Reagent Tablets for the detection of

GLYCOSURIA

KETONURIA

Both tests performed simultaneously in one minute!

'Clinitest' tablets have been widely used and prescribed since 1947. Many valuable hours have been saved. Following successful clinical trials, the makers of 'CLINITEST' have produced 'Acetest' reagent tablets for the detection of Ketonuria. Reliable routine sugar and acetone tests can now be carried out *together* in one minute!

'CLINITEST'

No external heating. No measuring of reagents.

Approved by the Medical Advisory Committee of the Diabetic Association, Available under the N.H.S. on Form E.C.10.

(Basic Drug Tariff Prices: Set 6/8d. complete. Refill bottles of 36 Tablets 2/4d.)

'CLINITEST' HOSPITAL EQUIPMENT

An invaluable time-saver in wards and clinics. Write for details and hospital prices.

The advantages of 'ACETEST'

A single tablet provides all the reagents required. Low cost permits use as a screening procedure or as a routine for diabetic patients. No danger of false positives with normal urine. No caustic reagents.

- 1 Put 1 drop of urine on tablet.
- 2 Take reading at 30 seconds. Compare tablet to colour chart provided.
- 3 Record results as negative, trace moderate or strongly positive.

Available under the N.H.S. on Form E.C.10. Basic Drug Tariff price 3/10 per bottle of 100 tablets (with colour scale).

Three good points

which qualify HYPON TABLETS as the leading Analgesic and Antipyretic

1 Analgesic and Antipyretic : Indicated for the relief of pain associated with Rheumatism, Spastic Dysmenorrhœa, Neuralgia, Headaches and all conditions which call for a balanced Analgesic and Antipyretic.

2 Rapidly effective : Quickly absorbed and easily assimilated. Rapid disinte-

gration ensuring quick relief from pain and maximum therapeutic value.

3 Prolonged Action : The balanced formula provides a high degree of synergistic action ensuring full therapeutic effect over a prolonged period.

+two more...

4 Non-depressive : Distressing side effects normally associated with administration of aspirin; phenacetin and codeine are counteracted by a therapeutic dose of caffeine.

5 Non-constipating : A minimal dose of phenolphthalein is introduced to prevent constipation.

FORMULA : Acid Acetylsalicyl. B.P.—40.22%;
Phenacet. B.P.—48.00%; Caffein. B.P.—2.00%; Codeine
Phosph. B.P.—0.99%; Phenolphthal. B.P.—1.04%;
Excip.—7.75% (each tablet 8 grains)

NOT the same old story...

SUAVITIL is not a variation on an old theme nor is it one of the so-called "tranquillisers". It is a substance that has a unique and genuine selective action on the central nervous system. Thus with Suavital the tense, over-anxious patient is not made oblivious to his worries—he is helped to deal with them constructively. Moreover, it acts safely and has no addictive properties.

Another novel aspect many doctors have found about Suavital is its low price, which is far less than that of many other new drugs recommended for the same purpose.

Yes, the treatment of anxiety neuroses, psychosomatic disorders and alcoholism is indeed a new and very different story with Suavital.

"It can help to resolve a neurosis by a selective action which involves no sedative or hypnotic effect of the barbiturate type, nor any general suppressive effect such as that produced by some of the more recently introduced compounds".

The use of stabilized Trypsin

A NEW TREATMENT FOR **ULCERS**

ABRASIONS

BURNS

PYODERMAS

ANY MEDICAL PRACTITIONER knows how stubbornly resistant to any therapy a long-standing varicose ulcer can be. The reason is partly the diminished blood supply, but more perhaps the formation of a pus-containing layer and of crusts which cover the ulcer and impede the healing process. Similar difficulties are often encountered in the treatment of wounds and abrasions.

PROTEOLYTIC ACTION

It has long been known that the proteolytic enzyme trypsin could digest crusts by the process of physiological curettage. The difficulty has been to incorporate the trypsin in a stable preparation. In Biotrase, trypsin remains active physiologically for over one year. It rapidly dissolves crusts and scabs and leaves a clean, granulating surface. A certificate of stability has been issued by a Department of Bio-chemistry.

Biotrase has been designed by Lloyd-Hamol of London and Zurich for the treatment of infected skin lesions. Apart from trypsin, it contains two new

antiseptic agents of proved bacteriolytic properties, Ca-N-Hydroxymethylglutamate and 2,2¹ thiobis-(4,6-dichlorophenol), designated bithionol, both of which are effective against a wide range of gram-positive and gram-negative pathogenic organisms and do not cause skin sensitivity. Biotrase also contains carbamide, included for its buffering properties.

INDICATIONS FOR USE

Biotrase may be used wherever there is an infected—or potentially infected—breach of surface of the skin. Common conditions for its use include the following: Varicose, diabetic and post-thrombotic ulcers; wounds, and second and third degree burns; infected and necrotic skin conditions, including pyoderms; boils and carbuncles (following incision).

COMPOSITION OF BIOTRASE

<i>Trypsin pur.</i>	0.16%
<i>Ca-N-Hydroxymethylglutamate</i>	5.00%
<i>2,2¹ thiobis-(4,6-dichlorophenol)</i>	0.50%
<i>Carbamide B.P.</i>	5.00%
<i>In polyethylene glycol</i>	

Biotrase is available in 35 g. tubes at a basic N.H.S. price of 3/9d. plus Purchase Tax. Samples and literature are available to medical practitioners on request.

ADRENOXYL

Reduces the mean bleeding-time

Adrenoxyl reduces the mean bleeding-time by decreasing the permeability and increasing the contractility and resistance of the capillary wall.

A dry field at operation

Adrenoxyl has been successful in diminishing capillary bleeding in a wide range of surgical operations. It has proved particularly useful in ear, nose and throat, ophthalmic and plastic surgery. In plastic surgery of the face it has been reported that, post-operatively, there is less swelling and bruising when Adrenoxyl has been used.

No side effects

Adrenoxyl does not have any side effects or contraindications. It does not affect blood coagulation, blood pressure or pulse rate and does not possess any sympathomimetic properties.

In medical conditions

Adrenoxyl has been used with success in those medical conditions associated with capillary fragility.

In the British Medical Journal (April 21st, 1956) a correspondent confirmed the value of Adrenoxyl in providing a dry field for the surgeon and in shortening the duration of the operation.

Packs

Ampoules: Boxes of 6 and boxes of 50.
Each ampoule contains 0.75 mg. of adrenochrome monosemicarbazone dihydrate.

Tablets: Tubes of 25 and bottles of 500.
Each tablet contains 2.5 mg. of adrenochrome monosemicarbazone dihydrate.

The best results are obtained when both tablets and ampoules are used.

The role of **cellular metabolic stimulus** in medical practice

L-Triiodothyronine (issued by Glaxo as 'Tertroxin') is recognised as probably the ultimately effective hormone of the thyroid acting directly on the metabolic cell processes.

OBESITY

In the treatment of obesity, the stimulus to the cellular metabolism from Tertroxin is of great value, along with dietary measures. Tertroxin exerts its effect on cellular oxidation rapidly; it is non-cumulative and therefore controllable and safer.

DYSMENORRHOEA

Tertroxin is of notable value in the treatment of dysmenorrhoea. It may be given for three or four days before menstruation begins and continued for two days afterwards.

GERIATRICS

Many elderly patients manifest waning metabolism by a variety of symptoms. The functional improvement and increase in mental and physical vigour after giving Tertroxin make it a valuable product in the treatment of the elderly.

TERTROXIN TRADE MARK

(L-Triiodothyronine Sodium Glaxo)

Tertroxin (L-Triiodothyronine) in the recommended dosage is well tolerated. It is non-cumulative and adjustment of dosage to suit the patient's response therefore takes effect quickly, with prompt reversion if for any reason dosage is reduced or withdrawn.

How severe a gastric irritant is aspirin?

FURTHER RESEARCH has now been done into the irritant effects of aspirin upon the gastric mucosa. A detailed report on this work appears under the heading "Aspirin and Ulcer" in the B.M.J., July 2, 1955.

The summary of the discussion appended to this report is as follows:

"Aspirin is a serious gastric irritant, particularly in peptic ulcer patients."

Here is a further extract from the report: "In conclusion it is suggested that aspirin should never be given to patients with peptic ulceration, or indeed to those who have any gastric intolerance to it, however mild. Such an instruction should be given a prominent place in peptic ulcer advice charts, usually in place of much that could be safely left out. Some of these patients took aspirin on a full stomach only in powder form, with serious

results, and, although this method almost certainly mitigates its irritant effects, it does not guarantee immunity. Calcium aspirin does not have this irritant action unless it has deteriorated through standing, and it can be used with impunity, especially if prescribed in soluble form. This simple measure would, in our opinion, cut down significantly the incidence of haematemesis and exacerbations of ulcer symptoms."

SOLPRIN provides calcium aspirin in pure and stable form

CODIS is a compound tablet that provides codeine and phenacetin and calcium aspirin, in place of the ordinary aspirin in Tab. Codein. Co. B.P.

Neither SOLPRIN nor CODIS is advertised to the public

RECKITT & COLMAN LTD., HULL & LONDON (PHARMACEUTICAL DEPT., HULL)

The modern management of pregnancy has been shown to pay rich dividends in health and well-being to both mother and child. As the demand for the chief dietary factors may be increased during pregnancy up to 100 per cent, the timely administration of additional vitamins, bone-forming minerals and haematinic factors is a wise nutritional insurance. PRENATAL CAPSULES Lederle contain all these essential factors, and the simple routine of 2 Capsules daily from the time pregnancy is confirmed and through the period of lactation, provides adequate nutritional insurance for the mother, leads to healthy lactation and to progressive weight gains in the child. The Capsules are dry-filled to ensure rapid assimilation of ingredients and to avoid any unpleasant regurgitation.

PRENATAL CAPSULES

Just the right combination

Cold, damp and smoke — just the right combination to produce the fog which sets people coughing and sends them to their doctor in search of relief. And relief is readily available with the M&B brand cough linctus 'Phensedyl', which contains promethazine for its prolonged antihistamine, local analgesic and central sedative action, ephedrine for its broncho-dilator activity and codeine for its depressant effect on the cough reflex. Whatever the cause of cough — whether it is "smog", smoking, the aftermath of influenza, or a more serious condition — these properties of 'Phensedyl' usually bring relief. They provide the right combination.

Supplied in bottles of 4 and 40 fl. oz. Each 3·6 c.c. (approximately 1 teaspoonful) contains:

Promethazine Hydrochloride B.P. 3·6 mgm.
Codeine Phosphate B.P. 9 mgm.
Ephedrine Hydrochloride B.P. 7·2 mgm.

in one tablet

*- the treatment of choice for
moderate to severe hypertension*

The combined action of the Riker alkaloidal extracts 'RAUWILOID' and 'VERILOID' provides a striking example of drug complementation. The response seems to be greater than simple summation of the two effects, and consequently the patient actually requires less of the more potent 'Veriloid'. The margin between the required hypotensive dose of 'Veriloid' and that causing emesis is effectively widened by the presence of the 'Rauwiloid' and enables satisfactory treatment to be carried out with the minimum of discomfort to the patient.

"The addition of Rauwiloid makes Veriloid easier to administer and practically does away with unpleasant side reactions".

Amer. J. Med. (1954), 17 : 629

RAUWILOID—

is a unique preparation of alkaloidal hydrochlorides of *Rauwolfia serpentina* accurately standardized.

VERILOID—

a fractionated alkaloidal extract of *Veratrum viride* which is biologically standardized.

RAUWILOID + VERILOID—

is presented in bottles of 25, 100 (approximately one month's treatment) and 500 tablets. Each tablet contains 1 mg. of 'Rauwiloid' and 3 mg. of 'Veriloid'.

'Mepavlon'

TRADE MARK

meprobamate

for anxiety neuroses and states of tension

'MEPAVLON' is the new tranquilliser and muscle relaxant, now manufactured in Great Britain by I.C.I., for use by the medical profession.

The outstanding virtue of 'Mepavlon' is its ability to relieve mental and muscular tension without dulling consciousness: it calms the nervous patient affected with anxiety, restlessness and irritability: it stabilises the emotions, relaxes muscular tension, and in cases of nervous insomnia it induces natural sleep. The drug has no action on the autonomic system and in addition it has a low toxicity; side effects are rare and of a minor character.

'Mepavlon' thus represents an important advance on other tranquillisers and sedatives, and there is now adequate clinical evidence that it can provide a most valuable contribution to the treatment of anxiety neuroses, states of tension, and various neurological and muscular disorders.

Fully active by mouth, 'Mepavlon' is presented in tablets, each 400 mgm. in containers of 30 (a week's full treatment) and a dispensing pack of 250.

Information Service on New Drugs

The need for standardized record cards giving the essential facts about modern therapeutic agents has recently been emphasized by correspondents in the "British Medical Journal." This need is met by the service which has been provided since 1949 by

The Index of New Products

issued by "The Pharmaceutical Journal"
(the official organ of The Pharmaceutical
Society of Great Britain)

Subscribers receive cards giving concise, independent information, ready for filing alphabetically, on all new preparations that can be prescribed in the National Health Service. The details are tabulated under such headings as :

Composition
Pharmacological Action
Indications
Contraindications
Dosage
References to the Literature
Packing and Price
Suppliers

For quick reference, a cumulative booklet, issued yearly, classifies products under their therapeutic or diagnostic applications, and lists analogous preparations under their non-proprietary names.

Subscribers for 1957 should apply at once. The annual fee of two guineas covers all cards issued during that year, together with a filing drawer (inland subscribers only) and the cross-reference booklet. Cards previously issued can be supplied for a further two guineas.

Enquiries should be addressed to

THE PHARMACEUTICAL PRESS

(DEPT. N.P.)

The right diet at your fingertips

This filing box, designed for the consulting room desk, contains an indexed supply of diet cards for 16 different conditions. The cards are planned to include specimen daily menus which facilitate the patient's co-operation and save the doctor's time. This is one of the services offered free of charge to the medical profession by the Energen Dietary Service.

In special cases, clinical considerations often necessitate the preparation of a diet which takes into account the individual requirements of the patient. On receipt of the appropriate information from the practitioner, such diets can be specially constructed and sent through the post; or a consultation can be arranged with a senior dietitian.

The Energen Dietary Service is staffed by fully qualified dietitians, under close medical supervision. It offers independent information and assistance to the medical profession in all dietary and nutritional matters.

Requests for this Diet Card Filing Box, or other inquiries should be addressed to:

An experiment to show the effect of Transvasin on skin temperature

The graph above is of an experiment to measure the effect of Transvasin on skin temperature on a subject. The solid line plots the skin temperature before and at intervals after a single application of one inch of cream (0.924 grams) from a tube of

Transvasin. The broken line gives similar information with regard to the application of a plain vanishing cream used as a control. Skin temperatures were measured with an electro-thermo couple every five minutes for two hours.

IT is generally agreed that cases of soft-tissue rheumatism and of many types of arthritis benefit by hyperaemia of the affected tissues. Transvasin, which contains two quick-acting esters of nicotinic acid, induces such a deep and prolonged hyperaemia at the same time as it produces superficial erythema.

In addition to the esters of nicotinic acid, Transvasin contains the fat- and water-soluble esters of salicylic and p-aminobenzoic acids. Both these well-tried analgesic drugs are readily conveyed through the skin in therapeutic quantities and enable an effective concentration to be built up where they are needed.

Transvasin is now being widely prescribed, with successful clinical results. Since a very small quantity is sufficient for each application, the cost of treatment is extremely low.

COMPOSITION

Salicylic acid tetrahydrofurfuryl-ester...	...	14%
Nicotinic acid ethyl-ester	2%
Nicotinic acid n-hexyl-ester	2%
p-Aminobenzoic acid ethyl-ester	2%
Water-miscible base ad	100%

Transvasin is available in 1 oz. tubes, basic N.H.S. price of 2/6, + Purchase Tax, and is not advertised to the public. Samples and literature will be gladly sent on application.

A SPENCER SUPPORT for Intervertebral Disc

In both conservative and surgical treatment of intervertebral disc, application of a back support is usually indicated.* We invite the surgeons' investigation of Spencer as an adjunct to treatment. Each Spencer is *individually designed, cut and made* for each patient—after a description of the patient's body and posture has been recorded and detailed measurements taken. Thus, individual support requirements are accurately met. The Spencer Spinal Supports shown incorporating rigid Spinal Brace were individually designed for both man and woman patients. Note exterior pelvic binder for added pelvic stability.

For further information and Brochure on Spencer Supports write to

DALMAS

DALMAS LTD. LEICESTER & LONDON Established 1823

Rubriment relieves pain in such conditions as muscular rheumatism, fibrositis, strains and sprains.

Some minutes after application the skin becomes flushed and there is a comforting feeling of warmth which persists for many hours.

RUBRIMENT

A new long-acting rubefacient—safe and effective

Rubriment is a product of original research.

For some years it has been known that some chemicals when applied to the skin produce redness and warmth. Rubriment is based on a new substance, the benzyl ester of nicotinic acid, which has been demonstrated to give a long-lasting rubefacient effect without any damage or irritation to the skin even after prolonged and repeated application.

Ten minutes after application of Rubriment there is a comforting feeling of warmth and the area is seen to be

flushed. This redness is due to the dilatation of the small cutaneous blood-vessels. This persists, without danger of irritation to the skin. Clinical reports have been received of the efficacy of Rubriment for the relief of pain in such conditions as muscular rheumatism, lumbago, fibrositis, strains and sprains. The immediate and prolonged vasodilatory action of Rubriment also provides effective relief for unbroken chilblains.

Whenever counter-irritation is indicated, Rubriment is the preparation of choice for the patient.

Available in two forms

Rubriment (2.5% nicotinic acid benzyl ester and 0.1% Capsicin) is available either as a cream or as a liniment, both of which are non-greasy.

The cream is rapidly absorbed and needs only gentle

application. *It is supplied in tubes of 20 g. (Approx.). BASIC PRICE to N.H.S., 2/2d.*

The liniment lends itself to massage, if this is required. *It is supplied in bottles of 2 fl. ozs. (approx.). BASIC PRICE to N.H.S., 3/-.*

Directions for use Apply Rubriment to the affected area. As Rubriment causes a stinging sensation in contact with the eyes and face, the hands should be well washed after use.

One application per day has been found to be effective for

the majority of patients, though a fresh application may be made, if necessary, at more frequent intervals.

Rubriment is not advertised to the public and can be prescribed on form E.C.10.

*When prescribing infra-red
or ultra-violet rays for
self-treatment ...*

... remember these advantages
of **PHILIPS** Health lamps

(Made in Holland)

INFRAPHIL MODEL "B"

This is a simply constructed and lightweight lamp that helps, quickly and comfortably, to relieve many ailments of a rheumatic nature. The patient can, after medical advice, give himself home treatment in a standing, sitting or lying position and in any room where there is an electric point. The lamp is obtainable only on production of a signed medical certificate. Price £3.3.0.

INFRAPHIL MODEL "A"

Basically, this is the same lamp as the one above. It has, however, been given a stream-lined, robust stand, the base of which enables the lamp to be more easily fixed to a wall and the rays directed downwards. INFRAPHIL is particularly suitable for sportsmen and athletes, who will use it as an aid to massage and for the relief of sprains, bruises and muscular fatigue. Obtainable on medical certificate only. Price £4.4.0.

Ultra-violet **SUNLAMP**

Compact and attractive in appearance, this Philips ultra-violet lamp has the double advantage of portability and manoeuvrability. It is simple and safe for your patients to use, under Medical Guidance, in the comfort of their own home. Goggles are, of course, essential and these are provided with the lamp. Again, a signed medical certificate is necessary for purchase. Price £5.17.6.

*We shall be glad to supply further
details of any of these lamps. Please
address your enquiries to:*

SURFACE TENSION

caught
in the
act!

This high speed photograph shows a drip of water bouncing as it hits the pool below. Surface tension impedes its penetration.

Reduced surface tension aids penetration

We have overcome surface tension with Cetamium—the Vick trade mark for Cetylpyridinium Chloride. Cetamium has the power of lowering the surface tension of other medicinal constituents, thereby enabling them to penetrate minute crypts and crevices of the throat which they would not ordinarily enter.

Germicidal action

Cetamium is a highly efficient germicide. A relatively new quaternary ammonium compound, it quickly and effectively destroys a wide range of bacteria commonly associated with infections of the mouth and throat—without the creation of undesirable antibiotic tolerances.

Cetamium . . . with its greater penetration and its germicidal action, plays an important part in the following Vick products:—

In Vick Cough Syrup . . . Cetamium carries time-proved Vick medications, including ammonium chloride, menthol,

camphor and eucalyptus, right into the minute crevices of the oropharyngeal mucosa which ordinary liquids would simply bridge over.

In Vick Throat Tablets . . . Cetamium acts not only as a bactericide, but lowers the surface tension of saliva, thus carrying the expectorant and pain killing constituents—ammonium chloride and benzocaine—of Vick Throat Tablets to a much greater area than would normally be possible.

In Vick VapoMist Nasal Spray . . . Cetamium enables the vasoconstrictors Ephedrine and Phenylephrine Hydrochloride, to spread and penetrate quickly through heavy mucus congestion, in order to reach the inflamed membranes. Also, by its strong germicidal action, Cetamium reduces the number of secondary invaders.

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★ *SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.*

A fully registered medical practitioner who is liable for National Service must obtain deferment of recruitment in writing from the Central Medical Recruitment Committee or (in Scotland) the Scottish Central Medical Recruitment Committee before accepting any civilian appointment.

The position of provisionally registered medical practitioners who are liable for National Service has been made clear in a notice sent to them by the Ministry of Labour and National Service.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR**: Posts obtained normally not less than two years after registration as a medical practitioner and held normally for two years: £850 per annum in the first year; £965 per annum in the second and any subsequent years. If the post is resident a deduction of £170 per annum is made.

(b) **SENIOR REGISTRAR**: Posts obtained normally not less than four years after registration as a medical practitioner and held normally for four years: £1,100 per annum in the first year; £1,200 per annum in the second year; £1,300 per annum in the third year; £1,400 per annum in any subsequent years. If the post is resident a deduction of £200 per annum is made.

Other Grades, Whole-time

(a) HOUSE OFFICERS:

(i) *Provisionally registered medical practitioners*: £425 per annum for the first post held; £475 per annum for the second and all subsequent posts held;

provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £475 per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff.

(ii) *Fully registered medical practitioners*: £525 per annum for any post held;

provided that in exceptional circumstances, subject to the consent of the Minister, this rate may be exceeded by up to £50 per annum where a post cannot be filled otherwise.

In each case under sub-sections (i) and (ii) above, a deduction of £125 per annum in respect of board and lodging and other services provided shall be made and each post shall be tenable for six months.

(b) **SENIOR HOUSE OFFICER**: Posts obtained normally not less than one year (in Scotland, two years) after registration as a medical practitioner and normally held for one year only: £745 per annum. If the post is resident a deduction of £150 per annum is made.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER**: Officers who have held house appointments but who are not Registrars and who have less responsibility than other hospital officers of non-consultant status: £775 (for an officer appointed not less than one year after full registration as a medical practitioner) by £50 to £1,075 per annum. If the post is resident a deduction of £170 per annum is made.

PUBLIC HEALTH**CITY AND COUNTY OF KINGSTON-UPON-HULL****ASSISTANT MEDICAL OFFICER**

Applications are invited from registered medical practitioners, preferably holding a Diploma in Public Health, for the appointment of Assistant Medical Officer for duties in the Maternity and Child Welfare, School Health, and other Local Health Authority's services. Salary scale £1,050 by £50 (3) by £55 (5) to £1,475, plus essential user car allowance. Particulars of the appointment and forms of application may be obtained from the Medical Officer of Health, Guildhall, Kingston-upon-Hull, to whom completed application forms must be returned not later than January 7, 1957. (6783)

Public Health—contd.**CITY AND COUNTY OF
KINGSTON-UPON-HULL****DEPUTY MEDICAL OFFICER OF HEALTH,
DEPUTY PRINCIPAL SCHOOL MEDICAL
OFFICER, DEPUTY PORT MEDICAL OFFICER
OF HEALTH, MEDICAL INSPECTOR OF
ALIENS**

Applications are invited from duly qualified medical practitioners for the appointment of Deputy Medical Officer of Health for the City, to be held in conjunction with the appointments of Deputy Principal School Medical Officer, Deputy Medical Officer of Health (at Hull) to the Hull and Goole Port Health Authority, and Medical Inspector of Aliens under that Authority. Applicants must hold the Diploma in Public Health, and the possession of additional degrees, diplomas or academic distinctions will be considered an advantage. Salary scale £1,700 per annum, rising by two annual increments of £105 and one of £55 to a maximum of £1,965 per annum, plus "Essential User" car allowance. Particulars of the appointment, and forms of application, may be obtained from the Medical Officer of Health, Guildhall, Kingston-upon-Hull, to whom completed application forms must be returned not later than January 7, 1957. (6784)

**CITY OF BIRMINGHAM EDUCATION
COMMITTEE****SCHOOL MEDICAL OFFICER**

Applications are invited from registered medical practitioners (men or women) for appointment as School Medical Officer in the School Health Service. The possession of a D.P.H. or D.C.H. will be an advantage. Salary in accordance with Whitley Council scale of £1,050 by £50 to £1,200 by £55 to £1,475 per annum. Appointment is subject to the appropriate superannuation Act and to the passing of a medical examination. Forms of application, obtainable from the undersigned (s.a.e.), must be returned not later than December 31, 1956. Canvassing disqualifies.—E. L. Russell, Chief Education Officer, School Health Service, Queen's College Chambers, 38a, Paradise Street, Birmingham, 1. (6412)

**CITY OF LEEDS
Public Health Department****ASSISTANT MEDICAL OFFICER**

Applications are invited from suitably qualified and registered male or female medical practitioners for the post of Assistant Medical Officer for general work in the Public Health Department. The duties of the appointment will include work in connection with Immunization and Infectious Diseases control, medical supervision of a long-stay children's home for tuberculosis contacts, and a certain number of Maternity and Child Welfare Clinic sessions. Opportunity will be given to the successful candidate to take the part-time D.P.H. course at the Leeds University if it is so desired. The Medical Officer appointed will work under the immediate direction of the Medical Officer of Health and his deputy. Salary scale £1,050 to £1,475 per annum. In determining the commencing salary due consideration will be given to previous experience and qualifications. The first increment will take effect on April 1 following the completion of six months' satisfactory service. The person appointed will be required to pass a medical examination and to contribute to the superannuation fund established under the Local Government Superannuation Acts, 1937-53. Applications, endorsed "Assistant Medical Officer," must be delivered at the Public Health Department, 25, East Parade, Leeds, 1, not later than 10 a.m. on Monday, January 7, 1957. Canvassing in any form, either directly or indirectly, will be a disqualification.—I. G. Davies, Medical Officer of Health. (6362)

**HALSTEAD URBAN DISTRICT COUNCIL
HALSTEAD RURAL DISTRICT COUNCIL
ESSEX COUNTY COUNCIL****MEDICAL OFFICER OF HEALTH and
ASSISTANT COUNTY MEDICAL OFFICER OF
HEALTH**

Applications invited for the above-mentioned posts, which together constitute whole-time, 44.5% of time being devoted to duties as Medical Officer of Health to the District Councils and 55.5% to County Council duties. Applicants must possess the Diploma in Public Health. Remuneration (in accordance with appropriate Industrial Court Awards) as follows: (a) District Council's salary, £934 10s. by £24 9s. 6d. (4) to £1,032 8s. a year; (b) County Council salary, £700 by £33 6s. 8d. (3) to £800 by £36 13s. 4d. (5) to £983 6s. 8d. a year. Whitley Medical Council conditions apply and also relevant Standing Orders of the employing Councils. Medical examination. Posts superannuable. Application forms obtainable from the Clerk of the County Council, County Hall, Chelmsford, returnable by December 27, 1956. Canvassing disqualifies. (6306)

COUNTY BOROUGH OF OLDHAM**APPOINTMENT OF ASSISTANT MEDICAL
OFFICER OF HEALTH and
ASSISTANT SCHOOL MEDICAL OFFICER**

Applications are invited from registered medical practitioners for the above appointment, which affords an excellent opportunity for obtaining experience in the Public Health and School Health Services. Salary £1,050 by £50 to £1,200 by £55 to £1,475 per annum. The point of entry will be fixed according to qualifications and experience. The appointment is superannuable and subject to medical examination. Applications, stating age, qualifications and experience, should be forwarded to the Medical Officer of Health, Public Health Department, Town Hall, Oldham, together with copies of two testimonials, or the names of two persons to whom reference may be made.—Edward Haines, Town Clerk. (6681)

COUNTY BOROUGH OF ROTHERHAM

Applications are invited from registered medical practitioners (male) for the post of

**DEPUTY MEDICAL OFFICER OF HEALTH
and DEPUTY PRINCIPAL SCHOOL MEDICAL
OFFICER**

at a salary within the consolidated range of £1,380 by £55 (4) by £50 (1) to £1,650. The commencing salary will be determined at a point within the scale, having regard to the experience of the successful candidate. Applicants must possess a D.P.H. and have had previous experience in school health, maternity and child welfare, and general public health work. The person appointed will be responsible, under the direction of the Medical Officer of Health, for carrying out administrative and other duties in all sections of the work of the Health Department, and must be capable of assuming full responsibility for the Department when necessary. The appointment is whole-time, and the successful candidate will not be allowed to engage in private practice. The appointment will be terminable at any time by three months' notice in writing on either side and will be subject to the Medical Whitley Council's General Conditions of Service for Public Health Medical Officers. The appointment is also subject to the approval of the successful candidate by the Minister of Education under the School Health Service and Handicapped Pupils' Regulations, 1953. The successful candidate will be required to pass a medical examination for superannuation purposes. **Housing accommodation is available if required.** Forms of application and further information may be obtained from the Medical Officer of Health, Municipal Offices, Rotherham, and must be returned to the undersigned, giving the names of three referees, and endorsed "Deputy Medical Officer of Health," by January 2, 1957. Canvassing of members of the Council, whether direct or indirect, will disqualify any candidate.—John S. Wall, Town Clerk, Municipal Offices, Rotherham. (6593)

NORTHAMPTONSHIRE**APPOINTMENT OF DISTRICT MEDICAL
OFFICER OF HEALTH and ASSISTANT
COUNTY MEDICAL OFFICER OF HEALTH**

Applications are invited from registered medical practitioners holding a D.P.H. for the appointment of District Medical Officer of Health for the Borough of Daventry and the Rural Districts of Brixworth and Daventry, and Assistant County Medical Officer of Health for the same area. The Officer will act under the County Medical Officer of Health as Assistant County Medical Officer. The salary scales are (i) for the post of Medical Officer of Health for the District Councils: £920 to £1,030 per annum, and (ii) Assistant County Medical Officer: £656 to £922 per annum. A travelling allowance will be paid on the scale from time to time approved by the County Council. Office accommodation and clerical assistance will be provided. The appointment is subject to (a) the Local Government Act, 1933, and the Sanitary Officers (Outside London) Regulations, 1935 and 1951, (b) the Local Government Superannuation Acts and (c) the passing of a medical examination. The Officer will be required to devote his whole time to the duties of the appointment, to reside within the area for which he acts and to discharge the obligations imposed on a district medical officer of health by the relevant Acts, Orders and Regulations. As regards the duties of District Medical Officer of Health, the officer will be subject to the control and direction of the several Councils. The appointment will be determinable upon three months' notice on either side. Applications, stating age, qualifications, and experience, with the names of three referees, should reach the Clerk of the County Council by December 22, 1956.—J. Alan Turner, Clerk of the County Council, County Hall, Northampton. (6346)

**COUNTY COUNCIL OF THE WEST RIDING
OF YORKSHIRE****JOINT APPOINTMENT OF SENIOR ASSISTANT
COUNTY MEDICAL OFFICER and SCHOOL
MEDICAL OFFICER to the Cudworth, Darton,
Darfield, Dodworth, Royston, Wombwell, and
Worsborough Urban District Councils and the
West Riding County Council**

Applications are invited from registered medical practitioners, men or women, for the above post. The Senior Assistant County Medical Officer and School Medical Officer will be on the staff of the County Medical Officer's Department but will work under the administrative direction of the Divisional Medical Officer and the Medical Officer of Health, who is responsible for the day to day administration of practically all public health matters in the Division. The duties of the office will be mainly clinical in the School Health and Infant Welfare Services, but in addition to these duties the person appointed will be required to act for the Divisional Medical Officer and Medical Officer of Health in his absence, and will be appointed as Deputy Medical Officer of Health to the constituent Authorities. Candidates must be in possession of the D.P.H., or be nearing completion of training for the D.P.H. The scale of salary is at present £1,150 to £1,575 per annum. Travelling and subsistence allowances according to the County Council's scale are payable in addition to salary. The post is superannuable, and the successful applicant will be required to pass a medical examination as to physical fitness. Forms of application can be obtained from the undersigned, to whom they should be returned not later than December 29, 1956.—J. Wood-Wilson, County Medical Officer, County Hall, Wakefield. (6670)

STATES OF GUERNSEY**ASSISTANT MEDICAL OFFICER OF HEALTH**

Applications are invited for the above post from registered medical practitioners. Possession of D.P.H. an advantage. Duties will be principally connected with the tuberculosis and school medical services, but will include general public health work when required. Applicants should have special experience in tuberculosis. Salary scale £1,050 to £1,475 according to experience. The post is pensionable, subject to the provisions of a non-contributory Staff Pension Scheme, and, unless he is unable to qualify thereunder, the successful candidate will be subject to the Rules and Regulations governing a Contingency Fund to provide pensions to widows and orphans of the male members of the salaried staff. Particulars may be obtained from the Secretary, States Appointments Board, Royal Court House, Guernsey. Applications, stating age, sex, qualifications, and giving details of experience, with names of three referees, to be sent to the President, States Appointments Board, Royal Court House, Guernsey, before January 12, 1957. (6701)

SERVICES**HOUSEHOLD CAVALRY****A REGIMENTAL MEDICAL OFFICER**

is required by the Royal Horse Guards who are at present in the Middle East. The selected applicant will be granted a short service or regular commission in the regiment. Previous service and professional experience will count for seniority, pay, allowances, and promotion, which will be generally comparable to those of the R.A.M.C. Minimum emoluments equivalent to £873 (single) or £1,009 (married). Applications to, and further particulars from, O.C., Household Cavalry Hospital, Windsor. (6786)

COMMERCIAL APPOINTMENTS**BRITISH MEDICAL ADVISER REQUIRED BY
CIBA.**

Duties include initiation and development of clinical trials in the United Kingdom and general professional advisory work. Training in medical statistics an advantage. It is a permanent and progressive post with good contributory superannuation scheme. Candidates must have British qualifications, and should be preferably between 35 and 40 years of age and have had several years' clinical experience. Salary not less than £1,600 per annum. Applications, with particulars of qualifications and experience, to Secretary, CIBA Laboratories Limited; Horsham, Sussex. (6666)

INDUSTRIAL APPOINTMENTS**FACTORY DOCTORS****FACTORIES ACTS, 1937 and 1948**

The following appointments as Appointed Factory Doctor are vacant: Newmains, in the County of Lanark; Windermere, in the County of Westmorland; Turiff, in the County of Aberdeen. Applications, which should be received not later than January 5, 1957, should be sent to Chief Inspector of Factories, 19, St. James's Square, London, S.W.1. (6644)

REPUBLIC OF IRELAND**DR. STEEVENS' HOSPITAL, Dublin**

Applications are invited from qualified practitioners with surgical experience for the position of **SENIOR SURGICAL REGISTRAR** to the hospital. Each candidate should state his age and furnish full particulars of his surgical and medical qualifications and experience. The appointment shall be for one year, but may be renewed for a second and third year, and the appointee shall be responsible for Intern and Extern patients. The salary will be £500 per annum, non-resident. Applications should reach the undersigned on or before January 8, 1957.—William Kennedy, Secretary. (6790)

ST. LAURENCE'S HOSPITAL, Richmond

The Board of Governors invite applications from registered medical practitioners for appointment as **REGISTRAR (Resident)** in Neurosurgical Department. Candidates should preferably have some experience of or desire to gain experience in neurosurgery. Appointment, in first instance, for one year, and renewable for a further period of two years. Salary £600 per annum, plus free residential emoluments. Applications to reach the undersigned not later than January 8, 1957.—A. W. MacDermott, Secretary and Superintendent. (6792)

WESTMEATH COUNTY COUNCIL**RESIDENT MEDICAL OFFICER**

Resident Medical Officer required at County Hospital, Mullingar, for a period of six months, subject to extension. Salary £325 to £475 by half-yearly increments of £50. A temporary bonus at the rate of 10% on the first £300 and 61% on the portion of salary over £300 is at present payable, less a deduction of £9 per annum towards the cost of rations and apartments which are provided. Credit will be given for previous service in a recognized hospital. Applications should be lodged with the County Secretary, County Buildings, Mullingar, as soon as possible. (6702)

CITY OF SALISBURY, Southern Rhodesia**VACANCY—ASSISTANT MEDICAL OFFICER OF HEALTH**

Applications for the following post should be addressed to the Medical Officer of Health, P.O. Box 596, Salisbury, Southern Rhodesia, and arrive not later than January 31, 1957. Assistant Medical Officer of Health. £2,000 by £80 to £2,400 per annum. Successful applicant will act as deputy to Medical Officer of Health when he is absent on leave. Possession of a Diploma in Public Health or an equivalent qualification is essential. Details of the duties and experience required may be obtained from the Medical Officer of Health. Successful applicant will be expected to commence duty on July 1, 1957, and must provide a motor-car for his official duties, for which an allowance at rates (at present 9d. a mile) determined from time to time by the Council will be paid. He will also be required to submit a satisfactory medical certificate, and serve a probationary period, and if thereafter confirmed in his appointment to join the Southern Rhodesia Local Authorities' Joint Pension and Widows' and Orphans' Fund. No cost of living, marriage or children's allowances are payable, and entry will be at the minimum of the grade. Applicants should submit copies of testimonials, state age, place of birth, nationality, marital state, qualifications and experience. (6473)

GOLD COAST LOCAL CIVIL SERVICE**Ministry of Health****MEDICAL OFFICERS FOR MEDICAL FIELD UNITS**

Medical Officers (single or married) required. Possession of D.T.M. & H. and previous tropical experience desirable, but not essential. Selected candidates may be required to do D.T.M. & H. course before leaving for Gold Coast, in which case fees and an allowance will be paid. Work consists of control of endemic and epidemic disease by field survey and mass treatment. Medical officers are normally in sole charge of a Unit working in an area of many hundreds of square miles and consisting of some fifty lay assistants under direct supervision. House provided at every Field Unit headquarters, but considerable travelling is necessary. Most travelling is done in officer's own car, for which generous maintenance and mileage allowances are paid. As Field Units operate almost exclusively in remote areas with few social amenities officers of adventurous spirit who can make their own leisure amusements are best suited. Work offers great scope for field research into largely unknown epidemiological problems, and is likely to appeal to men with inclination towards preventive medicine who enjoy active life. Appointment is to Gold Coast Local Civil Service and may be (a) Contract for two tours of duty of 18 to 24 months with gratuity (taxable) of £12 10s. for each completed month of service; (b) Three years' probation for permanent and pensionable employment. Pension (non-contributory) at rate of 1/600th of final pensionable emoluments for each completed month of service; or (c) From National Health Service, retaining superannuation rights while in the Gold Coast (up to six years), and receiving on termination of engagement a gratuity (taxable) of 20% of their Gold Coast salary. Salary under (a) from £1,330 to £2,310 a year, and under (b) and (c) £1,055 to £1,850 a year, starting point being determined by qualifications and experience. Temporary addition of £29 15s. a year also payable. Quarters at rental not exceeding £150 a year. Income tax at local rates. Free passages for officer, wife, and up to three children under 13 years of age. Annual local leave permissible and generous home leave granted after each tour. Application forms from Director of Recruitment, Colonial Office, London, S.W.1 (quoting BCD 117/13/04). (6799)

MEDICAL BACTERIOLOGIST, ASSISTANT OR Associate Professor for the Department of Bacteriology, Faculty of Medicine, University of Ottawa, Canada. Rank and salary (\$5,000 to \$7,000) will depend upon qualifications and experience. Address inquiry to Professor R. J. Gibbons. (6458)

PITTSFIELD GENERAL HOSPITAL**Pittsfield, Mass., U.S.A.****RESIDENT IN PATHOLOGY**

200-bed hospital with well equipped laboratory in beautiful congenial part of New England. Summer and winter sports. English pathologist. Medical school appointment available. Salary \$300 monthly. Passage paid. Apply, airmail, Dr. W. Beautyman, Pathologist. (6457)

GOLD COAST LOCAL CIVIL SERVICE**Ministry of Health**

Applications are invited from doctors with registrable qualifications for the following posts in the Gold Coast Local Civil Service:

1. PATHOLOGISTS to carry out routine duties of Clinical Pathologists, including haematology, bacteriology, histopathology, and biochemistry. May be required to perform post mortem examinations and other duties in connection with forensic medicine. Candidates must have had at least two years' full time approved laboratory experience.

2. MEDICAL OFFICERS OF HEALTH to prevent disease and carry out treatment whenever necessary. Candidates must possess Diploma of Public Health. Appointment may be: (a) Contract for two tours of duty of 18 to 24 months with gratuity (taxable) of £12 10s. for each completed month of service; (b) Three years' probation for permanent and pensionable employment. Pension (non-contributory) at rate of 1/600th of final pensionable emoluments for each completed month of service; or (c) From the National Health Service, retaining superannuation rights while in the Gold Coast (up to six years) and receive a gratuity (taxable) of 20% of Gold Coast salary. Salary under (a) from £1,330 to £2,310 a year, and under (b) and (c) £1,055 to £1,850 a year, starting point being determined by qualifications and experience. Temporary addition of £29 15s. a year also payable. Quarters, when available, at rental not exceeding £150 a year. Income tax at local rates. Free passages for Officer, wife, and up to three children under 13 years of age. Annual local leave permissible and generous home leave granted after each tour. Application forms from Director of Recruitment, Colonial Office, London, S.W.1 (quoting BCD 117/13/010). (6798)

GOVERNMENT OF THE EASTERN REGION OF NIGERIA**MEDICAL OFFICERS OF HEALTH**

required to undertake general administration of environmental hygiene, maternal and child welfare, school health work, health education and control of communicable diseases. Women candidates are eligible and would be encouraged to concentrate on school health and welfare duties. At present emphasis is being placed on the development of a school health service and on tuberculosis control. Officers may be required to visit rural areas around the township where their principal responsibility lies. Candidates must possess medical qualifications registrable in United Kingdom and a Diploma in Public Health. Appointment is on contract for two tours of not more than two years. Salary scale ranges from £1,434 to £2,118 a year, and a gratuity (taxable) is payable on completion of satisfactory engagement at the rate of £37 10s. for each completed period of three months' service (including leave). Quarters provided at rental of 10% of salary. Taxes at local rates. Annual local leave permissible; generous home leave granted after each tour. Free return passages for officer and wife; and, when appropriate, either (but not both) of the following in any one tour of service: (a) One return sea passage for each of two children under the age of 18, subject to a maximum of £75 in respect of the return journey for each child, or (b) An allowance of £75 a year for each of two children under the age of 18 maintained outside Nigeria for the whole of the tour. Application forms from Director of Recruitment, Colonial Office, London, S.W.1 (quoting reference BCD 117/411/05). (6797)

NEWPORT HOSPITAL**Newport, Rhode Island, U.S.A.****INTERNSHIPS AND RESIDENCIES**

All applicants must be proficient in the use of English. The educational programme of this hospital is conducted by Alex. M. Burgess, M.D., Sc.D., F.A.C.P., Director of Medical Education. Write, Airmail, to William K. Turner, Director, for descriptive pamphlet, application blank and personal advice re travel, immigration regulations, etc. (9444)

Oversea (Vacant)—contd.**HER MAJESTY'S OVERSEA SERVICE**
Kenya**MEDICAL OFFICERS**

with qualifications registrable in United Kingdom required for general duties.

Successful candidates may be posted to any station in Kenya. During earlier years of service an officer will be expected to carry out general medical and surgical duties, including varying amount of public health administration. In most stations, even if remote from larger towns, it is possible to maintain interest in any particular branch of medicine or surgery to which the officer is attracted.

The work of every medical officer is based on a hospital which may vary in size and facilities from small district hospital, meeting needs of comparatively primitive community, to large and modern provincial hospital.

Appointments can be made on permanent basis with pension (non-contributory), or on short-term contract with gratuity (taxable) payable on satisfactory completion of service. Normal retiring age is 55. Salary ranges from £1,284 to £2,115 a year, starting point determined by experience. Four extra increments given to successful candidates possessing the F.R.C.S., M.R.C.P., D.P.H., or other approved higher qualifications.

Permanent Medical Officers are eligible to be considered at any time for promotion to super-scale posts in Kenya and other territories in medical administration or, if they possess higher qualification and suitable experience, in specialist posts.

Quarters at rental varying from £30 to £78 a year according to size and type, and furniture at rate varying from £15 to £36 a year. Free passages in both directions for officer and wife and up to cost of one adult fare for children. Taxation at local rates. Annual local leave permissible and generous home leave granted after each tour of from 24 to 45 months. Educational facilities available.

Application forms from Director of Recruitment, Colonial Office, Great Smith Street, London, S.W.1 (quoting BCD 117/7/02). (5217)

HER MAJESTY'S OVERSEA SERVICE
Northern Region Nigeria**MEDICAL OFFICERS OF HEALTH**

required for administration of preventive medical service and control of sanitary matters (including statutory duties of an M.O.H.), or if posted to an airport, the duties of Port Health Officer. May be required to perform general duties of Medical and Health Officers and other duties in connection with epidemic diseases. Officers may be posted to undertake rural health work, including medical surveys and mass treatment of endemic diseases. Candidates must possess medical qualifications registrable in United Kingdom and D.P.H. Diploma in Tropical Hygiene an asset. Appointments may be made: (a) on three years' probation for permanent and pensionable employment. Pension (non-contributory) at rate of 1/600th of final pensionable emoluments for each completed month of reckonable service; (b) from National Health Service. Candidates may leave but retain superannuation rights up to six years and receive a gratuity (taxable) of 20% of the aggregate of salary. Salary for officers appointed under (a) or (b) ranges from £1,212 to £1,950 per annum; or (c) on short term contract (two tours each of 18-24 months) with salary of £1,434 to £2,286, and gratuity (taxable) of £37 10s. for each completed period of three months' service (including leave). Officers appointed under (a) or (c) are required to contribute to a Widows' and Orphans' Pension Scheme. Quarters provided at low rental. Taxes at local rates. Annual leave permissible; generous home leave granted after each tour of 18-24 months. Free passages in both directions for officer and wife; assisted passages for children. Allowances for children of £120 a year for first child, £96 for second, and £72 for third. Application forms from Director of Recruitment, Colonial Office, London, S.W.1 (quoting BCD 117/408/026). (6796)

UNIVERSITY AND RESEARCH
APPOINTMENTS, etc.**MEDICAL ASSISTANT**

Applications are invited from registered medical practitioners for the position of an Assistant to the Medical Adviser of Benger Laboratories Limited. The doctor appointed, who need not necessarily have had any experience of the type of work involved, will assist in the carrying out of all the duties of the medical department. These include the initiation and follow-up of clinical trials of the Company's products, advising on the medical aspects of marketing, maintaining an information service, and assisting in the preparation of medical films, etc. The work is varied and interesting, and will involve close liaison with the other medical men employed by the Company.

The successful applicant will be expected to live reasonably near to Holmes Chapel. It is not possible to give the commencing salary exactly, as it will vary considerably according to the age and experience of the applicant, but it will not be less than he might expect to receive in clinical work, and as a guide the lower limit that has been set is £1,000 per annum.

This position, which is pensionable, carries excellent prospects and calls for imaginative ability as well as a sound clinical background. Applications should be sent to the Secretary, Benger Laboratories Limited, Holmes Chapel, Cheshire, from whom further particulars can be obtained. (6550)

THE UNIVERSITY OF MANCHESTER**Applications are invited for the full-time post of**
LECTURER IN NEURO-SURGERY

Salary on a scale rising to £2,000 per annum according to qualification and experience. Duties to commence as soon as possible. The successful applicant will be required to work in the Department of Neuro-Surgery in the Manchester Royal Infirmary, and the Board of Governors of the United Manchester Hospitals may be prepared to negotiate an honorary contract (ungraded) with the person appointed. Applications should be sent, not later than December 31, 1956, to the Registrar, the University, Manchester, 13, from whom particulars and forms of application may be obtained. (6200)

THE UNIVERSITY OF SHEFFIELD

A graduate, with suitable training in physiology, biochemistry, pharmacology or chemistry, is required to assist in research in the Department of Pharmacology and Therapeutics, on the effect of drugs on gastric function. Salary in the range of £550 to £750, depending on qualifications and experience. The appointment will be for one year initially, renewable for a further two years. Applications, with details of age, qualifications and experience, and the names and addresses of two referees, should be sent to the Registrar by January 12, 1957. (6459)
