

**as flexible as  
your patients' needs**

The comforting thing about Harmogen therapy is that, in alleviating those symptoms associated with the menopause, it is both natural and flexible. It provides oestrone sulphate identical to that provided by the woman herself, in a presentation allowing you to titrate dosage to your patients' individual requirements. Surprisingly, no other treatment offers you these two major benefits.

# ST. ANDREW'S HOSPITAL NORTHAMPTON

## THE FOREMOST PRIVATE PSYCHIATRIC HOSPITAL IN BRITAIN

ST. ANDREW'S HOSPITAL, which was established in 1838 as a non-profit making charitable foundation, is a progressive hospital staffed and equipped for the treatment of every type of psychiatric illness.

**SHORT STAY** patients are, in general, admitted to Isham House, a modern and luxurious Nursing Home within the grounds. The accommodation consists of private bedrooms, most of which have private bathrooms. All forms of treatment are available, with emphasis on individual and group psychotherapy.

**PSYCHO-GERIATRIC** patients are admitted to "The Harper Unit" in the main hospital, which has recently been opened. This unit, which has both private rooms and cubicle accommodation, has been completely reconstructed and adapted specifically to provide a high standard of care and privacy and the ratio of nurses to patients is generous.

**LONG STAY** patients are admitted to a separate part of the main hospital, which has also been completely modernised.

All patients are under the care of full-time Consultant Psychiatrists.

**FACILITIES AND AMENITIES** for occupational therapy and recreation are excellent, and include a 9-hole golf course, squash court, tennis courts, heated indoor swimming pool and a Social Centre with restaurant, shop and hairdressing salon. All these are set in the hospital's own 100 acres of attractive well-wooded grounds.

Northampton is about one hour's journey from London, either by train or on the M.1 motorway, and is easily accessible from all parts of the country.

B.U.P.A. and P.P.P. subscribers are able to claim benefit in respect of their treatment fees.

Further particulars, including fees, may be obtained from the Medical Director, St. Andrew's Hospital, Northampton (Tel: 0604-21311) who can be seen in consultation by appointment at the hospital.

### MEDICINE AND POLITICS: 1975 AND AFTER

J. ENOCH POWELL

Ten years ago Mr Powell wrote *A New Look at Medicine and Politics* drawing from his experience as a recent Minister of Health. He analysed objectively the structure and function of the NHS and its inevitable relationship to politics. Everything he said then is as up to date now. The original text is re-presented, but Powell has added pungent comments on the reorganisation of 1974 and the arguments about private medicine, and the book is now re-published in revised style.

## OCCUPATIONAL HEALTH

# Medical Officer

The National Coal Board's medical contribution to the intensive programme to eliminate pneumoconiosis includes a comprehensive X-Ray Service with Centres in each of the major coalfields. The X-Ray Service has recently been extended to comply with additional responsibilities resulting from the Coal Mines (Respirable Dust) Regulations 1975 and as a result of promotion within the Service there is now a vacancy for a medical officer.

In addition to the clinical and epidemiological aspects of radiography in the coal mining industry, chest X-ray surveys are undertaken for other industries with potential dust hazards such as asbestosis and silicosis. Staff are encouraged to develop original research and to take part in national projects. Close contact with local hospitals and chest clinics is essential.

Applicants should have previous experience in chest diseases and/or radiology. Initial training will be given in Yorkshire and thereafter the successful applicant will be based in South Wales, where experience in general occupational medicine will also be available.

Salary will depend on experience, but initially will be in excess of £7000, with good promotion prospects.

Applications are invited for posts in the

# GREAT YARMOUTH AND LOWESTOFT VOCATIONAL TRAINING SCHEME.

Hospital Posts will commence on 1.2.77 but Trainees available before that date can do an initial period in General Practice of up to three months beforehand.

Hospital Posts consist of four six-month appointments in one of two rotations:—

1. **General Medicine, Paediatrics, Obstetrics and Gynaecology, Optional Post.**
2. **General Medicine, Paediatrics, Accident and Emergency, Optional Post.**

In each case, the first three appointments are service posts at S.H.O. level in the departments concerned. The optional post is supernumerary and may be taken in one of several hospital departments, or split between two of them, and may be combined with out-patient clinics in other specialities. All departments run an active teaching programme.

The General Practice period is spent either in urban group practices or rural dispensing practices in the district. The initial and final periods may be spent in different practices if desired.

A Study Half-Day programme is held weekly on topics relating to General Practice, with a Journal Club and G.P. case discussions. Married or single accommodation is available.

The relevant posts are recognised for D.R.C.O.G. and D.C.H. and the Scheme for the M.R.C.G.P.

## TBA Industrial Products Ltd.

TBA Industrial Products Ltd., one of the largest companies in the Turner & Newall Group, employs 4500 people in four factories in the U.K. and manufactures a wide range of products based on asbestos fibre, glass fibre, rubber and plastics.

We wish to appoint a Senior Medical Officer to assume responsibility for the medical services of the company which includes the operation of medical units at the two main factories at Rochdale and Hindley Green (near Wigan).

The successful candidate would be expected to have a sound background in chest disease with special reference to industrial chest conditions. The ability to interpret chest X-rays is essential and knowledge of pulmonary physiology is a basic requirement. X-ray facilities and a pulmonary physiology laboratory are available on site.

A doctor with previous experience in industry or in possession of an appropriate higher qualification will be preferred. Knowledge of epidemiology is an advantage and opportunities exist for collaboration on various research projects concerned with the analysis of statistics relating to the effects of asbestos exposure on the health of employees and ex-employees.

The position is based at Rochdale and offers a doctor with a genuine interest in industrial medicine excellent prospects for advancement in this field of medicine. Starting salary will be in line with the BMA scale for Senior Medical Officers in industry.

which the Nuffield Foundation administers in conjunction with the British Paediatric  
Association.

Two or three Fellowships will be offered each year, the number and type awarded  
in any one year depending on circumstances and the calibre of applicants available.

The types of Fellowship, which are open to men or women, are:-

**A** To enable a paediatrician from any part of the Commonwealth overseas to spend  
up to twelve weeks in the United Kingdom, meeting British paediatricians and seeing  
something of their work. Preference will be given to those recently established in an  
academic career who can arrange their visit to allow attendance at the Annual  
General Meeting of the British Paediatric Association in April 1978.

**B** To further the training of a young paediatrician from any part of the Common-  
wealth overseas by spending one year in postgraduate study of paediatrics and child  
health at approved centres in the United Kingdom with a view to assisting the Fellow  
on return to his country to further paediatric knowledge by teaching. The award is  
not intended to enable the Fellow to obtain a higher degree in medicine.

**C** To enable a paediatrician from the United Kingdom of Senior Registrar or  
Consultant status, but in the early years of professional life to make a short working  
visit (up to three months) to a centre in a developing country, teaching or conducting  
research so as to benefit both the fellow and his hosts. The applicant should submit a  
brief programme and indicate the likely benefits to himself and to his hosts which he  
suggests will accrue.

Applications for these awards must be received by the Nuffield Foundation not later than

# APPOINTMENTS

Applicants for medical appointments are advised to check whether the post advertised is included in the Important Notice and to scrutinize carefully the remuneration and terms of service offered. Any member who is in doubt about these terms in relation to B.M.A. agreements should consult the Secretary of the Association.

Advertisers are reminded that the Race Relations Board insists that no descriptive term implying racial, national, or ethnic characteristics may be used in any advertisement. Further, readers are advised not to apply for any appointment which discriminates between applicants on grounds of creed or unreasonably on grounds of sex.

## HOSPITAL APPOINTMENTS

Applicants should state names, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974, No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

No advertisement may stipulate that a non-resident must live less than 10 miles from a hospital. Advertisements for post-registration house officers, senior house officers and registrars should state clearly whether the post is resident, i.e. compulsorily resident.

In all advertisements grade should be clearly indicated. Normally a consultant vacancy must be advertised as (a) part-time with the number of sessions clearly stated, or (b) whole-time with the option of maximum part-time.

In the view of the B.M.A., an advertiser should not insist on possession of English higher qualifications in preference to Scottish or Irish qualifications (or vice versa).

## SALARY SCALES OF HOSPITAL MEDICAL STAFF

AUCKLAND HOSPITAL BOARD  
New ZealandHOUSE SURGEON/PHYSICIAN  
& SENIOR HOUSE OFFICER  
VACANCIES

1977  
Applications are invited from final year medical students and suitably qualified medical officers for the position of House Surgeon/Physician and Senior House Officer for the year 29th November, 1976 to 28th November, 1977. There are 114 vacancies of which approximately 40 are reserved for overseas graduates. Accommodation, married and single accommodation is available at all the hospitals at a moderate charge, and meals are supplied free when on duty. Assistance with fares to New Zealand is available subject to the signing of a Bond of Service. Details will be supplied on demand.

The Auckland Hospital Board administers three major general hospitals, viz: Auckland, Green Lane and Middlemore totalling 2,362 beds plus 71 obstetric beds. In addition to the above three general hospitals, the Board administers the National Women's Hospital which houses the Postgraduate School of Obstetrics and Gynaecology (390 beds), St. Helens Hospital (102 obstetric beds), North Shore Hospital (200 beds), Waitakere Hospital (205 beds), and other smaller institutions which complete the total of 3,501 beds. The Board also administers Oakley, Carrington, Kingseat and Ravenhorpe Psychiatric Hospitals as well as the Mangere Psychopaedic Hospital and Training School with a further 2,421 beds which makes a grand total of 5,922 beds in all.

1. First year House Surgeons/Physicians: All rotations which are of 3 months duration will provide New Zealand pre-registration experience.

2. Second Year House Surgeons/Physicians and Senior House Officers/Graduates in their third or later postgraduate years.

Postgraduate Training Schemes which continue during the Registrar years will start in the second Postgraduate Year. Sequences of quarters runs are arranged in 7 streams as follows: Medicine, Surgery, Paediatrics, M.R.C.O.G. Training, Psychiatry, Generalist for General Practice and Diploma of Obstetrics, etc. Anaesthetics. Applicants for Second Year and Senior House Officer posts should indicate their stream of choice, in order of preference. Acceptance into a particular stream does not guarantee progression to a Registrar Training post in the specialty, as House Surgeon stream posts outnumber First Year Registrar vacancies.

The salary scales are: First Year House Surgeons N.Z. \$7,968 per annum. Second Year House Surgeons N.Z. \$8,820 per annum. Senior House Officers N.Z. \$9,504-\$10,016 per annum, plus a compensatory payment on a scale of between 7% and 22% when rostered for duties in excess of 54 hours per week.

Forms of application and details of rotations in each stream may be obtained from the Superintendent-in-Chief, Auckland Hospital Board, P.O. Box 5546, Auckland, with whom applications must be received by Friday 16th July, 1976. Forms of application are also available from The High Commissioner for New Zealand, New Zealand House, The Haymarket, London, W.C.2. England. (29093) 118

**LONG-TERM  
pain and  
inflammation  
needs  
LONG-TERM  
aspirin**

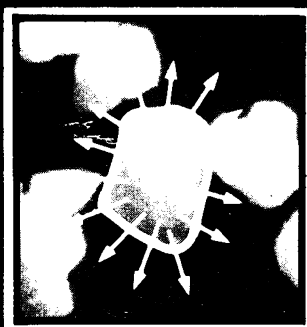

**LEVIUS**

**the unique presentation  
minimises gastric irritation**

**Each tablet contains  
35,000 microcapsules**

**Each microcapsule  
progressively  
releases aspirin**

**Packs: 20 and 500 tablets**

British evidence has shown that Levius provides all the beneficial effects of aspirin, long-term, without causing gastric distress in the great majority of patients. Thus the patient is able to receive the anti-inflammatory therapy he, or she, so desperately needs.

**Levius: Uncoated, controlled-release tablets each containing Aspirin 500mg microencapsulated with ethylcellulose.**
