Surgical Inquiries.

By FURNEAUX JORDAN, F.R.C.S., Surgeon to the Queen's Hospital, Professor of Surgery Queen's College, Birmingham, Consulting Surgeon to the Women's and the West Bromwich Hospitals.

"Accomplished and thoughtful surgeon."—*Brit. and Foreign Med.-Chir. Review*.

"In his presidential address, since published under the title 'Surgical Inquiries,' Mr. Jordan made many highly instructive and valuable observations on subjects in which he is known to have taken some special interest."—*Half-Yearly Abstract of the Medical Sciences*.

"We know of no surgical writer of the present day whose communications are more thoroughly replete with originality."

"A rich mine of rare gems, each one coruscating with the practical genius of the writer."

"We wish this work all success, and feel assured we will receive the grateful thanks of every reader for directing his attention to this writer and to all his publications."—*Edin. Med. Jour.*

J. & A. CHURCHILL, New Burlington Street.

On Paralysis from Brain Disease in its COMMON FORMS.

By H. CHARLTON BASTIAN, M.D., F.R.S., Physician to University College Hospital, and to the Hospital for the Paralyzed and Epileptic.

"We have formed a high estimate of this work. No one should omit reading it who wishes to keep abreast of recent progress in the difficult department of cerebral disease."—*Glasgow Med. Jour.*

"The author has been able to discuss every part of his subject in the light of a wide, practical, and scientific knowledge."—*The Lancet*.

"The remarks on treatment are, we think, practical, sagacious, and clinically useful."—*Brit. Med. Jour.*

"There is no better account of cerebral paralysis in our language."—*Birmingham Medical Review*.

MACMILLAN & Co., London.

Now ready, profusely illustrated, demy 8vo, cloth, 18s.

Diseases of the Nose and its ACCESSORY CAVITIES.—By W. SPENCER WATSON, F.R.C.S. Eng., M.B. Lond.

"A dissertation on nasal diseases which would seem to leave but little to be said on the subject."

"In the present case we are made to feel that our author is entire master of the literature of his subject, and that he understands fully the value of the illustrations and experiences quoted from his own practice as well as from that of other surgeons."—*Philadelphia Medical Times*.

London: H. K. LEWIS, 136, Gower Street.

Now ready, Fourth Edition, greatly Enlarged, with numerous Engravings and Ten Additional Lectures, 8vo, 12s.

Clinical Lectures on Diseases of the URINARY ORGANS.
