# HEALTH CENTRES & GROUP PRACTICES

Lord Cohen of Birkenhead writes the introduction  
to a booklet on Health Centres and Group  
Practices based on recent articles in the *B.M.J.*

"... a series of excellent articles. . . Any practitioner  
who is considering how he can improve his service to  
his patients and his own working conditions will find  
this a very useful book."

*Lancet* (1966), 1, 380.

"... a 'must' for any group contemplating new practice  
premises . . . should be equally valuable to the M.O.H.  
planning a new health centre."

*Brit. med. J.* (1966), 1, 221.

"These reports . . . provide an admirable summary of  
the position today. . . ."

*Practitioner* (1966), 196, 341.

# Protection against Allergy

# Alavac

## for 1967 is available now

Alavac is the name for the Bencard range of adsorbed desensitising vaccines. Alavac provides a simple, effective and safe treatment for most common allergies. For many patients this treatment can be started now.

**Simple** A course of Alavac needs only 7-9 injections based on the clinical severity of symptoms. The three-vial Alavac treatment set includes sterile disposable syringes with attached needles, plus full instructions for administration.

**Effective** Over 80% of patients have been shown to respond well to the adsorbed type of desensitising vaccine. For these patients such therapy can bring long-lasting benefit and halt the deterioration that might otherwise occur with continued use of mere symptomatic treatment.

**Safe** Alavac is carefully formulated so that once injected, the allergens are released slowly ensuring a gradual and safe dispersal in the body. Consequently, effective doses are attainable in even the most sensitive patient.

### How to prescribe Alavac

There are three varieties of Alavac:

**Alavac-S** is individually formulated to the patient's particular allergic condition, and can be prepared from any one or more of a wide selection of allergen extracts.\* Specialists will appreciate that the allergens used correspond exactly with those available in Bencard testing solutions.

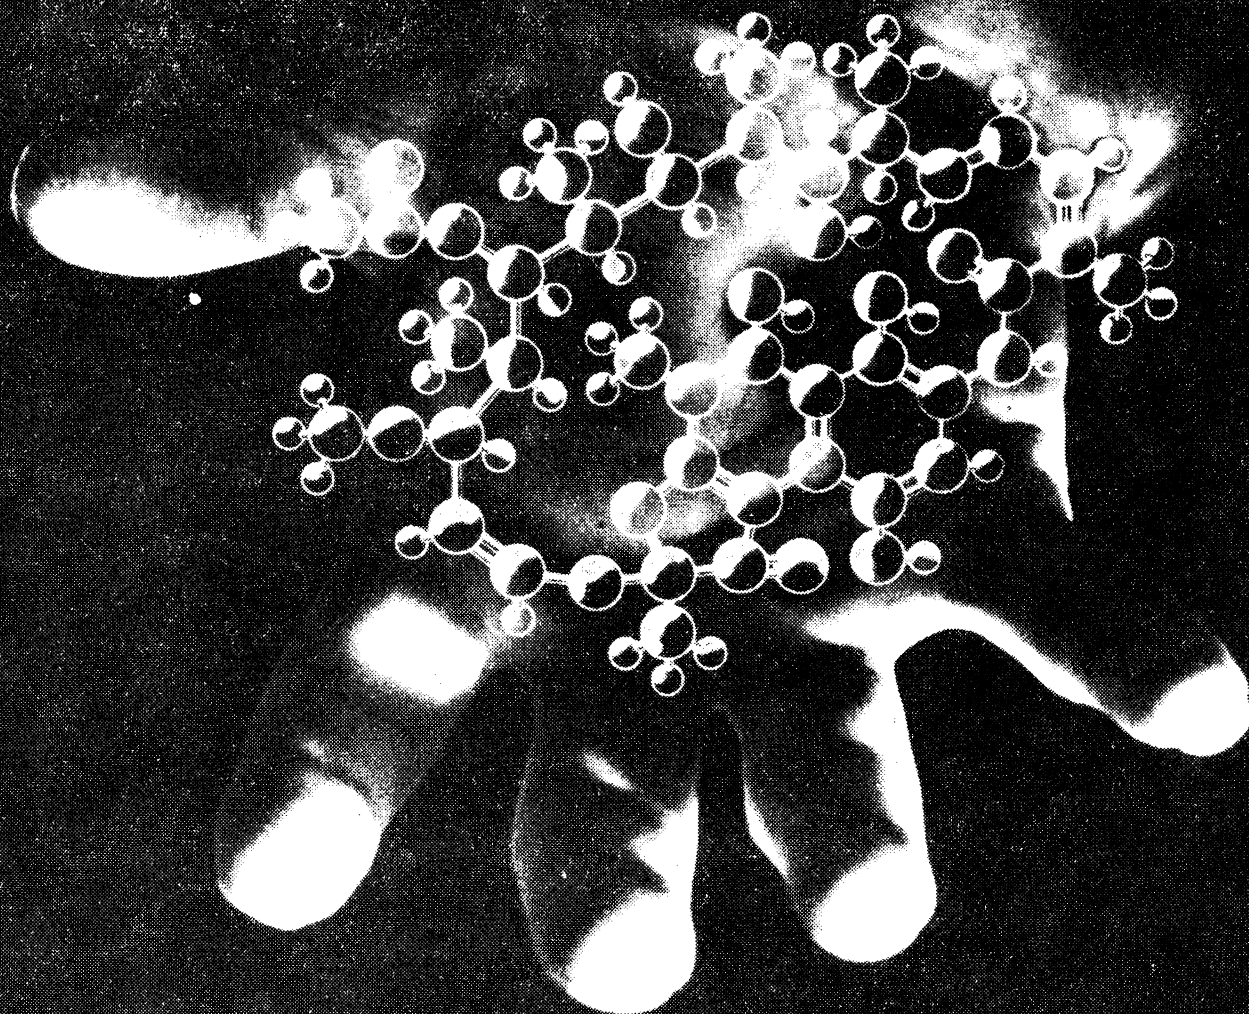

**Alavac-P** is a stock grass pollen vaccine for classical hay fever and pollen asthma. It is best administered pre-seasonally, starting in mid-March at the latest.

**Alavac-D** is a stock house dust vaccine for non-seasonal asthma and perennial rhinitis. It may be given at any time of the year.

 **Bencard**

**LEPETIT** S.p.A. MILAN - ITALY

**ANTIBIOTICS, CORTICOSTEROIDS, PSYCHO-DRUGS, VITAMINS**

**These are the research and industrial production sectors in which Lepetit mainly operates**

Lepetit has made great strides in the research and industrial production field. It has also undertaken widespread expansion in the world, creating a group of up-to-the-minute plants in Europe, Africa, Asia and Central and South America, namely in: Italy, at Garesio, Milan-Bovisa, Torre Annunziata (Naples); France, at Seclin; Spain, at Madrid; Portugal, at Lisbon; Algeria, at Algiers; Morocco, at El Jadida; Nigeria, at Ikeja; Iran, at Teheran; Thailand, at Bangkok; Argentina, at Buenos Aires; Brazil, at São Paulo; Chile, at Santiago; Mexico, at Mexico City.

## a case for 'Stelazine'

Hypochondriasis as a response to loneliness

**The following case narrative is one of a series prepared by a consultant psychiatrist, based on actual patient records.**

This is the case of a 38 year-old woman, the youngest of four children, and the one who found herself left behind to look after her parents. Her brother and two sisters left home as soon as they were old enough to break away from a childhood of domestic drudgery imposed by the mother.

There is little doubt that the youngest daughter would have liked to follow suit, but by the time she left school the others had all gone, and father needed a lot of care and attention with his arthritis. The girl might have appreciated a little care, too, but no one thought of that—least of all her mother.

As the years passed, her personal life continued to be frustrated by the demands of duty. There had been a boy she liked but her mother, quickly alert to the threat, soon convinced her daughter that the affair was not quite right. So it ended.

Then there had been the job in the sweet-shop. She gave that up after a fortnight of domestic crises, tears, and reproachful looks. It had not been much of a job, but it had meant a great deal to her.

At 36, the pattern of spinsterhood and household drudgery now apparently irreversible, she first visited her doctor complaining of severe low back pain. Treatment didn't seem to help, and eventually he referred her to hospital for examination. Which started her on the road to chronic hypochondriasis.

Within a year, she was going to the ENT clinic with tinnitus, to the physician with paroxysmal tachycardia and faintness, to the neurologist with atypical migraine, and to the gynaecologist with amenorrhoea. And, of course, to the orthopaedic department for manipulation of the back. The difficulty was that, although they all thought she was largely functional, there was always *something* really wrong. She did have an old perforated drum, a fast pulse, sharp waves in the right parietal

region, a hypoplastic uterus, and OA of mild degree around lumbar 4-5. But never quite enough to justify the symptoms she described.

As she told the psychiatrist later, it was so nice having people really care about her for the first time in her life. And the addiction-effect of waiting room conviviality, the only opportunity she had of a friendly chat with ordinary people, proved irresistible. She's still coming in regularly to evening surgery. 'Stelazine' has helped her. But with sensible psychotherapy, it might have helped a great deal more a couple of years ago.

'Stelazine Spansule' Capsules 2 mg.; Tablets 1 mg.; Syrup, each teaspoonful (5 ml.) containing 1mg. 'Stelazine' Ampoules 1mg./ml. Literature containing prescribing information is available on request.

When you  
prescribe  
'Aventyl'  
for depression  
you take a load  
off two minds

'Aventyl' comes promptly to the rescue of the patient beset by depressive symptoms. Published reports indicate that 'Aventyl' rapidly relieves black mood, lassitude, loss of appetite and sleep disturbance.

'Aventyl' reassures the doctor, too, because it is exceptionally free from the drawbacks of earlier psychostimulants. The side-effects of 'Aventyl', as reported in three years' widespread use, have rarely been troublesome.

Since the drug is not a MAO inhibitor, dietary supervision is not necessary.

# Vasogen Silicone

—for skin protection in cases of  
**bedsores, napkin rash**  
**cracked skin, itching**  
**and other skin disorders**

Vasogen Silicone has high water repellent properties and protects the skin from irritants induced or aggravated by contact with aqueous liquids, body fluids and exudations. It is effective also in the treatment of sore buttocks, excoriation, plaster sores, maceration, some conditions of eczema and can be used after colostomy. Vasogen Silicone is easy to apply and is almost invisible on the skin. It provides an acceptable protective barrier that is maintained effectively for lengthy periods.

## FORMULA

Dimethyl Silicone Fluid B.P.C.	20.0%
Zinc Oxide B.P.	7.5%
Calamine B.P.	1.5%
in an emulsified base

# Obstetrics in General Practice

*Published July 1966*

This book is made up of a series of articles printed in the "Current Practice" section of the BRITISH MEDICAL JOURNAL. It is designed to give a lucid and practical account of obstetrics as it is carried out in the patient's home or in a maternity unit, with special emphasis on the role of the general practitioner and his relationship to the consultant obstetrician and the hospital. The principal authors are consultant obstetricians, but to ensure that the general practitioner's own view and special experience should be represented the consultant contributors were asked to prepare their articles in collaboration with general practitioners. The book as a whole is a product of such co-operative effort. It will prove a useful guide to this important branch of medical practice.

# a new anti-emetic

from Beecham Research Laboratories

# Maxolon

Maxolon is an effective anti-emetic against vomiting of central or local origin.

Maxolon may be given orally or by injection.

Maxolon does not have undesirable effects on the Central Nervous System, and gastric and salivary secretions are unaffected.

## Indications:

### ***Nausea and vomiting due to:***

Gastro-intestinal disorders.

Intolerance to essential drugs.

Malignant disease.

Uraemic conditions.

Post-operative conditions.

Deep X-ray or Cobalt therapy.

**N.B.** Maxolon is not so effective in vomiting of labyrinthine origin such as travel sickness, vertigo and Ménière's disease.

**Formula:** Maxolon (approved name metoclopramide) is chemically N-(diethylaminoethyl)-2-methoxy-4-amino-5-chlorobenzamide monohydrochloride. This new compound is in no way similar to existing medicaments in gastro-enterology.

**Contra-indications:** Although animal tests in several mammalian species have shown no teratogenic effects, Maxolon, like all new drugs, is not recommended during the early weeks of pregnancy.

## Adult dosage:

**Oral:** 1 tablet (10mg.) or two teaspoonfuls (10mg.) of syrup, three times daily.

**I.M.:** 1-3 ampoules (10-30mg.) daily depending upon the severity of the condition.

**I.V.:** 1 ampoule (10mg.) when required.

Information on other dosages is available on request from the Company's Medical Department.

**Possible side-effects:** Constipation may occur in a small percentage of patients. Symptoms of overdose are drowsiness and restlessness of the limbs.

**Precaution:** As both Maxolon and the phenothiazines may occasionally cause benign transient dystonia, care should be exercised in the event of both drugs being prescribed concurrently.

## Availability:

 **Tablets:** containing 10mg. metoclopramide, in canisters of 20.

 **Syrup:** containing 5mg. metoclopramide in 5ml., in bottles of 100ml.

 **Ampoules for injection:** 2ml. ampoules containing 10mg. metoclopramide, in boxes of 10.

# GLYMAXIL <sup>Regd.</sup> instant buffer antacid

**Hyperacidity and peptic ulcer:**

**AN OUTSTANDINGLY DIFFERENT AND MORE EFFECTIVE TREATMENT**

Just two things interest the chronic sufferer. He wants the pain to go, and stay gone. And if both results can be achieved with an antacid that tastes pleasant and is needed in lesser quantity than he's used to, he's going to be very grateful indeed.

Glymaxil, the only soluble buffer antacid, can promise exactly this. In clinical practice Glymaxil has been shown 'significantly more effective' in relieving pain and 'significantly more palatable' than aluminium hydroxide. Glymaxil, the first antacid chelate, acts faster and buffers more acid for longer periods in the ideal pH range 3-5 than other commonly used antacids.

**A very agreeable treatment**

By suppressing pain promptly Glymaxil gives the patient a sense of reassurance, itself highly beneficial. Taken in small doses (1-2 teaspoonfuls) and tasting pleasantly of peppermint, it is also a most agreeable and convenient liquid antacid—one that will make his symptoms a great deal easier to live with.

**Dosage** One or two teaspoonfuls as required. Not more than 120ml. (one bottle) of Glymaxil should be consumed in any 24 hour period.

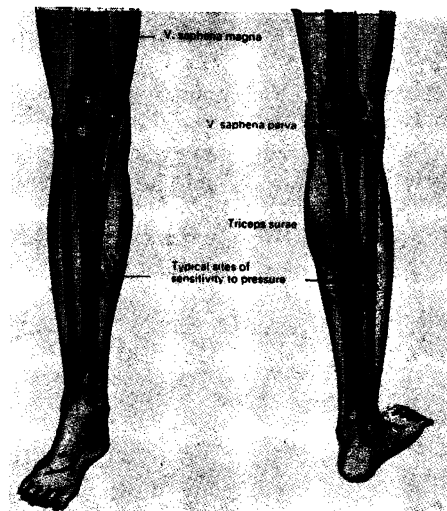

**Presentation** Bottles of 120ml. containing 40% w/v sodium glucaldrate.

individualist!

# Bad legs

Tired, heavy, aching legs, night cramps, skin disorders—symptoms of venous insufficiency—respond to PAROVEN [1-3]

**PAROVEN, containing troxerutin [trihydroxyethylrutoside], reduces the increased capillary permeability which "is at the bottom of the majority of the complications of varicose disorders" [4]**

A NEW ORAL MEDICATION**A SAFE AND EFFECTIVE TOPICAL PREPARATION  
WITH IMMEDIATE ANALGESIC PROPERTIES**

Bonjela provides an effective remedy for lesions of the mouth. Relief from pain and rapid healing are achieved in nine out of ten cases of oral ulceration whatever the origin.

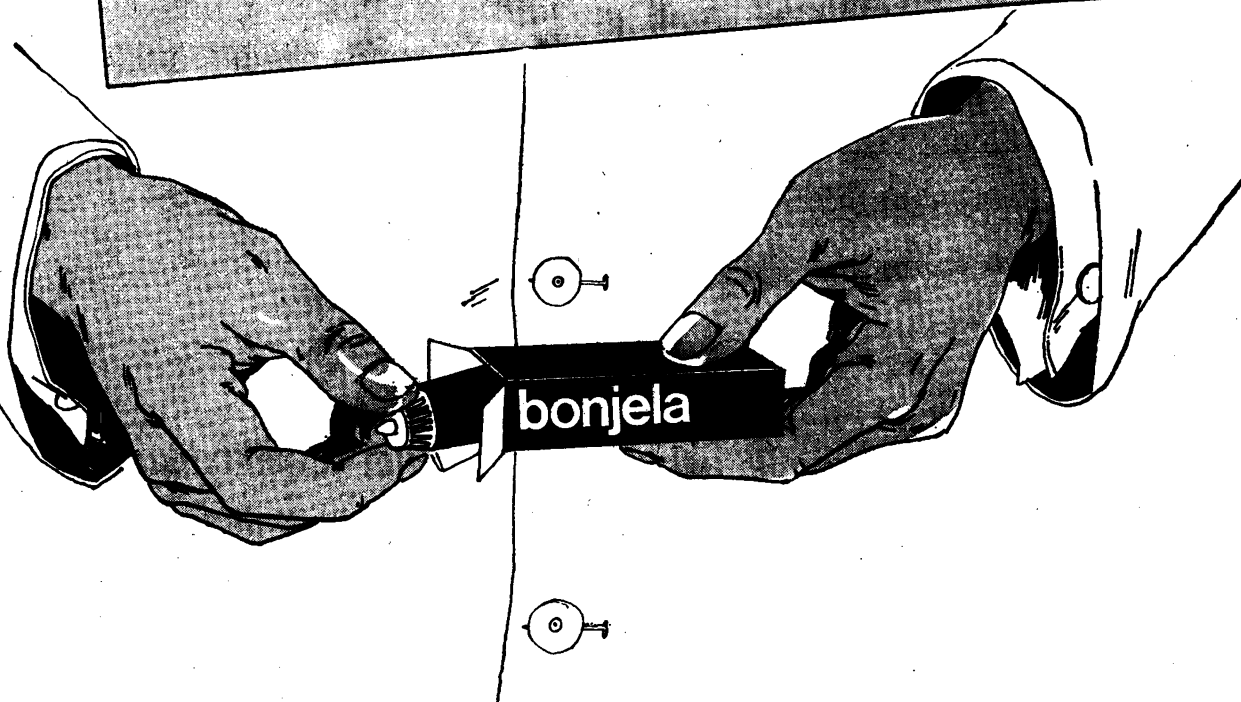

This high rate of response to Bonjela was revealed in American trials. Formal trials apart, an immediate clinical assessment may be made by applying Bonjela to any case of oral ulceration encountered. Pain or tenderness is usually relieved within a few minutes owing to the analgesic properties of choline salicylate and the anaesthetizing action of the alcoholic gel.

**FORMULA:** Choline Salicylate 8.7%, Cetalkonium Chloride 0.01%, Alc. (95%) 39.0%, Menthol 0.057%, Glycer 4.6%.

**INDICATIONS** are Herpes Labialis, Gingivitis, Glossitis, Oral Ulcerations, Cheilosis, Denture Sores, Infant Teething Disorders, Lesions of the Nasal Mucosa.

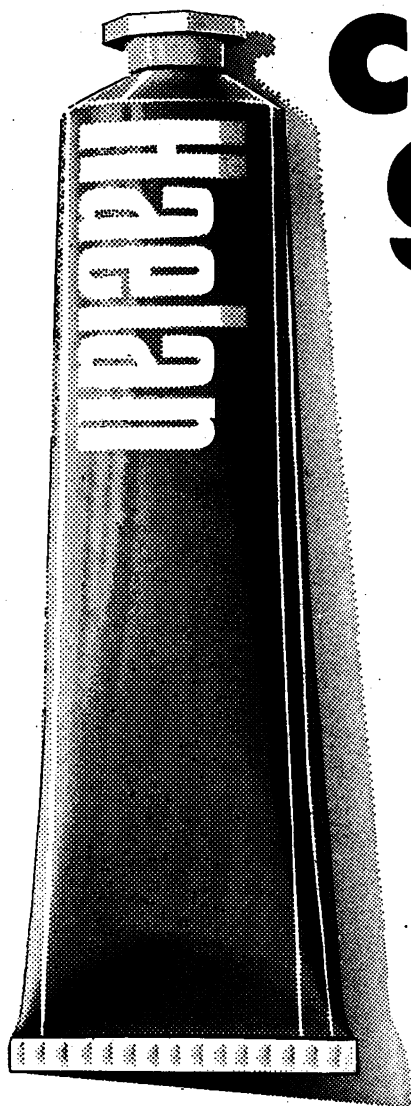

**PRESENTATION:** Bonjela is available in 10 g. tubes at a basic N.H.S. cost of 2/8½d. per tube.

**LITERATURE** and samples are available on request from Lloyds' Pharmaceuticals Ltd., 38 Berkeley Square, London, W.1. Tel: Grosvenor 6801.

# How commonsense can you get...

Haelan is a new preparation for steroid-responsive skin conditions.

Its advantages are strictly practical.

Haelan contains a proven steroid, flurandrenolone, in a concentration sufficient to treat all but the most severe dermatoses.

It comes in a realistic 60 gramme tube—enough for routine treatment without the need for repeat prescriptions.

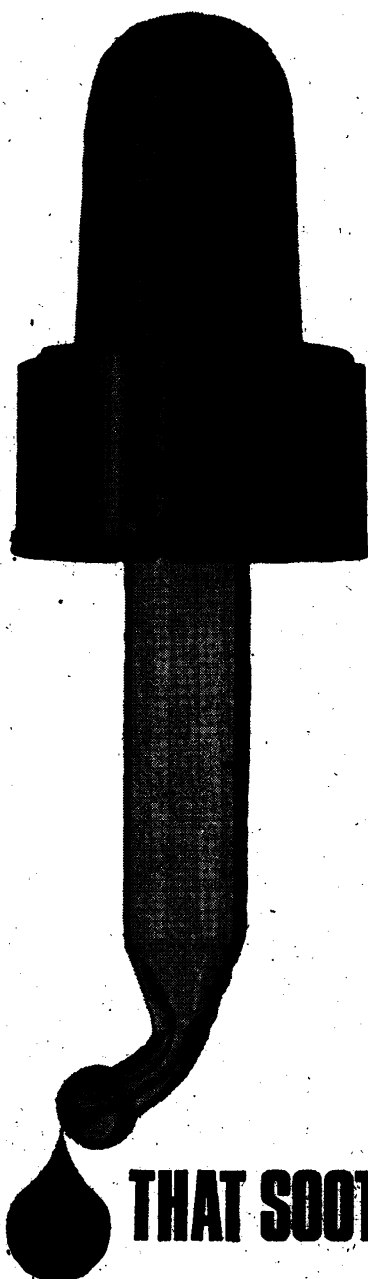

Because of the pack size, and because the steroid content has not been needlessly increased, Haelan is far more economical than comparable preparations: the Basic N.H.S. Price for the 60 G. tube is 11/1d.

## haelan

a sensible advance in skin treatment

Haelan (flurandrenolone 0.0125%) is presented as cream and ointment, each in 60G. tubes. Also available: Haelan-X (flurandrenolone 0.05%) for initial treatment of acute dermatoses. DISTA PRODUCTS LIMITED • LIVERPOOL 24

## Psoriasis... rapid response to Alphosyl

... even in previously intractable cases. A patient of 48 who had a generalised psoriasis for 20 years was essentially clear in six weeks.<sup>2</sup> A girl of 10 with a strong familial history of psoriasis, cleared almost completely after three weeks' application of Alphosyl Cream.<sup>2</sup> These are just two typical cases from the extensive clinical records underlining Alphosyl's outstanding effectiveness in bringing psoriasis under control.

**New Alphosyl lubricating cream.** A new water-in-oil dosage form, Alphosyl Lubricating Cream is particularly significant in the treatment of the dry, extremely scaly psoriatic lesion confined to the small site and the intertriginous area. Alphosyl cream is especially helpful in clearing psoriatic plaques exposed to constant friction. By enhancing lubrication of the skin folds, it serves to lessen irritation and facilitate healing. Clearing is prompt, even in previously resistant cases. The effectiveness of Alphosyl in this form is attributable in large measure to its unique cream base. This consists of a combination of saturated and unsaturated free fatty acids, naturally occurring triglycerides and esters that resemble the lipoid constituents of normal healthy skin. The vehicle also contains hydrophylic-lipophilic bipolar substances which

Oct. 9th.

enhance the moisture uptake and retention of the amphoteric proteins of the stratum corneum. Significantly, it has been shown that squalane, one of the components of the base, is most effective in dissolving a cement substance in psoriatic scales.

**Formula:** Allantoin 2%+90% alcoholic extract of coal-tar (5=1) 5% in a vanishing type cream base or a smooth, non-greasy lotion base.

## More to overweight than meets the eye?

How many cases of obesity have emotional stress as a major underlying factor? Many authorities hold that in *most* cases, overeating is rooted in anxiety, boredom, frustration or similar emotional tensions<sup>1,2,3,4</sup>. Merely curbing the appetite in these cases is unlikely to be of more than limited value<sup>1,2</sup>—treatment of the obese patient must also compensate for the solace formerly obtained from eating. *Durophet-M* provides this treatment.

*Durophet-M* contains two constituents—a calmative, methaqualone, to counter underlying tensions, and a highly effective appetite depressant, laevo- and dextro-amphetamine, ratio 1:3. *Durophet-M* provides better treatment for the compulsive overeater than simple appetite depressants because it both controls the appetite *and* combats the emotional factors present in nearly all cases of obesity<sup>1,2</sup>.

1. *Int. Rec. Med.* (1959) 172:212. 2. *Practitioner* (1961) 187:566. 3. *Brit. J. Clin. Pract.* (1960) 14:173. 4. *Med. Clin. N. Amer.* (1963) 43:77.

**DUROPHET-M** relieves underlying stress  
and curbs the appetite  
with one capsule daily

rheumatoid  
patients to  
help themselves**

# ACTHAR GEL

ACTH GEL Inj BP

**Prompt relief of pain   Increased mobility   More normal life**

For the rheumatoid patient, ACTHAR GEL is still the most effective treatment and the most reliable long-acting corticotrophin available. It stimulates the adrenal cortex to release the full range of natural steroids—the hazards of adrenal suppression associated with synthetic corticosteroid therapy are avoided.

#### **Intermittent Dosage**

Recently published research\* has shown that it is quite possible to stabilise rheumatoid patients on 40 IU ACTHAR GEL two or three times weekly—or even once weekly in some cases. This obviously gives even greater

security—and extends the clinical usefulness of ACTHAR GEL. \*Lancet, (1966) 2: 78

#### **For Self-Administration**

Once the maintenance dose of ACTHAR GEL has been determined, the patient can easily be taught self-administration. This means that previously crippled patients return to, and remain at, their occupations. For fuller details please write for the book "The Place of ACTHAR GEL in the Treatment of Rheumatoid Arthritis".

The invisible wedge  
that helps  
correct flat feet...

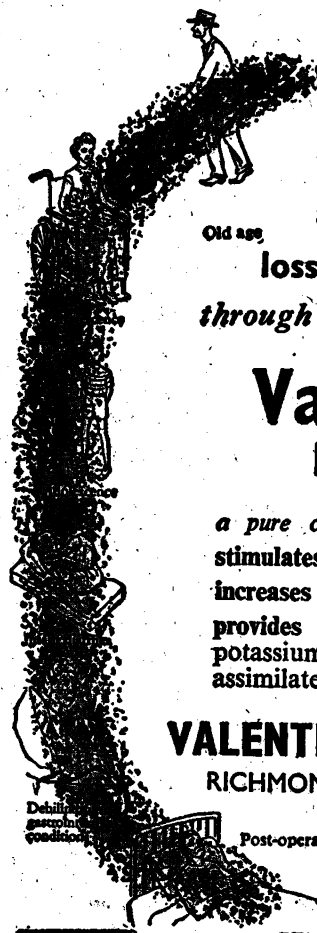

Do you recommend an external wedge? Those outside wedges soon wear away, and very often the child is made to feel self-conscious because his shoes look different from other children's. They also disturb the plane of forepart and heel. Surely it's more logical to have a wedge built in between the inner and outer sole where it remains invisible and completely unaffected by wear or repair of the shoe. That is how Start-rite INNERAZE shoes are made—on remedial lasts specially adapted to accommodate the internal wedge. That is why they are the only practical and thoroughly effective solution to this problem. Information from Mr. C. James, Fitting Consultant, Start-rite Shoes Ltd., Crome Road, Norwich, NOR 60A.

## "In Sickness and in Health..."

Just how critical is the state of medicine in Britain? In a long challenging article in the April issue of *ENCOUNTER* this highly topical subject is examined by Professor Henry Miller, Dean of Medicine and Professor of Neurology at the University of Newcastle upon Tyne. His conclusions will be of the greatest interest to every medical practitioner in the country.

The April issue is now available at news-agents, price 4/- (U.S.A. \$1). *B.M.J.* readers are invited to take out a special introductory subscription to *ENCOUNTER* (the leading review of current affairs and the arts) for 8 months, starting with this issue, at a saving of 20%. Simply send 25/- (\$5.50 U.S.A.; 30/- elsewhere) to:

the new advanced **bactericidal** broad-spectrum antibiotic

# Versapen\*

(hetacillin, Bristol)

## the first penicinate

provides

a broad band of continuous activity

### The first penicinate

After world-wide evaluation, Bristol Laboratories introduces a new advanced bactericidal broad-spectrum antibiotic—hetacillin, Versapen.

For the first time, the basic 6-aminopenicillanic acid has been substituted in such a way as to produce a new chemical entity—the first penicinate. In such a drug, the amino nitrogen of 6-APA has been incorporated into a ring structure. Hetacillin is called a penicinate whether in the form of a salt such as the potassium salt or in the form of its free acid. More precisely, a penicinate is a 6-(5 oxo-1-imidazolidinyl) penicillinate.

Initially, Versapen was proved in the laboratory to possess bactericidal activity against a wide range of Gram-positive and Gram-negative organisms while the potential for toxicity remained very low. Now, in the hands of practising physicians, Versapen has been shown to be effective in patients with a wide variety of common infections. The low incidence of side-effects favours Versapen over many other broad-spectrum antibiotics.

### Versapen is clinically outstanding: 93.4% cured or improved

Among more than 1500 patients with infections caused by beta-haemolytic streptococci, the frequently resistant enterococci, *Escherichia coli*, *Diplococcus pneumoniae*, *Proteus mirabilis*, *Haemophilus influenzae* and many other Gram-positive and Gram-negative organisms, clinical results of

oral Versapen therapy were excellent.

Because of the wide range of bacteria involved, these results indicate that Versapen will be useful in almost all types of general and hospital practice.

### Broad-spectrum and bactericidal

The range of antibacterial activity of Versapen is comparable to other broad-spectrum antibiotics, including chloramphenicol and the tetracyclines. But, unlike these essentially bacteriostatic agents, Versapen is bactericidal. Common bacterial invaders are eradicated not just inhibited.

### Well tolerated and rarely causes side-effects

Haematopoietic and hepatic investigations reveal that Versapen is safe: no significant reactions have been reported. Note: Hetacillin shares with the penicillins a potential for producing allergic reactions.

### Extended blood levels

Antibacterial serum levels of Versapen are unusually prolonged. After a 250 mg. dose, bactericidal blood concentrations are preserved up to 6 hours and levels are detectable up to 8 hours. The patient benefits from *constant bactericidal action*. Usual adult dosage is 1 or 2 capsules four times per day. Versapen is best given before or between meals. Presentation: 250 mg. capsules, bottles of 20, 100 and 500.

## Women at risk

**'... it is important to discover how many women  
with acute urinary infections are likely to suffer  
from serious renal disease in later life ...'**

*Lancet (1962), ii, 1246*

The high incidence of urinary tract infection in women is well known. Inadequately treated with simple symptomatic remedies, apparently mild attacks of cystitis or pyelitis in childhood or early adult life may smoulder subclinically

for many years—before reappearing as chronic and intractable pyelonephritis. Eradication of the infecting organisms is therefore essential in the treatment of every urinary tract infection, however mild.

## PRACTICES

(Executive Councils)

For vacancies (except those in Scotland) apply on Form E.C.16A, obtainable from the Executive Council. Mark envelopes "Vacancy."

### CINDERFORD

Applications are invited for a vacancy (semi-urban area) due to a single-handed practitioner joining a partnership in another part of England. List 3,200, all "prescribing" patients. Freehold house and surgery available. "Open" area. Further particulars and Forms E.C.16A may be obtained from the undersigned, by whom applications should be received not later than April 10, 1967.—E. T. C. Chell, Clerk of the Executive Council for Gloucester County and City, Montpellier House, Montpellier, Gloucester. (H.4962)

### DURHAM COUNTY EXECUTIVE COUNCIL (National Health Service)

#### GENERAL MEDICAL SERVICES HURWORTH, CO. DURHAM

Applications are invited for a single-handed practice vacancy. The practice is situated mainly in an attractive rural district, which is classified as "open." List as at January 1, 1967—Durham County 1,984, Darlington 131, and Yorks North Riding 750. The total list is, therefore, 2,865 of which 2,590 are dispensing. The combined surgery and residential accommodation may be available for purchase to the incoming practitioner. The successful applicant will be required to take over from June 1, 1967. Apply on Form E.C.16A, closing date March 31, 1967, to the Clerk, Durham County Executive Council, Green Lane, Old Elvet, Durham. (Telephone 2403.) (H.4935)

### RE-ADVERTISEMENT GREATER LONDON BOROUGH OF BARKING Dagenham, Essex

Applications are invited for a two-doctor partnership medical practice vacancy in above urban area (classified as "Designated"), arising from resignation of medical practitioners.

Total number on list: 5,100 approximately. Surgery accommodation available on rental; residence available for purchase.

Form E.C.16A and further details obtainable from the Clerk, North-East London Executive Council, Ilford Lane Chambers, Ilford Lane, Ilford, Essex.

Applications to be received not later than March 29, 1967. (H.4857)

### HAMMERSMITH (STAMFORD BROOK STATION AREA)

"Intermediate" area. Retiring practitioner, male. List at present approximately 2,000. Premises will not be available.

Application forms E.C.16A obtainable from the Clerk, Inner London Executive Council, Insurance House, Insurance Street, W.C.1.

Completed applications to be received by the Council not later than 12 noon, Monday, April 3, 1967. (H.4961)

### HERTFORDSHIRE EXECUTIVE COUNCIL

#### PRACTICE VACANCY—CHESHUNT

Applications are invited for a vacancy arising from the resignation of a medical practitioner. The practice is in a "Designated" area, and the list at present is approximately 2,883. The retiring doctor's premises are not available, but the Urban District Council may be able to assist with accommodation. For form of application and full particulars, apply to the Clerk, Hertfordshire Executive Council, Crown Court, Pegg Lane, Hertford. Closing date for return of application forms, April 8, 1967. (H.4966)

### RE-ADVERTISED VACANCY ROTHWELL—NEAR LEEDS

Applications are invited for vacancy due to resignation at Rothwell (Rothwell Urban District "open" area. List at present 2,649. Hospitals at Leeds and Wakefield within easy access. Surgery accommodation available. Successor required to take over as soon as possible.

Applications on Form E.C.16A (obtainable from the Clerk, together with further information) to be submitted to B. England, Clerk, West Riding Executive Council, 5 St. John's North, Wakefield, by not later than April 7, 1967. (H.4910)

## UNIVERSITY AND RESEARCH APPOINTMENTS

(see also under "Overseas")

### ST. GEORGE'S HOSPITAL MEDICAL SCHOOL

University of London

### LECTURER IN MEDICAL MICROBIOLOGY

Applications for the above appointment are invited. Applicants should be medically qualified. The duties will include teaching and participation in the diagnostic services to the St. George's Hospital Group; research will be encouraged. Salary will be within the range £1,400 to £2,800, according to qualifications and experience; F.S.S.U. Applications, including the names of three referees, should be sent, not later than April 10, 1967, to Professor S. D. Elek, Department of Medical Microbiology, St. George's Hospital Medical School, 9 Knightsbridge, London S.W.1, from whom further particulars may be obtained. (H.4940)

### Proposed UNIVERSITY OF DUNDEE (Queen's College, Dundee) (University of St. Andrews)

### LECTURESHIP IN PHYSIOLOGY

Applications are invited for a Lectureship in physiology in the department of physiology, Queen's College, Dundee. Applicants should have an Honours Degree in Physiology or in a closely related subject or should be medically qualified. The department has facilities for research in several branches of physiology. Candidates interested in respiratory or circulatory problems would have available a good range of modern equipment.

Salary scales: Medical £1,470 to £2,730; non-medical £1,470 to £2,630, with placing according to qualifications and experience. F.S.S.U. Grant towards removal of household effects.

Applications (six copies) containing the names of three referees, to be lodged not later than April 15, 1967, with the Secretary, Queen's College, Dundee, from whom further particulars may be obtained. (14366)

### UNIVERSITY OF ABERDEEN Department of Bacteriology

Applications are invited from graduates in science or medicine for post of

#### LECTURER

The post is intended for those who either already have, or wish to have, experience and research opportunities in virology and/or electron microscopy.

Salary on scale £1,470 to £2,630 (if medically qualified) £1,400 to £2,700 (meantime under revision); also from science graduates for post of

#### RESEARCH ASSISTANT

Experience in microbiology or some basic biological subject is preferable but not essential.

Salary on scale up to £1,415. All with placing according to qualifications and experience. Superannuation (F.S.S.U.) and removal allowance.

Further particulars should be obtained from the Secretary, The University, Aberdeen, with whom applications (Lecturer ten copies, Research Assistant two copies) should be lodged not later than April 15, 1967. (H.4901)

### THE UNIVERSITY OF MANCHESTER Manchester 13

### TEMPORARY ASSISTANT LECTURERS IN ANATOMY

Applications invited from candidates with medical qualifications registrable in this country for posts for one year initially, but renewable. Duties commence October 1. Salary range: £1,310 to £1,680 per annum. Particulars and application forms (returnable by April 15) from the Registrar. (Quote ref. 38/67/13).

### THE HOSPITAL FOR SICK CHILDREN Great Ormond Street, W.C.1

Applications are invited for the post vacant now of

#### RESEARCH ASSISTANT

to undertake studies of anal and rectal physiology in children, with particular reference to Hirschsprung's disease and the ano-rectal anomalies. This is an established project and is supported by an M.R.C. grant. The appointment is tenable for one year in the first instance, renewable for a further year. Salary and grading according to previous experience and qualifications.

Applications to Mr. H. H. Nixon, M.A., M.B., F.R.C.S., Consultant Surgeon. (14283)

### THE UNIVERSITY OF MANCHESTER Manchester 13

### SENIOR LECTURER OR LECTURER IN CYTOLOGY (CELLULAR PATHOLOGY)

Applications are invited for this post in the department of pathology. The person appointed will be expected to take responsibility for the routine cytology service of the United Manchester Hospitals, in association with the Reader in obstetrical and gynaecological pathology. He will also be expected to participate in the routine general gynaecological biopsy services of the hospitals and in undergraduate and postgraduate teaching. Opportunities will be available for research in basic cellular pathology.

The Board of Governors of the United Manchester Hospitals may be prepared to negotiate an honorary contract as Consultant with a person appointed as Senior Lecturer. Salary scales per annum rising for Senior Lecturer to £3,950 (additional special responsibility allowance for appointment as Consultant), and for Lecturer to £3,400; initial salary and status according to qualifications and experience. F.S.S.U. Particulars and application forms (returnable by April 22) obtainable from the Registrar. (Quote Ref. 40/67/JMB. (14382)

### UNIVERSITY OF BRISTOL

The University invites applications for the post of

#### LECTURER IN PATHOLOGY (Morbid Anatomy)

During his tenure of the Lectureship the successful candidate will be given status in the United Bristol Hospitals as Senior Registrar. Salary within the scale £2,150 by £125 to £2,650 by £115 to £2,995 according to qualifications and experience, together with superannuation.

The pathology department of the university is now in the new medical school building, alongside the hospital precinct, and is fully equipped for research, in which the Lecturer will be able to take part.

Applications, stating age, qualifications and experience, should include the names of three referees. Fifteen copies of the application (except in the case of overseas applicants, from whom one will suffice) should reach the Registrar, from whom further particulars may be obtained, not later than Monday, April 24, 1967. (14357)

### UNIVERSITY OF GLASGOW

#### LECTURESHIP IN ANAESTHETICS at the Western Infirmary

Applications are invited for a Lectureship in anaesthetics. The initial salary will be fixed according to placement on the university scale for clinical teachers. The final maximum is £2,995 per annum.

The successful applicant will be expected to participate in teaching, to undertake research and to perform clinical duties in the Western Infirmary. The appointment will carry an appropriate clinical grading.

Applications (12 copies) should be lodged, not later than April 21, 1967, with the undersigned, from whom further particulars may be obtained. —Robert T. Hutchison, Secretary of the University Court. (14386)

## RESEARCH GRANTS

### CARDIOVASCULAR DISEASES

#### Research Grants 1967/68

The Scientific Committee of the Irish Heart Foundation—Foras Croi na hEireann, invite applications for grants to carry out research in the cardiovascular field.

Closing date for applications for the grant period 1967/68 is May 1, 1967.

Application forms, containing full details, may be obtained from Dr. Noel Hickey, Secretary, Scientific Committee, Irish Heart Foundation, 3 Clyde Road, Ballsbridge, Dublin 4. (14365)

**University and Research  
Appointments—contd.**

For further particulars, and for enrolment form, applications should be made to the Clerk to the College, Royal College of Surgeons, 18 Nicolson Street, Edinburgh 8. (14336)

**SUMMER SCHOOL IN IMMUNOLOGY**  
Southampton University, July 17-21

This Summer School is being sponsored by the British Society for Immunology and the World Health Organization, and it is intended primarily for teachers of immunology in Medical Schools and Universities who are not professional immunologists.

Further information may be obtained from Professor L. Brent, Department of Zoology, The University, Southampton, to whom applications should be sent by April 1. (14167)

**THE FACULTY OF HOMOEOPATHY—  
SCOTTISH BRANCH**

An intensive course in the principles of homoeopathy will be held at the hospital from Friday to Sunday, April 7 to 9, 1967. This course is free and is open to all doctors and senior medical students. Grants are available to defray travelling expenses. Applications to the Faculty Secretary, Glasgow Homoeopathic Hospital, 1000 Great Western Road, Glasgow W.2. (14316)

**THE UNIVERSITY OF BIRMINGHAM  
FACULTY OF MEDICINE AND  
DENTISTRY**

A two-year course of instruction for the D.M.R.D. and D.M.R.T. of the Conjoint Board will commence on October 2, 1967. To obtain a limited number of supernumerary Registrar appointments are available in the teaching and associated regional hospitals for suitable applicants.

Applications to attend should be sent to Professor A. G. W. Whitfield, Director, Board of Graduate Studies, Medical School, Birmingham 15, from whom further details may be obtained. (14326)

**THE UNIVERSITY OF ST. ANDREWS  
REFRESHER COURSE FOR GENERAL  
PRACTITIONERS**

A two weeks' course will be held in Queen's College, Dundee, and associated hospitals from June 19 to 30, 1967. Teaching will be by lecture-demonstrations and clinical rounds, with emphasis on recent advances in diagnosis and treatment. Accommodation available in students' residence at moderate cost. Course fee £17 10s. 0d. Financial assistance, subject to certain conditions, from Scottish Home and Health Department. Last date of enrolment—Friday 19 May. Further particulars and application form from the Director of Postgraduate Medical Education, Faculty of Medicine Office, Queen's College, Dundee. (14416)

**THE MIDLANDS BRANCH OF THE** Society for Medical and Dental Hypnosis will hold a course in the Theory and Practice of Hypnosis at the Queen Elizabeth Hospital, Birmingham, on Saturday and Sunday, April 29 and 30, 1967. Enquiries to the Secretary, Midlands Branch, S.M.D.H., 1 White House Green, Solihull, Warwickshire. (14322)

**THE UNIVERSITY OF SHEFFIELD  
GENERAL REFRESHER COURSE FOR  
GENERAL PRACTITIONERS  
(Section 48 Course)**

A refresher course for general practitioners will be held in the United Sheffield Hospitals as the week commencing Monday, September 18, 1967. The fee is £9 2s. 6d. and accommodation at a University hall of residence can be arranged at a moderate additional charge.

N.H.S. practitioners are (subject to certain conditions) eligible to have the course fee paid on their behalf and to receive also certain allowances (travelling expenses and subsistence).

A number who can be accepted is limited, inquiries and applications (stating whether or not the latter are made under the scheme for N.H.S. practitioners, and whether residential accommodation is desired) should be addressed as soon as possible to: The Director of Postgraduate Clinical Studies, Faculty of Medicine, The University, Sheffield, 10. (14156)

**THE UNIVERSITY OF SHEFFIELD  
REFRESHER COURSE IN GERIATRICS  
FOR GENERAL PRACTITIONERS**

A refresher course in geriatrics for general practitioners will be held at the Northern General Hospital (City General Hospital), Sheffield, during the week-end (Saturday afternoon and all day Sunday) July 15-16, 1967. The fee is £2 12s. 6d. and overnight accommodation at a University hall of residence can be arranged at a moderate additional charge.

This is a Section 48 course and N.H.S. practitioners are (subject to certain conditions) eligible to have the course fee paid on their behalf and to receive also certain allowances (travelling expenses and subsistence).

As the number who can be accepted is limited, applications (stating whether or not the latter are made under the scheme for N.H.S. practitioners, and whether overnight accommodation is desired) should be addressed as soon as possible to: The Director of Postgraduate Clinical Studies, Faculty of Medicine, The University, Sheffield, 10. (14157)

**THE WELSH NATIONAL SCHOOL OF  
MEDICINE**  
(University of Wales)

The First D. R. Edwards Memorial Lecture entitled "Basic Concepts of Mammary Cancer" will be given by Professor Charles Huggins, M.D., D.Sc., LL.D., F.R.C.S. (Hon.), Director of the Ben May Laboratory for Cancer Research, University of Chicago (Nobel Prize winner in Medicine in 1966) on Friday, April 14, 1967, at 5 o'clock p.m. in the Reardon Smith Lecture Theatre, The National Museum of Wales, Cathays Park, Cardiff.

Chairman: Sir Clement Price Thomas. (14308)

**WEST MIDDLESEX HOSPITAL**

**M.R.C.O.G. COURSE**  
A part-time course will be held on Tuesdays and Fridays (2 p.m. to 6.30 p.m.) from April 18 to May 12, 1967. Sessions will include clinical teaching, tutorials, lectures and pathology classes. Course limited to 18 postgraduates.  
Fee 12 guineas.

For full particulars apply to Mrs. Clark, Department of Obstetrics and Gynaecology, West Middlesex Hospital, Isleworth, Middlesex. (14130)

**UNIVERSITY OF SURREY  
Department of Mechanical Engineering  
POSTGRADUATE COURSE IN  
BIOMECHANICS**

Applications are invited for a one-year course in biomechanics, commencing in October, 1967.

The course, which leads to the degree of M.Sc., by examination, is intended for graduates in engineering or physical sciences on the one hand and graduates in medicine or biological sciences on the other.

The branch of the course for graduates in engineering or physical sciences aims to fit them for work in the medical field—for example, the design of prostheses or of hospital equipment—and to introduce them to the physiological problems which they can help to solve.

The branch of the course for graduates in medicine or biological sciences aims to introduce them to the mathematical and engineering methods and techniques which are applicable to medical and physiological practice and research.

Clinical application of the studies is provided through close collaboration with hospitals and medical specialists, and the department specializes in research problems related to internal and external prostheses and blood flow measurements.

Requests for further particulars and application forms should be sent to: Professor J. M. Zarek, Head of the Mechanical Engineering Department, University of Surrey, Battersea Park Road, London S.W.11. (14158)

Applications should be sent at once if no closing date is given. Canvassing disqualifies (Statutory Instrument, 1963, No. 569).

**SALARY SCALES OF HOSPITAL MEDICAL STAFF**

Following the Seventh Report of the Review Body, new salary scales have been approved. These came into force on October 1, 1966. The scales are set out below:

**HOUSE OFFICERS:** Each post in this grade shall be tenable for six months. £1,100 per annum for the posts held during the first year; £1,200 per annum for posts held during the second year; £1,300 per annum for posts held during the third and subsequent years, subject to full registration.

**SENIOR HOUSE OFFICERS:** £1,450 per annum in the first year; £1,550 per annum in the second year; £1,650 per annum in the third or subsequent years. Deductions of £175 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

**REGISTRARS:** £1,650 per annum, rising by four annual increments of £100 to £2,050. Deductions of £175 per annum for those with remuneration at the first two points on the scale, and £200 per annum for those on the third and subsequent points will be made in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade. Allowances of £100 up to £140 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

**SENIOR REGISTRARS:** £1,950 per annum rising by one increment of £100 and four further annual increments of £125 to £2,550. Deductions of £225 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

**MEDICAL ASSISTANTS:** £1,850 per annum rising by fourteen annual increments of £100 to £3,250. Deductions of £225 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

**CONSULTANTS:** £3,200 per annum rising by five annual increments of £185, and then by four further increments of £190 to £4,885. Deductions of £350 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff. Memoranda on the following subjects of particular interest have been issued by the Ministry of Health: Standard of Residential Accommodation, Telephone Charges, Removal Allowances, Study Leave.

Further details may be obtained from the Hospital Secretary, or summaries of the Memoranda may be obtained from the Secretary, British Medical Association. (February, 1967)

**LEEDS (A) GROUP HOSPITAL  
MANAGEMENT COMMITTEE**  
St. James's Hospital

Chelsea, S.W.10

**S.H.O. CASUALTY**  
Non-resident. Department. Recognized for F.R.C.S. Application forms from the House Governor, returnable by March 31. (14380)

**READING AND DISTRICT HOSPITAL  
MANAGEMENT COMMITTEE**  
Reading Area Accident and Orthopaedic Service

There will be a vacancy at Battle Hospital, Reading, on April 1, 1967, for

**HOUSE OFFICER or SENIOR HOUSE OFFICER**  
This unit is the only accident service for a population of 40,000, and the bulk of the work consists of major trauma, although there is also a small amount of "cold" orthopaedics. The successful candidate will be a part of a "team" whose duties will be divided between the wards, operating theatres and the accident reception departments. The latter is newly built and very well equipped, including resuscitation rooms and two operating theatres. The post offers extremely good experience in the management of acute trauma and there are good facilities for postgraduate study. The post is recognized for F.R.C.S. Accommodation will be available. Written applications, giving two referees, to the Hospital Secretary, Battle Hospital, Oxford Road, Reading. (1943)

**ROYAL INFIRMARY**  
New Durham Road, Sunderland  
(300 beds)

Casualty Department

A vacancy occurs in early April, 1967, for

**RESIDENT CASUALTY  
OFFICER**

S.H.O. grade. The person appointed will be under the direct supervision of a Consultant Surgeon.

Post recognized for F.R.C.S. Apply to the Hospital Secretary, naming two referees. (24930)

**ST. MARY'S HOSPITAL**  
Newport, I.W.

**CASUALTY OFFICER**  
S.H.O., required to commence duties on May 12, 1967. The post is recognized for F.R.C.S. and is non-resident, although accommodation can be offered if required. Department open from 9 a.m. to 6 p.m. daily, with two night duties per week at another hospital in the group. Alternate week-ends off duty. Applications, with names of two referees, to Hospital Secretary. (24761)

**SOUTH SHIELDS INGHAM INFIRMARY**  
(165 beds)

**CASUALTY OFFICER**  
(House Officer or Senior House Officer, according to experience) required April 1, 1967, to work with one other House Officer and Registrar, under supervision of Consultant Surgeon (casualty). Post recognized for F.R.C.S. Married or single accommodation available. Applications to Hospital Secretary. (14022)

**SOUTH-WEST WALES HOSPITAL  
MANAGEMENT COMMITTEE**  
Pembroke County Memorial Hospital, Haverfordwest (163 beds)**SENIOR HOUSE OFFICER**  
Casualty Department

Applications are invited for the above post which is now vacant for a six-month period. Salary and conditions of service as laid down by the Ministry of Health. This post provides excellent opportunities for study. Applications, stating age, qualifications, experience and nationality, with the names of three referees, should be sent to the Group Secretary, South-West Wales Hospital Management Committee, Glangwili, Carmarthen. (24931)

**SWINDON AND DISTRICT HOSPITAL  
MANAGEMENT COMMITTEE**  
Princess Margaret Hospital

Applications are invited for the post of **SENIOR HOUSE OFFICER** in the Accident and Emergency Department of the new Princess Margaret Hospital. Staff complement: three Consultant Surgeons, two Registrars, and four S.H.O.s, providing 24-hr coverage. F.R.C.S. tuition is available if required, with medical library facilities. Excellent married accommodation available. The post is tenable for six months, and is vacant until April. Full details, with names of three referees, to the Group Secretary, Princess Margaret Hospital, Okus Road, Swindon, Wilts. (24822)

**UNITED BRISTOL HOSPITALS**

Successful candidate will be required to live within 10 miles of base hospital.

Further particulars available upon request. Applications, naming three referees, to S.A.M.O., Temple of Peace and Health, Cathays Park, Cardiff, not later than April 8, 1967. (14294)

**SOUTH-WESTERN REGIONAL HOSPITAL  
BOARD****Devon and Exeter Clinical Area**

Applications are invited for the whole-time appointment of

**ASSISTANT SURGEON IN TRAUMATIC  
AND ORTHOPAEDIC SURGERY**

at the Torbay Hospital, Torquay. The appointment is in the Medical Assistant grade and is open to practitioners who have served in the hospital service for at least three years since full registration, including normally at least two years in the grade of Registrar or equivalent experience. The appointment is

for two years in the first instance, and renewable, subject to confirmation, for an indefinite period.

The successful candidate will be based on the Torbay Hospital, where he will be required to undertake theatre sessions, ward rounds and fracture clinics, and on call duty, and will also be required to attend other hospitals in the clinical area as may be determined by the board from time to time.

This is a non-resident post, but the successful applicant will be required to live in or near Torquay.

Further details of this appointment may be obtained from the Board's Senior Administrative Medical Officer, 27 Tyndalls Park Road, Bristol 8.

Applications, stating date of birth, qualifications and experience, together with the names and addresses of two referees, should be sent to the Secretary of the Regional Hospital Board, 27 Tyndalls Park Road, Bristol 8, not later than April 17, 1967. (H.4944)

**SOUTH-WESTERN REGIONAL HOSPITAL  
BOARD****Plymouth Clinical Area**

Applications are invited for the whole-time appointment of

**ASSISTANT ORTHOPAEDIC SURGEON**

in the Plymouth clinical area. The appointment is in the Medical Assistant grade and is open to practitioners who have served in the hospital service for at least three years since full registration, including normally at least two years in the grade of Registrar or equivalent experience. The appointment will be for two years in the first instance, and renewable, subject to confirmation, for an indefinite period.

The successful candidate will work under the direction of the Senior Orthopaedic Consultant Surgeon, and will be based on the Mount Gould Hospital, Plymouth, and may have duties at other hospitals in the clinical area as may be determined by the board from time to time.

This is a non-resident post, but the person appointed will be required to live in or near Plymouth.

Applications, stating date of birth, qualifications and experience, together with the names and addresses of two referees, should be sent to the Secretary to the Regional Hospital Board, 27 Tyndalls Park Road, Bristol 8, not later than April 17, 1967. (H.4945)

(Medical Assistant grade)

required immediately for three months in the first instance. St. John's Hospital, Lincoln. Single or married accommodation available. Apply to Secretary, Sheffield Regional Hospital Board, Old Fulwood Road, Sheffield 10, naming two referees. (24988)

## SOUTH-WESTERN REGIONAL HOSPITAL BOARD

**North Gloucestershire Clinical Area**

Applications are invited for the whole-time appointment of an

**ASSISTANT PSYCHIATRIST**

at Horton Road and Coney Hill Hospitals, Gloucester. This is to replace a practitioner who will be retiring shortly. The appointment is in the Medical Assistant grade, and is open to practitioners who have served in the hospital service for at least three years since full registration, including normally at least two years in the grade of Registrar or equivalent experience. The appointment is for two years in the first instance, and renewable, subject to confirmation, for an indefinite period.

The successful candidate will be required to undertake duties under the supervision of the Consultant Psychiatrists at Horton Road and Coney Hill Hospitals and associated clinics.

This is a non-resident post, and a hospital house can be made available adjacent to Horton Road Hospital or in a residential district close to Coney Hill Hospital.

Further details of this appointment may be obtained from the Board's Senior Administrative Medical Officer, 27 Tyndalls Park Road, Bristol 8.

Applications, stating date of birth, qualifications and experience, together with names and addresses of two referees, should be sent to the Secretary of the Regional Hospital Board, 27 Tyndalls Park Road, Bristol 8, not later than April 17, 1967. (H.9446)

## THE UNITED NEWCASTLE UPON TYNE HOSPITALS

**The Newcastle Regional Hospital Board**

Applications are invited for the appointment of

**SENIOR REGISTRAR**

in the Department of Psychological Medicine. This is a joint teaching hospital and University of Newcastle upon Tyne department under the direction of the Professor of psychological medicine and in the centre for postgraduate and undergraduate teaching in psychiatry in the Newcastle region. Opportunities are available for experience in all branches of the specialty.

Applications, giving full details, and the names and addresses of three referees, should be sent to the House Governor and Secretary, Royal Victoria Infirmary, Queen Victoria Road, Newcastle upon Tyne 1, by April 17, 1967. (25026)

## WELSH HOSPITAL BOARD

Applications are invited for two appointments as

**SENIOR REGISTRAR IN PSYCHIATRY**

Each of these appointments will be under the auspices of the Joint Advisory Committee on Senior Registrar training and will include a period of rotation between Morgannwg Hospital, Bridgend, and Whitchurch Hospital, Cardiff.

The Senior Registrars appointed will each spend approximately two years at Morgannwg Hospital and two years at Whitchurch Hospital, at which hospital part of the time will be spent in the academic department of psychological medicine.

The appointments will be subject to annual review by the Joint Advisory Committee.

Married accommodation available at Morgannwg Hospital and married or single accommodation may be available at Whitchurch Hospital.

Application forms from S.A.M.O., Temple of Peace and Health, Cathays Park, Cardiff, not later than April 1, 1967. (14299)

## AILSA HOSPITAL Ayr

**REGISTRAR IN PSYCHIATRY**

Applications are invited for the above post. Salary £1,650 per annum by four annual increments of £100 to £2,050 per annum, in accordance with National Health Service conditions of service. A four or five apartment house is available to rent if required.

The hospital is approved for purpose of D.P.M. and the admission of patients provides excellent opportunities for training.

Interested applicants are invited to submit applications to Medical Superintendent, Ailisa Hospital, Ayr, stating age, experience and qualifications, with names of two referees. (H.4937)

## HENDERSON HOSPITAL Brighton Road, Sutton, Surrey

Applications are invited for the post of

**REGISTRAR**

at the above hospital. This is the pioneer therapeutic community specializing in the treatment of personality disorders in young adults. The unit comprises 68 beds (male and female), and staff participate in all aspects of the community treatment. This includes family and after-care work. This is a unique experience for training in therapeutic community concepts, and in addition the appointee is adjacent to the regional hospital board's centre for D.P.M. studies, and time is allowed for attendance. The hospital may be visited by appointment with the Medical Director. Application forms, returnable by April 15, from the Group Secretary, St. Helier Hospital, Carshalton, Surrey. (25028)

## BOARD OF GOVERNORS OF GUY'S HOSPITAL AND SOUTH-EAST METROPOLITAN REGIONAL HOSPITAL BOARD

**REGISTRAR IN PSYCHIATRY**

Applications are invited for the above post to be held at Guy's, Olave's Hospital, S.E.16, and Bexley Hospital, Kent. The department of psychological medicine at St. Olave's Hospital offers in-patient, day patient and out-patient facilities in a busy general hospital. Opportunity will be provided for study and experience in developing community service involving links with Guy's Hospital. Experience in special problems and rehabilitation will be provided at Bexley Hospital which is a modern adult psychiatric hospital.

Candidates may be resident or non-resident and should have previous psychiatric experience. Duties commencing as soon as possible and appointment until September 30, 1967, in the first instance.

Forms of application are obtainable from the Superintendent, Guy's Hospital, S.E.1, and should be returned not later than April 7, 1967. (14337)

## GOODMAYES HOSPITAL Barle Lane, Ilford, Essex

**REGISTRAR IN PSYCHIATRY**

Vacant April 1, 1967. The medical staff of this hospital (situated in Greater London) is divided into three clinical teams, and the successful candidate will work in one of these. The person appointed will work in close association with the Consultant Psychiatrist, and will gain experience in the treatment of a wide variety of psychiatric patients.

In addition to regular tuition within the hospital, facilities will be provided for the attendance at the D.P.M. course at the Maudsley Hospital. The hospital of 1,290 beds has an admission rate of over 1,300 a year, and experience will be gained with in-patients and out-patients. There is close liaison with the local authority community health services.

There is an electro-encephalography and clinical neurophysiology department, a day hospital, and a department of psychology social departments as well as an established medical library.

The hospital takes part in the training of resident undergraduate medical students.

Appointment for an initial period of one year, renewable, subject to satisfactory service, for a second year.

Furnished accommodation is available for the appointee, details together with details of age, qualifications and experience, together with the names and addresses of three referees, should be forwarded to the Hospital Secretary by April 7, 1967. (25027)

## HARPERBURY HOSPITAL

**REGISTRAR**

required at Harperbury Hospital, Harner Lane, near St. Albans, Herts (1,661 beds). The post, recognized for the D.P.M., provides experience in the diagnosis, care and treatment of all grades and clinical types of mental subnormality in all age groups. Facilities include special units for cerebral palsied and psychopathic patients and a new centre for research and diagnosis. Application forms available from the Group Secretary at the above address, to be returned by April 8, 1967. (14333)

## LEEDS REGIONAL HOSPITAL BOARD

Applications invited for the post of

**REGISTRAR IN PSYCHIATRY**

Clifton Hospital (968 beds), situated two miles from the centre of the university city of York.

Facilities are available for study for the D.P.M. course at the University of Leeds.

Applications, stating age, qualifications and details of present and previous appointments, together with details of the names and addresses of three referees, to the Secretary, Joint Registrars Committee, Park Parade, Harrogate, by March 30, 1967. (25026)

## NORTH-EAST METROPOLITAN REGIONAL HOSPITAL BOARD

**Claydon Hospital, Woodford Bridge, Woodford Green, Essex**

Applications are invited for the post of

**LOCUM PSYCHIATRIC REGISTRAR**

for four sessions a week for an indefinite period commencing on April 1, 1967, at this hospital, with an admission rate of 1,600 patients annually. The post offers particular experience in community methods of treatment, and is recognized by the Royal College of Physicians, London, as experience in the preparation for the D.P.M. Seminars and teaching sessions are held by senior medical staff and facilities afforded to attend classes in London whenever possible. All modern forms of treatment are practised and there are out-patient clinics at general hospitals.

Applications to the Group Secretary within seven days, with names and addresses of two referees. (14152)

## NORTH LANCASHIRE AND SOUTH WESTMORLAND HOSPITAL MANAGEMENT COMMITTEE

**RESIDENT REGISTRAR IN PSYCHIATRY**

with main duties at Lancaster Moor Hospital. Married or single accommodation available. The post, which is approved for D.P.M., is tenable for one year in the first instance. Peripheral allowance £140 per annum.

Applications, giving names of two referees, age, nationality, qualifications and experience, to the Group Secretary, Lancaster Moor Hospital, Lancaster. (H.4877)

## QUEEN'S PARK HOSPITAL AND ROYAL INFIRMARY Blackburn

**LOCUM REGISTRAR**

Required for comprehensive unit of a general group of hospitals providing wide experience in the treatment of in-patients and out-patients. Vacant May 1, 1967. Available on week to week basis—single accommodation only.

Applications to Group Secretary, H.M.C. Office, Royal Infirmary, Blackburn, as soon as possible. (25059)

# ORBENIN

## and its success in Gram-Positive Infections

Boils  
Carbuncles  
Infected dermatoses  
Otitis media  
Otitis externa  
Pneumonia  
Lung abscess  
Tonsillitis  
Pharyngitis  
Acute bronchitis

Post-operative wound infections  
Burns  
Skin graft protection  
Septicaemia  
Acute endocarditis  
Staphylococcal enterocolitis  
Staphylococcal urinary tract infections  
Staphylococcal meningitis

ORBENIN (cloxacillin sodium B.P.) is a penicillin active against virtually all Gram-positive organisms, including staphylococci,  $\beta$ -haemolytic streptococci and pneumococci, irrespective of their resistance to other antibiotics.

It is encouraging that the widespread use of Orbenin in hospitals has not resulted in the emergence of resistant strains.

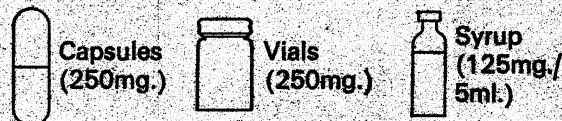

More than 350 references in the World Literature testify to the excellent clinical results obtained with Orbenin in a wide variety of Gram-positive infections.

Detailed literature is available on request.

### Dosage:

Two capsules (500mg.) or one vial (250mg.) q.i.d.

# **BROXIL**<sup>Regd.</sup> **would be my choice in routine penicillin therapy**

## **BECAUSE of its Excellent Clinical Results**

There are over 400 published references to Broxil in world literature. These confirm its success in infections such as tonsillitis, pharyngitis, otitis media, boils and carbuncles, which in an overwhelming proportion of cases are caused by Gram-positive organisms (staphylococci, streptococci and pneumococci).

## **BECAUSE of its Specific Activity**

Broxil is highly bactericidal to the majority of these organisms, destroying them without disrupting the normal intestinal flora.

## **BECAUSE of its High Blood Levels**

Broxil gives blood levels double those achieved by penicillin V and at least as high as intramuscular injections of penicillin G.

## **BECAUSE in its syrup form, it is particularly suitable for children**

Broxil is readily accepted and tolerated by children, and side effects are minimal.

**Availability:** 125 and 250 mg. tablets and capsules. 60 ml. syrup (125 mg./5 ml.)

**Dosage:** Children : 62.5–125 mg. every 4–6 hours. Adults : 125–250 mg. every 4–6 hours.

**Prophylactic Dose:** Adults : 125 mg. twice daily. Children : 62.5–125 mg. twice daily.

**Psychiatry—contd.****NEWCASTLE REGIONAL HOSPITAL BOARD****REGISTRAR PSYCHIATRIST**

resident required for Aycliffe Hospital, Heighington, Darlington (680 beds—sub-normality).

The appointment offers good experience and training in psychiatry, and includes liaison with local approved school. Facilities are available for the appointee to take the Newcastle D.P.M. course. Married or single accommodation available.

Applications with names and addresses of three referees, to Senior Administrative Medical Officer, Regional Hospital Board, Benfield Road, Newcastle upon Tyne 6, by April 8, 1967. (24989)

**SHEFFIELD REGIONAL HOSPITAL BOARD**

Mapperton Hospital, Nottingham (835 beds)

**WHOLE-TIME REGISTRAR**

Single accommodation available immediately, married accommodation later. Hospital serves Nottingham and adjacent urban districts. Opportunity for experience in associated community mental health services, children's in-patient unit and day hospital. Free study facilities with travelling expenses for D.P.M. at Sheffield University. Previous experience in psychiatry not essential; applications would be acceptable from candidates not sufficiently qualified, for alternative S.H.O. appointment. Appointment for one year in first instance. Apply to Secretary, Sheffield Regional Hospital Board, Old Fulwood Road, Sheffield, by April 3, 1967, giving age, nationality, qualifications, present and previous appointments (with dates), naming three referees. (24992)

**SOUTH-WEST METROPOLITAN REGION**

Long Grove (Psychiatric) Hospital, Epsom, Surrey

Applications are invited for appointment as whole-time Registrar.

**PSYCHIATRIC REGISTRAR**

This modern hospital provides wide experience of all modern methods of psychiatric treatment, industrial therapy, community care, and attendance of out-patients. Children's general hospitals in the catchment area, lectures and tutorials are given weekly for candidates for the D.P.M., and generous time-off is given for attendance at lectures in London teaching centre. Special concession obtained for attendance at courses at the Institute of Psychiatry. The Regional Board has instituted training arrangements in the Epsom area, which Long Grove Hospital participates fully. Whitley Council terms and conditions apply. Accommodation is available for single candidates. Candidates are invited to attend by arrangement with the Physician Superintendent. Application forms obtainable from, and returnable to, the Group Secretary by April 10, 1967. (14401)

**SOUTH-WESTERN REGIONAL HOSPITAL BOARD**

Bristol Clinical Area

Applications are invited for the appointment of REGISTRAR IN PSYCHIATRY

in the Stoke Park Hospital group for the mentally subnormal, Bristol.

The successful applicant will be based at the Stoke Park Hospital, which will have two sessions a week at the Bristol Child Guidance Clinic, and sessions in biochemistry, genetics, and assessment clinics and in Consultant supervision. The successful applicant will be encouraged to study for the D.P.M. or other higher qualifications, and one session a week will set aside for study and research.

The appointment will be for a period of two years, but is subject to review after the first year. The post is designated as non-resident, but accommodation for a single person is available at Stoke Park Hospital.

Applications by letter, stating date of birth, qualifications and experience, together with the names and addresses of two referees, should be sent to the Secretary of the Regional Hospital Board, 27 Tyndalls Park Road, Bristol 8, not later than March 30, 1967. Selected candidates will be interviewed on April 14, 1967. (H.4924)

**SPRINGFIELD HOSPITAL**

Beechcroft Road, Upper Tooting, London S.W.17

Applications are invited for the post of whole-time

**PSYCHIATRIC REGISTRAR**

The hospital, which is conveniently situated, cares for about 1,700 patients with an admission rate of approximately 1,800 per annum. The experience provided is wide and extensive and covers every variety of psychiatric anomaly. Every kind of diagnostic investigation is available and all forms of treatment are undertaken. Seminars and clinical conferences are regularly held and postgraduate teaching is given in association with the Institute of Psychiatry at Kings College Hospital. Facilities are readily given for study, or the D.P.M. and other postgraduate diplomas and degrees. There are numerous out-patient clinics and day hospitals linked with general hospitals.

The post may be non-resident although accommodation is available for single doctors of either sex.

Candidates may visit the hospital by appointment.

Application forms may be obtained from the Group Secretary, and must be returned later than April 3, 1967. (14334)

**BURTON-ON-TRENT HOSPITAL MANAGEMENT COMMITTEE**

St. Matthew's Hospital, Burntwood, near Lichfield

Applications are invited for the post of SENIOR HOUSE OFFICER in the psychiatric department of 1,300 beds. Facilities afforded for D.P.M. classes in Birmingham.

required March 28 to 29, May 1 to 7, and May 15 to 28.

Applications with copies of three testimonials to Group Secretary, St. Helena Group Hospital Management Committee, 14 Pope's Lane, Colchester. (24993)

**MANCHESTER REGIONAL HOSPITAL BOARD**

Whole-time or maximum part-time

CONSULTANT RADIOLOGIST

in the South Cheshire group of hospitals including Crewe Memorial Hospital and Bowdon Hospital, Nantwich. Wide experience and higher qualifications essential; appointee to live within reasonable distance of hospital. Application forms and further particulars regarding the Senior Administrative Medical Officer to the Board, Chetwood Road, Manchester 8, to be returned by April 4, 1967. (14206)

**UNITED LEEDS HOSPITALS**

LEEDS REGIONAL HOSPITAL BOARD

CONSULTANT IN RADIOLOGY

(Whole-time or maximum part-time)

A joint appointment has been created for a Consultant Radiologist in the radiological department at Killingbeck Hospital.

This hospital is the main regional centre for chest diseases, thoracic and cardiac surgery. A new unit equipped with the latest radiological apparatus is now operating and the applicant should have special experience in cardiological investigation.

Two sessions per week will be performed at the Leeds General Infirmary to maintain continuity with the thoracic surgery department. Other duties will be carried out at Seacroft Hospital, where there is now a paediatric unit in addition to infectious diseases.

Although a large proportion of the work will be concentrated in the thorax the successful applicant will be able to maintain contact with general medicine, and there is a big potential for development which makes the post very attractive.

Application forms obtainable from the Secretary, Leeds Regional Hospital Board, Park Terrace, Leeds, to whom they should be returned by April 11, 1967. (24858)

**WESTERN REGIONAL HOSPITAL BOARD**

Applications are invited for the following appointment

CONSULTANT RADIOLOGIST

in administrative charge, Glasgow Western Infirmary (whole-time or maximum part-time session). The person appointed will be expected to take up duty on October 1, 1967.

Applications (16 copies), stating date of birth, qualifications, experience, present appointment, and the names of two referees, to the Secretary, Western Regional Hospital Board, 351 Sauchiehall Street, Glasgow C.2, not later than thirty days after the publication of this advertisement. (H.4932)

**LEEDS REGIONAL HOSPITAL BOARD**

Leeds of Governors, United Leeds Hospitals and University of Leeds

JOINT REGISTRARS COMMITTEE

Senior Registrars in Radiology in a rotational training scheme. The hospitals associated with the scheme are St. James's Hospital, Leeds, with Killingbeck Hospital, Leeds, the Bradford Royal Infirmary and the General Infirmary at Leeds. Candidates must possess the D.M.R.D. and higher qualifications are desirable.

The post is not resident.

Application forms may be obtained from the Secretary, Joint Registrars Committee, Park Parade, Harrogate, to whom they should be returned by not later than April 5, 1967. (24859)

**LIVERPOOL REGIONAL HOSPITAL BOARD**

United Liverpool Hospitals

Applications are invited for the post of SENIOR RADIOLOGICAL REGISTRAR

with duties initially at Whiston Hospital.

The successful candidate is intended with similar posts in regional and teaching hospitals.

Applicants should possess a Diploma in Radiology.

Application form and further information from Dr. R. Glyn Thomas, Senior Administrative Medical Officer, Liverpool Regional Hospital Board, 55 Castle Street, Liverpool 2. Applications to be returned not later than April 6, 1967.—Vincent Collinge, Secretary to the Board. (14421)

**ABERDEEN GENERAL HOSPITALS**

Applications are invited for the full-time post of Registrar in Radiology with duties at the Aberdeen Royal Infirmary and other hospitals.

Excellent opportunity for gaining experience in all branches of radiodiagnosis is available. Possession of the D.M.R.D. is desirable, but applicants holding Part I of the Diploma will be considered.

Applications, giving details of qualifications and experience, should be sent to the Group Secretary, Aberdeen General Hospitals, Foresterhill House, Ashgrove Road West, Aberdeen, by April 8, 1967. (14415)

**CHERTSEY, SURREY, ST. PETER'S HOSPITAL (339 beds)**

RADIOLOGICAL REGISTRAR

Applications are invited for the post of Registrar in the diagnostic X-ray department. Applicants must possess at least the D.M.R. (D), Part I, and application forms may be obtained from the Group Secretary, North-Surrey Group H.M.C., Huntingdon, Guildford Road, Chertsey, Surrey. Closing date April 17. The department may be visited by arrangement with the Senior Radiologist (Ottershaw 441). Hospital within easy reach of London. (25031)

**ST. GEORGE'S HOSPITAL LONDON**

Applications are invited for a post of

TRAINEE RADIOLOGIST

in the grade of Registrar to take up duty on October 1, 1967.

Apply on forms obtainable from the Deputy Secretary, to the House Governor, April 8, 1967. (H.4938)

**HAMMERSMITH HOSPITAL AND THE ROYAL POSTGRADUATE MEDICAL**

Du Cane Road, London W.12

WHOLE-TIME NON-RESIDENT

REGISTRAR

required October 1. This post is for trainees in diagnostic radiology, and is normally tenable for one year, with a possibility of a second year. Higher medical or surgical qualification would be an advantage.

Detailed applications, naming two referees, should reach the Secretary, Board of Governors, Hammersmith Hospital, Du Cane Road, London W.12, by April 4, 1967. (14142)

**LIVERPOOL REGIONAL HOSPITAL BOARD**

Central Wirral Group

Applications are invited for the post of RADIOLOGICAL REGISTRAR

with duties mainly at Clatterbridge Hospital (884 beds), where the department co-operates with the Regional Radiology Centre and also with the Chest Unit at Cleaver Hospital.

Possession of a Diploma in Radiology will be an advantage.

Application form and further information from Dr. R. Glyn Thomas, Senior Administrative Medical Officer, Liverpool Regional Hospital Board, 55 Castle Street, Liverpool 2. Applications to be returned not later than April 6, 1967.—Vincent Collinge, Secretary to the Board. (14422)

**UNITED CARDIFF HOSPITALS**

## COMMERCIAL APPOINTMENTS—see also p. xl

## ETHICON LIMITED

MANAGER OF MEDICAL SERVICES for a suture manufacturing company in the East of Scotland. The Manager of Medical Services will be responsible to the company Board for the representation of the company as a business enterprise whose objectives are directed towards the commercial manufacture and distribution of ethical products and services. He will also be responsible for the design, organization and initiation of clinical and experimental test programmes relating to existing or new products and for advising the Company Management on new developments in the field of wound repair and wound healing. Applicants, preferably in the age range 30-40, must be surgically qualified and possess a genuine interest in this appointment, in which they will be expected to continue to maintain good professional relationships with the surgical staffs of hospitals. The successful applicant will be paid a substantial salary commensurate with his responsibilities.

Applications, giving details of age, education and experience, to Mr. J. J. F. Howell, Ethicon Limited, Bankhead Avenue, Edinburgh 11. (H.4824)

MSL

*A candidate's identity will not be disclosed unless  
he gives permission after a confidential discussion*

## Medical Adviser

*Ethical pharmaceuticals*

A fast growing French company manufacturing ethical pharmaceuticals has been marketing in the U.K. a small, very specialised range of products for the past few years. They are intending to launch in 1967 in the U.K. new products already developed in France and to widen their range progressively. They wish to appoint a medical adviser who is seeking to grow with a growth company. In this new appointment he will initiate and supervise clinical trials and product registration, assist in product promotion and undertake the professional contact work required. It is anticipated that he will eventually assist in the group's projected expansion in English speaking countries world wide.

Candidates, aged 35 to 40, must be British registered medical practitioners with a variety of experience. Appropriate experience in the pharmaceutical industry would be an advantage. A high standard of French is essential, with ability to translate technical medical documents. Appointment salary negotiable in the range £3,250 to £4,000; pension, car, re-location allowance. Please write to L. V. Taylor quoting AM.42010, and stating how each requirement is met.

MANAGEMENT SELECTION LIMITED  
17 STRATTON STREET LONDON W1

Overseas—contd.

# Medical Service OVERSEAS helps DEVELOPMENT

*The developing countries overseas are in urgent need of doctors. A break from normal routine is offered, together with the opportunity to see something of the world and to gain valuable and interesting experience. These appointments carry attractive salaries, normally with an overseas allowance and a gratuity on completion of contract. There are also educational allowances for children and free family passages. Accommodation is provided free, or at a low rental, and income tax is usually low. In most cases superannuation rights can be preserved or maintained. Here are some examples of posts available:*

The Government of Thailand requires the services of a Consultant in Biochemistry, with special reference to protein and vitamins, to help the faculty in the establishment of the nutrition laboratory as well as to carry out research and training of Thai personnel.

Candidates, who must be nationals of the United Kingdom or Republic of Ireland, should possess an honours degree in biochemistry.

Salary in scale £2,700 × £110—£3,470 × £115—£3,585 × £60—£3,645 per annum. In addition a variable tax-free overseas allowance is provided, currently payable at £695 per annum for a single officer, £1,185 per annum for a married officer unaccompanied, £1,430 per annum for a married officer accompanied by his wife.

Appointment will be on contract under Her Majesty's Government for a period of two years in the first instance.

Please write for further particulars and application forms, stating full name, to:

The Appointments Officer,  
The Ministry of Overseas  
Development,  
Room 403L, Eland House,  
Stag Place, London S.W.1.

(14371)

**SURGICAL PRECEPTORSHIPS IN 65-MAN** clinic open July 1, 1967, for one- or two-year appointments. American Board credit if three years residency completed. Oregon licence required for the second year but not the first. If foreign graduate, E.C.F.M.G. and permanent visa required. Salary \$800 per month. Include curriculum vitae and letters recommendation in first letter.—N. W. Frink, M.D., Permanente Clinic, 5055 N. Greeley, Portland, Oregon, U.S.A. 97217. (H.2699)

## UNIVERSITY HOSPITAL OF THE WEST INDIES

### REGISTRARS IN ANAESTHETICS

Applications are invited from medical practitioners for the post of Registrar or Senior Registrar in anaesthetics at the University teaching hospital of 184 beds.

The appointment will be for one year in the first instance subject to renewal, and salary will be paid in the scale £1,350 to £1,500 to £1,650 by £100 to £1,950 per annum. Point of entry in the scale will depend on qualifications and experience.

Gratuity: Where an officer on contract is not superannuated or superannuable, such officer will be eligible for a gratuity equivalent to 10% of salary, in respect of every three months of satisfactory completed service with the hospital. Gratuity is payable at the end of service.

Unfurnished accommodation, if available, will be provided at a rental of 10% of salary, otherwise a living-out allowance will be paid.

Passage from and to the country of recruitment is normally provided for one person only in the case of one year appointment. Further information may be obtained from the Hospital Manager and Secretary, University Hospital of the West Indies, Mona, Jamaica, W.I., to whom applications, stating age, nationality, marital status, details of qualifications and experience, together with the names and addresses of three referees, should be sent. The successful applicants will be expected to assume duties on July 1, 1967. (H.4907)

After this coffee  
the patient can sleep

Favourite caffeine-free coffee on the Continent for over 50 years, H.A.G. is recommended whenever caffeine is contra-indicated. Send for a free sample of H.A.G. coffee from:

THE A.A. SUPPLY CO. LTD. (Dept. B.M.), 31/33 Priory Park Road, London N.W.6.

## UNIVERSITY COLLEGE HOSPITAL

Ibadan, Nigeria  
Department of Medicine

### (A) SENIOR REGISTRAR (B) SENIOR HOUSE OFFICERS/

REGISTRARS Applications are invited from suitably experienced registered medical practitioners for the above posts. Candidates for post (a) must hold the M.R.C.P. or equivalent qualification. The successful candidates for post (b) will be graded Senior House Officers or Registrars according to experience. Salaries: (a) Senior Registrar £1,776 to £1,980 per annum. (b) Registrars £1,452 to £1,512 per annum. S.H.O.s £1,392 per annum.

Gratuity: £37.10s. per quarter. Appointments initially on a tour of 12 months renewable by mutual agreement. Free passages, children's separate domicile allowance, liberal leave. Arrangements can be made for expatriates to continue contributions to N.H.S. superannuation scheme.

Applications should be submitted not later than April 7, 1967, on the appropriate forms which will be forwarded together with additional information on receipt of an addressed foolscap envelope by the Adviser on Staff Recruitment, London Office (University College Hospital, Ibadan, 91 Regent Street (Third Floor), London W.1. (H.4923)

## UNIVERSITY OF NIGERIA TEACHING HOSPITAL, ENUGU EASTERN NIGERIA

Applications are invited for the post of Secretary to the Management Board. DUTIES: Responsibility to the Board for the administration and finance of the hospital and the co-ordination of the work of its departments.

QUALIFICATIONS: Associate Membership of the Institute of Hospital Administrators or equivalent professional qualification, preferably a university degree and considerable experience in a senior administrative post in a teaching hospital.

CONDITIONS: Either a permanent pensionable appointment with an initial probationary period of three years at a salary of £2,820 per annum or by contract for two tours of twelve to eighteen months each in the first place, renewable by mutual agreement at a salary of £3,108 per annum with gratuity of £37.10s. for every completed three months of service.

OTHER CONDITIONS: Leave of 3½ days for a pensionable or 5 days for a contract employee for each complete month of service. Accommodation with basic furniture at rent not exceeding 7% of basic salary, free medical attention, car allowance and loan for purchase, passages including wife and three children below eighteen years of age on appointment, leave on termination of contract.

Enquiries and applications, with full curriculum vitae (six copies), giving the names and addresses of three referees, by April 14, 1967, to London Representative, University of Nigeria, 33 Craven Terrace, London W.2. (14324)

## WANGANUI HOSPITAL BOARD New Zealand

### VISITING EAR, NOSE AND THROAT SURGEON

Applications are invited from registered medical practitioners suitably qualified for the position of part-time Ear, Nose and Throat Surgeon, and the appointee will be the sole specialist in this field in the area. Salary will be in accordance with the New Zealand Hospital regulations, and will be based on a nominal whole-time salary of £2,530 to £3,800, depending on qualifications and experience and hours of duty, which will be a minimum of three terms.

Further particulars are available from the Advertisement Manager of the British Medical Journal, the New Zealand High Commissioner in London and the Medical Superintendent of the Wanganui Hospital Board.

Full particulars as to age, qualifications and experience, and advice as to when the appointment can be taken up, should be addressed to the Secretary, Wanganui Hospital Board, Private Bag, Wanganui, New Zealand. —K. Harris, Secretary. (H.4752)

**WANTED. MEDICAL RESIDENTS.** Openings for July 1, 1967. First year of a three-year fully approved medical residency, 310-bed voluntary hospital, New York City. Full-time director. Complete teaching programme—affiliated with New York Medical College. Salary \$6,780 first year; \$1,200 additional rental allowance if married and living out. Must be graduate of Class A Medical School and have completed rotating or straight medical internship in U.S. Please write Box OV.374, B.M.J.

## BIOCHEMISTS

### MINISTRY OF DEFENCE Navy Department

**BIOCHEMIST** for Royal Naval Hospital, Haslar The Royal Naval Medical Service wishes to appoint a male Principal Grade Biochemist (N.H.S.) to the Royal Naval Hospital, Haslar, Gosport, Hants. The successful applicant will be responsible to the Senior Pathologist for the routine hospital biochemistry, and will be asked to advise on methods and training throughout the Royal Naval Medical Service. The laboratory is modern, spacious and well equipped, and there will be ample opportunity for research. Qualifications and experience: First or Second-class Honours degree in biochemistry or chemistry, or A.R.I.C./G.R.I.C. standard or equivalent. Several years postgraduate experience in a hospital department desirable. Salary £2,323 to £2,987 per annum. N.H.S. conditions and superannuation.

Write to: Ministry of Defence (Navy Department), C.E. 3 (N), 368 Old War Office Building, Whitehall, London S.W.1, for application forms. Closing date April 17, 1967. (14403)

## ROYAL INFIRMARY

Dundee and  
UNIVERSITY OF ST. ANDREWS  
Department of Clinical Chemistry

**A PRINCIPAL BIOCHEMIST** is required for the reorganized and recently extended laboratory at the Royal Infirmary. The department will serve the whole of the teaching hospitals and the associated hospitals in Dundee and Angus. This is a new post and the appointee is to be responsible for the day-to-day control of the diagnostic work. In addition, he will be afforded the opportunity to participate in the teaching and research programme of the department. The department is expected to move to extensive laboratories in the new Nine Wells hospital in 1970. Candidates should have an honours degree and preferably a higher degree or F.R.I.C. Knowledge of electronic data processing techniques would be an advantage. The laboratories may be visited by arranged appointment. Whitley Council conditions apply. Applications to the Group Medical Superintendent at the Royal Infirmary. (H.4902)

A psychiatric nursing home. Elderly patients accepted. Moderate terms. Apply Resident Physician, 237 Ballards Lane.

### ST. ANDREW'S HOSPITAL NORTHAMPTON

FOR NERVOUS AND MENTAL DISORDERS

President: The Earl Spencer

Medical Director: James Harper, M.B., F.R.C.P. (Edin.), D.P.M.

This private hospital receives patients, both male and female, suffering from nervous and mental disorders, including alcoholism and senile illnesses. The fees range from eighteen guineas per week. Private rooms with special nurses can be provided, either in the hospital or in one of the villas in the grounds. The hospital is situated in 10 acres of pleasant grounds which provide all recreational facilities. These include a nine-hole golf course, sports ground, tennis courts, etc. A Recreation and Occupation Centre, known as Gloucester House, was opened in 1962, which comprises an occupational therapy department, a swimming pool, a squash court, and a library with an adjoining reading room.

#### WANTAGE HOUSE

This is a separate reception unit to which patients may be admitted. It is equipped for the complete investigation of nervous and mental disorders by the most modern methods. All forms of treatment are available. For terms and further particulars apply to the Medical Director (Telephone No. 34354 Northampton), who can be seen in London by appointment.

# Nulacin and only Nulacin provides intragastric milk-alkali drip therapy for the ambulant patient

*“In view of the ineffectiveness of most of the tableted antacids, the milk-alkali tablet (Nulacin) would appear to be the antacid of choice for ambulatory therapy.”*

Nulacin tablets have no B.P. equivalent. The basic N.H.S. price of a 25 tablet tube is 2/-. A special dispensing pack of 4 tubes of 25 tablets is available.

A Nulacin tablet of 3.1 G. contains Magnesium Trisilicate B.P. 230 mg., Heavy Magnesium Oxide B.P. 130 mg., Calcium Carbonate B.P. 130 mg., Heavy Magnesium Carbonate B.P. 30 mg., Ol. Menth. Pip. B.P. q.s.

## Safe, Simple, Effective

NULACIN TABLETS provide a safe, simple and effective treatment of peptic ulcer.

In treating peptic ulcer a Ryle's tube may be passed through the nose and into the oesophagus and a mixture of milk and antacid allowed to flow continuously over the affected area. This form of therapy can only be employed in those patients who are in bed and for the ambulant patient Nulacin tablets are preferable. Nulacin tablets are prepared from whole milk combined with dextrans and maltose, together with the trisilicate, oxide and carbonate of magnesium and calcium carbonate. Nulacin tablets when allowed to dissolve slowly in the mouth provide milk-alkali drip therapy. In fact, Nulacin tablets have revolutionized the treatment of peptic ulcer.
