Imodium
JANSSEN

TRADE MARK

stops diarrhoea safely and rapidly

unique chemical entity... loperamide (R 18 553) is an entirely new molecule, first synthesized by Janssen Research; the compound specifically inhibits hypermotility by a direct effect on the intestinal wall.

highly effective in acute diarrhoea... quickly relieves spasms and cramps; stops diarrhoea due to gastroenteritis, diet, functional causes, etc.; even more effective than diphenoxylate in double-blind studies.^{1,2}

no incompatibility... no incompatibility with other therapies has been reported.

remarkably safe... contains no atropine, devoid of CNS activity; no adverse effects noted in long-term safety studies.³

patient-controlled dosage schedule... in adults, two capsules to start, one capsule after each unformed stool until bowel function is normalized.

Summary of Prescribing Information

Indications : Imodium is indicated for the control of acute diarrhoea regardless of origin.

Side-effects : no specific drug related side-effects have been reported to date.

Precautions : overdosage may lead to constipation. Safety of use in pregnancy has not been established. Imodium should not be used in patients with a known hypersensitivity to the drug and in those in whom inhibition of peristalsis must be avoided (e.g. subobstruction due to a tumour).

Availability : Capsules containing 2 mg of loperamide.

Dosage :

Acute diarrhoea	Adults	Children over 5
Initial dose	2 caps.	1 caps.
Subsequently after each loose stool	1 caps.	1 caps.

In acute diarrhoea a 5-day period of treatment should be adequate.

Full information is available on request.

The Australian Army is a great life for the doctor with a family.

A man like you perhaps.

Australia would be a wonderful place for your family. Its healthy, sunny climate and generous opportunities make it a good place for your children to grow up.

While you enjoy a fulfilling career in the Australian Army.

With us you'll benefit by having every opportunity to develop the skills you've gained to their fullest. Working with the most up-to-date equipment.

Rank on appointment is based on qualifications and previous experience. If your rank on appointment is Captain you'll be paid a minimum salary, from time of appointment in the UK, of £7,875.00 p.a. (\$12,560) rising to £9,862.50 p.a. (\$15,777) over five years.

You will also receive a service allowance of £593.75 p.a. (\$950) and a uniform maintenance allowance of £131.25 p.a. (\$210).

Passage for you and your family is of course free and living accommodation or an allowance in lieu is provided in all areas.

As a doctor in the Australian Army, you'll appreciate the extra time you have for family life. So will your family.

There will be a full Social and Ladies' Programme taking advantage of the venue

The Meeting has been recognised under Section 63 of the Health Services and Public Health Act 1968

Further details, including the full programme appeared in the January 3 issue of the BMJ

Registration forms obtainable from the Executive Officer (Exeter Meeting), BMA House, Tavistock Square, London WC1H 9JP

Your caring
isn't enough.
We need some
giving too.

If caring for Barnardo's children only took love and Christian charity, there'd be no problem. Unfortunately, it takes money too. And there's not nearly enough of that around.

There are all kinds of Barnardo's children. Some are handicapped, some are deprived. A few are orphaned, many simply deserted. The one thing they all have in common when they come to us is a desperate need for somebody to do something for them.

Unfortunately, we find ourselves in much the same position. Without help from you, and people like you, we cannot go on feeding, clothing and educating our children. We cannot go on running Dr. Barnardo's homes, schools and Day Care centres. Or finding foster homes. Or struggling to keep families together.

You've cared enough to read this far, so go a little further. Make a donation or a Deed of Covenant. Or start a local fund raising group.

We desperately need people who care that much.

We can't give unless you do.

Barnardo's

Britain's largest child care charity.

I enclose a donation of £1 ☐ £2 ☐ £5 ☐ £10 ☐ £20 ☐ £
I would like to know more about Wills/Covenants. ☐
I would like to know how I can help Barnardo's. ☐ (tick box)
(Make cheque/PO payable to Dr. Barnardo's).

(Please print clearly)

ADDRESS.....

Post to: Dr. Barnardo's, Dept. ZA236
Barkingside, Ilford, Essex IG6 1QG.

Why forbid the patient coffee?

Thanks to H-A-G Decaffeinated Coffee even in cases of Insomnia, Palpitations, Disorders of the Heart and Circulation, Excitability, Gastritis and Peptic Ulcer, Gallstones, certain Diseases of the Liver the patient need not forego his favourite beverage.

* THE H-A-G DECAFFEINATING PROCESS.
Swelling the green beans by steam pressure enlarges the pores and exposes the maximum surface to the highly volatile caffeine solvent (not trichlorethylene) which is flushed through the beans, carrying the caffeine with it. The surplus solvent is removed by a final steam flushing. The beans are then roasted in the normal way.

H-A-G coffee is available in 3 forms, Beans, Ground and Instant.

Liberal samples of Ground or Instant will be sent free and post free to any Doctors applying to:
The A.A. Supply Co. Ltd. Dept. BM,
14 Northfield Estate, Beresford Avenue, Wembley, Middlesex. HAO 1YN.

Coffee

B.M.A. WALL SHIELDS and BLAZER BADGES

Hand-painted heraldic wall shields, bearing the B.M.A. Shield and Motto mounted on light, or dark oak, overall size 7 in. x 6 in.
Price £3.85p for delivery in the U.K. and £4.00 for surface delivery overseas.

Blazer Badges, bearing the BMA Shield and Motto, mounted on navy blue cloth, price £10.00 each for delivery within the U.K. or surface delivery overseas.

Profits from the sale of these items will be donated to Medical Charities.

Members are reminded that these items may be obtained on a cash-with-order basis by applying to the Scottish Secretary, BMA, 7 Drumsheugh Gardens, Edinburgh EH3 7QP. The Association reserves the right to alter without notice the prices quoted herein. If postage by air mail is required, there will be an additional charge.

A doctor can gain a lot from 5 years in the Royal Navy.

As a qualified doctor, you can join the Royal Navy for 3 or 5 years on a Short Service Commission.

In that time, you'll spend up to a year practising medicine in a Naval ship.

You could have the chance of working and living overseas for a time.

And you'll be able to do your General Professional Training in one of the clinical and medical scientific disciplines at a Naval hospital or an RN establishment.

At sea.

After a short Officers course at the Royal Naval College, Dartmouth, and a basic course in maritime medicine at the Institute of Naval Medicine, Alverstoke, you'll normally go to sea for about 12 months.

You'll be responsible for the medical care of some 250 to 500 men in your ship (and advise the Captain on health and environmental problems).

You won't lose touch with modern medicine, as you can visit local hospitals in ports of call and use the teaching aids provided by your Naval tutor.

Postgraduate training and specialisation.

After your sea-time, career counselling will determine your postgraduate training programme.

There are opportunities for General Professional Training in preparation for a clinical career in general practice, the hospital specialities, or the medical scientific disciplines such as Aviation, Underwater, Submarine and Nuclear Medicine; or in occupational and community medicine.

If you decide to transfer to a 16-year pensionable Commission, or a permanent Commission, you could move on to recognised higher training programmes which include research training and higher training posts in civilian units.

At Alverstoke, the Dean of Naval Medicine co-ordinates postgraduate medical training and research.

Naval hospitals.

The two largest are at Haslar (near Portsmouth) and Plymouth.

They undertake the care of Naval personnel, their families and NHS civilians, providing a broad spectrum of clinical material. Both hospitals are recognised for higher training in the major specialities.

There is a full range of modern, technical equipment, and the nursing and paramedical staff are highly skilled.

There are smaller hospitals in Malta and Gibraltar.

Salary.

If you join us immediately after registration, your salary will be £5,997 as a Surgeon Lieutenant.

You can, however, join at any age up to 39. In that case, your postgraduate experience is taken into account, and you could join as a Surgeon Lieutenant Commander earning £8,015 a year.

If you leave at the end of your 3 year Commission, you'll receive a tax-free gratuity of £1,500, or, after 5 years, £3,000.

If you decide to stay on, you can apply for a 16-year pensionable Commission or a permanent Commission.

The salary structure is based on an analogue computed from the average earnings of general practitioners in the NHS, with an additional X factor. There is extra pay for recognised postgraduate qualifications and Senior Specialist or Consultant status.

If you're posted overseas, you can, of course, take your family with you. There are, too, generous boarding school allowances for your children, starting at £807 for your first child.

For more information, write to Surgeon Commander H.B. Blackstone, MRCS, LRCP, MRCP, RN, (724FM3), Medical Directorate General (Navy), Ministry of Defence Empress State Building, London SW6 1TR.

SK15

Ostermilk Complete Formula. The bottle feed for breast-fed contentment.

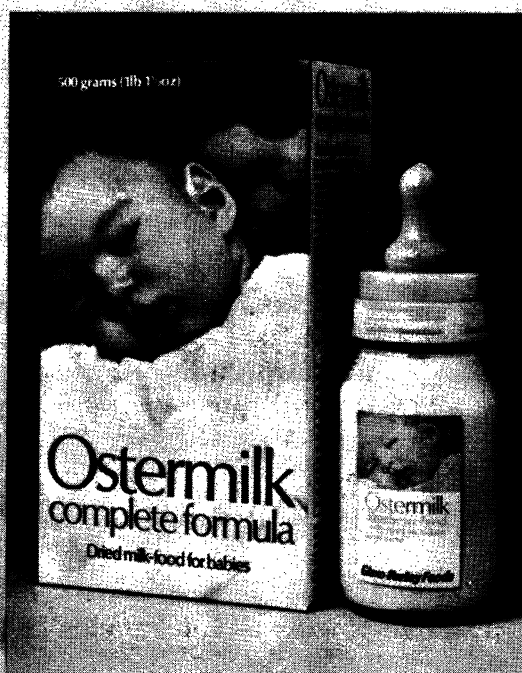

Ostermilk Complete Formula has been developed by doctors and nutritionists so that the protein and mineral levels are closer to those of breast milk than traditional milks. Clinical trials have proved that in comparison with traditional milks, babies fed on Ostermilk Complete Formula are more contented, are satisfied for longer periods between feeds, suffer less from regurgitation and severe wind and are less likely to have loose stools. Also there is a considerable decrease in napkin rash.

In addition, the lower phosphorus content virtually eliminates the risk of hypocalcaemia and possible neonatal tetany. The low solute content reduces the risk of hypernatraemic dehydration. And the presence of maltodextrin as the major carbohydrate helps to avoid the problems of transient, induced lactose intolerance.

For hospital use, Ostermilk Complete Formula is available as Ready-to-Feed milk-food for babies. This system provides individual sterilized feeds in disposable glass bottles. Consequently, nursing staff spend less time with preparation and are more free to care for mothers and babies.

Out of hospital, Ostermilk Complete Formula can be recommended right through until the end of weaning in a powder form which can be mixed easily and quickly in the bottle, without the need to add sugar.

Ostermilk Complete Formula
The bottle feed for breast-fed contentment.

attack the
MIGRAINE

-not
Mrs. Jackson

Mrs. Jackson's migraines, while frequent, do not follow an entirely predictable pattern. She dislikes the side-effects of ergotamine treatments: long-term prophylaxis would involve an unacceptable degree of over-medication. Is there an alternative?

2 PINK MIGRALEVE, taken at the first warning, will often completely abort impending Migraine attacks. Residual symptoms, if any occur, can be controlled with Yellow Migraleve. Like most patients, Mrs. Jackson will find such a regime preferable, because Migraleve offers:

- Less medication than with long-term prophylactic treatments
- Economic dosage, taken only as attacks occur
- Proven effectiveness in 79% of attacks¹
- Considerably less vomiting than with ergotamine¹
- Proven patient preference¹

5 good reasons for prescribing

ST. ANDREW'S HOSPITAL NORTHAMPTON

THE FOREMOST PRIVATE PSYCHIATRIC HOSPITAL IN BRITAIN

ST. ANDREW'S HOSPITAL, which was established in 1838 as a non-profit making charitable foundation, is a progressive hospital staffed and equipped for the treatment of every type of psychiatric illness.

SHORT STAY patients are, in general, admitted to Isham House, a modern and luxurious Nursing Home within the grounds. The accommodation consists of private bedrooms, most of which have private bathrooms. All forms of treatment are available, with emphasis on individual and group psychotherapy.

PSYCHO-GERIATRIC patients are admitted to "The Harper Unit" in the main hospital, which has recently been opened. This unit, which has both private rooms and cubicle accommodation, has been completely reconstructed and adapted specifically to provide a high standard of care and privacy and the ratio of nurses to patients is generous.

LONG STAY patients are admitted to a separate part of the main hospital, which has also been completely modernised.

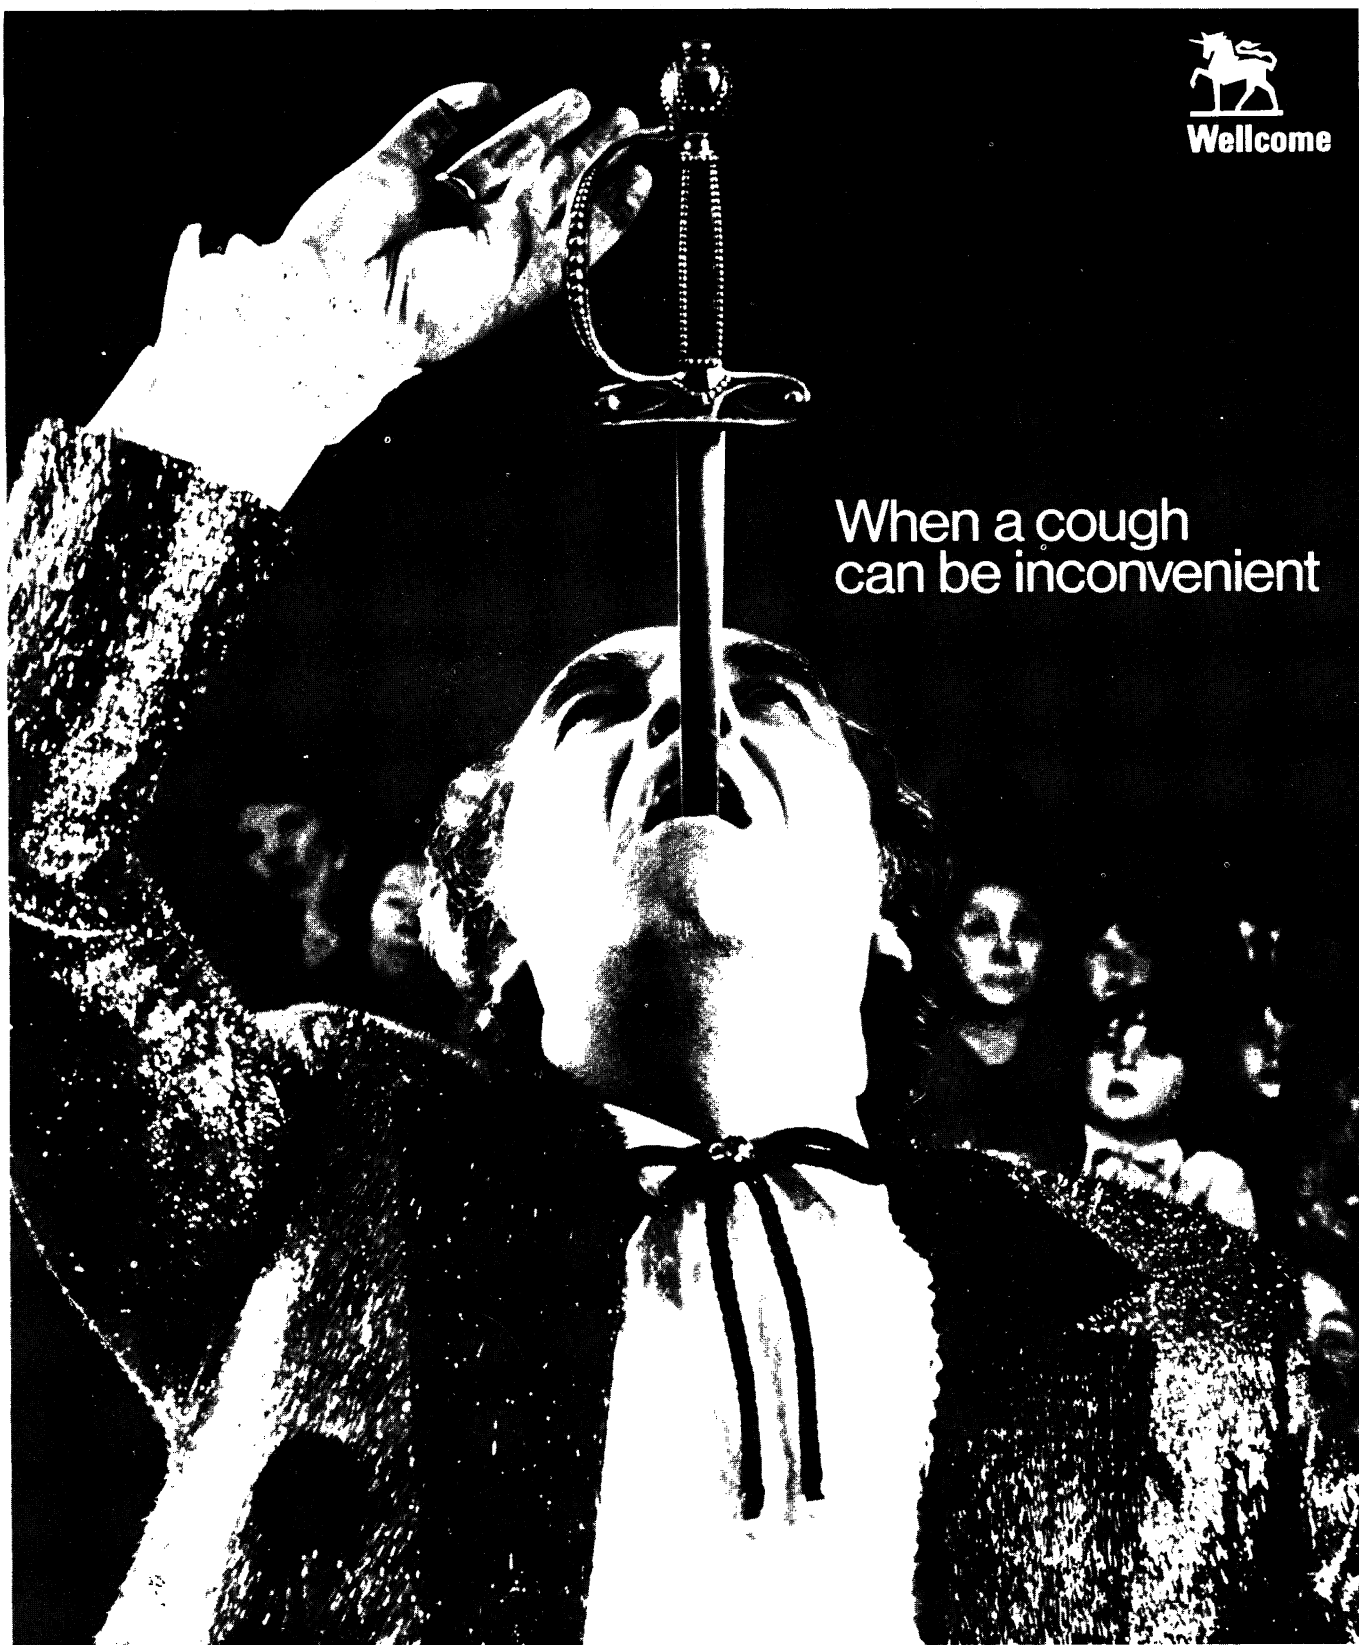

All patients are under the care of full-time Consultant Psychiatrists.

FACILITIES AND AMENITIES for occupational therapy and recreation are excellent, and include a 9-hole golf course, squash court, tennis courts, heated indoor swimming pool and a Social Centre with restaurant, shop and hairdressing salon. All these are set in the hospital's own 100 acres of attractive well-wooded grounds.

Northampton is about one hour's journey from London, either by train or on the M.1 motorway, and is easily accessible from all parts of the country.

B.U.P.A. and P.P.P. subscribers are able to claim benefit in respect of their treatment fees.

Further particulars, including fees, may be obtained from the Medical Director, St. Andrew's Hospital, Northampton (Tel: 0604-21311) who can be seen in consultation by appointment at the hospital.

for patient and doctor alike**

Some patients stay on barbiturates until the day they die

Every day in Britain three patients die after deliberately taking overdoses of barbiturates – a total of over 1,000 every year¹

Virtually all of these patients could have been transferred to Mogadon, which is much safer² but just as effective against insomnia³

The patients may still have tried to kill themselves. But with Mogadon few, if any, would have succeeded

Mogadon: far safer, far better

ROCHE

Mogadon is the trade mark for all the Roche preparations containing meprobamate.

**Family Therapy:
Training and Supervision**

Trinity Hall, Cambridge

June 28th — July 2nd, 1976

Applications are invited for a residential, multi-disciplinary, five-day programme focused on training and supervision in family therapy.

It is intended that a main source of material should come from members' own clinical work with families, presented by video tapes, audio tapes, written records or through live sessions with families. These shared experiences will provide the basis for discussions on clinical and training issues.

Thirty places will be offered under the auspices of the Central Council for Education and Training in Social Work.

Staff: Dr. J. Byng-Hall and Miss R. Whiffen, Co-Chairmen of Family Therapy Programmes, Department for Children & Parents, Tavistock Clinic. Other members of the Department for Children & Parents, Tavistock Clinic. Mrs. Olga Silverstein and Mrs. Peggy Papp of the Nathan W. Ackerman Institute Inc., New York.

Further details and application forms are available from **Mrs. Janet Clark, Executive Officer (Training), Tavistock Centre, 120 Belsize Lane, London NW3 5BA.**

GENERAL PRACTICE TRAINING POSTS

SOUTH GLAMORGAN AREA HEALTH AUTHORITY
(Teaching)
Mid Glamorgan Area Health Authority
Welsh National School of Medicine

VOCATIONAL TRAINING PROGRAMME FOR GENERAL PRACTICE
Applications are invited from fully registered medical practitioners for places on this Vocational Training Scheme for General Practice. This scheme is designed to provide the necessary hospital and general practice experience needed to satisfy the standards required to sit the M.R.C.G.P. and to qualify for a vocational training allowance. The scheme is designed to permit the precise rotation to be fitted to the needs of the individual applicant. Each rotation will consist of one year in general practice and up to four hospital posts each of six months duration from the following: Obstetrics & Gynaecology, Paediatrics, Paediatrics in the Community, General Medicine in relation to Geriatrics, Psychiatry, Accident & Emergency, General Medicine. All the posts both in hospital and general practice will be in or near Cardiff and the rotations will commence on 1st August, 1976.

Applications and requests for further information should be made to Dr. R. Harvard Davis, Senior Lecturer, General Practice Unit, Welsh National School of Medicine, Health Centre, Llanedeyrn, Cardiff. Closing date 28th February, 1976. (24044) 21

WESSEX VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE

Swindon District Applications are invited for two posts starting in July and August, 1976. The first post, starting on 1st July, consists of an initial month in a teaching practice, followed by six months each in Psychiatry, Paediatrics, Accident and Emergency and of Elective Service, in which the trainee may gain experience in a number of different specialties. During this period in hospital posts, the trainee will spend half a day once a month with a teaching practice.

The second post, starting on 1st August, consists of six months each in Psychiatry and Paediatrics at Swindon, followed by twelve months at Cirencester Memorial Hospital. This is a local community hospital of 62 acute beds, staffed by several G.P. Medical Assistants and Clinical Assistants with visiting Consultants from Swindon, and experience is gained in Casualty, Surgery, Medicine and Gynaecology, as well as minor specialties. This is followed by twelve months in one of the Cirencester teaching practices. During this period in general practice, the trainees will attend the Wiltshire Day Release Course and throughout the three years are expected to attend the monthly seminars. The scheme is recognised for the M.R.C.G.P. and D.C.H.

Further information and application forms are available from Dr. M. Ward, G.P. Tutor Postgraduate Centre, Princess Margaret Hospital, Okus Road, Swindon SN1 4JU. (51344) 21

East Dorset Health Care District
Bournemouth

VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE

Applications are invited for post-registration graduates for a Senior House Officer grade post in a 2½ year Vocational Training Scheme commencing on the 1st March, 1976. This scheme commences with an initial month and concludes with a final 11 months in General Practice in an approved practice now practising from a new Health Centre. The hospital posts will be for six months each in Psychiatry, Accident/Emergency Services including attendance at Ophthalmic and Ear, Nose and Throat Clinics, and Medicine/Dermatology. Applications will require to have done another Senior House Officer post before being eligible for the M.R.C.G.P. and the vocational training allowance. Holders of the post will attend the Wessex Day Release Course during their year in General Practice. The hospital posts are resident and single accommodation is available. Married accommodation may be available according to supply and demand, which will vary from time to time. Arrangements can be made for interested candidates to visit the hospitals and the General Practice involved in this Scheme.

Forms of application and full details of the appointment should be obtained from the Administrative Assistant (Medical Staffing), Central Administrative Offices, Royal Victoria Hospital, Shelley Road, Boscombe, Bournemouth, BH1 4HX, when completed forms should be returned to her as soon as possible. Telephone enquiries to Miss L. Stark, Bournemouth 35201, Ext. 234. (24006) 21

NORTHERN REGION

Vocational Training for General Practice

Applications are invited from medical graduates for the following programme of training in July/August 1976: Complete 3-year programmes which include

- a 6-month appointment in a carefully chosen teaching practice
- successive 6-month appointments in 4 hospital posts of relevance to general practice from a variety of options
- a final 6-month appointment in the same or a different teaching practice
- an on-going academic course comprising 90 half-day release sessions based on small group methods.

OR

Partial — less than 3-year — rotations to enable doctors who already have relevant experience to meet the requirements for the M.R.C.G.P. examination and the Vocational Training Allowance.

There are four schemes with a total of c. 110 trainees currently in post:

CLEVELAND — 8 places available

Scheme Organiser: Dr Aubrey Colling, 25 Bridge Road, Stockton on Tees

EAST CUMBRIA — 6 places available

Scheme Organiser: Dr N. C. Frame, Vocational Training Office, Paediatric Ward, Cumberland Infirmary, Carlisle

WEST CUMBRIA — 2 places available

Scheme Organiser: Dr G. M. Thomas, 70 John Street, Workington

NEWCASTLE — 22 places available

Scheme Organiser: Dr Michael McKendrick, Department of Family and Community Medicine, 23 St. Thomas Street, Newcastle upon Tyne 1.

Trainees from the Region have a consistently successful record in the Examination for membership of the R.C.G.P., for which all the Schemes are recognised. The appropriate hospital posts are approved for the D.C.H. and D.R.C.O.G.

Write now for further details and application forms to the Scheme Organisers.

Dartford Vocational Trainee Scheme for General Practice

Applications are invited for places in the 1st October, 1976 intake to the Dartford Vocational Trainee Scheme for General Practice. The Scheme is based on the Dartford District Hospital (Joyce Green Hospital and West Hill Hospital).

Trainees will be appointed to the Senior House Officer grade. Training will consist of six months in General Practice, 18 months in hospital posts, and a final year in General Practice. Trainees will qualify for the Vocational Training Grant on completion of the course. The hospital posts will consist of the following:

Obstetric and Gynaecology	— 6 months
Psychiatry with Geriatrics	— 6 months
Paediatrics	— 3 months
Elective Period	— 3 months

There will be special emphasis placed on Psychiatry, Psycho-Geriatrics and Community Care; and the Psychiatry appointment will enable the trainee to sit for the Dip. Psych. Med. Part 1. The whole Scheme is recognised for the M.R.C.G.P.

It is advisable that candidates should have completed 12 months hospital appointments after qualification by October, 1976.

Married trainees will be offered the tenancy of a modern house near the hospital for the full period of training. For single practitioners accommodation will be provided for the full period of training in the hospital medical staff quarters.

Application forms and further information can be obtained from the Co-ordinator, Dartford Vocational Trainee Scheme, Postgraduate Medical Centre, Joyce Green Hospital, Dartford, Kent DA1 5PL. (51585) 21

Lincolnshire A.H.A. (South District) BOSTON

Vocational Training Scheme for General Practice

Applications are invited for the annual intake of four trainees from 1st August, 1976 in a well established vocational scheme of training for General Practice based at Pilgrim Hospital, Boston, a new district general hospital.

The three year course provides the first and third years in substantive hospital posts (SHO grade) offering a choice from Medicine; ENT/Ophthalmology with some Psychiatry and Dermatology, Geriatrics, A & E; Paediatrics and Obstetrics/Gynaecology. The second year consists of two six monthly appointments in different Teaching General Practices one of which is likely to be rural.

A planned half-day release course of weekly seminars throughout the three years covers major aspects of general practice and augments practical experience. This reinforced by an active 'Teachers Workshop' on learning/teaching techniques for trainers and trainees. The whole course is recognised by the Royal College of General Practitioners for the membership examination and the Department of Health and Social Security for Vocational Training Allowance.

Modern married or single accommodation will be available for trainees throughout the three years.

Further information may be obtained from the Course Organiser, c/o Miss T. Weightman, Pilgrim Hospital, Sibsey Road, Boston, Lincolnshire to whom applications should be sent by 1st March, 1976.

Applications (16 copies — overseas applicants, one copy), including the names of three referees, should be lodged not later than 13th March, 1976, with the Secretary, The University, Dundee DD1 4HN, from whom further particulars may be obtained. Please quote reference Est/676N. (24054) 25

GENERAL PRACTICE TRAINING POSTS

(See also pxviii)

DONCASTER AREA HEALTH AUTHORITY

DONCASTER VOCATIONAL TRAINING PROGRAMMES FOR GENERAL PRACTICE

Applications are invited for posts available on 1st August, 1976. The programmes are based on Doncaster Royal Infirmary, a new district general hospital of 804 beds, with postgraduate centre and extensive medical library.

BASIC 3-YEAR PROGRAMME

Involves six months in general practice, followed by 4 six month rotating hospital posts selected from General Medicine, Geriatrics, Obstetrics, Paediatrics, Psychiatry and a combined post consisting of 3 months E.N.T./3 months Orthopaedics, with a final six months in general practice.

MODIFIED PROGRAMME

Shorter programmes may be arranged for practitioners with previous Senior House Officer experience or others who require a shorter period of vocational training. These would involve 12 months in general practice plus a variable number of Senior House Officer posts linked to the Educational programme.

The educational programme consists of weekly meetings continuing through-out the length of the programme. Out-side visits are arranged where appropriate e.g. to local industry.

Doctors completing the basic programme will qualify for the Vocational Training Allowance. The programme will also be acceptable for D.Obst., R.C.O.G., D.C.H., and the M.R.C.G.P.

Housing may be available to suit individual needs of doctors undertaking the basic 3-year programme.

Applications with curriculum vitae and the names of two referees, and any enquiries, should be made in writing to the Secretary, Joint Planning Committee for Vocational Training, c/o Hospital Administrator, Doncaster Royal Infirmary, Doncaster DN2 5LT. Closing date for applications 1st March, 1976.

Kong. Closing date for applications is 13th
March, 1976. (24017) 25

UNIVERSITY OF LEICESTER
Department of Surgery
Applications are invited for a
LECTURESHIP
IN THE DEPARTMENT OF SURGERY
in which the Lecturer will have clinical,
teaching and research commitments. This is
a new post. The activities of the Department
include vascular surgery and transplant tumor
immunology but applicants need not
necessarily have a special interest in these
fields. It is anticipated that the person ap-
pointed will be offered an Honorary National
Health Service contract as Registrar and will
have some clinical responsibilities within a
rotational system outwith the Department of
Surgery. Initial salary dependent on
qualifications and experience on the scale
£3,741-£7,065 with superannuation benefits.
Further particulars from the Registrar to
whom applications should be sent by 6th
March, 1976 quoting the names of two
referees. (23847) 25

THE UNIVERSITY OF LEEDS
DEPARTMENT OF PAEDIATRICS
AND CHILD HEALTH
TUTOR IN PAEDIATRICS
(see Paediatrics section) (23912) 25

UNIVERSITY OF GLASGOW
Department of Child Health
THE DAVID CARGILL
RESEARCH FELLOWSHIP
IN PAEDIATRIC ONCOLOGY
Applications are invited for the post of
Research Fellow in Paediatric Oncology to
join a research team in the Royal Hospital for
Sick Children. The post involves working in
the University Department of Child Health
and the Department of Haematology on the
treatment of Leukaemia and Embryonal
tumours. The hospital is one of the M.R.C.
Special Centres for the treatment of these
malignancies. Opportunities are readily
available for clinical or laboratory-based
research. Candidates must have had previous
experience in medical paediatrics and must
possess the M.R.C.P. (U.K.) or equivalent
qualification. Continued vocational training
in paediatrics will also be provided. Tenure of
the Research Fellowship may be for up to 3
years in the first instance and the post is
suitable for graduates of Registrar grade
intending to continue specialist training in
medical paediatrics. 25
Salary scale £4,641-£5,334 per annum with
appropriate superannuation scheme. Further
details may be obtained from the Professor of
Child Health or the Consultant Haematologist,
Royal Hospital for Sick Children, Yorkhill,
Glasgow, G3 8SJ.
Applications (12 copies) should be lodged
with the Secretary of the University Court,
The University of Glasgow, Glasgow, G12 8QQ,
by 27th February, 1976. In reply please quote
Ref. No 3766J. (23975) 25

UNIVERSITY OF NOTTINGHAM
Health Service
Applications are invited for the appointment
of a
DENTAL SURGEON
to undertake the treatment of students and
staff in the University Health Centre. The
successful candidate will work with the Senior
Dental Surgeon and a colleague, and will have
the assistance of supporting staff. Applicants
should have considerable general clinical
experience and a higher dental qualification
is desirable, but not essential. The salary will
be on the Clinical Lecturer Scale (£3,744 to
£7,444 per annum). The experience and
qualifications of the successful candidate will
determine the commencing salary.
Further particulars and forms of application
may be obtained from the Staff Appointments
Officer, University of Nottingham, University
Park, Nottingham NG7 2RD, to whom ap-
plications should be returned not later than
28th February, 1976. Ref. 467. (24142) 25

UNIVERSITY OF READING
ASSISTANT PHYSICIAN
UNIVERSITY HEALTH SERVICE
Applications are invited from registered
Medical Practitioners for a post of Assistant
Physician in the University Health Service.
Candidates should be interested in the special
problems, both physical and psychological of
students and academics generally. Some
General Practise experience would be an
advantage. The post would be particularly
suitable for young practitioner. Salary on
scale £3,174 to £6,446 or £6,234 to £7,742. The
person appointed should take up duties as
soon as possible.
Further information may be obtained from
the Registrar (Room 214, Whiteknights House),
The University, Whiteknights, Reading RG6
2AH, by whom applications should be
received not later than 31st March, 1976.
(24158) 25

UNIVERSITY OF OXFORD
CLINICAL LECTURESHIP
IN SURGERY
Applications are invited for a Clinical Lec-
tureship in Surgery from 1st June, 1976. The
lecturer will be based in the Nuffield
Department of Surgery, Radcliffe Infirmary,
will undertake teaching, clinical work and
research under the direction of the Professor.
Research experience in pancreatic islet cell
transplantation desirable. Salary on scale
£4,353 to £6,183 per annum according to
qualifications and experience.
Applications (5 copies) with names of three
referees, should be sent to Professor P. J.
Morris, Nuffield Department of Surgery,
Radcliffe Infirmary, Oxford OX2 6HE by 21st
February, 1976. (51627) 25

UNIVERSITY OF SOUTHAMPTON
Faculty of Medicine

COMMERCIAL APPOINTMENTS (see also pxx and pxxi)

MEDICAL ADVISER (CLINICAL RESEARCH)

Applications are invited by CIBA-GEIGY (UK) Limited from registered medical practitioners preferably in the 30-40 year age group.

The duties will involve the design, initiation and follow-up of clinical trials of a variety of products. Though the emphasis will be on the evaluation of new compounds, some work with established products will also be involved. Co-operation with hospital staff, research units, general practitioners and the Committee on Safety of Medicines will be required and the duties will involve the investigation of adverse reactions to drugs and the preparation of relevant manuscripts.

The Company has wide therapeutic interests but the present post will initially be concerned mainly with compounds in the fields of cardiovascular diseases and rheumatology.

The work will involve travelling within the U.K. and occasionally abroad. Clinical work is encouraged. Appreciation of modern trends and ideas in medicine is important and this is aided by attendances at specialist society meetings and conferences both in the U.K. and abroad.

Previous experience in the Pharmaceutical Industry is not essential. The new member will join a team of doctors

experienced in this field and initially will be given help and advice in this interesting and expanding branch of medicine which offers wide scope for an excellent career.

Further details of the type of work and duties involved will be sent to interested applicants, and will be discussed in depth with applicants selected for interview.

The successful candidate will be based in the North Cheshire area within easy travelling distance of the more highly sought after residential areas to the south of Manchester. Salary will be negotiable in accordance with experience and qualifications. Good conditions of work include a first class contributory pension scheme. Generous financial assistance towards expenses associated with house removal and purchase is offered in appropriate cases.

Registered Medical Practitioners interested in the appointment are invited to write for an application form to:-

Dr. J. G. Domenet,
Head of Clinical Research,
CIBA-GEIGY (UK) Limited,
30 Buckingham Gate,
London SW1E 6LH.

CIBA-GEIGY

UNIVERSITY OF SOUTHAMPTON Faculty of Medicine

Applications are invited from registered medical practitioners for two posts of

LECTURER IN ANAESTHETICS

The persons appointed will be required to undertake clinical, teaching and research duties in the field of Anaesthesia. It is intended that suitable candidates should be offered honorary Senior Registrar status by the Hampshire Area Health Authority (Teaching). Salary £5,211 to £7,203 (9 increments). Superannuation. Initial salary will depend on qualifications and experience.

Further particulars may be obtained from the Administrative Secretary (Ext. 2804). The University, Southampton, SO9 5NH, to whom applications (7 copies from applicants resident within the U.K. and one from others) should be sent not later than Friday, 12th March, 1976 quoting ref. JMB/46/75/A. (23645) 25

WELSH NATIONAL SCHOOL OF MEDICINE (University of Wales)

LECTURESHIP IN CLINICAL PHARMACOLOGY

Applications are invited from graduates in medicine for a Lectureship in Clinical Pharmacology in the Department of Pharmacology and Therapeutics and another clinical department. The person appointed will be expected to devote a nominal 8/11ths of time to the Department of Pharmacology and 3/11ths to the other clinical department. Salary, according to qualifications and experience, will be in the range for Clinical Lecturers (£3,894-£7,002).

Applications, together with the names of three referees, should be sent, within 4 weeks of the appearance of this advertisement, to the Registrar, Welsh National School of Medicine, Heath Park, Cardiff CF4 4XN, from whom further particulars may be obtained. (23960) 25

FELLOWSHIP AWARDS

UNIVERSITY OF SOUTHAMPTON Faculty of Medicine Human Reproduction & Obstetrics

Applications are invited from holders of the M.R.C.O.G. for a two year

RESEARCH FELLOWSHIP

to study Bacteriology of the Genital Tract. It is envisaged that this programme will provide material suitable for obtaining an M.D. Thesis. Salary within the Senior Registrar scale to include superannuation.

Further particulars may be obtained from Mr. Max Elstein, M.D., M.R.C.O.G. Reader in Human Reproduction and Obstetrics, South Laboratory and Pathology Block, Southampton General Hospital, Tremona Road, Southampton. (23719) 26

SCHOLARSHIPS

EPSOM COLLEGE

Available for competition on 24th, 25th and 26th May, 1976

HENRY ROBINSON SCHOLARSHIP (up to £450 p.a. for a boarder, £150 for a day-boy) for a son of medical parent. Candidates must be under 14 on 1st May, 1976. Closing date for entry 30th April, 1976.

Full particulars from Headmaster, Epsom College, Surrey (Epsom 23631). (24150) 30

APPLICANTS ARE ADVISED NOT TO send original testimonials when replying to advertisements. Copies will serve the purpose quite as well, and in the event of their being lost or mislaid no inconvenience will ensue.

ACCIDENT AND EMERGENCY (including CASUALTY)

NOTTINGHAMSHIRE AREA HEALTH AUTHORITY (Teaching)

CONSULTANT IN ACCIDENT AND EMERGENCY (Whole-time or Maximum Part-time)

Applications are invited for this second Consultant post in the recently upgraded Accident and Emergency Departments in the Nottingham General and Children's Hospitals. These departments will move into Phase I of University Hospital, which is in an advanced state of construction.

Applicants will be expected to have had wide experience, preferably in General Practice, or in one of the Non-surgical specialties. A higher qualification is desirable but not essential in candidates who have a fully appropriate range of experience. The candidate will be eligible for appointment as Clinical Teacher in the University of Nottingham Medical School. Visits to the Hospital to obtain further information will be encouraged.

Application form and further details from Medical Personnel Department, Nottinghamshire Area Health Authority (Teaching), Lichfield Lane, Berry Hill, Mansfield NG18 4RG. Forms to be returned by 1st March, 1976. (51743) 51-1

It is the main Accident centre for population of approximately 800,000. Married accommodation may be available.

Applications (preferably typewritten) to Medical Personnel Department, Nottinghamshire Area Health Authority (Teaching), Lichfield Lane, Berry Hill, Mansfield, Notts, NG18 4RG, by 1st March, 1976 giving age, qualifications, present and previous appointments (with dates), naming three referees. (51702) 51-6

COMMERCIAL APPOINTMENTS

Train for a rewarding career in Clinical Research Management Major British Pharmaceutical Company UK & Europe

This is an attractive appointment for an outgoing young physician with good intellectual horizons and an interest in organisation, travel and evaluation of medicines.

Our clients - Fisons Limited, Pharmaceutical Division - are well-known for their discovery and introduction of medicines such as 'In-n' and 'Rynacrom'. Their R&D expenditure is currently running at more than £3m. per year and generating compounds of considerable promise in other therapeutic areas. Now that these compounds are entering the clinic for detailed investigation of their usefulness in medical practice, there is a need for an additional physician to help plan, organise and evaluate these studies. They will be conducted mainly in the UK, but the physician appointed will also have special responsibility for setting up trials in Germany, France, Holland, Belgium and Spain, entailing several visits to Europe each year.

The work is wide-ranging and varied, involving experience of medical practice in different countries, liaison with leading clinicians, attendance at conferences and symposia, interdisciplinary cooperation with research scientists, opportunities to develop interests in commerce, and encouragement to publish clinical findings of special merit.

The successful candidate will receive thorough initial training in all aspects of his or her future work, and will be sponsored for a two-year part-time course of study for the new Diploma in Pharmaceutical Medicine of the Royal College of Physicians.

Applicants should have broad experience in general medicine, be aged under 40, and possess at least two of the following attributes:

- Experience of clinical trials in hospital or general practice.
- A research orientation backed by at least one publication.
- A demonstrable interest in pursuing a career in therapeutics.
- Experience of practice management or medical administration.

The position commands an attractive salary - above the Junior Consultant level. Other important benefits include the provision of a company car, payment of generous relocation expenses, and the opportunity to take up a simultaneous Honorary Clinical Assistantship.

The post will be based at Fisons' modern Research & Development Laboratories in Loughborough, an area with good educational facilities and pleasant residential amenities.

If you meet our requirements, please write for further information and an Application Form, or 'phone for a personal discussion:

James A. Edwards, Talentmark Limited, King House, 11 Westbourne Grove, London W2 4UA. Tel: 01-229 2266.

COMMERCIAL APPOINTMENTS

Doctors in the Pharmaceutical Industry

A major career opportunity exists for a well experienced person wanting to become **HEAD OF CLINICAL RESEARCH** located in the southern half of England.

Details of this very important and senior position will be sent only to enquirers who satisfy me very briefly in their initial communication that they are worth considering further for a position at this level.

Confidentiality is assured. I particularly need to know at this stage; your work record *in industry*, type of work in each job (Phase I, II, III, IV, CTC's, PLA's etc), your current (? frozen) salary, what it should be and what you might require. This is one of those rare openings that do not come up too frequently (*and are usually not advertised*) so if in doubt, drop me a line. And please quote Reference E7612.

LIVERPOOL AREA HEALTH AUTHORITY

Mersey Regional Health Authority
Applications are invited for a post of
**SENIOR REGISTRAR
IN ANAESTHESIA**
for the period to 30th September, 1977. The post is tenable from 1st May, 1976 and reappointment for the normal period of training will be considered without the need for further application. This non-resident post is one of 16 in the Liverpool Area included in a rotational training scheme between the Regional Health Authority and Teaching Hospitals. Applicants should hold the F.F.A.R.C.S. and have reasonable experience in Anaesthesia.

Application form obtainable from the Area Personnel Department, Liverpool Area Health Authority (Teaching), Orleans House, Edmund Street, Liverpool L3 9NG, to be returned by 26th February, 76. (H10248) 52-5

NORTH WEST THAMES REGIONAL HEALTH AUTHORITY Brent & Harrow Area Health Authority Central Middlesex & Northwick Park Hospital Kensington & Chelsea & Westminster Area Health Authority (Teaching) Middlesex Hospital

**SENIOR REGISTRAR
IN ANAESTHETICS**
This is a rotational appointment subject to formal review between the above hospitals. Non-resident. The appointment will commence at Northwick Park District General Hospital, with the Clinical Centre of the Medical Research Council. The Senior Registrar will help to organise and teach clinical work including I.T.U. and Obstetric Anaesthesia and may initiate or assist with research. At Central Middlesex Hospital in addition to the above there is experience in one of the Regional Neurosurgical Centres. The successful candidate may be offered the option of transferring to other training posts associated with the Middlesex Hospital which include the Regional Plastic and Cardio-Thoracic Centres and Queen Mary's Hospital for Children, Edgware. This post commences 1st April, 1976.

Application forms from Mr. C. Firman, Medical Staffing Officer, Northwick Park Hospital and Clinical Research Centre, Watford Road, Harrow, Middlesex, HA1 2EL. Tel: 01-864 5311 Ext. 2403. (24126) 52-5

NORTH WEST THAMES REGIONAL HEALTH AUTHORITY and the Board of Governors of the National Heart and Chest Hospitals

**SENIOR REGISTRAR
IN ANAESTHETICS**
required, non-resident. This is a four year training post rotating annually on 1st January between the Brompton Hospital and Northwick Park Hospital. Research facilities are available at both hospitals. At the Brompton there will be opportunities to gain experience in cardiothoracic anaesthesia and intensive care, including paediatrics, and at Northwick Park Hospital in general intensive care, day case and obstetric anaesthesia.

Post vacant from 1st April, 1976, or as soon as possible, commencing at Northwick Park. Application forms, to be returned by 26th February, 1976, available from the Governor, Brompton Hospital, Tel: 01-352 8121 Ext. 4403. (24030) 52-5

ST. THOMAS' HOSPITAL London SE1 7EH

SENIOR REGISTRAR ROTATION
Applications are invited for three posts of Senior Registrar in Anaesthetics. The successful candidates may participate in rotations which have been established with the National Hospital, Queen Square; The National Heart Hospital and the Hospital for Sick Children Group and also be eligible for a period of 12 months rotation and clinical research at the Royal College of Surgeons in conjunction with the St. Peter's Group of Hospitals. These posts are vacant in May, 1976. For further details contact the Secretary of the Anaesthetics Department. Tel: 01-928 9292 Ext. 2353.

Applications, six copies, with the names and addresses of two referees should be sent to the Medical Staffing Officer, St. Thomas' Hospital by 28th February, 1976. (51774) 52-5

SOUTH GLAMORGAN HEALTH AUTHORITY (Teaching)

Applications are invited for two locum appointments as
**SENIOR REGISTRAR
IN ANAESTHETICS**
one post vacant 1st April, one 1st July, both for a period of one year. Appointments based at the University Hospital of Wales but including duties at other of the hospitals in the Cardiff Area.

Application forms available from the Medical Personnel Department, South Glamorgan Health Authority (Teaching), Temple of Peace & Health, Cathays Park, Cardiff and should be returned not later than 28th February, 1976. (24045) 52-5

WESSEX REGIONAL HEALTH AUTHORITY & Oxfordshire Area Health Authority (Teaching)

Applications are invited for the post of
**SENIOR REGISTRAR
IN ANAESTHETICS**
in the Department of Anaesthetics at the Portsmouth Group of Hospitals, and subsequently in the Nuffield Department of Anaesthetics at Oxford. Applicants should be in possession of the F.F.A.R.C.S. The appointment is a rotating one based initially at Portsmouth. St. Mary's Hospital, Portsmouth is a large, busy hospital catering, with other hospitals in the Group, for most types of surgery, including thoracic and renal transplantation. There are excellent library facilities and attendances at other postgraduate centres are encouraged in order to extend specialist experience. The Nuffield Department of Anaesthetics is actively engaged with all aspects of clinical anaesthesia, and intensive care. The successful applicant may be concerned with undergraduate and postgraduate teaching and may be afforded opportunities to undertake research whilst at Portsmouth and Oxford. Attendance at postgraduate meetings and courses is encouraged. The programme of work in this appointment is recognised by the Joint Committee for Higher Training of Anaesthetists. The appointment will fall vacant in May, 1976 and will be subject to review of tenure after one year.

Candidates are invited to visit the respective departments by arrangement. Application forms and further particulars may be obtained from Miss Elizabeth J. Morton, Staffing Officer, Area Personnel Department, The Manor House, Off Headley Way, Headington, Oxford OX3 9DZ. Quote reference S7/84. Closing date is 28th February, 1976. (24102) 52-5

GENETICS

SALFORD
AREA HEALTH AUTHORITY

(Teaching)

Manchester Area Health Authority

(Teaching)

& North Western Regional Health Authority

CONSULTANT CLINICAL GENETICIST
This is a new appointment to enable further development of the Regional clinical genetics services, sharing responsibility with the present consultant who provides a service from Saint Mary's Hospital in the Manchester Area. The post will be mainly based at Royal Manchester Children's Hospital in the Salford Area. The Hospitals concerned in both Areas are teaching hospitals for the University of Manchester School of Medicine. Extensive facilities exist for development of the service in the North Western Region, and for collaboration with staff in other specialties and disciplines. Opportunities for research are available.

Candidates should have wide experience and a higher qualification. Experience in diagnosis of genetically determined disorders and genetic counselling in all its aspects is essential.

Full details and application form available from the Area Medical Officer, Salford Area Health Authority (Teaching), Peel House, Albert Street, Eccles Manchester M30 0NJ. Tel: 061 789 7341 Ext. 342, to be returned by the 15th March, 1976. (24157) 62-1

APPLICANTS ARE ADVISED NOT TO send original testimonials when replying to advertisements. Copies will serve the purpose quite as well, and in the event of their being lost or mislaid no inconvenience will ensue.

APPOINTMENTS

Applicants for medical appointments are advised to check whether the post advertised is included in the Important Notice and to scrutinize carefully the remuneration and terms of service offered. Any member who is in doubt about these terms in relation to B.M.A. agreements should consult the Secretary of the Association.

Advertisers are reminded that the Race Relations Board insists that no descriptive term implying racial, national, or ethnic characteristics may be used in any advertisement. Further, readers are advised not to apply for any appointment which discriminates between applicants on grounds of creed or unreasonably on grounds of sex.

HOSPITAL APPOINTMENTS

Applicants should state names, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974, No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

No advertisement may stipulate that a non-resident must live less than 10 miles from a hospital. Advertisements for post-registration house officers, senior house officers and registrars should state clearly whether the post is resident, i.e. compulsorily resident.

In all advertisements grade should be clearly indicated. Normally a consultant vacancy must be advertised as (a) part-time with the number of sessions clearly stated, or (b) whole-time with the option of maximum part-time.

In the view of the B.M.A. an advertiser should not insist on possession of English higher qualifications in preference to Scottish or Irish qualifications (or vice versa).

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £2,859 per annum for the posts held during the first year; £3,075 per annum for posts held during the second year; £3,294 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £3,663 per annum x £243(1) — £3,906 x £246(1) — £4,152

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £4,152 per annum x £222(3) — £4,818 x £291(1) — £5,109.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £234 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £4,818 x £291(1) — £5,109 x £294(1) — £5,403 x £291(2) — £5,985 x £294(1) — £6,279.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

PART-TIME MEDICAL OFFICER GRADE (Clinical Assistant): £610 a year for each weekly notional half day.

HOSPITAL PRACTITIONER GRADE: £610 x £36(6) — £826 for each weekly notional half day.

MEDICAL ASSISTANT: £4,548 x £258(4) x £234(1) x £222(9) — £7,812.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £7,536 x £786(1) x £789(3) — £10,689.*

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate.

COMMUNITY MEDICINE

National Scale. Specialist in Community Medicine/District Community Physician/District Medical Officers: £7,536 x £786(1) x £789(3) — £10,689 p.a.*

National scales for Regional and Area Medical Officers/Chief Administrative Medical Officers vary according to authority. Information available from the Secretary of the B.M.A.

PUBLIC APPOINTMENTS ON WHITLEY SCALES

New appointments on these scales are intended solely in respect of clinical posts. The national scales are —

Clinical Medical Officer: £4,422-£6,273 p.a.

Senior Clinical Medical Officer: £6,450-£8,307 p.a.

WOMEN DOCTORS

Women doctors in the United Kingdom intending to take on N.H.S. work when circumstances allow may be eligible for the Women Doctors' Retainer Scheme. Details are available from the Medical Women's Federation, Tavistock House North, Tavistock Square, London WC1 9HX. May, 1975

* Subject to the provisions of the Government's counter inflation policy.

HAEMATOLOGY

LOTHIAN HEALTH BOARD

Non-Resident REGISTRAR

DEPARTMENT OF CLINICAL & LABORATORY HAEMATOLOGY required at the Western General Hospital, Edinburgh. The successful candidate will have approximately 50 per cent clinical and 50 per cent laboratory duties, the latter including some Blood Transfusion. The post is recognised for both the Primary and Final F.R.C.Path and is suitable for training in clinical haematology. It is desirable that candidates should have had a period of training in general medicine and have obtained an M.R.C.P. (Non-resident)

Applications, which should be typewritten, giving particulars of age, qualifications, and previous experience, together with the names and addresses of two referees, should be lodged with the Secretary, 11 Drumshugh Gardens, Edinburgh EH3 7QQ, within two weeks from the date of this advertisement. (H10282) 64-6

ST. MARY'S HOSPITAL Harrow Road, London, W9

Applications are invited for the post of REGISTRAR IN HAEMATOLOGY

to begin as soon as possible, for one year renewable. Applicants with no previous experience in laboratory medicine, but who hold the M.R.C.P. (U.K.) will be considered and initial laboratory training will be provided. The post is recognised for M.R.C. Pathology. Excellent facilities for training in laboratory and clinical haematology.

Apply in writing, naming two referees, to the Hospital Secretary by 21st February, 1976. (23637) 64-6

SOUTH GLAMORGAN HEALTH AUTHORITY (Teaching) University Hospital of Wales

Applications are invited for the appointment of

SENIOR HOUSE OFFICER IN HAEMATOLOGY

to start as soon as possible for the period of one year. The post is non-resident and primarily involves patient care at the Clinical Haematology Unit. An opportunity will be available for the successful candidate to see other aspects of the work of the Haematology Department. Excellent postgraduate and library facilities available. The post would be suitable for a candidate preparing for the M.R.C.P. examination.

Application forms and further particulars are available from the Medical Personnel Department, South Glamorgan Health Authority (Teaching), Temple of Peace and Health, Cathays Park, Cardiff, Tel: 31021 Ext. 39. Closing date is 28th February, 1976. (24026) 64-8

**BIRMINGHAM AREA HEALTH AUTHORITY (TEACHING)**

Next week may be too late

An illness or an accident can be costly.
Fortunately, most of us recover and the
setback to family finance is only temporary.
But can the same be said of permanent incapacity?
Adequate insurance is the answer for the
majority of doctors.

The post offers opportunity for work experience in all types of psychiatric disorders and their treatment, and facilities for supervised research. Responsibilities will include teaching of undergraduates and postgraduates.
Apply by sending typed curriculum vitae and the names and addresses of three referees to the General Administrator, 17 Page Street, Westminster Hospital, London S.W.1, by 23rd February, 1976, from whom further information is available. (51730) 84-5

NORTHERN
REGIONAL HEALTH AUTHORITY

SENIOR REGISTRAR
IN CHILD PSYCHIATRY
(Whole-time)
required for the Cleveland Area Hospitals, based at the North Tees General Hospital, Stockton on Tees. Non-resident. This recently established post offers supervised experience in a sub-regional Child Psychiatry Unit set in a new District General Hospital of nearly 1,000 beds. In-patient places are available but stress is laid on out-patient and day-patient care. Opportunity will be given to attend teaching sessions at the University Centre in Newcastle. Applicants should possess the M.R.C.Psych. or D.P.M. and previous experience in Child Psychiatry will be an advantage.
Application forms, returnable by 1st March, 1976, from Regional Medical Officer, Northern Regional Health Authority, Benfield Road, Newcastle Upon Tyne, NE6 4PY. (51759) 84-5

OXFORD
REGIONAL HEALTH AUTHORITY

SENIOR REGISTRAR
required for a rotating training post in Developmental Psychiatry at the Royal Buckinghamshire Hospital, Aylesbury and the Park Hospital for Children, Oxford. The post is of special interest to those wishing to gain experience of chronic disorders, epilepsy and mental handicap. Experience of general psychiatric problems will also be available. The first 18 months will be spent in Aylesbury and its associated hospitals. Applicants should have a higher degree in either medicine or psychiatry.
Applications (2 copies) on forms obtainable from the Secretary, Senior Registrars Committee, Oxford Regional Health Authority, Old Road, Headington, Oxford should reach here by 28th February, 1976. Please quote reference 17/1/27/6/BMJ. (51568) 84-5

SOUTH WESTERN
REGIONAL HEALTH AUTHORITY

Applications are invited for the appointment of **SENIOR PSYCHIATRIC REGISTRAR** based on Moorhaven Hospital, Ivybridge, South Devon. The appointment will be subject to review after the completion of the first year in post. Candidates should possess an appropriate higher qualification. The post is designated as non-resident but a good modern house (unfurnished) is available at a very reasonable rental. A comprehensive mental health service is in operation and experience can be gained in all branches of inpatient and outpatient psychiatry (including neurology, child guidance, subnormality, forensic psychiatry and E.E.G. work). The outpatient service is based on Plymouth General Hospital and Plymouth Nuffield Community Mental Health Centre. Further particulars of the service can be obtained from the Chairman of the Medical Executive Committee, Moorhaven Hospital.
Application forms obtainable from the Regional Medical Officer, South Western Regional Health Authority, 27 Tyndalls Park Road, Bristol, BS8 1PJ, to whom they should be returned by 19th February, 1976. Selected candidates will be interviewed on 5th March, 1976. (H10244) 84-5

IN DIAGNOSTIC RADIOLOGY**
Joint Appointment

Applications are invited for the above whole-time, non resident Senior Registrar appointment, vacant 21st April, 1976. The post is held jointly between the two Hospitals, with six sessions at The Hospital for Sick Children and five at the Royal Free Hospital. This is an approved four year training post which is subject to review at the end of the first year. There is a possibility that at a later date this post could become one of three senior registrar posts forming a rotation between the National Hospital, Queen Square, and the Royal Free Hospital and The Hospital for Sick Children.
Application forms available from the House Governor, The Hospital for Sick Children, Great Ormond Street, London WC1N 3JH, to be returned by 23rd February, 1976. Enquiries Tel: 01-405 9200 Ext. 3. (H10206) 85-5

**SOUTH GLAMORGAN
HEALTH AUTHORITY**
(Teaching)

Applications are invited for **TRAINEE REGISTRAR IN THE DEPARTMENT OF RADIOLOGY** (non-resident) at the University Hospital of Wales. The appointments will commence in October, 1976, when the three year course for the F.R.C. commences. The course is organised in association with the Welsh National School of Medicine. Successful candidates will be based at the University Hospital of Wales but will rotate to other hospitals in the area for specialised experience. These appointments are subject to review at the end of the first year.
Application forms are obtainable from the Medical Personnel Department, South Glamorgan Health Authority, Temple of Peace & Health, Cathays Park, Cardiff, to be returned by the 28th February, 1976. (24051) 85-6

RADIOTHERAPY & ONCOLOGY

GRAMPIAN HEALTH BOARD

The services of a **WHOLE TIME LOCUM CONSULTANT IN RADIOLOGY** based at Aberdeen Royal Infirmary are now required by the Grampian Health Board for a period of 6 months.

Applications from suitably qualified medical practitioners, together with the names of two referees, should be forwarded as soon as possible to the Chief Administrative Medical Officer, 1 Albany Place, Aberdeen, AB9 1RE. (23640) 86-1

**WEST MIDLANDS
REGIONAL HEALTH AUTHORITY**
Coventry and Warwickshire Area Health Authorities

AREA HEALTH AUTHORITY**

CLINICAL MEDICAL OFFICER
Applications are invited from doctors with a
particular interest in the developing
community child health and preventive
services, for a full or part-time appointment in
the Edgware side of the Area. Applicants
should have had some previous paediatric
experience, but additional training will be
arranged as appropriate, e.g. in
developmental paediatrics and assessment of
handicapped children for the School Health
Service. The post offers an enthusiastic doctor
ample opportunity to work with a modern
team approach by building links with
colleagues in general practice and hospital
and child guidance services, in addition to
teachers and social workers.
Full time salary scale: £4,422-£6,273 per
annum, plus £312 p.a. London Weighting. Dr.
Joan Mulholland, Area Specialist (Child
Health) will be glad to discuss the post with
potential applicants (Tel: 01-349 9121, Ext.
184).
Application forms obtainable from Area
Personnel Officer, Barnet Area Health
Authority, Tower Works, Woodside Lane,
Finchley, N.12. Closing date 27th February,
1976. (24135) 113

Members of local authorities or persons who have held such office within the past six months are ineligible.

(24011) - 112

SENIOR ROLES IN TOXICOLOGY

£11,465

These posts are in the Medical Division concerned with policy on chemical contamination of food and environmental pollution.

The doctors appointed will advise on toxicology, teratology and mutagenicity, with specific reference to either food, or chemical substances used in industry, or plastics and packaging materials. They will attend and contribute to the work of Committees, collect and assess data, and write reports. An information service is available and a

toxicological laboratory for short term testing will be opened shortly.

Candidates must be registered as medical practitioners in the U.K., and preferably have experience in biochemistry/chemistry, morbid anatomy, histopathology, haematology or pharmacology. Experience in industry will be an advantage for one post.

Salary for these London-based posts will be as shown above. There are promotion prospects and a non-contributory pension scheme.

For further details and an application form (to be returned by 27 February 1976) write to Civil Service Commission, Alencon Link, Basingstoke, Hants, RG21 1JB, or telephone Basingstoke (0256) 68551 (answering service operates outside office hours) or London 01-839 1992 (24 hour answering service). Please quote ref: S/229/2.

SOUTHLAND HOSPITAL BOARD

Invercargill, New Zealand

JUNIOR MEDICAL STAFF 1976

HOUSE SURGEONS

Some positions are still available for 1976. Southland Hospital is the base Hospital for the Southland Hospital District which has a population of 117,000 of whom approximately half live in the Invercargill Urban Area. It has at present 358 beds which include a forty bed Psychiatric Unit. A well qualified Medical Tutor conducts a programme of postgraduate education for junior resident medical staff. The Medical Education Committee of the New Zealand Medical Council has given the Hospital a first-class report as a training hospital for housemen in their pre-registration year. House surgeons may be required to serve at Seddon Memorial Hospital, Gore, on a rotational basis.

Invercargill is situated in close proximity to the Fiordland National Park and the Lakes District. There is good opportunity for cultural and recreational activities, including winter sports.

Enquiries and applications should be addressed to the Medical Superintendent, Southland Hospital, P.O. Box 39, Invercargill, New Zealand. (23971) 118

SOUTHERN ILLINOIS UNIVERSITY

School of Medicine
Springfield, Illinois, U.S.A.

This new medical school, one of North America's newest and most innovative will soon require additional clinical staff because of planned expansion.

Openings in the ranks of Associate and full Professor with salaries up to \$23,000 will be available in the clinical disciplines of Cardiology, Endocrinology, Chest Diseases, Haematology, Infectious Diseases and Family Medicine. Additional limited private practice in the University setting. Facilities for teaching, research and high quality clinical work are excellent and individual interests are encouraged.

The City of Springfield is the capital of the State of Illinois and has appropriate cultural and social opportunities in a midwestern setting. The University Medical School has an international staff with members from Britain, New Zealand and Canada as well as the United States.

Enquiries are invited from suitably qualified graduates of United Kingdom Universities for whom interviews in London, Edinburgh and elsewhere may be arranged in March 1976. Consideration will be given to all applicants without regard to factors of sex, religion or ethnic origin.

Further details may be requested from B. W. McGuinness, M.D., F.R.C.G.P., at 419 North Seventh Street, Springfield, Illinois 62701, U.S.A. (H19964) 118

**FAIRFIELD HOSPITAL FOR
COMMUNICABLE DISEASES, MELBOURNE**

PATHOLOGIST

A vacancy exists for a Pathologist Bacteriologist with a higher qualification registrable in the State of Victoria, to head the Clinical Pathology Section of the Pathology Department of this hospital.

Fairfield Hospital serves as an infectious diseases centre for the State of Victoria, which has a population in excess of 3,000,000, and cares for between 6,000-7,000 in-patients per annum. The hospital has strong links with both the State and Commonwealth Health Departments, and is a teaching hospital for the Melbourne and Monash University Medical Schools.

The Pathology Department is divided into two sections, Clinical Pathology and Virology, the latter department being under the direction of a Medical Virologist. The successful applicant should have a special interest in Microbiology, and in addition will be required to supervise clinical chemistry, haematology, and anatomical pathology. Opportunities for research exist, and are encouraged by the hospital. The laboratory is well equipped, has a staff of 20 people, and incorporates the laboratories for Venereal Disease and Tuberculosis for the State of Victoria.

The position carries teaching responsibilities for medical students from both Monash and Melbourne Universities, and a suitable applicant would normally be accorded appropriate honorary status in the microbiology departments of both universities.

Salary is in the range of \$(Aust.)20,506.00 — \$(Aust.)29,900.00 per annum, and subsidised superannuation is available. Other conditions include four weeks leave and 28 days sick leave per annum, sabbatical leave of six months after six years service, and long service leave of six months following 15 years service.

Fares and reasonable removal expenses will be paid.

Applications, in confidence, close on 30th April, 1976, with the undersigned, from whom further details may be obtained. **B. D. Dynon, Manager and Secretary, Fairfield Hospital for Communicable Diseases, Yarra Bend Road, Fairfield, Victoria 3078, Australia.** (23348)

118

CANADA

**Headquarters Hospital of
INTERNATIONAL GRENFELL ASSOCIATION,
St. Anthony, Northern Newfoundland**

PSYCHIATRIST of at least Senior Registrar level, is required for the above modern and well-equipped regional teaching hospital in July 1976. This hospital is affiliated with two universities and is responsible for an area of 50,000 square miles with a mixed population of settlers, Eskimos and Indians. A good commencing salary is offered according to experience. Contract minimum of one year. Travelling expenses paid and attractive accommodation is provided at a very moderate rental, which includes central heating, lighting, etc.

Please apply to the Secretary, with full particulars, Grenfell Association, Hope House, 45 Great Peter Street, London SW1P 3LP.

118

NEW ZEALAND

WAIRAU HOSPITAL, BLENHEIM

FULL-TIME

RADIOLOGIST

The conditions of appointment, together with the official application form are available from the office of the High Commissioner for New Zealand, New Zealand House, The Haymarket, London, SW1, or the Medical Superintendent, Wairau Hospital, Blenheim, New Zealand.

Travelling expenses paid as set out in schedule to conditions of appointment.

Further details of post from Medical Superintendent, with whom applications close on 31st March, 1976.

(23726)

118

Happiness

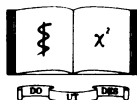

WHY are you scanning the advertisements? Idle curiosity or could you just possibly consider a change? *Completely* contented with your job? Can I tempt you with promises of good colleagues to work with, a pleasant environment, travel, opportunities to meet research workers of international calibre? Maybe you are attracted by the chance to analyse problems and design clinical experiments to answer them. Are they more attractive to you when they relate to sick people and how to get them better?

Do you think you might like dealing with ministry officials, or attending scientific meetings, or perhaps getting your name on research publications.

Maybe I should be telling you about the BIG salary (indexed to the cost of living!) or the bonus, or the pension scheme or even about profit sharing.

Perhaps you feel inadequately prepared for this type of research job. Don't worry, the company knows that this is a fairly new speciality and so it expects to have to train a newcomer (if he wants it). Incidentally, the speciality is growing fast and you would have almost ground-floor entry! On the other hand, if you already have experience the company wants you more and will pay for it!!

Of course there are snags; you and your family will have to live in Holland but that is only a matter of your own maturity. More important, you will have to be a physician who can be happy without face-to-face contact with patients. Are you such a person? Why not write to me for further information but be fair, tell me about yourself at the same time. And please quote Reference H7611.

WELLINGTON HOSPITAL BOARD
Wellington, New Zealand
Services for the
Intellectually Handicapped
MEDICAL DIRECTOR

The Wellington Hospital Board invites applications for the above new post which is being established to implement Hospital Board policy to provide services for the intellectually handicapped within their own catchment area. The proposed new service will be primarily a community based one, operated in collaboration between the Wellington Hospital Board and the New Zealand Society for the Intellectually Handicapped. These two bodies will combine to develop a network of homes, hostels and workshops within the community. The headquarters of the Hospital Board side will be within the grounds of Porirua Hospital, but will operate therapeutically as a separate entity and with a separate access road. There will be provision for 70-80 inpatients, investigation and assessment of out-patients and training facilities for both day-patients

and in-patients. Some broad policy decisions about this service have been made, but the Medical Director will be involved in implementation and further development in policy and will be answerable directly to the Superintendent in Chief of the Wellington Hospital Board.

Applications will be considered either from Psychiatrists or Paediatricians with a particular interest and experience in the field of mental subnormality. In either specialty, applicants must have qualifications and experience which would make them eligible for registration as specialist. Salary will be determined within the range: Specialist automatic \$NZ 13,332-\$NZ 17,777 per annum. Higher Merit Steps \$NZ 18,673-\$NZ 19,571 per annum.

Applicants should obtain a Schedule of Conditions of Appointment and an application form from the Office of the High Commissioner for New Zealand House, Haymarket, London SW1Y 4TQ, or from the Chief Executive, Wellington Hospital Board, P.O. Box 10245, Wellington, New Zealand, by whom applications will be received until Friday, 5th March, 1976. (23388) 118

Appointments in Saudi Arabia and Libya

AUSTRALIA SPECIALIST REGISTRAR IN OPHTHALMOLOGY SALARY \$A20,697/21,094

ROCKHAMPTON BASE HOSPITAL

Applications for a new position, as above, are invited. Applicants must be registrable as an Ophthalmology Specialist in Queensland which means that an appropriate postgraduate qualification must be possessed.

The position is initially offered, with free accommodation for a married couple, for a period of one year.

During the course of his full-time employment the appointee could assess the prospects for entering private Ophthalmology practice in Rockhampton and, if he decided to do so, the establishment could revert to that of Visiting Part-Time Specialist.

As a Specialist Registrar, the appointee would be engaged full-time in two or more out-patient sessions per week and two operating sessions per week.

The Director General of Health and Medical Services for Queensland is now in Britain and will be available until the end of February to discuss aspects of employment and living in Queensland and to interview applicants for the various posts.

Applications to: **Agent-General for Queensland,**
392-393 Strand, London WC2R 0LZ.

Telephone: 01-836 3224.

Medical Officers

The **Zambian Copperbelt** is one of the largest copper mining complexes in the world. Its two major mining companies, Nchanga Consolidated Copper Mines and Roan Consolidated Mines, are responsible for providing full medical care for 55,000 employees and their dependants — in total some 260,000 people. To this end, they run hospitals, clinics and first aid dressing stations, situated in the various copperbelt towns.

Opportunities exist for suitably qualified General Duty Medical Officers with experience in surgery, paediatrics, obstetrics or anaesthetics.

Employment will be on a renewable contract basis and salary will be negotiable depending on qualifications and experience.

The contribution of qualified expatriate doctors is appreciated by the Zambian Government. Hence, the attractive salary and conditions of service we can offer. Additional benefits include free passages to and from Zambia; generous baggage and tax-free settling-in allowance; low cost furnished accommodation; tax-free childrens education and travel allowance; free life assurance; interest-free loan towards car purchase; generous paid leave.

Please write for an application form and further details, quoting Ref. BM67 to:

ASPECTS OF SEXUAL MEDICINE

From the British Medical Journal

Freer discussion of sexual matters on television and in the popular press has led to many more patients approaching their doctors for advice on sexual problems. The articles collected together in this book give practical advice on common problems such as impotence and on the help and guidance that may be given to handicapped patients and others with special difficulties. Few doctors received adequate instruction on sexual medicine at their medical schools: *Aspects of Sexual Medicine* brings them up to date.

New product

Lopresor[®]
metoprolol tartrate

new β_1 selective beta-blocker

All you expect of a modern beta-blocker

- effectively lowers blood pressure
- no postural effects or sexual impotence
- improved effort tolerance in angina
- reduces the frequency of anginal attacks

Plus the benefits of β_1 selectivity

**greater safety margin than non-selective agents in
asthma or bronchitis**

- less risk of bronchospasm
- does not interfere with adrenergic
bronchodilators

**less likely than non-selective agents to cause
undesirable peripheral vasoconstriction**

Lopresor 50mg for angina pectoris

Lopresor 100mg for hypertension

Brief Pharmacological Profile

Selectivity	β_1 only
Plasma half-life	3 - 4 hours
Physiological half-life	~ 8 hours
Intrinsic sympathomimetic activity	No
Local anaesthetic activity	No
Renin suppression	Yes
Isoprenaline-induced lipolysis	Inhibition
Isoprenaline-induced insulin release	Minimal inhibition
Protein binding	12%

Lopresor is available as pale blue tablets for hypertension containing 100mg, and as pale red tablets for angina pectoris containing 50mg metoprolol tartrate in packs of 100 tablets.

Further information is available to the medical and allied professions on request
