logic points to

# Ledermycin<sup>†</sup>

DEMETHYLCHLORTETRACYCLINE

†TRADEMARK

**the foremost tetracycline of today**

Of all the antibacterial agents used in the past in the fight against chronic bronchitis, the tetracyclines unquestionably rank the highest in the opinion of a growing number of doctors. Today, the newest of the tetracyclines — LEDERMYCIN demethylchlortetracycline—is rapidly taking pride of place among this group of drugs because of the many immediate advantages it exhibits over earlier tetracycline derivatives. More and more doctors are recognising LEDERMYCIN as the most active tetracycline yet. Logic therefore points to the use of LEDERMYCIN in chronic bronchitis as in all conditions where a tetracycline is called for.

# THE FUTURE . . .

## AND HOECHST

The great German pharmaceutical company, Farbwerke Hoechst A.G., last year celebrated its seventy-fifth anniversary. It could look back on many outstanding developments in medical science that it had introduced—ranging from the first diphtheria antitoxin, to Rastinon, the established oral treatment of diabetes.

Today, in the Pharmacopoeia of every country are listed drugs originated at Hoechst; for example, in the British Pharmacopoeia 1958 are listed Procaine, Epinephrine, Mersalyl, Tetracaine, Pethidine, Methadone, and Normethadone, each one of which was discovered in the Hoechst laboratories.

300 graduate scientists—chemists, doctors, pharmacists—are employed by Hoechst in Frankfurt on pharmaceutical research alone. They work in ultra-modern laboratories, with all the equipment they could possibly need.

The promise from Hoechst is of even greater achievement in the discovery of new weapons against disease.

to counterbalance  
**the  
 restricted  
 diet**

Many patients are consuming diets restricted in one way or another

- the low calorie diet of the obese patient
- the low salt diet of the hypertensive
- the low fibre diet of the dyspeptic
- the low fat diet of the atheromatous

Others restrict their food intake because of domestic, psychological or financial stresses.

All these are subject to the risk of malnutrition in its various aspects and the sequelae often bring such patients for medical advice.

**JUVEL** was designed to meet the vitamin needs of patients in any of the above categories. It contains both fat-soluble and water-soluble vitamins in concentrations high enough to counterbalance dietary shortages and to have a definite therapeutic effect. It is now available in liquid form as well as in tablets.

**JUVEL**  
 now available in

TREATING  
BRONCHITIS  
?

### half-treatment

It would appear that antibiotics have now been accepted as a treatment for bronchitis. However, antibiotics alone may not be enough. Though undoubtedly improving the patient's health in the long run, they do not always offer the immediate symptomatic relief so necessary to his comfort and general well-being.\*

### complete therapy

Franol eases the patient's breathing by dilating the bronchioles and reducing mucous congestion. It encourages patient co-operation by freeing him from distressing symptoms and helping him to get unbroken rest at night.

Since its introduction, the prescribing of Franol for the relief of bronchitis and asthma has increased every year. More and more doctors regard Franol as an effective auxiliary in antibiotic treatment of bronchitis.

# “BRITAIN’S DRUG BILL NOT EXCESSIVE” SAYS LORD BOOTHBY

PRICE OF MEDICAL CARE CONSTANT  
FOR FIFTY YEARS

Opening Winthrop House, the new Surbiton offices of Winthrop Group, Ltd., the Rt. Hon. Lord Boothby, K.B.E., LL.D., spoke trenchantly on the subject of British expenditure on pharmaceutical benefits. He pointed out that the proportion of income per head of population spent on pharmaceutical services in the majority of countries which do not have a free health service is higher than in Britain. “This is true,” said Lord Boothby, “not only of the *total* expenditure on pharmaceutical benefits, but, in addition, the expenditure by the State or private insurance in these countries is also a higher percentage of per capita income than in Britain.”

## A MOST REMARKABLE FACT

Lord Boothby went on to discuss the question of drug costs. “We are told that it is necessary to curb the rising cost of drugs, yet in fact expenditure on drugs has always represented the same proportion of total National Health Service expenditure. This is true in spite of the enormous benefits from new, more complex, and therefore more costly drugs. At the present time about 3.7% of the national income is spent on the National Health Service. Going back over 50 years, to before the First World War, published figures show that this proportion has remained almost constant. This is a most remarkable fact when one considers the social and economic revolution which has occurred in the last half century.”

## LORD BOOTHBY LAUNCHES VIRUGON

At the end of the opening ceremony, Lord Boothby pressed a remote control button which set into motion machinery at the Winthrop Newcastle factory for the manufacture of Virugon. A new preparation of the Bayer Products Division, Virugon is the first anti-viral synthetic. It will be available in Britain from November 1st, 1960.

## Winthrop Chairman on "Obligation to Make Profits"

In welcoming Lord Boothby, the Chairman of Winthrop Group Ltd., Mr. L. M. Spalton, B.Pharm., M.P.S., said: "The pharmaceutical industry is a free enterprise institution which to survive has an obligation to make profits, and whose members compete strenuously one with another. They compete to find the next advance in therapeutics, and their fine record is so well known to you that I will not repeat it here. They compete to assist the medical profession in any and every way it is within their power or ingenuity to do. They compete to sell and to earn foreign currency for Britain. They compete continuously against themselves and obsolescence. For so dynamic is this industrial quest for knowledge that few drugs can anticipate widespread use for more than about five years."

Mr. Spalton went on to point out that it was time that the contributions of the pharmaceutical in-

dstry were more generally recognised and that the competitive circumstances with which it had to grapple—and incidentally the advantages that competition brought—were seen in proper perspective.

## QUOTES

### Answering the Prime Minister's call

"Four years ago we built in Newcastle-upon-Tyne the most highly mechanized pharmaceutical factory to be completed in post-war Britain. Today nearly 50% of the output of that factory goes overseas. Our pharmaceutical business in Britain is the fourth largest. The Prime Minister recently called for a great band of merchant adventurers to sell British goods overseas. I believe that we in Winthrop have already begun to act in the spirit and the letter of that call."

## Transcending National Barriers

"Why do our international company of people find co-operation possible, where elsewhere it is so difficult to obtain? I believe this happy state is due to their possession of a common purpose which transcends national barriers, and the job satisfaction that comes from rendering a service of immense value to their fellow men."

### Plaquenil breaks through the Iron Curtain

"Winthrop people know no barrier of nationality, race, creed, or colour, save the Iron Curtain. And whilst that barrier at present resists Winthrop people, it is not impervious to Winthrop products. Today Plaquenil, our latest contribution to the treatment of rheumatoid arthritis, is being exported to treat patients in Czechoslovakia and Poland, and is under clinical evaluation in Moscow."

### THE WINTHROP GROUP

Winthrop Group Ltd. comprises companies and divisions operating throughout Western Europe which, individually and collectively, are concerned with the discovery, development, manufacture and distribution of pharmaceutical products. In this country the Group includes Bayer Products and Winthrop Laboratories. Winthrop House is the new British headquarters.

### CONTROVERSIAL MEDICAL EXHIBITION EXTENDED

"Medicine Men of Today", the exhibition originally designed to mark the opening of Winthrop Group's new headquarters at Surbiton-upon-Thames, has aroused so much comment and attendance is such that it is now being extended until Friday, the 25th of November. The hours of the exhibition are: Mon.-Thurs. and Sat.: 11-8.30. Fri.: 11-4.

Travelling time from Waterloo station is about 15 minutes. Members of the medical profession and their friends are warmly invited to visit the exhibition.

DEMETHYLCLOLORTETRACYCLINE † TRADEMARK

**as the most  
powerful of all  
the tetracyclines...  
requiring only  
2 daily doses**

*Brit. med. J.* ii:959, 1960

"DMCT (LEDERMYCIN) has several well-ascertained advantages. Its activity exceeds that of TC (tetracycline) by a factor of about 2 \* DMCT is exceedingly stable \* It is much more slowly excreted, with the result that after the first few hours... it sustains an adequate level in the blood for much longer than any of the other three \* In terms of activity against many bacteria its superiority is even more striking \* It may confidently be said of DMCT that only two daily doses are required \* Owing also to its greater antibacterial activity, DMCT gives an equivalent therapeutic effect from a smaller dose than TC \* DMCT may prove to be the preferred tetracycline of the future."

*Practitioner* 185:483, 1960

"It appears likely that this new compound will replace tetracycline itself as the preparation of choice. Most effective blood levels are obtained with as low a daily dose as 600 mg. and this may be given in two divided amounts. Blood levels are maintained for up to forty-eight hours after treatment is stopped."

SEARLE

the first specific  
aldosterone-blocking agent

# Aldactone

Brand of Spironolactone. (SC 9420)

**The new therapeutic principle embodied in this drug effectively extends control of *oedema and ascites* in congestive heart failure, hepatic cirrhosis, the nephrotic syndrome and idiopathic oedema.**

Aldactone provides satisfactory relief of resistant or advanced oedema even when all other agents, alone or in combination, are ineffective or are only partially effective.

By blocking the effect of aldosterone which is the major cause of resistance to diuretics, and because of its different site and mode of action Aldactone has a true and highly synergistic activity when used with a mercurial or thiazide diuretic.

*What physicians may expect of Aldactone*

It is fully expected that Aldactone will change present medical concepts of therapeutic limitations in the management of oedema. Many patients living in a greater or lesser state of oedematous invalidism can now be oedema-free. To others, gravely ill, Aldactone will be life-saving.

When Aldactone is used in a comprehensive therapeutic regimen, which includes a mercurial or a thiazide diuretic, a satisfactory diuresis and relief of oedema may be expected in approximately 85 per cent of oedematous patients who would not otherwise respond.

## HIS TOP?

'Tenormal', the I.C.I. ganglion-blocking agent, has proved to be highly effective in the management of hypertension. Given by mouth it is completely and reliably absorbed and provides a constant and predictable hypotensive response. Excretion is rapid, toxicity low, and side effects easily controlled.

For the treatment of essential and malignant hypertension 'Tenormal' is available as tablets of 1 mg., 5 mg. and 10 mg. pempidine tartrate.

*Basic N.H.S. costs: 50 × 1 mg. tablets  
2/8d., 50 × 5 mg. tablets 7/6d. and 50 ×  
10 mg. tablets 13/4d.*

*These costs apply to packs of 50 tablets.  
Dispensing packs of 500 tablets are also  
available in each strength.*

## effective against *all* resistant staphylococci

BEECHAM RESEARCH LABORATORIES have pleasure in announcing Celbenin—the first non-toxic antibiotic effective against all resistant staphylococci.

Celbenin is bactericidal to all strains of staphylococci irrespective of their resistance to penicillin or any other antibiotic. Clinical results show that the problem of resistant staphylococcal infection can be overcome with Celbenin.

- \* effective against *all* resistant staphylococci
- \* non-toxic
- \* bactericidal in action
- \* no cross-resistance with other antibiotics
- \* resistance unlikely to develop

Celbenin is chemically: Sodium 6-(2,6-dimethoxybenzamido)penicillanate monohydrate.

#### ADMINISTRATION

Celbenin is given by intramuscular injection.

#### AVAILABILITY

Celbenin is presented as 1 gramme vials, in cartons of 5, 25, and 100.

# Aludrox SA

## the *complete* treatment for all your ulcer patients

### *Advantages*

1. Comprehensive treatment for your ulcer patient with **ONE** preparation only.
2. It rests the patient's ulcer by providing physical protection as well as prompt and prolonged antacid activity.
3. It rests the patient's gut by controlling abnormal motility and spasm.
4. It rests the patient's mind by allowing selective daytime sedation and by promoting a good night's sleep.
5. It allows simple, convenient and acceptable treatment—in liquid or tablet form—for all your dyspeptic patients.

### *Composition*

**SUSPENSION.** Each 5 ml. teaspoonful contains: Aluminium Hydroxide Gel B.P. 4.75 ml., Magnesium Hydroxide Gel, B.P.C. 100 mg., Butabarbitalone 8 mg., and Ambutonium bromide 2.5 mg.

**TABLETS.** Each contains Dried Aluminium Hydroxide Gel B.P. 290 mg., Magnesium Hydroxide B.P.C. 80 mg. Butabarbitalone 8 mg. and Ambutonium bromide 2.5 mg.

### *Indications*

Patients with peptic ulceration and associated dyspeptic conditions such as gastritis, oesophagitis, etc.

### *Dosage*

1 or 2 teaspoonfuls (or tablets) three or four times a day, before meals and the last dose at bedtime. May be taken alone or with water.

### *Side-effects and Contra-indications*

Side-effects associated with the barbiturate or antispasmodic components are unlikely to arise in the recommended dosage. There is, however, always a chance that drowsiness, dryness of the mouth, blurring of vision or mild constipation will arise in hypersensitive patients.

As with all preparations containing an antispasmodic, care should be taken in giving Aludrox SA\* to patients with glaucoma or prostatic hypertrophy, as well as to those with peptic ulcer complicated by cicatricial stenosis and pyloric obstruction.

### *Packs*

Suspension—bottles of 12 fl. oz. Tablets—bottles of 50 and 250.

## **'OTOSPORIN'** **clears infected ears**

The modern method of treatment in otitis externa, chronic suppurative otitis media, and infected mastoid cavities, is 'Otosporin' brand Drops.

'Otosporin' is an aqueous suspension containing both neomycin and polymyxin B sulphate which are together effective against practically all the bacteria found in ear infections.

They are unlikely to induce bacterial resistance or skin sensitisation, and neither of them gives rise to cross-resistance or cross-sensitisation to penicillin and other antibiotics. Their effectiveness is visibly enhanced by the hydrocortisone in 'Otosporin'; this, by reducing inflammation, not only relieves pain, but provides greater access for the antibiotics

# DEEP SKIN PENETRATION IN ARTHRITIS AND RHEUMATISM

NICOTINIC, SALICYLIC AND  
p-AMINOBENZOIC ACIDS in Ester form

IN CASES of soft-tissue rheumatism, and arthritic disorders, many doctors are tending more and more to regard Transvasin as an indispensable adjuvant to treatment.

For Transvasin is composed of the esters of nicotinic, salicylic and p-aminobenzoic acids. These esters readily pass the skin barrier in therapeutic quantities, and so enable an effective concentration of drugs to be built up where they are needed.\*

Transvasin not only induces vasodilatation of the skin with a superficial erythema, but also brings about a deep hyperaemia of the underlying tissues. It is non-irritant and can be safely used on delicate skins.

It is now being widely prescribed, with successful clinical results. Since a very small quantity is sufficient for each application, the cost of treatment is extremely low.

**For the  
relief of  
osteo-arthritis  
pain**

Valtorin's fifty per cent longer action makes it most suitable for long-term treatment. Because there is no interruption of analgesia between recommended doses patients' sleep is not disturbed by a recurrence of pain. No tinnitus, constipation or blood dyscrasias have resulted from prolonged treatment.

A recent investigation calls Valtorin a most useful addition to the limited number of preparations that may be used for long periods to relieve pain caused by osteo-arthritis.

## I'd like to borrow that...

These words, so often spoken, bring both pride and pain to the book lover. Obviously your choice of reading has been complimented. Not so obvious (but, alas, only too probable) is that you are going to lose forever one of your cherished books. There is nothing you can do about it except (1) tie the book to a ball of string and hold tight to one end—always liable to create the impression that you're not very trusting (2) get out a big ear trumpet and keep saying 'Eh?' (3) Keep your books—all of them—in a Minty bookcase.

The latter suggestion has many advantages. First, the affection you bestow upon your books is so obvious that the would-be borrower won't have the heart to disturb the well-ordered ranks of your library, and secondly he'll be so intrigued by the expanding, interlocking, glass-cased beauty of your Minty bookcase that he (or she) will be filled with an urgent desire to rush off and buy one himself—to house his borrowed books.

Minty sectional bookcases can be started from as little as £10.16.0d.—on deferred terms if you wish. You can see and buy them (together with Minty furniture) only at Minty Centres. These Centres are situated so that Minty is within reasonably easy reach of most people, but if for any reason you can't call, Minty will be glad to send you catalogues and full details of ordering by post. Write to Dept. B13, Minty Ltd., 44-45 High Street, Oxford.

# EFFECTIVENESS WITH ECONOMY

'EFFICO' tonic is a well-balanced combination of vitamins, traditional stimulants and bitter stomachics in a pleasantly flavoured syrup base. Its reliability as a restorative for the convalescent, the overworked and the aged, and in post-influenza and similar conditions, has been proved in extensive clinical use.

'EFFICO' Tonic with a basic N.H.S. cost of 2/2d per 8 fluid ozs. (total N.H.S. cost 4/1d) provides effectiveness with economy.

### THE EFFICO FORMULA

<i>Aneurine Hydrochloride B.P.</i>	1 mgm.
<i>Nicotinamide B.P.</i>	12 mgm.
<i>Tincture of Nux Vomica B.P.</i>	12 min.
<i>Caffeine Citrate B.P.C.</i>	4 grs.
<i>Tincture of Orange B.P.</i>	8 min.
<i>Tincture of Lemon B.P.</i>	4 min.
<i>Compound Infusion of Gentian B.P.</i>	200 min.

# Technique for the treatment of stubborn varicose ulcers with **ICHTHOPASTE** bandages and **ELASTOPLAST** compression bandages

**ICHTHOPASTE** applied to the skin beneath Elastoplast permits uninterrupted compression bandaging in cases of recalcitrant ulcers requiring long-term ambulatory treatment.

Make three slabs of Ichthopaste about 12 inches long by lapping the bandage backwards and forwards to give two or three thicknesses. Apply these to the anterior, lateral and medial aspects of the leg. Commencing just behind the toes, apply a complete Ichthopaste bandage, enclosing the heel and extending to a point immediately below the bend of the knee. Allow the bandage to follow its own course without pleating, and cut where necessary. Recomence bandaging to build up a uniform thickness of paste. Mould bandage carefully to conform evenly to the shape of the leg.

A complete Elastoplast bandage not less than 3" wide is now applied over the Ichthopaste, under firm compression from toes to knee including the heel.

In cases of copiously discharging ulcers and oedema, it may be necessary to change the bandages weekly at first, then at longer intervals as the ulcer dries and the oedema subsides.

**ELASTOPLAST** elastic adhesive bandages B.P.C. (porous) provide efficient compression and support, while permitting ambulation.

**ICHTHOPASTE** Zinc Paste and Ichthammol Bandages B.P.C. protect the hypersensitive skin and reduce oedema.

**★SERVICE MEMBERS** may have difficulty in supplying recent testimonials, but this should not deter them from applying.

### SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

#### Registrar Grades, Whole-time

(a) **REGISTRAR**: Posts obtained normally not less than one year after full registration as a medical practitioner and held normally for two years: £1,250 in the first year; £1,400 in the second and any subsequent years. Deduction of £215 per annum for compulsory residence; £255 per annum for voluntary residence.

(b) **SENIOR REGISTRAR**: Posts obtained normally not less than three years after full registration and held normally for four years: £1,500 by £100 to £1,800 in the fourth year; thereafter, £1,900 in the fifth and sixth years; £2,000 in the seventh and eighth years; £2,100 in the ninth and any subsequent years. Deduction of £250 per annum for compulsory residence; £275 per annum for voluntary residence.

#### Other Grades, Whole-time

(a) **HOUSE OFFICERS**: Each post in this grade shall be tenable for six months.

£675 per annum for the first post held; deduction of £155 per annum for compulsory residence or £135 per annum for voluntary residence;

£750 per annum for the second post held; deduction of £160 per annum for compulsory residence or £195 per annum for voluntary residence;

£825 per annum for the third and any subsequent posts held; deduction of £165 per annum for compulsory residence or £195 per annum for voluntary residence;

provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £750 per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff; provided further that where a House Officer has previously held two such outside posts the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that his remuneration shall be £825 per annum. Any House Officer who on first appointment is paid at the appropriate rate to the second or third post held in accordance with the above provision shall be paid at the third post rate for any subsequent appointments in this grade.

(b) **SENIOR HOUSE OFFICERS**: Posts obtained by fully registered medical practitioners and held normally for one year only: £1,050 on appointment at age 27 or under; £1,100 on appointment at age 28 or over. Deduction of £180 per annum for compulsory residence or £215 per annum for voluntary residence.

(c) **JUNIOR HOSPITAL MEDICAL OFFICERS**: Officers who have held house appointments but who are not registrars and who have less responsibility than other hospital officers of non-consultant status, and who have been appointed for a limited or an indefinite period, not less than one year after full registration as a medical practitioner: £1,100 by £60 (8) to £1,580. Deduction of £215 per annum for compulsory residence or £255 per annum for voluntary residence.

Allowances at rates of up to £100 per annum shall be payable to house officers, senior house officers, junior hospital medical officers and registrars occupying posts approved for such allowances in peripheral hospitals.

### ALL NATIONAL HEALTH SERVICE HOSPITAL APPOINTMENTS ARE IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF SERVICE OF HOSPITAL MEDICAL STAFF

Any advertisements appearing in this issue for posts in the hospital service which quote the rates of salary and other conditions which obtained before the recent agreement are published on the assumption that the employing authorities will in due course make the necessary adjustments. (17/10/60)

**PUBLIC HEALTH****CHESHIRE COUNTY COUNCIL****ASSISTANT COUNTY MEDICAL OFFICER**

Applications are invited from registered medical practitioners for appointment as full-time Assistant County Medical Officer on the County Medical Officer's staff for work in mid-Cheshire. The work will consist of attendance at child welfare centres, school medical inspection, and such other clinical work, including vaccinations and immunizations, as may be required by the County Medical Officer. Experience in the ascertainment of handicapped children will be an advantage. The appointment is superannuable, and subject to medical examination. Applications offering five or more half-day sessions per week will also be considered. Salary scale £1,150 by £60 to £1,510 by £65 to £1,640 per annum, with car allowance and subsistence allowance according to county scale (previous experience will be taken into consideration). Application forms, obtainable from the undersigned, should be returned to the address below not later than November 13, 1960.—Arnold Brown, County Medical Officer, County Hall, Chester. (3408)

**BRITISH MEDICAL JOURNAL****LANCASHIRE COUNTY COUNCIL****APPOINTMENT OF ASSISTANT DIVISIONAL MEDICAL OFFICERS**

Applications are invited from registered medical practitioners for appointment in **WHITWORTH / MILNROW / COLNE, KIRKBY, URMSTON**. Possession of Diploma in Public Health desirable, but not essential. Salary scale £1,150 to £1,640, commencing point according to experience. Assisted car purchase scheme and car allowance in accordance with County Council scale. Application forms, and further particulars, from County Medical Officer of Health, Serial 2888, East Cliff County Offices, Preston, to be returned as soon as possible.

**ADMINISTRATIVE COUNTY OF LONDON METROPOLITAN BOROUGH OF BATTERSEA****COMBINED APPOINTMENT OF DEPUTY DIVISIONAL MEDICAL OFFICER AND DEPUTY MEDICAL OFFICER OF HEALTH OF BATTERSEA**

The London County Council and the Metropolitan Borough Council of Battersea invite applications from registered medical practitioners holding a diploma in public health for the combined appointment of Deputy Borough Medical Officer of Health for Battersea and Deputy Divisional Medical Officer of the County Council's Health Division 9, comprising the Metropolitan Boroughs of Battersea and Wandsworth. Remuneration will be in accordance with the formula for mixed appointments approved by the Medical Whitley Council, and lying within the range £2,442 to £2,744. Commencing salary within this range will depend on the points on the constituent scales at which the two authorities respectively place the successful candidate. These two scales are: Deputy Divisional Medical Officer, £2,400 by £100 (3) to £2,700, and Deputy Borough Medical Officer of Health, £1,823 by £47 (2) by £43 (2) by £44 (1) to £2,047. Application forms, containing full particulars of the combined appointment, may be obtained from the Clerk of the London County Council (D.1/BM/2683/10), The County Hall, Westminster Bridge, London S.E.1. Completed forms should be returned by not later than the first post on November 10, 1960. (3508)

**CAMBRIDGESHIRE COUNTY COUNCIL****ASSISTANT COUNTY MEDICAL OFFICER**

Applications are invited from registered medical practitioners for this full-time appointment. Duties will be concerned with all aspects of public health within the County, including the School Health Service. Candidates should possess the D.P.H. or the D.C.H. Salary scale £1,150 to £1,640 a year. The appointment is permanent, superannuable, and subject to medical examination. Conditions of service are those recommended by the Whitley Council. The successful candidate should hold a current driving licence. Applications (no forms) should be forwarded to the undersigned, together with the names of three referees, by November 12, 1960.—Charles Phythian, Clerk of the County Council, Shire Hall, Castle Hill, Cambridge. (3306)

**CITY AND COUNTY OF BRISTOL**  
Department of Public Health

Applications invited from registered medical practitioners for following post:

**ASSISTANT MEDICAL OFFICER**

(male) for duties in the School Health and Maternal and Child Welfare Services. Opportunities to gain experience in other branches of public health and good facilities for research. Possession of Diploma in Public Health not essential. Salary scale: £1,150 by £60 (6) by £65 (2) to £1,640 per annum. Successful applicant must devote his whole time to duties and not engage in private practice. Consideration given to previous professional experience since qualification in determining starting salary. Applications, by November 7, on forms from Medical Officer of Health, Central Health Clinic, G.P.O. Box No. 201, Tower Hill, Bristol 2. (3639)

**KINGSTON UPON HULL CORPORATION****ASSISTANT MEDICAL OFFICER**

Applications are invited from registered medical practitioners, preferably holding a Diploma in Public Health, for the appointment of Assistant Medical Officer for duties in the School Health, Maternity and Child Welfare, Port Health, and other Local Authority services. Salary scale £1,150 by £60 (6) by £65 (2) to £1,640 per annum. Particulars of the appointment, and forms of application, may be obtained from the Medical Officer of Health, Guildhall, Kingston-upon-Hull, to whom completed application forms must be returned not later than November 15, 1960. (3679)

**LANCASHIRE COUNTY COUNCIL****APPOINTMENT OF ASSISTANT DIVISIONAL MEDICAL OFFICERS**

Applications are invited from registered medical practitioners for appointment in **WHITWORTH / MILNROW / COLNE, KIRKBY, URMSTON**. Possession of Diploma in Public Health desirable, but not essential. Salary scale £1,150 to £1,640, commencing point according to experience. ## COMMERCIAL APPOINTMENTS

## ASSISTANT MEDICAL ADVISER

Duncan, Flockhart & Co., Ltd., require an Assistant Medical Adviser for their Research Department in Edinburgh, where they carry out original research in the fields of chemistry, pharmacology, and therapeutics. The duties of the Assistant Medical Adviser will include the organization of clinical trials, general liaison with members of the medical profession, and literary work relating to company publications. The work is varied and does not entail the surrender of an interest in clinical medicine. There will be a certain amount of travel within the U.K., and possibly also abroad. Applicants should be under 35, and have a good medical qualification and some clinical experience. Intelligence, a good general education and an interest in pharmacology and therapeutics are essential, but special experience is not necessary. A five-day week, and pension scheme, are in operation. Salary by arrangement in accordance with experience and qualifications. Applications should be sent to the Director of Research, Duncan, Flockhart & Co., Ltd., Wheatfield Road, Edinburgh 11. (3498)

## ADMINISTRATIVE

EASTERN REGIONAL HOSPITAL BOARD  
(Scotland)

Applications are invited for an appointment as ASSISTANT SENIOR MEDICAL OFFICER on the Headquarters Staff of the Regional Board. The duties will be initially wholly in connexion with the planning of major building projects, including a new 700-bed Teaching Hospital to be built in Dundee. Previous experience of hospital organization and administration is desirable. Salary scale £2,170 by £80 (4) to £90 (1) to £2,580 per annum. Further particulars and forms of application from the Secretary to the Board, Vernonholme, Riverside Drive, Dundee, with whom applications should be lodged not later than November 19, 1960. (3907)

## GOVERNMENTAL

## MINISTRY OF LABOUR

## H.M. SENIOR MEDICAL INSPECTOR OF FACTORIES

Applications for this pensionable post in London are invited from men and women with high medical qualifications and a wide practical knowledge of industrial medicine. This is a key post in the field of industrial health. The successful candidate will be head of the Medical Branch of the Factory Inspectorate, which is concerned with the health, welfare, and safety of those covered by the Factories Acts. He will direct the work of H.M. Medical Inspectors throughout the country, who seek to promote better working conditions and practices and effective medical supervisory services; to identify and eliminate the causes of industrial ill-health; to make investigations directed to increasing basic knowledge of industrial medicine; and to further its application. The salary is £3,700.

The successful candidate will be expected to take up appointment as early as possible in 1961. Write Civil Service Commission, 6 Burlington Gardens, London W.1, for application forms, quoting 5225/60. Closing date November 18, 1960.

## SERVICES

The successful applicant will be expected to perform surgical operations such as ruptured appendix or duodenal ulcer as well as other ordinary operations and also give anaesthetic for the Local Private Practitioner and Flying Doctor, when necessary. Successful applicant will be eligible for superannuation. Applications, stating age, marital status, qualifications and experience, should be forwarded to the Agent-General, 408-409 The Strand, London W.C.2, not later than November 21, 1960. (3559)

**GENERAL HOSPITAL**  
St. John's, Newfoundland, Canada**INTERNS**

Applications are invited to fill vacancies on the Intern staff of the General Hospital, St. John's, Newfoundland. This 456-bed general hospital is approved for the pre-registration year under the General Medical Council. Salary is at the rate of £300 (£114), less a deduction of £55 (£20) per month for room and board. An additional allowance of £50 (£17) per month is payable to married applicants with one or more dependants who reside in St. John's. Transportation is provided to accepted applicants on the basis of one year's service. Return fare is provided for the applicant for repatriation purposes at the satisfactory completion of one year's service. Three weeks' vacation is provided, and interns have every second night off duty. Assistance will be provided in finding employment for wives of married interns if requested. Further information can be obtained from the Superintendent, The General Hospital, St. John's, Newfoundland, Canada. (3871)

**GENERAL HOSPITAL**  
St. John's, Newfoundland, Canada**RESIDENTS IN ANAESTHESIA**

Applications are invited to fill vacancies in anaesthesia on the resident staff of the General Hospital, St. John's, Newfoundland. This 456-bed acute general hospital has all major services except obstetrics. These training positions are recognized and approved by the Royal College of Physicians and Surgeons of Canada, as well as the Faculty of Anaesthetists, Royal College of Surgeons of England. Salary range is \$3,600 to \$6,000 (£1,286 to £2,143) per year, depending on previous training and experience. An additional allowance of £50 (£17) monthly is payable to successful applicants with one or more dependants who reside in St. John's. Board and lodging can be provided in the hospital at a cost of £55 (£20) per month. Transportation is provided from Canadian and United Kingdom centres on the basis of one year's service. Further information can be obtained from the Superintendent, The General Hospital, St. John's, Newfoundland, Canada. (3870)

**GHANA CIVIL SERVICE****MEDICAL OFFICERS, Ministry of Health**

Vacancies exist in Ghana for a number of Medical Officers for general duties. Candidates should have preferably a United Kingdom registrable qualification and must have approved hospital experience. These posts are on contract in the first instance for two tours each of 15 to 18 months' duration, in salary scale £1,660 to £2,400 per annum, plus £150 per annum gratuity. Generous home leave and low local income tax. Special allowances for holders of higher qualifications. House with hard furniture at nominal rental, car allowance, air passages for self, wife, and three children under 18 years. Private practice not allowed. There is urgency to fill these vacancies immediately, and successful candidates will be required to leave for Ghana as soon as possible. Application forms may be obtained from the Director of Recruitment, Ghana High Commission, 248 Tottenham Court Road, London W.1. (3340)

**INSTITUTE OF MEDICAL AND VETERINARY SCIENCE****VIROLOGIST**

Applications are invited from medical graduates and science graduates with a higher degree for the appointment of Head of the Division of Virology, the duties of which include supervision of diagnostic services and the carrying out of special investigations on and research into virus diseases. The laboratories are modern and all the usual facilities and equipment for virus investigations are available. The appointment will be for five years in the first instance. Superannuation schemes are available. The salary range is £A.2,715 to £A.3,320 per annum for medical graduates, and the appointee will be placed in this or an appropriate range according to qualifications and experience. First-class fares will be paid. Further particulars may be obtained from the Director, P.O. Box 14, Rundle Street, Adelaide, South Australia. (3231)

**GOVERNMENT OF UGANDA****PATHOLOGIST**

required. He (or she) would be based at Central Protectorate Government Laboratories in Kampala and would be on staff of Senior Pathologist. Duties include some teaching, forensic medicine, and haematology. A very wide range of clinical and pathological conditions exist in Uganda and there are excellent opportunities for research and publication of material. Candidates must be registrable in the United Kingdom. Appointment on permanent basis with pension (non-contributory) and salary £1,284 to £2,115 a year, or on short-term contract, with gratuity, and salary £1,503 to £2,115 a year. Salary starting point determined by qualifications and experience. Gratuity (taxable) for contract service is 13 1/3% of total salary drawn, excluding allowances. Pension at rate of 1/600th of final pensionable emoluments for each completed month of service. Candidate in National Health Service may retain superannuation rights up to six years and receive gratuity (taxable) of 20% of salary after engagement. Quarters at low rental. Items of hard furniture supplied at additional rental of £12 to £24 a year. Free passages in both directions for officer serving tour of 30-36 months—i.e., tour air passages provided for officer, wife, and dependent children, or sea passages up to cost of three adult fares. European primary schools in certain centres; in other centres, subsidy of £90 per annum (or half school fees, whichever is less) for education of first child outside East Africa, with additional subsidy of £9 for second child and £18 for third or subsequent child attending school at same time. Secondary school facilities in Kenya. For a child at boarding school in United Kingdom (or elsewhere in Commonwealth) subsidy of £140 per annum (or 3/5ths of fees, whichever is less), with additions as above for second and subsequent children. Income tax at local rates. Local leave permissible and generous home leave granted after each tour. Application forms from Director of Recruitment, Colonial Office, London S.W.1 (quoting BCD117/9/018). (3872)

**TORONTO, Ontario, Canada****RESEARCH FELLOW**

required to conduct studies in the results of the treatment of trauma. Our present project concerns the effectiveness of treatment and the natural history of low back pain. The appointment would be full-time, working at the Hospital and Rehabilitation Centre operated by the Workmen's Compensation Board, Ontario. The duration of the contract would be a minimum of one year, renewable if all concerned are satisfied. If interested, direct inquiries to B. H. G. Curry, M.D., F.R.C.S.C., Medical Director, Hospital and Rehabilitation Centre, 115 Torbarrie Road, Downsview, Ontario, Canada.

**TASMANIA****RESIDENT MEDICAL OFFICER APPOINTMENTS**

Several Resident Medical Officer appointments will become vacant in Tasmanian Hospitals in January, 1961. Applications are invited for posts at the Launceston, Mersey and Burnie General Hospitals for a period of two years on rotating duties. (There are no obstetrical beds at the Launceston General Hospital.)

There is a comprehensive consultant medical staff at each hospital. The hospitals are recognized by the General Medical Council in the United Kingdom and by similar bodies in Australia for the purposes of pre-registration Hospital Service.

**Salaries.**

Launceston General Hospital: £A.1,191 per annum first year; £A.1,342 10s. per annum second year; £A.1,494 per annum third and subsequent years.

Mersey and Burnie General Hospitals: A fixed salary of £A.1,494 per annum.

Accommodation, free board and accommodation are provided. Married quarters are available at the Mersey and Burnie General Hospitals, and a limited number of married quarters at the Launceston General Hospital. When no married quarters are available, a living out allowance at the rate of £A.156 per annum is payable. No free board is provided for wives, but married quarters are free.

Passages to Tasmania. Air and sea passages are available under the Commonwealth Immigration scheme. Further details of the hospitals and their environment, travelling arrangements and other matters can be obtained from the Agent General for Tasmania in London. Coloured photographs of the hospitals and Tasmania can be seen at the Agent General's office. Applications, in duplicate, accompanied by recent testimonials, along with a curriculum vitae, should be made to:

The Agent General for Tasmania,

457 Strand,

London W.C.2.

(3716)

**THE CORNWALL HOSPITAL**  
Cornwall, New York**HOUSE PHYSICIAN**

General Practice in 80-bed hospital 60 miles from New York City. \$350 per month, plus full maintenance. Must be E.C.F.M.G. qualified. No exchange visitors. Ideally opening and openings for January '61. Write Administrator. (872)

**THE NEW SOUTH WALES STATE CANCER COUNCIL****RESEARCH PATHOLOGIST**

Applications are invited for this appointment at the Special Unit for Investigation and Treatment, comprising twenty-eight in-patient beds and complete self-contained operating and laboratory facilities devoted solely to cancer. The Unit is situated at the Prince of Wales Hospital, Randwick. The pathologist, who must be a graduate in medicine of a recognized university and possess a postgraduate degree in pathology or equivalent qualification, with additional extensive experience in modern clinical, experimental and histo-pathology, will be required to develop research projects related to causes and treatment of cancer, within the framework of the general research programme approved by Council. Under the direction of the Honorary Director of the Unit, he will be in administrative control of the laboratory staff. Salary range £A.3,268 to £A.4,228 per annum. Commencing salary according to qualifications and experience. Full details of conditions of employment, superannuation benefits, research programme, etc., are available from the Medical Director of Council at the undermentioned address. Applications, endorsed "Application for Research Pathologist," closing December 31, 1960, to be addressed to the Secretary, The New South Wales State Cancer Council, Box 4383, G.P.O., Sydney, Australia. (3845)

**UNIVERSITY OF KHAIROU**

Base in Europe preferred, but prepared to stay in U.S.A. American licence held.—Box 2809, B.M.J.

**UNIVERSITY AND RESEARCH****APPOINTMENTS, etc.****EMPIRE RHEUMATISM COUNCIL****Applications are invited for an EMPIRE RHEUMATISM COUNCIL FELLOWSHIP**

at a salary, according to qualifications and experience, of up to £2,000 per annum, renewable annually for a period of three years, to prosecute research in the field of rheumatism. Medical or scientific qualifications are needed. Applications, stating age, qualifications and experience, together with details of proposed research, in triplicate, should be sent, with the names of two referees, to the General Secretary, Empire Rheumatism Council, Faraday House, 8-19 Charing Cross Road, London W.C.2, before December 15, 1960. Further information available on application to the above. (3563)

**INSTITUTE OF BASIC MEDICAL SCIENCES****LECTURER IN MICROBIOLOGY**

Applications are invited for the above appointment. Applicants should hold a medical qualification and have had training in general pathology. A higher qualification in pathology is desirable. The successful applicant will work in the new department of microbiology, and should preferably have experience in the methods of virus and tissue culture. The salary and conditions for the post are governed by the University scale for Clinical Lecturers, i.e., £1,150 by £100 to £1,750 per annum, which includes membership of the F.S.S.U. Superannuation System and the payment of family allowances. Applications, with the names of two referees, should reach the Secretary, Institute of Basic Medical Sciences, Royal College of Surgeons of England, Lincoln's Inn Fields, London W.C.2, by November 21, 1960. (3865)

**MEDICAL RESEARCH COUNCIL****REGISTRAR**

required for work in their Department of Experimental Medicine at the University, Tennis Court Road, Cambridge. Salary according to qualifications and experience within the range of £1,050 to £1,625 per annum (Council Grades III and II revised non-clinical rates). Appointment three years in the first instance. Apply Director, at above address. (3796)

**THE UNIVERSITY OF LEEDS****Department of Pharmacology**

Applications are invited for appointment as **LECTURER or ASSISTANT LECTURER** in the Department of Pharmacology. Experience in chemical or biochemical aspects of Pharmacology is desirable but not essential. The department has teaching responsibilities to medical and dental students and to students in the Special Studies schools of Pharmacology and Pharmacy. Salary scale for Lecturer £1,350 by £100 to £1,850, by £125 to £2,100 (efficiency bar at £1,750) if medically qualified; £1,000 by £50 to £1,400, by £75 to £1,850 (efficiency bar at £1,550) if not medically qualified. Salary scale for Assistant Lecturer, £1,050 by £50 to £1,150 if medically qualified; £800 by £50 to £950 if not medically qualified. The salary paid will be in accordance with age, qualifications and experience. Applications (three copies), with the names of three referees, should reach the Registrar, The University, Leeds 2 (from whom further particulars may be obtained), not later than November 14. (3863)

**THE UNIVERSITY OF LEEDS****The Department of Pathology**

Applications are invited for the post of **ASSISTANT LECTURER** in the Department of Pathology, at a salary on the scale £900 by £100 to £1,100, according to age, qualifications and experience. The post is suitable for a young medical graduate interested in academic pathology and particularly in experimental methods, but he will also be expected to devote some of his time to routine hospital and teaching activities. Applications (three copies), stating date of birth, qualifications and experience, together with the names of two referees, should reach the Registrar, The University, Leeds 2 (from whom further particulars may be obtained), not later than November 30, 1960. (3891)

**THE UNIVERSITY OF LEEDS**  
**Department of Experimental Pathology and Cancer Research**

Applications are invited for appointment as **SENIOR LECTURER** in the Department of Experimental Pathology and Cancer Research at a salary on the scale £1,950 by £100 to £2,150 by £125 to £2,525, if medically qualified; £1,750 by £75 to £2,125, if not medically qualified. A medical qualification is desirable but by no means essential. Applications (12 copies), stating date of birth, qualifications and experience, together with the names of three referees, should reach the Registrar, The University, Leeds 2 (from whom further particulars may be obtained), not later than November 22, 1960. (3973)

**THE UNIVERSITY OF MANCHESTER**

Applications are invited from candidates with medical qualifications registrable in this country for the post of

**LECTURER IN ANATOMY**

Good research facilities are available. Salary (£ sterling) on the scale of £1,500 to £2,275 per annum, with membership of F.S.S.U. and Children's Allowance Scheme; initial salary according to qualifications and experience. The successful candidate will be expected to take up his duties as soon as possible. Applications should be sent, not later than November 7, 1960, to the Registrar, The University, Manchester 13, from whom further particulars and forms of application may be obtained. Overseas applicants should send letters of application in the first instance giving details of qualifications and experience, and should submit the names of at least three persons to whom reference may be made. (3469)

**THE UNIVERSITY OF MANCHESTER**

Applications are invited from candidates with medical qualifications registrable in this country for the full-time post of

**ASSISTANT LECTURER IN ANATOMY**

Good research facilities are available. Opportunities may be available for the person appointed to work in the Department of Anaesthesia in the Manchester Royal Infirmary; approximately half of his duties would be performed in this department, and some experience in anaesthesia is essential. Salary, per annum, on a scale £1,000 to £1,400, initial salary according to qualifications and experience. Membership of F.S.S.U. and Children's Allowance Scheme. Duties to commence on January 1, 1961, or as soon as possible thereafter. Applications should be sent, not later than November 12, 1960, to the Registrar, The University, Manchester 13, from whom further particulars, and forms of application, may be obtained. (3516)

**THE UNIVERSITY OF MANCHESTER**

Applications are invited from persons with medical qualifications registrable in this country for the full-time post of

**LECTURER IN PSYCHIATRY**

Present salary scale rises to £2,100 per annum, according to qualifications and experience. Duties to begin as soon as possible. The successful applicant will be required to work in the Department of Psychiatry in the Manchester Royal Infirmary, and the Board of Governors of the United Manchester Hospitals may be prepared to negotiate an honorary contract as Consultant with the person appointed. Applications should be sent, not later than November 12, 1960, to the Registrar, The University, Manchester 13, from whom further particulars and forms of application may be obtained. (3470)

**THE UNIVERSITY OF SHEFFIELD**

Applications are invited for a full-time post of **LECTURER IN MEDICINE** to begin duties as soon as possible. Duties will include instruction of medical students, prosecution of research, and participation in the clinical work of the Department of Medicine. The lecturer will be required to assist the Professor of Medicine in the care of in-patients and out-patients at the Royal Hospital Unit of the United Sheffield Hospitals. Preference may be given to a candidate with research experience in respiratory disease. Salary scale (now under review) £1,200 by £100 to £1,900, with F.S.S.U. provision and family allowance. A grant towards removal expenses will be made. Further particulars may be obtained from Registrar to whom applications (six copies) should be sent by November 19, 1960. (3864)

**URGH POSTGRADUATE BOARD FOR MEDICINE**

Course in Endocrinology, to be arranged by Sir Derrick Dunlop, Professor of Therapeutic and Clinical Medicine, will be conducted at Royal Infirmary, Edinburgh, from March 13 to 17, by members of the Departments of Therapeutic and of Medicine in the University of Edinburgh by visiting consultants. This course is for physicians or surgeons who already hold a diploma. The class will be limited to not more than 20 students. Fee: £15. Applications should be received before February 15 by the Director of Studies, Edinburgh Postgraduate Board for Medicine, Surgeons' Hall, Edinburgh 8. Further particulars can be supplied on application. (7941)

**URGH POSTGRADUATE BOARD FOR MEDICINE**

Graduate Course in Gastroenterology will be held in the Western General Hospital, Edinburgh, and conducted by the joint medical and nursing staff of the Gastrointestinal Unit. The course will deal with those conditions which have been specially studied in the Unit and are of outstanding importance, but will not be wholly comprehensive or planned to cover the requirements of any examination. The course is designed for both physicians and surgeons, preferably those who already hold a higher diploma. Formal lectures will be given followed by discussion, and each afternoon there will be a clinical demonstration of cases. The course will be held from March 20 to 25, 1961, inclusive, and the class will be limited to 20 students. Fee: £15. Programme of course includes: Symptomatology of alimentary disease, gastric secretion, experimental surgery, gastrointestinal post-operative syndromes, investigation of pancreatic disease, liver function, gastrointestinal hormones, intestinal absorption, ileitis and colitis, etc. Applications for enrolment should be received before February 20, 1961, by the Director of Studies, Edinburgh Postgraduate Board for Medicine, Surgeons' Hall, Edinburgh 8. Further particulars can be supplied on application. (7940)
