

**For those
who only catch
colds**

PHENSEDYL linctus

'Phensedyl' provides really effective symptomatic relief in the common cold.

It has a powerful antitussive action, soothing irritated throats and suppressing cough reflexes.

It quickly loosens blocked respiratory passages, reduces nasal irritation and dries watery discharge.

In fact, when 'Phensedyl' has done its work, there really isn't much left of a cold!

And it has a rather pleasant taste, too...

*'Phensedyl' contains: promethazine hydrochloride 3.6 mg
codeine phosphate 9 mg ephedrine hydrochloride 7.2 mg*

Full information is available on request

'Phensedyl' is a trade mark of May & Baker Ltd

NOW—INSTANT DIAGNOSIS

HOSPITAL SCENE
 DOCTORS BAG/OFFICE
 AMBULANCE AND
 EMERGENCY SERVICE
 INDUSTRIAL MEDICINE
 INTENSIVE CARE UNIT
 MONITORING THERAPY
 CARDIAC SCREENING
 AFTER EXERCISE

AVAILABLE ANYTIME ANYWHERE

CARDIO-MINISCOPE does away with the complexities, weight, expense, reliance on AC power of a conventional Cardioscope. The electrodes are an integral part of the unit and are simply pressed against the chest to the left of the sternum, eliminating time wasting fixing leads to the extremities. Big picture display by magnifying lens. Display equal to 2nd extremity/thoracic lead. Instant recognition of a disturbed cardiac rhythm, normal to weak, Asystolia, Sinus Tachycardia, Ventricular Tachycardia and Fibrillation, AV-block 1/2/3rd Stage, Extrasystoles, etc., etc.

POWER: 4 "C" 1.5v batteries—replace once or twice a year. Easy-read heart rate scale 30-80, 60-180 on 12mm/sec and 25mm/sec sweep. Constant 1mV calibration. Flashing lamp indicator with R-wave per minute.

CONTROLS: Switch ON and Sweep Selector. Auto switch OFF after one minute conserves battery. Switch ON and tracing reappears. Size 4.5 x 11 x 18cm. Weight 790gm. Complete with standard electrodes.

PRICE: £297.00 (UK+VAT). Optional accessories—plug-in electrodes for child/infant use £18.00, extremity 3 cable lead adaptor (Einthoven) for connection to ECG electrodes £18.00.

Typical Hospital comment "... completely reorganized our cardiac dept ... enables an instant diagnosis to be made"

In bronchitis Septrin b.d. leaves nothing to chance

Septrin has a powerful action against the pathogens likely to cause acute episodes of bronchitis; *H. influenzae*, the most troublesome organism, is highly sensitive.

Septrin has been shown to give better results than ampicillin¹ and tetracycline² with regard to:

- * Rapidity of resolution of symptoms.**
- * Eradication of pathogens from sputum.**
- * Conversion of purulent to mucoid sputum.**

Novo Insulins

An important announcement

Last year NOVO INDUSTRI A/S set a higher standard in insulin purity with the introduction of their MONOCOMPONENT INSULINS based upon pork pancreas.

Now they bring new standards in purity to "beef"-containing insulins with their PRO-INSULIN FREED* range.

In order to identify these products the tradenames have been changed as follows:

Novo Lente renamed

Novo Lentard

Novo Ultralente renamed

Novo Ultratard

Novo Semilente

no change of name

Novo Rapitard

no change of name

Patients currently maintained on NOVO Lente, Semilente, Ultralente or Rapitard insulins should be advised that the changeover may be effected without complication or readjustment of dose. Stocks of the original insulins are not being withdrawn and should be used first except where the Physician specifically orders a pro-insulin freed* insulin.

Attention is further drawn to the fact that since it is not possible to offer Soluble Insulin BP or Protamine Zinc Insulin BP manufactured to the same high standard of purity, these two products will no longer be available once present stocks have been exhausted.

There are no changes in respect of
MONOCOMPONENT INSULIN.

Lentard, Ultratard and Rapitard are trademarks.

Data Sheets and all other relevant information is available to members of the medical and allied professions from:

Martindale Pharmaceuticals Limited,
Chesham House, Chesham Close, Romford, Essex.

*"PRO-INSULIN FREED" indicates less than 20 ppm of pro-insulin can be found when assayed according to the accepted methods published in Hormone & Metabolic Research 1974, Supp. Series Vol. 5, pp 40-44.

Product Licence Numbers: 0542 5021/22/23/25/33/34/35 and 37.

Alternative dosage regimen of Caved-S produces impressive results in chronic duodenal ulcer

Endoscopic examination proved chronic duodenal ulceration in 32 male patients, whose clinical histories ranged from 2 to 30 years.¹

DOSAGE

ADEQUATE DOSAGE

2 Caved-S tablets 5 times daily for up to 24 weeks

"... the daily dose selected was the median of that advised in a series of patients treated with deglycyrrhizinized liquorice tablets who had failed to respond to other measures and had been referred for surgery..."¹

THOROUGH CHEWING OF THE TABLETS

mixing Caved-S with the saliva appears to play an important role.

"Saliva may have a role of its own or a synergistic action with constituent of the liquorice extract. Work in India (Malhotra *et al*, 1965) has suggested that eating foods which do not require chewing results in an increased incidence of duodenal ulceration and that saliva exerts a protective action in peptic ulceration (Malhotra 1967; Malhotra, 1967)."¹

SWALLOWING ON AN EMPTY STOMACH

allows the bolus of Caved-S and saliva to reach the prepyloric area of the stomach, where maximum demulcent effect and healing occur.

"The advice that the agent should be taken on an empty stomach in the ambulant patient could be crucial. Simple studies on patients presenting for barium-meal examination have shown that if a small sip of barium is taken while in an upright position when the stomach is empty the bolus of barium rapidly travels down the lesser curve of the stomach and comes to rest in the prepyloric region. This may effectively produce a 'positioned release' preparation, and the bolus of mixed saliva and deglycyrrhizinized liquorice would appear to be strategically placed to exert maximum demulcent or healing effect."¹

RESULTS

Endoscopic examination showed that Caved-S had healed the ulceration in ALL 32 patients and in most the mucosa appeared normal.

¹ A Retrospective Endoscopic Survey of 32 patients. *The Practitioner*, (1975), Larkworthy and Holgate

Inflation proof savings?

Guaranteeing your savings against inflation is an impossible task. However, the new Index Linked S.A.Y.E. Scheme does just that — it is backed by a Government guarantee.

Although designed to be paid by monthly instalments out of income, it is now possible to deposit a capital sum from which these monthly payments are made. The capital sum required is less than the total S.A.Y.E. payments, so that quite apart from the guaranteed basic benefits of the S.A.Y.E. Scheme, there is the further attraction of the discount on the capital.

An investment for all the family

This scheme is available to husbands, wives and children of 16 or over. The amount of your investment depends on your age of application, as follows:—

To the
Medical Insurance Agency Ltd.,
B.M.A. House, Tavistock Square,
London, WC1H 9JD

Please send me an application form giving full details of your "Inflation proof savings plan".

BLOCK LETTERS PLEASE

PRACTICES (Family Practitioner Committees)

Cheshire Area Health Authority Family Practitioner Committee

New Medical Practice Vacancy in the Birchwood District of the Warrington New Town, Cheshire.

A new single-handed medical practice vacancy has been created in the Birchwood district of Warrington New Town. The vacancy will attract an Initial Practice Allowance Type 'D'. Under the terms of the Type 'D' Initial Practice Allowance the guaranteed net income for the first doctor will be a flat rate of £11,030 unrelated to the doctor's previous income and will continue for up to five years from the date of first appointment. Reasonable practice expenses will be met by the Family Practitioner Committee. The Allowance will not cease upon the appointment of a partner but a joint guaranteed net income of £19,515 will then become payable. A Type 'C' Initial Practice Allowance will be payable when a third partner joins the practice and also on the appointment of a fourth doctor. Doctors appointed as first or second doctor on a Type 'D' Allowance may claim removal expenses and may be paid travelling and subsistence expenses for necessary prior visits to the area.

General practitioners who have been qualified doctors for about ten years, two of which have been spent in hospital appointments and five in busy general practice in this country, are invited to apply for this appointment. Applicants should also have extensive maternity experience and should be acceptable for inclusion in the Obstetric List. The successful applicant will eventually be expected to lead the primary care team of five or six doctors. It is hoped that the successful applicant will be able to take up the appointment in July, the actual date to be agreed following discussions between the Family Practitioner Committee and the successful candidate.

New residents are beginning to move into the area and it is estimated that the Birchwood district will have a population of approximately 10,900 by 1980/81. The population could grow to approximately 20,000 by the early 1990s. The Warrington New Town Development Corporation are making available temporary surgery premises in the form of a Temporary Health Centre pending the erection of a permanent Health Centre in 1979.

Residential accommodation can be made available to the successful applicant if required.

Further information and application forms should be obtained from the Administrator, Cheshire Family Practitioner Committee, 28 Nicholas Street, Chester (Tel. No. Chester 23158-9) and completed applications returned not later than 6th March, 1976.

WHAT IS RISCA? Historically it is the ford across which Roman Legionaries from Isca Silurum (Caerleon) marched to play away fixtures against the Silurians, the Celts and the Jones's. Where is Risca? 5 miles from the M4; 100 minutes from Birmingham, Heathrow, Exeter, or your seat at the Arms Park in Cardiff. Work in Risca? The coal mine and the steelworks are closed, but there is a vacancy for a Trainee G.P. at the Health Centre. Ideally, it would suit a married couple, with part-time work being available on Reception, Clerical, or Nursing duties for your partner. Apply in your own handwriting (we've got to see your records!) with two references to Drs. Davies, Griffiths, Thomas & Thompson, The Health Centre, Risca, Gwent, NP16 7YF. 19

FOR GENERAL PRACTICE
Applications are invited for two posts in a vocational Training scheme based on Nevill Hall Hospital, Abergavenny. The rotation covers two years of hospital posts and one year in General Practice, and candidates will be expected to complete the course. The posts are recognised for the D.Obst. R.C.O.G., D.C.H., and M.R.C.G.P. The scheme includes rotation through community and industrial medicine as well as Paediatrics, Obstetrics and Psychiatry. Accommodation will be provided throughout at Abergavenny. National Health Service salary and conditions of service will apply and trainees will be paid at Senior House Officer/Trainee Assistant level. The hospital posts will be classified as residential. The scheme is run in conjunction with a day release vocational training course. Additional Trainee Assistant posts are available, details of vacant posts may be obtained from the postgraduate organiser. Application form and further details may be obtained from the Postgraduate Organiser, Postgraduate Medical Centre, Nevill Hall Hospital, Abergavenny, Gwent NP7 7EG. Closing date 15th March, 1976. (24377) 21

GREATER GLASGOW HEALTH BOARD
South-Western District

VOCATIONAL TRAINING SCHEME

FOR GENERAL PRACTICE
Applications are invited for entry to the above scheme on 1st August, 1976. The scheme is open to doctors eligible for full registration with the General Medical Council on that date, and offers a three year training programme, comprising General Medicine, 3 months General Practice; 6 months General Obstetrics and Gynaecology, Paediatrics and Psychiatry and eighteen months as a Trainee in General Practice with a two month 'sandwich' course in community medicine. The trainee is required to be resident during the Obstetric and Paediatric posts. Further particulars of the scheme can be obtained from the District Medical Officer, Medical Administration Office, Southern General Hospital, Glasgow G51 4TF, to whom applications, giving curriculum vitae and the names of two referees, should be submitted within fourteen days of the appearance of this advertisement. (24389) 21

KIDDERMINSTER
HEALTH DISTRICT

VOCATIONAL TRAINING SCHEME

FOR GENERAL PRACTITIONERS
Applications are invited for two Senior House Officer posts in this scheme to commence in July, 1976. The scheme is recognised by the Royal College of General Practitioners for the M.R.C.G.P. examination purposes and offers: 3 months General Practice; 6 months General Medicine, Kidderminster, resident; 6 months Paediatrics, Kidderminster, resident; 6 months Obstetrics & Gynaecology, Worcester, resident; 6 months General Specialties including Accident and Emergency, Kidderminster, resident; 9 month attachment to General Practice. Married accommodation may be available. Applications with names of two referees to Mr. S.D. Jones, Assistant Administrator, Kidderminster General Hospital, Bewdley Road, Kidderminster, Worcs. UNIVERSITY AND RESEARCH APPOINTMENTS

THE QUEEN'S UNIVERSITY OF BELFAST

SENIOR LECTURER OR LECTURER IN PSYCHIATRY

Applications are invited for the post of a third Senior Lecturer/Lecturer in Psychiatry in the University Department of Mental Health. The Department is headed by Professor G. W. Fenton, recently appointed to the Chair. The 50-bed clinical unit is situated in a large General Teaching Hospital. New University accommodation for the Department is at an advanced stage of construction and will be open early in 1976. The post is a joint appointment between the University and the Eastern Health and Social Services Board and is tenable from 1st April, 1976 or such other date as may be arranged.

The salary range is £5,652 to £7,461 (lecturer/non consultant); £7,536 to £10,689 (lecturer/senior lecturer/consultant), with provision for superannuation. An appointment may be made at any point on the lecturer/non consultant scale depending on qualifications and experience. The successful applicant (if suitably qualified) is likely to be graded as consultant and may be given the University title of Senior Lecturer. Assistance is available with removal expenses. Research facilities include a biochemical laboratory, biotelemetry, a PDP11/40 laboratory computer, E.E.G. and polygraphic recording equipment. A sleep laboratory is being set up. In addition to its research activities the Department of Mental Health has considerable Medical Undergraduate and Postgraduate teaching commitments and also takes part in the teaching and training of those in disciplines allied to Psychiatry.

Applications should be received by 12th March, 1976. Further particulars may be obtained from the Personnel Officer, The Queen's University of Belfast, BT7 1NN, Northern Ireland. (Please quote Ref. 76/BMJ).

GENERAL PRACTICE TRAINING POSTS

Doncaster Area Health Authority

DONCASTER VOCATIONAL TRAINING PROGRAMMES FOR GENERAL PRACTICE

Applications are invited for posts available on 1st August, 1976. The programmes are based on Doncaster Royal Infirmary, a new district general hospital of 804 beds, with postgraduate centre and extensive medical library.

BASIC 3-YEAR PROGRAMME

Involves six months in general practice, followed by 4 six month rotating hospital posts selected from General Medicine, Geriatrics, Obstetrics, Paediatrics, Psychiatry and a combined post consisting of 3 months E.N.T./3 months Orthopaedics, with a final six months in general practice.

MODIFIED PROGRAMME

Shorter programmes may be arranged for practitioners with previous Senior House Officer experience or others who require a shorter period of vocational training. These would involve 12 months in general practice plus a variable number of Senior House Officer posts linked to the Educational programme.

The educational programme consists of weekly meetings continuing throughout the length of the programme. Outside visits are arranged where appropriate e.g. to local industry.

Doctors completing the basic programme will qualify for the Vocational Training Allowance. The programme will also be acceptable for D.Obst., R.C.O.G., D.C.H., and the M.R.C.G.P.

Housing may be available to suit individual needs of doctors undertaking the basic 3-year programme.

Applications with curriculum vitae and the names of two referees, and any enquiries, should be made in writing to the Secretary, Joint Planning Committee for Vocational Training, c/o Hospital Administrator, Doncaster Royal Infirmary, Doncaster DN2 5LT. Closing date for applications 1st March, 1976.

COMMERCIAL APPOINTMENTS

Head of Clinical Research

This is a senior and influential appointment within the UK Research Centre of one of the world's largest and most respected pharmaceutical companies.

It offers an unusual opportunity to make a very direct contribution to the future progress of medicine, through leadership of a team concerned with the discovery and evaluation of new therapeutic agents.

The company is Roche Products Limited, well-known for the quality of its research and for the originality of its contributions to medicine over many years. The company's long-term commitment to the success of its UK research programme is reflected in the substantial expansion of its scientific research strength over the last four years, and in the recent completion of impressive new research buildings.

The post calls for a rare blend of clinical, scientific and organisational skills. It entails leadership and direction of a highly experienced clinical research team and, through this team, the planning and coordination of clinical evaluation studies on prospective new medicines, both in the UK and in certain overseas territories. Also, by membership of key research committees, the Head of Clinical Research will make a significant creative contribution to the various other scientific project groups.

Additional responsibilities include provision of advice on the financing of fundamental clinical research projects in outside Medical Centres, and representation of the company at the highest levels of the Profession, both nationally and internationally.

Suitable candidates will already hold responsible positions in Universities, Hospitals or Industry and have achieved superior standing in their own branch of Medicine.

Our search for this appointment will not be confined to the UK, and applications are particularly welcomed from graduates of British medical schools who are currently working overseas.

The starting remuneration level will be appropriate to that of a consultant with a good merit award, and a car and other important benefits will also be provided.

The post will be based at Roche's UK Research Centre in Welwyn Garden City. The area offers good educational facilities and amenities, together with pleasant countryside for home and family.

Please apply in complete confidence quoting reference ED7, or 'phone if you would like to discuss the position further:

Dr. A. E. F. Chandler, Talentmark Limited,
King House, 11 Westbourne Grove,
London W2 4UA. Telephone: 01-229 2266.

23

UNIVERSITY OF LEEDS
DEPARTMENT OF OBSTETRICS AND GYNAECOLOGY
(Leeds Maternity Hospital)

Applications are invited for the post of LECTURER in the Department of Obstetrics and Gynaecology (Leeds Maternity Hospital). Duties will involve teaching, research and clinical work in the Leeds Area Health Authority (Teaching). Western District. Candidates should have had several years' experience in clinical obstetrics and gynaecology and be members of the Royal College of Obstetricians and Gynaecologists.

Salary in the range £3,742-£7,440.

Application forms and further particulars may be obtained from the Registrar, the University, Leeds LS2 9JT (quoting reference number 100 3), to whom applications should be returned by 1st March, 1976.

Initial enquiries may also be made of Professor J. S. Scott, 17 Springfield Mount, Leeds LS2 9NG. (23910)

25

UNIVERSITY OF SOUTHAMPTON
Faculty of Medicine
LECTURER IN
PRIMARY MEDICAL CARE

Applications are invited from registered Medical Practitioners for a new post of Lecturer in Primary Medical Care at Southampton Medical School. This new post has been created as a result of the expansion of teaching and service at the second Primary Medical Care Teaching Unit close to Southampton.

The successful applicant will have teaching and service responsibilities, participate in the Department's research projects and have the opportunity to pursue personal research appropriate to Primary Medical Care. The salary will be within the range for a Clinical Lecturer £5,211-£7,203 (9 increments). An allowance will also be paid for expenses incurred in practice. Superannuation. Further particulars may be obtained from the **Administrative Secretary (Ext. 2804), The University, Southampton, SO9 5NH** quoting Ref. No. JMB/2/76/A to whom applications should be sent not later than 13th March, 1976. Applicants are invited to telephone **Professor J. A. Forbes or Dr. Ewen Clark (Tel. Southampton 777222, Ext. 3781).**

25

COMMERCIAL APPOINTMENTS

Doctors in the Pharmaceutical Industry

A major career opportunity exists for a well experienced person wanting to become **HEAD OF CLINICAL RESEARCH** located in the southern half of England.

Details of this very important and senior position will be sent only to enquirers who satisfy me very briefly in their initial communication that they are worth considering further for a position at this level.

Confidentiality is assured. I particularly need to know at this stage; your work record *in industry*, type of work in each job (Phase I, II, III, IV, CTC's, PLA's etc), your current (? frozen) salary, what it should be and what you might require. This is one of those rare openings that do not come up too frequently (*and are usually not advertised*) so if in doubt, drop me a line. And please quote Reference E7612.

Clinical Research Services Ltd.

23

OCCUPATIONAL HEALTH

Lucas Industries

Occupational Physician

Applications are invited from fully registered Medical Practitioners in the United Kingdom for a full-time post based in South Birmingham.

This appointment offers a permanent career in occupational medicine within a large industrial organisation with well established occupational health, hygiene and safety engineering services. The successful candidate will manage and further develop occupational health services at several factories, including a large plant manufacturing lead batteries, and actively participate in a team well aware of the importance of health and safety at work.

The development of special interests will be encouraged particularly in the field of toxicology and candidates should have a good standard of clinical medicine with an interest in preventive medicine. Experience in occupational medicine or allied subjects is desirable and the possession of a higher qualification will be an advantage. An opportunity for further post graduate training will be available.

Salary will be within the scale recommended by the British Medical Association for Medical Officers or Senior Medical Officers; the grade and commencing point will depend upon qualifications and experience. Excellent pension and other fringe benefits are provided.

Applications giving full details of qualifications, experience, age and names of two persons to whom reference may be made should be addressed to:

The Chief Medical Officer
Joseph Lucas Limited
Great King Street
Birmingham B19 2XF

IN PHYSIOLOGY

SENIOR HOUSE OFFICER

IN ANAESTHETICS

Duties include teaching medical and science students in Physiology, and clinical responsibilities in Anaesthetics at M.R.I. Appointees will be medically qualified, preferably with experience in anaesthetics, and may study for a further qualification. Duties commence October or earlier by arrangement. Salary range £3,663 to £4,152 p.a. Particulars and application forms (returnable by 8th March, 1976) from the Registrar, The University, Manchester M13 9PL. Quote ref: 12/76/JMB. (24275) 25

UNIVERSITY OF EDINBURGH
Faculty of MedicineLECTURER
DEPT OF FORENSIC MEDICINE

The University Court invites applications from Registered Medical Practitioners for the post of Lecturer in the Department of Forensic Medicine. It is hoped that the Lecturer will be able to take up the appointment as soon as possible. Applicants must have some experience in General Pathology and an intention to remain in Pathology. An interest in Forensic Medicine is essential but previous specialised practice, although desirable, is not a pre-requisite. The major part of the Lecturer's duties will consist of post-mortem dissections performed on instruction from the Procurator Fiscal under the guidance of the Regius Professor of Forensic Medicine and the Police Surgeon. The Lecturer's post will incorporate that of Depute Police Surgeon and will involve some clinical commitments, in respect of which Honorary Status will be awarded by the Lothian Health Board. The Lecturer will be expected to take a full part in the teaching activities of the Department and also to undertake research. Suitable arrangements will be made with the Department of Pathology to provide training leading to the M.R.C.Path. The initial salary will be at a point on the scale £3,777 to £6,903 p.a.

Further particulars are obtainable from the Secretary to the University, University of Edinburgh, Old College, South Bridge, Edinburgh EH8 9YL, with whom applications, 6 copies giving the names of three referees, should be lodged not later than 13th March, 1976. Please quote Ref. No. 1002. (24271) 25

UNIVERSITY OF SOUTHAMPTON
Faculty of MedicineSENIOR LECTURER
IN COMMUNITY MEDICINE

Applications are invited from registered medical practitioners for the post of

SENIOR LECTURER
IN COMMUNITY MEDICINE

For the successful candidate an honorary contract will be arranged with the appropriate National Health Service Authority. Salary on scale £7,536 to £10,689. (4 increments). Superannuation.

Further particulars may be obtained from the Administrative Secretary (Ext. 2804). The University, Highfield, Southampton SO9 5NH to whom applications (7 copies from applicants resident in the UK and 1 from others) should be sent not later than 6th March, 1976 quoting reference 3/76/AMJ. (24143) 25

UNIVERSITY OF WESTERN AUSTRALIA
PerthCHAIR OF DIAGNOSTIC
RADIOLOGY

Applications are invited from medical graduates registrable in Western Australia and with appropriate higher qualifications for appointment to a new Chair of Diagnostic Radiology in the University Department of Surgery, of which the current Head is Professor B.N. Catchpole. The appointee will be located at the Royal Perth Hospital (a major teaching hospital of the University with some 1052 beds) and in the first instance will be Head of the Hospital's Department of Diagnostic Radiology. He will be required to engage in the teaching of undergraduate students and in research as well as to provide a diagnostic and consultative service for the Hospital.

The salary for a Professor is \$A24,394 p.a. plus a loading of \$A4,000 p.a. for clinical responsibilities. Benefits include superannuation similar to F.S.S.U., fares to Perth for appointee and dependent family, removal allowance, study leave and long service leave and housing loan scheme. Further information including conditions of appointment may be obtained from the Staffing Officer in the University, or from the Association of Commonwealth Universities (Appts), 36 Gordon Square, London WC1H 0PF.

CLINICAL ASSISTANTS
ACCIDENT & EMERGENCY DEPT required for sessional work in the above department. There will be sessions vacant each weekday from 1st April, 1976. Appointment initially for one year with the option of renewal. This is one of the busiest Accident & Emergency Departments in the country and is under the personal supervision of a Consultant Accident Surgeon.

Applications, stating qualifications, experience and naming two referees, and also stating days and times available, to the Personnel Officer, Medical Staffing, by 5th March, 1976. (24289) 51-4

COMMERCIAL APPOINTMENTS

Medical Adviser

Roussel Laboratories Limited, part of one of the largest international pharmaceutical groups in the world, seeks a physician to work in the Medical Department of its London headquarter offices which is responsible, not only for the group medical activity in the U.K., but also in certain overseas countries, notably Scandinavia, Canada, South Africa, India and Australasia. This means there will probably be opportunities for foreign travel.

The scope of the work will include:

- liaison with research scientists developing new compounds,
- organising, or in some instances performing, pharmacokinetics or metabolic studies on new compounds,
- designing and monitoring clinical evaluations of compounds both in the pharmaceutical and parapharmaceutical areas,
- a variety of other activities such as lecturing to non-medical staff, contributing professional expertise to the marketing and promotional departments and the evaluation of new product proposals.

Applicants should hold a recognised medical degree and be registered with the General Medical Council. Previous experience in the industry or of clinical trial design would be a distinct advantage as would knowledge of a second European language.

Salary will be very competitive and commensurate with the responsibilities involved and the successful candidate will have the full use of a Company car.

Other benefits are excellent and include life, accident and disability insurance, family BUPA membership and a generous contributory superannuation scheme.

Candidates should write or telephone for an application form to:

Micheline Eames,
Roussel Laboratories Limited,
Roussel House, Wembley Park,
Middlesex. HA9 0NF.
Tel: 01-903 1454.

GRANTS

The Royal College of Physicians of London GRANTS FOR DOCTORS TO LEARN FRENCH OR GERMAN

The College proposes to offer a limited number of grants to doctors (not necessarily Fellows or Member of this College) who have been asked to represent British medicine in the EEC or who plan to spend a substantial period of postgraduate study or teaching on the Continent. Grants will cover the cost of individual tuition, the amount of which would depend on previous knowledge of the language, at the Berlitz Schools of Languages in London, Birmingham or Manchester. Successful applicants will be expected to undertake to complete their course and to make themselves available later, if asked to represent the College in Europe.

Application forms may be obtained from:-

**The Assistant Registrar, The Royal College of Physicians,
11 St. Andrew's Place, Regent's Park, London NW1 4LE**
Applications close on 31st March, 1976.

COMMERCIAL APPOINTMENTS

Medical Adviser

EASTBOURNE

Armour Pharmaceutical Company Limited, the United Kingdom subsidiary of the International Greyhound Corporation, manufactures a wide range of pharmaceutical products at Eastbourne.

Applications are invited from qualified medical graduates for the appointment of Medical Adviser. Reporting to the Medical Director, he or she will be involved in the planning, design and organisation of clinical trials carried out in the United Kingdom and in certain overseas markets.

An ability to communicate and liaise internally with other departments in the Company, and externally with Regulatory Authorities and Clinicians is essential. This will provide involvement in all aspects of the Research & Development, Marketing, Quality Control and Sales of new and existing products.

Terms and conditions are excellent and include Company car, assistance with relocation expenses where necessary. Contributory Pension and free Life Assurance Schemes are in operation.

Please apply in writing, giving full details of career to date, to: Mr. Hamish Mackenzie, Personnel Manager, Armour Pharmaceutical Company Limited, Hampden Park, Eastbourne, East Sussex BN22 9AG.

Armour Pharmaceutical Company

23

OCCUPATIONAL HEALTH

Medical Officer

The National Coal Board's medical contribution to the intensive programme to eliminate pneumoconiosis includes a comprehensive X-Ray Service with Centres in each of the major coalfields. The X-Ray Service has recently been extended to comply with additional responsibilities resulting from the Coal Mines (Respirable Dust) Regulations 1975 and as a result of promotion within the Service there is now a vacancy for a medical officer.

In addition to the clinical and epidemiological aspects of radiography in the coal mining industry, chest X-ray surveys are undertaken for other industries with potential dust hazards such as asbestosis and silicosis. Staff are encouraged to develop original research and to take part in national projects. Close contact with local hospitals and chest clinics is essential.

Applicants should have previous experience in chest diseases and/or radiology. Initial training will be given in Yorkshire and thereafter the successful applicant will be based in South Wales, where experience in general occupational medicine will also be available.

Salary will depend on experience, but initially will be in excess of £7000, with good promotion prospects.

Please write to:

**Director of
Staff Administration,
Room 202, Hobart House,
Grosvenor Place,
London SW1X 7AE.**

**LEICESTERSHIRE
AREA HEALTH AUTHORITY**
(Teaching)
The Leicester Royal Infirmary

**SENIOR HOUSE OFFICERS POST
IN THE ACCIDENT &
EMERGENCY/ORTHOPAEDIC DEPTS.**
Resident. Tenable for six months, renewable. Recognised for F.R.C.S. Accident Surgery. Vacant April, 1976. This is a rotating appointment and includes training in management of in-patient and out-patient fractures and duties in the Accident and Emergency Department. Regular teaching ward rounds and tutorials are held. There is an active postgraduate programme and ample time allowed for study. Regular courses suitable for Primary F.R.C.S. are established in Leicester and local facilities for study in Anatomy can be made available by arrangement. A Medical School has been established at the University of Leicester and recently admitted its first students.
Applications stating age, qualifications and experience, and the names of two referees should be sent to the District Administrator, South West District, Leicester Royal Infirmary, Infirmary Square, Leicester by the 2nd March, 1976. (24382) 51-8

APPOINTMENTS

Applicants for medical appointments are advised to check whether the post advertised is included in the Important Notice and to scrutinize carefully the remuneration and terms of service offered. Any member who is in doubt about these terms in relation to B.M.A. agreements should consult the Secretary of the Association.

Advertisers are reminded that the Race Relations Board insists that no descriptive term implying racial, national, or ethnic characteristics may be used in any advertisement. Further, readers are advised not to apply for any appointment which discriminates between applicants on grounds of creed or unreasonably on grounds of sex.

HOSPITAL APPOINTMENTS

Applicants should state names, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Convassing disqualifies (Statutory Instrument, 1974, No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

No advertisement may stipulate that a non-resident must live less than 10 miles from a hospital. Advertisements for post-registration house officers, senior house officers and registrars should state clearly whether the post is resident, i.e. compulsorily resident.

In all advertisements grade should be clearly indicated. Normally a consultant vacancy must be advertised as (a) part-time with the number of sessions clearly stated, or (b) whole-time with the option of maximum part-time.

In the view of the B.M.A., an advertiser should not insist on possession of English higher qualifications in preference to Scottish or Irish qualifications (or vice versa).

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £2,859 per annum for the posts held during the first year; £3,075 per annum for posts held during the second year; £3,294 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.
SENIOR HOUSE OFFICER: £3,663 per annum x £243(1) — £3,906 x £246(1) — £4,152

Deductions of £210 per annum in respect of lodging only for voluntary residence.
REGISTRAR: £4,152 per annum x £222(3) — £4,818 x £291(1) — £5,109.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £234 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £4,818 x £291(1) — £5,109 x £294(1) — £5,403 x £291(2) — £5,985 x £294(1) — £6,279.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

PART-TIME MEDICAL OFFICER GRADE (Clinical Assistant): £610 a year for each weekly notional half day.

HOSPITAL PRACTITIONER GRADE: £610 x £36(6) — £826 for each weekly notional half day.

MEDICAL ASSISTANT: £4,548 x £258(4) x £234(1) x £222(9) — £7,812.
Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £7,536 x £786(1) x £789(3) — £10,689.*
Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate.

COMMUNITY MEDICINE

National Scale. Specialist in Community Medicine/District Community Physician/District Medical Officers: £7,536 x £786(1) x £789(3) — £10,689 p.a.*
National scales for Regional and Area Medical Officers/Chief Administrative Medical Officers vary according to authority. Information available from the Secretary of the B.M.A.

PUBLIC APPOINTMENTS ON WHITLEY SCALES

New appointments on these scales are intended solely in respect of clinical posts. The national scales are —

Clinical Medical Officer: £4,422-£6,273 p.a.
Senior Clinical Medical Officer: £6,450-£8,307 p.a.

WOMEN DOCTORS

Women doctors in the United Kingdom intending to take on N.H.S. work when circumstances allow may be eligible for the Women Doctors' Retainer Scheme. Details are available from the Medical Women's Federation, Tavistock House North, Tavistock Square, London WC1 9HX. May, 1975

* Subject to the provisions of the Government's counter inflation policy.

(Teaching)

**CONSULTANT IN
ACCIDENT AND EMERGENCY**
(Whole-time or Maximum Part-time)

Applications are invited for this second
Consultant post in the recently upgraded
Accident and Emergency Departments in the
Nottingham General and Children's Hospitals.
These departments will move into Phase I of
University Hospital, which is in an advanced
state of construction.

Applicants will be expected to have had
wide experience, preferably in General
Practice, or in one of the Non-surgical
specialties. A higher qualification is desirable
but not essential in candidates who have a
fully appropriate range of experience. The
candidate will be eligible for appointment as
Clinical Teacher in the University of
Nottingham Medical School. Visits to the
Hospital to obtain further information will be
encouraged.

Application form and further details from
Medical Personnel Department,
Nottinghamshire Area Health Authority
(Teaching), Lichfield Lane, Berry Hill,
Mansfield NG18 4RG. Forms to be returned by
1st March, 1976. (51795) 67-1

MICROBIOLOGY

NORTH WEST THAMES REGIONAL HEALTH AUTHORITY
(Brent and Harrow Area Health Authority)

CENTRAL MIDDLESEX HOSPITAL

Senior Registrar in Microbiology

Applications are invited for a four year training post of Senior Registrar in Microbiology in the Department of Microbiology and Public Health Laboratory. The laboratories are housed in a new building which is exceptionally well equipped and includes facilities for electron microscopy.

The post offers wide experience in hospital and public health bacteriology, virology and clinical epidemiology. There is a close association with the Department of Microbiology at the Middlesex Hospital, London W.1. Research is encouraged and there will be opportunities for attending lectures and formal courses of instruction.

The successful candidate will be expected to participate in teaching.

Applications will be accepted from those who have passed, or are currently taking the primary examinations of the Royal College of Pathologists. The post is subject to formal review.

Application forms are available from and returnable to the Personnel Officer, Central Middlesex Hospital, Acton Lane, London N.W.10 7NS. (Tel: 01-965 5733, Ext. 615), before 8th March, 1976. (23962) 68-5

PUBLIC HEALTH LABORATORY SERVICE BOARD

Charing Cross Hospital
St. Bernard's Hospital &
West Middlesex Hospital

ROTATIONAL TRAINING SCHEME
SENIOR HOUSE OFFICER
IN PSYCHIATRY (2 POSTS)

Charing Cross Hospital Medical School Department of Psychiatry, together with St. Bernard's Hospital and the West Middlesex Hospital now provide a combined systematic rotational training in psychiatry, rotating at six monthly intervals for a period of up to three years. Promotion to registrar grade after six to twelve months. Experience will be provided in acute general psychiatry, rehabilitation, psychotherapy, drug addiction and alcoholism, community psychiatry and psychogeriatrics. There will be opportunities for training in child psychiatry, forensic psychiatry and subnormality and on-going postgraduate programme including regularly visiting lecturers, seminars and journal clubs at Charing Cross Hospital and St. Bernard's Hospital, in connection with this programme a regional course for M.R.C.Psych. Part I begins in May, 1976. Research is encouraged and supervisors available. Posts (non-resident) begin May 1st.

Application forms obtainable from and returnable to the District Personnel Officer, St. Bernard's Hospital, Uxbridge Road, Southall, Middlesex. Tel: 01-574 8141 Ext. 8.

Further details from Clinical Tutor, St. Bernard's Hospital, Dr. M. Duff-Miller. Short listed applicants invited to visit any of the three hospitals by arrangement with Dr. M. Duff-Miller. Closing date for applications is 5th March, 1976. (24298) 84-8

FIERN HOSPITAL

SENIOR HOUSE OFFICER
IN PSYCHIATRY

Applications are invited for the above posts at Friern Hospital and Halliwick House, and the Royal Free Hospital. There is a three-year rotational scheme for both Senior House Officers and Registrars, offering a comprehensive training for the M.R.C.Psych and D.P.M. examinations including weekly lectures, case conferences and journal clubs. Seminars are held in individual and group psychotherapy and in interviewing method using videotapes. Suitable trainees are supervised in research. The successful candidate would have the opportunity of spending part of the time wholly based at the Royal Free Hospital, Pond Street, and part at Friern Hospital and Halliwick House. The Professional Department has clinical units at both hospitals. Details may be discussed with the Clinical Tutor (Tel: 01-368 1288, Ext. 2). The Senior House Officer appointment is for one year only. Both non-resident; single accommodation may be available.

Please contact Mr. T. Beckett, (Ext. 335) or apply to the Sector Administrator, Friern Hospital, New Southgate, N11 3BP. Closing date 4th March, 1976. (52028) 84-8

NEWCASTLE AREA HEALTH AUTHORITY (Teaching)

SENIOR REGISTRAR IN RADIO THERAPY
Applications are invited for this whole-time, non-resident post in the Regional Radiotherapy Service, based in the Newcastle Teaching Hospital. The Regional Radiotherapy Centre incorporates a full range of treatment facilities, in-patients in designated wards, and is associated with peripheral clinics. Training for the F.R.C.R. is provided. The Teaching Hospitals also include Regional Centres in other specialities and offer opportunities to attend lectures and meetings in related specialties. Preference will be given to candidates holding the F.R.C.R. (Teaching) Part 1, a postgraduate diploma. Further information may be obtained from Mr. W. M. Ross, Consultant Radiotherapist, Newcastle General Hospital, Westgate Road, Newcastle upon Tyne, NE4 6BE. (Tel: 38811).

Applications, naming three referees, should be submitted to the Area Personnel Officer, Newcastle Area Health Authority (Teaching), Scottish Life House, 2-10 Archbold Terrace, Jesmond, Newcastle upon Tyne, NE2 1EF, by 8th March 1976. (24230) 86-5

SOUTH GLAMORGAN HEALTH AUTHORITY (Teaching)

SENIOR REGISTRAR
at the South Wales Radiotherapy and Oncology Centre, Velindre Hospital, Whitchurch, Cardiff. Duties include treatment and clinic sessions at the University Hospital of Wales and other clinics in South Wales. Equipment includes two Linear Accelerators, two Telecobalt Units, a high pressure oxygen tank, Cathetron, radioisotope facilities, research laboratories and a well stocked library. Candidates should possess the D.M.R.T. Part 1, F.R.C.R., or a higher qualification in medicine or surgery. The appointment is recognised for higher specialist training, it is under the auspices of the Joint Advisory Committee on Senior Registrar Training and is subject to annual review. Interested applicants are invited to get into touch with Dr. T. J. Deeley (0222-63325) to visit the Centre.

Application forms from the Medical Personnel Department, South Glamorgan Health Authority (Teaching), Temple of Peace & Health, Cathays Park, Cardiff to be returned by 6th March 1976. (24331) 86-5

BERKSHIRE DEPARTMENT OF RADIO THERAPY

SENIOR HOUSE OFFICER IN RADIO THERAPY & ONCOLOGY
required as soon as possible. The department is equipped with telecobalt units, deep and superficial X-ray therapy units and a treatment simulator. Chemotherapy clinics are held weekly and there are 40 inpatient beds. The appointment is recognised for D.M.R.T. Parts I & II and joint F.R.C.R. lecture courses are available with the Churchill Hospital Oxford. Easy access to London and excellent married accommodation.

Detailed applications, naming two referees, to the Sector Administrator, Royal Berkshire Hospital, London Road, Reading, (H10336) 86-8

**SANDWELL
AREA HEALTH AUTHORITY**

Appointment of

Area Medical Officer

Salary scale £10,785 — £11,586

Applications for the post of Area Medical Officer (which
is vacant due to the death of the late Dr. H. O. M. Bryant,
OBE) are invited from suitably qualified Registered
Medical Practitioners.

Sandwell is a single District Area in the West Midlands
and has a population of approximately 320,000. A new
District General Hospital is nearing completion in the
area.

Applicants must possess broad experience of adminis-
trative Medical work at a senior level. The successful
candidate will advise the Area Health Authority, both as
a Member of the Area Management Team and as the
Authority's Senior Specialist in Community Medicine.
There will also be responsibility for ensuring that medi-
cal advice is available to the Sandwell Metropolitan
Borough Council.

Application forms and job descriptions may be obtained
from the Area Administrator, Sandwell Area Health
Authority, Shaftesbury House, P.O. Box 50, High Street,
West Bromwich, West Midlands B70 9LE.

Completed application forms should be returned to the
Chairman of the Sandwell Area Health Authority, at the
address given above, not later than 4th March, 1976.

THE BENDIGO & NORTHERN DISTRICT BASE HOSPITAL Bendigo, Victoria, Australia

CASUALTY SUPERVISOR

Applications are invited from doctors interested in the efficient provision of emergency care for this post which falls vacant on the 30th of April, 1976. A higher qualification in general practice, medicine or surgery is advantageous, but not essential. This 288 bed hospital serves a local community of 51,000 and a wider community of about 130,000 persons. There were over 8,000 persons admitted to the hospital and over 23,500 persons treated in the Casualty department during the past year. There are good specialist cover and investigational facilities at this hospital. The Casualty Supervisor is classified as a Specialist Class 1, and his salary and conditions of service will be in accordance with the determination of the Hospital Senior Medical Officers Board. His duties will include the supervision and education of resident medical officers, the diagnosis and treatment of minor and major ailments and injuries and the co-ordination of specialist nursing and non-medical staff in the Casualty department.

Further information can be obtained from the Medical Superintendent. (H10341) 118

Happiness

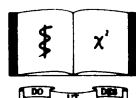

WHY are you scanning the advertisements? Idle curiosity or could you just possibly consider a change? *Completely* contented with your job? Can I tempt you with promises of good colleagues to work with, a pleasant environment, travel, opportunities to meet research workers of international calibre? Maybe you are attracted by the chance to analyse problems and design clinical experiments to answer them. Are they more attractive to you when they relate to sick people and how to get them better?

Do you think you might like dealing with ministry officials, or attending scientific meetings, or perhaps getting your name on research publications.

Maybe I should be telling you about the BIG salary (indexed to the cost of living!) or the bonus, or the pension scheme or even about profit sharing.

Perhaps you feel inadequately prepared for this type of research job. Don't worry, the company knows that this is a fairly new speciality and so it expects to have to train a newcomer (if he wants it). Incidentally, the speciality is growing fast and you would have almost ground-floor entry! On the other hand, if you already have experience the company wants you more and will pay for it!!

Of course there are snags; you and your family will have to live in Holland but that is only a matter of your own maturity. More important, you will have to be a physician who can be happy without face-to-face contact with patients. Are you such a person? Why not write to me for further information but be fair, tell me about yourself at the same time. And please quote Reference H7611.

118

FAIRFIELD HOSPITAL FOR COMMUNICABLE DISEASES, MELBOURNE

PATHOLOGIST

A vacancy exists for a Pathologist Bacteriologist with a higher qualification registrable in the State of Victoria, to head the Clinical Pathology Section of the Pathology Department of this hospital.

Fairfield Hospital serves as an infectious diseases centre for the State of Victoria, which has a population in excess of 3,000,000, and cares for between 6,000-7,000 in-patients per annum. The hospital has strong links with both the State and Commonwealth Health Departments, and is a teaching hospital for the Melbourne and Monash University Medical Schools.

The Pathology Department is divided into two sections, Clinical Pathology and Virology, the latter department being under the direction of a Medical Virologist. The successful applicant should have a special interest in Microbiology, and in addition will be required to supervise clinical chemistry, haematology, and anatomical pathology. Opportunities for research exist, and are encouraged by the hospital. The laboratory is well equipped, has a staff of 20 people, and incorporates the laboratories for Venereal Disease and Tuberculosis for the State of Victoria.

The position carries teaching responsibilities for medical students from both Monash and Melbourne Universities, and a suitable applicant would normally be accorded appropriate honorary status in the microbiology departments of both universities.

Salary is in the range of \$(Aust.)20,506.00 — \$(Aust.)29,900.00 per annum, and subsidised superannuation is available. Other conditions include four weeks leave and 28 days sick leave per annum, sabbatical leave of six months after six years service, and long service leave of six months following 15 years service.

Fares and reasonable removal expenses will be paid.

Applications, in confidence, close on 30th April, 1976, with the undersigned, from whom further details may be obtained. **B. D. Dynon, Manager and Secretary, Fairfield Hospital for Communicable Diseases, Yarra Bend Road, Fairfield, Victoria 3078, Australia.**

Australian Department of Health

Specialist
Rehabilitation

The Australian Department of Social Security operates a modern Rehabilitation Centre at O'Connor, a suburb of Perth, Western Australia where the disabled are provided with an intensive programme of remedial treatment geared to the development of their latent skills and their return to the work force.

The treatment centre is equipped to provide, under medical supervision, psychological assessment, nursing services, physiotherapy, remedial physical training, and speech, education and occupational therapy.

Within the centre there exists a vacancy for a Specialist who is required to perform professional clinical work in the field of Rehabilitation, including recommending programmes of treatment at the centre in particular and for the Department's Rehabilitation service in general.

The occupant of this position will assist with undergraduate and postgraduate training of case work staff in the principles and practice of Rehabilitation medicine and take over and provide continuity to the case work of all sessional consultants during their absence from duty.

As well as practical work the Centres Specialist will advise on specialised medical principles and undertake research into new Rehabilitation techniques.

Qualifications: Qualifications admitting to registration as a medical practitioner under the laws of a State or Territory of Australia together with an appropriate postgraduate degree.

Experience in Rehabilitation Medicine or Physical Medicine and medical administration desirable.

Location: Perth.

Salary: \$A17,398 to \$A23,544 (at current exchange rate £Stg.1 \$A1.61).

Applications: from both men and women, and enquiries, should be directed to

The Recruitment Officer, Public Services Board, Canberra House, 10-16 Maltravers Street, Strand, London WC2R 3EH. By: 12th March 1976.

In addition to the salary shown, subject to certain conditions, the successful applicant is entitled to an annual vacation savings bonus, an annual travel concession,

medical aid scheme, holiday and sick leave privileges as well as additional remuneration for extra duties.

On acceptance of a three year contract, certain transportation costs will be covered. If a three year contract is not agreed to, the Department of Immigration may be approached for financial assistance. Further enquiries should be addressed to Professor R. Sealey, Department of Radiotherapy, Groote Schuur Hospital, Observatory, 7925, South Africa.

Applications must be made on the prescribed form (Staff 23), which is obtainable from the Chief Migration Officer, South African Embassy, Trafalgar Square, London WC2N 5DP and should be forwarded, in duplicate to the Medical Superintendent, Provisional Hospital, Port Elizabeth 6000, South Africa to reach him as soon as possible.

CANADA

Headquarters Hospital of INTERNATIONAL GRENFELL ASSOCIATION, St. Anthony, Northern Newfoundland

PSYCHIATRIST of at least Senior Registrar level, is required for the above modern and well-equipped regional teaching hospital in July 1976. This hospital is affiliated with two universities and is responsible for an area of 50,000 square miles with a mixed population of settlers, Eskimos and Indians. A good commencing salary is offered according to experience. Contract minimum of one year. Travelling expenses paid and attractive accommodation is provided at a very moderate rental, which includes central heating, lighting, etc.

Please apply to the Secretary, with full particulars, Grenfell Association, Hope House, 45 Great Peter Street, London SW1P 3LP.

118

THE OTAGO HOSPITAL BOARD And University of Otago Dunedin, New Zealand

RADIO THERAPIST

Applications are invited from candidates holding a Degree in Medicine from an approved University who have been qualified for eight years, have had at least five years experience, and hold a higher qualification in Radiotherapy for a position as Radiotherapist to the Board. The position offers considerable scope within the field of medical oncology. The salary scale for the position is that of Specialist under the Hospital Employment (Medical Officers) Determinations namely \$13,332 p.a. to \$17,777 p.a. Commencing rate within the scale will be in accordance with experience and qualifications of the appointee. Further promotion based on Special Merit and subject to the determination of the Medical Officers Salaries Grading Committee is available within the scales \$18,673 p.a. to \$19,571 p.a., \$20,596 p.a. and \$22,734 p.a. A small salary supplement will be payable for teaching duties, the amount of which will be determined by arrangement with the University of Otago. Assistance with travelling expenses for appointees from overseas will be payable in accordance with the information contained in the Conditions of Appointment.

Applications on the specified form attached to the conditions of Appointment available from the Board's Office (3rd floor) will be received by the Chief Executive, Otago Hospital Board, P.O. Box 946, Dunedin, until Friday, 31st March, 1976. (24260)

118

UNIVERSITY OF BENIN TEACHING HOSPITAL P.M.B. 1111 Benin City

VACANCY (EXTERNAL) SENIOR REGISTRAR DEPARTMENT OF OBSTETRICS & GYNAECOLOGY

Applications are invited from suitably qualified and experienced registered medical practitioners for the above-mentioned post.

Qualifications: Applicants must be duly registered medical practitioners with postgraduate qualification (M.R.C.O.G.) or its equivalent in Obstetrics and Gynaecology and must have had at least one year experience as a Registrar, preferably in a Teaching Hospital. Salary: Grade Level 12 — N.104 per annum.

Method of Application: Application forms are obtainable from the Secretary and Chief Administrative Officer, University of Benin Teaching Hospital, P.M.B. 1111, Benin City, or Lagos Representative, University of Benin Teaching Hospital, Plot J No. 133, Fajuyi Crescent, P.M.B. 1095, R.A. Ikeja, or from the London Representative, University of Benin Teaching Hospital, 50/60 Hallam Street, London W1N 5LH.

Completed application forms should, for Nigerian candidates, be returned to the Secretary and Chief Administrative Officer, University of Benin Teaching Hospital, P.M.B. 1111, Benin City, and, for overseas candidates, to the London Representative, University of Benin Teaching Hospital, 50/60 Hallam Street, London W1N 5LH not later than 24th March, 1976. (H10378)

118

WAKARI HOSPITAL Otago Hospital Board

REGISTRAR

RADIO THERAPY & ONCOLOGY

Applications are invited from suitably qualified medical practitioners for the position of Registrar in Radiotherapy and Oncology in the Gordon Bell Regional Clinic at Wakari Hospital. Applicants must have been qualified for two years and have held a hospital appointment for at least one year. Duties include general medical management of both in-patients and out-patients together with the application of both radiotherapeutic and chemotherapeutic methods. Details concerning training and prospects in radiotherapy and oncology can be obtained from the Director. It will be possible to provide generous financial assistance to a suitable appointee in respect of further training within New Zealand and especially overseas. Salary will be in accordance with the Hospital Employment (Medical Officers) Determinations.

Applications on the specified form attached to the conditions of appointment available from the Board's Office (3rd floor) will be received by the Chief Executive, Otago Hospital Board, P.O. Box 946, Dunedin, until 31st March, 1976. (24261)

OVERSEA

THE BROKEN HILL AND DISTRICT HOSPITAL

Full Time

DIRECTOR

Rehabilitation and Emergency Service

Applications are invited from suitably qualified medical practitioners for the above position. It is envisaged that the successful applicant would be responsible for the following clinical duties:-

1. **Director of Rehabilitation.** The Rehabilitation Department is a self contained unit consisting of Physiotherapy, Occupational therapy, Rehabilitation Workshop, Speech Therapy, Social Worker and Psychiatric Welfare Officer.
2. **Director of Emergency Services.** The Casualty Department consists of both an emergency and trauma service together with a "general practice" service to the community. Annual attendances to the Department are approximately 60,000. The Director would be responsible for teaching and the day to day running of the department which is staffed by a Casualty Registrar and three Resident Medical Officers.
3. In addition should the successful applicant possess suitable qualifications, experience and training in Orthopaedics and Trauma, arrangements would be made for facilities for treatment of Orthopaedic and trauma cases both on an inpatient and outpatient basis one half day operating session could be arranged per week.

Applicants must be acceptable for full registration with the New South Wales Medical Board and must possess an appropriate higher degree such as F.R.A.C.S.

The Broken Hill and District Hospital is a 329 bed general and obstetric hospital catering for a population of approximately 35,000 people. Full time staff consists of Physicians (two), Surgeons (two), Anaesthetist (one), Pathologist (one), Registrars in Medicine, Surgery, Anaesthetics and Casualty and ten Resident Medical Officers.

The position attracts a salary in accordance with the Hospital Specialist (N.S.W. State) Award and is in the range of \$20,641 to \$25,788 per annum dependent on qualifications and experience. There is in addition a Broken Hill allowance of \$438 per annum payable and a bonus of \$1,000 payable at the completion of the first year of service. This latter bonus rises to \$1,500 after the second year of service and \$2,000 after the third year and thereafter. In addition, the appointee may be granted the limited right of private practice to 16 per cent of his base salary.

Accommodation for a married appointee is provided in a furnished air cooled home at a rental currently of \$15 per week.

There is provision for conference leave of one week per year, overseas study leave of 3 months after five years service and annual recreation leave of six weeks per year.

Applications close the 31st March, 1976.

Enquiries regarding further details and applications should be directed to the Medical Superintendent, Broken Hill and District Hospital, Broken Hill, New South Wales, 2880. (H10345) -118

The International Health Foundation seeks for its office in Brussels

A Medical Doctor/Researcher

to join its international, multidisciplinary staff. The appointee will be experienced in writing and public speaking, will be between 30 and 40 years of age, will contribute to the Foundation's activities both in medical and sociological research and in the distribution of information to medical and behavioural audiences and the general public.

He will report directly to the Director-General and will eventually supervise the research team which is being built up.

The appointee will be of English, German or French mother tongue, have a thorough written and spoken knowledge of English and at least a working knowledge of French, and will have a wide open mind for behavioural research in the medical field, and a gift for teaching in writing and speech.

The Foundation's present activities are centered around the medical, social and psychological problems of the mature woman, involuntary sterility and — to a lesser extent — contraception in the Western world.

The job is a highly varied one and includes travel, mainly within Europe.

Letter of application, together with a curriculum vitae, should be addressed to:

The Director General, International Health Foundation, 8, Avenue Don Bosco, 1150 Brussels, Belgium
