

New Books from Cassell

PATTERNS OF MARRIAGE

by ELIOT SLATER, M.A., M.D., F.R.C.P.
and MOYA WOODSIDE

The authors have made a patient and detailed investigation into the lives of two groups of soldiers—neurotic and physical casualties in a large British hospital. The enquiry covers the early background and married life of the men and their wives and provides a large amount of information of unrivalled value to social workers and psychiatrists. Pp. 296. Cloth, 17s. 6d. net.

RELIEF OF PAIN IN CHILDBIRTH

by W. C. W. NIXON, M.D., F.R.C.S., F.R.C.O.G.,
and SHILA G. RANSOM, M.R.C.S., L.R.C.P., D.A.

A concise overall survey of the use of analgesics in domiciliary practice, together with a discussion of the importance of adequate ante-natal preparation. All the most widely used agents are dealt with, including dosages and methods which the authors have found most satisfactory; confidently recommended to all practitioners, to students of obstetrics and to midwives. Pp. 116, with 15 illustrations. Cloth, 7s. 6d. net.

CASELL & CO., LTD., St. Andrew's Hill, London, E.C.4

NEW BOOKS

6 x 9 in. 974 pp. 266 illustrations, many in colour. 50s., post 1s. 2d.

A TEXT-BOOK OF MEDICINE

Edited by E. NOBLE CHAMBERLAIN

A new and authoritative text-book in which the approach is clinical, with emphasis on the basic and traditional methods of examination, but with an attempt to incorporate in proper perspective the established scientific aids to medical diagnosis. "The information throughout is remarkably up to date."—*The Lancet*.

Sixty-ninth issue. 5½ x 8½ in. 420 pp. 57 plates, with 38 illustrations in the text. 27s. 6d., post 10d.

THE MEDICAL ANNUAL, 1951

Edited by Sir HENRY TIDY, K.B.E., and A. RENDLE SHORT

An alphabetically arranged review of the year's progress in medicine and surgery. In order that a book may reach its sixty-ninth annual issue it must obviously be a work of outstanding merit and of special appeal—such indeed is the *Medical Annual*. "This book really is a 'must' for those who read at all. As usual, the authors have cast their net wide over the fields of medical endeavours and their catch is stimulating and of great value to all doctors."—*Medicine Illustrated*.

4½ x 7½ in. About 520 pp. 84 illustrations. 30s., post 11d. In the press.

A SYNOPSIS OF NEUROLOGY

By W. F. TISSINGTON TATLOW, J. A. ARDIS, and J. A. R. BICKFORD

While not claiming to take the place of the large treatises on Neurology, it covers in compact form the whole of the specialty with the exception of Neurological Surgery. It will be found useful by the student for purposes of revision and by the practitioner for ready reference.

4½ x 7½ in. About 244 pp. 20s., post 4d. In the press.

A SYNOPSIS OF OPHTHALMOLOGY

By J. L. C. MARTIN-DOYLE

Will form a welcome addition to the series and will prove of use not only to student and general practitioner, but also to post-graduate student and Ophthalmic house surgeon.

JOHN WRIGHT & SONS: BRISTOL, 8

efficiency in emergency

The germicidal efficiency of 'Dettol' remains high even in the presence of blood, pus and wound debris. This property, coupled with its wide margin of safety, makes 'Dettol' invaluable for use in emergencies, not only by you, but in the less qualified hands of others who in emergency might have to render first aid.

'DETTOL'

THE MODERN ANTISEPTIC

'Dettol' is available in 2 gallon and 5 gallon tins free of Purchase Tax for dispensing purposes only. Smaller sizes, including 1 gallon tins for public use are subject to Purchase Tax.
