

BRANDY for ILLNESS means MARTELL

Miller THE WORLD'S STANDARD of SURGEONS' GLOVES

MILLER Surgeons' Gloves have long been recognised as the World's standard of unvarying quality and dependability.

MILLER Improved Standard Surgeons' Gloves produced in the recently reopened Glove Department of the Miller Company's Main Factory, are now offered through the usual Trade channels at the following retail prices:

No. 502. — Smooth Surface
Glove, 3/6 per pair.
Sizes: 6, 6½, 7, 7½, 8, 8½, 9, 9½, 10.

No. 508. — "Never-Slip"
Surgeons' Gloves, 4/6 per pair.
Sizes: 6, 6½, 7, 7½, 8, 8½, 9, 9½, 10.

No. 562. — Improved Service
Gloves (for Post-mortems, etc.), 3/6 per pair.
Sizes: 7, 8, 9, 10.

SEE THIS MARK ON EVERY GLOVE.

Miller Improved Standard Surgeons' Rubber Gloves are a distinct advance on a product which was already unapproachable for quality. Ask your dealer for MILLER Improved. If unable to obtain through the usual Trade channels, ample stocks of every size are always available at the sole British Distributors
