

# Ortho-Creme

*a dependable  
aesthetically pleasing  
contraceptive*

In prescribing a reliable means of control when pregnancy is contraindicated, patient acceptance is a vital factor in the success of the method.

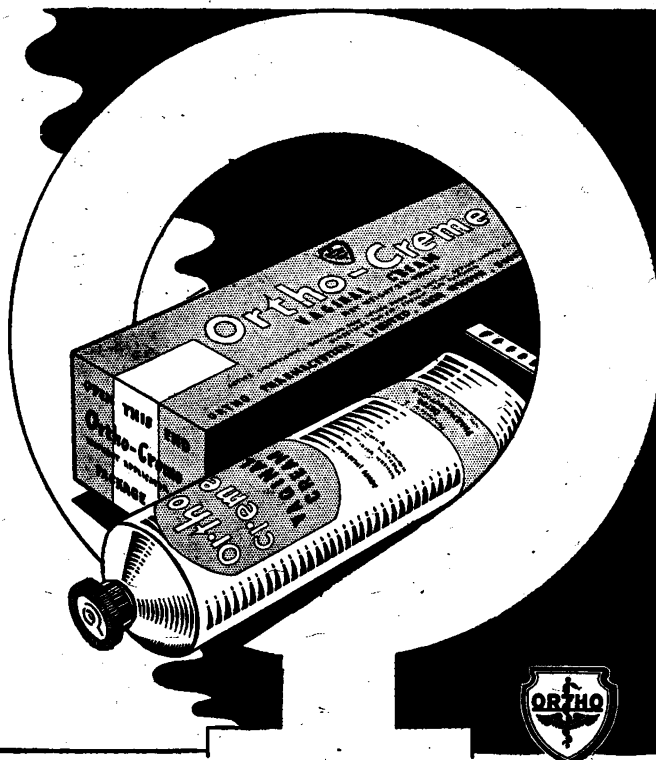

Ortho-Creme allows the prerogative of choice to the fastidious.

Ortho - Creme Vaginal Cream, like Ortho-Gynol Vaginal Jelly, is instant-

aneously spermicidal, non-toxic, well-tolerated and readily miscible with vaginal secretions . . . yet it is, distinctively different and has the touch of a fine cosmetic cream.

For use alone by means of the Ortho Measured-dose Applicator, or in conjunction with the Ortho Vaginal Diaphragm as indicated.

*Literature on request.*
