

PFIZER ANNOUNCES
A UNIQUE NEW AGENT
FOR THE TREATMENT OF
HYPERTENSION

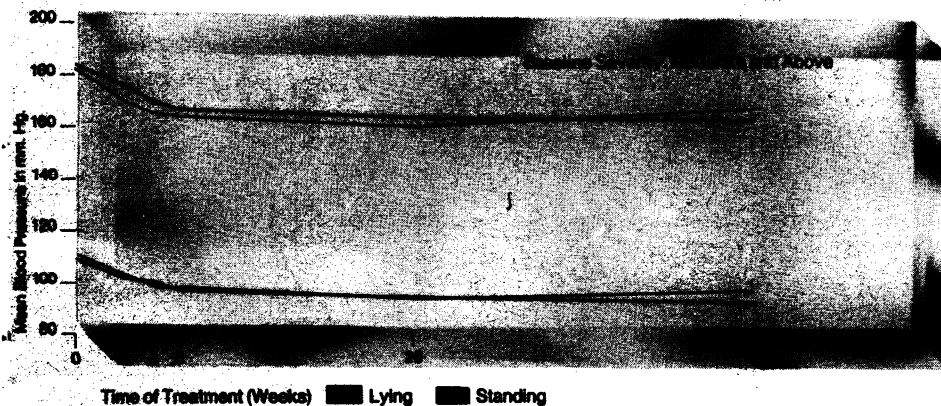

NEW
Hypovase*
brand of prazosin hydrochloride *Trade Mark

SMOOTH CONTROL OF ALL GRADES OF
BENIGN HYPERTENSION WITH FEW
DISTRESSING HAEMODYNAMIC EFFECTS

SMOOTH ONSET OF ACTION ... SMOOTH CONTROL ... NO DEVELOPMENT OF TOLERANCE

Hypovase provides a notably smooth, sustained response in hypertension. Elevated pressures are reduced in both lying and standing positions with no sudden falls in pressure. This smooth, gradual onset of action, combined with the lack of most common antihypertensive side effects, makes Hypovase particularly well suited to long-term treatment, especially as tolerance to its efficacy has not been reported.

SMOOTH CONTROL MAINTAINED WITH NO DEVELOPMENT OF TOLERANCE

Effective in all grades of benign hypertension

- To date, Hypovase has been evaluated clinically in over 1,000 patients with hypertension of all degrees of severity. Improvement of at least one grade of severity has been seen in the majority of patients treated and, in intractable cases, the addition of a thiazide usually brought about further improvement.

Low incidence of orthostatic and other distressing haemodynamic effects

- The postural hypotension seen with many other agents is seldom seen with Hypovase. Cardiac output, rather than being depressed, is often actually increased, and there are no adverse cardiac or renal changes.

Effective control through a unique mode of action

Hypovase, unlike any previous antihypertensive agent, produces a direct, *specific* relaxation of arteriolar smooth muscle to reduce increased peripheral resistance—the major haemodynamic abnormality in essential hypertension. This action, in effect, produces a normalization of the vasculature and accounts for both long-term efficacy and the significantly low incidence of adverse effects.

"In a group of 14 hypertensive patients a 10-week course of treatment with prazosin [Hypovase], 3 to 7.5 mg./day, produced a significant reduction in mean blood pressure without serious side effects."

Brit. med. J., 1974, 2, 298-300

"Of 24 patients ... only three showed little or no response and in many the blood pressure control has been very satisfactory. There was little postural effect and tolerance was not seen."

Brit. med. J., 1974, 1, 637

Pyrexia Juvenilis

Symptoms: Feverish desire to get on with a career combined with a reluctance to take sensible safeguards and protect it with insurance.

The Treatment

Think how long and hard you worked to get qualified. Then you probably worked arduous hours for little money as a hospital doctor. Now, at last, it's time to blossom out and enjoy life — and the career you've really been looking forward to.

But in all the excitement, may we remind you of the responsibilities you'll have, as well as the rewards? Think how disastrous it would be if sickness or accident put you out of action for a long period. Who would pay your bills?

This is where the Medical Sickness Society can help. Our insurance plan for young doctors contains non-cancellable sickness and accident insurance which could replace a high proportion of your income if you were prevented from working for a long period. And it would go on paying you until you were back earning again. Even if the worst

happened and you could never work again, it would pay you until you reached retirement age. Premiums are modest, and once you are accepted, the Society cannot cancel the insurance or increase your premium because of long or frequent claims.

In addition, the plan includes high life assurance cover at low premiums, which can easily be adapted as your needs change, without further medical evidence.

The Medical Sickness Society is a mutual society providing protection for doctors and dentists only. This specialisation gives the Society a deep insight into the medical profession's financial needs, and helps to provide a personal and continuous service.

To find out more about how we can help you, please contact the address or telephone number below.

IN PAIN, INFLAMED, IMMOBILE-

INDOCID[®]

Six merits of 'Indocid'

Analgesic

'Indocid' can relieve arthritic pain—promptly and effectively. Natural movement is encouraged. By night, the patient can relax and sleep more easily; and during the day, the physical and psychological benefits of reduced pain are considerable.

Anti-inflammatory

The powerful anti-inflammatory properties of 'Indocid' have been recognised for many years. Some patients respond so well to the reduction of inflammation and swelling that they are able to perform everyday tasks previously seen as impracticable.

Mobility

By relieving pain, swelling and inflammation, 'Indocid' encourages the patient to attempt more natural movement. 'Indocid' is often an important part of the management of the patient incapacitated by rheumatoid arthritis or osteoarthritis.

Efficacy

'Indocid' is established as a major antirheumatic agent. Relief of pain, reduction of inflammation, and the progressive increase in mobility—even in some who are severely disabled—enables many to enjoy a more active life.

Reliability

Many years of clinical use have proved the qualities of 'Indocid'.

Versatility

'Indocid' has proved valuable against a variety of arthritic conditions, and the number of formulations allow easy dosage adjustment to meet the need of the individual patient.

'Indocid' is indicated in the active stages of—

Rheumatoid arthritis

Osteoarthritis

Ankylosing spondylitis

Gout

Certain acute musculo-skeletal disorders

In the day and night control of a variety of arthritic conditions

INDOCID[®]

Indomethacin/MSD

prescribed for its merits

'Indocid' is available as 25 mg and 50 mg capsules, 100 mg suppositories, and a suspension containing 25 mg/5 ml. Detailed information is available to physicians on request. ® denotes registered trademark.

much better to go
to bed with a couple of

Safapryn-Co*

brand of enteric-coated aspirin
with paracetamol and codeine

*Trade Mark

The usual advice is to go to bed with a couple of aspirin. But aspirin can cause a problem – *gastric irritation*. Much better to go to bed with a couple of Safapryn-Co tablets. This formulation provides all the benefits of aspirin *without* the risk of gastric irritation. In Safapryn-Co, the aspirin is enteric-coated to pass intact through the stomach and dissolve in the alkaline fluid of the small intestine. Hence, there is no direct contact between the aspirin and the gastric mucosa to cause irritation.

But good toleration is only half the story. Each tablet contains:

enteric-coated aspirin/ paracetamol/codeine	to relieve the aches and pains
codeine	to reduce the cough

(Each sugar-coated tablet contains 300 mg. aspirin as an enteric-coated core, 250 mg. paracetamol and 8 mg. codeine phosphate).

In packs of 100

Surgical hosiery provides venous support, but PAROVEN is a kind of 'physiological elastic stocking' for the capillaries.

"The most obvious effect of treatment with HR (Paroven) is the very constant relief of night cramps, with an improvement exceeding 90 per cent."

Brit J Clin Pract (1970) 23, 161

"The degree of relief in chronic aching pain in the legs was not so marked (compared with 90% improvement in night cramps and 70% improvement in heaviness of the legs), but still amounted to 54 per cent."

Brit J Clin Pract (1970) 23, 161

"Symptoms of heavy legs are improved in 70 per cent, and it was generally agreed that not only did legs feel lighter but the patients were more agile."

Brit J Clin Pract (1970) 23, 161

"The improved venous blood oxygenation and the reduced tissue oxygen extraction indicated better tissue perfusion with less blood oxygen having been taken from the increased capillary blood flow."

Brit med J (1971) 2, 138

PAROVEN[®]

improves capillary flow

Relief of symptoms in varicose disorders

Varicose veins, post-phlebitic syndrome, superficial thrombophlebitis, varicose ulcers, varicose eczema, ankle oedema, restless legs, paraesthesia, haemorrhoids.

Dosage Initial treatment: 4 capsules a day, preferably with meals. In most cases, at least four weeks treatment with PAROVEN is required before significant benefit is felt. At the point where the patient experiences benefit, the dosage may be adjusted to a maintenance level. Maintenance treatment: 1-2 capsules a day.

Side effects and Precautions In a few patients, slight gastro-intestinal disorders, flushes and headaches have been reported. These are usually overcome by taking the capsules with meals or by slight adjustment of dosage. There are no known contra-indications to PAROVEN; it is virtually non-toxic and has no teratogenic effects. In keeping with current teaching and practice its use during the first trimester should, however, be avoided.

Availability Capsules, each containing 250 mg of O-(β -hydroxyethyl)-rutosides (not less than 45% troxerutin) in bottles of 20 and 100 capsules.

Further information is
available on request.

A seasonal reminder from Bencard

A reminder, that is, that the hayfever season is closer than you think. Make it a Pollinex season.

Recent clinical trial work¹ showed that a single three-dose course of Pollinex is effective in the large majority of hayfever patients. It is considered that further benefits may ensue with each year's pre-seasonal Pollinex course.

Combining safety and efficacy, Pollinex contains twelve grass pollens chemically modified and adsorbed on a tyrosine base to allow slow and complete release of

active material, ensuring maximum effectiveness and minimum risk of side effects.

Pollinex consists of only three injections presented in disposable syringes pre-filled for accuracy of dosage and ease of administration.

Give your hayfever patients a trouble-free year. Remind them about Pollinex treatment now. Ask for a supply of Patient Recall Cards from Bencard, and give your patients the best New Year gift they could receive.

¹In press.

THE UNIVERSITY OF LIVERPOOL

DEPARTMENT OF ANAESTHESIA

Courses of postgraduate instruction in anaesthesia will be conducted at the University of Liverpool during the Session October, 1975 to September, 1976. Three groups of students may be accepted for these courses: (a) Students from the United Kingdom or overseas who are prepared to accept designated remunerated posts in those Liverpool hospitals which permit attendance on the course. Overseas applicants must provide evidence that their medical qualifications entitle them to registration with the General Medical Council of Great Britain. (b) Those who already hold anaesthetic posts in the Liverpool area, and (c) Those students who are in receipt of a Government or other grant and to not require a remunerated post.

The courses provide both for students who are studying for the basic sciences with the Primary F.F.A.R.C.S. in view and also for those for whom instruction and practice are necessary in the clinical subjects required for the Final F.F.A.R.C.S. (Anaesthesia, Medicine and Surgery).

Further particulars and application forms may be obtained from Dr. I. C. Geddes, Acting Head of the Department of Anaesthesia, The University, P.O. Box 147, Liverpool L69 3BX, and the forms should be returned not later than 28th February, 1975. (29018) 4

UNIVERSITY OF LIVERPOOL

GENETICS FOR DOCTORS

7th-11th July, 1975

A full-time residential course will be held in the Nuffield Unit of Medical Genetics, Department of Medicine.

Topics will include population genetics, quantitative genetics, biochemical genetics, biochemical genetics, management of a genetic clinic and practical class will be held each day.

In addition to the staff of this University, a panel of distinguished visiting lecturers will contribute.

Numbers will be restricted and early application is advised.

For further details, write to Professor D. A. Price Evans, Department of Medicine, The University, P.O. Box 147, Liverpool L69 3BX.

This course is designed for consultants and senior trainees and is approved under the Advanced Postgraduate Training Scheme. (29017) 4

UNIVERSITY OF MANCHESTER

POSTGRADUATE COURSE IN OBSTETRICAL AND GYNAECOLOGICAL PATHOLOGY

This full-time course for pathologists and gynaecologists in training, will be held from 7th to 19th April, 1975. Instruction will be given by members of the staff of Manchester University and by lecturers from other centres. The programme includes the morbid anatomy of the female genital tract, uses of vaginal cytology, disorders of female physiology, including those peculiar to pregnancy, and perinatal mortality and morbidity. Instruction will be by lectures, symposia and laboratory demonstrations.

Each student will receive a collection of histological sections. The fee will be £32.50. Accommodation can be arranged if required.

Further particulars may be obtained from The Dean of Postgraduate Medical Studies, North Western Regional Health Authority, Gateway House, Piccadilly South, Manchester, M60 7LP. (28221) 4

QUALIFYING AND POSTGRADUATE EXAMINATIONS

Carefully designed courses with named specialist tutors. Advice on reading, guidance notes to each lesson and answer notes to all test papers.

THE M.R.C.P. (U.K.) EXAMINATIONS

Our course covers all the requirements of the new examinations.

It includes communications on all aspects of internal medicine; X-rays, E.C.G.s, pathology forms, clinical case problems, colour photographs multiple choice questions. All aspects have detailed model answers. Personal guidance and assessment is given throughout. Write for details and your initial assessment to Medical Tutors Ltd., 113 Seven Sisters Rd., London N7. 4

INSTITUTE OF CHILD HEALTH University of London

COURSE IN ADVANCED PAEDIATRICS

A course in Advanced Paediatrics will be held at the Institute of Child Health, from 9th June to 4th July, 1975, in association with the Hospital for Sick Children, and its Neonatal Department at the Royal Postgraduate Medical School, Hammersmith Hospital.

The course will deal with recent developments in the following topics:—

Week Beginning	Subject	Organiser
9 June	Haematology and Oncology Endocrine and Metabolic Disorders	Professor R. M. Hardisty Dr. J. Chessells Dr. D. B. Grant
16 June	Immunology	Professor J. F. Soothill
	Infectious Diseases	Professor J. A. Dudgeon
	Rheumatology	Dr. Barbara Ansell at M.R.C. Rheumatism Unit, Canadian Red Cross Hospital, Taplow, Berks. (1 day)
23 June	Neonatal Medicine	Professor V. Dubowitz at Hammersmith Hospital
	Child Psychiatry	Professor P. Graham
30 June	Cardio-respiratory Disorders	Dr. E. Hey
	Paediatric Nephrology	Dr. T. M. Barratt

Applications are invited from Consultant Paediatricians, Senior Registrars, or those with a corresponding academic appointment. The number of course participants will be limited. It is hoped that the participants will be able to attend for all four weeks, but each weekly course will be complete in itself, and applicants can enrol for single weeks if they cannot attend the whole course.

The course fee will be £80 for four weeks (£20 each week). The course is accepted under the Department of Health's Advanced Postgraduate Training Scheme.

Application forms are available from the Dean, Institute of Child Health, 30 Guilford Street, London, WC1N 1EH. The closing date is 14th February, 1975. 4

Controversy in Gastroenterology

A course of six fortnightly meetings is to be held by the SECTION OF MEDICINE, EXPERIMENTAL MEDICINE & THERAPEUTICS of the Royal Society of Medicine. The talks will be followed by a panel discussion. Each meeting will be held at 7.30 p.m. at 1 Wimpole Street.

28th January 1975	Ulcerative colitis A physician's view A surgeon's view The role of the histopathologist	Dr J. E. Lennard-Jones Professor Bryan Brooke Dr Basil Morson
11th February	Bile salts in health and disease Normal physiology Bile salts and gallstones Bile salts and small bowel disease	Dr K. W. Heaton Dr Herman Dowling Dr A. M. Dawson
25th February	Chronic active liver disease The problems of classification Aetiological aspects Clinical aspects and management	Dr Peter Scheuer Dr J. G. Walker Professor Sheila Sherlock
11th March	The pancreas Pancreatic function in health and disease Pancreatic tumours — new approaches Endoscopic pancreatography and pure juice	Dr Martin Sarner Dr C. N. Mallinson Dr Peter Cotton
25th March	Adult coeliac disease Clinical aspects Current views on aetiology The association with malignant disease	Dr B. Creamer Professor C. C. Booth Dr W. T. Cooke
8th April	Duodenal ulcer The pathogenesis of symptoms H ₂ receptor antagonists Surgical treatment	Dr M. Atkinson Professor J. W. Black Mr John Wyllie

Admission to the above meetings will be by ticket only and will be free of charge to Fellows and Members of the Section. Non-members of the Society are warmly invited to apply for admittance to the Course at a charge of £5.00. Applications for tickets and further details should be addressed to the Sections Officer, at the Royal Society of Medicine, 1 Wimpole Street, London W1M 8EA. (01-580 2070).

These meetings will be recognized as Study Leave for Hospital Medical Staff under MH 67/27.

PRACTICES (Family Practitioner Committees)

For vacancies (except those in Scotland) apply on Form F.P. 16A, obtainable from the Family Practitioner Committee. Mark envelopes "Vacancy."

LINCOLNSHIRE FAMILY PRACTITIONER COMMITTEE

MEDICAL PRACTICE VACANCY

Applications are invited for a single-handed practice vacancy at Lincoln arising through death. Urban area, intermediate classification. Total number on list 3550, all prescribing.

Present practice accommodation will not be available, but temporary accommodation may be available pending completion in February 1976 of a Health Centre in which the deceased practitioner was to occupy a consulting suite.

Application Form EC 16A and further information available from the Administrator, Lincolnshire Family Practitioner Committee, 92, Newland, Lincoln LN1 1TP. Completed application forms to be received not later than 18th January, 1975. (H13552) 5

PARTNERSHIPS (Offered)

A Happy New Year will be assured for the successful graduate of a British University and himself, on their appointment as a third partner after a short assistantship for this rapidly growing 7,200 practice on the Littleover side of Derby. Full ancillary staff; new Health Centre planned for 1975/6. Community Hospital under discussion. Obstetric and vocational training preferred, with salary dependent on experience. No private practice. Equal duties and rota. Unfurnished flat available. Full details on request. Drs. Lavelle and Adams, 233 Village St., Derby Tel: 21762. 10

A THIRD PARTNER wanted early in the New Year for a mixed rural and urban practice close to Peterborough. Good health centre facilities. Dispensing, G.P. Maternity Unit. Postgraduate Centre. A young vocationally trained male from a British University preferred. Can General Practice be enjoyed? Terms and see. Box 4593 BMJ or Tel: Stamford 720255 evenings. 10

BURNLEY. Group practice, requires fourth partner, 1st April, health centre, all facilities and attachments. Postgraduate centre. Rota. Outside appointments. Above all congenial and cheerful partners. This post offers a young graduate of a British University, marvellous scope for good practice, with ample time for personal pursuits, combined with excellent remuneration. If not experience, we will train, but obstetrics essential. One year mutual assessment, parity two. Box 4595 BMJ. 10

CENTRAL LONDON Group of five offer partnership to female graduate of British University. Must have some experience, sympathy and enthusiasm. Interesting, but by no means heavy duties. Open access to all Path., E.C.G. and X-Ray. Very good paramedical staff. Undergraduate and postgraduate teaching programme. No capital required. Salary will commence at £5,000 p.a. Would wait for the right person. Box 4571 BMJ. 10

CHANNEL ISLANDS. Opening in this delightful tax haven to the right person. Tel: 0534 22067 at 7 p.m. or write Box 4590 BMJ. 10

GRADUATE OF A BRITISH UNIVERSITY, under 35, required for fourth partner vacancy from 1st March 1975, in the delightful seaside resort of Tenby, set in the Pembrokeshire National Park. Partnership, after short assistantship to establish mutual seaworthiness, with parity after two years. Health Centre, full ancillary staff and appointments system. G.P. Maternity Unit, 18-bedded Cottage Hospital with Casualty Department staffed by the Practice on a Sessional basis. Please apply to Drs. Rhys-Phillips, Hughes and Weaver, Health Centre, Greenhill Road, Tenby, Dyfed. (Tenby 2529) 10

GRADUATE of a British University required as fourth partner with Group Practice in Humberston. Salaried for six months £5,250 p.a. Parity two years. Box 4569 BMJ. 10

GROUP PRACTICE in small industrial/residential Lancashire town with rural surroundings and access to motorway system requires amicable colleague to replace ultimately retiring fifth partner commencing early 1975. Well-equipped, recently modernised premises, in which share may be purchased optionally, are well staffed and there are health visitor and district nurse attachments. Appointment system is in operation and there are diagnostic facilities at local hospitals. Initial salaried partnership. Rapid rise to parity in 2 years. Apply 13/15 Bridge Street, Heywood, Lancs. Tel: Heywood 60397. 10

GROUP practice of seven in south west requires a replacement partner. The work will include hospital sessions in anaesthetics. Experience in obstetrics also necessary. Graduates of a British university and holding the D.A. and D.Obst.R.C.O.G. should apply to Dr. I. D. Kerr, Clare House, Tiverton, Devon. 10

PARTNER REQUIRED (initially part-time) Wembley/Harrow. Box 4566 BMJ. 10

PARTNER required in London, full-time or salaried. Box 4345 BMJ. 10

PARTNER required 1st July, 1975 to replace retiring member five-man practice, Birmingham. Starting salary £5,500 a year, parity. Good rota. Full ancillary help. Box 4589 BMJ. 10

PARTNER URGENTLY REQUIRED. Male graduate of a British University preferred. Early parity. One in five duty appointments system. Usual ancillary facilities. Moving to new health centre. Write Dr Clive Selby 56, Neath Road, Briton Ferry, Glam. 10

PARTNERSHIP offered Blackpool after 3 months as assistant. List 6,300. Outside appointments. Good ancillary staff and off duty. Applicant eligible for obstetric list. Local postgraduate centre. Pleasant practice relationships. Box 4581 BMJ. 10

PART-TIME HELP required, four or five half days per week, in pleasant rural/residential area near Manchester. Modern health centre with full ancillary help. Excellent pay. No private or weekend work. Would suit married woman or doctor with some hospital commitments. Box 4432 BMJ. 14

PEMBROKESHIRE COAST National Park. Replacement vacancy for 4th partner required for March/April. Full ancillary help, attachment and open access. Pleasant rural/seaside long established practice furnished bungalow available. Early parity. Young graduate of a British University preferred. For full details write to Dr. D. Stockton Jones, Blue Ridge, Saundersfoot, Pembs. 10

RETIREMENT VACANCY — 6th partner required for residential and semi-rural group practice adjacent to the Peak District Derbyshire. It is imperative that he be slightly eccentric with a sense of humour to conform to the practice norm. We are a democratic group, all but one under 35. We have our own premises with usual attachments. Obstetrics essential. Excellent initial salary with parity in 6 months. Box 4588 BMJ 10

SIXTH PARTNER wanted for Group Practice in coastal town, west of Scotland. The practice has full appointment system, ancillary staff, practice attached nurses. Successful applicant will be starting 1st February 1975 with a short assistantship and full parity in two years. Box 4436 BMJ 10

THIRD PARTNER required from the 1st half of 1975 for a semi rural/urban practice in the western Lake District. Present senior partner going part-time. Practice includes industrial appointments, local government appointments doctor. Rented practice accommodation on long lease. Ancillary help, nursing attachments, night duty rota with hospital in adjacent practices. New district hospital with full G.P. services and postgraduate lectures. Early parity. Dr R. W. Chalmers, 19 Irish Street, Whitehaven, Cumbria. 10

WANTED Partner North London, initial share Minimum £3,600. Parity three years. Box 4582 BMJ. 10

PARTNERSHIPS (Wanted)

EXPERIENCED Lady Doctor D.R.C.O.G. seeks assistantship with view to Partnership in London. Box 4585 BMJ. 12

GENERAL PRACTICE TRAINING POSTS

VOCATIONAL TRAINING FOR GENERAL PRACTICE AT EPSOM DISTRICT HOSPITAL

Applications are invited for the above post which is recognized by the Royal College of General Practitioners and which will commence on the 1st April 1975.

The hospital appointments, which will be for a period of 2 years, will be in Obstetrics and Gynaecology, Medicine, Accident and Emergency, and Paediatrics, and will be in the Senior House Officer Grade. The trainee will serve for six months in a Teaching Practice before entering the hospital and a further six months after completing the hospital rotation. Opportunities will be provided during the General Practice 12 months to attend a half-day release course and to visit Community Services of various kinds. Applications, including the names and addresses of two referees, should be forwarded to the Personnel Officer, Epsom District Hospital, Dorking Road, Epsom, Surrey, KT18 7EG by 17th January 1975. (36566) 21

WOLVERHAMPTON AREA HEALTH AUTHORITY

SOUTH STAFFORDSHIRE VOCATIONAL TRAINING SCHEME

FOR GENERAL PRACTICE
Applications are invited for a limited number of posts on the South Staffordshire Vocational Training Scheme for General Practice. After a short period in General Practice, trainees will spend two years in rotating S.H.O. Hospital Posts in general medicine, Obstetrics and Gynaecology, Paediatrics and Psychiatry. Flexibility in the choice of specialties is possible to meet individual needs. Half day release may be spent in Ophthalmology, Dermatology, E.N.T. or other chosen specialties. Trainees will return to general practice during the third year. The scheme is affiliated to the Birmingham University training course for general practice. The requirements for M.R.C.G.P., D.C.H., and D.R.C.O.G. can be fulfilled.

Married or single accommodation available. Excellent education facilities exist in the South Staffordshire Medical Centre. Further details and application form available from Area Personnel Officer, Administrative Offices, New Cross Hospital, Wolverhampton WV10 0QP. Telephone enquiries may be made to Dr. L. E. Tyler, Postgraduate Tutor in General Practice on Wolverhampton 782719 or Mr. A. W. Jowett, Postgraduate Clinical Tutor on Wolverhampton 732255 Ext 2147. (36578) 21

Whittington Hospital Highgate Hill London N19 5NF

Applicants are invited for the post of

Trainee General Practitioner

at the Whittington Hospital and a local training practice.

The appointment is for three years and is intended for a doctor who has completed his pre-registration training. On completion of this three year appointment the doctor will be entitled to a vocational training allowance.

The post will commence on 1st April 1975 with three months in general practice. There will then be two years at the Whittington Hospital, starting with six months general medicine and cardiology (as post-registration H.P.) followed by six months periods as S.H.O. in Paediatrics and six months as H.S. in Obstetrics. The final six months will be as non-resident supernumerary S.H.O. in Casualty, and/or Psychiatry and other specialties. The trainee will be eligible to sit the M.R.C.G.P., D.C.H., and D.Obst. R.C.O.G. The final nine months will be in General Practice with day release to attend the appropriate course at the Royal College of General Practitioners.

Application forms from the Hospital Personnel Officer returnable by 20th January 1975.

(36862) — 21

NORTHAMPTONSHIRE AREA HEALTH AUTHORITY Northampton District

VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE

Applications are invited for two General Practitioner training posts at Northampton, beginning 1st April, 1975.

The appointment is for three years and is intended for a doctor who has completed his pre-registration year. On completion of training, the doctor will be entitled to the vocational training allowance.

The trainee will spend his first year in established posts in Paediatrics, and Obstetrics and Gynaecology, after which he will be eligible to sit the D.C.H. and D.Obst.R.C.O.G. examinations. The first six months of the second year will be spent half time in general practice and half time in hospital (mainly in out-patients clinics) and the second six months will be spent in one of supernumerary posts offering experience in a variety of specialties. The third year will be allowed adequate time to attend courses and particularly that run by the Thames Valley Faculty of the Royal College of General Practitioners (on a day release basis).

A memorandum about the scheme will be sent on request. Commencing salary at S.H.O./Registrar level depending upon previous experience. Married accommodation may be available for the first 18 months of the training.

Applications giving full details and names of two referees should be sent to Mr. R. E. Thornton, Senior Administrative Assistant, General Hospital, Northampton NN1 5BD. Closing date for receipt of applications 18th January, 1975.

SOUTH CAMDEN DISTRICT GENERAL PRACTITIONERS' TRAINING SCHEME

at
University College Hospital, WC1E 6AU
and Kentish Town Health Centre

Applications are invited from fully registered practitioners for appointment to a three-year training scheme starting on 1st June 1975.

Four hospital appointments, each of six months' duration, in Obstetrics (Professorial Unit), Paediatrics (Professorial Unit), Psychological Medicine and the Accident and Emergency Department, followed by 1 year as Trainee Assistant in the Kentish Town Health Centre.

Further particulars may be obtained from the Postgraduate Sub-Dean, University College Hospital Medical School, University Street W.C.1. Tel: 01-287 9300 Ext: 88.

Application forms returnable by 25th January 1975, from the District Organisation Manager, University College Hospital, Gower Street, WC1E 6AU. (36865)

DEVON AREA HEALTH AUTHORITY Plymouth Health District

VOCATIONAL TRAINING FOR GENERAL PRACTICE

Applications are invited from fully registered doctors for two posts in this three year scheme commencing on 1st April, 1975, and again on 1st October, 1975.

Two years will be spent in rotating hospital posts of six months each: Accident and Emergency, Geriatrics, Obstetrics and Gynaecology, and Psychiatry. It is hoped to include Paediatrics in the near future.

An option of an introductory month in General Practice preceding these dates will be available.

The final year will be spent in an approved training practice. A half day release course will be held during academic terms during the three years. Trainees will be encouraged to attend their department meetings, and a full programme of meetings is available at the Plymouth Postgraduate Medical Centre. The scheme is recognized for M.R.C.G.P. and D.Obst.R.C.O.G. It is hoped to provide single or married accommodation during the hospital period.

Application forms and full details from the Hospital Secretary, North Friary House, Greenbank Terrace, Plymouth, PL4 8QQ, to whom applications for posts commencing 1st April, 1975 should be returned by 17th January, 1975. (29127)

UNIVERSITY AND RESEARCH APPOINTMENTS

CHARING CROSS HOSPITAL MEDICAL SCHOOL (University of London)

Applications are invited for the post of
LECTURER
(vacant now)

in the new Academic Department of Psychiatry at Fulham. The successful applicant will be expected to spend a major proportion of his or her time in teaching and research, possibly in conjunction with other medical specialties. Proven research, and membership of one of the Royal Colleges is desirable. Salary in accordance with University scales with F.S.S.U.

Applications in writing with full details of qualifications and experience, giving two referees to the Secretary, Charing Cross Hospital Medical School, Brandenburg House, Fulham Palace Road, London W6 9HH by 17th January, 1975. (H13563)

FACULTY OF ANAESTHETISTS OF THE ROYAL COLLEGE OF SURGEONS OF ENGLAND

R. S. Johnson-Gilbert, Secretary, Faculty of Anaesthetists. (29056)

UNIVERSITY OF LEICESTER Human Cytogenetics

Applications are invited for the post of
**SENIOR LECTURER
OR LECTURER**

in the Department of Genetics (Head of Department: Professor R. H. Fritchard).

The person appointed will take special responsibility for teaching human genetics and development of research preferably in the area of cytogenetics, and will be expected to promote the development of a diagnostic service in collaboration with Clinical Departments in the new Medical School. In this connection a suitably experienced person would be offered an honorary service contract by the Leicestershire Area Health Authority (Teaching) and the title of Director of Cytogenetics. A medical qualification, whilst desirable, would not be essential.

Initial salary, depending on qualifications and experience will be on the scale £2118-£4896 a year for Lecturers and £4707-£5976 for Senior Lecturers, plus threshold supplements. Further particulars from the Registrar, to whom applications should be sent quoting reference LG2/JMB by 4th February 1975. (29061)

ROYAL FREE HOSPITAL SCHOOL OF MEDICINE (University of London) Department of Medical Microbiology Royal Free Hospital Pond Street, Hampstead

Applications are invited from registered medical practitioners for the post of
LECTURER

IN MEDICAL MICROBIOLOGY
from 1st March 1975 or as soon as possible thereafter. The appointment carries the honorary status of Senior Registrar at the Royal Free Hospital and is for three years with the possibility of extension to five years. Initial salary not more than £3,822 (plus threshold payments) on scale £3,360 — £5,016 with superannuation benefits. Nine copies of the application, including names of two referees, should be sent not later than 3rd February, 1975 to the Secretary, Royal Free Hospital School of Medicine, 8 Hunter Street, London WC1N 1BP, from whom further particulars may be obtained. (29168)

ROYAL FREE HOSPITAL SCHOOL OF MEDICINE (University of London)

**SENIOR RESEARCH FELLOW
IN HEPATIC TRANSPLANTATION**

Applications are invited for the above post (initial salary £3,822 plus threshold payments). The successful applicant will work in the Academic Department of Surgery at the Royal Free Hospital School of Medicine housed in the new Royal Free Hospital at Hampstead. Under the direction of Professor K. E. F. Hobbs he will be responsible for the organisation of a major liver transplantation project which has already started. It is hoped that this will lead to clinical liver transplantation in the foreseeable future. Fellowship of one of the Colleges of Surgeons is essential, but previous experience in research is not. The post is ideally suited to the holder of a Senior Registrar post in surgery who wishes to have a year off service in full-time research. Further particulars may be obtained from Professor Hobbs, Academic Department of Surgery, Royal Free Hospital, Pond Street, London NW3 2QG, to whom applications should be sent by 24th January, 1975. (29167)

THE ROYAL FREE HOSPITAL Hampstead

PART-TIME LECTURER
required in Anatomy and Physiology. Medical Practitioner preferred, to give lectures to Student Radiographers, Royal Free Hospital, Hampstead, £4.90 per lecture. Please apply to the Principal and Group Superintendent Radiographer, Royal Free Hospital, Pond Street, Hampstead, London NW3 2QG. Tel: 794 0550, Ext. 4150/51. (37042) 25

COMMERCIAL APPOINTMENTS (See also p. xv)

"Medical Detective"

☐ **Do you like probing medical problems in some depth?**

☐ **Do you like following up unusual cases, and really getting to the bottom of them?**

☐ **Are you interested in problems of drug abuse, drug interaction and drug-related adverse reactions?**

If the answer to these questions is yes, and if you have the questioning mind, tenacity and flair for detail of a "Medical Detective", this could be the post for you.

The work involves the investigation of any serious adverse reactions reported to Roche Products Limited, arising from the use of its products in the UK and the Republic of Ireland. More specifically, the position entails:

- Identification of the circumstances surrounding all adverse reactions to Roche products, and development of a comprehensive monitoring system.
- Active liaison with Poisons Centres, Clinical Pharmacology Units and other groups concerned with the action and interaction of drugs, sensitivity reactions, dependence problems, etc.; and legal reporting to the Department of Health.
- Tenure of a Clinical Assistantship and development of tests, through volunteer studies, to predict sensitivity to Roche drugs currently under trial or on the market.
- Study of medical publications and attendance at meetings and symposia to keep abreast of relevant new medical findings.

- Dissemination of information on adverse reactions to appropriate professional bodies concerned with drug safety.

Applicants should be fully registered medical practitioners, aged under 45, with broad experience in general medicine. Particularly suitable contenders could be: GPs with a well-developed interest in drug-related adverse reactions, forensic work, industrial toxicology, clinical pathology, or dispensing and pharmaceutical medicine; community physicians with an interest in therapeutics in addition to epidemiology and diagnostic screening programmes; or hospital physicians with experience in pharmacology and/or clinical trials.

The successful candidate will occupy a senior and highly responsible position within the Company, as Roche attaches great importance to the quality and safety of its products. Accordingly, the starting salary for this post will be negotiable well up the consultant scale, and other benefits include a Company car, a good pension scheme, free BUPA membership and financial assistance with relocation. The appointment will be based at Roche's UK research headquarters in Welwyn Garden City, Herts.

Please write in complete confidence for an informative booklet, or telephone if you would like to discuss the position further:

Dr. A. E. F. Chandler (Reference ACB),
Talentmark Limited, King House, 11 Westbourne Grove,

Applications are invited from registered medical practitioners for an appointment as **LECTURER**

in the Academic Department of Surgery. In addition to clinical and teaching duties as an Honorary Senior Registrar to the Royal Free Hospital, the appointee will engage in surgical research in the laboratories of the department housed in the newly built Royal Free Hospital, Hampstead. These may be visited by prior arrangement with Professor K. E. F. Hobbs. Initial salary not more than £3,822 (plus threshold payments) on scale £3,360 — £5,016 with superannuation benefits. Further particulars may be obtained from the Secretary, Royal Free Hospital School of Medicine, 8 Hunter Street, London WC1N 1BP, to whom applications (2 copies) should be sent not later than 24th January, 1975. (29166) 25

THE MEDICAL COLLEGE OF ST. BARTHOLOMEW'S HOSPITAL West Smithfield, London EC1S 7BE

Applications are invited for the post of **SENIOR LECTURER**

in the Department of Medical Oncology, the appointment to commence on the 1st April, 1975. The appointment carries Honorary Consultant status at St. Bartholomew's Hospital, and will be for a period of 5 years. The salary will be on the scale £5,433 — £7,947, plus Threshold Allowances.

Applications (16 copies) should be sent to the Dean of The Medical College at the above address not later than 27th January, 1975. (H13564) 25

UNIVERSITY OF LONDON Kings' College Hospital Medical School and Institute of Psychiatry

CHAIR OF PSYCHOLOGICAL MEDICINE

The Senate invite applications for the above Chair. Salary scale £6,828 to £7,947 a year.

Applications (11 copies) should be received not later than 6th February 1975 by the Academic Registrar (BMJ) University of London, Senate House, London WC1E 7HU, from whom further particulars may be obtained. (29079) 25

UNIVERSITY OF MANCHESTER

TUTOR IN CHILD HEALTH

Applications invited from candidates with a higher medical qualification for this post for one year initially. The Tutor will be a member of the University Department of Child Health; his duties will include organisation of and participation in clinical teaching and clinical duties at registrar level at the Royal Manchester Children's Hospital, Pendlebury, with opportunities for research. The Salford A.H.A. (Teaching) will grant appropriate N.H.S. status. Salary range p.a.: £2,883-£3,819. Duties commence as soon as possible.

Particulars and application forms from the Registrar, The University, Manchester, M13 9PL, (returnable by 17th January 1975). Quote ref: 256/74/JMB. (29060) 25

UNIVERSITY OF OTAGO Wellington Clinical School Wellington, New Zealand

SENIOR TECHNICIAN (HISTOPATHOLOGY)

Applications are invited by the University of Otago for a new post of Senior Technician in the Department of Pathology at the Wellington Clinical School. An appointment will be made at a senior level and applicants should have appropriate qualifications and considerable medical laboratory experience with specialisation in histopathology.

Duties will involve responsibility for the preparation of histological teaching materials, supervision of technical and laboratory staff, ordering of equipment and materials, and general supervision of the teaching laboratories and related equipment and teaching materials.

Starting salary will be on the scale NZ\$6,519-£7,754 per annum, depending on qualifications and experience, but a particularly well qualified applicant may be appointed up to \$9,666 per annum.

Further particulars are available from the Association of Commonwealth Universities (Apts), 36 Gordon Square, London WC1H 0PF, or from the Registrar of the University, P.O. Box 56, Dunedin, New Zealand.

Written applications, in duplicate, stating age, qualifications, experience, and the names of two referees, and quoting reference number A.74/68, close in London and New Zealand on 15th January 1975. (29006) 25

SKF Research Institute

2 Clinical Research Appointments

The Posts:

- Work in a multidisciplinary Research Institute with around 200 scientific research staff.
- Receive comprehensive training in pharmaceutical medicine.
- Liaise with other researchers to chart the development of new therapeutic agents.
- Gain specialist clinical strength within a team investigating the therapeutic potentialities of a major new class of histamine receptor antagonists (Black *et al.*, 1972, *Nature*, 236: 5347).
- Design, coordinate, control and evaluate clinical research trials and volunteer studies.
- Publish research findings and attend international meetings, symposia and workshops.
- Travel some 10-15% of your time — mainly within the UK, but also to Europe and the USA.
- Take up an Honorary Clinical Assistantship for one session per week at an appropriate hospital.

Our Requirements:

- Ideal age 27-32, maximum 35.
- At least two years' post registration experience in general medicine in the UK.
- A questioning, research-oriented mind, ideally backed by a relevant higher qualification.
- A keen interest in therapeutics research.

The Benefits:

- Salary not less than £6500 — and could be more if exceptional.
- Good financial and career advancement prospects.
- Company car provided.
- Attractive pension and life assurance schemes.
- Generous removal expenses (to Welwyn Garden City, Herts).
- Good amenities with pleasant countryside for home and family.

UNIVERSITY OF NOTTINGHAM and Derbyshire Royal Infirmary (424 beds)

Applications are invited for the combined post of

SENIOR HOUSE OFFICER ACCIDENT & EMERGENCY Derbyshire Royal Infirmary DEMONSTRATOR in the Department of Human Morphology University of Nottingham

Resident. The present staffing of the Department at the Infirmary is a Consultant in Accident and Emergency, a Medical Assistant, two Registrars, six Senior House Officers and one part-time Senior House Officer. The attachment to Professor Coupland's Department of Human Morphology at the Nottingham University Medical School will normally be for one day weekly. Additional facilities are available within the University to help candidates to work towards the Primary Fellowship Examinations. Vacancy early January.

The appointment will be for six months in the first instance, and the post is recognized for F.R.C.S.

Applications stating age, experience and two names for reference to Hospital Secretary, Derbyshire Royal Infirmary, Derby DE1 2QY quoting 171. (36825) 25

UNIVERSITY OF SOUTHAMPTON Faculty of Medicine

Applications are invited from registered medical practitioners for the post of
SENIOR LECTURER
IN MEDICINE

with an interest in Gastro-enterology, associated with Professor Ralph Wright. The person appointed will be required to undertake clinical, teaching and research duties in the field of gastro-enterology and to assist in running a General Medical Unit of approximately 30 beds. Salary £5,433 - £7,947 (9 increments). Initial salary will depend on qualifications and experience. Superannuation.

It is intended that a suitable candidate should be offered honorary Consultant status by the Hampshire Area Health Authority (Teaching).

Further particulars may be obtained from the Administrative Secretary, The University, Southampton SO9 5NH to whom applications (7 copies from applicants resident in the UK and 1 from others) should be sent not later than 13 January 1975 quoting Ref: JMB/23/74/A. (28456) 25

WELSH NATIONAL SCHOOL OF MEDICINE (University of Wales) Department of Surgery

Applications are invited for the post of
RESEARCH REGISTRAR

in the field of Cancer Immunology. The successful applicant would join an established team of clinicians and basic scientists investigating host tumour inter-relationship on a broad front with special reference to cancer of the breast, stomach, colon and melanoma. Suitable for a surgical trainee seeking a higher degree, but surgical or immunological experience not essential. The post could provide experience in the application of computers to medical research as well as in immunology.

Salary up to £5,369 per annum. Superannuation available. Interested persons are welcome to visit the Surgical Unit or to contact Professor L. E. Hughes at Cardiff (0222) 755944. Ext. 2749.

Post available from 1st February, 1975. Applications, which should take the form of a brief curriculum vitae with the names and addresses of three referees, should be sent to the Registrar, Welsh National School of Medicine, Heath Park, Cardiff as soon as possible. (29175) 25

Applications are invited for the post of
LECTURER

in the Department of Anatomy from 1st March, 1975, or as soon as possible thereafter. Medically qualified and non-medically qualified applicants will be considered. Facilities are available for electron microscopy, tissue culture and histology. Salary scale £2,118-£4,896 p.a. plus £213 London Allowance, £229 threshold payments, and superannuation benefits.

Further particulars from the School Secretary, 8 Hunter Street, London WC1N 1BP, to whom applications (8 copies, including names of two referees) should be sent not later than 24th January 1975. (29057) 25

UNIVERSITY OF BIRMINGHAM Department of Medicine

Applications are invited for the post of
CLINICAL RESEARCH
FELLOW

(salary in the range of £2883-£4004) in the Department of Medicine to join a team studying the physiology and pathology of gonadotrophin secretion in man and animals. The post, which is supported by a 3 year grant from the M.R.C. will involve clinical and laboratory research. It is hoped the successful applicant will proceed to a M.D. Ample opportunity will also be available to acquire experience in all facets of clinical endocrinology. Preference will be given to candidates holding the M.R.C.P.

Applications and enquiries to Dr. D. R. London, Queen Elizabeth Hospital, Edgbaston, Birmingham B15 2TH. Tel: 021-472 1311. Ext. 320. Closing date — Friday, 24th January 1975. (36867) 25

THE UNIVERSITY OF MANCHESTER

SENIOR LECTURER IN MORBID ANATOMY

Applications are invited for this post. The successful candidate will, if appropriately qualified, be given honorary Consultant status by the Salford A.H.A. (Teaching), in virtue of pathological duties (morbidity anatomy) based at Hope Hospital, Salford. The candidate will divide his time between this hospital and the University Department of Pathology, where he will participate in teaching and research. Salary range p.a.: £5,433-£7,947. F.S.S.U.

Particulars and application forms (returnable by 13th January 1975) from the Registrar, The University, Manchester, M13 9PL. Quote ref: 252/74/JMB. (29066) 25

UNIVERSITY OF MANCHESTER

LECTURER IN CLINICAL NEUROLOGY (Non-consultant)

Applications are invited for this post in the Department of Neurology for applicants with higher qualifications. The successful candidate will take part in the clinical work of the Department, share in the teaching of undergraduate and graduate students, and have ample opportunity for research. Honorary N.H.S. grading will be either Registrar or Senior Registrar level according to experience. Duties commence as soon as possible. Salary range p.a.: £2,883-£5,709. F.S.S.U.

Further particulars and application forms (returnable by 17th January) from the Registrar, The University, Manchester, M13 9PL. Quote ref: 255/74/JMB. (29059) 25

ROYAL FREE HOSPITAL SCHOOL OF MEDICINE (University of London) Department of Physiology

Applications are invited for the post of
LECTURER

in the Physiology Department from 1st March, 1975, or as soon as possible thereafter. A medical qualification is desirable but not essential. Initial salary not more than £2,412 plus £213 London Allowance and £229 threshold payments, on scale £2,118-£4,896.

Further particulars from the Secretary, 8 Hunter Street, London WC1N 1BP, to whom applications (six copies, including names of two referees) should be sent not later than 24th January 1975. (29058) 25

RESEARCH AWARDS

WORLD HEALTH ORGANISATION AND COUNCIL OF EUROPE FELLOWSHIPS 1976

A number of fellowships for study abroad will be awarded in 1976 by the World Health Organisation and the Council of Europe. These are available to registered medical practitioners, dental practitioners, state registered nurses and other professional personnel engaged in the health services, medical education, or medical research in the United Kingdom.

The fellowships are awarded normally for periods of two weeks to one month. In each case fellows are given an allowance of approximately £150 per month (the amount varying with the country or countries visited) together with all travelling expenses.

Applicants should be of at least five years standing in their profession and able to utilise their studies abroad for the benefit of the U.K. health services. They will be expected to continue in the U.K. health services for at least three years after holding a fellowship.

Applicants are most likely to be successful if they are quite specific concerning the content and the place of study. Certain subjects may lend themselves to study by small interdisciplinary teams, in which case separate application forms should be completed for each member.

Application forms for fellowships to be taken up in 1976 may be obtained: a. By those resident in Scotland from The Secretary, Scottish Home and Health Department, Room 404, Eagle Buildings, 19 Rose Street, Edinburgh EH2 2PR. b. By those resident in Wales from The Secretary, Welsh Office, Health Department, Pearl Assurance House, Greyfriars Road, Cardiff. c. By those resident in Northern Ireland from The Secretary, Department of Health and Social Services, Dundonald House, Upper Newtownards Road, Belfast BT4 3SF. d. By others from The Secretary, Room B810, Department of Health and Social Security, Alexander Fleming House, Elephant & Castle, London, S.E.1.

Envelopes should be marked W.H.O. and Council of Europe Fellowships. The completed application form should be returned to the office from which it was obtained no later than 14th February, 1975. (29005) 27

GRANTS

THE NATIONAL KIDNEY RESEARCH FUND invites applications for grants for renal research at units within the United Kingdom. Application forms are available from The Secretary, 184B Station Road, Harrow, Middlesex HA1 2RH (01-863 4469). (H13501) 29

FAMILY PLANNING

NORTH YORKSHIRE AREA HEALTH AUTHORITY Scarborough Health District

CLINICAL MEDICAL OFFICER in Family Planning

Grape Lane Clinic, Whitby. Applications are invited for the above post to take up duties as soon as possible. The successful candidate will be required to devote two sessions of approximately 2½ hours per month to the duties of the post and the salary will be at the rate of £8.68 per session.

Applications stating age, qualifications and experience, and accompanied by two names for reference, should be addressed to the Acting District Administrator, Scarborough Health District, Scarborough Hospital, Scarborough, YO12 6QL. (29106) 38

ACCIDENT AND EMERGENCY (including CASUALTY)

LANARKSHIRE HEALTH BOARD Law Hospital, Carlisle (794 beds)

REGISTRAR Accident/Emergency Unit and Orthopaedics

Applications are invited for the post of Registrar in the Accident and Emergency Unit, Orthopaedic Department based at Law Hospital.

The Accident/Emergency Unit is staffed by four Senior House Officers in addition to the present vacancy and is further supplemented by a number of general practitioners attending on a sessional basis under the supervision of four Consultants. In addition to experience in this major accident unit and orthopaedic department, every encouragement will be given for further postgraduate education. The post is non-resident but married accommodation may be available on request.

Application forms and further particulars available from Dr. John M. Paterson, Specialist in Community Medicine, District Health Office, Motherwell/Lanark District, Strathclyde Hospital, Motherwell. Completed forms should be returned within two weeks of the appearance of this advertisement. (29102) 51-6

Smith & Nephew Research Fellowships 1975

Applications are invited for two **Smith & Nephew** Fellowships for a period of one year to enable physicians/surgeons to pursue postgraduate medical research.

Applicants should be British subjects resident in the U.K. of at least the grades of Registrar or Senior Registrar. The grants paid to the Fellows will be comparable to the salaries paid on the appropriate NHS scale.

The proposed plan of research may be in any one of the following subjects but not necessarily limited to

Gastroenterology
Gynaecology
Ophthalmology
Orthopaedics
Wound Healing

Application forms and further details may be obtained from
The Fellowships Administrator
Smith & Nephew Foundation
2 Temple Place, Victoria Embankment
London WC2R 3BP

CLOSING DATE: MARCH 30, 1975.
(29029) 27

NORTHERN IRELAND HEALTH AND SOCIAL SERVICES

SENIOR REGISTRAR IN CLINICAL PHARMACOLOGY

Applications are invited for the post of Senior Registrar in Clinical Pharmacology.

The appointment will commence on 1st August 1975. The post is non-resident.

Candidates must have or expect to have by the date of appointment four years' service since graduation and M.R.C.P. (UK).

The appointment will be in the Department of Therapeutics and Pharmacology, The Queen's University Belfast which will be moving into the new Clinical Extension to the Medical Biology Centre, Lisburn Road, Belfast about September 1975. The person appointed will have facilities for clinical work in the Royal Victoria and Belfast City Hospitals and for research in the new University Building.

The four year training programme is designed to meet the requirements of the Joint Committee for Higher Medical Training programme for Clinical Pharmacology and will include clinical duties and research with facilities for studying for M.D.; it is anticipated that one year's training will be spent in a centre outside Belfast.

Application forms and further particulars are available from: The Chief Administrative Officer, Central Services Agency, 27 Adelaide Street, Belfast BT2 8FH.

The latest date for the return of application forms is 31st January 1975.

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974, No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £2,202 per annum for the posts held during the first year; £2,370 per annum for posts held during the second year; £2,538 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,823 per annum x £189(1) x £186(1) — £3,198.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £3,198 per annum x £171(3) x £168(1) — £3,879.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,711 per annum x £168(1) x £216(4) — £4,743.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £3,504 per annum x £183(2) x £180(2) x £168(10) — £5,910.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £5,433 per annum x £279(8) x £282(1) — £7,947.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate.

July, 1974

**CLEVELAND
AREA HEALTH AUTHORITY
North Tees General Hospital**

**SENIOR HOUSE OFFICER
IN ACCIDENT AND EMERGENCY**
The North Tees General Hospital is a new hospital with over one thousand beds covering a wide range of specialties.
Facilities provided in the Accident and Emergency Department are excellent. There is an Orthopaedic Unit and Intensive Therapy Unit. Commencing mid-January, this post is recognized for F.R.C.S. and rotation to general surgery or orthopaedics may be available following the initial six months' period, preference will be given to those who have obtained their Primary F.R.C.S.

A teaching centre has been opened with a comprehensive medical library and the postgraduate facilities include a weekly Journal club, Clinical Meetings, Radiology and Pathology clubs. Resident post. Modern accommodation is available.
Written applications including the names and addresses of two referees and quoting M1/667 should be sent to the Personnel Manager, North Tees General Hospital, Hardwick, Stockton on Tees, Cleveland. (37016) 51-8

GERIATRICS

LEEDS AREA HEALTH AUTHORITY (Teaching)

CONSULTANT PHYSICIAN IN GERIATRIC MEDICINE (Western District)

(Whole-time or maximum Part-time)
The post is a new and challenging one and carries the principal responsibility for the development of geriatric services in the Western (Teaching) District. A major review of services for the elderly in Leeds is well advanced and as a result a Geriatric Assessment Unit is currently being planned in the General Infirmary at Leeds and substantial support beds will also be available at four hospitals in the Area. Other developments both in the hospital and community are also proposed. It is expected that the University of Leeds will accord the successful candidate an honorary appointment as clinical lecturer.

Applicants should have training and experience in geriatric medicine and the possession of an appropriate higher qualification is essential.
Further details and application forms may be obtained from the Area Personnel Officer, Leeds Area Health Authority (Teaching), Hepworth House, Claypit Lane, Leeds LS2 8AP.

The closing date will be the 3rd February 1975.

Potential applicants are encouraged to visit Leeds and discuss the detailed development proposals and arrangements should be made through the District Administrator, (Western District), Leeds Area Health Authority (Teaching), The General Infirmary at Leeds, Great George Street, Leeds LS1 3EX. Tel: Leeds 32688. (29095)

Next week may be too late

An illness or an accident can be costly.
Fortunately, most of us recover and the setback to family finance is only temporary.
But can the same be said of permanent incapacity?
Adequate insurance is the answer for the majority of doctors.

and
South Western

Regional Health Authority

REGISTRAR IN RADIOLOGY

Applications are invited for the post of Registrar in Radiotherapy, the successful applicant will work in the new Bristol Radiotherapy Centre and also might be required to carry out occasional sessions at Regional Health Authority Centres served from Bristol.

The Radiotherapy Centre is housed in a newly designed building which was opened in October, 1970. There are 95 beds (30 hostel). Apparatus consists of three cobalt machines, a linear accelerator, a Betatron (35 MeV) and an orthovoltage machine (250 K.V.). Superficial therapy is also available. We have general care of many patients, including extensive combination of chemotherapy and radiotherapy. There are facilities for research and study.

The appointment will be for one year in the first instance, after which it will be subject to review. The post is non-resident.

Application forms to be returned by 24th January, 1975, are obtainable from Medical personnel, Bristol Health District (Teaching), District Headquarters, 10 Marlborough Street, Bristol BS1 3NU. (29074) 86-6

SENIOR HOUSE OFFICERS (2)

Institute of Radiotherapy
Two vacancies will occur at Senior House Officer level in the above Institute for a period of six months from 1st February, 1975. Appointees will act as House Officers in one of two 50 bedded wards and will be responsible for the general medical care of patients. These posts allow a wide experience in the management and treatment of cancer, by radiotherapy and chemotherapy. In addition they provide further general experience in many aspects of general medicine and general surgery and should therefore prove attractive to those studying for higher degrees in medicine or surgery.
Further details may be had by contacting Dr. A. O. Langlands. These posts are resident.
Applications with the names of two referees should be sent as soon as possible to Dr. R. C. S. Burnett, Community Medicine Specialist, Western General Hospital, Edinburgh E534 2XU. Please quote reference No. 7/105. (29035) 86-8

(36938)

110

EALING, HAMMERSMITH AND HOUNSLOW AREA HEALTH AUTHORITY (Teaching)

SPECIALIST IN COMMUNITY MEDICINE (Health Care Planning and Information Services)

Salary scale: £5,433 x 279/8 and £282(1) — £7,947. Applications for this post are invited from suitably qualified registered medical practitioners currently working within the merging Services in England and Wales.

This post, which is based at the Area Headquarters, is a challenging one with vast opportunities to make advances in this new field. It comprises health care planning with evaluation and the setting up of information systems with links, where practical, with the systems being developed in the three constituent Boroughs.

This Authority has within its Area four Health Districts with a combined population of almost 700,000 and is responsible for the Community Health Services and the administration of four District General Hospitals, two of which are major Teaching Hospitals.

Full job description and application form, returnable by 20th January, 1975, available from Ruth Kendall, Area Personnel Officer, Ealing, Hammersmith and Hounslow Area Health Authority (Teaching), 92 Bath Road, Hounslow TW3 3EL. Tel: 01-570 7715.

Dr. R. L. Lindon, Area Medical Officer, will be happy to provide further information and discuss the post informally with anyone who contacts him on the above telephone number. (29165) 110

LEEDS AREA HEALTH AUTHORITY (Teaching)

SPECIALIST IN COMMUNITY MEDICINE (Health Care Planning)

Salary scale £5433 — £7947 per annum.

Applications are invited from suitably qualified registered medical practitioners for this post which is based at the Area Health Authority Headquarters. Responsibilities include the planning of operational health care services and the development of health care information systems. The Leeds Area Health Authority has two teaching districts and a population of approximately 750,000.

For a suitable applicant it is hoped to arrange an honorary lectureship in the University Department of Community Medicine and General Practice. This advertisement is restricted to officers who were transferred to Regional or Area Health Authorities in England and Wales under the provision of The National Health Service Reorganisation Act. The Area Medical Officer Dr. G. E. Welch will be pleased to provide further information, telephone number Leeds 448161.

Application forms (which should be returned as soon as possible) and further information can be obtained from the Area Personnel Officer, Leeds Area Health Authority (Teaching), Hepworth House, Claypit Lane, Leeds LS2 8AP. Closing date for applications 20th January, 1975. (29154) 110

PUBLIC APPOINTMENTS (Whitley Scales)

AVON AREA HEALTH AUTHORITY

DISTRICT SENIOR MEDICAL OFFICER (Child Health)

(Bristol) (Teaching), Southmead, Frenchay and Weston Health Districts)
2 posts (2 other appointments already made)

Applications are invited for the above posts, the duties of which are mainly clinical but will include some day-to-day administration. The District Senior Medical Officer will be responsible to the Area Specialist in Community Medicine (Child Health) and will also collaborate closely with the District Community Physician.

These posts will provide the leadership for the community clinical team in each Health District providing the full range of Child Health Services, including pre-school development screening assessment of handicapped children and the school health service. The District S.M.O.'s will be involved in future development to improve co-ordination and multi-disciplinary involvement for the Child Health Service, including the development of in-service training programmes. There will be close liaison with the Academic Department of Child Health, University of Bristol, (Professor N. R. Butler), and with the N.H.S. Consultant Paediatricians working within Avon, including involvement in hospital based multidisciplinary assessment centres.

Salary scale: £4,563 - £5,346. Removal expenses may be paid in appropriate cases. Application forms and further details may be obtained from Mr. R. B. Dumbleton, Central Health Clinic, Tower Hill, Bristol BS99 7BQ. Closing date: 18th January 1975. (29109) 113

BUCKINGHAMSHIRE AREA HEALTH AUTHORITY Aylesbury District

CLINICAL MEDICAL OFFICER (£3,189 to £4,176 per annum if suitably qualified and experienced)

Applications are invited from registered medical practitioners with suitable experience for duties in community health including Child Health, vaccination and immunisation, school health, occupational health, family planning and cervical cytology. Candidates would be encouraged to engage in the work in which they held a particular interest.

The post will be based in Aylesbury but will include some work in North Buckinghamshire and a car is essential.

Further information can be obtained from Dr. Joan Gray, Area Specialist in Community Medicine (Child Health), Aylesbury 5000, or write for details and application form to the Personnel Division, Buckinghamshire Area Health Authority, Old County Offices, Aylesbury. (29011) 113

CHESHIRE AREA HEALTH AUTHORITY Child and School Health Service

CLINICAL MEDICAL OFFICER Ellesmere Port

Applications are invited from registered medical practitioners for the above full-time post.

The post involves school and clinic work with children and may cover the whole age range up to school leaving.

A knowledge of developmental paediatrics and experience of work in a school health service, including handicapped children is desirable, but not essential. In-service training will be provided as required. The specialist in community medicine (child health) is responsible for the organization of work and training of medical officers in this field.

Salary will be within the scale £3,189 — £4,176 per annum, starting point being fixed according to experience and qualifications.

Car user allowances are payable in accordance with National Health Service conditions.

Application forms and further details obtainable from the Area Personnel Officer should be returned to Pepper House, Pepper Row, Chester not later than 14th January, 1975. (29162) 113

DUMFRIES AND GALLOWAY HEALTH BOARD

MEDICAL OFFICER IN DEPARTMENT

Applications are invited from registered medical practitioners interested in the above post which will involve work in the whole field of community child health, including the School Health Service, in the Upper Nithsdale area of Dumfriesshire. In addition, work at screening and family planning clinics will be available.

Salary scale: £3,189 to £4,176 p.a. Applications should be sent to the Personnel Officer, Dumfries and Galloway Health Board, Charnwood Road, Dumfries DG1 3AN before 13th January 1975. (29054) 113

GWENT AREA HEALTH AUTHORITY

LOCUM DEPARTMENTAL MEDICAL OFFICER (Salary at £3663 p.a.)

required on a whole-time or part-time basis to the Gwent Area Health Authority. The duties will be largely within the South Gwent Health District which covers Newport, Pontypool and Chepstow.

Applications naming two referees to Area Medical Officer, Gwent Area Health Authority, Mamhilad, Pontypool, Gwent, NP4 8YP. (28819) 113

GWENT AREA HEALTH AUTHORITY

LOCUM DEPARTMENTAL MEDICAL OFFICER

required for 4 sessions a week to the Gwent Area Health Authority. The duties will be largely within the school clinics in the Blaenau Gwent District.

The pay will be on the full time rate of £3,663 p.a.

Applications naming two referees to Area Medical Officer, Gwent Area Health Authority, Mamhilad, Pontypool, Gwent NP4 8YP. (29093) 113

LAMBETH/SOUTHWARK/LEWISHAM AREA HEALTH AUTHORITY (Teaching) Community Health Services Guy's District Teaching

CLINICAL MEDICAL OFFICER (non-resident)

For community health service.

Applications are invited from registered medical practitioners who have an interest in community health, and preferably experience in child health. For those interested, duties may include family planning, screening clinics for the elderly and health education. There is close liaison with Guy's Hospital and the Newcomen Clinic, and every opportunity for in-patient training. Attachment to the paediatric teaching department at Guy's Hospital will be considered.

Salary scale: £3,189 — £4,176 plus London weighting and threshold agreement. Starting point negotiable according to experience and qualifications.

For informal enquiries contact Dr. H. James, District Community Physician, Castle House, 2 Walsworth Road, London SE1 6SU. Tel: 01-703 6363, Ext. 258.

Application forms are obtainable from, and should be returned to the Clinical Superintendent, Guy's Hospital, London SE1 8RT, not later than three weeks after the appearance of this advertisement. (29046) 113

TRAFFORD AREA HEALTH AUTHORITY

CLINICAL MEDICAL OFFICER

Applications are invited from registered medical practitioners for this full time appointment in the Child Health Service (for children of all ages).

Duties include clinical work at Child Health centres and schools throughout the area, but the successful applicant will be based at Old Trafford Clinic and most of the work will be carried out in and around this area. In addition work in Wellwoman Clinics and Family Planning Clinics may ultimately be available to a Doctor with appropriate experience and training.

Knowledge of developmental Paediatrics and experience in the work of a School Health Service would be an advantage but experience in the ascertainment of handicapped pupils is not essential.

Salary scale £3189 to £4176 p.a. (under review). Car user allowance in accordance with the National Health Service scale. Application forms and further details may be obtained from the Area Medical Officer, Trafford Area Health Authority, Oakland House, Talbot Road, Old Trafford Manchester M16 0PQ. Closing date 17th January 1975. (28814) 113

OVERSEA

Attention is drawn to the importance of detailed careful consideration to the terms of any contract, especially as terms and conditions of service may differ markedly in different areas. 'Notes on Contracts Overseas' may be obtained on application to the Secretary.

Before any contract is signed it is advisable to obtain full details of remuneration and of terms and conditions of service and information about local conditions. These may often be obtained from the local B.M.A. Branch or affiliated Medical Association whose address may also be obtained on application to the Secretary.

DALHOUSIE UNIVERSITY Halifax, N.S., Canada Psychiatric Residences

REGISTRARS IN PSYCHIATRY

Physicians presently working in psychiatric facilities in the U.K. or Ireland, who have taken their undergraduate training in British Isles or Irish Medical Schools and who are planning to emigrate to Canada or the U.S.A., are invited to write for information to The Director of Residency Training, Dalhousie Medical School, Department of Psychiatry, Halifax, Nova Scotia.

Many of the teaching staff in the Psychiatry Department have themselves been trained in the British Isles and understand the special needs of those coming to North America. Halifax is a small city with many cultural activities which has retained much of what has been considered best in the "old country". (H13551) 118

NOW IT'S THE NEW YEAR

AN INDUSTRIOUS NEW YEAR AWAITS THE SUCCESSFUL APPLICANT FOR A TOP LEVEL POST WITH THIS TEACHING AUTHORITY.

Applications are invited from suitably qualified and experienced Medical Practitioners employed in England and Wales. It is vital that these posts be filled with persons of energy, enthusiasm, foresight and commitment to the principles of Health Service reorganization.

Post 1

Area Specialist in Community Medicine

Service Planning and Information — to generally assist with preparation of Area Plans for Health Care for a population of 1.1 million.

Post 2

District Community Physician

West Birmingham Health District, to join an established Team of Officers responsible for the management of health resources for a District serving 227,000 population.

If you are interested in Post 1, you are invited to contact the Area Medical Officer, Dr. W. Nicol, Tel: 021-235 4641.

For Post 2, Mr. N. White, District Administrator, will be pleased to give further information or put you in contact with other members of the team.

Salary Scale £5433 — £7947. Plus threshold.

Further information and application forms from Area Personnel Officer, Birmingham Area Health Authority (Teaching), Alpha Tower, Suffolk Street, Queensway, Birmingham B1 1TP. Tel: 021-235 4782, to be returned by Friday 17th January 1975.

Interviews will be held before the end of January, and successful candidates invited to take up duties as soon as practicable possible in relation to their existing commitments.

MANAWAROA CENTRE FOR PSYCHOLOGICAL MEDICINE Palmerston North Hospital Board New Zealand

PSYCHIATRIST Applications are invited from Registered Medical Practitioners possessing one of the recognized postgraduate qualifications in psychiatry for the above position at the Manawaroa Centre for Psychological Medicine, Palmerston North Hospital, Palmerston North, New Zealand.

The position can be Whole-time or alternatively could be a Visiting appointment on a sessional basis to be negotiated between the appointee and the Board.

This Unit is the focus for the development of a total Mental Health Service by the Palmerston North Hospital Board. At present it functions with two Psychiatrists in adult work and one Child Psychiatrist operating an outpatient childrens service. There is provision for three full-time psychiatrists and appropriate clinical teams operating a predominantly Out-patient and Day-Patient service, with approximately 20 bed occupancy for in-patients.

The clinical approach is eclectic, but with the emphasis on psychodynamic, group, interactional and family-interactional processes, with aspirations towards mobilization of total community mental health resources.

Salary will be at a rate according to qualifications and experience within the automatic Specialists Salary Scale NZ\$12,639/NZ\$16,926 per annum.

Assistance with transfer expenses is available to Whole-time and Visiting Specialists on not less than seven tenths upon completion of a bond for service.

Further details, Conditions of Appointment and application forms are available from the Medical Superintendent in Chief, Palmerston North Hospital Board, Private Bag, Palmerston North, New Zealand and with whom applications close on 14th February 1975. (H13535) 118

Senior Specialist (Anaesthesia)

REPATRIATION GENERAL HOSPITAL WESTERN AUSTRALIA

Applications are invited from men and women for the position of Senior Specialist (Anaesthesia) at the Repatriation General Hospital, Perth, Western Australia. Salary for the position is \$A23,284. (At present exchange rate £1 = \$A1.77).

The hospital has an average bed occupancy of 350, of which 150 are surgical. It is a teaching hospital for the Faculty of Medicine, and caters for all types of medical and surgical cases and covers psychiatry, radiology, pathology, chest diseases, pulmonary function and coronary care, in all of which there are both full-time and visiting specialists. Twenty-six operating sessions are held each week, and a panel of visiting anaesthetists is maintained. It is located at Hollywood approximately five miles from the City, within walking distance from the University of Western Australia, and is immediately adjacent to the University Medical Centre and Sir Charles Gairdner Hospital.

The Senior Specialist (Anaesthesia) will be responsible for the overall management of the Operating Theatre area and the organisation of the anaesthetic service. In addition to clinical work in anaesthetics the successful applicant will be expected to participate in the clinical activities of the hospital, including postgraduate training programmes, and to liaise with the University authorities and the relevant postgraduate college. The Senior Specialist will also act as consultant to the Director (Medical Services) on matters relating to anaesthesia.

Applicants must be qualified medical practitioners, registrable in a State or Territory of Australia, with an appropriate postgraduate qualification and relevant experience in the field of anaesthetics.

Subject to medical fitness, the appointee may become a permanent officer in the Australian Public Service and be eligible to contribute to a generous superannuation scheme. Liberal leave provisions apply.

Fares to Perth for the successful applicant and family, and a 'settling-in' allowance may be paid. Assistance may also be given towards the removal of personal effects.

Further information may be obtained from Dr. W. P. Harris, Director, Medical Services, telephone 210131 Perth.

Written applications should be forwarded to:

Deputy Commissioner,
Department of Repatriation
and Compensation,
11-13 William Street,
Western Australia, 6000,
to arrive by 24th January, 1975.

118

NORTH CANTERBURY HOSPITAL BOARD CHRISTCHURCH, NEW ZEALAND

WHOLE-TIME ANAESTHETISTS

Applications, closing at 9 a.m. on Wednesday, 22nd January 1975 are invited from suitably qualified registered medical practitioners for whole-time positions as Anaesthetists to the Board. Applicants should be Fellows of the Faculty of Anaesthetists of one of the Royal Colleges of Surgeons, have been qualified for not less than eight years, and have had at least five years practical experience in anaesthesia, which will qualify them as specialists under the New Zealand Hospital Service Determination applicable to Medical Officers.

The Board operates four major hospitals in the Christchurch area — Christchurch Hospital of 427 beds (to increase to 690 beds in 1976), The Princess Margaret Hospital of 320 beds, Christchurch Women's Hospital of 154 beds and Burwood Hospital of 265 beds. These teaching hospitals are closely associated with The Christchurch Clinical School and its academic departments. Opportunities exist for teaching and research under the guidance of the Associate Professor of Anaesthesia. The hospitals are approved for training of registrars by the Faculty of Anaesthetists of the Royal Australasian College of Surgeons, and successful applicants would be expected to participate in postgraduate teaching activities.

One of the posts available is a newly-created one at the Christchurch Women's Hospital, where 70 beds are devoted to obstetrics, with about 2000 deliveries per year. The Professional O. & G. Unit is based at this hospital. It is envisaged that the successful applicant for this post would spend about 90% of his time at this hospital, under the general direction of the Board's Head of the Department of Anaesthetics, organising and maintaining a continuous obstetric analgesia and anaesthesia service along with other members of the Board's Anaesthetics Department. Training of anaesthetics registrars would be an important component of this work. Of the remaining beds at this hospital, 64 are for gynaecological patients, and 20 are neo-natal beds controlled by the Department of Paediatrics.

An appointee to a general post, on the other hand, would be expected to participate in all the activities maintained by the Board's Department of Anaesthetics, which covers the needs of a modern teaching hospital group.

Applicants should state whether they are applying specifically for the post of Christchurch Women's Hospital or for a general duties post.

Salary will be within the range of \$NZ12,639 to \$NZ16,926. An upward review is pending.

The North Canterbury Hospital Board serves a population of approximately 350,000. Christchurch itself has a pleasant, temperate climate, is close to the sea and within easy reach of the mountains, where all forms of winter sports are available. It is also noted for its cultural and sporting facilities.

Conditions of Appointment and Schedule of Duties together with details of assistance which may be available towards travelling expenses, are obtainable from the Chief Executive, North Canterbury Hospital Board, Private Bag, Christchurch New Zealand, to whom applications should be forwarded by airmail. Applications should contain full details of qualifications, experience etc, together with the names and addresses of three referees from whom confidential reports may be obtained. Please quote vacancy number 10/320. (a). (28995)

118

**NORTH CANTERBURY HOSPITAL BOARD
CHRISTCHURCH, NEW ZEALAND**

ANAESTHETICS REGISTRAR

A vacancy exists for an Anaesthetics Registrar in 1975.

The North Canterbury Hospital Board has an active training programme leading to an appropriate higher qualification.

Further information is available from the **Deputy Medical Superintendent-in-Chief, North Canterbury Hospital Board, Private Bag, Christchurch, New Zealand**, to whom applications should be addressed.

NURSING HOSPITAL**

An excellent opportunity exists for a medical practitioner to take up an unopposed solo general practise in Pyramid Hill, Victoria, Australia.

Pyramid Hill is a North Central Victorian Town 50 miles from Bendigo Base Hospital (300 beds). Pyramid Hill possesses a modern 12 bed fully equipped Hospital. It has an excellent nursing staff and specialist services are available from the Base Hospital. A modern surgery and resident will be available at a nominal rental. No ingoing fee is required. Applications close with the Secretary, Mr P. A. McDougall, Pyramid Hill Hospital, Pyramid Hill, Victoria, Australia, on the 25th February, 1975.

(28993)

118

PRINCE HENRY'S HOSPITAL

St. Kilda Road, Melbourne, 3004, Australia,

invites applications from suitably qualified persons for the post of --

ASSISTANT RENAL PHYSICIAN (Full-time salaried)

The salary and associated conditions of service will be as prescribed by the Determination of the Senior Medical Officers Wages Board. Currently the salary attaching to the appointment is within the range \$298.10 to \$429.10 weekly according to qualifications and experience. Applicants must possess an appropriate post-graduate medical qualification.

Prince Henry's Hospital is a general teaching hospital of 409 beds and accommodates Monash University Departments of Medicine, Surgery and Psychological Medicine.

Further particulars are available from the Medical Superintendent, Dr. L. N. Walsh.

Applications on the prescribed form close with the undersigned on 28th February, 1975.

W.A. CROSS, Manager.

(36864-118)

THE BROKEN HILL AND DISTRICT HOSPITAL

FULL TIME SPECIALIST SURGEON

Applications are invited for the position of full-time Specialist Surgeon at the above Hospital. To commence duties early January 1975.

The Broken Hill and District Hospital is a 350 bed general Hospital including a Maternity wing, providing medical care for a population of approximately 35,000 people.

The Hospital is modern, air-conditioned, fully equipped and provides all routine investigatory facilities. A new Pathology Department is under construction.

The Surgical Unit has 80 acute beds with a variable number of paediatric beds. It is well equipped and covers a range of General, Gastrointestinal, Orthopaedic, Urology, Vascular, Gynaecology and minor E.N.T. surgery. It is staffed by two full time Surgeons, a Rotating Surgical Registrar from an Adelaide Teaching Hospital, a full time Casualty/Surgical Registrar, with Resident Medical Officers.

Other full time Specialist staff include, Physicians, Anaesthetist, Pathologist, Obstetrician, including visiting staff for other specialities.

Salary is dependant on qualifications and experience, and is in accordance with the New South Wales Health Commission staff Specialist Award. Salary range is \$16,075 p.a. for first year, increasing by increments to \$20,059 p.a. for fifth year. There is an additional \$2,000 bonus payable at the completion of each twelve months service.

One weeks conference leave and seven weeks recreation leave is provided for each year of service. Three months overseas study leave is provided after each five years of service. An attractive contributing superannuation scheme is available after twelve months service. In addition, Long Service Leave is payable in accordance with the Public Service Board of New South Wales determination.

Preference will be given to candidates with wide Surgical experience.

A fully furnished house is provided at \$15.00 per week.

The city of Broken Hill provides excellent sporting and recreational facilities and is only a five hour drive from Adelaide.

Further details of the position may be obtained from the Medical Superintendent. Applications close and should be directed to **The Medical Superintendent, Broken Hill and District Hospital, P.O. Box 457, Broken Hill, Australia.**

**C. J. LEAN
CHIEF EXECUTIVE OFFICER**

(H13543)

118

TARANAKI HOSPITAL BOARD

SPECIALIST SURGEON

TARANAKI BASE HOSPITAL—NEW ZEALAND

Applications are invited for the position of Wholetime Specialist Surgeon at the Taranaki Base Hospital in New Plymouth. Applicants should have been qualified for a minimum period of eight years, have had five years in the speciality and possess an appropriate higher qualification.

The salary will be in accordance with the Hospital Service Determination for medical officers in the scale N.Z. \$12,639/\$16,929 a year. The commencing rate will be determined by the Medical Officers Salaries Grading Committee having regard to the qualifications and experience of the appointee. Preference may be given to a general surgeon with an interest and some experience in peripheral vascular surgery, but this should not deter applications from interested persons who do not possess such experience.

The new ... Taranaki Base Hospital has some 240 beds and includes a five storey ward block containing two surgical floors. There is also a maternity unit of 51 beds. The Barrett Street Hospital, formerly the main hospital, has been adapted to cater for convalescent, geriatric and psychiatric patients.

The area has a temperate climate, attractive coastline and excellent educational facilities for the family. Sporting activities such as skiing, fishing, yachting, shooting, squash and golf etc. are easily accessible and relatively inexpensive. The cultural environment centred on New Plymouth is invigorating and stimulating.

Conditions of appointment, application forms and further particulars are available upon airmailed request from the Secretary, Taranaki Hospital Board, Private Bag, New Plymouth, New Zealand by whom applications will be received until 28 February 1975. (28985)

THE HOSPITAL GAZETTEER 1972

A guide to the Hospitals in the United Kingdom

This new edition is even more comprehensive than those previously published with a new easy read format. It is possible to tell at a glance:

The number of beds; the establishment of medical staff; nature of special departments; study leave, off duty time, etc.; opportunities for preparation for postgraduate diplomas; the kind of accommodation provided; facilities for recreation and other relevant facts.

Specialty reduced price for B.M.A. members and senior medical students £2.50 including postage. (Cover price £3.50 including postage.)

down to
provide
faster
relief of
heartburn

*Trade mark M30

Mucaine* is supplied as a suspension, in bottles of 500 ml.
Each 5 ml contains oxethazaine 10 mg, Aluminium hydroxide gel
B.P. 4.75 ml and Magnesium hydroxide 100 mg. Further information
available on request John Wyeth & Brother Ltd., Taplow, Maidenhead, Berks.

no time for bronchitis

The taxi driver — for whom every day off work means loss of earnings, hardship for his family. He has to get back on the road quickly.

There are many of your patients who are self-employed and for whom bronchitis must be cut short.

Ceporex can help you to help them.

Ceporex is the broad-spectrum antibiotic with proven ability to beat bronchitis fast.

Virtually completely absorbed, Ceporex rapidly reaches bactericidal levels in serum and pus, which are then well maintained.

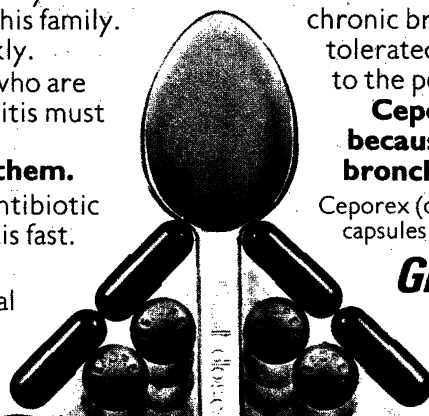

Outstandingly successful in both acute and chronic bronchitis; exceptionally well tolerated, even by patients hypersensitive to the penicillins.

Ceporex is the antibiotic for today—because today who has time for bronchitis?

Ceporex (cephalexin) is available as tablets, capsules and syrups in 250mg and 500mg strengths

Glaxo

Literature on Ceporex (trade mark) is available from Glaxo Laboratories Ltd Greenford, Middlesex UB6 0HE

Ceporex
beats bronchitis fast

DALMANE

A new and powerful treatment for insomnia

Getting to sleep

Clinical trials¹⁻³ have shown that Dalmane cuts the time taken to get to sleep by half: reducing it from an average of 36.2 to 13.9 minutes in one trial¹ and from 63.4 to 27 minutes in another.²

Staying asleep

Trials^{1,2,4} have shown that Dalmane patients enjoy a longer night's sleep with fewer nocturnal awakenings. Dalmane has increased the average night's sleep by 65 minutes⁵ and 93.3 minutes⁶ and in a third trial to an average of over 8 hours.¹

Patient preference

The low incidence of side-effects such as hangover with Dalmane is undoubtedly one reason why many patients prefer it.⁷ In one study⁸ Dalmane produced exactly the same incidence of hangover as placebo.

Safety

Dalmane, a non-barbiturate, has a high mean lethal dose in mice and rats,⁹ suggesting that overdosage would be unlikely to present undue problems of management or threat to life. Human toxicity studies¹⁰ in which healthy men were given large doses of Dalmane for some time confirmed that it is well tolerated.
