

CHLORAMINE-T BOOTS

CHLORAMINE-T is made from a by-product in the manufacture of Saccharin. Boots Pure Drug Co. Ltd., are the largest makers of Saccharin in the United Kingdom and are therefore able to supply Chloramine-T. in large quantities. Chloramine-T—Boots is the most efficient antiseptic for general surgical and household use. It is stable in all climates and has a guaranteed Chlorine Content of 12% to 13%.

IN THE HOME.

SUITABLE for use as a mouth wash, gargle, nasal douche, cleansing tooth brushes, or as a dressing for cuts and wounds of all kinds.

IN THE SURGERY.

SEPTIC and infected wounds, ulcers, boils, gangrene, jaw and mouth injuries, dental affections. Invaluable for irrigation and douching.
