On Ovariectomy, Part 7, CLINICAL SURGERY.

DISEASE of the TESTICLE, Part 6.

TUMOURS & TUMOURS of the BREAST, Part 5. 3s. 6d. each.

"Our readers ought to be well acquainted with the valuable series of monographs which Mr. Bryant has published. It would be difficult to point to a more safe and satisfactory set of surgical treatises."—*Med. Times and Gazette*.

DISEASE and INJURIES of JOINTS.

7s. 6d.

SURGICAL DISEASES of CHILDREN.

5s.

JOHN CHURCHILL & SONS, New Burlington Street.

WORKS BY DR. DOBELL,

Senior Physician to the Royal Hospital for Diseases of the Chest, etc. etc.

Price 3s. 6d. cloth,

On the True First Stage of CONSUMPTION: its Nature, Diagnosis, and Treatment by Diet, Climate, Medicine, etc.

"The indications that this has begun are obscure. There are, however, some which are sufficiently tangible—loss of fat and of flesh, loss of strength, and disturbance of temperature and of excitability. . . . The adoption of Dr. Dobell's views as to the production of tubercle would lead to a change of practice in the very important matters of exercise and exposure to air."—*Dublin Quar. Journ. of Med. Science*.

A GUIDE FOR STUDENTS AND PRACTITIONERS, 2s. 6d. cloth,

Demonstrations of Diseases in the

CHEST, and their PHYSICAL DIAGNOSIS: a Treatise on the Acoustics of Auscultation and Percussion—Directions for Educating the Ear, by Experiments on Inanimate Bodies—Instructions for Practice at the Bedside—and Coloured Plates of 36 Pathological Conditions. Each Plate accompanied by a Statement of the Physical Signs to be observed during Life, & by a corollary upon its leading points.

JOHN CHURCHILL & SONS, New Burlington Street.
