Sleep, too, is rationed..

There is often a
shortage of sleep-
hours for those work-
ing under the stress of
war conditions . . Up
at all hours . . Extra
late shifts . .

Here is a way to make
the limited sleep ration
go further. Drink a
cup of Bourn-vita be-
fore putting out the
light. Its Vitamin B,
phosphorus and cal-
cium content is valu-
able for the nerves.
Bourn-vita brings
healthy, *natural* sleep. It is light and easily
digestible—as good for you as it is for your
convalescent patients.

THE IDEAL LAXATIVE FOR PROLONGED USE

Certain characteristics have won for ENO'S
"FRUIT SALT" a very high place in professional
regard. Few simple medicines are presented in so
attractive a form, and for patients obliged to main-
tain prolonged use of a laxative ENO'S "FRUIT
SALT" provides a highly satisfactory answer.

By the natural process of osmotic diffusion ENO'S
"FRUIT SALT" creates healthy intes-
tinal conditions, from which follow gentle
regular and complete bowel evacuations.

The morning dose of "ENO'S FRUIT
SALT" is universally regarded in a
singularly favourable light. It is refresh-
ing, exceedingly pleasant to drink. It
is non-irritating, non-toxic, non-habit
forming, and free from sweetening agent.
Diabetic patients may take it in perfect
safety, and, owing to the absence of
sulphates, ENO'S "FRUIT SALT" may
be confidently prescribed for patients
receiving sulphonamide treatment.
