommodation will be provided in the University Halls of Residence at a cost of 40s. a day.

Applications, stating qualifications, and present appointments, should be sent to the Professor of Anaesthesia, 48 Bedford Street North, Liverpool 7.

The number taking the course will be limited to fourteen and the closing date for applications will be July 20, 1966. The fee will be £14 14s. (10012)

### UNIVERSITY OF NEWCASTLE UPON TYNE

#### THE MEDICAL SCHOOL

#### ADVANCED COURSE IN SURGERY

An Advanced Course in General Surgery will be held at the Royal Victoria Infirmary, Newcastle upon Tyne, each Wednesday from April 27 to June 29, 1966, if the demand is sufficient. This course will be suitable for candidates preparing for the Final Fellowship of the Royal Colleges of Surgeons and also for those already qualified in Surgery. The programme for a typical session will be as follows:

2.00-4.00	Clinical assessment of surgical problems
4.00-5.00	Tutorial
5.00-6.30	Clinical meeting
	Evening meal
7.30-8.30	Lecture and discussion

Application forms and programmes obtainable from the Assistant Registrar, Postgraduate Office, Medical School, The University, Newcastle upon Tyne. Closing date for the receipt of applications will be April 18, 1966. The course fee will be six guineas (including refreshments). (10155)

**Educational—contd.****UNIVERSITY OF LONDON**

This post is suitable for a candidate working for a higher degree and opportunities for postgraduate study will be available. Application forms obtainable from the Deputy Superintendent, should be returned, naming three referees, by March 29, (10105)

**PUBLIC HEALTH**

**ADMINISTRATIVE COUNTY OF LEICESTER**

**SENIOR ASSISTANT COUNTY MEDICAL OFFICER**

Applications are invited from women medical practitioners for the above appointment. Experience in the Maternity and Child Welfare Services is essential, and the possession of the D.P.H. or D.C.H. an advantage. The duties will be both administrative and clinical.

Salary scale £1,815 by £75 (5) and £80 (3) to £2,430. Previous experience will be taken into account in forming the commencing salary. The appointment is subject to the appropriate Whitley Council General Conditions of Service.

Further particulars and application forms can be obtained from the County Medical Officer of Health, 17 Friar Lane, Leicester. (10179)

**BOROUGH OF SWINDON**

**ASSISTANT MEDICAL OFFICER OF HEALTH AND BOROUGH SCHOOL MEDICAL OFFICER**

Applications are invited from qualified medical practitioners for an appointment of Assistant to the Medical Officer of Health and Principal Borough School Medical Officer, who also exercises health and welfare functions delegated by the Wilts County Council. Salary within the scale £1,515 to £2,130 per annum according to experience.

Housing accommodation and removal assistance can be offered.

The appointment carries a car allowance. Applications, together with the names of two persons to whom reference may be made, should be sent to the Town Clerk, Civic Offices, Swindon, Wilts. Further particulars will be supplied on request. (9770)

**COUNTY BOROUGH OF READING**

**MEDICAL OFFICER WITH ASSISTED D.P.H. SCHEME**

Applications are invited from registered medical practitioners who intend to take up a career in Public Health or Medical Administration. A scheme is in operation in accordance with the National Joint Council's Conditions of Service which will enable the successful applicant to pursue a full-time course of study for the D.P.H. with a loss of salary. Every opportunity will be extended to provide administrative and clinical experience in all departments of an all-purpose health and welfare authority. Participation in current research projects will also be encouraged. The post, therefore, offers an opportunity to gain comprehensive experience at an early stage in a public health career. Salary scale £1,515 to £2,130 with placing according to qualifications and experience.

Further information and application forms are obtainable from the Medical Officer of Health, Department of Health and Welfare, Reading, Berks. Closing date for applications is March 12, 1966.—G. F. Darlow, Town Clerk. (9965)

## Public Health—contd.

## KINGSTON UPON HULL

## SENIOR MEDICAL OFFICER

Applications are invited from medical practitioners of either sex for the above-mentioned appointment, the duties of which are mainly in connection with maternity and child welfare, infectious diseases and general administration within the Health Department and the medical inspection of aliens and Commonwealth immigrants under the Hull and Goole Port Health Authority.

Applicants must be holders of a Diploma in Public Health, and the possession of additional degrees, diplomas, etc., will be considered an advantage. Salary scale £2,090 by £85 (9) to £2,855 per annum. An "essential user" car allowance will be paid and assistance with removal expenses will be considered.

Particulars of the appointment, and forms of application, may be obtained from the Medical Officer of Health, Guildhall, Kingston upon Hull, to whom completed application forms should be returned not later than March 28, 1966. (9557)

## LANCASHIRE COUNTY COUNCIL

ASSISTANT DIVISIONAL MEDICAL  
OFFICERS

Registered medical practitioners are invited to apply for appointment to vacancies which exist in the following areas:

Ramsbottom      Fleetwood  
Accrington      Messey  
Milnrow/Whitworth      Leigh

Salary scale £1,515 to £2,130, starting salary according to experience.

Possession of the Diploma in Public Health is desirable, and necessary for further advancement, but successful applicants not possessing this qualification will be encouraged to take advantage of the County Council scheme for financial assistance. Details of this and other conditions of service are contained in a booklet which is issued with application forms, and is obtainable from the County Medical Officer of Health, Serial No. 5146, East Cliff County Offices, Preston. (9747)

## STAFFORDSHIRE COUNTY COUNCIL

APPOINTMENT OF SENIOR CLINICAL  
MEDICAL OFFICERS

Applications are invited for the newly created posts of Senior Clinical Medical Officers (three) to work within the northern and central areas of the new Administrative County.

Candidates should have had considerable experience in maternity and child welfare, and school health service work, and it would be desirable if they are qualified as a Mental Ascertainment Officer.

The possession of a D.C.H., or D.Obst. R.C.O.G., or D.P.H. would be an advantage. Experience in the conduct of the refraction of schoolchildren will be required for one of the posts.

Salary £1,735 to £2,350, with appropriate placing in accordance with experience and qualification.

Lodging allowance and removal expenses are payable in accordance with the County Council's Scheme.

Forms of application and further details may be obtained from the County Medical Officer of Health, County Buildings, Stafford, the closing date to be March 25, 1966.—T. H. Evans, Clerk of the County Council. (9798)

## ADMINISTRATIVE—see also p. li

## Medical Officer

for the

## Medical Research Council

20 Park Crescent • London • W.1

Applications are invited from medical graduates aged 28 to 36 years for a post in one of the Medical Divisions of the Medical Research Council's headquarters office in London.

GENERAL  
INFORMATION

The Council, who receive a parliamentary grant-in-aid of over £10 million a year, promote an extensive programme of medical research, both at home and abroad, in their own establishments and at many hospitals and universities.

The work of the headquarters medical staff, which covers the whole range of the Council's activities, is important, interesting and varied. In particular, the medical officers are responsible for maintaining liaison with members of the Council's scientific staff and others active in medical research. They also take part in scientific committee and conference activities and may assist with work in the fields of parliamentary affairs, public relations and publications.

## THE POST

The present vacancy is within the Division concerned mainly with clinical and para-clinical research (including the Council's projected Clinical Research Centre), but there will be scope for acquiring experience in the administration of other fields. The post offers good scope for a medical graduate keenly interested in medical science, but with leanings towards an administrative rather than a professional career. Some research experience, although not essential, would be an advantage.

SALARY  
AND  
CONDITIONS

THE SALARY in the age range 28 to 36 is £2,269 to £2,919 on a scale rising subsequently to £3,780 per annum.

SUPERANNUATION provision is made.  
THE APPOINTMENT will be to the Council's established staff, subject to satisfactory completion of a probationary period of two years.  
LEAVE is five weeks a year.

## APPLICATION

Candidates should write (giving full details of education, qualifications and experience, with the names and addresses of two professional referees) to the Principal Medical Officer at the above address, quoting reference (B.269) before the 31st March, 1966. (9796)

A.H. ROBINS

GREAT EXPECTORANTS  
FOR A DICKENS *of* a COUGH  
**Dimotane<sup>®</sup> Expectorant**  
**Dimotane<sup>®</sup> Expectorant-DC**

Most types of patients and most types of coughs respond to Dimotane Expectorant . . . a pleasant tasting combination of an excellent antihistamine, two proven decongestants and a highly effective expectorant. When additional cough suppressant action is indicated, Dimotane Expectorant-DC provides the same potent ingredients plus dihydrocodeinone bitartrate.

**formula:** Each 5 ml. of Dimotane Expectorant contains: Dimotane (bromphenira-

mine maleate), 2 mg.; (guaiphenesin), 100 mg.; Phenylephrine HCl, 5 mg.; Phenylpropanolamine HCl, 5 mg. Dimotane Expectorant-DC provides the above formula plus dihydrocodeinone bitartrate 1.8 mg. per ml.

**suggested dosage:** Adults—1 to 2 teaspoonfuls q.i.d. or more as necessary. Children— $\frac{1}{2}$  to 1 teaspoonful t.i.d. or q.i.d.

**A.H. Robins Co., Ltd.,** Horsham, Sussex

# not only more effective than thiazides but also acts when they fail

The effectiveness of Lasix is now clinically well established. It has been shown that when thiazides have been administered to give their maximum response, Lasix gives an immediate increase in diuresis, indicating that it acts on a different site in the nephron. This supports the clinical findings that Lasix will provoke diuresis in patients resistant to thiazide therapy, and indicates that there is no value in combining Lasix with thiazides. The important thing to note is that the effect produced by Lasix is proportional to the dosage: the higher the dosage given, the greater the response. Lasix has a uniquely wide range of action: it is particularly valuable when thiazides fail to exert their required effect.

## Lasix

a product of Hoechst world-wide research

# Geigy

## Medical Adviser

Applications are invited from registered medical practitioners in the 28-35 year age group.

The duties will involve the initiation and follow-up of clinical trials of new and established preparations in close co-operation with Consultants, Research Units, General Practitioners and the Committee on Safety of Drugs, as well as studying adverse reactions to drugs and obtaining detailed case histories where this is indicated.

It will be appreciated that, with the Company's present range of products, this position may have particular interest to doctors with a leaning towards psychiatry or rheumatology.

The work will involve travelling within the U.K. and occasionally abroad. Clinical work is encouraged. Appreciation of modern trends and ideas in medicine is important and this is aided by attendances at specialist society meetings and conferences.

Previous experience in the Pharmaceutical Industry is unnecessary. The new member will join a team of doctors experienced in this field and initially will be given help and advice in this interesting and expanding branch of medicine which offers wide scope for an excellent career.

The Company's offices are situated in pleasant surroundings on the Lancashire/Cheshire border within easy travelling distance of the more highly sought after residential areas to the south of Manchester. Good conditions of work include a first class contributory pension scheme. Generous financial assistance towards expenses associated with house removal and purchase is offered in appropriate cases.

Practitioners interested in this appointment are invited to write, giving full particulars of age, qualifications and previous experience to:

The Medical Director,  
Pharmaceuticals Division, Geigy (U.K.) Limited,  
Roundthorn Estate, Wythenshawe,  
Manchester 23.

**MEDICAL ADVISER Indian National**

G. D. Searle & Co. Ltd. the well-known ethical pharmaceutical manufacturers are setting up a company in India to make and market their products. A doctor of Indian nationality is sought, who will be responsible to the General Manager for the running of clinical trials and a medical information service, the training of representatives and for medical aspects of the company's literature. Ideally, applicants should have experience of hospital medicine and of gynaecology, and should preferably be between 28 and 35. A higher qualification would be an advantage. Salary will depend upon age, qualifications and experience. The successful applicant will live in Bombay and must be prepared for considerable travel in India. A company car will be provided, and there is a contributory pension scheme.

## COMMERCIAL APPOINTMENTS see also p. ii

### LEO LABORATORIES LTD.

are expanding their research organization. Applications are therefore invited from male registered medical practitioners for a full-time appointment to the staff of their Medical Department, which is located near London.

The Department is responsible for the organization of clinical trials of new drugs in the United Kingdom, for close liaison with the company's research laboratories and the sales division, and for the documentation required by the various medical committees. The Department also assists in the training of representatives.

Applicants should be about 35 years of age, have had several years' clinical experience, preferably both in hospital and general practice. Experience in the pharmaceutical industry would be advantageous. They should be prepared to undertake a certain amount of travel in the U.K. The successful applicant could become Deputy Medical Director.

Commencing salary will depend upon experience and qualifications, but would not be less than £3,000. Car provided. Non-contributory pension and life assurance scheme in operation.

Applications will be treated in confidence and should be addressed to: The Medical Director, Leo Laboratories Ltd., Hayes Gate House, Uxbridge Road, Hayes, Middlesex. (10130)

ROCHE

### VITAMINS RESEARCH

We have a vacancy for a Medical Officer to be based on our Clinical Research Department, Welwyn Garden City, Hertfordshire. We are looking for a man who has had fairly wide experience in clinical work connected with vitamin deficiencies and who has done some work on nutrition. The post offers scope for further research into the vitamin status of various groups of the population and arranging trials to enable a better understanding of the mode of action of vitamins. Some travelling in this country will be necessary in connection with the duties of the post. A good starting salary will be negotiated and is thereafter subject to annual review. There is an exceptional contributory pension scheme: other conditions of service are also attractive.

Interested medical practitioners should write, in confidence, to the Staff Officer at:

**ROCHE PRODUCTS LIMITED**  
15 MANCHESTER SQUARE LONDON W1

(H.5532)

## COMMERCIAL APPOINTMENTS

### THE INTERNATIONAL MEDICAL RESEARCH DEPARTMENT of BRISTOL LABORATORIES

invites applications for the appointment of  
**ASSISTANT MEDICAL DIRECTOR**

at its address in Middlesex, England

We are in the process of building up a new clinical research team. It will take a vital place in a world-wide Company research programme.

It is anticipated that applicants will be aged between 35 to 45, will be well qualified and experienced and will either already hold a position in the pharmaceutical industry in Britain or Europe or work in a Research appointment or in a Department of Medicine at a large Hospital or Institute.

Applicants holding other appointments will, of course, be considered, but the successful one will be a person who is "internationally" minded and "research" minded, who believes that thinking like a doctor is important—particularly in industry—and who can stand on his own two scientific feet and make decisions. He must feel at home in major European hospital circles. Telephoning a Nobel Prize Winner for instance should not intimidate him!

In his work he will be responsible solely to doctors and scientists and this work will comprise:

1. Arranging and evaluating clinical (and sometimes pre-clinical) trials of research-orientated compounds.
2. Advising medically people who are very good at their own non-medical jobs and very helpful to doctors.
3. Acting as one of a medical headquarters team for overseas medical directors of Bristol pharmaceutical companies.
4. Preparing definitive statements and judgements on medical/scientific problems for doctors and managers.
5. Guiding and assisting clinical trials of marketed products in many countries.
6. Attending, reporting and contributing to medical conferences.
7. Occasionally lecturing to medical and non-medical groups (e.g., hospital staff meetings, sales representatives, etc.)

This work will entail travelling—mainly European and mainly in short bursts—for about 25 per cent to 35 per cent of the time and thus the ability to explain his work in a major European language, as well as in English, would be an advantage. It also entails much reading of the literature in our own library and elsewhere, and this must be a labour of love. A facility to put thoughts on to paper succinctly is essential.

The position is new, challenging and rewarding. It is included in the Company's excellent Pension and Superannuation scheme, offers good prospects for the future and a starting salary of not less than £4,000 per annum.

All this is why we must have the right person.

Applications in handwriting, giving full details of why you think you are right for the job, to Box V.2623.

Oversea—contd.

## ANGLO AMERICAN CORPORATION (CENTRAL AFRICA) LIMITED

# MEDICAL OFFICERS

Applications are invited from registered medical practitioners for vacancies which have arisen at hospitals of the group's copper mines in Zambia—at the Nchanga mine which has two hospitals, one with 250 beds, the other with 70 beds and at the Bancroft mine hospital which has a capacity of some 200 beds.

The positions are as general duty medical officers working under the direction of each company's Chief Medical Officer. The duties are primarily those of the general practitioner and will include the care of both expatriate and indigenous patients in the hospital. Some general surgical experience would be an advantage. The hospitals are modern and well-equipped and include laboratory and X-ray facilities.

Basic commencing salary would depend on qualifications and experience but would be not less than £3,200 per annum. The appointment would be on a contract basis for a minimum period of three years and this may be renewed by mutual agreement. In addition to the salary there is a terminal gratuity in lieu of pension and a free life assurance scheme. There is also a Christmas bonus of 5% of basic salary which is paid in December each year. Up to three-and-one-half adult fares for the employee and his family are paid for the outward and for the return journey upon completion of service. Partially furnished housing at a nominal rental is available and an educational allowance is payable for children attending secondary education outside Zambia. There are generous leave conditions and other benefits which can be discussed at an interview.

Applications, which should give full details of experience, age, qualifications, marital status and the names of two medical referees, should be submitted to:

Overseas—contd.

# **ZAMBIAN ANGLO AMERICAN, RHOKANA CORPORATION LIMITED KITWE, ZAMBIA**

Applications are invited from registered Medical Practitioners for appointment in the Medical Department of the above-mentioned Company which provides a medical service for the employees (expatriate and indigenous) and their dependants. The service is a comprehensive one and there are two hospitals, one 70-bedded hospital for members of the Contributory Medical Service and a 300-bedded one for the non fee-paying members.

There are thirteen Medical Officers on the staff including Specialist Surgeon, Physician and Anaesthetist and also a general diagnostic radiological service and Pathological Laboratory. The successful applicant will be required to work under the direction of the Chief Medical Officer and the duties are those of a general practice nature including hospital care of patients and midwifery.

The appointment is on a three-year contract basis renewable or extendible by mutual agreement. If desired a shorter contract period will also be considered. The basic starting salary will be dependent on qualifications and experience, but will not be less than £3,200 per annum; in addition there are other benefits such as gratuities and a Christmas bonus of 5% of basic salary. A car allowance is paid and an initial interest free loan is also available for the purchase of a car. Partly furnished married accommodation is available at a nominal rental. Passages will be paid on appointment and on return on completion of service. There are generous leave conditions. Further details will be provided on interview.

Applications, giving full particulars of age, marital status, qualifications, experience and the names of two medical referees, should be addressed by airmail to:

**The Personnel Manager,  
Rhokana Corporation Limited,  
P.O. Box 2000,  
KITWE,  
Zambia.**

Overseas—contd.

# Medical Service OVERSEAS helps DEVELOPMENT

The developing countries overseas are in urgent need of doctors. A break from normal routine is offered, together with the opportunity to see something of the world and to gain valuable and interesting experience. These appointments carry attractive salaries, normally with an overseas allowance and a gratuity on completion of contract. There are also educational allowances for children and free family passages. Accommodation is provided free, or at a low rental, and income tax is usually low. In most cases superannuation rights can be preserved or maintained. Here are some examples of posts available:

## MEDICAL OFFICERS

### Dominica

Required for general duties in any of the institutions or Districts of the Colony. Appointment for two years. Salary £1,470 to £1,960 per annum. Private practice is permitted provided it does not interfere with officers' Governmental duties.

### Gambia

Required for work in preventive medicine at the new Endemic Control Unit. Candidates should possess the D.T.H. Appointment for 18-24 months. Salary £1,560 to £2,512 per

annum, plus £150 per annum in lieu of private practice.

### Swaziland

Required for general duties at a Government Hospital. Candidates should have the ability to undertake surgery and to administer anaesthetics. Appointment for 24 to 36 months. Salary £1,683 to £2,772 per annum.

### Jamaica

Required for the care and treatment of psychiatric in-patients and out-patients of the Bellvue Hospital and appointed clinics con-

sultative services in Forensic and Medical Board cases. Candidates should possess the D.P.M. Appointment for three years. Salary £1,430 to £2,275 per annum.

### Kenya

Required for general duties in Clinical Medicine, Public Health and Hospital Administration. Doctors contemplating a career in public health service will find such an appointment an opportunity for gaining valuable experience. Candidates should possess the D.P.H. Appointments for two years. Salary £1,818 to £3,000 per annum. Private practice usually permitted.

## SPECIALISTS

### Malaysia

A specialist in Physical Medicine and Rehabilitation is urgently required at the new Rehabilitation Centre for the Physically Handicapped, Cheras. Duties will be to assist and advise on the reorganization and development of facilities; to participate in the teaching programme of the proposed Physiotherapy and Occupational Therapy Training School to be established at the General Hospital, Kuala Lumpur. Candidates must possess experience in physical medicine and rehabilitation as well as teaching ability. Appointment under contract to the British Government for two years. Salary according to qualifications and experience, plus a variable tax-free overseas allowance currently payable at £445 per annum for a single man and £1,395 per annum for a married man accompanied by his wife.

### Zambia

Require a (1) Pathologist for the Public Health Laboratory in Kitwe or Lusaka. Candidates

must possess the D.C.P. or D.Path., or at least three years' full-time experience as a pathologist.

(2) A Radiologist (Diagnostic) for duties at a Central or General Hospital. Candidates must possess the D.M.R. or D.M.R.D. These appointments are for three years. Salary £3,005 per annum, plus a supplementary salary of £300 and an allowance of £800 per annum in lieu of private practice.

### Uganda

Require (1) A Pathologist to work in the Medical Laboratory, Kampala, under the Specialist in Clinical Pathology. Candidates must be prepared to teach Clinical Pathology, Forensic Medicine, and Haematology to students and trainees. Candidates must possess experience in pathological work. Salary £1,818 to £3,000 per annum.

(2) A Specialist Gynaecologist to act as Consultant to the Uganda Medical Service and to undertake special duties. Candidates must possess the F.R.C.O.G. or the M.R.C.O.G.

and several years' experience in the specialty. Salary £3,234-£3,378 per annum.

(3) A Consultant Physician to the Uganda Medical Service, who would also be expected to undertake teaching duties. Candidates must possess the F.R.C.P. or M.R.C.P., and considerable experience in this field of medicine. Salary £3,234 to £3,378 per annum.

These appointments are for 21 to 27 months.

### THE MINISTRY ANNOUNCES A NEW SCHEME FOR TRAINING OF RECENTLY REGISTERED DOCTORS FOR SERVICE OVERSEAS

In return for undertaking to serve for three years in a developing country overseas, the Ministry offers a course of training to recently registered doctors which is designed to fit them for service overseas, and which will be attractive professionally and financially. During the period of training of 12 to 15 months, the doctor will receive a retaining fee bringing his total emoluments to £1,425 per annum. Write now for full details of the scheme.

Candidates should normally be nationals of the United Kingdom or the Republic of Ireland and must possess medical qualifications registrable in the United Kingdom. For application forms and further information about these and other vacancies, please write, stating full name, to the Appointments Officer.

**MINISTRY OF OVERSEAS DEVELOPMENT**  
ROOM 403A, ELAND HOUSE, STAG PLACE, LONDON S.W.1.

Oversea—contd.

**THE QUEEN VICTORIA MEMORIAL HOSPITAL**  
172 Lonsdale Street, Melbourne, Victoria, Australia

Applications are invited from legally qualified medical practitioners holding appropriate higher qualifications for the following new position:

**HONORARY NEUROLOGIST**  
Appointment will be to July 31, 1970, with eligibility for reappointment for a full five-year term thereafter. The hospital is affiliated with Monash University for teaching in Obstetrics and Gynaecology, and Paediatrics. These Chairs are located at the hospital. Application forms are obtainable from the undersigned, with whom applications should be lodged on or before April 21, 1966.—Nell Stephenson, Manager. (9586)

**THE QUEEN VICTORIA MEMORIAL HOSPITAL**  
172 Lonsdale Street, Melbourne, Victoria, Australia

Applications are invited from legally qualified medical practitioners holding appropriate higher qualifications for the following new position:

**HONORARY PSYCHIATRIST WITH SPECIAL TRAINING IN CHILD PSYCHIATRY**  
Appointment will be to July 31, 1970, with eligibility for reappointment for a full five-year term thereafter. The hospital is affiliated with Monash University for teaching in Obstetrics and Gynaecology and Paediatrics. These Chairs are located at the hospital. Application forms are obtainable from the undersigned, with whom applications should be lodged on or before April 21, 1966.—Nell Stephenson, Manager. (9587)

**THE WHYALLA HOSPITAL INC.**  
Whyalla, South Australia

**RADIOLOGIST**

Applications are invited from legally qualified medical practitioners with a higher qualification in medical radiology to fill the position of Radiologist to the Whyalla Hospital Inc.

Salary range \$A.7,500 to \$A.8,000. The expansion of the Whyalla Hospital into a 230 bed modern hospital is due for immediate completion and will include a department of radiology. It serves a rapidly developing industrial population of 22,000 which it is anticipated will increase to 30,000 within five years.

The medical services in the city of Whyalla already consist of general practitioners, a Consultant Surgeon, Consultant Physician, and Consultant Ophthalmologist. Ambulances serving Eyre Peninsula are based at Whyalla—this applies to both vehicular and aircraft services. With this rapid expansion, there is an urgent need for a Radiologist.

The Secretary would be happy to supply further details and conditions of service on application.—J. W. J. Tommerup, Secretary. (H.5541)

## HOMES

## NORTHUMBERLAND HOUSE

Finchley, N.3. Tel. Finchley 5283  
A psychiatric Nursing Home. Elderly patients accepted. Moderate inclusive terms. Apply Resident Physician.

ST. ANDREW'S HOSPITAL, NORTHAMPTON  
FOR NERVOUS AND MENTAL DISORDERS

President: The Earl Spencer  
Medical Superintendent: D. J. O'Connell, M.D., D.P.M.  
This private hospital receives patients, both male and female, suffering from nervous and mental disorders, including alcoholism and senile illnesses. The fees range from eighteen guineas per week. Private rooms with special nurses can be provided, either in the hospital or in one of the villas in the grounds. The hospital is situated in 130 acres of pleasant grounds which provide all recreational facilities. These include a nine-hole golf course, sports ground, tennis courts, etc. A Recreation and Occupation Centre, known as Gloucester House, was opened in 1962, which comprises an occupational therapy department, a swimming pool, a squash court, and a library with an adjoining reading room.

## WANTAGE HOUSE

This is a separate reception unit to which patients may be admitted. It is equipped for the complete investigation of nervous and mental disorders by the most modern methods. All forms of treatment are available.

## MOULTON PARK

Some two miles from the main hospital is the farm of approximately 600 acres. Occupational therapy is a feature of this branch. For terms and further particulars, apply to the Medical Superintendent (Telephone No.: 34354 Northampton), who can be seen in London by appointment.
