

Physicians agree on

WIDELY PRESCRIBED

and lately attention has been drawn to the nervous system as an important target for antihypertensive therapy. Methyldopa is, next to diuretics, the most widely prescribed antihypertensive drug in use in Britain at present. It usually produces as great a reduction in lying as in standing blood pressure and is free from most of the side effects of postganglionic sympathetic blockade.

Brit. J. Hosp. Med., 1974, 11, 533 (Apr)

Daily doses of 125, 250, and 500mg tablets. alpha-methyldopa is, next to diuretics, the most widely prescribed antihypertensive drug in use in Britain at present. It usually produces as great a reduction in lying as in standing blood pressure and is free from most of the side effects of postganglionic sympathetic blockade.

and patients 'Aldomet'

Methyldopa/MSD [®]

WIDELY ACCEPTED BY PATIENTS

- * Most patients taking 'Aldomet' feel well and improve symptomatically.
- * Symptomatic exercise or postural hypotension rarely occur—patients report 'dizziness' only rarely.
- * A sedating effect (beneficial for some anxious patients) usually disappears on continued treatment.

By overcoming many of the disadvantages of other types of therapy, 'Aldomet' permits effective antihypertensive treatment of most patients. In contrast to some other antihypertensive agents, 'Aldomet' is not necessarily contra-indicated in hypertensive patients with asthma, obstructive pulmonary disease, or congestive heart failure, provided caution and appropriate additional specific therapy is used.

Patients' acceptance and physicians' confidence together mean that, apart from diuretics, 'Aldomet' is the most widely used antihypertensive in Britain today.

For effective 24-hour control of hypertension

Rx Aldomet[®]
prescribe by name

'Aldomet' is available as 125 mg, 250 mg (the standard strength), and 500 mg tablets—and an injection for emergency use. Detailed information is available to physicians on request. ® denotes registered trademark.

VENTOLIN WORKS IN ASTHMA

"Salbutamol (Ventolin) produced something approaching the maximal reversal of airways obstruction that can be achieved by an adrenergic agent."

(*Brit. J. Dis. Chest* 1969, 63, 165)

Ventolin Inhaler is considered by many doctors to be the bronchodilator therapy of choice. Its action is highly selective and prolonged, thus making it suitable for continuous use. Alternatively its rapid action may be employed to relieve the acute attack of episodic asthma.

Ventolin Tablets 2mg and 4mg are for use whenever an oral bronchodilator is preferred.

Ventolin Syrup is fruit flavoured and readily accepted by asthmatic children.

Ventolin Spandets employ a unique sustained action formulation and are particularly valuable in asthmatics where nocturnal bronchospasm is a problem.

Ventolin Inhaler contains salbutamol BP. All the oral preparations of Ventolin contain salbutamol BP as sulphate.

VENTOLIN—PRIMARY THERAPY IN REVERSIBLE AIRWAYS OBSTRUCTION

The Australian Army is a great life for the doctor with a family.

A man like you perhaps.

Australia would be a wonderful place for your family. Its healthy, sunny climate and generous opportunities make it a good place for your children to grow up.

While you enjoy a fulfilling career in the Australian Army.

With us you'll benefit by having every opportunity to develop the skills you've gained to their fullest. Working with the most up-to-date equipment.

You won't have to bother with the administrative side either. That's all taken care of for you. And you'll be paid on the following scale from the moment you're commissioned in the UK. With substantial allowances . . . Service allowance £421 pa (\$750.00). Uniform maintenance allowance £98

pa (\$175). Salary from £5,162 pa (\$9,183) rising to £9,545 (\$16,980) with rank. Offers of service will be based on previous experience.

Passage for you and your family is of course free and living accommodation or an allowance in lieu is provided in all areas.

As a doctor in the Australian Army, you'll appreciate the extra time you have for family life. So will your family.

THE FINEST PRIVATE PSYCHIATRIC HOSPITAL IN BRITAIN IS IN NORTHAMPTON

St. Andrew's Hospital, which was established in 1838 as a non-profit making charitable foundation, is a progressive hospital staffed and equipped for the treatment of every type of psychiatric illness.

All patients are under the care of Consultant Psychiatrists.

In general, short stay patients are admitted to Isham House, a luxuriously appointed Nursing Home in the grounds. The accommodation consists of private bedrooms, most of which have private bathrooms. All forms of treatment are available, with emphasis on individual and group psychotherapy.

Facilities for occupational therapy and recreation are excellent, and include a 9-hole golf course, squash court, tennis courts, swimming pool and a Social Centre with restaurant, shop and hairdressing salon. All these are set in the hospital's own 100 acres of well-wooded grounds.

Long stay and psychogeriatric admissions are into the main hospital which has been modernised specifically for the purpose. Again, accommodation is mostly in private bedrooms.

St. Andrew's Hospital is only 65 miles from London and is easily accessible from all parts of the country by rail and road.

B.U.P.A., and P.P.P., subscribers are able to claim benefit in respect of their treatment fees.

St. Andrew's Hospital offers the highest standards of treatment for the whole spectrum of psychiatric illness in an ideal environment.

Further particulars, including fees, may be obtained from the Medical Director, St. Andrew's Hospital, Northampton, (Tel. 0604 21311) who can be seen in consultation by appointment at the hospital.

"I want to die"

What causes depression, can it be prevented?

Psychology Today explains.

Psychology Today analyses the events which can lead to depression and presents a breakthrough in our understanding of 'the common cold of psychology.'

Nearly everyone suffers depression at some time. Most recover; some accept it; some give up. Few commit suicide but many, at some time, feel like death. Is there a cure? Can depression be forestalled? Psychology Today explains a new theory and possible revolution in depression therapy. 'Fall into Helplessness' is one of eight articles in this searching new monthly magazine that is about human experience, society and you.

Psychology Today exists because there is a growing need for people to understand more about themselves, their families, their friends, and their friends at work. It exists because people want to know the whys of the human condition, even if the answers are sometimes hard to accept.

This new monthly magazine is about our individual and social attitudes, and our personal growth.

With detailed full colour illustrations, Psychology Today is written by many of the world's most prominent psychologists. It presents the most advanced psychological research findings in layman's language. And it relates those findings to each one of us in our human experience, whether we are young or old.

Other articles in this month's issue:

STATE OF THE APES:

Research with chimps proves man is no longer unique because chimps can now talk—in sign language.

DREAMS:

If you can train yourself to recall and record your dreams, you can gain insight into your deep-seated—and everyday—problems.

LAUGH AND THE WORLD LAUGHS WITH YOU:

Laughter is part of a whole battery of non-verbal signs and signals we use to relate to friends, lovers, colleagues, even enemies.

AGE AND ABILITY:

The old are usually dismissed as forgetful, unreliable and ineffectual. A new study shows precisely the opposite.

THE BRAIN V THE BULLET:

Whether he is tracking down terrorists by hypnosis, negotiating with trapped hijackers or choosing men to de-fuse bombs, the psychologist is, one way and another, moving in to the security business in a big way.

TREBLY SENSUOUS WOMEN:

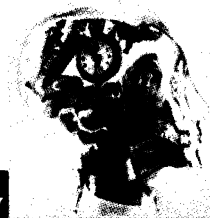

Characteristics of sexual arousal are also present for women in childbirth and breastfeeding. How society tries to deny this.

PSYCHOLOGY TODAY— A DISCUSSION:

Three leading psychologists discuss the science of man and the new fields lying before it.

At your newsagents now. 45p monthly.

Some people take barbiturates because they can't face another day

Every year many thousands of people attempt to kill themselves with barbiturates. Some die. Most survive. But usually only after intensive treatment, in hospital.

Virtually all of these patients could be transferred to Mogadon, which is 'much safer,'¹ but just as effective in inducing sleep.² Moreover, it causes few of the barbiturates' many other problems.³⁻⁵

Patients may still try to kill themselves. But with Mogadon few, if any, would succeed and most would recover in less than 12 hours without treatment.¹

Mogadon: far safer, far better

This is what we call practising medicine.

A career in Naval medicine can be a rewarding experience. Opportunities to specialise abound. And perhaps above all else, there is an immense satisfaction to be gained from the wide variety of work you will be involved in.

At sea, for instance, you could be anywhere from the Mediterranean to the Pacific Ocean. Looking after the health and well being of the company of a modern warship.

And though you could spend as long as the first eighteen months of your five year Short Service Commission on board different ships, you need have no fear of losing contact with mainstream medicine. For no matter where you are, you will be kept informed of current medical opinion.

After this, the choice is yours. Post graduate medical training and a career in the clinical disciplines at one of our naval district general hospitals. Haslar or Plymouth, for instance, with their wide spectrum of clinical material drawn from naval personnel, their dependants and the local civilian population as well. There are also naval hospitals in Malta, Gibraltar and Mauritius, with opportunities for exchange appointments elsewhere.

Or you might prefer occupational medicine in our research orientated naval dockyards. Aviation medicine with its accent on rotary wing support of the Fleet. And for those with an administrative turn of mind, community medicine.

Royal Naval expertise in maritime medicine is recognised world wide and research into underwater medicine, nuclear medicine and the closed submarine environment is centred

at the Institute of Naval Medicine at Alverstoke.

Naval general practice in well staffed and equipped medical centres extend as far afield as Hong Kong and Singapore. And new training schemes are now under way in the United Kingdom.

Should you be moved or sent abroad at any time, all expenses will be paid by us. We will help you with accommodation (at very reasonable rents) and provide allowances for the education of your children, if you have a family.

If you enter the Royal Navy immediately after registration you will be given the rank of Surgeon Lieutenant and a salary of £4,776, rising to £4,929 after four years.

On the other hand, if you are older (up to the age of forty) and more experienced, we can offer you a number of opportunities in general practice and the specialities. And, depending on your post-registration experience, you could enter as a Surgeon Lieutenant Commander at a salary of £5,780, rising to £6,375 after five years.

Then, at the end of your five year Short Service Commission you could leave with a tax free gratuity of £3,000.

But if it is mutually agreeable, you could apply for a Full Career Commission or a 16 year pensionable commission. The choice is yours.

In the meantime if you would like further information, write giving details of your age and qualifications to Surgeon Commander L.C. Banks, R.N., (724 BU 20) Department of the Medical Director General (Naval), Empress State Building, Fulham, London SW6.

"Pruritus ani and vulvae is a symptom that can be so annoying, embarrassing, and distressing that it can be a source of suffering."

VIVALAN

**IN THE
TREATMENT
OF
DEPRESSION**

The unique antidepressant from ICI.

Non-sedative.

'Vivalan' has little or no sedative effect¹.
This means that patients remain alert and active
and can continue with their normal daily activities.

Rapid acting.

Controlled studies² have demonstrated
that patients can show a marked improvement in
as little as 3 days from the start of 'Vivalan' therapy.

Widely effective.

'Vivalan' is effective in all types of depression
including mixed anxiety-depressive states³.

Clinical trials have shown that as many as
70% of patients respond favourably to 'Vivalan'
therapy.^{2,4}

'Vivalan' is chemically unrelated to
any antidepressant currently available, and is a
product of original ICI research.

'Vivalan' is a trade mark for viloxazine.

1. *Current Therapeutic Research*, (1974), **16**, 821.
2. International Symposium on 'Vivalan', London, 12/13 November, 1974.
3. *Journal of International Medical Research*, (1974), **2**, 260.
4. *Current Medical Research and Opinion*, (1974), **2**, 455.

Further information is available on request.

Prescribing Information

Presentation

'Vivalan' tablets, each containing viloxazine hydrochloride equivalent to 50 mg of viloxazine, are round, biconvex, yellow, film-coated and imprinted with the name 'Vivalan'.

Use

Antidepressant.

Depression

'Vivalan' is effective in all types and severities of depression, including those cases with a marked anxiety component, and may be used concurrently with ECT. It is able to control all the symptoms of depression. As 'Vivalan' has no sedative properties, patients remain alert during the daytime. 'Vivalan' has no hypnotic effect.

Depression in Epileptics

'Vivalan', unlike the tricyclic antidepressants, has anti-convulsant properties, and is, therefore, of value in the treatment of depression in epileptic patients.

Depression in the Elderly

Because of its lack of sedative and anticholinergic effects, 'Vivalan' is well tolerated in the elderly.

Dosage and Administration

Adults

Most patients respond to between 150–300 mg/day. Therapy may be started with either one tablet three times a day, or two tablets twice a day with meals. The onset of anti-depressive effect is usually seen in the first 5–10 days of treatment, and, if no effect has been seen in a fortnight, the dose should be increased. The maximum daily dose should not exceed eight tablets.

Children

Due to absence of clinical experience in children under the age of 14 years, 'Vivalan' is not recommended in such patients.

Contraindications, Warnings, etc.

There are no specific contraindications to the use of 'Vivalan'. Epileptic patients established on phenytoin may become liable to develop phenytoin toxicity if 'Vivalan' is added, and caution is, therefore, advised in their co-administration. Patients being treated with antihypertensive agents such as debrisoquine,

guanethidine and bethanidine may require restabilising when 'Vivalan' is introduced into the therapeutic regimen. No marked interaction with alcohol occurs.

Pregnancy

No adverse effects have been seen in teratogenic studies in animals. There is no clinical experience of using 'Vivalan' in pregnancy. On basic principles, its use in the first trimester is to be avoided.

Side Effects

'Vivalan' is generally well tolerated and side effects are mild and transient. An upper gastrointestinal disturbance with, e.g. nausea, loss of appetite, may be seen, but this usually disappears in a few days. As 'Vivalan' is not a tricyclic antidepressant, it does not produce the anticholinergic, sedative and hypnotic side effects of those drugs, neither does it produce excessive weight gain. 'Vivalan' is not a monoamine oxidase inhibitor and dietary restrictions are not required.

Overdosage

Overdosage should be treated on general principles; there is no specific antidote. An unsuccessful suicidal attempt with 5g viloxazine together with a quantity of oxazepam and trimeprazine produced 24 hour coma. Cardiovascular system and respiration were unaffected. Treatment—lavage.

Pharmaceutical Precautions

Nil

Listen to the difference between Amoxil and other antibiotics.

The difference which has given significantly longer periods of relief from acute exacerbations of chronic bronchitis than tetracyclines, ampicillin and cephalosporin.¹ The difference that makes Amoxil more effective than ampicillin in the treatment of chest infections.^{1,2,3,4}

The difference which takes over where the tetracyclines have done all you can

expect of them in bronchitis—

so that significantly greater relief of all clinical symptoms can be demonstrated.⁵

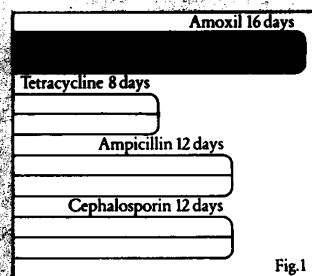

The difference that allows Amoxil to penetrate bronchial membrane barriers regardless of the degree of inflammation.⁴

The difference in absorption that means Amoxil can be taken t.d.s. with or without food—which means it is simpler for patients to take properly. To these differences must be added Amoxil's safety and the fact that it is one of the least expensive therapies for respiratory infections. No wonder doctors everywhere are recognising that Amoxil makes all the difference.

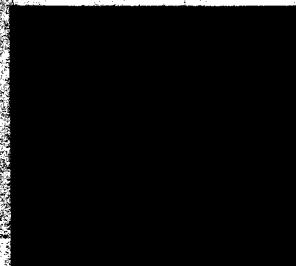

er antibiotics

¶ In the cases of our severely sick in-patients, which of course cannot be compared with milder cases of out-patient practice, we found with amoxycillin [Amoxil] a clearly longer relapse rate than with other preparations.¹⁹ (These included various tetracyclines, ampicillin, chloramphenicol and cephalosporin).

¶ Amoxycillin [Amoxil] was more effective than oxytetracycline when all the patients treated were considered together. Its superiority, however, was most marked in the case of the less severely affected patients, in whom the differences were highly significant.⁵⁹

¶ The demonstration that amoxycillin [Amoxil] penetrates into bronchial secretions as efficiently when the mucosa is uninflamed as when it is inflamed, suggests that clearance of bacteria from the lower respiratory tract should be more easily accomplished with this drug than ampicillin. Further, there is the implication that organisms may be more readily cleared from the upper respiratory tract, which frequently acts as a reservoir of potential pathogens from which relapse of lower respiratory infection may stem.⁴⁹

Amoxil

Makes all the difference in respiratory infections.

Don't let the grass grow under your feet

This year, don't let hayfever start for your patients. Prescribe Pollinex now and give them a carefree summer.

Pollinex is the latest breakthrough in hayfever prevention.

In Pollinex, twelve chemically modified grass pollens are adsorbed on a tyrosine base to allow slow and complete release of active material, ensuring unimpaired effectiveness and minimum risk of side effects.

A course of Pollinex consists of three injections which may be given at weekly intervals.

The pre-seasonal treatment can therefore be completed in only fifteen days, to give your hayfever patient protection right through the summer.

In a recent clinical trial¹ a single three-dose course of Pollinex produced substantial improvement in some 77% of patients.

Don't let the grass grow into hayfever problems.

Prescribe one course Pollinex and give your patients a summer they can enjoy.

SMOOTH CONTROL OF ALL GRADES OF
BENIGN HYPERTENSION WITH FEW
DISTRESSING HAEMODYNAMIC EFFECTS

SMOOTH ONSET OF ACTION ... SMOOTH CONTROL ... NO DEVELOPMENT OF TOLERANCE

BRITISH MEDICAL JOURNAL, 22 MARCH 1975

Hypovase provides a notably smooth, sustained response in hypertension. Elevated pressures are reduced in both lying and standing positions with no sudden falls in pressure. This smooth, gradual onset of action, combined with the lack of most common antihypertensive side effects, makes Hypovase particularly well suited to long-term treatment, especially as tolerance to its efficacy has not been reported.

SMOOTH CONTROL MAINTAINED WITH NO DEVELOPMENT OF TOLERANCE

Effective in all grades of benign hypertension

To date, Hypovase has been evaluated clinically in over 1,000 patients with hypertension of all degrees of severity. Improvement of at least one grade of severity has been seen in the majority of patients treated and, in intractable cases, the addition of a thiazide usually brought about further improvement.

Low incidence of orthostatic and other distressing haemodynamic effects

The postural hypotension seen with many other agents is seldom seen with Hypovase. Cardiac output, rather than being depressed, is often actually increased, and there are no adverse cardiac or renal changes.

Effective control through a unique mode of action

Hypovase, unlike any previous antihypertensive agent, produces a direct, *specific* relaxation of arteriolar smooth muscle to reduce increased peripheral resistance—the major haemodynamic abnormality in essential hypertension. This action, in effect, produces a normalization of the vasculature and accounts for both long-term efficacy and the significantly low incidence of adverse effects.

"In a group of 14 hypertensive patients a 10-week course of treatment with prazosin [Hypovase], 3 to 7.5 mg./day, produced a significant reduction in mean blood pressure without serious side effects."

Brit. med. J., 1974, 2, 298-300

"Of 24 patients ... only three showed little or no response and in many the blood pressure control has been very satisfactory. There was little postural effect and tolerance was not seen."

Brit. med. J., 1974, 1, 637

INSTITUTE OF BASIC MEDICAL SCIENCES
Royal College of Surgeons of England
British Postgraduate Medical Federation
(University of London)

DAY RELEASE COURSE
IN THE BASIC MEDICAL SCIENCES
8th October, 1975 to 19th May, 1976
A Day Release course in the basic medical sciences, extending over a period of 32 weeks, will be held at this Institute from 8th October, 1975 to 19th May, 1976 on Wednesdays from 9.30 a.m. to approximately 4.30 p.m. (excluding 24th December, 1974).

The course will consist of lectures and demonstrations in anatomy, pathology and physiology with biochemistry and pharmacology. It is designed for all postgraduate students proceeding to higher diplomas in surgery. Numbers for the course are limited.

The fee is £100.
Enquiries and applications should be made as soon as possible to Mr W. F. Davis, Secretary, Institute of Basic Medical Sciences, Royal College of Surgeons of England, London WC2A 3PN. Tel: 01-405 3474. Ext. 43.

The matters covered by this publication are subject to change from time to time. Students should enquire as to the up-to-date position when they require to know this.

* Subject to possible revision. (21645)

NORFOLK & NORWICH
INSTITUTE FOR MEDICAL EDUCATION
with University of East Anglia

DAY-RELEASE COURSE

IN THE
BASIC MEDICAL SCIENCES 1975
N.A.N.I.M.E. in conjunction with the Department of Biological Sciences at the University of East Anglia, is holding a day-release course in Basic Medical Sciences. The Course is in progress and is held on successive Tuesdays during three 10 week terms. The Summer Term starts on 22nd April.

It consists of lectures and demonstrations in anatomy, histology, pathology, physiology, biochemistry and pharmacology. It is designed for all postgraduate students studying for higher qualifications, but is especially orientated towards the Primary F.R.C.S.

The fee for the whole course is £80, but students may enroll for one term at £25 or for one day at a time for £3. Thus it is hoped that junior doctors, with limited periods of appointment, will still be able to enroll or that students of all specialties can attend on a daily basis for instruction in topics in which they desire further education.

Enquiries and applications for the Course should be made, as soon as possible, to The Secretary, N.A.N.I.M.E., Norfolk & Norwich Hospital, Norwich NR1 3SR. Tel: Norwich 28377, Ext. 577. (39567)

NORTHERN IRELAND HEALTH AND SOCIAL SERVICES

General Medical Practitioner

CRAIGAVON NEW CITY

SOUTHERN HEALTH & SOCIAL SERVICES BOARD

The Central Services Agency on behalf of the Southern Health & Social Services Board invited applications for a new vacancy in general practice in Craigavon, Co. Armagh.

A modern health centre is in operation with accommodation designed to provide for the provision of general practitioner and associated health services for an eventual population of 20,000.

There are already two other single handed practices in operation at the health centre.

An initial practice allowance similar to Type D will be payable to the successful candidate. The allowance is designed to enable established practitioners to change to new town practice without financial difficulty.

Applicants should have adequate experience of general practice in the British Isles.

Further particulars may be obtained from **The Chief Administrative Officer, Central Services Agency, 27 Adelaide Street, Belfast BT2 8FH**

to whom application should be made by letter giving the names and addresses to two referees. The latest date for the receipt of applications is **Monday, 7th April, 1975.**

NORTHERN IRELAND HEALTH AND SOCIAL SERVICES

General Medical Practitioners

NORTHERN HEALTH AND SOCIAL SERVICES BOARD

The Central Services Agency on behalf of the Northern Health and Social Services Board invite applications for two vacancies in general practice in Carrickfergus, Co. Antrim. The vacancies will arise on the resignation of the two partners in a dual partnership. The combined lists total approximately 6,300 patients and the practice would be suitable for two doctors who wished to practice in partnership. Alternatively it could be split into two single handed practices each with a list of approximately 3,150 patients. Surgery premises may be available to rent. A Health Centre to be built in Carrickfergus is at the planning stage. Applicants should have adequate experience of general practice in the British Isles.

Further particulars may be obtained from: **The Chief Administrative Officer, Central Services Agency, 27 Adelaide Street, Belfast BT2 8FH**

to whom applications should be made by letter giving the names and addresses of two referees.

The latest date for the receipt of applications is **Monday 7th April, 1975.**

GENERAL PRACTICE TRAINING POSTS

BARNET AREA HEALTH AUTHORITY

Barnet/ Finchley
Health District

VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE

BARNET GENERAL HOSPITAL

Applications are invited from Registered Medical Practitioners for up to four posts in this scheme beginning 1st June. After an initial month in a selected general practice two years will be spent on a rotation of hospital posts at S.H.O. level. There will then be a further eleven months in general practice.

The hospital S.H.O. posts are: Accident and Emergency, Obstetrics, Geriatrics, Psychiatry.

There will also be opportunity to attend other hospital specialist departments, such as Dermatology, E.N.T. etc.

During the whole three years there will be regular meetings of the Trainee/Trainer group. The posts are recognized for the D.Obst.R.C.O.G. and the M.R.C.G.P. examinations. Married accommodation will probably be available.

Further details and application form obtainable from Sector Administrator, Barnet General Hospital, Barnet, Herts, to whom applications should be returned by 9th April. (21613)-21

DEVON
AREA HEALTH AUTHORITY
North Devon Health District

VOCATIONAL TRAINING SCHEME

FOR GENERAL PRACTICE

Applications are invited for one post comprising two years as a Senior House Officer at North Devon Infirmary, Barnstaple and one year as a Trainee in local General Practice.

The Hospital time will commence on 1st August, 1975 and be divided into twelve months Medicine (Rotating round three firms) six months Paediatrics and six months Obstetrics and Gynaecology. If time permits the successful candidate will be encouraged to undertake part of the General Practice training in advance of the Hospital attachment. During the Medical and Paediatric posts trainees can attend teaching in Psychiatry and other special subjects as required. The post will be regarded as non-resident but some assistance with accommodation may be possible.

Further details and application forms are available from the Hospital Secretary, North Devon Infirmary, Barnstaple, N. Devon. Closing date 18th April, 1975. (21828) 21

DEVON
AREA HEALTH AUTHORITY
Torbay Health District
Torbay Hospital

VOCATIONAL TRAINING FOR GENERAL PRACTITIONER

Applications are invited from recently qualified medical graduates for a three year course of training, starting (1) 1st June, 1975, and (2) 1st December, 1975.

LANARKSHIRE HEALTH BOARD

VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE

Applications are invited from post-registration doctors for training with appropriate periods being spent in each of the following specialties to a total of three years:

Six month appointments will be held in Obstetrics and Gynaecology, Accident and Emergency, Medicine, Psychiatry and one year in General Practice Attachment.

During the various appointments training in E.N.T., Ophthalmology, Paediatrics and Dermatology will be on a day release basis.

Hospital appointments would be held at Senior House Officer level but might be upgraded to Registrar level and appointees may be required to be resident during some periods of the training scheme.

Single accommodation will be provided when required, and married accommodation may be available.

Application forms and further information can be obtained from Dr. John M. Paterson, Community Medicine Specialist, Law Hospital, Carlisle, ML8 5ER, and returned within 21 days of the appearance of this advertisement. (21788) 21

SANDWELL AREA HEALTH AUTHORITY

VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE

This scheme is now established and a further vacancy will be available commencing on or about 7th July, 1975.

The programme consists of two years established rotating appointments in General Medicine, Obstetrics and Gynaecology, Psychiatry, and Paediatrics, and a total of one year in General Practice. (Alternative specialties may be included to meet the needs of individual applicants).

Study leave, on day release will be available in E.N.T., Dermatology, Ophthalmology, and Trauma and Orthopaedics during the course.

Meetings and visits and monthly seminars will be organised throughout the three-year period.

Hospital married accommodation will be available during the hospital and G.P. Appointments if required.

The respective hospital appointments are recognized for the D.C.H. and D.Obst.R.C.O.G. examinations and the course has the approval of the Board of Graduate Studies of Birmingham University.

Applications should be sent to the Area Personnel Officer, Sandwell Area Health Authority, P.O. Box 50, Shaftesbury House, High Street, West Bromwich B70 9LE. (21624) 21

THANET (EAST KENT) VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE

A Vocational Training Scheme for General Practice is in operation in the hospitals of the above-mentioned area, consisting of four periods of six months in hospital posts in Senior House Officer grade, followed by one year in General Practice. Vocational Training Grant payable on completion of the course.

The hospital posts are as follows:—

1. Paediatrics, E.N.T. and Emergency Surgery; 2. Obstetrics; 3. General Medicine (including Skins, Ophthalmology and Physical Medicine); 4. Elective. (Options include Geriatrics and Anaesthetics).

The posts are at the Thanet District Hospital (313 beds including Maternity).

Training is recognized for the D.(Obst.)R.C.O.G., the M.R.C.G.P. and the D.C.H. An extended day release course over two years is held at the Kent Postgraduate Medical Centre, Canterbury, and trainees are able to attend this course: regular programmes of lectures and demonstrations are arranged in the Thanet Group.

Suitable single or married accommodation available for the duration of the hospital appointment.

The next vacant post will commence on 1st June, 1975.

Further information available from Hospital Secretary, District Hospital, Margate, Kent. (39519) 21

BIRMINGHAM REGIONAL HEALTH AUTHORITY

East Birmingham Health District

Vocational Training Scheme for General Practice

Applications are invited for two posts in the above scheme commencing on 7th July 1975 (full registration by this date is essential).

The scheme which is recognised for the M.R.C.G.P. consists of two years at Senior House Officer level, followed by one year in a local training practice.

There are four hospital appointments, each of six months duration, in the following departments: East Birmingham Hospital — Paediatrics (recognised for D.C.H.), Communicable Diseases (with in-patient and out-patient sessions in Dermatology), Geriatrics (with two sessions per week in Psychiatry); Solihull Hospital — Obstetrics (recognised for D.R.C.O.G.). The departments of Communicable and Tropical Diseases and Paediatrics are closely linked with the University of Birmingham.

Excellent postgraduate facilities (including a hospital library) are available and the scheme is run in conjunction with the Regional Adviser in General Practice and College Tutor, who organizes further postgraduate meetings.

Full details of the scheme and of the hospitals concerned, together with application forms, may be obtained from: Professor H.V. Morgan, Postgraduate Tutor, East Birmingham Hospital, Bordesley Green East, Birmingham B9 5ST.

Closing date for applications: 7th April 1975

(21706)—21

ROYAL COLLEGE OF PHYSICIANS AND SURGEONS OF GLASGOW

FELLOWSHIP qua SURGEON IN OPHTHALMOLOGY

The Royal College of Physicians and Surgeons of Glasgow will introduce a new examination for the fellowship qua surgeon in ophthalmology in June 1975. The details are as under:

1. Candidates must pass the primary F.R.C.S. examination and a final examination.
2. Before admission to the final examination a candidate shall produce evidence satisfactory to the Council of the College:

(1) of personal character and professional status;

(2) of (a) having held a qualification fully registrable in the British Medical Register for three or more years or (b) being a graduate in medicine or surgery for a period of not less than four years of a university or medical college which is recognized by the council for the purpose;

(3) of having had at least four years of professional experience, one of which, except by special permission of the council to the contrary, shall have been spent in recognized posts in the British Isles. Up to four months of this year may be spent in attendance at approved postgraduate courses in the British Isles;

3. The final examination for the 'fellowship qua surgeon in ophthalmology' shall comprise three parts: Part I Optics, anatomy, physiology and pathology with special reference to ophthalmology.
The examination shall consist of a written and oral examination.

Part II Ophthalmic Medicine and Surgery: The examination shall consist of a written, clinical and oral examination.

Part III General Medicine and Neurology in relation to Ophthalmology: The examination shall consist of a written, clinical and oral examination.

4. Further Information may be obtained from the Registrar, The Royal College of Physicians and Surgeons, 242 St. Vincent Street, Glasgow, G2 5RJ. (H14466) 25

LIVERPOOL SCHOOL OF TROPICAL MEDICINE Department of Parasitology

A LECTURER/SENIOR LECTURER (Technical Assistance)

is required in this Department. Applications are invited from candidates holding a medical qualification registrable in the U.K. or a good science degree and doctorate in relevant subjects. Practical experience in the parasitology of tropical diseases is essential and preference will be given to candidates who already have experience in teaching and/or research on parasitic diseases in the developing countries.

The successful applicant will be required to spend periods of service overseas at teaching and/or research centres but will be based in this Department.

Salary will be within the University scale for Lecturer/Senior Lecturer and the starting point will be commensurate with qualifications and experience. The appointee will be entitled to participate in the University Pension Scheme. Further information may be obtained from the undersigned.

Applications together with the names of three referees should be sent to the Dean, Liverpool School of Tropical Medicine, Pembroke Place, Liverpool L3 5QA, to arrive not later than 21st April, 1975. Overseas candidates should apply by airmail. (H14414) 25

MEMORIAL UNIVERSITY OF NEWFOUNDLAND

ANAESTHESIA CLINICAL INSTRUCTOR

Applications are invited for the appointment of a Clinical Instructor in Anaesthesia. Candidates must be full registered with the General Medical Council of Great Britain or Ireland, have at least four years experience in the specialty and hold the F.F.A.R.C.S. of England or equivalent. The successful applicant will have a joint appointment with the Faculty of Medicine and on the staff of the University Associated Hospitals. He/she will be expected to perform clinical services, participate in the Residency Training Programme and take part in other activities of the Department. Special experience is available in Paediatrics, Cardiac-Surgery, Neuro-Surgery, Intensive Care, etc., if required for "Higher Anaesthetic Training." The post is tenable for one year, renewable, at a salary of \$27,500 per annum. Write for further info to Dr. Cloyd D. Green, Faculty of Medicine. (H14346) 25

NATIONAL UNIVERSITY OF MALAYSIA Kuala Lumpur New School of Medicine

APPOINTMENT OF PROFESSORS/SENIOR LECTURERS

Malaysia's second medical Faculty has been set up in the National University, in line with the intention of the Government's policy to set up a comprehensive network of centres for health and medical care to the bulk of the population. The Faculty accepted its first students in 1973.

It is now ready to make Faculty appointments at a level appropriate to a candidate's qualifications and experience, in Pharmacology, Surgery, Pathology, Obstetrics and Gynaecology, Microbiology, Psychiatry, Biochemistry, Paediatrics, Medicine.

Membership of the appropriate University superannuation scheme will be required.

Further particulars may be obtained from the Registrar, The University, Newcastle upon Tyne, NE1 7RU, with whom application (three copies), together with the names and addresses of three persons to whom reference may be made, should be lodged not later than 12th April, 1975. Please quote reference 7777/21812) 25

UNIVERSITY OF OTAGO

Faculty of Medicine
Wellington Clinical School
Wellington, New Zealand

LECTURER OR SENIOR LECTURER
IN MEDICINE

(Renal Medicine)
The University of Otago has established at Wellington a Clinical School of the Faculty of Medicine. Applications are invited for the position of Lecturer or Senior Lecturer in Medicine (Renal Medicine).

The successful applicant would be expected to undertake hospital clinical duties in association with the Renal Unit, Wellington Hospital. Laboratory facilities are available for research.

A new department is being built, its establishment planned to begin in 1977.

Salary: Lecturer NZ\$10,820 - \$14,967 with a bar at \$12,401; Senior Lecturer: NZ\$15,394 - \$17,703. An allowance for clinical responsibility may be paid in the light of status and duties performed.

Further particulars are available from the Association of Commonwealth Universities (Apts), 36 Gordon Square, London WC1H 0PF, from the Dean or the Professor of Medicine, Wellington Clinical School, Wellington Hospital, Wellington 2, New Zealand, or from the Registrar, University of Otago, Box 56, Dunedin, New Zealand.

Applications close in London and New Zealand on 10th April, 1975. (21687) 25

UNIVERSITY OF OTAGO

Wellington Clinical School
Wellington, New Zealand

SENIOR TECHNICIAN
(Histopathology)

Applications are invited by the University of Otago for a new post of Senior Technician in the Department of Pathology at the Wellington Clinical School. An appointment will be made at a senior level and applicants should have appropriate qualifications in histopathology.

Duties will involve responsibility for the preparation of histological teaching materials, supervision of technical and laboratory staff, ordering of equipment and materials, and general supervision of the teaching laboratories and related equipment and teaching materials.

Starting salary will be the scale NZ\$6,915 - \$8,195 per annum, depending on qualifications and experience but a particularly well qualified applicant may be appointed up to NZ\$10,177 per annum.

Further particulars are available from the Association of Commonwealth Universities (Apts), 36 Gordon Square, London WC1H 0PF, or from the Registrar, University of Otago, P.O. Box 56, Dunedin, New Zealand.

Written applications, in duplicate, stating age, qualifications, experience, and the names of two referees, close in London and New Zealand on 30th April, 1975. (21688) 25

UNIVERSITY OF SOUTHAMPTON
Faculty of Medicine

Applications are invited from registered medical practitioners for the post of

SENIOR LECTURER IN CHILD HEALTH

The person appointed will be required to undertake clinical, teaching and research duties in the field of child health and paediatrics. It is intended that a suitable candidate should be offered honorary Consultant status by the Hampshire Area Health Authority (Teaching).

Salary £5,433 - £7,947 (9 increments). Superannuation. Initial salary will depend on qualifications and experience.

Further particulars may be obtained from the Administrative Secretary, The University, Southampton SO9 5NH (Ext. 2804) to whom applications (7 copies from applicants resident in the UK and 1 from others) should be sent not later than 7th April, 1975 quoting Ref. JMB/31/75/A. (21525) 25

UNIVERSITY OF
WESTERN AUSTRALIA
PerthCHAIR IN
CLINICAL MICROBIOLOGY

Applications are invited from medical graduates registrable in Western Australia and with appropriate high qualifications for appointment to a new Chair in Clinical Microbiology in the University Department of Microbiology, of which the current Head is Professor N. F. Stanley. The appointee will be located at the Royal Perth Hospital (a major teaching hospital of the University with some 1022 beds) and will be Head of the Hospital's Department of Clinical Microbiology. He will be required to engage in the teaching of medical students and in research as well as to provide a diagnostic and consultative service for the Hospital. He will also be expected to advise on hospital standards of hygiene and quality control and design and planning matters. Opportunities for research and postgraduate studies exist.

The salary for Professor is \$A22,750 p.a. plus a loading of \$A4000 p.a. for clinical responsibilities. Benefits for include superannuation similar to F.S.S.U., fares to Perth for appointee and dependent family, removal allowance, study leave and long service leave and housing loan scheme. Further information including conditions of appointment may be obtained from the Staffing Officer, in the University or from the Association of Commonwealth Universities (Apts), 36 Gordon Square, London WC1H 0PF.

Applications in duplicate stating full personal particulars, qualifications, experience and the names and addresses of three referees should reach the Staffing Officer, University of Western Australia, Nedlands, Western Australia, 6009, by 26th April, 1975. (21689) 25

UNIVERSITY OF SYDNEY

 House, Edmund Street, Liverpool L3 9NG.
 (H14431) 51-8

APPOINTMENTS

Applicants for medical appointments are advised to check whether the post advertised is included in the Important Notice and to scrutinize carefully the remuneration and terms of service offered. Any member who is in doubt about these terms in relation to B.M.A. agreements should consult the Secretary of the Association.

Advertisers are reminded that the Race Relations Board insists that no descriptive term implying racial, national, or ethnic characteristics may be used in any advertisement. Further, readers are advised not to apply for any appointment which discriminates between applicants on grounds of creed or sex.

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974, No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

No advertisement may stipulate that a non-resident must live less than 10 miles from a hospital. Advertisements for post-registration house officers, senior house officers and registrars should state clearly whether the post is resident, i.e. compulsorily resident.

In all advertisements grade should be clearly indicated. A consultant vacancy must be advertised as (a) part-time with the number of sessions clearly stated, or (b) whole-time with the option of maximum part-time.

In the view of the BMA, an advertiser should not insist on possession of English higher qualifications in preference to Scottish or Irish qualifications (or vice versa).

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £2,202 per annum for the posts held during the first year; £2,370 per annum for posts held during the second year; £2,538 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,823 per annum x £189(1) x £186(1) — £3,198.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £3,198 per annum x £171(3) x £168(1) — £3,879.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,711 per annum x £168(1) x £216(4) — £4,743.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £3,504 per annum x £183(2) x £180(2) x £168(10) — £5,910.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £5,433 per annum x £279(8) x £282(1) — £7,947.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate.

COMMUNITY MEDICINE

National Scale. Specialist in Community Medicine/District Community Physician/District Medical Officers: £5,433 x £279(8) x £282(1) — £7,947 p.a.

National scales for Regional and Area Medical Officers/Chief Administrative Medical Officers vary according to authority. Information available from the Secretary of the BMA.

PUBLIC APPOINTMENTS ON WHITLEY SCALES

New appointments on these scales are intended solely in respect of clinical posts.

The national scales are —
Clinical Medical Officer: £3,624-£5,040 p.a.
Senior Clinical Medical Officer: £5,187-£6,660 p.a.

WOMEN DOCTORS

Women doctors in the United Kingdom intending to take on N.H.S. work when circumstances allow may be eligible for the Women Doctors' Retainer Scheme. Details are available from the Medical Women's Federation, Tavistock House North, Tavistock Square, London WC1 9HX.

**HAMPSHIRE
AREA HEALTH AUTHORITY
(Teaching)**

Applications are invited for a
**ROTATING SENIOR REGISTRAR
IN ANAESTHETICS**
for the Southampton and South West
Hampshire and the East Dorset Health
District. Over a four year period the
appointment will be divided equally between
the two Districts, commencing at
Southampton.
F.F.A.R.C.S. is essential.
At Southampton the post offers experience
in a new medical school and includes work in
the Neuro-surgical, Cardiothoracic and
Paediatric Regional Services.
In the East Dorset Health District there are
two General Hospitals. There are specialist
neurological and peripheral vascular surgical
units. The post offers experience in intensive
care, pain clinic and out-patient dental
anaesthesia. In addition experience will be
gained in the organisation and administration
of a busy Anaesthetic Department. A new
central Accident department and separate
Orthopaedic department are due to open
shortly.
Teaching of junior staff and of medical
students will be carried out in both Districts
and there are good library and postgraduate
facilities. Research interest will be
encouraged and overseas secondments may
be arranged.
Application forms and further particulars
from the Area Medical Officer, Hampshire
Area Health Authority, King's Walk, Silver
Hill, Winchester. Closing date 17th April, 1975.

to be returned by 31st March, 1975. (39151) 52-5

THE UNIVERSITY OF LEEDS Department of Anaesthesia

Applications are invited for the post of
LECTURER

This post involves the organisation of undergraduate and postgraduate teaching and the co-ordination of anaesthetic research at Leeds (St. James's) University Hospital where clinical sessions will be available. Newly equipped laboratory and office accommodation is provided in this unit of the Department, and the Lecturer is supported by technical and secretarial help. F.F.A.R.C.S. essential. An application will be made to the hospital authorities for an honorary clinical grading at Senior Registrar level.

Salary on the scale £2,883 x £237 — £3,120 x £234(3) — £4,035 x £213(4) — £4,830 x £156 — £4,983 x £153 — £5,103 x £120(3) — £5,463 x £156 — £5,819.

Application forms and further particulars may be obtained from the Registrar, The University of Leeds, LS2 9JT, quoting reference 81/1/J. Closing date for applications 5th April, 1975. (21736) 52-5

UNIVERSITY OF BRISTOL

LECTURESHIP IN ANAESTHETICS

Applications are invited for the above post. The salary will be in the range £4044 to £5223 according to experience and qualifications. The successful candidate may expect to be granted an honorary contract as Senior Registrar with the Avon Area Health Authority (Teaching).

The department is responsible for teaching students and for a considerable amount of postgraduate tuition. Ample time and facilities are available for research, as well as a sufficiency of interesting clinical experience.

Applications (2 copies, please) together with the names and addresses of three referees, should be sent no later than 12th April, 1975 to the Secretary, Senate House, University of Bristol, Bristol BS8 1TH, from whom further particulars may be obtained (reference 1LJ). (21830) 52-5

WEST MIDLANDS REGIONAL HEALTH AUTHORITY

WHOLE-TIME SENIOR REGISTRAR IN ANAESTHETICS

A vacancy exists within the Midland Area Training Scheme with initial duties at North Staffordshire Hospital Centre, Stoke on Trent. Successful candidate will receive training under the supervision of the Professor of Anaesthetics. The appointment is part of a rotational scheme which covers the hospitals of the Birmingham A.H.A. (Teaching), the University Department of Anaesthetics, other hospitals in the West Midlands R.H.A. with possible secondment for an 'off service' year. Excellent opportunities for wide and varied training plus research and academic training. First class postgraduate facilities at all centres. F.F.A.R.C.S. required.

Application forms to be returned by 7th April from Regional Administrator, 146 Hagley Road, Birmingham, B16 9PA. (39637) 52-5

BEDFORDSHIRE AREA HEALTH AUTHORITY (Northern District)

LOCUM ANAESTHETIC REGISTRAR required from 26th May to 28th May, 1975 at Bedford General Hospital, Resident.

Detailed applications, quoting names and addresses of two referees to Personnel Administrator, Bedfordshire Area Health Authority (Northern District), 3 Kimbolton Road, Bedford, Tel: 0234 55122, Ext. 8160. (39541) 52-6

Basingstoke District General Hospital

REGISTRAR IN ANAESTHETICS

This is a new District General Hospital (400+ beds) which includes a busy Abnormal Obstetric Unit, Accident Department, Coronary Care Unit, and a Day Case Unit and also offers experience in regional analgesia and thoracic surgery. The main phase, including a purpose-built intensive Therapy Unit, and a new theatre/recovery suite was recently opened.

The Anaesthetic Department comprises four Consultants, one Senior Registrar, two Registrars and three S.H.O.s and also cover the Wessex Regional Orthopaedic Centre at Alton, where major orthopaedic surgery takes place. The post is recognized for F.F.A.R.C.S. and D.A. There is a good liaison with the University Department of Anaesthetics, Southampton, where day release courses are held. In Basingstoke there is an active Postgraduate Department and weekly Anaesthetic meetings/tutorials are held.

The post is resident and married/single accommodations available, and good recreational facilities also exist in the hospital grounds, including a nine-hole golf course.

Basingstoke is 45 mins. from London by train. Post vacant 1st April, 1975.

Applications to: Personnel Department, "Uplands", Basingstoke District Hospital, Aldermaston Road, Basingstoke, Hants. Tel: Basingstoke 29908. (21616) 52-6

(765 beds)

REGISTRAR
Department of Anaesthetics required for a period of six months at the Victoria Hospital, Blackpool. This post is designed to offer considerable experience in Anaesthesia for Cardio-Thoracic Surgery including by-pass procedures. In addition, further experience will be available in intensive care, undergraduate and postgraduate teaching. Applications will be welcomed from candidates who are in possession of the Primary F.F.A. and have had a minimum period of experience in Anaesthesia at Registrar grade of one year. This is a resident post.

Applications stating age, qualifications and naming two referees to the District Administrator, District Offices, Victoria Hospital, Whinney Heys Road, Blackpool FY3 8NR. (H14445) 52-6

LEEDS
AREA HEALTH AUTHORITY
(Teaching)
Western District

REGISTRAR IN ANAESTHETICS
Applications are invited for the non-resident post of Registrar in Anaesthetics at the Teaching Hospital Group based at the General Infirmary at Leeds. There are seven rotational Registrar posts which give wide experience in the various branches of anaesthesia. There are excellent facilities for study including a release scheme to attend postgraduate courses organised by the University Department of Anaesthesia. Candidates should have had previous anaesthetic experience and possession of the primary F.F.A. would be an advantage.

Application forms are obtainable from the Personnel Department, The General Infirmary, Great George Street, Leeds LS1 3EX, to whom they should be returned as soon as possible. (21361) 52-6

LIVERPOOL
AREA HEALTH AUTHORITY
(Teaching)

Applications are invited for the post of
REGISTRAR IN ANAESTHETICS
for the period to 30th September, 1976. Reappointment, for the period to 30th September, 1977 will be considered without the need for further application.

There are thirteen registrar posts within the Liverpool Area Health Authority (Teaching) and the successful applicant will be required to participate in a rotation scheme in order to gain wider experience in the various departments. There are excellent facilities for postgraduate study at the University Department of Anaesthesia with which the hospitals are closely associated.

Apply by 3rd April, 1975 on form obtainable from the Area Personnel Department, Liverpool Area Health Authority (Teaching), Orleans House, Edmund Street, Liverpool L3 9NG. (H14447) 52-6

BROADMOOR HOSPITAL

LOCUM MEDICAL ASSISTANT (Indefinite duration)

This full-time post offers unique experience of forensic psychiatry in a Special Hospital. Clinical responsibilities will include care of the physical health of patients. The hospital admits 120 patients annually from the country as a whole. The majority of patients are received on treatment orders from the Courts, but some are transferred from ordinary psychiatric hospitals and a few from prisons. While most patients suffer from mental illness, there is also opportunity for the treatment of personality disorders. The consultant staff are in number and in addition 4 half-time Consultants. Psychotherapists are involved in individual and group therapy. There are active psychology and Social Work Departments. A wide range of training opportunities exist, including a weekly Journal Club and formal lectures by visiting speakers. Psychiatric qualifications and experience are desirable: experience in general practice would be an asset.

Night and weekend duties involve approximately one night per week and one weekend in six. Housing is available. Visiting the hospital by appointment is recommended to obtain further information.

Applications, naming 3 referees, to the Physician Superintendent, Broadmoor Hospital, Crowthorne, Berks. Tel: Crowthorne 3111. (21390) 84-3

MERSEY

REGIONAL HEALTH AUTHORITY

LOCUM MEDICAL ASSISTANT IN PSYCHIATRY

with duties at Parkside Hospital.

Application forms available from Regional Medical Officer, Wilberforce House, The Strand, Liverpool L2 7RW to be returned by 9th April, 1975. (21728) 84-3

BUCKINGHAMSHIRE AREA HEALTH AUTHORITY

Aylesbury District
Department of Mental Health of the Elderly

CLINICAL ASSISTANT Sessions

This progressive community-orientated Department which provides the psychiatric services for the elderly of Buckinghamshire has clinical assistant sessions available, and 5 to 9 sessions per week. Previous experience is not essential, but applicants should have a real regard for the elderly. Experience in general psychiatry leading to DPM and Membership can be arranged if desired.

Salary scale £460 a year per session.
The Department is accredited by the Royal College of Psychiatrists, and recognized by the British Medical Postgraduate Federation for the provision of advanced training in the psychiatry of old age.

For further details, arrangements to visit, contact Dr. D. M. White, Department of Mental Health of the Elderly, Tindal General Hospital, Aylesbury, Tel: Aylesbury 4351 Ext. 49.

Application forms can be obtained from the District Personnel Officer, 9 Bicester Road, Aylesbury, Bucks. Tel: Aylesbury 4411. Ext. 20 to whom they should be returned as soon as possible. (21448) 84-4

TAMESIDE AREA HEALTH AUTHORITY

Ashton-under-Lyne General Hospital

CLINICAL ASSISTANT IN PSYCHIATRY

is required at Ashton-under-Lyne General Hospital to do one session per week every Wednesday afternoon in the Out-Patient Clinic.

Applications to Dr. T. Holme, Area Medical Officer, Tameside Area Health Authority, Greenfield Street, Hyde, Cheshire. (39513) 84-4

CAMBRIDGESHIRE AREA HEALTH AUTHORITY (Teaching)

Applications are invited for the post of
**SENIOR REGISTRAR IN
CHILD & FAMILY PSYCHIATRY**
based at Peterborough District Hospital for
eighteen months and then rotating to the
Cambridge Department of Child and Family
Psychiatry for a second period of eighteen
months. Both Departments are approved for
training by the Royal College of Psychiatrists.
Previous psychiatric experience is essential
and the Department will favour candidates
with training in Paediatrics and/or Psycho-
therapy. The possession of a higher
qualification is desirable.
A full range of the experience of in-patient,
day and out-patient care of children,
adolescents and their families is provided,
including consultative work with relevant
community agencies. Contact with University
facilities encouraged and participation in
extensive teaching programme and research
expected.

Application forms and further details can be
obtained from the Area Medical Officer,
Cambridgeshire Area Health Authority
(Teaching), Purbeck House, Purbeck Road,
Cambridge Tel: Cambridge 42841, Ext. 229.

Closing date for receipt of applications is
11th April, 1975 and it is hoped that interviews
will be held during the week ending 2nd May
1975. (39679) 84-5

EAST ANGLIAN REGIONAL HEALTH AUTHORITY

Applications are invited for the post of
SENIOR REGISTRAR IN PSYCHIATRY
based at St. Clement's Hospital, Ipswich.
Applicants should have a higher qualification
in Psychiatry and the successful candidate will
be in a team dealing with the Ipswich
Borough.

BRADFORD AREA HEALTH AUTHORITY

Scalebar Park Hospital
Burley-in-Wharfedale
Ilkley, Yorks.

REGISTRAR IN PSYCHIATRY
at Scalebar Park. This is a progressive
Psychiatric Hospital of 450 beds with an
annual admission rate of 900, situated in
pleasant countryside approximately 12 miles
from Leeds, Bradford and Harrogate.

There is an active teaching programme and
the hospital has a Grade 1 Accreditation for
training towards the M.R.C. Psych. Facilities
are given for attendance at the University of
Leeds D.P.M. and M.R.C. Psych. courses.

Within the hospital there is an alcoholic unit
and an adolescent unit with opportunities for
special training in these areas. The post is not
compulsorily resident but single
accommodation is available.

Application forms from the Sector
Administrator, Scalebar Park Hospital,
Burley-in-Wharfedale, Ilkley, Yorks. (39718) 84-6

FORTH VALLEY HEALTH BOARD Bellshyde Hospital, Larbert (1060 beds)

Applications are invited for the post of
**REGISTRAR OR
SENIOR HOUSE OFFICER
IN PSYCHIATRY**

The Hospital serves a mixed urban and rural
catchment area of approximately 300,000 and
provides a full range of treatment facilities.
The medical staff provide a psychiatric
service for Stirling University and will shortly
do so for two new Penal Institutions. There
are active departments of Social Work and
Clinical Psychology and full facilities for all
special investigations.

Registrars are encouraged to attend
postgraduate training courses at either
Edinburgh or Glasgow. The hospital
postgraduate tutor has established formal
links with both Universities. Experience can
be obtained without leaving the area in mental
deficiency and child psychiatry. Registrars
can be seconded for special training, e.g.
Neurology, if desired.

The Hospital is situated in Central Scotland
within easy reach of Edinburgh and Glasgow.
Single and married accommodation is
available.

Applications, with the names and addresses
of two referees, should be addressed to the
Area Personnel Officer, Forth Valley Health
Board, 33 Spittal Street, Stirling, FK8 1DX.
Enquiries may be made to Dr. D. A.
Emberton, Chairman of the Division of Adult
Psychiatry, telephone Larbert 6131.

Closing date for receipt of applications 9th
April, 1975. (21679) 84-6

**LOCUM REGISTRAR
IN PSYCHIATRY**
required from 14th to 28th April inclusive.
Enquiries to 01-748 2050, Ext. 2994.
(21816) 84-6

GRAMPIAN HEALTH BOARD South District Aberdeen Psychiatric Hospitals

REGISTRAR
Applications are invited for a post of Registrar
in Psychiatry with the above Group of
Hospitals. This post is part of the
S.H.O./Registrar Training Scheme. Holders of
the D.P.M. or equivalent may apply for
participation in the formal training
programme for the Aberdeen University
Diploma in Psychotherapy. The post is subject
to rotation and secondment primarily for
training purposes.

Clinical duties are organised on the basis of
teams led by Consultants. The post is non-
resident but will require occasional night duty
in one of the Units. The Group includes two
Mental Hospitals, the Royal Cornhill and
Kingsseat, each providing comprehensive in-
patient psychiatric services, the Regional Out-
Patient Centre (The Ross Clinic) providing
consultative and emergency services, and a
Day Hospital for adults with therapeutic
community orientation. Other special services
within the Group include a Half-Way House,
with a Day Centre, an Industrial Therapy Unit
in the Community and a Geriatric Day
Hospital and a Domiciliary Treatment
Service.

Accommodation may be available.
Enquiries should be directed to the
Physician Superintendent, Royal Cornhill
Hospital, Aberdeen AB9 2ZH, with whom
applications giving age and full information
on qualifications and previous experience,
together with the names of two referees
should be lodged by 4th April, 1975. (21667) 84-6

Springfield Hospital
Beechcroft Road, London SW17

**LOCUM REGISTRAR
IN PSYCHIATRY**
(non-resident)
required from 1st April for three weeks
initially, appointments may run for longer.
Single accommodation may be available.
Post based at Springfield but apply Tooting
Bee Hospital, London SW17, Tel: 672 6655.
(39681) 84-6

MID GLAMORGAN HEALTH AUTHORITY

Invite applications for the post of
REGISTRAR IN PSYCHIATRY
To the East Glamorgan and Ogwr Health
Districts. The successful candidate will be
based at East Glamorgan General Hospital,
Church Village, N. Postyrdd (396 beds) for
the first year and at the Morgannwg Hospital,
Bridgend (1600 beds) for the second year.

The Psychiatric clinic opened in 1968 at
East Glamorgan General Hospital and is the
centre of psychiatric care for a population
of over 170,000. It consists of two ward units
totaling 46 beds and a day centre for 50
patients, in addition to a consultant wing from
which the out-patient services operate. All
forms of psychiatric treatment are undertaken
and there are associated departments of
Occupational Therapy, Social Work,
Psychology and E.E.G. The annual admission
rate is 450.

The post provides excellent opportunities
for study of the D.P.M. and staff in training at
Morgannwg Hospital, which is a postgraduate
centre for psychiatry, are expected to attend
the tutorials in psychology, psychiatry and
neurology regularly carried out by the Senior
Staff, in addition to attending the clinical
conferences etc. Considerable use is made of
films for training purposes.

The post which is vacant from 1st May, 1975,
will be subject to review at the end of the
first year, is non-resident although married
accommodation may be available.

Application forms from P.V. Davies, Esq.,
Area Administrator, Mid Glamorgan Health
Authority, 18 Cathedral Road, Cardiff to be
returned by 5th April, 1975. (21759) 84-6

OLDHAM AREA HEALTH AUTHORITY

**LOCUM RESIDENT REGISTRAR
(Psychiatry)**

vacant immediately.
This is a general hospital psychiatric unit,
situated seven miles from central Manchester.
The post offers opportunity for wide
experience in clinical psychiatry (including
electroencephalography) and research.

Apply with the names and addresses of two
referees including one in respect of present or
most recent appointment, to the Area Medical
Officer, Oldham Area Health Authority, St.
Peter's House, Oldham OL1 1JT. (21660) 84-6

QUEEN ELIZABETH II HOSPITAL Welwyn Garden City, Herts.

**LOCUM PSYCHIATRIC
REGISTRARS**
required 2nd-9th April and 21st-28th April.
Ring St. Albans 68224 Ext. 12: office hours or
write District Administrator, St. Albans City
Hospital, St. Albans, Herts AL3 5PN. (39626) 84-6

REDBRIDGE & WALTHAM FOREST AREA HEALTH AUTHORITY (West Roding District)

Claybury Hospital, Woodford Bridge
Woodford Green, Essex

NON-RESIDENT REGISTRAR

Two-year appointment, renewable after one
year to be held at Claybury Hospital with
the possibility of rotating for one year to Whips
Cross Hospital. Both hospitals are within easy
reach of central London. The post is
accredited for the full course of psychiatric
training towards the M.R.C. Psych. and
recognized for the D.P.M. Claybury is a
progressive mental hospital of 1,560 beds with
seven admission firms and a high turnover of
patients. It is well known for its therapeutic
community methods of approach to treatment.
Whips Cross is organized into five teams,
each serving a sector of the catchment area. Each
Registrar works on an admission ward under
Consultant supervision and has responsibility
for long-stay wards. The Registrar undertakes
out-patient work and has the opportunity to
train in group psychotherapy under a
Consultant Psychotherapist.

Whips Cross is a general hospital with a
very active psychiatric out-patient service
and limited facilities for selected in-patients.
The psychiatric Registrar at this hospital
works under the direct supervision of one
Consultant and could obtain wide experience
of psychiatric problems presenting to a
general hospital. There are no formal night
duties at Whips Cross. There is a psychiatric
library at Claybury and an active educational
centre at Whips Cross. One half day a week is
devoted to postgraduate seminars and case
conferences organized by the Clinical Tutor
based at Claybury. Facilities are also offered
for attendance at other recognized courses.
Married or single accommodation is available
if required.

Please apply to the Administrator as soon as
possible, with names and addresses of two
referees. (20982) 84-6

SOUTH CAMDEN DISTRICT UNIVERSITY COLLEGE HOSPITAL

Gower Street, London WC1E 6AU.

Applications are invited for the post of

details to the Administrator at the above address quoting reference
Appt. P75/09.
(21644) 84-8

SENIOR HOUSE OFFICER

IN THE PSYCHIATRIC DIVISION OF THE
BASINGSTOKE DISTRICT HOSPITAL

Is required as soon as possible. Many young doctors looking for a
house job early in their careers would shy away from psychiatry, but
it could be a good idea, particularly if you want to enter general
practice.

Surveys of the workload in general practice have shown that up to
30% of patients consulting their practitioners have primary
psychiatric problems and that in another 30% emotional difficulties
are a prominent secondary factor.

So why not consider working for your D.P.M. or M.R.C. Psych. at a
modern psychiatric hospital with a big new District General Hospital
in its grounds? Set in the beautiful Hampshire countryside on the
outskirts of Basingstoke New Town (2 miles) it is served by a
frequent bus service, an excellent fast train service to Waterloo (45
minutes) and is only 50 miles to London on the new M3 motorway.

Besides general clinical psychiatry the hospital (1,100 beds) has a
variety of interesting special units: Alcoholic, Mother and Baby,
Psychiatric, Intensive Care plus a rapidly expanding Community
Psychiatric Nursing Service. It shares an active Postgraduate
Education Centre with the District General Hospital, runs regular
weekly Case Conferences and grants generous Study Leave to
doctors attending the Wessex School of Psychiatry for the courses in
the D.P.M. and M.R.C. Psych. The hospital also has its own Social

LIVERPOOL

AREA HEALTH AUTHORITY
(Teaching)
Mersey
Regional Health Authority

Applications are invited for two non-resident
posts of
REGISTRAR IN SURGERY
for a period to 30th September, 1976.

Reappointment for the period to 30th
September, 1977 will be considered without
the need for further application.
The post is one of a group which together
provide by interchange a planned two-year
programme of training in a sequence of
teaching and non-teaching hospitals. This
rotation scheme is designed for doctors who
have passed the Primary F.R.C.S. examination
and who have already held a recognized post
for six months in a Casualty Department. The
scheme will provide the required experience
to enable them to take the final F.R.C.S.
examination.

The hospitals involved are: Circuit 1 —
Liverpool Royal Infirmary, Birkenhead
General Hospital; Royal Liverpool/Alder
Hey Children's Hospitals (Paediatric surgery).
The time spent in the specialty of Paediatric
Surgery will be sub-divided between the Royal
Liverpool Children's Hospital (Paediatric
Cardiac Surgery) and Alder Hey Children's
Hospital (Neo-natal Surgery and the treatment
of burns).

Circuit 3 — David Lewis Northern Hospital;
Southport General Infirmary; and
Broadgreen/Aintree Hospitals (Thoracic
Surgery).
Application form and further information
obtainable from the Area Personnel
Department, Liverpool Area Health Authority
(Teaching), Orleans House, Edmund Street,
Liverpool L3 9NG, to be returned by 3rd April,
1975. (H14411) 91-6

(39558) 110

SEFTON
AREA HEALTH AUTHORITYSPECIALIST IN COMMUNITY MEDICINE
(Environmental Health)

Salary scale £5,443-£7,947 subject to review.

Suitably qualified and experienced medical practitioners holding a D.P.H. or its equivalent required. This is an expected retirement vacancy and applications are not restricted to officers transferred to Regional or Area Health Authorities under the provisions of the N.H.S. Reorganisation Act. The Area has two districts and the matching local authority, population 306,000, extends from the northern boundary of Liverpool to Southport (sea and airport health control is Liverpool responsibility at present). Area Headquarters will be in the Southern District. date is 18th April, 1975. (21768) 110

There is the Regional communicable disease unit and a Public Health Laboratory at the Sefton managed Fazakerley Hospital and the present holder of the post is a member of the hospitals control of infection committee. The successful applicant will also be responsible for organising certain medical examination services to the local authority. There are likely to be opportunities to undertake Health Care Planning and Medical Personnel responsibilities on behalf of one or more Area Medical Officers.

Application forms and further particulars may be obtained from the Area Personnel Officer, Bootle Hospital, Derby Road, Merseyside, L20 1BT. Applicants are invited to discuss details of the post with the Area Medical Officer, Dr. J. Baines. The closing date is 18th April, 1975. (21768) 110

GOVERNMENTAL

Medical Officers

... for posts in the Social Security (as distinct from the Health Medical Branch of the Department).

CENTRAL OFFICE CARDIFF (1 post)

Medical Officers advise on all aspects of claims for benefit under the Industrial Injuries Act, and on any other matters relating to Social Security; arrange War Pensions and Industrial Injuries Medical Boards for assessment of disablement; handle claims for Attendance Allowance. There are limited but varied opportunities for clinical examinations of war pensioners and claimants for Attendance Allowance.

CENTRAL OFFICE BLACKPOOL (2 posts)

In this Office they give medical advice on all aspects of war pension entitlement and allowances and review rejected claims for Attendance Allowance on behalf of the Attendance Allowance Board. The work is almost entirely documentary and non-clinical.

Candidates must be fully registered as medical practitioners in the UK and have good clinical experience. Experience in medical boarding and assessment of disablement would be advantageous.

Starting salary from £5550 to over £7750 according to qualifications and experience. Non-contributory pension scheme. Prospects of promotion to Senior Medical Officer (over £9,000) and higher posts.

For full details and an application form (to be returned by 8th April 1975) write to Civil Service Commission, Alencon Link, Basingstoke, Hants., RG21 1JB, or telephone BASINGSTOKE 29222, Ext. 500 (or, for 24 hour answering service, LONDON 01-839 1992), quoting S(F)630/2.

Department of Health and Social Security

PUBLIC APPOINTMENTS (Whitley Scales)

BARKING AND HAVERING AREA HEALTH AUTHORITY CLINICAL MEDICAL OFFICER

Applications are invited from registered medical practitioners for the above post in the fully integrated and forward looking Child Health Service, supported by a full range of special educational facilities and liaison with paediatric departments.

Experience in developmental assessment is desirable, but if required, in-service training will be provided. Additionally, the successful candidate may, if he/she so wishes, participate in the "wellwomen service". Working towards higher academic qualifications is encouraged, as is the development of special interests and research.

Salary and Conditions of Service on Whitley Scale according to qualifications and experience within range £3,189-£4,176 plus £105 London Weighting.

Further details and application form from Specialist in Community Medicine (Child Health), 117 Suttons Lane, Hornchurch, RM12 6RS. Tel: Hornchurch 52577. Ext. 15, to whom the applications should be returned within two weeks of the appearance of this advertisement. (39517) 113

DYFED HEALTH AUTHORITY CLINICAL MEDICAL OFFICERS (Two Posts)

(Whole-time or regular part-time) Applications are invited from Registered Medical Practitioners for the above posts (one in Ceredigion, one in Pembrokeshire Health District).

Duties are mainly in the Child Health (including school health) Service, but may include other community health work such as medical examinations of prospective employees.

Experience in Paediatrics, Developmental Paediatrics, and the School Health Service desirable, but applicants without such experience will be given opportunities for training.

A current driving licence and a motor car essential. Salary: £3624 to £5040 per annum. Officers with other 5 years relevant experience will commence at £4164 per annum.

Application forms may be obtained from: The Area Personnel Officer, Starling Park House, Johnstown, Carmarthen, Dyfed.

For further information and details please contact: Dr. D. Malins, Specialist Community Physician (Child Health), Starling Park House, Johnstown, Carmarthen, Dyfed. (21748) 113

GUY'S HEALTH DISTRICT (Teaching) PRINCIPAL SENIOR MEDICAL OFFICER Special Needs Groups and Environmental Health

This post is a senior appointment with the Community Health Services. The doctor appointed will have an important role in support of the District Community Physician and the Specialist in Community Medicine in a district of great socio-medical need, in developing co-operation between the Health Authority and the local authority's Department of Social Services and Environmental Health.

Collaboration with and possible attachment to the hospital service of the Guy's District is an essential part of the appointment and will provide an opportunity for interesting and challenging work.

Applicants should have experience and/or an interest in one or more of the following fields: Geriatrics, Mental Health, Mental Handicap, Infectious Diseases.

The appointment will be made as a Principal or Senior Medical Officer taking into account the successful applicants experience and qualifications.

Salary: Principal Medical Officer: £5,088 to £5,859 plus London Weighting. Senior Medical Officer: £4,305 to £5,088 plus London Weighting. (These salaries are under review).

Applicants are invited to telephone the District Community Physician (Dr. H. James, Tel: 703 6363, Ext. 258 or 240) for further information.

Application forms are available from, and should be returned to, The Clinical Superintendent, Guy's Hospital, London Bridge, London SE1 9RT by 12th April, 1975. (21787) 113

EALING, HAMMERSMITH & HOUNSLOW AREA HEALTH AUTHORITY (Teaching) PRINCIPAL MEDICAL OFFICERS (Two Posts)

Salary £4692-£5859 + London Weighting Applications are invited for the above posts which provide a wide variety of interesting work in the Clinical and Preventative aspects, mainly in social and environmental health fields. Experience in the care of the elderly, the chronic sick and mentally and physically handicapped would be an advantage.

Candidates would be encouraged to engage in relevant research and/or training in Community Medicine in association with local undergraduate and postgraduate medical schools. Collaboration with Hospitals and other services in the district is an essential part of the work. Suitable training courses provided. One post will be based in the Ealing District and one in the Hounslow District.

For application form and job description, returnable by 4th April, please contact Ruth Kendall, Area Personnel Officer, 92 Bath Road, Hounslow, Middlesex. Tel: 01-870 7715. (21811) 113

LANCASHIRE AREA HEALTH AUTHORITY Blackpool District

SENIOR CLINICAL MEDICAL OFFICER Child Health

Applications are invited from Registered Medical Practitioners with wide experience in all aspects of Community Child Health Service. Applicants should have received training in developmental assessment and possession of the D.C.H. or other higher qualifications would be an advantage.

The post is mainly clinical but will include some administration. Salary Scale £4305-£5088 (under review).

Further particulars can be obtained from Dr. D. S. Parken, Area Medical Officer, East Cliff, Preston and application forms and Job Description are obtainable from the Area Personnel Officer, East Cliff, Preston. Tel: Preston 59344 Ext. 289 to be returned by the 4th April, 1975. (14423) 113

GLOUCESTERSHIRE AREA HEALTH AUTHORITY Cheltenham Health District

SENIOR MEDICAL OFFICER

required for clinical duties across the whole range of Community Medicine including Occupational Health. Duties will cover the whole of the Cheltenham Health District including the North East of Gloucestershire from Cheltenham as a base. Opportunities to gain experience in all aspects of Community Medicine. Salary Scale £5,187-£6,660.

Further particulars and application form available from the District Community Physician, Cheltenham Health District, Cheltenham General Hospital, Sandford Road, Cheltenham.

Closing date 21st April, 1975. (39557) 113

LINCOLNSHIRE AREA HEALTH AUTHORITY

offers an excellent opportunity for Practitioners wishing to specialize in Community Medicine in two posts of SENIOR CLINICAL MEDICAL OFFICER

Applications for these posts, one in each of the North and South Lincolnshire Health Districts, are invited from registered Medical Practitioners with experience in developmental paediatrics and the assessment of children for placement in special schools. There will be ample opportunity in each post to work closely with the Consultant Paediatrician in the local District General Hospital in carrying out this work, as well as with the Educational Psychologist and specialist teachers on the staff of the Education Department of Lincolnshire County Council.

The possession of an additional suitable postgraduate qualification would be an advantage. In the case of those who have previously worked in a residential post recognized for the D.C.H. and who wish to take the examination, additional in-service teaching with the D.C.H. in mind is given at one of the District Hospitals.

These posts offer a genuine opportunity to act as a co-ordinator between the community and child health services at clinical level.

Salary is on the scale £4305-£5088 p.a. which is under review.

Further information is obtainable from the Area Medical Officer and application forms and job description are available from the Area Personnel Officer, Lincolnshire Area Health Authority, Cross O'Cliff Court, Bracebridge Heath, Lincoln. Closing date for receipt of applications 14th April, 1975. (39532) 113

LANCASHIRE AREA HEALTH AUTHORITY

Clinical Medical Officers

COMMUNITY SERVICES

Preston District

Applications are invited from Registered Medical Practitioners for an appointment in the above service. Duties are mainly in the Child/School Health Service but will also involve Adult Preventative Work including Screening Programmes, Health Education and Occupational Health. There may be opportunities for further professional training.

There is particular need for staff in the Chorley area.

Commencing salary within the scale £3189-£4176. Whitley Council Conditions of Service. Car Allowance.

Application forms available from the Personnel Officer, Lancashire Area Health Authority, East Cliff Offices, Preston, to be returned by 28th March, 1975. 113

SURREY Area Health Authority

SENIOR MEDICAL OFFICER (Child Health)

MID-SURREY HEALTH DISTRICT (Headquarters Epsom)

Applications are invited from registered medical practitioners with appropriate experience to undertake this interesting and responsible post in the Child Health Services of a large and progressive Health Authority. While representing a considerable challenge within the developing health service the post provides plenty of scope for personal initiative.

The successful applicant will be required to act as leader of the team of clinical medical officers, employed in the community health services of Mid-Surrey District, and will be responsible to the District Community Physician for day-to-day matters and the Area Specialist in Community Medicine Child Health for implementation of policy.

While carrying considerable clinical responsibility the job will also involve some administration as well as responsibility for such matters as liaison, integration of services, and in-service-training of medical staff. General experience of child health services, developmental screening, and ascertainment of handicapped children is essential.

Salary and conditions of service on Whitley Scale according to qualifications and experience within the range £5,187 - £6,660.

Application forms and full job description available from and returnable to Area Personnel Officer (Ref. GMC), Friary Court, 13/21 High Street, Guildford, Surrey. Closing date 4th April.

113

SURREY AREA HEALTH AUTHORITY West Surrey/North East Hants District

SENIOR MEDICAL OFFICER (Clinical Post)

Applications are invited from registered medical practitioners with appropriate experience for the following appointment.

The post is intended to provide leadership for a clinical team responsible for preventive health services in the District. The duties of the successful applicant will include family planning, cytology, health screening, preventive geriatrics, health education and liaison with hospital, District Councils and Social Services.

Salary and conditions of service on Whitley Scale according to qualifications and experience within range £5,187 - £6,660.

Application form from and returnable to Area Personnel Officer (Ref GMC), Friary Court, 13/21, High Street, Guildford, Surrey, or further details from District Community Physician, 3rd Floor, Abbey House, Farnborough Road, Farnborough, Hants. Tel: Farnborough 48881. Closing date 4th April. Applications restricted to England and Wales (re-advertisement).

Medical Officers

£7,300

You are offered the prospect of a tour of duty – for as little as one year – in Zambia, one which will give you both a wide range of professional experience and early responsibility. It is with the nation's major mining organisation, Nchanga Consolidated Copper Mines Ltd, with an international staff of technical specialists.

The company is responsible for providing full medical care to its employees – over 30,000 – and their families; the total of persons to be looked after is about 150,000.

There is a senior doctor staff of over 40, together with a full complement of specialists and 150 fully qualified nurses. The modern facilities include 5 well-equipped hospitals (847 beds), 18 clinics and 9 main first aid dressing stations.

General Duty Medical Officers will be involved in preventive and curative medicine, surgery, anaesthetics, gynaecology/obstetrics, public health and nutrition; and although the mines have a strict safety code an amount of accident work can be expected.

Contracts may be negotiated for periods of one to three years. Locums can also often be arranged.

Salaries will depend on experience, but the minimum is K11,275 gross per annum (£7,320 based on an exchange rate of K1. 65p). In addition there is a tax free settling-in allowance; subsidised Company private primary schools; a detached, furnished house with garden is provided for £3 per week; and children receiving secondary education overseas are granted up to £780 per child per year, tax free, towards school fees and three free return passages to visit their parents during holidays; interest free car loan available. Study leave is available, and there are 60 days standard annual leave.

Up to 33 % of gross income can be sent home each month.

Please send for details to:

Anglo Charter International Services Limited,
Appointments Division, Dept. ABM 2203
7, Rolls Buildings, London, EC4A 1HX.

Zambia's Copperbelt

an experience that counts for a lifetime

118

A starting salary like that would put you in the top 5% of Canadian wage earners. So you'd live well; particularly well if you add in all the fringe benefits enjoyed by commissioned officers in the Canadian Forces.

Not only would you live well to start with, but (more importantly) you could look forward to steady career advancement and to a future filled with opportunities for professional growth. You'd enjoy all the advantages of living in a country with a relatively stable economy, a rate of inflation significantly lower than most and a future which looks brighter (according to leading economists) than that of almost any other industrialized nation in the western world.

If you are a licensed medical practitioner, a British subject, preferably (but not necessarily) under the age of 35, and interested in an exciting and rewarding future in a country with tremendous potential, then please get in touch with us. Send a resume of your qualifications to Canadian Defence Liaison Staff, 1 Grosvenor Square, London, W.1., and we'll mail you complete details of salaries, career opportunities, relocation arrangements and service fringe benefits.

Canada on \$22,380 a year*

* As a licensed medical practitioner, \$22,380 (approximately £9,500) is the least you can expect. Depending on qualifications and experience, your starting salary could be as high as \$29,760 (approximately £12,600).

TROMSØ NORWAY

**Consultant Anaesthetist position vacant
at the University Hospital/ of Tromsø.**

The hospital has approx. 500 beds and is functioning as regional
hospital for Northern Norway. It is also teaching hospital for the
University of Tromsø Medical School.

The dept. of anaesthesia has at present 5 anaesthetists and 16
registered nurses.

The department is responsible for anaesthesia, postoperative and
intensive care. A new, well equipped ICU will be opened in May
1975.

Tromsø is an expanding town of 50,000 inhabitants, surrounded by
sea and mountains. Facilities for outdoor-activities (hunting,
fishing, skiing) are excellent.

Applicants should indicate whether they apply for a permanent
position or for a shorter or longer period as locum consultant.
Wages are in the range of US \$24,000-30,000 a year.

The hospital will provide accommodation.

Further details may be obtained from Dr. K. Flatland, Department
of Anaesthesia, Sentralsykehuset (tlf. N-083-81100), and ap-
plications should be sent to the Director, Sentralsykehuset, 9012
Tromsø, Norway, within six weeks of the date of this an-
nouncement. (21612) 118

OPPORTUNITY IN ZAMBIA

ANAESTHETIST

Locum or Contract Position

The Society requires the services of an Anaesthetist to fill a
vacancy occurring within the Medical Department, commencing
June 1975.

The Appointment may be either on a locum basis (minimum
period 6 months) or may be a contract position for a longer period
(normally 2 years).

Our Service provides full medical care for some 18,000 employees
and dependants operating from two Group Practice Centres and
two small hospitals with a total of 50 beds.

The Medical Staff establishment includes specialists in
Anaesthesia, Obstetrics and Gynaecology, General Surgery and
part-time in Medicine and Radiology, together with six General
Duty Medical Officers.

Kitwe and Ndola are commercial centres on the Copperbelt
plateau in the Republic of Zambia which at 4,500 ft. enjoy a very
healthy climate together with excellent social and sporting
facilities. We as a Society endeavour to provide good working and
living conditions for our staff in order to maintain as happy a
medical team as possible.

Contract Terms

i. Two year Contract renewable. Basic salary negotiable
depending on experience but not less than K13,200 per annum
(Range — K13,200 to K16,000. K155 approx = £100)

ii. Gratuity of 20% basic salary. Payable on completion of
Contract.

iii. Rent free attractive furnished accommodation.

iv. Free passage to and from Zambia for employee and family
with generous baggage allowance on recruitment and repatriation.

v. Other benefits include: Car provided; generous annual leave;
settling in allowance; insurance scheme; Education allowance and
passages.

Please write giving full personal and professional details together
with the names and addresses of two referees to:

**Chief Medical Officer, Commercial and Industrial Medical Aid
Society, P.O. Box 1736, Ndola, Zambia**

from whom more specific information will be available on request.

MOUNT ROYAL

**Special Hospital for the Aged
and**

The University of Melbourne

**Chair of Gerontology and Geriatric Medicine —
and Directorship of National Research Institute
of Gerontology and Geriatric Medicine.**

A National Research Institute of Gerontology and Geriatric
Medicine is being established at Mount Royal in co-operation
with the University of Melbourne and with support from the
Australian and Victorian Governments.

Applications are invited from persons with Postgraduate
Medical qualifications in physical and social medicine, for
appointment as Foundation Professor and Director of the
Institute. Applicants should have senior research experience,
be able to stimulate high-level research and be qualified to
conduct clinical teaching.

The salary is \$26,750 per annum, with appropriate
conditions, including Superannuation and a limited right of
private practice. The appointment is for a term of five years in
the first instance.

Mount Royal began in 1853 and is now a large Geriatric
Institution of 900 beds, with many associated activities, and
expects to be recognized as a teaching hospital in Geriatric
Medicine.

Applications should be addressed to the Chairman,
National Research Institute of Gerontology and Geriatric
Medicine Committee, Mount Royal Hospital, Parkville,
Victoria 3052, Australia, with copies sent to the Registrar, The
University of Melbourne, Parkville, Victoria 3052, Australia.

Further details may be obtained from the Manager, Mount
Royal Hospital, at the above address.

UNIVERSITY OF OTAGO
AND OTAGO HOSPITAL BOARD
Dunedin, New Zealand

SPECIALIST ANAESTHETIST AND LECTURER IN ANAESTHETICS

There is a vacancy for a full-time Anaesthetist in the Department of Anaesthesia, Dunedin Hospital, with an appointment to the University of Otago as Lecturer in Anaesthesia.

The Department of Anaesthesia provides a full range of services for all specialties, including Cardiac and Neurosurgery as well as epidural analgesia and general anaesthesia for Obstetrics. The wide range of its services and its good facilities are recognized by the Faculty of Anaesthetists, R.A.C.S., which has approved six registrar posts for full training for F.F.A. The Department has a long tradition of teaching of Anaesthesia and Resuscitation to undergraduates and it also has an active postgraduate training programme, which has culminated in the establishment of the first chair of Anaesthesia in New Zealand by the University of Otago.

The Dunedin Hospital is adjacent to the University of Otago Medical School with its excellent library and experimental laboratory facilities, and is within the University campus. Dunedin is a town of 110,000 people situated on a coast of great scenic beauty with exceptional marine wildlife. Locally the sailing and fishing is excellent, and superb skiing is easily accessible.

Applicants must have been medically qualified for eight years, hold a higher qualification such as the F.F.A.R.C.S. or its equivalent, and have had at least five years experience in the specialty. The appointee will be expected to take part in undergraduate and postgraduate teaching, and every encouragement will be given to continue or initiate research projects.

The salary scale is in accordance with the Hospital Employment (Medical Officers — Specialists Scale) Determinations, \$13,102 p.a. — \$17,547 p.a. (10 steps). Higher gradings available in cases of exceptional merit and subject to determination by the Medical Officers Salaries Grading Committee within the scale: \$18,443 p.a. — \$22,504 p.a.

Travelling expenses will be paid in accordance with the information contained in the Conditions of Appointment.

Applications on the form attached to the Conditions of Appointment, available from the Board's Office, (3rd Floor), will be received by the Chief Executive, Otago Hospital Board, P.O. Box 946, Dunedin, New Zealand, until Wednesday 30th April, 1975. (21615) 118

BMJ publications

Cardiovascular Diseases in the Tropics (1974)

The book presents the present state of knowledge regarding many conditions previously thought to be peculiar to the temperate and developed countries and also deals with those disorders peculiar to the tropical situation. It provides an up-to-date review suitable both for clinical and epidemiological work and for further research into these disorders.

Price £4.50 (U.S.A. \$13.50)

A New Look at Infectious Diseases (1974)

Infectious diseases remain as much a medical challenge as ever, and the articles collected in book form under the title *A New Look at Infectious Diseases* covers many aspects of diagnosis and treatment. The widespread use of immunization, with its occasional hazards, the use of newer antibiotics, and increased risk of spread by travel are all dealt with, as well as the problems of diagnosis produced by present day doctors' unfamiliarity with many diseases which were formerly so common and widespread.

Price £2.00 (U.S.A. \$6.00)

Medicine in Old Age (1974)

The series of twenty two articles published in the *British Medical Journal* throughout the winter have been collected in book form as a convenient source of reference for general practitioners. The emphasis is on remedial mechanisms, and the use that can be made of psychogeriatric and social services in keeping the elderly healthy and relatively independent members of the community.

Price £2.00 (U.S.A. \$6.00)

Today's Drugs/3 (1973)

The third and final volume of the 'Today's Drugs' series, like its predecessors, is based on *BMJ* articles revised and brought up to date by their authors. It deals with respiratory agents, drugs acting on the central nervous system, and a miscellaneous group of drugs.

Price £1.25 (U.S.A. \$3.75)

All prices include postage—ORDER YOUR COPIES NOW

Payment must be enclosed with order or a surcharge of 20p will be made for rendering invoices and statements
