**Bactrim[†]
Roche: is
highly effec-
tive in acute
exacerbations of
chronic bronchitis.
It has an ultra-wide
spectrum of activity;
its dual action gives
it great bactericidal
potency, especially
against *Haemophilus
influenzae*-the
most important
pathogen in
chronic
bronch-
itis**

In a trial¹ Bactrim Roche* rapidly cleared purulent sputum and produced marked clinical improvement in every one of a group of 50 chronic bronchitics, where treatment with one or more antibiotics had already failed. Bactrim Roche produces its highly potent bactericidal activity from the potentiating action of its two components-trimethoprim and sulphamethoxazole. A leading article in the British Medical Journal on 18 May 1968 drew attention to the important therapeutic potential of this bactericidal synergy.

I. Proc. V int. Congr. Chemother., 1967, I, 293. *The formulation used in this trial was different from that which was subsequently found to produce the best results and which has now been adopted.

Full information is available on request from Roche Products Ltd., 15 Manchester Square, London, W1M. 6AP

[†] Bactrim is the trade mark for preparations containing trimethoprim and sulphamethoxazole.

chronic bronchitis**

Five pm and she still hasn't started

She still hasn't started because of depression. 'Aventyl' helps the emotionally disturbed patient with symptoms of depression to regain control. For the treatment of such depressive symptoms as loss of hope, irritability, and inability to cope, 'Aventyl' is particularly valuable providing antidepressant action with few troublesome side-effects. Patients are soon able to lead a normal, happy existence free from the overwhelming depressive mood spoiling their life.

'Aventyl'

'Aventyl' is the Lilly trade mark for nortriptyline hydrochloride

Safe

EFFECTIVE ECONOMICAL

THOUSANDS OF MILLIONS
OF DOSES OF RYBARVIN
PRESCRIBED BY DOCTORS
OVER THE YEARS . . .

for ASTHMA and BRONCHITIS

RYBARVIN INHALANT USED IN THE HAND-OPERATED RYBAR INHALER HAVING STOOD THE TEST OF TIME, CONTINUES TO BE MOST EFFECTIVE IN THE TREATMENT OF BRONCHIAL SPASM

SAFETY

The very small amount of inhalant often necessary to relieve an attack is worthy of note. Therapeutically, this is of benefit to the patient in avoiding any side-effects which might be brought about by taking too frequently a full-measured dose.

ECONOMY

Economically the very low cost of treatment by Rybarvin, 1,500 average doses ($\frac{1}{2}$ minute) for 8s. 4d. (1 oz. bottle) i.e. 1/15d. per dose, must be of interest to both patient and doctor.

**RYBARVIN INHALANT
RYBAR INHALER**

Basic N.H.S. Price $\frac{1}{2}$ oz. 4s. 8d. 1 oz. 8s. 4d.
Basic N.H.S. Price 15s.

NOTE

THE RYBAR INHALER CAN NEVER HAVE A BLOCKED SYPHON TUBE

It is now fitted with a special filter (patent pending). Patients can, if they wish, send their old inhalers to us and we will supply and fit the new filter without charge.

Rybar Laboratories appreciate the convenience of the unobtrusive Pressurised Pack particularly on social occasions and have produced Ryspray for prescription where doctors feel this type of pack to be more suitable.

Basic N.H.S. Price 12s. 8d.

IMPORTANT

Increased bronchodilation from SMALLER DOSE of ephedrine. TAB. RYBAR CO—the latest addition to the Rybar range incorporating butethamate citrate.

Side effects avoided—Convenient tablet—Prompt and lasting relief.

Basic N.H.S. Price { 25 tablets 4s.
100 tablets 14s.

TANKERTON KENT

When treating respiratory
tract infections

BE SPECIFIC ILOSONE IS.

'Ilosone' specifically destroys the pathogens in tonsillitis, acute bronchitis, streptococcal pharyngitis, otitis media, and bacterial pneumonia.

'Ilosone' causes minimal interference with the natural gut flora, thus diarrhoea or gastro-intestinal upset is rare.

In addition to its high activity against gram-positive cocci, 'Ilosone' is also active against *H. influenzae*, and *Mycoplasma pneumoniae*. The clinical response is rapid, and the chance of relapse is small.

The range of presentations is such that 'Ilosone' can be prescribed for the whole family.

For Mum, and Dad.
250 mg† capsules.

For Baby, and Johnny.
Pleasant tasting suspension,
containing 125 mg† per 5 ml,
for children under seven
years of age.

For Jenny, and Grandad.
Pleasant, orange flavoured
Suspension Forte, containing
250 mg† per 5 ml. An ideal
presentation for older
children, and all adults who
need full strength dosage,
but have difficulty in taking
solid dosage forms.

All suspensions are
presented in 100 ml bottles.

†Base equivalent.

available on request.
Eli Lilly and Company Ltd.,
Basingstoke, England.

'Ilosone' is the Lilly trade mark for erythromycin estolate.

Ponstan* is an all-purpose analgesic which acts mainly at the site of the pain. Because of this peripheral action Ponstan is especially valuable for localised pain, as in trauma.

Ponstan provides effective pain relief. Side effects are generally mild and easily recognisable. It is non-addicting and non-narcotic; tolerance does not develop; and Ponstan is less liable than acetylsalicylic acid to cause gastro-intestinal bleeding.

Ponstan is supplied as Kapseals* containing 250 mg. mefenamic acid in containers of 100 and 500; and as a Suspension containing 50 mg. per 5 ml. mefenamic acid in bottles of 60 ml.

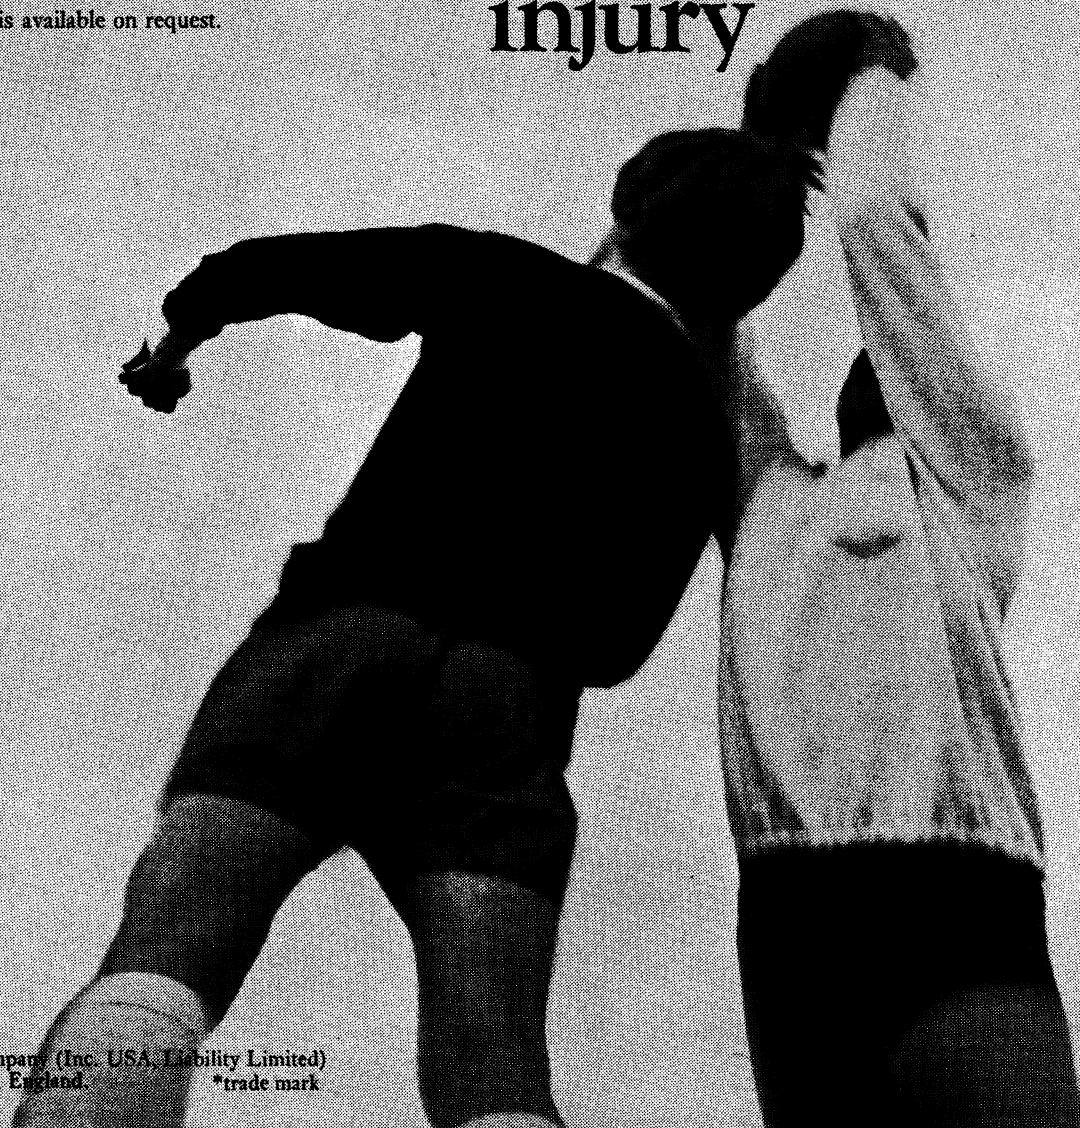

Full information is available on request.

all stops out

Para-Hypon for the patient who must keep working

Each 'Para-Hypon' tablet contains Paracetamol B.P. 500 mg; Caffeine B.P. 10 mg; Codeine Phosphate B.P. 5 mg; Phenolphthalein B.P. 5 mg. Further information is available on request.

Calmic Limited, Crewe, Cheshire.

Many patients with painful conditions still have to continue at work. For such patients, 'Para-Hypon' is a most appropriate analgesic treatment, and provides a high level of pain relief without causing drowsiness or making the patient dispirited.

Paracetamol and codeine give double analgesic effect and the mild stimulant caffeine ensures that the patient keeps bright and alert; no stopping work because of pain, no slacking off because of the depressant effect of codeine.

French Exchange Scholarships

offered by the

**Medical Research Council
and the
Centre National
de la Recherche Scientifique
for the**

Academic Year

1969-70

YOUNG GRADUATES in MEDICINE or SCIENCE who have already had some experience in medical research and who have a working knowledge of French are invited to apply for 2 FRENCH EXCHANGE SCHOLARSHIPS offered for the academic year 1969-70 under the terms of a reciprocal arrangement between the MEDICAL RESEARCH COUNCIL in LONDON and the CENTRE NATIONAL de la RECHERCHE SCIENTIFIQUE in PARIS.

TENURE

The Scholarships will normally be tenable for one year.

STIPEND

The value of the Scholarships will normally be between 1030 and 1170 francs a month (tax free) the precise rate depending on the candidates' ages, qualifications and experience. Married men will receive a supplementary allowance of £250 a year (payable in sterling by the Council). Second class travelling expenses to and from the place of work in France will be provided.

LOCATION

The Scholarships are only tenable at centres in France.

ELIGIBILITY

Candidates must be:

- ☐ British subjects normally resident in the United Kingdom.
- ☐ Medical or science graduates with some experience in medical research.

APPLICATION

If you are interested in the above Scholarships please write to the Training Awards Section for an application form quoting FX/U. Telephone inquiries may be made to 01-636 5422 Ext. 326/327. Completed forms should be returned not later than 1st March 1969.

SCOTTISH POSTGRADUATE MEDICAL ASSOCIATION

Chairman:

Sir Hector MacLennan

The Scottish Postgraduate Medical Association is constituted by the Universities of St. Andrews, Glasgow, Aberdeen, Edinburgh, and Dundee, and by the Royal College of Physicians of Edinburgh, the Royal College of Surgeons of Edinburgh and the Royal College of Physicians and Surgeons of Glasgow.

The object of the Association is to develop postgraduate medical education in Scotland by means of co-operative endeavour and co-ordinated planning.

All the requirements of postgraduate medical education are available in Scotland and the Postgraduate Deans and Directors in Edinburgh, Glasgow, Dundee and Aberdeen are prepared to organize integrated courses of training for postgraduate students.

Write to:

- EDINBURGH:** Director of Postgraduate Studies, Pfizer Foundation, Hill Square, Edinburgh, 8.
- GLASGOW:** The Director of Postgraduate Medical Education, The University, Glasgow, W.2.
- ABERDEEN:** The Convener of the Postgraduate Medical Committee, The Medical School, Foresterhill, Aberdeen.
- DUNDEE:** Director of Postgraduate Medical Education, Faculty of Medicine Office, The University, Dundee.

now, for the
first time
a clinically
proved
*appetite
stimulant*

'Periactin' induces a marked improvement in the appetite of many patients. The resulting weight gain is due only to the increased food intake—there is no disturbance of endocrine function, no evidence of fluid retention.

'Periactin' does not reproduce the effects of 'tonics', haematinics or vitamins. 'Periactin' acts promptly, and its dosage is simple.

'Periactin' will be invaluable for many of those situations in which patients, adults and children, require food and yet have no appetite for it.

Supplied as tablets containing the equivalent of 4 mg anhydrous cyproheptadine hydrochloride, and as a syrup containing the equivalent of 2 mg anhydrous cyproheptadine hydrochloride in each 5 ml. Detailed information is available to physicians on request.

Periactin®

Cyproheptadine hydrochloride BP

Merck Sharp & Dohme Limited, Hoddesdon, Hertfordshire ® denotes registered trademark

**he's changed his car
six times in twenty years
but he still won't change
from
SOLPRIN**

He sees no reason to change from Solprin because, like many doctors, he knows that Solprin still maintains its reputation as the most acceptable form of aspirin. He knows that salicylate therapy is still the first choice treatment for rheumatoid arthritis, and that the aspirin in Solprin is an extremely soluble form to minimise the risk of gastric irritation—a point of particular importance when high doses are used.

A recent report from a London teaching hospital demonstrated the anti-inflammatory effect of salicylate in high dosage for the treatment of rheumatoid arthritis, and comparisons were made with prednisone and paracetamol. Both prednisone and high doses of salicylate produced measurable reduction in joint size, but paracet-

amol did not do so. The authors state,

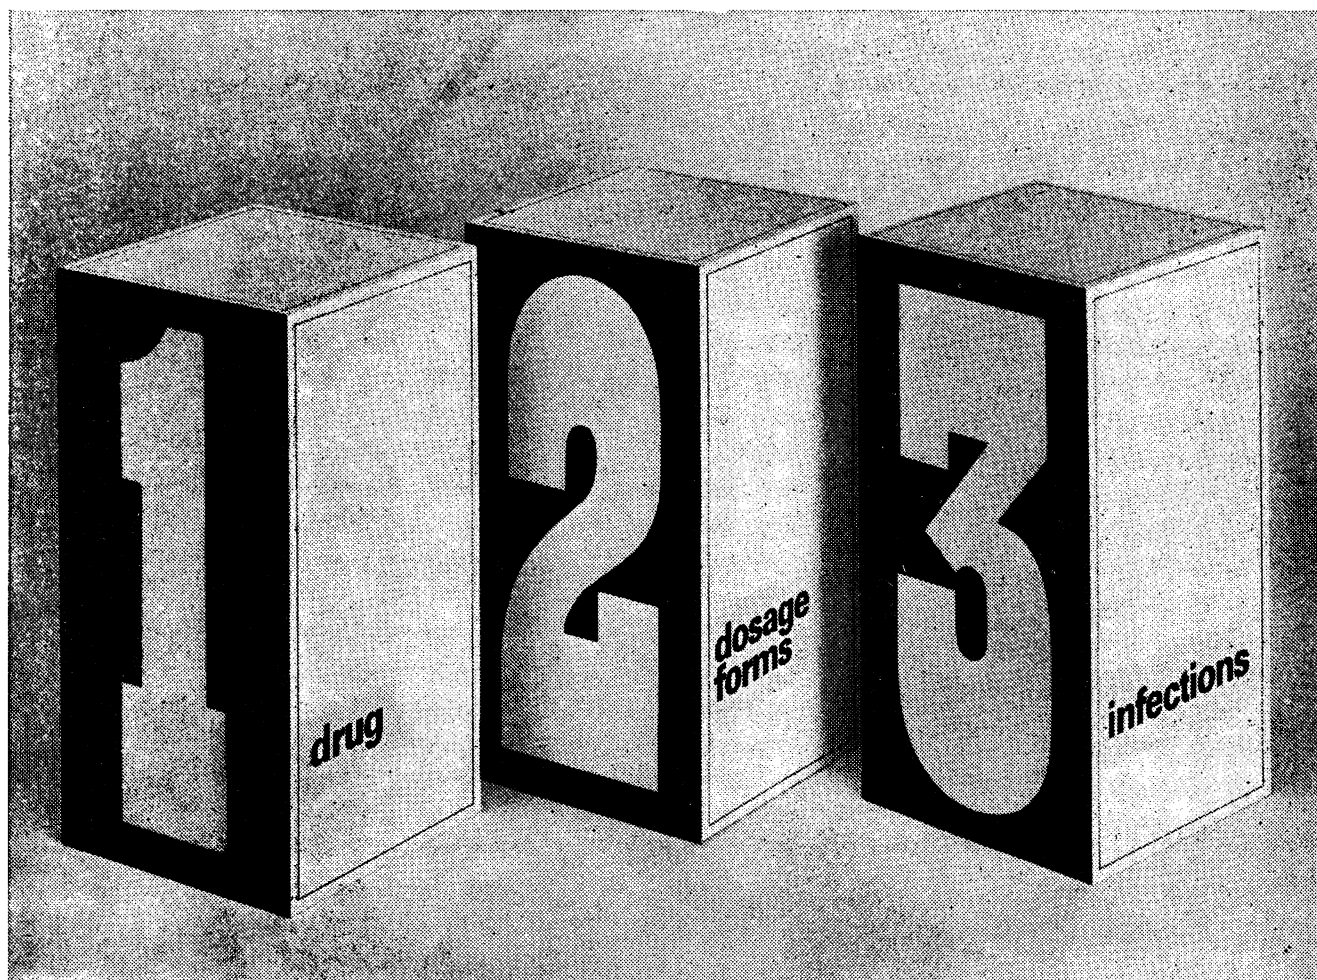

"It is suggested that high dosage of salicylate, unlike low dosage, has a clinically measurable anti-inflammatory effect. If suppression of inflammation is desirable in rheumatoid arthritis high dosage of salicylate is indicated..."

Brit med J, 1967, 4, 264.

Each Solprin tablet contains Acetylsalicylic Acid BP 300 mg, Calcium Carbonate BP 100 mg, Anhydrous Citric Acid BP 30 mg, Saccharin Sodium BP 3 mg.

Reckitt and Sons Limited,
Pharmaceutical Department, Hull.

MAGMILOR

now the complete package treatment for vaginitis
of trichomonal, candidal or bacterial origin

- * systemic action eradicates *Trichomonas*.
- * topical action eliminates *Trichomonas*, *Candida*
and *bacterial* pathogens in the vagina.
- * avoids incompatibility hazards of co-prescribing.
- * allows immediate treatment and rapid symptomatic relief.

Magmilor Female Treatment Pack

21 oral tablets, 10 pessaries.

Rx as Magmilor treatment pack.

Male Treatment Pack

21 oral tablets.

Rx as Magmilor tablets x 21.

Each tablet contains: Nifusatel 200 mg.

Each pessary contains: Nifusatel 250 mg.

Senokot restores natural rhythm to the constipated colon

Senokot, standardized senna, has earned a reputation for effectiveness and safety. Over 150 references in medical journals and text books testify to its value. Senokot is suitable for all ages and is useful in pregnancy and in geriatric cases. It is predictable in its action and, taken in the correct dosage, is free from griping. Acting specifically in the colon, it induces controlled peristaltic action and restores the normal defaecation reflex leading to re-education of the bowel.

From dispensing packs, the basic NHS cost of a teaspoonful of granules or two tablets is about a halfpenny; thus treatment with Senokot is very economical.

In addition to granules and tablets, there is now a syrup presentation – a highly acceptable form, specially suited to the needs of children and elderly patients.

Tablets: 50, 100 and 200. Granules (chocolate flavoured): 56 and 170 grammes. Syrup: 150 millilitre bottle.

2 weeks

In the treatment of psoriasis, triacetoxanthracene has been shown to exhibit the healing properties of dithranol while displaying none of the side effects of burning or staining the skin. It therefore may be used by the patient in his own home without the fear that any harm will result if it accidentally comes in contact with normal skin.

"Dithranol (trihydroxyanthracene) is one of the most effective drugs in the treatment of psoriasis. Unfortunately it has two disadvantages — it may irritate the skin and even cause blistering and it stains both the skin and the patient's under-clothes and bed linen. Within the last few months a modification of dithranol — 1,8,9-triacetoxanthracene — has been developed which neither burns the skin nor stains clothes. It is now being marketed as Exolan paste"

Pharmaceutical Journal (1966) 2, 175

"Exolan is a recently developed synthetic derivation of dithranol. The active ingredient is preferentially liberated by hydrolysis on the surface of the psoriatic plaques. The molecule is so adapted that the staining and much of the irritant properties of dithranol are avoided with loss of only some of its potency . . . It may also be tolerated in cases where the psoriasis is too inflamed or acute for dithranol, or where staining makes it cosmetically unacceptable."

British Medical Journal (1966) 2, 993

"Patients known to be sensitive to dithranol were not treated with the new drug, but in one case such a patient was given triacetoxanthracene without any adverse reaction occurring"

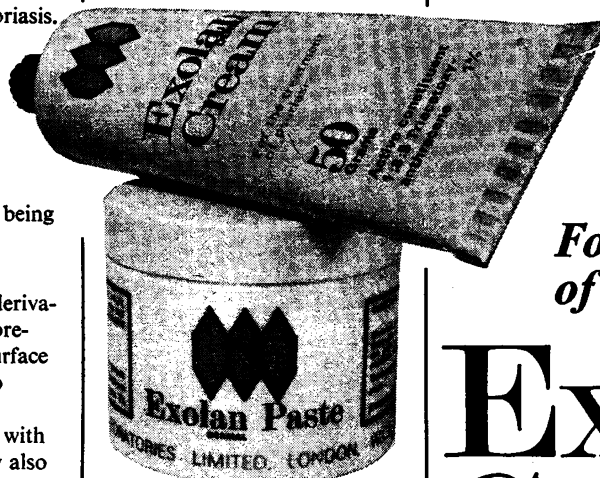

British Medical Journal (1967) 1, 682

"After three weeks treatment with triacetoxanthracene paste there was an amazing clearance and he was able to roll up his sleeves for the first time for 25 years. After a further 3 weeks he was practically clear and better than he had been for 30 years."

British Journal of Dermatology (1967) 79, 491

Psoriasis case history. Male patient aged 72 years with widespread chronic psoriasis admitted to hospital 18th October, 1966.

Exolan Cream prescribed for application twice daily. Psoriasis practically clear; patient discharged 1st November, 1966.

Exolan is the only specific treatment for Psoriasis which has been given an A.2. classification by the Standing Joint Committee on the Classification of Proprietary Preparations. (A.2.: "A preparation of a single therapeutically active drug which has been shown to the Committee's satisfaction to have an acceptable degree of efficacy in relation to its toxicity and therapeutic indications and which in the light of alternative available preparations can be recommended for use.") Exolan is entirely a product of British research.

MUSCULAR RHEUMATISM, FIBROSITIS, LUMBAGO OR LOW BACK PAIN

For each of them the problem is pain

For all of them the answer is Paynocil

regd.

Lumbago or low back pain, fibrositis, muscular rheumatism—however you describe these rheumatic disorders, they mean the same thing to the patient. Pain. And the text-book therapy is the same, too—aspirin.

Then why prescribe Paynocil?

First, because Paynocil *is* aspirin. So it stops pain and relieves inflammation. **Second, because Paynocil is aspirin with all these additional benefits:**

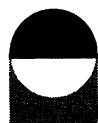

Well tolerated: Paynocil also contains 300 mg. of glycine, which helps to distribute the aspirin rapidly into the stomach in the finest particles, thus minimising the risk of gastric irritation. Patients with rheumatic disorders who experience nausea, heartburn or epigastric pain after plain aspirin have found Paynocil acceptable.

Quick acting: Paynocil, at 600 mg. aspirin per tablet, has twice the strength of aspirin tablets B.P., and in equivalent dosage, is twice as rapidly absorbed. A property which could be of particular value—in combating the rheumatic's morning stiffness for example.

Convenient: Paynocil can be taken without water, for glycine masks the unpleasant taste of aspirin and allows the tablet to disperse instantly on the tongue in a burst of lemon flavour. The tablets come in protective foil strips, which slip easily into handbag or pocket. All of which makes Paynocil a most practical form of aspirin for active people.

Junior Paynocil is available, for children, at 150 mg. aspirin per tablet.

Full information is available on request.

by a comfortable margin. In a recent report of a comparative trial* involving three antihypertensive agents satisfactory control of blood pressure was obtained with each drug.

With 'Esbatal' for instance, a standing diastolic pressure of 100 mm. Hg or less was achieved in 75% of cases. The authors pointed out that

'Esbatal', guanethidine and methyldopa are probably similar in their ability to control blood pressure. *It was found, however, that 'Esbatal' produced fewer uncomfortable side-effects and was preferred by more patients than were the other agents. In contrast to the other drugs, all the patients on 'Esbatal' were able to complete the course of treatment.*

Ten reasons why Acthar Gel is the most widely prescribed ACTH

**ACTHAR
GEL** is the most reliable form of ACTH¹.

**ACTHAR
GEL** is highly purified and standardised to ensure reliable potency, and has been used safely and effectively for fifteen years.

**ACTHAR
GEL** provides optimum length of adrenal stimulation – twelve to sixteen hours,^{4,6,7} this allows pituitary recovery time. Risk of pituitary suppression is minimal – no growth stunting⁴.

**ACTHAR
GEL** has been shown to have a clinical effect lasting up to three days or more³ from one injection.

**ACTHAR
GEL** is safe and side effects, when seen, are usually symptoms of overdosage^{1,2}.

**ACTHAR
GEL** is not a steroid⁸ and treatment can be stopped when unnecessary – no withdrawal symptoms^{2,3,9}, no problem of bruising or when presenting for surgery.

**ACTHAR
GEL** is now liquid at normal room temperatures and is easy to inject.

**ACTHAR
GEL** is a solution not a suspension and accurate dosage is ensured.

**ACTHAR
GEL** Gelatin is the optimum delay medium⁷ and unlikely to cause side effects.

**ACTHAR
GEL** has featured in the vast majority of published clinical papers on ACTH. Some of the latest are given.

**ACTHAR
GEL**

Syntex offer you a simple method to select clinically the oral contraceptive best-suited to your patient's hormone balance

Every woman's sex hormone pattern is a balance of oestrogen and progesterone. The pattern may be weighted towards either hormone, or balanced between the two. Similarly, while oral contraceptives are mainly oestrogenic in nature, others are progestogenic and some are balanced. It would obviously make good sense to choose an oral contraceptive which would maintain a balanced hormonal status, or (in oestrogenic or progestogenic women) tend to balance these forces. The practical benefits to the patient would include a reduced

risk of tiresome side-effects, as well as a reduction in premenstrual and menstrual symptoms. Syntex have developed an easy-to-use method of achieving this scientific choice of oral contraceptive, without the need for protracted prior investigations. The core of the Syntex method is a simple assess-

ment form to estimate the hormonal profile of the patient. Ask your Syntex representative to give you a supply of these assessment forms in the new oral contraceptive selection wallet — or write to Department AIJ at the address below.

Syntex  world leader in steroid research, makers of

Norinyl-1 *ultra-low dose balanced formula*

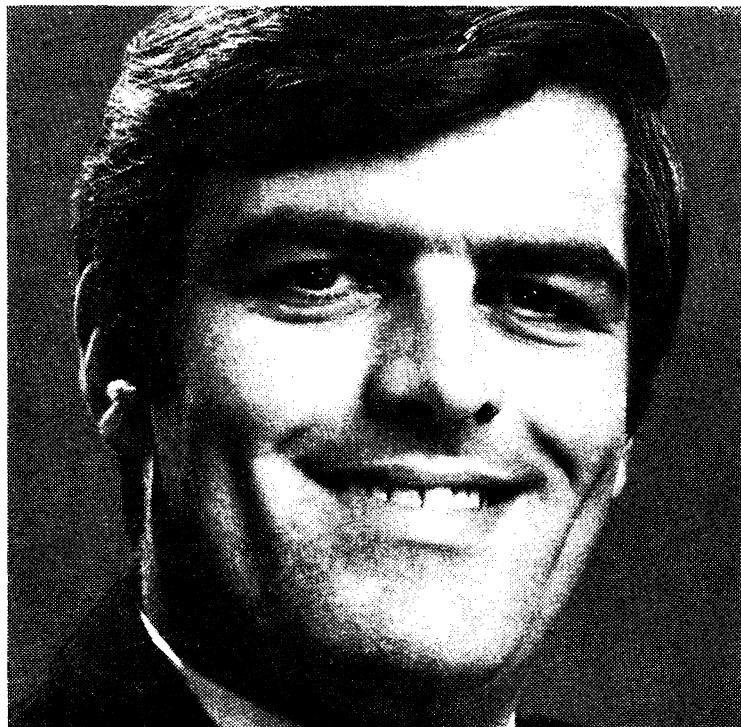

Each tablet contains 1.0 mg. of Norethisterone BP and 0.05 mg mestranol. Packed in wallets of 21 tablets (one month's supply)

Norinyl-2 *low-dose 'progestogenic' formula*

Hay fever will strike soon. His income could suffer.

**He's a salesman.
Suffers badly from hay fever.
His car is his office.
Anti-histamines make him drowsy.
He works hard for a tough company.
Last summer his sales went down.
So did his commission.
This year it could happen again.**

The answer is Alavac-P.....NOW!

The peak pollen time is June/July. That's hay fever time. Palliative anti-histamines provide some relief but often induce drowsiness. The patient's mental and physical life is restricted—especially if he drives or has to operate machinery.

Now is the time for Alavac-P.

Alavac-P is a fundamental treatment that effectively desensitizes hay fever sufferers and gives them summer-long protection from the miseries of grass pollen allergies.

The course is short—no more than 9 injections given at intervals of 7 to 14 days—and should be timed so that the course is completed before the start of the grass pollen season.

The Alavac-P mix of 12 grass pollen extracts provides the widest available protection against hay fever and hay asthma right throughout the grass pollen season and throughout the British Isles. It can be prescribed from case history alone and can be administered with confidence to even the most sensitive patients.

Each Alavac-P vaccine course is supplied with sterile disposable syringes and full instructions on administration and dosage.

The time to prescribe is now.

Full prescribing information is available on request.

Lincocin penetrates

**an experimental demonstration of
Lincocin penetration**

Forty minutes prior to undergoing tonsillectomy, a child weighing 29.1 kg. received a single i.m. injection of 10 mg./kg. lincomycin hydrochloride (base equivalent). A sample of the patient's tonsil tissue was placed on a Petri dish in which the agar had previously been seeded with a pathogenic strain of *Streptococcus haemolyticus*. After incubation, a photograph was taken. The clear zone demonstrates that Lincocin penetrated the human tonsillar tissue in a concentration sufficient to inhibit the growth of the pathogenic inoculum. (The small white dots appearing at one end of the tissue sample were identified in subsequent studies as colonies of non-pathogenic Gram-negative *Neisseria catarrhalis*.)

Discs saturated with patient's serum:

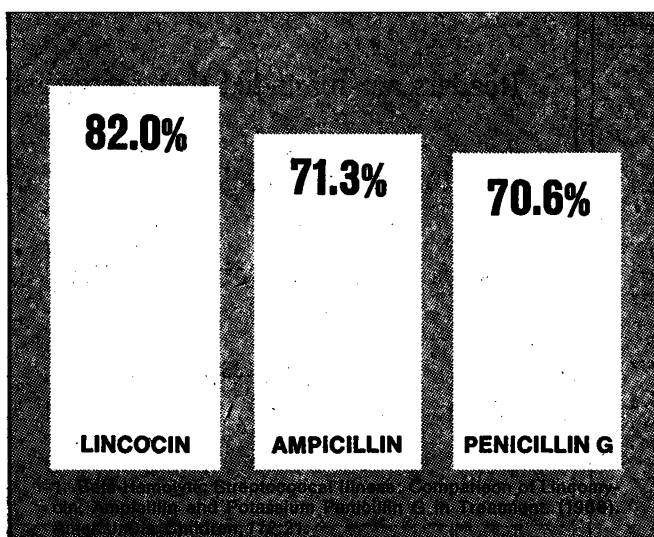

Disc 1—before administration of Lincocin

Disc 2—after administration of Lincocin

highly effective in streptococcal infections

Lincocin works

Comparative clinical recovery rates demonstrate Lincocin's efficacy in streptococcal infections¹

added advantages

highly effective against Staphylococci, including strains resistant to other antibiotics

active against penicillinase-producing coagulase-positive Staphylococci

may be used in patients allergic to penicillin

Lincocin Capsules: Each capsule contains 500 mg. lincomycin (as lincomycin hydrochloride monohydrate), in bottles of 12 and 100.

Lincocin Sterile Solution: Ampoules (2 ml.) 600 mg. Each 2 ml. ampoule contains 600 mg. lincomycin (as lincomycin hydrochloride monohydrate).

Lincocin Syrup 250: Each 5 ml. contains 250 mg. lincomycin (as lincomycin hydrochloride monohydrate), in bottles of 60 ml.

Hay Fever—Catarrh—Sinusitis.

EMPHYSEMA and CHRONIC BRONCHITIS
After effects of acute respiratory
infections.

Many patients have been alleviated successfully from respiratory
diseases at the famous Thermal Establishment of Le Mont-Dore.
Situated in a high and beautiful valley surrounded by mountains and
forests the Spa could hardly be improved upon for the treatment in a
holiday setting. Write for details or advise your patients to do so :

Director General, Thermal Establishment,
Le MONT-DORE (PUY de DOME) France.

Your patient's nightmare?

He'll get continuous relief with high, sustained theophylline blood levels.

Choledyl—choline theophyllinate BP—is readily absorbed by mouth, producing therapeutically effective theophylline blood levels up to 75% higher than those obtainable with equivalent doses of aminophylline. Choledyl rarely causes gastric irritation.

Choledyl is available as tablets containing 100 mg or 200 mg choline theophyllinate BP, in bottles of 100 and 500, and as syrup containing 62.5 mg choline theophyllinate BP in each 5 ml dose, in bottles of 150 ml and 2 litres.

Full information is available on request.

In chronic bronchitis and asthma...

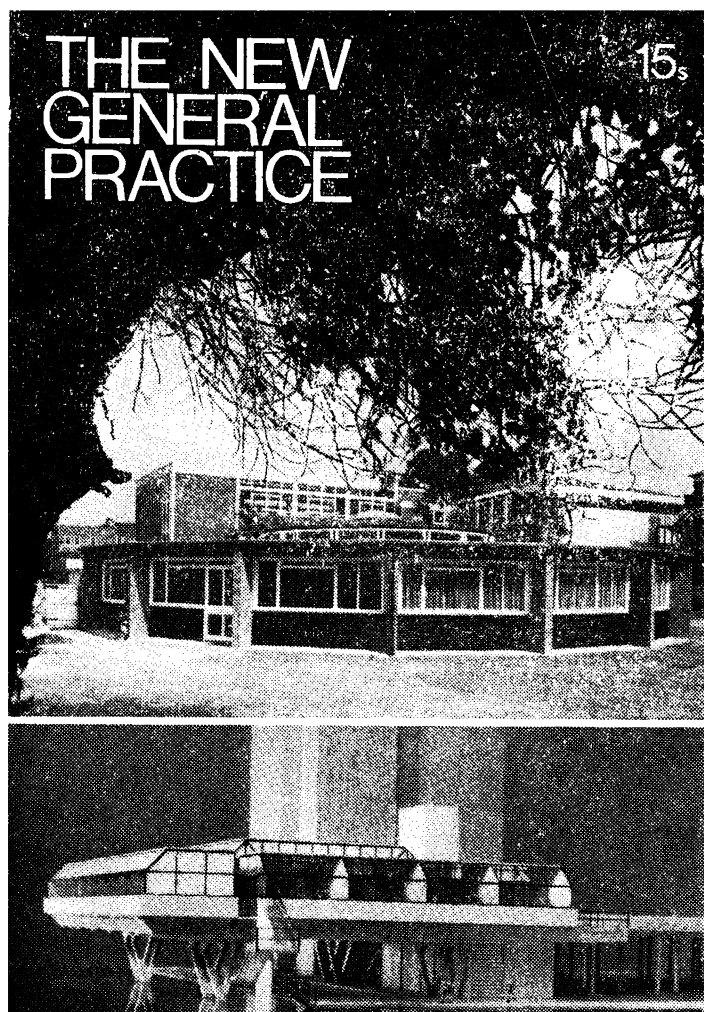

CHOLEDYL

quickly provides high theophylline blood levels for more than 6 hours

How do General Practitioners spend their time?

Do Appointment Systems Work—and How do Patients use them?

What Type of Work Can a General Practice Nurse do?

The New General Practice answers these and many other questions. The book contains 22 articles published in the *B.M.J.* in the last two years, many of them describing pioneering work in the field of general practice. In his Introduction to the book Lord Platt says "Those who have already reorganized and reformed their practices will read this book with interest as they will be able to compare their own ideas with those of others, sometimes learning, sometimes having the satisfaction of knowing better."

THE NEW GENERAL PRACTICE

"... this book will be widely read by general practitioners and will, no doubt, be passed from partner to partner and principal to staff in many practices. . . . What is more important, however, is that the book should be read by others outside general practice, particularly those who teach."

Brit. med. J. (1968), 4, 173.

"Many of these articles are important and aspirants to membership of the College might be expected to be aware of them. . . ." "... most useful to those who wish to know more about how best a general practice may be organized."

J. roy. Coll. gen. Practit. (1968), 16, 406.

"It is well to restate at this moment, as this paperback does, what we should, and could, and have aimed for in the past as in the present, in order to achieve proper general practice doctoring as applicable in the second half of the twentieth century."

Update (1968), 1, 63.

"Provides a valuable account of the experiences of methods by which another country tackles its problems of organization of health services. It is recommended to everyone interested in the problems of medical care available to all."

Swedish Medical Journal (1968), 65, 3661.

PRICE 16s. (U.S.A. \$2.00) postage included.

Junior Research Fellowships

offered by the
Medical Research Council
for the

Academic Year
1969-70

MEDICAL GRADUATES who have completed their pre-registration hospital appointments and DENTAL GRADUATES of similar standing are invited to apply for a number of JUNIOR RESEARCH FELLOWSHIPS for the academic year 1969-70. The Fellowships will also be open to SCIENCE GRADUATES with postgraduate degrees who wish to have a further period of specialised research experience.

TENURE

All Fellowships are tenable for one year in the first instance. Subject to satisfactory progress a Fellowship may be renewable up to a maximum of three years in all in the case of medically and dentally qualified candidates without PhD degrees, and up to a maximum of two years in all for science candidates with postgraduate degrees.

STIPEND

The initial stipend which is taxable will be at a point on the scale £1300 × 150-1450 × 100-1550 per annum according to the successful candidates' ages and experience. Candidates appointed at stipends below the maximum will receive an increment if the Fellowship is renewed.

SUPERANNUATION

Superannuation will be provided.

LOCATION

The Fellowships are tenable at centres in the United Kingdom. In the case of Science graduates with PhD degrees preference will be given to candidates who wish to hold their Fellowships in departments other than those in which they studied for their first and postgraduate degrees.

ELIGIBILITY

Candidates must be:

- ☐ British subjects normally resident in the United Kingdom.
- ☐ Either medical graduates who have completed their pre-registration hospital appointments or dental graduates of or science graduates with postgraduate degrees

APPLICATION

If you are interested in the above Fellowships please write to the Training Awards Section for further particulars and an application form quoting reference JRF/U. Telephone inquiries may be made to 01-636 5422 Ext. 326/327. Completed forms should be returned not later than 1st March 1969.

PARTNERSHIP AFTER PRELIMINARY assistantship offered in a very pleasant semi-rural practice in Wiltshire. Fourth partner retiring end of April, 1969. Good income appreciated. Appointment system; full ancillary staff; G.P. maternity hospital; postgraduate centre nearby; deliberately limited list. Obstetric experience desirable.—Box PA.154, B.M.J.

PARTNERSHIP AVAILABLE IN expanding practice in Oxford for a suitable applicant after a brief assistantship to assess compatibility. Two active partners; attached health visitor; ancillary staff. Duty rota system with two partners. Close proximity to teaching hospitals and excellent local facilities.—Box PA.22, B.M.J.

PARTNERSHIP IN CLYDE COAST TOWN eventually worth £4,000, for a suitable British male applicant. Experience not necessary. All essential services in good premises.—Box PA.135, B.M.J.

PARTNERSHIP OFFERED IN GROUP of four. Health vacancy. Early parity. Rota. East Midlands town and country practice. Obstetric experience essential. Open maternity home in town. Flat available.—Write: Dr. C. W. Pearson, Caskgate Street, Gainsborough, Lincs. Phone enquiries to Gainsborough 2501.

PARTNERSHIP OFFERED TO ENGLISH or Scottish graduate looking for work in busy, but efficiently organized practice, with high standards of medical care, and excellent financial prospects. Single, central, modern surgery. Appointment system. Full ancillary help, including S.R.N. and attached health visitor. Equal duties in week-end and week-end rota (one week-end on duty in six). Full access to hospital laboratory and x-ray. G.P. maternity unit. Obstetric experience desirable.—Apply Blundell, Yates and Milne, 5 Birmingham Road, Walsall, Staffs.

REIGATE. PARTNER (MALE OR female) required for non-financial partnership with Cambridge graduate. Retirement vacancy. Obstetrics essential. Access to pathology and radiology. Modernized premises, week-end rota, appointment system and ancillary help. Large unfurnished flat available.—Box PA.125, B.M.J.

REQUIRED AFTER SHORT ASSISTANTSHIP in mutual appraisal, U.K. graduate in general practice Ealing/Wembley border. Present partner leaving to take up University appointment. Full list practice with two factory appointments. Excellent surgery facilities with nursing and ancillary staff. Gray and path. facilities at local hospital. A rota system with local colleagues affords ample free time. Present gross practice income approximately £12,000 per year. Successful applicant could expect net income of £4,000 within three months, which would be near parity. Please apply, naming two professional referees, to Box PA.151, B.M.J.

ROTHERHAM, YORKSHIRE. GROUP practice (list 19,000) requires sixth partner (replacement after six months' assistantship at £3,000 gross. Early parity at approximately £5,000. Obstetrics required. Equal duties. Modern purpose-built surgery. Ancillary help. Access to G.P. maternity unit, x-rays, pathology and postgraduate facilities.—Dr. Boon and Partners, Woodstock Road, Kimberworth Road, Rotherham. Telephone 4442.

RURAL GROUP PRACTICE IN N.E. Hampshire requires assistant with view to succeed retiring senior partner. Hospital beds, laboratory, x-ray and E.C.G. facilities. Full ancillary help. Two new purpose-built surgeries.—Dr. Sharkey, Harrison, Trust, and James, The Surgery, Hartley Wintney.

SECOND PARTNER REQUIRED NORTH Cheshire practice. British. Obstetrics essential. Short assistantship with early parity. Separate surgery premises. Rota system. G.P. maternity homes.—Box PA.143, B.M.J.

THIRD PARTNER, BELOW 40 YEARS, required. Obstetrics essential. E. Yorkshire University, postgraduate centre. Clinical assistantships available. Modern surgery in a pleasant residential district. Ancillary help.—Box PA.122, B.M.J.

THIRD PARTNER REQUIRED AFTER short assistantship in old-established practice.—Box PA.157, B.M.J.

THIRD PARTNER REQUIRED. COMPACT practice, 7,000 patients. G.P. hospital and maternity unit. Nurse and receptionist. Clinical assistantship available. New health centre within three years. Three-month assistantship, early parity.—Anthony and Thomas, Tel. No. Abercynon 447.

THIRD PARTNER REQUIRED, ENGLISH or Scottish graduate. Immediate salaried partnership £4,000. Parity three years. Excellent flat available. Easily run practice.—Box PA.4809, B.M.J.

THIRD PARTNER REQUIRED IN ESTABLISHED Leicester practice. British, married. G.P. experience preferred, eligible obstetric list. Duty rota appointment system, ancillary help. Genuine opportunity.—Box PA.158, B.M.J.

THIRD PARTNER REQUIRED IN GO-AHEAD practice. Partnership after short assistantship to assess mutual compatibility, in compact urban practice, near Coventry. Generous salary according to experience, early parity. Health centre under construction. Maternity beds available shortly. Medical secretary, district nurse, and health visitor attached. Accommodation available. Own E.C.G. cautery, Wright Peak Flow meter. Appointments system. Rota for evenings and weekend. No capital required. Active postgraduate education in new centre four miles away.—Box PA.24, B.M.J.

THIRD PARTNER REQUIRED IN PLEASANT country town, Notts/Leicestershire border. Night and week-end rota. Cottage hospital and maternity home, x-ray and pathological facilities. Obstetrics essential. Partnership offered after three months' assistantship. Early parity. Ample free time.—Box PA.15, B.M.J.

THIRD PARTNER REQUIRED TO FORM a group practice in Kirkcaldy. Five. Central surgery, appointments system, nursing and secretarial help. Health visitor attachment. New district hospital in the town, with good laboratory and x-ray facilities. Health centre and G.P. maternity unit planned. Equal work and off-duty. Short assistantship and early parity.—Drs. Wishart and Gunn, 48 Nicol Street, Kirkcaldy.

THIRD PARTNER TO REPLACE RETIRING partner, in active practice in county town. Full hospital and laboratory facilities available. Easy access to postgraduate facilities. Please apply only if interested in the practice of good medicine. Remuneration to match out of the ordinary man.—Drs. Cowan and Wood, Thornhurst, Rowley Bank, Stafford.

YOUNG BRITISH MALE GRADUATE required to join large partnership of eight doctors which practice in a modern central surgery in South Bedfordshire town. Three months' assistantship with parity in four years. Above average remuneration. Further particulars on request.—Box PA.152, B.M.J.

WEST HERTS GROUP PRACTICE OF five are seeking a replacement for their senior partner who is retiring in April. Excellent facilities for sport and education, within easy reach of London and surrounded by attractive countryside. Modern surgery, full ancillary help, with access to all diagnostic facilities. Full appointment system, with generous off duty. Net income at parity in excess of £5,000 per annum.—Box PA.150, B.M.J.

YOUNG PRINCIPAL REQUIRES PARTNER, Birmingham new town bordering Warwickshire green belt, to form nucleus of group practice serving 15,000 people within the next three years. Very adequate temporary premises in use at present. Purpose built group practice accommodation available in months. Access to good postgraduate centre, pathology facilities and G.P. maternity unit. Full ancillary help and appointment system. Close liaison between district nurses, midwives and health visitors.—Box PA.144, B.M.J.

TRAVELLING FELLOWSHIP

The Fellowship aims to provide one year of postgraduate study in medicine or allied subjects at centres abroad. The basic allowance will be at the rate of £1,750 per annum, with additional allowances for travel and home maintenance in certain circumstances. Candidates should supply full details of the intended study, including the name of the department or centre at which they intend to work, with assurance of consent from the head of the department concerned. Applicants must be resident in the United Kingdom.

Applications should be submitted by March 1, 1969. Further particulars and forms of application are available from the Peel Medical Research Trust, P.O. Box No. 111, 5 New Square, Lincoln's Inn, London W.C.2. (H.6598)

SIDNEY SUSSEX COLLEGE

Cambridge

**STANLEY ELMORE SENIOR RESEARCH
FELLOWSHIP IN THE MEDICAL
SCIENCES**

The College Council invites applications from men for the above award, which will normally be held for a period of three years with a Class Fellowship of the College for research in medicine. Stipend and allowances up to £2,000 per annum, with usual Fellowship rights.

Particulars may be obtained from the Master, Sidney Sussex College, Cambridge. Applications should reach the Master not later than March 31, 1969. (H.6643)

**THE MIDDLESEX HOSPITAL MEDICAL
SCHOOL****THE BERKELEY FELLOWSHIP**

(Founded in memory of the late Sir G. H. A. Comyns Berkeley and his wife, Ethel Rose Berkeley.)

The Berkeley Fellowship was founded under the will of the late Sir G. H. A. Comyns Berkeley to provide an opportunity for research in medicine, or for visits to medical institutions or hospitals to a person elected jointly by the Master and Fellows of Gonville and Caius College, Cambridge, and the Council of the Middlesex Hospital Medical School. Under the terms of the bequest medical centres in any part of the world may be visited with the exception of Oxford or Cambridge.

Applications from graduates in medicine are invited for the Fellowship. The period of tenure of the Fellowship and the emoluments will depend upon the circumstances of each case. A Fellowship will not normally be awarded for a period shorter than three months or longer than one year, but applications for renewal will be considered. The emolument may be paid as a stipend or as a grant to cover travel and other expenses necessarily incurred by the Fellow in the performance of his programme of work, or partly as stipend and partly as grant. The total emolument allowed will not normally exceed £2,000 during one year's tenure, but in special circumstances may be considerably more.

Applications (6 copies) should reach the Dean of the Middlesex Hospital Medical School by February 28, 1969, and should include the following information:

- (a) Name, address and age.
- (b) Qualifications and experience.
- (c) Present appointment.
- (d) Programme of work proposed with estimate of necessary expenses.
- (e) Other sources of financial assistance, including any stipend from present employment if continued during the tenure of the Fellowship.
- (f) The names of two referees. (14968)

UNIVERSITY OF DUNDEE**LECTURESHIP IN PSYCHIATRY**

GRANTS**PEEL MEDICAL RESEARCH TRUST**

Applications are invited from registered medical practitioners, or from other persons engaged in medical research, for grants of financial aid towards medical research. Any one grant is unlikely to exceed £1,000; the average is £500, which may be repeated for up to three years.

Applications should be submitted by March 1, 1969. Further particulars and forms of application are available from the Peel Medical Research Trust, P.O. Box No. 111, 5 New Square, Lincoln's Inn, London W.C.2. (H.5999)

SCHOLARSHIPS**THE NUFFIELD FOUNDATION****FOOD SAFETY TRAINING
SCHOLARSHIPS**

(Food Toxicology—the biological effects of the chemical and physical treatment of food)

The Nuffield Foundation offers annually up to five scholarships for science graduates and three scholarships for medical or veterinary graduates, to help advance fundamental research into the human biological effects of the chemical and physical treatment of food. The awards, tenable for periods of up to four years, are intended to provide research experience to Ph.D. level, together with formal training in selected subjects, with special reference to pathology, toxicology, biochemistry, bacteriology or pharmacology. The value of the awards will be fixed according to age, qualifications and experience, and can be supplemented by the amount of fees, marriage and child allowances, and in appropriate cases, research expenses. The scholarships are open to men and women holders of a science, medical or veterinary degree of a U.K. or other Commonwealth university.

Applications should be submitted by March 1, 1969. Further particulars and forms of application are available from the Nuffield Foundation, Nuffield Lodge, Regent's Park, London N.W.1. (H.6.8)

INDUSTRIAL APPOINTMENTS**HULL DISTANT WATER TRAWLING INDUSTRY****MEDICAL ADVISER**

This is a challenging full-time appointment for a British graduate of high calibre. He should have reached Senior Registrar or Medical Assistant grade, and some experience of General Practice would be an advantage. A retired Service Medical Officer would be eligible for the post.

The duties include periodic detailed examination of personnel, direction of a casualty service, collection and interpretation of reports regarding accidents and illnesses in the Industry and co-ordination of the Industry's medical services with those in foreign ports.

The present organization is long established and the surgery is well equipped and spacious. There is a permanent staff of three. There are good educational and postgraduate facilities in the district.

The salary will be by negotiation based on age and experience. There is a good Pension Scheme.

Prospective applicants are requested to forward a précis of their career with their application to:

BOX 1A.141, B.M.J.

CAMBRIDGE SOCIETY FOR THE STUDY OF COMPARATIVE MEDICINE

The next meeting will be held at 8.30 p.m. on Wednesday, January 22, 1969, in the School of Veterinary Medicine, Madingley Road, Cambridge.

Coffee 8 p.m.
Subject: Mammary Cancer.
Speakers: The Regius Professor of Physic, Professor J. S. Mitchell, F.R.S. Dr. W. Misdorp, Netherlands Cancer Institute. L. N. Owen, C. S. Treip; Hon. Secretaries. (H.6657)

INDUSTRIAL APPOINTMENTS

Attention is drawn to the British Medical Association's statement of policy on the Remuneration of Industrial Medical Officers as approved by the Representative Body, 1966, which is available on request from the Secretary.

SENIOR MEDICAL OFFICER

Applications are invited from registered medical practitioners for the post of Senior Medical Officer with this company.

The company has an extensive medical and industrial hygiene programme, and the successful applicant will be based in London, although travelling will be required occasionally.

The applicants should have a good clinical background in general medicine, some administrative experience, and should have a career interest in occupational health.

The commencing salary will be according to experience and qualifications, but will be not less than the B.M.A. recommended scale for Senior Medical Officers.

Applications, giving details of age, education and experience, should be sent to the Chief Medical Officer, Esso Petroleum Company Limited, Esso House, Victoria Street, London S.W.1. (14887)

SPECIAL APPOINTMENTS**FAMILY PLANNING ASSOCIATION**

Doctor required with or willing to take F.P.A. training for sessional work in clinic shortly to be opened in Stourbridge, Worcestershire. Times initially will be 1st and 3rd Mondays 6.30 to 8 p.m. Apply to: Mrs. B. Lewis, Branch Organizing Secretary, Severn & Wyke Branch, F.P.A., 51 Britannia Square, Worcester. (H.6634)

THE FAMILY PLANNING ASSOCIATION require doctor with F.P.A. training for sessional work at the Westminster Memorial Hospital, Shaftesbury, for two evening sessions per month.—Apply, Dorset Branch Organizing Secretary, 1 Acland Road, Dorchester. (H.6585)

SOUTH-EAST METROPOLITAN REGIONAL HOSPITAL BOARD
Queen Victoria Hospital, East Grinstead (Plastic Surgery and Jaw Injury Centre)
Applications invited for appointment of one year in the first instance to the Tunbridge Wells group of hospitals as whole-time **REGISTRAR IN ANAESTHETICS** at the above hospital. In addition to plastic, maxillo-facial, ophthalmic and general surgery, duties will include those associated with the new burns research unit. Facilities for study available. Post recognized for F.F.A. R.C.S. Hospital may be visited. Appointment commences April 1, 1969.
Application forms from the Secretary, Registrars Committee, South-East Metropolitan Regional Hospital Board, 40 Eastbourne Terrace, London W.2, to be returned by February 1. (26332)

SOUTH-WESTERN REGIONAL HOSPITAL BOARD
LOCUM REGISTRAR IN ANAESTHETICS
Bristol
Applications are invited for the appointment of a Locum Registrar in Anaesthetics for duty at Southmead Hospital, Bristol, from February 1, 1969, until the permanent post is filled, a period of probably four or five weeks (non-resident).
Applications, giving age, qualifications and previous experience, together with the names and addresses of two referees, should be addressed to the Secretary of the Regional Board, 27 Tyndalls Park Road, Bristol BS8 1PJ. (H.6639)

FRENCHAY HOSPITAL
Bristol
Applications are invited for three posts of **SENIOR HOUSE OFFICERS IN ANAESTHETICS**
The appointments are for twelve months, and are due to fall vacant on March 15, April 4 and April 24 this year. Some previous anaesthetic experience is desirable, but not essential.
There are eight junior anaesthetists, and the successful candidates will be expected to be resident on duty.
The positions offer experience in general, neuro, plastic and thoracic anaesthesia and intensive therapy.
Courses are available for primary and final F.F.A. on a day release basis.
Interested applicants are invited to write to the Senior Anaesthetist for further details, and the hospital may be visited by appointment. Application, stating age, qualifications and experience, and naming two referees, to the Group Secretary, Frenchay Hospital, by January 27, 1969. (14867)

Anaesthetics—contd.**GENERAL HOSPITAL,
Southend-on-Sea**

LOCUM ANAESTHETIC S.H.O.
required March 3 for approximately three weeks. Applications, stating age, qualifications, experience and telephone number, should be sent to the Secretary, General Hospital, Southend-on-Sea, Essex (Telephone No. Southend-on-Sea 43383, extension 281). (H.6659)

**KINGSTON HOSPITAL,
Kingston-on-Thames, Surrey**

SENIOR HOUSE OFFICER (Anaesthetics)
available early March, 1969. Details, giving names of two referees, should be sent to the Physician Superintendent of the hospital. (26237)

Married accommodation available. Recognized for F.F.A.R.C.S. and D.A. Good experience in general surgery, E.N.T., obstetrics and ophthalmology. Emergency duties and rotation within group providing experience in orthopaedics and trauma. Group anaesthetics establishment, five Consultants, Senior Registrar, five Registrars and two Senior House Officers. Good library and study facilities. Post vacancy February 26, 1969. Applications, with two recent testimonials, to Hospital Secretary. (26334)

**WOOLWICH GROUP HOSPITAL
MANAGEMENT COMMITTEE**

SENIOR HOUSE OFFICER (Anaesthetics)
Post vacant mid-February, 1969. Excellent experience in anaesthesia for all types of general surgery and obstetrics with facilities to visit the regional thoracic and neurosurgical units. Recognized for F.F.A.R.C.S. and D.A.

Six months' resident appointment and may then be renewed. Apply to Hospital Secretary, St. Nicholas Hospital, Tewson Road, Plumstead, S.E.18. (15020)

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given. Canvassing disqualifies (Statutory Instrument, 1966, No. 569).

SALARY SCALES OF HOSPITAL MEDICAL STAFF

Following the Seventh Report of the Review Body, new salary scales have been approved. These came into force on October 1, 1966. The scales are set out below:

HOUSE OFFICERS: Each post in this grade shall be tenable for six months. £100 per annum for the first year; £1200 per annum for posts held during the second year; £1300 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £150 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

SENIOR HOUSE OFFICERS: £1,450 per annum in the first year; £1,550 per annum in the second year; £1,650 per annum in the third or subsequent years. Deductions of £175 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

REGISTRARS: £1,650 per annum, rising by four annual increments of £100 to £2,050.

Deductions of £175 per annum for those with remuneration at the first two points on the scale, and £200 per annum for those on the third and subsequent points will be made in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £140 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRARS: £1,950 per annum rising by one increment of £100 and four further annual increments of £125 to £2,550.

Deductions of £225 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANTS: £1,850 per annum rising by fourteen annual increments of £100 to £3,250.

Deductions of £225 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

CONSULTANTS: £3,200 per annum rising by five annual increments of £185, and then by four further increments of £190 to £4,885.

Deduction of £150 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

Doctors with satisfactory training will not be excluded from consideration for appointment to consultant posts on the grounds that they have spent little or no time as senior registrars.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff. Memoranda on the following subjects of particular interest have been issued by the Ministry of Health: Standard of Residential Accommodation, Telephone Charges, Removal Allowances, Study Leave.

Further details may be obtained from the Hospital Secretary, or B.M.A. members may obtain summaries of the Memoranda or explanatory handouts from the Secretary, British Medical Association. (August, 1967)

Manchester Royal Infirmary, Manchester 13

VENEREOLOGY**SOUTH-EASTERN REGIONAL HOSPITAL
BOARD, Scotland**

Applications are invited for the post of
CONSULTANT IN VENEREOLOGY
whole-time or maximum part-time, for the
region.

The main duties will be at the Royal Infirmary of Edinburgh but responsibilities for the regional services will be arranged with the present Consultant. This post will carry responsibilities for the teaching of graduates and undergraduates and for the development for research within the unit.

Further particulars may be had on application.

Apply, giving particulars of age, qualifications and previous experience, together with the names of three referees, to the Secretary, 11 Drumsheugh Gardens, Edinburgh 3, within four weeks from the date of this advertisement. (H.6632)

ADMINISTRATIVE**NEWCASTLE REGIONAL HOSPITAL
BOARD****ASSISTANT SENIOR ADMINISTRATIVE
MEDICAL OFFICER**

A vacancy occurs on the headquarters staff of the board for a whole-time Assistant Senior Administrative Medical Officer, to assist the Senior Administrative Medical Officer with the medical administration of the hospital services in the region. Medical administration is an expanding field, consisting broadly of the assessment of community health needs, the planning and management of medical services to meet those needs, and the evaluation of their effectiveness in so doing.

A sound clinical background is required, though no particular pattern of clinical experience is necessarily more appropriate than any other. Previous administrative experience would be an advantage, but is not essential. Applicants should have an aptitude and enthusiasm for management, investigation, and the practice of management on a community scale.

Salary scale £2,775, rising by increments of £110 (6) to a maximum of £3,430. Post supernumerary.

Further particulars available on request. Canvassing will disqualify but applicants are encouraged to visit the Senior Administrative Medical Officer by appointment.

Applications, giving particulars of age, qualifications and experience, together with names and addresses of three referees, should be addressed to the Senior Administrative Medical Officer, Newcastle Regional Hospital Board, Benfield Road, Newcastle upon Tyne NE6 4PY, within 21 days. (26363)

FELLOWSHIPS IN MEDICAL ADMINISTRATION

Three Fellowships in whole-time medical administration in the Scottish Hospital Service are offered in 1969 for registered medical practitioners.

Medical administration is concerned with the use and development of medical skills and resources, and the work ranges from medical management of these resources at hospital level, to the planning and management of regional services and association with the provision for medical teaching. A career in this field offers the opportunity of using epidemiological methods in studying medical needs, of carrying out operational research into the workings of health services, and of applying the findings in improving the effectiveness of health services.

A three-year training programme has been planned. It consists in general terms of two academic years preceded by a few weeks introductory course and followed by a period of not less than six months of practical experience. Commencing salary ranging from £2,105 (at age 29) to £2,335 (at age 33 or over); annual increments thereafter. Approved university fees will also be met and other allowances in respect of travelling and subsistence are payable.

A memorandum of information and an application form may be obtained from the Secretary, Administrative Medical Staff Training Committee, Woodburn House, Canaan Lane, Edinburgh 10. The closing date for receipt of applications, on the prescribed form, is February 28, 1969. (H.6635)

PUBLIC HEALTH**LANCASHIRE COUNTY COUNCIL****ASSISTANT DIVISIONAL MEDICAL OFFICER**

Applications are invited from registered medical practitioners for vacancies which exist in the following areas:—

- | | |
|-----------------------------------|-----------------------|
| (a) IRLAM/CADISHEAD | (e) TYLDESLEY |
| (b) AREA ADJACENT TO LIVERPOOL | (f) MIDDLETON |
| (c) FAILSWORTH | (g) ASHTON-UNDER-LYNE |
| (d) SKELMERSDALE | (h) WARRINGTON |
| (Housing accommodation available) | |

Salary scale £1,795 to £2,445 per annum, commencing point according to experience.

The County Council has a generous scheme of financial assistance towards study for the Diploma in Public Health.

Medical officers are classified as car-users and subsistence allowances are payable where appropriate. An assisted car-purchase scheme is in operation.

Further details and application forms obtainable from the County Medical Officer of Health, Serial No. 6623, East Cliff County Offices, Preston PR1 3JN. Closing date January 28, 1969. (14845)

PUBLIC HEALTH**ADMINISTRATIVE COUNTY OF
DURHAM****Rural Districts of Sedburgh and Stockton
APPOINTMENT OF MEDICAL OFFICER
TO ACT AS COUNTY COUNCIL
ASSISTANT MEDICAL OFFICER AND
DISTRICT MEDICAL OFFICER OF
HEALTH**

Applications are invited from duly qualified medical practitioners holding a degree or diploma in Public Health for a combined appointment as Assistant Medical Officer for the County Council (7/10) and Medical Officer of Health for the Rural Districts of Sedburgh (2/10) and Stockton (1/10).

The total salary payable will be on the scale £2,350 10s. to £2,913 10s. per annum, consideration being given to qualifications and experience. A car allowance will be payable.

Application forms, and further particulars of the appointments may be obtained from the County Medical Officer, County Hall, Durham, to whom the applications should be returned by January 31, 1969.—J. T. Brockbank, Clerk of the County Council, County Hall, Durham. (25926)

**COUNTY BOROUGH OF
BIRKENHEAD****SENIOR MEDICAL OFFICER**

Applications are invited for this appointment from registered Medical Practitioners, possessing the D.P.H. (or equivalent qualification). Salary will be within the scale £2,170 to £2,705 per annum. Commencing point on the scale commensurate with previous experience, plus a car allowance of £150 per annum. Removal and lodging allowances will be paid in appropriate cases. Application form and details from the Medical Officer of Health, 9 Hamilton Square, Birkenhead L41 6BL, to be returned by February 7, 1969.—Ian G. Holt, Town Clerk. (14997)

ESSEX COUNTY COUNCIL**ASSISTANT MEDICAL OFFICER**

Applications invited from registered medical practitioners for the above-mentioned appointment in the Chelmsford district of Essex health area. Preference given to candidates with experience in school health and maternity and child welfare duties, and approved for the ascertainment of educationally subnormal children.

Salary scale £1,795 to £2,445 per annum. Generous removal, lodging and disturbance allowance payable in certain circumstances. Application forms, from County Medical Officer (Ref. BMJ), 85-89 New London Road, Chelmsford, returnable by January 31, 1969. (26412)

**SENIOR MEDICAL OFFICER
CHESTER**

Applications are invited from registered medical practitioners for the above post on the headquarters staff of the health department.

The successful applicant would be responsible to the County Medical Officer for the services of the department concerning the aged and handicapped and to assist the Principal Medical Officer (Child Health and Nursing) in certain functions of that section. Whilst it is not essential, it would be an advantage if the applicant was a holder of the D.P.H. qualification.

This post will offer wide interest and considerable scope to anyone wishing to make the Public Health Service a career and will bring the person appointed into every aspect of the work of a Health Department of a County Council.

Salary will be within the scale £2,335 to £3,075 per annum, the starting point being fixed according to experience. The successful applicant will be an approved car user and will receive allowances in accordance with the County scale. Removal expenses of up to 75% may be paid. Application forms should be obtained from the County Medical Officer and returned to Pepper House, Pepper Row, Chester, not later than February 16, 1969. (15014)

COUNTY BOROUGH OF PRESTON

Applications are invited from registered medical practitioners holding the Diploma in Public Health for the post of

**DEPUTY MEDICAL OFFICER OF
HEALTH, DEPUTY PRINCIPAL SCHOOL
MEDICAL OFFICER AND DEPUTY PORT
MEDICAL OFFICER**

The person appointed will also act as a Deputy Medical Referee of the cremation authority.

Salary within the range £2,460 by £70 (4) to £2,740, plus a fee of £140 for acting as Deputy Medical Referee of the crematorium. A car allowance of £100 per annum is payable.

Candidates should have had clinical and administrative experience in public health and school health work.

Application forms, returnable by February 17, 1969, from the Medical Officer of Health, P.O. Box 66, Market Street, Preston. (14942)

**COUNTY BOROUGH OF ROTHERHAM
ASSISTANT MEDICAL OFFICER OF
HEALTH AND SCHOOL MEDICAL
OFFICER**

Applications are invited from registered medical practitioners for the above post, which offers experience in all aspects of the work of a progressive health department.

Salary scale is £1,795 to £2,445 per annum and the point of entry determined according to experience and qualifications. Housing accommodation is available, and approved removal expenses will be paid. Car allowance.

Facilities for attending full-time course of training for the D.P.H. with leave of absence on full pay and subsistence allowance.

Further particulars and forms of application can be obtained from the Medical Officer of Health, Health Department, Municipal Offices, Rotherham, to whom they should be returned not later than February 3, 1969.—L. I. Frost, Town Clerk and Chief Executive Officer, Municipal Offices, Rotherham. (26230)

OVERSEA

Attention is drawn to the desirability of obtaining full details of remuneration and terms of service in advertised appointments where these are not stated in the advertisement. In some cases local B.M.A. Branches or affiliated Associations may be in a position to provide information, and their addresses are available on application to the Secretary of the Association.

AN OPPORTUNITY EXISTS FOR A recent graduate from a British University to receive training in general practice and in particular its psychological aspects. Duties consist of an approximate 35 hour, 5-day week plus on call every third week-end, spent on the medical and surgical wards of two modern general hospitals within 4-mile from home (where surgical and medical or other consultations are readily available for problem cases) and in the casualty departments, but mainly in private consulting rooms. When orientation to North American medicine is complete in approximately one year, every assistance will be given to the appointee to establish himself in independent or group practice in a neighbouring town, where an income equivalent to £10,000 per annum should be earned in the first year. The town itself is in a resort area, St. Lawrence River in Southern Ontario, and is a happy self-confident, thriving community, an hour's drive from the nation's capital. Salary, air fare for applicant and wife, with return fare (or cash in lieu) after one year, plus luxury apartment (furnished) overlooking St. Lawrence (or cash in lieu), plus car and expenses, and the equivalent of £60 per week, together with a cash bonus at the end of one year dependent on practice income. Whilst academic distinction is an asset, the main qualities looked for in the applicant are ability to get on with the medical community and a kindly, tolerant, non-aggressive approach to patients and a willingness to take time to practice good medicine.—Write: Box OV.148, B.M.J.

ATTRACTIVE GENERAL PRACTICE opening for third partner after preliminary assistantship in Western Manitoba, starting April, 1969. Expanding small town with 70-bed modern hospital and clinic. Starting salary \$1,200 per month. Should suit someone with a flair for the country.—Please reply with curriculum vitae, photograph, to Box OV.4701, B.M.J.

AUSTRALIA. FOR DETAILS OF PRACTICE conditions, employment, housing and finance, contact Locums Ltd., 9 Bligh Street, Sydney, N.S.W.

WANTED, OTOLARYNGOLOGIST WITH anticipated partnership in general otolaryngology practice. Applicants must have or obtain Canadian specialist status. Practice in large city which has a university medical faculty.—Box OV.19, B.M.J.

A NEW MEDICAL SCHOOL
at
MEMORIAL UNIVERSITY OF
NEWFOUNDLAND, Canada
INTERN AND RESIDENT
APPOINTMENTS

Recognized by the G.M.C. for British Registration as well as by the Authorities in Canada

There are vacancies for residents and interns starting in most branches of medicine and surgery and in psychiatry during the next 6-8 months, since the medical services in the city of St. John's are being expanded. Salaries will be on the usual Canadian scale, and fares to and from the British Isles will be paid by the Newfoundland Government. A new medical school was founded at Memorial University in 1968. Professors in the main areas have been appointed and started work in September, 1968. Until completion of the medical school buildings, and the University Hospital, the clinical work of the medical school is taking place in the four hospitals in St. John's. Research and teaching in the basic medical sciences are being done in temporary buildings on the University campus.

Anyone interested should write, giving all personal details, degrees and the names of two referees, to Dr. C. L. Holt, the School of Medicine, Memorial University of Newfoundland, St. John's, Newfoundland, Canada. The closing date for applications for the next appointment committee is February 14, 1969. (H.6427)

MAGEE-WOMENS HOSPITAL
University of Pittsburgh,
Pittsburgh, Pennsylvania 15213

PATHOLOGY RESIDENCY 420-bed university hospital, with 70% Ob-Gyn and 30% general anatomic pathology material: cytopathology: optional clinical pathology training: time and facilities for research. Salary \$6,500 to \$8,000. Apply to Dr. Bernard Klionsky. (H.6284)

SOUTH BRISBANE HOSPITALS BOARD

DIRECTOR OF
DIAGNOSTIC RADIOLOGY
PRINCESS ALEXANDRA HOSPITAL

Applications are invited for the position of Director of Diagnostic Radiology.

Salary is at the rate of \$11,925 per annum and the position is superannuated.

The hospital is one of the three teaching hospitals associated with the University of Queensland. All specialties except cardio-pulmonary surgery are represented.

The acute public section of the hospital admits approximately 20,000 patients per year.

Any further particulars can be obtained by contacting the Medical Superintendent.

Applications, giving details of qualifications, age and experience, together with the names of three referees, should reach the Manager, South Brisbane Hospitals Board, Ipswich Road, Woollongabba, 4102, not later than 5 p.m. on Friday, March 21, 1969.

(H.6633)

UNIVERSITY OF SYDNEY

ASSOCIATE PROFESSORSHIP/
SENIOR LECTURESHIP IN PSYCHOLOGY
(IN THE FIELD OF CLINICAL PSYCHOLOGY)

Applications are invited for the above-mentioned post. The person appointed will be required to direct the clinical training programme in the Department of Psychology, including the organization and supervision of courses offered for the Diploma in Psychology. Candidates should have had experience both in the practice of clinical psychology and in the training of clinical psychologists. The appointee will be expected to participate in the teaching and research programme of the Department. Recent research has included work on personality dynamics and structure related to psychopathology, diagnostic techniques and the efficacy of psycho-therapeutic procedures, the psychological effects of brain damage and related conditions, and various aspects of experimental psychopathology.

Salary: Associate Professor \$A9,900 per annum; Senior Lecturer \$A7,600-230 \$A8,750 per annum.

Information about superannuation, housing scheme, sabbatical leave, etc., and method of application from the Association of Commonwealth Universities (Branch Office), Marlborough House, Pall Mall, London S.W.1.

Applications close in Australia and London on February 7, 1969. (14967)

Career opportunities in Canada

Canada's growth and development currently provides opportunities in many professions and occupations and Canada rewards ambition and hard work with one of the highest living standards in the world.

Life is good in this young, progressive country . . . especially for the family. Primary and secondary education is mostly free and through university scholarships, bursaries and interest-free loans, Canada is rapidly moving towards the day when no student will be denied an advanced education through lack of financial means. You, and your family will be protected, too, by a social welfare programme—family allowances, hospital and unemployment insurance and retirement pension.

Above all, Canada offers scope—for you and your children; space and opportunity to be what you want to be; the chance to find the right way of life in a friendly and hospitable land. And, Canada is only six hours away by plane—six days by sea.

Write today for information about working and living conditions in Canada

ST. BONIFACE GENERAL HOSPITAL

Winnipeg 6, Manitoba

Positions available as locum tenentes for experienced anaesthetists in a university-affiliated hospital for a period of three to four months beginning June 1, 1969. Salary up to \$1,000 per month, depending on experience, and economy return air-fare. Apply with references to Dr. M. Minuck, Head, Department of Anaesthesia (H.6573)

Sir Charles Gairdner Hospital WESTERN AUSTRALIA

MEDICAL SUPERINTENDENT

Applications are invited from suitably qualified medical practitioners for the post of Medical Superintendent. The post is a full-time appointment for an initial period of five years, renewable thereafter by agreement.

Candidates must have wide clinical experience and should have a higher qualification. Experience in teaching and in hospital administration, particularly at a medical teaching hospital, will be an advantage.

Sir Charles Gairdner Hospital is a general teaching hospital containing 280 beds associated with the Medical School of the University of Western Australia, and is in close proximity to the University. An additional 110 beds will be opened in September 1969, and a further 120 beds will be completed in 1970 as part of a planned expansion of the hospital to become a major medical centre. It is proposed that within the next ten years the bed capacity will be 800 to 1,000 beds. Branches of the University departments of medicine, surgery, psychological medicine and psychiatry are based at the hospital.

DUTIES: To be responsible to the Board of Management for the overall direction of the clinical and para-clinical services, including the co-ordination and effective integration of the services of all diagnostic and therapeutic departments, together with general responsibility, through the matron, for the nursing services as affecting the care of patients. The appointee will also be involved considerably in the detailed planning of hospital developments on the site.

SALARY: Within the current range \$A9,666 to \$A11,265 per annum. (At present under review). Commencing salary to be determined according to qualifications and experience. (£1 equals \$A2.14.)

CONDITIONS: Include five weeks' annual leave, long service leave (three months on full pay after each seven years' service), sick leave, superannuation (as an alternative the hospital will consider subsidizing the appointee's existing commitment under an approved superannuation scheme, or endowment insurance policy). Study leave may be granted for any special purpose approved by the Board.

TRANSPORT: Minimum first class sea fares for the appointee and family (under 16 years of age) together with an allowance of up to \$A400 (£230 Stg.) for the cost of removal of personal effects, subject to an undertaking to remain in the hospital's service for a minimum period of three years.

A "Memorandum of Information" regarding the post and its responsibilities is available on request.

Further details concerning the Sir Charles Gairdner Hospital and the State of Western Australia may be obtained from the Agent General for Western Australia, Western Australia House, 115 Strand, London W.C.2 (or from the undersigned).

Applications, addressed to the undersigned, should include date of birth, qualifications, experience, present and previous appointments, a list of publications, the names and addresses of three referees, and be accompanied by a recent photograph and a certificate of medical fitness.

Applications close on February 28, 1969.

A. F. T. THOMSON,
ADMINISTRATOR. (14901)

LIBERIA—General Surgeon

General Surgeon (F.R.C.S. or equivalent) required for Firestone Medical Centre, Harbel, Liberia, to take charge of the Surgical Department. Duties also entail participation in general work of hospital and clinics. Some experience in orthopaedic and/or gynaecology would be an advantage.

Apply with full personal and professional details by airmail to
Personnel Manager, Firestone Plantations Company, Harbel, Liberia, W. Africa. (14941)

COMMONWEALTH OF AUSTRALIA

DEPARTMENT OF HEALTH CANBERRA

SPECIALIST ADVISER

(Geriatrics & Gerontology)

Applications are invited for the position of Specialist Adviser in Geriatrics and Gerontology to the Director General of Health.

The successful applicant will be required to act as Adviser to the Director General and his officers and will be based in Canberra, although travel throughout Australia may be required.

Candidates should be registrable in Australia, possess postgraduate qualifications and have extensive postgraduate experience in geriatrics and gerontology.

The salary will be in the vicinity of \$A11,000 per annum.

Under certain conditions, first-class air/sea transport for the successful applicant and dependants (wife and dependent children) will be provided by the Commonwealth.

Applications should be forwarded to reach the Director General of Health, Canberra, not later than February 28, 1969. Applicants should state full name, date and place of birth and whether natural born or naturalized British subjects. They should also give full particulars regarding their academic and professional record. The names of three persons to whom reference may be made and a recent photograph should also be included.

United Kingdom residents may obtain further information from the Chief Medical Officer, Australia House, The Strand, London, and residents outside the United Kingdom should direct their enquiries to the Director General of Health, Canberra, A.C.T., Australia. (26323)

major metabolic activity in obesity proved by British research...

Obese patients develop a block to muscle glucose uptake causing a diversion of ingested carbohydrate to adipose tissue.

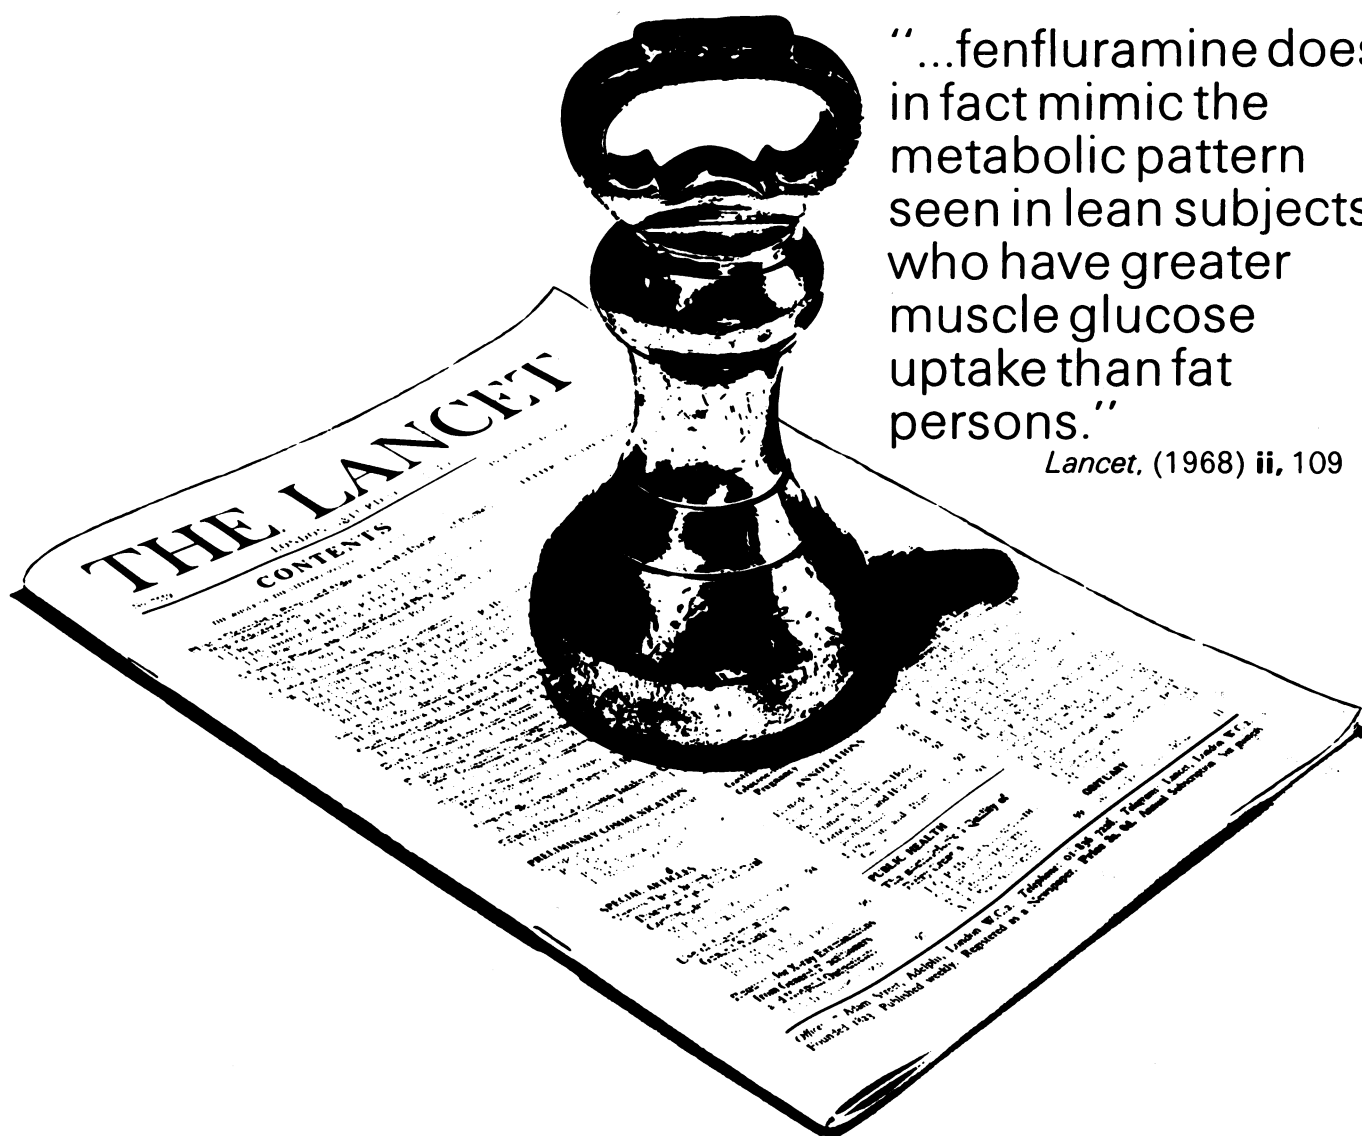

Fenfluramine is the first drug to have been shown to correct this metabolic defect.

By restoring metabolic equi-

librium fenfluramine re-activates muscle glucose uptake and diverts the ingested carbohydrate away from adipose tissue. Thus weight loss is encouraged. It is probable that the known very effective, non-cns hunger regulation of Ponderax is mediated

through the metabolic action. Glycoliptic agents act to restore equilibrium where an imbalance exists between the tissues in glucose and/or lipid metabolism. Ponderax is the first such agent and marks a really significant advance in treating obesity.

...PONDERAX[®] FENFLURAMINE *is the first glycoliptic agent*

"...fenfluramine does in fact mimic the metabolic pattern seen in lean subjects who have greater muscle glucose uptake than fat persons."

Lancet, (1968) ii, 109

***Ponderax also very effectively
regulates hunger without stimulation***

**ENGLEWOOD HOSPITAL, Englewood,
New Jersey 07631, U.S.A.****THREE-YEAR APPROVED
MEDICAL RESIDENCY**

Englewood Hospital, Englewood, New Jersey, a 475-bed community hospital ten minutes from New York City, offers a detailed programme of bedside rounds, clinical conferences and lectures. Transportation allowance of \$200 provided on arrival. Salary, first year, resident, \$480 monthly; second year, resident, \$530 monthly; third year, resident, \$580 monthly; living quarters provided for single and married residents.

Uniforms and laundry service included. E.C.F.M.G. certification required. Interested applicants please contact Dr. Carl Wierum, Director of Medical Education, (H.6430)

**AUSTRALIA—REPATRIATION GENERAL
HOSPITAL,
PERTH, WESTERN AUSTRALIA
SPECIALIST (CHEST DISEASES)**

Applications are invited from registered medical practitioners, with appropriate post-graduate qualifications, for a post of SPECIALIST (CHEST DISEASES).

The hospital has some 500 beds and is located close to the City of Perth and the University of Western Australia, which has a medical school. Patients, generally, are veterans of the two world wars and more recent campaigns. The successful applicant will be responsible for clinical advice, diagnosis, treatment and medical administration within the specialty. The respiratory function unit at the hospital is well established to cover the full range of chest treatment for patients.

Salary on commencement will be within the range \$8,638 to \$10,828 and will be determined having regard to qualifications and experience. Subject to medical fitness, the successful applicant may be permanently appointed to the Commonwealth Service, which carries eligibility to contribute to a generous superannuation scheme.

On completion of a three-year bond of service to the Commonwealth, first-class fare to Perth for the appointee and his family will be paid and some assistance may be given towards the removal of effects. The department will arrange initial accommodation and a "rent assistance" allowance may be paid for a limited period, depending on the circumstances.

Applications should be forwarded to the Public Service Board Representative, Canberra House, 10-16 Maltravers Street, Strand, London W.C.2. (26300)

**BRITISH TECHNICAL
ASSISTANCE****GOVERNMENT OF PAKISTAN****PROFESSOR OF
PHYSIOLOGY**

A Professor of Physiology is urgently required at the Jinnah Postgraduate Medical Centre, Karachi, under British technical assistance terms.

Candidates should normally be citizens of, and resident in, the United Kingdom. Preferably they should be medically qualified and possess higher qualifications in the appropriate specialty.

Salary up to £5,000 (taxable) according to qualifications and experience, plus a generous tax-free overseas allowance. Free passages and accommodation.

Appointment for 3 years.

For further details and application form, please write to:

The Appointments Officer,
MINISTRY OF OVERSEAS
DEVELOPMENT,

Room 409A,
Eland House,
Stag Place,
London S.W.1. (14940)

**PATHOLOGY RESIDENCIES AND
STRAIGHT INTERNSHIPS**

Full American Board approved training programme is available at University Teaching Hospital. Foreign graduates must have E.C.F.M.G. certificate. Apply: Director of Pathology, Western Reserve University at Cleveland, Metropolitan General Hospital, 3395 Scranton Road, Cleveland, Ohio 44109, U.S.A. (H.6747)

SUKKAR, PAKISTAN. LADY DOCTOR required for small hospital, some surgery, but mainly obstetrics and paediatrics. Voluntary Service Overseas has a wide variety of posts for doctors in mission and government service. One year minimum; fares, board, volunteer allowance and resettlement grant paid. U.K. citizens apply to V.S.O., 3 Hanover Street, London W.1. (H.6675)

**MEDICAL
OFFICERS FOR
LAOS**

An interesting assignment is offered to two Medical Officers who are required urgently for service with British medical teams at Luang Phabang, the Royal capital, and Thakhek, a provincial town on the Mekong, in Laos.

Appointments are on contract with the British Government for two years, and existing superannuation arrangements can be maintained. An ability to speak some French is an asset. Short courses in tropical medicine and French will, if necessary, be given in London before leaving for Laos.

Salary £2,100 to £2,550 per annum, according to experience, plus a variable tax-free overseas allowance. Free accommodation.

Applicants should normally be citizens of, and resident in, the United Kingdom. They must possess medical qualifications and other requirements for full registration in the United Kingdom. Preference will be given to candidates who have held post-registration appointments in surgery and obstetrics.

For further information please write, stating full name to:

The Appointments Officer,
MINISTRY OF OVERSEAS
DEVELOPMENT,

Room 409A,
Eland House,
Stag Place,
London S.W.1. (15031)

PSYCHIATRIC RESIDENCIES ARE

offered by the Department of Psychiatry, University of Missouri School of Medicine Division at Kansas City. An award winning community mental health centre provides the clinical setting for a training programme of lectures, case presentations, therapy demonstrations (closed-circuit T.V.), seminars, and intensive personal supervision. Fully accredited programmes in adult and child psychiatry provide broad experience in in-patient day hospital, out-patient, consultation, alcoholism, forensic and child psychiatry services. There is active participation of the Psychoanalytic Study Group of Kansas City, Inc. in the psychotherapy portion of the programme. Full time rotation through the Neurology Department of the University is provided each resident as well as elective experience in a more specialized area of his choice. Beginning stipend \$9,000; special five-year career programme of the Missouri Division of Mental Diseases, total stipend of \$75,750 also available.—Write Richard L. Pentecost, M.D., Assistant Professor, 600 East 22nd Street, Kansas City, Missouri 64108. (H.9178)

**REPUBLIC OF SOUTH
AFRICA****PROVINCIAL ADMINISTRATION OF THE
CAPE OF GOOD HOPE****DEPARTMENT OF HOSPITAL SERVICES**

Applications are invited from registered medical practitioners for appointment to the vacancy of

**SENIOR
SPECIALIST**

in the department of

OPHTHALMOLOGY

at

**GROOTE SCHUUR HOSPITAL
OBSERVATORY, CAPE TOWN**

Salary scale (R6,600 by 300 to 7,500) (£1 sterling equals R1.71) in addition to the salary indicated a vacation savings bonus is payable, subject to certain conditions.

The conditions of service are as prescribed in the hospital service ordinance No. 23 of 1958, and the regulations framed thereunder.

Candidates are required to furnish academic achievements, professional experience and names of three persons from whom references may be obtained.

Applications must be made in duplicate on the prescribed form, Staff 23, which is obtainable from the Attache (RDR), Immigration Section, South Africa House, Trafalgar Square, London W.C.2, and should be directed to the Medical Superintendent of the hospital concerned, to reach him not later than February 28, 1969. (26299)

DOCTORS ABROAD. Copies of vacancies advertised in the "Journal" can be sent by AIR MAIL. The minimum cost is 3s. per week, which covers up to five separate headings; additional headings 1s. each. Orders for specific grades cannot be accepted. PLEASE ENCLOSE PAYMENT to avoid delay.

**ROYAL CHILDREN'S HOSPITAL
Flemington Road, Parkville,
Melbourne, Victoria, Australia**

Applications are invited from legally qualified medical practitioners holding appropriate postgraduate qualifications for appointment as

CARDIAC SURGEON

The appointment will be either full- or part-time depending upon negotiation with the successful applicant. Initially the appointment will be for three years, with renewal subsequently at five yearly intervals. Salary will be for a Specialist in Charge—\$11,822 per annum if full-time. A full-time appointee will have limited right of private practice, from which he may receive an annual bonus of up to \$800 with certain other fringe benefits.

The appointee has four weeks' annual recreational leave and two weeks' sick leave, both being cumulative. Liberal conference leave is available and provisions exist for sending the appointee overseas when necessary. In addition, sabbatical leave may be granted on application to the Committee of Management.

Applicants should have had appropriate training and special experience in the surgery of congenital heart disease. The appointee will be responsible for both closed and open heart surgery in the hospital and for relevant developmental work. Extensive facilities exist within the hospital for animal research. A new department of cardiology has recently been established and approximately 600 new patients are seen each year for cardiac assessment.

The Royal Children's Hospital, Melbourne, is a general paediatric teaching hospital affiliated with the University of Melbourne. It has 400 beds with approximately 14,000 in-patients and 200,000 out-patients yearly. Comfortable furnished family accommodation can be provided close to the hospital at a reasonable rental. Financial assistance will be given to an interstate or overseas appointee to help with transport arrangements.

Further general information and details of application procedure are available from Dr. L. E. G. Sloan, Medical Director. Applications close at 9 a.m. on Monday, March 10, 1969.—W. C. Feint, Manager. (H.6511)

For a holiday on a beautiful island, with no snow, no cars, no breathalyser, no currency restrictions, or devaluation problems, the Island Hotel offers superb comfort, food of highest quality and personal service. Re-opens for its long season on February 1 when Spring flowers are at their best. Tariff: Spring 70/- to 95/-, Summer 90/- to 125/-. Telephone Scillonian 883 or write for illustrated colour brochure.

LONDON HOTELS ARE BEST RESERVED through Hotel Accommodation Service, 93 Baker Street, London W.1. 01-935 2555. Same-day confirmation.

SPORTING ESTATE, SALMON AND sea trout fishing. Loch Ness and River Moriston. Many brown trout lochs. Boats and ghillies. Grouse both driven and over pointers. Stalking. Rough shooting and wild fowling. Keeper. Riding. Excellent accommodation. Highland and Continental cooking. Also fully furnished modernized cottage to let. Daily help available. Apply Lady Mactaggart, Knockie Lodge, Whitebridge, Inverness. (Telephone Gorthleck 276).

HOUSES AND PROPERTY

The possibility of opening up a practice is NOT implied by the appearance of an advertisement under this heading.

EXMOOR COUNTRY

Registered Geriatric Home for 30. Detached in approx. 3 acres of mature Gardens with Open views, and with Owner's separate accommodation. Full Oil Central Heating. LIFT. AGA, etc., and offered Fully Furnished Fitted and Equipped. Staffed and Fully Occupied. T. £14,000 p.a. N.P. £5,700. Audited Accounts available. Impressive Private Mortgage also available. Vendors Retiring. Further details in strict confidence. Freehold. £37,000. Sole Agent—E. Frank Robbins, House and Estate Agent, West Street, Dunster, Somerset. Tel. Dunster 208 (day and night).

MOTOR CARS

B.M.A. GARAGE

Advantageous rates on new Cars and Hire Purchase. Consult us the specialists. Most makes supplied. Good stock of new Cars and selected used Cars. Write, phone or call—G. J. Shaffer & Co. Ltd., B.M.A. Garage, B.M.A. House, Tavistock Square, London W.C.1. Tel.: 01-387 6687.

SHIPPING

SHIPPING. FREE ESTIMATES GIVEN for packing and shipment of all household effects. Cars and owner-packed consignments also handled. Full insurance facilities. Contact Harrison, Lennon and Hoy, 5th Floor, Grand Buildings, Trafalgar Square, London W.C.2. Telephone No. 01-930 6877.

PHARMACEUTICAL PRODUCTS

Readers are reminded that prescribers' literature and clinical information are always available from advertisers on request.

... at Lochdhu we know why doctors prescribe themselves a fishing holiday ...

It is no coincidence that over half our clientele, including guests from abroad, are members of the medical profession—they know what is good for them.

Amid the peace and solitude of the Caithness moors, under the wide northern sky, the tensions of modern living relax their grip and worries fade into their true perspective.

Lochdhu offers the finest trout fishing, too. Seven of our dozen trout lochs average over $\frac{3}{4}$ lb. and four of these average over 1 lb. Last year Skyline gave one angler 20 trout, weight 22 lb.—good fishing by any standard.

Lochdhu is geared to the needs of anglers. If the trout are taking, stay on the loch and we'll keep dinner hot for you. If you come in wet, down a stiff malt whisky and give us your gear to put in the drying room while you luxuriate in a steaming bath of soft peaty water.

Above all, relax and enjoy the warm welcome, good company, fine food and cellar that Lochdhu offers. **BEST MONTHS—MAY AND JUNE.** Fly only on all our water.

Ventolin INHALER

(Salbutamol)

Trade Mark

A different class of bronchodilator

MORE SELECTIVE · LONGER ACTING · MORE EFFECTIVE

A NEW STANDARD IN BRONCHODILATOR THERAPY

Previously available β -adrenergic stimulants such as isoprenaline and orciprenaline act on the β_1 receptors of heart muscle as well as on the β_2 receptors of bronchial muscle. Consequently, undesirable increases in heart rate and pulse pressure sometimes occur when these drugs are used to produce bronchodilatation.

Ventolin is different: first because it is highly selective in its action, affecting primarily β_2 receptors: second, because it is more effective than existing bronchodilators: and third, because it is longer acting.

MORE EFFECTIVE

Clinical trials have shown that Ventolin Inhaler is a more effective bronchodilator than isoprenaline or orciprenaline when given by inhalation; a comparison of the effects of inhaled Ventolin, isoprenaline, and orciprenaline on Forced Expiratory Volume in one second (FEV_1) in severely asthmatic patients is shown in Fig. 1.

LONGER ACTING

Ventolin is unusually long acting, its effect persisting for at least four hours. By contrast, isoprenaline, even in large doses, has a characteristically intense but transient effect. In another study using whole-body plethysmography, inhalation of 100 μ g of Ventolin produced an

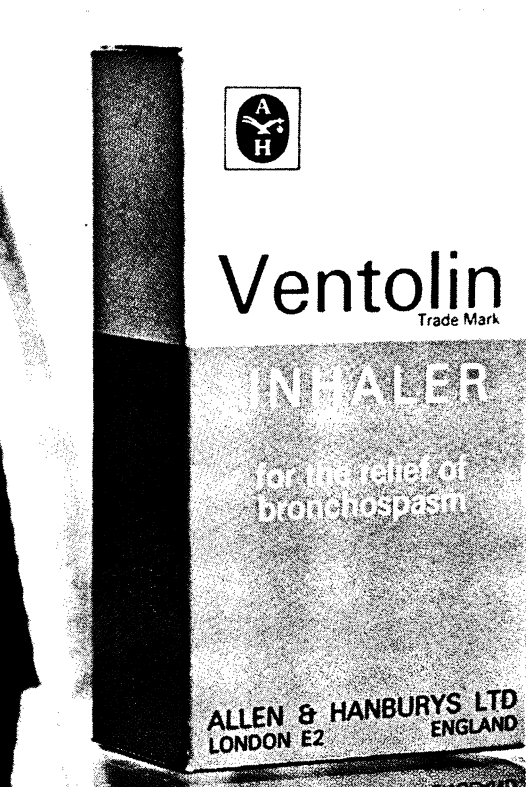

almost immediate maximal increase in airway conductance which was sustained for four to six hours.

MORE SELECTIVE

No side effects have been reported with therapeutic doses of Ventolin Inhaler. In studies comparing Ventolin with isoprenaline, a major difference found was that Ventolin did not stimulate the heart or affect the blood pressure, even after inhalation of a relatively large dose. (See Fig. 2.)

MORE ACCEPTABLE TO PATIENTS

Patients expressed a marked preference for Ventolin Inhaler in double-blind studies comparing Ventolin with aerosols containing isoprenaline or orciprenaline.

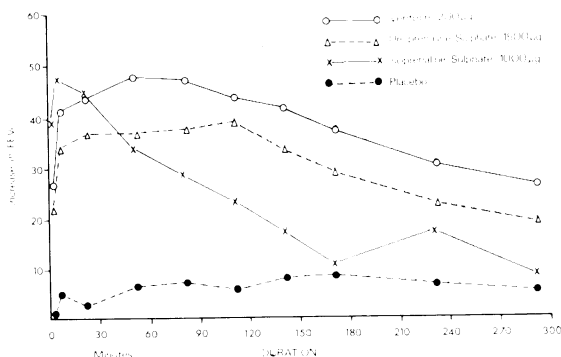

SAFETY IN USE

Past experience suggests that misuse of aerosol bronchodilators by asthmatic patients may lead to dangerous effects on the heart or give a false sense of security to patients with incipient status asthmaticus. Ventolin Inhaler has no effect on the heart in therapeutic dosage and has a long duration of action. Both these properties provide additional margins of safety; the lack of cardiac effects should reduce any likelihood of deaths due to ventricular fibrillation and the long duration of action makes it possible for patients to realise in time if the drug is becoming less effective. Because an effective treatment with Ventolin Inhaler should last for at least four hours, patients have been advised to consult their doctor immediately if the effect lasts for less than three hours, so enabling the doctor to take timely action.

CLINICAL STUDIES

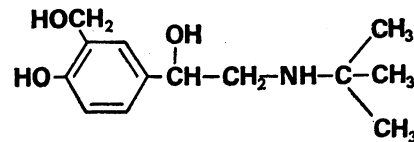

The onset of action of Ventolin by inhalation is rapid; near maximal bronchodilatation occurs within five minutes. The duration of action of Ventolin is much greater than that of isoprenaline. The results of a comparative study in severe asthmatics are summarised in Fig. 1. The effect of 1,000 µg of isoprenaline by inhalation on Forced Expiratory Volume in one second (FEV₁) reached its peak at six minutes and thereafter diminished rapidly; The peak effect on Forced Vital Capacity (FVC) was reached a little later, but the pattern was otherwise similar. A significant increase in heart rate was noted soon after administration of isoprenaline. After 200 µg of Ventolin, however, near maximal response persisted for two to three hours and substantial improvement was still present after five hours. No side effects were observed after Ventolin.

Figure 1. Effect on Forced Expiratory Volume in one second, of inhaling Ventolin, isoprenaline or orciprenaline.

CHEMISTRY

Ventolin is 2-t-butylamino-1-(4-hydroxy-3-hydroxymethyl)-phenylethanol. Its approved name is salbutamol.

The Inhaler contains Ventolin base, suspended in microcrystalline form.

PHARMACOLOGY

Ventolin was discovered in the research laboratories of Allen & Hanburys Limited during a search for a β-adrenergic stimulant free from undesirable cardiovascular actions. Replacement of the 3-OH group in isoprenaline by the primary alcohol group, -CH₂OH, gave rise to a new series of potent β-adrenergic stimulants. Ventolin was chosen for development because of its highly selective action on bronchial muscle, its lack of effect on heart muscle and its long duration of action.

ANIMAL STUDIES

In all the species used, Ventolin was a more potent bronchodilator than isoprenaline when administered by aerosol or by mouth and about equally active by intravenous injection. It differs from isoprenaline in being able to prevent bronchospasm without having obvious effects on the cardiovascular system. Ventolin is unusually long acting because it is not affected by catechol o-methyl transferase, an enzyme which rapidly inactivates isoprenaline in the body.

HUMAN STUDIES

Studies on asthmatic volunteers using a whole-body plethysmograph revealed that doses of 100 µg of Ventolin by inhalation produced a substantial and almost immediate increase in airway conductance which was sustained for several hours. In normal volunteers, doses of 400 µg by inhalation had no effect on heart-rate, ECG or blood pressure. 200 µg of isoprenaline had marked cardiovascular effects in the same subjects.

INDICATIONS

Ventolin Inhaler is indicated for the relief of bronchospasm in:

- Bronchial asthma of all types ☐
Chronic bronchitis ☐ Emphysema ☐

DOSAGE

One or two inhalations, repeated four-hourly if required. The bronchodilator effect of each administration of Ventolin Inhaler lasts for at least four hours and more frequent use should be unnecessary. This long duration of action provides a margin of safety. The patient can readily recognise any reduction in the length of action and should be instructed to consult a doctor if the effect of a previously adequate dose lasts for less than three hours.

The patient's instruction leaflet enclosed with each Ventolin Inhaler therefore contains the following paragraph:

'Dosage; use Ventolin Inhaler only as directed by your doctor. He will tell you how many puffs to take for a treatment. An effective treatment with Ventolin Inhaler lasts for about four hours. Consult your doctor immediately if the effect lasts for less than three hours. No more than eight treatments should be taken in any 24-hour period without consulting your doctor.'

SIDE EFFECTS

No side effects have been reported from Ventolin given by inhalation in therapeutic doses.

Doses greatly in excess of those needed for full bronchodilatation could cause short-lived secondary effects such as peripheral vasodilatation, minor increase in pulse rate, and skeletal muscle tremor.

CONTRA-INDICATIONS

There are at present no known contra-indications to the use of Ventolin. However, care should be taken with patients suffering from hypertension, myocardial insufficiency or thyrotoxicosis. Notice should be taken of recent suggestions that the administration of any drug during the first trimester of pregnancy is undesirable.

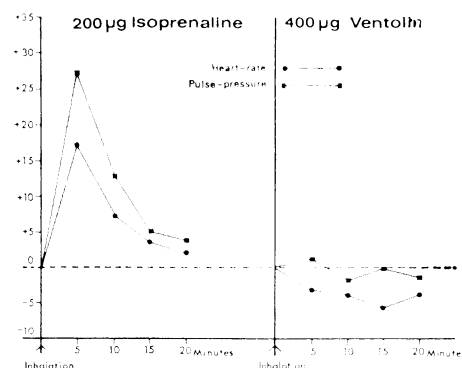

PRESENTATION

Ventolin Inhaler is a metered aerosol, delivering 100 µg of Ventolin per inhalation, with a specially designed actuator. Each canister provides 200 inhalations.

Ventolin is a Trade Mark

Figure 2. Changes in heart rate and pulse pressure after inhalation of isoprenaline and Ventolin (means of 6 subjects).

OCTOBER 4—THE PROBLEM. A large weeping ulcer infected with staph. pyogenes and with a dirty central slough. Previous treatment with paraffin gauze and a local steroid antibiotic merely enlarged the ulcer four times.

TWO WEEKS LATER—DESLOUGHING. After treatment with Aserbine Cream to the ulcer and Aqueous Ichthol to the surrounding skin, complete desloughing has taken place.

NOVEMBER 14—HEALING. The ulcer is completely healed. After desloughing with Aserbine Cream, the ulcer was treated with a closed dressing.

When the presence of slough delays healing...

... in varicose ulcers, burns, pressure sores, trophic ulcers, etc.

... experience has shown that **ASERBINE** is a true desloughing agent which does not affect living tissue

Presentation: Aserbine is available as a cream (100 G. jars) and as a solution (500 ml. bottles).

Method of Application: Aserbine Cream should be applied once or twice daily. Aserbine Solution should be applied as a wet dressing and it is important to keep the dressing moist.

<i>Aserbine is prepared from</i>	<i>100 G. cream</i>	<i>500 ml. solution</i>
Malic Acid	0.36%	2.25%
Benzoic Acid	0.024%	0.15%
