

Surgical hosiery provides venous support, but PAROVEN is a kind of 'physiological elastic stocking' for the capillaries.

"The most obvious effect of treatment with HR (Paroven) is the very constant relief of night cramps, with an improvement exceeding 90 per cent."°

Brit J Clin Pract (1970) 23, 161

"The degree of relief in chronic aching pain in the legs was not so marked (compared with 90% improvement in night cramps and 70% improvement in heaviness of the legs), but still amounted to 54 per cent."

Brit J Clin Pract (1970) 23, 161

"Symptoms of heavy legs are improved in 70 per cent, and it was generally agreed that not only did legs feel lighter but the patients were more agile."

Brit J Clin Pract (1970) 23, 161

"The improved venous blood oxygenation and the reduced tissue oxygen extraction indicated better tissue perfusion with less blood oxygen having been taken from the increased capillary blood flow."

Brit med J (1971) 2, 138

PAROVEN[®]

improves capillary flow

Relief of symptoms in varicose disorders

Varicose veins, post-phlebitic syndrome, superficial thrombophlebitis, varicose ulcers, varicose eczema, ankle oedema, restless legs, paraesthesia, haemorrhoids.

Dosage Initial treatment: 4 capsules a day, preferably with meals. In most cases, at least four weeks treatment with PAROVEN is required before significant benefit is felt. At the point where the patient experiences benefit, the dosage may be adjusted to a maintenance level. Maintenance treatment: 1-2 capsules a day.

Side effects and Precautions In a few patients, slight gastro-intestinal disorders, flushes and headaches have been reported. These are usually overcome by taking the capsules with meals or by slight adjustment of dosage. There are no known contra-indications to PAROVEN; it is virtually non-toxic and has no teratogenic effects. In keeping with current teaching and practice its use during the first trimester should, however, be avoided.

Availability Capsules, each containing 250 mg of O-(β -hydroxyethyl)-rutosides (not less than 45% troxerutin) in bottles of 20 and 100 capsules.

Infected eczema is the worst you can be worried about.

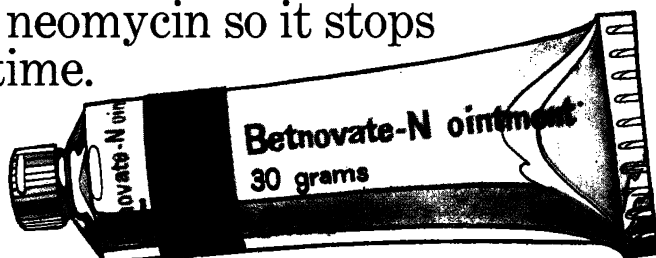

Betnovate-N

stops the scratching that starts the infection that results in infected eczema.

And does it quicker than other preparations designed to combat infected eczema, because it contains betamethasone as 17-valerate, a more effective steroid.

Betnovate-N also contains neomycin so it stops most infections at the same time.

And at a price others can't match.

Glaxo

These lungs are old before their time.

**They are asthmatic, have become bronchitic
and are now emphysematous.
While antibiotics are fighting the infective
component, INTAL provides constant
protection from the asthmatic episodes
that often accompany chronic bronchitis.
It could save the lungs from further damage.**

Sodium Cromoglycate BP has no bronchodilator or anti-inflammatory activity. Its principal action is to inhibit the release of spasmogens and inflammatory agents in immediate-type allergic reactions in the lungs.

Where asthma complicates the treatment of bronchitis, INTAL can control the asthmatic component while the antibiotic clears the infective element. Because asthmatic attacks are actually prevented, there may be a concomitant reduction in the number of infective episodes, thus protecting the lungs from further damage.

INTAL contains 20 mg Sodium Cromoglycate BP. If inhalation of the fine dry powder causes transient bronchospasm INTAL CO is available which contains 0.1 mg Isoprenaline Sulphate BP in addition to sodium cromoglycate.

Additional information is available from:

Intal  **daily prophylaxis in asthma**

The Army asks a lot of a doctor. Here's what we give him in return.

Any young Doctor is bound to find his work demanding. And we won't pretend that the Army offers you a cushy life. What it does offer you, is opportunity and experience that you'd be hard put to surpass in civilian life.

You'll have ample opportunity to travel, anywhere in the world where the British Army is on exercises or operations.

You'll also gain considerable medical experience, with the chance of specialist post-graduate studies if you opt for a permanent commission.

Initially you can join for 3 or 5 years with the opportunity to convert to a regular commission.

You'll hold the rank of Captain and at the age of 24 you could be earning £3942 a year with 6 week's paid leave, plus allowances for educating your children, uniform etc.

Your surgery is equipped and staffed by the Army.

Your practice covers not only soldiers, but their wives and children as well. And if you want to set yourself up in civilian practice, you'll appreciate the tax-free gratuity that comes with all the valuable experience you've picked up in your short

service commission. The gratuity works out at £1500 after three years and £3000 after five.

If you're interested, we can arrange for you to visit one of our medical establishments and talk with serving RAMC Officers before you make your final decision.

For further details, phone 01-499 8040 ext. 322 or write to:

Colonel A. R. Worthington,

When bronchitis is anything but simple

Bronchitis started 10 years ago – now chronic and complicated by manifest emphysema – forcing him to become more sedentary. Chest x-ray suggests cor pulmonale. Has required repeated treatment with bronchodilators and expectorants. Under instructions to come straight to surgery for antibiotic treatment if sputum becomes purulent, so that further lung damage can be minimised.

R_x ACTIFED COMPOUND LINCTUS FOR COUGH

A COMPARATIVE TRIAL OF CARBENOXOLONE & CAVED-S

*** A new trial in the treatment of peptic ulcers**

SOME EXTRACTS	CAVED-S	CARBENOXOLONE
75% or more healing	62%	62%
Healed	45%	41%
Mean reduction in ulcer area	69%	70%
Mean duration of pain	17 days	19 days
Side Effects after "high risk" carbenoxolone patients excluded, e.g. over 75 years and a diastolic B.P. over 90mm Hg. and with cardiac or renal disease.	2 loose bowels	1 Hypokalaemia 2 Hypertension 2 Hypertension plus oedema

No serious side effects observed in Caved-S treated patients in the double blind or open series, which included "high risk" carbenoxolone cases of 11 hypertensive patients, one man with angina pectoris and bundle branch block, and one man of 80 years

with a history of hemiparesis. The safety of CAVED-S was confirmed by the treatment of the elderly patients with cardiovascular and cerebrovascular diseases. The trial established beyond reasonable doubt the healing action of CAVED-S on gastric ulcers.

DUODENAL ULCER PATIENTS

(Unpublished trial on file)

A hospital trial with CAVED-S tablets at increased dosage established recurrent episodes can be prevented. The high dosage was statistically more effective than the lower dosage in preventing relapses.

Patients were followed up for a minimum of one year, and it was concluded that "HIGH DOSES OF (CAVED-S) SHOULD BE GIVEN TO PATIENTS WITH DUODENAL ULCERS BEFORE SURGERY IS ATTEMPTED."

CAVED-S the ulcer fighter

Behind this great product for oedema...

...is a great product for hypertension

'... in the management of hypertension, the major clinical advantage to be obtained from combination thiazide-amiloride therapy (in comparison with thiazide drug alone) is the occurrence of moderate antikaliuresis and diuretic-antihypertensive efficiency.'

J. clin. Pharmacol., 1969, 9, 217 (Jul-Aug)

'Moduretic' provides thiazide antihypertensive therapy—alone or as adjunctive therapy—

whilst conserving body potassium. In fact, potassium supplements should not be given concurrently.

'Moduretic' combines amiloride hydrochloride, a potassium-conserving agent, with hydrochlorothiazide, the well established thiazide antihypertensive.

Many physicians are already recognising the advantages of 'Moduretic' in the treatment of thiazide-responsive hypertension.

MODURETIC[®]
DIURETIC

Amiloride hydrochloride and hydrochlorothiazide

a highly effective diuretic/antihypertensive that helps to conserve the body's natural potassium

'Moduretic' is available as peach-coloured, diamond-shaped tablets containing 5 mg amiloride hydrochloride and 50 mg hydrochlorothiazide. Detailed information is available to physicians on request. ® denotes registered trademark.

Sudafed oral decongestant

For her the same effective relief from morning sickness
that her mother knew

-with the same dependable treatment

Avomine

tried and trusted for more than 21 years

An outstanding record of efficacy and safety in many thousands of expectant mothers over two decades, together with the notable advantage of low cost, has firmly established 'Avomine'* as the drug of first choice in the treatment of pregnancy sickness. Its sustained anti-emetic action provides efficient round-the-clock control of symptoms and is of great help to the patient in maintaining her normal daily routine during the often difficult first trimester. Side-effects are rarely experienced and there have never been any reports to suggest that its administration in any way harms foetal development.

For the next ten minutes, you are the Dermatologist

It's one of the many hats you have to wear in the course of a normal working day. And while you're wearing it, your standard of diagnosis and treatment will be modelled on those of the dermatologists who taught you – and those whose advice and practice continue to give guidance. For you, now, there is the Ficoid range of topical skin preparations, bringing the standards of hospital dermatology to general practice.

The Ficoid rationale

In the Ficoid range, there are preparations meeting virtually all the specifications you may require in topical skin therapy. An anti-inflammatory effect appropriate to the clinical situation. Antibacterial cover when needed. A physical form appropriate to the lesion and the patient's skin. And all at a cost which makes Ficoid not only good dermatology but exceptionally good value for money as well.

The Ficoid range

The anti-inflammatory agent in Ficoid is fluocortolone, a fluorinated steroid adequate for even the most severe inflammation – and there is a dilute as well as concentrated form. When you need antibacterial cover, Ficoid-plus offers a wide antipathogenic spectrum without the well-known drawbacks of antibiotics.

Cosmetically elegant

To cater for crusted, scaly, lesions and dry skin. Ficoid is available in ointment form. For moist or weeping lesions, Ficoid may be prescribed as a cream or a lotion. This is particularly suitable for pilose areas. For ease of prescribing, all the Ficoid range comes in 30 g tubes, except the lotion which is in 20 ml bottles.

Ficoid 2	fluocortolone 0.2%	cream, ointment; 30 g tubes
Ficoid 2-plus	fluocortolone 0.2% clemizole hexachlorophenate 2.5%	cream, ointment; 30 g tubes
Ficoid 5	fluocortolone 0.5%	cream, ointment; 10 g and 30 g tubes lotion, 20 ml bottle
Ficoid 5-plus	fluocortolone 0.5% clemizole hexachlorophenate 2.5%	ointment 10 g, and 30 g tubes

Clinical evidence for Ficoid*

In one study* fluocortolone was assessed by 110 doctors in the treatment of 1,028 patients with a variety of skin conditions including eczema (44%), dermatitis (15%) and psoriasis (8%). The trial involved both general practice and hospital cases. Results were summarised as follows:

	No	Clearer or improved	Unchanged or worse
Fluocortolone/clemizole hexachlorophenate	605	543	62
Fluocortolone	423	376	47
Totals	1028	919	109
	100%	90%	10%

Contra-indications

In infants, long-term continuous topical steroid therapy should be avoided. Adrenal suppression can occur even without occlusion.

Precautions

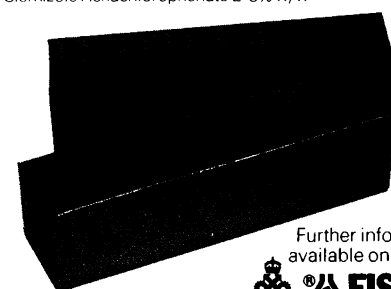

Topical administration of corticosteroids to pregnant animals can cause abnormalities of foetal development.

The relevance of this finding to human beings has not been established, however, topical steroids should not be used extensively during the first trimester of pregnancy, ie in large amounts or for prolonged periods. As with all topical steroids, there is a risk of striae following extensive therapy.

Active ingredients

Ficoid 5-ointment: Fluocortolone 0.25% w/w, Fluocortolone Hexanoate B.P. 0.25% w/w
Lotion/cream: Fluocortolone Pivalate B.P. 0.25% w/w, Fluocortolone Hexanoate B.P. 0.25% w/w
Ficoid 5-plus: Fluocortolone 0.25% w/w, Fluocortolone Hexanoate B.P. 0.25% w/w
Clemizole Hexachlorophenate 2.5% w/w
Ficoid 2 Ointment/cream: Fluocortolone Pivalate B.P. 0.1% w/w, Fluocortolone Hexanoate B.P. 0.1% w/w
Ficoid 2-plus: Fluocortolone Pivalate B.P. 0.1% w/w, Fluocortolone Hexanoate B.P. 0.1% w/w

MEDICINE IN A TROPICAL ENVIRONMENT

Edited by A.G. Shaper, J.W. Kibukamusoke, M.S.R. Hutt.

Medicine in a Tropical Environment is intended for medical students and doctors working in tropical and developing countries. The essays bring together specific problems of the tropical environment which have been the subject of recent investigation, and the authors write on them from personal experience. Little of the material on which the essays are based was available more than five years ago. To doctors in temperate climates preparing themselves for medical work in developing parts of the world *Medicine in a Tropical Environment* is essential reading.

Bread should have a place on every table

	Quantity per oz. of bread	Contribution of bread to average daily diet *
Protein	2.2 g	16.8%
Iron	0.51 mg	17.9%
Calcium	26.0 mg	14.3%
Niacin	0.48 mg	15.1%
Thiamine	0.05 mg	23.3%
Energy value	69 kcal	14.3%

* Figures from 1971 National Food Survey

Our daily bread is often underestimated as an essential source of goodness and nourishment.

In the average national diet (according to the 1971 National Food Survey), bread plays a key part, providing over one-sixth of a person's daily protein and iron intake; over one-fifth the

daily thiamine; and nearly one-sixth the daily calcium, niacin and energy value.

This means, of course, that the importance of including bread in one's diet should never be underestimated. To cut out bread, even when slimming, may produce an unsatisfactory diet. For health's

sake, it's worth recommending bread in *every* diet.

Penny for penny, bread provides nearly twice as much protein as cheese, and nearly three times that of white fish or beef. Which makes our daily bread one of the best food bargains in the world.

The Flour Advisory Bureau, 21 Arlington Street, London, SW1A 1RN

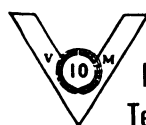

The Professional Approach

This is the only approach to driving which enables you to drive at all times competently and safely.

This is the constant approach of members of the Company of Veteran Motorists – an association of 100,000 drivers dedicated to safe and courteous driving.

Regrettably the hazard of road accidents is always present but by promoting this professional approach – **COMPETENCE, COURTESY AND SAFETY** – the Company of Veteran Motorists believes this hazard will be reduced.

If you are interested in playing your part and have driven for ten years or more without serious conviction for a motoring offence, you are invited to obtain particulars of membership from

GENERAL PRACTICE TRAINING POSTS

IPSWICH AND DISTRICT HOSPITAL MANAGEMENT COMMITTEE

VOCATIONAL TRAINING FOR GENERAL PRACTICE

The Ipswich Scheme
This is a well established and successful Vocational Training Scheme. It is specifically designed to allow a group of 8 trainees to go through their training programme together. The programme consists of 2 years rotating appointments in hospital and a total of 1 year in General Practice.

Trainees in the next intake will start their hospital training in August, 1973.

The particular features of the Ipswich Scheme include a sponsorship of the trainees for General Practice during their hospital period, weekly seminars in Psychiatry and Medicine and a specifically designed group training programme based on a day-release scheme conducted during the G.P. year.

Hospital married accommodation will be available for trainees, if desired, for the whole of the 3 years.

Those interested in joining the scheme, should be fully registered and available to start on 1st August, 1973.

Application by mid-April is essential. For further details please apply to The Clinical Tutor, Ipswich Hospital, Angelsea Road Wing, Ipswich, or make arrangements to visit the hospital. (47781) 22

SOUTH-EASTERN REGIONAL HOSPITAL BOARD Scotland

VOCATIONAL TRAINING FOR GENERAL PRACTICE

Applications are invited for places in the rotational training schemes in General Practice which will be available on 1st August, 1973. The posts will all be in the Senior House Officer grade and cover a three year training period. The first and third years will be spent in hospital service posts and the second year in General Practice. The hospital posts will include six months in General Medicine and additional periods in the specialties detailed in the further particulars.

There will be four vacancies based on the Edinburgh Northern Group of Hospitals, two at the Royal Infirmary and two in the Fife Hospitals. Additional schemes are planned.

A formal educational half-day release programme is available in the first two years of each scheme and arrangements are being made for training in other specialties of particular interest to General Practitioners, for example E.N.T., Ophthalmology and Dermatology.

These schemes are recognized by the Royal College of General Practitioners as appropriate for candidates for the M.R.C.G.P.

Further particulars may be obtained from the **Secretary to the Regional Hospital Board at 11 Drumsheugh Gardens, Edinburgh**, with whom applications should be lodged not later than 31st March, 1973. Applications should be typewritten and should give particulars of age, qualifications and previous experience, together with the names and addresses of two referees.

(H11062)

22

WARLEY AND WEST BROMWICH

VOCATIONAL TRAINING FOR GENERAL PRACTICE

This scheme is established and further vacancies will be available in July, 1973 and January, 1974.

The programme consists of two years established rotating appointments in General Medicine, Obstetrics and Gynaecology, Psychiatry and Paediatrics, and a total of one year in General Practice. (Alternative specialties may be included to meet the needs of individual applicants).

Day release sessions will be available during the course in E.N.T., Dermatology, Ophthalmology, and Trauma and Orthopaedics.

Meetings and visits, and monthly seminars will be organized throughout the three-year period.

Hospital married accommodation will be available during the hospital and G.P. appointments if desired.

The respective hospital appointments are recognized for the D.C.H. and D.Obst.R.C.O.G. examinations and the course has the approval of the Board of Graduate Studies of Birmingham University.

Applications should be sent to the Group Secretary, West Bromwich and District H.M.C. Edward Street, West Bromwich, Staffs. (21795) 22

WESSEX REGIONAL HOSPITAL BOARD

Offers a link hospital and general practice training post in the S.H.O. Grade at Basingstoke. The successful candidate will spend six months each in Psychiatry, Obstetrics & Gynaecology, Paediatrics and Accident and Emergency. An opportunity will be provided to take the D.Obst.R.C.O.G.

The final year will be as a trainee in a selected practice near the hospital and include a day release course of vocational training for General Practice.

Application forms and further particulars from the North Hampshire Group Secretary, Basingstoke and District Hospital, Aldermaston Road, Basingstoke. Tel: Basingstoke 3202. Closing date 30th March, 1973. (47966) 22

 (21230) 25

University of North Carolina

School of Medicine — Department of Family Medicine

Applications are invited from general practitioners who would like to
 spend a sabbatical period of six months in the School of Medicine
 (Department of Family Medicine) at the University of North Carolina
 at Chapel Hill. Two candidates are to be selected, one to begin in July
 next and the other in January, 1974. Each would take part in the
 teaching of medical students and residents in the department, be
 encouraged to join in the primary care activities and develop his own
 project in family medicine with the support of the research staff of
 the department. The salary level payable by the University would be
 based on the qualifications and background of the successful
 candidate but would enable him to pay his expenses to rent
 accommodation, car, etc. Travelling expenses to and from North
 Carolina for the doctor and family would be met by the King Edward
 Hospital Fund for London. Further details may be obtained from Dr.
 J. O. F. Davies, Secretary, Council for Postgraduate Medical
 Education in England and Wales, 9, Gloucester Gate, Regent's Park,
 London NW1 4HG to whom applications should be addressed, to
 arrive not later than Saturday, 24th March, 1973. (H11082) 25

 Pregnancy' by a Member or Fellow of not more than ten years'
 standing of the Royal College of Physicians and Surgeons of
 Glasgow, Royal College of Physicians of Edinburgh, Royal College
 of Surgeons of Edinburgh or Royal College of Obstetricians and
 Gynaecologists.

Two copies of the essay, of approximately 5,000 words, should be
 submitted to the Honorary Secretary of the Royal College of
 Obstetricians and Gynaecologists not later than 1st October,
 1973.

*The College reserves the right to offer the successful essay for
 publication in the Journal of Obstetrics and Gynaecology of the
 British Commonwealth.*

27 Sussex Place, Regent's Park, London NW1 4RG. (H11063) 25

UNIVERSITY OF DAR ES SALAAM TANZANIA

Applications are invited for the following posts in Faculty of Medicine:—

ASSOCIATE PROFESSOR AND SENIOR LECTURER/LECTURER IN PHYSIOLOGY

Applicants for Associate Professor must be medically qualified and have a
 postgraduate degree in Physiology. For the other post, preference will be given to
 candidates with a medical degree and teaching experience. Physiology is
 integrated with other disciplines and is mainly taught in the first 2 years of the 5
 year M.D. Programme. Appointees will help in the organisation of teaching in an
 integrated medical curriculum and in training Tanzanian staff.

SENIOR LECTURER/LECTURER IN CHILD HEALTH (Paediatrics)

Candidates must have a higher medical qualification such as M.R.C.P. and
 should have had considerable teaching experience. Appointee will take part in the
 Department's teaching of all aspects of child care in the Tanzanian setting. He
 will have the opportunity for research and will help in the organisation in the
 Faculty's integrated curriculum and in training junior staff.

Salary scales: Associate Professor T£2,800-T£3,220 p.a. Senior Lecturer T£2,380-
 T£2,800 p.a. Lecturer T£1,898-T£2,318 p.a. A medical differential in range T£48-
 T£276 p.a. may also be payable. (T£ — £1.19). The British Government may
 supplement salaries in range £550-£1,100 p.a. (sterling) for married appointees or
 £300-£850 p.a. (sterling) for single appointees (normally free of all tax) and
 provide children's education allowances and holiday visit passages. F.S.S.U.
 Family passages; biennial overseas leave.

Detailed applications (2 copies), including a curriculum vitae and naming 3
 referees, should be sent by air mail, not later than 3rd April, 1973 to the Chief
 Academic Officer, University of Dar es Salaam, P.O. Box 35091, Dar es Salaam,
 Tanzania. Applicants resident in U.K. should also send 1 copy to Inter-University
 Council, 90/91 Tottenham Court Road, London W1P 0DT. Further particulars
 of these appointments are obtainable from either address. (21638) 25

COMMERCIAL APPOINTMENTS (See also p. xx)

Glaxo

IMMUNOLOGIST/ HISTOPATHOLOGIST for Biological Research at Greenford

In consequence of our increased activity in the field of
 immunology and, in particular, the immunology of
 cancer, we are making a senior appointment to work on
 the cytology and histopathology related to these
 subjects. In addition the person will be required to do
 some histopathology related to other research projects
 in the Department. The person we are seeking should
 have both a good working knowledge of animal
 histopathology, a considerable ability in collaborative
 research and at least a working knowledge of modern
 immunology. He or she is likely to be medically qualified
 although a senior graduate in Science or Veterinary
 Medicine with the necessary experience would be
 considered.

It is envisaged that the appointment would be made on
 our Senior Scientific Officer scale and that the salary,
 dependent on age, experience and qualifications would
 be in excess of £4,000 per annum.

Please apply in writing to the Senior Personnel Officer
 (Research), Glaxo Laboratories Limited, Greenford,
 Middlesex, and quoting ref. AM.494. (21664) 34

THE UNIVERSITY OF ADELAIDE

invites applications for appointments as
**SENIOR LECTURER AND
 LECTURER IN ANATOMY
 AND HISTOLOGY**

A medical qualification registrable in South Australia is desirable but not essential.

The Department of Anatomy and Histology teaches University students of medicine, dentistry and science and in addition physiotherapy students of the South Australian Institute of Technology (for further particulars see Statement referred to below). Research fields are neuroendocrinology using electro-physiological and electron microscope techniques, human and comparative neurology, experimental embryology and teratology, human and comparative anatomy including clinical anatomy, and cell biology.

Salary scales (under review): Senior Lecturer \$A9,644-318(5) - 11,234. Lecturer \$A6,801-375(1)-369(6)-9,390, with superannuation on the F.S.S.U. basis. In addition special allowances, not subject to superannuation contributions, are payable in respect of medical qualifications registrable in South Australia.

UNIVERSITY OF
NEWCASTLE UPON TYNERESEARCH ASSOCIATE
Research in Bone Necrosis

Applications are invited from medical practitioners holding F.R.C.S. for a temporary post of Research Associate to assist in a two year research project on bone necrosis. The post is suitable for someone of Registrar grade who wishes to gain research experience before entering a higher training programme and would be particularly suitable for a candidate wishing to be considered later for the four year training programme in orthopaedic and accident surgery conducted at The Robert Jones and Agnes Hunt Orthopaedic Hospital, Oswestry. Salary in the range £2,634 — £3,282 per annum. Applications should be sent as soon as possible and not later than 14 days after the date of this advertisement to Professor D. N. Wilder, Professor of Surgical Science, Department of Surgery, Royal Victoria Infirmary, Newcastle upon Tyne NE1 4LP (21704) 25

UNIVERSITY OF AUCKLAND
New Zealand
School of MedicineNATIONAL RESEARCH CHAIR
IN CHILD HEALTH
(Department of Paediatrics)

Applications are invited for the newly-established National Research Chair in Child Health tenable in the Department of Paediatrics of the School of Medicine. The establishment of the Research Chair was made possible by the generous public response to an Appeal conducted by Rotary International to mark its Golden Jubilee in New Zealand.

The Professor will be required to undertake research which will include the diagnosis, prevention and treatment of diseases suffered by children and the nature, origin and causes of disease and bodily and mental affliction in children. Although it is envisaged that his duties will be mainly concerned with research, a suitably qualified person may be given the opportunity to undertake a limited amount of teaching and examining. Candidates should hold a higher University degree and have a strong research record in the field of Child Health. The Research Professor may be appointed to the honorary medical or non-medical staff of the Auckland Hospital Board. Appropriate responsibilities to the Auckland Hospital Board will be defined.

Salary will be established within the appropriate range having regard to the qualifications of the candidates concerned.

Medical: The present range for medically qualified professorial staff is \$NZ15,580 — \$17,238 per annum.

Non-Medical: The present range for non-medical professorial staff is \$NZ11,934 — \$15,248 per annum.

The successful candidate will be required to take up his duties during 1973 on a date to be arranged with the University Council.

Conditions of Appointment and Method of Application are available from all New Zealand and Australian Universities, from the Registrar of the University or from the Association of Commonwealth Universities (Appts.), 36 Gordon Square, London WC1H 0PF. (Tel: 01-387 8572). Applications close on 30th April, 1973. (21748) 25

COMMERCIAL APPOINTMENTS

CLINICAL RESEARCH

Registered medical practitioners with special interests in the clinical investigation of new drugs originating from May & Baker's Research facilities are invited to apply in writing to

**Dr. J. Nuttall-Smith,
 May & Baker Ltd., Dagenham,
 Essex RM10 7XS**

quoting reference number: 44/BMJ/I.

A full time post is available in the organizing of the clinical pharmacology and the therapeutic trials of new drugs. This should especially appeal to a man or woman with clinical experience and scientific leanings who wishes to make a career in therapeutic research.

An attractive salary and other conditions will be offered.

M&B May & Baker

Young Physician

Pharmacological Research

The recent addition of laboratory facilities for the study of drug absorption, distribution metabolism and excretion in animals and man has created a challenging opportunity within our Medical Division for a young Physician with a strong interest in and preferably experience of Pharmacokinetics and Clinical Pharmacology. A higher medical or scientific qualification is desirable but the prime requirements are demonstrable interest, drive and ability.

The successful applicant will become one of a multidiscipline team of

scientists and doctors bringing together skills in assay development, biochemistry, medicine, medical physics, mass spectrometry, experimental pathology and pharmacokinetics.

The job involves the definition, design and execution of studies on the effect on man of drugs at an early stage of development. Colleagues will include Research Fellows engaged in similar activities in the industrial phase of joint university/industrial appointments, and physicians

in our Department of Clinical Research. Some overseas travel will be necessary. Publication will be encouraged and expected.

An attractive salary will be negotiated, a company car provided, and there are excellent fringe benefits. If you would like to apply, please send details of your age, qualifications and experience, or write for further information, to: The Medical Director, G. D. Searle & Co. Ltd., Lane End Road, High Wycombe, Bucks.

SPECIAL APPOINTMENTS

COMPUTERS

**REGISTRAR IN
MEDICAL COMPUTING****King's College Hospital, London**

King's College Hospital is developing extensive computer facilities on visual display terminals, to be used by medical, nursing and technical staff. The system now in use handles registration of in-patients and certain aspects of medical and nursing recording. Future plans include a hospital-wide communications system between the wards and Radiology, the Pharmacy and the Pathology laboratories.

The vacant position has been established to allow a medical graduate with more than three years general clinical experience to undergo formal training in computer techniques and to gain experience in developing medical computer applications. The applicant must have an enquiring mind, be capable of paying great attention to detail and be able to communicate clearly with all levels of the medical profession.

Application forms obtainable from the Personnel Office, King's College Hospital, Denmark Hill, London, S.E.5. Tel: 01-274 6222, Ext. 2630, should be completed and returned by 31st March, 1973. (21634) 37

IN CASUALTY

from 1st to 15th April, 1973. Tel: 272 3070, Ext. 384. (This post is resident). (47969) 51-8

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1969, No. 163).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1,749 per annum for the posts held during the first year; £1,887 per annum for posts held during the second year; £2,025 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,280 per annum x £177(2) — £2,634.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,634 per annum x £162(4) — £3,282.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale, and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,120 per annum x £162(1) x £216(4) — £4,146.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £2,925 per annum x £168(1) x £180(3) x £168(10) — £5,313.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £4,836 per annum x £279(8) x £282(1) — £7,350.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rental is appropriate.

MANCHESTER REGIONAL HOSPITAL BOARD

Whole-time or maximum part-time CONSULTANT PATHOLOGIST
(Microbiology)
to the Wythenshawe and North Cheshire Group. This is a new post in a District General Hospital and in addition offers facilities for a special interest in cardio-pulmonary microbiology. It will also include supervisory duties in the C.S.S.D. and in cross infection problems. Wide experience and a higher qualification are essential and the appointee will be required to live within 10 road miles of Baguley Hospital. Application forms and further particulars from the Senior Administrative Medical Officer to the Board, Gateway House, Piccadilly South, Manchester M60 7LP, to be returned not later than 7th April, 1973. (21722) 68-1

NEPHROLOGY

THE UNITED LIVERPOOL HOSPITALS
Liverpool Regional Urological Centre

Applications are invited for a locum appointment as

ASSISTANT IN NEPHROLOGY
(Medical Assistant Grade)
It is expected that the appointment will be tenable for not less than six months. The successful applicant will spend most of his time dealing with the day to day running of the Home Dialysis Training Unit at Mossley Hill Hospital and in the supervision of patients already established on this form of treatment. There are also certain duties in other aspects of nephrology including acute renal failure. Experience in general medicine is desirable but previous experience in nephrology is not necessary. Applying to the Secretary, The United Liverpool Hospitals, 80 Rodney Street, Liverpool, by 30th March, 1973. (H11007) 70-3

STOBHILL GENERAL HOSPITAL
Glasgow G21 3UW

Applications are invited for the post of **REGISTRAR** IN RENAL MEDICINE M.R.C.P. desirable. Candidates should intend to develop a special interest in nephrology, but previous experience in this is not essential.

Application is provided in all aspects of the specialty, and duties include care of dialysis patients and diagnostic use of isotopes. Stobhill is one of the major teaching hospitals in Glasgow, and its renal unit is the training centre for home dialysis in the West of Scotland. Facilities are available for research and study, and for rotation to other renal units. Intending applicants may visit the unit by arrangement, or may write for further particulars. Applications (3 copies) including curriculum vitae and names of two referees, should be addressed to the Group Medical Superintendent. (21698) 70-6

NEUROLOGY

THE UNITED CAMBRIDGE HOSPITALS
Consultant Post in Neurology

Applications are invited for the newly created post of **CONSULTANT NEUROLOGIST** (whole-time or maximum part-time) Six sessions will be worked with the Teaching Hospitals Group and the remainder with the East Anglian Regional Hospital Board. Applications (12 copies) including the names of three referees, should be sent to the House Governor, Addenbrooke's Hospital, Hills Road, Cambridge CB2 2QQ, from whom further detailed particulars may be obtained. (Mr. E. Walker, Cambridge 45151, Ext. 7514) The closing date for applications is the 7th April, 1973. (47585) 71-1

 Vacant immediately for up to four months with duties in the subnormality division. East Birmingham group mainly at Coleshill Hall Hospital. Applications naming 3 referees to Secretary, 146 Hagley Road, Birmingham B16 9PA immediately. (47865) 84-1

MANCHESTER **REGIONAL HOSPITAL BOARD**

LOCUM CONSULTANT PSYCHIATRIST
 required 2nd April, 1973 pending the appointment of an additional Consultant Psychiatrist. The duties of the post will be divided between the Blackpool and Fylde Group of Hospitals (Victoria Hospital and Adelphi House Day Hospital, Blackpool and Wesham Park Hospital, Kirkham) and Lancaster Moor Hospital, Lancaster.
 Application forms and further particulars can be obtained from the Group Secretary, Blackpool and Fylde Hospital Management Committee, Group Offices, Victoria Hospital, Blackpool FY3 8NR. (H11085) 84-1

MANCHESTER **REGIONAL HOSPITAL BOARD**

Three whole-time or maximum part-time **CONSULTANT PSYCHIATRISTS**
 to work in three area teams comprising seven Consultants serving in the Greater Salford area with a future population of approximately 280,000. There are two separate Consultant posts for special units serving adolescent and forensic psychiatry. The persons appointed will have beds at Prestwich Hospital, Manchester and out-patient and day-patient responsibilities at Hope Hospital, Salford which is being developed as a University Teaching Hospital. Wide experience and a higher qualification essential; an interest in teaching desirable. The appointees will be required to live within ten miles and paid from the two above-mentioned hospitals.
 Application forms and further particulars from the Senior Administrative Medical Officer to the Board, Gateway House, Piccadilly South, Manchester M60 7LP, to be returned by 7th April, 1973. (21511) 84-1

MANCHESTER **REGIONAL HOSPITAL BOARD** **AND HOME OFFICE**

Whole-time **CONSULTANT FORENSIC PSYCHIATRIST** for joint appointment with the Regional Hospital Board for five sessions and the Home Office for six sessions. Duties will be mainly at Prestwich and Withington Hospitals and on behalf of the Home Office at H.M. Prison, Strangeways, Manchester and Risley Remand Centre, Culcheth, near Warrington.
 The successful applicant would participate in the systematic instruction of postgraduates in the Department of Psychiatry and the University of Manchester would be prepared to consider granting appropriate honorary status to the appointee.

Applicants should have wide experience in general psychiatry and should be experienced Forensic Psychiatrists. Experience in court work would be an advantage. A higher qualification is essential and the appointee will be required to live within ten road miles of Prestwich.
 Application forms and further particulars from the Senior Administrative Medical Officer to the Board, Gateway House, Piccadilly South, Manchester M60 7LP, to be returned by 31st March, 1973. (21512) 84-1

SOUTH WEST METROPOLITAN **REGIONAL HOSPITAL BOARD**

requires whole-time or maximum part-time **CONSULTANT PSYCHIATRIST** to the Banstead Group of Hospitals with duties mainly at Banstead Hospital, Sutton, Surrey.
 The successful candidate will be required to live within ten miles of Banstead Hospital.
 Application forms and further particulars available from the Acting Secretary, (Sl), South West Metropolitan Regional Hospital Board, 40 Eastbourne Terrace, London W.2. (Tel: 01-262 8011, Ext. 288). Forms to be returned by 14th April, 1973. (48013) 84-1

SOUTH WESTERN **REGIONAL HOSPITAL BOARD** Bristol Clinical Area

Applications are invited for the appointment of a whole-time or maximum part-time **CONSULTANT IN ADULT PSYCHIATRY** with a special interest in rehabilitation, in the Bristol Clinical Area. The Consultant appointed will be based initially at Glenside Hospital, Bristol, with admission and back-up facilities in that hospital, and he will develop one of the four teams which are to serve the Frenchay District General Hospital and the North-East District of Bristol. He will have an Out-Patient session at Frenchay Hospital, Bristol. He should have a special interest in rehabilitation and the problems of resettlement of patients in the community in co-operation with the Department of Employment, the Local Authority and voluntary organisations (including the Industrial Therapy Organisation and its associated Housing Association). He will have day patient facilities at the Day Hospital, 12 Grove Road, Redland, and at Glenside Day Hospital and Glenside Day Hospital.
 The successful candidate will be required to live in or near Bristol.

Further details of this appointment may be obtained from the Board's Senior Administrative Medical Officer, 27 Tyndalls Park Road, Bristol B.7. P.J.
 Applications (one copy, no form provided) together with the names and addresses of two referees should be sent to the Secretary to the Board at the above address by 9th April, 1973. (H11095) 84-1

SOUTH-EASTERN **REGIONAL HOSPITAL BOARD** Scotland

Applications are invited for the post of **CONSULTANT PSYCHIATRIST** (whole-time or maximum part-time) with responsibilities in General Psychiatry and in Adult Mental Subnormality, at Dingleton Hospital, Melrose, Roxburghshire. This hospital of 418 beds is run as a therapeutic community, serves a population of approximately 100,000, and lays emphasis on community psychiatry.

Further particulars on application.
 Applications, which should be typewritten, giving particulars of age, qualifications and previous experience, together with the names and addresses of three referees, to the Secretary, 11 Drumsheugh Gardens, Edinburgh EH3 7QQ, by 7th April, 1973. (H11022) 84-1

Facilities are available for postgraduate medical education, clinical research and training in an interesting new approach to Clinical Psychiatry. D.P.M. or M.R.C.Psych. essential.

Candidates invited to visit hospital by direct arrangement with H.M.C. Secretary, St. Clement's Hospital, Ipswich. (Tel: Ipswich 70211). Application forms from S.A.M.O., East Anglian, R.H.B. Union Lane, Chesterton, Cambridge, to be returned by 26th March. 1973. (47883)

84-5

JOINT REGISTRARS COMMITTEE

THE BOARD OF GOVERNORS OF THE UNITED LEEDS HOSPITALS THE UNIVERSITY OF LEEDS AND LEEDS REGIONAL HOSPITAL BOARD

SENIOR REGISTRAR IN MENTAL HANDICAP

Regional Training Scheme Applications are invited for the above appointment. There are two Senior Registrar posts in Mental Handicap designed to provide a comprehensive training in mental handicap and associated relevant disciplines.

The appointee will be based in Leeds, Bradford or Wakefield and will have 7 sessions weekly devoted to clinical work in a hospital for the mentally handicapped. This work will include out-patient clinics, group therapy and case conferences under Consultant supervision. The remaining sessions will be devoted to special assignments of the appointee's choice e.g. E.E.G., clinical psychology, forensic psychiatry and research at the University Department of Psychiatry. The training course is programmed to include experience in the management of psychopathic patients, in chromosomal analysis, in dermatological studies and in child psychiatry, paediatrics or general medicine.

The post is non-resident.

Please quote reference No. 329.

Further details and application forms available from the Acting Secretary, Joint Registrars Committee, Park Parade, Harrogate, Yorkshire, to whom they should be returned by 28th March. 1973. (47706)

GOVERNMENTAL

Department of Health and
Social SecurityMedical
Officers

(Social Security)

... for posts in the Regional Offices of the Social
Security (as distinct from the Health) Medical Branch
of the Department.

Medical Officers advise on all aspects of claims for
benefit under the Industrial Injuries Act, and on any
other matters relating to Social Security; arrange War
Pensions and Industrial Injuries Medical Boards for
assessment of disablement; handle claims for the
recently introduced Attendance Allowance.

There are limited and varying opportunities for the
clinical examination of war pensioners and claimants
for Attendance Allowance.

Current vacancies are likely to be in Birmingham,
Leeds, and Nottingham.

You must be fully registered as a medical practitioner in
the U.K. and have good clinical experience. Experience
in medical boarding and/or occupational health would
be an advantage.

Starting salary £4,313-£6,045, according to
qualifications and experience. Non-contributory
pension scheme. Prospects of promotion to Senior
Medical Officer (£7,276) and higher posts.

For full details and an application form (to be returned
by 9th April, 1973) write to Civil Service Commission,

PUBLIC HEALTH
ISLE OF MAN
Appointment of
SENIOR MEDICAL OFFICER
(SCHOOL HEALTH) AND DEPUTY
ISLE OF MAN MEDICAL OFFICER
OF HEALTH
Applications are invited from registered
medical practitioners for the above
appointment which is being made by a Joint
Committee representing the various
Government Boards concerned with the
Public Health Service in the Island.
The person appointed will be responsible,
under the direction of the Isle of Man Medical
Officer of Health and Principal School
Medical Officer, for the supervision of the
School Health Service (which is administered
by the Board of Education), including the care
of handicapped children, and the duties will
include both clinical and administrative.
Salary will be in accordance with the scale
for Senior Medical Officers formulated by the
Whitley Councils for the Health Services
(Great Britain) and as contained in M.D.C.
Circular No. 67. The range of salary will be
£3,669-£4,452 and the starting point for the
person appointed will be fixed in the light of
experience and qualifications. Standard rate
of Income Tax in the Isle of Man is 21.25 in the
E. There is no Capital Gains Tax. Surtax or
Estate Duty.
Previous experience in school health
administration is essential and possession of
the D.P.H. or D.C.H. and experience in
general public health administration will be
an advantage.
The post is a permanent one in the Isle of
Man Civil Service and is pensionable on a non-
contributory basis. There are reciprocal
arrangements for the transfer of accrued
superannuation rights from the United
Kingdom. The National Insurance provisions
are similar to those in force in the United
Kingdom.
The person appointed will be paid a grant at
the rate of 60 per cent towards reasonable cost
of removal and a mileage allowance will be
paid for the use of the officer's own car for
official duties.
Further particulars regarding duties, terms
and conditions of employment and any other
relevant information may be obtained from
the Isle of Man Medical Officer of Health,
Government Buildings, Tromode, Douglas,
Isle of Man, to whom applications (by letter)
with relevant enclosures should be returned.
Closing date for receipt of applications is
14th April, 1973. (H11100) 113

Reply to Box 4593 BMJ 118

Medical Officers

Zambia £5,340+ p.a.

You are offered the prospect of a tour of duty — for as little as one year — in Zambia, one which will give you both a wide range of professional experience and early responsibility (all in addition to a wide extension of your personal horizons). It is with the nation's major mining organisation, Nchanga Consolidated Copper Mines Ltd., with an international staff of technical specialists.

The company is responsible for providing full medical care to its employees — over 30,000 — and their families; the total of persons to be looked after is about 150,000.

There is a senior doctor staff of over 40, including a full complement of specialists and 150 fully qualified nurses. The modern facilities include 5 well-equipped hospitals (814 beds), 16 clinics and 8 main first aid dressing stations.

General Duty Medical Officers will be involved in preventive and curative medicine, surgery, anaesthetics, gynaecology/obstetrics, public health and nutrition; and although the mines have a strict safety code an amount of accident work can be expected.

Contracts may be negotiated for periods of one to three years. Locums can also often be arranged.

Salaries will depend on experience, but the minimum is K9060 (£5,345) gross per annum. In addition there is a cash settling-in allowance; subsidised company private primary schools; a detached, furnished house with garden is provided for £1.50 per week; and children receiving secondary education overseas are granted up to £500 per child per year towards school fees and two free return passages to visit their parents during holidays; interest free car loan available.

Study leave on full pay — up to 6 months — is available. Currency regulations allow up to 33% of gross income to be sent home per month with an additional end of contract allowance.

Please send for details to:

KURRI KURRI DISTRICT HOSPITAL New South Wales, Australia

MEDICAL SUPERINTENDENT
 Written applications are invited for the position of Medical Superintendent at this Hospital. Applicants should state details of experience and qualifications, enclose copies of references and birth certificate and have some clinical administrative experience in a Hospital. Preference will be given to the holder of postgraduate medical qualifications or tertiary qualification in Hospital Administration. Responsibility is to the Board of Directors for the medical administration of the Hospital.

Commencing salary \$11,270 per annum plus \$560 per annum if in possession of a postgraduate medical qualification. Contributory superannuation after 12 months service. A new 3 bedroom brick home adjacent is available for a nominal rental. The Hospital is situated approximately 20 miles west of Newcastle in N.S.W. and has an average of 135 General Medical and Obstetric patients. Further information from the undersigned, K. Kingsford, Chief Executive Officer, Box 44 P.O., Kurri Kurri 2327, New South Wales, Australia. (H10919) 118

MEDICAL UNIVERSITY OF SOUTH CAROLINA Charleston, S.C. 29401, U.S.A.

Surgical Research Fellowship in Immunology available for 1-2 years in large U.S. medical centre. Preferable to have M.D. and M.Sc. Pleasant coastal city with excellent climate. Salary U.S. \$10,000-12,000 p.a. Contact A. M. Munster, F.R.C.S., Dept. Surgery. 118

PRINCESS MARGARET HOSPITAL FOR CHILDREN Perth, W. Australia

DIRECTOR OF CASUALTY SERVICE
 Applications are invited for the whole-time appointment of Director of Casualty Services. Appropriate paediatric experience and training is essential. Administ. practice experience in paediatric or oriented General Practice, General Medicine or Surgery, or Medical Administration would be of advantage.

The appointee will be directly responsible to the Medical Director for the organization and supervision of all sections comprising the Casualty Department (including resuscitation) together with the training of the Department's medical staff.

Current salary range is \$14,345 to \$18,750 per annum, with the commencing rate dependent upon qualifications and experience.

The Princess Margaret Hospital is the sole paediatric teaching hospital in Western Australia and is closely integrated with the University Department of Child Health and the Princess Margaret's Children's Medical Research Foundation. There are at present 300 beds with 14,000 admissions per annum and approximately 50,000 Casualty attendances per year. All specialist branches of paediatrics are provided for within the hospital.

A limited right of private practice may be granted. There would be opportunities for research, particularly in epidemiology. Superannuation is available.

Enquiries and further particulars may be obtained from the undersigned, with whom applications close from 30th April, 1973. J. D. Clarkson, Administrator. (H11099) 118

WELLINGTON HOSPITAL BOARD Wellington, New Zealand

DIRECTOR OF ANAESTHESIA

Applications are invited from suitably qualified Medical Practitioners for the position of Director of Anaesthesia to the Wellington Hospital Board. Applicants must be registered or registrable in New Zealand, and must hold a current practising certificate.

An appropriate higher qualification is necessary and applicants must qualify for Specialist Status as defined in the New Zealand Hospital Service Determination for Medical Officers.

Salary scale will be within the range N.Z. \$9,946—N.Z. \$13,393 with automatic increments to the maximum.

Assistance may be given towards the appointee's transport expenses to New Zealand in return for an undertaking to remain in the Board's service for a minimum period of three years.

Applicants should obtain a Schedule of Conditions of Appointment and an application form from the OFFICE OF THE New Zealand High Commission, New Zealand House, Haymarket, London, S.W.1, or from the Chief Executive, Wellington Hospital Board, P.O. Box 10245, Wellington, New Zealand by whom applications, preferably on the form provided, will be received up till Friday, 20th April, 1973. (21645) 118

UNIVERSITY HOSPITAL Saskatoon, Saskatchewan, Canada

REHABILITATION MEDICINE
 Residency training post available in the Department of Rehabilitation Medicine of this 546 bed university teaching hospital. Training is fully approved by the Royal College of Physicians and Surgeons of Canada for its certification and fellowship in medicine examinations.

Experiences include care of patients on a Special Rehabilitation Ward, physical medicine services throughout the hospital and, an active programme with adult and children out-patients. Residents are encouraged to participate in rounds of other departments. Complete training programmes planned according to needs of individuals. Living quarters for single physicians available. Salary range from \$628.75 to \$910.17 per month dependent on previous training.

Enquiries should be directed to: Dr. T. E. Hunt, Director of Rehabilitation Medicine, University Hospital, Saskatoon, Saskatchewan, Canada. (H10992) 118

WAITAKI HOSPITAL BOARD New Zealand

SPECIALIST PHYSICIAN

Applications are invited from suitably qualified medical practitioners for the position of Specialist Physician at the Oamaru Hospital, which has 156 available beds.

The appointment may be whole or part-time, the basis of employment to be subject to negotiation.

Salary scale \$9,946/ \$13,393 N.Z. p.a., the commencing rate to be determined by the Grading Committee, with promotion by automatic annual increments to the maximum of the scale.

Further information available from the Superintendent and Conditions of Appointment may be obtained from the Managing Secretary, P.O. Box 94, Oamaru, N.Z. with whom applications close on 30th April, 1973. (H11125) 118

GENERAL AND COMMERCIAL (TRADE): Notices; Accommodation; Consulting Rooms; Houses and Property; Travel; Hotels; Nursing, Medical and Secretarial Agencies; Commercial. Minimum charge £2.70 for eighteen words. Additional words at the rate of 90p for each six or less. Box Number address counts as six words, and 5p to be added for postage.

SEMI-DISPLAY ADVERTISEMENTS

£9 per single column inch and pro rata

All classified advertisements, subject to approval, will appear in the forthcoming issue provided they reach this office not later than 10 a.m. on the Friday of the week preceding date of issue. Semi-display advertisements must reach this office by 10 a.m. on the Tuesday of the week preceding date of issue.

Cancellation and corrections of advertisements must be received before 12 noon on the Friday of the week preceding date of issue (issues affected by public holidays excepted).

It is requested that when stamped addressed envelopes are enclosed in response to advertisements advertisers will ensure that a reply is sent.

Every effort is made to ensure the accuracy of advertisements appearing in the Journal. No recommendation is implied by acceptance, and the Editor of the *British Medical Journal* reserves the right to refuse, discontinue or interrupt the insertion of any advertisement.

NOTICE TO READERS

REPLIES TO BOX NUMBERS. The names and addresses of advertisers under box numbers are held by us in strict confidence and cannot be disclosed. Each Box Number should be addressed separately. Two or more replies can be enclosed in one envelope. The replies will be forwarded to the advertisers in plain envelopes.

NOTICE TO SUBSCRIBERS

United Kingdom and Irish Republic. The annual subscription rates for members of the medical profession who are not members of the B.M.A. is £21.00. Subscriptions can be ordered direct from the Subscription Manager, *British Medical Journal*, B.M.A. House, Tavistock Square, London WC1H 9JR, or through any leading subscription agent or bookseller.

The non-member subscription rate to the B.M.J. by surface mail is in Canada \$39.00; U.S.A. \$36.00, including postage. Readers in the U.S.A. can send their subscription orders, with or without payment to: *British Medical Journal*, 1172 Commonwealth Avenue, Boston, Mass. 02134.

VENTOLIN

for effective bronchodilatation without
cardiac stimulation

Ventolin is available in a wide range of preparations, all of which contain salbutamol BP. This compound has a highly selective action on bronchial muscle, causing maximal dilatation with low dosage. Therapeutic doses of salbutamol are virtually devoid of effects on heart or blood pressure; this is now so well established that Ventolin is the only adrenergic bronchodilator that is indicated for the treatment of bronchospasm in patients with concomitant heart disease or hypertension.

Ventolin Inhaler for rapid, effective relief of asthmatic attacks.

Ventolin Tablets 2 mg and 4 mg for routine oral bronchodilator therapy.

Ventolin Syrup fruit flavoured for ready acceptability by children.

Ventolin Spandets sustained-action tablets, particularly suitable where nocturnal bronchospasm is a problem.

Ventolin sets a higher standard in bronchodilator therapy

Full information is available on request.

Fight cancer with a will

When testators ask your advice, please remind them of the urgent work of the Imperial Cancer Research Fund. In the Fund's up-to-date laboratories trained minds are using every weapon of modern science to fight all forms of cancer, including leukaemia.

Now one of the world's great research centres, the I.C.R.F. relies entirely on public support. The cancer problem *must* be solved. Please help now.

Patron:
H.M. THE QUEEN

President:
The Honourable Angus Ogilvy

Form of Bequest

I hereby bequeath the sum of pounds free of duty to the Imperial Cancer Research Fund, Lincoln's Inn Fields, London, WC2A 3PX for the purpose of scientific research, and I direct that the receipt of the Honorary Treasurer or Secretary shall be a good discharge for such legacy.

Please write for further information to: The Secretary, I.C.R.F. (Dept 101),
PO Box 123, Lincoln's Inn Fields, London WC2A 3PX
