

## THE PERFECTION OF PREPARED COCOA.

**MARAVILLA COCOA.**

SOLE PROPRIETORS—TAYLOR BROTHERS, LONDON.

The COCOA (or Cacao) of MARAVILLA is the true Theobroma of Linnaeus. The Maravilla estate is the most favoured portion of South America.

TAYLOR BROTHERS, having secured the EXCLUSIVE SUPPLY of its UNRIVALLED PRODUCE, have, by the skilful application of their soluble principle and elaborate machinery, produced what is so undeniably the PERFECTION of PREPARED COCOA, that it has not only secured the preference of

Homoeopaths and Cocoa drinkers generally, but many who had hitherto not found any preparation to suit them have, after one trial, adopted the Maravilla Cocoa as their constant beverage for Breakfast, Luncheon, etc.

THIS COCOA, while possessing all the essential properties, far surpasses all other HOMOEOPATHIC COCOAS in fine grateful aroma, exquisitely delicious flavour, smoothness upon the palate, and perfect solubility. It is easily served up for table, for which see directions on each  $\frac{1}{2}$  lb. and  $\frac{1}{4}$  lb. packet.

CAUTION.—See that each packet is labelled "TAYLOR BROTHERS' MARAVILLA COCOA."
