Meniere's syndrome is a specific condition Now there is a specific treatment **Serc**[®]

betahistine

Meniere's syndrome was first clearly defined over a century ago and since then has been recognised as a distinct disease entity characterised by vertigo, tinnitus and loss of hearing, frequently accompanied by nausea, earache and/or headache. To date, treatment of Meniere's syndrome has been mostly empirical in nature and variable in its results. But now there is SERC – a new and specific treatment for Meniere's syndrome. There is evidence that SERC acts against all the major manifestations of Meniere's syndrome. Its effect on the

episodes of vertigo, often the most disturbing symptom, is most striking¹. SERC has been found to diminish, over a period of time, the intensity of tinnitus². And it may also arrest hearing loss³. SERC is supplied as tablets containing 8 mg. betahistine dihydrochloride, in bottles of 100 tablets. Further information is available on request.

S.463

Brighter prospect for angina patients

Atromid-S trial results

Two double-blind trials.

One in the North East of England, the other in Scotland, involving 1214 patients, 55 physicians, up to 5 years duration – show that in the angina or angina plus infarct sub-groups the death rate and rate of non-fatal infarcts was reduced by about half. In both trials 'Atromid'-S was shown to be remarkably safe even after long-term continuous treatment.

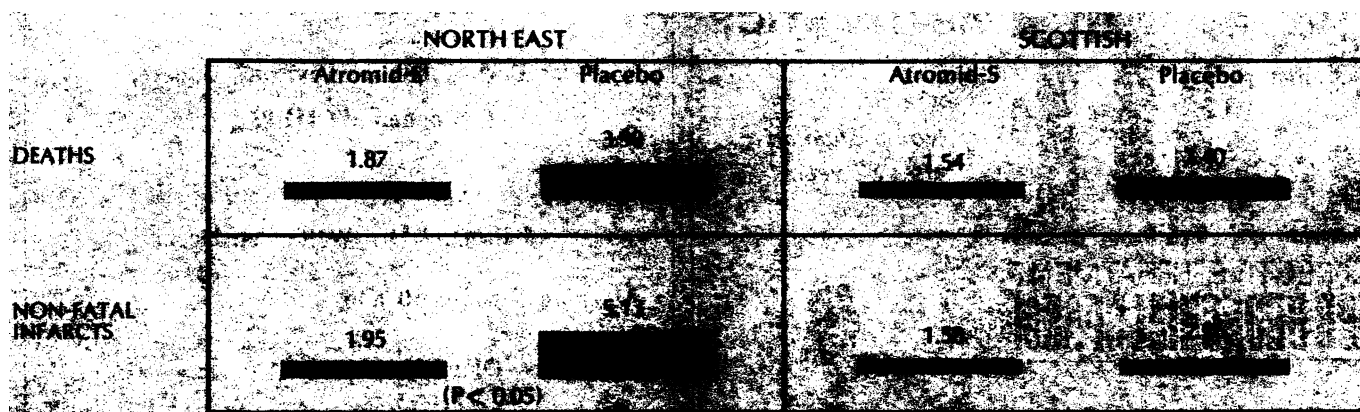

The results speak for themselves.

	SCOTTISH TRIAL	NORTH EAST TRIAL
Death rate reduced by	62%	55%
Non-fatal infarcts reduced by	44%	39%
All events reduced by	53%	47%

How Atromid-S reduces mortality and morbidity in angina patients

Results of both trials in patients with angina only

Rate/1 200 patient months

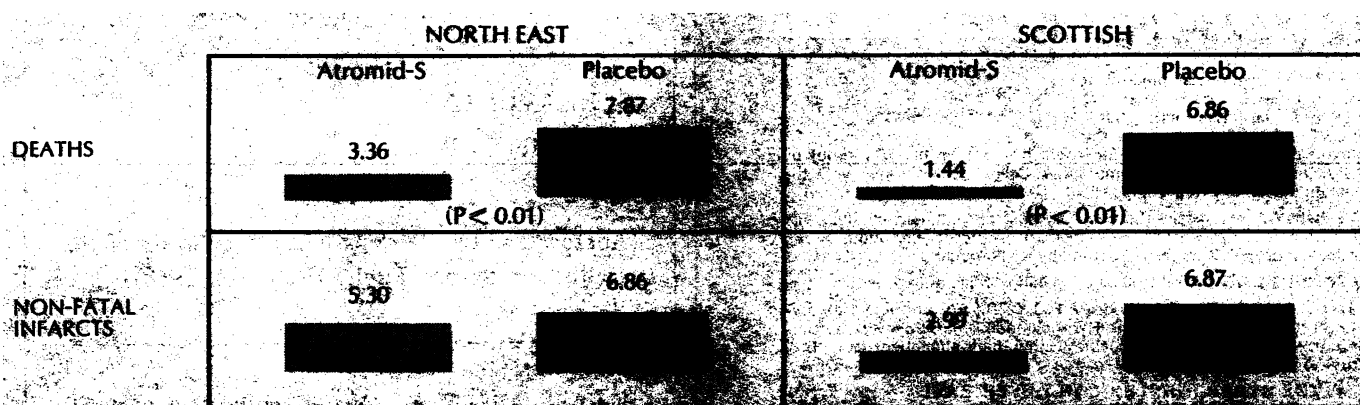

Despite the unexpectedly and unusually low mortality rate in the Scottish trial (expected rate 4-9%), the 'Atromid'-S treated group showed a better result than placebo in patients with angina but without infarction.

"Both trials agree in showing a significant reduction in mortality, especially in sudden deaths, and in total events when clofibrate ['Atromid'-S] is given to patients who had angina."

Brit. med. J., (1971), 4, 784-786

Results of both trials in patients with myocardial infarction plus angina

Rate/1 200 patient months

These results clearly indicate a significant reduction in mortality and a lowering of the non-fatal infarct rate (more marked in the Scottish trial) in this group of patients.

"... it is nevertheless clear that patients taking clofibrate ['Atromid'-S] were protected (against death) if they had a history of angina or of both angina and myocardial infarction."

Brit. med. J., (1971), 4, 767-775

RYBARVIN Inhalant SAFE

EFFECTIVE TREATMENT
FOR BRONCHIAL SPASM

THE PROVEN
BLUE CHIP
INVESTMENT
FOR
ASTHMATICS

*No devaluation
after 32 years!*

RYBAR

SAFETY The very small amount of inhalant often necessary to relieve an attack is important. Therapeutically, this is of benefit to the patient in avoiding any side-effects which might be brought about by taking too frequently a full measured dose. Over-dosage with the Rybarvin inhaler is virtually impossible.

ECONOMY Economically the very low cost of treatment by Rybarvin, 1500 average doses (half-minute) per 28 ml. bottle, i.e. about 1/36p per dose, must be of interest to both patient and doctor.

RYBARVIN INHALANT Bottles containing 15 ml. and 28 ml.

Extract of Pituitary (Posterior Lobe) B.P.C. 0.20% v/v Atropine Methonitrate B.P. 0.10% w/v, Papaverine Hydrochloride B.P. 0.08% w/v, Adrenaline B.P. 0.40% w/v, Benzocaine (Ethyl para-aminobenzoate) B.P. 0.20% w/v.

Note: **THE RYBAR INHALER CAN NEVER HAVE A BLOCKED SYPHON TUBE.** It is now fitted with a special filter (patent pending).

RYBAR LABORATORIES appreciate the convenience of the unobtrusive Pressurised Pack particularly on social occasions and have produced Ryspray for prescription where doctors feel this type of pack is more suitable.

RYSPRAY PRESSURISED INHALANT is a powerful bronchodilator giving rapid and sustained relief in asthma and bronchitis. Complete unit (300 measured doses).

It is a great convenience to the patient that the amount of inhalant in the bottle can be seen.

Samples and literature gladly sent on request.

SEMINAR ON DEATH

FRIDAY, 24 MARCH 1972

at B.M.A. House, Tavistock Square,
London WC1H 9JP

Chairman: Dr. Walter Hedgcock

Morning Session: 10 a.m.

SUDDEN DEATH

The Law—Mr. Gavin Thurston

Suspicious Circumstances—Dr. C. H. Johnson

Children—Professor Francis Camps

In Clinical Practice—Dr. Duncan Vere

Afternoon Session: 2 p.m.

DYING

Terminal Care—Dr. Cicely Saunders

Miss Joan Steel SRN

BEREAVEMENT

Dr. C. Murray Parkes

(Approved as two sessions under Section 63 of the Health Services and Public Health Act 1968).

PLEASE APPLY AT ONCE stating that you will be attending and enclose your cheque/postal order for £2 (registration fee inclusive of coffee, lunch and tea) to:-

The Secretary,
Board of Science and Education,
B.M.A. House,
Tavistock Square,
London, WC1H 9JP.

Cheques to be made payable to British Medical Association.

As an RAMC Doctor your practice is global.

A good way to gain experience as a Doctor is to serve as an Officer in the Royal Army Medical Corps.

You could be called upon to practise in a wide variety of conditions, both at home and abroad.

Because, for some of the time in the RAMC you're likely to see something of the world: in Germany, Cyprus, or maybe on exercises in countries from Canada to the Far East.

You can join for 3 or 5 years. And in that time you'll not only travel, you'll also gain valuable medical experience.

You'll hold the rank of Captain. And at say 24 years of age you earn around £3668 gross p.a. On top of that, there are all sorts of allowances.

Your surgery is well equipped by the Army. And you won't just be

dealing with soldiers. There are wives and children to care for, too.

What's more, you get 6 weeks' paid leave every year.

At any time during your service, you can apply to stay on for a Regular Commission. And have the opportunity of specialising. In fact, around 70% of all Regular Officers do take up post-graduate studies.

Alternatively, you can leave at the end of your Short Service Commission. All the better for the experience and for a tax-free gratuity. You get £1500 after 3 years. £3000 after 5.

So think about it. And before you decide on anything, find out more about the RAMC.

If you want full details, or want to meet an RAMC Officer write to:-

**Colonel T. S. Hart, MB, DPH,
DTM & H, RAMC,
Ministry of Defence (AMD2),
Dept. 2363, Lansdowne House,

Actifed and Space age Medicine

Observers at mission control are able to follow closely the exploration of the moon with the aid of television pictures relayed to earth. In order to improve the clarity and definition of the pictures a technique of computer enhancement is used. This technique has already been applied to medical radiography.

In the space programme, medical benefit has been a two-way exchange. Of the medicines taken on Apollo flights, ACTIFED* has been repeatedly chosen as the decongestant. ACTIFED TABLETS and SYRUP contain the decongestant pseudoephedrine and the established antihistamine triprolidine. ACTIFED COMPOUND LINCTUS contains, in addition, codeine. It provides effective and palatable cough control for all age groups.

Full information is available on request.

ACTIFED COMPOUND LINCTUS

In urinary tract infections **Lick them with liquorice !**

The nausea, vomiting and gastric side effects associated with nitrofurantoin are now effectively prevented by the addition of deglycyrrhizinated liquorice in CEDURAN tablets. In 82 patients¹ previously completely intolerant of nitrofurantoin, there was virtually a total absence of gastric side-effects when they were treated with CEDURAN. In a recent survey² of the sensitivities of urinary pathogens, nitrofurantoin was one of the only three preparations recommended as primary oral treatments. And in a further report,³ nitrofurantoin had the lowest number of resistant strains of the agents studied.

SUDAFED

nasal decongestant

The efficacy of SUDAFED as a decongestant has recently been demonstrated:

“In a double blind trial, oral pseudoephedrine (60 mg) was shown to produce a significant increase in maximal nasal flow...”

Europ J clin Pharmacol, (1971) 3, 182

Unlike many decongestants SUDAFED* does not cause drowsiness because it contains no antihistamine. SUDAFED leaves your patient breathing clearly and thinking clearly.

Each SUDAFED tablet contains 60 mg of pseudoephedrine hydrochloride.

Also available: SUDAFED Elixir containing 30 mg pseudoephedrine hydrochloride in each 5 ml.

Chances are you have over 100 Psoriatics on your list... ...Alphosyl could help them.

A great many people in Britain suffer from Psoriasis. On average, more than 100 for every G.P. in the country. And that's why every G.P. should know about Alphosyl.

Alphosyl Lotion is the most widely prescribed treatment specifically for Psoriasis. Patients get complete clearing or a marked improvement without systemic reactions, without uncomfortable restrictive dressings and without serious side effects or contraindications.

Alphosyl Lotion is the primary treatment, for use all over the body. And its effectiveness is backed up by the Cream and Application PC. The Cream is particularly effective in the intertriginous areas, and Application PC removes scales from the scalp and prepares the head for treatment with the Lotion.

Alphosyl therapy (Lotion, Cream and Application PC) can be adjusted to suit the patients individual needs . . . or preferences.

Alphosyl is available as a 5% refined alcoholic extract of coal tar and allantoin (2%) in a Cream and Lotion. Alphosyl Application PC is a unique combination of coal tar extract (5%) and hexachlorophane (1%).

Hand signals which can't be ignored

"Patients stated that their ischaemic digits had been much less painful while taking tetranicotinoylfructose (Bradilan) . . ."

"During the past 10 years we have tried in a group of about 100 patients with impaired digital circulation most, if not all, oral adrenergic blocking agents with unsatisfactory clinical results. During the past 3 years we obtained more encouraging subjective and objective findings with oral tetranicotinoylfructose (Bradilan) . . ."

In this double-blind controlled trial* the patients had already taken most available oral vasodilators and were sceptical about further treatment. The authors, however, reported that most patients were delighted with Bradilan's beneficial effect. Bradilan® employs the molecule of tetranicotinoylfructose which is gradually hydrolysed in the intestine—the consequent slow, even release ensures prolonged effective vasodilation—with side reactions at a minimum.

Full information is available on request.

Vasodilator therapy that works

ASTHMA

BRITISH MEDICAL JOURNAL, 11 MARCH 1972

A lifetime of freedom begins with Intal

Before INTAL, a diagnosis of asthma often meant a life sentence of constantly aborting attacks with bronchodilators, anti-histamines or steroids. Patients were constantly at risk from the relentless progress of lung damage and lived in perpetual fear of an asthmatic episode.

The discovery of INTAL (Sodium Cromoglycate BP) represents a turning point in the management of this distressing complaint. Newly diagnosed patients, as well as those of long standing, benefit from this entirely new approach to therapy. INTAL actually prevents the onset of asthmatic attacks, and is notably free from serious side effects.

By preventing asthma attacks the possibility of consequent lung damage may be avoided enabling the patients to lead a fuller, happier life. If they remember their daily INTAL—they can forget their asthma.

INTAL—supplied in SPINCAPS® (each containing 20 mg Sodium Cromoglycate BP). For use in a special insufflator—SPINHALER®.

This is how we made our mark

Over a century ago a small dyestuffs factory opened in a little town near Frankfurt. The town—Hoechst.

Pharmaceutical manufacture followed and early successes were the analgesics and antipyretics Novalgin[®], Antipyrin[®] and Pyramidon[®].

Hoechst shared the triumphs of Nobel Prize Winners Emil von Behring, the serum pioneer, and Paul Ehrlich, discoverer of Salvarsan[®] the key to chemotherapy.

In the 1920s, Hoechst first made Insulin and continuing progress has led to today's products, Rastinon, Daonil, Lasix, Synadrin 60, Cosaldon, Danieral-SA, Jadit, etc.

Hoechst now has 140,000 employees and last year spent £45 million on research and development.

We're ensuring tomorrow's progress. Mark our words.

We
pronounce it

Hoechst—a name you need to practice

In C

A 40 year old civil servant, following a severe domestic upset, took a total of 90mg (18 tablets) of Mogadon between midnight and noon.

"In the following eight hours he consumed half a bottle of whisky and some sherry; when seen some two hours later, it was obvious that he had been drinking but he was quite conscious and capable of discussing his domestic troubles and to relate the story of what had happened throughout the previous night."¹

Now you can sleep easy

Against a background of increasing concern about the danger of barbiturate poisoning (as few as 20 or 30 tablets may prove fatal), the advent of Mogadon must be of considerable importance. Indeed, Mogadon ".....appears to be as nearly as safe as a drug can be."² Even as many as 80 tablets have produced no untoward effects. Moreover, a recent trial in the B.M.J. showed Mogadon comparable in effect to butobarbitone.³ When such a drug exists, should you risk using anything else?

From the BMJ

The problem facing the prescribing
doctor today is choice.

Catalogues of drugs—no
matter how detailed—are
of little help unless
accompanied by advice
on which drug to give for what condition.

Today's Drugs/1

not only gives a full account
of the drugs but also includes clear accounts of the management of common
conditions such as urinary infections and epilepsy. It deals with only
three subjects—infections, vitamin deficiencies and anaemias, and
disorders of the nervous system.

Demy Octavo Paperback 213 pages
Price £1·00 (U.S.A. \$3·00) including postage

Today's Drugs/2

deals with hormones and oral
contraceptives, cardiovascular agents, and drugs acting on the
gastrointestinal tract. As with the first volume the articles have been
revised to bring them up to date.

Demy Octavo Paperback 204 pages
Price £1·00 (U.S.A. \$3·00) including postage

whoever
 your next arthritic
 patient...

BRUFEN

offers these outstanding benefits...

High response rate	In a long-term study* of nearly 1000 arthritic patients, 7 out of 10 were reported as 'better' or 'much better' after treatment with Brufen.
Equally good response in Osteo- and Rheumatoid Arthritis	In terms of relief of pain and improved functional activity, osteo-arthritic patients and rheumatoid arthritic patients responded equally well to Brufen.
Highly effective in Arthritis of recent onset	77% of those in the study who had suffered from arthritis for one year or less showed a significant improvement during treatment with Brufen.
Good Response in extremely chronic Arthritis	Even among the patients who had suffered from an arthritic condition for 20 years or more, over 50% responded well to Brufen therapy.

BRUFEN
 (ibuprofen)

New freedom for the arthritic patient

BRITISH MEDICAL ASSOCIATION NORTHERN IRELAND SECRETARY

The Council of the British Medical Association invites applications from senior registered medical practitioners over the age of 45 for the post of Northern Ireland Secretary. The salary scale for this appointment is £5,170 rising by annual increments to a maximum of £6,260 per annum, but in determining the starting salary regard will be had to the successful candidate's age, qualifications and experience. The Association's superannuation scheme will apply on substantive appointment.

The candidate appointed will be required to reside in Northern Ireland. Although the duties of the post require a substantially whole-time appointment the Council is prepared to consider candidates with other commitments of a very limited nature which would not prevent them from devoting the major part of their time to the duties of the post.

The appointment will be for a probationary period of six months in the first instance, and thereafter may be terminated by six months' notice on either side.

Applications, giving details of qualifications and experience, and accompanied by the names of three persons to whom reference may be made, should be addressed to the Secretary of the Association, BMA House, Tavistock Square, London WC1H 9JP, and must be received not later than 17th March, 1972.

PRACTICES

(Executive Council)

For vacancies (except those in Scotland) apply on Form E.C.16A, obtainable from the Executive Council. Mark envelopes "Vacancy."

NATIONAL HEALTH SERVICE MONMOUTHSHIRE AND NEWPORT EXECUTIVE COUNCIL

CWM, EBBW VALE

Applications are invited for single-handed practice in "Intermediate" area at Cwm, Ebbw Vale, Mon. Due to resignation. List at present approximately 2,082. Health Centre surgery accommodation available.

Applications on Form E.C.16A to be submitted not later than 22nd March, 1972, to The Clerk of the Council, 1st Floor, Sovereign House, Kingsway, Newport, Mon. NPT 4TF. (H9727) 3

NORTHAMPTON EXECUTIVE COUNCIL (Department of Health and Social Security)

PRACTICE VACANCY

Eastern Area Expansion Development Applications are invited for an experienced General Medical Practitioner to commence a new practice in the Eastern Area Expansion of Northampton which is now in course of development and will eventually provide accommodation for some 40,000 persons by 1980. The estimated rate of growth of dwellings will be a mixture of private and Corporation for an influx of population at a rate of 8,000 persons per year. At the present time, 1,700 dwellings are in course of construction. The Northampton Borough Council have agreed to provide a Health Centre in due course at the District Centre. Initially practice accommodation will be available in Temporary health centre premises provided by the Northampton Borough Council. It is hoped that the successful candidate will be willing to take an active part as a pioneer of a comprehensive Health Service Team in building a group or partnership of six doctors to practice from the Health Centre when the building is completed. The Department of Health and Social Security have agreed that, subject to compliance with the usual conditions the doctor appointed will be eligible for a Type "D" Allowance. The Hospital Authorities are very willing to discuss the possibility of clinical assistant sessions for suitably qualified and experienced General Medical Practitioners, and the Local Health Authority which has well developed attachment schemes, will offer sessional employment in the school health and child welfare services in the area. The successful applicant will be expected to commence practice as soon as possible.

Applications on Form E.C.16A should be addressed to The Clerk, Northampton (Borough) Executive Council, 32 Billing Road, Northampton NN1 5AZ, not later than the 21st March, 1972. (H9710) 3

NORTH KENSINGTON W.10 (Dalgarno Gardens area)

"Intermediate" area. Retiring practitioner, female. List at present approximately 2,000. Practice premises will be available.

For full details Tel: 01-837 7833, Ext. 50, or write to the Clerk, Inner London Executive Council, Insurance House, Insurance Street, London WC1X 0JB. Completed applications to be received by the Council not later than 12 noon, Monday, 20th March, 1972. (H9609) 3

THE QUEEN'S UNIVERSITY OF BELFAST

LECTURESHIPS IN PHYSIOLOGY
(JOINT APPOINTMENTS)

Applications are invited for two Lectureships in the Department of Physiology (joint appointments with the Northern Ireland Hospitals Authority) from 1st October, 1972, or such other date as may be arranged. The successful applicants (if suitably qualified) will be considered for grading as Consultant with the University title of Senior Lecturer. The salary scale payable by the University is £2,040 to £3,417 and on grading as Consultant is £3,510 to £4,401. Both these scales carry contributory pension rights under the F.S.S.U. The initial placing on the appropriate scale will depend on qualifications and experience. An additional salary will be paid on a sessional basis by the Northern Ireland Hospitals Authority for hospital services undertaken over and above University duties.

Applications should be received by 20th March, 1972. Further particulars may be obtained from the Senior Assistant Secretary (Personnel), The Queen's University of Belfast BT7 1NN, Northern Ireland. (Please quote Ref. 72/BMJ). (18638) 14-1

UNIVERSITY OF DAR ES SALAAM
TANZANIA

Applications are invited for the following posts in the Faculty of Medicine:

(a)

PROFESSOR IN PATHOLOGY

Candidates must be Doctors in Medicine holding a postgraduate qualification in Pathology and have teaching experience at undergraduate and postgraduate level. Appointee will be expected to teach the functional aspects of Pathology as well as Morbid Anatomy and Histology. He will also be responsible for the organization and/or teaching of clinical laboratory procedures, including Haematology. A well-equipped and modern laboratory is available and appointee will be seconded by competent Medical and Technical Staff. Facilities are available for research. Appointee's duties will be primarily to teach Pathology to Second Year Medical Students in an integrated curriculum, organize Clinical Pathological Conferences, and participate in the teaching of Clinical and Medical specialties.

(b)

SENIOR LECTURER OR LECTURER IN
OPHTHALMOLOGY, DEPARTMENT OF SURGERY

Candidates should be medically qualified with a higher degree such as D.O., D.O.M.S., or equivalent. Preference given to candidates with teaching and/or research experience. Duties will involve teaching undergraduates, undertaking research and providing clinical ophthalmic service in the hospital, where appointees will be given honorary specialist status by the Ministry.

(c)

SENIOR LECTURER OR LECTURER IN
OTOLARYNGOLOGY, DEPARTMENT OF SURGERY

Candidates should be medically qualified persons with a surgical higher degree such as F.R.C.S. or equivalent and a diploma such as D.L.O. or equivalent. Preference given to candidates with teaching and/or research experience. Duties involve teaching undergraduates and postgraduates, undertaking research and providing clinical E.N.T. service in the hospital, where appointees will be given honorary specialist status by the Ministry.

(d)

SENIOR LECTURER OR LECTURER IN
ANAESTHESIOLOGY, DEPARTMENT OF SURGERY

Candidates should have a higher medical degree such as D.A., F.F.A., (F.C.S.) or equivalent. Preference given to candidates with teaching and/or research experience. Duties include participating in anaesthetic teaching programme and research, providing clinical anaesthetic service in the hospital. In the latter instance appointee will also be appointed honorary specialist in the teaching hospital.

Salary Scales: Professor: £EA3,450 p.a., Senior Lecturer: £EA2,200-£EA2,865 p.a., Lecturer: £EA1,600-£EA2,480 p.a. (£EA6 = £7 sterling). The British Government may supplement salary in range £612-£1,068 p.a. (sterling) and provide children's education allowances and holiday visit passages. F.S.S.U. Family passages; biennial overseas leave. Detailed applications (6 copies) naming 3 referees by 4th April, 1972 to Inter-University Council, 90/91 Tottenham Court Road, London W1P 0DT, from whom particulars are available. (18594) 14-1

Research Director

BUPA MEDICAL CENTRE

- BUPA Medical Centre has substantial research grants and creates a growing and unique volume of computerized clinical information on 15,000 annual medical examinations. BUPA itself, Britain's largest medical insurance company, also has its own research and records department.

- THE research objective is to increase understanding of the early development of disease, particularly of the cardiovascular system, by applying epidemiological techniques to this data. Responsibility includes co-ordination of all research work at the Centre, liaison with BUPA, supervision of a small professional staff, the realisation of additional research grants and quality control of the automated medical centre.

- A MEDICAL graduate is required preferably with a higher qualification who is experienced in distilling essential facts from large amounts of data using EDP. He or she should have insatiable curiosity, be strongly numerate and have an ability to enthuse others. The post provides an honorary appointment in occupational health at the London School of Hygiene and Tropical Medicine.

- SALARY negotiable about £5,500. Car provided.

Write in complete confidence to
Dr. W. M. Dixon as adviser to the Centre.

PSYCHIATRY

MANCHESTER REGIONAL HOSPITAL BOARD

Three whole-time or maximum part-time **CONSULTANT PSYCHIATRISTS** for the medical teams providing a comprehensive district mental illness service for the Preston and Chorley area. The appointments are to the Preston and Chorley and Whittingham Hospitals (in particular to Sharoe Green Hospital, Preston, Eaves Lane Hospital, Chorley and Whittingham Hospital, Preston). It is envisaged that six consultants will share approximately 100 short-stay beds at Sharoe Green Hospital, Preston, undertake out-patient clinics at that hospital or at Chorley and also have charge of both acute and long-stay beds at Whittingham Hospital, a large mental illness hospital now exclusively serving the Preston and Chorley catchment area of approximately 330,000. A purpose built 320 bed Psychiatric Unit is planned for Preston. Wide experience and higher qualifications essential. Appointee to live within 10 road miles of Preston.
Application forms and further particulars from the Senior Administrative Medical Officer to the Board, Gateway House, Piccadilly South, Manchester M60 7LP, to be returned by 21st March, 1972. (18454) 44-1

MOSS SIDE HOSPITAL Maghull, Liverpool

WHOLE-TIME CONSULTANT

(DEPUTY MEDICAL SUPERINTENDENT)
required at this special hospital for the investigation and treatment of a wide range of psychiatric patients. The majority of patients have intellectual deficit together with associated behaviour disorder or mental illness. They are in the hospital because it is judged that their dangerous and violent behaviour requires treatment under conditions of special security. There are opportunities in the field of mental handicap and behaviour disorder in association with the Research Unit for the special hospitals. A wide experience of psychiatry is essential and the D.P.M. is required. Accommodation is available. Candidates may visit the hospital by appointment with the Medical Superintendent (Tel: 051-526 4127/8).
Further particulars and application forms may be obtained from Division H2C(1), Department of Health and Social Security, 151 Great Titchfield Street, London, W.1, to whom application should be made by 24th March, 1972. (18679) 44-1

NORTH EASTERN REGIONAL HOSPITAL BOARD Scotland

Applications are invited for the full time post of **LOCUM CONSULTANT PSYCHIATRIST** at Bibbollah Hospital, Elgin, Morayshire, for the inclusive period from 3rd April to 28th May, 1972. The successful candidate will be in charge of the unit during the month of May, 1972.

Applications, giving the names of two referees should be sent as soon as possible to The Senior Administrative Medical Officer (R55/BM), 1 Albany Place, Aberdeen AB9 1RE. (18382) 44-1

NORTH LANCASHIRE AND SOUTH WESTMORLAND HOSPITAL MANAGEMENT COMMITTEE

LOCUM CONSULTANT PSYCHIATRIST
based at Lancaster Moor Hospital, Lancaster, whole-time or maximum part-time, required for nine to twelve months. The first instance commencing as soon as possible.
Applications giving the names of three referees should be sent immediately to the Group Secretary, Lancaster Moor Hospital, Lancaster. (18798) 44-1

SOUTH-EAST METROPOLITAN REGIONAL HOSPITAL BOARD

Revised Advertisement
Applications are invited for appointment as **CONSULTANT PSYCHIATRIST** (Whole-time or Maximum Part-time) to Clinical Area 3. The post is based on St. Augustine's Hospital, Chartham, near Canterbury and will include general clinical psychiatric responsibility for the Thanet area which includes Ramsgate, Margate and Broadstairs, and responsibility for the Margate Psychiatric Day Hospital. Candidates should possess D.P.M. and preferably a higher qualification. Hospitals may be visited by arrangement.
Application forms from the Secretary, Advisory Appointments Committee, South-East Metropolitan Regional Hospital Board, Randolph House, Wellesley Road, Crofton CR9 3QA to be returned by 10th April. (29601) 44-1

APPLICANTS ARE ADVISED NOT
To send original testimonials when replying to advertisements. Copies will serve the purpose quite as well, and in the event of their being lost or mislaid no inconvenience will ensue.

THE INSTITUTE OF OCCUPATIONAL MEDICINE

PATHOLOGIST

The Institute of Occupational Medicine, Edinburgh, which is associated with the University, requires a pathologist to undertake research on occupational pulmonary disease, particularly coal-workers' pneumoconiosis. The post is in the Pathology Branch of the Institute and there will be access to the Pathology Department of the University. If the successful candidate does not yet possess a higher qualification in pathology he will be encouraged to obtain one. Salary within the range £2,500-£3,600.

The pathologist will be employed by the National Coal Board in this post which is superannuated and carries good conditions of service. Application forms should be obtained from the

STAFF MANAGER/SECRETARY

NATIONAL COAL BOARD

1st April until substantive post filled. Apply Group Secretary, St. Richard's Hospital, Chichester. (29647) 44-5

BIRMINGHAM REGIONAL HOSPITAL BOARD

Rotational training scheme for senior registrars in mental subnormality

Applications are invited for two posts of senior registrar in mental subnormality. These posts are intended to run in parallel with a

scheme already in existence for senior registrars in child psychiatry. It is intended that the successful applicant will spend nine months at each of either two or three hospitals for the mentally subnormal in the Birmingham area, depending on the length of training required. During this period there will be an opportunity to take part in the assessment and management of the multiply handicapped child and also to work in special units for the cerebral palsied, deaf/blind and rehabilitation units for adolescent and adult mentally handicapped. Three sessions per week will be spent, over the whole period of training, in attending a child psychiatric out-patient clinic, this placement to remain constant, regardless of movement between subnormality hospitals, in order to maintain continuity. The facilities of the newly opened Institute of Mental Subnormality at Lea Castle Hospital will be available to trainees. D.P.M. required. Accommodation, married or single, will be made available as conveniently as possible or successful candidates must reside within Birmingham area.

Application forms from Secretary, 146 Hagley Road, Birmingham B16 9PA to be returned by 27th March, 1972. Candidates invited to arrange to meet the Director of the Institute of Mental Subnormality (Tel: Wolverley 251) to discuss the appointments and at the same time they will be given an opportunity of viewing the various units in which the work will be doing and to visit the hospitals involved. (29778) 44-5

HAILSHAM HOSPITAL MANAGEMENT COMMITTEE

Applications are invited for the post of
LOCUM SENIOR REGISTRAR
IN PSYCHIATRY

for Hellingly and Amberstone Hospitals, Hailsham, Sussex. The Hospitals cover a wide area of East Sussex, part of Kent, and the County Boroughs of Eastbourne and Hastings. There are six active out-patient clinics. All branches of adult psychiatry are covered and facilities exist for neurological experience by a close liaison with Hurstwood Park Hospital, Haywards Heath. Encouragement is given to those to arrange to meet the Director of the Institute of Mental Subnormality in Psychiatry. At the present moment the holder of the post has an Honorary appointment at Bethlem Royal and Maudsley Hospitals and works there one day a week. It is hoped that in the near future the post will be made into a rotating appointment between the two Hospitals. It will then be advertised. Single furnished, or married furnished or unfurnished accommodation available.

Applications to the Medical Superintendent (Dr. David Rice) who will be pleased to arrange for prospective applicants to visit the Hospital (Tel: Hellingly 391), (29626) 44-5

BOARD OF MANAGEMENT AND DISTRICT HOSPITALS

Ravenscraig Hospital

LOCUM REGISTRAR IN PSYCHIATRY

A Locum Registrar is required for the above 383 bedded psychiatric unit. A minimum period of three months can be guaranteed. Accommodation is available, suitable for single or married out-patient clinics. Further information can be obtained from the Physician Superintendent (Tel: 0475 20246) to whom applications, naming two referees, should be sent. (H9691) 44-6

CHICHESTER AND GRAYLINGWELL GROUP HOSPITAL MANAGEMENT COMMITTEE

LOCUM WHOLE-TIME REGISTRAR

1st March until substantive post filled. Apply Group Secretary, St. Richard's Hospital, Chichester. (29648) 44-6

EAST ANGLIAN REGIONAL HOSPITAL BOARD

REGISTRAR IN PSYCHIATRY

Little Plumstead Group of Hospitals. This group of hospitals has over 1,000 beds and offers a wide variety of experience in Mental Handicap and Child Psychiatry. The post is part of a rotating training scheme within the Group and the hospital is recognized as a training centre for the D.P.M. The appointment will be for a period of 2 years subject to review after the first year. The hospital is pleasantly situated near the sea and the Norfolk Broads and furnished or unfurnished accommodation is available. A peripheral allowance of £183 per annum is payable.

Application forms from the Group Secretary, Little Plumstead Hospital, Near Norwich, NOR 52Z, Norfolk, are to be returned by 24th March, 1972, and candidates are invited to visit the hospital by direct arrangement with the Physician Superintendent (Tel: Brundall 3355). (29699) 44-6

EASTERN REGIONAL HOSPITAL BOARD

(Scotland)

REGISTRAR IN PSYCHIATRY

(or Senior House Officer)
Applications are invited for the post of Registrar or Senior House Officer in the Angus Psychiatric Service based at Sunnyside Royal Hospital, Montrose (759 beds) where a new short stay unit has recently opened and the Regional Alcoholic Unit is sited. The post is recognized for the D.P.M. and training is under the supervision of a Clinical Tutor. Facilities for Postgraduate Study include attendance at the Postgraduate Course in Dundee. Suitable candidates may be seconded to the Regional Mental Deficiency Service, and the Regional Psychiatric Service for Children and Young People, for a period of eight months, following which the post may be seconded to the Regional Forensic Psychiatry Service. Peripheral allowance of £183 per annum is payable. Married accommodation available. KINGSTON HOSPITAL

Kingston upon Thames

LOCUM REGISTRAR IN PSYCHIATRY
required immediately for Acute Psychiatric Unit for approximately 5 to 6 weeks.
Details to Medical Services Officer, Tel: 01-546 7711, Ext. 304. (29666) 44-6

KNOWLE HOSPITAL

Fareham, Hants.

PSYCHIATRIC REGISTRAR

required at above hospital. This hospital serves the population of the city of Southampton and South East Hampshire. There are busy out-patient clinics and a mental health centre in Southampton which includes a small day hospital. There is an active teaching programme, and the successful candidate would be given one day off per week (in term time) to attend the courses organized by the Wessex Regional School of Psychiatry, which is situated in the grounds of the hospital. The hospital has a close link with the new medical school at Southampton. The Professor of Psychiatry has a unit in the hospital. There is a rotational scheme for Registrars and the successful candidate will spend a period in the professional unit. Unfurnished house at a moderate rental and furnished single accommodation available. Candidates may visit the hospital by arrangement with the Chairman of the M.A.C. Forms of application can be obtained from the Group Secretary, Knowle Hospital Management Committee, Knowle Hospital, Fareham, Hants. (Tel: Wickham 2271) and are returnable by 31st March, 1972. (29667) 44-6

LUTON AND DUNSTABLE HOSPITAL

REGISTRAR IN PSYCHIATRY

1st April, 1972

(Compulsorily Resident)

Applications are invited for this post in the Psychiatric Unit in a General Hospital of 587 beds. The new unit, which opened in February, 1972, offers a comprehensive adult psychiatric service for a population of 160,000 and will have 75 beds and 40 day places.

Appointment for one year with eligibility for a further year. The hospital has a postgraduate Medical Centre with frequent clinical and clinico-pathological meetings, and an up to date Medical Library. Married accommodation available.

Application forms from and returnable to the Group Secretary, Luton and Hitchin Group H.M.C. St. Mary's Hospital, Luton, Beds, by 17th March, 1972. (29516) 44-6

MANCHESTER REGIONAL HOSPITAL BOARD

University Hospital of South Manchester

REGISTRAR IN PSYCHIATRY

required for the new 170 bedded Unit at Withington Hospital, where the University Department of Psychiatry is principally situated. This is the main undergraduate and postgraduate teaching and research centre in the Region. The appointment will be a whole-time, with resident on-call duties and tenable for one year in the first instance, renewable for a second and possibly third year. Two years postgraduate experience is essential. The appointee will be expected to attend the course for the University Diploma in Psychological Medicine and a scheme of training on a rotational basis is being developed which may involve working at other hospitals in the Region though this will not necessitate a change of residence.

Applications and qualifications, present post and experience together with the names of two referees should be sent to the Group Secretary, Withington Hospital, Manchester M20 8LR by 24th March, 1972. (Ref. 10573). (18711) 44-6

NEWCASTLE REGIONAL HOSPITAL BOARD

REGISTRARS IN PSYCHIATRY

whole time, resident, for Winterton Hospital, Sedgfield (1,540 beds). The hospital serves the greater part of Durham County together with the County Boroughs of Darlington and Hartlepool (total population 830,000). Successful candidates will be members of a clinical team responsible for approximately one third of the hospital. Every facility given to take D.P.M. or other higher degree, and to attend postgraduate lectures in Newcastle. Single accommodation available. Applications, naming three referees, to the Senior Administrative Medical Officer, Regional Hospital Board, Benfield Road, Newcastle upon Tyne NE6 4PY as soon as possible. (29819) 44-6

OXFORD REGIONAL HOSPITAL BOARD

REGISTRAR

to the Aylesbury/High Wycombe Area Department of Psychiatry with duties mainly at St. John's Hospital (Psychiatric - 800 beds), Stone, Aylesbury. There are good opportunities for training. Married or single accommodation available. Requests to see hospital to Dr. D. C. Watt, Medical Director (Stone 383).

Applications (2 copies) on forms obtainable from the Secretary, Registrars' Committee, Oxford Regional Hospital Board, Old Ward of Lawley, Oxford, to reach him by 20th March, 1972 quoting reference 17/1/4/358. (29782) 44-6

ST. LAWRENCE'S HOSPITAL

for the mentally handicapped

REGISTRAR IN PSYCHIATRY

(Non-Resident)
The appointment offers excellent experience, and facilities include laboratories for cytogenetics, neuropathology and biochemistry. Single accommodation is available if required.

Application forms from the Personnel Officer, St. Lawrence's Hospital, Caterham Surrey CR3 5YA (Tel: Caterham 42377) quoting reference MED 17. (29724) 44-6

UNIVERSITY OF ABERDEEN

DIPLOMA IN PSYCHOTHERAPY

Applications are invited for the Joseph Rowntree Fellowship (value £1,500) to be held whilst attending the course leading to the above diploma.

The course commences in October 1972, and is full time for one year. Candidates should be medically qualified and possess the D.P.M. or an equivalent qualification.

Applications will also be considered from candidates who have other sources of financial assistance, and there are arrangements for part-time training over two years for those who hold appointments in the region.

Closing date for applications is 15th May, 1972.

Emphasis in the course is placed on practical experience of psychotherapy under supervision. Facilities exist for work with adults, adolescents and children, as well as for involvement in group and family therapy.

Further information and application forms may be obtained from Professor W. M. Millar, Department of Mental Health, University Medical Buildings, Foresterhill, Aberdeen AB9 2ZD.

KENT AND CANTERBURY HOSPITAL
Canterbury, Kent
Vocational Training in Hospital Medicine

ROTATING S.H.O. POST FOR ONE YEAR
Following their pre-registration year, applicants are offered a year's discriminatory period starting 1st July. The programme is designed to introduce them to as many aspects of hospital medicine as possible. The successful applicant will be attached to the following departments for varying periods totalling not more than nine months: Community Care and General Practice, Medical Administration, Pathology, Paediatrics, High Dependency Areas (Anaesthetics Intensive Care, Coronary Care and Renal Unit), Nuclear Medicine, Diagnostic and Therapeutic Radiology, Geriatrics, Psychiatric Medicine, Ophthalmology and Neurology. The remaining three months will be used as an elective period in any specialty including General Medicine and Surgery. The existing Basic Medical Science Course will be used to supplement the applicants education, in order to prepare for postgraduate qualification. The programme may be varied according to the needs of each individual although emphasis must be placed on a broad education. This is the second of two supernumerary posts which are non-resident although married/single accommodation may be available.
Applications, together with copies of two recent testimonials should be addressed to the Hospital Secretary at the above Hospital. (18681) 48-8

Order from: The Subscription Manager, British Medical Journal.

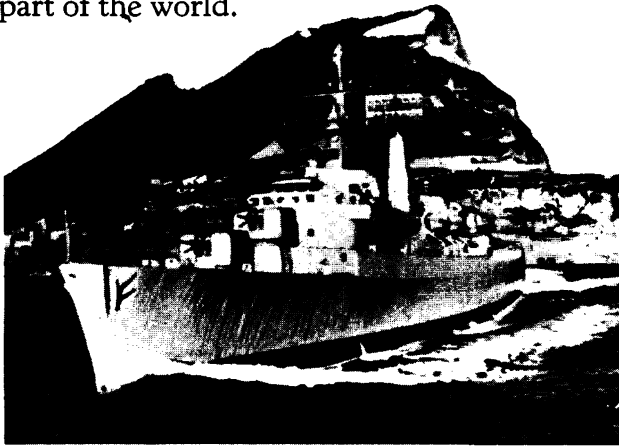

SERVICES

AS A NAVAL DOCTOR, YOU'D GET A WHOLE LOT MORE OUT OF LIFE.

(AND SO WOULD YOUR FAMILY)

Right from the start, you'd have a complete change of scene.

Serving either with the Navy at sea or among service personnel and their families at a naval establishment. Very likely in another part of the world.

Either way, you'd never find yourself short of assistance. (Every naval doctor is fully supported by medical staff).

Equally important, you'd never find yourself getting into a rut – for in two years or so you'd receive a new appointment.

In a new place. Doing a different job. Perhaps with the chance to learn something of the special problems of diving, aviation, or tropical medicine for example.

It's a stimulating life. Not only for yourself but for your family too.

For in most cases they'd accompany you. And wherever you go there are usually married quarters – fully furnished houses or flats, equipped with everything you need. And at very reasonable rents.

What's more, a generous education

allowance is made for your children if they are at boarding school. £330 p.a. for a first child, £393 p.a. for a second, £471 p.a. for a third. On top of this, removal and other allowances are also provided.

Add this to the salary and you'll see how well a naval doctor's pay compares with a civilian doctor's.

For instance, with five years' post registration experience you would join us as a Surgeon Lieutenant-Commander on £4,424 a year.

And any specialist qualifications/experience you have could increase your salary even more.

There are opportunities, too, to keep up with the latest developments in medicine. For the Navy fully recognises the need for such opportunities both in the interests of naval medicine and a doctor's professional advancement.

That's not all. You can join on a 3-year or 5-year commission (each carrying a tax-free terminal gratuity of £1,500 and £3,000 respectively) and you can transfer to a full 16-year pensionable commission if you wish.

Provided you're resident in the U.K. or Eire, you can find out more by writing to Surgeon Cdr. F. M. Kinsman, O.B.E., R.N. (724 AB1), Dept. of the Medical Director-General (Navy), Empress State Building, London S.W.6.

He'll give you all the facts.

RN
ROYAL NAVY

THE ARABIAN GULF EXPLORATION COMPANY BENGHAZI, LIBYA

Have the following vacancies at the Company's modernly equipped clinic in Benghazi.

Surgeon (F.R.C.S.)

General Medical Practitioner with experience in anaesthesia.

Lady Gynaecologist and obstetrician with at least two years experience.

Radiographer with at least two years experience.

(ii) When an Officer is occupying government quarters, rent is paid at the rate of £N150 per annum.

(iii) Free outward and return passages at the completion of tour for officer; wife and children passage allowance up to £N230 per tour.

(iv) Leave at the rate of 5 or 7 days for each completed month's service.

(v) Car basic and mileage allowance will be provided in accordance with the government's regulations in force from time to time.

(vi) In addition to the above, successful candidates who are British or Irish Nationals may be eligible for a tax-free British Supplementary allowance of £800 sterling per annum paid into the officer's bank account in the United Kingdom. Note: £N1 = £1.17 sterling.

(vii) Income Tax is at Nigerian rates and these are substantially lower than those prevailing in the U.K.

METHOD OF APPLICATION:

Applications in duplicate/triplicate, on Federal Public Service Commission form obtainable from the Secretary, Federal Public Service Commission and State public Service Commissions, should be completed and returned to the Secretary, Federal Public Service Commission, Private Mail Bag 12586, Lagos, on or before 15th March, 1972.

Application forms are also obtainable from

**RECRUITMENT ATTACHE,
NIGERIA HIGH COMMISSION,

SIR CHARLES GAIRDNER HOSPITAL
Perth, Western Australia

SENIOR RESIDENT
MEDICAL OFFICERS

Applications are called for positions of Senior Resident Medical Officers (2nd and 3rd year) at the above hospital for the remainder of 1972. Rotation through the following units will be on a three monthly basis. 1. Coronary Care Unit — the largest in Western Australia. A full 25 bed unit. 2. Endocrinology, 3. Extended Care, 4. Neurology — Three new departments commenced service in 1972, promising excellent tuition in their respective fields. 5. Anaesthetics. Salary range is 2nd year — \$A6,140. Salary range is 3rd year — \$A6,810. A bonus of \$A20 at the end of twelve months' satisfactory service. Rostered duty time is light by most hospital standards. The successful applicants may live out in relatively inexpensive flats or houses situated near the hospital, or if single, live in single quarters at the rate of \$A702 per annum. Applications addressed to the Medical Superintendent, enclosing a recent photograph, the names of three referees, full personal details and particulars of qualifications and experience close on the 25th March, 1972. A. F. T. Thomson, Administrator. (18723) 61-1

UNIQUE OPPORTUNITY

for a physician wisely contemplating emigration to Canada or having appropriate sabbatical leave. I require a married 'locum' G.P. with Paediatric training to take-over entirely my well-organized, independent practice and home, for a twelve-month period starting about July, 1972. This new Ontario city has a population of over 100,000, with three large general hospitals fully equipped for advanced patient care. Within 15 minutes drive there is an outdoor paradise offering every form of Summer and Winter recreation. This is truly a magnificent opportunity to sample the rewarding Canadian Practice but only genuinely interested and responsible persons need apply. Write Box 3917 BMJ. 61-1

SHIP'S SURGEON

Applications are invited for position of Ship's Surgeon for cableship service overseas. Commissions are normally of 18 months' or two years' duration followed by approximately 6% or 9 months' leave. Provision made for wife/family accommodation free of charge overseas. Commencing salary £3,240 per annum free of Income Tax. Accommodated and victualled free on board cableship. Age 40-45 years. British qualifications required. For further details apply:-

Trends in Clinical Pathology

Essays in Honour of Gordon Signy

This book is no pious collection of personal tributes but a survey of the old and the new disciplines in clinical pathology since the second world war — research in atherosclerosis and ischaemic heart disease, progress in medical virology, microbiology and cytology, the impact of antibiotics on medical bacteriology, chemical pathology and also molecular defence, haematology in mid-century, including haemostasis and blood transfusion. The place of fibrin in the story of hyalin is another modern study, so also is that on automation. The outlook on some members of the family Enterobacteriaceae is changing, and the 'old' forensic medicine is indeed new. And those pathologists working in the under-developed countries are not forgotten. The contributors are internationally renowned.

Price £3.00 (U.S.A \$7.50) net

The Publishing Manager, JOURNAL OF CLINICAL PATHOLOGY
Tavistock Square, London WC1H 9JR, or through any leading bookseller

SASKATCHEWAN. Busy G.P. requires equal partner with some surgical experience in unopposed South Saskatchewan practice by May, 1972 at the latest. This partner will earn \$2,500 a month immediately and can expect this to reach at least \$4,000 a month within a few months. Excellent schooling, recreational facilities and within easy access of Regina and Saskatoon. Several houses available for sale in town, financial loans for purchase of house, furniture, car and partnership easily arranged on easy repayments. Box 3932 BMJ. 61-1

THE TOWN OF WATERFORD, serving a population of 10,000 people requires the services of three physicians. Waterford is located seven miles for the Town of Simcoe which houses a General Hospital containing 220 beds. The Waterford area is largely agricultural, but supports substantial industrial activity. There are, at present, 2 part-time doctors and 1 full-time doctor (who will be leaving to join the Provincial Government on 1st April 1972). A modern medical centre will be built during this year and facilities in this building will be excellent at reasonable rent. Waterford has excellent school and recreational facilities which must be seen to be appreciated. This area is designated as underserved by the Ontario Department of Health, and a physician (or physicians, as the case may be) who will establish practice here may apply to the Ontario Department of Health for a contract with a guaranteed annual income in Southern Ontario of \$28,000 or Incentive Grant in Southern Ontario of \$15,000. Apply to: Mr. Lee D. Simington, Clerk-Treasurer, Town of Waterford, 76 Main Street, Waterford, Ontario. Tel: Area code 519 443-8654. (H9713) 61-1

UNITED STATES Hospital Internships and Residencies available. University and non-university affiliated hospitals. Wide choice. Submit curriculum vitae to: International Medical Exchange 1250, Portland Avenue, Rochester, New York, 14621, U.S.A. Interviews may be arranged. 61-1

UNIVERSITY OF WESTERN ONTARIO TEACHING HOSPITAL

PATHOLOGIST
DIRECTOR OF LABORATORIES required for large Department of Veterans Affairs Hospital, with 400 active beds, 260 chronic beds, and 400 psychiatric beds; appointee will have position on Medical School Faculty Residency Training approved by the Royal College as part of University Programme. Director will be responsible for overall management of the Laboratory, but consultants will be available in other branches of Laboratory Medicine. Applicants have specialist qualifications in Laboratory Medicine. Salary negotiable. (H9722) 6-1

VANCOUVER GENERAL HOSPITAL

ASSOCIATE DIRECTOR Department of Pathology (Laboratory Medicine)

The Department of Pathology, University of B.C., invites applications for the position of Associate Director of Laboratories at its major teaching hospital. Revision and expansion of present facilities are being planned. Salary and full university appointment commensurate with qualifications and experience. In association with the Director, the successful incumbent will be responsible for overall planning and development of the service, teaching and research functions of the Laboratory. Applications, including curriculum vitae and references, will be accorded strict confidence and should be forwarded to: Dr. W. L. Dunn, Professor and Head, Department of Pathology, University of British Columbia, Vancouver 8, B.C. (H9702) 61-1

WANTED IMMEDIATELY: General Practitioner to join busy General Practice Group in Corner Brook, Nfld., Canada. Town population 30,000 and outlying area 20,000. Practice now comprises four G.P.s in partnership in newly built Medical Clinic. Excellent working conditions, privileges in two hospitals, rota system for night duty, week-ends. Salary as Assistant \$2,000 per month. Applicants are requested to write to Dr. I. McD. Simpson, West Coast Medical Clinic, 3 Church Street, Corner Brook, or, if preferred, Dr. J. C. Westby will be vacationing in Ireland from 25th February, to 15th March, and a personal interview can be arranged by calling Sligo (2518.) 61-1

WESTERN AUSTRALIA. Locum wanted from mid-August to mid-October, 1972, in solo Country practice, \$1,200 per month. House and car provided. Obstetrics and some G.P. knowledge essential. Reply Dr. G. R. Hobday Dalwallinu, W.A. 6609. 61-1

WESTMINSTER HOSPITAL Box 5701, Terminal "A" London 12 Ontario, Canada

HOUSE SURGEONS AND HOUSE PHYSICIANS ("Service Residencies")

Canadian Veterans Hospital with 90 Surgical, 240 Active Medical, and 800 beds mixed Psychiatric, Chronic, and Domiciliary, affiliated with the University of Western Ontario as one of four teaching hospitals, requires numerically larger house staff than can be assigned from the formally approved training programmes, must recruit other qualified graduates in Resident capacity to provide the necessary additional service. E.C.F.M.G. essential. Must be eligible for registration with The College of Physicians and Surgeons of Ontario. Salary scale \$8,000 to \$13,000 (Chief Resident). Excellent clinical environment with learning opportunities but no college credit for period of employment. Contact: Chairman, Resident Committee. 61-1

and 5p to be added for postage.

SEMI-DISPLAY ADVERTISEMENTS

£9 per single column inch and pro rata

All classified advertisements, subject to approval, will appear in
the forthcoming issue provided they reach this office not later than
10 a.m. on the Friday of the week preceding date of issue.
Semi-display advertisements must reach this office by 10 a.m. on
the Tuesday of the week preceding date of issue.

Cancellation and corrections of advertisements must be received
before 12 noon on the Friday of the week preceding date of issue
(issues affected by public holidays excepted).

It is requested that when stamped addressed envelopes are
enclosed in response to advertisements advertisers will ensure that a
reply is sent.

Every effort is made to ensure the accuracy of advertisements
appearing in the Journal. No recommendation is implied by
acceptance, and the Editor of the *British Medical Journal* reserves
the right to refuse, discontinue or interrupt the insertion of any
advertisement.

NOTICE TO READERS

REPLIES TO BOX NUMBERS. The names and addresses of
advertisers under box numbers are held by us in strict confidence
and cannot be disclosed. Each Box Number should be addressed
separately. Two or more replies can be enclosed in one envelope.
The replies will be forwarded to the advertisers in plain envelopes.

NOTICE TO SUBSCRIBERS

United Kingdom and Irish Republic. The annual subscription rates
for members of the medical profession who are not members
of the B.M.A. is £21.00. Subscriptions can be ordered direct
from the Subscription Manager, *British Medical Journal*,
B.M.A. House, Tavistock Square, London WC1H 9JR, or
through any leading subscription agent or bookseller.

Overseas. The rate for non-members is £15 direct from the
Subscription Manager. Orders can also be placed through any
leading subscription agent or bookseller.

North America. A B.M.J. "Air Express" service is available to
subscribers in Canada and the U.S.A. at the inclusive annual
subscription rate of Canada \$68.00 and U.S. \$65.00. Copies
reach subscribers within a few days. The non-member
subscription rate to the B.M.J. by surface mail is in Canada
\$39.00; U.S.A. \$36.00, including postage. Readers in the
U.S.A. can send their subscription orders, with or without
payment to: *British Medical Journal*, 1172 Commonwealth
Avenue, Boston, Mass. 02134.

Hazard Ahead...

but with care, one that is readily overcome.

The 'Hazards' facing you and your family are not so easily tackled, but with the same care you can provide for yourself and your dependants with the right type of insurance.

Understandably, you may not know where to start, but the Medical Insurance Agency, with its knowledge of the insurance market and of the needs of the medical and dental professions, will help you to find the policy that is exactly right for you.

the complete de-bugging device

clears both fungi and bacteria in ear infections

Candida albicans and *Aspergillus niger* are isolated in over 20 per cent of cases of otitis externa, and if high success rates are to be achieved treatment must take account of this. Otoseptil® ear drops employs a very broad-spectrum attack with efficient anti-inflammatory action.

The new antibiotic ester – neomycin undecylenate – provides potent dual bactericidal and antifungal activity.

Tryothricin (containing gramicidin and tyrocin) effectively eliminates resistant Gram-positive cocci, while Hydrocortisone alcohol exerts its characteristic anti-inflammatory action. Rapid tissue contact is ensured by the penetrant Ethylene oxide polyoxypropylene glycol condensate, which is incorporated in the clear liquid ear drop.

For pain relief, AUDAX® ear drops may be used concomitantly with Otoseptil® ear drops because they are completely miscible and compatible.

Full information is available on request.

Depression Treatment Revolution

Depression is a leading cause of disability
and illness, costing over \$100 billion a year.

88%*

Prevalence of depression

Depression affects more than 100 million Americans, more than 16,000 people every day.

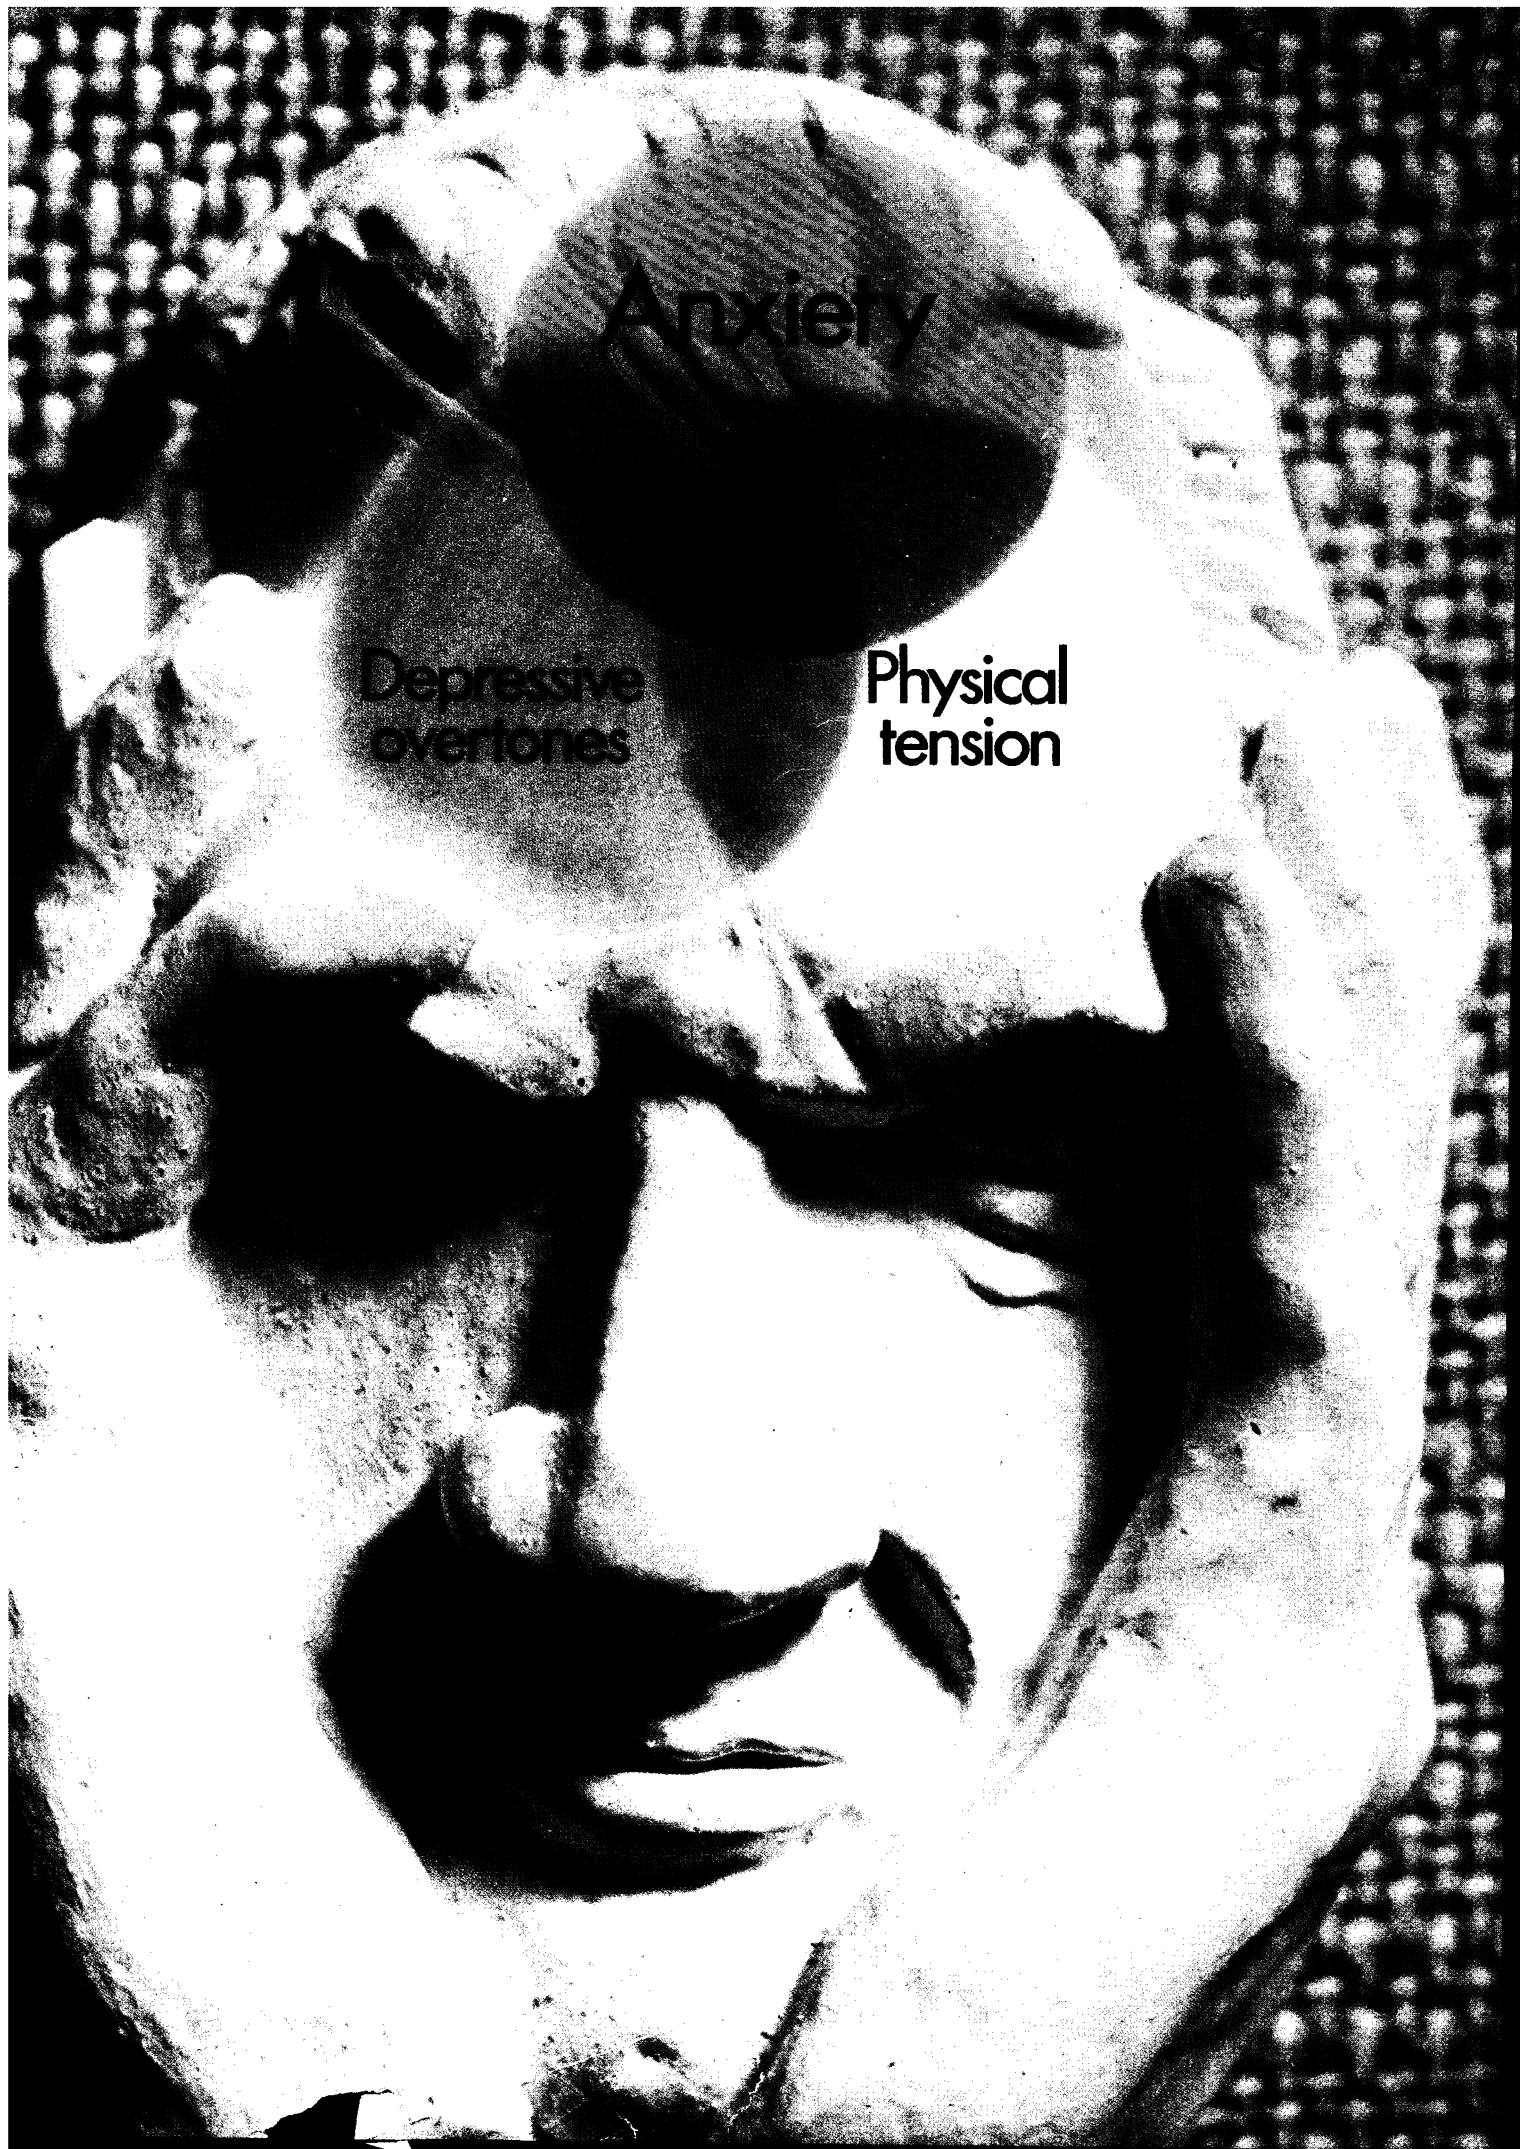

We now have the medicines
to confirm the superiority of

Prozac, Zoloft, Celexa, Nefazodone, and Wellbutrin.
These medicines are the first to be
designed specifically to treat depression.

They are the first to be proven to be
superior to older antidepressants like
amitriptyline, nortriptyline, and doxepin.

Depression is a leading cause of disability and illness, costing over \$100 billion a year.

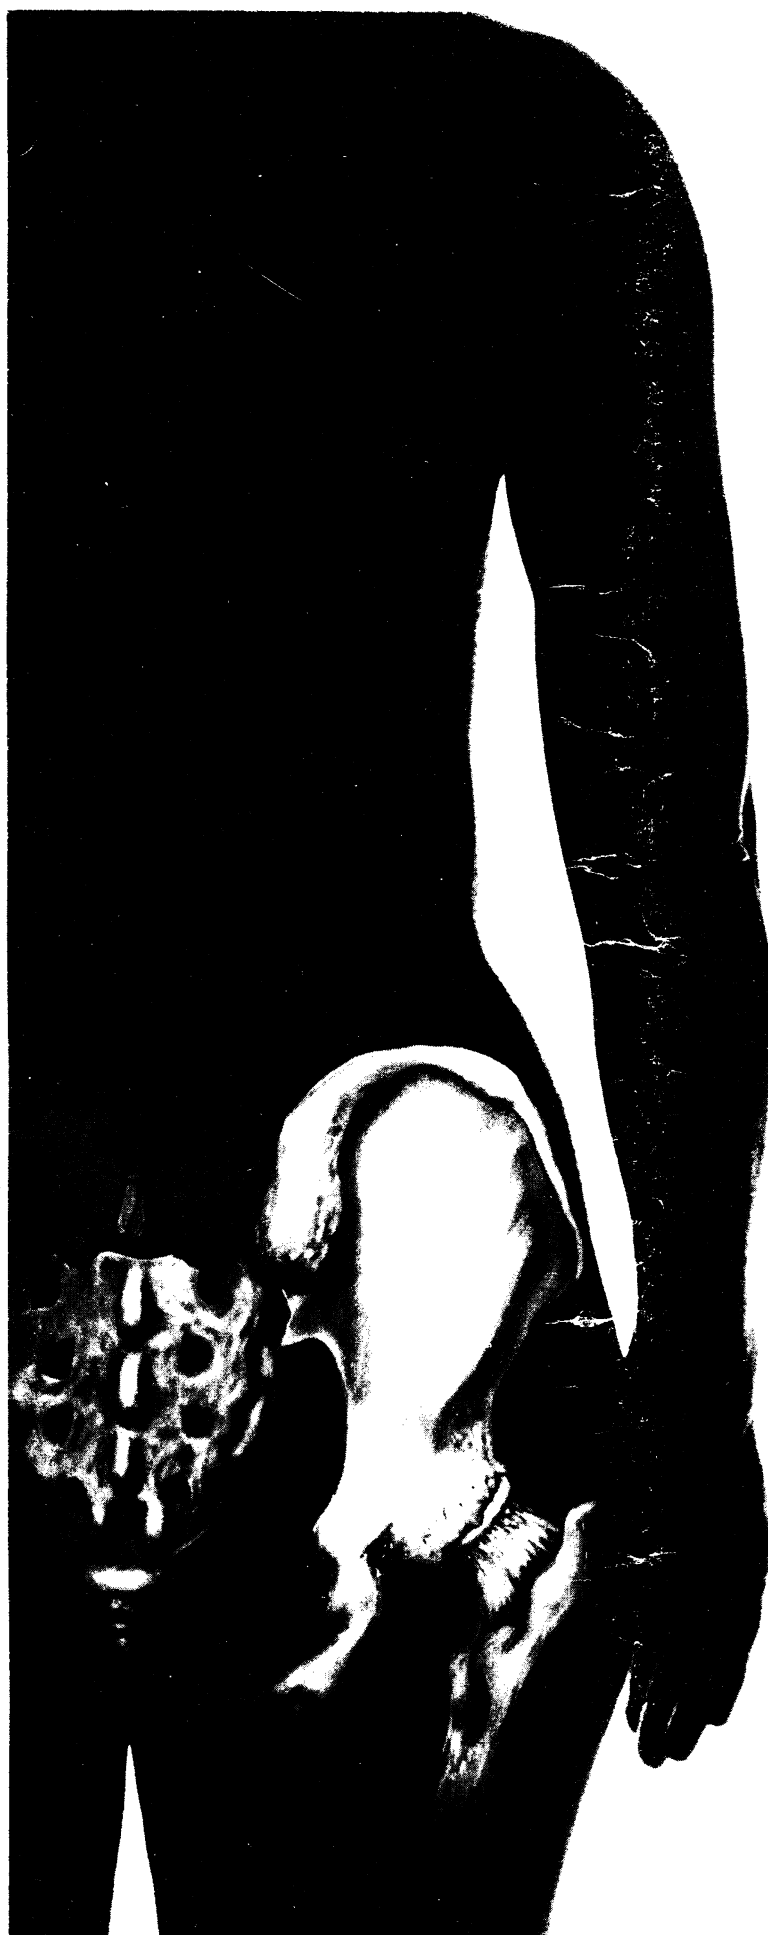

Depression affects more than 100 million Americans, more than 16,000 people every day.
