

Clarks

NEW CORRECTIVE HEEL

for Children

Clarks have pleasure in announcing that they are making a new heel, suitable for attachment to an ordinary pair of Clarks Children's Shoes, which can successfully replace the use of T-irons or heavy surgical boots in the treatment of certain foot ailments and leg weaknesses.

CLARKS CURATOR HEEL

has been clinically tested by an orthopaedic surgeon, who has employed it in a number of cases with most encouraging results. The heel, moulded in light-weight rubber, is shaped to give arch support to weak feet (valgus feet).

It is intended, as far as possible, to ensure that there shall not be indiscriminate use of this corrective device. Clarks prefer that it should be used only when specified by medical practitioners and that its fitting, etc. should be under expert supervision. Full details are available to members of the medical profession, children's clinics, etc. on application to Clarks.

G. & J. Clark, Ltd., Street, Somerset.

A palatable whole grain rye bread prepared in a form virtually free from moisture, so that complete mastication is assured. Ryvita can be eaten as an alternative to other breads. Many find that its characteristic flavour stimulates appetite.

RYVITA

Many doctors have already taken out one of the special policies designed by the

MEDICAL SICKNESS SOCIETY

to supplement the National Health Service Superannuation Scheme. Have you? If not write at once for particulars.

If you are a General Practitioner who is entitled to compensation for loss of goodwill you will receive interest at the rate of $2\frac{3}{4}\%$. Why not use this interest to extend your provision for Superannuation by investing it in one of these Policies?

HIGHLY SATISFACTORY RESULTS follow the adoption of SALT'S PATENT COLOSTOMY BELT

Since we first introduced this Belt we have supplied many hundreds, and the results have been highly satisfactory. Outstanding advantages are: (1) Receiver is detachable and sterilizable by boiling; (2) Bag easily removed without removal of belt; (3) Bag easily emptied and washed; (4) No crevices or metal fittings to hold faeces; (5) Smell reduced to a minimum; (6) Less bulk than the old style. Bags are easily and economically replaced. Further details and Measure/Order forms available to professional people on request.

Appointments a London address: 1, STANLEY HOUSE, 103, Marylebone High Street, London, W.1.
