J. and A. CHURCHILL, New Burlington Street.

## DR. LAWSON ON SCIATICA.

**Sciatica, Lumbago, and Brachialgia:** their Nature and Treatment, and their Immediate Relief and Rapid Cure by Hypodermic Injection of Morphia. By HENRY LAWSON, M.D., Assis. Physician St. Mary's Hospital, & Lecturer on Physiology in St. Mary's Med. School. Price Six Shillings.

*The Med.-Chir. Rev.*—"We congratulate Dr. Lawson on having attacked the tendency to theorise, and we heartily recommend his book, not only for its great practical value and pleasant style, but also for the wholesome absence of wild hypothesis."

*The Amer. Jour. of Med. Sci.*—"By a judicious arrangement of interesting and valuable information around the leading idea, a treatise of some size and completeness has been produced."

*Westmin. Rev.*—"The book is really vigorous and instructive, and therefore well worth reading."

*The Glas. Med. Jour.*—"We have much pleasure in recommending this book to our readers."

*The Dub. Jour. of Med. Science.*—"We trust that those . . . will, after a perusal of the arguments and facts so forcibly brought forward by Dr. Lawson, be convinced of its value and efficacy. . . . We have no hesitation in recommending it to our readers."

*The Practitioner.*—"The author's remarks on electrical treatment are sound and judicious; and even in the one or two instances in which we differ somewhat from his conclusions, we can recognise the fact that his researches have been made in a scientific spirit."

*The Canada Med. & Surg. Jour.*—"Dr. Lawson has given us an exceedingly readable book. The interest of the subject under discussion is maintained throughout."

*The Med. Times & Gaz.*—"As a good practical book with an idea in it we can commend Dr. Lawson's to the medical world."

London: HARDWICKE AND BOGUE, 192, Piccadilly.

To be completed in 5 Parts (each with 4 Plates drawn from Nature by M. Léveillé, and Coloured by hand under his direction).
