

RHYTHMIC MOVEMENT AND THE COLON

It's Rhythmic Timing that counts
... in bowel function, too.

Agarol follows this principle closely: its exceptionally stable emulsion of pure medicinal mineral oil softens the intestinal contents and lubricates the intestinal tract. At the same time, it furnishes gentle peristaltic stimulation, which is aided by the diffusion of pure, white phenolphthalein throughout the emulsion. The result is rhythmic timing, and easy and comfortable evacuation.

Agarol is suitable for use where an evacuant is indicated and at any age.
