Practical and Professional needs

are satisfied in an eminent degree for the medical motorist by the Austin Twenty Coupé. This well-known car embodies features which arouse enthusiastic appreciation on the part of any man who takes a pleasure in motoring besides being eminently suitable for professional purposes. The comfortable and convenient coupé body is distinguished in finish and upholstery, while the admirable engine, material and fine workmanship create a car of the highest quality at a distinctly moderate price.

The AUSTIN MOTOR Co. Ltd.
Head Office: Northfield, BIRMINGHAM
LONDON: 479-483, OXFORD ST., W. 1.
MANCHESTER: 130, DEANSGATE
And at BRUSSELS and LIANCOURT

THE GALLOWAY COUPÉ is low-priced because it is built in a huge new factory operated by water-power. It is backed by the Beardmore steel industries, and designed by that veteran designer, Mr. T. C. Pullinger. Every luxurious little "Galloway" is covered by a full Mechanical Efficiency Guarantee for 1921.

With beautifully-finished body, Lucas Electric Lighting and Starting, Detachable Disc Wheels, 710 x 90 mm. Tyres, Spare, &c.
