

When chest infections clamp down Magnapen relieves the pressure.

As the weather worsens, demands on your time increase. This winter you can relieve some of the pressure by prescribing Magnapen for the more serious chest infections which you see. For acute-on-chronic bronchitis. For pneumonia. For infections following flu.

Magnapen gives you a greater chance of first time success in these serious cases because it is active against virtually all bacteria encountered in General Practice. So you can rely on Magnapen even when there are no laboratory reports to guide you.

Magnapen's greater certainty means that the patient is more likely to respond quickly. More likely to be up and about again sooner. And Magnapen can save you the time which you might otherwise have to spend on repeat visits, second consultations or night calls to patients who may fail to respond to other antibiotics.

Full information is available on request.

Magnapen

for greater certainty in serious chest infections

Where there's
 ▽omiting and nausea
 there's often another
 side to the picture-

△nxiety

But there's no two ways about treatment: Stemetil controls both

- Rapid, sustained relief of nausea and vomiting
- Intrinsic tranquillizing action simultaneously calms and relaxes

Migraine, vestibular disturbances, gastro-intestinal disorders, malignancy, cardiovascular disease – in these and many other organic and psychogenic conditions, anxiety, nervousness and tension are familiar concomitants of nausea and vomiting, and serve only to hinder definitive treatment of the underlying disorder. 'Stemetil'* not only stops the nausea and vomiting, but also effectively brings these accompanying emotional symptoms under control. Side-effects are minimal and transitory and the result is frequently such that the patient feels not just better, but better

than he's felt for a long time. Moreover, because it offers not just one, but two, essential effects, 'Stemetil' clearly makes economic, as well as therapeutic, sense.

Doctors in the Australian Army get the best of all worlds

A new life in Australia. With first class passage paid for you and your family. A job waiting—and all the advantages of a service practice.

With extraneous administration taken off your hands, you can really do your job properly. You could be in an R.M.O. unit, field ambulance station or military hospital and there are opportunities for updating medical knowledge and techniques. Then there's the sports and social side, too.

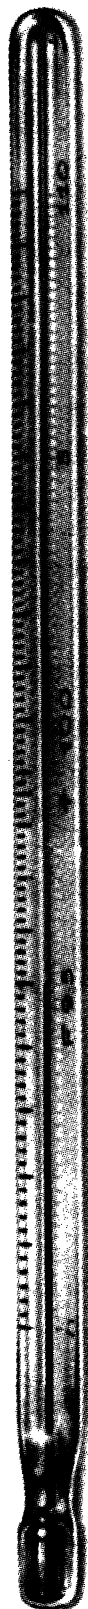

The sort of man we're looking for is preferably under 40—with medical qualifications registerable in the Commonwealth of Australia. He's medically fit—prepared to serve anywhere and is a British subject eligible for permanent residence in Australia. If this sounds like you, this is what we'll do for you.

You'll be appointed to a Short Service Commission for 4 years in the Medical Corps of the Australian Army in the minimum rank of Captain, where your salary would amount to £4,773 per annum after the equivalent of 5 years service. (Your professional experience in England serves to ante-date your period of service). Tax and a refunded retirement benefit will be deducted from this—though your clothing and marriage allowances of £51 and £345 per annum are not taxed. You also receive a bounty of about £1,540.

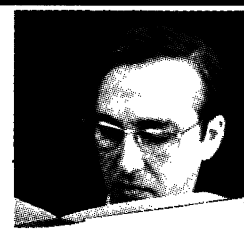

If this sounds like your sort of life, contact: Brig. C. F. Flint, O.B.E., Australian Army Representative, Australia House, Strand, London WC2. Telephone: 01-836 2435. Extn. 356.

Do you have MARTINDALE at your elbow?

Martindale, says *The Practitioner*, "puts every other textbook of treatment in the English language in the shade, so far as the practising clinician is concerned." And it goes on to say: "The general practitioner who does not have a copy of this 'opus magnum' permanently at his elbow is not only depriving himself of a 'must', he is asking for unnecessary trouble." Martindale is the world's most comprehensive guide to drugs and medicines. The 26th edition, published recently, is a book of 2,346 pages containing about two million words. Martindale now includes over 2,800 drug monographs with information (where appropriate) about pharmacological action; toxic effects and their treatment; precautions to be observed on administration; interactions with other drugs; absorption, metabolism,

and fate in the body; actions, uses and dosage; proprietary drug preparations. Both proprietary and non-proprietary names are included in the 34,000-entry main index. The information is supported by abstracts and references selected from more than 30,000 specially prepared for this edition. The formulas are given of over 1,700 medicines that can be bought by the public without prescription, information often essential in compiling a clinical history. For rational prescribing, Martindale is an essential tool. Ask your pharmacist to show you his copy—but don't expect him to let you borrow it! You can get your own copy from any medical bookseller, or post free from The Pharmaceutical Press.

MARTINDALE The Extra Pharmacopoeia

THE NAME THAT IS SYNONYMOUS WITH THE BEST IN MEDICAL PUBLISHING

Easson:

CANCER OF THE UTERINE CERVIX

This book describes the evolution of the comprehensive, co-ordinated, and multi-disciplinary cancer control programme for cervical cancer in a population approaching five million. This programme, centred at the Christie Hospital, Manchester, England, includes preventive cytological screening, early diagnosis by public and professional education, the treatment of patients with established cervical cancer, rehabilitation, follow-up and statistical evaluation, and finally, terminal care for those requiring it. Each of these aspects of cancer control is discussed in detail.

The aim was to write a balanced book, the emphasis being on the need for a holistic approach to cervical cancer in a large population. The reader will, however, find a full description of the Manchester Radium Technique, the rationale of which is often ill-understood and misquoted. Hitherto unpublished reports on a series of six clinical trials are presented, as well as a report on a study of radio-resistance in cervical cancers. The statistical details of curability will be new to some readers, especially perhaps to gynaecologists.

Edited by Eric C. Easson, MD, FRCP(Glas.), FFR, *Director of Radiotherapy, Christie Hospital and Holt Radium Institute, Manchester.* 166 pages. Illustrated. Ready February 1973. £4.00.

B.M.J. Publications

Problems of the Newborn

Many doctors outside the neonatal and paediatric field may be unaware of the rapid advances made in the care of the newborn in the last decade. Last year the *B.M.J.* published a series of articles discussing the diagnosis and management of common conditions affecting newborn babies. The articles have been revised by their authors and collected together as a booklet, forming a useful guide to both serious problems and more everyday topics which confront doctors in their practice.

PRICE £1.00 (U.S.A. \$3.00), *including postage*

Gynaecology in General Practice

As in other branches of medicine, the pattern of gynaecological problems likely to be encountered by the general practitioner will probably change in the future. Moreover, many doctors, now in practice were taught little about some of the topics which are important today and are likely to become even more so. In 1971 the *B.M.J.* published a series of articles in the "Medical Practice" section discussing the management of various gynaecological disorders in a domiciliary setting. These have now been collected together as a booklet entitled *Gynaecology in General Practice* and provides a useful and up-to-date account of gynaecology in general practice.

PRICE £1.00 (U.S.A. \$3.00), *including postage*

When bronchitis is anything but simple

Bronchitis started 10 years ago – now chronic and complicated by manifest emphysema – forcing him to become more sedentary. Chest x-ray suggests cor pulmonale.

Has required repeated treatment with bronchodilators and expectorants.

Under instructions to come straight to surgery for antibiotic treatment if sputum becomes purulent, so that further lung damage can be minimised.

New Deteclo Syrup

For patients you can't keep tabs on

There are some patients who need the triple tetracycline of Deteclo, but who find their medicine hard to swallow. Maybe it's because they're young. Or old. Or simply hate taking tablets. New Deteclo Syrup solves their problems in a fruit-flavoured syrup.

It tastes so nice, you won't have any trouble persuading them to take the treatment they need. And it's so effective, because the combination of tetracycline with demethylchlortetracycline and chlortetracycline produces such wide antibacterial activity. So when you can't be sure if they'll take the tablets or not, they can still get the good value of Deteclo and like it.

Deteclo[®]

Triple tetracycline.

What some doctors may forget

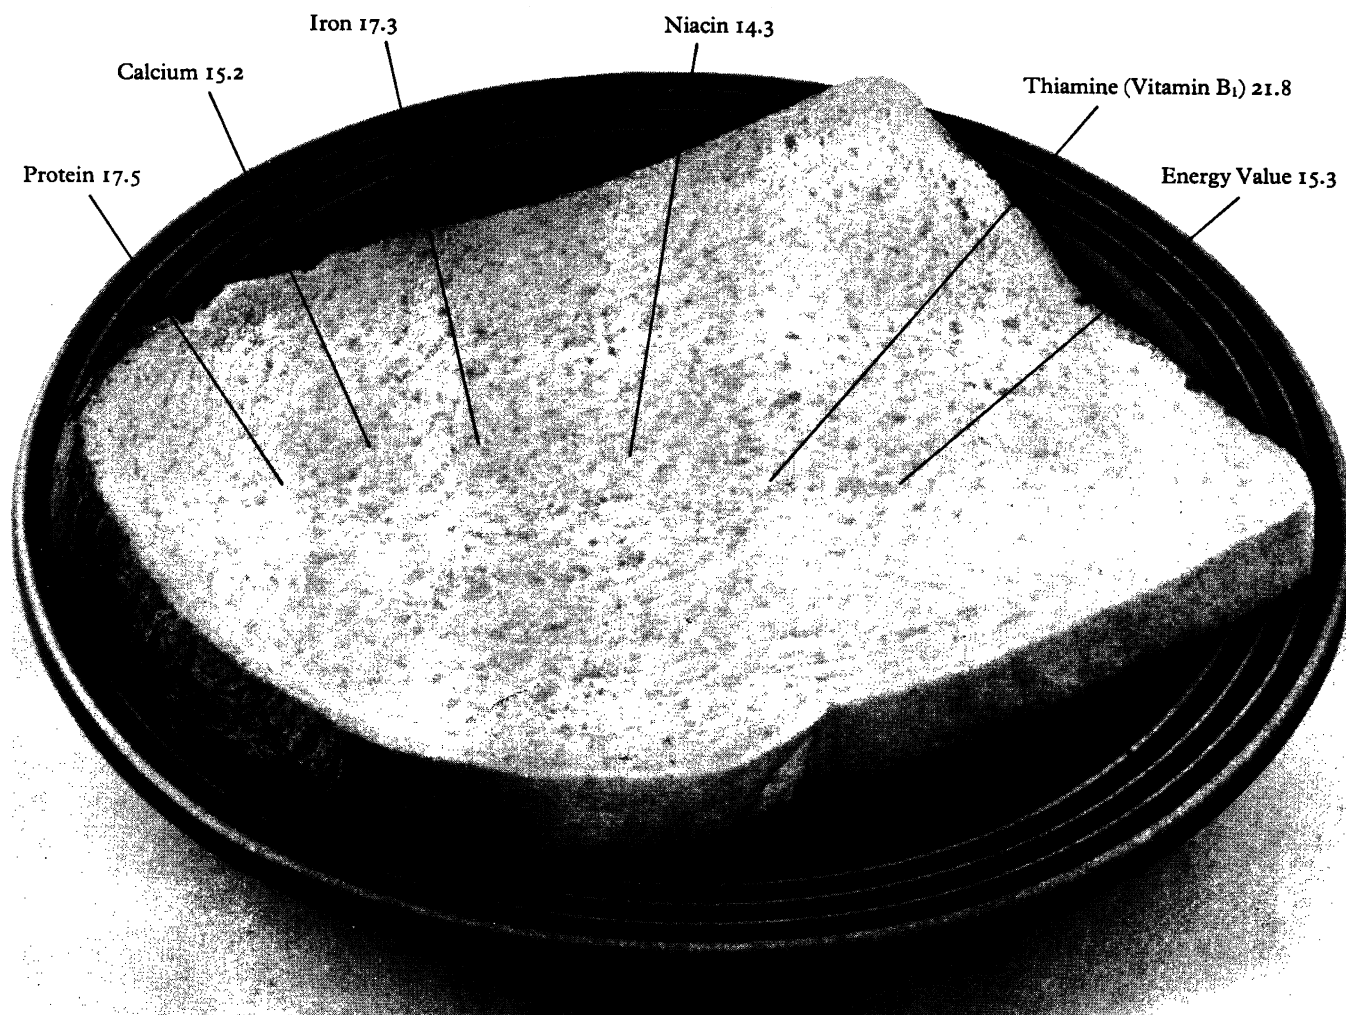

Bread is a major source of protein, B vitamins, iron and calcium, as well as providing energy. As such, it plays a key role in the national diet, and few can afford to do without it. For instance, almost *one-fifth* of the protein in an average diet comes from bread alone. It is one of the best food bargains in the world, when you consider that penny for penny bread contains nearly twice as much protein as cheese, and three times the protein of white fish or beef.

Yet bread is often underestimated as the

source of such a wide range of essential nutrients. In the right amount, it plays a vital part in helping to keep any diet in healthy balance. To deprive anyone, including the slimmer, of all the goodness of bread, can throw a diet drastically—and even imprudently—out of balance.

The 1970 National Food Survey confirms the vital importance of bread in the national diet. According to this survey the percentages of essential nutrients in the average daily diet deriving from bread alone are shown below.

Each ounce of bread contains 2.2 gr. protein; 0.51 mg iron; 26.0 mg calcium; 0.48 mg niacin; 0.05 mg thiamine; 69 Kcal.

make him cough up

Even the meanest of bronchial conditions "give" with LINCTIFED EXPECTORANT; the formula which really assists and maintains free mucus flow. LINCTIFED EXPECTORANT loosens thick tenacious sputum, decreases mucosal congestion and controls irritating, unproductive cough.

PEUGEOT

Fast touring. Plus vast storing.

The one on the left seats five in limousine comfort, cruises all day in the nineties, corners very fast indeed and handles just beautifully.

The one on the right seats five in limousine comfort, cruises all day in the nineties, corners very fast indeed, handles just beautifully and takes nearly half a ton of luggage.

Take your pick.

Either way you'll get an individually designed, no-compromise car. (The estate is a proper estate, with a long chassis

and special suspension—not just a boxy-backed saloon with heavy duty springs).

And a trustworthy car.

Because we're fanatical about reliability. For instance, to get the quality we want, we make a lot of parts ourselves that are usually bought from outside suppliers (e.g. shock-absorbers). We bench-test every single engine. And road-test every single car.

It's an unusual attitude, and it makes for unusual cars.

We think you'll appreciate it. And them.

Peugeot. The quiet individualists.

Peugeot 504 Saloon (1973) 5 seater. All round independent suspension and servo disc brakes. Reclining front seats, built-in adjustable headrests, seat belts, heated front seats, through flow ventilation, anti theft and child safety locks, all standard. Optional: sunroof, ZF automatic transmission, fuel injection (108mph), leather upholstery with metallic paint. From £1,807. 504 Estate. Comprehensively equipped, 1411 lbs load capacity. Also available as 8 seater Family Estate and luxury Supérieure Estate. Optional automatic transmission. From £1,952. Ex works recommended retail prices (correct at time of going to press). New Betadine[®] Vaginal Pessaries

the ideal treatment for all types of vaginitis: trichomonal...candidal...mixed and non-specific

The Betadine pack contains 14 vaginal pessaries, an applicator and patient's instructions. Also available Betadine vaginal gel - 80g tube with applicator, and Betadine vaginal douche - 500ml.

a certain way to treat a lady

The certainty of positive microbicidal action, against all classes of vaginitis pathogens, is provided by Betadine vaginal pessaries.

Therefore the risk of overgrowth of non-susceptible organisms associated with specific therapies is avoided.

Because of povidone iodine's decisively microbicidal action Betadine pessaries deodorize, which is particularly important in all forms of infective vaginitis.

Oral systemic anti-protozoal agents, antifungals and antibiotics may be used concomitantly if this is desired.

The following alternative forms of Betadine vaginal therapies are recommended:

Betadine Vaginal Pessaries - night and morning
Each pessary contains povidone-iodine 200 mg (USNF)

Betadine Vaginal Gel - at night
contains povidone-iodine 10% w/w (USNF)

Betadine Vaginal Douche - in the morning
contains povidone-iodine 10% w/w (USNF)

Full information and samples are available to the medical profession on request.

Week-day block courses to be held at the Brook General Hospital, Guy's Hospital and Lewisham Hospital, Limited to 15.

Applications to Miss D. Phillips, Dept. of Postgraduate Studies, Guy Hospital Medical School, London Bridge, S.E.1. (19994)

FULL TIME COURSE IN BASIC SCIENCES

The next course in the basic Sciences for the Primary Fellowship of the College will commence on Monday, 19th February, 1973. A full-time course in anatomy, Physiology and Pathology will be run in the College for four months approximately.

Further details may be obtained from the Registrar, Royal College of Surgeons in Ireland, St. Stephen's Green, Dublin, 2. (20086)

HEADQUARTERS COURSES SUB-COMMITTEE SECOND ADVANCED COURSE IN GENERAL PRACTICE (for M.R.C.G.P. Candidates)

A two week (20 session) course will be held at the Royal College of General Practitioners, from the 19th to the 30th March, 1973. It will be open only to principals established in general practice for 2-10 years. Lectures and discussion on a wide range of topics in family medicine have been arranged, with emphasis on diagnosis and management in a surgery and domiciliary setting. Some of the time has been allocated to explanation of the form of the M.R.C.G.P. examination. (Doctors who have been fully registered for at least four years are eligible to sit the examination for membership of the Royal College of General Practitioners).

Participants will be able to claim travelling expenses and subsistence allowance under Section 63 of the Public Health and Health Service Act, 1968, and attendance counts towards the Postgraduate Education allowance.

Applications, which should be accompanied by a note of the year of full registration, postgraduate experience to date, and the date of appointment as a principal, should be forwarded to the Courses Secretary at the College, by the 6th February, 1973. (20085)

HOW TO FAIL THE M.R.C.P. write for information on this intriguing problem. J. Arnold, 19 Village Way, London, S.E.21.

M.R.C. PSYCH. COURSE 9th-13th APRIL, INCLUSIVE

Comprehensive residential Course at Bexley Hospital. Lecturers, Clinical demonstration, video tapes, tutorials etc.

Applications to Dr. R. Gaird, Bexley Hospital, Old Bexley Lane, Bexley, Kent DA5 2BW, by 1st March, 1973. (20064)

Box 3780 BMJ. 10

WE WOULD like to have a fifth partner to join our New Town Practice in Sussex, within easy access to London, Paris and the sea. We hope to get a graduate of a British University, under 35, and preferably with trainee G.P. experience. This is a teaching practice, both for trainees and for many other grades of staff, with access to general and obstetric beds. We have had full ancillary staff since 1960 and currently have two health visitors, a district nurse, midwives as necessary, and employ nine ancillary staff. There will be ample opportunity for any hobbies or interests. We are in possession of all the usual equipment (including Electrocardiograph W.P.F.M., Age/Sex Register etc.) and we really want a young man who means to enjoy general practice as a member of a team in a scientific set-up. We have two premises, both in excellent condition, one of which we own ourselves, but there is no capital requirement. Parity in three years and excellent remuneration, plus seven weeks yearly holiday. Please apply to Dr. Ivan Clout, Leacroft, Ifield Road, Crawley, in writing in the first instance. 10

GENERAL PRACTICE TRAINING POSTS

NORTH WALES

TRAINING FOR GENERAL PRACTICE
Two places in three-year training scheme for general practice starting 1st August 1973.
Two years in variety of hospital departments; one year in general practice. Day release to Department of General Practice at nearby University Centre. S.H.O. grade. Full description of scheme and application form available from Secretary, Clwyd and Deeside H.M.C., Rhianfa, Russell Road, Rhyl, North Wales and returnable by 7th April. (19965) 22

SOUTH SOMERSET HOSPITAL MANAGEMENT COMMITTEE

VOCATIONAL TRAINING FOR GENERAL PRACTICE
Applications for two vacancies in this approved 3 year scheme are invited from medical graduates who wish to train for a career in General Practice. The first starting on 1st April, 1973 and the second on 1st September, 1973.

Trainees will spend the first two years in hospital service posts in the new Yeovil District Hospital at Senior House Grade. These posts will rotate in general medicine, paediatrics, geriatrics, obstetrics and gynaecology, casualty and possibly E.N.T. and psychiatry. The third year will be spent in a local training practice. Throughout the three years a half-day a week release scheme will be operated in general practice, so that trainees may attend courses in general practice at Bristol University.

Those wishing to be considered should be fully registered by the date of commencement of the course, and should apply to the Secretary, South Somerset Hospital Management Committee, 126 West Coker Road, Yeovil, Somerset. (20141) 22

VOCATIONAL TRAINING FOR GENERAL PRACTICE The Scheme at Epsom

Applications are invited for two vacancies in a new scheme of Vocational Training for General Practice which will occur on 1st April, 1973.

The hospital appointments, which will be for a period of two years, will be in obstetrics and gynaecology, medicine, accident and emergency and either paediatrics or possibly psychiatry, and will be in the Senior House Officer Grade. One trainee will commence on 1st April in the hospital posts and will be attached to a training practice after completion of these posts. The second trainee will serve for six months in a teaching practice before entering the hospital rotation.

Opportunities will be provided during his general practice 12 months to attend a half-day release course and to visit community services of various kinds. There will be short attachments to other practices.

Applications, including the names and addresses of two referees, should be forwarded to the Group Secretary, Epsom District Hospital, Dorking Road, Epsom, Surrey, by 7th February, 1973. (45819) 22

Vocational Training for General Practice The Norwich Scheme

Applications are invited for a three year Traineeship for General Practice consisting of two years of hospital posts and a year in general practice. The hospital posts will be within the United Norwich Hospitals and will consist of a 6 month appointment in general medicine with neurology and dermatology, 6 months in obstetrics with gynaecology (approved for D.Obst.R.C.O.G.), three 3-month appointments in other specialties, including paediatrics and casualty, and a three month locum/elective period. The general practice traineeship will be in an approved general practice within the Norfolk and Norwich area. A weekly study half day programme and a course of monthly evening meetings on topics of special interest to general practice will be held. The scheme is approved by the Department of Health and Social Security as qualifying for the vocational training allowance and by the Royal College of General Practitioners for eligibility to take the M.R.C.G.P. on completion of the course.

Married accommodation will be available throughout the hospital period. Hospital posts commence on the 1st August, 1973, but the one year period in general practice can be divided to give an initial period of 3 months starting in May, 1973.

Applications and enquiries for further information should be addressed to Dr. P. Laney, N.A.N.I.M.E. Office, Norfolk and Norwich Hospital, St. Stephens Road, Norwich, Norfolk NR1 53A. Closing date for applications — 12th February. Provisional interviewing date — 28th February, 1973. (45701) 22

UNIVERSITY OF BRISTOL

VOCATIONAL TRAINING FOR GENERAL PRACTICE

Applications are invited for a three year traineeship in Vocational Training for General Practice, consisting of two years hospital and elective training and one year traineeship in an approved practice.

The period of orientation of orientation of not more than three months in the training practice, trainees will start hospital appointments at S.H.O. level in a Bristol Hospital; six months each in Medicine and Obstetrics with gynaecology are offered, followed by two three month periods in Paediatrics and Geriatrics. The remaining six month period in hospital will be partly or wholly elective when opportunities will be given to gain experience in special hospital and other departments. The trainee will complete the year in practice before or after this elective period. There will be a half-day release course during University term time throughout the three years, which will contain a special extended course in psychiatry.

The period of orientation should start in June, 1973 and the first hospital appointments will start on 1st August, 1973.

Applications from suitably qualified practitioners should give details of previous experience, the names and addresses of two referees, and quote a date when they would anticipate being able to start the preliminary orientation period in practice. Applications should be sent before 28th February, 1973.

It may be possible also to assist practitioners wishing to complete requirements for vocational training, who have already in part fulfilled the necessary criteria.

Applications and requests for further information, should be sent to: The Adviser in General Practice, Medical Postgraduate Department, University of Bristol, Senate House, Tyndall Avenue, Bristol BS8 1TH. (19978) 22

Further particulars and application forms are obtainable from the Association of Commonwealth Universities (Apts), 36 Gordon Square, London WC1H 0PF. (Tel: 01-387 8572). The closing date for the receipt of applications is 23rd February, 1973. (19950)

25

UNIVERSITY OF SURREY

READER IN FOOD SCIENCE
Department of Biochemistry

Applications are invited for the post of Reader in Food Science in the Department of Biochemistry (Head of Department, Professor D. V. Parke; Professor of Human Nutrition, J. W. T. Dickerson).

Candidates will be expected to take part in teaching on courses for Honours Degrees in Nutrition and Toxicology and to develop research in Food Science. A particular interest in food toxicology is desirable.

Salary on the scale £4,143—£5,247, with F.S.S.U. benefits.

Applications, in the form of a curriculum vitae, should be sent to the Academic Registrar (L.F.G.), University of Surrey, Guildford, Surrey, together with the names and addresses of referees, and from whom further particulars may be obtained. Closing date for application: Friday, 16th February, 1973. (20020) 25

UNIVERSITY OF NAIROBI
Kenya

Applications are invited for the following posts in Department of human pathology:

1. ASSOCIATE PROFESSOR
IN HUMAN PATHOLOGY

Applicants must be medically qualified, with a suitable postgraduate degree and wide experience in diagnostic bacteriology and in teaching. Appointee will be responsible for the section of Microbiology which includes an active parasitology laboratory, and provides a diagnostic service for the Kenyatta National Hospital and associated institutions. Duties will include teaching of bacteriology to undergraduates and postgraduates and the training of pathologists and technicians.

2. SENIOR LECTURER
IN CHEMICAL PATHOLOGY

Applicants should have wide knowledge and extensive practical experience in chemical pathology. A relevant postgraduate qualification is required. Appointee will be responsible for the section of Chemical Pathology. Duties will include teaching of both undergraduate and postgraduate students as well as technicians. He will work under the general supervision of the Professor of Pathology and will be responsible for the diagnostic biochemistry service for the Kenyatta National Hospital and associated institutions. Facilities for research are available.

Salary Scales: 1. £K3,036 — £K3,564 p.a. 2. £K2,256 — £K3,036 p.a. (£K1 — £1.19 sterling). The British Government may supplement salaries in range £950 — £1,050 p.a. (sterling) for married appointee or £650 — £750 p.a. (sterling) for single appointee (normally free of all tax) and provide children's education allowances and holiday visit passages. F.S.S.U. Family passages; various allowances and holiday visit passages. (2 copies), including a curriculum vitae and naming 3 referees should be sent by airmail, not later than 22nd February 1973, to the Registrar, University of Nairobi, P.O. Box 30197, Nairobi, Kenya. Applicants resident in U.K. should also send 1 copy to Inter-University Council, 90/91 Tottenham Court Road, London W1P 0DT. Further particulars are obtainable from either addresses. (20089) 25

UNIVERSITY OF QUEENSLAND
AustraliaLECTURER/SENIOR LECTURER
IN ANATOMY

Applicants should be medical, dental or science graduates. Preference will be given to applicants with research interests in cytology, histochemistry or neuroanatomy.

Salary (under review): Senior Lecturer \$A9,644 — \$A11,234; Lecturer \$A6,801 — \$A9,390.

Other Benefits: Superannuation similar to F.S.S.U., housing assistance, study leave, and travelling and removal expenses.

Additional information and application forms are obtainable from the Secretary-General, Association of Commonwealth Universities (Apsus), 36 Gordon Square, London WC1H 0PF (Tel: 01-387 8572).

Applications close in London and in Brisbane on 23rd February, 1973. (20087) 25

UNIVERSITY OF EDINBURGH
Department of Therapeutics

Applications are invited for the post of LECTURER

in this Department. Applicants should be medical graduates, preferably with an interest in research in diseases of the lympho-articular system. Possession of a B.Sc. degree would be an advantage.

Salary scale:— £2,361—£4,617 per annum, with initial placement in the range £2,361—£3,009 p.a. together with superannuation benefit. It is hoped that Honorary Registrar status will be granted by the South-Eastern Regional Hospital Board (Scotland).

Applications, by letter (eight copies) giving the names of two referees, should be sent to the Secretary to the University, Old College, South Bridge, Edinburgh EH8 9YL, from whom further particulars may be obtained. The closing date for applications is 15th February, 1973. Please quote reference 1002. (20016) 25

UNIVERSITY OF HULL
University Health Service

Applications are invited from registered medical practitioners for the appointment of ASSISTANT MEDICAL OFFICER

tenable from 1st September or 1st October, 1973.

Starting salary, with F.S.S.U. provision, within the incremental range £4,614 to £5,247 per annum.

Further particulars may be obtained from the Registrar, The University, Hull, to whom applications should be submitted not later than 28th February, 1973. (20069) 25

UNIVERSITY COLLEGE
HOSPITAL MEDICAL SCHOOL
And The Royal Free Hospital
School of Medicine

Applications are invited for the joint appointment of

SENIOR LECTURER IN
COMMUNITY MEDICINE

The appointment is open to registered medical practitioners, will be for three years in the first instance and will carry an honorary contract with the associated Hospitals, in the grade of Consultant if appropriate. The salary will be on the University of London scale for clinical Senior Lecturers. Applications (10 copies), giving names of two referees, should be sent by 20th January, 1973 to the Secretary, University College Hospital Medical School, University Street, London WC1E 6JJ, from whom further particulars may be obtained. (20070) 25

FELLOWSHIP AWARDS

THE ROYAL SOCIETY
FLOREY FELLOWSHIP

Applications are invited by the Council of the Royal Society for a Florey Fellowship tenable at any university, medical school or other research institution in Australia for two years from 1st October, 1973. This appointment will be the second to be made in the United Kingdom to the Fellowships established by the Australian National University and the Royal Society in memory of Lord Florey for young scientists to do research in the biomedical sciences. Candidates must be normally resident in the United Kingdom; they must be younger than 30 on the date when applications close and should have a Ph.D. or equivalent qualification in physiology, biochemistry, pathology, pharmacology or related subject. The subject of the research, and where it will be done, together with the name of the Head of Department, whose consent should first be obtained, must be stated.

The stipend will be Australian \$7,500 per annum (£3,826) together with superannuation benefits and family allowances; return fares for the Fellow and family will be provided.

The appointment will be subject to the conditions of award governing Florey Fellowships, of which copies can be obtained from the Royal Society. Applications should be made on forms to be obtained from the Executive Secretary, The Royal Society, 6 Carlton House Terrace, London SW1Y 5AG, and returned by 28th February, 1973. (19022) 26

RESEARCH AWARDS

THE CAMILLA SAMUEL FUND

For the academic year 1973/4, the Trustees of the Camilla Samuel Fund invite applications from research workers in medicine and allied disciplines. While consideration will be given to any research dealing with the causes, prevention and treatment of illness, yet this year special consideration will be given to applications relating to research into spina bifida or similar congenital abnormalities.

The award, which will be made annually, will not normally be for more than three years. Application forms are available from the Secretary of the Trustees, W. G. Bayley, Esq., 100 Wood Street, London EC2P 2AJ, to whom they should be returned not later than 31st May, 1973. (H10430) 27

THE INSTITUTE
OF SPORTS MEDICINE

The Institute of Sports Medicine offers a number of awards of £100 each to medically qualified applicants in support schemes for research into any aspect of Sports Medicine.

Applications will be assessed by a scientific panel which includes representatives of the Royal Colleges and members of the Institute.

Closing date: 1st May, 1973. Applications (8 copies) should be sent to the Institute of Sports Medicine, 100 Nottingham Place, London W1M 4AX, from where a specimen form may be obtained (S.A.E.). (H10389) 27

MEETINGS

MEDICAL
ADVISER

A medical graduate of a British University is required to join a very rapidly expanding Pharmaceutical Company.

Experience in the Pharmaceutical Industry and the ability to organize are highly desirable qualifications along with a broad medical interest. The varied work involves medical training of representatives, dealing with medical problems and planning clinical trials of the company's products. Travel, mostly within Great Britain and occasionally on the Continent, is also a feature of the work.

In return, the successful candidate will be paid an excellent salary and will enjoy many fringe benefits including a company car.

Applications, quoting relevant personal information, should be sent now to:—

N. Occleston, Ortho Pharmaceutical Company Limited, Saunderton, High Wycombe, Bucks.

ORTHO

COMMERCIAL APPOINTMENTS

Part Time Medical Officer

BRADFORD

B.T.I. Chemicals at Bradford manufactures a wide range of speciality chemicals used in the paper, water treatment and mining industries, we are a subsidiary of Cyanamid, a leading international chemical and pharmaceutical (Lederle) Company.

The Company is placing an increasing emphasis on the safety, health and welfare of its employees and as part of this programme wishes to expand the traditional role of the medical officer to include setting standards of safety, protection and industrial hygiene in the manufacture and handling of chemicals. This would be in addition to the normal routine medical examinations and general help and advise on health problems of staff.

The working arrangements are flexible but it is

anticipated that the medical officer will visit the Company on three occasions each week and the total time will be in the order of 5-8 hours per week, dependent upon the number of medicals and or special investigations at any time.

Applications for the post are invited from registered medical practitioners in the Bradford or surrounding area.

Salary will be by negotiation. Any Doctor who is interested should apply by 'phone or in writing to:

**R. G. Brewster,
Plant Manager,
B.T.I. Chemicals Ltd.,
Bowling Park Drive,
Bradford BD4 7ES. Tel: Bradford 33891**

Research Appointments

Expanding research programme requires two additional doctors

CLINICAL INVESTIGATION

The successful applicant will join a dynamic team of clinical investigators with world-wide responsibilities. He or she will have the unique experience of being involved in one or more novel and exciting projects in the early stages of development and will be instrumental in the design and implementation of associated clinical programmes.

We are looking for a physician with a good grounding in general medicine; while previous experience in the pharmaceutical industry would be an advantage it is by no means essential.

Ref: AM.101

MEDICAL SUPPORT GROUP

The assessment of evidence of safety, efficacy and quality in connection with applications for registrations and approvals for clinical trials in the U.K. and overseas, is a vital stage in the medical research programme.

The increasing stringency of drug regulatory authorities throughout the world makes it imperative that we appoint a further physician to join an existing team concerned with drug registration. The Group also provides an essential medical information service linking the laboratory scientist with the practising physician.

Ref: AM.102

Salary will reflect qualifications and experience. Employment conditions include a profit sharing scheme and re-location expenses.

Please apply, quoting the appropriate reference, with brief details, to: I. D. Sutherland,

COMMERCIAL APPOINTMENTS

Medical Officer Occupational Medicine

We wish to appoint a Medical Officer to join the small team of Doctors providing a medical service for the company's main sites at Nottingham.

The Health Unit is responsible for staff in a wide range of occupations, including offices, laboratories, warehouses, pharmaceutical and chemical plant and ancillary trades — there are approaching 10,000 people employed at Nottingham.

The duties of this post will entail some medical selection of new employees, organisation and management of primary treatment services, supervision of vulnerable groups of workers and

investigation and control of environmental hazards. Comprehensive laboratory and other facilities are available.

Candidates should be aged between 25 and 35 and have a career interest in occupational medicine. Previous experience in this field will be an added advantage.

Salary will be in accordance with the B.M.A. recommendations and employment conditions include good profit sharing and pension schemes. Assistance with re-location expenses will be given in appropriate cases.

Stratford, E.15

ACCIDENT OFFICER/

GENERAL SURGEON

(S.E.C. Grade)

required. Modern Accident Department. This post is now recognized for the F.R.C.S. Six months commencing as soon as possible. Application with the names of two referees to Hospital Secretary. (H10275) 51-8

QUEEN MARY'S HOSPITAL

Sidcup, Kent

SENIOR HOUSE OFFICER

in Accident and Emergency Department required for six months, extendable to one year, at hospital situated in pleasant area near Central London. Post recognized for F.R.C.S. Duty rota affords ample time for study. Written applications to Hospital Secretary or Tel: 01-300 3322. (46127) 51-8

ROYAL GWENT HOSPITAL

Newport, Mon.

(426 beds)

Recognized F.R.C.S.

SENIOR HOUSE OFFICER

required on 1st February, 1973. Resident or non-resident. A house is available if required. The Department is in the charge of a full-time Consultant Surgeon, has five Senior House Officers and all emergency cases are admitted through the Department which is responsible for initial resuscitation. The Department is equipped with apparatus for cardiac monitoring, positive pressure ventilation, as well as x-ray intensifiers and a Berman F.B. Locator.

The Hospital is the base hospital for the Group, and therefore has a large volume of acute cases in all specialties. It is being extensively redeveloped by a major capital building programme. An intensive care unit is situated at the Hospital.
There is a close connection with the teaching hospital at Cardiff, 10 miles to the west, and there is an extensive postgraduate education programme with a very good library. A Postgraduate Centre is situated at the Hospital. The appointment gives ample opportunity to the holder to avail himself of these facilities.

The successful candidate will be expected to be resident on the nights he is on first call, which will — on average — be one night in five.

Apply, quoting two referees, to: Group Secretary, 64 Cardiff Road, Newport, Mon. (19482) 51-8

ROYAL VICTORIA HOSPITAL

Shelley Road, Boscombe,

Bournemouth, Hants. BH1 4JG

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1969, No. 163).

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1,749 per annum for the posts held during the first year; £1,887 per annum for posts held during the second year; £2,025 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,280 per annum x £177(2) — £2,634.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,634 per annum x £162(4) — £3,282.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale, and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,120 per annum x £162(1) x £216(4) — £4,146.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £2,925 per annum x £168(1) x £180(3) x £168(10) — £5,313.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £4,836 per annum x £279(8) x £282(1) — £7,350.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rental is appropriate.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters may be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

MICROBIOLOGY**JOINT REGISTRARS COMMITTEE**
OF THE LEEDS**REGIONAL HOSPITAL BOARD**
Board of Governors of the
United Leeds Hospitals and the
University of Leeds

SENIOR REGISTRAR
IN BACTERIOLOGY
Regional Training Scheme
The Units associated with the Scheme are University of Leeds, Department of Bacteriology, the General Infirmary at Leeds, St. James's Hospital, Leeds, the Public Health Laboratory, Searcroft Hospital, Leeds and other regional hospitals.

The above centres would offer a wide practical experience in routine Bacteriology and specialized facilities would be available in the University Department in the field of anaerobic bacteriology and the haemophilus group of bacteria.

The post is non-resident but all the associated hospitals can be reached without change of residence.

Please quote reference No. 299.
Application forms and further details may be obtained from the Secretary, Joint Registrars Committee, Park Parade, Harrogate, Yorkshire to whom the application forms should be returned by 7th February, 1973. (45909) 68-5

ST. MARY'S HOSPITAL
London, W.2
and Edgware General Hospital

SENIOR REGISTRAR
IN MICROBIOLOGY
Applications are invited for the post of Senior Registrar in Microbiology for four years, subject to review. The post will provide wide experience in diagnostic virology, bacteriology and mycology at St. Mary's Hospital, W.2, and at Edgware General Hospital, Edgware, Middlesex. There will be good opportunities for research and for study for higher degrees or diplomas. The hospitals may be visited by appointment with Professor R. E. O. Williams (St. Mary's Hospital) and Dr. B. I. Davies (Edgware General Hospital).
Application forms obtainable from and returnable to the Establishment Officer, St. Mary's Hospital, W.2, by 12th February, 1973.
Any enquiries phone: 01-262 1280, Ext. 207 (St. Mary's) or 01-952 2381, Ext. 308 (Edgware). (19982) 68-5

DOCTORS ABROAD. Copies of vacancies advertised in the *Journal* can be sent by AIR MAIL: Members rate: minimum cost is £2 for six weeks' supply, which covers up to five separate headings. Non-members rate: £3 minimum for six weeks' supply of five headings or less. Additional headings: 50p each for six weeks' supply (for members and non-members). Orders for specific grades cannot be accepted. Payment must be PREPAID and enclosed with application.

MORBID ANATOMY (including Histology)

JOINT REGISTRARS COMMITTEE OF THE BOARD OF GOVERNORS OF THE UNITED LEEDS HOSPITALS

The University of Leeds and the
Leeds Regional Hospital Board

Appointments are offered for
SENIOR REGISTRARS IN
MORBID ANATOMY AND HISTOLOGY
in the Regional Training Scheme.

The main hospitals associated with the scheme are Leeds (St. James's) University Hospital, The Royal Infirmary, Bradford and St. Luke's Hospital, Bradford. Provision may also be made for a period of one year to be spent in the University Department of Pathology at the General Infirmary at Leeds.

Occupants of these posts will receive training for the final M.R.C.Path. and in addition, research will be encouraged and opportunities made available for development of special interests.

Candidates should possess the primary M.R.C.Path. and should have at least two years experience in Pathology. The posts are non-resident.

Please quote reference No. 300.
Application forms may be obtained from the Secretary, Joint Registrars Committee, Park Parade, Harrogate, Yorkshire, to whom they should be returned by 7th February, 1973. (45910) 69-5

MANCHESTER
REGIONAL HOSPITAL BOARDSENIOR REGISTRAR
IN CHILD PSYCHIATRY

One of three established training posts which provide the Service with Consultant Child Psychiatrists, tenable initially in the Child Psychiatric Unit at Booth Hall Children's Hospital, Manchester, which includes a busy Out-Patient Clinic and a large In-Patient Department. Members of the staff hold University appointments and are responsible for various training courses. Training includes courses of lectures, regular supervision of diagnostic and long term treatment cases and visits to special hospital units, special schools and homes and hospitals of the Social Services Department. Multi-disciplinary team conferences and seminars are an important feature of the work of the Unit and all members of staff contribute to these. The bedded In-Patient Unit with its school, Occupational Therapy Department and gymnasium is organized on a family group basis and the Senior Registrars attached to each Consultant play an important role in the relevant family group, and is responsible for individual therapy with the children. Intensive training in adolescent Young Persons' Unit at Parkside Hospital, Macclesfield. Applicants should have had adequate experience in adult psychiatry and previous experience in child psychiatry is desirable.

Application forms from the Senior Administrative Medical Officer to the Board, Gateway House, Piccadilly South, Manchester M60 7LP, to be returned by 10th February, 1973. (19787) 84-5

ADMINISTRATIVE

NORTHERN
REGIONAL HOSPITAL BOARD
(Scotland)
and Northern Regional Postgraduate
Medical Education Committee

Applications are invited for a whole-time
combined appointment of
DIRECTOR OF POSTGRADUATE
MEDICAL EDUCATION
AND CONSULTANT PHYSICIAN
based at Inverness.

The post is a newly established one which
will offer a challenging appointment in the
field of medical education in a Region which
exhibits an unusual degree of cohesion among
all services. The Region is potentially a fertile
ground for the development of programmes of
General Professional Training especially in
General Practice. A minimum of four sessions
will be allocated to Medical Education.

The construction of a Postgraduate Medical
Education Centre at Raigmore Hospital is
almost complete.

Further information and forms of
application may be obtained from the Senior
Administrative Medical Officer, Northern
Regional Hospital Board, 17 Old Edinburgh
Road, Inverness, to whom completed
applications should be returned not later than
17th February, 1973. (H10398) 111

GOVERNMENTAL

PART-TIME
MEDICAL OFFICER

required at

H.M. PRISON, NORWICH

Applications are invited from registered medical practitioners for
appointment as part-time Medical Officer at H.M. Prison,
Norwich.

The salary has been provisionally assessed at £724 per annum and
will be reviewed after 3 months. Any adjustment in salary will be
retrospective to the date the Medical Officer commences duty.

Details of the duties can be obtained from the Medical Officer,
H.M. Prison, Mousehold, Norwich, Norfolk (Tel: 0603 33336).

For details of conditions of appointment and application form
please write to:—

THE ESTABLISHMENT OFFICER,
HOME OFFICE,
PORTLAND HOUSE (R 10/10 VDC),
STAG PLACE,
LONDON, S.W.1.

Medical Advisers

(Full or Part-time)

for the EMPLOYMENT MEDICAL ADVISORY SERVICE

A full-time and a part-time (20 hours per week) Employment
Medical Adviser required by the Medical Advisory Service, a
division of the Department of Employment.

The Advisers will share the duties, at the Department's Industrial
Rehabilitation Unit at Egham, Surrey, including giving medical
advice and care for up to 180 residential disabled men and women
undergoing courses in industrial rehabilitation.

The full-time Adviser will also undertake other E.M.A.S. duties in
an area based on Egham. These will include investigations and
formal surveys, advice about working conditions, and medical
supervision of young people who are not fully fit for employment
and of people undergoing training or rehabilitation. This is very
wide-ranging work of growing importance and will take the
Adviser into many work-places. Laboratory facilities will be
available.

Applicants must be fully registered medical practitioners in the
United Kingdom. Experience in industrial medicine or in allied
subjects is desirable and the possession of higher qualifications is
advantageous.

Starting salary may be up to the maximum of the scale £4,313-
£6,045. Salary for part-time post pro rata. Non-contributory
pension scheme. Promotion prospects for the full-time Adviser.

A 4-bedroomed house, at moderate rent, will be available for one
of the successful candidates.

For full details of these posts and an application form (to be
returned by 14th February, 1973), write to the Civil Service
Commission, Alencon Link, Basingstoke, Hants. RG21 1JB, or
Tel: Basingstoke 29222, Ext. 500 or London 01-839 1992 (24-hour
answering service) quoting S/8121/1. Candidates who have
already applied need not do so again.

112

SERVICES

Are you in your Pre-Registration Year —or recently fully registered?

Before you commit yourself to your permanent pattern of life, consider what the RAF has to offer

The chance to practise total medical care, as a GP

Your first job would probably be a Junior Medical Officer on a large RAF Station. There would be at least one other doctor. Between you, you would have a 'list' of 2000 to 3000 people—servicemen and their families. You would meet all the usual clinical problems of a GP—and get plenty of experience in pediatrics. As well as this, you would be actively involved in the practice of aviation medicine and gain experience in the preventive, occupational and social fields.

Conditions of work are extremely good. You would have a consulting room in a specially built *Medical Centre*—like a small hospital with its own treatment room, theatre and resuscitation room, and wards for a dozen or so short-stay patients. There is a full secretarial and nursing staff. Your clinical freedom would be absolute.

The chance to specialise, too

Because General Practice is so highly developed in the RAF, this does not mean you have no chance to specialise. The contrary is true. 47% of all RAF doctors are now working in specialist departments. On a 'full career' contract you have every opportunity to reach consultant status in your late or middle thirties; perhaps earlier.

The chance to study for higher qualifications

Any RAF doctor, whether specialist or GP (as long as he is not on the very shortest of contracts) can apply for six months study leave on full salary. On a permanent commission, he may have up to two years' external study leave.

The chance to travel

The RAF operates in many different conditions and climates. Abroad, the RAF doctor looks after RAF personnel and their families and, very often, the local population as well. Your gain in clinical experience would be marked.

The chance of a good social and family life

The RAF is a young community, with a full and active social life. There are facilities for almost every kind of sport and, which is most important, the time to enjoy your family while you are still a young man. Living conditions are excellent. If you are single you live in the Officers' Mess, which has all the amenities of a good hotel. If you are married, you will nearly always have a furnished house that goes with the job; rent for this is very modest; and it can save a large financial outlay at the beginning of your career.

General Practice? With a difference. At this RAF Clinic, in the busy town of Limassol, in Cyprus, almost all the patients are women and children (specially children). Staff is 7 doctors, each with his (or her) own panel of patients; and 5 dentists. There are 5 SRN Nurses, and 7 Health Visitors. Next door is the RAF's Child Guidance Clinic, with psychiatrist, educational psychologist and speech therapist.

A realistic pay scale

Pay is based on the average earnings of a civilian GP. Immediately after full registration, the present basic salary is £3942; after 5 years it rises to £4767; after 13 years to £5898. There are various other allowances; for instance, with children at boarding school the figures are £363 (net) for one child, £795 (net) for two children, £1314 (net) for three children. There are tax-free gratuities of £1500 after 3 years, or £3000 after 5 years. After service of 16 years or more there is a pension, payable for life, and a generous terminal grant.

For full information please write, giving your age, nationality, and date of full registration, to Group Captain D. G. M. Hills, OBE, MB, BS, DPH, RAF, Ministry of Defence, 1-6 Tavistock Square (724 KH3), London, WC1H 9NL. Or visit your nearest RAF Careers Information Office.

Royal Air Force

PUBLIC HEALTH

HEALTH DEPARTMENT

Senior Medical Officer

Salary: £4,041-£4,818 (including London Weighting)

Applicants should be registered Medical Practitioners with a reasonable experience of working within a Health Department of a Local Authority. Preference will be given to those with a background in paediatrics. The successful applicant will be the senior, wholly clinically orientated, doctor for an area and will be required to deputize for their Principal Medical Officers when necessary.

Essential User Car Allowance if full-time, Casual User if part-time.

(a) Medical Officer in Department (Senior)**(b) Medical Officer in Department**

Salary: (a) £3,528-£4,299; (b) £3,054-£4,041 (including London Weighting)

These are posts offering interesting clinical work covering the full range of services, with particular emphasis on Maternal and Child Welfare and the School Health Service. The work includes developmental assessment clinics, for which training will be given if required. The Senior post also involves re-housing and staff medicals.

These appointments are particularly suitable for Medical Officers who have recent experience in a paediatric department.

Essential User Car Allowance if full-time, Casual User if part-time.

Application forms for the above posts may be obtained from: Medical Officer of Health, London Borough of Bexley, 9 Brampton Road, Bexleyheath, Kent, to whom they should be returned not later than 5th February, 1973. (19989) 113

REPUBLIC OF IRELAND

DUBLIN NORTH CITY HOSPITALS, REPUBLIC OF IRELAND
CLINICAL NEUROPHYSIOLOGIST

Applications are invited from qualified medical practitioners for appointment as Consultant Neurophysiologist to the Charitable Infirmary, Jervis Street Hospital, the Mater Misericordiae Hospital, and St. Laurence's Hospital (Richmond, Whitworth & Hardwicke Hospitals).

Candidates must have:—

- (a) M.R.C.P., M.D., or equivalent qualifications.
- (b) Six years postgraduate experience in medicine including three years in the sub-specialty.

Applications from practitioners who have not completed three years experience in neurophysiology will be considered on the understanding that, in the event of such an applicant being offered the appointment, training will be completed before taking up duty.

The post is of Consultant rank and will be remunerated by salary.

A Medical School teaching appointment may be held in addition and there will be facilities for private practice in the specialty.

Further particulars are available from the Secretary/Manager, St. Laurence's Hospital, North Brunswick Street, Dublin, 7, to whom applications (20 copies), giving full details of age, qualifications, experience and publications, together with the names and addresses of at least two referees, should be sent so as to reach him not later than 12.00 noon on Friday, 16th March, 1973. (19725) 117

PSYCHIATRISTS DISCOVER CANADA

**with the
Canadian Penitentiary Service
Department of
the Solicitor General**

Canada is a young and fast growing country where 80% of the population lives in cities.

Working in one of our institutions in the Provinces of Quebec, Ontario or British Columbia shall give you the opportunity to live in or close to a major city, such as Montreal, Kingston or Vancouver.

You will enjoy all the modern Canadian life commodities while doing clinical work, and acting as consultant to institutional directors in all matters relating to the mental health of inmates.

You will also participate, with other psychiatrists, in the further development of treatment programmes for the mentally ill and for special groups of offenders, and carry out these progressive changes in consultation with academic institutions.

Your salary could range up to \$32,500 and fringe benefits are very attractive.

Possession of a medical degree from an approved university or medical school and certification in psychiatry or equivalent qualifications, plus eligibility for a licence to practice medicine in a province of Canada may qualify you.

Send us a detailed resume of your education and experience before 15th February, 1973 to:

**Officer-in-Charge, Dept. 3154,
Canadian Government Immigration
Office
38 Grosvenor Street
London, W1X 0AA**

Interviews will be held in London in the latter part of February. Please quote reference number 73-168-01A in all correspondence.

MCMASTER UNIVERSITY
Hamilton, Ontario, Canada
Faculty of Medicine
Department of Family Medicine
5th January, 1972

FAMILY MEDICINE

DEVELOPMENT AND EXPANSION

The Department of Family Medicine of McMaster University, through its expanding programmes, offers opportunities to family physicians interested in team practice, teaching, research and administration.

Five clinical teaching units provide an ideal setting for self-development and involvement in teaching practices with responsibilities in undergraduate, postgraduate and continuing medical education. Major emphasis is placed on clinical skills and preference will be given to physicians certified in Family Medicine or with equivalent qualifications.

McMaster University provides excellent fringe benefits as well as reallocation expenses and extends an open invitation to family physicians to investigate the opportunities offered by the expansion and development of these teaching programmes.

Inquiries and applications may be directed to: Dr. John Hay, Professor and Chairman, Department of Family Medicine, McMaster University Medical Centre, 1200 Main Street West, Hamilton, Ontario, Canada. Phone: 416-525 9140, Ext. 2548. (H10252) 118

DOCTORS REQUIRED

FOR GROUP PRACTICE SERVICE IN GIBRALTAR

The Government of Gibraltar is introducing a general group practice service for which three doctors are required.

They must have qualifications equivalent to U.K. standards and have been registered for not less than 3 years.

The population to be covered is roughly 15,000 of which approximately 1,500 will be attended to at no charge by the doctors; the rest of the population will be charged at a controlled fee of 40p for a Domiciliary Call and 20p when the patient calls at the surgery. In addition the doctors' duties will include that of Health Officer under the Quarantine Air Navigation Rules which involves very limited work and one doctor will be on call once every three nights.

Each doctor will be paid an allowance of £2,250 a year and would be provided with a flat at a reasonable rent, free stationery, free telephone and rent-free clinic facilities. He can also undertake private practice at an uncontrolled fee for that part of the population which is not insured under the scheme.

Further information may be obtained from the Director of Medical and Health Services, c/o St. Bernard's Hospital, Gibraltar, to whom applications should be sent not later than the 14th February, 1973. (19990) 118

THE ROYAL MELBOURNE HOSPITAL
Australia

invites applications from suitably qualified Medical Practitioners for appointment as:

ASSISTANT SPECIALIST IN NUCLEAR MEDICINE

The successful applicant will commence duties about September, 1973, and salary will be within the range of \$11,518 — \$12,719.20 in accordance with the Senior Medical Officers Wages Board Determination.

The Department of Nuclear Medicine has been fully operational since 1966. The work load is large and the variety wide. Organ imaging has a significant place, and approximately three to four thousand patients per year are studied with a gamma camera and two rectilinear scanners. Approximately three thousand other investigations or treatments are carried out in the department ranging through thyroid investigations and therapy, haematological studies with radioisotopes and other studies related to such things as renography, body space estimations, gastro-intestinal tract investigations etc.

Further details obtainable from Medical Administrator.

Applications on prescribed form obtainable from Manager close on 1st March, 1973.

Applicants may be interviewed at Australia House, London, by the Director of Nuclear Medicine during April, 1973. (H10366) 118

The Future General Practitioner

LEARNING AND TEACHING

General or family practice is a special subject. This book is written by six experienced teachers selected by the Council of the Royal College of General Practitioners. It is intended chiefly for teachers, but it will also be valuable to those who are learning and to all who are concerned about the place of family practice within a country's medical services.

A syllabus is developed in five main parts:

Health and Diseases : Human Development : Human Behaviour : Medicine and Society : The Practice

Throughout the book the authors have tried to indicate ways in which the teacher may approach the task of passing on what he had learned by his own experience. The theme is the search for objectives which will satisfy the needs of learner and teacher. The belief is that this search will benefit the future family practitioner and through him the community of his patients.

WANTED LOCUM SURGEON & some general practice in northern Ontario. 30th May to 11th July, 1973. Car accommodation, return air fare and registration. \$1,200 references. Box 3971, BMJ. 118

WANTED LOCUM for Neepawa Medical Clinic for six months starting 1st March, 1973. Group of three doctors. Salary \$1,500 plus furnished accommodation & car. Reply to: Dr. R. C. Thomas Dobson, Neepawa Medical Clinic, Neepawa, Manitoba, Canada. 118

WANTED LOCUM for Physician in Group Practice in Bathurst N.S.W., for three months from mid-May, 1973. Every opportunity and facilities for satisfying work, both in community medicine and hospital practice, for a graduate from U.K., Australia or New Zealand. A higher qualification in Medicine is desirable but not essential. Remuneration at standard rates, or by negotiation. For further information contact Dr. R. C. B. Cammerton, 142 William St, Bathurst N.S.W. Australia 2795. 118

WELLINGTON HOSPITAL BOARD
Wellington, New Zealand

MEDICAL DIRECTOR OF EXTRA-MURAL SERVICES

Applications are invited from Registered Medical Practitioners for the above position. A higher qualification is desired, preferably Diploma in Public Health.

The appointee will be required to implement the Board's policy of co-ordinating and extending the wide range of domiciliary services now available, thus relieving some of the strain on hospital beds and providing a better service for the community generally.

Commencing salary for an appointee with D.P.H. would be within the specialist scale: NZ \$9,946 — NZ \$13,393; and for an appointee without D.P.H. within one of the following ranges for a Medical Officer of Special Scales: Scale (2) NZ \$8,817 — NZ \$9,878. Scale (3) NZ \$10,542. Scale (4) NZ \$10,940, or Scale (5) NZ \$11,305. Actual grading will be determined by the Medical Officers Salaries Grading Committee.

A Schedule of Conditions of Appointment and an application form should be obtained from the Office of the High Commissioner for New Zealand, New Zealand House, Haymarket, London, S.W.1., or from the Chief Executive, Wellington Hospital Board, P.O. Box 10245, Wellington, New Zealand, by whom applications will be received until Wednesday 28th February, 1973. (19964) 118

WELLINGTON HOSPITAL BOARD
Wellington, New Zealand
Porirua Hospital

PSYCHIATRIC MEDICAL STAFF

The Wellington Hospital Board invites applications for posts at the Porirua Hospital, thirteen miles from Wellington. This is a large Mental Hospital (1,400 beds) which has recently come under the Board's control. The following positions are available: (1) Whole-time Psychiatric Specialists; (2) Part-time Psychiatric Specialists; (3) Registrars in Psychiatry.

A wide range of interesting work is available, with opportunities for research and development of special programmes.

Housing is available for Whole-time Staff. Salary and conditions of employment in accordance with the New Zealand Hospital Service Determination for Medical Officers.

Current salary scales are: Specialist N.Z. \$9,946 — N.Z. \$13,393. Registrars N.Z. \$6,830 — N.Z. \$9,018.

A Schedule of Conditions of Appointment and an application form should be obtained from the Office of the High Commissioner for New Zealand, New Zealand House, Haymarket, London, S.W.1., or from the Chief Executive, Wellington Hospital Board, P.O. Box 10245, Wellington, New Zealand, by whom applications will be received until Friday, 9th February, 1973. (19508) 118

NON-MEMBERS' RATE: Minimum charge £2.45 for twelve words and a Box Number; or £2.40 for eighteen words including name and address or telephone number. Additional words at the rate of 80p for each six or less. Box Number address counts as six words, and 5p to be added for postage.

PUBLIC APPOINTMENTS: Hospitals; Public Health; the Services; University and Research and other medical situations; Practices (Executive Councils) and Non-Medical Posts. Minimum charge £2 for four lines and 50p for each additional line. Box Number address counts as one line, and 5p to be added for postage.

COMMERCIAL AND INDUSTRIAL APPOINTMENTS: Minimum charge £2.80 for four lines and 70p for each additional line. Box Number address counts as one line, and 5p to be added for postage.

EDUCATIONAL NOTICES, MEETINGS AND HOMES: Minimum charge £2.20 for four lines and 55p for each additional line. Box Number address counts as one line, and 5p to be added for postage.

GENERAL AND COMMERCIAL (TRADE): Notices; Accommodation; Consulting Rooms; Houses and Property; Travel; Hotels; Nursing, Medical and Secretarial Agencies; Commercial. Minimum charge £2.70 for eighteen words. Additional words at the rate of 90p for each six or less. Box Number address counts as six words, and 5p to be added for postage.

SEMI-DISPLAY ADVERTISEMENTS

£9 per single column inch and pro rata

All classified advertisements, subject to approval, will appear in the forthcoming issue provided they reach this office not later than 10 a.m. on the Friday of the week preceding date of issue. Semi-display advertisements must reach this office by 10 a.m. on the Tuesday of the week preceding date of issue.

Cancellation and corrections of advertisements must be received before 12 noon on the Friday of the week preceding date of issue (issues affected by public holidays excepted).

It is requested that when stamped addressed envelopes are enclosed in response to advertisements advertisers will ensure that a reply is sent.

Every effort is made to ensure the accuracy of advertisements appearing in the Journal. No recommendation is implied by acceptance, and the Editor of the *British Medical Journal* reserves the right to refuse, discontinue or interrupt the insertion of any advertisement.

NOTICE TO READERS

REPLIES TO BOX NUMBERS. The names and addresses of advertisers under box numbers are held by us in strict confidence and cannot be disclosed. Each Box Number should be addressed separately. Two or more replies can be enclosed in one envelope. The replies will be forwarded to the advertisers in plain envelopes.

NOTICE TO SUBSCRIBERS

United Kingdom and Irish Republic. The annual subscription rates for members of the medical profession who are not members of the B.M.A. is £21.00. Subscriptions can be ordered direct from the Subscription Manager, *British Medical Journal*, B.M.A. House, Tavistock Square, London WC1H 9JR, or through any leading subscription agent or bookseller.

Overseas. The rate for non-members is £15 direct from the Subscription Manager. Orders can also be placed through any leading subscription agent or bookseller.

North America. A B.M.J. "Air Express" service is available to subscribers in Canada and the U.S.A. at the inclusive annual subscription rate of Canada \$68.00 and U.S. \$65.00. The non-member subscription rate to the B.M.J. by surface mail is in Canada \$39.00; U.S.A. \$36.00, including postage. Readers in the U.S.A. can send their subscription orders, with or without payment to: *British Medical Journal*, 1172 Commonwealth Avenue, Boston, Mass. 02134.

Electronscan micrograph of staphylococci magnified 10,000 times, after five hours with 'Eskacef'. In vitro study.

CAL JOURNAL, 2

You're looking at the destruction of pathogens by 'Eskacef'. The new bactericidal antibiotic. Use it...to be sure.

The way to prevent infections becoming problems is to cope with them from the start ...with 'Eskacef'.

'Eskacef' is rapidly bactericidal against a wide range of Gram-positive and Gram-negative organisms - even penicillinase producing strains. It is one of the most rapidly absorbed antibiotics and reaches high

urinary concentration in active form.

It is so low in toxicity that it can be used in children, may be suitable for long term use, and, with adjustment of dosage to avoid accumulation, may be used in renal failure.

'Eskacef' is available in both capsule and suspension presentations.

Use it...to be sure.

Each capsule contains 250 mg or 500 mg cephadrine. Each 5 ml of suspension contains 125 mg or 250 mg cephadrine.

Further pharmacological and clinical data available on request.

Smith Kline & French Laboratories Limited
Welwyn Garden City, Hertfordshire EF. PA272 col.

GEIGY

ALLERGIC RHINITIS

A completely fresh approach

The unique way in which sodium cromoglycate prevents asthmatic reactions has been the subject of over 150 clinical trials. Prompted by this success, more recent investigators have shown that, in the form of RYNACROM, sodium cromoglycate has a similar protective effect on the nasal mucosa and can provide year-round prophylaxis in allergic rhinitis?

RYNACROM is not a decongestant, anticholinergic, antihistamine or steroid. Its action is unlike any other form of treatment.

In the face of challenge – pollen, house dust, feathers, pets, etc. – RYNACROM (sodium cromoglycate) prevents the degranulation of those cells which would normally rupture and release histamine and inflammatory agents. Thus regular insufflation of RYNACROM provides continuous prophylaxis from a condition which, hitherto, has been difficult to control symptomatically and even more difficult to prevent. A number of patients who have failed

to respond to other forms of treatment have greatly benefited from RYNACROM!

RYNACROM does not produce inconvenient side effects associated with conventional therapy.

RYNACROM[®]

Sodium Cromoglycate BP

prophylaxis in allergic rhinitis

A good friend in

Amoxil is an excellent antibiotic for the treatment of bronchitis. Its broad spectrum of activity covers the respiratory pathogens commonly encountered in general practice, *H. influenzae*, pneumococci and other streptococci.

Amoxil's outstanding oral absorption¹ – not greatly affected by food – ensures that high bactericidal serum levels are rapidly obtained. Clinical results² have demonstrated that bactericidal levels can also be achieved in the bronchial secretions, recognised as a frequent source of re-infection in exacerbations of chronic bronchitis.

This action contrasts with that of many commonly used antibiotics which cannot effectively penetrate these secretions to eradicate the infection.

1. Brit. med. J. (1972), 3, 13
2. Brit. J. Dis. Chest. (1972), 66, 185

Add to this the convenience of a three times daily dosage regime, the degree of safety associated with penicillin therapy, treatment costing as little as 16p a day and a wide range of highly acceptable oral presentations and it's easy to see why Amoxil is a good friend in bronchitis.

Further information on Amoxil (amoxycillin) is available from: Bencard, Freepost, Great West Road, Brentford, Middx.

 Bencard

URTI Chest infections UTI Skin and soft tissue infections

AMOXIL

an excellent antibiotic for routine treatment

Prescribing Information

Dosage: Adults 250 mg three times a day. Children – up to 10 years: 125 mg three times a day. In the case of severe infections the dosage should be doubled.

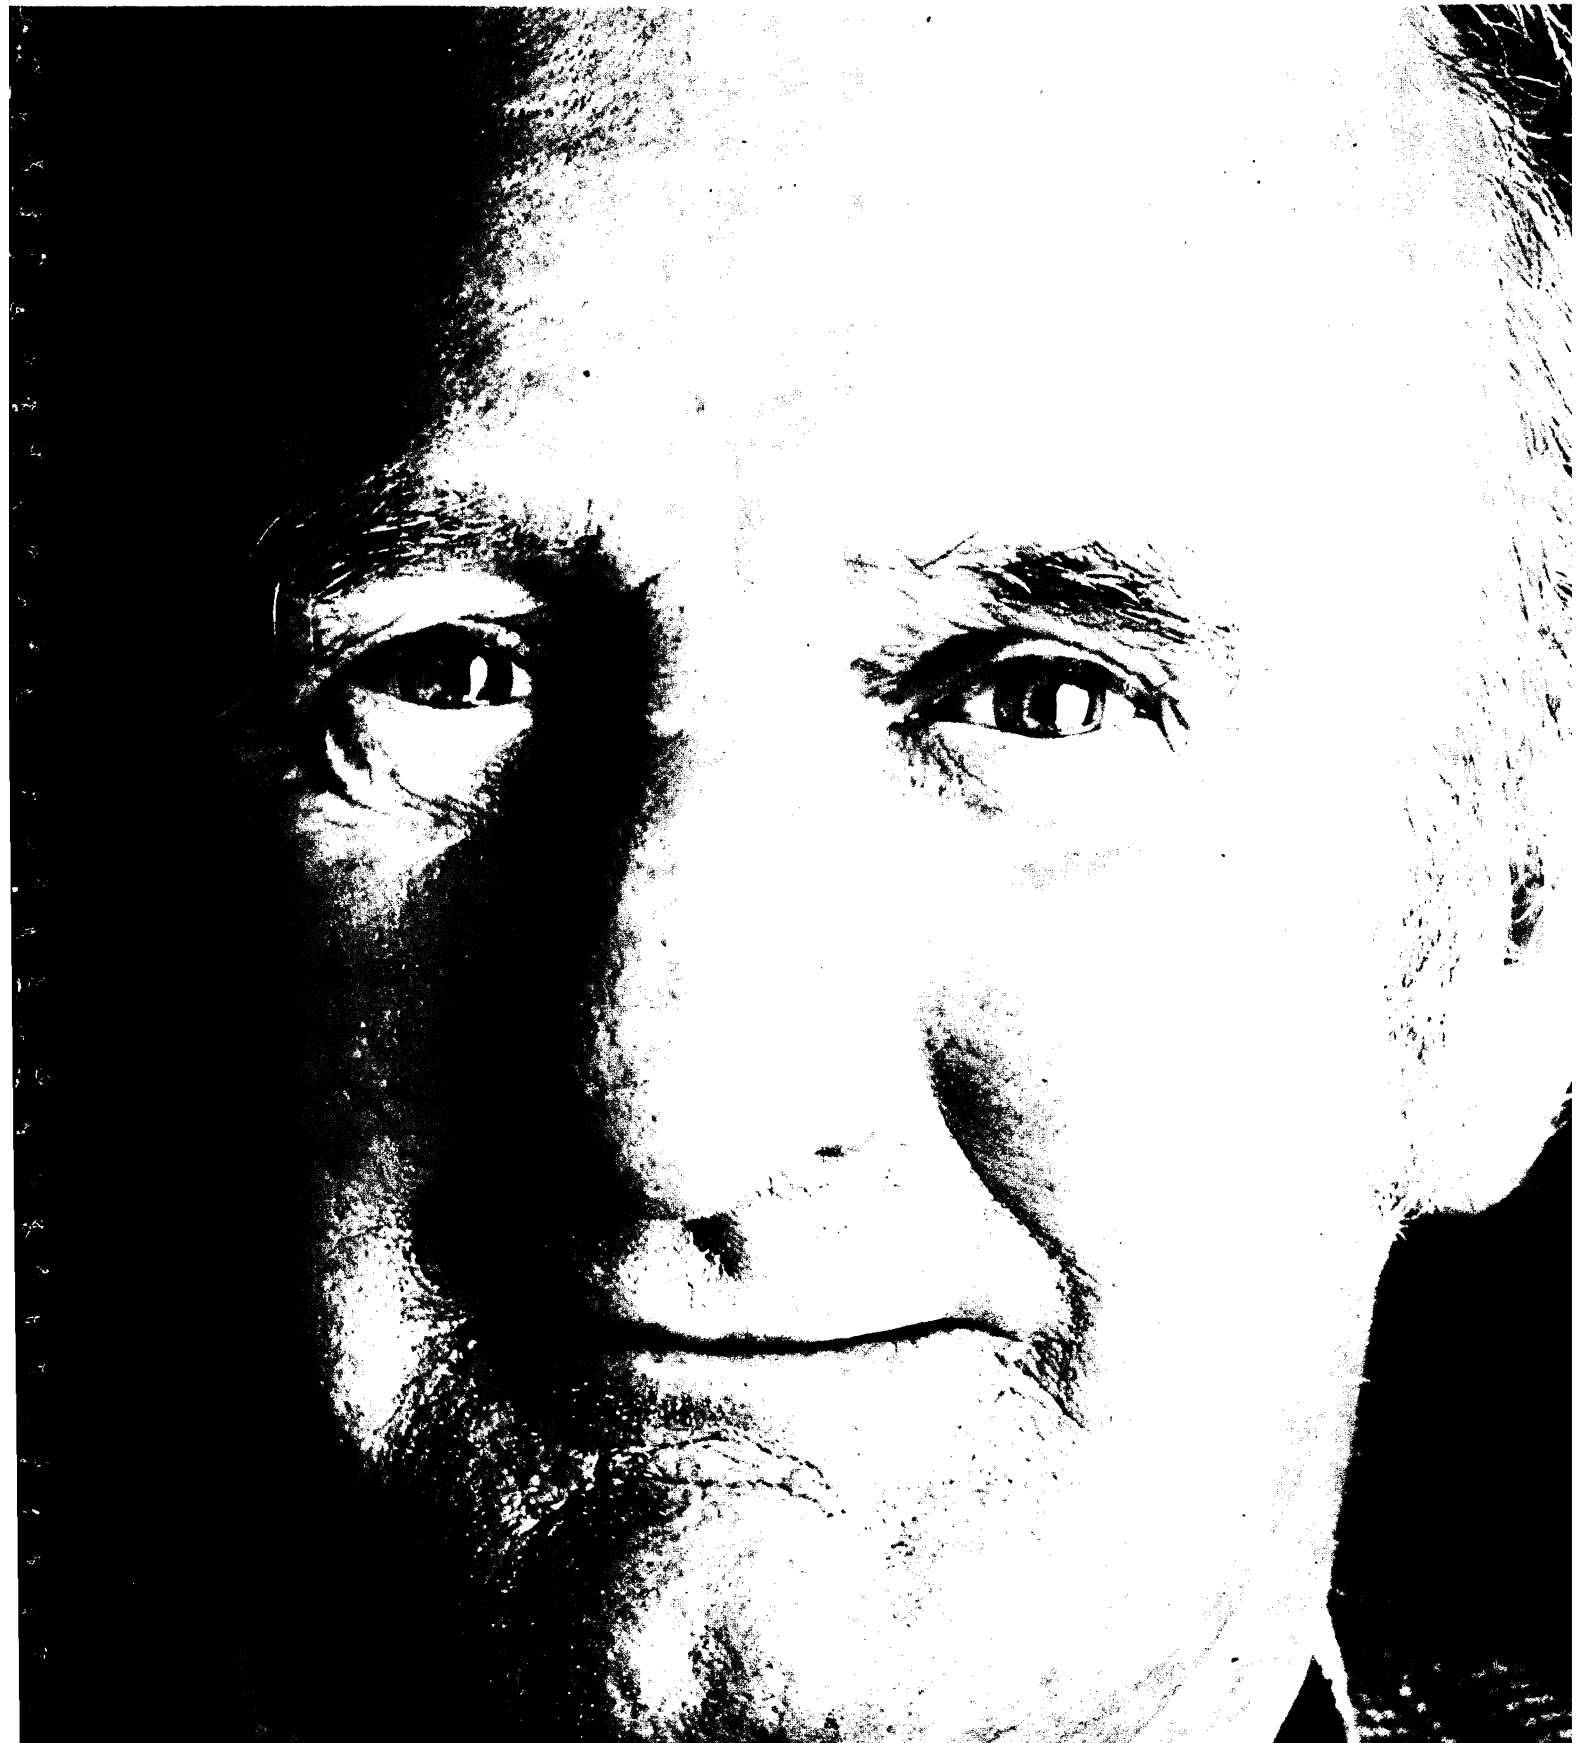

Presentation: Amoxil capsules 250 mg. Amoxil syrup 250 mg/5 ml, 100 ml bottle. Amoxil syrup 125 mg/5 ml, 100 ml bottle. Amoxil Paediatric Suspension 125 mg/1.25 ml, 20 ml bottle with pipette. Amoxil presentations

contain amoxycillin as the trihydrate.

Contra-indication: Amoxil is a penicillin and should not be given to penicillin-hypersensitive patients.

Side effects: In clinical trials involving more than 1,500 patients no serious side effects were reported. Those side effects which were encountered were of a mild transitory nature.

bronchitis

Prothiaden is an anti-depressant which not only treats depression, but also relieves the anxiety so often associated with depressive illness. A recent study* has shown Prothiaden to be superior to amitriptyline in the treatment of depressive disorders, and to be much better tolerated. **With Prothiaden, your depressed patient will have a lot more good days than bad ones. More of your patients will recover.**

Prothiaden

breaks the web of depressive illness

**Psychopharmacologia*, 1971, 19, 153
Prothiaden is dothiepin hydrochloride in capsules of 25 mg.
