A NEW APPROACH TO WOUND HEALING

*The use of STABILIZED TRYPSIN
in the treatment of*

WOUNDS

ABRASIONS

BURNS

ULCERS etc.

IT HAS LONG BEEN KNOWN that the proteolytic enzyme Trypsin could resolve necrotic tissue and was in theory an ideal physiological agent for the treatment of infected wounds. Its instability has, however, until recently precluded its use for this purpose. Lloyd-Hamol of London and Zurich have now succeeded in producing a cream, Biotrase, in which trypsin remains physiologically active for over a year.

Biotrase also contains two new anti-septic agents, both of which are active against a wide range of gram-positive and gram-negative pathogenic organisms.

Biotrase digests purulent matter and leaves a clean granulating surface. It does not attack vital tissues.

Samples and
literature
gladly sent
on request

Indications for use

Biotrase may be used wherever there is an infected—or potentially infected—breach of surface of the skin. Common conditions for its use include the following: Wounds, second and third degree burns; infected and necrotic skin conditions, including pyodermias; boils and carbuncles (following incision); all types of ulcers. Biotrase has been found most useful in the treatment of varicose ulcers, providing these are not surrounded with avas-

cular tissue and not of long duration.

Biotrase can be prescribed on Form E.C.10.

Biotrase is in 35 gram tubes at a basic N.H.S. price of 3/9d.

Biotrase contains: Trypsin pur. 0.16%; Calcium N-Hydroxymethyl-glutamate 5.00%; 2,2'-Thiobis-(4,6-dichlorophenol) 0.50% in Polyethylene glycol.

“Aspirin is a serious gastric irritant, particularly in peptic ulcer patients”*

“Calcium aspirin... can be used with impunity”*

* Extracts from *B.M.J.*, 2-7-55.

SOLPRIN is accordingly often prescribed

Solprin contains aspirin in soluble form. It is a highly efficient analgesic — the more quickly and easily absorbed by reason of its solubility. Dissolved in water, the tablets produce a solution of calcium acetylsalicylate. Solprin is extremely well tolerated, even by sufferers from peptic ulcer.

Solprin will be found particularly valuable when heavy or prolonged dosage is called for.

Patients find Solprin easy to take and palatable.

SOLPRIN

REGD.

Soluble and substantially neutral

Not advertised to the public

Solprin is available only on prescription and only in Great Britain and Northern Ireland. Clinical samples and literature will be supplied on request.

N.H.S. BASIC PRICE 12/6 for 500 tablets in foil.

RECKITT & COLMAN LTD., HULL & LONDON (PHARMACEUTICAL DEPT., HULL)

Quickly into action

The high solubility and low acetylation of Urolucosil mean that it is rapidly excreted into the urinary tract without risk of crystalluria. As a result, high urine concentrations can be quickly attained.

That is why Urolucosil is so effective against *B. coli* infections of the urinary tract. Small doses are highly effective, and side-effects are rare. The maintenance dose of Urolucosil can be continued for many months without risk of toxic reactions.

Active Principle :

Sulphamethizole 0.1G.

Dose :

1 tablet 4-hourly.

Packing :

In bottles of 25, 250 and 1,000 tablets.

a
truly
radical
reduction
in
sulphonamide
dosage

1

tablet instead of

8

The introduction of LEDERKYN Sulphamethoxypyridazine has radically changed the pattern of sulphonamide therapy. This is the first *long-acting* antibacterial sulphonamide to be offered for clinical use, and it is fully effective at a maintenance dosage of only $\frac{1}{2}$ Gm. daily.

This is a reduction of some seven-eighths as compared with the typical sulpha drug dosage i.e. one tablet instead of eight. Improved tolerance and a welcome freedom from side effects result from this dramatic dosage reduction. Moreover, the swift absorption and efficient diffusion of LEDERKYN lend further emphasis to its clinical value—especially in treating genito-urinary infections.

BURROUGHS WELLCOME & CO. (*The Wellcome Foundation Ltd.*) **LONDON**

Better relief for Arthritics—minimum side effects

In salicylate therapy BUFFERIN (Antacid Analgesic) has these two special advantages. It is *faster-acting*—twice as fast as ordinary aspirin. It is *better-tolerated*—even in large doses, as for arthritis.

According to a British survey, as many as 42% of arthritics are intolerant to aspirin. And in a blind trial among arthritics with a *proved* intolerance to aspirin, 70% had no gastric symptoms after taking large doses of BUFFERIN over periods of 4 to 16 months. (1)

In clinical tests, it was shown that BUFFERIN raises the salicylate blood level of humans more than 20% higher in *ten* minutes than ordinary aspirin does in *twenty* minutes.

Hence the importance of BUFFERIN in all salicylate therapy. Only BUFFERIN contains the antacid agents which:—

- ★reduce gastric upset to a negligible minimum (2) (3);
- ★actually speed the pain-relieving ingredient into the bloodstream (4) (5).

It acts faster. It is better tolerated. It contains no sodium.

SAFETY IN NUMBERS

with

There are many infections in which sulphonamide therapy is clearly indicated. The difficulty is that high dosages of a sulphonamide may produce sensitization reactions, crystalluria and other undesirable side-effects.

This is why 'Sulphatriad' is so valuable. Its effective action is the sum of the virtues of its three powerful constituents, and combines rapid absorp-

tion with a good tissue distribution. But as the risk of crystalluria is relative to the concentration in the urine of a single sulphonamide, 'Sulphatriad' means reduced concentrations—and reduced risk.

Detailed information is available on request.

'NICOLANE'

Regd. Trade Mark

Brand of Narcotine Linctus

A NEW Cough Reflex Inhibitor

NICOLANE Linctus presents narcotine for the suppression of unproductive cough, with an activity in this respect equal to or greater than codeine and the following important advantages :

It will not produce addiction as it is absolutely free from such properties associated with other opium alkaloids.

It is particularly effective against the "Allergic cough."

Tolerance and side effects are minimal and it has no adverse effects on respiration or the central nervous system.

It has a wide margin of safety and provides adequate control in oral dosage over long periods.

NICOLANE Linctus contains 15 mg. narcotine in each teaspoonful (4 ml) and is available in bottles of 4 fluid ounces.

Samples will gladly be made available to the medical profession for clinical trial.

A SPENCER support for the Paraplegic Patient

This paraplegic patient, aged 25, developed symptoms in 1943 of stiffness in the neck and pain in the right hip. Condition was diagnosed as a tumour inside the spinal cord (glio Blastoma multiform). The site of the tumour: C4, 5 and 6.

A Spencer Dorso-lumbar Support with rigid bracing at back and front was applied in October 1946, which enabled the patient to use his special walker for exercise. Abdominal muscles are paralysed and a special Spencer Abdominal Spring Pad incorporated in his support has been helpful in assisting respiration and relieving symptoms of constipation and indigestion.

Prognosis is poor but the patient is comfortable so long as he wears the support and does not attempt to be too active.

Because he is unable to sit erect without high support to his back and uplift for his diaphragm and chest, Spencer Designers created the support (as shown) to come up well over the chest to enable the patient to sit up with more comfort. Elastic gores at top sides assist in respiration. Special hip pads protect the prominent hip bones. Measured and fitted by expert trained Surgical Support Dispensers.

ADRENOXYL

Reduces the mean bleeding-time

Adrenoxyl reduces the mean bleeding-time by decreasing the permeability and increasing the contractility and resistance of the capillary wall.

A dry field at operation

Adrenoxyl has been successful in diminishing capillary bleeding in a wide range of surgical operations. It has proved particularly useful in ear, nose and throat, ophthalmic and plastic surgery. In plastic surgery of the face it has been reported that, post-operatively, there is less swelling and bruising when Adrenoxyl has been used.

No side effects

Adrenoxyl does not have any side effects or contraindications. It does not affect blood coagulation, blood pressure or pulse rate and does not possess any sympathomimetic properties.

In medical conditions

Adrenoxyl has been used with success in those medical conditions associated with capillary fragility.

In the British Medical Journal (April 21st, 1956) a correspondent confirmed the value of Adrenoxyl in providing a dry field for the surgeon and in shortening the duration of the operation.

Packs

Ampoules: Boxes of 6 and boxes of 50.
Each ampoule contains 0.75 mg. of adrenochrome monosemicarbazone dihydrate.

Tablets: Tubes of 25 and bottles of 500.
Each tablet contains 2.5 mg. of adrenochrome monosemicarbazone dihydrate.

The best results are obtained when both tablets and ampoules are used.

CLINICAL PATHOLOGY IN GENERAL PRACTICE

321 pages. Price 21s. (by post—inland and overseas, 22s. 3d.)

This handbook on clinical pathology meets the needs of the general practitioner, the houseman, and the senior student. It contains thirty-nine articles comprising a series specially written for the *British Medical Journal*. Each article has been revised and brought up to date by its author. The book gives authoritative information on—

- available laboratory facilities
- reliable tests and which to use
- techniques for collecting and preserving specimens
- interpretation of results and significance of abnormal findings

Obtainable from booksellers or by post from Publishing Manager

HIGHEST TOLERATION

PRACTICAL
DOSAGE COMBINATIONS

SATISFACTORY
CLINICAL RESPONSE

These are the advantages of

Calcium B-PAS WANDER

and

B-Pasinah WANDER

in the

Chemotherapy of Tuberculosis

B-PAS (Wander), 4-benzoylamino-2-hydroxybenzoic acid, first introduced by our Research Laboratories in 1948, is the drug of choice in regimens comprising PAS in concurrent therapy.

In the form of its calcium salt, it provides extended bacteriostatic levels, induces only minimal side-effects as compared with sodium PAS, and because of its high acceptability guarantees as far as possible that patients, particularly on domiciliary treatment, do take their medication.

Available in 3.5 g. envelopes and in 1 g. cachets; and as bulk powder

• **B-PASINAH** is available in two convenient forms:

Powders each containing
3.5 g. calcium B-PAS (Wander)
and 87.5 mg. isoniazid.

Cachets each containing
1 g. calcium B-PAS (Wander)
and 25 mg. isoniazid.

Full abstracts from literature, also details of institutional packs and prices, from the Medical Department

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

A fully registered medical practitioner who is liable for National Service must obtain deferment of recruitment in writing from the Central Medical Recruitment Committee or (in Scotland) the Scottish Central Medical Recruitment Committee before accepting any civilian appointment.

The position of provisionally registered medical practitioners who are liable for National Service has been made clear in a notice sent to them by the Ministry of Labour and National Service.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR:** Posts obtained normally not less than two years after registration as a medical practitioner and held normally for two years: £935 per annum in the first year; £1,061 10s. per annum in the second and any subsequent years. If the post is resident a deduction of £170 per annum is made.

(b) **SENIOR REGISTRAR:** Posts obtained normally not less than four years after registration as a medical practitioner and held normally for four years: £1,210 per annum in the first year; £1,320 per annum in the second year; £1,430 per annum in the third year; £1,540 per annum in any subsequent years. If the post is resident a deduction of £200 per annum is made.

Other Grades, Whole-time

(a) HOUSE OFFICERS:

(i) **Provisionally registered medical practitioners:** £467 10s. per annum for the first post held; £522 10s. per annum for the second and all subsequent posts held;

provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £522 10s. per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff.

(ii) **Fully registered medical practitioners:** £577 10s. per annum for any post held; provided that in exceptional circumstances, subject to the consent of the Minister, this rate may be exceeded by up to £50 per annum where a post cannot be filled otherwise.

In each case under sub-sections (i) and (ii) above, a deduction of £125 per annum in respect of board and lodging and other services provided shall be made and each post shall be tenable for six months.

(b) **SENIOR HOUSE OFFICER:** Posts obtained by fully registered medical practitioners and held normally for one year only: £819 10s. per annum. If the post is resident a deduction of £150 per annum is made.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER:** Officers who have held house appointments but who are neither Senior House Officers nor in one of the registrar grades, who have less responsibility than other hospital officers of non-consultant status, and who have been appointed for a limited or an indefinite period, not less than one year after full registration as a medical practitioner: £552 10s. by £55 to £1,182 10s. per annum. If the post is resident a deduction of £170 per annum is made.

PUBLIC HEALTH

COUNTY BOROUGH OF GREAT YARMOUTH

DEPUTY MEDICAL OFFICER OF HEALTH

SCHOOL MEDICAL OFFICER

DEPUTY PORT MEDICAL OFFICER

Applications are invited from registered medical practitioners, holding a qualification in public health, for the above superannuable appointment. Candidates should have had experience in general public and school health work and be capable of assuming full responsibility for the Health Department in the absence of the Medical Officer of Health. Experience in infectious diseases and the ascertainment of educationally subnormal pupils will be considered additional qualifications. The salary will be within the scale £1,266 per annum, rising by annual increments of £55 to a maximum of £1,596, plus a car allowance which at present is at the rate of £180 per annum. The appointment may be terminated by three months' notice on either side. Housing accommodation will be made available by the Council if required. Further details regarding the appointment and the submission of applications may be obtained from the undersigned, by whom applications should be received not later than December 28, 1957.—Farra Conway, Town Clerk, Town Hall, Great Yarmouth. (9821)

COUNTY BOROUGH OF GATESHEAD

DEPUTY MEDICAL OFFICER OF HEALTH AND DEPUTY PRINCIPAL SCHOOL MEDICAL OFFICER

Applications for the above appointment are invited from registered medical practitioners who hold a Diploma in Public Health. Candidates should have had experience in all branches of the Public Health and School Health Services. Salary £1,380 by £55 (4) to £1,600 by £50 (1) to £1,650 per annum. The appointment is superannuable, subject to medical examination, and is terminable by three months' notice on either side. A list of the duties of the office may be obtained from the Medical Officer of Health, Greensfield House, Mulgrave Terrace, Gateshead, to whom applications, stating age and experience and accompanied by the names of not more than three persons to whom reference can be made, should be sent in envelopes endorsed "Deputy Medical Officer" within 14 days of the appearance of this advertisement.—C. D. Jackson, Town Clerk, Town Hall, Gateshead, 8. (3158)

COUNTY BOROUGH OF MERTHYR TYDFIL

APPOINTMENT OF ASSISTANT MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER

Applications are invited from registered medical practitioners (male), under the age of 45 years, for the above appointment. The possession of a Diploma in Public Health is not necessary, but will be an advantage. The general conditions of service will be in accordance with the recommendations of the Whitley Council for the Health Services (Great Britain), Medical Council "C", and the salary range will be from £1,050 to £1,475 per annum. Duties will be carried out under the general direction of the Medical Officer of Health and will include school medical services and other public health work. For those not in possession of the Diploma of Public Health an opportunity will be afforded to take the part-time course at the University of Wales. Applications, together with two testimonials, should be forwarded to the undersigned not later than Monday, January 6, 1958.—Signed, T. H. Stephens, Medical Officer of Health and Principal School Medical Officer, Department of Public Health, Town Hall, Merthyr Tydfil. (3157)

Public Health—contd.**COUNTY COUNCIL OF THE WEST RIDING OF YORKSHIRE****APPOINTMENT OF ASSISTANT COUNTY MEDICAL OFFICER AND SCHOOL MEDICAL OFFICER**

Applications are invited from registered medical practitioners, men or women, for the post of Assistant County Medical Officer and School Medical Officer in the Castleford area of the County. The Assistant will be on the staff of the County Medical Officer's Department but will work under the administrative direction of the Divisional Medical Officer for the area. The duties will be mainly clinical in the School Health and Infant Welfare Services, but other County health duties may be included by the Divisional Medical Officer. The scale of salary is £1,050 to £1,475 per annum. A minimum of three years' experience since qualification is desirable, and the possession of a Diploma in Child Health will be an advantage. Travelling and subsistence allowances according to the County Council's scale are payable in addition to salary. The post is superannuable, and the successful applicant will be required to pass a medical examination as to physical fitness. Forms of application can be obtained from the undersigned, to whom they should be returned not later than December 30, 1957.—J. Wood-Wilson, County Medical Officer, County Hall, Wakefield. (3138)

COUNTY OF NORTHUMBERLAND**JOINT APPOINTMENT OF AREA EXECUTIVE MEDICAL OFFICER for the South-East Area, and MEDICAL OFFICER OF HEALTH for the Borough of Whitley Bay and the Urban Districts of Longbenton and Seaton Valley**

Applications are invited from registered medical practitioners for the joint appointment of Area Executive Medical Officer for the South-East Area and Medical Officer of Health for the Borough of Whitley Bay and the Urban Districts of Longbenton and Seaton Valley.

The salary for the joint appointment will commence at £1,928 15s., rising by four annual increments of £65, and one of £25 to £2,213 15s. plus a travelling allowance in respect of a motor car not exceeding 12 h.p. The person appointed will be required to give his, or her, whole time to the duties of the joint appointment and must not engage directly or indirectly in private practice. The appointment is subject to the provisions of the Local Government Superannuation Acts, to the National Conditions of Service, and to three months' notice in writing on either side, and the successful candidate will be required to pass a medical examination.

Application forms and further particulars may be obtained from the Clerk of the County Council, County Hall, Newcastle upon Tyne, 1, to whom applications must be submitted not later than December 23, 1957. (9850)

GLOUCESTERSHIRE COUNTY COUNCIL

Kingswood and Mangotsfield Urban Councils and Sodbury and Warmley Rural Councils

APPOINTMENT OF DIVISIONAL MEDICAL OFFICER OF HEALTH AND MEDICAL OFFICER OF HEALTH

Applications are invited for the above post, which is whole-time and involves an approximately equal distribution of duties between the County Council and the four County District Councils. The salary is in accordance with the Medical Council of the Whitley Council for the Health Services and is £918 15s., rising by one annual increment of £31 5s. and seven of £34 7s. 6d., to £1,190 17s. 6d. in respect of County Council duties, and £975, rising by four annual increments of £27 10s. and one of £25 to £1,110 in respect of District Council duties. The selected candidate will be required to provide a motor car; travelling expenses payable on approved scale. The appointment is superannuable and the passing of a medical examination will be necessary. Applicants must hold a Diploma in Public Health, and in respect of the County Council duties will act under the direction of the County Medical Officer of Health. The appointment will be subject to three calendar months' notice, in writing, on either side. Applications, stating age, qualifications and previous experience, together with the names of two persons to whom reference may be made, should be sent to Clerk of the South Gloucestershire (M.O.H.) Joint Committee, the Council Offices, Hollow Road, Kingswood, Bristol, not later than January 4, 1958.—Guy H. Davis, Clerk of the County Council. J. H. Dearnley, Clerk of the South Gloucestershire (M.O.H.) Joint Committee. (9988)

SURREY COUNTY COUNCIL**APPOINTMENT OF ASSISTANT MEDICAL OFFICER**

Applications are invited from candidates possessing the D.P.H. or D.C.H. Main duties will be in connection with the school health and maternity and child welfare service. Salary according to experience, on the scale £1,050 by £50 to £1,200 by £55 to £1,475 per annum. The appointment is subject to the provisions of the Local Government Superannuation Acts, 1937/1953, and to three months' notice on either side. Application form, from the County Medical Officer, County Hall, Kingston-upon-Thames, to be returned by December 28, 1957. (9989)

ADMINISTRATIVE**NORTH-WEST METROPOLITAN REGIONAL HOSPITAL BOARD**

Applications are invited from qualified medical practitioners for the whole-time post of **SENIOR ADMINISTRATIVE MEDICAL OFFICER** at a salary of £2,900 by £140 (5) to £3,600 per annum, subject to N.H.S. (Superannuation) Regulations. Post vacant August 1, 1958. The duties will be to act as adviser to the Board on the planning, organization and staffing of the hospital and specialist services of the Region, and such administrative and executive functions as may be assigned to him. Applications, together with the names of three referees, should be addressed to the Secretary of the Board (from whom further particulars of the post may be obtained), at 11a, Portland Place, W.1, by December 31. Canvassing will disqualify. (9729)

GOVERNMENTAL**MEDICAL OFFICER (PART-TIME), PERTH PRISON**

SENIOR REGISTRAR or REGISTRAR
in the Division of Obstetrics and Gynaecology at the above-named teaching hospital. This post, which is resident, is recognized for training for membership of the Royal College of Obstetricians and Gynaecologists. The post will be vacant on January 1, 1958. The appointment will be for one year in the first instance. Salary is in the scale £900 by £100 to £1,100; £1,200 by £100 to £1,500 per annum, depending on qualifications and experience. Single accommodation and board may be provided at a deduction from salary at the rate of £145 per annum or, if available, an unfurnished flat may be provided at a rental of 5% of salary. Passages by sea will be paid from the country of recruitment for one person only for this appointment. Further information may be obtained from the Hospital Manager and Secretary, University College Hospital of the West Indies, Mona, Jamaica. B.W.1, to whom applications, stating age, nationality, details of experience and qualifications, together with three recent testimonials or the names and addresses of three referees, should be sent not later than December 31, 1957. (9899)

**U.S.A. MUHLBERG HOSPITAL, PLAIN-
FIELD, N.J.** Internship, 400-bed hospital, 25 miles from New York City. Teaching programme directed by John Hopkins faculty member. \$140 monthly stipend plus full maintenance. Transportation advanced. Inquiries to Director. (8295)

EDUCATION COMMITTEE**

COURSE IN PSYCHOLOGICAL MEDICINE

A two-term part-time course has been organized to run during the Candlemas (January 6 to March 15) and Whitsun (April 15 to June 21) terms, 1958. The course is designed to supply formal training for graduates who intend to specialize in psychiatry, but is open to all registered medical practitioners. The instruction will amount to ten hours per week, given on Monday, Tuesday and Thursday afternoons and Saturday mornings. During the Candlemas term, instruction will be provided in disciplines basic to psychiatry. During the Whitsun term, instruction will be on clinical subjects, and students will attend various psychiatric hospitals. The fee for the course is £35. For further details, application should be made to the Director of Postgraduate Medical Education, the University, Glasgow, W.2. (8464)

Bronchitis or Asthma ?

Regular administration of Franol through the winter will usually keep the chronic bronchitic patient free from acute attacks.

In bronchial asthma Franol is well known as a valuable prophylactic. Both the number and severity of attacks are reduced and the patient's continual fear that an attack may occur at any moment is allayed and his confidence restored.

Franol, which is a combination of a bronchodilator, an antispasmodic and a sedative, is well tolerated by both adults and children.

Medical literature is available on request.

Franol relieves bronchospasm
