

FIGHT CANCER

When you are consulted about bequests for medical work that deserves support, please remember the work of the Imperial Cancer Research Fund. This pioneer body in Cancer Research was founded by the Royal Colleges of Physicians and Surgeons specially to undertake this vital work in its own laboratories. It has no official grants and is entirely supported by voluntary contributions. Please help us when you can.

Suggested wording for Bequests

'I hereby bequeath the sum of pounds free of duty to the Imperial Cancer Research Fund, Lincoln's Inn Field's, WC2 for the purpose of scientific research, and I direct that the receipt of the Honorary Treasurer shall be a good discharge for such legacy'.

Patron: Her Majesty The Queen

**ACUTE SEPTIC
INFECTIONS**

CRYSTAPEN G

INJECTION · TABLETS · SYRUP

Despite the very many antibiotics now available penicillin G remains the first choice for the treatment of the majority of acute septic infections. It is generally agreed that other substances are used only if bacteriological or other factors indicate specific need or if the administration of penicillin G in full dosage fails to produce response. The early treatment of boils, carbuncles, abscesses and other soft tissue infections is essential if treatment is to be effective. Crystapen (soluble sodium penicillin G Glaxo) with its rapid bactericidal action, is a logical first choice for the treatment of such conditions. It is also cheap to use and frequently costs only a quarter as much as alternative antibiotics.

The name Crystapen is a Glaxo trade mark

GLAXO LABORATORIES LIMITED

TRACT
INFECTIONS
PENBRITIN
BACTERICIDAL
BROAD SPECTRUM
ANTIBIOTIC

Penbritin meets the most important criteria for the treatment of urinary tract infections.

Penbritin is

- * well absorbed orally, reaching effective tissue levels
- * excreted in high concentrations in the urine
- * active against infecting organisms at concentrations attainable in the body
- * bactericidal

Penbritin dosage in urinary tract infections is 500 mg. 8 hourly.

Penbritin (ampicillin) is a product of British research at
BEECHAM RESEARCH LABORATORIES

FURAMIDE

- 1 "It appears that diloxanide furoate and paromomycin are at least as effective in the treatment of amoebiasis as is E.B.I. The first has the advantage of being cheaper and much better tolerated."
- 2 "... an effective amoebicide useful in both acute amoebic dysentery and chronic amoebic colitis".
- 3 "Tolerance of the drug was good in 100% of the subjects ... No special precautions were taken during treatment, and the patients were all ambulant".

IN AMOEBIASIS

REFERENCES 1. Trans. roy. Soc. trop. Med., 1962, 56, 400.
2. Amer. J. trop. Med., 1962, 11, 330. 3. Antioquia med., 1962, 12 43.

FURAM'D[®] is the simplest treatment for amoebiasis, requiring no injections, enemas or special diets. Cure rates are high—75% to 80% in the acute stage and up to 100% in the chronic condition. Side effects are unlikely, and hospitalization is not normally required, making treatment cheaper than the older forms of therapy. Extensive clinical trials in many tropical and sub-tropical countries have borne out these claims.

Dosage is simple—1 tablet three times daily for ten day: in patients of average weight.

Each Furamide tablet contains 0.5G of Entamide (diloxanide) furoate B.P. Both Entamide and Furamide are products of Boots research.

Packed in bottles of 15 and 250 tablets.

BIOGASTRONE

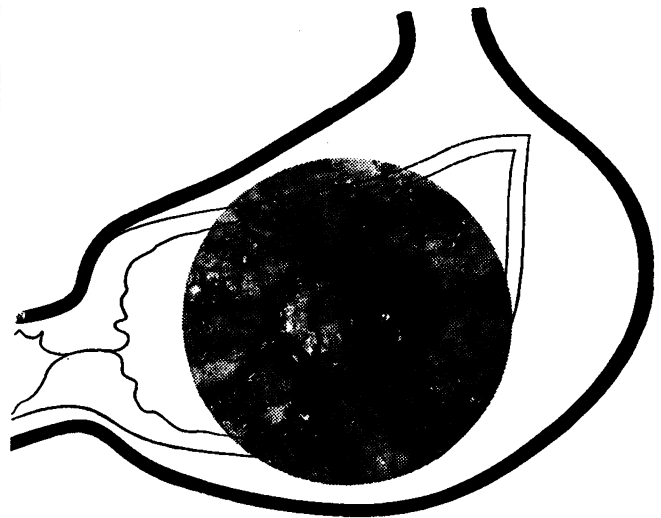

disodium salt of 3-O-(β -carboxypropionyl)-11-oxo-18 β -olean-12-en-30-oic acid

A major advance in the treatment of gastric ulcers

Following successful clinical trials over the past four years, Biogastrone is now available for general use. It has proved effective in a significantly high proportion of cases of gastric ulcer, yet causes few side effects. Biogastrone is the drug of choice in the treatment of early or chronic gastric ulcers.

Dosage: One or two tablets (50 mg.) three times daily after meals for four weeks.

Packings: Boxes of 24 and 100 tablets.

"... promotes the healing
of gastric ulcers"

Alupent's potent bronchodilator action is valuable, both to treat the acute attack and as a prophylactic. Published evidence¹⁻²⁻³, has shown that Alupent tablets will provide effective prophylaxis of wheezing in chronic bronchitis and asthma, and these reports suggest an optimum dose of 20 mg. four times a day in these conditions. This dosage can be given more conveniently and economically by using the new ALUPENT 20 mg. tablet which is now available.

For routine use as a prophylactic against wheezing in chronic bronchitis, Alupent is of proven effectiveness

Lends wings to troubled minds

'Aventyl'*

brand Nortriptyline

NEW WIDE SPECTRUM
MOOD ENHANCER

'Aventyl', synthesized in the Lilly Research Laboratories, at one stroke broadens the doctor's power to relieve troubled and disturbed patients. 'Aventyl' is not a combination of an anti-depressant with a tranquillizer. Instead, 'Aventyl' is a *single*

entity that has been shown to be clinically effective over a *constellation of symptoms* associated with depression as well as with anxiety and psychosomatic disturbances. Indeed, 'Aventyl' has an unusually wide spectrum of action in psychiatric disorders.

'Aventyl'*

brand Nortriptyline

provides these important advantages

1 'Aventyl' not only has its marked anti-depressant activity, but also a valuable concurrent anti-anxiety and hostility-channelling effect. In agitated depressed patients, this tranquillizing action often appears first.

2 'Aventyl' has shown an over-all response rate close to 80% in approximately 2,000 cases with widely diverse symptoms.

3 'Aventyl' produces improvement in one week in 50% of the patients who respond to it, and in almost 80% by the end of the second week.

4 'Aventyl' is not a monoamine oxidase inhibitor. Side-effects appear to be milder and less frequent than those produced by other psychotropic drugs.

5 'Aventyl' has not been observed to give potentiation or increased incidence of side-effects when used with tranquillizers, stimulants, sedatives or other standard drugs used for primary medical disorders.

6 'Aventyl' appears to be effective in allaying psychosomatic complaints in such fields as gastro-enterology, urology, dermatology, cardiology, allergy and paediatrics.

7 'Aventyl' helps some patients to overcome undesirable psychic inhibitions and gain insight and awareness of their illness, thus enabling them to cope with it more effectively. This is especially valuable with concurrent psychotherapy.

Presentation :

'Pulvules'	10 mg. and 25 mg.
Liquid	10 mg. in each 5 ml., in bottles of 120 and 480 ml.

ELI LILLY AND COMPANY LIMITED BASINGSTOKE ENGLAND

LY/E/1

In practice,
patients do seem
to get better quicker
with **BROXIL**

and there are facts which could explain this. For one thing, Broxil compared with oral penicillin V has a very high absorption rate² and gives very high tissue levels. It is therefore quickly and effectively bactericidal at the site of infection.

Broxil is also bactericidal to some penicillin G and V resistant staphylococci³, which of course means greater certainty in therapy.

It is not surprising that these advantages produce measurable advances in clinical efficiency. For example, it has been possible to count in days the saving of recovery time achieved by using Broxil in upper respiratory tract infections¹, while many physicians have recorded its effectiveness in other indications.^{4,5,6,7,8}

BROXIL (potassium phenethicillin) is a product of British research at
BEECHAM RESEARCH LABORATORIES

A major new antihypertensive agent from Abbott

Eutonyl* is an important new drug for the treatment of moderate to severe essential hypertension. Most hypertensive patients respond to Eutonyl therapy with a reduction of both systolic and diastolic blood pressures in the standing position, and many also experience significant reductions in other positions.

Many hypertensive patients have been impressed by an improved sense of well-being; and while the use of Eutonyl in the treatment of depression is still being evaluated, in this respect alone it offers a useful advance over other antihypertensive agents.

Eutonyl is a unique non-hydrazine chemical substance with monoamine oxidase inhibiting properties. Extensive laboratory and clinical studies have so far shown no serious toxicities, though suitable precautions should be

observed as with all new drugs. The side effects of Eutonyl therapy are relatively infrequent and mild if dosage is adjusted to prevent orthostatic hypotension. The combination of a thiazide diuretic such as Enduron* (methyclothiazide, Abbott) with a reduced dosage of Eutonyl further reduces side effects and also enhances the antihypertensive response in the sitting and lying positions.

Eutonyl is supplied in two strengths as Eutonyl (25 mg pargyline hydrochloride) and Eutonyl-Ten (10 mg pargyline hydrochloride) Filmtabs*, in bottles of 100.

Comprehensive literature is available on all aspects of this important new agent: dosage, side effects, precautions and the wide measure of agreement on its clinical efficacy even in the most difficult cases.

*Experiments on Respiration
by Antoine Lavoisier*

Antoine Lavoisier (1743-1794) was the foremost authority of his time on the respiratory system and bronchial disorders. He did much important pioneer work including a series of experiments on respiration.

Lavoisier's remarkable career began as a tax collector, then he became an engineer (he was responsible for the design of a new system for the street lighting of Paris) physicist, chemist and, finally, a physician.

He was guillotined by the jealous Robespierre, leader of the French Directorate which deposed Louis XVI. At his 'trial' the judge is said to have shouted, "The State doesn't need scientists."

In peptic ulcer
NULACIN—*and only NULACIN*—
provides intragastric milk-alkali drip therapy without a tube

Nulacin is the most convenient way of treating peptic ulcer because it provides continuous neutralization of gastric hyperacidity for the ambulant patient. The Nulacin tablet is merely placed between cheek and gum and allowed to dissolve. Nulacin offers an effective treatment for peptic ulcer to both the bed-ridden and the ambulant patient.

Nulacin tablets are prepared from whole milk combined with dextrins and maltose, together with magnesium trisilicate 3.5 grs.; magnesium oxide 2.0 grs.; calcium carbonate 2.0 grs.; magnesium carbonate 0.5 grs.; Ol. Menth. Pip. q.s.

Atromid

TRADE MARK

For the treatment of the lipid and thrombogenic disorders of coronary artery disease

'ATROMID' PRESENTATION

250 mg. colourless, soft-gelatin capsules of ethyl chlorophenoxyisobutyrate
244.5 mg. with androsterone 5.5 mg.

DOSAGE

An average eight capsules daily taken divided after meals.
The basic N.H.S. cost of one week's treatment is 16/3d + P.T. (when dispensed from a 1,000's pack).

"In a symposium* held lately at Buxton, earlier suggestions that it ('Atromid') would reduce raised serum-lipid levels without significant side-effects were amply substantiated. Now it is clear that 'Atromid' not only influences several lipid fractions but also affects platelet stickiness and fibrinolysis."

Lancet, 1963, i, 1360.

It has been shown that :

- 'ATROMID' LOWERS ELEVATED SERUM LIPIDS
- 'ATROMID' CORRECTS EXCESSIVE PLATELET STICKINESS AND REDUCES PLATELET TURNOVER
- 'ATROMID' INCREASES FIBRINOLYTIC ACTIVITY AND REDUCES SERUM FIBRINOGEN

Literature available on request

* Symposium Proceedings to be published

Also available : ATROMID-S

TRADE MARK

Ethyl Chlorophenoxyisobutyrate (I.C.I. 28,257)

Because of the evidence that ethyl chlorophenoxyisobutyrate exerts a profound lipid lowering effect 'Atromid'-S is now available for physicians wishing to use it for the treatment of lipid disorders.

Further studies are in progress to determine whether this compound alone exerts the full beneficial effects of 'Atromid'.

'ATROMID'-S PRESENTATION

'Atromid'-S is issued in red, soft-gelatin capsules each containing 250 mg. of ethyl chlorophenoxyisobutyrate.

Synadrin[®] for the patient with angina pectoris

Regd. Trade Mark

Synadrin is a specific coronary vasodilator, and is chemically unrelated to any known treatment for coronary disease. Its specific activity has been demonstrated in animal experiments¹¹⁻¹⁷ and it has been tested in over 1,000 patients¹⁻¹⁰. Results of trials so far reported have been promising and Synadrin has been described as "an effective drug for treating angina pectoris."¹

Effective and safe

Synadrin has been shown to reduce the frequency of anginal attacks. It is particularly successful in patients with coronary ischaemia with or without previous infarction. It produces prolonged improvement of the coronary blood supply, and consistent treatment over a period of weeks produces the best results. Synadrin is well tolerated and its safety has been shown by use in more than 1,000 patients over the last two years.

Dosage

Treatment may be initiated with 2 tablets, three times daily, reducing after three days to a maintenance dosage of 1 tablet two or three times daily.

Presentation

Synadrin is presented as tablets, each containing 15 mg. of prenylamine lactate in bottles of 30 and 150 at basic NHS prices of 8/8d. and 34/8d. (subject to P.T.). Synadrin is known in some other countries as Segontin.

BURROUGHS WELLCOME & CO. (THE WELLCOME FOUNDATION LTD.) LONDON

"It is certainly true that in the age-old struggle of mankind against poverty and destitution, whenever it has been possible to raise the standard of living above the level of bare subsistence, there has been a rapid improvement in health which is usually associated with an increased consumption of protein. Throughout the world the most vigorous and energetic people eat considerably more protein than the minimum necessary to maintain nitrogenous equilibrium."

SIR STANLEY DAVIDSON, A.P. MEIKLEJOHN AND P. PASSMORE IN "HUMAN NUTRITION AND DIETETICS" P. 86

THE ROLE OF PROTEIN IN NUTRITION

"The Role of Protein in Nutrition" is the title of a study prepared by the nutrition division of Lloyd Hamol Limited as the result of research undertaken in connection with the formulation of a new high protein food. In the course of this work much information was collected and many modern views examined with regard to protein and its place in nutrition.

Practising doctors, who have little time to keep up to date with their technical reading, should find this comprehensive document both interesting and stimulating to read. It is available free of charge on application.

alidine

regd.

for severe pain

'Alidine' is Duncan Flockhart's brand of Anileridine, a synthetic substance closely related to pethidine. It has the advantage over pethidine of greater activity, dose for dose, and of being fully effective when given by mouth. It has less tendency than morphine to produce nausea and vomiting and it is not constipating.

A trial in 632 patients (JAMA 1958) showed mental side-effects to be rare, even in the elderly; tolerance seemed to develop more slowly and to a less extent than with morphine or pethidine.

'Alidine' is in tablets of 30 mg and in ampoules of 60 mg/2 ml.

'Alidine' is DDA.

This announcement is a summary. Full information is available on request.

Experiments with Drugs

Studies in the Relation between Personality, Learning Theory and Drug Action

Edited by H. J. EYSENCK, *Professor of Psychology, London University; Psychologist, Maudsley and Bethlem Royal Hospitals*

Reports on a series of experiments designed to test a theory linking certain behavioural effects with certain groups of drugs, namely the depressant and stimulant drugs. The theory contends that these drugs act in such a fashion as to change the level of activity of certain fundamental psychological mechanisms.

Advances in Biology of Skin, Volume 3

Eccrine Sweat Glands and Eccrine Sweating

Edited by W. MONTAGNA, R. A. ELLIS, and ALENE F. SILVER
Arnold Biological Laboratory, Brown University, Rhode Island

This third volume in a successful series is concerned almost entirely with sweat glands and sweating in man. It is indispensable to the dermatologist, and all concerned with general physiology and medicine. By bringing the subject up-to-date and into focus, it makes a considerable contribution to the fields of anatomy, physiology and climatology.

SIGNIFICANT JOURNALS IN THE MEDICAL FIELD

The Annals of Occupational Hygiene

Published for the British Occupational Hygiene Society

The first specific medium for hygienists working in the scientific and engineering fields. It contains papers of both a practical and theoretical nature.

Journal of Chronic Diseases

Devoted to important articles on chronic diseases affecting all age groups. Designed to serve general practitioners, physicians and all who deal with the problems of long-term medical and nursing care.

Health Physics

The Official Journal of the Health Physics Society

Publishes articles which deal with, or relate to, some aspect of Health Physics. Papers for publication are considered under the categories of Research, Engineering, Applied and General.

Inspection copies and full details of subscription rates gladly supplied on request.

PERGAMON PRESS
Headington Hill Hall, Oxford

Pergamon Press books are distributed in the Western Hemisphere and the Philippines by the Macmillan Company, 60 Fifth Avenue, New York 11, N.Y., and Collier-Macmillan Canada Ltd., 132 Water Street South, Galt, Ontario, Canada.

ADVICE ON DIET

During surgery hours or visits, advice on diet can become very time-consuming, and many doctors therefore welcome the diet sheets offered by Marmite Limited.

Instructions for a reducing diet (1,200 Calories), a low residue diet and a restricted salt diet are available free of charge to general practitioners.

If you would like to have a supply of any of these diet sheets please write to:

MARMITE LIMITED,
148-166 OLD STREET,
LONDON E.C.1

MEDICAL PROTECTION SOCIETY LIMITED

Correction and Apology

On page 33 of the Seventy-first Annual Report of the Council of the Society there is a brief reference to a case heard by the Disciplinary Committee of the General Medical Council in which the defence of a member charged with "advertising" was undertaken by the Society. Unfortunately, owing to the confusion of that case with another in the course of drafting, the report states that the complainant (whose name was not mentioned) was a practitioner "who himself had had to answer a similar charge and who had subsequently had his name erased from the register." In fact, the complainant in the case in question has never been similarly charged nor has his name ever been erased.

The Society deeply regrets these errors and most sincerely apologizes to the practitioner concerned for the distress and any embarrassment caused to him.

DAVENOL COUGH LINCTUS
 safe and effective for all the members of the family

Mr. Hack - The Woodcutter

Mrs. Hack - The Woodcutter's Wife

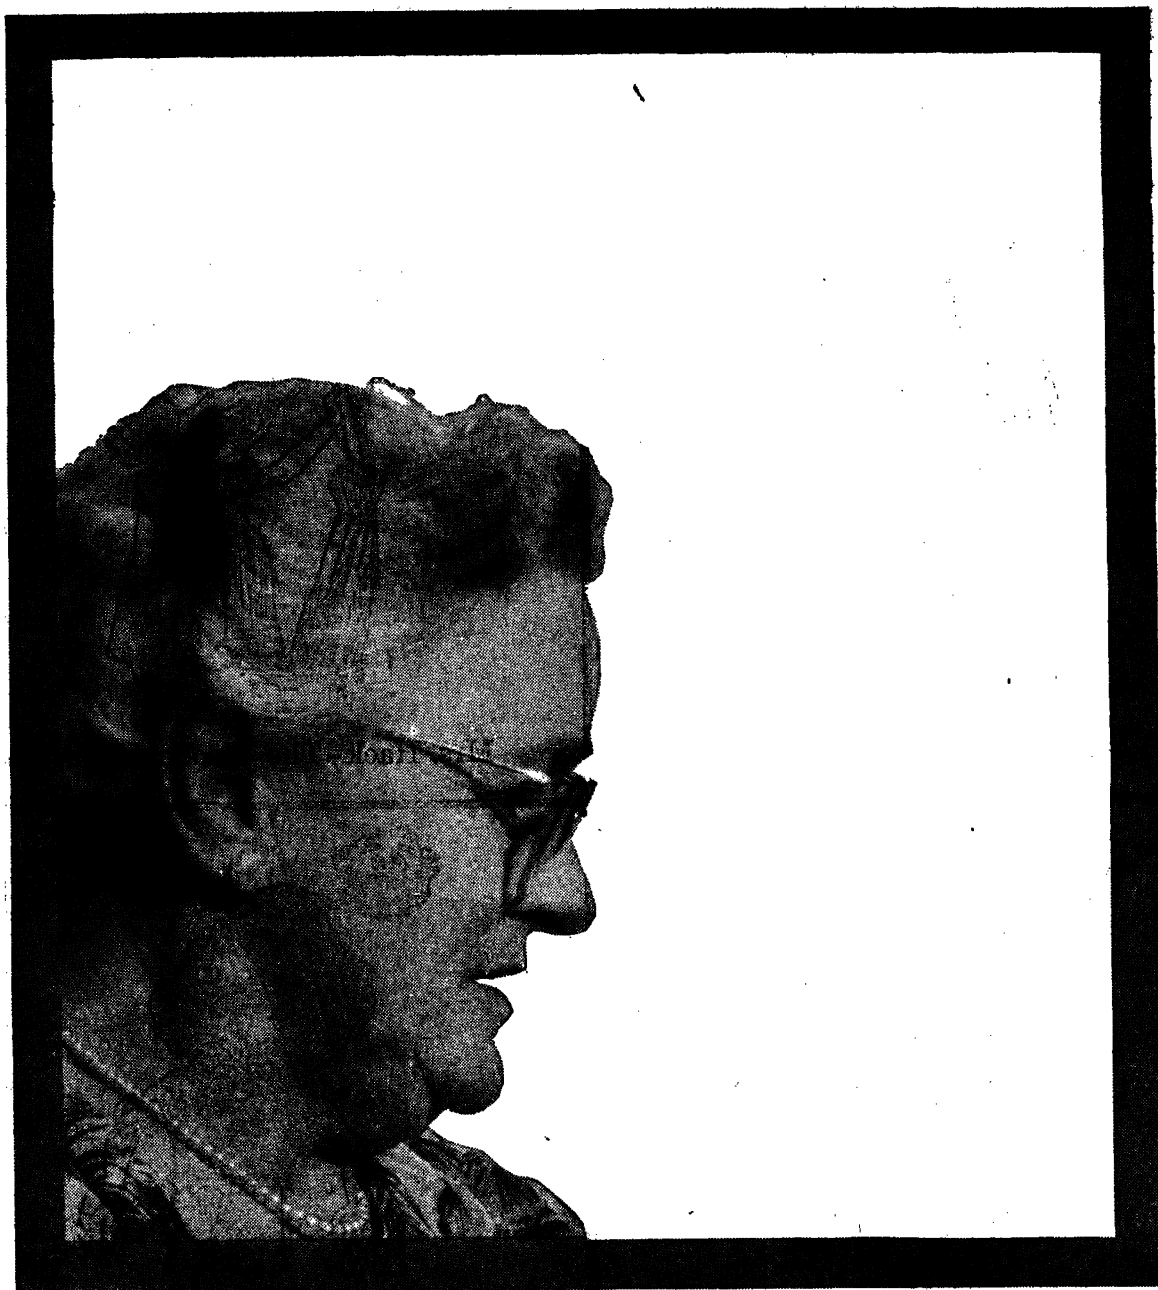

Miss Hack - The Woodcutter's Daughter

Master Hack - The Woodcutter's Son

Davenol* cough linctus helps to relieve irritation of the respiratory tract whilst centrally depressing the cough reflex thereby reducing the frequency of bouts of coughing. It also acts as a decongestant enabling your patient to breathe more easily. Demulcent, tangerine flavoured Davenol cough linctus combines the antihistamine carbinoxamine maleate with ephedrine and pholcodine and is available in bottles of 4 and 40 fl.oz. Basic N.H.S. cost of 4 fl.oz.(ex 40 fl. oz. pack) is 3/- excluding P.T.  Taplow, Maidenhead, Berks.

*trade marks

What else to hasten recovery?

This patient may come to your surgery for advice because she is gaining weight or her hair is thinning. She may complain that she is 'always tired'. The initial impression that the patient is hypothyroid may subsequently be confirmed by the clinical pathologist. Replacement therapy is obviously indicated but it is

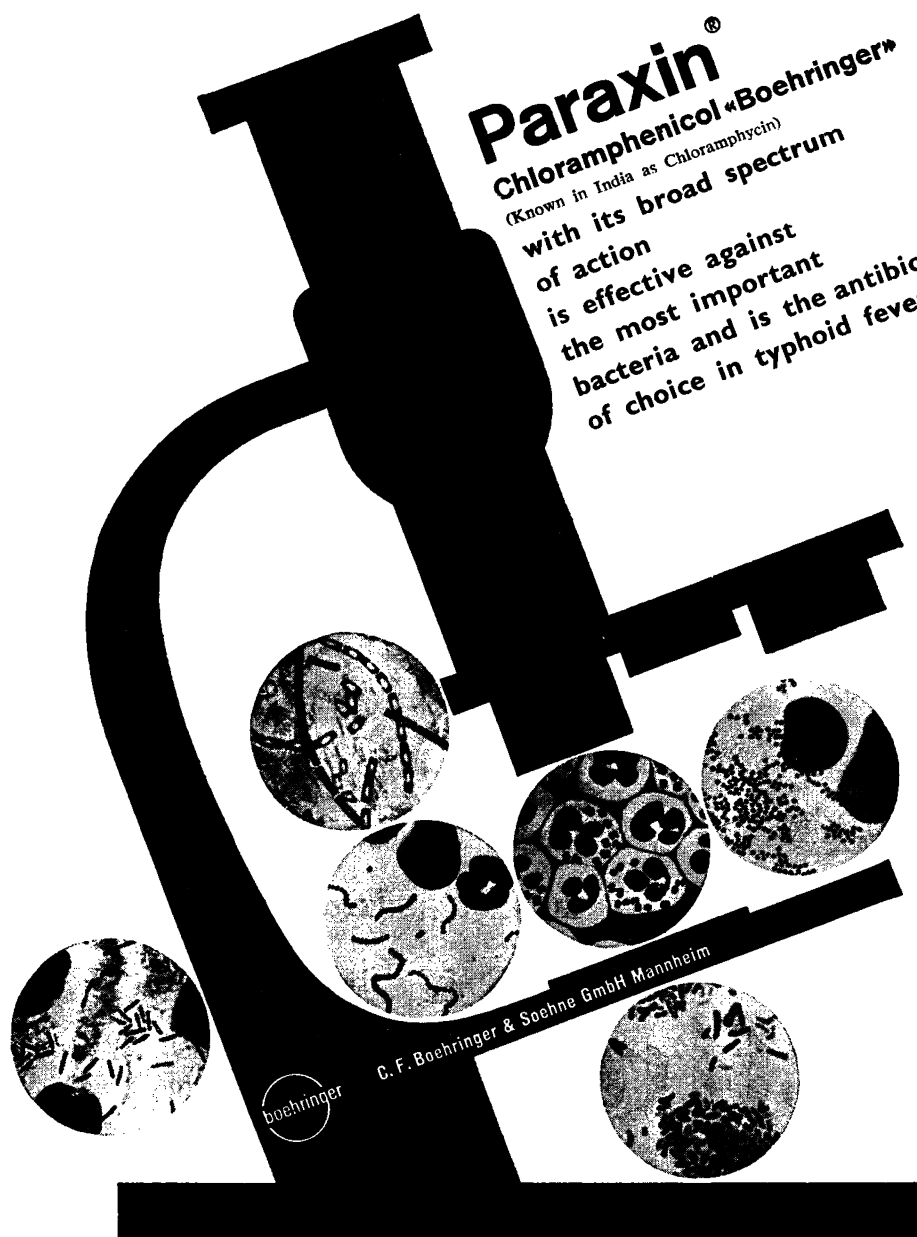

often difficult to think what else would help her. While basal metabolism is being restored, vitamins of the B complex acting as co-enzymes in glucose oxidation systems can influence energy release in the tissues and thus help in speeding recovery. Suitable preparations for this are BECOVITE and OROVITE.

⌘ Vitamins from Vitamins Limited

BECOVITE Contains the most important of the Vitamin B complex group. Elixir or Tablets, the former with strychnine.

OROVITE High dosage Vitamin B complex and Vitamin C. Elixir or Tablets.

Standard Reference Cards, produced in accordance with the specifications of the A.B.P.I. and giving full information and formulae, are available for all our products.

The importance of simplicity in the treatment of diabetes

The diabetic is condemned to a life-time of medication to control his condition. In few other conditions is simplicity and ease of administration so important. The introduction of the sulphonyl-ureas eight years ago relieved one group of diabetics from the burden of daily injections. The extensive use of Rastinon in oral antidiabetic therapy for over two million patients has shown that it is not only one of the safest drugs available, but also one of the most effective in controlling diabetes when the condition is first discovered at middle age. Rastinon is the standard oral treatment of diabetes, and it is remarkable for its safety, simplicity, economy and effectiveness.

TB patients

feel at home with **INAPASADE**

British Patent No. 885,455

INAPASADE — easily swallowed, palatable granules of PAS-INH — has taken the drudgery out of the domiciliary treatment of tuberculosis. Inapaside granules go down easily with a drink and, taken with meals, fit unobtrusively into the daily routine. No mid-day dose; no need to carry drugs to work or swallow them in public; no forgotten or skipped doses. TB therapy is easy and pleasant with Inapaside.

INAPASADE

standard b.d. therapy

One packet in the morning and one in the evening together provide a daily dose of sodium aminosalicylate B.P. 12 G. and isoniazid B.P. 300 mg.

Tins of 60 packets (1 month's supply) and 120 packets (2 months' supply).

INAPASADE S.Q.

new once-daily therapy

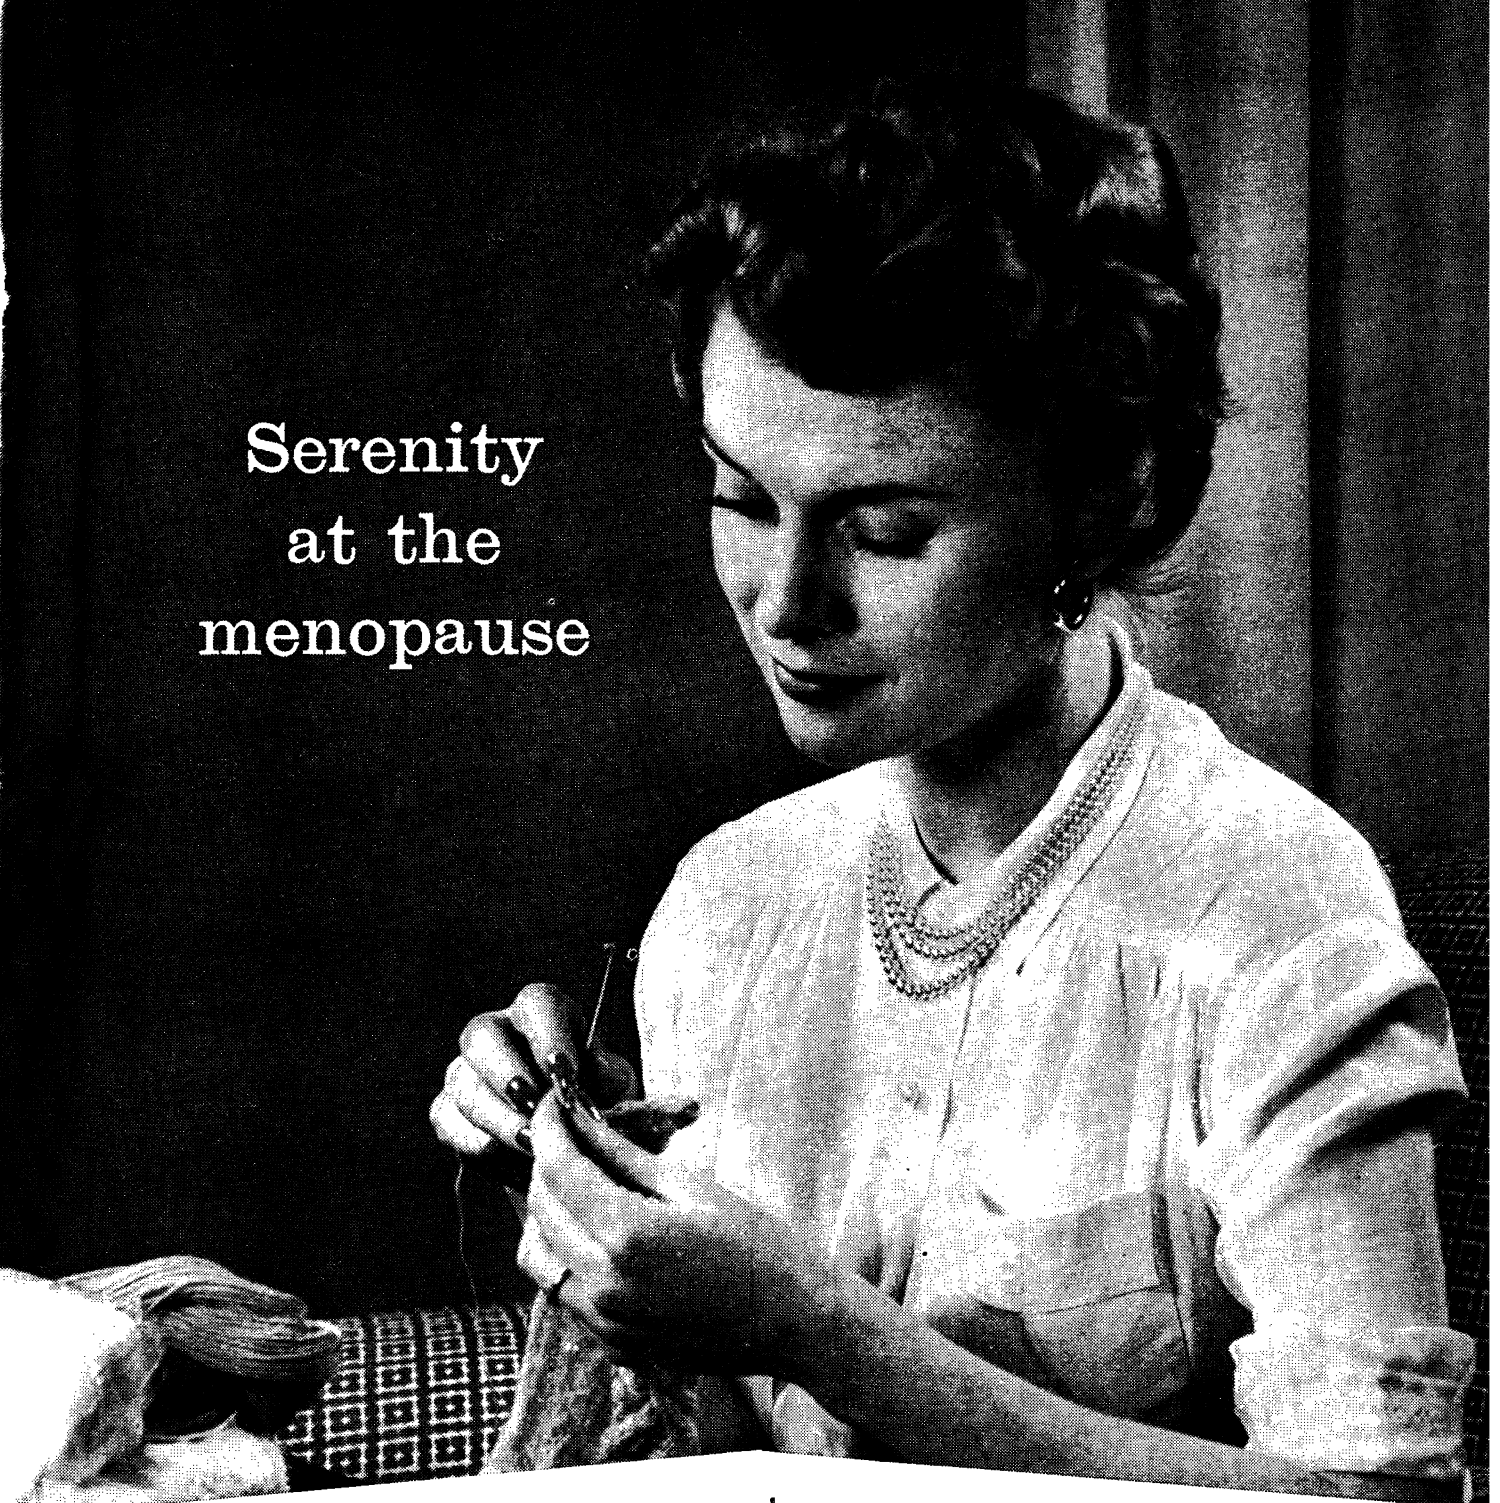

One packet at breakfast time or in the evening gives a full daily dose of sodium aminosalicylate B.P. 12 G. and isoniazid B.P. 300 mg.

Tins of 30 packets (1 month's supply).

When treatment demands
bland fluid—

ROBINSON'S makes it easy

Barley water has long been recognised as the ideal treatment in cases where large amounts of liquid form part of the prescription. With its high solids content, smooth demulcent barley water—hot or cold—is especially suitable in gastro-intestinal complaints where the internal membranes are inflamed and tender.

Robinson's Lemon Barley and Orange Barley provide a convenient form of natural, wholesome barley water freshened with lemon and orange and perfectly balanced for rapid absorption.

Robinson's 'Patent' Barley gives a quickly prepared home-brew of barley water that can be mixed with milk or flavoured with any fruit juice that the patient prefers. A half-pound pack makes 96 glassfuls of fresh barley water.

A SPENCER SUPPORT for Intervertebral Disc

In both conservative and surgical treatment of intervertebral disc, application of a back support is usually indicated.* We invite the surgeons' investigation of Spencer as an adjunct to treatment. Each Spencer is *individually designed, cut and made* for each patient—after a description of the patient's body and posture has been recorded and detailed measurements taken. Thus, individual support requirements are accurately met. The Spencer Spinal Supports shown incorporating rigid Spinal Brace were individually designed for both man and woman patients. Note exterior pelvic binder for added pelvic stability.

BEFORE

COVERMARK

the effective means of masking
an extensive range of
dermatological disfigurations

(e.g. birthmarks, vitiligo, neurodermatitis,
psoriasis, scars, broken surface veins, etc.)

AFTER

COVERMARK is a tinted, opaque, hypo-allergenic cream with a non-irritating base. It is WATERPROOF and sunproof and the consistency is such that it will not run or rub off, cracking or a mask-like appearance is prevented. The illusion of a clear complexion is so perfect, when COVERMARK is properly applied, that most patients are enabled to enter business and undertake professional roles which would otherwise be closed to them.

Covermark contains various cosmetic colouring materials in a neutral wax base.

COVERMARK DOMICILIARY SERVICE

To benefit fully from the use of COVERMARK your patient must not only be shown how to achieve the best cosmetic result, but also given ample opportunity to reproduce that result under guidance.

We therefore provide a domiciliary service which brings a skilled demonstrator to your patients' home, entirely free of charge.

DRUGS in the TREATMENT of DISEASE

An authoritative guide to the use and comparative efficacy of many drugs developed in recent years. It assists the practising doctor to compare the newer drugs with each other and with those older remedies that are still the best of their kind. Information is also given regarding toxic and side effects.

Compiled from the series of articles published in the *British Medical Journal*, the book presents an up-to-date, indexed, authority on medicinal treatment—of considerable help to the doctor in choosing the best drug for his patient.

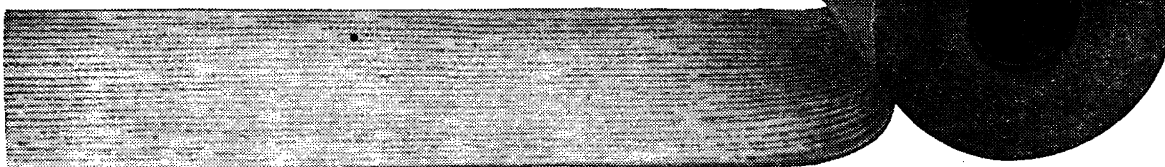

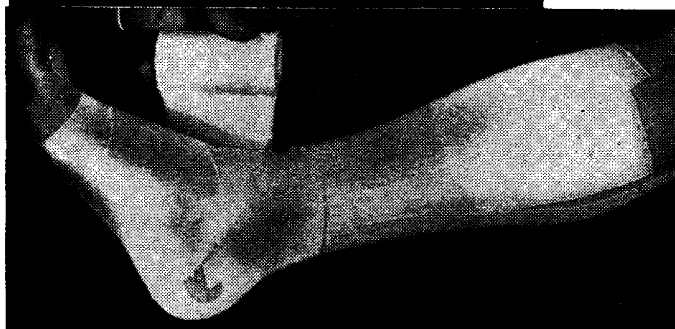

Medium 8vo. 570 pages. 36s. 9d. by post

A career for doctors in the R.A.M.C.

GOOD GENERAL PRACTICE

Professional standards in the Royal Army Medical Corps are high. The R.A.M.C. is responsible for the welfare not only of serving officers and men but also for many of their dependants; there is thus great scope for good general practice. An illustration of this is the fact that over 12,000 babies were born in military hospitals during, for example, 1961. There are thirty well-equipped hospitals at home and overseas, as well as field medical units to provide medical care for the Army in its active role.

Accommodation is provided for all married and single officers. Well-equipped surgeries with medical assistants are provided, allowing you to do your best work, and devote more time to the care of your patients. Consultant opinion is available to you, and, as a general practitioner, you are welcome in the hospital to follow up your cases.

PAY, ALLOWANCES AND LEAVE

The range of pay varies from not less than £2,000 for the young married medical officer up to £5,000 for the senior consultant; and you will be offered employment up to the age of 65. Annual allowances of up to £185 for the first, up to £225 for the second, and up to £260 for the third and all subsequent children, may be granted to assist in the education of children who are sent to boarding schools in the United Kingdom. These allowances are untaxed when serving outside the United Kingdom.

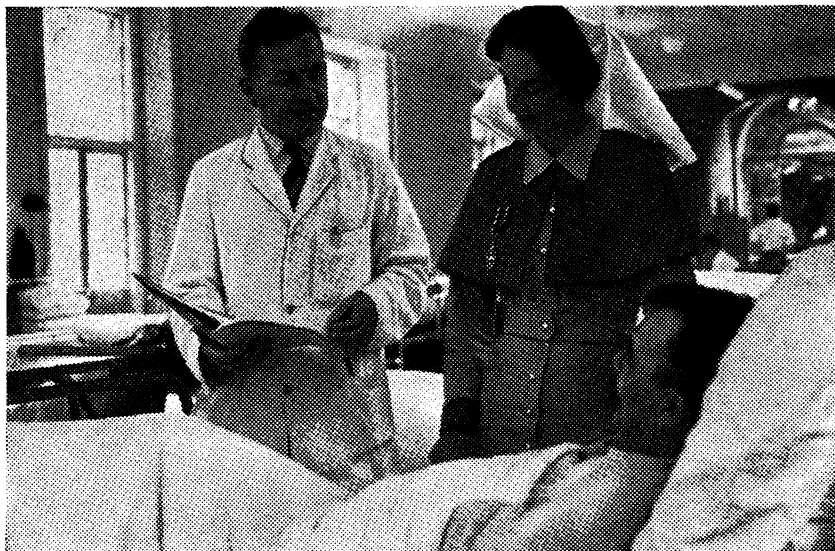

Six weeks' leave is given each year, and you are not responsible for finding or paying your relief.

SPECIALISATION

Doctors granted permanent commissions may apply for training in any of fourteen specialities, and those selected are given ample time and opportunity for obtaining their higher qualifications. Senior specialists may be awarded consultant grading directly comparable with civilian standards. Extra pay for specialists ranges between £109 and £584 a year.

POST-GRADUATE STUDY AND RESEARCH

Great importance is attached to post-graduate study for permanent officers engaged in general practice, as well as specialists. General practitioners are expected to take diplomas, such as D.C.H., D.Obst.R.C.O.G.,

An officer in the R.A.M.C. visits a patient, accompanied by a member of Queen Alexandra's Royal Army Nursing Corps.

and refresher courses are arranged for both specialists and general practitioners at the Royal Army Medical College and other post-graduate centres.

Research is an increasingly important aspect of the work of the R.A.M.C. Several officers are engaged either wholly or in part in clinical and physiological research, their work covering a wide range of subjects.

GENERAL CONDITIONS

Previous service in the Armed Forces counts for pay and promotion, and an antedate of up to seven years may be granted for civilian experience.

Short service commissions are for 3 to 5 years with terminal tax-free gratuities of £1,500 and £3,000 respectively. A short service commission can lead to a permanent commission. For permanent officers, there is an initial taxable grant of £1,500 and a terminal tax-free grant of three times the annual pension. The pension scheme is non-contributory. The upper age limit for permanent commissions is forty, and for short service commissions, fifty.

PRE-REGISTRATION COMMISSIONS

Medical graduates may be accepted for short service commissions of 3 or 5 years at any time before full registration.

Age limit is 32 years. Pre-registration appointments may be done in N.H.S. hospitals of choice, or in selected military hospitals. Board and accommodation are free, and salary is £876 for a married man; £1,065, if over 25 years. The short service commissions carry a terminal gratuity. In addition, a gratuity of £200 is payable in respect of the pre-registration year's service.

MEDICAL CADETSHIPS

A limited number of cadetships is open to male medical students who have passed their 2nd M.B. or equivalent examination. Tuition fees are paid from Army funds, and books and instruments are issued on loan. The age limit is 28 years: the salary for a single man is £930.

Service with the R.A.M.C. is for a minimum period of five years after full registration; this service carries a terminal gratuity. A booklet, 'A Career for Doctors in the Royal Army Medical Corps,' containing details of pay, gratuities, pensions and conditions of service, may be obtained from: The Director-General, Army Medical Services, The War Office, (HNR/36/A) (AMD 2B), London S.W.1, Tel: GRO 8040, Ext. 602, or you may care to come and discuss your application personally.

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given. House Officers should submit a separate application for each post for which they apply.

Canvassing of members of the Board or Advisory Appointments Committee will lead to disqualification (Statutory Instrument 1950, No. 1259, N.H.S.).

★ SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) REGISTRAR. Posts obtained normally not less than one year after full registration as a medical practitioner and held normally for two years; £1,425 in the first year; £1,595 in the second and any subsequent years. Deduction of £255 per annum for compulsory residence, £300 per annum for voluntary residence.

(b) SENIOR REGISTRAR. Posts obtained normally not less than three years after full registration and held normally for four years; £1,710 in the first year; £1,880 in the second and any subsequent years; £2,280 in the fifth and sixth years; £2,395 in the seventh and eighth years; £2,395 in the ninth and any subsequent years. Deduction of £295 per annum for compulsory residence; £325 per annum for voluntary residence.

Other Grades, Whole-time

(a) HOUSE OFFICERS. Each post in this grade shall be tenable for six months.

£770 per annum for the first post held; deduction of £175 per annum for compulsory residence or £220 per annum for voluntary residence; £855 per annum for the second post held; deduction of £180 per annum for compulsory residence or £220 per annum for voluntary residence.

£940 per annum for the third and any subsequent posts held; deduction of £190 per annum for compulsory residence or £220 per annum for voluntary residence.

provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £855 per annum if they are satisfied that the officer has held at least one hospital post outside, or not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff; provided further that where a House Officer has previously held two such outside posts the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that his remuneration shall be £940 per annum. Any House Officer who on first appointment is paid at the appropriate rate to the second or third post held in accordance with the above provisions shall be paid at the third post rate for any subsequent appointments in this grade.

(b) SENIOR HOUSE OFFICERS. Posts obtained by fully registered medical practitioners and held normally for one year only; £1,195 on appointment at age 27 or under; £1,255 on appointment at age 28 or over. Deduction of £210 per annum for compulsory residence or £255 per annum for voluntary residence.

(c) JUNIOR HOSPITAL MEDICAL OFFICERS. Officers who have held house appointments but who are not registrars and who have less responsibility than other hospital officers of non-consultant status and who have been appointed for a limited or indefinite period, not less than one year after full registration as a medical practitioner; £1,255 by £65 (3) to £1,450 by £70 (5) to £1,800. Deduction of £255 per annum for compulsory residence or £300 per annum for voluntary residence.

Allowances at rates of up to £115 per annum shall be payable to house officers, senior house officers, junior hospital medical officers, and registrars occupying posts approved for such allowances in peripheral hospitals.

All National Health Service hospital appointments shall be in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

The above revised rates of salary, payable as from April 1, 1963, were notified to employing authorities on July 2, and advertisements quoting salaries at the old rates are accepted on the assumption that the new rates will apply.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff. (9/7/63)

SCHERING A.G. BERLIN

U.K. Subsidiary: Pharmethicals (London) Limited, Victoria Way, Burgess Hill, Sussex.

ismelin

one certain fact in hypertension

It is suitable for all grades of hypertension

Satisfactory response in most patients

More than 525 papers provide a positive clinical background

Easy to administer—one dose daily

Long term control readily maintained

International experience shows tolerance not a problem

Named the drug of choice by many authorities

Practical experience has proved that a very high proportion of hypertensive patients respond satisfactorily to Ismelin. Treatment can be initiated with Ismelin in all grades of hypertension : in appropriate cases Navidrex® (diuretic) or Serpasil® can be given in addition.

Tolerance and drug resistance are not a problem with Ismelin. One dose daily controls blood pressure adequately and, once dosage has been stabilised, there is little likelihood of the pressure rising between visits.

Ismelin is well tolerated by the majority of patients and side effects rarely interfere with treatment.

Packs and prices. Ismelin tablets, 10 and 25 mg. guanethidine sulphate, in 25's, 100's and 500's. Basic NHS price of 100 tablets 10 mg. 27/8d.

Applications (16 copies), stating date of birth, qualifications, experience, present appointment, and the names of three referees, to reach the Secretary, Western Regional Hospital Board, 351 Sauchiehall Street, Glasgow C.2, not later than 30 days after the publication of this advertisement. (9924)

ADDITIONAL APPOINTMENTS

PUBLIC HEALTH

CITY OF BRADFORD Health Department

SENIOR MEDICAL OFFICER

(Male or female)—**EPIDEMIOLOGY**

This newly established post has been created to provide considerable opportunity and scope in the field of epidemiology with particular application to the health and welfare of the immigrant population in the city. The successful applicant will also be responsible for the investigation and control of infectious diseases and for the administration of this various vaccination and immunization schemes.

The possession of a Diploma in Public Health and previous experience in the work of a health department will be considered an advantage. The salary will be in accordance with the scale £1,935 by £75 (5) to £2,310 by £80 to £2,390 by £85 (2) to £2,560. The post is superannuable and the successful candidate will be required to pass a medical examination.

Application form and details of the appointment may be obtained from the Medical Officer of Health Central House, 8 Fosse Square, Bradford 1, and should be returned as soon as possible.—Henry Patten, Town Clerk. (9646)

Public Health—contd.**CITY AND COUNTY BOROUGH OF
CARLISLE****APPOINTMENT OF ASSISTANT
MEDICAL OFFICER OF HEALTH
AND SCHOOL MEDICAL OFFICER**

Applications are invited from registered medical practitioners for the above superannuable post. The possession of a D.P.H. is advantageous. Successful applicant may be appointed Deputy Referee, Carlisle Crematorium, but such experience is not a condition of appointment. Salary £1,340 to £1,910 per annum, with placing according to qualifications and experience. An essential user car allowance and additional remuneration for duties as Deputy Referee will be paid. Housing may be available if necessary. If successful candidate has not D.P.H. he may be allowed time off to take this.

Full particulars and forms of application from Medical Officer of Health, 22 Fisher Street, Carlisle, to whom completed forms should be returned by October 28, 1963. (5052)

**SECOND ADVERTISEMENT
CITY OF LEEDS EDUCATION
COMMITTEE**

Applications are invited for the post of SENIOR SCHOOL MEDICAL OFFICER. Applicants should have had wide experience in the School Health Services, hold the D.P.H. or D.C.H. and must possess a qualification prescribed by the Medical Examinations (Sub-normal Children) Regulations, 1959.

The person appointed will work under the direction of the Principal School Medical Officer, who is also Medical Officer of Health. Leeds, has a wide range of special medical provision for children, and there are opportunities for a person wishing to undertake research or investigation in a variety of particular fields.

The salary scale is £1,935 to £2,560 a year. Starting salary determined in accordance with experience.

The post is superannuable and the person appointed will be required to pass a medical examination.

Forms of application and particulars of the post may be obtained from the undersigned and must be returned within twenty-one days of the appearance of this advertisement.

Canvassing in any form, either directly or indirectly, will be a disqualification.—George Taylor, Chief Education Officer, Education Department, Calverley (5027)

**CITY OF LEEDS
Public Health Department**

Applications are invited from registered medical practitioners for the post of

ASSISTANT MEDICAL OFFICER duties mainly Maternity and Child Welfare. Applicants should have had postgraduate experience, including obstetrics and paediatrics. Possession of the D.P.H., D.C.H., or D.Obst.R.C.O.G. will be an advantage. Alternatively the successful candidate might later be permitted to take the part-time D.P.H. course at Leeds University.

The salary scale is £1,340 to 1,910 per annum.

The post is superannuable and subject to medical examination.

Application forms, and conditions of service, may be obtained from the undersigned at the Public Health Department, 25 East Parade, Leeds 1, and completed applications should be returned by Monday, October 21, 1963.—D. B. Bradshaw, Medical Officer of Health, School Medical Officer. (9621)

**CITY OF MANCHESTER HEALTH
DEPARTMENT****MEDICAL OFFICERS
(Maternity and Child Welfare)**

Applications are invited from registered medical practitioners for the above post, both full-time and part-time, on the basis of 5/10, 6/10, 7/10 or 8/10 of full-time. Applicants should have obstetric and paediatric experience, and will be required to undertake leave of absence without pay in order to attend the part-time course for the D.P.H. at Leeds University.

The authority have accepted the principle that Assistant Medical Officers of Health be granted leave of absence without pay in order to attend the part-time course for the D.P.H. at Leeds University.

Terms and conditions of service are in accordance with those laid down by the Medical Council, Committee "C" of the Whitley Councils for the Health Services.

The post is subject to a medical examination. Salary scale: £1,340 by £65 (2) by £70 (3) by £75 (2) by £80 (1) to £1,910, and the point of entry will be in accordance with qualifications and experience.

A car allowance of £76 per annum is payable. Particulars of the duties and other conditions of the appointment, together with

application forms, may be obtained from the Medical Officer of Health, Health Department, Huddersfield, to whom completed applications should be returned not later than Monday, October 21, 1963.

Canvassing is prohibited.—Harry Bann, Town Clerk. (8990)

**ALLEN & HANBURY LTD.,
WARE, HERTS**

invite applications for the position of Head of Medical Services within their Research Division at Ware. The successful candidate will be the principal medical adviser to the Company and will be responsible for arranging the clinical evaluation of new products. Preferably the candidates should have a higher qualification in medicine and knowledge of the design and analysis of clinical trials. Previous industrial experience is not essential but might be an advantage. The working conditions are good and will be explained in detail at interview. Applications should be sent to the Personnel Manager, quoting ref. no. MS.6. (9901)

Public Health—contd.

WARWICKSHIRE COUNTY COUNCIL

APPOINTMENT OF AN ASSISTANT
COUNTY MEDICAL OFFICER OF
HEALTH AND SCHOOL MEDICAL
OFFICER, COMBINED WITH A
BURSARY SCHEME FOR TAKING THE
DIPLOMA IN PUBLIC HEALTH

Applications are invited from young medical practitioners wishing to make a career in Public Health. A minimum of two years' medical experience is required. The selected candidate may elect to join the Bursary Scheme which enables him to attend on paid leave, in the fourth or fifth year of service, the London University, to take the Diploma in Public Health—with assistance towards living, travelling and course expenses. The post is kept open and a satisfactory candidate may return to the Council's service on the appropriate point in salary scale. A brochure explaining the scheme is full is supplied with the application form. Conditions of service and salary are in accordance with the Whitley Council scale, £1,340 to £1,910, commencing salary according to experience. A Bursary candidate having certain deductions. Post superannuable from date of appointment. Successful candidate will be required to produce satisfactory medical certificate. Car is essential, for which Whitley Council scale of allowance is payable. Car purchase loan scheme available. Consideration will be given to financial assistance towards removal expenses.

Forms of application can be obtained from the County Medical Officer of Health, County Health Department, Lakin Road, Warwick. Closing date for applications is October 22, 1963.—L. Edgar Stephens, Clerk of the Council, Shire Hall, Warwick. (9435)

ADMINISTRATIVE

BIRMINGHAM REGIONAL HOSPITAL
BOARDASSISTANT SENIOR MEDICAL
OFFICER

required to assist Senior Administrative Medical Officer in planning and organization of hospital and specialist services; facilities for studying organization and administration of National Health Service, and participation in operational research. Salary £2,475 to £1,000 (3) to £2,775 by £105 (3) to £3,090. Superannuable. Previous experience in public health, hospital administration or medical service or general practice essential. Applications, stating age, experience and qualifications, naming three referees, to Secretary, 146 Hagley Road, Birmingham 16, by November 4, 1963. (9749)

SHEFFIELD REGIONAL HOSPITAL
BOARD

Applications invited from registered medical practitioners with appropriate experience for a new appointment as

PRINCIPAL
ASSISTANT SENIOR
MEDICAL OFFICER

Salary scale £2,690 to £3,420.

The appointment is in a grade immediately below Deputy Senior Administrative Medical Officer to the Board. The officer appointed will be required to assist the Senior Administrative Medical Officer in matters of medical administration in general, but particularly in connection with the co-ordination and execution of the Capital Works Programme.

Application forms (to be returned by November 9, 1963) with further details concerning the appointment available from the Secretary of the Board, Fulwood House, Old Fulwood Road, Sheffield 10, quoting reference P240/2. (9795)

SOUTH-EASTERN REGIONAL
HOSPITAL BOARD, ScotlandASSISTANT SENIOR ADMINISTRATIVE
MEDICAL OFFICER

(Salary scale £2,475 by £100 (3) by £105 (3) to £3,090.)

This is a post on the headquarters establishment, and candidates should be capable of undertaking responsible duties in the development of regional services and the planning of major hospital projects. Previous experience in hospital or public health medical administration desirable but applicants with clinical experience only will also be considered. The appointment will be subject to Whitley Council terms and conditions of service, to the National Health Service (Superannuation) (Scotland) Regulations and to three months' notice on either side.

Applications, stating age, qualifications and previous experience, together with the names of three referees, to the Secretary, 11 Drumshugh Gardens, Edinburgh 3, by October 26, 1963. (9922)

APPLICANTS ARE ADVISED NOT TO send original testimonials when replying to advertisement. Copies will serve the purpose quite as well, and in the event of their being lost or mislaid no inconvenience will ensue.

GOVERNMENTAL

TREASURY MEDICAL SERVICE

Applications are invited from medical practitioners, practising in the districts detailed below, for appointment, in a part-time and mainly advisory capacity, as LOCAL TREASURY MEDICAL OFFICERS.

For each of the places or groups of places shown. The town shown in brackets after the place-names indicates the Head Post Office Area in which the place, or group of places, is situated. Applicants must have a surgery in the area stated.

Successful applicants will be required to examine and report on the condition of certain Government Officers, teachers, candidates for appointment, etc., who may be referred to them in respect to time, and to attend when summoned to an emergency case of accident or sudden illness occurring in a Government office in the neighbourhood of his surgery.

Fees for this work, and mileage allowance where journeys in excess of a certain distance are necessary, will be paid on a scale agreed with the British Medical Association.

Intending applicants should write, within 14 days, to Treasury Medical Adviser, Treasury Chambers, Whitehall, London S.W.1, for a form on which application may be made. Applicants should be not more than 60 years of age.

The places for which applications are invited are as follows:

England and Wales

Edenbridge (Tonbridge)

Glyncorrwg (Port Talbot)

Heathfield (Eastbourne)

Hertford (Hertford)

Newport (Newport)

Ramsey and District (Douglas, I.O.M.)

Scotland

Anstruther (Leven) (8997)

Oversea—contd.

ASSISTANT PATHOLOGIST, EASTERN
Canada, in range \$16,000 to \$24,000.—Box
3906, B.M.J.

**ANNOUNCEMENT
OF FELLOWSHIP IN MENTALLY
RETARDED CHILDREN AND
PHYSICALLY HANDICAPPED
CHILDREN**

A fellowship programme to start July 1, 1964, for training and research in the broad area of mental retardation, deviant child development, and physically handicapping conditions is being sponsored by the Child Development Clinic of the Department of Paediatrics and the Hospital School for Severely Handicapped Children at the State University of Iowa.

The Hospital School has a residential programme for 60 severely physically handicapped children with reasonably normal intelligence and also conducts an out-patient programme. All types of physical handicaps are considered but especially cerebral palsy. The Child Development Clinic is concerned especially with mentally retarded children but some children with psychosomatic disorders or other forms of neurological defect are also seen. While there are some in-patient activities, the Child Development Clinic operates chiefly as an out-patient unit. Both the Hospital School and the Child Development Clinic operate in conjunction with the Department of Paediatrics.

Duties would include close association with the children in the in-patient groups and helping with out-patient evaluations. Ample opportunity would be provided to do investigative work, the exact nature of which would be determined by the interests of the Fellow. Attending certain national or regional meetings and attending certain postgraduate courses would be a part of the fellowship programme.

An appointment of Fellow in the Department of Paediatrics will be offered with a stipend of \$7,500 annually. Applications can be made to either:

Dr. Raymond R. Rembolt, or
Dr. Gerald Solomons,
Department of Paediatrics,
University Hospitals,
Iowa City, Iowa.

(5038)

**AUSTRALIA
THE UNIVERSITY OF NEW SOUTH
WALES**

Applications invited for appointment to the position of
**LECTURER/SENIOR LECTURER IN
PATHOLOGY**

Salary: Lecturer, £A.1,905 range £A.2,600 per annum. Senior Lecturer, £A.2,755 range £A.2,855 per annum. Commencing salary according to qualifications and experience.

Applicants must possess an honours degree of good standing or equivalent qualifications, and have had some experience in pathology. For appointment as Senior Lecturer, applicants must hold a higher degree, have had training in morbid anatomy and histopathology, and have developed a field of research work in general or special pathology, in immunopathology or chemical pathology.

The successful applicant will be expected to partake in morbid anatomy and histopathology in the University's teaching hospitals.

The school commenced teaching in August, 1963, and has recently occupied new laboratories which provide facilities for a wide range of research.

Details of appointment, including travel arrangements, superannuation, study leave, housing scheme, right of private practice, may be obtained from the Agent General for New South Wales, 56-57 Strand, London W.C.2, with whom four copies of applications, including the names of two referees, should be lodged before November 30, 1963. A copy of the application should be forwarded by airmail to the Appointments Section, The University of New South Wales, Post Office, Box 1, Kensington, New South Wales, to reach there before the above-mentioned date. (9973)

**NEW ZEALAND HOSPITAL BOARD
WELLINGTON HOSPITAL BOARD**

**SENIOR ADMITTING AND
OUT-PATIENTS OFFICER**

Applications from registered medical practitioners are invited for the position of Senior Admitting and Out-patients Officer at Wellington Hospital, a Base Hospital of 829 beds. Duties commence in January, 1964.

This is a senior position in charge of the Casualty Department, the arrangement of all admissions and correlation of Out-patients services.

The appointment is made under the New Zealand Hospital Employment (Medical Officers) Regulations, 1963. Applicants should qualify as Specialist or Senior Specialist under these Regulations. Salary scales applicable are:

Specialist £NZ.1,970 to £NZ.2,340

Senior Specialist £NZ.2,480 to £NZ.2,800

Commencing salary within this scale will be determined in accordance with the Regulations.

Assistance may be given toward payment of appointee's travelling expenses to New Zealand.

A schedule of conditions of appointment and a form of application may be obtained from the Office of the High Commissioner for New Zealand, New Zealand House, Haymarket, London S.W.1.

Applications should be addressed to the Secretary, Wellington Hospital Board, Private Bag, Wellington Hospital, Wellington, New Zealand.—A. F. Wilton, Secretary. (9902)

**THE PUBLIC SERVICE OF
TASMANIA**

DEPARTMENT OF HEALTH SERVICES

RADIOLOGIST

(MALE)

North-West Coast Hospitals

Applications are invited from medical practitioners holding primary qualifications registrable in Tasmania, and possessing higher qualifications in Diagnostic Radiology, for the post of Radiologist to the North-West Coast Hospitals.

SALARY:

Specialist Medical Officer Class I—£A.3,833 to £A.4,057 per annum, by two annual increments of £A.112.

Specialist Medical Officer Class II—£A.3,063 to £A.3,735 per annum, by six annual increments of £A.112.

The commencing salary will be according to years of experience, and will be payable from the date of embarkation.

To qualify for appointment to Class II, an applicant must possess a higher qualification in Radiology, and must have had at least two years' experience in this field, gained before or after obtaining the higher qualification.

To qualify for appointment to Class I, an applicant must possess the requirements for Class II, plus at least a further four years' experience in the specialty, gained before or after obtaining the higher qualification.

DUTIES:

Mainly at the Burnie General and Mersey General Hospitals. There may be occasional minor radiological procedures at the Ulverstone and Spencer Hospitals. It is also envisaged that occasional visits to the Lyell District Hospital, Queenstown, will be required for the purpose of conducting screening examinations.

ACCOMMODATION:

Residential accommodation, with heavy furnishings, will be provided on a rental basis at Ulverstone.

SUPERANNUATION:

Is available.

LEAVE:

Annual leave, liberal sick leave and three months long service leave after ten years continuous service are provided.

NOTE:

Modern, comprehensive diagnostic equipment is available at both General Hospitals.

Passages would be provided under the Commonwealth Migration Scheme for a United Kingdom resident and his dependent family.

Applications, in duplicate, should be addressed to the Agent General for Tasmania, 457 Strand, London W.C.2. (9815)

Overseas—contd.

PALMERSTON NORTH HOSPITAL
BOARD
New Zealand

ANAESTHETIC REGISTRAR
Applications are invited for the above vacancy at the Palmerston North Hospital, Palmerston North, New Zealand, duties to commence as soon as possible after January 1, 1964.

Salary will be determined according to experience and qualifications within the following scales:

Junior Registrar £1,285/£1,370 per annum
Senior Registrar £1,470/£1,670 per annum
(Above rates increased by £200 per annum if living out of hospital).

Assistance towards the cost of transport expenses is available to the appointee.

The Palmerston North Hospital is recognized by the Royal College of Surgeons of England and the Royal Australasian College of Surgeons for the purposes of the Fellowship examinations in surgery and anaesthesia. The hospital is also recognized for Part II of the D.M.R.D. examination.

Applications, giving full particulars as to age, qualifications and experience, and accompanied by recent testimonials, and advice as to the earliest date on which appointment could be taken up, to be addressed to the Secretary, Palmerston North Hospital Board, P.O. Box 607, Palmerston North, New Zealand.—R. S. Wilson, Secretary. (990.3)

UNIVERSITY AND
RESEARCH
APPOINTMENTS

MEDICAL RESEARCH COUNCIL

TRAVELLING
FELLOWSHIPS
IN MEDICINE AND
MEDICAL SCIENCE

The Medical Research Council invite applications for the following Travelling Fellowships for the academic year 1964/5.

ALEXANDER PIGOTT WERNHER
MEMORIAL TRAVELLING
FELLOWSHIPS IN
OPHTHALMOLOGY AND
OTOLOGY

These Fellowships are intended for suitably qualified medical graduates who are likely to profit by a period of work in Ophthalmology or Otolaryngology at a centre abroad before taking up higher teaching and/or research posts in these branches of medical science. Candidates will be required to submit an outline of their proposals for work at a selected centre. The awards will normally be tenable for one year, but grants may also be given for short-term visits abroad to study new methods of investigation and treatment in these fields.

The Fellowships provide for the payment of a maintenance allowance at a rate of £650 per annum for a single Fellow or £900 per annum for a married Fellow, if the Fellowship is held in sterling areas, or \$3,000 per annum for a single Fellow and \$4,200 per annum for a married Fellow, if the Fellowship is held in the United States; in addition, an allowance is made for travelling and other approved expenses.

Further particulars of these awards and forms of application may be obtained from the

Secretary,
Medical Research Council,
20 Park Crescent, London W.1,
with whom applications must be lodged by not later than November 30, 1963.

DEPARTMENT OF PAEDIATRICS
UNIVERSITY OF COLORADO

Applications are invited for a research fellowship in childhood diabetes. The work is concerned primarily with the nature of insulin antagonists in diabetes, but time will be available for contact with general paediatrics and for a small amount of course work reviewing modern thought in the basic sciences. Base salary is \$6,000 per annum, plus \$500 per annum per dependant up to \$7,500 per annum. Interested physicians should write initially to Donogh O'Brien, M.D., Department of Paediatrics, University of Colorado Medical Centre, 4200 East Ninth Avenue, Denver, Colorado, U.S.A. (993.2)

University and Research**Appointments—contd.****MEDICAL RESEARCH COUNCIL**

Social Medicine Research Unit has vacancy for Medical Statistician. Applicants should be medically qualified. A statistical qualification is not essential, but applicants must have a taste for figures and be keen to learn. Salary according to qualifications and experience. Superannuation. Family allowances. Enquiries to Director, Social Medicine Research Unit, London Hospital Research Laboratories, Ashford Street, London E.1. (1996)

THE ROYAL AUSTRALASIAN COLLEGE OF PHYSICIANS

ROCHE RESEARCH FELLOWSHIP
Applications are invited from graduates in medicine of Universities of Australia and New Zealand for the Roche Research Fellowship of the Royal Australasian College of Physicians for 1964, which has been made available by Roche Products Pty. Ltd. for the study of cardiovascular disease. Work under the Fellowship must be carried out in Australia in a Department of a Medical School of an Australian University or in an institute approved by the College. Previous experience in medical research is desirable. The value of the Fellowship is approximately £2,600 according to qualifications and experience. The appointment will be for a period of one year in the first instance, but may be renewed on application for a further period of one or two years. Full details may be obtained from the Honorary Secretary, The Royal Australasian College of Physicians, 145 Macquarie Street, Sydney, Australia, with whom applications should be lodged not later than December 6, 1963. (5039)

THE UNIVERSITY OF MANCHESTER

Applications are invited for a full-time post at the grade of

LECTURER IN PHARMACOLOGY
preferably from candidates with medical qualifications registrable in this country. Salary scale (pre-clinical): £1,770 by £110 to £2,210 by £120 to £2,450 by £100 to £2,550 per annum, with merit bar-line at £2,100; (non-medical): £1,250 by £60 to £1,670 by £80 to £2,150 per annum, with a merit bar-line at £1,830; initial salary according to qualifications and experience. Membership of F.S.S.U. and Children's Allowance Scheme. Applications should be sent not later than November 1, 1963, to the Registrar, the University, Manchester 13, from whom further particulars and forms of application may be obtained. (943)

THE UNIVERSITY OF MANCHESTER

Applications are invited for the post of

SENIOR LECTURER IN OBSTETRICS AND Gynaecology
from registered medical practitioners who hold the Membership of the Royal College of Obstetricians and Gynaecologists. The duties involve systematic and clinical teaching in obstetrics and gynaecology, with opportunities for research. The Board of Governors of the United Manchester Hospitals may be prepared to negotiate an honorary contract as Consultant with the person appointed who will undertake such clinical duties as are allotted to him in the Unit at St. Mary's Hospital, Manchester, directed by the Professor of Obstetrics and Gynaecology. Salary on a scale rising to £3,470 per annum; initial salary according to qualifications and previous experience. Membership of the F.S.S.U. and Children's Allowance Scheme. Applications should be sent not later than November 30, 1963, to the Registrar, the University, Manchester 13, from whom further particulars and forms of application may be obtained. (9880)

UNIVERSITY OF BIRMINGHAM
Department of Anatomy

RESEARCH FELLOWSHIP IN THE PHYSIOLOGY OF REPRODUCTION
Applications are invited for the Research Fellowship in the Department of Anatomy (Professor Sir Solly Zuckerman, C.B., F.R.S.) to study the physiology of reproduction and in particular to investigate the control of fertility in primates and lower mammals.

The salary will be determined according to qualifications and experience. F.S.S.U. and family allowance will be paid. Initially the appointment will be for a period of two or three years, which may be extended. Further particulars may be obtained from the Assistant Registrar, the Medical School, Birmingham 15, to whom applications, naming two referees, should be sent as soon as possible. (9983)

UNIVERSITY OF EDINBURGH
Department of Bacteriology—Lectureship

Applications are invited from medical graduates for the post of Lecturer in the above department. Applicants for the post should have had experience in bacteriology and/or virology and in research methods. The duties of the successful applicant would be mainly concerned with teaching in medical and science courses, with diagnostic services, and with research in microbiology. Salary scale—Lower: £1,250 by £10 to £1,690; Higher: £1,805 by £115 to £2,150 by £110 to £2,700 per annum, with placements according to qualifications and experience, and with superannuation benefit and family allowance where applicable.

Further particulars may be obtained from the undersigned, with whom applications (six copies), giving the names of two referees, should be lodged not later than November 8, 1963.—Charles H. Stewart, Secretary to the University. (9682)

UNIVERSITY OF ABERDEEN
Department of Child Health

Applications are invited for post of **TERMINABLE LECTURER**. Salary on scale £1,150 to £1,450, which is subject to revision. Placing according to qualifications and experience. F.S.S.U. child allowance and removal allowance.

The successful applicant will be expected to take part in clinical work, but his duties will consist mainly of research. Further particulars from the Secretary, the University, Aberdeen, with whom applications (two copies) should be lodged not later than November 11, 1963. (9855)

UNIVERSITY OF LONDON
Institute of Obstetrics and Gynaecology
Queen Charlotte's and Chelsea Hospitals

Applications are invited from members of the Royal College of Obstetricians and Gynaecologists for the full-time post of **SENIOR LECTURER IN OBSTETRICS AND Gynaecology**

The appointment to commence on April 1, 1964. The successful applicant will assist in the clinical work of the Department of Obstetrics and Gynaecology, the teaching of postgraduate students, and will have ample opportunities for research. Salary on a scale from £2,315 to £3,085. Initial salary according to qualifications and experience. Membership of the F.S.S.U. and Children's Allowance Scheme. Applications, giving the names of three referees, to be sent, not later than November 15, 1963, to the Secretary, Institute of Obstetrics and Gynaecology, Chelsea Hospital for Women, London S.W.3, from whom further information can be obtained. (5040)

UNIVERSITY OF LONDON
(British Postgraduate Medical Federation)
INSTITUTE OF NEUROLOGY
(Queen Square)

Applications are invited from registered medical practitioners for the appointment of

LECTURER (Whole-time)
to the Department of Chemical Pathology at the National Hospital, Queen Square. The post will carry the honorary grade of Senior Registrar. The appointment will be for one year in the first instance, but renewable annually. (Salary in the scale of £1,580 to £2,535.) Applications, with names of two referees, should be sent to the Secretary, Institute of Neurology, the National Hospital, Queen Square, London W.C.1, not later than October 31, 1963. (9885)

UNIVERSITY COLLEGE, DUBLIN DIPLOMA IN CHILD HEALTH
Change in Regulations

Candidates for the Diploma in Child Health who have held an appointment as a recognized children's hospital or who are otherwise qualified to sit for the examination are required to attend a one-month whole-time course in Paediatrics in the College and its affiliated hospitals. The course will commence on Monday, October 21, and will cover all the special requirements of the examination. Applications for enrolment should be sent to the Dean, Faculty of Medicine, University College, Dublin. (9972)

UNIVERSITY OF LONDON
Institute of Obstetrics and Gynaecology

A Course for Consultants in Obstetrics and Gynaecology will be held on February 12-14, 1964, at:

Queen Charlotte's Maternity Hospital, Chelsea Hospital for Women, Hammersmith Hospital. Consultants wishing to attend are requested to communicate with the Secretary, Institute of Obstetrics and Gynaecology, Chelsea Hospital for Women, Dovehouse Street, London S.W.3. Early application is advised as accommodation is limited. (5030)

UNIVERSITY OF LONDON
Institute of Obstetrics and Gynaecology

(Incorporating the teaching facilities of Queen Charlotte's Maternity Hospital, Chelsea Hospital for Women and the Department of Obstetrics and Gynaecology at Hammersmith Hospital.)

Applications are invited from graduates with a registrable qualification for enrolment for the Spring Term (March 2 to May 30, 1964). Graduates attend each of the constituent hospitals in turn for clinical work and attend lectures and special demonstrations in all three hospitals. Enrolment fee £3. Tuition fee £52 10s. a term.

General practitioners wishing further experience in obstetrics may be accepted to attend the course at Queen Charlotte's Maternity Hospital for shorter periods—i.e. two to four weeks. They will have the opportunity of attending the Labour Ward in addition to combined classes of lectures and demonstrations at the three hospitals of the Institute. Ministry of Health grants are payable to approved general practitioners attending for a period of one or two weeks.

An intensive course for those preparing for M.D. and M.R.C.O.G. will be held from June 1 to 13, 1964. Hostel accommodation is available at Queen Charlotte's Hospital and at Hammersmith Hospital.

Further particulars can be obtained from the Secretary, Institute of Obstetrics and Gynaecology, Chelsea Hospital for Women, Dovehouse Street, London S.W.3. (5029)

WESTMINSTER MEDICAL SCHOOL
Radiology for Higher Medical Degrees

A course of ten two-hour lecture demonstrations in diagnostic radiology for higher medical qualifications will be held three times a week, at 6 p.m., commencing November 4, 1963.

Fee for course: 10 gns. Apply Secretary, Westminster Medical School, Horseferry Road, London S.W.1. (9591)

HOMES**ST. ANDREW'S HOSPITAL,
NORTHAMPTON
FOR NERVOUS AND MENTAL
DISORDERS**

President: The Earl Spencer
Medical Superintendent: D. J. O'Connor, M.D., D.P.M.
This private hospital receives patients, both male and female, suffering from nervous and mental disorders, including alcoholism and senile illnesses. The fees range from fifteen guineas per week. Private rooms with special nurses can be provided, either in the hospital or in one of the villas in the grounds. The hospital is situated in 130 acres of pleasant grounds which provide all recreational facilities. These include a nine-hole golf course, sports ground, tennis courts, etc. A Recreation and Occupation Centre, known as Gloucester House, has been opened recently which includes an occupational therapy department, a swimming pool, a squash court, and a library with an adjoining reading room.

WANTAGE HOUSE
This is a reception unit to which patients may be admitted. It is equipped for the complete investigation of nervous and mental disorders by the most modern methods. All forms of treatment are available. It contains laboratory or biochemical, bacteriological and pathological research.

MOULTON PARK
Some two miles from the main hospital is the farm of approximately 600 acres. Occupational therapy is a feature of this branch and patients are given every facility for occupying themselves in farming, gardening, fruit growing, etc.
For terms and further particulars apply to the Medical Superintendent (Telephone No.: 34354 Northampton), who can be seen in London by appointment.

WYKE HOUSE, ISLEWORTH
A private hospital, established in 1826, for the individual treatment and care of a limited number of psychiatric patients. Apply Resident Physician. Tel.: ISL 7000.

In hypertension

a fuller life
for the
hypertensive patient

Aldomet[®] is supplied as yellow, film-coated tablets containing 250 mg methyldopa. For the treatment of acute hypertensive crises, Aldomet[®] is also available as an injection, supplied in 5 ml ampoules containing, per ml, 50 mg methyldopate hydrochloride. Detailed information on indications, dosage, administration, precautions and bibliography is available on request.

ALDOMET

METHYLDOPA

ADVANTAGES

'Aldomet' usually reduces blood pressure in the lying (and sitting) as well as the standing position.

Postural hypotension is less of a problem than is the case with other potent antihypertensive agents. Exertional hypotension is rare.

Diurnal variation in blood pressure rarely occurs.

Dosage is simple, flexible and easily established. Side effects are seldom a serious problem.

BENEFITS TO THE PATIENT

Hypertension is under control throughout day and night, awake or asleep.

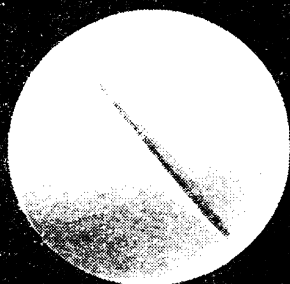

'Aldomet' allows the patient a more normal and active life. Dizziness is rare.

Control of hypertension is smooth and even throughout the 24 hours, without excessive swings of pressure.

'Aldomet' is generally very well tolerated, and the patient is therefore cooperative.

MERCK SHARP & DOHME LIMITED, HODDESDON, HERTS

reduce the
treatment time
in painful
muscular conditions
with this tablet

NORGESIC

Many patients visit their doctors each year for treatment of a painful condition of the limbs or trunk. This is often caused by an accident at home or at work and the condition can be acute and incapacitating.

Norgesic can dramatically shorten the period of incapacity in painful muscular conditions.

Norgesic combines in a single tablet the properties of a highly effective skeletal muscle relaxant, orphenadrine

citrate, and a well-tolerated analgesic, paracetamol. It reduces local pain and the pain of muscle spasm, relieves stiffness, restores mobility and speeds recovery.

Each tablet contains:
orphenadrine citrate 35 mg.
and paracetamol 450 mg.

Dosage is two tablets three times daily.

Basic NHS prices:
100 tablets 14/4 + PT,
500 tablets 70/- + PT.

NORGESIC: REGISTERED TRADE MARK
