

Opium . . .

should always be prescribed in the form of

NEPENTHE

A preparation derived *entirely from Opium* by a process which, whilst eliminating those constituents that give rise to disagreeable after effects, retain in the fullest degree the unrivalled sleep-producing and pain-allaying properties of the drug.

Preparations which make various claims to unique merit are continually being offered to the profession: they often prove exaggerated and ephemeral.

The reputation of **Nepenthe** is based not on our advertisements but on the experience of thousands of practitioners of successive generations.

Nepenthe is sent out in 2 oz., 4 oz., 8 oz., and 16 oz. bottles.

Dose: FIVE TO FORTY MINIMS.

SOLE MAKERS AND PROPRIETORS:

FERRIS & CO. Ltd. **Wholesale and Export Druggists,** **BRISTOL.**

N.B.—Nepenthe is protected by registration.

“THE advantages of Iodine and the Iodides without their inherent defects.”

COLLOSOL IODINE (CROOKES)

Collosol Iodine Intravenous
Collosol Iodine Aqueous
Collosol Iodine Oil
