Clarks Curator Heel

— but the child with valgus feet would feel the difference at once. If T-irons and surgical boots can possibly be avoided doctors will do so, recommending instead a light-weight corrective heel. In certain foot-ailments and leg weaknesses Clarks

"Curator" heel is of great benefit. The child won't feel "marked out" from others, since the heel is almost unnoticeable.

Full details are available to the medical profession and to children's clinics and hospitals, on application to Clarks.

Can easily be fitted to certain Clarks shoes in sizes infants' 7 to maids' 5½ (youths' 1½).

C. & J. CLARK LTD. (Shoemakers since 1825) STREET, SOMERSET.

PROTEIN THERAPY IN ALLERGIC DISORDERS

Specific Protein Therapy shows many advantages over the earlier forms of non-specific treatment for allergic disorders such as asthma, hay fever, migraine, etc.

Allergen Diagnostic Test Solutions—Duncan are issued in simple or multiple group tests. Comprehensive outfits are supplied containing a 2 cc. bottle of each multiple test and provide a valuable method of diagnosing allergic disorders.
