## *An effective pattern of protection . .*

The increasing use of inoculation against Poliomyelitis does not dispense with the necessity for using other proved methods of prevention.

On the contrary—such methods should be more widely and more thoroughly applied.

'In Poliomyelitis epidemics, where a large proportion of the virus hosts are symptomless carriers—a vigorous health education programme... directed at raising the standards of personal hygiene... coupled with measures to raise individual resistance to Poliomyelitis virus infection by strengthening active immunity, offers best hope of success.'<sup>1</sup>

For inactivating Poliomyelitis virus, 'Oxidising agents seem to be the most active chemical disinfectants.'<sup>2</sup>

'An oxidising agent of great potency is Domestos which, when used at concentration of from  $\frac{1}{4}$  to 2 ozs. per gallon, provides a level of available chlorine in the range 150 to 1,200 parts per million—sufficient to inactivate the Poliomyelitis virus.'<sup>3</sup>

A pattern of protection against Polio is assured by using DOMESTOS, which destroys Poliomyelitis virus—

(a) *For Lavatories.* Overnight contact will destroy heavy soiling and give a free residual chlorine content which will inactivate virus contaminants. The exterior of the bowl and the seat which frequently come into contact with the hands of children, should always be washed with a DOMESTOS solution.

(b) *For the disinfection and cleaning of dishes, floors, kitchen surfaces, sinks, etc.*

(c) *For safeguarding against the infection of food by bluebottles, flies, vermin.*

(d) *For the disinfection of yards, paths, etc.*

(e) *For the disinfection and cleaning of clogged drains.*

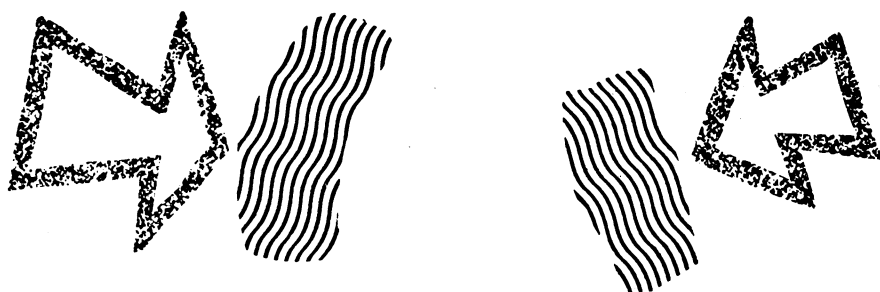

1. 'Topical Aspects of Poliomyelitis'; 'Journal of the Royal Society of Health' Dec. 1956.
2. World Health Organisation Technical Report Series, No. 81, 'Expert Committee on Poliomyelitis'.

**so many migraine attacks**

**can be averted**

**... BY THE**

**EARLY USE**

**OF**

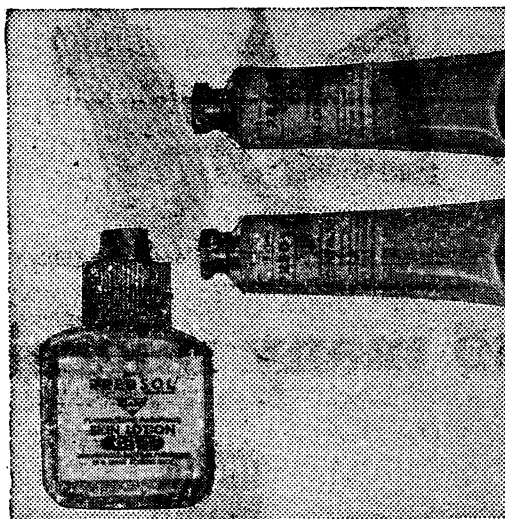

The high dose of ergotamine, 2 mgm., contained in each 'Migril' tablet effectively averts a migraine attack in the majority of cases. Nausea and vomiting, whether due to the migraine or to the ergotamine, are prevented by the cyclizine hydrochloride in the tablet. 'Migril', which also includes caffeine, should be taken whenever premonitory signs indicate the onset of a migraine attack.

## “What will prescribing ‘FERROIDS’ do for me?” (*Asks the Physician*)

“It will give me the satisfaction of knowing that the results I expect will be obtained.”

‘Ferroids’, the new iron preparation of superb quality, raises hæmoglobin levels rapidly, effectively and with the utmost freedom from gastro-intestinal upset.

‘Ferroids’ removes the uncertainty as to whether a poor response to iron therapy is due to inadequate utilisation or to the patient’s failure to take a dose. ‘Ferroids’ will not cause gastro-intestinal discom-

fort and there is no reluctance on the part of the patient to take the tablet.

The patient will return to the doctor satisfied with the treatment that is prescribed.

The prescribing of ‘Ferroids’ has a negligible effect on prescription costs. On a dosage of 3 tablets a day, the basic N.H.S. cost per week is 1s. 2d., and even on the highest dosage of 8 tablets a day, which may be required for severe cases of anaemia, the basic N.H.S. cost per week is only 3s. 1d.

\*\*\*\*\*  
**COMPOSITION:**  
 Each tablet contains—  
 350 mg. of Iron Aminoates.  
 1 mg. of Vitamin B<sub>12</sub>.  
 Each tablet contains  
 the equivalent of 35 mg.  
 of elemental iron.

## Disposable Unit ENEMA

Is being used  
MORE and MORE

by Hospitals, Midwives and District Nurses for the safe and simple evacuation of the lower bowel. Here are four reasons why they are rapidly superseding old-fashioned methods:

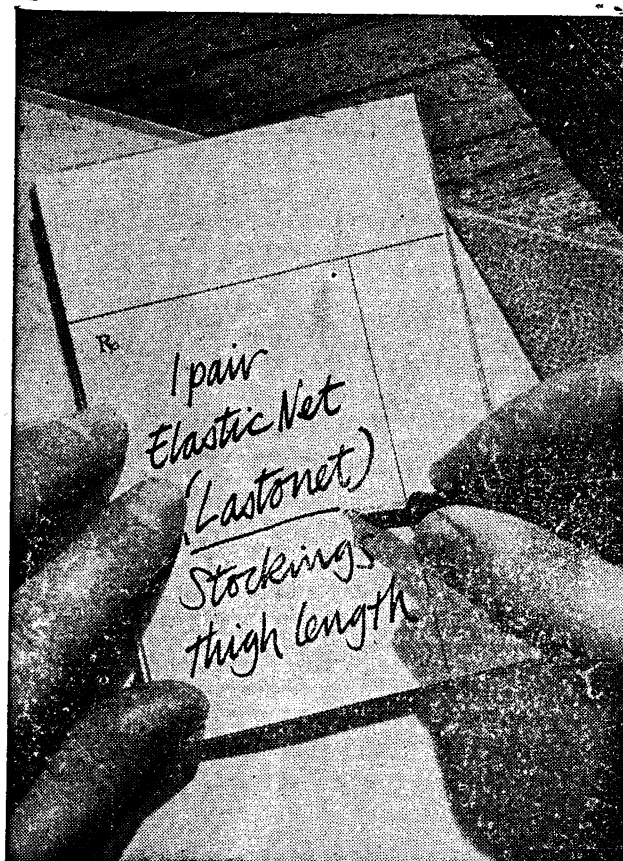

- \* Ready for instant use
- \* As easy to administer as a suppository
- \* No equipment to provide or sterilize
- \* Cheapest Disposable Enema available

A special feature of FLETCHERS' Enema is the non-traumatic rectal tube. Prescribable on Form E.C.10 (Category B) Basic N.H.S. price 2/- each

FLETCHER, FLETCHER & COMPANY LTD • LONDON • N.7 • ENGLAND  
Manufacturing Chemists since 1879

Sound reasons for  
this prescription . . .

54

Whenever you prescribe on E.C.10. in the wording shown above, you are safeguarding the well-being of your patient—and aiding the N.H.S.

### MAXIMUM SUPPORT

By prescribing Lastonet Elastic Net Stockings, you secure for your patient the maximum comfort and beneficial support—possible only when a stocking is made (as all Lastonet stockings are made) to perfect fitting, accurate individual measure.

### MINIMUM COST

Besides being superior in efficiency, Lastonet Elastic Net Stockings are low in initial cost. Because a new, light-resistant rubber is now used in their make-up, this lessens the deterioration occurring when rubber is exposed to light. These two factors make Elastic Net the

most economical form of surgical stocking for N.H.S. prescription.

### HOW TO PRESCRIBE

The words "Elastic Net Stockings" must be written on E.C.10. Also the quantity required, and whether thigh or knee length, when prescribing for supply under N.H.S.

*when phenobarbitone is preferred*

# SPANSULE PHENOBARBITONE

*for the patient who must not forget*

For any patient on phenobarbitone there is an ideal therapeutic level of the drug that should be maintained. In some conditions avoidance of interruption or variation in this level is of the utmost importance.

...it is essential to ensure that any regular anti-convulsant medication should not be interrupted... A single dose of... phenobarbitone, in sustained-release form ('spansules'), will guard against this possibility.'

*Practitioner, (1959) 182, 433*

The 'Spansule' presentation 'irons out the bumps' that are inevitable with tablet medication. One Phenobarbitone 'Spansule' capsule gives a smooth, uninterrupted therapeutic level for 12 hours.

PHENOBARBITONE SPANSULE sustained release capsules are supplied in containers of 30. The standard unit is gr. 1½ Phenobarbitone 'Spansule' capsule. A gr. 1 strength also is available.

## How Heinz Baby Foods simplify mixed feeding

The days are gone when mixed feeding involved mother in hours of work, sieving and straining meat and vegetables for her baby's dinner.

To-day, she finds it much more simple and pleasant—when you recommend Heinz Baby Foods as soon as baby is 11 or 12 weeks old. Baby takes his food more readily from a calm and relaxed mother, and this should result in happy, contented mealtimes that both mother and baby enjoy. And, with the 25 varieties of Heinz Baby Foods, a mother can give her baby the very best fruits, vegetables and meats all the year round.

All the ingredients used by Heinz are carefully selected, prepared in scrupulously hygienic conditions, and specially cooked to retain the maximum nutritional value. Accustoming baby as early as possible to this wide range of foods, trains growing appetites along healthy lines.

Further information about Heinz Baby Foods will be gladly sent on request. Please write to: H. J. Heinz Company Limited, Harlesden, London N.W.10

# There's a special Andrews for diabetics

*(and others on restricted diets)*

IN RESPONSE TO REPEATED REQUESTS, a special formulation of Andrews, free of sugar but retaining Andrews' characteristic palatability, has now been produced for diabetic patients and others on a special diet.

Andrews Liver Salt is a pleasant-tasting effervescent aperient. Its reliable laxative action is brought about by an effervescent saline combined with magnesium sulphate, the osmotic action of which ensures the retention of sufficient fluid in the bowel for easy and comfortable evacuation.

Andrews is mildly alkaline. It is useful for counteracting stomach acidity, nausea and headaches of the migraine (bilious) type.

**NEWCASTLE REGIONAL HOSPITAL BOARD**

**CONSULTANT PSYCHIATRIST**

whole-time or maximum part-time, for West Cumberland group of hospitals (506 beds) and Garlands Mental Hospital, Carlisle (1,061 beds). Garlands Mental Hospital at present provides a psychiatric service for Carlisle, Cumberland and North Westmorland. A new general hospital of 450 beds—the West Cumberland Hospital—is being built near Whitehaven: a small psychiatric unit with facilities for in-patient and out-patient physical treatments is being provided in the first stage of the hospital and is nearing completion. The person appointed will be expected to reside near the West Cumberland Hospital and be primarily responsible for the intra- and extra-mural psychiatric work of West Cumberland, including the existing out-patient clinics at Whitehaven Hospital and Workington Infirmary, and the development of these and other extra-mural services; he will also be regarded as a member of the team of consultants at Garlands Hospital. Further particulars from Regional Psychiatrist. Applications, together with the names and addresses of 3 referees to the Regional Psychiatrist, Regional Hospital Board, Benfield Road, Newcastle upon Tyne 6, within 28 days. (4621)

# **SOUTH WESTERN REGIONAL HOSPITAL BOARD**

## **APPOINTMENT OF MEDICAL SUPERINTENDENT TO HORTON ROAD AND CONEY HILL HOSPITALS, GLOUCESTER**

Applications are invited for the whole-time appointment of

### **CONSULTANT PSYCHIATRIST**

to the North Gloucestershire Clinical Area which comprises Gloucester, Cheltenham, Stroud Forest of Dean and adjoining districts. Applicants should have had wide experience in Psychiatry, and must possess a higher qualification. The successful candidate will have charge of bed at Horton Road and Coney Hill Hospitals Gloucester, and will act as Medical Superintendent of these hospitals; in addition, he will be required to visit other hospitals in the clinical area as determined by the Regional Board from time to time. A house will be available if required but the appointed officer may, if he wishes, provide his own house in the vicinity. Twelve copies of applications stating date of birth, qualifications and experience, together with the names and addresses of two referees, should be sent to the Secretary of the Regional Hospital Board, 27, Fendalls Park Road, Bristol 8, not later than the 28th July, 1959. (4855)

## **ST. GEORGE'S HOSPITAL, HORNCHURCH, ESSEX**

### UNIVERSITY COLLEGE HOSPITAL Ibadan, Nigeria

#### HOUSE OFFICERS

The Board of Management invites applications for the following appointments which will become vacant on October 1st, 1959.

**House Officers (Pre-Registration):** Candidates must be provisionally registered practitioners and must be prepared to serve in any of the following departments: Medicine, Surgery, Obstetrics, or Paediatrics. The duration of the appointments will be for 12 months (two departments) or six months in the case of a candidate who has already completed a six-months' pre-registration appointment.

**House Officers (Post-Registration):** Candidates must be fully registered medical practitioners and must be prepared to serve in any of the following departments: Medicine, Surgery, Obstetrics, Anaesthetics, Paediatrics, or General Out-Patients. The duration of the appointments will be for one year, six months to be spent in each of two departments. House Officers will as far as possible serve in the department of their choice, but the number of vacancies in any department is limited and it is not always possible to observe individual preferences. Salaries: House Officers (Pre-Registration), £600 per annum; House Officers (Post-Registration), £1,164 per annum; plus inducement addition of £270 per annum for expatriates. The appointments will be for one tour of 12 months. On satisfactory completion of service a gratuity of £37 10s. will be paid to Post-Registration House Officers for each completed term of three months' service. An outfit allowance of £60 is payable on first appointment. Partly furnished quarters are provided at a rental of 8½ per cent of salary excluding inducement allowance. An expatriate doctor appointed will be eligible for seven days' leave on full pay for each completed month of service in Nigeria. A Nigerian doctor will be eligible for five days' leave for each completed month. Free first-class passages are provided for expatriate doctors on first appointment, on vacation leave and on completion of their agreement. Free first-class passages to Nigeria will in certain circumstances, be provided for Nigerian doctors. Doctors will be eligible for children's allowance in accordance with the existing regulations. Arrangements can be made to enable doctors to continue their National Health Service Superannuation Scheme contributions and details of the revised salary and gratuity payable in such cases will accompany application forms. Applications should be submitted not later than July 18th, 1959, on the appropriate forms which will be forwarded together with additional information on receipt of an addressed foolscap envelope by the Adviser on Staff Recruitment, London Office, University College Hospital, Ibadan, 57, Catherine Place, Palace Street, London, S.W.1. (4822)

# CITY OF BULAWAYO (Southern Rhodesia)

## VACANCY FOR MEDICAL OFFICER

### (Tuberculosis)—Male City Health Department

Applications are invited from qualified, experienced, male Medical Practitioners for this full-time pensionable post. The commencing salary payable will be within the range £1,620 to £2,304 a year and will depend on past experience and qualifications. Duties attached to the post will include responsibility for anti-tuberculosis work carried out by the City Council (principally among the African population) for the care and treatment of tuberculosis patients in the Council's Infectious Diseases Hospitals (at the present time this involves the care of 82 African patients), for the organisation and control of the Council's programme of Mantoux testing, B.C.G. inoculations and contact tracing including a possible Mass Miniature Radiography scheme and for such other duties that may be allocated from time to time. A wide knowledge of tuberculosis, its control and treatment, is essential, and previous experience in Mass Miniature Radiography will be a recommendation. A transport allowance will be payable at standard rates to the successful applicant, who will be required to provide his own motor car for his official duties. Membership of the Southern Rhodesia Joint Pension Fund and the Council's Medical Aid Society is compulsory, and the successful applicant will be required to submit a satisfactory medical certificate of fitness. The successful applicant will be required to register with the Southern Rhodesia Medical Council at his own expense, and private practice will not be permitted. Applications, stating age, whether married or single, nationality, details of experience and qualifications, together with a recent passport-type photograph, the names and addresses of two referees and copies of testimonials, should be sent to the Medical Officer of Health, P.O. Box 1946, Bulawayo, Southern Rhodesia with a copy to Davis and Soper Ltd., 52/54 St. Mary Axe, London, E.C.3. The closing date for the receipt of applications is the 16th October, 1959. Additional information regarding this post (including a reference to the payment by the Council of travelling costs between the United Kingdom and Bulawayo) may be obtained from Davis and Soper Ltd., at the address given above. (5229)

**APPLICATIONS ARE INVITED FROM** graduates in Medicine who possess qualifications registrable in the Commonwealth of Australia, for the position of Director of the Red Cross Blood Transfusion Service in the Territory of Papua and New Guinea. The Headquarters of the Service will be in Port Moresby, but the Service will extend to Lae and Rabaul. The successful applicant will also act as Consultant in Resuscitation to the Port Moresby General Hospital. Salary: not less than £3,000 per annum, plus allowances. Accommodation will be available. Previous experience in the organisation of a Blood Transfusion Service is desirable but not essential. Full particulars on application to the Secretary-General Australian Red Cross Society, 122 Flinders Street, Melbourne, who will provide any further information. Applications close on 30th September, 1959. (5209)

## RHODESIA RAILWAYS: Medical Department

### VACANCY FOR MEDICAL OFFICER

Newcastle upon Tyne  
and  
The United Newcastle upon Tyne Hospitals

### CHAIR OF ORAL PATHOLOGY

Applications are invited from registered practitioners holding medical and/or dental qualifications for the Chair of Oral Pathology tenable at the Sutherland Dental School, King's College, Newcastle upon Tyne. (It is hoped to appoint a candidate who is qualified both in medicine and in dental surgery). The Chair carries with it an honorary contract as Consultant Pathologist with the Board of Governors of the United Newcastle upon Tyne Hospitals. The successful candidate will be required to take up appointment as soon as possible. Salary in accordance with the scale for Clinical Professors, with family allowance and membership of F.S.S.U. Applications (15 copies), containing the names of three referees, should be lodged with the undersigned, from whom further particulars may be obtained, not later than 30th September, 1959. (Applicants from outside the British Isles may send one copy only). E. M. Bettenson, Registrar University Office, 46 North Bailey, Durham. (5266)

## UNIVERSITY OF LONDON POSTGRADUATE MEDICAL SCHOOL

Dept. of Medicine. During the Spring Term, January to March 1960 a limited number of post-graduates will be accepted for special instruction in one or other of the following branches of medicine:—

Cardiovascular Disease  
Chest and Respiratory Diseases  
Endocrine and Metabolic Disorders.

Most of the teaching will be at personal and tutorial level including modern investigative methods. Candidates for the course should have an adequate previous training in general medicine. Applications, with particulars of qualifications and experience, should be made to The Dean, Postgraduate Medicine School of London, DuCane Road, W.12. Those accepted will be notified not later than 30th October, 1959. (5213)

## THE UNITED BIRMINGHAM HOSPITALS

The Children's Hospital,  
Ladywood Road, Birmingham, 16

### RESEARCH FELLOW IN PATHOLOGY

Applications are invited for the post of Research Fellow in the Department of Pathology of the Birmingham Children's Hospital. The study to be undertaken involves study of the lung vessels in congenital heart disease and neonatal respiratory disorders. Applicants must have had previous experience in Morbid Anatomy. The post will carry Registrar or Senior Registrar status and salary according to experience and qualifications. The appointment is for one year in the first place with the possibility of extension. Application forms and further details may be obtained from the House Governor. (5224)

## UNIVERSITY OF BIRMINGHAM

### FACULTY OF MEDICINE

Consequent upon the appointment of Mr. A. J. H. Rains to the Chair of Surgery in the University of London (Charing Cross Hospital), there is a vacancy for a whole-time

### SENIOR LECTURER (Clinical)

in the Surgical Professional Unit of the Queen Elizabeth Hospital. The successful applicant will be accorded an honorary contract as a Consultant in the United Birmingham Hospitals. Salary scale £1,600 x £100—£2,400 x £50 to £2,450, together with F.S.S.U. benefits and family allowance. Duties to commence on October 1st, 1959. Ten copies of the application, together with the names of three referees, to be sent to the Assistant Registrar Medical School, Birmingham, 15, not later than August 15th, 1959, from whom a summary of the regulations governing Lectureship may be obtained. (4900)

## THE UNIVERSITY OF LEEDS Department of Anaesthetics

Applications are invited from registered medical practitioners for appointment as a **LECTURER IN ANAESTHETICS** at a salary on the scale £1,200 x £100—£1,600 (efficiency bar) x £100—£1,900 a year, according to qualifications and experience. Applications (three copies), stating date of birth, qualifications and experience, together with the names of three referees, should reach the Registrar, The University, Leeds, 2 (from whom further particulars may be obtained) not later than August 8th, 1959. (5188)

## UNIVERSITY OF CAMBRIDGE

### ELMORE MEDICAL RESEARCH STUDENTSHIP

Applications are invited for an Elmore Research Studentship to be held in the Department of Radiotherapeutics, University of Cambridge for a tenure of two years in the first instance. The Studentship is open to male graduates of any University in any country who were born at any place in the British Empire or Commonwealth other than in Scotland. The field of study is the therapeutic application of various radioactive chemical agents, and also chemotherapeutic agents, administered by intra-arterial injection and related investigations. Previous experience of radiotherapy is desirable. The salary will be determined by the Managers of the Elmore Fund within the range £850—£1,000 per year according to the student's experience and circumstances. It is likely that the successful applicant will be advised to become a registered research student. Applications should be sent before July 24th, 1959, to the Regius Professor of Physics, Department of Radiotherapeutics, Addenbrooke's Hospital, Cambridge, and should include a statement of previous appointments, copies of published papers and the names of three persons to whom reference may be made. (4899)

## THE WELSH NATIONAL SCHOOL OF MEDICINE

University of Wales

Applications are invited for the appointment of Assistant Lecturer (full-time) in the Department of Obstetrics and Gynaecology, for a period of one year in the first instance. Salary in the range £900 x £100—£1,250 per annum; Family Allowance and superannuation. If the person appointed also becomes holder of a research scholarship now vacant, the salary will be adjusted accordingly. Further particulars of the appointment may be obtained from the undersigned, by whom applications must be received within three weeks of the appearance of this advertisement. F. Dodsworth, Secretary, 34, Newport Road, Cardiff. (4824)

## UNIVERSITY OF CAMBRIDGE

Applications are invited for the post of University Demonstrator in Pharmacology. Salary according to qualifications and experience within the range £800 to £1,000 per annum, plus supplements. Applications (10 copies) together with the names of not more than three referees should be sent by September 18th, 1959 to J. W. Millen, Secretary of the Appointments Committee, Department of Anatomy, Downing Street, Cambridge from whom further particulars may be obtained. (4825)

## SCHOLARSHIPS

### UNIVERSITY COLLEGE, CORK

## NORTH EAST METROPOLITAN REGIONAL HOSPITAL BOARD

Applications are invited for the position of **ASSISTANT SENIOR MEDICAL OFFICER** at an inclusive salary scale of £1,884 12s. x £87 7s. (4)—£2,234 x £109 4s. (1)—£2,343 4s. per annum. The work will be to assist the Board's Senior Administrative Medical Officer in the medical administration of the hospital and specialist services of the Region. Candidates must have had hospital and administrative experience. The appointment will be whole time and subject to the conditions prescribed by the Ministry of Health for such a post. Applications, stating name and address, date of birth, full details of qualifications and experience, present appointment(s), grade and salary, together with names and addresses of three referees, should reach C. E. Nicol, Secretary, North East Metropolitan Regional Hospital Board, 40, Eastbourne Terrace, London, W.2, by July 25th, 1959. (5139)

## COMMERCIAL

## MERRELL-NATIONAL (Laboratories), LTD., 20, Saville Row, W.1

## MEDICAL DIRECTOR

A large Anglo-American pharmaceutical concern with extensive research programme requires the services of a full-time physician to initiate and supervise clinical studies in the United Kingdom. Applicants should be between 30 and 40 years and must have had at least the following experience: 3 years' general practice or 2 years as senior registrar, or previous employment in the pharmaceutical industry in a similar capacity. Evidence of ability to write clearly will be a decided advantage. Salary commensurate with qualifications and experience. Please send complete details of education and experience in confidence to: The Managing Director (5208)

## INDUSTRIAL APPOINTMENTS

Attention is drawn to the B.M.A. statement of policy on the remuneration of Industrial Medical Officers (as approved by the Annual Representative Meeting, 1958), which is available on request from the Secretary.

## PRESSED STEEL COMPANY LIMITED

## ASSISTANT MEDICAL OFFICER

Applications are invited for a vacancy which will occur in October next for an additional Assistant Medical Officer in the Cowley, Oxford, factory of this Company. The successful candidate will be British male, under 35, with wide clinical background and experience. Previous experience in Occupational Health and the possession of a D.I.H. are not essential but will be an advantage. Enthusiasm and a genuine desire to make a permanent career in industrial health are most essential. The medical department is of 30 years standing; up-to-date in policy and equipment; serves a factory population of 12,000. There are compulsory contributory pension and life insurance schemes and a medical examination will be required. Salary will be according to the scale recommended by the British Medical Association for Assistant Medical Officer with opportunity for later advancement to the grade and scale of Medical Officer. The starting level will be commensurate with age and experience. Applicants should be typewritten, tabulated, giving full particulars including age, education, medical training, career to date, names of two referees. They should be addressed to the Chief Medical Officer, Pressed Steel Co. Ltd., Cowley, Oxford. (5211)

Applications are invited from Registered Medical Practitioners between 30 and 45 years for the full-time appointment of Regional Medical Adviser to T. Wall & Sons (Ice Cream) Limited. This newly created post is to the Western Region of the Company, with a modern factory of advanced design, regional headquarters, cold store and workshops, situated on the outskirts of Gloucester. In addition there are 34 depots, with a large sales organisation, a transport and sales vehicle fleet which comprise the Field Force and part of the duties of the successful applicant will be to develop the Occupational Health Service in this section of the Company. The successful applicant will be responsible to the General Manager of the Region. He will be a member of the Management and Occupational Health team, and will have excellent opportunities to practice Occupational medicine in its widest sense. Although some experience in Occupational Health work is desirable, it is not essential. There is a compulsory contributory superannuation scheme and the salary will be based on the B.M.A. recommendation for the

grade of "Medical Officer." A short list of those invited to attend for interview will be made from the letters of application. Candidates are, therefore, asked to give full details of their careers and experience, including their reasons for wishing to practice Industrial Medicine. Two referees to whom reference may be made should be included. Applications should be submitted not later than July 25th to The Principal Medical Adviser, Unilever, Ltd., Unilever House, London E.C.4.

# You have good reason to prescribe Carnation Milk

*"The Feeding of Infants"—a book specially prepared for doctors—together with reprints of clinical investigations and Carnation feeding charts are available from: The Medical Dept., General Milk Products Ltd., Bush House, Aldwych, London, W.C.2.*

*CARNATION solves mother's problems in feed preparation—as well as meeting your exacting requirements. Clinical studies have proved that babies thrive on Carnation.*

*You can prescribe Carnation with complete confidence for the following reasons:—*

**DIGESTIBILITY** Carnation Milk ensures maximum digestibility because of soft granular curds and homogenized butterfat.

**STERILITY** Carnation Milk is sterilized *after* the tins are sealed. No matter when or where Carnation is bought, its sterility is assured.

**EASE OF PREPARATION** Carnation Milk saves time in preparation of feeds because it blends *instantly* with boiled water.

**FLEXIBILITY** Carnation Milk feeds are easily adjusted to individual requirements.

**ACCURACY** Carnation Milk is a liquid and provides for accurate measurement of every feed.

**VITAMIN D INCREASE** Carnation Milk is adequately fortified to a safe level with Vitamin D.

**UNIFORMITY** Carnation Milk is uniform because every tin is processed to precise standards of butterfat and total solids.

*These advantages uphold the highest standards of Infant Feeding when you prescribe Carnation.*

*For the best start in life....Carnation*
