# TWO NEW PRODUCTS

## **I** *A derivative of natural vitamin E*

Most single vitamins have been available to the profession for many years in forms acceptable as pharmaceutical preparations.

Vitamin E has presented difficulties. Natural sources, e.g. wheat germ and wheat germ oil, do not contain high enough concentrations: synthetic vitamin E, while useful, has not proved uniformly effective. The chemistry of vitamin E has now been elucidated after years of exhaustive research and the active isomers are known. It has thus become possible to present tablets of stable, high activity in the form of dextro-alpha tocopheryl succinate, derived from natural vitamin E.

Each tablet of 200 mg. has an activity of 242 i.u. vitamin E.

This achievement means that Vitamins Limited can now offer to the profession a preparation to meet a long-continued demand.

# DAL-TOCOL

The wide distribution of vitamin E in the body suggests a fundamental biochemical function and this would seem to be in relation to the metabolism of protein both in cellular and muscular organs. The most hopeful therapeutic approach is in relation to disease of the coronary and peripheral arteries, in fibrosis of skeletal muscle and in maintaining functional cellular integrity. Clinical trials have led to divergent results and to controversial issues. It is hoped that the use of an acceptable preparation of uniform strength and high concentration will provide evidence which will help to clear up some of the doubts and uncertainties associated with vitamin E treatment.

## 2 *Modified Phenobarbitone Therapy*

### SEDATION WITHOUT DEPRESSION

TROPENAL is a combination of phenobarbitone with vitamins of the B complex and vitamin C. Its formula has been designed to take advantage of the fact that many of the side-effects of barbiturates are inhibited by the simultaneous administration of generous doses of these vitamins. Phenobarbitone is excreted only slowly, continued administration causing tissue retention. As the drug is slowly released from this tissue reservoir there is an increasing risk of toxic side-effects unless there is a concomitant high concentration of the necessary vitamins. By judicious combination it becomes possible to prescribe phenobarbitone for those conditions in which it is properly indicated for prolonged periods without the development of depression, headache and tremor which are such common features of long-continued treatment. (Skin sensitivity is unaffected.)

The commoner indications for Tropenal are thus: epilepsy, anxiety states, especially those accompanied by insomnia and restlessness, and alcohol withdrawal.

# TROPENAL

BUCKINGHAM AVENUE · SLOUGH · BUCKS

# A logical treatment for coughs and colds

*A decongestive salve, Thoracin, for the symptomatic relief of coughs, colds and respiratory disorders*

Most doctors would agree that an externally applied remedy that passes through the skin direct to the bloodstream would have marked advantages over an oral preparation that may upset the digestive apparatus.

The decongestive salve, Thoracin, has just these advantages. Thoracin contains a new ester of guaiacol. This ester, being fat- and water-soluble, easily penetrates the skin, passes into the bloodstream and is quickly carried to the root of the trouble—the alveoli, bronchioles and bronchi of the lung.

Thoracin causes a vasodilation of the superficial skin vessels by the use of esters of nicotinic acid. It achieves the effect of the classic counter-irritant remedies—poultices, plasters and cupping—without irritation of the skin.

Thoracin contains the tetrahydrofurfuryl ester of salicylic acid, which relieves the pain caused by reflex spasm of the pectoral muscles. It also brings to the alveoli via the bloodstream the sedative, antispasmodic and expectorant properties of camphor, eucalyptus, and guaiacol.

## ***Especially suitable for children***

Thoracin is available in 1 oz. tubes, price 4/3. It is not advertised to the public. Since a very small quantity is sufficient for each application, the cost of treatment is extremely low. The cream vanishes instantly and does not mark or stain clothing.

**Samples and literature will be gladly sent on application to:**

Medical Department  
Lloyd-Hamol Ltd., 11 Waterloo Place,  
London, S.W.1.

# THORACIN

Made by the makers of Transvasin

*Thoracin can be safely used on the most delicate skins, so it is particularly suitable for children. It is always easier to apply a soothing ointment locally to a child than to administer a dose of medicine.*

## HOW THORACIN WORKS

*The esters in Thoracin pass through the skin to the blood vessels and are carried to the heart and thus on to the lungs. Here they are excreted through the bronchial passages and come out in vaporized form through the nose and throat, easing congestion, loosening mucus and soothing irritation*

## COMPOSITION

Phenyl Ethyl Nicotinate	2.0% w/w
Guaiacol Furoate	5.0% w/w
Tetrahydrofurfuryl Salicylate	10.0% w/w
Camphor	3.0% w/w

*S-M-A is not just another so-called "humanized" baby food in which some nutrients are favoured at the expense of others. S-M-A is a "natural balance" food which, when prepared by the addition of an equal amount of water, not only looks and tastes like human milk, but actually duplicates the quality as well as the quantity of its nutrients. S-M-A rivals human milk in its balanced combination of protein, fat and lactose, and also provides adequate amounts of all the essential vitamins and minerals. It is a complete infant food requiring no supplementation.*

## *The nearest alternative to*

Because S-M-A is so similar to human milk, it favours the development of an intestinal flora and stools with a pH akin to those found in breast-fed babies. This means that S-M-A babies have few feeding problems. In fact, by whatever criteria you care to judge, S-M-A babies resemble those fed on the milk of normal, healthy mothers. Whenever your advice is sought on the replacement of breast feeding or on the addition to it of complementary feeds, you can recommend S-M-A with confidence. You can do this secure in the knowledge that it is the nearest available approach to human milk.

**'NOV-ALOCOL'**

an ***IMPROVED***  
**antacid preparation**  
with greater acid-binding power

IN hyperacidity and peptic ulcer, the power of aluminium hydroxide to provide reliable buffering is well recognized.

In 'NOV-ALOCOL' aluminium hydroxide of improved acid-binding power is combined with magnesium hydroxide in such proportion that the mixture is neither astringent nor laxative.

'NOV-ALOCOL' provides *prompt* relief because its magnesium hydroxide content immediately acts on the excess acid already in the patient's stomach, while the buffering action of the aluminium hydroxide simultaneously provides protection against subsequent acid secretion.

'NOV-ALOCOL' is *safe*: in the dosage recommended, namely two tablets before or after meals according to the lesion, it will induce neither systemic alkalosis nor acid rebound.

*Each tablet contains:*

Aluminium hydroxide 0.375 g.  
Magnesium hydroxide 0.125 g.  
Excipient and flavouring q.s

# 'Dettol' is active...

REGD.

against both Gram-positive and  
Gram-negative micro-organisms.

Under standard conditions of test a dilution of  
1 in 200 kills Staph. aureus in 10 minutes;  
a 1 in 500 dilution kills Strep. pyogenes  
in 10 minutes, and a 1 in 250 dilution kills Bact.  
coli in 10 minutes.

'Dettol' retains a high degree of efficiency in the presence  
of organic matter.

'Dettol' is not incompatible with soap, traces of which  
need not be removed before application.

'Dettol' is non-poisonous and non-staining.

'Dettol' is well tolerated by the skin and tissues.

---

## INSTRUMENT 'DETTOL'

Instrument Dettol is widely used as a most effective and practical means of disinfecting surgical instruments — steel, stainless steel and plated, as well as glassware, rubber appliances and nylon sutures.

## SURGICAL 'DETTOL'

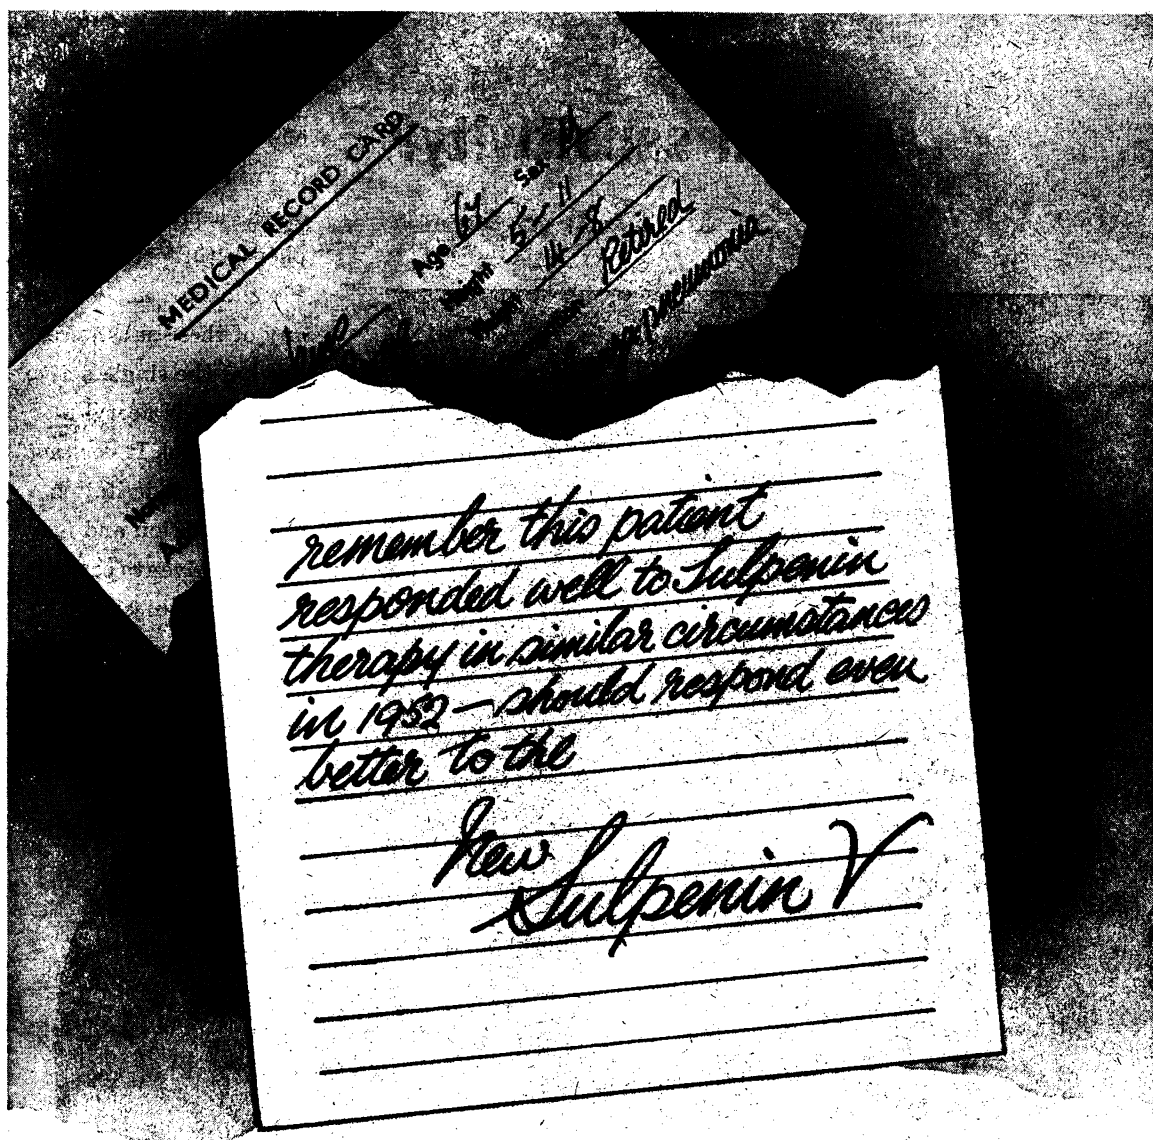

Surgical Dettol is a specially formulated tincture for the surgical preparation

of the skin. It remains actively bactericidal for a considerable period after drying. It dries quickly and leaves a non-slippery surface. Bactericidal action is not adversely affected by the use of ordinary soap solutions. Surgical Dettol in clinical use has proved non-toxic and non-irritant when used in accordance with the directions.

# Better relief for Arthritics—minimum side effects

In salicylate therapy BUFFERIN (Antacid Analgesic) has these two special advantages. It is *faster-acting*—twice as fast as ordinary aspirin. It is *better-tolerated*—even in large doses, as for arthritis.

According to a British survey, as many as 42% of arthritics are intolerant to aspirin. And in a blind trial among arthritics with a *proved* intolerance to aspirin, 70% had no gastric symptoms after taking large doses of BUFFERIN over periods of 4 to 16 months. (1)

In clinical tests, it was shown that BUFFERIN raises the salicylate blood level of humans more than 20% higher in *ten* minutes than ordinary aspirin does in *twenty* minutes.

Hence the importance of BUFFERIN in all salicylate therapy. Only BUFFERIN contains the antacid agents which:—

- ★reduce gastric upset to a negligible minimum (2) (3);
- ★actually speed the pain-relieving ingredient into the bloodstream (4) (5).

**It acts faster. It is better tolerated. It contains no sodium.**

TRADE MARK

**1 Immediate control  
of pain**

**2 Presence of  
nausea, vomiting  
or unconsciousness**

**3 Quick and  
thorough response**

Pro-Banthine is outstandingly successful as a potent anti-cholinergic agent in the treatment of the numerous conditions associated with parasympathetic overstimulation.

Now available **for injection** in vials containing 30 mg. of propantheline bromide. Parenteral administration is indicated in those cases where successful oral medication is difficult or impossible, and where specially quick or vigorous action is needed.

Pro-Banthine injections should be prepared as follows :

*Intramuscular* : Dissolve contents of each vial in one c.c. of water for injection, B.P.

*Intravenous* : Dissolve contents of each vial in 10 c.c. of normal saline solution, B.P.

Supplied in 1 c.c. vials each containing 30 mg. of Pro-Banthine as a dry sterile powder. Available in boxes of 6 and 25 vials.

## **BUFFERED THEOPHYLLINE FOR THE PROPHYLAXIS & TREATMENT OF ASTHMA**

'ENGLATE' combines theophylline sodium with glycine, which acts as a powerful buffer against gastric hydrochloric acid and thus reduces the precipitation of theophylline. Theophylline sodium glycinate causes less gastro-intestinal disturbances than other xanthine compounds and can therefore be prescribed in larger doses to obtain maximum theophylline activity.

*'ENGLATE' syrup is specially recommended for children up to 12 years in preference to tablets.*

# atarax<sup>\*</sup>

HYDROXYZINE

now available as 25 mg. tablets

In high and low dosage levels, Atarax is the safe approach in the treatment of mild anxiety states and psychosomatic manifestations.

It does not affect mental performance or retard normal reactions, and because of its extreme safety, high dosage levels may be safely used when warranted by the severity of the condition.

## DOSAGE AND ADMINISTRATION

*The dosage of Atarax may be varied widely depending on the condition of the patient. Atarax should be administered in divided doses throughout the day with meals.*

**Adults:** One 25 mg. tablet three or four times daily at appropriate intervals. More serious cases may require doses of 150 mg.-300 mg. daily. The dosage may be gradually decreased until the minimum effective maintenance dosage for the individual is reached.

**Children:** From 3 to 10 years of age, one 10 mg. tablet or one teaspoonful of Atarax Syrup 3 to 4 times a day. More serious cases up to 100 mg. daily in divided doses.

## AVAILABILITY

*Atarax tablets are supplied in bottles of 20 and 100 in two strengths, each tablet containing 10 mg. or 25 mg. of hydroxyzine hydrochloride. Atarax is also available as syrup in bottles of 4 fl. oz. Each teaspoonful (5 ml.) contains 10 mg. hydroxyzine hydrochloride.*

**COATES & COOPER LTD.** PYRAMID WORKS WEST DRAYTON · MIDDLESEX

The original easy-to-take,  
two-in-one tablet

for the prompt and prolonged  
relief of **ASTHMA**

ISO-BRONCHISAN was first produced in 1953 and offers a fresh approach to the problem of effective asthma control. The tablets, which are pleasant to take, have a coating containing easily dissolved Isopropyl-Nor-Adrenaline, a most potent bronchodilator, which, when absorbed by the sublingual route, produces the prompt relief of bronchospasm. The rest of the tablet, when swallowed, releases Ephedrine and Theophylline in balanced proportions and these, slowly absorbed along the alimentary tract, ensure long sustained antispasmodic action on the bronchial smooth muscle.

## ISO-BRONCHISAN

*Prescribable on Form E.C.10.*

IMMEDIATE RELIEF

PROLONGED ACTION

Each tablet contains Isopropyl-Nor-Adrenaline (Isoprenaline) sulphate gr. 1/4; Ephedrine hydrochlor. gr. 2/5; Theophylline gr. 2. In tubes of 20 tablets and bottles of 100 tablets. Tablets containing smaller quantities of the effective ingredients are now available for use in Paediatrics.

Samples and literature available on request.

*4 days a week*

**NORMAL FOOD**

*3 days a week*

**FORTIFIED DIET**

*A scientifically balanced food supplement which acts normally and safely!*

Medical practitioners will perhaps agree that the correct basis of slimming is to reduce calorie intake but to maintain the dietary essentials, namely protein, vitamins and minerals. Some dieting procedures, while scientifically correct, are unpleasant or inconvenient and may even bring discomfort. It is a common experience that slimming is mainly a matter of strength of character, and any dietary scheme which helps to make slimming a pleasant and convenient procedure has obvious advantages. LARSON'S SWEDISH MILK DIET achieves all these objects and in addition permits great flexibility in application. In this system each of the four daily meals is considered as a unit which can be replaced, as required, by an attractive, conveniently prepared and cheap food. If all four meals are replaced by

Swedish Milk Diet the daily calorie intake is reduced to about 700, but all the vitamin and mineral requirements and most of the protein requirements for the day are met. In the full system the four meals on three days a week, say Monday, Wednesday and Friday, are replaced by the diet, but individual meals can be replaced at any time as desired. For example, the Swedish Milk Diet can be taken in place of breakfast and tea, or in place of lunch and tea every day.

The diet is simplicity itself. It is prepared by adding a heaped teaspoonful of the supplement to a glass (8 fluid ozs.) of milk which may be cold, warm or hot as desired. Flavouring can be added if wished. The composition of the LARSON'S SWEDISH MILK DIET is as follows:

One heaped teaspoonful with an 8 ounce glass of milk taken four times daily supplies:—

3 grms. Calcium . . . over 100% M.D.R.*	
3 grms. Phosphorus . . . over 100% M.D.R.	
2,500 International Units Vitamin A . . . 50% M.D.R.	
200 International Units Vitamin D . . . 50% M.D.R.	
1.2 mg. Vitamin B <sub>1</sub> . . . 100% M.D.R.	4 mg. Calcium Pantothenate
2 mg. Vitamin B <sub>2</sub> . . . 100% M.D.R.	31 gm. Protein
6 mg. Nicotinamide . . . 50% M.D.R.	50 gm. Carbohydrate
0.1 mg. Vitamin B <sub>6</sub>	34 gm. Fat
650 gm. Calories	

\*M.D.R. means adult Minimum Daily Requirement.  
The minimum daily requirement for Vitamin B<sub>6</sub> and Calcium Pantothenate has yet to be established.

It will thus be seen that the diet is not only medically and scientifically sound in principle, but is very convenient to use. Milk can be obtained anywhere and travellers can easily take with them sufficient supplement for their journey. On those rare occasions when milk cannot be obtained, milk powder can readily be used as a substitute.

One ounce of powder should be reconstituted in seven fluid ounces of water, and the supplement then added in the usual way. Spray-dried powder is recommended, as it is more easily reconstituted, and if spray-dried skim milk is used, there will, of course, be a further reduction in calorie intake.

## ...Overcoming Bowel Fixation ESPECIALLY AMONGST ELDERLY PATIENTS

Obsession with the lower bowel is a familiar hypochondriacal condition—especially amongst elderly patients who have become laxative addicts.

Yet their trouble can have a real organic basis, such as diminishing digestive secretions, and their need is a functional corrective which will break the purge habit and yet restore normal peristalsis.

FELOPAN, as a supplementary source of bile salts and pancreatin, provides the correct physiological treatment for re-establishing normal intestinal activity without catharsis.

In difficult cases, where patients fail to respond to the purely physiological stimulation, FELOPAN Compound with mild laxatives is recommended.

# FELOPAN

## Sunshine and Warmth for people of all ages

So many people would feel all the better for the stimulating warmth and sunshine provided by Philips Health Lamps. For instance, when used under medical guidance, these lamps are often remarkably successful in treating rheumatic complaints and debilitated conditions. Two types of lamp are available, both requiring a signed medical certificate to enable the patient to purchase.

### Philips Infra-red **INFRAPHIL**

Philips Infraphil was used in the medical centres at the last two Olympic Games. It is most valuable in alleviating the pain of arthritis, rheumatism and muscle-strain.

For AC/DC Mains 110-250 volts. Please state voltage when ordering.

Infraphil Infra-red Lamp Price: £3 3s. 0d. also available de-luxe model 'A' Price: £44s. 0d.

### Philips Ultra-violet **SUNLAMP**

Philips Sunlamp gives the blessing of "Mountain sunshine"—a boon in convalescence, and as many doctors know, is useful for treating skin troubles, such as psoriasis. Available for AC Mains only 200-250 volts.

Ultra-violet Sunlamp Price: £5 17s. 6d.

# For night-long control of gastric spasm

## 'Repeat Action' tablet of DIPHENATIL

By a selective action on the parasympathetic nervous system "Repeat Action" Diphenatil (diphe-manil methylsulphate Glaxo) controls gastric spasm and pain. One tablet, in most cases, will give relief for 8 hours or more.

### Repeat the action without repeating the dose

The long duration of effect is achieved by the ingenious nature of the "Repeat Action" tablet. 50 mg. of diphe-manil contained in the quickly absorbed outer coating acts for 4 hours: another dose of 50 mg. in the protec-

tively coated central core prolongs action for another 4 hours.

4 hours + 4 hours = 8 hours

"Repeat Action" Diphenatil also effectively enhances the action of antacids, especially at night, by reducing the volume of acid secretion and slowing the gastric emptying time.

## 'Repeat Action' DIPHENATIL tablets

*built better to last longer!*

# ADRENOXYL

## Reduces the mean bleeding-time

Adrenoxyl reduces the mean bleeding-time by decreasing the permeability and increasing the contractility and resistance of the capillary wall.

## A dry field at operation

Adrenoxyl has been successful in diminishing capillary bleeding in a wide range of surgical operations. It has proved particularly useful in ear, nose and throat, ophthalmic and plastic surgery. In plastic surgery of the face it has been reported that, post-operatively, there is less swelling and bruising when Adrenoxyl has been used.

## No side effects

Adrenoxyl does not have any side effects or contraindications. It does not affect blood coagulation, blood pressure or pulse rate and does not possess any sympathomimetic properties.

## In medical conditions

Adrenoxyl has been used with success in those medical conditions associated with capillary fragility.

*In the British Medical Journal (April 21st, 1956) a correspondent confirmed the value of Adrenoxyl in providing a dry field for the surgeon and in shortening the duration of the operation.*

## Packs

**Ampoules:** Boxes of 6 and boxes of 50.  
Each ampoule contains 0.75 mg. of adrenochrome monosemicarbazone dihydrate.

**Tablets:** Tubes of 25 and bottles of 500.  
Each tablet contains 2.5 mg. of adrenochrome monosemicarbazone dihydrate.

The best results are obtained when both tablets and ampoules are used.

## APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent★testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

A fully registered medical practitioner who is liable for National Service must obtain deferment of recruitment in writing from the Central Medical Recruitment Committee or (in Scotland) the Scottish Central Medical Recruitment Committee before accepting any civilian appointment.

The position of provisionally registered medical practitioners who are liable for National Service has been made clear in a notice sent to them by the Ministry of Labour and National Service.

### SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

#### Registrar Grades, Whole-time

(a) **REGISTRAR**: Posts obtained normally not less than two years after registration as a medical practitioner and held normally for two years: £935 per annum in the first year; £1,061 10s. per annum in the second and any subsequent years. If the post is resident a deduction of £170 per annum is made.

(b) **SENIOR REGISTRAR**: Posts obtained normally not less than four years after registration as a medical practitioner and held normally for four years: £1,210 per annum in the first year; £1,320 per annum in the second year; £1,430 per annum in the third year; £1,540 per annum in any subsequent years. If the post is resident a deduction of £200 per annum is made.

#### Other Grades, Whole-time

##### (a) HOUSE OFFICERS:

(i) **Provisionally registered medical practitioners**: £467 10s. per annum for the first post held; £522 10s. per annum for the second and all subsequent posts held; provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £522 10s. per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff.

(ii) **Fully registered medical practitioners**: £577 10s. per annum for any post held; provided that in exceptional circumstances, subject to the consent of the Minister, this rate may be exceeded by up to £50 per annum where a post cannot be filled otherwise.

In each case under sub-sections (i) and (ii) above, a deduction of £125 per annum in respect of board and lodging and other services provided shall be made and each post shall be tenable for six months.

(b) **SENIOR HOUSE OFFICER**: Posts obtained by fully registered medical practitioners, and held normally for one year only: £819 10s. per annum. If the post is resident a deduction of £150 per annum is made.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER**: Officers who have held house appointments but who are neither Senior House Officers nor in one of the registrar grades, who have less responsibility than other hospital officers of non-consultant status, and who have been appointed for a limited or an indefinite period, not less than one year after full registration as a medical practitioner: £852 10s. by £55 to £1,182 10s. per annum. If the post is resident a deduction of £170 per annum is made.

Applications, with full particulars, to the Group Secretary, the Bow Arrow Hospital, Dartford, Kent. (8544)

**ST. ANDREW'S HOSPITAL, Northampton**

Applications are invited from registered medical practitioners for the appointment of

**SENIOR HOUSE OFFICER**

The successful candidate will work in the hospital and out-patient clinics. The hospital is recognized for training for the D.P.M. Exceptional post-graduate facilities are available. Salary £669 10s per annum, together with full residential emoluments, valued for superannuation purposes at £150 per annum. If married, unfurnished house will be provided with light, coal, laundry, and garden produce. The hospital operates outside the National Health Service, but reciprocity has been granted between the National Health Service Superannuation Scheme and the Hospital Superannuation Scheme, so that years of service are transferable in either direction. Applications, stating age, qualifications, experience, etc., together with copies of three recent testimonials, to be addressed to the Medical Superintendent. (8696)

**ST. CRISPIN HOSPITAL, Duston, Northampton (1,120 beds)****SENIOR HOUSE OFFICER**

required. Salary according to national scale (£819 10s. per annum). Accommodation is available at the hospital. The hospital is approved for training for the D.P.M. of the Conjoint Board, and the post offers excellent opportunities for participation in in-patient and out-patient work, E.E.G. investigations and child psychiatry. There is a modern admission unit and an annual admission rate of over 850 patients per annum. Regular case conferences are held. Applications, giving full details, and names of three referees, to be sent to the Physician Superintendent at the hospital within 14 days. (8584)

**ABSTRACTS OF WORLD MEDICINE**

Each monthly issue contains abstracts of articles selected for their importance from over 1,600 medical periodicals published throughout the world. *Abstracts of World Medicine* covers the whole field of medicine and brings together from widely scattered sources the most recent contributions to medical progress, abstracted fully enough to indicate their nature and value to the general reader and to enable the specialist to assess their importance in relation to his own work. *Abstracts of World Medicine* provides a guide to the literature in languages with which the reader is unfamiliar and a means of keeping abreast of developments in all branches of medicine.

Annual Subscription (12 issues) £4 4s. U.S.A. and Canada \$13.50

URBAN DISTRICT OF FILEY  
URBAN DISTRICT OF DRIFFIELD  
RURAL DISTRICT OF DRIFFIELD  
EAST RIDING COUNTY COUNCIL****COMBINED APPOINTMENT OF DISTRICT  
MEDICAL OFFICER OF HEALTH AND  
COUNTY DIVISIONAL MEDICAL OFFICER**

Applications are invited from duly qualified medical practitioners possessing a Diploma in Public Health or similar qualification for the combined appointment of Medical Officer of Health for the Borough of Bridlington, the Filey and Driffield Urban Districts and the Driffield Rural District, and County Divisional Medical Officer for the County Council within the same area, together with the Bridlington Rural District (total population 56,700). The successful candidate will be required to take up duty on or about April 1, 1958. The offices will be held as a joint whole-time appointment. The total combined salary will be £1,881 13s. 4d., rising by annual increments to £2,208 6s. 8d. Conditions of Service in accordance with the Whitley Council Recommendations (Medical Council Committee "C"). The officer will be required to provide a motor car for the purpose of carrying out his duties and will be paid travelling allowances in respect thereof. The appointment, which will be superannuable, will be subject to the provisions of Section 110 of the Local Government Act, 1933, and the Sanitary Officers (Outside London) Regulations, 1935 and 1951. Forms of application (and further details regarding the appointment) may be obtained from the Clerk of the County Council, County Hall, Beverley, to whom such forms should be returned by not later than Monday, November 25, 1957. (8530)

**CITY OF MANCHESTER HEALTH  
DEPARTMENT****MEDICAL OFFICER  
(Maternity and Child Welfare)**

Applications are invited from registered medical practitioners (male or female) for the above position on the permanent staff. Applicants should have obstetric and paediatric experience and will be required to undertake duties principally in Maternity and Child Welfare Clinics. Possession of the D.Obst.R.C.O.G., D.P.H. or D.C.H. qualifications will be an advantage. Salary scale £1,050, rising to £1,475 per annum. The appointment is subject to a medical examination and the City Council's conditions of service. Application forms, obtained on request, must be returned to the Town Clerk, Town Hall, Manchester, 2, and not to any member of the Council, by November 23, 1957. Envelopes must be endorsed "Medical Officer, Nursing Services Division." Canvassing is prohibited. (8302)

**DUMFRIES COUNTY COUNCIL****ASSISTANT MEDICAL OFFICER**

Applications are invited from registered medical practitioners (male) possessing a diploma in public health for appointment as an assistant to the Medical Officer of Health and School Medical Officer for the County of Dumfries. Applicants with experience of school medical service duties will receive special consideration. Salary on Whitley Council Scale (£1,050 to £1,475 per annum). Particulars and forms of application may be obtained from the undersigned, with whom applications should be lodged by November 29, 1957.—Leslie T. Carnegie, County Clerk, County Buildings, Dumfries. (8847)

**Public Health—contd.****COUNTY BOROUGH OF WEST HARTLEPOOL****APPOINTMENT OF MEDICAL OFFICER OF HEALTH AND PRINCIPAL SCHOOL MEDICAL OFFICER**

Applications for the above post are invited from medical practitioners who hold the qualifications prescribed by the Local Government Act, 1933, and the regulations made thereunder. The Council have adopted the salary scales and conditions of service recommended by Medical Committee "C" of the Whitley Council for the Health Services, and the salary attached to the post is £1,800 per annum, rising by four annual increments of £55 to a maximum of £2,020, plus a fixed car allowance of £75 per annum. The duties of the successful applicant will include the general direction and supervision of the Council's Welfare Service and the Welfare Section of the Civil Defence Corps. Applications, giving full particulars of age, qualifications, present and past appointments, general experience, and the names and addresses of three referees, must reach me not later than December 2, 1957.—Eric J. Waeott, Town Clerk, Municipal Buildings, West Hartlepool. (8823)

**COUNTY COUNCIL OF THE WEST RIDING OF YORKSHIRE****APPOINTMENT OF ASSISTANT COUNTY MEDICAL OFFICER AND SCHOOL MEDICAL OFFICER**

Applications are invited from registered medical practitioners, men and women, for posts in the following areas:

Division No. 17.—Spenborough M.B., and Mirfield Urban District.

Division No. 20.—Kirkburton, Denby Dale, Colne Valley, Meltham, Holmfirth, and Saddleworth Urban Districts.

The Assistant will be on the staff of the County Medical Officer's Department but will work under the administrative direction of the Divisional Medical Officer for the area. The duties will be mainly clinical in the School Health and Infant Welfare Services, but other County health duties may be included by the Divisional Medical Officer. The scale of salary is £1,050 to £1,475 per annum. A minimum of three years' experience since qualification is desirable and the possession of a Diploma in Child Health will be an advantage.

Travelling and subsistence allowances according to the County Council's scale are payable in addition to salary. The posts are superannuable, and successful applicants will be required to pass a medical examination as to physical fitness. Forms of application can be obtained from the undersigned, to whom they should be returned not later than November 30, 1957.—J. Wood-Wilson, County Medical Officer, County Hall, Wakefield. (8746)

**JERSEY CIVIL SERVICE****DEPUTY MEDICAL OFFICER OF HEALTH**

Applications are invited for the post of Deputy Medical Officer of Health. The appointment will be made in Group C of the Administrative Grade, £1,250 by £25 to £1,500. Applicants must be on the British Medical Register and hold the Diploma of Public Health. The post will be pensionable under a non-contributory pension scheme, and the Civil Service Board is in the course of making reciprocal pension arrangements in respect of officers transferring from the English Local Government Service. Application forms, which should be completed and returned to the Greffier of the States not later than November 23, 1957, may be obtained from the States' Greffier, St. Helier, Jersey, C.I.—F. de L. Bois, Greffier of the States. (8824)

**NOTTINGHAMSHIRE COUNTY COUNCIL  
Public Health Department****APPOINTMENT OF SCHOOL DENTAL OFFICERS**

Applications invited from registered dental practitioners for the above posts. Duties include dental inspection and treatment of school children, pre-school children and nursing and expectant mothers. Salary scale £1,000 by £50 to £1,350 by £75 to £1,575 per annum. Commencing salary according to experience. Application forms from the County Medical Officer, County Hall, West Bridgford, Nottingham. Closing date December 7, 1957.—A. R. Davis, Clerk of the County Council. (8558)

**INDUSTRIAL APPOINTMENTS**

Attention is drawn to the B.M.A. scale of remuneration for Industrial Medical Officers (as revised by the Annual Representative Meeting, 1957), which is available on request from the Secretary.

**THE SHIPPING FEDERATION INVITE APPLICATIONS** for appointment as full-time Assistant to the Medical Officer-in-Charge at King George V Dock, London. British medical registration of not less than three years. Age up to 35. Salary £1,400 per annum, rising by £100 to £2,500. Possible maximum, if in charge, £3,250. Subject to medical examination. Pension scheme. Apply, with full particulars, to the Shipping Federation Ltd., 146-150, Minorities, London, E.C.3. (8849)

**MEDICAL OFFICER**

London Co-operative Society invites applications for the position of full-time Medical Officer—salary in accordance with qualifications under the recommended British Medical Association scale for Industrial Medical Officers, subject to contract. Contributory Superannuation Scheme. A Medical Officer will be established in or near the Registered Offices, 54, Maryland Street, Stratford, London, E.15, but the Medical Officer will be expected to travel to all parts of the Society's trading area. The Medical Officer will be responsible to the Chief Officer and will be required to act in liaison with the Staff Department (which includes a Welfare Section). Applications, to be submitted in writing to the Staff Administration Officer at above address, giving details of experience and qualifications, not later than one month after the date of this advertisement. (8848)

**NAVY, ARMY AND AIR FORCE INSTITUTES**

Applications are invited from general practitioners in the undernoted towns for the appointment in a part-time capacity as

**MEDICAL OFFICERS**

to this Corporation. Successful applicants would be required to examine and report on the conditions of employees of the Corporation who may be referred to them from time to time. Fees for this work will be paid on a scale agreed with the British Medical Association. Applications, giving details of qualifications and experience, should be sent to the Chief Medical Officer, Navy, Army and Air Force Institutes, Kennington Lane, London, S.E.11, not later than November 30, 1957. The towns for which applications are invited are:

AYR STIRLING ROSYTH  
LANARK PERTH.

**CATHOLIC HOSPITAL Georgetown, British Guiana****RESIDENT SURGEON**

required immediately. Commencing salary £1,800/£2,000, dependent on experience, with quarters or house allowance and contributing pension scheme. Initial contract for three years. Apply, stating qualifications, experience in general surgery, with references, to the undersigned.

**RESIDENT MEDICAL OFFICER**

also required immediately. Commencing salary £1,100/£1,200, dependent on experience, with quarters and contributory pension scheme. Initial contract three years. Apply, with references, as below.—H. R. Guy, 23, Lawrence Lane, London, E.C.2. (8774)

**COMMONWEALTH OF AUSTRALIA****Repatriation Department****SPECIALIST (Radiology)**

Applications are invited from radiologists in the United Kingdom for permanent appointment as Specialist (Radiology) at Repatriation General Hospital, Greenslopes, Brisbane, Queensland.

The Repatriation Department, functioning under the Repatriation Act, administers war pensions, medical treatment of disabled ex-Servicemen and women and of widows and children who are eligible for benefits under that Act. The department has its own general hospitals and out-patient departments in each State of the Commonwealth for the medical treatment of ex-Servicemen.

Salary: £2,543 per annum, minimum; £2,873 per annum, maximum.

Note.—Salary, which is in Australian currency, will be paid from date of embarkation. Appointments may be made at any salary within the range according to qualifications and experience.

Duties: Radiological examinations and reports.

Qualifications: Three years' experience as a Specialist in Radiology, plus a post-graduate radiological qualification.

Fares: Under specified conditions, the first-class fare (if first-class passage available) to Australia of the applicant, his wife and dependent children, will be paid by the Commonwealth. Advice of these and other conditions of appointment will be supplied on request.

Applications: Deputy Commissioner of Pensions, Australia House, Strand, London, by December 5, 1957. (8660)

**ELLIS HOSPITAL, SCHENECTADY, NEW YORK, UNITED STATES**, a general acute hospital containing 358 adult beds and 50 bassinets, has vacancies for Rotating Internships beginning July 1, 1958. Ellis Hospital is affiliated with Albany Medical College and is fully accredited by the Joint Commission on Accreditation of Hospitals. Each training programme is approved by the Council on Education of the American Medical Association. Appointments are made on the Exchange Visitor Programme or on Immigrant Visas. The stipend for this position is \$1,500 per annum, plus full maintenance. Direct letters of inquiry to George William Graham, M.D., Director, Ellis Hospital, Schenectady, 8, New York, United States. (8700)

**INTERNS, ROTATION THROUGH OBSTETRICS, Medicine, Paediatrics and Surgery in a 12-month broad teaching programme.** Applications desired from graduate medical doctors giving full details in first letter. Please apply to the Superintendent, Bethesda Hospital, Cincinnati 6, Ohio, U.S.A. \$210 per month stipend, access to inexpensive meals, we furnish laundry, uniforms, room, hospitalization, and will advance passage one way. (7621)

**INTERNSHIPS AVAILABLE JULY, 1958.** Remuneration \$175 monthly. Excellent opportunity for doctors interested in entering rural general practice. Apply to Medical Superintendent, St. Joseph's Hospital, Victoria, B.C., Canada. (8729)

**GOVERNMENT OF THE FEDERATION OF NIGERIA****SPECIALIST (Paediatrician)**

required to take charge of a children's ward (42 beds) and out-patient clinic at Lagos General Hospital, to act as consultant in paediatrics to various hospitals, to assist in building up a comprehensive child health organization for Lagos, and to organize and take charge of the paediatric department of the projected Mainland General Hospital, when built. A candidate must possess medical qualifications registrable in the United Kingdom and be a member of one of the Royal Colleges of Physicians or F.R.F.P.S., who has specialized in paediatrics. Appointment: (a) on short-term contract with salary £2,664 a year. On completion of contract gratuity (taxable) is paid of £37 10s. for each completed period of three months' service (including leave). (b) From National Health Service with salary £2,220 a year, candidate retaining superannuation rights and receiving gratuity (taxable) of 20% of aggregate salary. Quarters at low rental. Free return passages for officer and wife. Return passages for children, to age 18, provided cost does not exceed that of two adult return passages in any one tour of service. Children's (separate domicile) allowance of £75 a year for each child under 18, ceasing if children join parents in Nigeria. Income tax at local rates. Local leave permissible and generous home leave after each tour. Application forms from Director of Recruitment, Colonial Office, London, S.W.1 (quoting BCD 117/14/048). (8710)

**GOVERNMENT OF HONG KONG****MALE GOVERNMENT PATHOLOGIST**

required for duties including vaccine production, public health laboratory work, clinical pathology and post-mortem work. The post is a senior one, and candidates (who should be under 45 years of age) should possess qualifications registrable in the United Kingdom, and have had five years' experience in pathology, including bacteriology; post-graduate Degree or Diploma in Pathology or Bacteriology desirable. Appointment on contract for three years. Emoluments: (a) Salary £2,325 a year. (b) Expatriation pay £337 10s. a year. (c) Temporary variable cost of living allowance (present rates), single officers £127 a year; married officers without children £413 a year; married officers with children £696 a year. (d) Gratuity (taxable) £250 a year. Free passages for officer, wife, sons under 18 and daughters under 21, up to five passages in all. Quarters, when available, at rental not exceeding 1/7th of basic salary. Application forms from Director of Recruitment, Colonial Office, London, S.W.1 (quoting BCD 117/51/025). (8808)

**HER MAJESTY'S OVERSEAS CIVIL SERVICE Uganda****MALE ENTOMOLOGIST (Medical)**

required. Candidates must possess Honours degree in Zoology from a British University or equivalent qualification; postgraduate specialist experience in entomology an advantage. Selected candidate would receive initial instruction under Senior Entomologist (Medical), after which he would be responsible at a provincial headquarters for advising medical officers on control of insect vectors of human disease. He would train subordinate staff for township malaria control and would have to undertake entomological surveys with considerable periods under camp conditions. Must be ready for some physical hardship. For some time to come the principal activity of the Division will probably be control of simuliid vectors of onchocerciasis. Biology of these vectors offers interesting research opportunities. Appointment on permanent basis with pension (non-contributory) and salary £939 to £1,863 a year, or on short-term contract, with gratuity, and salary £1,107 to £1,836 a year. Salary starting points determined by qualifications and experience. Gratuity (taxable) for contract service is 13½% of total salary drawn, not including allowances. Pension earned at rate of 1/600th of final pensionable emoluments for each completed month of service. Only permanent officers are members of Her Majesty's Overseas Civil Service. Quarters at low rental. Items of hard furniture supplied at additional rental of £12 to £24 a year. Free passages in both directions for officers serving tour of 30-36 months, i.e., four air passages provided for officer, wife and dependent children or sea passages up to cost of three adult fares. European primary schools in certain centres; in other centres, subsidy of £90 per annum (or half school fees, whichever is less), for education of first child outside East Africa, with additional subsidy of £9 for second child and £18 for third or subsequent child attending school at same time. Secondary school facilities in Kenya. For a child at boarding school in United Kingdom (or elsewhere in Commonwealth) subsidy of £140 per annum (or 3/5th of fees, whichever is less), with additions as above for second and subsequent children. Income tax at local rates. Local leave is permissible and generous home leave is granted after each tour. Application forms from Director of Recruitment, Colonial Office, London, S.W.1 (quoting BCD 117/9/036). (8809)

**MODERN 350-BED GENERAL HOSPITAL HAS** a vacancy on intern staff. Training programme in effect. Applicants will be considered for immediate acceptance, and also for future appointments. Uniform, room, meals, laundry supplied, in addition to \$100 per month. Reply to W. A. Holland, Superintendent, Oshawa General Hospital, Oshawa, Ontario, Canada. (8540A)

**GREY HOSPITAL BOARD, Greymouth, New Zealand****JUNIOR SPECIALIST SURGEON**

Applications by airmail are invited from suitable registered medical practitioners for the above post. The appointment is whole-time and is non-resident, but accommodation on a temporary basis would be arranged. In general, the conditions of appointment are as prescribed by the New Zealand Hospital Employment Regulations, 1957, and the salary payable will be determined by the Medical Officers' Salaries Grading Committee within the range of Junior Specialist scale (£1,640 to £1,940). Further information and conditions of employment may be obtained from the High Commissioner for New Zealand, 415, Strand, London, W.C.2. Applications should be sent by airmail direct to the Surgeon Superintendent, Grey Hospital, Greymouth, New Zealand, so as to arrive not later than December 6, 1957. (8400)

**MAKERERE COLLEGE****The University College of East Africa**

Applications are invited for

**LECTURESHIP IN PATHOLOGY**

(Salary scale £1,446 by £57 to £1,617 by £60 to £1,737 by £63 to £1,989 per annum, entry point determined by qualifications and experience. F.S.S.U. Child allowance £50 per annum per child (maximum £150 per annum). Passages for appointee and family (up to four adult passages) on appointment, termination and leave (three months every 21 months). Rent according to quarters provided (£45 to £84 per annum), including basic furniture. Detailed applications (six copies), naming three referees, by December 19, 1957, to Secretary, Inter-University Council for Higher Education Overseas, 29, Woburn Square, London, W.C.1, from whom further particulars may be obtained. ## PERCIVAL TURNER, LTD.

MEDICAL AGENCY (Est. 75 years)  
25, Malden Lane, Strand, W.C.2. Telephone: Temple Bar 9011. Night: Walton-on-Thames 1785.

# SUTURE NEWS!

## L.H.C. now in non-splintering 'Spot' Tubes

Believing in the present superiority of glass over other materials as the safest and most easily sterilised container available for sutures, The London Hospital Ligature Department has searched for some years for an improved glass tube that opens safely and cleanly.

We are pleased to announce that in the future, standard lines of L.H.C. will be packed in our new "Spot" Tubes.

The "Spot" Tube is the same as a normal suture tube, but replaces the conventional scored line with a groove around the middle, marked with a coloured spot.

Point spot vertically down towards bowl with thumbs uppermost and break as shown below. The thumbs, placed about  $\frac{3}{4}$ " apart, must be exactly opposite to the spot to obtain a clean break; the tube breaks only away from the spot. Attempts to break the tube other than away from the spot will result in splintering.

With London Hospital's new "Spot" Tubes, no filing is needed, no instruments required and it is not even necessary to hold the tube in a swab.
