STELADEX SPANSULE

sustained-release capsules answer every requirement in obesity therapy

For the child, as for the adult, obesity often brings a curtailment of activity, and diminished social esteem. These sequelae can lead to further overeating as an escape from mental stress. Hence, paradoxically enough, many patients who are overweight eat excessively *because* they are overweight.

'Steladex Spansule' sustained-release capsules answer every requirement in obesity therapy. They effectively curb the appetite; they allay stress and emotional tension; and they leave the patient calm and composed—able to carry on normal daily activities during the rigours of strict dieting.

Smith Kline & French Laboratories Ltd
Welwyn Garden City, Herts

'Steladex Spansule' sustained-release capsules each contain 10 mg. 'Dexedrine' (brand of dexamphetamine sulphate) and 2 mg. 'Stelazine' (brand of trifluoperazine).

'Steladex', 'Stelazine', 'Dexedrine' and 'Spansule' are trade marks.

A Helpful Synopsis . . .

for prescribing Elastic Hosiery under N.H.S.

For VARICES

... OPTIMUM SUPPORT FOR ALL AVERAGE CASES

N.H.S.: - ELASTIC YARN

THIGH STOCKINGS

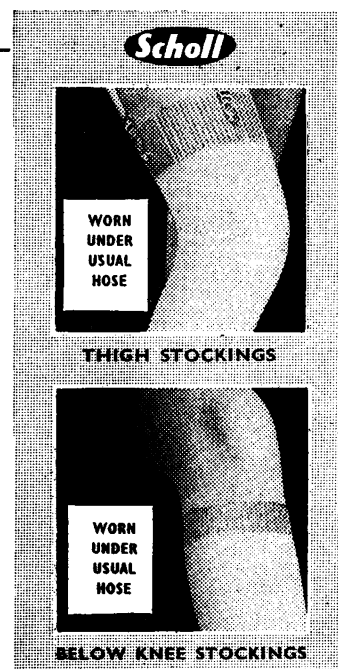

Virtually invisible, worn under the usual hose. Seamless throughout. Soft-Grip at top and foot, avoids constriction. Prescribed mainly for women.

SPECIFY: Thigh Stockings, Elastic Yarn, Soft-Grip.

BELOW KNEE STOCKINGS

Non-slip. Stay up without suspenders. Virtually invisible under usual hose. Seamless. No constriction, ridges or creases. Generally preferred for men.

SPECIFY: Below Knee Stockings, Elastic Yarn, Superlastik.

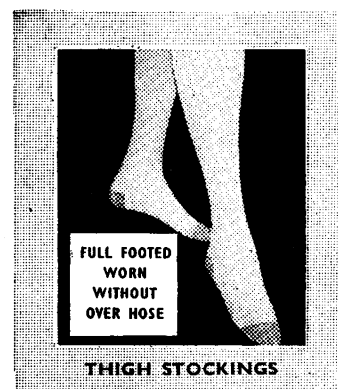

For EARLY VARICES

AND FOR PROPHYLAXIS IN PREGNANCY

N.H.S.: - LIGHTWEIGHT NYLON ELASTIC YARN

Full-footed, closed-toe style thigh stockings for women. Provides support that is adequate in milder cases of varices, and in pregnancy. Worn without over-hose.

SPECIFY: Thigh Stockings, Nylastik.

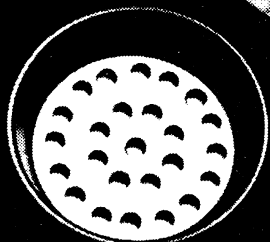

☞ Frequent laundering and slow drying, away from fires, considerably lengthens the life of all elastic hosiery. Economy is promoted when patients have a second pair to permit correct laundering.

The *Scholl* name on the prescription ensures support and comfort to meet each patient's need

GLAXO

TRICLORYL

TABLETS

TRICLORYL (triclofos) is a new pharmaceutically flexible compound developed by Glaxo research.

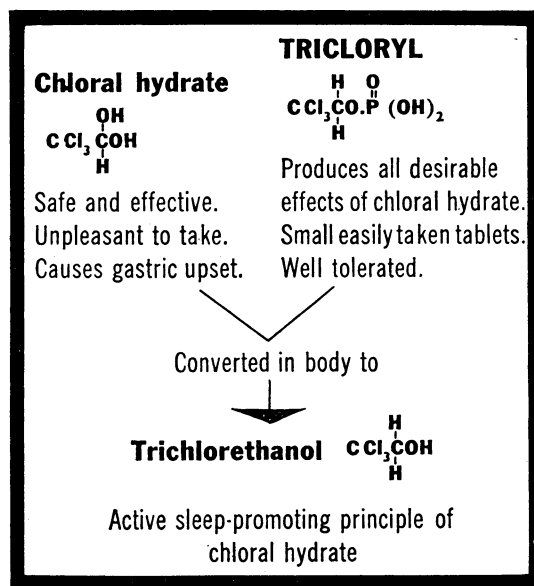

Presented as a *tablet*, Tricloryl offers all the outstanding advantages of chloral hydrate without the latter's objectionable taste or gastric irritant properties.

Safe alternative to barbiturates

Despite their well recognised hazards, and mainly because of lack of suitable alternatives, the barbiturates are still widely prescribed. Although it does not entirely replace the barbiturates, Tricloryl is of much greater benefit and safer to use in the great majority of patients.

Relationship to chloral hydrate

After oral administration chloral hydrate is converted to trichlorethanol, its active sleep-promoting principle. Tricloryl is a chemically stable phosphoric ester of this substance which in the body is rapidly hydrolysed back into trichlorethanol. It shows all the characteristic and well known properties of the parent compound without any unpleasant after-effects.

Sound sleep without daytime drowsiness

Tricloryl produces a sound sleep which is of the same degree and duration as that induced by chloral hydrate. The patient is easily aroused, if need be. He wakes refreshed in body and mind and there is no drowsy daytime aftermath.

Tricloryl not only has a much higher safety factor than the barbiturates—there is also much less fear of habituation.

The tablets are small and easily taken with water. Dosage is from 1 to 4 tablets daily.

Tricloryl is a safe and reliable way of promoting sound sleep in the great majority of patients.

TRICLORYL

Tablets of 0.5 gram triclofos monosodium salt.
In bottles of 20, 100 and 500.

Erythrocin^{Regd.}

offers unsurpassed safety

ERYTHROCIN Stearate is, and has been, considered one of the safest antibiotics in practice. After millions of prescriptions, *there has not been a single report implicating it with damage to the Kidneys . . . the Liver . . . or the blood-forming organs.*

But Erythrocin has more than just an outstanding record of safety. It is also a potent agent with bactericidal activity against many of the everyday infections encountered in general practice. Whenever a coccal infection is involved, and this includes many staphylococci that have developed resistance to penicillin and the tetracyclines, Erythrocin should be considered.

When it comes to patient-sensitivity to penicillin, many physicians consider this point alone an important reason for prescribing Erythrocin. Allergic reactions may occur but sensitivity to Erythrocin is so rarely encountered that it is seldom an obstacle to treating patients.

Erythrocin^{Regd.}

(ERYTHROMYCIN)

Stearate, Abbott

Available as 100 mg. and 250 mg. Filmtabs.

Erythrocin is also available as oral suspension,
and IM and IV injectables.

BOOTS PURE DRUG COMPANY LIMITED • STATION STREET • NOTTINGHAM

“The most popular antibiotics for topical application . . .

. . . are bacitracin, polymyxin, and neomycin because of their stability, limited diffusion, low allergenic potential and high clinical efficacy against organisms . . .”

(New England J. Med. (1959) 261, 756.)

‘CORTISPORIN’ OINTMENT

issued in tubes of 4 gm. and 10 gm. has all these merits, for it contains all three antibiotics. In each gramme of petrolatum base is: polymyxin B sulphate 5,000 units · zinc bacitracin 400 units · hydrocortisone 10 mgm. · neomycin sulphate 5 mgm.

‘CORTISPORIN’ LOTION

issued in bottles of 10 c.c. is indicated for larger, moist or abraded lesions. It contains, in each c.c. of aqueous vehicle: polymyxin B sulphate 10,000 units · hydrocortisone 10 mgm. neomycin sulphate 5 mgm.

The hydrocortisone in ‘CORTISPORIN’ products reduces inflammation and therefore enables the potent antibiotics to reach bacteria more easily.

Skin sensitisation has not been reported with ‘Cortisporin’ products. Cross-resistance or cross-sensitisation to other antibiotics does not occur.

‘CORTISPORIN’

OINTMENT AND LOTION

—antibacterial, anti-inflammatory

**A new
powerful
analgesic
'NUMORPHAN'
ORAL**

TRADE MARK

'Numorphan' Oral is a new potent oral analgesic; it possesses an analgesic potency at least equal to that of morphine and greater than that of pethidine.

Onset of action is rapid. In clinical trials satisfactory analgesia was obtained within thirty minutes with a single tablet and analgesia remained adequate for three hours.

Other advantages include low toxicity, ease of administration and relative freedom from side effects. In clinical trials "no untoward respiratory depression was noted" and "euphoria was not a feature of the drug".

INDICATIONS

'Numorphan' Oral is recommended in cases of severe pain due to neoplastic conditions and in severe pain of short duration.

INITIAL DOSE

One tablet which may be increased or repeated at the discretion of the physician.

PRESENTATION

'Numorphan' Oral tablets each containing 15 mg. 14-hydroxydihydromorphine.

Bottles of 25, 100 and 500 scored tablets at 7/6, 25/- and 100/- respectively.

NEW for Bronchospasm...

From the C. H. Boehringer laboratories—which first synthesised isoprenaline—now comes ALUPENT, a further advance in the management of bronchospasm. ALUPENT is as effective as isoprenaline, but has a much longer action and a minimum of side-effects. It gives effective coverage both prophylactically and for treatment of the acute attack. ALUPENT, available in tablets which can be swallowed, inhalant solution, and ampoules, is the first new Boehringer product to be introduced since the founding of the independent British company on May 1st. Both the product and the event symbolise C. H. Boehringer's increasing service to British medicine.
Dosage: 1 to 2 tabs. q.d.s.

FOR PATIENTS WHO WANT TO STOP SMOKING...

Bantron

THE FIRST CLINICALLY-TESTED FORMULA OF ITS KIND TO
HELP MEN AND WOMEN TO STOP SMOKING SUCCESSFULLY

Published results of clinical trials have proved that 83% of patients who wished to stop smoking did so after taking BANTRON tablets for 5-7 days.

A strong background of clinical evidence is now available to show that Bantron Smoking Deterrent Tablets are more than 80% effective in helping chronic chain smokers give up smoking completely. Bantron helps the smoker by removing the craving for nicotine in the system and not by affecting the taste or making smoking unpleasant or intolerable. By buffering lobeline sulphate with antacid, it is now possible to utilize lobeline without unpleasant side effects.

Lobeline was previously investigated for breaking the tobacco habit, but side effects were considered too severe for a patient to tolerate.^{1,2} Now, after extensive work by other clinicians, undesirable side effects have been eliminated by combining fast and slow acting antacids with smaller amounts of lobeline sulphate.³ A new method of measuring micro-quantities of lobeline in blood has been devised.⁴ It was established that lobeline

does not enter the blood stream when given alone, but in combination with antacids, it is absorbed into the blood stream. A direct relationship between the blood level of lobeline and the lessening of the desire to smoke, was then established clinically. It was shown that even if the subject had no desire to stop, the total amount of smoking was reduced. Furthermore, it was shown that BANTRON is harmless, having no undue effects on the heart rate, blood pressure, respiratory rate, digital skin temperature and gastrointestinal tract.

In those patients demonstrating a desire to give up smoking, four out of five persons stopped within one week following the B A N T R O N regimen.

HYPERTENSION

a major advance in treatment

'ALDOMET' is a unique antihypertensive agent. Its development has stemmed from fundamental research on antagonists to the biosynthesis of pressor amines from aromatic amino acids.

'ALDOMET' provides effective lowering of standing and lying blood pressure, usually without symptomatic postural hypotension. Daily blood pressure fluctuations are minimised. Exercise hypotension rarely occurs.

'ALDOMET' may replace ganglion and adrenergic blocking agents in many patients including some with severe benign or malignant hypertension.

A striking feature of therapy with 'ALDOMET' is the general lack of severe side effects—patients usually feel well and improve symptomatically.

'ALDOMET' is supplied as tablets containing 250 mg. methyldopa, for oral administration. Fully detailed information on 'ALDOMET' is available on request.

WORK FOR KINDHEART

IN the 15th century much of our dental care was in the untutored hands of itinerant toothdrawers. These vagabonds toured the land decked in necklaces and belts of old teeth, announcing their presence with the cry "Touch and go, touch and go . . . Ha' ye work for Kindheart the toothdrawer?" And the cynical populace coined the expression "He lies like a toothdrawer".

Mercifully, there is nothing touch-and-go about today's Kindhearts. We greet them with neither cynicism nor terror, but with the respect which is their due. And nowadays we know how to co-operate with the dentist to maintain our dental health. We know, for example, that the earlier we start our children in good dental habits—by teaching them the C D E F rule for good teeth—the more promise we give them of healthy teeth both now and in later life.

C **CLEANING** Often and thorough, to remove food particles that can cause decay. After each meal if possible, and always with a brush at bedtime.

D **DENTIST** Regular visits to catch any trouble early.

E **EXERCISE** Lots of chewing exercise—apples, celery, chewing gum, raw vegetables. Chewing helps to clean teeth, promotes flow of saliva (nature's mouth-wash); stimulates gums, aids proper jaw development.

F **FOOD** Plenty of milk, butter, cheese and eggs: rich in minerals and vitamins for strong teeth and healthy gums.

A natural action laxative

When advising a laxative, medical preference usually favours the use of a product which acts in a perfectly natural way. Andrews meets this demand admirably. Its effect is to increase the fluid content in the bowel by osmosis and so induce a mild and natural aperient action that does not irritate the intestine.

Andrews will be found particularly useful for relieving constipation arising from decreased food intake, either during illness or restricted diet.

Andrews has further advantages, it is mildly antacid and relieves gastric discomfort. It also improves the flow of bile and helps to check biliousness and sick headaches.

The pleasant taste and refreshing effervescence of Andrews make it readily acceptable to most patients.

ANTIBIOTIC-INDUCED DIARRHOEA*

There is good evidence in continental literature, for which further confirmation is being sought in this country, that this troublesome complication of broad-spectrum antibiotic treatment can be relieved or prevented by administering living antibiotic-resistant *Lactobacillus acidophilus* in the form of ENPAC.

The lactobacilli can be shown to establish themselves and multiply in the bowel, and their presence is inimical to that of pathogens, including, according to some reports, *Salmonella* species, and to *Candida* and staphylococci.

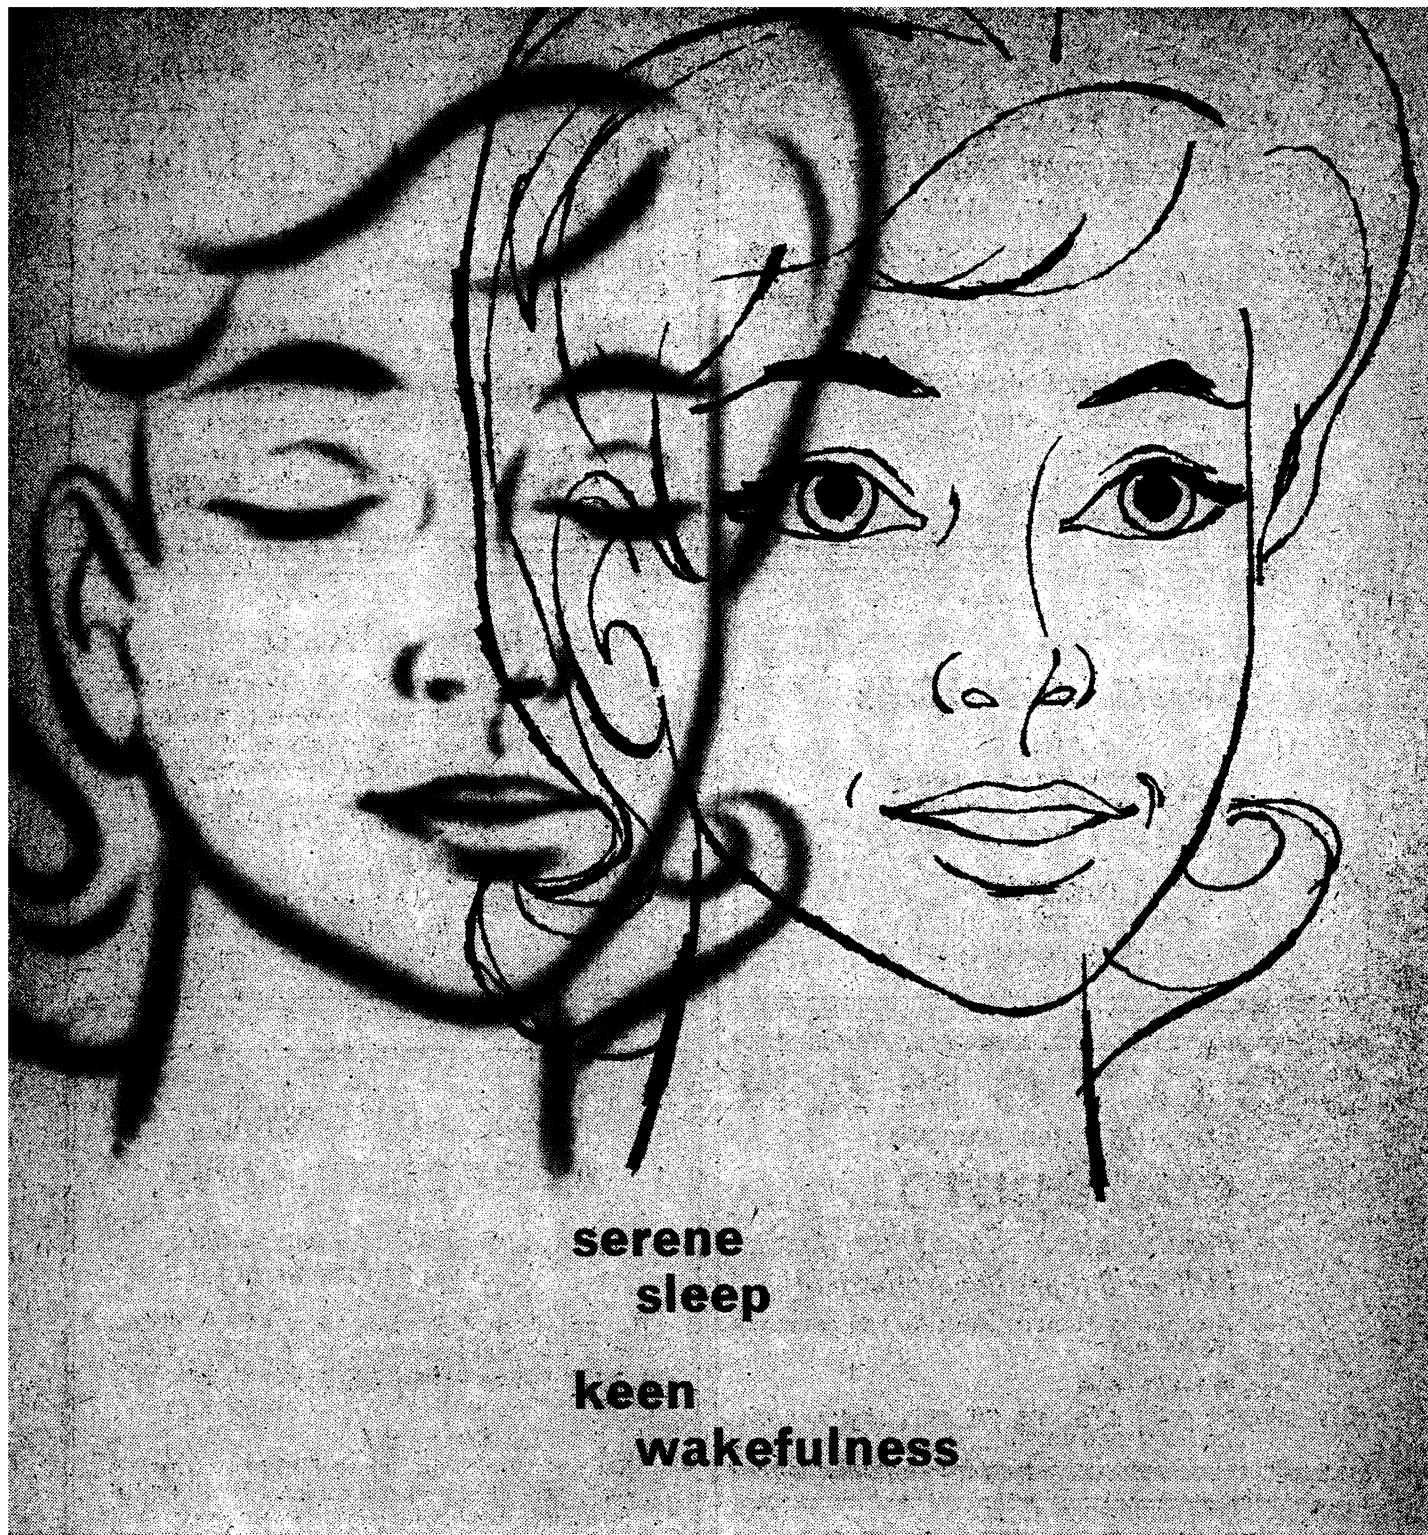

"Patients in hospital who have had an operation, and a course of 'broad-spectrum' antibiotics, sometimes develop diarrhoea which may be severe and even fatal."—*Lancet* Annotations, 25th February, 1961.

for dermatoses in general practice

1 vehicle

Lacto-Calamine is cooling, astringent, antipruritic, protective, aesthetically acceptable and free from the risk of sensitisation attributed to some vehicles.

2 products

Both Cortoderm and Cortoderm-N present hydrocortisone in a cream base of Lacto-Calamine. Cortoderm-N contains 0.5% neomycin for infected dermatoses.

3 strengths

For economical treatment, both products are presented with 1.0%, 0.5% and 0.25% hydrocortisone. After initial treatment with 1.0% you can cut the strength (and the cost) as the condition is brought under control.

in short

CORTODERM

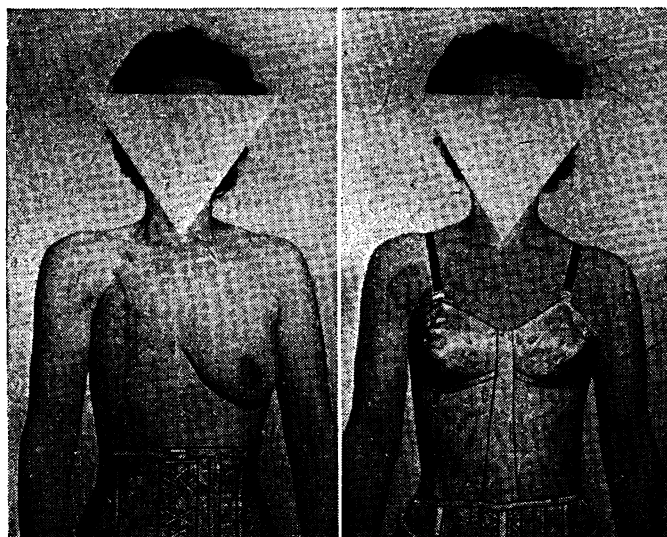

for non-infected dermatoses in 10 gm tubes;
basic NHS cost—1.0% 6/0½, 0.5% 3/9, 0.25% 2/11

CORTODERM-N

for infected dermatoses in 10 gm tubes;
basic NHS cost—1.0% 7/6, 0.5% 5/-, 0.25% 4/2

To lessen the fear of mutilation . . . arrange for Prosthesis before mastectomy

The psychological hazards of mastectomy are generally recognized. A woman's fear of mutilation—of its effect on her appearance—is often as great as her fear of surgery itself. That is why arranging for the correct prosthesis replacement *before* surgery helps to minimize the psychic trauma—enabling the patient to face the adjustment period with more calm and assurance.

The surgeon can prescribe Spencer Mastectomy Supports with complete confidence that they will meet both the medical and cosmetic indications. The reason: Each Spencer Breast Support and Breast Form is individually designed, cut and made for each patient.

Wherever support is indicated for breasts, back, abdomen—for women, men, children—you will find Spencer Supports demonstrably superior.

THE ROYAL NAVY offers you MORE

YOU CAN SERVE almost anywhere in almost any field of Naval activity, combining your calling as a doctor with the stimulus of a life as a commissioned officer in the Royal Navy. You could serve in almost any vessel from a frigate to an aircraft carrier, sail with the fleet to the Far East or work with a squadron in the West Indies. You could apply your care to Royal Marines Commandos, among parachutists, frogmen or rock climbers. You could fly with the Fleet Air Arm as a specialist in aviation medicine or investigate the problems of deep diving and advanced submarine development. You could work in a laboratory, hospital or medical school; serve at home or abroad, on shore or afloat; or study any one of a variety of subjects ranging from radio-biology to tropical diseases. And throughout your service as a Naval Medical Officer you would be working with the finest equipment in complete clinical freedom—and perhaps a greater opportunity to exercise your versatility than would ever be possible in civilian life.

YOU CAN ENTER BY ONE OF THREE METHODS All schemes lead to Short Service Commissions of 3-5 years' duration. Holders of such commissions can apply for permanent commissions after one year following appointment as Surgeon Lieutenant.

	PAY ON ENTRY	GRATUITIES (tax free)	PERMANENT COMMISSION GRANTS
1 As a registered Medical Practitioner in rank of SURGEON LIEUTENANT.	£2,002 p.a. married, over 25.	On completion of Short Service Commission of 3 years: £1,500; 5 years £3,000	£1,500 (nullifies gratuity)
2 As a qualified doctor during pre-registration year in rank of ACTING SURGEON LIEUTENANT.	* £630 p.a. or up to £1,339 with marriage allowance.	As above plus £200 for pre-registration year in each case.	£1,500 (nullifies gratuity)
3 As a medical student under Medical Cadetship in rank of SURGEON SUB-LIEUTENANT.	* £557 p.a. plus allowances.	Following 5 years' S.S.C., up to £2,600 subject to service.	Up to £1,000 subject to service.

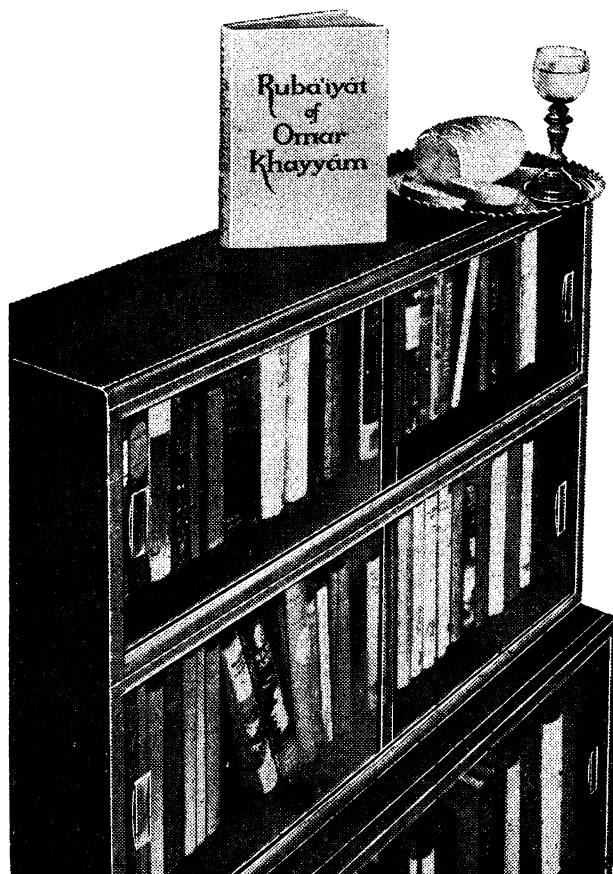

* These rates of pay to be increased April 1, 1963.

ALLOWANCES Cover overseas service, rations, lodging, marriage, children's education, U.K. travel, London allowance, etc.

OPPORTUNITIES You can rise automatically to SURGEON LIEUTENANT COMMANDER (£2,304 p.a.) in 5 years or less (civilian experience counts towards seniority). Further promotion, by selection, could take you to the highest ranks in the Medical Branch of the Royal Navy.

For full details write NOW to:

Come, fill the case...

Breadless, wineless, sadly songless in an unpoetic wilderness known as "the dog house". Such poetic justice may well descend upon that dream-filled head of yours. For if you scatter your quatrains to the four corners of the living-room, don't feign surprise when you're hauled onto the carpet—Persian or otherwise—and faced with a wife waxing anything but lyrical. The gist of her few-thousand-word sermon being: "The proper place for books is a bookcase". Who can deny it?

Minty have specialised for years in making superb bookcases that house your many-splendoured books in dust-free distinction behind very elegant sliding glass doors. Easy on the eye—and the pocket—they allow you to go your merry way reading books, buying books—for Minty bookcases are *sectional* and may be started for as little as £12.19.0—on deferred terms if you prefer. Only at the Minty Centres shown below can you see and buy Minty bookcases (and furniture). The Centres are so placed that Minty furniture is within reasonably easy reach of most people. If, however, for any reason you can't call, Minty will be glad to send you a catalogue and particulars of post ordering. Write to Dept. B.23, Minty Ltd., 44-45 High Street, Oxford.

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

House Officers should submit a separate application for each post for which they apply.

Canvassing of members of the Board or Advisory Appointments Committee will lead to disqualification (Statutory Instrument 1950, No. 1259, N.H.S.).

★ *SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.*

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR.** Posts obtainable normally not less than one year after full registration as a medical practitioner and held normally for two years: £1,250 in the first year; £1,400 in the second and any subsequent years. Deduction of £215 per annum for compulsory residence; £255 per annum for voluntary residence.

(b) **SENIOR REGISTRAR.** Posts obtained normally not less than three years after full registration and held normally for four years: £1,500 by £100 to £1,800 in the fourth year; thereafter, £1,900 in the fifth and sixth years; £2,000 in the seventh and eighth years; £2,100 in the ninth and any subsequent years. Deduction of £250 per annum for compulsory residence; £275 per annum for voluntary residence.

Other Grades, Whole-time

(a) **HOUSE OFFICERS.** Each post in this grade shall be tenable for six months.

£675 per annum for the first post held; deduction of £155 per annum for compulsory residence or £195 per annum for voluntary residence;

£750 per annum for the second post held; deduction of £160 per annum for compulsory residence or £195 per annum for voluntary residence;

£825 per annum for the third and any subsequent posts held; deduction of £165 per annum for compulsory residence or £195 per annum for voluntary residence; provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £750 per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff; provided further that where a House Officer has previously held two such outside posts the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that his remuneration shall be £825 per annum. Any House Officer who on first appointment is paid at the appropriate rate to the second or third post held in accordance with the above provision shall be paid at the third post rate for any subsequent appointments in this grade.

(b) **SENIOR HOUSE OFFICERS.** Posts obtained by fully registered medical practitioners and held normally for one year only: £1,050 on appointment at age 27 or under; £1,100 on appointment at age 28 or over. Deduction of £180 per annum for compulsory residence or £215 per annum for voluntary residence.

(c) **JUNIOR HOSPITAL MEDICAL OFFICERS.** Officers who have held house appointments but who are not registrars and who have less responsibility than other hospital officers of non-consultant status, and who have been appointed for a limited or indefinite period, not less than one year after full registration as a medical practitioner: £1,100 by £60 (8) to £1,580. Deduction of £215 per annum for compulsory residence or £255 per annum for voluntary residence.

Allowances at rates of up to £100 per annum shall be payable to house officers, senior house officers, junior hospital medical officers and registrars occupying posts approved for such allowances in peripheral hospitals.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff (19/2/62)

NOW...
for increased pain—
INCREASED ANALGESIA
with

'DOLOXENE COMPOUND-65'

Trade Mark

DEXTROPROPOXYPHENE & ACETYLSALICYLIC ACID COMPOUND

Brand

Analgesia is increased when you prescribe 'DOLOXENE COMPOUND-65' because it contains twice the amount of 'DOLOXENE' as does regular 'DOLOXENE COMPOUND'. It combines 65 mg. 'DOLOXENE' with phenacetin, acetylsalicylic acid and caffeine to give pronounced analgesia, particularly in inflammation and pain associated with recurrent or chronic illness. Side effects are minimal.

'DOLOXENE', chemically unique among analgesics, elevates the pain threshold by depressing the sensory area of the brain. In extensive trials by over a hundred investigators in more than 6,300 patients, 89.8% experienced relief of pain after receiving 'Doloxene' alone or in combination.

INDICATIONS:

Acute, chronic or recurrent pain of:
Rheumatism · Arthritis · Dysmenorrhoea
Malignancy · Trauma · Neuritis · Migraine
also in dental pain, post-operative pain
and muscular pain.

PRESENTATION:

'Pulvules' 'DOLOXENE COMPOUND-65'
(65 mg. 'Doloxene')

also,

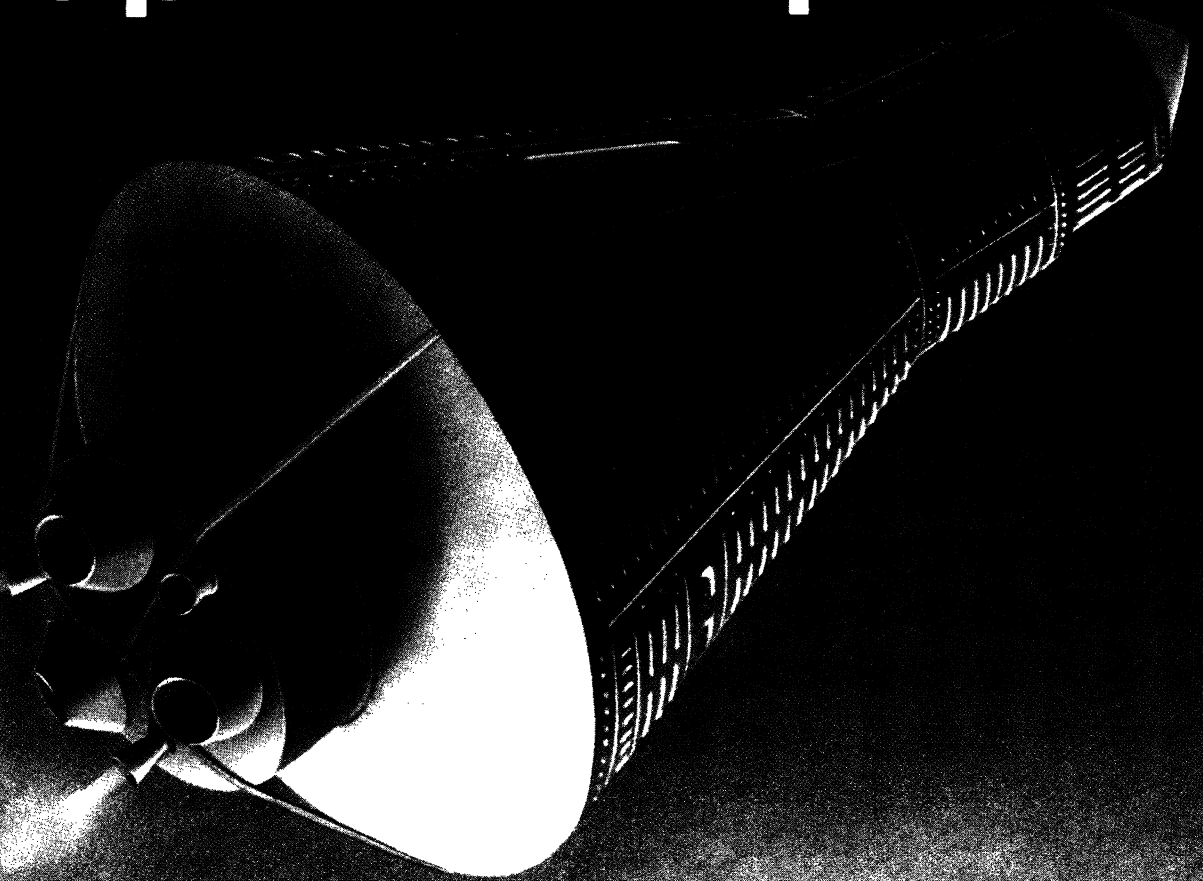

'Pulvules'

'Doloxene Compound' (32 mg. 'Doloxene')

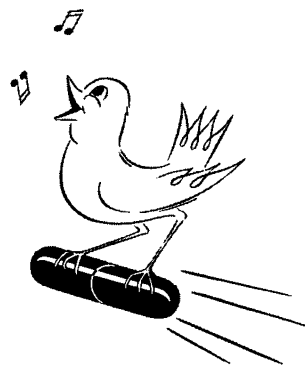

'Pulvules' 'DOLOXENE' 65 mg.

'Pulvules' 'Doloxene' 32 mg.

Capsule in space

but **Nidoxital** is the capsule to
control nausea and vomiting of

CROMER AND DISTRICT HOSPITAL

SENIOR HOUSE OFFICER (Resident) required. Post vacant end of July, 1962. Tenable for six months or one year. This is one of two House Officer posts, offering a unique range of experience. The two House Officers at the hospital work for alternative periods of three months under the Physician and Surgeon respectively. They visit and assist at an active treatment unit for rheumatism and a children's hospital while working with the Physician, and at an active treatment geriatric unit while working with the Surgeon. Travelling allowance is paid to car owners or hospital transport provided.

The hospital is a busy one of 52 beds, holding out-patient clinics in all major specialties, at which the House Officers attend. It is unusually well equipped.

The posts are resident with all services if desired, but for married applicants there is a completely self-contained spacious furnished flat of very superior standard.

The dual nature of the post ensures regular off-duty.

Applications, giving details of qualifications and experience, together with the names of two referees, should be forwarded to the Secretary, Cromer and District General Hospital, Cromer, Norfolk. (8553)

The post is superannuable, subject to medical examination.

Applications, stating age, qualifications, and full details of training and experience, together with the names of three referees, should be lodged with me in an envelope marked "Appointment—Assistant Medical Officer, School Health Service" not later than July 27, 1962.—Alexander Rooke, Town Clerk, City Chambers, Glasgow C.2. (9057)

COUNTY BOROUGH OF BURNLEY**APPOINTMENT OF DEPUTY MEDICAL
OFFICER OF HEALTH**

Salary £1,850 to £2,103 6s. 8d. per annum. Applications are invited from suitably qualified persons for the above-mentioned position. Details of the conditions of appointment and particulars of the duties, together with application forms, are obtainable from the undersigned, by whom completed applications must be received not later than Wednesday, July 25, 1962.—C. V. Thornley, Town Clerk. (8874)

Public Health—contd.**CITY OF BRADFORD
Health Department****APPOINTMENT OF SENIOR
ADMINISTRATIVE MEDICAL OFFICER**

Applications are invited from duly qualified medical practitioners for the above post. The person appointed will be responsible to the Medical Officer of Health for the administration of the Maternity and Child Welfare, Home Nursing and Home Help Services, and such other duties as may from time to time be determined.

Possession of the Diploma in Public Health will be a considerable advantage.

Salary scale: £1,870 by £70 (3) to £2,080 by £75 (1) to £2,155 by £80 (4) to a maximum of £2,475, and conditions of service in accordance with the awards of the Whitley Councils for Health Services (Great Britain) Medical Council "C."

The post is superannuable and the successful candidate will be required to pass a medical examination.

The appointment is terminable by three months' notice on either side.

Forms of application may be obtained from the Medical Officer of Health, Town Hall Bradford 1, and should be returned to the undersigned within 14 days of the appearance of this advertisement.—Henry Patten, Town Clerk, Town Hall, Bradford 1. (8724)

**CITY OF CAMBRIDGE
Department of Public Health****APPOINTMENT OF ASSISTANT MEDICAL
OFFICER OF HEALTH AND SCHOOL
MEDICAL OFFICER**

Applications are invited from registered medical practitioners for the above post, which is primarily in connection with the School Health Service.

Salary £1,295 by £65 to £1,620 by £75 to £1,845 per annum. The point of entry to be fixed according to experience since qualification. The appointment is superannuable and subject to medical examination.

A car allowance is payable according to the Corporation's scale.

Application forms and further details of this appointment may be obtained from the Medical Officer of Health, Guildhall, Cambridge. Completed application forms should be returned to him not later than Saturday, July 28.—C. Harland Parker, Acting Town Clerk, The Guildhall, Cambridge. (8875)

**CITY OF PORTSMOUTH EDUCATION
COMMITTEE****APPOINTMENT OF SCHOOL MEDICAL
OFFICER AND ASSISTANT MEDICAL
OFFICER OF HEALTH**

Applications are invited from suitably qualified medical practitioners for the appointment of School Medical Officer and Assistant Medical Officer of Health. The duties are mainly in the School Health Service, but suitable candidates will be given opportunities of gaining experience in all branches of public health work and administration.

The salary will be in the scale £1,295 to £1,845 per annum, according to experience and qualifications, and the conditions of service are those of the Whitley Council for the Health Services (Great Britain) Medical Council "C."

Application forms and further details may be obtained from the Principal School Medical Officer, 1 Western Parade, Portsmouth, to whom they should be returned as soon as possible.

Portsmouth includes Southsea. (8960)

**CITY OF STOKE-ON-TRENT EDUCATION
COMMITTEE****SCHOOL MEDICAL OFFICER**

Applications are invited from registered medical practitioners for the post of School Medical Officer. Salary scale £1,295 to £1,845 per annum by five annual increments of £65 and three of £75.

Form of application may be obtained (send stamped, addressed envelope) from the Chief Education Officer, Education Department, P.O. Box No. 23, Town Hall, Hanley, Stoke-on-Trent.—H. Dibden, Chief Education Officer. (8947)

COUNTY BOROUGH OF WARRINGTON**APPOINTMENT OF ASSISTANT MEDICAL
OFFICER OF HEALTH AND SCHOOL
MEDICAL OFFICER****D.P.H. ASSISTED TRAINING SCHEME**

Applications are invited from registered medical practitioners for appointment as Assistant Medical Officer of Health and School Medical Officer (male). Salary scale £1,295 rising to £1,845 per annum.

Applications will be considered from men who are at present studying for the D.P.H. In the case of applicants not possessing the D.P.H. it will be a condition of appointment that the successful applicant should obtain this qualification at the earliest opportunity, and the Council is prepared to second him for a period of approximately nine months to attend a whole-time course for the D.P.H. Salary during secondment will be at the rate of three-quarters of the minimum salary of the scale shown above. The person so seconded will be expected to sign an undertaking to serve the Council for a period of not less than three years after obtaining his D.P.H.

Further particulars may be obtained from me at the address shown below, and applications, to-

gether with the names of two referees, should reach me not later than July 31, 1962.—Eric H. Moore, Medical Officer of Health and Principal School Medical Officer, Health Department, Sanksey Street, Warrington, Lancs. (9007)

COUNTY BOROUGH OF WEST HARTLEPOOL**APPOINTMENT OF FEMALE ASSISTANT
MEDICAL OFFICER OF HEALTH**

Applications are invited for the above appointment from registered medical practitioners. The possession of the D.P.H. or D.C.H. will be an advantage.

The person appointed will be engaged in maternity and child welfare and school health services, the successful applicant will also be required to attend to such other duties as may from time to time be allocated to her by the Medical Officer of Health.

The appointment will be subject to the Whitley Council's scale and conditions. Salary £1,295 per annum to £1,845 per annum, according to experience. Consideration will be given to the payment of a car allowance.

The appointment will be subject to a medical examination for superannuation purposes and to two months' writing on either side.

Applications, stating age, qualifications and experience, and giving names and addresses of three referees, must be received by the Medical Officer of Health, Durham House, Victoria Road, West Hartlepool, not later than July 27, 1962.—Eric J. Waggott, Town Clerk, Municipal Buildings, West Hartlepool. (8746)

ESSEX COUNTY COUNCIL**ASSISTANT COUNTY MEDICAL OFFICER
OF HEALTH**

Applications invited from registered medical practitioners for whole-time appointment in South-East Essex Health Area, adjacent to Southend-on-Sea. Services—contd.

You can earn £2000 a year on entry in the Royal Air Force

New Conditions for Registered Practitioners

Under a new scheme announced by the Air Ministry, if you are a qualified doctor you can enter the Royal Air Force immediately after full registration and be commissioned as a Flight Lieutenant, earning, with full allowances, £2,000 a year. If you have post-graduate experience you can be granted up to seven years back-dated seniority; a doctor with six years' civilian experience will be appointed Squadron Leader on entry, earning, with full allowances, £2,300 a year.

Tax free gratuities are payable on completion of short service commissions. These are £1,500 after three years or £3,000 after five years.

You can be offered a permanent commission and guaranteed pensionable employment to the age of 65 with excellent prospects of promotion to Group Captain rank and a salary of well over £3,000 a year. If you are married and serving at a Station you may be allocated an official married quarter. This will be a comfortably furnished house near your surgery.

You will have full clinical freedom and your practice will normally include the families of serving members of the Royal Air Force. You will have opportunities for specialising, and study leave is granted on full pay and allowances to permanent officers who wish to read for further qualifications.

'Pre-Registration Year' Scheme

If you are a medical graduate you may be commissioned in the Royal Air Force immediately in the rank of Flying Officer. You may then spend your pre-registration year seconded to a civilian hospital. This means that during your year as house physician or surgeon you may earn,

with full pay and allowances, up to £1,339 a year. On registration, you will become a Flight Lieutenant with possible earnings of £2,000 a year. To qualify for this scheme you must undertake to serve for at least three years after full registration. Your pre-registration year counts towards your gratuity following a short service commission and towards retired pay on a permanent commission. The gratuity on completion of a three year commission is £1,500 plus £200 for the full pre-registration year; on completing a five year commission the gratuity is £3,000 plus £200 for the full pre-registration year. These gratuities are tax free.

'Medical Cadetship' Scheme

If you are a medical student and have passed your second M.B. examination or the equivalent you may be commissioned *now* in the Royal Air Force. During the remainder of your medical training your fees will be paid and you will receive the full pay and allowances of a Pilot Officer which can amount to £1,090 a year.

To qualify for this scheme, you must undertake to serve for at least five years in the Medical Branch of the Royal Air Force after full registration.

At the end of the five years you may enter civilian practice with a tax free gratuity of between £1,400 and £2,600, or you may be selected for a permanent commission which guarantees pensionable employment to the age of 65 and which may take you to the most senior ranks in the Service.

For full information on the new conditions for doctors, specialists, graduates and cadets in the Royal Air Force, write to the Director-General of Medical Services, Air Ministry (M.A.1), (HN 893H), 1 Tavistock Square, London, W.C.1.

The Royal Air Force

REPUBLIC OF IRELAND

INSTRUCTIONS TO ADVERTISERS

Please write advertisements and name and address clearly in **BLOCK CAPITALS** and send to the Classified Advertisement Manager, *British Medical Journal*, B.M.A. House, Tavistock Square, London W.C.1. Telephone: Euston 4499. Telegrams: Britmedads, Westcent, London. To cut down book-keeping entries and to avoid delay, please **ENCLOSE PAYMENT** with advertisement.

All advertisements, subject to approval, will appear in the forthcoming issue provided they reach this office not later than first post on the **THURSDAY** of the week preceding date of issue.

Cancellation of advertisements cannot be accepted if received after 2 p.m. on the Friday of the week preceding date of issue (issues affected by public holidays excepted).

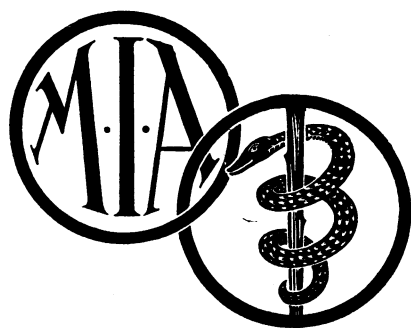

Every effort is made to ensure the accuracy of advertisements appearing in the Journal. No recommendation is implied by acceptance, and the Editor of the *British Medical Journal* reserves the right to refuse or interrupt the insertion of any advertisement.

REPLIES TO BOX NUMBERS. The names and addresses of advertisers under box numbers are held by us in strict confidence and cannot be disclosed. Each Box No. should be addressed separately. Two or more replies can be enclosed in one envelope, addressed to the Classified Advertisement Department. The replies will be forwarded to the advertisers in plain envelopes.

DOCTORS ABROAD. Copies of vacancies advertised in the "Journal" can be sent by **AIR MAIL**. The minimum cost is 3s. per week, which covers up to three separate headings; additional headings 1s. each.
