Better — Better — Better !

The Vigorous Policy behind Wolsey Underwear

Although Wolsey Pure Wool Underwear has long been the most widely-selling brand of woollen underwear in the world, its makers are ceaselessly endeavouring to improve its value, its quality, its usefulness.

Effecting Economies

Realising the betterment that would be wrought and the economies that would be effected if every process of manufacture were in their own hands, the Wolsey makers laid down their own Spinning Mills and, by closing the avenues of waste and outside costs, were able to concentrate a fuller value in the actual garments. Incidentally the makers of Wolsey are the only firm in the Kingdom who undertake the entire manufacture of the goods they sell.

Special Sizes

Next, anxious that no man or woman, however unusual their shape or build, should be deprived of the opportunity of securing perfect-fitting Wolsey Garments, the Wolsey Manufacturers undertook the making of *Special Sizes*, not by any means

such a simple business as it sounds, but a convenience to the public that has met, and continues to meet, with intense appreciation. Orders for this 'Special Size' Wolsey are placed through the Shopkeeper, who will take what measurements are necessary and get the garments through without loss of time.

Wolsey De Luxe

Next, evolved after most diligent experiment with the varying qualities and types of wool, the installation of the finest underwear-making machines in the world, and an unusual vigilance in finish, came Wolsey-de-Luxe, quite the most perfect make of undergarment in existence.

The Best Investment

Of the next developments of Wolsey's Service it is premature to speak. Enough to-day that every man, woman and child may find in Wolsey exactly the garment to meet his or her need, a garment of pure wool, health-protective, comfortable, guaranteed unshrinkable, a garment that, whatever its grade or quality, represents the soundest underwear-investment of its kind.

Should any reader experience difficulty in obtaining Wolsey Underwear, a card to WOLSEY, LTD., LEICESTER, will bring name and address of nearest retailer by return.
