BLAND AND SEDATIVE R-B-C

Rybar Benzocaine Calamine Cream

*Possessing powerful
local anaesthetic properties*

R.B.C. is of great value in the treatment of eczematous conditions, pruritus, tinea and other skin infections due to bacteria or fungi. The soothing effect produced on the application of R.B.C. in cases of intractable itching materially assists healing by promoting sleep and preventing rubbing and scratching.

Formula:—

Phenylmercuric Nitrate	0.10%
Iso-butyl para-aminobenzoate	1.00%
N-butyl para-aminobenzoate	1.00%
Benzocaine	8.00%
Cholesterol	0.10%
Calamine	10.00%
Hydrophilic Base to	100.00%

All percentages w/w

Mode of issue: Collapsible tubes containing 25 gm.

May be freely prescribed on Form EC10.

NOW *a New Form of an Effective Antibiotic*

Filmtab*

ERYTHROCIN^{REGD.} Stearate

(ERYTHROMYCIN STEARATE, ABBOTT)

NO MORE DELAYED ACTION FROM ENTERIC COATING

Filmtab ERYTHROCIN Stearate tablets provide faster absorption, earlier blood levels. The new *Filmtab* (marketed only by Abbott) disintegrates far faster than enteric coatings—permits almost immediate drug absorption. Tests show ERYTHROCIN is adequately protected.

Result? The patient has high blood concentrations of ERYTHROCIN within 2 hours, instead of 4-6 hours as before. Peak level at 4 hours and significant concentrations for 8 hours.

ERYTHROCIN Stearate is highly effective—almost every gram-positive coccus is sensitive to its action. Especially recommended against staphylococci, because of the high incidence of staphylococcal resistance to penicillin.

ERYTHROCIN Stearate (compared with most other antibiotics) is less toxic—less likely to alter the normal intestinal flora. Gastrointestinal disturbances are rare. No serious side effects reported.

Average adult dose is 200 mg. every four to six hours. *Filmtab* ERYTHROCIN Stearate tablets (100 mg. and 200 mg.) are available in bottles of 25 and 100. May we send you a sample of the new *Filmtab* ERYTHROCIN Stearate?

* (Trade Mark for Abbott's film-sealed tablets, patent applied for.)

for the rapid relief of pain

The distress caused by the piercing, stabbing pains of neuralgia is quickly relieved by the rapid, smooth, analgesic action of HYPON TABLETS, enabling the practitioner to prescribe a safe means of meeting the patient's need. Menstrual pain is also effectively alleviated. Where the cause of distress is of a more chronic nature, as in rheumatism and sciatica, the adverse

effects of prolonged medication with codeine and salicylic therapy are eliminated by the inclusion in the formula of caffeine and phenolphthalein. HYPON TABLETS are already widely prescribed by members of the profession for their speedy and safe action with the almost complete elimination of gastric upset. Parallel with the relief from pain, febrile states are effectively reduced in conditions such as influenza, coryza and tonsillitis.

**The
ideal
nasal
decongestant**

FENOX

NASAL DROPS

Prompt Effect

Low surface tension—readily absorbed by the mucosa.

Prolonged Action

The prompt, sustained effect of Fenox gives prolonged relief with small dosage.

Non-Oily

Fenox does not interfere with ciliary action and there is no danger of lipoid pneumonia.

Viscous

Fenox has the same viscosity as mucus and remains at the site of action.

Non-Irritant

Fenox is pH-adjusted and isotonic with the nasal secretion.

Non-Toxic

Free from undesirable side effects—suitable for children and adults.

**For the treatment of
catarrhal conditions**

FENOX, the only preparation containing phenylephrine hydrochloride and naphazoline nitrate, marks an advance in the local treatment of catarrhal conditions of the nasal passages and accessory sinuses. It exhibits all the properties of the ideal nasal decongestant.

The advantages of FENOX are available at low cost—it is supplied in $\frac{1}{2}$ fl. oz. dropper bottles—Retail Price 2/6d, subject to usual discounts.

Literature and "Patients' Directions" pads are available from the Medical Department, Boots Pure Drug Co. Ltd. Nottingham.

in every walk of life

those who need

MULTIVITAMIN SUPPLEMENTATION

Few people completely escape the stress and strain imposed by the tempo of life today, no matter what their age or occupation. This state of affairs often leads to emotional irritability, insomnia, loss of appetite, and hence to an inadequate dietary intake. The daily supplementation of essential vitamins is a wise procedure for offsetting the deficiencies of a diminished diet and restoring the individual to normal.

VI-MAGNA* Multivitamins Lederle provide—in a single capsule—a full daily supplement of vitamins essential for good health. Their timely use is generally followed by a marked improvement in appetite and general tone leading to increased endurance and bodily stamina.

The daily supplement for all ages—in a single capsule

Hypermotility and Gastric Secretion

★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★

‘Lergine’ brand Tricyclamol Chloride, a new anticholinergic drug discovered at The Wellcome Research Laboratories, markedly reduces motility and spasm of the gastro-intestinal tract and diminishes secretion.

The principal indication for 'Lergine' is as an adjunct to the medical treatment of peptic ulcer, where it affords rapid relief from pain. It also provides most effective relief in spastic conditions of the intestinal tract, especially those affecting the colon.

The average dose of 'Lergine' is 50 to 100 mgm. (one to two compressed products) every four to six hours. 'Lergine' is issued in bottles of 100 and 500.

'LERGINE'
TRICYCLAMOL CHLORIDE

BURROUGHS WELLCOME & CO. (THE WELLCOME FOUNDATION LTD.) **LONDON**

The new PENICILLIN COMPOUND

'PENIDURAL' is the new ready-for-use fluid oral penicillin, containing 300,000 units to each large teaspoonful (5 c.c.). It will retain its full potency in aqueous suspension for two years at room temperature, and is thus ideal for treatment both in hospital and home.

*Extract from
Editorial of the British Medical Journal, dated
11th April, 1953, page 823.*

"A standard dose of 300,000 units of 'Penidural' was given, and after a single dose a therapeutic blood concentration was invariably found after 3 hours. When the dose was repeated at six-hour intervals a cumulative effect was observed, with continuous maintenance of a therapeutic concentration."

The introduction of this pleasantly flavoured liquid penicillin banishes the need for any tedious mixing. The patient merely has to pour out the specified dose.

Supplied in bottles of 60 c.c.

Below is a diagram based upon recent work as reported in the British Medical Journal, April 11th, 1953, pp. 805 and 823.

NUPASAL-213

TRADE MARK
(o-hydroxybenzal isonicotinyl hydrazone)

NUPASAL-213 is a new derivative of Isoniazid. First synthesized and studied in our laboratories (1), Nupasal-213 possesses high anti-tuberculous activity and is very much less toxic than Isoniazid. Experimental evidence (2) indicates it is active in cases of Isoniazid resistance because its lower toxicity permits higher dosage. American workers have reported a successful trial of this new drug (3) and clinical evaluation is under way in this country (4).

Nupasal-213 is now available for clinical use in tablets of 100 and 250 mg.

CHOCOLATE-FLAVOURED BEMAX?

'Who gave 'em permission?'

No need to look so affronted, sir! Plain Bemax — the Bemax you so obviously approve of — is still available, *quite unchanged*. We've simply introduced a chocolate-flavoured variety with the youngsters specially in mind. Tests we made showed it would be highly popular.

Needless to say, it contains the same valuable nutritional factors as plain Bemax...the protein, B group vitamins and minerals that you've known about for over a quarter of a century. Same price too. Its only *special* virtue is that it makes young patients (and some older ones) more enthusiastic about the daily Bemax that's so good for them.

Need we say anything further in justification?

EAR WAX Removed THE EASIER WAY

The removal of wax from the external auditory meatus can now be greatly simplified—by the use of Cerumol Ear Drops. Cerumol dissolves soft cerumen, disimpacts the hard wax plug, and a simple wiping or washing out is sufficient to remove debris. Cerumol is not injurious to the lining of the external auditory meatus or to the tympanic membrane.

Anti-bacterial, safe and efficient, Cerumol is an accepted product for use in a large number of hospitals and general practices throughout the country. It is included in Category No. 4 of the Classified List of Proprietary Preparations issued by the Ministry of Health, and may therefore be prescribed on N.H.S. form E.C.10.

PACKS. For Surgery Use: 10 c.c. vial, separate dropper included (Basic N.H.S. price 2s. 8d.)
For Hospital Use: 2 oz. and 10 oz. bottles.

Nulacin

CLINICAL STUDIES IN THREE CONTINENTS

CLINICAL STUDIES on the use of NULACIN tablets in the control of gastric acidity were reported in 1952.*

Now, further clinical studies, recently published in Australia, the United States, and Great Britain,† confirm the value of NULACIN.

INDICATIONS

NULACIN tablets are indicated whenever neutralization of the gastric contents is required:—in active and quiescent peptic ulcer, gastritis, gastric hyperacidity.

NULACIN provides control of gastric acidity comparable with that obtained with intragastric milk alkali drip therapy and is a most convenient and effective form of treatment for bed and ambulatory patients.

DOSAGE: Beginning half-an-hour after food, a NULACIN tablet should be placed in the mouth and allowed to dissolve slowly.

During the stage of ulcer activity, up to three tablets an hour may be required. For follow-up treatment, the suggested dosage is one or two tablets between meals.

NULACIN tablets are not advertised to the public and have no B.P. equivalent. May be prescribed on E.C.10. The dispensing pack of 25 tablets is free of Purchase Tax. (Price to pharmacists . . . 2/-.) Also available in tubes of 12.

NULACIN tablets are prepared from whole milk combined with dextrans and maltose, and incorporate Magnesium Trisilicate 3.5 grs.; Magnesium Oxide 2.0 grs.; Calcium Carbonate 2.0 grs.; Magnesium Carbonate 0.5 grs.; Ol Menth. Pip. q. s.

The Spencerflex for Men

- ★ Co-relates back and abdominal support
- ★ Allows complete freedom of action
- ★ Protects scar following upper abdominal surgery

Individually designed, cut, and made for each patient, this Support provides pelvic control, abdominal uplift, freedom for muscular action. Thus, at work, or play, or during convalescence, the Spencerflex favourably influences better posture and body mechanics.

Safe because it is made in non-elastic material that will not yield or slip under strain. Comfortable because it is individually designed according to the prescribed needs of each patient.

The extra width at back gives exceptional back support. It is light, flexible—with no pressure on prominent part of hip bones.

The photograph at left illustrates a Spencerflex designed as adjunct to treatment following upper abdominal surgery. Especially helpful in early ambulation and where drainage has been maintained for a considerable period. Completely covers and protects the scar without "digging in" at lower ribs. Relieves fatigue and strain—even that caused by deep breathing and coughing—on tissue and muscles of the wound area. *We know of no other abdominal support for men which provides these benefits.*

There is no varied diet problem with Canned Strained Foods

YOU can almost read a mother's thoughts when you recommend early mixed feeding for her baby! Can I get the foods—and prepare them properly? Will it take much time . . . ?

Fortunately, you can tell her about the range of Heinz Strained Foods. It includes chicken and meat broths, soups, vegetables, fruits and cereal—foods often difficult to prepare at home because of time, cost or season.

And these foods actually are even more nutritious than similar foods prepared at home. This is a thing mothers often query, as you know. Foods come fresh to the Heinz factory where they are cleaned, cooked, strained, canned and sterilised immediately, by scientific methods, and inspected at every stage.

Heinz Strained Foods are a balanced team providing vital proteins, vitamins and minerals. Nutritious, hygienic, ready to use, they solve varied diet problems completely and economically.

For a FREE booklet giving the exact nutrient values of these foods, please write to Dept. 1.N., H. J. Heinz Company Ltd., London, N.W.10.

COLPOPHOTOGRAPHS AS AN INTRODUCTION TO COLPOSCOPY

By DR. MED. ROBERT GANSE
(Merited Doctor of the People)

Head of the Gynaecological Clinic of the City Hospital, Dresden-Friedrichshain

Experience has shown that the study of colposcopy has up till now suffered especially from the lack of accurate and objective pictures of particular conditions. This difficulty, however, has now been largely overcome by the possibility of reproducing vaginal conditions photographically. Along with the characteristics of a particular condition, all the associated appearances, and an often bewildering galaxy of many different simultaneous changes in the mucosa, are shown by this method.

The second volume of colpophotographs now available covers the many pathological changes in the cervix. The recognition of these alterations of the mucosa at the cervix is of the greatest importance for the prophylaxis of cervical cancer, and for its early diagnosis with the help of colposcopy. These pictures are particularly suitable for teaching purposes.

The first and second volumes of photographs together form a work which the student can follow easily, and in which the experienced user of colposcopy will find much to stimulate him. This book can also be recommended to all those concerned in cancer research.

Vol. I: 166 pages with 73 full-page illustrations on art paper with explanations. Large 8vo. Cloth bound. D.M. 10.

Vol. II: 304 pages with 114 full-page black and white illustrations on wood-free art paper, 8 coloured illustrations, 54 microphotographs. Large 8vo. Cloth bound. D.M. 25.

Some professional opinions:

Prof. Dr. H. Kraatz, Director of the University Gynaecological Clinic, Berlin: "These are excellent illustrations which, in contrast to the colour illustrations formerly published, show conditions as actually observed."

Prof. Dr. Pschyrembel, City Hospital at Friedrichshain, Berlin: "I have looked at each of these photographs in turn, and am delighted with the excellent production of nearly all the pictures. You have made a great gift to German gynaecologists, and we should all be grateful to you for the time and energy you have expended."

Journal "Ärztliche Forschung," No. 5, 1953. München-Gräffing. "Ganse has taken a great step forward with collection of photographs of findings at colposcopy. For the first time in the history of colposcopy it is possible for the beginner to study completely accurate reproductions of what is seen at colposcopy."

Journal "Gynécologie et Obstétrique," No. 1, 1953. "The great merit of this very beautiful atlas is that it gives excellent colpophotographs which are not retouched and appearances in the vagina which have not been schematized. When studying these 73 very well chosen plates, one really has the impression of being in front of the colposcope. . . . We congratulate the author on having published this beautiful atlas, which will be of the greatest service for the advancement of colposcopy."

Orders are requested through a bookseller.

Prospectuses are available if required.

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose 3 copies (unless otherwise specified) of recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★ *SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.*

A fully registered medical practitioner who is liable for National Service must obtain deferment of recruitment in writing from the Central Medical Recruitment Committee or (in Scotland) the Scottish Central Medical Recruitment Committee before accepting any civilian appointment. The position of provisionally registered medical practitioners who are liable for National Service has been made clear in a notice sent to them by the Ministry of Labour and National Service.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR:** Posts obtained normally not less than two years after registration as a medical practitioner and held normally for two years: £850 per annum in the first year; £965 per annum in the second and any subsequent years.

(b) **SENIOR REGISTRAR:** Posts obtained normally not less than four years after registration as a medical practitioner and held normally for four years: £1,100 per annum in the first year; £1,200 per annum in the second year; £1,300 per annum in the third year; £1,400 per annum in any subsequent years.

Other Grades, Whole-time

(a, HOUSE OFFICERS:

(i) *Provisionally registered medical practitioners:* £425 per annum for the first post held; £475 per annum for the second and any subsequent post held.

(ii) *Fully registered practitioners:* £425 per annum for the first post held; £475 per annum for the second post held; £525 per annum for the third and any subsequent post held.

provided that a medical practitioner who has held house posts under (i) above whilst provisionally registered shall be remunerated at the rate of £525 per annum for each post held after obtaining full registration; and provided that in exceptional circumstances, subject to the consent of the Minister (in Scotland of the Secretary of State), the rates under (ii) may be exceeded by up to £50 per annum where a post cannot be filled otherwise.

A deduction at the rate of £125 per annum shall be made from the remuneration of House Officers in respect of board and lodging and other services provided. Each post shall be tenable for six months.

(b) **SENIOR HOUSE OFFICER:** Posts obtained normally not less than one year (in Scotland, two years) after registration as a medical practitioner and normally held for one year only: £745 per annum.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER:** Officers who have held house appointments but who are not Registrars and who have less responsibility than other hospital officers of non-consultant status: £775 (for an officer appointed not less than one year after full registration as a medical practitioner) by £50 to £1,075 per annum.

ALL NATIONAL HEALTH SERVICE HOSPITAL APPOINTMENTS ARE IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF SERVICE OF HOSPITAL MEDICAL STAFF

Those intending to apply for resident appointments in the Registrar grades are recommended to make inquiries with regard to the deductions proposed for board and lodging at the time of submitting their applications, where this is not stated in the advertisement.

PUBLIC HEALTH**ABERDEEN, CORPORATION OF THE CITY OF Health and Welfare Department**

Applications are invited for the post of **ASSISTANT MEDICAL OFFICER** for research work and general duties. Candidates must be under 45 years of age and must be registered medical practitioners. The possession of the Diploma in Public Health will be regarded as an advantage. For an initial period of approximately two years the duties of the post to the extent of one-half will be concerned with research. Thereafter the person appointed will be employed whole-time on normal duties. The salary scale for the post is £950 per annum, rising by annual increments of £50 to £1,300. The post is superannuable and the candidate selected for appointment will be required, before appointment, to pass a medical examination. Application forms may be obtained from the Medical Officer of Health, Willowbank House, Willowbank Road, Aberdeen, with whom they should be lodged, together with one copy of each of three recent testimonials, on or before Saturday, September 25, 1954.—J. C. Rennie, Town Clerk, Town House, Aberdeen. (8948)

BIRMINGHAM, CITY OF Public Health Department

Applications are invited for the appointment of **PART-TIME SPECIALIST ANAESTHETIST** to work in the maternity and child welfare dental service. Duties will be concerned with the giving of anaesthetics for dental extractions to expectant and nursing mothers and young children under the age of five years. Preference will be given to applicants who hold the D.A. or similar higher qualifications. Remuneration will be at the rate of four guineas per session. Applications, which should include details of age, qualifications and experience, together with the names of three referees, should be submitted to the Medical Officer of Health, Public Health Department, Congreve Street, Birmingham, 3, not later than September 18, 1954. (8525)

EDINBURGH, CITY OF Public Health Department

Applications are invited for the post of **MEDICAL OFFICER in charge of the Mental Health Services Branch of the Public Health Department**

Applicants should hold an appropriate qualification in mental health and have some experience in administering laws and regulations relating to lunacy and mental deficiency, preferably in a large area. The successful candidate will be expected to develop preventive aspects of the mental health service in the City. The grading of the post would be that of a Senior Medical Officer, viz., £1,250, rising by annual increments of £50 to £1,650. Applications, stating age, qualifications and experience, together with the names of three referees, to be sent to the Medical Officer of Health, Johnston Terrace, Edinburgh, 1, not later than October 16, 1954. (8954)

ESSEX, COUNTY OF

The County Council of Essex invite applications for the appointments of **COUNTY MEDICAL OFFICER OF HEALTH and PRINCIPAL SCHOOL MEDICAL OFFICER for the County**

The salary will be £2,750 a year, rising by five annual increments of £100 to £3,250 a year. Candidates must not only be duly qualified as required by the Local Government Act, 1933, but must also possess considerable administrative and organizing ability and a wide knowledge and experience of the health services. An application form, with terms and conditions of the appointments, may be obtained from and, when completed, should be returned to the undersigned in a sealed envelope marked "County Medical Officer of Health" not later than September 25, 1954. Canvassing, directly or indirectly, will be a disqualification.—John E. Lightburn, Clerk of the County Council, County Hall, Chelmsford. (8406)

HACKNEY, METROPOLITAN BOROUGH OF**DEPUTY MEDICAL OFFICER OF HEALTH**

The Borough Council invite applications for the above mentioned post from registered medical practitioners with appropriate qualifications and experience. The salary, commencing at a figure to be fixed according to the experience and qualifications of the successful applicant, will be within the scale £1,500, rising by two annual increments of £100 each and one of £50 to a maximum of £1,750 per annum. Form of application obtainable from me must be returned, duly completed, not later than September 27, 1954.—Dudley Sorrell, Town Clerk, Town Hall, Hackney, E.8 (8658)

SALOP COUNTY COUNCIL**ASSISTANT MEDICAL OFFICER**

Applications are invited from registered medical practitioners for the above whole-time superannuable position. The duties will be mainly in the school health and child welfare services. Salary scale £950 by annual increments of £50 to £1,300 per annum (commencing salary depending on experience), plus a car allowance in accordance with the Council's scale. The successful candidate will be required to pass a medical examination. Forms of application and copies of the conditions of service may be obtained from the undersigned, to whom applications, together with copies of three recent testimonials, should be submitted not later than September 25.—T. S. Hall, County Medical Officer of Health, County Health Office, College Hill, Shrewsbury. (8484)

SHEFFIELD EDUCATION COMMITTEE

Applications are invited from duly qualified medical practitioners (men and women) for appointment as

SCHOOL MEDICAL OFFICER

Special consideration will be given to the applications of candidates who have had experience in the treatment of children. Possession of the D.P.H. or D.C.H. qualification will be an advantage. Salary scale to be in accordance with the Whitley Councils for the Health Services (Great Britain) Medical Council. Committee "C" Superannuable post. Subject to satisfactory medical examination. Application forms and particulars of the appointment may be obtained from the Director of Education, Education Office, P.O. Box 67, Leopold Street, Sheffield, 1, and should be returned not later than September 25, 1954. (8651)

SOMERSET COUNTY COUNCIL**ASSISTANT COUNTY MEDICAL OFFICER OF HEALTH**

Applications (men or women) are invited for the above appointment. The salary is £950, rising by £50 to £1,300 per annum, but in fixing the commencing salary the Council will have regard to previous experience. Possession of the D.P.H. or D.C.H. would be an advantage. The duties will be mainly concerned with the services of school medical inspection and maternity and child welfare. Possession of a motor car is essential. Travelling allowance will be paid in accordance with the County scale. The post is superannuable and subject to a satisfactory medical examination. Applications should be made forthwith, on forms to be obtained from the undersigned.—J. F. Davidson, County Medical Officer of Health, County Hall, Taunton. (8800)

WILTSHIRE COUNTY COUNCIL**DEPUTY COUNTY MEDICAL OFFICER OF HEALTH and DEPUTY PRINCIPAL SCHOOL MEDICAL OFFICER**

Applications for this appointment invited from registered medical practitioners possessing the D.P.H. and the necessary knowledge and experience of administration of Local Authority health services. Salary £1,500 by £100 (2) by £50 (1) to £1,750 per annum. Travelling and subsistence allowances. Superannuable appointment, terminable by three months' notice. Applications (no forms are issued), with names and addresses of three referees, must reach me by September 25, 1954.—P. A. Selborne Stringer, Clerk of the County Council, County Hall, Trowbridge. (8646)

ADMINISTRATIVE**EASTERN REGIONAL HOSPITAL BOARD (Scotland)**

Applications are invited by the Board for the appointment of

SENIOR ADMINISTRATIVE MEDICAL OFFICER

The salary scale is £1,850 by £125 to £2,475 per annum, and the post is superannuable. Further particulars and a form of application may be had from the Secretary of the Board, 430, Blackness Road, Dundee, with whom applications, giving names and addresses of three referees, must be lodged not later than September 25, 1954. Canvassing, whether direct or indirect, will disqualify. (8616)

INDUSTRIAL APPOINTMENTS

Attention is drawn to the B.M.A. scale of remuneration for Industrial Medical Officers, which is available on request from the Secretary.

Address inquiries to Medical Director. (7228)

AUCKLAND HOSPITAL BOARD
New Zealand

Applications are invited from medical practitioners eligible to qualify as a Junior Specialist under the Hospital Employment (Medical Officers') Regulations, 1952, for the position of

SENIOR CASUALTY OFFICER
Auckland Hospital

Applicants must be qualified medical practitioners of the British Commonwealth and the appointee shall be registered in New Zealand before taking up duty. It is desirable but not essential that applicants should possess a higher qualification. Travelling expenses to New Zealand for appointee and family will be paid on certain conditions. The appointee is required to live in at the hospital. Salary scale £NZ.1,352 to £NZ.1,652 per annum by annual increments of £NZ.50. Commencing salary within this scale according to qualifications and experience. An unfurnished flat is available for a married man at annual charge of £NZ.110 (excluding fuel and lighting). Conditions of appointment and form of application obtainable from the office of the High Commissioner for New Zealand, New Zealand House, 415, Strand, London, W.C.2. Applications close with the undersigned at the office of the Board, Kitchener Street, Auckland, New Zealand, at noon on October 11, 1954.—R. F. Galbraith, Secretary. (8858)

HER MAJESTY'S COLONIAL SERVICE
Mauritius

ASSISTANT RADIOLOGIST
Required in the Medical Department of Mauritius to perform radiological work, therapeutic and diagnostic, and such other duties as required by the Director of Medical Services. Appointment will be on contract for three years with gratuity on satisfactory completion of service. Salary scale ranges from Rs.10,020 to Rs.19,020 (£751 10s. to £1,426 10s.) a year. In addition a temporary non-pensionable cost-of-living allowance is payable amounting to 12 per cent on salary up to Rs.12,000 (£900) a year and 9 per cent on all salary over Rs.12,000 (£900) a year. Candidates in the National Health Service may resign from the National Health Service but retain their superannuation rights (up to a limit of six years) during their time in the Colonial Service, and receive a resettlement grant of 20 per cent of the aggregate of their Colonial salary on leaving the Colonial service. Quarters are not provided, but officers who have not been allocated Government houses will be reimbursed any difference between approved rent paid for a private house (subject to a maximum of Rs.300

(£22 10s.) a month) and the 10 per cent salary they would normally pay for a Government house. For this purpose, officers residing in hotels or boarding houses will be regarded as paying half the board and lodging charge for themselves and their wives in respect of rent. Income tax at local rates. Free passages in both directions are provided for officer, wife and children, not exceeding five persons in all. Generous home leave is granted after tour. Candidates must have medical qualifications registrable by the General Medical Council in the United Kingdom, and experience in both radiodiagnosis and radiotherapy would be an added recommendation. Application forms can be obtained from the Director of Recruitment (Colonial Service), Colonial Office, Sanctuary Buildings, Great Smith Street, London, S.W.1 (quoting reference BCD. 117/52/016). (8856)

LADY TEMPLER TUBERCULOSIS HOSPITAL
Kuala Lumpur, Federation of Malaya

The Lady Templer Tuberculosis Hospital is in the process of erection in Kuala Lumpur and is expected to be completed and ready for patients in July, 1955. This new hospital, which is being built from public subscriptions and run by a Board of Governors, aims at providing a centre for the treatment of tuberculosis and tuberculosis research in the different races in the Federation of Malaya. Applications are invited for the post of

MEDICAL SUPERINTENDENT
of the above hospital from medical practitioners whose qualifications entitle them to be registered with the General Medical Council in the United Kingdom. The applicant should possess in addition the Membership of one of the Royal Colleges of Physicians, and experience of tuberculosis work is essential. The possession of a T.D.D. would be an advantage. The physician selected should be prepared to commence duties in Kuala Lumpur no later than April 1, 1955, though in the first instance, until the hospital is ready to receive patients, these duties would be concerned with organization. The salary offered will be \$1,440 per month (£2,016 per annum) plus an expatriation allowance of \$380 (£532 per annum) for married officers without dependent children, and \$480 (£672 per annum) for married officers with dependent children. In addition, a cost-of-living allowance which is variable but valued at present at \$190 per month (£266 per annum) for married officers without dependent children and \$265 per month (£371 per annum) for married officers with one or more dependent children will be paid. Free partly furnished quarters will be provided. Local leave at the rate of fourteen days per annum will be granted. Appointment will in the first instance be for a period of three years, which may, if mutually agreeable, be extended for a further period of three years. At the end of each tour of service full pay leave at the rate of five days per month of completed service will be granted. First-class sea passages to and from country of domicile for officer, wife and a maximum of three children under the age of ten years will be paid at the beginning and end of each tour. On satisfactory completion of his contract the officer will receive a gratuity of £450 for each completed year of service. Applications should be made to Peat, Marwick Mitchell and Co., Secretaries, Board of Governors, The Lady Templer Tuberculosis Hospital Fund, P.O. Box 47, Kuala Lumpur, Federation of Malaya, giving particulars of age, qualifications and marital status, and enclosing copies of testimonials. (8866)

NEW ROCHELLE HOSPITAL
New Rochelle, New York, U.S.A.
(360-bed general community hospital)

Approved by the Joint Commission on Accreditation of Hospitals. Also approved by the American College of Surgeons and American Medical Association for Internship and Residency training. Only graduates from approved university schools accepted.

Educational and Lectures—contd.**UNIVERSITY OF GLASGOW****Postgraduate Medical Education Committee****PRIMARY EXAMINATION FOR THE SURGICAL FELLOWSHIPS**

A course of instruction in anatomy, physiology, biochemistry, pathology, and bacteriology suitable for candidates preparing for the Primary Examination of the Fellowship qua Surgeon of the Royal Faculty of Physicians and Surgeons of Glasgow will be held from October 11 to December 3, 1954. (The Primary Examination conducted by the Glasgow Royal Faculty is accepted by the Royal Colleges of Surgeons of Edinburgh, of England, and in Ireland in lieu of the corresponding examinations of these bodies.) The course will comprise a total of approximately 160 hours' instruction given daily from Mondays to Fridays between the hours of 12 noon and 5.30 p.m. The course will be open to the junior staff of hospitals in the Western Region of Scotland and also to other suitable applicants. Applicants not employed in the hospitals of the Western Region will, so far as can be arranged, be given an honorary clinical attachment to one of the surgical teaching units. The fee for the course is 25 guineas.

COURSE IN CHEMOTHERAPY

A short intensive course on the principles and application of chemotherapy in acute and chronic infectious diseases will be held at Ruchill Hospital, Glasgow, from Monday, October 4, to Saturday, October 9, 1954. The course will comprise: (1) Systematic lectures followed by appropriate clinical demonstrations on the different infectious diseases, including pneumonia and tuberculosis. (2) Lectures and demonstrations on the scope and effective application of all forms of chemotherapy. (3) Practical demonstrations of the techniques used in the diagnosis and control of infectious diseases. The fee for the course is 5 guineas. The usual arrangements for financial assistance are available to N.H.S. practitioners attending this course whereby the fee, cost of travelling and subsistence, and locum expenses may, subject to certain conditions, be recovered from Government sources.

COURSE IN MENTAL DEFICIENCY

A short intensive postgraduate course in mental deficiency, suitable for School Medical Officers and others interested, will be held from October 11 to October 29, 1954. The course will comprise

lectures and demonstrations, instruction in mental testing, and visits to institutions. Fee: 15 guineas. The course is limited to 20 practitioners.

Those wishing to attend any of these courses should make early application to the Director of Postgraduate Medical Education, The University, Glasgow, W.2, from whom further details and a syllabus may be obtained. (6273)

Price 15s.

Publishing Manager, B.M.A. House,
Tavistock Square, London, W.C.1.

TERCIN'

TRADE MARK

FOR MILD FORMS OF PAIN

"Aspirin and phenacetin are effective and useful, and a sedative effect is obtainable if a barbiturate is combined with them . . . The reputation of codeine as a pharmacologically useful drug is at present waning, for the analgesic effect of the compound tablet of codeine B.P. is probably due more to its content of aspirin and phenacetin than to the $\frac{1}{2}$ gr. (8 mg.) of codeine present. It is a weak analgesic when given in full doses." (Brit.Med.J. 1952 (Oct. 25th) ii, p.928)

Tercin contains aspirin and phenacetin with a barbiturate. It is intended for the relief of all those mild forms of pain for which Tablets of Aspirin, Phenacetin and Codeine

have hitherto been prescribed. The basic N.H.S. price is 4/10 per bottle of 200.

Each tablet of Tercin contains aspirin 5 grains, phenacetin 3 grains and butobarbitone $\frac{1}{2}$ grain.

DOSE: One or two tablets as required. A total dose of eight tablets daily should generally not be exceeded.

Leaflets and samples are available on request to the Medical Department

THE BRITISH DRUG HOUSES LTD. LONDON N.1

Tren/E/541

Lastonet stockings always fit perfectly

Lastonet surgical stockings are always made to the patient's measurements to ensure a perfect fit. The light-weight net is self-ventilating and stretches in all directions to afford even support over the whole affected area of the limb. Each stocking is guaranteed for six months.

* Can be prescribed under the National Health Scheme. Measurement forms, full details and particulars of medical opinion will be sent on request.
