THROMBUS PREVENTION

In all parts of the human vascular system it is essential to prevent blockage. TROMEXAN, by lowering the level of the prothrombin complex in the blood, reduces the tendency towards intravascular clotting.

TROMEXAN is thus indicated in the prophylaxis and treatment of all forms of intravascular clotting, including thrombosis and embolism of peripheral vessels, post-operative prophylaxis, coronary thrombosis, and congestive heart failure. Its therapeutic index is approximately three times that of dicoumarol, its action is rapid and its toxicity low.

NULACIN

for the control of gastric acidity

*The key to successful
Peptic Ulcer Therapy*

THE composition and unique manner of use account for the successful clinical behaviour of NULACIN.

NULACIN TABLETS are indicated whenever continuous acid neutralization of the gastric contents is required:— in active and quiescent peptic ulcer, gastritis, gastric hyperacidity.

DOSAGE

Beginning half-an-hour after food a NULACIN TABLET should be placed in the mouth and allowed to dissolve slowly.

During the stage of ulcer activity up to three tablets an hour may be required. For follow-up treatment the suggested dosage is one or two tablets between meals.

NULACIN TABLETS are not advertised to the public and there is no B.P. equivalent. NULACIN is supplied in tubes of 25 and 12 tablets. The dispensing pack of 25 tablets is free of Purchase Tax.

NULACIN TABLETS are prepared from whole milk combined with dextrans and maltose, and incorporate Magnesium Trisilicate 3.5 grs. Magnesium Oxide 2.0 grs. Calcium Carbonate 2.0 grs. Magnesium Carbonate 0.5 grs. Ol. Menth. Pip. q. s.

Bright
and early

Nidoxital in bottles
of 12, 20 and 100 capsules.
20 capsules are usually sufficient
for complete control.

Dosage: One capsule 30 to 45
minutes before meals in the usual
case, increased to 2 to 3 capsules
in exceptionally severe cases.

LITERATURE ON REQUEST

Nidoxital

gives rapid and prolonged relief

For full-range therapeutic and prophylactic control of the complex
problem, Nidoxital provides five effective agents:

Benzocaine—to diminish gastric excitability

Nicotinamide—to reduce excessive peristalsis

Pentobarbital sodium—to depress central excitability

dl-Methionine—to support normal liver function

Pyridoxine—for fatty acid and protein metabolism,
maintenance of nerve function and erythropoiesis

*In almost all patients treated with Nidoxital, symptoms
disappear within one to three days — "The Use of Nidoxital in
Emesis Gravidarum" (Am. J. Obst. & Gynec. 59: 458, 1950)*

Elastoplast in the treatment of a sprained wrist

In certain cases of sprain, restriction of extreme movements, but not complete immobilization is required. A useful method of achieving this by Elastoplast strapping is illustrated in the accompanying photographs. A roll of 3 inch Elastoplast is used, and the bandaging consists essentially of figure-of-eight turns around the thumb.

However, because a 3 inch width of bandage passing across the cleft between thumb and index finger would result in undue limitation of their movement, the bandage is split longitudinally for a distance of 2 to 3 inches at each alternate turn to produce a band about 1 inch wide across this cleft, while the other 2 inches of its width pass across the base of the thumb.

For the first turn, slit a 3 inch Elastoplast bandage off-centre for about 4-5 inches to give two tails — one 1 inch and the other 2 inches wide. Apply to the palmar aspect of hand, each side of thumb, so that the narrower tail is close to the clefts of the fingers (Fig. 1). At the next turn, the bandage is split as previously described (Fig. 2). The third turn of complete 3 inch width is passed round the wrist, under tension sufficient to obtain required support and dorsiflexion of the hand. Bandaging is continued, alternately slitting for thumb and passing round wrist, until about four complete figures-of-eight are applied.

New

'PAREDRIX' SPRAYPAK

'Paredrix' is already well-known as the constituent of 'Sulfex' and 'Pendex' that produces such remarkably rapid and prolonged vasoconstriction.

When an unmedicated vasoconstrictor is indicated, the pocket-sized ($\frac{1}{2}$ -fl. oz.) 'Paredrix' Spraypak is a most convenient presentation.

It disseminates a fine mist of 'Paredrix' throughout the complicated nasal passages, quickly bringing lasting improvement in ventilation and drainage.

ACTUAL SIZE
of 'Paredrix' Spraypak

It causes no inhibition of ciliary activity, no ephedrine-like central-nervous side-effects, no stinging, and no secondary returgescence.

'Paredrix' is also available in 8-oz. bottles for dispensing

THE TREATMENT OF oro-pharyngeal infections

'PONDETS'

*A unique presentation of penicillin for the treatment
of minor superficial oro-pharyngeal infections.*

The ingenious and novel method of presenting penicillin in 'Pondets,' enables a high therapeutic concentration to be maintained in the immediate vicinity of the oro-pharyngeal mucosa, for a prolonged period.

Each 'Pondet' contains 5,000 units of crystalline penicillin-G in a pleasantly flavoured, hard, fruit-sweet base, which dissolves slowly in the mouth.

'Pondets' are indicated for all minor superficial oral infections due to penicillin sensitive organisms.

Individually wrapped in bottles of 20.

Soothing the cough that causes insomnia

IN TRACHEITIS and bronchitis the sleeplessness caused by a persistent, unproductive cough can be very exhausting. Tusana Cocillana Cough Linctus is invaluable in such cases. It provides a blend of expectorants to loosen the tenacious mucus, and codeine to depress the cough reflex.

By breaking the vicious circle of coughing and irritation, Tusana allows the patient to

sleep and gather strength for recovery.

The tendency of codeine to cause constipation is offset by the inclusion of a little extract of senna in the formula.

Supplied in bottles of 4 fl. oz.—2/9d.

For the Private Practitioner...

ELECTRONIC AIDS TO DIAGNOSIS

The new electrical recording equipment now being made by Ediswan provides the facilities of the modern physiological laboratory in an inexpensive form for use in the Private Practitioner's Surgery.

The equipment consists of four units; a direct writing pen oscillograph with up to four pen motors as required, an amplifier unit, a power supply unit and a switching unit.

All the units are fully portable, fitted with quickly detachable covers and carrying handles for transport.

Used in conjunction with various electro-mechanical transducers the equipment is suitable for the following applications.

*Electro-encephalography · Electro-cardiography
Electro-myography · Electro-phonocardiography*

Practitioners are invited to contact us with their particular problems concerning this type of equipment

Continuous blood pressure measurements · Amplifying stethoscope · Foetal stethoscope · Myographic comparator.

The Private Practitioner will also find the Ediswan equipment particularly useful for recording patients reactions to Shock Therapy treatment, as an aid to differential diagnosis and for the estimation of progress in Poliomyelitis patients. Full details of the Ediswan Portable Electrical Recording equipment will be sent on request and our Technical adviser will be pleased to arrange demonstrations if required.

Urolucosil^{*}

A SULPHONAMIDE

FREE FROM SIDE-EFFECTS

One of the most valuable characteristics of Urolucosil is the remarkable absence of side-effects noted with this sulphonamide. Such conditions as cyanosis, vomiting, acidosis, hypersensitivity, have yet to be reported; it is most uncommon for there to be any upset of the blood picture or disturbance of the intestinal flora with Urolucosil. Because Urolucosil is a compound with the high solubility of 98% at a pH of 7, it is unlikely that any blockage of the urinary passage by crystalline deposits will be caused; no diminishing of urinary output caused by such blockage has in fact been reported since Urolucosil was introduced to the medical profession in Great Britain. Finally, depression, which so often militates against the well-being of a patient, is virtually absent when Urolucosil is prescribed. Urolucosil is especially indicated in uncomplicated infections due to *B. coli* and other organisms of the coliform group: acute cystitis, acute pyelitis, pyelitis of pregnancy: urinary tract infections in children: neurogenic bladder.

Urolucosil is a S.I.V. poison, not subject to purchase tax, and can only be used on prescription. Urolucosil is supplied to the chemist in bottles containing 25 and 250 tablets, price of the bottle of 250 to the chemist being 21s. 8d. net.

NO WARNER PREPARATION HAS EVER BEEN ADVERTISED TO THE PUBLIC

William R. WARNER and Co., Ltd., Power Road, London W. 4.

A perfect source of Vitamin C

RIBENA (*Syrupus Ribis Nigri B.P.C.*)

HIGH CONCENTRATION OF VITAMIN C—REMARKABLE STABILITY

Four characteristics of Ribena make it a perfect source of Vitamin C:

- 1 It contains a high concentration of Vitamin C—and it is very stable.
- 2 The vitamin is in its natural state.*
- 3 Ribena is very well tolerated even by sensitive stomachs. It is completely free from all cellular structure. It is suitable for infants almost from birth, for peptic ulcer cases, and for women suffering from "morning sickness"; they can take it when almost everything else increases discomfort.
- 4 In addition to its therapeutic values, it is delicious in its own right as sweet blackcurrant syrup.

* Following reports of unsatisfactory response to the therapeutic use of synthetic ascorbic acid in peptic ulcer cases, controlled tests using Ribena were instituted at various large British hospitals, with striking results.

Clinical experience has also shown that in ulcerative gingivitis, the routine use of Ribena as an adjunct to local therapy has given more satisfactory results than that of the synthetic vitamin.

The superiority is presumably due to the presence of other factors of the Vitamin-C complex, possibly the Vitamin P, as well as mineral elements.

Therapeutic uses

Ribena is recommended for all conditions requiring Vitamin-C implementation: namely, as a natural and rapid restorative from fatigue; for increasing resistance to local infection and colds; for expectant and nursing mothers; for infants from birth; for children and adolescents; in many dental conditions; in peptic ulcer cases; in fractures and wounds; in blood dyscrasias and hæmorrhagic states; in infections and fevers; and in many skin disorders.

Reports for doctors overseas

The makers of Ribena co-operated extensively with the Ministries of Food and Health during the war, a co-operation which still goes on to some extent even now. The Royal Forest Factory has attached to it a series of very fine laboratories where research into fruit juices and vitamins is conducted to an academic level, under the direction of an expert, lately in charge of the Fruit Products Section of the University of Bristol Agricultural Research Station. Reports of much of the work done are available, on application, to doctors and scientists overseas. These are likely to be of particular interest now that Ribena is being extensively exported.

Send for further information. A booklet entitled "Blackcurrant Juice in Modern Therapy: Natural Vitamin C" will be forwarded to you with pleasure; also details of a number of controlled tests made on the use of Vitamin C, if you will write to:—

Technical Director and Chief Chemist,
H. W. CARTER & CO., LTD.,

THEODROX

A DEPENDABLE METHOD of administering— AMINOPHYLLINE ORALLY

THEODROX provides a dependable method of oral administration of aminophylline in doses large enough to produce the same high blood levels obtainable with parenteral administration.

Previous investigations have shown that good response is obtained from aminophylline only if a certain concentration of the active component, theophylline, is attained in the blood. Because gastric irritation prevents giving oral doses large enough to produce this necessary blood level, the only dependable way of obtaining this end has been to resort to parenteral aminophylline.

Now there is clinical proof that when aminophylline is combined with a specially prepared, aluminium hydroxide, the stumbling block of gastric irritation can be virtually eliminated, and massive oral doses can be tolerated to produce consistent blood levels comparable to those obtained by parenteral administration. *(1) *(2).

Theodrox is supplied in containers of 25, 100 and 1,000 tablets, each tablet containing Aminophylline B.P., 3 gr. and Aluminium Hydroxide Gel, Dried, B.P.C., 4 gr. Theodrox is also available as Theodrox with Phenobarbitone, each tablet containing in addition $\frac{1}{8}$ gr. of Phenobarbitone B.P.

Excessive Coughing

TERPOIN Elixir has long enjoyed high reputation with physicians throughout Great Britain and overseas for the effective relief it affords in all conditions of the respiratory tract characterised by excessive coughing.

TERPOIN is presented in a palatable syrup base of bright golden colour and is well-tolerated and accepted by young and old. It is expectorant, mildly antiseptic, sedative and does not induce cerebral depression.

TERPOIN is thus indicated in the distressing and exhausting "night cough" so frequently associated with acute and chronic bronchitis, bronchial asthma and pulmonary tuberculosis. Alleviation is prompt and restful, recuperative sleep, so valuable in the treatment of such conditions, is ensured.

A CAREER AT SEA

The Merchant Navy offers good prospects

The large Shipping Companies recruit future Executive Officers for their ocean-going ships from H.M.S. WORCESTER, a Nautical College founded in 1862 by London shipowners. Nearly 7,000 Cadets have passed through the College and received specialized training in addition to a sound general education.

The College is officially recognized by the Ministry of Education and the Ministry of Transport, the latter accepting the training provided on board the WORCESTER as being the equivalent of one year's sea service.

Cadets are admitted after reaching the age of 13½ and before reaching the age of 16. They leave the College when they are 17 and the period of training depends on the age at entry, with a minimum period of two years. Candidates are required to take the Common Entrance Examination or the WORCESTER Entrance Examination, according to age. They must be medically fit with perfect eyesight.

Fees are £210 per annum including uniform. Several scholarships in reduction of fees are available. The WORCESTER offers an excellent opportunity for boys of good education and character wishing to become Executive Officers in the Merchant Navy—a career providing world travel, good remuneration, and an interesting life.

Illustrated Prospectus containing full information will be forwarded on application to the Secretary,

'Mysoline' tablets (0.25 gramme)
are now available in packings of
100 and 1,000.

Calm after Storm

'MYSOLINE' is the new anticonvulsant that in clinical trials throughout the world has been shown to be of great value in the treatment of epilepsy.

A new series of papers which have appeared recently, confirm the high opinion of this drug formed from the early work; its powerful action in grand mal epilepsy has been re-emphasised, and there is evidence that it may be equally valuable in the psychomotor type. The small amount of work which has been done with 'Mysoline' in petit mal is encouraging.

Notable Features:

- Low toxicity.
- Notable absence of hypnotic effect.
- Well-tolerated in therapeutic dosage.
- Beneficial effect on the general behaviour, performance, and sociability.

'MYSOLINE'

A New Approach to the Treatment of Coughs:

How CETAMIUM in New Vick Cough Syrup increases the effectiveness of known and tried medicaments

Nature and Action of Cetamium

Cetamium is a quaternary ammonium salt known chemically as cetylpyridinium chloride. It is best known as a compound with high bactericidal activity, but its other important property of lowering surface tension is of special interest in a cough syrup.

Reduced Surface Tension Aids Penetration of Oral Mucosa

The surface tension of Vick Cough Syrup is approximately 43 dynes per square centimetre as compared with that of distilled water, which is 72. This enables the syrup to penetrate into the crypts and crevices of the oral mucosa which water alone, or a normal syrup, will simply bridge over.

More Effective Action of Accepted Medicaments

The inclusion of Cetamium with time-tested, clinically proven expectorants—ammonium chloride, sodium citrate and glycerine—produces a syrup which brings these medicaments into contact with a more extensive area of the throat membranes than they normally reach, thus bringing more relief to irritated tissues where inflammation or infection may exist.

Active Ingredients

Cetamium	0.025%
Ammon. Chlorid.	1.00%
Sod. Cit.	4.00%
Acid Cit.	0.25%
Glycer.	3.75%

Suitable for Children: No Narcotic

Vick Cetamium Cough Syrup contains no narcotics or habit forming drugs. This fact, plus its delicious flavour, makes it particularly suitable for children.

No Nausea

There is evidence to suggest that Cetamium slightly accelerates stomach emptying action. It will be found that the tendency of syrupy expectorant mixtures to induce nausea, particularly in children, is virtually absent. Nor are there any other side effects.

Free Samples will be sent on request to:

Vick International Ltd., Dept. B, 215, Blackfriars Road, London, S.E.1

VICK CETAMIUM COUGH SYRUP

Every Spencer—for abdomen, back, or breasts—for men, women, or children—meets these 5 basic requirements. Thus, Spencer Supports are a valuable adjunct to your treatment of many conditions.

And patient co-operation is assured because Spencer provides maximum comfort with improved appearance. We invite your investigation.

For further information and Brochure on Spencer Supports write to:

SURGICAL & ORTHOPAEDIC SUPPORTS

Spencer House • Banbury • Oxfordshire

Tel. 2265

Trained Retailer-Fitters resident throughout the Kingdom; name and address of nearest Fitter supplied on request.

Every SPENCER Support meets these 5 requirements

1. Every Spencer is designed to order, cut by hand and made separately for each individual patient.
2. It is made to fit the body—not as it is—but as it should be to meet the medical aims.
3. The weight of supporting the abdomen is placed on the pelvis—not on the spine at or above the lumbar region.
4. The abdominal support is from below, upward and backward.
5. Retains its shape. (A support that loses shape loses effectiveness.)

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose 3 copies (unless otherwise specified) of recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

Deferment of recruitment for fully registered "R" practitioners (i.e., fully registered practitioners liable for call-up under the National Service Acts) is granted at the discretion of the Central Medical Recruitment Committee and (in Scotland) the Scottish Central Medical Recruitment Committee. The Committees normally allow a fully registered "R" practitioner to hold a First House Officer post (N.H.S. salary £350 per annum) provided that it commences within three months of the end of his deferment by the Ministry of Labour and National Service as a whole-time medical student; and a Second House Officer post (N.H.S. salary £400 per annum) provided that it is secured before the end of his First House Officer post and commences within one month thereafter.

An "R" practitioner requires the special written permission of the C.M.R.C. or (in Scotland) the Scottish C.M.R.C. to proceed to any further post.

The position of provisionally registered "R" practitioners has been made clear in a notice sent to them by the University Joint Recruiting Boards.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR**: Posts obtained normally not less than two years after registration as a medical or dental practitioner and held normally for two years: £775 per annum in the first year; £890 per annum in the second and any subsequent years.

(b) **SENIOR REGISTRAR**: Posts obtained normally not less than four years after registration as a medical or dental practitioner and held normally for four years: £1,000 per annum in the first year; £1,100 per annum in the second year; £1,200 per annum in the third year; £1,300 per annum in any subsequent years.

Other Grades, Whole-time

(a) HOUSE OFFICERS (including Dental)

(i) **Provisionally registered medical practitioners**: £350 per annum for the first post held; £400 per annum for the second and any subsequent post held.

(ii) **Fully registered practitioners**: £350 per annum for the first post held; £400 per annum for the second post held; £450 per annum for the third and any subsequent post held.

provided that a medical practitioner who has held house posts under (i) above whilst provisionally registered shall be remunerated at the rate of £450 per annum for each post held after obtaining full registration; and provided that in exceptional circumstances, subject to the consent of the Minister (in Scotland of the Secretary of State), the rates under (ii) may be exceeded by up to £50 per annum where a post cannot be filled otherwise.

A deduction at the rate of £100 per annum shall be made from the remuneration of House Officers in respect of board and lodging and other services provided. Each post shall be tenable for six months.

(b) **SENIOR HOUSE OFFICER**: Posts obtained normally not less than one year (in Scotland, two years) after registration as a medical or dental practitioner and normally held for one year only: £670 per annum.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER**: Officers who have held house appointments but who are not Registrars and who have less responsibility than other hospital officers of non-consultant status: £700 (for an officer appointed not less than two years after registration as a medical practitioner) by £50 to £1,000 per annum.

ALL NATIONAL HEALTH SERVICE HOSPITAL APPOINTMENTS ARE IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF SERVICE OF HOSPITAL MEDICAL STAFF

Those intending to apply for resident appointments in the Registrar grades are recommended to make inquiries with regard to the deductions proposed for board and lodging at the time of submitting their applications, where this is not stated in the advertisement. (10/12/53)

PUBLIC HEALTH**EAST SUSSEX COUNTY COUNCIL****ASSISTANT COUNTY MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER**

Applications are invited from registered medical practitioners for the above post at a salary of £950 per annum, rising by annual increments of £50 to £1,300 per annum. Possession of the D.P.H. will be considered an advantage. Forms of application and further particulars may be obtained from the County Medical Officer of Health, County Hall, Lewes, and should be returned to him not later than two weeks after the appearance of this advertisement, together with the names of three referees. (2939)

GLAMORGAN COUNTY COUNCIL

Applications are invited from male registered medical practitioners for an appointment as

ASSISTANT MEDICAL OFFICER
 in the Port Talbot and Glyncoirwrg Health Division at a salary of £950, rising by annual increments of £50 to £1,300 per annum. Preference will be given to candidates holding the D.P.H. or D.C.H., and experience in paediatrics or obstetrics will be an advantage. Application forms, together with particulars of conditions of service, can be obtained from the County Medical Officer, County Hall, Cardiff, to whom completed forms should be returned within fourteen days of the publication of this advertisement.—Richard John, Clerk of the County Council, Glamorgan County Hall, Cardiff. (3074)

MONMOUTH, ADMINISTRATIVE COUNTY OF**Local Government Act, 1933 (Section 111)****WHOLE-TIME DISTRICT MEDICAL OFFICER AND ASSISTANT COUNTY MEDICAL OFFICER District No. 1 (Rhymney and Tredegar Urban District Councils)**

Applications are invited from registered medical practitioners, male or female, for appointment as Whole-time Medical Officer of Health and Assistant County Medical Officer for the above districts. Preference will be given to persons holding the Diploma in Public Health. Candidates should have had experience in public health administration and the school health service. The combined salary scale will be from £1,456 16s. 4d. per annum, and will proceed by annual increments to a maximum of £1,829 10s. 10d. Consideration will be given to the payment of increments in respect of any previous service in a similar capacity. Any fees received by virtue of the appointment to be paid into the appropriate Council's fund. The person appointed will be subject to (a) the Sanitary Officers' (Outside London) Regulations, 1935 and 1951; (b) the general conditions of service approved by Committee "C" of the Medical Whitley Council and the scheme of conditions of service of the National Joint Council for Local Authorities, etc.; (c) the National Health Service (Superannuation) Regulations, 1947; and (d) a restriction on engaging in private practice. In addition to the duties as Medical Officer of Health for the districts the person appointed will also act as Assistant County Medical Officer for such duties of the County Council as may be laid down under their health scheme, also such other duties as may be assigned by the County Medical Officer from time to time, and in respect of these duties shall be under the control of the County Medical Officer. The person appointed will attend such meetings of the District Councils and the Area Health Sub-Committee established by the County Council as he or she may be called upon to do by these Councils and Committee. Clerical assistance will be provided and travelling and subsistence allowances in accordance with the appropriate National Joint Council scale will be paid. The appointment will be subject to three months' notice on either side, and the successful candidate will be required to pass an examination as to physical fitness, and to give an assurance that he or she will reside in the area. Applications, accompanied by at least two testimonials, to be delivered to the undersigned not later than December 31, 1953. Canvassing of members or officials of the respective Councils, directly or indirectly, is strictly prohibited and will be considered a disqualification. Diplomas and certificates to be produced.—On behalf of the District Councils above-mentioned and the Monmouthshire County Council, Vernon Lawrence, Clerk of the Monmouthshire County Council, County Hall, Newport, Mon. (2622)

NOTTINGHAM, CITY OF, EDUCATION COMMITTEE

Applications are invited for the appointment of
PRINCIPAL SCHOOL MEDICAL OFFICER
 on a salary scale of £1,250, rising by annual increments of £50 to £1,650 per annum. The appointment will be subject to the provisions of the Local Government Superannuation Acts. Further particulars and forms of application may be obtained from the undersigned, to whom completed applications must be returned not later than January 16, 1954.—F. Stephenson, Director of Education, Education Offices, Nottingham. (3136)

SOUTHEND-ON-SEA, COUNTY BOROUGH OF**Public Health Department**

Applications are invited from duly qualified medical practitioners for appointment as

ASSISTANT MEDICAL OFFICER
 Salary £950 by £50 to £1,300. Duties will include school medical inspection and treatment and general public health duties. The appointment will be subject to the National Health Service Superannuation Regulations, and the person appointed will be required to satisfy the Corporation's medical examiner. Particulars of appointment and forms of application can be obtained from the Medical Officer of Health, Municipal Health Centre, Warrior Square, Southend-on-Sea, to whom applications should be returned not later than Jan. 9.—Archibald Glen, Town Clerk. (3135)

SURREY COUNTY COUNCIL**ASSISTANT MEDICAL OFFICER**

Applications are invited for the above full-time appointment. Applicants should possess either the D.P.H. or D.C.H. The main duties will be in connexion with the school health and maternity and child welfare services. Salary according to experience on the scale £950 by £50 to £1,300 per annum. The appointment is subject to a satisfactory medical examination, to the provisions of the Local Government Superannuation Acts, 1937 to 1953, and to three months' notice on either side. Applications on a form to be obtained from the County Medical Officer, County Hall, Kingston-upon-Thames, to be received by December 31, 1953. (2868)

GOVERNMENTAL**SCOTTISH PRISON SERVICE****PART-TIME MEDICAL OFFICER**

H.M. Prison, Barlinnie, Glasgow
 The work is that of Assistant to the whole-time Medical Officer of the Prison. It includes visits of about two hours' duration every forenoon, except alternate Sundays, and afternoon sessions of same duration, four or five afternoons a week—in all averaging 22 hours a week. Successful candidate is expected to reside within easy reach of the prison. Salary £950 (not superannuable). Application forms from the Director of Prison and Borstal Services, Government Buildings, Broomhouse Drive, Saughton, Edinburgh, 11, returnable not later than January 16, 1954. (3119)

COMMERCIAL APPOINTMENTS

MESSRS. H. W. CARTER & CO., LTD., THE
 Royal Forest Factory, Coleford, Glos. (makers of "Ribena") intend shortly to appoint a **Medical Superintendent** on their Senior Executive Staff, who will be responsible to the Technical Director, for general development work on ethical vitamin C products with a fruit juice base. The Superintendent will be expected to advise the firm on all aspects of a medical and nutritional nature in their publicity; to keep in touch with medical literature affecting the firm's products and to interpret its importance; to design and initiate controlled clinical tests in this country and in other specified areas abroad. Applications are requested from doctors, preferably with a high medical qualification and with an interest in nutrition. The Superintendent would be required to live in the Forest of Dean, but a considerable amount of travel, both home and abroad, would be expected to ensue. Commencing salary according to qualifications, but with a minimum of £1,500 per annum. Applications should be sent as soon as possible to the Technical Director at the above address. (2654)

INDUSTRIAL APPOINTMENTS**FACTORY DOCTORS****FACTORIES ACTS, 1937 and 1948**

The following appointments as Appointed Factory Doctor are vacant: St. Mary's (Isles of Scilly), in the County of Cornwall; Leith, in the County of Midlothian. Applications, to be received not later than January 9, 1954, should be sent to the Chief Inspector of Factories, 8, St. James's Square, London, S.W.1.

METROPOLITAN BOROUGH OF ISLINGTON

Applications invited from registered male and female medical practitioners practising with surgeries in the Borough for appointment to undertake respectively Medical Examinations of male and female members of the Council's staff. Details of the services required, fees payable, etc., and a form of application may be obtained from the Town Clerk. Applications on the official form must be received by the undersigned not later than December 31, 1953.—H. Dixon Clark, Town Clerk, Town Hall, Upper Street, N.1. (2741)

EIRE**SAINT LUKE'S HOSPITAL, Dublin**

Comhlachas Ailse na h-Eireann
 (The Cancer Association of Ireland)

HOUSE SURGEON

Applications are invited for the above post at the Association's Dublin Centre, Saint Luke's Hospital, from candidates having at least one year's experience as House Physician or House Surgeon. The salary payable will be £300 per annum, plus board and residence. The appointment will be made forthwith for a period of one year. The position is a suitable one for persons working for a higher degree. Applications (in writing), marked "H.S.," together with copies of three recent testimonials, to the Secretary and Registrar, Comhlachas Ailse na h-Eireann (The Cancer Association of Ireland), at "Oakland," Highland Road, Rathgar, Dublin, immediately. (3145)

UNIVERSITY COLLEGE OF THE WEST INDIES**Applications are invited for
SENIOR LECTURESHIP OR LECTURESHIP
IN HUMAN ANATOMY**

Duties will include instruction of students working for medical degrees of University of London. Salary scale £1,100 by £50 to £1,700 per annum for Senior Lecturer, and £850 by £50 to £1,000 by £50 to £1,200 per annum for Lecturer. Point of entry in scale determined by qualifications and experience. Child allowance paid. Superannuation under F.S.S.U. Unfurnished accommodation available at rent five per cent of basic salary. Successful applicant will be expected to take up post as soon as possible. Applications (ten copies), giving full particulars of qualifications and experience, and names of three referees, should be received before December 22, 1953, by the Secretary, Senate Committee on Higher Education in the Colonies, University of London, Senate House, London, W.C.1, from whom further particulars may be obtained. (3146)

GOLD COAST LOCAL CIVIL SERVICE**Gold Coast Medical Service**

The following Specialists are required for duty in the Medical Department of the Gold Coast:

PHYSICIAN

to take charge in the larger hospitals, and to give opinions on cases referred by Medical Officers. Candidates should hold the Membership of one of the Royal Colleges of Physicians.

OBSTETRICIAN AND GYNAECOLOGIST

to take charge of all obstetrical and gynaecological cases in a large hospital in the territory, and to give opinions on all cases referred for advice by Medical Officers and private practitioners. Candidates must possess either a Fellowship of one of the Royal Colleges of Surgeons (with obstetrics and gynaecology forming special subjects of the examination) or the Membership of the Royal College of Obstetricians and Gynaecologists. Four years' full-time experience in the work of this specialty, under the direction of a fully qualified Specialist, would be an asset.

MALARIOLOGIST

required to organize treatment and anti-malaria campaigns. The candidate should be a qualified doctor, and he should have had experience of malaria control and research.

SURGEON

to take charge of the surgical division of one of the large hospitals and to give a surgical opinion on such cases as may be required by Medical Officers and Medical Practitioners. Candidates should hold the Fellowship of one of the Royal Colleges of Surgeons, and have had four years' full-time hospital experience in general surgical work.

Appointments are to the Gold Coast Civil Service on short-term contracts of two tours of eighteen to twenty-four months in the first instance, with gratuity on satisfactory completion of service. Basic salary scale would be £2,400 by £100 to £2,700 a year. Gratuity would be at the rate of £37 10s. for each completed three months of service. Candidates in the National Health Service may resign from the National Health Service but retain their superannuation rights while in the Gold Coast (up to a maximum stay of six years). Salary, in this case, would be in the scale £1,900 by £100 to £2,200 a year, and officers would receive a resettlement grant of 20 per cent of the aggregate of their Gold Coast salary at the end of their engagements. Quarters, when available, are provided at rental not exceeding £150 per annum. Income tax at local rates. Free passages provided for officer, wife, and up to three children under 13 years of age. Annual local leave is permissible, and generous home leave is granted after each tour. Application forms can be obtained from the Director of Recruitment (Colonial Service), Colonial Office, Sanctuary Buildings, Great Smith Street, London, S.W.1 (quoting reference No. CDE.117/13/021). (3158)

OTAGO HOSPITAL BOARD**Dunedin Hospital, New Zealand****Applications are invited for the position of
MEDICAL SUPERINTENDENT
Otago Hospital Board**

Present salary is at the rate of £1,940 to £2,190 per annum. General conditions of appointment will be in accordance with the Hospital Employment (Medical Officers Regulations, 1952, Amendment number one). On condition that the appointee enters a contract for two years' service, travelling expenses will be paid as follows: (a) Up to £120 each for steamer fares actually incurred by the appointee, his wife and dependent children. (b) The cost of transporting excess baggage and light personal effects only from the place of residence to the port of arrival in New Zealand, not exceeding £50 for a married man and £25 for single appointee. (c) Actual reasonable travelling expenses incurred in travelling to the port of embarkation. The successful applicant will, as a condition of accepting the payment of transport expenses, be required to enter into an undertaking to remain in the employ of the Board for two years. Further information in regard to this appointment may be obtained from the office of this Journal and the High Commissioner's Office, 415, Strand, London. Applications, stating age, qualifications and experience, with testimonials, health and radiological certificates, will be received by the undersigned up till noon on Friday, January 15, 1954. United Kingdom applicants must lodge a copy of their application, endorsed "Medical Superintendent, Otago Hospital Board," with the High Commissioner for New Zealand, 415, Strand, London, on or before January 15, 1954.—W. A. Williamson, Secretary, Otago Hospital Board, P.O. Box 946, Dunedin, New Zealand. (2680)

**HER MAJESTY'S COLONIAL SERVICE
Tanganyika****MEDICAL OFFICERS**

Required for general medical duties in Tanganyika. Appointments can be made on a permanent basis with pension ('non-contributory') at the age of 45 to 55, or on short-term contracts with gratuity on satisfactory completion of service. Candidates in the National Health Service may resign from the National Health Service but retain their superannuation rights during their time in Tanganyika (up to six years), and receive a resettlement grant of 20 per cent of the aggregate of their Tanganyika salary on leaving Tanganyika at the end of their engagements. Salary scale ranges from £865 to £1,590 per annum. A temporary allowance at the rate of 35 per cent of salary is also payable, subject to a maximum of £350 per annum. Starting salary will be determined according to age, qualifications, and experience. Special increments are given for approved higher qualifications. Quarters, when available, are provided at a rental of 10 per cent of salary, subject to a maximum of £150. Free passages provided in both directions for Officer, wife, and children up to the cost of three adult fares. Income tax at local rates. Tour of service is from 24 to 36 months. Local leave is permissible, and generous home leave is granted. Educational facilities are available in East Africa. Candidates must possess medical qualifications registrable in the United Kingdom, and have had one year's postgraduate experience. They must be prepared to go on tour and to train medical and health staff. Medical Officers in Tanganyika are eligible for promotion to administrative super-scale posts, and also, on acquiring specialist qualifications and experience, for specialist appointments in Tanganyika or other Colonial territories. Application forms can be obtained from the Director of Recruitment (Colonial Service), Colonial Office, Sanctuary Buildings, Great Smith Street, London, S.W.1 (quoting reference No. CDE.117/8/02). (3156)

**HER MAJESTY'S COLONIAL SERVICE
Somaliland Protectorate****MEDICAL OFFICER**

Required for general medical duties in the Somaliland Protectorate, including some simple surgery, and possibly to assist in training of dressers. Appointment is on a permanent basis, with pension at the age of 55. Salary scale ranges from £865 per annum to £1,590 per annum. Starting salary is determined according to qualifications and experience. A temporary cost-of-living allowance at varying rates (subject to a maximum of £100 per annum for single and married officers without children, and £139 10s. per annum for married officers with children) is also payable. Furnished quarters are provided at low rental. Free passages are provided in both directions for officer, wife, and up to two children under 18 years. There is no income tax. Tour of service is from 12 to 15 months. Local leave not exceeding 14 days in any one year may be granted, and generous home leave is granted after each tour. There is good riding throughout the country. Candidates must possess medical qualifications registrable in the United Kingdom, and must have had at least one year's postgraduate experience. Application forms can be obtained from the Director of Recruitment (Colonial Service), Colonial Office, Sanctuary Buildings, Great Smith Street, London, S.W.1 (quoting reference CDE. 117/5/01). (3157)

UNIVERSITY APPOINTMENTS**MEDICAL COLLEGE OF ST. BARTHOLOMEW'S HOSPITAL
in the City of London, West Smithfield, E.C.1**

Applications are invited for the post of **LECTURER IN PHARMACOLOGY** tenable as from April 1, 1954. The salary is on a scale of £800 by £100 to £1,100 per annum, together with children's allowance and membership of the F.S.S.U. Candidates should have had experience in the teaching of pharmacology. There will be adequate facilities for research. Applications, which should be received not later than January 31, 1954, should be addressed to the Dean of the Medical College, from whom further particulars may be obtained. (3132)

SECOND VOLUME

OF

"ANY QUESTIONS?"

FOR TEN YEARS a number of experts have each week constituted a Brains Trust for answering questions sent to the

BRITISH MEDICAL JOURNAL

from all over the world.

The second volume of "Any Questions?" complements the 1st volume, of which 10,000 copies have been sold. Subjects covered lightly in the 1st volume, such as "Marital Problems" and "Immunization," receive more detailed treatment in the new volume.

Please reserve your copy now as the edition is limited. The book is bound in cloth, fully indexed, small enough to fit the pocket, and quite indispensable to the general practitioner in his daily work.

224 pages, price 7/6, post 6d. extra

REFRESHER COURSE

FOR

GENERAL PRACTITIONERS

The first collection of refresher course articles, now published as a book, comprises the 55 chapters printed in the *British Medical Journal* between October, 1949, and December, 1950. Each chapter has been specially revised by its author and brought up to date, and there is a full index. Although the volume is primarily for general practitioners, it will also appeal to specialists who wish to be kept informed of work in fields other than their own.

The volume has 512 pages medium 8vo, and is strongly bound in red cloth. An early order is advised.

Price 25s. incl. postage

Orders with remittances, please

TAVISTOCK SQUARE, LONDON, W.C.1**

CHARGES FOR CLASSIFIED ADVERTISEMENTS

(Revised JULY 1, 1951.) CIRCULATION, 78,000.

To economize in paper, bookkeeping entries, and avoid delay, please send payment with the advertisement addressed:

Advertisement Manager,
"British Medical Journal,"
B.M.A. House, Tavistock Square, London, W.C.1.

The text of the advertisement itself should, where applicable, be clearly marked "MEMBER."

Every effort will be made to include "Hospital" and "Small" advertisements in the forthcoming issue provided they reach this office by not later than first post on the FRIDAY of the week preceding date of issue.

Cancellation of advertisements cannot be accepted if received after 4 p.m. on the Monday prior to date of issue (issues affected by public holidays excepted).

DO PLEASE WRITE ADVERTISEMENTS AND
NAME AND ADDRESS CLEARLY IN BLOCK LETTERS

Minimum charge
£1 16s. for 4 lines
(display rules counting
as lines). 9s. a line
thereafter.
Box number address
forms part of the
advertisement and
counts as 6 words
(1 line). An additional
1s. is charged to cover
box fee and addressing
and postage of replies.

The requirements of the C.M.R.C. appear in the notice at the top of the first page of Appointments. Since it is, therefore, not necessary to repeat this information in individual advertisements there is a consequent saving of some 3 to 5 lines on each. A nominal charge of 10s. is added to the cost of each advertisement to which the requirements of the C.M.R.C. are applicable.
