

DALMANE

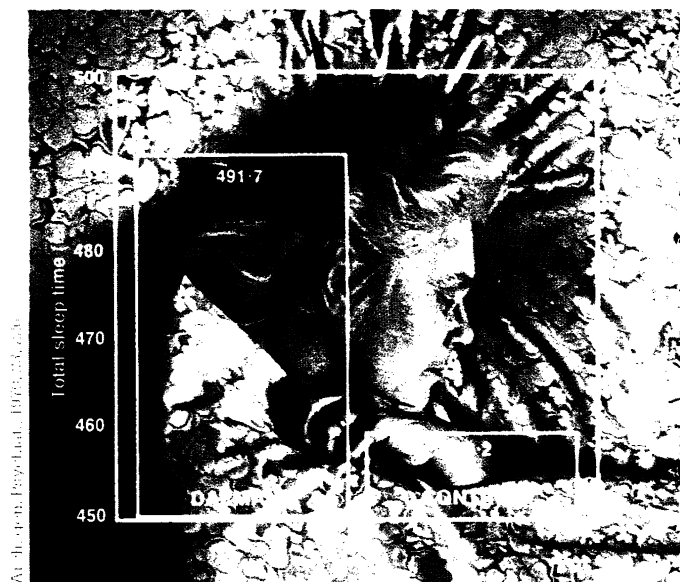

Getting to sleep

Patients asleep in less than half the time

Clinical trials¹⁻³ have shown that Dalmane cuts sleep latency – the time taken to get to sleep – by half. In one study³ Dalmane reduced the average sleep latency in a group of insomniacs from 36.2 minutes to 13.9 minutes.

Staying asleep

Average sleep of more than 8 hours

Dalmane increased the duration of sleep to – in one published study³ – an average of 8 hours 11.7 minutes in patients who had previously suffered from insomnia. Dalmane also reduces the number of nocturnal awakenings^{1,4} and the actual length of time spent awake during the night – from an average of 52.8 minutes to 24.3 minutes in one trial⁴.

a new and powerful treatment for insomnia

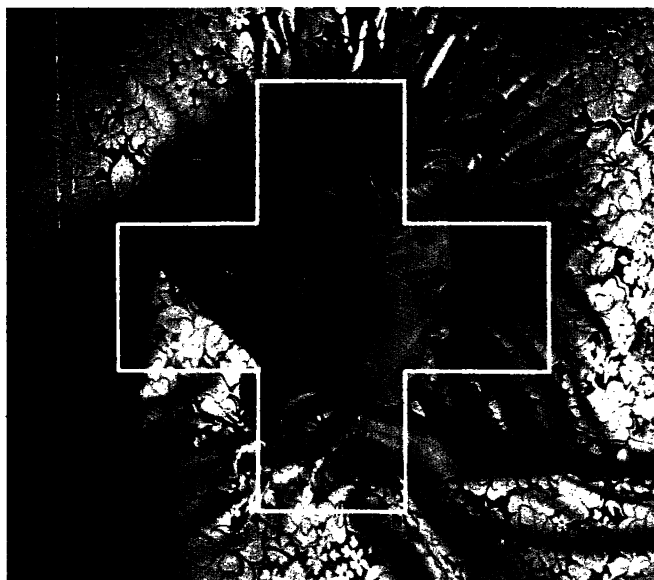

Patient Preference

Preferred by a greater number of patients⁵ – low incidence of side-effects

In one trial in which Dalmane was compared with glutethimide, of those patients who expressed a preference 81 per cent did so in favour of Dalmane, whilst only 19 per cent preferred glutethimide. This high level of patient preference is due to the ability of Dalmane to produce sound sleep with a low incidence of side-effects. Dalmane has been shown to produce less hangover than glutethimide in another trial⁶, than a barbiturate⁷, and, in one trial even a placebo – 9 cases with Dalmane, 25 with placebo⁸.

Safety

A non-barbiturate treatment for insomnia with a wide margin of safety

Dalmane has an extremely high mean lethal dose in mice and rats⁹, thus suggesting that overdosage would be unlikely to present undue problems of management or threat to life. Human toxicity studies¹⁰ in which healthy men were given large doses of Dalmane for some time confirmed that it is well tolerated and produces no unwanted systemic effects.

to Rubber Bandaging

Stand up all those not using Betnovate!

Betnovate—the most widely prescribed topical corticosteroid preparation for the treatment of dermatitis and eczema.

More patients with these conditions are successfully treated with Betnovate than any other therapy.

Betnovate acts rapidly and effectively, and usually gives dramatic relief from unpleasant itching.

And when infection is likely to complicate a condition, Betnovate with neomycin is available as Betnovate-N.

Presentation: Betnovate and Betnovate-N are presented as cream or ointment in 15, 30 and 100 gram tubes.

Full details on Betnovate (trade mark) are available on request from Glaxo Laboratories Ltd, Greenford, Middlesex, UB6 0HE **Glaxo** 

Betnovate gets the results.

for dependable
antibiotic action

Dalacin C

clindamycin

uncommonly effective
in serious infections

The properties of Dalacin C make it a suitable choice in infections caused by staphylococci, streptococci and pneumococci

- **dependable anti-staphylococcal action** "It is interesting that since 1965 we have examined about 5,000 strains of *Staph. aureus* isolated from inpatients of this hospital and have found only three resistant to . . . clindamycin."¹
- **effective high serum levels** "Normal dosage of clindamycin produces serum levels greatly in excess of the MIC needed for all the streptococci, diplococci and staphylococci tested with the exception of most of the strains of *Strept. faecalis* and one strain of *Staph. aureus*."²
- **non-interference by food intake** "... it has the significant advantage that its absorption is not decreased when taken with meals."³
- **high activity at site of infection** "It can be seen that clindamycin attains levels in most body tissues and fluids which are considered therapeutic for the Gram-positive organisms commonly associated with diseases affecting these tissues."⁴

Supplied:

Dalacin C Capsules

ADULTS: 150 mg. Capsules Each capsule contains clindamycin hydrochloride hydrate equivalent to 150 mg. clindamycin base in bottles of 16, 100, and 500.

CHILDREN: 75 mg. Pædiatric Capsules Each capsule contains clindamycin hydrochloride hydrate equivalent to 75 mg. clindamycin base in bottles of 16, 100, and 500.

Dalacin C Pædiatric

When the contents of the bottle are suspended in the quantity of purified water indicated on the label, each 5 ml. contains clindamycin palmitate equivalent to 75 mg. clindamycin base. Supplied in 100 ml. bottles.

Full product information available on request

Why should a qualified doctor even consider joining the Army?

We think the Army can offer you everything you'd get in a civilian practice plus one or two attractions of its own.

Firstly, the pay isn't bad. At 24 you can start life in the Army as a Captain at a salary of £4,099 with generous allowances on top of that. If you've been a doctor for a few years, you can start as a Major.

You'll get 6 weeks paid holiday each year and when your Short Service Commission ends after 3 years or 5 years you can leave with a substantial tax free gratuity. On the other hand, you might like the life well enough to apply for a Regular Commission.

Of course, you'll have plenty to do looking after soldiers and their families. But we will provide you with fully equipped, up to date surgeries to work in.

While you're with us you may want to study for higher qualifications. And some doctors specialise.

There's every chance that part of your service will be abroad. (Quite apart from seeing something of the world this can provide experience of treating tropical diseases.)

And then there's Army life itself. Plenty of friends and every facility for sport and recreation. And the feeling of being an essential member of a team.

If you're interested in learning more about the opportunities the Army offers doctors, write to Colonel A. R. Worthington, MB, MFCM, DTM & H, RAMC, Ministry of Defence (AMD2), Dept. M54, Lansdowne House, Berkeley Square, London, W1X 6AA.

He'll send you all the details and arrange for you to visit an Army medical establishment so that you can look around and chat to a few Army doctors.

They'll tell you what it's like. Warts and all.

RAMC Officer

Alistair is an he has only one

It's all around him, all the time yet, he's never seen it. Because at only 0.3mm in length, the common dust mite doesn't advertise itself.

Yet this minute creature is responsible for a disabling disease in an estimated 300,000 Britons. Now, at last, there is a new answer. A short immunisation course that is simple and very effective. A fundamental treatment that for the first time gives you, the family doctor, real control over this type of allergic asthma. And a new quality of life for your asthma patients.

Migen is effective. Allergy has always been recognised as one of the most common causes of asthma. Recently it has been established that the most important allergenic factor in house dust is the house dust mite; in fact, more than 90% of house dust sensitive patients are sensitive to house dust mite. And, "The rise in the mite content of dust from September to October has been shown to be directly related to an increase in asthma during this period."*

Migen immunises against the house dust mite. Immunisation against this powerful allergen raises the patients' overall level of tolerance. If he is multi-sensitive, he may well find that he no longer reacts to contact with other allergens which have previously provoked attacks. And the stress caused by fear of attack is reduced.

Migen is simple. Migen is a short course vaccine which contains pure extract of *Dermatophagoides pteronyssinus*, the most common British house dust mite. Just six injections form a complete course of treatment for asthma and perennial rhinitis. And each syringe is pre-filled to ensure accurate dosage.

Migen – minimal side effects. Migen's active material is released slowly but completely for maximum efficiency and minimum risk of adverse effects. Migen is adsorbed onto tyrosine, a naturally occurring amino acid, fully metabolisable in the human body.

Migen is a Bencard product. Prepared by Bencard, leaders in allergy research, Migen is the first asthma treatment to give *you* control over your asthma patients. Migen may usually be prescribed on the basis of a careful case history, no complicated testing techniques are necessary. However a simple confirmatory skin test kit is available on request, together with patient record cards and advice notes.

Migen. Many products have been advocated for use in the treatment of asthma. Most have drawbacks that you and your patients suffer for the sake of some relief. Now Migen offers an opportunity to treat asthma simply and effectively.

Allergy has always had a strong hold on the asthmatic. From today a powerful and very common

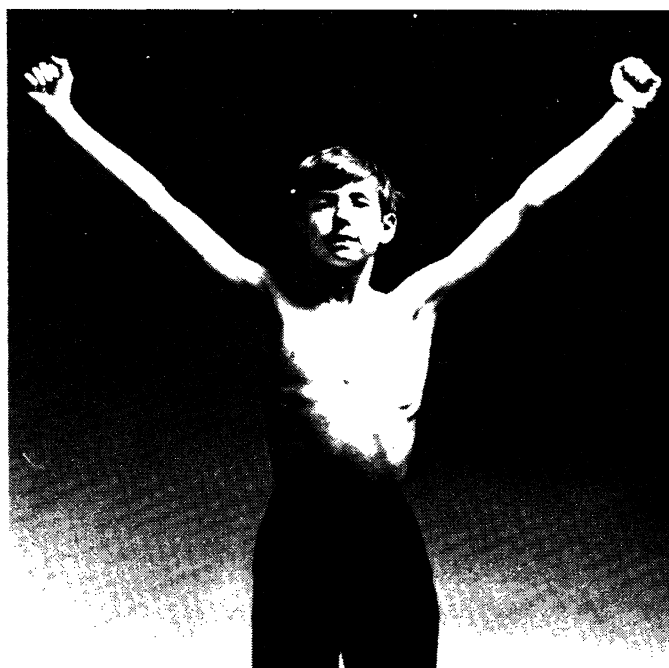

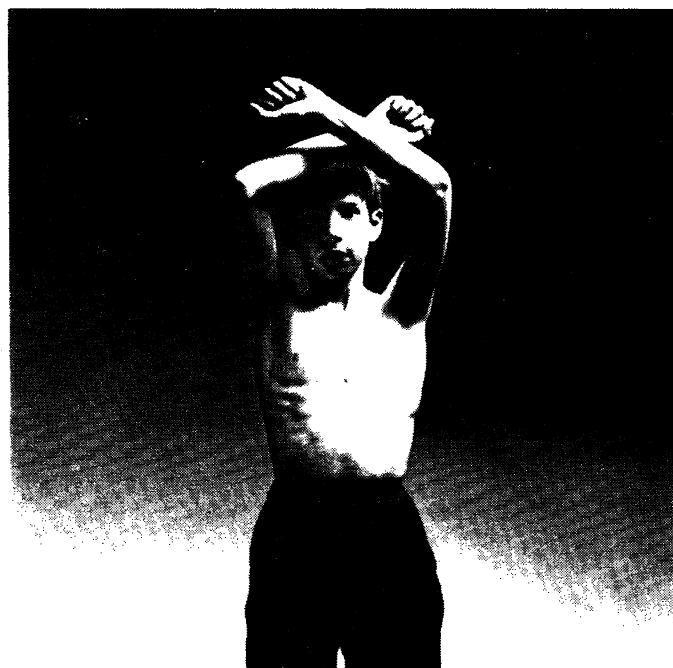

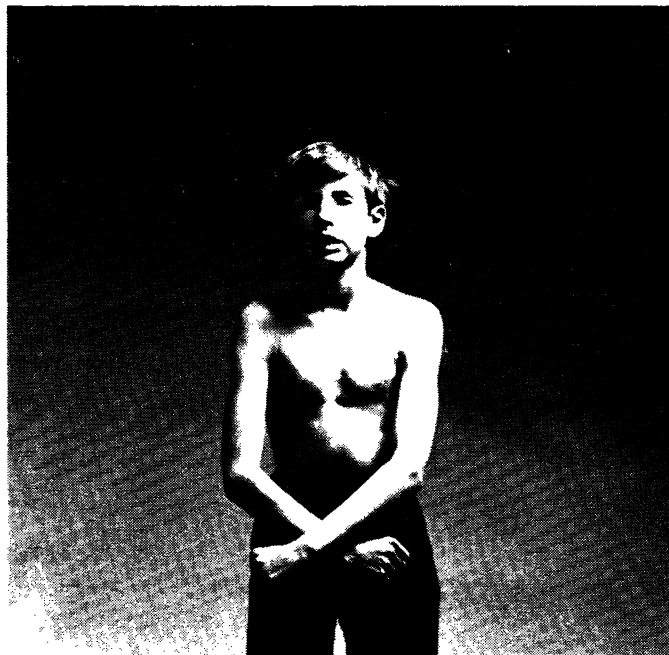

Treatment pack consisting of six prefilled syringes with sterilised needles.

*Asthma Research Council

 **Bencard**

asthmatic, the real enemy.

allergen can be controlled from your surgery, with Migen. It's asthma immunisation made easy.

Full information on Migen (regd.) is available on request from Bencard, Great West Road, Brentford, Middx.

"Windmills." A shoulder loosening exercise designed to aid asthmatics. The child should stand with weight thrown forwards onto the ball of the foot, making sure that his head is kept straight at all times. Breathing should be natural with the mouth shut.

We all know it's not easy. It was difficult enough at times keeping body and soul together without any extras. Like a house. Like good food. Like a family.

If they consider they need to plan a family while they save, CON-FeR can help.

CON-FeR is the combination of a proven effective oral contraceptive with a 7-day iron supplement (extra iron when it may be needed most) making it a 28-day regime — she's less likely to miss a tablet.

And CON-FeR costs the patient just 30p, so it won't strain the family budget too much.

CON-FeR consists of 21 yellow tablets each containing norethisterone acetate (B.P. 1mg) and ethinylestradiol (B.P. 0.02mg) and 7 brown tablets containing ferrous fumarate 250mg.

Oral contraception with an iron supplement

PARKE-DAVIS

CON-FeR

Keflex **stops bronchitis in its tracts**

'KEFLEX' provides an outstanding clinical response in bronchitis. It is active against all the common bacterial pathogens causing acute exacerbations. The range of activity includes penicillinase-producing organisms, thus giving a greater chance of first time success. 'Keflex' controls infection quickly with low toxicity and minimum risk of adverse reactions.

So this winter, remember the 'K' in bronchitis stands for 'Keflex'.

cephalexin—broad spectrum antibiotic

Foremost in Cephalosporin therapy

Uncle Jim is Cousin Fred

When lack of concentration appears in old age, the problem is often likely to be of organic origin. In particular, the patient may even confuse 'who is who' in her family—as well as suffer simpler lapses of short-term memory. Lucidril can end this confusion by an action that does not depend on improving the blood supply to the brain.

Lucidril gets the deteriorating brain

working again. Firstly, it stimulates the metabolism of the brain, probably through different pathways. Secondly, it removes the lipofuscin pigments which are a concomitant of old age and which may impair cellular metabolism.

Lucidril thus improves mental function; as a recent clinical paper has pointed out:

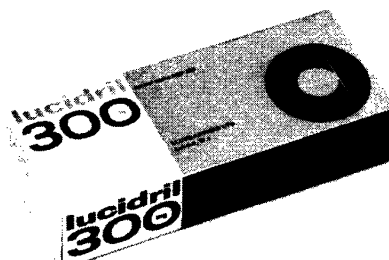

"These preliminary results (with

Lucidril) are encouraging, because they indicate that the intellectual impairment exhibited by such patients may be reversible, even when the underlying causes are presumably of an organic nature, such as cerebral arteriosclerosis."

* Copies of the paper Age and Ageing, (1972), 1, 74 and any further information are available on request.

Taplow, Maidenhead, Berks.

...the heat's on
...lose weight...

...don't settle for
anything less than

Duromine

Clinical results with most anti-obesity agents may look good. But these results are often misleading. It is easy to demonstrate weight loss initially. What you need to know is whether the weight loss will continue, and without treatment problems.

This kind of evidence is available for *Duromine*.

A major clinical trial, involving two years of meticulous work, provides the latest comprehensive evaluation of *Duromine*. This, the second carefully controlled long-term study to appear in a leading British medical journal, again demonstrates that with *Duromine* a weight loss of 20lb. is well within reach in as little as three months.^{1,2} Further significant weight loss was achieved as the trials progressed.

Composition

Duromine capsules contain phentermine as an ion-exchange resin complex. Capsules are available in two strengths: grey/green 15 mg. and grey/maroon 30 mg.

Indications

Simple obesity. *Duromine* may also be used to re-establish appetite control in patients who have developed tolerance to other anorectic agents.

Dosage

One capsule at breakfast time. Capsules in two strengths (15 mg. and 30 mg.) allow for adjustment of dosage if necessary.

Side-effects

Slight dryness of the mouth or a tendency to early waking may be experienced from the higher dosage.

Contra-indications

Duromine is contra-indicated in patients under treatment with monoamine-oxidase (MAO) inhibitors.

Duromine: trade mark.

Further information is available on request.

NEW REPORT

non-ergotamine migraine treatment **SHOULD BE TRIED FIRST!**

This was the conclusion to the report of a trial in which Migraleve was compared with an ergotamine/cyclizine tablet in the treatment of 59 patients with well defined symptoms of migraine.

Both preparations were effective in relieving the symptoms of migraine, but vomiting was less severe with Migraleve - calling into question the use of ergot preparations, particularly in view of the limited period over which they could be administered with safety. In contrast, therapy with Migraleve can be continued as long as necessary.¹

This confirms the results of an earlier trial² which showed that 65% of regular ergotamine users preferred Migraleve and that Migraleve successfully treated the migraine attack in 79% of patients.

With Migraleve, many migraine sufferers feel that for the first time in the history of their condition they have something which is effective in averting or relieving their attacks. A typical response to a first trial with Migraleve is . . .

"RELIEF! Only a fellow migraine sufferer can appreciate what it means!"

Migraleve®

Rx 'Migraleve-24' for duo-treatment pack containing 16 Pink and 8 Yellow tablets. Detailed dosage instructions enclosed in each pack.

Each Pink tablet contains buclizine dihydrochloride 6.25mg, paracetamol 500mg, codeine phosphate 8mg, dioctylsodium sulphosuccinate 10mg. Each Yellow tablet contains paracetamol 500mg, codeine phosphate 8mg, dioctylsodium sulphosuccinate 20mg.

FENOPRON

FENOPROFEN CALCIUM

Prescribing Information

Presentation: Capsules each containing Fenopropfen Calcium equivalent to 300mg Fenopropfen. The capsules are chrome yellow/ochre, 2.1 cm long and marked DISTA/DISTA.

Uses: Anti-arthritis. Particularly for the symptomatic treatment of osteo-arthritis, rheumatoid arthritis and related conditions.

Dosage and Administration: For oral administration adults only. Dosage: One or two capsules (300mg/600mg) three or four times a day, adjusted to the needs of the patient.

Contra-indications: (a) Hypersensitivity to the drug. (b) Should not be used with coumarin-type anti-coagulants or in combination with heparin. (c) Although cross-sensitivity has not been

established, the drug should not be given to patients in whom salicylates induce the syndrome of asthma, rhinitis or urticaria.

Side-effects: The side-effects of FENOPRON are few, slight and occur infrequently. Only rarely has it been necessary to discontinue treatment because of them. The incidence and severity of adverse reactions have been less than have occurred amongst patients given acetylsalicylic acid. In particular, therapeutically equivalent doses of FENOPRON give rise to measurably less gastro-intestinal irritation and tinnitus. During controlled studies in arthritis, the reported side-effects on patients given FENOPRON were not significantly different to those in the

placebo group.

Warning: The safety of FENOPRON in pregnancy has not been established.

Pharmaceutical Precautions: No special requirements known.

Legal category: No legal restrictions on sale or supply, but supplied on prescription only.

Package quantities: Capsules 300mg. Bottles of 100 and 500 capsules.

Cost: The basic NHS cost of 100 capsules (ex 500 pack) is £2.64.

Further information: FENOPRON offers relief of pain and reduction of joint inflammation, encouraging mobility and reducing stiffness. Few patients experience side-effects, and any which

takes the pain out of living with osteo-arthritis

FENOPRON relieves pain and reduces joint inflammation. It thus encourages mobility, reduces stiffness and helps your patients to lead a more normal, active life. Treatment with FENOPRON not only controls day-to-day pain, but subdues occasional 'flare-ups' or exacerbations. Few patients experience side-effects with FENOPRON, and those which occur are neither serious nor troublesome.

FENOPRON will also benefit your patients with rheumatoid arthritis who need consistent reliable pain relief, reasonable improvement of mobility and an easier, less restricted life-style.

FENOPRON is supplied as 300mg capsules. The initial dose is two capsules three or four times a day, adjusted according to the needs of the patient.

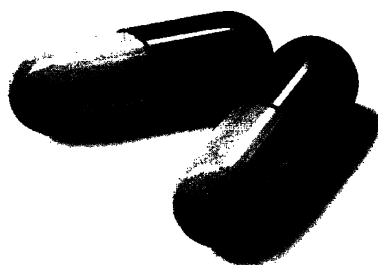

FENOPRONTM

- relieves pain
- encourages mobility and reduces stiffness
- exhibits only minor and infrequent side-effects even in long-term treatment

do occur are neither serious nor troublesome even in long-term treatment. The absorption of FENOPRON tends to be impaired when ingested simultaneously with aspirin. To ensure optimum results FENOPRON should be taken alone, although single doses of aspirin may be given separately when indicated.

light on the dial starts to flash indicating systolic pressure
and stops flashing for diastolic reading. It is so simple to
operate the patient could use it himself.

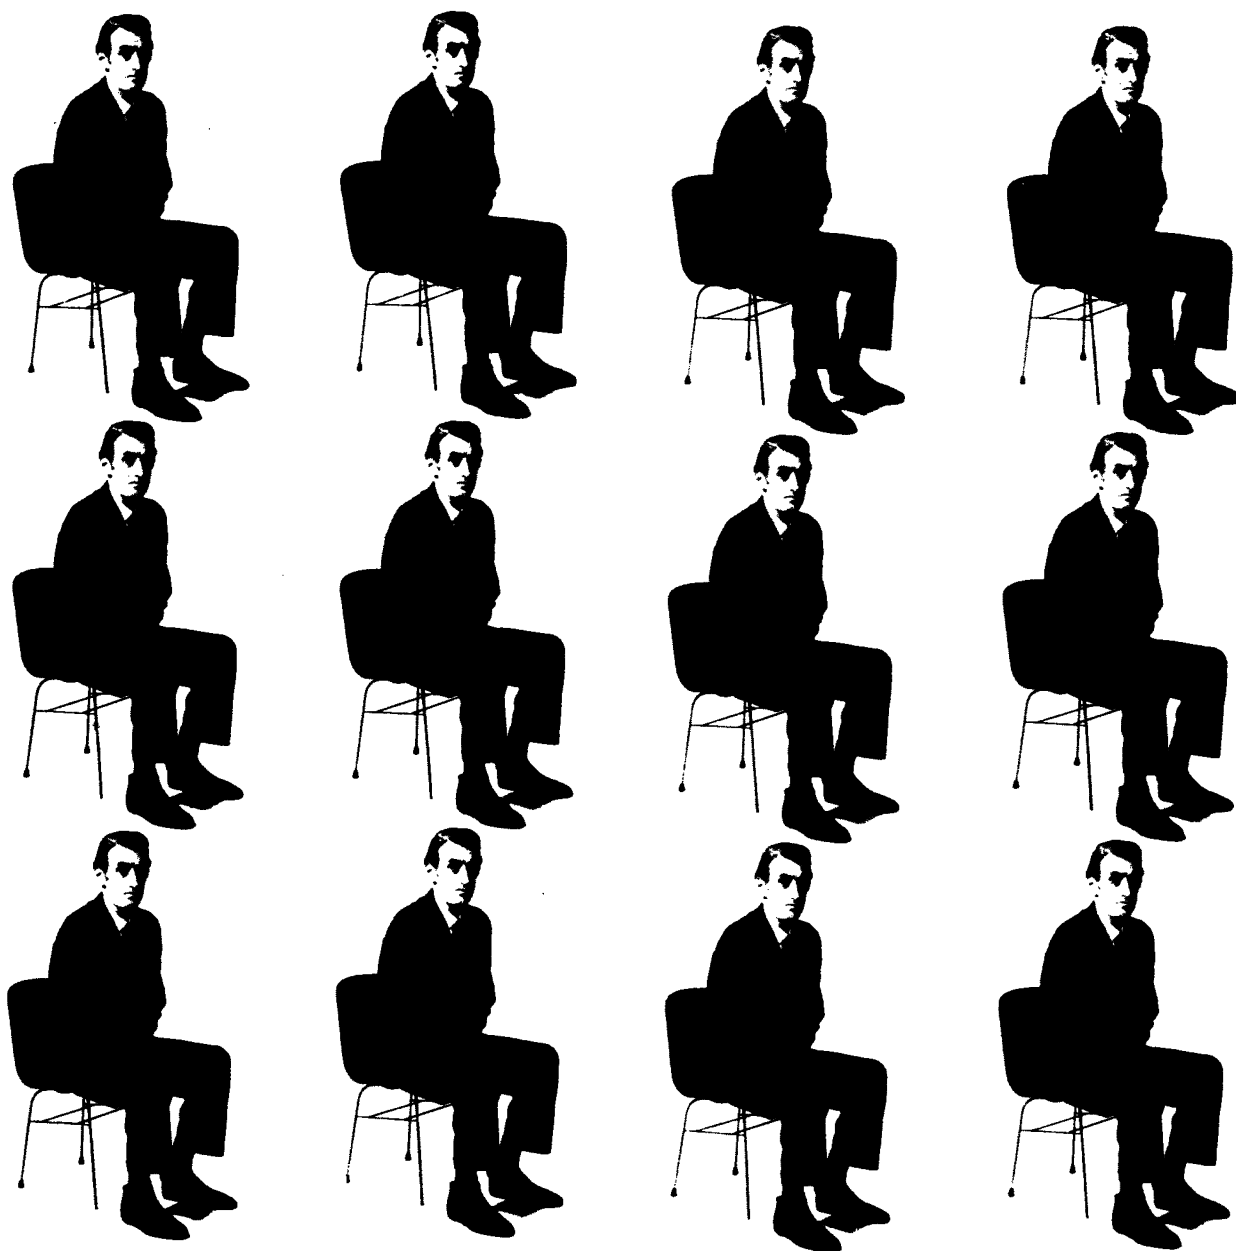

Everything about the D101 Electronic
Sphygmomanometer is attractive, even the price.

Dyspepsia

**If antacids were the complete answer,
would he return to your surgery so often?**

Antacids deal with excess acid. But, in many cases, dyspepsia involves more than this.

Unpleasant symptoms such as dyspepsia, heart-burn and gastritis can frequently be traced back to disturbed gastric motility. Recent research has shown that in many patients food is retained for too long in the stomach, gastric contents enter the oesophagus, and bile refluxes from the duodenum.¹

With Maxolon, you can resolve this underlying problem. Maxolon restores gastric motility to normal, so that symptoms of dyspepsia are prevented.

Prescribe Maxolon (tablets or syrup) for your dyspepsia patients. They—and you—will appreciate the difference.

Full information on Maxolon in gastroduodenal conditions is available on request.

1. Proceedings of Symposium on Maxolon

CONFERENCES ON FAMILY THERAPY

**FAMILY INSTITUTE, CARDIFF/NATHAN
W. ACKERMAN FAMILY INSTITUTE INC.
NEW YORK CITY**

**Family Therapy Conference:
TECHNIQUES OF FAMILY THERAPY
Cardiff, June 26th-28th, 1974**

This study conference will focus around specific techniques of intervention, of immediate interest to those engaged in working with the family as a group. The conference will be interdisciplinary and open to practitioners from the various fields of social work and mental health, who are currently engaged in family therapy. It will be staffed by inter-disciplinary teams from both the New York and Cardiff Family Institutes.

Further details and application forms are available from: **The Senior Family Therapist, The Family Institute, 2 Four Elms Road, Roath, Cardiff CF2 1LE, Tel: Cardiff 26584/28747.**

**TAVISTOCK INSTITUTE OF HUMAN RELATIONS/
TAVISTOCK CLINIC
NATHAN W. ACKERMAN FAMILY INSTITUTE INC.,
NEW YORK CITY**

**PRINCIPLES AND PRACTICE OF FAMILY THERAPY
Central London, 31st June — 5th July, 1974**

A non-residential, inter-disciplinary conference will be held in Central London. It will be jointly sponsored and staffed by the above organisations. There will also be guest family therapists on the staff. As full use will be made of members' own experience, their contribution will be required throughout the entire programme.

Applications will be welcomed from professionals who are currently engaged in family therapy. 50 places will be offered under the auspices of the Central Council for Education and Training in Social Work.

Further details and application forms are available from: **Mrs Janet Clark, Executive Officer (Training), Tavistock Institute of Human Relations, 120 Belsize Lane, London NW3 5BA (23156-4)**

(23156-4)

The University of Leeds
**POSTGRADUATE DIPLOMA IN HEALTH
SERVICES ADMINISTRATION**

The Diploma Course, which lasts for one academic year, is an academic course with a vocational orientation. It offers an opportunity to study the fundamental issues in health care in depth, whilst at the same time providing links between theory and practice.

In a period of great change in health and welfare it is desirable to encourage practitioners of all disciplines to re-think their ideas and scrutinise the new developments, within the University setting. To this end the Nuffield Trust has endowed a small number of bursaries of £720 each to be awarded to N.H.S. candidates who have been given leave of absence with pay — which all employing authorities are entitled to give. Applicants should hold a good university degree or high professional qualifications.

Enquiries should be addressed to **Malcolm Johnson at the Nuffield Centre for Health Services Studies, Clarendon Road, Leeds LS2 9PL**, who will also be glad to provide further information to interested persons. (23162) 4

THAMES VALLEY FACULTY R.C.G.P.

(in association with Milton Keynes College of Education)

Residential Course for G.P. Trainees and Health Visitor Students

There are vacancies for G.P. Trainees and two G.P. Teachers on this new experimental course to be held at Maryland, Woburn, Bedfordshire from Monday April 1st to Friday April 5th, 1974. There will be an equal number of course members from each discipline, and the aim is to devise more effective working methods in primary care teams through closer communication and increased role perception. Much of the time will be spent in groups examining various aspects of medical care. Fully recognized under Section 63.

Further details from **The Regional Organiser for G.P. Training, The Old Observatory, The Medical School, 43 Woodstock Road, Oxford. (23155)** 4

THE ROYAL COLLEGE OF PHYSICIANS

CONFERENCE ON RADIOLOGY FOR PHYSICIANS

28th — 29th March, 1974

The Conference will be held at the College and is primarily intended for practicing physicians — whether consultants, senior registrars or registrars.

The seminars have been designed for trainee psychiatrists as an introduction to the new approach of

FAMILY PSYCHIATRY

There will be sessions on the theoretical aspects, the clinical aspects and the management of the family psychopathology. Family Group Therapy, Vector Therapy, and relevant psychological procedures will be demonstrated, largely on videotape.

Particulars from the Secretary of the Institute, 23 Henley Road, Ipswich IP1 3TF. (23230) 4

UNIVERSITY OF BIRMINGHAM

INTENSIVE COURSE IN FORENSIC PSYCHIATRY

25th-29th March, 1974

An intensive residential course in Forensic Psychiatry will be held at Lake Hall, University of Birmingham, from Monday, 25th to Friday, 29th March, 1974. This course, open to senior and junior psychiatrists is of particular interest to M.R.C.Psych. and D.P.M. candidates, but others, including Consultants, Prison Medical Officers and Police Surgeons are welcome. General Practitioners may attend under Section 63.

The course will run from Monday to Friday evening. The Programme in the first half of the course will include lectures on general Forensic Psychiatry topics. The second half of the course will be held in collaboration with the new Midland Institute of Forensic Medicine and will consist of an inter-disciplinary symposium on 'Violence'.

There will be a course fee of £15.00, payable later, and additional charges will be made to cover the cost of accommodation at Lake Hall (if required), all meals and refreshments, and attendance (optional) at the inaugural dinner of the Midland Institute of Forensic Medicine on the evening of 28th March. Full details will be available on application.

Enquiries to Dr. Robert Buglass, Midland Centre for Forensic Psychiatry, All Saints Hospital, Birmingham B18 5SD.

Applications should be addressed to Professor A. G. W. Whitfield, Director, Board of Graduate Studies, The Medical School, Birmingham B15 2TJ. (23227) 4

UNIVERSITY OF BIRMINGHAM AND MIDLAND INSTITUTE OF FORENSIC MEDICINE

SYMPOSIUM ON VIOLENCE

28th-29th March, 1974.

A two-day Inaugural Inter-Disciplinary Symposium on Violence will be held at the University of Birmingham on the 28th and 29th March, 1974. This is the first Symposium arranged by the newly-founded Midland Institute of Forensic Medicine.

Speakers will include, Dr. John Gunn, Dr. D. Acres, Professor T. Marshall, Dr. Alan Usher, Professor K. Simpson, Dr. Selwyn Smith and others.

The Symposium will be open to professions working in any field concerned with the problem of violent behaviour including Psychiatrists, Prison Medical Officers, Police Surgeons, Pathologists, General Practitioners, Probation Officers, Social Workers, Lawyers, Criminologists, and Police Officers.

Residential accommodation will be available at Lake Hall, University of Birmingham. The Symposium will also form part of the programme for those attending the Intensive Course in Forensic Psychiatry, and students who have made application for this course should not apply again for the symposium.

There will be a course fee of £7.50 payable later, and additional charges will be made to cover the cost of accommodation (if required), all meals and refreshments, and attendance at the inaugural dinner of the Midland Institute of Forensic Medicine on the evening of 28th March. Full details will be available on application.

The course is approved under Section 63 for interested general practitioners.

Enquiries to Midland Institute of Forensic Medicine, Department of Pathology, Dudley Road Hospital, Birmingham B18 7QH (Joint Directors: Dr. R. S. Buglass and Dr. B. T. Davis).

Applications should be sent to Professor A. G. W. Whitfield, Director, Board of Graduate Studies, The Medical School, Birmingham B15 2TJ. (23228) 4

FOURTH PARTNER from April, 1974 or earlier. Mr. Birmingham, South Staffordshire. Full ancillary staff and Health Department. Staff attachments. Early parity depending on mutual satisfaction. Box 3830 BMJ. 10

GRADUATE OF British University required as an early partnership in large practice in Leamington Spa. Obstetrical experience preferable but not essential. Excellent hospital facilities. Box 3625 BMJ 10

GRADUATE of British University required due to retirement of senior partner. In congenial four-man practice in Teesside close to Yorkshire moors and coast. Good salary, equal duties, full attachments. Reply to Dr L. Hicks, 89 The Grove, Marton, Middlesbrough, Teesside. Tel: Middlesbrough 36883. 10

GRADUATE of a British University required as 5th partner to join 4 with full lists. Health Centre in small town South Hampshire. Attached Health Visitors. Midwives etc. Lab. and X-ray facilities. own E.C.G. Box 3817 BMJ 10

LONG ESTABLISHED Group Practice requires Graduate of British University, under 40, male or female, as fifth partner in Stevenage Old Town. Early parity after salaried partnership of 6 months. (Salary negotiable). Obstetric experience preferable. Branch surgery in the New Town. Some country work. Appointment system. Usual ancillary help and attachments. G.P. beds soon in brand new hospital. Health Centre planned with Executive Council. Good equal off-duty. 6 weeks holiday per year. Housing available. Box No. 3959 BMJ 10

PARTNERSHIPS OFFERED

A FOURTH PARTNER, graduate of a British University required, for a North Bucks group in a permanent roster of eight, with equitable off duty. Numbers voluntarily restricted. Income maintained by outside appointments to give high quality, mixed, unhurried, and pleasant practice, supported by every modern facility, including a little more than most. Early parity after short assistantship. Obstetric experience essential. Excellent road and rail communication. Excellent unfurnished accommodation available at low rent. Box 3976 BMJ. 10

AN UNUSUAL OPPORTUNITY exists now to join a happy, old established family practice in West Riding Town (pop. 40,000). Wide range of clinical material. Full Secretarial/District Nurse/Health Visitor staff. New premises. Open access to Path. and X-Ray etc. Facilities for G.P. beds in General Hospital. Open access to new Maternity Hospital. Clinical Assistantships held. New Postgraduate Centre. Special interests and postgraduate study catered for and encouraged. University and teaching hospital within easy reach. Situated 10 minutes from M.1. and M.62. Easy access to good country. Dales and National Parks 30 miles. Relatively cheap house prices. Position open now but will be prepared to wait for right applicant. Present partners enjoy practising medicine and believe in adequate off duty and reward. Vocational training not necessary. If needed this will be provided. Vocational sense is vital as is sense of humour. Graduates of British University interested in joining this practice where the aim is to provide a high standard of patient care, in good conditions, for pleasant patients and with congenial colleagues, are invited to apply. Young graduate probably preferable, but if you think that you may be the person for whom we are looking apply at once giving brief curriculum vitae and references to Box No. 3792 BMJ 10

COVENTRY. Graduate of a British University required to fill a retirement vacancy in a three man partnership, after a short preliminary assistantship. Parity after three years. Purpose built Surgery, appointment system, ancillary staff and Local Authority attachments. Open access to X-ray and Path. Labs. Excellent Postgraduate facilities. B.M.A. Deputising Service. Equal Duty Rota. Please apply in writing with Details of Age and Experience. Box 3646 BMJ. 10

PRACTICES (Executive Councils)

NORTHERN IRELAND HEALTH
AND SOCIAL SERVICESGeneral Medical
Practitioner

The Agency, on behalf of the Eastern Health and Social Services Board, invites applications for a vacancy in General Medical Practice in the Crumlin Road area of Belfast. The present list size is approximately 3,350 patients. The existing practice premises may be available to rent or purchase, and building of a new health centre to serve the area is expected to commence shortly.

Applications should be made by letter, stating age, qualifications and experience and giving the names and addresses of two referees to:

The Chief Administrative Officer,
Central Services Agency,
27 Adelaide Street, Belfast BT2 8FH.

The latest date for receipt of applications is Monday, 4th March, 1974.

NATIONAL HEALTH SERVICE
INNER LONDON EXECUTIVE COUNCIL
GUY'S HOSPITAL MEDICAL SCHOOL

THAMESMEAD

An experience general practitioner is required to establish and lead the first of three teams of doctors to be based on the Thamesmead Main Health Centre and to take an active part in teaching and research.

An integrated health service is being planned for the new community of Thamesmead and the Main Health Centre, which is expected to open in 1978, will be the principal base for an ambitious teaching programme for medical and dental students, nurses and others. It will also provide a wide range of specialist clinics and diagnostic services. The centre will serve an ultimate population of up to 40,000 in the northern (Greenwich) area of Thamesmead, the first of whom will arrive in the spring of 1974.

Until 1978 the new practice will be based on temporary premises and will be supported by nurses and other staff attached to the Area Health Authority. Teaching activities will be arranged in co-operation with the staff of the Lakeside Health Centre which serves 7,000 people now living in the Southern (Bexley) area of Thamesmead. Out of hours duties may be arranged similarly.

It is expected that the successful applicant will be eligible for a Type D allowance which takes the form of a guarantee that the doctor's income will be made up to an amount agreed with the Executive Council; he will be offered an appointment as Senior Lecturer in the Department of General Practice at Guy's Hospital Medical School. He will be expected to take up his appointment as early as possible in 1974.

Application forms and further information may be obtained from The Clerk, Inner London Executive Council, Addison House, 32-43 Chart Street, London N1 6EF. Further information may also be obtained from The Secretary, Department of General Practice, Guy's Hospital Medical School, London Bridge, S.E.1.

The closing date for receipt of completed application forms is Monday, 4th March, 1974. (H18000)

NORTHERN IRELAND HEALTH
AND SOCIAL SERVICESGeneral Medical
Practitioner

The Agency on behalf of the Eastern Health and Social Services Board invites applications for a vacancy in General Medical Practice in Newtonards, Co. Down. The list size is approximately 1,700 patients and the practice operates in the Newtownards Health Centre with a group of 10 other doctors.

Applications should be made by letter stating age, qualifications and experience and giving the names and addresses of two referees to —

The Chief Administrative Officer, Central Services Agency, 27 Adelaide Street, Belfast BT2 8FH.

The latest date for receipt of applications is Monday, 25th February, 1974.

Please quote reference number. Members of the BMA having a vacancy for a partner are also invited to apply to the Bureau for particulars of the introductory facilities available.

Ref. P559. Old established, mainly suburban/residential practice covering the Tettenhall, Compton and Penn areas of Wolverhampton i.e. on the green belt and extending into neighbouring villages) has vacancy for graduate of British University as 4th partner. Vacancy due to retirement. Access to GP maternity unit. Appointments system. LHA attachments etc. Share worth about £4,750 pa after 6 months. Parity 3 years later.

Ref. P610. Wheatley, Oxon. Male, married graduate of British University required to replace 3rd partner 1st July, 1974. Dispensing practice in pleasant country with access to GP beds. Purpose built premises with ample staff and attachments. Bungalow available to rent if required.

Ref. P620. New Malden, Surrey. Graduate of British University, sought as 3rd, replacement partner in suburban practice. Modernised premises with adequate employed and attached staff. Good access to medical and private beds and postgraduate centre. Clinical assistantships encouraged. £4,500 pa rising to parity (approximately £9,000 pa) in 3-4 years.

Ref. P624. Health Centre practice on outskirts of Bristol requires 4th partner in early months 1974. Full diagnostic facilities and own ECG, X-ray, haemoglobinometer, PFM and ESR. Access maternity beds. Scope for further development with 4th partner. Good educational, recreational and cultural amenities. No capital required for practice assets. Short probationary period with parity in 3 years.

Ref. P625. West Byfleet, Surrey. Graduate of British University with sense of humour required 1st April, 1974, or before, to replace 4th partner in group moving to new house in North Downs. Good beds. Good professional facilities. Convenient for schools, golf, etc. Share worth over £6,000 pa after 6 months probation and parity (about £8,500 pa) 2 years later. No capital required.

Ref. P626. Graduate of British University required as 3rd partner in Medway Towns practice conducted from health centre in Strood and purpose built surgery in Cuxton on edge of North Downs. Good hospitals, 1st class postgraduate centre, own ECG. Good facilities for yachting enthusiasts. £4,000 pa plus petrol for 1st 6 months rising by stages to reach parity after 4 years. No capital required.

Ref. P627. Rural practice (non dispensing) near Skegness, Lincs. Male or female to replace outgoing partner in 2 man practice conducted from one, rented surgery. LHA attachments. Access maternity beds. 50% partnership share offered after 6 months. Residential accommodation probably available to rent if required. Houses relatively cheap.

Ref. P628. Female Graduate of British University required as 5th partner in semi rural, Bedfordshire practice. Central surgery, adequate staff and attachments. Applicants must be desirous of practising a high standard of medicine, previous experience of General Practice not essential. Commencing income £4,500 pa plus maternity and other fees. No capital required for practice assets.

Ref. P629. Portsmouth. Male of female graduate of British University who has completed vocational training scheme required as 5th partner. Practice has been recognized for training purposes for many years. Easy access to postgraduate centre, library, GP maternity unit. Good schools. Well staffed, practice owned premises. Share worth about £4,750 after 6 months probation and parity 3 years later.

Ref. P630. Group practising from modern, purpose-built premises in Potters Bar (15 miles from Hyde Park Corner) require replacement for 6th partner. Ample staff and LHA attachments. Access to GP hospital, 3 postgraduate centres within 5 miles. £4,500 pa for initial 3 months and parity, by stages, 3 years later.

Ref. P632. Devon. Four man rural practice on South Western fringe of Dartmoor seek replacement partner from about 1st July. Applicants should be graduates of a British University, aged under 35, with hospital and GP experience up to M.R.C.G.P. standard. Central purpose built premises in market town. Full staff and LHA attachments. Access to GP hospital beds and maternity unit. Own ECG, haemoglobinometers, etc. Parity (worth over £9,000 pa) after 3 years.

Ref. P633. Crowborough, Sussex. Married Graduate of British University required as 4th partner in beautifully situated practice on edge of Ashdown Forest. Modern, purpose-built, main surgery: full staff and LHA attachments. Access to 32 bed GP Hospital. Good postgraduate facilities and schools nearby. Share worth £6,000 pa after 6 months and parity 3½ years later.

Ref. P634. Dunstable, Beds. A graduate of a British University who is aged under 30 and eligible for the obstetric list is required as a 4th partner in a rapidly expanding practice. Full ancillary staff including own nurse: LHA attachments. Radiotelephone, etc. Clinical assistantships available. Modern, 2, 3 or 4 bedroomed house with central heating available to rent. £4,750 pa for 1st 6 months increasing to parity by negotiation — probably 3 years.

Ref. P636. Whitley Bay, Northumberland. Replacement for outgoing partner required in two man practice conducted from Health Centre shared with 4 other doctors. Access GP maternity beds. Share worth £5,000 to £5,500 pa after 6 months probation at £4,250 pa. Parity 3 years later. Male graduate of British University preferred.

Ref. P637. London, S.E.17. Second, replacement partner sought for established practice in developing area. Health Centre likely. Good opportunities to expand list. No financial outlay required. Parity after 2½ years.

Ref. P638. Sutton Coldfield, Warks. Practice in pleasant urban and semi-rural area, seeks male graduate of British University as 4th, replacement partner. Purpose-built surgery and Health Centre. Full staff. Access to GP Cottage Hospital and maternity beds. Parity at approximately £9,000 pa after 2½ years.

Ref. P639. Winchester. Graduate of British University, preferably vocationally trained, and eligible for obstetric list required as 8th partner about August, 1974 or perhaps sooner. Purpose built premises with ample staff, LHA attachments and appointments system. District Hospital and postgraduate centre nearby with forthcoming access to maternity beds. Various teaching and other appointments held. Parity 3 years.

Ref. P640. Elstree, Herts. Graduate of British University required as 4th partner in semi-rural practice — partly in green belt — 12 miles from London. Ample staff and LHA attachments. Access to hospital beds and various useful appointments held. No capital required for practice assets. Share worth about £4,500 pa after 6 months; parity after further 2½ years.

Ref. P641. A Graduate of a British University is required as a replacement for a 4th partner at Oadby, South Leicester. Semi-rural group practice from a central surgery with full ancillary help, including nurses, midwife and health visitor. Postgraduate centre 3 miles away. Good hospital facilities and open X-ray and pathology. Health Centre expected within next 2 years. Plans already approved. Medical school opens in 1975. An immediate partnership is offered at £5,000 pa, parity in 3 years.

Ref. P642. Group practice, conducted from purpose-built premises at Woodley, Berks, and surgeries at Reading and the village of Sonning require replacement for 8th partner. Large ancillary staff, including resident practice manager. Access to GP maternity beds. Excellent schools, postgraduate facilities, etc. Own ECG and PFM. £4,500 pa for 1st 3-6 months with parity 3 years later.

Ref. P643. Leytonstone, E11. Present singlehanded practitioner seeks female, or male, doctor to join him because of expansion. Access maternity beds. Whips Cross Hospital and Medical Education Centre within half mile. £3,000 pa for initial 3 months; future terms by negotiation, dependent on growth of practice.

Ref. P613. Tavistock, Devon. Graduate of British University with Christian outlook, married and of maximum age 35, sought as second replacement partner in small country town practice on edge of Dartmoor. Access to medical beds and diagnostic facilities. Full staff and appointments. Immediate partnership with £4,200 pa plus all car expenses and parity in 2 years.

Ref. P608. London E16. Sixth replacement partner, preferably female with obstetric and Family Planning experience required. Purpose built premises with very comprehensive staff. New District Hospital planned. £3,500 pa offered with parity after about 3 years.

Ref. P595. St. John's Wood/Paddington. Graduate of British University required to replace 4th partner in varied practice. Full employed and attached staff. Good access to diagnostic facilities. £4,000 pa initially and parity in 3 years.

Ref. P621. Bexleyheath, Kent. Graduate of British University with obstetrics experience, required as 5th partner. Modernised surgery premises, full staff and appointments system. Good access to maternity and general beds. Excellent postgraduate facilities. £5,000 pa initially and parity (at least £7,300 pa) after 2½ years.

Ref. P622. Southampton. Graduate of British University sought as 4th partner in well established practice in residential area. Good rail and Continental links. Sporting facilities. Access to maternity beds. Good ancillary staff and LHA attachments. Appointments system and full rota. Immediate partnership with parity in 3-4 years according to experience.

Ref. P623. Berkhamstead, Herts. Graduate of British University under 40 required as 3rd partner in practice close to outstanding National Trust area and easy access to London. Appointments system, ancillary staff. Another practice joins in weekend off duty rota. Immediate parity after 6 months probation.

Ref. P605. Wellingborough, Northants. Four man group in old established and expanding market town practice requires graduate of British University to replace outgoing partner. Unique, custom built medical centre expected to be ready by end of year. Access to GP medical and obstetric beds. Immediate partnership worth minimum £4,750 pa and parity, by stages, in not more than 3 years.

Ref. P617. Felixstowe, Suffolk. Graduate of British University, preferably married required to replace 6th partner. Central purpose built premises with full staff and LHA attachments. Access to general and maternity beds. Practice extends to surrounding villages within 7 mile radius not predominantly geriatric. Share worth about £5,000 pa after 2 months and parity (worth about £8,500 pa) in 4 years.

Ref. P577. Stevenage, Herts. Male graduate of British University required as 5th replacement partner in New Town practice to commence 1st January or 31st April, 1974. Two surgeries with comprehensive employed and attached staff. Accommodation above surgery available at nominal rent. £4,000 pa initially and parity at about £7,500 pa after 3 years.

Ref. P550. Group in Gravesend, Kent, seek replacement for 6th partner. Young, married, male graduate of British University; vocational training an advantage. Purpose built surgeries with ample staff and attachments; own ECG and ventilograph. Access GP maternity beds. Clinical assistantships available. Share worth about £4,800 pa after 6 months and parity (about £8,000 pa) 2 years later.

Ref. P588. Opportunity for male graduate of British University with (or without) medically qualified wife to replace man and wife team in old established Birmingham practice, 4 miles from City centre, conducted from premises built 1959. Ancillary staff and district nurse attachment. £4,000 — £5,000 pa initially depending on experience plus additional remuneration for wife according to duties. Parity 3 years.

Ref. P591. Basingstoke, Hants. Graduate of British University required as 4th partner in expanding group. Purpose built premises with ample staff. Access medical and obstetric beds. Clinical assistantships available. New district hospital with postgraduate department. Initial salary £4,000 pa for 3 months, parity 2 years later. No capital required.

Ref. P592. Southwold, Suffolk. Male or female graduate of British University required to replace 4th partner 1st January 1974. Semi-rural, seaside area. Access to Cottage Hospital and Maternity Unit. £4,000 pa initially. Parity 1977.

Ref. P606. Norwich. Graduate of British University, with obstetrics experience, required as sixth, replacement partner in rural/urban practice. Near to Broads and sea. Access to GP Maternity beds. £4,500 pa plus rent free house initially with parity (minimum £7,000 pa) in 3 years.

Ref. P604. Watford, Herts. Graduate of British University required to replace retiring partner in 4 man group. Purpose built premises with very full staff, secretarial staff and LHA attachments. Good schools and sport facilities. Postgraduate centre in grounds of local hospital. Access GP maternity unit. Share worth minimum of £4,000 pa or more according to experience, etc. after short probationary period, subject to biennial review according to income produced.

Ref. P597. Graduate of British University sought as 3rd partner in semi rural/urban practice in Berkshire. Two surgeries with full employed and attached staff. Access to maternity beds and other facilities. Good schools and postgraduate centre. £4,000 pa for first 3-6 months with parity at about £7,000 pa, 2 years later.

Ref. P618. Towcester, Northants. Male graduate of British University to replace retiring partner in two man practice in pleasant country area. New, purpose built Health Centre. Very full staff, appointments system and access to comprehensive diagnostic facilities. Commencing £4,000 pa plus possible car allowance and rent-free accommodation for 3 months. Parity at approximately £7,500 pa in 3 years.

Ref. P619. Camberley, Surrey. Graduate of British University, maximum age 35, sought as 4th, replacement partner. Centrally situated, well staffed surgery. Access to hospital beds forthcoming in new District hospital and to comprehensive diagnostic facilities. Variety of appointments available. Share worth £5,500 to £6,000 after 6 months probationary period at £4,500 pa plus rent free flat. Parity 2 years later.

GENERAL PRACTICE TRAINING POSTS

CHELTENHAM AND GLOUCESTER GENERAL PRACTITIONER TRAINING SCHEME

Applications are invited for four traineeships for individuals wishing to commence Vocational Training for General Practice in May 1974. The scheme is arranged as a joint venture between the Cheltenham and Gloucester Hospital Management Committees and the Area General Practice Advisory Committee. It will give the Trainee an excellent grounding in all aspects of hospital and general practice and is approved for the membership examination of the R.C.G.P.

The schedule of training is as follows: (i) An initial attachment to a general practice commencing in May or June. (ii) Four hospital attachments rotating at six monthly intervals viz: (a) Senior House Officer in Accident and Emergency — Gloucester. (b) Senior House Officer in Dermatology and Medicine including Neurology — Gloucester. (c) Senior House Officer in Paediatrics — Cheltenham. (d) Senior House Officer in Obstetrics and Gynaecology — Cheltenham.

These posts will involve residence in the hospitals when on call.

(iii) A final period of training in general practice.

The trainees will be expected to attend a Day Release course at Bristol University. Attachment will also be arranged to other specialist clinics for training viz. Psychiatry, E.N.T. and Ophthalmology. Applications giving the names and addresses of two referees should be sent as soon as possible to the Acting Group Secretary, Cheltenham Group Hospital Management Committee, Cheltenham General Hospital, Sandford Road, Cheltenham from whom further details are available. (54961) 22

TORBAY HOSPITAL

VOCATIONAL TRAINING FOR GENERAL PRACTITIONERS

Applications are invited from recently qualified medical graduates for a three year course of training starting 1st June, 1974.

The programme comprises: 1. A two month's introductory appointment in a teaching general practice. 2. Four six months appointments of S.H.O. grade in General Medicine, Paediatrics, Fracture and Orthopaedics and a special appointment with Out-patient teaching in Gynaecology, Ophthalmology, Ear Nose and Throat and Dermatology. 3. A final ten months in a teaching General Practice.

Throughout the three year course training in Psychiatry on an Out-patient basis will take place, and during the ten months in General Practice in-patient teaching for two weeks.

Study programmes with the General Practice's Group and the University of Exeter will run throughout the appointment.

The Scheme is recognized by the Royal College of G.P.'s for the M.R.C.G.P. Accommodation, married or single, will be available for the three years.

Applications giving full particulars and names and addresses of two referees should be sent to the Hospital Secretary, Torbay Hospital, Torquay, S. Devon, as soon as possible. (54886) 22

CHICHESTER & GRAYLINGWELL HOSPITAL MANAGEMENT COMMITTEE

VOCATIONAL TRAINING FOR GENERAL PRACTICE

Applications are invited for a 3-year appointment, S.H.O. grade, starting on 1st March, 1st 6 months in paediatrics and chest diseases, later obstetrics and gynaecology, general medicine, accident and emergency, and attachments in other sub-specialties over a period of 2 years, followed by 1 year in general practice. Recognized for M.R.C.G.P. Active postgraduate Medical Centre. Excellent single or married accommodation.

Applications with full details and names of 2 referees to Group Secretary, St. Richard's Hospital, Chichester. Please quote ref. 720 (55132) 22

NORTHERN REGIONAL HOSPITAL BOARD (Scotland)

VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE

Applications are invited for four posts in a Vocational Training Scheme commencing 1st August, 1974, based on the Inverness Group of Hospitals.

The training programme will last for three years. The first and third years will be spent in a rotational series of hospital appointments in the S.H.O. and Registrar grades respectively and the intervening year in general practice in the S.H.O. grade.

Applicants must be fully registered on entry to the Scheme and be interested in a career in General Practice.

Candidates should apply by 16th March, 1974 on forms obtainable from the Senior Administrative Medical Officer, Northern Regional Hospital Board, Reay House, 17 Old Edinburgh Road, Inverness, by whom further particulars will be supplied on request. (H18060) 22

Kettering and District Hospital Management Committee

Vocational Training Scheme for General Practice

Applications are invited from Doctors, who will have attained full registration at the time of entry, for 3 vacancies in the above Scheme.

The posts will commence on the 1st August with a six month appointment in General Practice followed by four appointments, each of six months in General Medicine, Paediatrics, Psychiatry and Obstetrics and Gynaecology with a final six months in General Practice. A Geriatric appointment is available as an optional choice.

All Trainees will attend a half day release course throughout their Hospital posts; while in the General Practice year, they will attend a whole day release course run by the Thames Faculty of R.C.G.P. at Oxford.

Weekly lunch with Postgraduate lectures and Monthly Trainer-Trainee Meetings are held throughout the three years.

The Course has the approval of the Royal College of General Practitioners and the Trainee will be eligible to sit the M.R.C.G.P., D.C.H. and the D.Obst.R.C.O.G.

Married quarters are available throughout the whole course.

It may be possible to assist practitioners, who have partly fulfilled the criteria for vocational training, to complete their requirements.

Applications and requests for further information should be sent to Dr. R. W. Ballantyne, Director of General Practice Studies, The General Hospital, Rothwell Road, Kettering, Northants NN16 8UZ. (23226) 22

General Practice Training Course

VOCATIONAL TRAINING FOR GENERAL PRACTICE

University of Exeter/Exeter and

Mid-Devon Hospital Management Committee

Applications are invited for the post of Senior House Officer in General Medicine/ Acute Geriatric Medicine from 1st April 1974 at the Royal Devon and Exeter Hospital (Heavitree) Exeter. The geriatric component will include case conferences and experience in all aspects of rehabilitation.

The post will be incorporated in the vocational training scheme being started in 1974 by the new Department of General Practice at the Postgraduate Medical Institute of Exeter University. The course will consist of four senior house officer appointments and 12 months in an approved teaching practice. A half-day release course will be held throughout the three years.

Applications naming two referees to the Hospital Secretary, Royal Devon and Exeter Hospital (Heavitree) Gladstone Road, Exeter.

Enquiries about the vocational training scheme should be sent to Dr. D.J. Pereira Gray, The Department of General Practice, Exeter Postgraduate Medical Centre, Barrack Road, Exeter. Tel: Exeter 70018. (54992) 22

Box 321, Khartoum, Sudan.

Applicants resident in U.K. should also send 1 copy to Inter-University Council, 90/91 Tottenham Court Road, London, W1P 0DT. Further particulars may be obtained from either address. (23241) 25

UNIVERSITY OF LEICESTER Medical School Department of Surgery

Applications are invited for a

LECTURESHIP

in the newly established Department of Surgery. Candidates must hold the Fellowship of a Royal College of Surgeons. The Lecturer will be required to participate in clinical and research activities and will be considered for an honorary N.H.S. appointment of Senior Registrar grading. The central interests of the department will be in the fields of clinical immunology and vascular surgery. Applicants should have had previous experience in immunological research.

Initial salary, dependent on qualifications and experience, on the scale £2535 — £4989 a year, with F.S.S.U. membership. Further particulars from the Registrar, to whom applications should be sent by 5th March. (23149) 25

COMMERCIAL APPOINTMENTS

CLINICAL INVESTIGATION

- * Challenging and Interesting
- * Overseas Travel
- * Stimulating Contacts
- * Central to Medical Research

This British Company, with an international reputation, has an expanding research programme in a variety of therapeutic areas with considerable recent success.

We require a registered medical practitioner to join an increasingly busy team of Medical Advisers, headed by Dr. J. Warwick Buckler, working in friendly congenial surroundings.

You would be responsible for initiating, progressing and analysing clinical trials of both new and established drugs and liaising closely with the specialist hospital units which are involved.

You would be in close contact with the teams of experts who do the original research into new compounds.

You would have the benefits of working in a large organisation including pension scheme, profit sharing and other benefits.

Applications should be routed through J. L. Muncey, Head Office, The Boots Company Limited, Nottingham NG2 3AA.

The Boots Company Ltd.,
Nottingham NG2 3AA

IMPERIAL CANCER RESEARCH FUND

CLINICAL RESEARCH FELLOWSHIPS

The Imperial Cancer Research Fund awards annually a small number of Research Fellowships to graduates engaged in clinical medicine interested in careers in academic medicine with an emphasis on cancer research. The next of these awards will commence on 1st October, 1974, or soon thereafter, and a Fellow will spend one to three years participating in one of the research programmes in the laboratories of the Fund. Applicants, British subjects normally resident in the United Kingdom, should be of Registrar status and have obtained, or expect to obtain, the M.R.C.P., F.R.C.S., or other higher medical qualification. The superannuable salaries awarded will be appropriate to the qualification and experience of the Fellows.

Further details and application forms are obtainable from **The Secretary, Imperial Cancer Research Fund Laboratories, P.O. Box 123, Lincoln's Inn Fields, London WC2A 3PX.**

Applications to reach the Secretary of the Fund at the above address not later than 29th March, 1974. (H18105) 25

IMPERIAL CANCER RESEARCH FUND

Department of Cellular Pathology

RESEARCH FELLOWSHIPS IN EXPERIMENTAL PATHOLOGY

Applications are invited for a small number of Research Fellowships for medical and other graduates working in the fields of laboratory medicine (histopathology, microbiology, immunology, clinical biochemistry, etc) and interested in careers in academic medicine with an emphasis on cancer research.

The next awards will commence on 1st October, 1974, or soon thereafter. A Fellow will spend one to three years participating in one of the research programmes of the Department. Applicants should be of Registrar status and should have obtained, or be working for, a higher qualification.

Those entering the programme may wish to use this research experience towards an M.D., Ph.D., or M.R.C.Path. The superannuable salaries awarded will be appropriate to the qualifications and experience of the Fellows.

Further details and application forms are obtainable from **Head of Staff Department, Imperial Cancer Research Fund Laboratories, P.O. Box 123, Lincoln's Inn Fields, London WC2A 3PX.**

Applications to reach the Head of the Staff Department of the Fund at the above address not later than 29th March, 1974. (H18106) 25

BRITISH POSTGRADUATE MEDICAL FEDERATION
UNIVERSITY OF LONDON

ASSOCIATE ADVISER IN GENERAL PRACTICE

NORTH EAST THAMES REGION

Applications are invited from General Practitioners for appointment of an Associate Regional Adviser in General Practice in the North East Thames Region. The Adviser will be a member of the staff of the University Regional Postgraduate Dean, and will work closely with the Regional Adviser who is already in post. The Appointment will be for two or three half day sessions per week, for one year in the first instance, renewable for further periods of up to five years.

The new appointment will carry responsibility primarily for the Camden and Islington, and Enfield and Haringey Health Authority areas and the practitioner appointed would preferably be living and working in one of these areas. By arrangement with the Regional Adviser however, responsibility will not exclusively be limited to this area but the two advisers will work together as a team.

The salary is currently at a rate of £690.82 per annum for each session per week.

Further information is available from the **Director, British Postgraduate Medical Federation, 33 Millman Street, London WC1N 3EJ, quoting Ref. ARA GP. Closing date 18th March, 1974. (23140) 25**

Box 30197, Nairobi, Kenya. Applicants resident in UK should also send 1 copy to Inter-University Council, 90/91 Tottenham Court Road, London W1P 0DT. Further particulars of these appointments are obtainable from either address. (23239) 25

UNIVERSITY OF NEWCASTLE UPON TYNE Decompression Sickness M.R.C. Research Team

SENIOR RESEARCH ASSOCIATE
A medical practitioner, preferably a Radiologist, is required to take charge of the Decompression Sickness Central Registry which is associated with the M.R.C. research programme investigating decompression sickness. Epidemiological, statistical, industrial or naval experience would be an advantage, but is not essential. At present an appreciable proportion of the work is concerned with the interpretation of bone radiographs.

The Registry with its administrative and secretarial staff functions as a centre at which medical, radiological and work experience records of both compressed air workers and divers are collected, assessed and analysed. The results provide the basic data on which much of the work of the associated M.R.C. Research Team is based. The Registry enjoys an international reputation and is a recognized source of advice to the medical profession, civil and diving industries. The appointment will be for approximately two years in the first instance and the commencing salary will be within the range £3,006 — £5,271 according to qualifications and experience. Two referees, should be sent within 3 weeks of the appearance of this advertisement to Professor D. N. Walder, Department of Surgery, Royal Victoria Infirmary, Newcastle upon Tyne NE1 4LP, from whom further details may be obtained if required. (23237) 25

UNIVERSITY OF ZAMBIA

Applications are invited for posts of

(i) MEDICINE
(ii) PHYSIOLOGICAL SCIENCES
(iii) PATHOLOGY AND
MICROBIOLOGY

Candidates for (i) must possess M.R.C.P. or equivalent, and preference will be given to those with special training in either Cardiology, Respiratory Medicine or Therapeutics. Candidates for (ii) must possess a postgraduate qualification in Biochemistry. Candidates for (iii) must possess M.R.C.Path. or an equivalent postgraduate qualification. Preference being given to those interested in Histopathology and Cytopathology. Salary scales: Senior Lecturer K5,600 — K6,600 p.a. Lecturer K4,000 — K5,400 p.a. There is a medical supplementation of K1,200 p.a. (£1 sterling K1.39). The British Government may supplement salaries in range £200 — £500 p.a. (sterling) for married appointees or £100 — £200 p.a. (sterling) for single appointees (normally free of all tax) and provide children's education allowances and holiday visit passages. Family allowances, various allowances; superannuation and medical aid schemes; regular overseas leave. Detailed applications (2 copies), including a curriculum vitae and naming 3 referees, should be forwarded by air mail, not later than 12th March 1974 to the Registrar, University of Zambia, P.O. Box 2379, Lusaka, Zambia. Applicants resident in UK should also send 1 copy to Inter-University Council, 90/91 Tottenham Court Road, London W1P 0DT. Further particulars may be obtained from either address. (23238) 25

UNIVERSITY OF SOUTHAMPTON Faculty of Medicine

Applications are invited from registered medical practitioners for the post of
LECTURER IN HUMAN REPRODUCTION AND OBSTETRICS

This is a new appointment. The person appointed will be required to undertake clinical, teaching and research duties in the field of Human Reproduction and Obstetrics. It is intended that a suitable candidate should be offered honorary Senior Registrar status by the Hampshire Area Health Authority (7). Salary scale £3,588 — £5,091 (by 9 increments). Superannuation. Initial salary will depend on qualifications and experience.

Further particulars may be obtained from the Deputy Secretary (Ext. 2804). The University, Southampton, SO9 5NH, to whom applications (7 copies from UK applicants and 1 from others) should be sent not later than 2nd March 1974 quoting reference JMB 16/73/A. (23148) 25

UNIVERSITY OF LONDON Institute of Psychiatry Department of Neuropathology

Applications are invited for the post of
SENIOR LECTURER IN NEUROPATHOLOGY.

A higher qualification is essential. The post offers excellent facilities for research as well as supervision of postgraduate students, participation in the teaching programmes in the Institute as well as outstanding opportunities for collaboration with the Departments of Psychiatry, Neurology, Neurosurgery, Physiology and Pharmacology. Salary scale £5065 — £7599. A contract as an honorary consultant will be negotiated with the Bethlem Royal and Maudsley Hospital.

Application forms from the Secretary, Institute of Psychiatry, De Crespigny Park, Denmark Hill, London SE5 8AF or telephone 01-703 5411 quoting reference PMD/BMJ 25 (23242)

GRANTS

ROYAL COLLEGE OF PHYSICIANS OF LONDON

GRANTS FOR DOCTORS TO LEARN FRENCH OR GERMAN

The College is proposing to offer a limited number of grants annually for doctors (not necessarily Fellows or Members of the College) who have been asked to represent British medicine in the E.E.C. or who intend to work or study on the Continent. These grants will cover the cost of approximately 150 hours of individual tuition — the exact number depending on previous knowledge of the language — at the Berlitz Schools of Languages, either in London, Birmingham or Manchester. Successful applicants will be expected to undertake to complete their course and to make themselves available later, if asked to represent the College in Europe.

Further details and forms of application may be obtained from:-

The Assistant Registrar,
The Royal College of Physicians,
11 St. Andrew's Place,
Regent's Park, London NW1 4LE.
(Applications close on 31st March, 1974) (H17851) 29

SPECIAL APPOINTMENTS**The International Planned
Parenthood Federation**

is an International Non-Governmental Organisation working to increase family planning knowledge and services throughout the world. Financial assistance is received from Governments, the United Nations Fund for Population Activities as well as from Voluntary contributions made by private citizens and foundations in many countries. The budget for 1974/1975 is \$50 million. The Headquarters of the Federation is in London. The seventy nine member associations are grouped in seven regions and are represented through regional councils on the International Governing Body.

**Medical
Director**

The successful candidate will supervise the work of the Medical Department and report to the Assistant Secretary General, Bio-Medical and Social Sciences Division. He will service and organise the Central Medical Committee and other panels and sub-committees, and also evolve and assist in the technical and medical developmental aspects of the Work Programme. In addition the work involves giving technical advice on fertility control methods and reviewing family planning programmes and suggesting innovations and re-orientation where needed.

Applicants should be medically qualified with a post-graduate degree or a diploma in an appropriate speciality, as well as administrative or research experience in family planning programmes. Work experience in a developing country is desirable. An ability to travel widely and at short notice is required.

The salary for this appointment will be in the region of £8,500 per annum, but could be more for an exceptional candidate. There are also valuable fringe benefits and additional allowances for an expatriate.

Please write or telephone to the address below in the first instance for an application form and job description.

**D. R. Badham, Personnel Manager,

IN CHEMICAL PATHOLOGY**
Applications are invited for this new rotating appointment at the Royal Berkshire Hospital, Reading and Charing Cross Hospital. The post is non-resident and the successful candidate will commence duty at the Royal Berkshire Hospital, exchanging after two years.
The well-equipped and staffed Department of Chemical Pathology in the newly opened Charing Cross Hospital offers training in all branches of the subject and has excellent facilities for research. Frequent lectures, seminars, clinico-pathological conferences, etc. are held. The Clinical Chemistry Section of the Royal Berkshire Hospital provides a comprehensive service with opportunities for clinical consultation. It offers training in computer-controlled data processing, participation in research projects and attendance at selected courses at the University of Reading.
Both laboratories are recognized by the Royal College of Pathologists for training for the membership examination in chemical pathology.
Further details and application forms are obtainable from the undermentioned and should be returned by 18th March, 1974.
All enquiries to: 01-748 2050. Ext. 2993. (23153) 56-5

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1969, No. 163).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1,914 per annum for the posts held during the first year; £2,061 per annum for posts held during the second year; £2,208 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,475 per annum x £189(1) x £186(1) — £2,850.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,850 per annum x £171(3) x £168(1) — £5,331.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,363 per annum x £168(1) x £216(4) — £4,395.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £3,156 per annum x £183(2) x £180(2) x £168(10) — £5,562.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £5,085 per annum x £279(8) x £282(1) — £7,599.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate. August, 1973 C

SOUTH-EASTERN REGIONAL HOSPITAL BOARD
Scotland

Applications are invited for the post of
SENIOR REGISTRAR
in the Department of Orthopaedic Surgery,
Edinburgh. Rotation will be between the
Royal Infirmary, the Western General and the
Princess Margaret Rose Orthopaedic Hospital,
all within the City of Edinburgh. This is a
department with over 400 beds concerned
with all aspects of the specialty. The post is
one approved for orthopaedic training in the
four year training programme leading to
certification by the Joint Committee on
Higher Surgical Training. The senior registrar
will take part in the special training scheme
which provides experience in all branches of
orthopaedic surgery by rotations planned to
provide a balanced experience. There is an
intensive postgraduate training programme
additional to the rotating clinical experience.
There is access to all the research facilities of
the University department.
The successful applicant will participate in
the academic activities of the Department and
will be involved in undergraduate teaching.
Applications which should be typewritten,
giving particulars of age, qualifications and
previous experience, together with the names
and addresses of three referees should be
lodged with the Secretary, 11 Drumshough
Gardens, Edinburgh EH3 7QQ by 2nd March,
1974. Further details of the post may be
obtained from: Professor J. L. P. James,
University Department of Orthopaedic
Surgery, Clinical Research Unit, Princess
Margaret Rose Orthopaedic Hospital,
Edinburgh EH10 7ED. (H18094) 77-5

SOUTH-EASTERN REGIONAL HOSPITAL BOARD

Scotland

REGISTRAR

Post(s) at Bangour Village Hospital. S.H.O./Registrars) in Psychiatry at this psychiatric hospital providing a comprehensive Mental Health Service to the County of West Lothian and the Northern Sector of the City of Edinburgh.

Clinical duties are carried out in units for acute care, rehabilitation, geriatric, adolescent and alcoholic patients. Psychiatric services are provided to the adjacent Bangour General Hospital.

There are excellent opportunities for in-service training aimed at the D.P.M. and M.R.C.Psych. in association with the University Department of Psychiatry, Edinburgh. Fees and travelling expenses will be met by the Regional Hospital Board. Clinical teaching takes place both in psychiatric and General Hospitals. The hospital may be visited by arrangement with the Physician Superintendent who will provide further information on request.

Married and single residential accommodation may be available if this is required, but these posts are not compulsorily resident. They are at present recognized for the peripheral allowance.

Applications, which should be typewritten, giving particulars of age, qualifications and previous experience, together with the names and addresses of two referees should be lodged with the Secretary, 11 Drumheugh Gardens, Edinburgh EH3 7QQ, within two weeks from the date of this advertisement. (H18097) 84-6

NORTH MONMOUTHSHIRE

HOSPITAL MANAGEMENT COMMITTEE

Pen-Y-Fal and Maindiffe Court Hospitals

SENIOR HOUSE OFFICER

IN PSYCHIATRY

(Resident)

The appointment offers widely varied experience in all branches of psychiatry, including out-patient clinics in nearby newly built district general hospital.

There are departments of Clinical Psychology, where Behaviour Therapy and Group Therapy are practised, and Medical Physics with E.E.G., Photography and Videotape facilities. An active postgraduate teaching department, under a consultant tutor, has close links with another psychiatric hospital and a hospital for subnormals. A weekly study afternoon has been instituted. The postgraduate centre of the district general is also freely available. A well stocked medical library exists.

Abergavenny is a pleasant country town on the edge of a National Park, yet within an hour's journey of Bristol or Cardiff Medical Schools.

Salary in accordance with Terms and Conditions for Hospital Medical Staff. A peripheral allowance of £204 per annum is payable. Single and married quarters available.

Applications with full details and names and addresses of two referees to Hospital Secretary, Pen-Y-Fal Hospital, Abergavenny. (23310) 84-8

PRINCESS ALEXANDRA HOSPITAL

Harlow, Essex

(Churchill Clinic)

SENIOR HOUSE OFFICER

IN PSYCHIATRY

required immediately for the expanding Mental Illness Unit in this District General Hospital. The unit has 40 acute beds, a day hospital and large Out-patient Department. Recognized for the D.P.M., there are full facilities for training in all aspects of acute psychiatry including rehabilitation and after-care. Resident post.

Applications with names of two referees to Hospital Secretary. (H18084) 84-8

ST. THOMAS' HOSPITAL

London SE1 7EH

Applications are invited for the resident post of

SENIOR HOUSE OFFICER

IN PSYCHIATRY

This post will be available in April. Training is largely based on the acute admission unit, which is part of a new purpose designed psychiatric complex at the South Western Hospital, within the St. Thomas' Group. Supervised out-patient clinics, regular postgraduate teaching in the Department of Psychological Medicine of St. Thomas' Hospital, and opportunities for study for higher examinations.

Application forms are available from the Medical Staffing Office, St. Thomas' Hospital, London and should be returned by 3rd March, 1974. (55168) 84-8

SHENLEY HOSPITAL

SENIOR HOUSE OFFICER

required for duties in this modern psychiatric hospital 30 minutes from Central London. Not compulsorily resident. Single accommodation available.

For further details please contact The Consultant, "A" Division, Shenley Hospital, Shenley, Radlett, Herts. Tel: Radlett 5631. Ext. 101. (23083) 84-8

SOUTHAMPTON UNIVERSITY

HOSPITAL MANAGEMENT COMMITTEE

Applications are invited for the post of

SENIOR HOUSE OFFICER

(Non-resident)

In Psychiatry of the Elderly, at the Moorgreen Hospital, which forms part of the Southampton University Group.

This post, which is immediately available, would be most suitable for a medical practitioner aiming at a career in general practice where the problem of psychiatric disturbance in the elderly occupies a substantial part of one's time. The clinical duties will be with in-patients and Day-patients of the Psychogeriatric Unit at Moorgreen Hospital.

This is part of a Community orientated service for the City of Southampton and the trainee would be offered ample opportunity for involvement in home assessments etc. There are close links with the Department of Geriatric Medicine, whose day hospital is adjacent to the Psychogeriatric Unit. There is a very well developed postgraduate training scheme for general practice in the Wessex Region, based on Southampton, with which the trainee might wish to be involved. The post would also be useful for someone considering training in Psychiatry or Geriatrics, and attendance at day release courses for the D.P.M., M.R.C.Psych. or M.R.C.P. would be encouraged.

Further information may be obtained from Dr. C. Godber, Consultant Psychiatrist, Moorgreen Hospital, West End, Southampton (Tel: 0703 2258).

Application forms are obtainable from the Training Secretary, Medical Services, Southampton University H.M.C., 119 Tremona Road, Shirley, Southampton, to whom they should be returned as soon as possible. (23145) 84-8

RUNWELL HOSPITAL

P.O. Box 3

Wickford, Essex SS11 7QE

RESIDENT SENIOR HOUSE OFFICER

IN PSYCHIATRY

required from 25th February. The post is approved for the D.P.M. and recognized for the M.R.C.Psych. There is an active postgraduate education programme and excellent library facilities. Married or single accommodation is available. Applications giving the names of two referees, should be addressed to the Group Secretary. (23161) 84-8

The Future General Practitioner

Learning and Teaching

General or family practice is a special subject. This book is written by six experienced teachers selected by the Council of the Royal College of General Practitioners. It is intended chiefly for teachers, but it will also be valuable to those who are learning and to all who are concerned about the place of family practice within a country's medical services.

A syllabus is developed in five main parts:

Health and Diseases

Human Development

Human Behaviour

Medicine and Society

The Practice

Throughout the book the authors have tried to indicate ways in which the teacher may approach the task of passing on what he had learned by his own experience. The theme is the search for objectives which will satisfy the needs of learner and teacher. The belief is that this search will benefit the future family practitioner and through him the community of his patients.

LIVERPOOL
REGIONAL HOSPITAL BOARD
The United Liverpool Hospitals

Applications are invited for one post on a rotation scheme for

REGISTRARS IN SURGERY

This Rotation Scheme is designed for doctors who have passed the Primary F.R.C.S. examination, and who have already held a recognized post for 6 months in a casualty department. The scheme will provide the required experience to enable them to take the Final F.R.C.S. examination.

This rotation scheme covers a period of 2 years. 18 months will be spent in general surgery and 6 months in a surgical specialty. The 18 months will be divided between two different hospitals, 12 months being spent in one and 6 months in another.

The post is tenable from 1st April, 1974, and the successful candidate will be appointed initially to St. Catherine's Hospital, thereafter rotation will take place as follows:— 1st October, 1974, Broadgreen Hospital; 1st October, 1975, Walton Hospital (Neurosurgery); 1st April, 1976, St. Catherine's Hospital, and the contract will finally terminate on 30th September, 1976.

The successful candidate will be appointed for a minimum period of 2 years subject to satisfactory review at the end of the first 12 months.

Posts in the Regional Board Hospital are recognized as resident.

Application form obtainable from Acting Senior Administrative Medical Officer, Liverpool Regional Hospital Board, Wilberforce House, The Strand, Liverpool L2 7RW, to be returned within 12 days of the publication of this advertisement. (23213) 91-6

GOVERNMENTAL

Senior Employment Medical Adviser Mental Health

£8163
London

This important post within the Employment Medical Advisory Service will cover research, arranging epidemiological surveys, assessment of technical reports, and policy recommendations within the field of mental health in an occupational environment. It will also cover mental health aspects of the medical work within the Department's Industrial Rehabilitation Units.

An Adviser's duties include investigations and formal surveys, advice about working conditions, and medical supervision of young people who are not fully fit for employment and of people undergoing training or rehabilitation. This is wide ranging work of growing importance. Advisers go into many different work places, particularly factories, and give advice on occupational medicine to workers (and their representatives) and employers, as well as maintaining liaison with medical practitioners on aspects of their patients' work.

Candidates must be fully registered medical practitioners and experience in mental health and medical psychology would be an advantage.

Salary £8163. Promotion prospects. Non-contributory pension scheme.

For further details and an application form (to be returned by 8 March 1974), write to Civil Service Commission, Alencon Link, Basingstoke, Hants., RG21 1JB, or telephone Basingstoke 29222, ext. 500 or London 01-839 1992 (24 hour answering service). Please quote S/8537/1.

GOVERNMENTAL**Employment Medical Advisory
Service & London University**

Joint appointment of MEDICAL ADVISER/ LECTURER

This is a new, London-based, appointment, divided between the Employment Medical Advisory Service and the TUC Centenary Institute of Occupational Health of the London School of Hygiene and Tropical Medicine.

An Adviser's duties include investigations and formal surveys, advice about working conditions, and medical supervision of young people who are not fully fit for employment and of people undergoing training or rehabilitation. This is wide ranging work of growing importance. Advisers go into many different work places, particularly factories and give advice on occupational medicine to workers (and their representatives) and employers, as well as maintaining liaison with medical practitioners on aspects of their patients' work.

The University duties (as a designated Lecturer or Senior Lecturer depending on experience and qualifications) will include participating in the teaching, and other activities of the Institute. The person appointed will be expected to pursue his or her own research.

Applicants must be fully registered medical practitioners in the United Kingdom. Experience in occupational medicine or in allied subjects such as toxicology, pulmonary physiology, or psychiatry, is desirable and the possession of higher qualifications will be an advantage. Ability to drive a car is essential.

Starting salary may be above the minimum of the scale £5,158 — £6,889. The appointment will be for three years in the first instance. At the end of this period the E.M.A. will be given the choice of full-time work within the E.M.A.'s or London University. There is a non-contributory pension scheme.

For full details and an application form (to be returned by 8th March, 1974) write to the Civil Service Commission, Alencon Link, Basingstoke, Hants RG21 1JB, or telephone Basingstoke 29222, Ext. 500, or London 01-839 1992 (24 hour answering service). Please quote S/8540/1. (23158)

OVERSEA

Attention is drawn to the importance of detailed careful consideration to the terms of any contract, especially as terms and conditions of service may differ markedly in different areas. 'Notes on Contracts Overseas' may be obtained on application to the Secretary.

Before any contract is signed it is advisable to obtain full details of remuneration and of terms and conditions of service and information about local conditions. These may often be obtained from the local B.M.A. Branch or affiliated Medical Association whose address may also be obtained on application to the Secretary.

BUNBURY, WESTERN AUSTRALIA. Active 5 member group require assistant or assistants with view to partnership to replace retiring partner who is taking up a teaching post. The town has a population of 17-20,000 and a large inland area. It is 2 hours easy drive from the metropolitan area, has two modern hospitals with full access for General Practitioners. Australia

HISTOPATHOLOGIST

Applications are invited from suitably experienced histopathologists for a position in charge of the laboratory of a large private hospital in Melbourne, with a particular responsibility for the surgical pathology service to the hospital and a general overview only of haematology, biochemistry and bacteriology. Surgical material from smaller hospitals is also handled involving a total of some 8,000 biopsies annually.

A salary of \$A25,000 plus car is suggested. One way air fare would be refunded after a qualifying period of 6 months. Please submit full personal particulars and photograph with applications which should be forwarded to Director of Pathology. 118

General Practitioners Overseas £9000 +

A private clinic sponsored by the Oil Industry in Libya provides comprehensive, up-to-date medical facilities for all personnel and families.

Two vacancies exist for General Practitioners. Experience as housemen up to the level of Registrar is essential as is membership of the Royal College of Physicians. Anaesthetics experience for one vacancy would be an added advantage.

The work consists of general medical duties including Out-Patient Clinics, pre-employment and periodic physicals as well as some In-Patient care. X-ray and Laboratory facilities are available and the accommodation of a small hospital for in-hospital care.

Due to the size of the hospital, applicants must have considerable breadth of experience over at least 5 years with the knowledge and ability to undertake duties outside their own specialist fields. The staff includes a surgeon, obstetrician/gynaecologist, paediatrician and general physician.

A salary of £9,000+ is offered, dependent on qualifications and experience, which includes an overseas premium with cost of living allowance, local income tax is comparatively low. Benefits include fully furnished, low-rental accommodation, provided at 15% of salary; educational assistance for children; 30 days annual leave including travelling time with paid transportation and 18 days local vacation.

Contracts are negotiable for one or two years' duration. Please telephone or write for a qualification record, quoting reference: BMJ/347 to

Charles R. Lister International Ltd

Medical Officers

Zambia £7,100+ p.a.

You are offered the prospect of a tour of duty — for as little as one year — in Zambia, one which will give you both a wide range of professional experience and early responsibility (all in addition to a wide extension of your personal horizons). It is with the nation's major mining organisation, Nchanga Consolidated Copper Mines Ltd, with an international staff of technical specialists.

The company is responsible for providing full medical care to its employees — over 30,000 — and their families; the total of persons to be looked after is about 150,000.

There is a senior doctor staff of over 40, including a full complement of specialists and 150 fully qualified nurses. The modern facilities include 5 well-equipped hospitals (814 beds), 16 clinics and 8 main first aid dressing stations.

General Duty Medical Officers will be involved in preventive and curative medicine, surgery, anaesthetics, gynaecology/obstetrics, public health and nutrition; and although the mines have a strict safety code an amount of accident work can be expected.

Contracts may be negotiated for periods of one to three years. Locums can also often be arranged.

Salaries will depend on experience, but the minimum is K10,750 (£7,100) gross per annum. In addition there is a tax free settling-in allowance; subsidised. Company private primary schools; a detached, furnished house with garden is provided for £1.50 per week; and children receiving secondary education overseas are granted up to £600 per child per year, tax free, towards school fees and two free return passages to visit their parents during holidays; interest free car loan available. Study leave is granted, and there are 60 days standard annual leave.

Exchange Control Regulations allow for the annual externalisation of up to 33 1/3% of gross income.

Please send for details to:

DOCTOR FOR ETHIOPIA

The British Red Cross Society is sending a medical/relief team to assist in the drought relief operation in Ethiopia.

A doctor is urgently required for a six-month period as soon as possible. Salary, insurance and travel expenses will be covered by B.R.C.S. and a per diem allowance will be paid.

Further information and application form from The Chief Nursing Officer, B.R.C.S., 9 Grosvenor Crescent, London SW1X 7EJ. Tel: 235 5454. (H18010) 118

THE ROYAL AUSTRALIAN COLLEGE OF GENERAL PRACTITIONERS

FAMILY MEDICINE PROGRAMME

The Family Medicine Programme has been established to provide postgraduate vocational training for doctors wishing to become General Practitioners/Family Physicians.

POSITIONS AVAILABLE FOR 1974

Training posts are available as follows:

- 1 Rotating residency positions providing experience both in general practices accredited for vocational training and in hospital posts suitable for gaining further experience relevant to general practice.
- 2 A limited number of rotating general practice appointments in accredited training practices with terms varying between three and six months.

Further information is available from:

The State Director,
Family Medicine Programme,
Suite 602, Equitable Life Building,
80 Alfred Street, Milsons Point, N.S.W. 2061
Phone: 929 9939/929 9930

These positions are suitable for doctors who have completed at least one year of hospital training.

Community Health Programme project number 73 CAV1 (H18014) 118

Locum Medical Officers Middle East

The British Petroleum Company urgently requires locum Medical Officers for General Medical duties in the Middle East. Appointments will be in either Aden or Abu Dhabi from mid-February to approximately June.

Candidates should preferably have 3 years' postgraduate experience. Some knowledge of anaesthetics is desirable for the Aden post and previous overseas experience would be a useful advantage.

Salary will depend upon age and qualifications.

■ Please write giving brief details of background and previous experience to: The Manager, Central Recruitment, The British Petroleum Company Limited, Britannic House, Moor Lane, London EC2Y 9BU. (23133) 118

Medical Specialist

Southwell Hospital, Kuwait

The appointment is for an experienced Physician, aged 35-45 years, who must hold M.B., M.R.C.P. or equivalent qualifications. In addition he should have suitable postgraduate experience in the speciality.

An interest, experience and, preferably, a further postgraduate qualification in paediatrics, is also desirable. The scope of activity is wide-ranging: the successful applicant will be expected to participate in preventive medicine programmes, give in-service training and guidance to other doctors and hospital staff, and supervise the work of the Hospital pathological laboratory service.

The company offers a salary of not less than £7500 per annum for an initial one-year contract, which may be renewable for further one-year periods, plus a service gratuity of 15% per annum of salary earned. At present there is no tax on personal incomes in Kuwait. Leave is earned at the rate of 5 days per month of service in Kuwait. Furnished, air-conditioned family accommodation and primary school facilities are available. Free medical attention.

Applications giving brief details of career, which will be treated in strict confidence, should be sent to: Dr. J. Brebner, Kuwait Oil Company Ltd., c/o Britannic House, Moor Lane, London EC2Y 9BU. (23134) 118

Nicholas

Pharmaceuticals, Toiletries and
Hospital Supplies

Medical Adviser Melbourne

Nicholas International Limited has a vacancy for a full-time Medical Adviser based in Melbourne. He, or she, will be part of the Research and Development Division of the Company which, although it has its largest Research Unit in England, has very active research teams in other countries including Australia. It is expanding rapidly to meet the demand for new products from the marketing zones throughout the world. The doctor chosen for this post will be responsible for setting up and controlling clinical studies during Phase 2 and Phase 3 of the investigation of future prescription medicines in Australia and possibly in New Zealand and Indonesia. In addition he will be called upon to work closely with toxicology, pharmaceutical development and registration staff and to liaise with the marketing teams on medical problems.

The applicant should preferably be a graduate of an Australian Medical School, but this is not essential. At least five years' experience will be required and preference will be given to candidates who have experience in the pharmaceutical industry. Salary will be negotiable depending upon age, qualifications and experience. A company car will be provided.

Applications should be addressed to: Mr. M. J. Hayes, Vice-President, Corporate Development and Personnel, Nicholas International Limited, 33 Albert Road, Melbourne, Australia.

THE QUEEN VICTORIA MEMORIAL HOSPITAL 172 Lonsdale Street, Melbourne Victoria, Australia.

Applications are invited from legally qualified medical practitioners holding appropriate higher qualifications for the following position:

HONORARY CHILD PSYCHIATRIST

Specialist training and experience in Child Psychiatry is required. Appointment will be to 1st August, 1975 with eligibility for appointment for a full five year term thereafter. The appointee will be a member of the Department of Family Psychiatry which is staffed by four Honorary Psychiatrists, including the Child Psychiatrist, and an Assistant Psychiatrist, Psychiatric Social Worker, Psychologist and two Registrars in Psychiatry. The Department has its own Consulting Suite and Group Therapy room.

The Hospital has a Children's Unit of 133 beds and Paediatric Out-patient Clinics are conducted daily. The Hospital is affiliated with Monash University for teaching in Clinical subjects, and the Chairs of Paediatrics and Obstetrics and Gynaecology are located at the Hospital. Child Psychiatry is taught during the paediatric term in the fifth year of the course.

There are wide opportunities for private practice in Melbourne.

Application forms are obtainable from the Manager, with whom applications should be lodged on or before 4th April, 1974. (50313) 118

THE QUEEN VICTORIA MEMORIAL HOSPITAL 172 Lonsdale Street, Melbourne 3000

Applications are invited from suitably qualified medical practitioners for the position of

ASSISTANT PATHOLOGIST

This is a full appointment, the commencing date to be arranged.

The appointment carries with it opportunity for advancement to the senior post.

The Hospital is a general hospital, affiliated with Monash University, with teaching at undergraduate and postgraduate levels. The Chairs of Obstetrics and Gynaecology, and Paediatrics are located at the Hospital. A total of 588 beds includes accommodation for public, intermediate and private patients.

Applicants should possess or be studying for a higher degree in pathology, preferably with experience in obstetrical, gynaecological, general and paediatric histopathology.

Duties will include supervision of bacteriology, biochemistry and morbid anatomy. Departments of Haematology, Serology and Cytology, and a Radio Isotope Unit are already established.

Salary in accordance with rates specified by the State Hospital Senior Medical Officers' Wages Board Determination.

Further information can be obtained from the Director of Pathology.

Application forms are obtainable from the undersigned, with whom applications should be lodged on or before 4th April, 1974. (54880) 118

THE UNIVERSITY OF OTTAWA

POSTGRADUATE TRAINING
IN PSYCHIATRY

The Department of Psychiatry invites applications for the postgraduate course in psychiatry leading to a Diploma in Psychiatry. The integrated programme approved for the full four years of training by the Royal College of Physicians and Surgeons of Canada makes use of four teaching hospitals: The Royal Ottawa Hospital (Chief — Dr. C. A. Roberts), the Ottawa Civic Hospital (Chief — Dr. F. H. Low), the Ottawa General Hospital (Chief — Dr. G. J. Sarwer-Foner), the National Defence Medical Centre (Chief — Dr. J. H. Gerlitz). Advanced placement is available for those with partial training elsewhere, as well as straight internships in psychiatry. Basic salary ranges from \$8,200 to \$13,000. Supplemental bursaries are available. Foreign medical graduates require the E.C.F.M.G. for Educational Registration in Ontario. For further particulars write: D. K. Mills, M.D., Director of Postgraduate Education, Department of Psychiatry, Faculty of Medicine, University of Ottawa, c/o Royal Ottawa Hospital, 1145 Carling Avenue, Ottawa, Ontario K1Z 7K4, Canada. (H13974) 118

UNIVERSITY OF OTTAWA
Ottawa, Ontario, Canada K1N 6N5

RESIDENCIES

IN DIAGNOSTIC RADIOLOGY

Applications are invited for residencies in the University of Ottawa programme in Diagnostic Radiology commencing 1st July, 1974. Applicants must possess E.C.F.M.G. and have one year of approved training after internship. The programme is of 3 years duration and is fully approved by the Royal College of Physicians of Canada and leads to Certification of Fellowship of the Royal College.

Training is conducted primarily at one of the two base hospitals, Ottawa General Hospital and Ottawa Civic Hospital, with a six month rotation through the other base hospital and rotation through the Children's Hospital of Eastern Ontario. Candidates may express preference as to the base hospital of their choice.

Starting salary is not less than \$9,400 per annum non-resident, increasing to not less than \$13,000 per annum if appointed Chief Resident.

Applications with the names of two referees should be sent to the Professor and Head, Department of Radiology. (H18062) 118

New from Glaxo
for the management of
frequently recurring asthma
Bextasol inhaler
delivers metered micro-doses
of betamethasone valerate
direct to the airways, thus
avoiding systemic side effects
and offering to a much
wider range of asthma sufferers
the unique benefits of
corticosteroid control.

*When you suspect that your asthma patient
is over-using his bronchodilator aerosol . . .*

*when your patient won't respond to,
or is poorly controlled by sodium
cromoglycate . . .*

*when you want to avoid systemic steroid
therapy . . . the maintenance treatment you
are looking for is Bextasol inhaler.*

Presentation
Bextasol inhaler is a pressurised aerosol containing a suspension of
micronised Betamethasone Valerate BP with propellents. The
container supplies 200 metered inhalations, each providing
100 micrograms of betamethasone valerate.

clearways***

Becotide INHALER is indicated for a wide range of patients with *bronchial asthma*

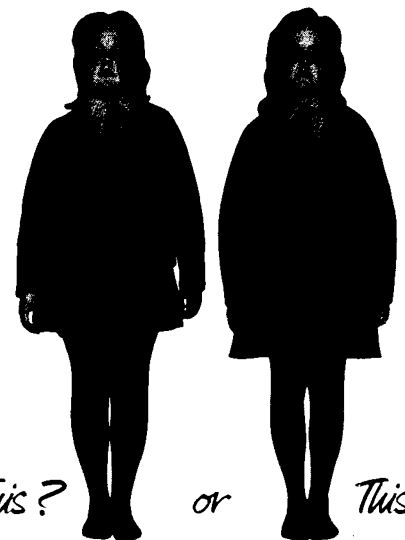

Patients whose asthma is becoming
worse and whose response to
bronchodilators is consequently waning;

Patients who are not controlled or are
inadequately controlled by
sodium cromoglycate in addition
to bronchodilators;

Children with severe asthma;
Severely asthmatic patients who are
dependent on systemic steroids or
ACTH for their well being.

The clinical evidence for Becotide Inhaler is extensive and convincing...

Topical treatment with beclomethasone dipropionate by means of an aerosol (Becotide Inhaler) thus provides excellent control of patients with asthma.

(*Practitioner*, 1973, 211, 86)

Clinically, the steroid aerosol (Becotide Inhaler) provided the expected benefits observed when oral corticosteroids are given to asthmatic patients.

(*Curr. med. Res. Opin.*, 1972, 1, 173)

For those who are poorly controlled on bronchodilators or DSCG, this treatment (Becotide Inhaler) can give complete or comparative freedom from airways obstruction without risk of adrenal suppression or other side effects.

(*Brit. med. J.*, 1973, 3, 161)

Beclomethasone dipropionate (Becotide Inhaler) appears to be an effective drug in the treatment of severe childhood asthma in those patients who need corticosteroid therapy in addition to disodium cromoglycate.

(*Arch. Dis. Childh.*, 1973, 48, 671)

With the addition of this important drug (Becotide Inhaler) to our armamentarium, the long-term treatment of children with oral steroid is no longer desirable.

(*Arch. Dis. Childh.*, 1973, 48, 663)

Patients 13, 16 and 17 were all controlled on prednisolone in excess of 10mg per day and were unable to reduce the dose of prednisolone below that level without clinical deterioration. They now remain as well, if not better, controlled on the steroid aerosol (Becotide Inhaler) in a dose of 100mcg four times a day and all have normal basal plasma-hydrocortisone levels.
