

For certain cases of
weak (*valgus*) feet

Clarks
curator heel
for children means
"ordinary shoes"

Certain foot ailments and leg weaknesses can be put right without T-irons or surgical boots. Wherever possible doctors use a lightweight corrective heel, knowing the immense difference such an "ordinary look" makes to a child's attitude towards its own physical handicaps. Full details of *Clarks Curator Heel* are available to the medical profession, children's clinics, etc., on application to Clarks.

IN THE SERVICE OF SURGERY

Gillette

Surgical Blades and Handles

The successful introduction of Gillette Surgical Blades has encouraged the development of a Gillette handle. Made from chromium-plated nickel silver, these handles are precision-machined to ensure perfect fit and complete rigidity in use with Gillette Surgical Blades.

Gillette Surgical Blades and Handles are made for each other and used together satisfy the most exacting requirements of surgical technique.
