CORTISONE THERAPY

Mainly Applied to the Rheumatic Diseases

by J. H. Glyn, M.A., M.D., D.Phys.Med., Consultant in
Physical Medicine, Prince of Wales and Tottenham Group
Hospitals

This work is the result of several years of intensive study in this country
and the U.S.A. of the use of Cortisone and its associated drugs. It
includes a detailed description of the techniques for intra-articular
and soft tissues injection and a review of steroid therapy in general
medical, dermatological and ophthalmological conditions.

An extremely useful book to both doctor and patient . . .

THE STORY OF PEPTIC ULCER

By RICHARD D. TONKIN, M.D., F.R.C.P., *Asst. Physician, Westminster Hospital, London, Cons. Physician, Mount Vernon Hospital and Radium Institute, Northwood.*

Illustrated by RAYMOND KEITH HELLIER. 70 pages. 16s.

Quick, complete and sensible advice on the care and feeding of ulcers—an admirable source of information, and morale builder, for the patient. Beguiling illustrations help to explain in a brilliantly clear fashion just what a peptic ulcer is, and why its victims must follow a particular regimen.

Nowhere else can one find such quick and sensible advice on the care and feeding of ulcers served up in such a palatable and easy-to-understand form. The author has a remarkable knack of using just the right words and tone to drive home significant points and make them stick in the mind of the

patient. Dr. Tonkin offers the ulcer patient the very best possible advice on the causes of peptic ulcer and their avoidance, and on the simple rules of living that will assist toward release from the condition.

HANDBOOK OF TOXICOLOGY—Volume 2—Antibiotics

Edited by WILLIAM S. SPECTOR. 264 pages. 42s. Just Published.

The second part of the Handbook of Toxicology series sponsored by the National Research Council. It sets forth pertinent data on the physical, chemical, biological and toxicological properties of 340 important antibiotics.

* TRADEMARK FOR DESERPIDINE, ABBOTT

Harmony* makes rauwolfia more useful in your everyday practice. Two years of clinical evaluation have shown that this new alkaloid exhibits significantly fewer and milder side effects than reserpine. Yet, Harmony* compares to the most potent forms of rauwolfia in effectiveness.

Most significant: Harmony* causes less mental and

physical depression—and far less of the lethargy seen with many rauwolfia preparations.

Patients become more lucid and alert, for example, in a study of chronically ill, agitated senile cases treated with Harmony*. And these patients were completely free from side effects — although a similar group on reserpine developed such symptoms as anorexia, headache, bizarre dreams, shakes and nausea.

Harmony* has also demonstrated its potency and relative freedom from side effects in hypertension. In a study comparing various forms of rauwolfia, the investigators reported deserpidine "an effective agent in reducing the blood pressure of the hypertensive patient both in the mild to moderate, as well as the severe form of hypertension." They also noted that side reactions were "less annoying and somewhat less frequent" with this new alkaloid. Other studies confirm that few cases of giddiness, vertigo or sense of detached existence are seen with Harmony*.

Harmony* is supplied in 0.25 mg. grooved tablets.

LABORATORIES LIMITED • LONDON

... mothers, too, seem to have more confidence in Drapolene. It is smooth, soothing, and quick to relieve distress. And certainly, because it was evolved specifically for the treatment and prevention of napkin rash. Drapolene evokes a highly satisfactory response in even the most severe cases. Furthermore, the benzalkonium chloride is effective against a wide range of pathogens which might create a secondary infection as well as against the urea splitting organisms causative of napkin rash. Infant welfare centres throughout the country confirm the effectiveness of Drapolene, an effec-

tiveness found also in the treatment of urinary dermatitis through senile incontinence and genito-urinary conditions. Easy to apply, Drapolene ...

SMITH & NEPHEW

Armamentarium against tuberculosis

Wherever P.A.S. is indicated **THERAPAS** (calcium 4-benzamido-salicylate) may be used. It is better tolerated by the patient and has a slightly sweet, not unpleasant taste. **THERAPAS** is as effective as P.A.S. in delaying the emergence of streptomycin resistance. Its value in the treatment of genito-urinary tuberculosis is well established.

THERAZID is a convenient combination of 'Therapas' and 'Pycazide'. For domiciliary treatment in particular **THERAZID** is the drug of choice. Patients complaining of gastro-intestinal upset and monotony of dosage of P.A.S. and isoniazid therapy will be happier and more co-operative on **THERAZID**. Available as powder or cachets.

PYCAZIDE is the Smith & Nephew name for isoniazid. **PYCAZIDE** syrup (blackcurrant flavoured) is available to permit greater flexibility of dosage than is possible with **PYCAZIDE** tablets, and is particularly suitable in the treatment of children. One tea-spoonful is approximately equivalent to 20 mg. of isoniazid.

P.A.S. and isoniazid are combined in **PYCAMISAN** cachets in five different strengths enabling "made to measure" dosage to be prescribed with the least waste of time and effort. **PYCAMISAN** cachets are practically tasteless and easy to swallow and their use offers distinct advantages in domiciliary treatment of tuberculosis.

'**PARAMISAN SODIUM**' is the sodium salt of P.A.S. (sodium aminosalicylate B.P.). It is recommended in the combined chemotherapy of all the forms of tuberculosis. It is rapidly absorbed, rapidly excreted, and of low toxicity.

The cachet form of '**PARAMISAN SODIUM**' ('**PASHETS**') makes oral dosage possible without any unpleasant taste in the mouth. Twelve cachets provide a day's requirements of the drug. '**PARAMISAN SODIUM**' is also available in tablet form and in ampoules for local injection.

As an alternative to isoniazid **NUPASAL-213** (o-hydroxybenzal isonicotinyl hydrazone) may be used in cases which have already exhibited toxicity to isoniazid, for the toxicity of **NUPASAL-213** is virtually nil.

Dosages and presentations of any or all of these drugs will gladly be sent on request as space does not permit those details to be given in this advertisement.

"an approach to the ideal is provided by a slowly dissolving antacid tablet which is lodged between the gum and cheek. Thus, with each act of swallowing, alkali is carried down over the gullet to the stomach. It is remarkable how little is the quantity needed to depress effectively the concentration (pH) of gastric HCl. The first such tablet ('nulacin'). . ."

Practitioner, January, 1957.

NULACIN THERAPY

—Simple, safe, effective

A Nulacin tablet effectively depresses the concentration of gastric HCl in peptic ulcer and other conditions of hyperacidity. It also provides protection against gastric HCl to the otherwise unprotected oesophageal wall and in such conditions as oesophagitis and hiatus hernia.

SUPPLY. Nulacin tablets may be prescribed on E.C.10. The dispensing pack of 25 tablets is free of Purchase Tax. (Basic price to N.H.S.: 2/-). Also available in tubes of 12.

CYCLOSERINE LILLY

A new antibiotic for the treatment of

SEVERE PULMONARY TUBERCULOSIS

Clinical reports indicate that Cycloserine has a definite place in the treatment of severe pulmonary tuberculosis resistant to the action of other drugs. Symptomatic improvement has included sputum conversion, weight gain, reduction of fever and a feeling of well-being. Radiological improvement has been observed in some cases. Owing to the possibility of severe reactions in some patients Cycloserine will be restricted initially to hospitals only.

Detailed literature is available on request.

Cycloserine Lilly is now available as 'Pulvules' of 250 mg., in bottles of 40 and 500.

Smoothly spreading... soothing, suppressing

Smoothly, without a hint of friction, Ef-Cortelan with Neomycin Skin Lotion spreads over inflamed and infected surfaces bringing swift, soothing, satisfying relief in a wide range of common dermatoses.

Suppresses Inflammation. Ef-Cortelan (hydrocortisone Glaxo) suppresses inflammation and exudation. By relieving itching it stops the scratching that is so often a cause of infection.

Suppresses Bacteria. Neomycin, an antibiotic having a wide antibacterial range but low sensitizing potential, effectively counters infection.

To these primary benefits may be added those of economy, cleanliness and ease of handling:

- A little of the lotion does a lot of good.
- It does not stick, sting, stain or smell.
- The translucent squeeze bottle makes application easy and controllable.

Glaxo EF-CORTELAN with NEOMYCIN Skin Lotion

In 20 c.c. plastic squeeze bottles

Also available from Glaxo:

skin lotion (plain); skin ointments (non-greasy and greasy); ointment with neomycin.

Makers of ALL you need for corticosteroid treatment

as the patient sees it . . .

The ophthalmic forms of ACHROMYCIN tetracycline are acceptable in *every* sense—not only from the physician's angle but from the patient's viewpoint too. Simple and painless to use, they are virtually free from unwanted side effects. The patient will therefore co-operate to the full in following the course of treatment prescribed.

In many cases of conjunctivitis and of ocular infection due to staphylococci, streptococci and other sensitive organisms, *local* measures with the Ophthalmic Ointment or Sterilized Powder are fully effective. In more severe conditions, however, simultaneous systemic treatment should be adopted with one of the oral forms of the drug.

VIMALTOL A QUALITY PRODUCT OF MODERN NUTRITIONAL SCIENCE

'VIMALTOL' is a concentrated vitamin food, formulated by and prepared under the control of the 'Ovaltine' Research Laboratories—which are actively investigating problems in nutrition and dietetics. They bring to its manufacture a high degree of scientific knowledge and a meticulous standard of hygiene.

'Vimaltol' contains malt extract, yeast, halibut liver oil and iron. Every ingredient used is rigidly tested for purity and quality, the final product being accurately standardized for vitamin content.

In addition to its vitamins, 'Vimaltol' provides valuable nutrients of

undoubted assistance to infants, fast-growing children, nursing mothers and to those whose diet is inadequate or unbalanced. It helps to build-up strength, weight and the natural powers of resistance. 'Vimaltol' is highly palatable—a decided advantage when recommending it for children.

Standardized to contain in each ounce not less than 2,000 i.u. Vitamin A; 200 i.u. Vitamin D; 0.4 mg. Vitamin B₁; 0.3 mg. Vitamin B₂ (Riboflavin); 4 mg. Niacin (P.P. Vitamin); 3.3 mg. Iron in a readily assimilable form.

WHEN REPOSE IS A REQUISITE

Anxiety plays its part in every illness. It produces a tense, disturbed atmosphere for treatment. It often intensifies symptoms. Whenever or however it arises, anxiety cannot be ignored for its control is important to the patient's progress, even though specific treatment for the original illness may have been instituted.

Equanil cannot remove the cause of anxiety. What it does, however, is to restore the patient's shattered repose safely, effectively and reliably by relaxing mind and muscle, thus enabling him to view his behaviour in a clearer, dispassionate light.

EQUANIL (MEPROBAMATE)

PACKS: Bottles of 20 and 250 x 400 mg. tablets.

The word 'Equanil' is the registered trade mark of

Important Announcement to those particularly interested in Infant-Feeding

Carnation Milk has for some years been fortified with Vitamin D₃ to the level of 500 international units per reconstituted quart.

Therefore Carnation Milk when fed to infants in the normal way will provide no more prophylactic Vitamin D than that recommended in the Report of the Joint Sub-Committee on Welfare Foods.

(Report of the Joint Sub-Committee on Welfare Foods—H.M.S.O. 1957)

FOR THOSE WHO WOULD LIKE FURTHER DETAILS OF CARNATION MILK IN

INFANT-FEEDING PLEASE WRITE TO:

'Amytal' acts

where tranquillisers fail

'AMYTAL' brand Amylobarbitone was significantly superior to three tranquillisers and one compound preparation in relieving tension, when used in a recent clinical trial* conducted on 51 hospital outpatients suffering from psychoneurosis. 'AMYTAL' was also the most economical drug used not excluding the placebo.

**B.M.J. p. 63, July 13, 1957.*

'AMYTAL' in correct dosage gives prompt sedation without affecting mental alertness, and is agreeably free from hangover. The average sedative dose is $\frac{1}{2}$ - $\frac{3}{4}$ gr. (32-50 mg.) three or four times daily.

'Amytal'

Availability of Vitamins in Yeast

Deficiencies of single factors of the Vitamin B Group do not occur. Accordingly, even if a deficiency condition appears to result from the lack of an individual factor of the group and it is considered necessary to give intensive treatment with this factor, *the entire Vitamin B Complex should always be administered concurrently.*

It is, however, extremely important, in view of suggestions in recent publications, that the vehicle selected as a source of the entire B Complex does not withhold its vitamin content from the patient.

Human experiments show that the rich, natural vitamin potency of Aluzyme is totally available to the human system.

- *Aluzyme is not advertised to the public and may be prescribed on Form E.C.10*

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent★testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

A fully registered medical practitioner who is liable for National Service must obtain deferment of recruitment in writing from the Central Medical Recruitment Committee or (in Scotland) the Scottish Central Medical Recruitment Committee before accepting any civilian appointment.

The position of provisionally registered medical practitioners who are liable for National Service has been made clear in a notice sent to them by the Ministry of Labour and National Service.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR**: Posts obtained normally not less than two years after registration as a medical practitioner and held normally for two years: £935 per annum in the first year; £1,061 10s. per annum in the second and any subsequent years. If the post is resident a deduction of £170 per annum is made.

(b) **SENIOR REGISTRAR**: Posts obtained normally not less than four years after registration as a medical practitioner and held normally for four years: £1,210 per annum in the first year; £1,320 per annum in the second year; £1,430 per annum in the third year; £1,540 per annum in any subsequent years. If the post is resident a deduction of £200 per annum is made.

Other Grades, Whole-time

(a) HOUSE OFFICERS:

(i) **Provisionally registered medical practitioners**: £467 10s. per annum for the first post held; £522 10s. per annum for the second and all subsequent posts held; provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £522 10s. per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff.

(ii) **Fully registered medical practitioners**: £577 10s. per annum for any post held; provided that in exceptional circumstances, subject to the consent of the Minister, this rate may be exceeded by up to £50 per annum where a post cannot be filled otherwise.

In each case under sub-sections (i) and (ii) above, a deduction of £125 per annum in respect of board and lodging and other services provided shall be made and each post shall be tenable for six months.

(b) **SENIOR HOUSE OFFICER**: Posts obtained by fully registered medical practitioners, and held normally for one year only: £819 10s. per annum. If the post is resident a deduction of £150 per annum is made.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER**: Officers who have held house appointments but who are neither Senior House Officers nor in one of the registrar grades, who have less responsibility than other hospital officers of non-consultant status, and who have been appointed for a limited or an indefinite period, not less than one year after full registration as a medical practitioner: £852 10s. by £55 to £1,182 10s. per annum. If the post is resident a deduction of £170 per annum is made.

Applications are invited for the appointment of Registrar with effect from January 1, 1958, for six months' periods at the hospitals, Knowle, Farnham, Coldeast, Salisbury, near Southampton, St. James', Portsmouth, and Moorgreen, Southampton, in succession. These appointments afford wide experience in the treatment of all forms of nervous and mental disorder, including cases admitted to the observation ward at Moorgreen Hospital, and in mental deficiency. In addition, there are special opportunities for experience in the Department of Child Psychiatry (in-patients and out-patients), in electroencephalography, and in neurology at St. James' Hospital. Salary, etc., in accordance with the agreed terms and conditions of service for hospital medical staff. For residents the appropriate charges are made for full residential amenities. Candidates may visit the hospitals by appointment with the Physician Superintendent. Application forms may be obtained from the Group Secretary, Knowle Hospital, Farnham, Hants, to whom five copies should be sent within two weeks of the appearance of this advertisement. (7163)

HOSPITAL MANAGEMENT COMMITTEE FOR ST. AUGUSTINE'S**Applications are invited for the post of**
JUNIOR HOSPITAL MEDICAL OFFICER

(resident) at St. Martin's Mental Hospital, Canterbury, with duties also at St. Augustine's Mental Hospital, Chartham, near Canterbury. There are at present 104 beds in occupation at St. Martin's, chiefly for geriatric cases suffering from mental disorder. Terms and conditions of service as laid down for the National Health Service. A house is available for a married man. Applications should be sent to the Physician Superintendent, St. Martin's Hospital, Littlebourne Road, Canterbury, within 14 days from the appearance of this advertisement. (7229)

LANCASTER MOOR HOSPITAL, Lancaster
(Regional Mental Hospital)**JUNIOR HOSPITAL MEDICAL OFFICER**

Applications are invited for the post of resident J.H.M.O. (male or female). Unfurnished house available: furnished quarters for married couple (without children) or single person. Hospital recognized for D.P.M. and facilities granted for attending neighbouring universities. All modern methods of investigation and treatment carried out. Hospital serving N. Lancashire and Lake District. Post for initial period of four years, but renewable if services satisfactory. Apply Medical Superintendent. (7077)

Psychiatry—contd.**LEICESTER, TOWERS MENTAL HOSPITAL
(1,168 beds)**

Applications are invited for the whole-time post of

JUNIOR HOSPITAL MEDICAL OFFICER
Salary £852 10s. by £55 to £1,182 10s. There is ample opportunity for experience in all branches of psychiatry, including out-patient work, and the hospital is recognized for D.P.M. experience. Facilities for postgraduate training exist at Sheffield University. Resident accommodation is available for a single man, for which the appropriate charge will be made. Candidates must have completed their service with H.M. Forces. Applications, giving age, nationality, and full details, with the names of two referees, to be sent to the Medical Superintendent as soon as possible. (6954)

MENSTON (MENTAL) HOSPITAL, Ilkley, Yorks

JUNIOR HOSPITAL MEDICAL OFFICER OR SENIOR HOUSE OFFICER
required. The hospital is recognized for the D.P.M. and facilities granted to attend courses at the Department of Psychiatry, Leeds University. Residential accommodation for single persons. No house or flat available. Applications, stating age, qualifications and experience, and names of two referees, to Physician Superintendent. (7210)

**THE BTHELM ROYAL HOSPITAL AND
THE MAUDSLEY HOSPITAL**

Applications are invited from registered medical practitioners for the appointment of

SENIOR HOUSE OFFICER
for the period from January 1, 1958, to April 7, 1959, at the above postgraduate teaching hospital, with which is associated the Institute of Psychiatry (University of London). Experience in general medicine and neurology or in the basic sciences is an advantage. Applications, giving details of experience and the names of two referees, should be made within two weeks of the appearance of this advertisement. Application forms obtainable from K. J. Johnson, House Governor and Secretary, Maudsley Hospital, Denmark Hill, S.E.5. (7303)

WARLEY HOSPITAL, Brentwood, Essex

SENIOR HOUSE OFFICER
required December 1, 1957. The hospital is situated within easy reach of London by main line electric service and bus. There are over 2,000 beds, and a wide experience of all types of mental disorders (including the neuroses) can be obtained. All modern treatments are carried out, including psychosurgery. Visiting Consultants in other specialties attend regularly. Teaching by senior staff and facilities for attending postgraduate courses are provided; also experience of out-patient clinics. Regular clinical meetings are held. Library, private bedroom and individual sitting room are provided. Indoor and outdoor recreational facilities. The post may be non-resident. Salary at the rate of £819 10s. per annum, less a reasonable charge for residential emoluments. Applications, stating age, experience and qualifications, should be sent to the Physician Superintendent, with the names of two referees. (7241)

AUCKLAND HOSPITAL BOARD, New Zealand

Applications are invited from suitably qualified medical practitioners for the position of **FULL-TIME ANAESTHETIST, BOARD'S INSTITUTIONS**

Applicants must possess the necessary qualifications for the status either of "Junior" or "Senior Specialist," in accordance with the Hospital Employment (Medical Officers) Regulations, 1957, and the appointee shall be registered in New Zealand before taking up duty. Details regarding payment of fares to New Zealand from Great Britain are fully explained in the Conditions of Appointment. Salary scales: "Junior Specialist" £(N.Z.)1,640 per annum, rising to £(N.Z.)1,940 per annum by annual increments. "Senior Specialist" £(N.Z.)2,040 per annum, rising to £(N.Z.)2,340 per annum by annual increments of £(N.Z.)100. £(N.Z.)100, and £(N.Z.)150. The commencing salary within these scales will be in accordance with qualifications and experience in the specialty. The position is non-residential. Conditions of Appointment and form of application obtainable from the office of the High Commissioner for New Zealand, New Zealand House, 415, The Strand, London, W.C.2. Applications close at the office of the Board, Kitchener Street, Auckland, New Zealand, at 4 p.m. Wednesday, October 30, 1957.—R. F. Galbraith, Secretary. (7304)

DEPUTY MEDICAL SUPERINTENDENTS AND SENIOR MEDICAL OFFICERS
Division of Mental Hygiene, New South Wales
Department of Public Health, Australia

Applications are invited for the above positions. Salary: Deputy Medical Superintendent, £A.2,740 per annum; Senior Medical Officers, £A.2,565 per annum. Applicants must be graduates in medicine and possess a recognized Diploma in Psychological Medicine or equivalent qualifications and have had previous experience in psychiatry in private practice or in mental hospitals. Vacancies available in mental hospitals in Sydney and country centres. Residence available at attractive rentals for married appointees, board and lodging available at reasonable rates for single appointees. Subject to passing a medical examination, appointee will be eligible to contribute to the State Superannuation Fund. First-class ship fares of appointee and family to Sydney will be paid. Six copies of applications, together with six copies of testimonials and other supporting documents, should be lodged at the office of the Agent General for New South Wales, 56, Strand, London, W.C.2, by October 15, 1957. No special forms of application are available. (7302)

MUNICIPAL BOARD OF MOMBASA

Applications are invited for the appointment of **DEPUTY MEDICAL OFFICER OF HEALTH**. Salary £1,828 by £64 to £2,148. Mileage allowance. House allowance or unfurnished housing at 10% of salary. Applicants must be registered medical practitioners, holding the Diploma of Public Health or equivalent qualification. Experience in tuberculosis control an advantage. Medical certificate of fitness required before appointment. Passages and home leave in accordance with the Board's terms of service. Full particulars on request. Personal canvassing disqualifies. Apply, before November 6, 1957, to Town Clerk, P.O. Box 440, Mombasa, Kenya, enclosing a recent photograph. Successful applicant required to pass Ki-Swahili examination within two years of appointment.—A. V. Ratcliff, Town Clerk, Town Hall, Mombasa. (6967)

REGIONAL MEDICAL HEALTH OFFICERS
required by
SASKATCHEWAN DEPT. OF PUBLIC HEALTH

Salary range \$771 to \$924 per month. Requirements: Graduation from an approved school of medicine and some medical and administrative experience. Diploma or Master's degree in Public Health desirable but not essential. To do professional medical and administrative work as Medical Health Officers in organized health regions, with populations of approximately 50,000, and to develop regional preventive health services and a general public health programme. Benefits: Three weeks' holiday and three weeks' accumulative sick leave annually with pay, generous pension plan, and opportunity for assisted postgraduate training. Applications: Forms and further information available at Public Service Commission, Legislative Building, and Department of Public Health, Provincial Health Building, Regina, Saskatchewan, Canada. Applicants should refer to file 5024. (7305)

WANTED. PHYSICIANS FOR FULL-TIME employment in 600-bed Chest Disease Hospital. Salary: Physician I, \$7,884 to \$9,396; Physician II, \$9,360 to \$11,040. ST. ANDREW'S HOSPITAL, NORTHAMPTON
for Nervous and Mental Disorders

President: The Earl Spencer. Medical Supt., Thomas Tennent, M.D., F.R.C.P., D.P.H., D.P.M. This Registered Hospital is situated in 130 acres of park and pleasure grounds. Voluntary patients who are suffering from incipient mental disorders or who wish to prevent recurrent attacks of mental trouble, temporary patients and certified patients of both sexes are received for treatment. Careful clinical, biochemical, bacteriological and pathological examinations. Private rooms with special nurses, male or female, in hospital or in one of the numerous villas in grounds of the various branches can be provided.

MOULTON PARK.—Two miles from the main Hospital there are several branch establishments and villas situated in a park and farm of 650 acres. Milk, meat, fruit and vegetables are supplied to the hospital from the farm, gardens, and orchards of Moulton Park. Occupational therapy is a feature of this branch and patients are given every facility for occupying themselves in farming, gardening and fruit-growing.

WANTAGE HOUSE.—This is a Reception Hospital in detached grounds with a separate entrance to which patients can be admitted. It is equipped with all the apparatus for the complete investigation and treatment for Mental and Nervous Disorders by the most modern methods; insulin treatment is available for suitable cases. There is an Operating Theatre, a Dental Surgery, an X-ray Room, an Ultra-Violet apparatus, and a department for Diathermy and High-frequency treatment. It also contains laboratories for biochemical, bacteriological, and pathological research. Psychotherapeutic treatment is employed when indicated.

BRYN-Y-NEUADD HALL.—The seaside house of St. Andrew's Hospital is beautifully situated in a park of 330 acres at Llanfairfechan amidst the finest scenery in North Wales. On the North-West side of the Estate, a mile of sea-coast forms the boundary. Patients may visit this branch for a short seaside change or for longer periods. The hospital has its own private bathing house on the seashore. There is trout-fishing in the park.

At all the branches of the hospital there are cricket grounds, football and hockey grounds, lawn tennis courts (grass and hard courts), croquet grounds, golf courses and bowling greens. Ladies and gentlemen have their own gardens, and facilities are provided for handicrafts such as carpentry, etc. For terms and further particulars apply to the Medical Superintendent (Telephone No.: Northampton 4354 (3 lines)), who can be seen in London by appointment.

CHEADLE ROYAL, CHEADLE,
CHESHIRE (GATley 2231)

Private Registered Mental Hospital

Medical Superintendent:
W. V. Wadsworth, B.Sc., M.B., M.R.C.P., D.P.M. This excellently appointed hospital receives all types of patients who are suffering from psychological and senile illness. The most modern psychiatric treatments are available. Special geriatric units for mild senile patients. Glan-y-Don Nursing Home, Colwyn Bay, is the seaside branch of Chedale Royal.

WOODSIDE NURSING HOME

Combe Down, Bath. Tel.: Combe Down 3227. Medical, Chronic and borderline cases received. Trained nurses, day and night. Moderate fees.

achievement...**

Domecq's DOUBLE CENTURY

"Double Century" is the sherry of all sherries. Some are too dry; some too sweet. "Double Century" is a sherry to suit all tastes, selected specially to celebrate the 200th birthday of the famous house of Pedro Domecq. Try a bottle or a glass today and see if you have ever tasted such a lovely wine.

The finest of Sherries obtainable through your usual channels of supply
Sole Importers (Wholesale only)

Remembering the delicious 'CELEBRATION CREAM'
... and the exquisite dry 'FINO LA INA'

*the best of
all Sherries*

*The "physiological" product
for routine use*

KAYLENE-OL

the satisfactory and palatable emulsoid of
colloidal kaolin B.P. and liquid paraffin.

Prescribed as a gentle laxative at bed-time. When stimulant purgatives act erratically or fail, Kaylene-ol will usually prove to be effective, especially when the bowel is hypertonic or spastic.

All the products of Kaylene (Chemicals) Limited are in Category 2 or Category 4 in the Ministry of Health's Classified List, and are therefore prescribable on Form E.C.10.

Samples and literature on request
