The Australian Army is a great life for the doctor with a family.

A man like you perhaps.

Australia would be a wonderful place for your family. Its healthy, sunny climate and generous opportunities make it a good place for your children to grow up.

While you enjoy a fulfilling career in the Australian Army.

With us you'll benefit by having every opportunity to develop the skills you've gained to their fullest. Working with the most up-to-date equipment.

Rank on appointment is based on qualifications and previous experience. If your rank on appointment is Captain you'll be paid a minimum salary, from time of appointment in the UK, of £7,875.00 p.a. (\$12,560) rising to £9,862.50 p.a. (\$15,777) over five years.

You will also receive a service allowance of £593.75 p.a. (\$950) and a uniform maintenance allowance of £131.25 p.a. (\$210).

Passage for you and your family is of course free and living accommodation or an allowance in lieu is provided in all areas.

As a doctor in the Australian Army, you'll appreciate the extra time you have for family life. So will your family.

For full details contact:
**Army Recruiting Officer,
Australian Army Staff,
Australia House,
Strand,
London WC2B 4LA.**

NB: This offer applies only to practising doctors resident in the UK.

ILONIUM

a powerful antiseptic

Ilonium can be used in the treatment of most pusbearing wounds. It will be found to effectively assist in clearing up such conditions as sloughing bedsores, suppurative varicose ulcers, boils, whitloes and carbuncles.

ILONIUM is an antiseptic ointment with some analgesic properties. It contains no antibiotics and apart from phenol its constituents are mainly derived from natural oils and oleoresins.

Ilonium is available in sizes of 450g, 100g and 30g.

COMPOSITION: Venice turpentine Colophony, Phenol, Chlorophyll, Pinene, Camphene, Cineole, Borneol, Thymol, Dipentene.

Full information by return from
ILON LABORATORIES (Hamilton) LTD., Lorne Street, Hamilton.

PORTA-SQUAWK

Personal Incontinence Alarm

The Astric "Porta-Squawk" is a self-contained portable alarm system designed to give immediate response to the passing of urine. Small, light and unobtrusive, it is an ideal aid for nursing the sick or elderly and a great help for the partially disabled where incontinence is a problem. It emits a soft yet easily heard tone when the detector comes into contact with urine and is small enough to be concealed in a pocket. Powered by a long-life 3-volt battery, it is 100% safe and reliable.

Full details of this low cost aid are available from the manufacturers.

ASPECTS OF SEXUAL MEDICINE

From the British Medical Journal

Freer discussion of sexual matters on television and in the popular press has led to many more patients approaching their doctors for advice on sexual problems. The articles collected together in this book give practical advice on common problems such as impotence and on the help and guidance that may be given to handicapped patients and others with special difficulties. Few doctors received adequate instruction on sexual medicine at their medical schools: *Aspects of Sexual Medicine* brings them up to date.

UNIVERSITY OF MANCHESTER

Department of Community Medicine

UNIT FOR CONTINUING EDUCATION

NOISE — A HEALTH HAZARD

July 19th — 20th, 1976

MANCHESTER BUSINESS SCHOOL

A two-day Seminar designed to explore noise in the environment from the psychological, physiological and legal aspects. Measurements of noise will also be considered. This Seminar is particularly pertinent to the work of Community Physicians but any interested doctor is invited to attend. Applications should be made to: Course Administrator, Unit for Continuing Education, Department of Community Medicine, University of Manchester, Stopford Building, Oxford Road, Manchester M13 9PT. All costs, including subsistence will be met by the Unit. Travelling expenses are the responsibility of the employing Authority. Closing date for applications: June 18th, 1976. (27502) 4

The Royal College of Surgeons of England Conference on the Teaching of Anatomy

A Conference will be held at the College on Wednesday 26th May, 1976, to discuss the current widespread disquiet concerning standards of anatomical knowledge for surgical trainees, and will explore new methods of instruction and of testing attainment.

Session I

UNDERGRADUATE ANATOMY: THE TRAINING OF A DOCTOR

A discussion of the appropriate course for all medical trainees: its content presentation and clinical relevance.

Session II

THE ANATOMY DEPARTMENT

A discussion of the problems currently facing Academic Departments of medicine in their efforts to maintain standards of instruction for medical students.

Session III

POSTGRADUATE ANATOMY: THE TRAINING OF A SURGEON

A discussion of the continuing Anatomy course after qualification: the special needs of the surgeon and the appropriate methods of instruction.

Session IV

EXAMINATIONS IN ANATOMY

A discussion of examining technique in relation to the Primary F.R.C.S.

The fee of £7.50 covers the cost of refreshments.

Applications must be received by Monday 17th May, 1976.

Application forms and further details can be obtained from the Secretary.

R. S. Johnson-Gilbert, O.B.E. M.A.

For further details and application form Tel: 01-253 3020, Ext. 337, or write to Administrator, Family Practitioner Services, Lambeth, Southwark and Lewisham Family Practitioner Committee, Addison House, 32-43 Chart Street, N1 6EP. Completed applications to be received by the Committee not later than Monday, 17th May, 1976. (H11200) 5

LANCASHIRE FAMILY PRACTITIONER COMMITTEE

For Lancashire Area Health Authority

VACANCY — CHORLEY
Applications invited for vacancy occasioned by death. Designated area, list approximately 2,768. Suite reserved and available for appointed Successor in the Health Centre, Collison Avenue, Chorley. Successful applicant will be required to take over as soon as possible.

Apply on Form 16A (obtained from The Administrator, Lancashire Family Practitioner Committee, 42 West 4th, Preston, Lancs, PR1 8HQ) to arrive not later than 14th May, 1976. (H11183) 5

NORTHERN IRELAND HEALTH & SOCIAL SERVICES Eastern Health & Social Services Board West Belfast

GENERAL MEDICAL PRACTITIONER
The Central Services Agency on behalf of the Eastern Health and Social Services Board invites applications for a vacancy in General Practice on the Crumlin Road. The list size is approximately 3,500 and operates from residential premises which are available to purchase. Applicants should normally have adequate experience of General Practice in the British Isles.

Further particulars may be obtained from The Chief Administrative Officer, Central Services Agency, 27 Adelaide Street, Belfast BT2 8FH, to whom applications should be made by letter, giving the names and addresses of two referees. The latest date for receipt of applications is Monday, 10th May, 1976. (27322) 5

PARTNERSHIPS (Offered)

ADDITIONAL PARTNER (FIFTH) wanted. Short assistantship then parity in three years in expanding country town practice. Recently modernised premises with full attached and ancillary staff. Local G.P. hospital with X-ray and Consultant Clinics. Easily accessible postgraduate sessions. Graduate of British University preferred, eligible for obstetric list. Apply Dr. Lambert, 4 Park Street, Selby, North Yorkshire. 10

A GRADUATE of a British University required to join established semi-rural 3-doctor training and undergraduate teaching practice in 5-doctor Health Centre in attractive South Cheshire market town, to replace partner resigning on 31st July, 1976. New District General Hospital 4 miles. This well-organised, highly equipped, adequately staffed and remunerative practice provides a pleasant background for the exercise of professional skills in the provision of general medical services and primary health care. Parity dependent on training and experience. Please apply by letter in the first instance to Drs. Blacklay, Ritson and Holdsworth, 116 Hospital Street, Nantwich, Cheshire. 10

A GRADUATE of a British University to replace partner in expanding East Midland Practice. Partnership after short period for mutual appraisal. Health Centre 1976. Full ancillary staff. G.P. Maternity Hospital. Postgraduate Centres nearby. Box 0255 BMJ. 10

A GRADUATE of a British University required as fourth partner in the university market town of Loughborough. The Practice is conducted on a happy equitable basis and is an ideal opening for someone who enjoys both his work and leisure. There are postgraduate courses at nearby Leicester and Nottingham. G.P. maternity beds in Loughborough and a Health Centre is planned. We hold several interesting outside appointments. Please contact Doctor Dyson, 20 Outwoods Road, Loughborough 63018. 10

A GRADUATE OF BRITISH UNIVERSITY with Obstetric experience required for two-man old established South Gloucestershire Practice. Several interesting appointments. Cottage Hospital. Maternity Unit. Very good income. Parity in 3 years. Box 0373 BMJ. 10

AN ATTRACTIVE OPPORTUNITY for Graduate of U.K. University, to replace retiring partner in a congenial group of seven in a city 80 miles North of London. Full ancillary help. Active postgraduate centre in modern District Hospital with full access to Diagnostic facilities. G.P. Obstetric beds. No capital required. Rented housing if required. Box 0368 BMJ. 10

AN ESTABLISHED GROUP Practice in pleasant residential area requires Graduate of a British University to replace retiring partner. To start 1st July-January arrangement. Facilities include full X-Ray, Pathology, E.C.G. and Physiotherapy services. Cottage Hospital, and G.P. Obstetric unit in Maternity Hospital. Own E.C.G. Practice staff include secretaries, two attached District Nurses, Midwife and Health Visitor. Salaried partnership of six months at £6,500 per annum for mutual assessment. Apply Dr. D.W. Wall, M.R.C.P., 228 Lichfield Road, Sutton Coldfield, West Midlands. 10

BIRMINGHAM Experienced lady in single-handed general practice seeks salaried partner. Highly equipped premises with ancillary and nursing staff attachments together with appointment system. Terms by arrangement. Apply stating age, qualifications and experience to Box 0362 BMJ. 10

BRIDLINGTON, NORTH HUMBERSIDE. Young Graduate of a British University eligible for obstetrics list, required as placement for fourth partner. The practice is run from a new health centre and has all the usual ancillary attachments, with full access to general and obstetric beds in the local hospitals. Dr. Robertson, Young & Hartley, The Health Centre, Bridlington, YO16 4LZ. 10

GENERAL PRACTICE TRAINING POSTS

DUDLEY AREA HEALTH AUTHORITY

VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE

The Dudley Area Health Authority offers vocational training for General Practice as recommended by the Department of Health and Social Security. One year will be spent with a Trainer in General Practice, four periods, each of six months to be spent in a hospital as Senior House Officer in Obstetrics, Paediatrics and Medicine with other choices available in the first six months. There is one post available in August, 1976. Examination possibilities: D.O.G., D.D.H., M.R.C.G.P. half-day release courses available in community medicine, organisation in general practice etc.

Further information available from Mr. J. A. O'Garra, F.R.C.S. Postgraduate Clinical Tutor, Medical Services Centre, Corbett Hospital, Stourbridge, West Midlands to whom applications, naming two referees, should be returned as soon as possible. (54303) 21

UNIVERSITY OF LEEDS Department of Community Medicine and General Practice

VOCATIONAL TRAINEESHIP IN GENERAL PRACTICE

Applications are invited from fully registered medical graduates for this trainee appointment starting 1st September, 1976. The responsible Trainer will be the Lecturer in General Practice in this University Department. The Lecturer is a partner in an independent five doctor partnership working in an urban area of Leeds. There is one other trainee attached to the practice, and one of the other principals is a Tutor in undergraduate general practice teaching. This traineeship is for one year and will provide training linked to a half day release programme for trainees in the area. Special learning facilities are available in the Practice and through this University Department. Trainees should be interested in project work and in learning basic general practice research method.

Further details from, and applications to Dr. D. M. MacAdam, Division of General Practice, & Community Medicine, St. James's Hospital, Leeds 9. Closing date two weeks after the insertion of this advertisement. (H11205) 21

Gwynedd Health Authority

VOCATIONAL TRAINING FOR GENERAL PRACTICE

Applications are invited from fully registered medical practitioners to join this training scheme which involves twelve months in General Practice and a two year rotation post in the Senior House Officer Grade.

There are two posts commencing on 1st August, 1976 with attachments in Obstetrics, Paediatrics and Acute Geriatric Medicine at St. David's Hospital (178 beds) and in Accident and Emergency at the Caernarfon and Anglesey Hospital (183 beds), Bangor, North Wales. The period in General Practice is split between a rural and town practice. Each period of attachment is for six months.

A half-day Release Course is run in conjunction with the University College of North Wales, Bangor, during the Winter and Spring terms each year. There are excellent medical libraries at the hospitals, with regular clinical meetings being held. The training scheme provides opportunity for study for further qualifications, and the course is recognised for the M.R.C.G.P. examination.

Married or single accommodation may be available. Applications with names and addresses of two referees to: Unit Administrator, C & A Hospital, Bangor. Tel: Bangor 53321. Closing date for receipt of applications 8th May, 1976. (27252) 21

HIGH WYCOMBE DISTRICT

Linked Vocational Training Scheme for General Practice High Wycombe/ Amersham District

Applications are invited for two posts to commence on 1 October 1976. These will be three-year appointments, two years of which will be spent at the High Wycombe Group of hospitals and the final year in a selected Teaching Practice.

The hospital posts will consist of the following:

SHO in General Medicine and Dermatology (Approved for MRCP)

SHO in Psychiatry (Approved for DPM)

SHO in Paediatrics (Approved for DCH)

SHO in Obstetrics (Approved for DOBstRCOG)

Ophthalmology, ENT, Geriatrics, Accident and Emergency and Physical Medicine would be included in the above posts on a sessional basis according to candidate's wishes.

These posts are part of the Oxford Regional Training Scheme based at High Wycombe and Amersham.

All appointments are approved for MRCGP and all doctors in their General Practice year attend the Thames Valley Faculty RCGP Vocational Training Regional Day-Release Course.

Applications should be sent by 26 June 1976 to the District Clinical Tutor, Chiltern Medical Centre, Wycombe General Hospital, High Wycombe, Bucks HP11 2TT.

Further particulars can be obtained from the District Clinical Tutor (address as above) and candidates are urged to visit the hospitals.

21

Buckinghamshire Area Health Authority

AYLESBURY DISTRICT

General Practitioner Vocational Training Scheme

Applications are invited for a three year course of training for General Practice, starting at the beginning of July 1976.

The programme consists of:

Six months Obstetrics

Six months Paediatrics

Six months in departments of the trainee's choice

Six months Geriatrics and Psychiatry

One year in a teaching general practice

The hospital posts will be at Stoke Mandeville and Royal Buckinghamshire Hospitals, the general practice in a selected teaching practice in Aylesbury. Arrangements will be made for the trainee to spend some time in the teaching practice during the hospital period.

The scheme is approved for the M.R.C.G.P., D. Obst., R.C.O.G., and D.C.H.

A day release vocational training course is arranged in the Oxford Region during the general practice year.

The trainee would be expected to take part in the activities of the Postgraduate Centre at Stoke Mandeville Hospital, including regular meetings of a trainer-trainee group.

Aylesbury is a pleasant county town within easy reach of London and Oxford.

The hospital posts are at S.H.O./Registrar level, according to experience. Applicants must be fully registered on 1st July, 1976. The posts are resident during the first year.

Application forms and further details available from the District Personnel Officer, Aylesbury Health District, 9 Bicester Road, Aylesbury, Bucks. HP19 3AB. Closing date: 10th May, 1976.

Buckinghamshire Area Health Authority

**BRISTOL UNIVERSITY
MEDICAL POSTGRADUATE
DEPARTMENT**
**VOCATIONAL TRAINING
FOR GENERAL PRACTICE**

A three-year course is offered of Vocational Training for General Practice, consisting of two years' hospital and elective training and a one-year traineeship in an approved practice. After a short period of orientation or one to three months in the training practice, trainees start hospital appointments at Senior House Officer level in a British hospital.

1. Six months each in Medicine and Obstetrics with gynaecology; two three-month periods in Paediatrics and Geriatrics; a six month period, partly or wholly elective, when opportunities will be given to gain experience in special hospital and other departments.

2. An alternative rotation is offered of six months each in Accident and Emergency work, Paediatrics, Psychiatry and Geriatrics.

The trainee will complete the year in practice after the hospital appointments. There will be a half-day release course during University term time throughout the three years. The period of orientation should start before or on 1st January, 1977 and the first hospital appointments will start on 1st February, 1977.

Applications are invited from suitably qualified practitioners, giving details of previous experience, the names and addresses of two referees and quoting a date when they would anticipate being able to start the preliminary orientation period in practice. Applications should be sent before 31st May, 1976. It may be possible also to assist practitioners wishing to complete requirements for vocational training, who have already in part fulfilled the necessary criteria.

Applications and requests for further information should be sent to The Adviser in General Practice, University of Bristol, Medical Postgraduate Department, 21 Woodland Road, Bristol BS8 1TE. (27487) 21

**HERTFORDSHIRE
AREA HEALTH AUTHORITY**
South West District
Watford General Hospital
**VOCATIONAL TRAINING SCHEME
FOR FAMILY PRACTITIONERS**

Applications are invited from Medical Practitioners who have completed pre-registration training for appointment of two trainee Family Practitioners at the Watford General Hospital and in local Family Practice. Scheme started in 1972.

Two posts are available on 1st August 1976, with two months Family Practice followed by six-month posts at S.H.O. Grade in General Medicine/Geriatrics, Psychiatry and Family Psychiatry, Casualty and Orthopaedics, from Obstetrics and ends with ten months in Family Practice. All hospital posts are at Shrodells Wing and Peace Memorial Wing of the Watford General Hospital.

There is a half-day release during the three-year course for a teaching seminar organised by the General Practitioner Course Tutor. During the hospital posts training period all trainees are sponsored by Family Practitioner Train (with whom they have continuing contact). There is an active Postgraduate Centre.

The appointments are recognised for the M.R.C.G.P., D.P.M. and D.R.C.O.G. Upon completion the doctor will be entitled to receive the Vocational Training Allowance.

Married accommodation available. Short-listed candidates will be interviewed on 28th May 1976.

Applicants for the post should apply to Hospital Administrator, Watford General Hospital, Peace Memorial Wing, Rickmansworth Road, Watford, Herts, from whom further particulars may be obtained. Closing date for receipt of applications: 12th May, 1976. (27755) 21

COMMERCIAL APPOINTMENTS
CLINICAL RESEARCH

Applications are invited from registered medical practitioners to join the Medical Department of Squibb Europe. The appointment is based at the Company's European Headquarters in Twickenham, Middlesex.

The main function of the successful candidate will be to administer clinical studies with new drugs developed by the Squibb Institute for Medical Research, Princeton, New Jersey, in Eire, Holland, Scandinavia and the United Kingdom. Additional duties will include advising local management on medical affairs.

The candidates should be within the age range of 30-45. Previous experience in the pharmaceutical industry is desirable but not essential. Full details of the areas of research and the type of work involved will be sent to interested applicants.

The successful candidate will be encouraged to attend courses, symposia and take up a weekly clinical appointment at a nearby hospital. Terms and Conditions are excellent. The benefits include a company car, non-contributory pension fund, life assurance and membership of BUPA, as well as financial assistance towards relocation expenses if necessary.

Applications giving details of qualifications and past experience should be sent to:

Dr. P. V. Pigott,
Scientific & Medical Director,
Squibb Europe Ltd.,
Regal House,
Twickenham, Middlesex.

Had enough?

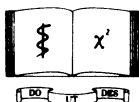

Ready for a change? Thinking of emigrating? Don't. Medical Advisers in the pharmaceutical industry currently earn roughly £7,000—£10,000: Senior Medical Advisors and Medical Directors of small departments, £9,000—£12,000: heads of large departments, *anything* over £12,000 and doctors in senior management are earning £20,000 plus, all in the U.K. We do have our problems and frustrations but we'd rather have ours than yours. Want to join us?

The Medical Director of the A. H. Robins Company is being promoted within the company (which will continue to grow and expand) so we are looking for a Medical Adviser to replace him with a view to becoming Medical Director in a few years if the new man or woman works out as we hope. We are not looking for drop-outs even though no experience is necessary; we want someone who has seen a bit of life and is

now pretty sure that they can find contentment and be efficient in a commercial setting.

The work involves checking advertising and promotional material for medical accuracy, a little training of reps, handling medical queries, advising management on medical aspects of marketing, new product acquisitions and reformulations, dealing with the Committee on the Review of Medicines and the Committee on Safety of Medicines, much clinical testing of products prior to marketing and afterwards, and so on. The person will be expected to devote half a day each week to an honorary clinical session of their choice.

The company is located at Horsham, Sussex (area delightful, natives insular, civilisation nearby). The small team that makes up the department is happy and harmonious and needs someone of similar disposition. Might that be you? Please write for further information to:

OCCUPATIONAL HEALTH

Occupational Health Services

Two full-time appointments for Medical Officers: Essex and Kent

Two Medical Officer posts will shortly become vacant within ITT's Medical Service in the U.K.

This Service is concerned with Occupational Health in the British member-companies of the ITT Corporation. Its primary emphasis is on preventive medicine; and with its Occupational Hygiene Department, it employs 50 nursing staff. At present the Service is backed up by over 15 Medical Officers reporting functionally to the Medical Director.

The current appointments will be involved with a population dealing mainly with Telecommunications and Electronic Manufacture, and will be based in Basildon, Essex (for sites in the North and East of London), and Footscray, Kent (for sites in the South East of the country).

Commencing salary will be negotiable and not less than the recommended B.M.A. scale for Medical Officers. A Company car will be provided. Other benefits are those you would expect from a major international company. These include 24 days' holiday and contributory pension scheme.

The successful candidates will have had experience, and preferably higher qualifications, in Occupational Health, backed by some years in general medicine. Please write or telephone for an application form to:

*B. W. Drinkwater, Manager, Recruitment,
Standard Telephones and Cables Limited,
STC House, 190 Strand, London WC2R 1DU.
Telephone: 01-836 8055 Ext. 315.*

OCCUPATIONAL HEALTH

GRAMPIAN HEALTH BOARD
Occupational Health Service

APPOINTMENT OF DIRECTOR

The Board have agreed to set up an Occupational Health Service in the Area and are seeking the services of a Director who will be responsible for setting up the service and for its continued operation. The Director would also be particularly concerned with the supervision of the working environment. Applicants for this post must be experienced specialists in occupational health and hold an appropriate specialist qualification such as the Diploma in Industrial Health. The salary for this appointment is on the Scale £7,143 to £9,507 per annum.

Further particulars of the appointment may be obtained from the Area Personnel Officer, Grampian Health Board, 1 Albyn Place, Aberdeen, with whom applications should be lodged by 21st May, 1976. (27472) 24

UNIVERSITY HOSPITAL
OF SOUTH MANCHESTER
Occupational Health Service
MEDICAL OFFICER

Applications are invited from Medical Practitioners with either appropriate experience or qualifications, in occupational health for the post of Medical Officer to an established but still developing occupational health service in this large Teaching Hospital comprising 3 units in South Manchester. The successful applicant will be required to undertake 4 sessions per week, preferably 2 in the morning and 2 in the afternoon and will be encouraged to attend the D.I.H. course at Manchester University. The post will be subject to the terms and conditions of service of the Whitley Council for Medical and Dental staff. The salary will be at the Clinical Assistant rate of £610 per annum per session.

Application forms and job description available from Medical Personnel Officer, Withington Hospital, Manchester, M20 8LR. Closing date 21

DOCTOR
OCCUPATIONAL HEALTH

London Transport is seeking a doctor for a new post within its Medical Service which provides a full occupational health service for 60,000 staff.

The selected applicant will be a registered medical practitioner with experience in occupational medicine; should preferably be 35-45 and possess a D.I.H. or other appropriate higher qualification.

In addition to including the normal practice of clinical and environmental occupational medicine the post will carry responsibility for recommending to the Chief Medical Officer future developments in the health care of London Transport staff in the light of current trends in preventive medicine. The post, therefore, offers wide scope and prospects to the right person. Starting salary will depend on age, qualifications and experience — around £8,500. There are valuable free travel concessions on and off duty and there is a contributory superannuation fund.

Applications, giving age and full details of qualifications and experience, together with the names of three referees, should be sent to the Chief Establishment Officer (Ref. F/V0202), London Transport, 55 Broadway, SW1H 0BD to arrive not later than Monday 10th May, 1976.

(27253) 24

LONDON TRANSPORT

Medical Officer

The North Sea Medical Centre

which provides an occupational health service for the offshore oil and gas industry, is seeking a **Full-Time Medical Officer** in its Great Yarmouth clinic. The post offers a wide variety of clinical interest and opportunities for travel within the U.K. and Europe. A knowledge of and interest in diving medicine would be an advantage to a potential applicant, but is not essential. A willingness to learn about this advancing and challenging branch of occupational medicine is more important.

Applicants should have a wide experience of general medicine and they would find a knowledge of occupational medicine, radiology and medical administration helpful.

It is anticipated that the successful applicant will be not less than 40 years old and will be expecting to receive a salary in the region of £10,000 per annum, with six annual leave and a number of additional benefits.

Applications, which must be received by 14th May 1976, should be made in the first instance to **Dr. J. L. Cowan, North Sea Medical Centre, Sussex Road, Gorleston, Great Yarmouth, Norfolk NR31 6QB** and should be accompanied by an account of the applicant's curriculum vitae and the names of two referees.

School of MedicineTHE COLGATE FELLOWSHIP
IN SKIN RESEARCH

is now vacant and applications are invited from interested persons, with a scientific, biological or medical degree. The work will involve both clinical and instrumental evaluation of skin, in order to evaluate the effects of treatment.

Applicants are invited to write to The Hospital Secretary, The Skin Hospital, University of Manchester School of Medicine, Quay Street, Manchester M3 3HL. (H11232) 25

UNIVERSITY OF DUNDEE
Centre for Medical EducationUPDATE LECTURESHIP
IN MEDICAL EDUCATION

Applications are invited from medically qualified persons for a Lectureship in Medical Education newly provided for through a grant from Update Publications Limited. The Centre is unique in the United Kingdom and provides advice and assistance to the Faculty of Medicine in Dundee, runs teacher training courses in collaboration with the World Health Organisation and undertakes a variety of research projects at local and national level. The successful applicant in addition to having more general duties in the Centre will have particular responsibility for a research project on the improvement of the medical textbook as a learning aid. This will involve working with teams of medical specialists who will be producing a series of experimental texts. He or she will have a strong interest in teaching and in the preparation of teaching material. If appropriate, the successful applicant will have a clinical attachment and the opportunity to take part in teaching medical students.

The post is available for three years in the first instance but it is hoped that it will become permanently established. The successful candidate will be appointed at an appropriate point on the Clinical Lecturers' scale, £3,742 to £5,927.

Further details of this post are available from the Secretary, The University, Dundee DD1 4HN to whom applications, (six copies), containing the names of three referees and quoting reference Est/44/76N, should be sent by 8th May, 1976. (27039) 25

UNIVERSITY OF LIVERPOOL

LOCUM RESIDENT REGISTRAR IN ANAESTHETICS
required from 3rd to 13th May, 1976.

Applications giving details of previous experience to the Divisional Administrator. (54381) 52-6

APPOINTMENTS

Applicants for medical appointments are advised to check whether the post advertised is included in the Important Notice and to scrutinize carefully the remuneration and terms of service offered. Any member who is in doubt about these terms in relation to B.M.A. agreements should consult the Secretary of the Association.

Advertisers are reminded that the Race Relations Board insists that no descriptive term implying racial, national, or ethnic characteristics may be used in any advertisement. Further, readers are advised not to apply for any appointment which discriminates between applicants on grounds of creed or unreasonably on grounds of sex.

HOSPITAL APPOINTMENTS

Applicants should state names, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974, No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

No advertisement may stipulate that a non-resident must live less than 10 miles from a hospital. Advertisements for post-registration house officers, senior house officers and registrars should state clearly whether the post is resident, i.e. compulsorily resident.

In all advertisements grade should be clearly indicated. Normally a consultant vacancy must be advertised as (a) part-time with the number of sessions clearly stated, or (b) whole-time with the option of maximum part-time.

In the view of the BMA, an advertiser should not insist on possession of English higher qualifications in preference to Scottish or Irish qualifications (or vice versa).

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £2,859 per annum for the posts held during the first year; £3,075 per annum for posts held during the second year; £3,294 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £3,663 per annum x £243(1) — £3,906 x £246(1) — £4,152

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £4,152 per annum x £222(3) — £4,818 x £291(1) — £5,109.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £234 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £4,818 x £291(1) — £5,109 x £294(1) — £5,403 x £291(2) — £5,985 x £294(1) — £6,279.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

PART-TIME MEDICAL OFFICER GRADE (Clinical Assistant): £610 a year for each weekly notional half day.

HOSPITAL PRACTITIONER GRADE: £610 x £36(6) — £826 for each weekly notional half day.

MEDICAL ASSISTANT: £4,548 x £258(4) x £234(1) x £222(9) — £7,812.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £7,536 x £786(1) x £789(3) — £10,689.*

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate.

COMMUNITY MEDICINE

National Scale. Specialist in Community Medicine/District Community Physician/District Medical Officers: £7,536 x £786(1) x £789(3) — £10,689 p.a.* National scales for Regional and Area Medical Officers/Chief Administrative Medical Officers vary according to authority. Information available from the Secretary of the B.M.A.

PUBLIC APPOINTMENTS ON WHITLEY SCALES
New appointments on these scales are intended solely in respect of clinical posts. The national scales are —

Clinical Medical Officer: £4,422-£6,273 p.a.
Senior Clinical Medical Officer: £6,450-£8,307 p.a.

WOMEN DOCTORS

Women doctors in the United Kingdom intending to take on N.H.S. work when circumstances allow may be eligible for the Women Doctors' Retainer Scheme. Details are available from the Medical Women's Federation, Tavistock House North, Tavistock Square, London WC1 9HX. May, 1975

* Subject to the provisions of the Government's counter inflation policy.

LANCASHIRE AREA HEALTH AUTHORITY
Preston District
LOCUM SENIOR HOUSE OFFICER
IN NEUROLOGY
required at Preston Royal Infirmary from 26th June to 17th July, 1976. The Royal Infirmary is the sub-regional centre for Neurology and Neuro-Surgery for North Lancashire. The Department is staffed by two Consultants, one Medical Assistant and one Senior House Officer. The post is recognised for the M.R.C.P. Single accommodation is available. Applications together with the names and addresses of two referees to the District Administrator, Royal Infirmary, Preston, PR1 6PS. (54531) 71-8

THE REGIONAL DEPARTMENT OF MEDICAL AND SURGICAL NEUROLOGY
SENIOR HOUSE OFFICER (NEUROLOGY)
A Senior House Officer (Neurology) is required from the 1st June, 1976. The post is resident or resident whilst on duty. The Regional Department is situated in a new purpose built building in the grounds of Walton Hospital, which is a busy and active District General Hospital. Departmental weekly teaching and demonstration sessions are held in combination with the Neurosurgeons. In addition to postgraduate teaching, the Department also teaches undergraduate from the University of Liverpool. Apply as soon as possible to the Sector Administrator, Walton Hospital, Rice Lane, Liverpool L9 1AE, stating age, qualifications and the names of two referees. Please state the reference S252 quoted in this advertisement. (27837) 71-8

WAKEFIELD AREA HEALTH AUTHORITY
(Western District) Wakefield
Pinderfields General Hospital
Wakefield

Applications are invited for the post of **RESIDENT SENIOR HOUSE OFFICER** in the Neurology Department. There are 40 beds with two Consultants, a Registrar and two Senior House Officers. Pinderfields is a large general hospital with most major specialities and there is a new Postgraduate Medical Centre with extensive library services. Attendance at courses both in the hospital and at the nearby teaching hospital is encouraged. Married accommodation is normally available. Address written applications, giving full personal particulars details of experience and the names and addresses of two referees to the Sector Administrator, Pinderfields General Hospital, Aberford Road, Wakefield, Yorkshire. (27542) 71-8

NEUROSURGERY

NEWCASTLE AREA HEALTH AUTHORITY
(Teaching)
REGISTRAR IN NEUROSURGERY
(Whole-time/Resident)
required at the Regional Neurological Centre, Newcastle General Hospital (84 neurosurgical beds). The post offers excellent experience in neurosurgery and is recognised for the F.R.C.S. The Post is available from 1st July, 1976. Applications, giving full details and the names and addresses of three referees should be sent to the Area Personnel Officer, Newcastle Area Health Authority (Teaching), Scottish Life House, 2-10, Victoria Terrace, Jesmond, Newcastle upon Tyne NE2 1EF, by 15th May, 1976. (27602) 73-6

SALFORD AREA HEALTH AUTHORITY
(Teaching)
REGISTRAR
in Department of Neurosurgery, at Salford Royal Hospital and the Royal Manchester Children's Hospital (University of Manchester School of Medicine) Pendlebury. In addition to adult work the post offers exceptional opportunities for experience in Paediatric Neurosurgery. Married accommodation may be available. Application forms and job description from the Area Medical Officer, Salford Area Health Authority (T), Peel House, Albert Street, Eccles M30 0NJ. Tel: 061-789 7341, Ext. 338. Closing date 5th May, 1976. (27485) 73-6

COVENTRY AREA HEALTH AUTHORITY
Walsgrave Hospital
SENIOR HOUSE OFFICER FOR NEUROSURGICAL UNIT
A Senior House Officer is required in the Department of Neurosurgery in this newly built hospital. The department has 32 beds and is staffed by two Consultants, two Neurosurgeons, a Registrar and two Senior House Officers. There is a full-time Neuro-radiologist and the Unit works in close association with the Departments of Neurology and Neuropsychology. This post would be suitable either for training for the Fellowship Examination where the emphasis would be on the surgical aspects of the specialty or for a candidate who wishes to obtain acute Neurological experience in preparation for the Membership. For this option emphasis would be placed on ward work and little theatre attendance would be necessary. Courses for both the Primary and Final Fellowship and for the Membership are organised within the Area and an active programme of clinical meetings is held. There is a flourishing postgraduate medical centre where there is a good library. The post is resident and good married accommodation is available in the hospital precinct. The job will be available at the beginning of May. Interested candidates are invited to contact Mr. A. E. Booth, Consultant Neurosurgeon, in the first instance (Tel: Coventry 613232, Ext. 547). Applications, quoting reference BMJ to Sector Administrator, Walsgrave Hospital, Coventry CV2 2DZ, not later than Monday 10th May, 1976. (54533) 73-8

Oswestry. The posts offer exactly the same
training as the approved registrar training
posts. They are very suitable for those wanting
to enter a Senior Registrar approved
programme, or for foreign graduates wishing
to have two years parallel training to the
approved programme but who do not wish to
apply for the longer training approved
programmes.

Further details and application forms
returnable by 15th May, 1976 from Mr. Brian T.
O'Connor, Director of Clinical Studies, The
Robert Jones and Agnes Hunt Orthopaedic
Hospital, Oswestry, Shropshire SY10 7AG.

posts in Pathology at the Radcliffe Infirmary and Churchill Hospital, Oxford. This post provides opportunities for work in all branches of Pathology. The laboratories are recognised for training for the M.R.C.Path examinations. The post, which is non-resident, will be vacant on 1st July, 1976.
Job description and application form from Staffing Officer, Manor House, Off Headley Way, Headington, Oxford OX3 9DZ. Applications should be submitted by 15th May, 1976, quoting reference 57/92. (27493) 81-6

BRISTOL HEALTH DISTRICT
(Teaching)
and The University of Bristol

Applications are invited for the appointment of a

**TRAINEE
IN CLINICAL PATHOLOGY**
for a period of three years, but subject to annual review and confirmation. The first year will be in the grade of Senior House Officer and the following two years in the grade of Registrar (or equivalent University grade). During the first year the holder will rotate through the departments of Chemical Pathology, Haematology, Microbiology and Morbid Anatomy, and the third year will be spent in the department(s) of his/her choice; a full course of training for the Primary Examinations for Membership of the Royal College of Pathologists will be provided. No previous experience is required.
The duties will be mainly in the laboratories of the Bristol Royal Infirmary. The holder will be required to undertake emergency duties, but these will be rare except in the first year, when they will average one night in four; the holder must be resident on those nights. The hospital laboratories are recognised by the Royal College of Pathologists for training in Pathology for Primary and Final M.R.C.Path. examinations.

The post commences on the 1st August, 1976 and application forms are obtainable from Medical Personnel, Bristol Health District (Teaching), District Headquarters, 10 Marlborough Street, Bristol BS1 3N, and should be returned by the 21st May, 1976. In addition applications are invited for a similar post, with 2½ years to run from 1st August, 1976, but which may be commenced before that date if desired. (27854) 81-8

**UNIVERSITY OF BRISTOL
& Avon Area Health Authority**
(Teaching)
Bristol Health District (Teaching)
Bristol Royal Infirmary

**ROTATIONAL APPOINTMENT FOR
DEMONSTRATOR IN PATHOLOGY
& SENIOR HOUSE OFFICER TO
THE ACCIDENT & EMERGENCY
DEPARTMENT**

Applications are invited from registered medical practitioners for this rotational training scheme commencing on 1st August, 1976. The successful candidate will spend one year as Demonstrator in the Department of Pathology, University of Bristol, and six months as Senior House Officer in the Accident Service, Bristol Royal Infirmary. The duties as Demonstrator include assistance with the teaching of medical students and the conducting of autopsies; previous experience is not necessary and facilities for training in diagnostic histology are available. As Senior House Officer comprehensive training is available in accident surgery, including neurosurgery and plastic surgery; whilst on the Accident Service duties will be non-resident except for nights on call. The appointment offers an excellent opportunity to study basic pathology for those to pursue a career in surgery and to prepare for the Primary F.R.C.S. examination. The salary scale as Demonstrator is £3,744 to £5,355 per annum according to qualifications and experience, and as Senior House Officer at standard rate in the National Health Service.
The University does not issue application forms. Applications by letter giving full name, age, qualifications, details of education and experience, together with the names and addresses of three referees, should be sent by 10th May, 1976 to the Secretary, University of Bristol, Senate House, Bristol BS8 1TH. Please quote reference TLJ/R. (27544) 81-8

BRISTOL HEALTH DISTRICT
(Teaching)

Bristol Royal Infirmary

Applications are invited for this post, which offers a comprehensive three year training in psychiatry which has been accredited by the Royal College of Psychiatrists as suitable for the M.R.C. Psych. Registrars rotate at six-monthly intervals through the posts in psychiatric hospitals in the Area, including Mapperley and Saxondale Hospitals, Nottingham; and King's Mill Hospital, Mansfield. These hospitals offer experience in general psychiatry, child and adolescent psychiatry, alcoholism and drug dependency, psychogeriatrics and outpatient work. The recent inclusion of Rampton Hospital, Retford, which is one of four security hospitals in this country, offers special experience in forensic psychiatry. All registrars in the scheme spend a period in the University Department of Psychiatry. Supervision in psychotherapy by a Consultant psychotherapist over an extended period is available. Formal teaching is provided in neuroanatomy, neurophysiology and psychology, in association with Nottingham Un is an active programme of teaching in clinical psychiatry which includes case conferences, tutorials, journal clubs and a systematic series of lectures and seminars. A willingness to participate in undergraduate teaching is essential. Married and single accommodation is available. Rotation between posts will not necessitate a change in residence.

Applications (preferably type-written) to Medical Personnel Department, Nottinghamshire Area Health Authority (Teaching), Lichfield Lane, Berry Hill, Mansfield, Notts NG18 4RG, by 17th May, 1976, giving age, qualifications, present and previous appointments (with dates), naming three referees. (54577) 84-6

WALSLEY HOSPITAL Coventry CV2 2DX

LOCUM REGISTRAR IN PSYCHIATRY

required for an indefinite period, but at least until 31st August, 1976. The in-patient work is based on the Walsgrave District General Hospital. Clinical work is organised on a team basis and the hospital is recognised for D.P.M. and M.R.C. Psych. The hospital is part of a comprehensive sub-regional training scheme. There is an active postgraduate training programme under the direction of a University appointed Clinical Tutor. Resident post, married accommodation may be available.

Further information may be obtained from the Clinical Tutor, Dr. T. L. Dunn, at Walsgrave Hospital (Tel: Coventry 613232). Applications, naming two referees and quoting reference BMJ to the Sector Administrator by 10th May, 1976. (54540) 84-6

LISTER HOSPITAL Stevenage, Hertfordshire

LOCUM REGISTRAR IN PSYCHIATRY

required for the period 11th May, 1976 to 27th May, 1976, inclusive. Applications to the Medical Administrator, Lister Hospital, Stevenage, Herts. SG8 4-6

BASINGSTOKE DISTRICT HOSPITAL

SENIOR HOUSE OFFICER IN PSYCHIATRY

required in April, 1976. Many young doctors looking for a house job early in their careers would shy away from psychiatry but it could be a good idea, particularly if you want to enter general practice. Surveys of the workload in general practice have shown that up to 30% of patients consulting their practitioners have primary psychiatric problems and that in another 30% emotional difficulties are a prominent secondary factor. So why not consider working for your D.P.M. or M.R.C. Psych. at a modern Psychiatric Hospital with a big new District General Hospital in its grounds? Besides general clinical psychiatry the hospital (1,100 beds) has a variety of interesting special units: Alcoholism, Mother and Baby, Psychiatric, Intensive Care plus a rapidly expanding Community Psychiatric Nursing Service. It shares an active Postgraduate Education Centre with the District General Hospital, runs regular weekly case conferences and grants generous study leave to doctors attending the Essex school of Psychiatry for the courses in the D.P.M. and M.R.C. Psych. The hospital also has Category A approval from the Royal College of Psychiatrists. An active hospital social club exists and besides the usual varied sporting activities it boasts an excellent nine-hole golf course whilst Basingstoke itself has one of the best sports centres in the country. The post is resident and single/married accommodation will be available.

Application forms can be obtained from the Personnel Department, Aldermaston, Royal Basingstoke, Hants. Tel: Basingstoke 2998. Please quote reference No BMJ/18/76. (27692) 84-8

BRISTOL HEALTH DISTRICT (Teaching) Bristol General Hospital

Applications are invited for TWO SENIOR HOUSE OFFICERS

taking effect from the 1st August, 1976, and the 1st September, 1976. Duties will be in the 32 bedded in-patient unit at the General Hospital, out-patients, clinics, psychiatric consultation work in medical and surgical wards, and the Accident and Emergency Department. There will be study periods, tutorials, and the opportunity to participate in the postgraduate training programme. The posts are non-resident.

Application forms are obtainable from Medical Personnel, Bristol Health District (Teaching), District Headquarters, 10 Marlborough Street, Bristol BS1 3NU, and should be returned not later than the 14th May, 1976. (27855) 84-8

HUMBERSIDE AREA HEALTH AUTHORITY Beverly Health District De La Pole Hospital

SENIOR HOUSE OFFICER IN PSYCHIATRY

required for whole-time, resident duties at De La Pole Hospital (710 beds) Willerby, Near Hull. Applicants should have been resident in this country for at least 12 months, preferably with some experience in psychiatry. The post offers wide experience and an opportunity will exist for specialising after the first year. The successful candidate may be required to work throughout the psychiatric sector (2 hospitals, 1250 beds total). There is an active postgraduate training centre in Hull and encouragement will be given for further study. De La Pole hospital has been recognised for training towards M.R.C. Psych. Married accommodation may be available.

Applications stating qualifications, experience and the names and addresses of two referees to the District Personnel Officer, Beverley Health District, Westwood Hospital, Beverley, North Humberside, quoting Ref. No. 273. (54203) 84-8

KENSINGTON AND CHELSEA AND WESTMINSTER AREA HEALTH AUTHORITY (Teaching) Horton Hospital, Epsom, Surrey

SENIOR HOUSE OFFICER IN PSYCHIATRY

Senior House Officer in Psychiatry required from 1st June, 1976. The hospital has approximately 1,400 beds and serves the N.E. & N.W. Districts of the above Area and parts of the Royal Borough of Richmond-on-Thames and the London Borough of Merton. It is associated with the Middlesex Hospital, W.1., from which undergraduate students are attached for clinical training. It has a very high admission rate and the work covers the full range of adult psychiatry including organic dementia. The successful candidate would have an out-patient clinic in one of the Districts served.

Every encouragement and appropriate leave is given to staff in training for attendance at the South West Thames Regional Course or the Maudsley Hospital Course in Psychiatry on a day release basis. Other revision courses are also available in the region of the hospital. The hospital is recognised for training for the M.R.C. Psych. and the D.P.M.

The post is for 1 year. Subject to satisfactory performance, the person appointed would be considered for a subsequent Registrar post with the object of obtaining a total of three years training. Rotation through at least three Consultant firms would be arranged over the 3 year period. (Rotation of certain posts through Psychiatric Departments of the Middlesex Hospital is being planned and it is possible that the successful candidate would be considered for such rotation at some stage). Married and single accommodation is available.

Application forms and further information may be obtained from the Personnel Officer, Horton Hospital, Epsom (Tel: Epsom 29696) to whom applications should also be addressed. The closing date will be the 9th May, 1976. (54230) 84-8

LANCASHIRE AREA HEALTH AUTHORITY Burnley District Burnley General Hospital (129 Psychiatric Beds)

RESIDENT SENIOR HOUSE OFFICER In the Department of Psychological Medicine

This post offers an opportunity for experience in the treatment of out-patients (including Psychiatric Patients in General Medical Wards), out-patients, day patients and patients in Social Therapy Club. The person appointed will be part of a team consisting of 2 Consultants, 3 part-time Clinical Assistants, 1 Medical Assistant, 2 Registrars and 2 Senior House Officers. The services of a social worker and occupational therapist are available.

The hospital is recognised for training in the D.P.M. and has been placed in category 1 for accreditation for postgraduate training in psychiatry. Facilities are available for attending D.P.M. course in Manchester.

Post available immediately. Good accommodation available. Applications with names and addresses of two referees to the District Administrator, Burnley General Hospital, Burnley, Lancs BB10 2PQ. (27723) 84-8

PETERBOROUGH HEALTH DISTRICT Peterborough District Hospital

SENIOR HOUSE OFFICER IN PSYCHIATRY

Applications are invited for a resident Senior House Officer in Psychiatry in Peterborough District General Hospital for the Department of Adult Psychiatry available immediately. This is a busy General Hospital with an active Postgraduate Educational Programme and with facilities for study at Fulbourn Hospital, Cambridge. Married or single accommodation is generally available.

A full job description can be obtained from the Medical Services Administrator, Peterborough District Hospital, Thorpe Road, Peterborough PE1 1AB. Applications, to whom all applications naming two referees should be sent. (27187) 84-8

NORTHAMPTONSHIRE AREA HEALTH AUTHORITY

ROTATING TRAINEESHIPS IN PSYCHIATRY

to prepare for M.R.C. Psych are offered. Based on St. Crispin and Princess Marina Hospitals, Associated Clinics and four day hospitals. Applications are now invited from doctors interested in training for a career in Psychiatry. The appointments are for one year. Renewable annually up to four years, commencing as Senior House Officer and, subject to satisfactory progress, preceding to Registrar after one year.

The expanding services of this Area afford experience in a wide range of General Psychiatric practice and include supervised psycho-therapy, child psychiatry, mental sub-normality and E.E.G. There is emphasis on community aspects throughout. The Mental Health Sector is accredited as Category 1 for training by the Royal College of Psychiatrists. There are complimentary area and Regional Training programmes for the M.R.C. Psych. These appointments offer above average opportunities to the present group of 11 trainees. Preference will be given to applicants committed to a career in psychiatry. Much previous experience in the specialty will not necessarily be an advantage. Accommodation available.

Full information on these posts, and application forms are available from the Medical Director. He or the Psychiatric Tutor, is available by appointment for discussion of the Area Training opportunities. Interviews will be held on or about 4th June, 1976.

Application forms to be returned by 21st May 1976, to the Personnel Department, St. Crispin Hospital, Duston, Northampton NN5 6UN. Tel: Northampton 52323. (54631) 84-8

REDBRIDGE & WALTHAM FOREST AREA HEALTH AUTHORITY

West Roding District
Claybury Hospital, Woodford Bridge
Woodford Green, Essex, IG8 8BY

There is a vacancy for a

South Western Regional Health Authority on behalf of DEVON AREA HEALTH AUTHORITY Plymouth Health District

TRAINEE REGISTRARS IN DIAGNOSTIC RADIOLOGY

A 3-year full-time non-resident course of instruction for the Fellowship of the Royal College of Radiologists will start on 27 September, 1976. Applicants must be registered medical practitioners and must comply with the Fellowship regulations of the Royal College of Radiologists, i.e. they should have at least one year's experience, preferably clinical, after full registration before commencing their radiological training. The course is arranged so that candidates can sit for Part I Fellowship examination of the Royal College of Radiologists after one year, the D.M.R.D. examination of the London Conjoint Board after two years and Part II F.R.C.R. examination after three years.

There are 102 Consultants on the medical staff in Plymouth including 7 Diagnostic Radiologists, 3 Radiotherapists and a Consultant in Nuclear Medicine. All diagnostic facilities are available in modern, well-equipped departments. Training will cover all aspects of diagnostic nuclear medicine and gastro intestinal endoscopy. (An EMI scanner will be installed during 1976). There is a considerable amount of post-graduate teaching carried out in Plymouth hospitals and at the Plymouth Medical Centre which is adjacent to the main hospitals. A course of training is also offered in Plymouth for radiotherapy trainees. Plymouth is the sub-regional centre for neurological sciences and also contains the sub-regional radiotherapeutic and facio maxillary centres.

Candidates are welcome to visit the Department of Radiology by arrangement and further information may be obtained from Dr. E. A. Waldron, X-Ray Department, Greenbank Hospital, Plymouth.

Application forms obtainable from the Regional Medical Officer, South Western Regional Health Authority, 27 Tyndalls Park Road, Bristol BS8 1PJ, to whom they should be returned by 13th May, 1976. Selected candidates will be interviewed on 28th May, 1976. (H11149) 85-6

YORKSHIRE REGIONAL HEALTH AUTHORITY AND LEEDS AREA HEALTH AUTHORITY

SENIOR REGISTRAR IN RADIOLOGY

Regional Training Scheme
The main hospitals associated with the scheme are the General Infirmary at Leeds, St. James's Hospital, Leeds (Teaching Hospitals) and the Royal Infirmary, Bradford. Posts are non-resident but all the associated hospitals can be reached conveniently without changing residence.

Training is available in every specialised branch of Radiology and full postgraduate facilities exist, entrants will be trained up to Consultant level and tuition provided for the Fellowship of the Royal College of Radiologists. Trainees will be encouraged to gain experience in advance techniques within the Region and elsewhere in the country. Where appropriate facilities will be made available for an elective year during the third or fourth year of training. Please quote reference number 602.

Further details and application forms available from the Regional Administrator, Yorkshire Regional Health Authority, Park Parade, Harrogate, North Yorkshire, HG1 5AH. Closing date 20th May, 1976. (54452) 85-5

GOVERNMENTAL

Chief Medical Officer

The Health Education Council is responsible for developing and promoting health education activities in England, Wales and Northern Ireland. The Council requires a Chief Medical Officer with an interest in health education and with a public health/community medicine background. He or she will be in charge of the Medical Division, but will also be a member of an executive team engaged on specific projects. Responsibility will be to the Director General for

- advising on the medical content of the Council's programme
- building up a medical and scientific intelligence service
- maintaining and promoting professional contacts in general medicine, community medicine and the social sciences
- supervising a research programme

There will be opportunities for creative speaking and writing, taking part in conferences and professional meetings, and for the pursuit of original work. There is a possibility of the conferment by the London School of Hygiene and Tropical Medicine of a visiting professorship on the candidate selected. The salary is related to the Civil Service Medical and Senior Medical Officer scale, that is £10,663-£12,193 p.a. inclusive of London Weighting and superannuation allowance. The post is superannuable under the N.H.S. Scheme.

An application form, which should be completed and returned by 7th May, 1976, is available on application to:

The Personnel Manager,
The Health Education Council,
78 New Oxford Street,
London WC1A 1AH.
Tel: 01-637 1881.

U.S.A. PHYSICIAN OPENINGS

The Upjohn Company, a growing name in the pharmaceutical-human health care fields, would like to consider British medical school graduates for the following openings at its Kalamazoo, Michigan headquarters facilities:

CLINICAL PHARMACOLOGY — HOSPITAL BASED RESEARCH UNIT

Physician with background in internal medicine and training or experience in clinical pharmacology required for hospital based research unit. There will be opportunities for patient care, teaching, study of new drugs and implementation of independent research projects. A new research floor which includes facilities for inpatient and outpatient care is nearing completion. \$36,000 to \$42,000 annually (depending on training-experience). Will eventually need Michigan medical licence.

HYPERSENSITIVITY DISEASES RESEARCH (2 Openings)

Challenging opportunities in clinical research for physicians interested in the development of new immunosuppressive agents and drugs for treatment of allergic and non-allergic respiratory diseases. Responsibilities include collaboration and selection of candidate drugs for clinical evaluation and design, supervision and interpretation of clinical studies required to determine drug safety and effectiveness.

Current projects include testing of antithymocyte globulin as an immunosuppressant and evaluation of prostaglandins and other agents in Type 1 allergy. You should have a higher qualification in internal medicine or paediatrics or experience in clinical pharmacology. Training or interest in pulmonary diseases or clinical immunology desirable. \$36,000—\$42,000 annually (depending on training & experience).

DIABETES & ATHEROSCLEROSIS RESEARCH

Physician needed to develop and conduct clinical trials for the development of drugs in the areas of atherosclerosis, diabetes and/or thrombosis. Other responsibilities include providing original medical expertise as part of a team research effort geared toward finding product candidates in the above areas, participating in diabetes and atherosclerosis clinics and conducting clinical research on the basic disease processes of atherosclerosis, diabetes and thrombosis.

Qualifications: M.R.C.P. (Adults or Paediatrics) or M.R.C.G.P., experience with metabolic or endocrine problems desirable. \$36,000—\$42,000 annually (depending on training and experience).

MEDICAL MANAGER, HEALTH SURVEILLANCE (INDUSTRIAL HEALTH)

Physician needed to administer a health surveillance screening programme for Kalamazoo Upjohn employees. Supervisory responsibility for a staff physician and six medical support personnel. Besides administering the screening programme and supervising the unit, another key responsibility is seeing that clinical tests conducted by the unit serve the ends of preventative medicine for the company's employees and improve both short and long range environmental controls. OSHA liaison responsibilities.

Previous experience with large scale epidemiological studies is essential. Other requirements include a D.P.H. and M.R.C.P. or M.R.C.O.G. Familiarity with automatic data processing methods desirable. \$40,000 plus, annually. Will eventually need Michigan medical licence.

We offer excellent salaries, a very comprehensive benefits package which includes total health insurance and company paid malpractice insurance, professional dues and seminar fees.

Upjohn physicians have growth potential in a multi-disciplined professional environment and are also offered access to clinical facilities, a well-maintained research library and ample academic contacts.

Living in Kalamazoo, a mid-sized Southwestern Michigan community, means no commuting, immediate access to an excellent mix of cultural-recreational pursuits including lakes, nearby colleges, a four-season climate and much more. Few big city type problems. Very acceptable educational options for children. Please send resume in confidence to:

Site Medical Officer

Algeria
to £9000

Pritchard Rhodes Ltd., a major international Petrochemical Construction Company require a fully qualified GP for one of their construction sites in Algeria.

Duties will include heading a small medical team dealing with 800 expatriates plus some wives and families. Therefore, a good all round experience is required; and a knowledge of working overseas in a similar capacity would be considered an advantage although this is not essential.

This is a permanent staff position. Rewards are high, including a salary of around £9000 p.a. (including bonus) paid without deduction of tax, free single status accommodation and messing, pension and life assurance schemes, and free return flights to the UK at regular intervals.

Please send full details of experience, qualifications, etc., to: Peter de Courcy

1 Bedford Avenue, London WC1B 3AY (01-637 2455)

Medical Health Officer with Overseas Experience

spend 3 years in Africa as a Government Advisor

An interesting and unusual opportunity has arisen for an experienced health administrator.

Based in Malawi for 2½-3 years, you will be the chief advisor to the Secretary for Health on all policy matters affecting the Health Services. You will also be required to liaise with local and overseas agencies participating in Malawi's health programme. This is a very senior and challenging position.

Candidates should be suitably qualified medical practitioners, with several years' experience and some training in public health.

Sound experience in health administration in a developing country is essential.

Over and above the rewards inherent in such a job, we are offering a largely tax-free salary of up to £8,537 (at current exchange rate) plus a substantial, 4-figure tax-free gratuity at the end of your contract. You will also receive many worthwhile settlement benefits, including subsidised accommodation.

For further information and an application form, please write to:

Medical Posts on Zambia's Copperbelt

The Zambian Copperbelt is one of the largest copper mining complexes in the world. Its two major mining companies, Nchanga Consolidated Copper Mines and Roan Consolidated Mines, are responsible for providing full medical care for 55,000 employees and their dependants – in total, some 260,000 people.

To this end they run hospitals, clinics and first aid dressing stations, situated in the various copperbelt towns.

There are a number of medical posts currently available.

Consultants At least £11,000 pa

At present there are vacancies for a Consultant Physician, a Consultant Gynaecologist and a Consultant Obstetrician.

Medical Officers Up to £10,500 pa

These general duty posts will suit qualified medical practitioners with experience in surgery, paediatrics, obstetrics or anaesthetics.

All posts are on a 2-year renewable contract basis. Salaries stated above are based on current exchange rates and depend on qualifications and experience.

Additional benefits include free passages to and from Zambia; generous baggage and tax free settling-in allowances; low cost furnished accommodation; tax-free children's education and travel allowances; free life assurance; interest free loan towards car purchase; generous paid leave.

Please write for an application form and further details, quoting Ref. BM162to:

WANGANUI HOSPITAL BOARD
New Zealand
Wanganui Base Hospital**VISITING RADIOLOGIST**

Applications are invited from suitably qualified Medical Practitioners for the position of Second Visiting Radiologist at the Wanganui Base Hospital, Wanganui, New Zealand. The salary and conditions of employment will be in accordance with the Hospital Service Determination for Medical Officers (Specialists) for which the salary at present is within the range \$14,256/\$18,365. The position is nine-tenths and the commencing salary will be determined by the Director-General of Health.

Further information, together with Application Forms and Conditions of Appointment may be obtained from the Classified Advertising Manager, 'British Medical Journal' and the undersigned, with whom applications close on 30th June, 1976. H.E. Wynne, Chief Executive. (H11207) 118

WANGANUI HOSPITAL BOARD
New Zealand**OBSTETRICIAN & GYNAECOLOGICAL SPECIALIST**

Applications are invited from suitably qualified Medical Practitioners for the position of Obstetrician and Gynaecologist at the Wanganui Base Hospital, New Zealand. The salary and conditions of employment will be in accordance with the Hospital Service Determination for Medical Officers (Specialists) for which the salary is within the range \$14,256/\$18,365. The position will be whole or part-time and the commencing salary will be determined by the Director-General of Health.

Application Forms and Conditions of Appointment may be obtained from the Classified Advertising Manager, 'British Medical Journal' and the undersigned, with whom applications close on 30th June, 1976. H.E. Wynne, Chief Executive. (H11208) 118

TARANAKI HOSPITAL BOARD
PHYSICIAN**Hawera Hospital, Hawera, New Zealand**

Applications are invited from Registered Medical Practitioners for the position of Physician, Hawera Hospital.

While this is primarily to be a whole-time appointment, applications are invited also from those interested in a part-time appointment of not less than six sessions a week. A whole-time appointee may subsequently change to a part-time appointment by mutual agreement with the Board.

It is hoped that the appointee will be a specialist holding a higher qualification in medicine. However, persons without such a higher qualification but who have a special interest and experience in the field of general medicine should apply.

Hawera Hospital has 117 general beds and is well equipped for a hospital of its size. There are four wards including a modern 60-bed two-storey ward block commissioned in February 1969. Attached to this block is a new four-bed intensive and coronary care unit opened this year. There is a modern laboratory and a 23-bed maternity unit associated with the hospital.

Hawera Hospital serves a closely settled prosperous farming area with a district population in excess of 22,000.

The area has a temperate climate, attractive countryside and excellent educational facilities for the family. Sporting activities such as shooting, fishing, skiing, golf etc. are easily available and relatively inexpensive.

Further particulars are available upon air mail request from **The Secretary, Taranaki Hospital Board, Private Bag, New Plymouth, New Zealand**, with whom applications close on 30 June 1976.

Swaziland

A feasibility study is presently being conducted into the establishment of a medical service for industry in Swaziland. This would be a novel venture, largely dependent upon the interest that can be raised among medical practitioners who would be prepared to live and work in Swaziland on a contract basis.

Swaziland, an independent kingdom situated on the eastern border of the Republic of South Africa, is a day's drive from the Natal coast and approximately 250 miles from Johannesburg. Among the thriving industries are forestry, asbestos and coal mining, fruit growing and canning, sugar growing and processing, and tourism. It is an attractive country with splendid mountain scenery contrasting sharply with low bushveld and irrigated farming country.

The advertisers would like to hear from practitioners with specialist qualifications in surgery, medicine, paediatrics, anaesthetics, obstetrics and gynaecology and radiology, and from general practitioners. It is hoped to offer excellent scope for varied clinical work in a novel medical service organisation.

Interested practitioners should write to M. E. Cooke, c/o The Swaziland Federation of Employers, P.O. Box 386, Manzini, Swaziland.

Imodium
JANSSEN

TRADE MARK

stops diarrhoea safely and rapidly

unique chemical entity... loperamide (R 18 553) is an entirely new molecule, first synthesized by Janssen Research; the compound specifically inhibits hypermotility by a direct effect on the intestinal wall.

highly effective in acute diarrhoea... quickly relieves spasms and cramps; stops diarrhoea due to gastroenteritis, diet, functional causes, etc.; even more effective than diphenoxylate in double-blind studies.^{1,2}

no incompatibility... no incompatibility with other therapies has been reported.

remarkably safe... contains no atropine, devoid of CNS activity; no adverse effects noted in long-term safety studies.³

patient-controlled dosage schedule... in adults, two capsules to start, one capsule after each unformed stool until bowel function is normalized.

Summary of Prescribing Information

Indications : Imodium is indicated for the control of acute diarrhoea regardless of origin.

Side-effects : no specific drug related side-effects have been reported to date.

Precautions : overdosage may lead to constipation. Safety of use in pregnancy has not been established. Imodium should not be used in patients with a known hypersensitivity to the drug and in those in whom inhibition of peristalsis must be avoided (e.g. subobstruction due to a tumour).

Availability : Capsules containing 2 mg of loperamide.

Dosage :

Acute diarrhoea	Adults	Children over 5
Initial dose	2 caps.	1 caps.
Subsequently after each loose stool	1 caps.	1 caps.

In acute diarrhoea a 5-day period of treatment should be adequate.

Full information is available on request.
