Lieut.-Colonel (late) R.A.M.C.; Director of the L.C.C. (Whitechapel) Clinic; Consultant Venereologist in Public Health Dept., L.C.C.; Lecturer on Venereal Diseases, London Hospital Medical College, etc.

### Publisher's Note :

"This book has been written in response to requests from Postgraduates and Medical Students that the typewritten lecture-notes supplied to them might be amplified and published in the form of a textbook. The descriptions of diagnostic methods and treatment procedures are based on the author's experience and the study of syphilis and gonorrhoea extending over a quarter of a century. Special care has been taken in the selection of illustrations and in the accurate reproduction of the coloured plates.
