Gillette Surgical Blades

Two outstanding characteristics in the range of surgical blades recently introduced by Gillette Industries Ltd. are greatly enhanced sharpness and a very high degree of uniformity. On professional recommendation the cutting edges have been redesigned in order to arrive at shapes which are not only correctly contoured for the exacting needs of surgical handicraft, but also permit the application of the most modern sharpening methods.

It's surprising, Doctor says OLD HETHERS

You wouldn't believe, sir, the number of people who still think the only way of making barley water is the old "stew-and-strain" method with pearl barley. It takes up hours which might be better spent in other ways. Now, with Robinson's 'Patent' Barley it's just as easy as making cocoa—and as quick! Quite a number of doctors drop in here and they're all converts to Robinson's.
