A MULTI-PURPOSE DIURETIC

'Moduretic' owes its versatility to the complementary actions of its active constituents:

Hydrochlorothiazide—the well-established thiazide diuretic.

Amiloride hydrochloride—a potassium-conserving agent.

Besides moderating the kaliuretic effect of hydrochlorothiazide, amiloride has an additive diuretic effect; the results of some studies reflect a synergistic effect on sodium excretion.

MODURETIC[®]
 **DIURETIC**

Amiloride hydrochloride and hydrochlorothiazide

Merck Sharp & Dohme Limited, Hoddesdon, Hertfordshire

'Moduretic' is available as peach-coloured, diamond-shaped tablets containing 5 mg amiloride hydrochloride and 50 mg hydrochlorothiazide. Detailed information is available to physicians on request. ® denotes registered trademark.

Rynacrom. The wide awake answer to allergic rhinitis.

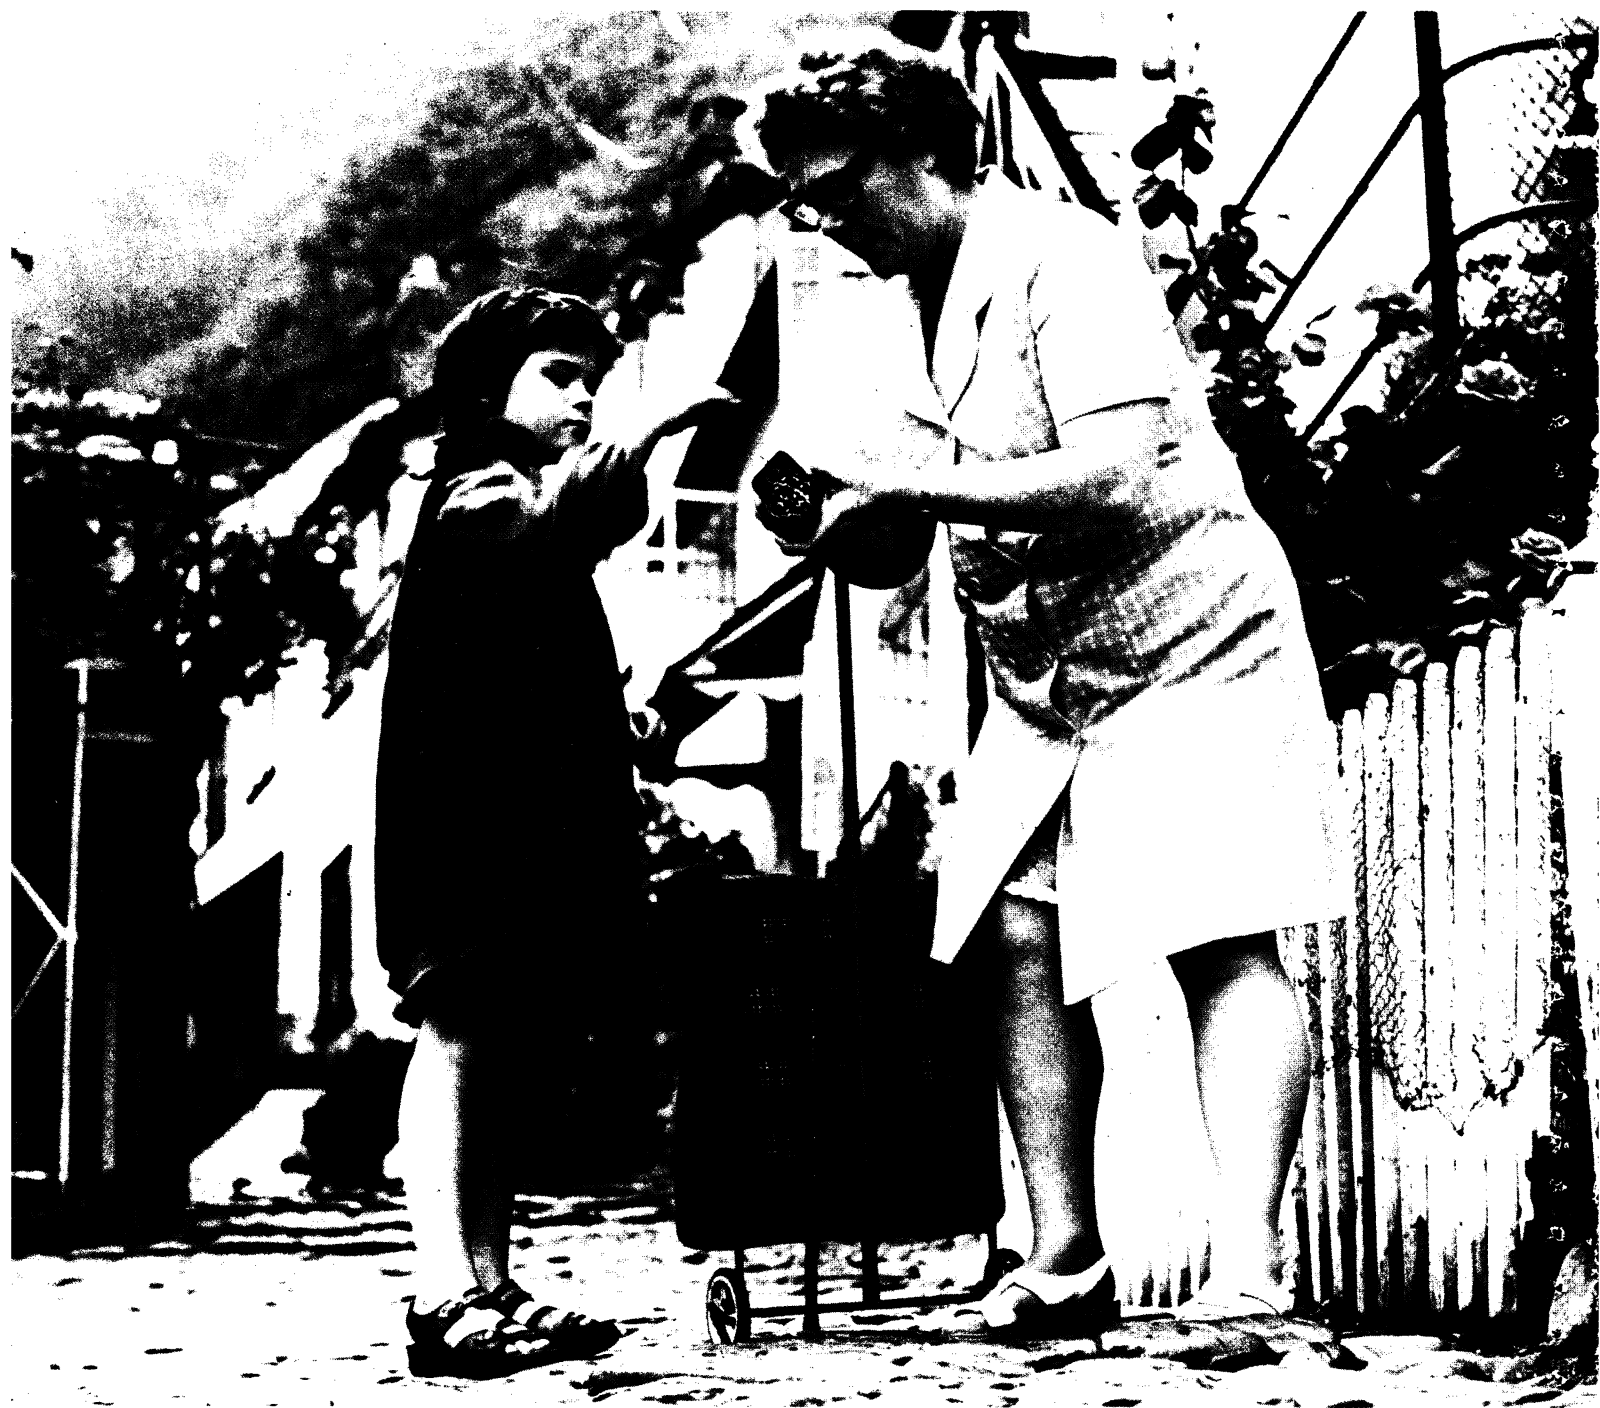

Rynacrom can give complete freedom from allergic rhinitis without the disadvantage of drowsiness or any other significant side effect.

It is effective against a wide range of allergens from house dust to animal dander and pollens.

RYNACROM

FENOPRON

FENOPROFEN CALCIUM

Prescribing Information

Presentation: Capsules each containing Fenoprofen calcium equivalent to 300mg Fenoprofen.

The capsules are chrome yellow/ochre, 2.1 cm long and marked DISTA/DISTA.

Uses: Anti-arthritic. Particularly for the symptomatic treatment of osteo-arthritis, rheumatoid arthritis and allied conditions.

Dosage and Administration: For oral administration to adults only. Dosage: One or two capsules (300mg to 600mg) three or four times a day, adjusted to the needs of the patient.

Contra-indications: (a) Hypersensitivity to the drug.
(b) Should not be used with coumarin-type anti-coagulants or in combination with heparin.
(c) Although cross-sensitivity has not been

established, the drug should not be given to patients in whom salicylates induce the syndrome of asthma, rhinitis or urticaria.

Side-effects: The side-effects of FENOPRON are few, slight and occur infrequently. Only rarely has it been necessary to discontinue treatment because of them. The incidence and severity of adverse reactions have been less than have occurred amongst patients given acetylsalicylic acid. In particular, therapeutically equivalent doses of FENOPRON give rise to measurably less gastro-intestinal irritation and tinnitus. During controlled studies in arthritis, the reported side-effects on patients given FENOPRON were not significantly different to those in the

placebo group.

Warning: The safety of FENOPRON in pregnancy has not been established.

Pharmaceutical Precautions: No special requirements known.

Legal category: No legal restrictions on sale or supply, but supplied on prescription only.

Package quantities: Capsules 300mg. Bottles of 100 and 500 capsules.

Cost: The basic NHS cost of 100 capsules (ex 500 pack) is £2.64.

Further information: FENOPRON offers relief of pain and reduction of joint inflammation, encouraging mobility and reducing stiffness. Few patients experience side-effects, and any which

takes the pain out of living with osteo-arthritis

FENOPRON relieves pain and reduces joint inflammation. It thus encourages mobility, reduces stiffness and helps your patients to lead a more normal, active life. Treatment with FENOPRON not only controls day-to-day pain, but subdues occasional 'flare-ups' or exacerbations. Few patients experience side-effects with FENOPRON, and those which occur are neither serious nor troublesome.

FENOPRON will also benefit your patients with rheumatoid arthritis who need consistent reliable pain relief, reasonable improvement of mobility and an easier, less restricted life-style.

FENOPRON is supplied as 300mg capsules. The initial dose is two capsules three or four times a day, adjusted according to the needs of the patient.

FENOPRONTM

- **relieves pain**
- **encourages mobility and reduces stiffness**
- **exhibits only minor and infrequent side-effects even in long-term treatment**

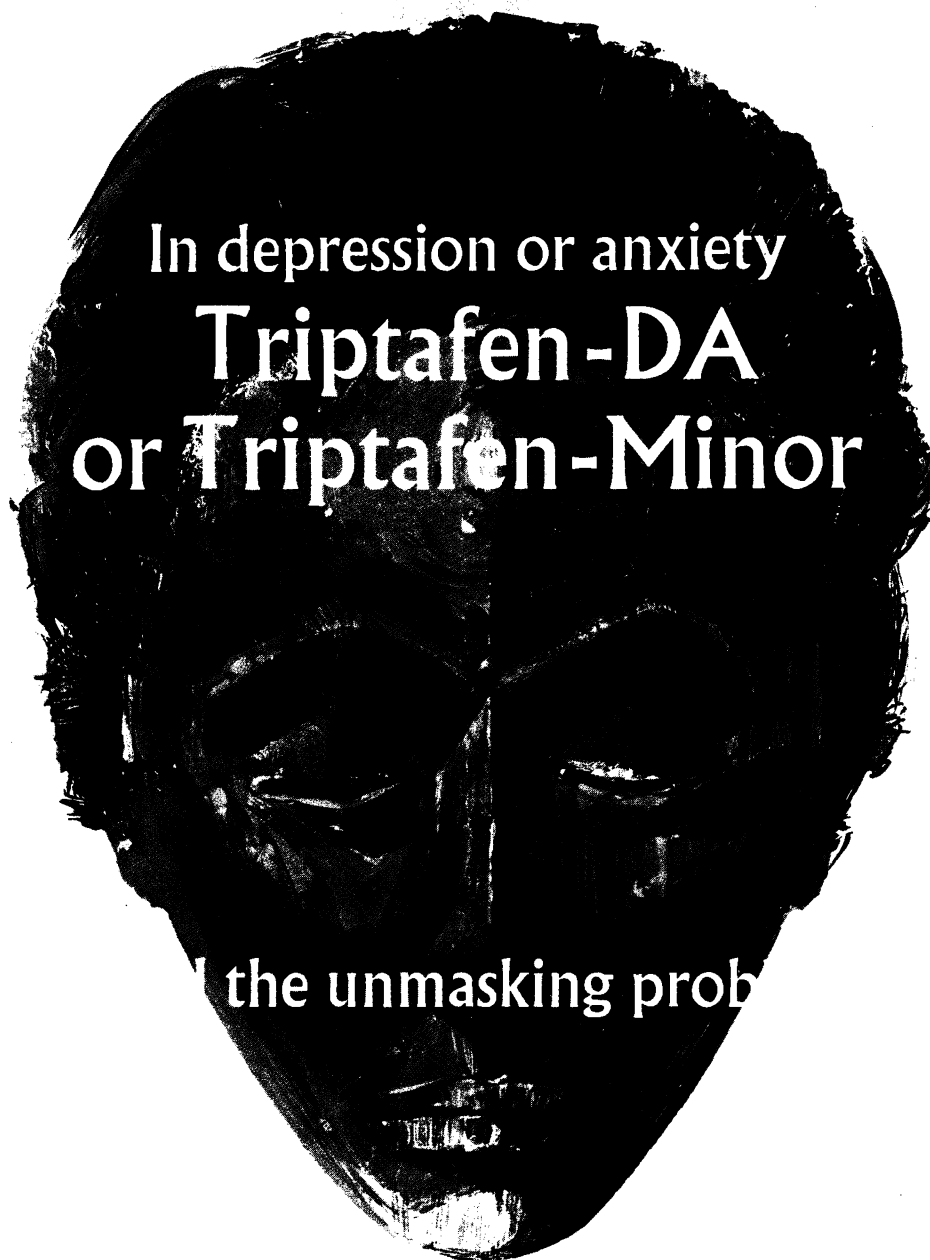

do occur are neither serious nor troublesome even in long-term treatment. The absorption of FENOPRON tends to be impaired when ingested simultaneously with aspirin. To ensure optimum results FENOPRON should be taken alone, although single doses of aspirin may be given separately when indicated.

Alistair is an he has only one

It's all around him, all the time yet, he's never seen it. Because at only 0.3mm in length, the common dust mite doesn't advertise itself.

Yet this minute creature is responsible for a disabling disease in an estimated 300,000 Britons. Now, at last, there is a new answer. A short immunisation course that is simple and very effective. A fundamental treatment that for the first time gives you, the family doctor, real control over this type of allergic asthma. And a new quality of life for your asthma patients.

Migen is effective. Allergy has always been recognised as one of the most common causes of asthma. Recently it has been established that the most important allergenic factor in house dust is the house dust mite; in fact, more than 90% of house dust sensitive patients are sensitive to house dust mite. And, "The rise in the mite content of dust from September to October has been shown to be directly related to an increase in asthma during this period."*

Migen immunises against the house dust mite. Immunisation against this powerful allergen raises the patients' overall level of tolerance. If he is multi-sensitive, he may well find that he no longer reacts to contact with other allergens which have previously provoked attacks. And the stress caused by fear of attack is reduced.

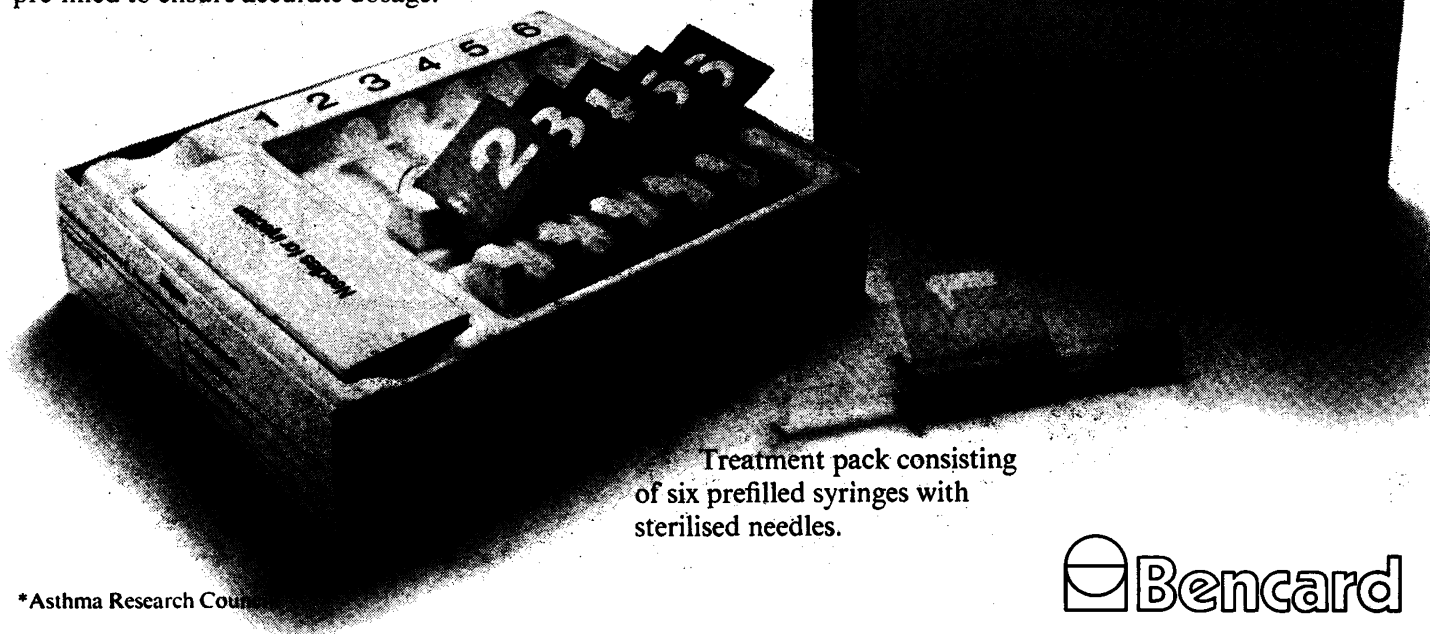

Migen is simple. Migen is a short course vaccine which contains pure extract of *Dermatophagoides pteronyssinus*, the most common British house dust mite. Just six injections form a complete course of treatment for asthma and perennial rhinitis. And each syringe is pre-filled to ensure accurate dosage.

Migen – minimal side effects. Migen's active material is released slowly but completely for maximum efficiency and minimum risk of adverse effects. Migen is adsorbed onto tyrosine, a naturally occurring amino acid, fully metabolisable in the human body.

Migen is a Bencard product. Prepared by Bencard, leaders in allergy research, Migen is the first asthma treatment to give you control over your asthma patients. Migen may usually be prescribed on the basis of a careful case history, no complicated testing techniques are necessary. However a simple confirmatory skin test kit is available on request, together with patient record cards and advice notes.

Migen. Many products have been advocated for use in the treatment of asthma. Most have drawbacks that you and your patients suffer for the sake of some relief. Now Migen offers an opportunity to treat asthma simply and effectively.

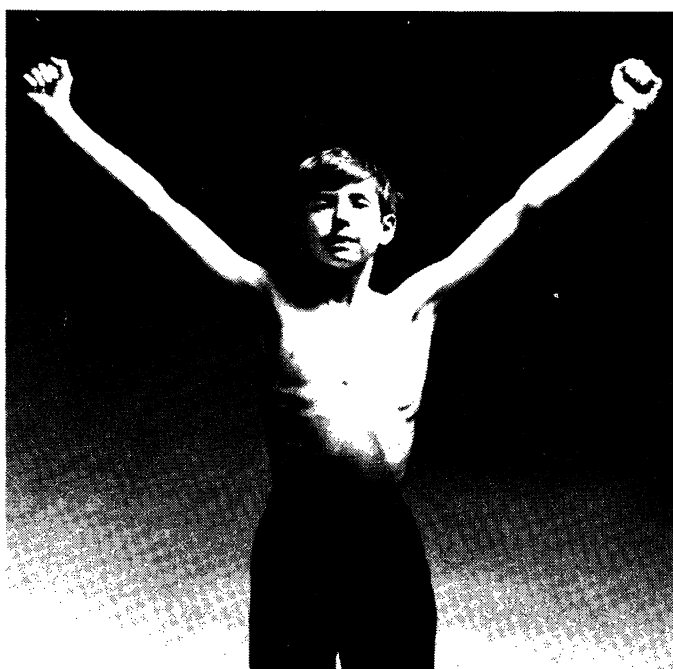

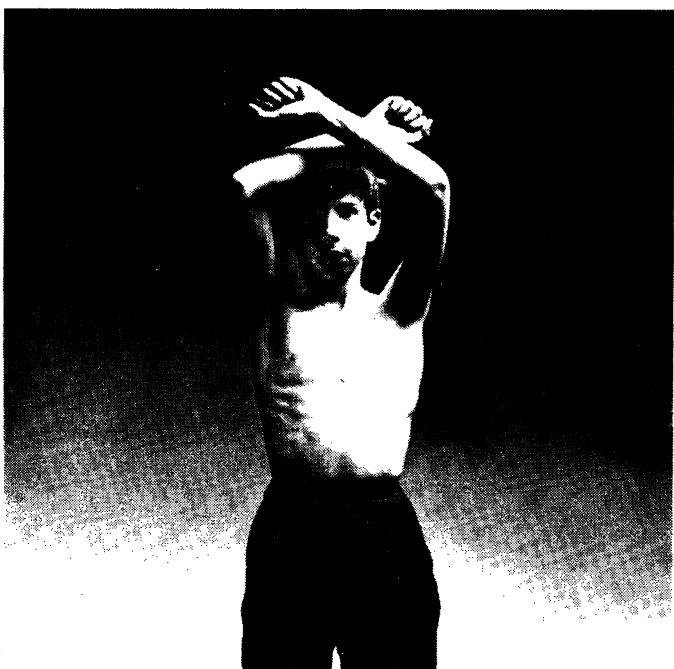

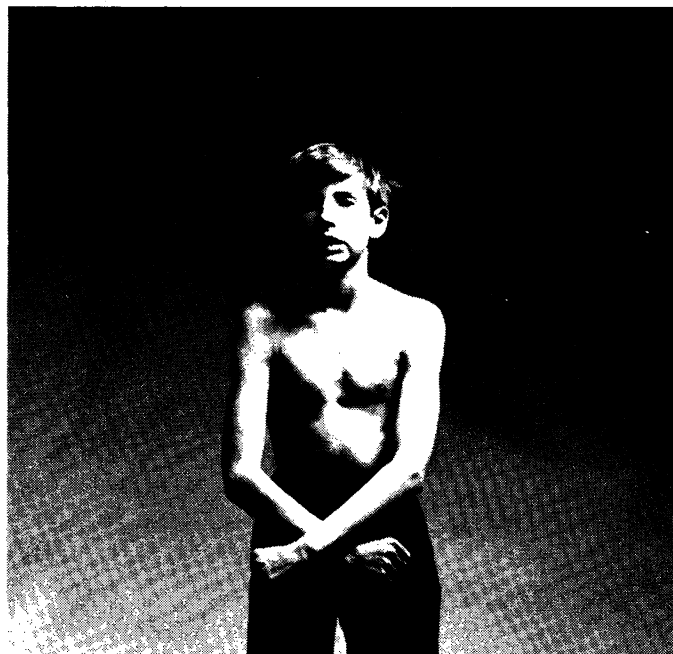

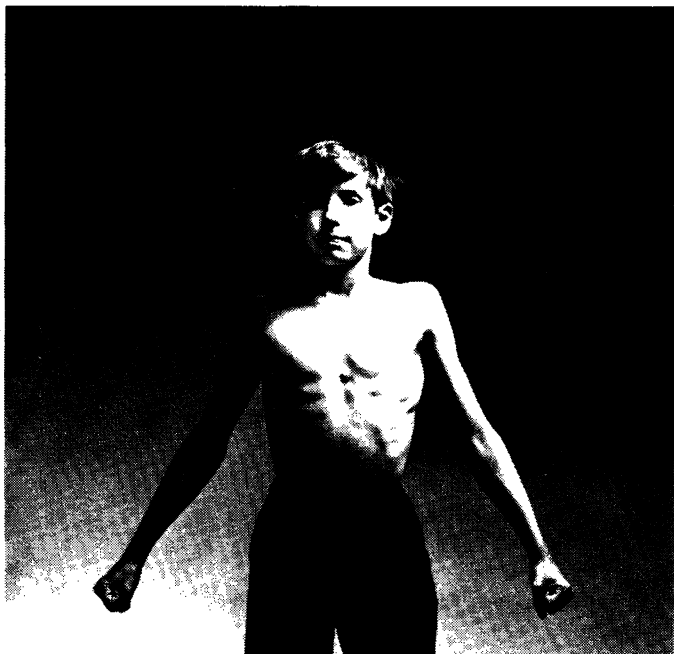

Allergy has always had a strong hold on the asthmatic. From today a powerful and very common

Treatment pack consisting of six pre-filled syringes with sterilised needles.

 Bencard

asthmatic, the real enemy.

allergen can be controlled from your surgery, with Migen. It's asthma immunisation made easy.

Full information on Migen (regd.) is available on request from Bencard, Great West Road, Brentford, Middx.

"Windmills." A shoulder loosening exercise designed to aid asthmatics. The child should stand with weight thrown forwards onto the ball of the foot, making sure that his head is kept straight at all times. Breathing should be natural with the mouth shut.

Migen

asthma immunisation made easy.

SEPTRIN TACTICS

first

SEPTRIN ensures coverage against all likely bacterial pathogens.

fast

SEPTRIN rapidly obtains effective blood, urine and kidney tissue levels with simple twice daily dosage.

decisive

SEPTRIN crushes bacterial resistance with a bactericidal action which differs essentially from that of the antibiotics.

"Clearly superior" to ampicillin.¹

Rated top oral treatment in major British survey of urinary pathogen sensitivities.²

"Of the easily administered primary treatments for urinary tract infection, this combination is probably the best."³

they've proved superior in urinary tract infections

When bronchitis causes concern

In acute-on-chronic bronchitis and other severe chest infections, you can be more certain of first-time success when you prescribe Magnapen.

Magnapen's greater certainty means that the patient is more likely to respond quickly, minimising the damage to lung tissue. And Magnapen can save you the time which you might otherwise have to spend on repeat visits, second consultations or night calls to patients who may fail to respond to other antibiotics.

Magnapen destroys virtually all the bacteria met in general practice. So you can rely on Magnapen even when there are no laboratory reports to guide you.

PICCIN

ADVANCES IN GASTROINTESTINAL ENDOSCOPY

Proceedings of the 2nd World Congress of Gastrointestinal Endoscopy—Rome and Copenhagen. Bound volume of 960 pages, richly illustrated. Lit. 30.000. Editors: G. Marcozzi and M. Crespi.

"This book contains the contributed papers presented at the symposium involving gastrointestinal endoscopy. Part 1, occurring in Rome, contains papers divided into 11 general categories. The 1st section includes contributions involving clinical experiences in endoscopy in relation to the evaluation of endoscopic techniques in comparison with other methods of investigation. The next topic covers limits between the normal and the pathological in endoscopic biopsies, followed by new developments in instrumentation. The next several topics include papers on new methods of investigation with the help of endoscopy, cytology of the digestive system, endoscopy in the diagnosis of hemorrhages, emergencies and sequels to gastric surgery and modern aspects of gastrointestinal endoscopy. The final topics covered in part 1 include the value of endoscopic and related procedures, recent advances in gastrointestinal tract electron microscopy, and new frontiers in endoscopy—the study of the colon and the duodenum. Part 2, occurring in Copenhagen, includes contributed papers under the following 7 topical sections: esophagoscopy, gastrocamera, gastroscopy, gastrobiopsy and cytology, duodenoscopy, colonoscopy and peritoneoscopy. The book will be of interest to physicians and medical researchers involved in the area of gastrointestinal disorders."

Sandoz Products Ltd.,
Medical Equipment Division,
42, Somers Road,
Rugby, Warwicks.

Telephone: Rugby (0788) 78121

Before you prescribe another bronchodilator, read this.

Asthmatic attacks in older patients can be serious.

They may damage lung tissue and affect the ability to expel pus and phlegm. This can lead to chronic infection.

Bronchodilator aerosols help, but usually only when much of the damage has been done.

Often they don't get through to the affected areas and succeed only in hyperventilating unaffected areas.

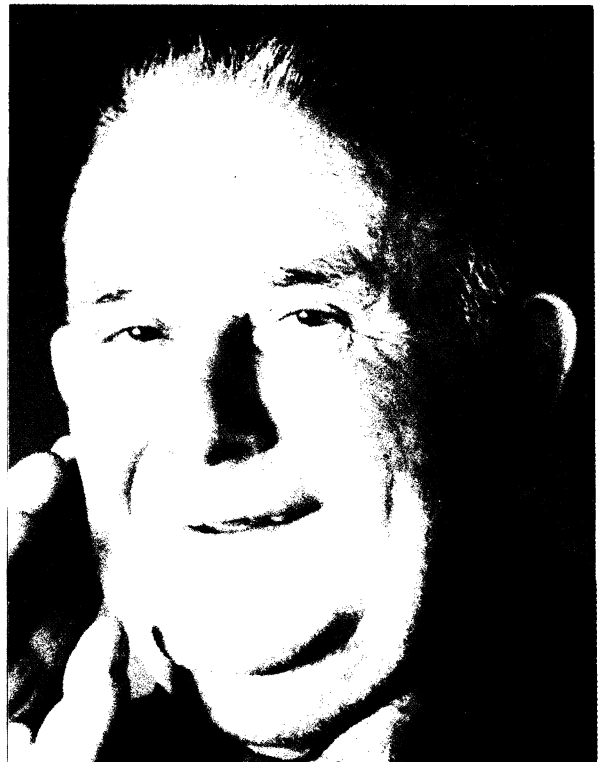

The patient may panic, overdose, and this may result in cardiac stimulation.

Only Intal prevents the attack and eliminates these problems.

With Intal, there is no danger of side effects, no risk of misuse and no diminution of therapeutic effect.

Put them on Intal.
Give them a fighting chance.

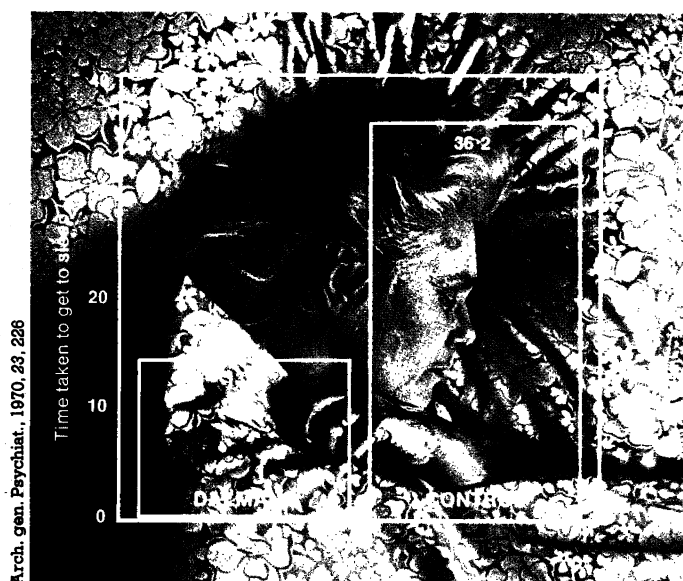

Intal[®]
SODIUM CROMOGLYCATE BP
for older asthmatics

DALMANE

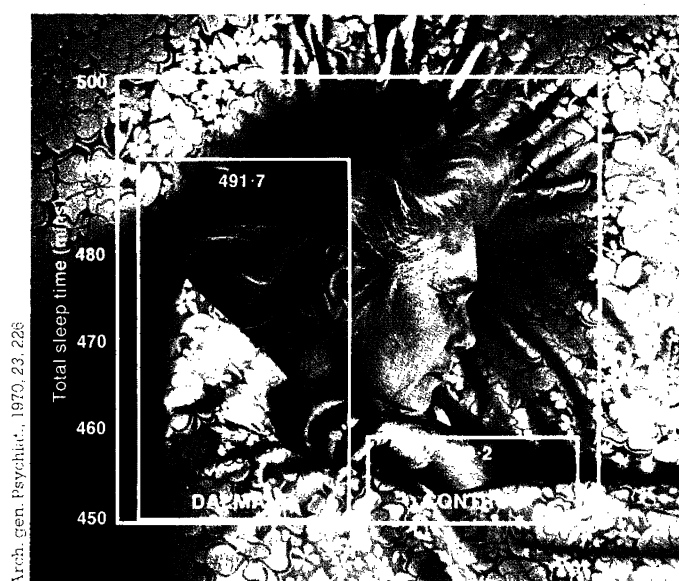

Getting to sleep

Patients asleep in less than half the time

Clinical trials¹⁻³ have shown that Dalmane cuts sleep latency – the time taken to get to sleep – by half. In one study³ Dalmane reduced the average sleep latency in a group of insomniacs from 36.2 minutes to 13.9 minutes.

Staying asleep

Average sleep of more than 8 hours

Dalmane increased the duration of sleep to – in one published study³ – an average of 8 hours 11.7 minutes in patients who had previously suffered from insomnia. Dalmane also reduces the number of nocturnal awakenings^{1,4} and the actual length of time spent awake during the night – from an average of 52.8 minutes to 24.3 minutes in one trial⁴.

a new and powerful treatment for insomnia

Patient Preference

Preferred by a greater number of patients⁵ – low incidence of side-effects

In one trial in which Dalmane was compared with glutethimide, of those patients who expressed a preference 81 per cent did so in favour of Dalmane, whilst only 19 per cent preferred glutethimide. This high level of patient preference is due to the ability of Dalmane to produce sound sleep with a low incidence of side-effects. Dalmane has been shown to produce less hangover than glutethimide in another trial⁶, than a barbiturate⁷, and, in one trial even a placebo – 9 cases with Dalmane, 25 with placebo⁸.

7. Int. J. clin. Pharmacol. Ther. Toxicol., 1972, 6, 13
 8. Curr. ther. Res., 1971, 13, 18
 9. Arch. int. Pharmacodyn., 1969, 178, 216
 10. Data on file, Roche Products Limited.

Safety

A non-barbiturate treatment for insomnia with a wide margin of safety

Dalmane has an extremely high mean lethal dose in mice and rats⁹, thus suggesting that overdosage would be unlikely to present undue problems of management or threat to life. Human toxicity studies¹⁰ in which healthy men were given large doses of Dalmane for some time confirmed that it is well tolerated and produces no unwanted systemic effects.

Are smokers taking hospital beds that others need?

How can a responsible advertising agency handle a cigarette account?

Should teachers be banned from smoking in schools?

How can the church condemn suicide and allow its clergy to smoke?

We'd like to know what you think on the pressing problems of smoking.

Anyone in a position to influence others to smoke less (or more) is invited to a special two-day conference in London on April 3rd and 4th.

Advertising men, doctors, teachers, Public Health Officers, cigarette manufacturers—or just parents.

All will have a chance to make their feelings felt. And to listen to informed and lively lectures.

Films, two luncheons, a social gathering, and the conference, all cost only £15 per head. (And there will be some free seats for those who only wish to listen to the debates).

Hotels for overnight visitors can be booked, as well.

The conference is called 'Smoking—Whose problem?' Is it yours?

☐ Please send me a leaflet with fuller details about the conference and entry form.

☐ I would like to attend the conference and I enclose the £15 registration fee.

☐ I would like to attend the debates only. Please send me one/two tickets. TICK APPROPRIATE BOX

HIGHLAND HEALTH BOARD

MEDICAL PRACTITIONER For the Relief of Doctors in Single-Handed Practice in the Highlands and Islands and at Ross Memorial Hospital Dingwall

Applications are invited for this newly established post created to help overcome the difficulties General Practitioners in the more remote areas find in obtaining locums during periods of illness and when attending courses. The successful candidate will also relieve the Medical Assistant at Ross Memorial Hospital, Dingwall, (26 general unclassified beds and 14 specialist obstetric beds). He/she will be based on the Inverness Group of Hospitals and attached to one or more units in turn, according to his/her professional needs and wishes and the requirements of the service when not on locum relief duty. Salary is paid by the Highland Health Board at Para. 94 rates, currently £435 per notional half-day, (£435 x 11) i.e. £4,785 per annum. The post is whole-time and non-resident. The terms and conditions of service are in accordance with the terms and conditions of service for hospital medical staff under the National Health Service. Further particulars and application forms can be obtained from the Chief Administrative Medical Officer, Highland Health Board, Ray House, 17 Old Cullinstown Road, Inverness, with whom applications should be lodged by 22nd March, 1974. (H18248) 16

HOW BROAD IS your Medical Experience. Whatever your specialty experience must count, so why not do some Medical Deputising and fill the gaps. It isn't easy, but for younger men with enough stamina, it's varied, rewarding, and pays well. We have vacancies for both Full-time and Part-time Deputies and can provide assistance with accommodation. If you're a reliable person with a reliable car, have a medium G.P. experience, and have paid your annual Retention Fee, then telephone St. Helens 20444 or write to: On Call Limited, 38 Cowley Hill Lane, St. Helens, Lancashire. 16

GENERAL PRACTICE TRAINING POSTS

TUNBRIDGE WELLS AND LEYBOURNE HOSPITAL MANAGEMENT COMMITTEE

VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTITIONERS

There will be a vacancy for three trainee general practitioners in this scheme, commencing 1st September 1974.

The Scheme consists of nine rotating posts, each extending over a three year period, including six month appointments in four of the following: general medicine, accident and emergency, obstetrics and gynaecology, psychiatry, paediatrics, geriatrics together with two six month periods in general practice in the area.

There will be regular day release arrangements for attendance at specialist clinics, seminars and extended courses. In addition in conjunction with the University of Sussex, Brighton, there will be a weekly Day Release Course in the social sciences as applied to general practice, covering a 12 month period.

Remuneration at S.H.O. level, with mileage allowance payable during general practice attachment. Married accommodation will be available for Hospital Appointments and possibly retainable during Appointments elsewhere.

Applications with names of two referees, should be sent to the Deputy Divisional Manager, Kent and Sussex Hospital, Tunbridge Wells, Kent by 1st April, 1974, quoting ref 720. (55510)

DONCASTER HOSPITAL MANAGEMENT COMMITTEE

DONCASTER VOCATIONAL TRAINING PROGRAMMES FOR GENERAL PRACTICES

Applications are invited for posts available on 1st August, 1974.

The programmes are based on Doncaster Royal Infirmary, a new District General Hospital of 807 beds with postgraduate centre and extensive medical library.

Basic Three Year Programme involves six months in General Practice followed by four six months rotating hospital posts selected from General Medicine, Geriatrics, Obstetrics, Paediatrics, Psychiatry and a combined post consisting of three months E.N.T., three months Orthopaedics and the last six months in General Practice again.

Modified Programme. Shorter programmes may be arranged for Practitioners with previous S.H.O. experience or others who require a shorter period of vocational training. These would involve 12 months in General Practice plus a variable number of S.H.O. posts linked to the educational programme.

The educational programme is a half day release course continuing throughout the length of the programme. Outside visits are arranged where appropriate, e.g. to local industry.

Doctors completing the basic programme will qualify for the vocational training allowance. The programmes will also be acceptable for D.Obst. R.C.O.G., D.C.H. and the M.R.C.P.

Housing may be made available to suit individual needs of doctor's undertaking the basic three year programme.

Applications with curriculum vitae and the names of two referees and any enquiries should be made in writing to the Secretary, Joint Planning Committee for Vocational Training, c/o Hospital Secretary, Doncaster Royal Infirmary, Thorne Road, Doncaster DN2 5LT. Closing date for applications 18th March, 1974. (55647)

VOCATIONAL TRAINING FOR GENERAL PRACTICE

A 3 year Vocational Training Scheme is being organised, based on the Royal Postgraduate Medical School at Hammersmith Hospital, which is associated with King Edward Memorial Hospital, Ealing.

Two trainees will be appointed each year and will start their course on 1st April. The first three months will be spent in a local general practice. Thereafter, the trainees will spend six months as S.H.O. in each of the following hospital-based specialties:—

MEDICINE PAEDIATRICS GYNAECOLOGY CASUALTY

They will finish their three year course by returning for nine months to a training general practice.

Experience in the E.N.T., eyes and dermatology, out-patient departments will also be available, and an on-going course in psychological medicine is being arranged.

Throughout the scheme there will be a day release course.

Whilst the scheme has been designed primarily to meet the requirements of candidates sitting the M.R.C.G.P. examination, facilities will also be available for those wishing to write an M.D. thesis, or prepare themselves for the M.R.C.P. and other higher diplomas.

Applicants for the two places on the first course, commencing 1st April, 1974, are asked to apply in writing to the Personnel Officer, Hammersmith Hospital, Du Cane Road, London W12 0HS.

Closing date: 16th March, 1974.

Further details can be obtained from Dr. Stuart Carne, Senior Tutor in General Practice, The Grove Health Centre, Goldhawk Road, London W12 8EJ. Tel: 01-743 7153.

EASTERN REGIONAL HOSPITAL BOARD (Scotland)

Eastern Regional Postgraduate Medical Education Committee

Vocational Training Scheme for General Practice

in Dundee and Perth Areas

Six vacancies will occur in the above scheme with entry on 1st August, 1974. The Scheme is recognized by the Royal College of General Practitioners as suitable preparation for the M.R.C.G.P. examinations. It will consist of two years in selected hospital appointments at Senior House Officer level in the Dundee Group or the Perth Group of Hospitals and one year as a trainee in a selected teaching practice.

Application forms and further particulars may be obtained from the Secretary to the Board, Vernonholme, Riverside Drive, Dundee, with whom application forms should be lodged not later than 23rd March, 1974. (H18224)

22

University of Birmingham and Birmingham Regional Hospital Board

Vocational Training Schemes for General Practice

- In 1974 there will be over fifty places available to suitable applicants for three year vocational training in general practice (two years in hospital and one year in practice).
- Schemes have been carefully organised throughout the region (which includes Herefordshire, Shropshire, Staffordshire, Warwickshire and Worcestershire) and there is a central coordinating point in Birmingham to ensure some flexibility, total suitability and acceptance of all posts for MRCGP, DCH, DOBstRCOG and other examinations.
- Additionally care will be taken in providing a comprehensive training involving all specialties and including regional and local meetings during the two hospital years. Close contact with local GP trainers will be arranged by clinical tutors and RCGP tutors throughout the three years. During the years training in a teaching practice a half day release course is provided for all trainees during the three University terms. Some adjustment in the three year period may be allowed for previous experience.
- Posts at SHO level. Vacancies being filled between March and October, 1974.
- Applications naming two referees, stating age, sex, qualifications, previous experience and aspirations in the content of the course and area or hospital groups of preference to the Clinical Tutor in the appropriate Postgraduate Centre or to the Regional Advisor in General Practice, 146, Hagley Road, Birmingham B16 9PA as soon as possible.

*BOROUGH OF NORTHAMPTON
AND COUNTY OF NORTHAMPTONSHIRE*

**VOCATIONAL TRAINING
FOR GENERAL PRACTICE**

RESIDENT POSTS

Applications are invited for a General Practitioner training post at Northampton, beginning 1st April, 1974.

The appointment is for three years and is intended for a doctor who has completed his pre-registration year. On completion of training, the doctor will be entitled to the Vocational Training Allowance.

The Trainee will spend his first year in established posts in paediatrics and obstetrics and gynaecology, after which he will be eligible to sit the D.C.H. and D.Obst.R.C.O.G. examinations. The first six months of the second year will be spent half time in general practice and half time in hospital (mainly in out-patient clinics) and the second six months will be spent in one of a number of supernumary posts offering experience in a variety of specialties. The third year will be spent in a different training practice and the trainee will be allowed adequate time to attend courses and particularly that run by the Thames Valley Faculty of the Royal College of General Practitioners (on a day release basis).

A memorandum about the scheme will be sent on request. Commencing salary at S.H.O./Registrar level depending on previous experience. Married accommodation may be available for the first 18 months of the training.

Applications to the Group Secretary: Northampton & District H.M.C., General Hospital, Northampton. Tel: Northampton 34700, Ext. 68. (55443)

**Vocational Training
for General Practice
TAUNTON SCHEME**

An exciting opportunity for far-seeing young doctors occurs in this scheme which has been carefully planned in every detail.

Places will become available each six months and every doctor will gain experience in two progressive General Practices and be offered options rotating through active, responsible posts in Paediatrics, Medicine, Obstetrics, Accident & Emergency, Geriatrics, Psychiatry and E.N.T. This is a three-year course, one year of which will be spent in General Practise. Half-day Release Training will be given in Ophthalmology, Community Medicine, Laboratory Medicine, Chest Diseases, Family Planning and Organisation and Methods of Practise.

The Scheme started in February, 1974 and interviews are now offered for vacancies commencing in August, 1974, February, 1975 and August, 1975. It is planned that hospital houses will be available and that the Practices involved will also have accommodation. The organisation will be by the Somerset Postgraduate Centre. Applications to the Hospital Secretary, Musgrove Park Hospital, Taunton. (Tel: 3444, Ext. 12). (55441)

(Medical registrar grade)

required to study the quality of care delivered to patients with malignant hypertension in the Department of Clinical Pharmacology and the Hypertension Clinic at Hammersmith Hospital. A part-time appointment could be arranged. Salary at appropriate point on registrar scale.

Applications to School Secretary, Royal Postgraduate Medical School, Hammersmith Hospital, Du Cane Road, London W12 0HS, quoting reference 20/NPHT/BMJ(23816)

25

UNIVERSITY OF BATH

Applications are invited from suitably qualified candidates for the post of
LECTURER IN PHARMACOLOGY

This post offers an opportunity to participate in teaching and the established research programme in Pharmacology. The candidate will also be encouraged to develop his own research programme within broad general fields of current interest, details of which will be supplied on request. The salary scale for Lecturers is £1,929 — £4,548. Further particulars and application form obtainable from Registrar (S), The University, Bath BA2 7AY, quoting reference 74/16. (23712)

25

MONASH UNIVERSITY
Melbourne, Australia
Department of Psychological Medicine

**LECTURER/SENIOR LECTURER
CLINICAL**

The Department is located at Prince Henry's Hospital. Applicants should possess a psychiatric qualification. Duties involve teaching, limited clinical service, and research participation is expected. As teaching is conducted throughout the preclinical and clinical years, the staff of the Department represent a wide range of interests. Research at present is in child development, student attitudes, psychophysiology, clinical psychiatry, and epidemiology.

Salary scale: Lecturer (Clinical) \$A11,198 — \$A14,482 per annum; Senior Lecturer (Clinical) \$A14,768 — \$A16,808 per annum — with superannuation based on an endowment assurance scheme, the employee and employer contributing 5% and 10% respectively.

Benefits: Travelling expenses for appointee and family; removal allowance, repatriation after three years appointment if desired; temporary housing for an initial period. Study leave entitlement accumulates at the rate of one month's leave for each six months' service up to six years, with provision for financial assistance.

Further general information and details of application procedure are available from the Academic Registrar, Monash University, Wellington Road, Clayton, Victoria 3168, Australia, or the Secretary-General, Association of Commonwealth Universities (appts), 3 Gordon Square, London WC1H 0PF. Enquiries about the Department should be sent to Professor W. Ironside, Prince Henry's Hospital, St. Kilda Road, Melbourne, Victoria, 3004. Closing date: 30th March 1974. The University reserves the right to make no appointment or to appoint by invitation.

25

**THE ROYAL COLLEGE OF
PATHOLOGISTS**
2 Carlton House Terrace
London SW1Y 5AF.

The Final Examination for Membership will be held during April/May 1974. The written examination, consisting of two 3-hour papers, will be held on Tuesday 30th April and the practical examinations will be held between 3rd — 4th June. The examination is open to medical and non-medical candidates who have passed the Primary Examination or obtained exemption from it, and who have fulfilled the training requirements for entry as laid down in the regulations. Full details and application forms for this examination may be obtained from the Registrar at the above address. The closing date for entry is 25th March 1974. R. Blowers, Registrar, February 1974. (H18102)

General Practice Training Posts

**Vocational Training for
General Practice**

University of Exeter and
Mid-Devon Hospital Management Committee

Applications are invited for the post of Senior House Officer in General Medicine/Acute Geriatric Medicine from 1st April, 1974 at the Royal Devon and Exeter Hospital (Heavitree) Exeter. The geriatric component will include case conferences and experience in all aspects of rehabilitation.

The post will be incorporated in the vocational training scheme being started in 1974 by the new Department of General Practice at the Postgraduate Medical Institute of Exeter University. The course will consist of four senior house officer appointments and 12 months in an approved teaching practice. A half-day release course will be held throughout the three years.

Applications naming two referees to the Hospital Secretary, Royal Devon and Exeter Hospital (Heavitree) Gladstone Road, Exeter.

Enquiries about the vocational training scheme should be sent to Dr. D. J. Pereira Gray, The Department of General Practice, Exeter Postgraduate Medical Centre, Barrack Road, Exeter. Tel: Exeter 70018. (55509)

22

COMMERCIAL APPOINTMENTS

Head of Clinical Research

We are seeking a physician to take charge of the clinical investigation of new pharmaceutical products in the United Kingdom, Scandinavia, and parts of Europe.

He will join a small but highly active medical department based at Loughborough and have full responsibility for human pharmacological and clinical studies of novel compounds in a variety of therapeutic areas. Most of these new molecules will emanate from our own research laboratories in the United States of America.

We require someone with a British qualification who has had some experience of clinical research techniques. A willingness to work in a commercial environment and undertake a moderate amount of travel is essential. Salary will be negotiated at interview and will be supplemented by a car and other generous benefits.

This is an opportunity to attain a responsible position and to become established in a research-orientated international pharmaceutical company with excellent prospects for growth.

Write in confidence, giving brief personal details, to
Dr H E Lewis, Head of Medical Department.

INDUSTRIAL APPOINTMENTS

(See also p. xvii, xviii & xix)

Occupational Health

The Central Electricity Generating Board currently operate 8 nuclear power stations; these will be increased to 12 in the near future. The Medical Branch of the Nuclear Health and Safety Department provides specialised advice to the Board on radiological protection and advises regional medical officers in this field.

The task is to supervise the health of workers exposed to radiation and also to provide a total occupational health service to C.E.G.B. Headquarters and to the nuclear research laboratory at Berkeley; a total of about 2500 people. Responsibility is to the Head of the Medical Branch and includes management of the Haematology Laboratory.

A British registered medical practitioner is needed with a good clinical background but previous industrial experience is not essential.

Salary around £5,500, based in London.

The Board utilises the B.M.A. recommended salary scales for Industrial Medical Officers.

Applications stating full relevant details and present salary to the Personnel Officer (Headquarters), Central Electricity Generating Board, Sudbury House, 15 Newgate Street, London EC1A 7AU, by 8th March, 1974. Quote Ref. BMJ/354/P.

UNIVERSITY OF EDINBURGH Faculty of Medicine

SCHOLARSHIP FUND

Applications are invited for research awards tenable in the Faculty of Medicine. Stipends are at the following levels:-

Postdoctoral Fellows £2,300 — £2,600. Scholars with degrees in medicine or dentistry £1,900 — £2,200. Scholars with degrees in arts or science £700 — £800 (Under review).

The awards include the payment of University fees and assistance towards conference expenses.

Further details and application forms, which must be returned before 31st March, 1974, may be obtained from the Dean of the Faculty of Medicine, University of Edinburgh, Medical School, Teviot Place, Edinburgh, EH8 9AG. (23792) 25

UNIVERSITY OF LEICESTER Department of Community Health

SENIOR LECTURER

Applications are invited for a Senior Lectureship in the Department of Community Health in the new Medical School, which expects to admit its first students in 1975. The appointment will date from 1st September, 1974, or as soon as possible thereafter. Candidates should have had experience of teaching and research in the field of epidemiology. It is anticipated that the successful applicant will be offered an honorary N.H.S. contract and the initial salary, dependent on qualifications and experience, will therefore be on the scale £5,085 — £7,599 a year, with F.S.S.U. membership.

Further particulars from the Registrar, to whom applications should be sent by 18th March, 1974. (23673) 25

UNIVERSITY OF NOTTINGHAM and Derbyshire Royal Infirmary (421 Beds)

Applications are invited for the combined post of

SENIOR HOUSE OFFICER

Accident and Emergency, Derbyshire Royal Infirmary/Demonstrator in the Department of Human Morphology, University of Nottingham, Resident. This is a new post arising from the redevelopment of the hospital as a District General Hospital. The present staffing of the department at the Infirmary is a Consultant in Accident and Emergency, two Registrars, four Senior House Officers and one part-time Senior House Officer. The attachment to Professor Coupland's Department of Human Morphology at the Nottingham University Medical School will normally be for one day weekly. Additional facilities are available within the University to help candidates to work towards the Primary Fellowship Examinations.

The appointment will be for six months in the first instance, and the post is recognized for F.R.C.S.

Applications stating age, experience and two names for reference to Hospital Secretary, quoting 402. (55579) 25

UNIVERSITY OF PAPUA NEW GUINEA

Applications are invited for the post of

(A) SENIOR LECTURER OR (B) LECTURER IN PHYSIOLOGY

in the Department of Human Biology. Appointee will be expected to supervise the teaching of Human Physiology within the Department. A good background in Human Physiology is required and a medical qualification is desirable but not essential. He will be expected to co-operate closely with other members of the Department in presenting an integrated teaching programme. The Department of Human Biology is responsible for the teaching of preclinical science subjects to medical students during the second and third years of their undergraduate training. Areas of study include Gross Anatomy, Histology, Embryology, Growth and Development, Genetics, Biochemistry, Physiology, Neuroanatomy and Neurophysiology, Pharmacology and Nutrition.

Salary scales: (a) \$A10,441 — \$A12,089 p.a. (b) \$A7,870 — \$A10,205 p.a. plus \$A360 p.a. dependants allowance. (These salaries include an overseas allowance). (£1 sterling = \$A1.52). Conditions include provision of housing, annual leave fares, F.S.S.U. type superannuation. Applications, in duplicate, should include date of age, nationality, marital status, qualifications and experience, names and addresses of three referees, a recent small photograph and an indication of estimated starting date. Further particulars and conditions of appointment are available from K. R. Long, Secretary, P.O. Box 4820, University, Papua, New Guinea. Closing date: 15th March, 1974. (23698) 25

UNIVERSITY OF LIVERPOOL

CHAIR OF CHILD HEALTH

Applications are invited for the Chair of Child Health which will become vacant on 30th September, 1974 following the retirement of Professor J.D. Hay.

The salary of the Professor will be within the range approved for clinical Professorial salaries and initially will depend on the qualifications and experience of the successful candidate.

Applications (16 copies), together with the names of three referees should be received not later than 29th March, 1974 by the undersigned, from whom further particulars may be obtained. (Candidates overseas may send one copy only, by airmail.) Quote ref. RV/BMJ/80700. (23581) 25

vitae and names and addresses of two referees
to the Secretary, Westminster Medical School,
17 Horseferry Road, London, SW1P 2AR (Tel:
828 9811 Ext. 2290) by 16th March, 1974.
(H18261) 25

**UNIVERSITY OF WALES
The Welsh National School of Medicine**

LECTURER IN HAEMATOLOGY

Applications are invited for this post which
gives an opportunity for participation in all
aspects of Haematology. The post is suitable
for those with appropriate initial clinical or
laboratory experience who wish to enter the
speciality and qualify for the M.R.C.Path
(Haematology). Ample facilities are available
at the new Medical Teaching Centre and
applicants should be prepared to take part in
both teaching and research activities.
Salary will be on the scale £2,652 — £4,941
per annum. Federated Superannuation
System for Universities.

Applications should be submitted three
weeks from the appearance of this
advertisement, to the Registrar, Welsh
National School of Medicine, Heath Park,
Cardiff CF4 4XN, from whom further
particulars may be obtained. (23841) 25

SPECIAL APPOINTMENTS

DO YOU WANT: Your own practice about
1,000 strong which you accompany to different
places at home and abroad? Assured
advancement in salary and position? Pension
and gratuity? The strong likelihood of married
accommodation at controlled rents? Company
which you may consider congenial? If so,
consider joining the 14th/20th King's Hussars
as Medical Officer. You can probably stay as
long as you want. Apply Colonel Allen,
Parham Vicarage, Woodbridge, Suffolk. 37

PAM TRUST the pregnancy advisory and
medical trust. Wish to appoint a Doctor with
family planning association qualifications to
work on a sessional basis. Please Tel: 580 4847
or write to PAM Trust, 64-66 Oxford Street W1
9FF. (H18188) 37

SIMAVI FIFTY YEARS

SIMAVI, a non-governmental voluntary organisation in the Netherlands (with
the device: Succurrens in Mundo Afflictis Viribus luntis) has for nearly fifty
years continued in serving needy needs of the underprivileged people in
tropical countries. **SIMAVI** always assisted where the need was most urgent, by
providing donations in equipment and supplies to hospitals and other health
care projects, especially in rural areas. **SIMAVI** endeavours to continue to do so,
as long as such a need exists.

In 1975 **SIMAVI** will commemorate this milestone of fifty years of assistance. On
such an occasion it seems appropriate to retrospect and examine how, in the
spirit of international solidarity, **SIMAVI** may be enabled to improve its aid.

SIMAVI is searching for a clearer picture of present and future basic health
needs in tropical regions, to stimulate doctors and other health workers in what
they have to do and how to do it, to understand what the community thinks and
feels about the actual and desired health services and to develop together the
best possible system of integrated medical and health care.

Prize contest

For this purpose **SIMAVI** offers a prize of hfl. 10,000 for the best essay on
Community Health Care in a Rural Area, which is adaptable to the local
situation, within reach of the community and accepted by the people. There is a
chance that the winning design will be presented by the author and discussed
by a group of internationally renowned experts during a scientific symposium to
be held in Amsterdam in 1975. **SIMAVI** also considers giving support to the
actual implementation of the winning design as a feasible health project in one
or more tropical regions. Through the available mass communication media the
results of the prize contest and the discussions of the international symposium
will be made widely known to the general public. This, it is hoped, will enable
SIMAVI to bridge one of the gaps between the rich and the poor countries.

Outlines for the essay.

- Characterize population, health pattern and relevant cultural, social and
economic factors of a given rural area.
- Design a model of integrated community health care for this area, including
curative, preventive and health promotive services requirements.
- Describe the organisational set-up, the communication pattern, as well as
the tasks and functions of this integrated system.
- Specify the requirements for the construction and maintenance for the
various types of health institutions, including their required facilities, equipment
and supplies.
- Define the health manpower requirements for this integrated system and
offer solutions for the most appropriate approach in education and training,
meeting these requirements.
- Depict a profile of doctors and other health workers, who are willing and able
to develop such a system of integrated community health care, including the
active health-orientated participation of the public.
- Calculate the necessary minimal costs, required for investment and recurrent
expenditure.
- Advise on how the system could be implemented with the active
participation of the community, the time period involved to develop the project
until outside assistance is no longer necessary and show what likely benefits in
terms of health improvement may be expected, including methods for
evaluation and means of feedback for adjustment wherever necessary.

The essay may take the form of a literary study, but in view of the scarcity of
available critical analyses, it is preferable to present a study based upon actual
and personal experiences in a given rural area, which may be tested,
comparison-wise with experiences obtained in other comparative areas.

Participation is open to those who have applied for the rules of the **SIMAVI**
prize-contest, Spruitenboschstraat 6, Haarlem.

Contributions are to be submitted to the executive board of **SIMAVI**,
Spruitenboschstraat 6, Haarlem, The Netherlands, before 31st January, 1975.

A scientific advisory body will study and judge the various contributions on both
theoretical and practical merits. The Executive Board of **SIMAVI** will decide to
whom the prize will be presented. K. C. van der Giessen, Managing Director
SIMAVI.

(H18221)

25

UNIVERSITY COLLEGE HOSPITAL MEDICAL SCHOOL

LECTURER IN SURGERY

Applications are invited for the post of Lecturer in the
Professorial Surgical Unit. It is intended to carry an Honorary
Senior Registrar contract in University College Hospital.
Applicants should hold the F.R.C.S. (U.K.) or equivalent
higher degree. The post will be renewable annually, normally
for up to a maximum of 4 years and it is expected that, in
fulfilment of the recommendations for higher surgical
training, the candidate will spend one year in full N.H.S.
duties.

Salary on University of London Clinical Academic Scale plus
F.S.S.U.

Further particulars may be obtained from Professor C. G.
Clark, Director of the Surgical Unit.

The post will be vacant on 1st April, 1974.

Applications in writing, naming 3 referees, should be sent to
**The Secretary, University College Hospital Medical School,
University Street, London WC1E 6JJ.** No special application
forms are required. Closing date 16th March, 1974. (23692) 25

INDUSTRIAL APPOINTMENTS

See also p. xvii and xix

PART-TIME

MEDICAL OFFICER

James Neill (Services) Limited provides a wide
range of services to the James Neill Group of
Companies, who are the largest European
Manufacturers of Engineers and D.I.Y. Tools.

The Company places great emphasis on good
employee services and an enlightened attitude to
industrial health.

We now wish to appoint a part-time Medical
Officer who considers an interest in Sociological
and Occupational Medicine and the maintenance
of a Healthy Working Environment to be as
equally important as early detection of industrial
morbidity and the training of nursing staff in
routine industrial matters.

Salary will be in accordance with that
recommended by the B.M.A. for part-time
officers in industry.

Applications in writing to:
B. J. Whitehouse,
Personnel Services Manager
James Neill,
Holdings Limited,
Napier Street,
Sheffield S11 8HB.
(23753) 35

FELLOWSHIP AWARDS

WORLD HEALTH ORGANISATION AND COUNCIL OF EUROPE FELLOWSHIPS 1975

A number of fellowships for study abroad will be awarded in 1975 by the World Health Organisation and the Council of Europe. These are available to registered medical practitioners, registered dental practitioners, state registered nurses and other professional personnel engaged in the health services, medical education, or medical research in the United Kingdom.

The fellowships are awarded normally for periods of two weeks to one month. In each case fellows are given an allowance of approximately £150 per month, (the amount varying with the country or countries visited) together with all travelling expenses.

Applicants should be of at least five years standing in their profession, and able to utilise their studies abroad for the benefit of the U.K. health services. They will be expected to continue in the U.K. health services for at least three years after holding a fellowship.

Applications are most likely to be successful if they are quite specific concerning the content of the place of study. Certain subjects may lend themselves to study by small interdisciplinary teams, in which case separate application forms should be completed for each member.

Application forms for fellowships to be taken up in 1975 may be obtained: a. By those resident in Scotland from: The Secretary, Scottish Home and Health Department, Room 406, Eagle Buildings, 19 Rose Street, Edinburgh EH2 2PR. b. By those resident in Wales from: The Secretary, Welsh Office Health Department, Pearl Assurance House, Greyfriars Road, Cardiff, C. c. By those resident in Northern Ireland from: The Secretary, Department of Health and Social Services, Donald House, Upper Newtownards Road, Belfast BT4 3SF. d. By others from: The Secretary, Room B810, Department of Health and Social Security, Alexander Fleming House, Elephant and Castle, London SE1.

Envelopes should be marked W.H.O. and Council of Europe Fellowships. The completed application form should be returned to the office from which it was obtained, not later than Wednesday, 10th April, 1974. (23813) 26

ELECTIONS

ROYAL COLLEGE OF SURGEONS OF ENGLAND

The Council invites applications for the following Examinerships: For the Primary Fellowship

Members of the Board of Examiners for the Primary Fellowship will be elected for three years in the first instance with eligibility for re-election for a second period of three years, with the provision that no Member of the Board of Examiners shall be elected for a period of service within three years of his 65th birthday, and that no Member of the Board shall serve for more than six years in all.

Number to be elected and number who seek re-election respectively.

Anatomy: Surgeons 3, 1; Anatomists 2, 0.
Pathology: Surgeons 3, 2; Pathologists 4, 2.
Applied Physiology: Surgeons 5, 4; Physiologists 2, 2.

Candidates must hold a medical qualification registrable in this country.

Candidates must be Fellows or Members of the College.

Forms of Application can be obtained from the Secretary, and these must be completed and returned by Monday, 25th March, 1974. R.S. Johnson-Gilbert M.A., Secretary, Lincoln's Inn Fields, WC2A 3PN 2nd March 1974. (23674) 32

ROYAL COLLEGE OF SURGEONS OF ENGLAND ELECTION OF PROFESSORS AND LECTURERS

The Council invites applications for election to the office of Hunterian Professor, Arris and Gale Lecturer, Arnott Demonstrator and Erasmus Wilson Demonstrator of the ensuing year.

Of the Hunterian Lectures, at least 12 are delivered by Fellows or Members of the College. Additional Hunterian Lectures, not exceeding three in number, on medical or dental subjects may be given by Fellows, Members, Fellows in Dental Surgery or Fellows in the Faculty of Anaesthetists of the College.

The three Arris and Gale Lectures are on subjects relating to Human Anatomy and Physiology, the six Arnott Demonstrations on the contents of the Museum, and the six Erasmus Wilson Demonstrations on the Pathological contents of the Museum.

Applications in writing must be made to the Secretary on or before Monday 22nd April. Candidates for the Hunterian Professorships and Arris and Gale Lectureships are requested to submit with their application 35 copies of the synopsis of approximately 500 words describing the subject matter of their proposed lecture. Each copy of the synopsis must have the name of the applicant in the top right hand corner, and must state his present appointments, where the work was carried out and the extent to which the work submitted is original. Work carried out under a superior must be shown to have the latter's approval before being submitted.

Appointments to Professorships and Lectureships are made on the condition that those elected will give the College first refusal of publishing their Lecture in the Annals. R. S. Johnson-Gilbert, M.A., Secretary, Lincoln's Inn Fields, London WC2A 3PN. (23675) 32

INDUSTRIAL APPOINTMENTS

See also p. xvi and xvii

Attention is drawn to the British Medical Association's statement of policy on the Remuneration of Industrial Medical Officers as approved by the Representative Body, which is available on request.

Medical Officer

We have a further vacancy for a full-time Medical Officer at our Longbridge and associated factories. The many processes involved in the manufacture of motor cars allow an unusually broad range of occupational health experience. 26,000 employees are served by an established comprehensive Medical Service of full-time doctors and nurses and there are X-ray and Rehabilitation facilities. The Service works in co-operation with an established Industrial Hygiene Unit.

The successful candidate will work in a team under the direction of the Senior Medical Officer and duties will include the examination of employees as a result of injury or illness occurring in the place of employment, and examinations for certain categories of staff in order to advise on placement. In addition, study of the working environment will be required to ensure safe working methods and use of materials. There will also be opportunities to train for the Diploma of Industrial Health.

Applicants need not have previous industrial experience but general medical experience would be helpful.

Salary will be in accordance with BMA scales and conditions and there will be the opportunity to participate in a management car plan. British Leyland cars and accessories may be purchased at preferential rates.

Applications should be made to:

Dr. I. Picton-Robinson,
Senior Medical Officer,
Austin Morris Group,
British Leyland, Longbridge,
Birmingham, B31 2TB.

(23727) 35

**British
Leyland**

BRADFORD HOSPITALS
Bradford Royal Infirmary
Duckworth Lane, Bradford BD9 6RJ

ASSISTANT DIRECTOR OF SCIENTIFIC SERVICES— MEDICAL SERVICES

Salary within range £7,000 to £10,000 p.a.
(Subject to approval by Pay Board)

The Authority's Headquarters Corporate Management Team will comprise the Chief Executive and Directors of Operations: Finance, Resource Planning, Scientific Services and Administration. The Directorate of Scientific Services will have four second tier level Assistant Directors responsible for particular aspects of the functions appropriate to the Director, one of whom is the ASSISTANT DIRECTOR OF MEDICAL SERVICES.

The Water Services Staff Commission have agreed that the field of recruitment for this post need not be restricted to applicants at present employed in the Water Industry.

The duties will include:—

- Supervision of the welfare and health of the Authority's employees of some 11,000.
- The ascertainment, evaluation and control of health hazards within the water service.
- Advising on the suitability of public water supply and of raw water to be used for potable water supplies, given their chemical bacteriological and virological qualities.
- Undertaking research work involving epidemiological studies within the Severn-Trent water area, and the medical aspects of experimental work directed at producing wholesome water from raw water of doubtful quality.

The Headquarters Office of the Authority is at Abelson House, on the south eastern edge of the City of Birmingham.

Applications quoting the names of two referees should reach the undersigned by 15th March, 1974.

Director of Administration, Severn-Trent Water Authority, Abelson House, 2297 Coventry Road, Sheldon, Birmingham B26 3PS. (55578) 35

**Severn-Trent
Water Authority**

SOUTHAMPTON UNIVERSITY HOSPITAL MANAGEMENT COMMITTEE

THE ROYAL FREE HOSPITAL GROUP and the North East Metropolitan Regional Hospital Board

SENIOR REGISTRAR IN ANAESTHESIA

There is a vacancy for one whole-time non-resident appointment for a rotational training scheme between the Royal Free Hospital and The North Middlesex Hospital. The post is available from May and duties will commence at The Royal Free Hospital. This is a four year post, subject to review during the second year. Experience includes thoracic anaesthesia in addition to general surgical and intensive therapy work. The successful applicant, who must hold the F.F.A.R.C.S., will be expected to reside within reasonable access of the hospitals.

Application form obtainable from the Assistant Secretary (Medical Policy and Staffing), The Royal Free Hospital, Gray's Inn Road, London WC1A 9AT. Closing date 16th March, 1974. (55581) 52-5

THE UNITED OXFORD HOSPITALS And The Oxford Regional Hospital Board

Applications are invited for the post of SENIOR REGISTRAR IN ANAESTHETICS

in the Department of Anaesthetics at Wycombe General Hospital and subsequently at the Nuffield Department of Anaesthetics, Oxford.

The appointment is a rotating post, initially at Wycombe (and associated hospitals) where a maximum of two years may be spent, followed by a similar period in Oxford.

The post is non-resident and subject to review after one year. Applicants should be in possession of the Diploma of Fellowship of the Faculty of Anaesthetists of the Royal College of Surgeons.

Wycombe General Hospital is a modern, busy General Hospital. One day a week will be spent in Oxford with the Neurosurgical Unit and attendance at other Postgraduate centres is also encouraged to extend specialist knowledge.

The Nuffield Department of Anaesthetics is actively engaged with all aspects of clinical anaesthesia and intensive care.

The successful applicant may be concerned with undergraduate and postgraduate teaching. The Department is actively engaged in research and Senior Registrars may be involved with this aspect of the work. Attendance at Postgraduate meetings and courses is encouraged.

The content of the joint appointment will include those aspects of training recommended by the Faculty of Anaesthetists as being desirable for Higher Specialist Training.

The appointment falls vacant in March 1974. Candidates are invited to visit the respective hospitals by appointment made with the respective Anaesthetic Department Secretaries.

Application forms and further particulars may be obtained from the Medical Staffing Administrator, Group Personnel Department, The United Oxford Hospitals, Manor House, Osney Road, Headington, Oxford OX3 9BL. Applications should be submitted by 22nd March, 1974, quoting reference M8/74. (55518) 52-5

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: **Canvassing disqualifies** (Statutory Instrument, 1969, No. 163).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1,914 per annum for the posts held during the first year; £2,061 per annum for posts held during the second year; £2,208 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,475 per annum x £189(1) x £186(1) — £2,850.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,850 per annum x £171(3) x £168(1) — £3,531.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,363 per annum x £168(1) x £216(4) — £4,395.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £3,156 per annum x £183(2) x £180(2) x £168(10) £5,562.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £5,085 per annum x £279(8) x £282(1) — £7,599.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate. August, 1973

BOARD OF GOVERNORS UNITED SHEFFIELD HOSPITALS and North Sheffield University Hospital Management Committee

NON-RESIDENT ROTATING REGISTRAR TRAINING SCHEME

Applications invited for the next intake to the second and third years of General Professional Training in Anaesthesia. Successful candidates rotate through Anaesthetic Departments in both teaching groups which provide practical instruction and experience in General and Special aspects of Anaesthesia including a direct attachment to the Medical Department and Intensive Care. This rotation is designed to fulfil the requirements of the Faculty of Anaesthetists and includes attendance at the F.F.A. Course operated jointly with the University Department of Anaesthetics. Preference will be given to candidates with the Primary F.F.A. Further details on request.

Applications (single copy) stating age, qualifications, present and previous appointments (with dates) naming 3 referees to the Acting Chief Administrative Officer, The United Sheffield Hospitals, 10 Beech Hill Road, Sheffield S10 2RZ, by 16th March. (55573) 52-6

FORESTERHILL AND ASSOCIATED HOSPITALS Aberdeen

REGISTRAR

Applications are invited for the non-resident post of Registrar in the Department of Anaesthetics, based at the Royal Infirmary which is the main teaching hospital of the University of Aberdeen and houses the departments of neurosurgery and thoracic surgery. Duties include work at the Maternity and Children's Hospitals in Aberdeen and other hospitals in the Regional Board area. The successful candidate will be expected to participate in an Epidural Service and in the work of the Respiratory Unit. Active encouragement is given to study for the Primary and Final F.F.A.R.C.S. and there are organised teaching sessions and good library facilities.

Applications, giving details of age, qualification and experience, together with the names of two referees, should be lodged with the Secretary, Foresterhill and Associated Hospitals, Foresterhill House, Ashgrove Road West, Aberdeen AB9 8AQ, by 9th March, 1974. (23790) 52-6

IMPORTANT. Applicants should read the revised NOTICE at the top of page xxii.

KING'S COLLEGE HOSPITAL GROUP

THREE REGISTRARS IN ANAESTHETICS

Applications are invited for these non-resident posts, tenable from 1st April, 1974 within a large undergraduate teaching organisation. Prospective candidates are welcome to visit the department by appointment.

Application forms obtainable from the Personnel Office, King's College Hospital, Denmark Hill, SE5. Tel: 01-274 6222, Ext. 2728 (Mrs Child) should be completed and returned by 16th March. (23775) 52-6

LIVERPOOL REGIONAL HOSPITAL BOARD North Merseyside Group

KING'S COLLEGE HOSPITAL GROUP and The South East Metropolitan Regional Hospital Board

TWO JOINT SENIOR REGISTRARS IN GERIATRIC MEDICINE

The Appointees will take part in a rotational training programme between units in the King's College Hospital Group and Bromley H.M.C. (Farnborough & Lennard Hospitals). In addition to assisting in the daily care of acute, slowly progressing and longer stay patients and an active Day Hospital, they will be expected not only to take part in the teaching programme of both under- and post-graduates but also to make full use of the ample opportunities for training in clinical research. In the King's Group there is close liaison with the Professional Departments of Medicine and Neurology as well as the Departments of Psychiatry, Physical Medicine, Rehabilitation and Cardiology. The St. Francis unit is supervised by two Consultants and is well staffed at Junior level.

The present research interests include the investigation of the problems presenting in Geriatric Cardiology and also Education in Geriatrics. However, candidates with interests in Endocrinology, Haematology or Neurology would be welcome to apply.

In the Bromley Group the Geriatric unit offers a broad spectrum of services for the elderly. Acute assessment wards are situated in Farnborough Hospital, and there is a busy rehabilitation unit at the Lennard, including a day hospital and a five day ward. Participation in home assessments is expected of the appointed candidates, who will also be encouraged to join in the clinical research programme.

Applicants with higher qualifications and previous training in the specialty would be particularly encouraged to apply.

Application forms obtainable from the Personnel Office, King's College Hospital, Denmark Hill, London SE5, Tel. 01-274 6222, Ext. 2728. Miss Millwood should be completed and returned by two weeks after this insertion. (23676) 63-5

MANCHESTER REGIONAL HOSPITAL BOARD

Whole-time, non-resident
SENIOR REGISTRAR IN GERIATRICS
to the North-East Manchester Group of Hospitals, with main duties at Crumpsall Hospital.

The post offers excellent training facilities in the care treatment and rehabilitation of the elderly patient, and the domiciliary visiting of patients. It also provides useful experience of the service for the aged organised by local authorities. Candidates should have good experience in general medicine and be a member of the Royal College of Physicians.

Application forms from the Acting Senior Administrative Medical Officer to the Board, Gateway House, Piccadilly South, Manchester M60 7LP, to be returned by 18th March, 1974. (23403) 63-5

St. James' Hospital
Portsmouth

**REGISTRAR
IN PSYCHIATRY**
(Resident)
required for progressive psychiatric hospital of 750 beds. Vacant 11th March.

The firm system is in operation and the successful candidate will rotate between the firms, thus gaining good experience of diagnostic and treatment in all branches of psychiatry.

There are 2 purpose built day hospitals (1 The Solent Clinic at the main hospital, the other in Havant). A Psycho-Geriatric Assessment Unit and an Alcoholism Unit were both opened in 1972. The Registrar will work for part of his/her appointment in each of these areas under the direct supervision of the Consultant-in-Charge.

The post is recognized for the D.P.M. and M.R.C.(Psych.) and individual teaching is carried out by Consultants at the hospital. The Registrar will participate fully in the Wessex Regional Scheme for postgraduate training in Psychiatry and will be released regularly to attend.

Further details and application form from the Group Secretary, Saint Mary's General Hospital, Portsmouth PO3 6AD. (23588) 84-6

NATIONAL
CHILDREN'S
BUREAU

Voluntary Council For
Handicapped Children

SENIOR OFFICER

(Part-time for 2 years)

The Bureau wishes to appoint a Senior Officer, who will be responsible to the Director, to undertake as a primary duty the establishment of the Council, which will provide advisory information and consultation services in the care, education and treatment of handicapped children.

This is a challenging appointment, for the Senior Officer will be responsible in the main for the long term viability and success of the Council. Duties will involve co-ordination and contact with other organisations involved in this field, fund-raising, compilation of research data and the publicising of the Council's activities.

Applicants should have had experience in education, social services or medicine, with particular reference to handicapped children. Knowledge and experience of at least one category of childhood handicap would be an advantage. Familiarity with committee work and meeting procedures is essential as is the ability to write concisely and with a minimum of jargon. It is also essential that the person appointed should be a competent administrator and skilled in the art of liaising with a wide range of people and agencies. Experience in setting up a new body or service would be a strong recommendation.

Salary within range £4,101 — £5,025 full-time, part-time will be pro-rata; point of entry depending on experience and qualifications. Optional superannuation scheme.

Closing date for completed applications 15th March.

For further particulars and an application form write to the Administrative Officer (SO), National Children's Bureau, 8 Wakley Street, London EC1V 7QE. (55526) 138

Full information on request

Pfizer PFIZER LIMITED
SANDWICH, KENT

Now Ponderax PACAPS once daily

For ten years Ponderax
tablets have simplified
weight reduction

Now two Ponderax PA CAPS
once daily
simplify Ponderax

Prescribing Information

Dosage: Ponderax PA CAPS 60 mg - Adults: 1 or 2 capsules once daily according to degree of overweight.

When a dosage of 2 capsules is required the dosage for the first week and last week of treatment should be 1 capsule daily.

Presentation: Ponderax PA CAPS - hard gelatine capsule, clear body and opaque blue cap printed Px PA 60 containing small yellow pellets. Each prolonged action capsule contains 60 mg fenfluramine hydrochloride BP.

Contra-indications, warnings, etc: Should not be used concomitantly with MAOI's. Care should be exercised when giving Ponderax to depressed patients or those receiving anti-depressant therapy. It is not recommended that Ponderax be administered during

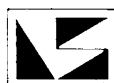

the first trimester of pregnancy unless the physician considers that the benefits outweigh any possible risk. It is recommended that Ponderax is not given concomitantly with other appetite suppressants. Ponderax may potentiate the action of anti-hypertensive, anti-diabetic and sedative drugs. The dosage of these drugs should be reassessed when Ponderax is prescribed. In those patients who experience sedation with Ponderax, care should be taken when driving, working machinery or taking alcohol. The abrupt cessation of a 2 capsule dosage may give rise to transient depression. This can usually be avoided by reducing the dosage to 1 capsule daily for one week.

Side Effects: In some patients looseness of the bowels, mild sedation and giddiness may occur. Nausea and headache have been reported. These side effects may be avoided by using the initial build up dosage; or in other patients, temporarily reducing the 2 capsule dosage.

Note: Ponderax is not included in the Schedules to the Misuse of Drugs Act, 1971.

Harmogen offers her 'the menopause' without tears

The dramatic decline in oestrogen production during the menopause has been held responsible for the many symptoms which cause a woman so much physical and mental distress—insomnia, nocturnal sweating, nervousness, headaches and 'hot flushes'—all the symptoms that mean tears are never far away. Currently these conditions are treated independently but Harmogen is specifically formulated to re-establish oestrogen levels during the menopausal syndrome and alleviate not one but all conditions.
