The Puerperal Diseases:
CLINICAL LECTURES
by FORDYCE BARKER, M.D.
Clinical Professor of Midwifery and the Diseases of Women in the Bellevue Hospital Medical College; Obstetric Physician to Bellevue Hospital; Fellow of the New York Academy of Medicine; Hon. Fellow of the Obstetrical Societies of London and Edinburgh.
J. & A. CHURCHILL, New Burlington Street.

Now ready, New Edition, royal 8vo, 1130 pp., 28s.
Dunglison's Medical Lexicon;
A DICTIONARY of MEDICAL SCIENCE: Containing a Concise Explanation of the various Subjects and Terms of Anatomy, Physiology, Pathology, Hygiene, Therapeutics, Pharmacology, Pharmacy, Surgery, Obstetrics, Medical Jurisprudence, and Dentistry, Notices of Climate and Mineral Waters, Formulae for Official, Empirical, and Dietetic Preparations; with the Accentuation and Etymology of the Terms, and the French and other Synonyms.
The object of the Author from the outset has been to make the work an epitome of the existing condition of medical science. Starting with this view, the great demand which has existed for the work has enabled him, in repeated revisions, to augment its completeness and usefulness, until at length it has attained the position of a recognised and standard authority.
J. & A. CHURCHILL, New Burlington Street.

Now ready, Ninth Edition, with 55 Engravings, crown 8vo, 14s.
A Manual of Medical Juris-
PRUDENCE.
By ALFRED S. TAYLOR, M.D., F.R.S.
